

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Information on new car releases
Inquiry Sub-Category	Hybrid and electric vehicle releases
Description	Customers inquire about the latest releases of hybrid or electric vehicles, wanting details about their range, charging options, available incentives, and environmental impact.
Data Size	6,096 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

_____ any updates _____ to _____ models, like increased battery capacity?

_____ you _____ any improvements _____ your _____?

_____ any _____ or updates _____ vehicle?

_____ you make _____ to your _____ increase the battery _____?

Is _____ possible that _____ improvements _____ existing _____ models?

Should _____ to boost battery power _____ existing _____?

_____ you making _____ electric _____ such as bigger battery _____?

_____ been improvements _____ to your _____?

Will _____ changes _____ battery power in existing _____?

Will _____ be _____ vehicles?

_____ there _____ electric cars?

_____ any improvement to the _____ cars _____ use _____?

Is _____ improvements _____ improvements _____ the _____ vehicles?

_____ there any changes _____ can _____?

Do the _____ the _____ have any _____?

_____ battery _____ have any improvements _____ made _____ EVs?

Is there _____ update _____ technology?

Is there _____ made _____ increase battery _____ in _____?

Are there _____ electric _____?

_____ current updates for _____ electric _____?

Have there _____ changes made to the _____ the _____?

Is _____ for existing electric models _____ battery _____?

_____ there _____ new _____ improved features _____ the electric _____?

_____ improvements made _____ electric _____ larger _____?

Is there _____ electric vehicles?

Is there _____ improvement _____ batteries of _____ electric _____?

Are there any _____ electric vehicles, _____ larger _____?

_____ there been any _____ to _____ of the _____?

_____ recent enhancements _____ electric vehicles?

Is there _____ to _____ electric models _____ increasing _____ size?
_____ new changes _____ electric models?
Did current models _____ larger _____?
Expanding battery capacity _____ be _____ result _____ models.
_____ to electric vehicles?
_____ any new updates like _____?
_____ there _____ Upgrades to Existing _____?
Are _____ to existing electric models, _____ bigger battery?
_____ been any improvement to the _____ that _____ capacity?
Current electric _____ could _____ battery performance.
_____ there updates for _____ electric _____ like _____?
_____ to your electric models?
Are the _____ hybrid models _____?
_____ you ever _____ any _____ models _____ increasing the battery size?
_____ there _____ any _____ to _____ batteries _____ the _____ electrified cars?
_____ battery _____ might be _____ if _____ models _____ updated.
_____ the _____ electric _____ have any _____ such as _____ bigger _____?
Bigger _____ with the current _____?
Has there _____ recent _____ to the _____ electric _____?
_____ are _____ improvements to electric _____ with _____?
Is _____ model _____ battery capacity?
Any _____ for _____ vehicle _____?
Are _____ updates _____ technology?
_____ improvement to _____ that increase battery capacity?
_____ an improvement _____ the electric car _____ battery _____?
Was the _____ upgraded _____ better _____?
Has _____ been made to _____ increase _____ battery capacity?
Any improvements _____ electric _____?
Does _____ models _____ any improvements _____?
Were the _____ models _____ with _____?
Is _____ any enhancements _____ to _____ electric vehicles?
_____ you have any updates _____ your _____?
_____ the electric cars?
_____ it possible _____ were updated to _____ their _____ capacity?
There are _____ to existing _____?
_____ there _____ upgrade to _____ electric _____ battery improvements?
Is _____ of electric models _____?
_____ there any _____ electric vehicles such _____ batteries?
Is _____ any updates?
_____ battery _____ new about _____ cars?
_____ any improvement _____ battery _____ electrified models?
_____ recent enhancements _____ vehicles include _____ upgraded battery capacity?
Have _____ been made _____?
_____ improvements occur _____ existing _____ models?
Is there _____ to _____ cars _____ increase _____ capacity?
_____ previous models receive _____?
Was the _____ with more _____?
_____ any _____ the _____ have better _____?
_____ recent enhancements to _____ that are electric?
_____ there _____ to _____ current electric _____?

Is the hybrid _____ more _____?

_____ the existing _____ upgraded with _____ powerful _____?

_____ any changes _____ current _____ vehicles?

_____ it possible _____ increase battery power _____?

_____ there _____ in the _____ the existing _____ cars?

Maybe a _____ capacity _____ electric cars?

Is there _____ models, _____ better _____?

Is the _____ improved _____ any _____?

There _____ to _____ electric models?

Bigger batteries _____ be _____ cars.

Did any _____ the _____ models _____ improvements _____ their _____?

Will there _____ to _____ models?

_____ modifications to the _____ capacity?

_____ the current electric models?

Is _____ any _____ to electric cars _____?

_____ are _____ for _____ electric _____ such _____ improved _____ capacity.

Bigger batteries or _____ with your _____ rides.

Are _____ any _____ electric _____ like bigger battery _____?

Have _____ been any _____ changes _____ to the _____?

Have _____ seen _____ changes _____ existing electric _____?

_____ there _____ done on electric _____?

_____ you know _____ models have any improvements?

Can you tell _____ any _____ EVs?

Better _____ might have been one _____ updates _____ models _____.

_____ batteries _____ the _____ models may _____ improved.

Have you seen any _____ electric _____?

_____ electric _____ be upgraded.

Will _____ updates _____ electric models?

_____ you made _____ changes _____ electric _____ increase _____ battery size?

Is it possible _____ upgrade _____ larger _____ capacity?

_____ electric _____ have _____ batteries?

Existing _____ have received _____ batteries.

Are there any _____ the _____ vehicles?

_____ want to _____ if there _____ changes made _____ increase _____.

_____ the _____ model have _____?

Have you made _____ to _____ models that _____ size?

_____ been _____ for _____ vehicles?

_____ there _____ any _____ to the cars _____ have _____?

_____ are any changes _____?

_____ the _____ models _____ with _____ ample _____?

Big batteries _____ cars?

Is there _____ to _____ the existing _____ cars?

Did _____ models get _____ updates?

Do you _____ any electric _____ their battery size _____?

Is there _____ made _____ existing electrified cars _____ of _____ batteries?

_____ electric _____ be updated _____ improved battery _____.

_____ there any improvement to the _____ on _____?

_____ there any _____ done to _____?

_____ electric car _____?

Was _____ upgrade _____ electric models?

_____ the electric models _____?

_____ there _____ recently _____ electric vehicle _____?

Improvements to _____ electric _____?

Is there _____ and _____ batteries _____?

_____ to _____ EV models such _____ capacity?

Is _____ any updates?

_____ you making any _____ to _____ rides _____ battery _____?

Is _____ improvement to existing _____ as _____ bigger battery?

Did existing models _____ updates _____?

_____ models _____ battery improvements?

_____ there any improvements _____ to the _____ of _____ existing _____?

Are _____ improvements _____ current electric _____?

_____ there any updates _____ models?

What _____ the electric _____ bigger _____.

Bigger batteries _____ current _____?

Enhancement _____ models, like _____ capacity?

Better battery _____ any other _____ on your _____?

_____ have _____ made to increase _____ battery capacity?

_____ existing _____ models have _____?

Any _____ EV models?

_____ batteries, anything _____ about _____ electric _____?

Any _____ made _____ electric _____?

_____ any _____ to _____ battery capacities?

Better _____ capacity _____ any _____ updates _____ electric vehicles?

Larger _____ capacity _____ be _____ upgrade to existing _____.

Better _____ capacity _____ updates _____ your _____?

_____ batteries _____ even on existing _____?

_____ models have _____ in _____ capacity?

_____ any _____ conventional hybrid _____ as boosted _____ capacity?

Are _____ changes to electric _____?

_____ there _____ the electric vehicles right _____?

_____ an _____ battery capacity _____ the _____ electric vehicles?

_____ it _____ that electric models were _____ battery _____?

_____ current _____ models have _____ made?

Has the _____ cars _____?

Did _____ make any changes _____ your electric _____ that _____ increase _____?

Did you make any improvements _____ models _____ size?

Improvements to _____?

What can be _____ increase _____ power _____ existing _____?

Did _____ of _____ have improved _____?

Have _____ made any _____ to your _____ involve _____ size?

Bigger _____ the _____ cars?

Is it possible the _____ to expand _____?

Have there _____ the electric _____?

_____ changes can be _____ to _____ battery _____ existing _____?

What about upgraded _____ larger _____?

Has _____ storage _____ increased _____ older _____?

_____ there _____ changes _____ vehicles, _____ as larger battery capacity?

Enhancements to existing _____ increased _____?

Do _____ models _____ technological improvements?

_____ any models _____ increase _____ capacity?

Is there _____ cars that expand _____?

_____ a change to increase _____ power _____ existing _____?

Is it true _____ updates _____ better batteries?

_____ the _____ upgraded with more plentiful _____?

_____ electric _____ get better _____?

_____ there _____ being made _____ increase battery _____?

Are you increasing _____ in _____?

Better _____ of your existing _____?

Is _____ models _____ like better _____?

_____ models have _____ battery capacity?

Do you _____ if _____ are _____ improvements _____ your electric _____?

_____ batteries _____ electric cars?

Does _____ car have been _____?

_____ improvement to current electric vehicles with _____?

Electric models may have _____.

Better battery capacity for _____ models _____.

Did _____ capabilities in _____ electric _____?

_____ improvements to _____ vehicles, such as _____ batteries?

_____ there _____ conventional hybrid, such _____ boosted battery _____?

_____ about _____ vehicles _____ batteries?

Better _____ an update on your _____ vehicles.

_____ possible _____ the _____ were updated _____ expanding _____ capacity?

Bigger _____ capacity is _____ could be upgraded _____ EV _____.

Did the _____ existing _____ upgraded?

Did your _____ models _____ any _____?

Is _____ to the current _____?

_____ batteries are _____ the electric _____.

_____ any _____ for _____ electric vehicles _____ this time?

Have you made any _____ like _____ battery _____?

_____ there any _____ to _____ of _____ electrified models?

_____ batteries might be _____ electric _____.

_____ electric models have _____?

Increased _____ size is possible, _____ improvements _____ made _____ your _____?

_____ changes _____ increase battery _____ in existing cars?

Was the existing _____ to have _____?

Larger _____ something that _____ be _____ current electric vehicles.

Is _____ any _____ battery power in existing _____?

_____ to current _____ models?

_____ improvement to the electric cars that _____?

_____ are any updates _____ the _____?

Do the _____ currently _____ any _____?

_____ can be made _____ battery power _____ existing _____?

_____ there _____ any _____ to the cars _____ expand _____?

I _____ to _____ if _____ to the _____ models.

_____ electric vehicles _____ should _____ improved?

_____ electric _____ with _____ improvements?

_____ there any improvement to _____ batteries _____?

Is there _____ models _____ batteries?

_____ changes made _____ battery power in _____ EVs?

Has ____ been ____ improvements ____ electric models?

Has there been ____ battery capacity ____ the ____ cars?

____ you made any ____ that ____ their battery sizes?

Have changes ____ made ____ electric ____ increase battery ____?

____ any improvements to ____ electric ____?

Any improvements ____ electric ____?

____ any ____ enhancement to the ____ electric ____?

Do the electric ____ improvements?

____ there an ____ in ____ that increase battery ____?

____ about bigger ____ for ____ electric ____?

Are ____ aware ____ improvements made ____ your ____ electric ____?

____ are any updates ____ vehicles?

Is ____ any ____ the ____ models?

____ there any ____ changes ____ vehicle ____?

____ capacity could be upgraded ____ existing ____.

____ an ____ existing electric models with battery ____?

Is there ____ made ____ your ____ electric ____?

____ there ____ changes made ____ the existing electric ____?

____ improvement to ____ that expand battery capacity?

Do ____ to electric ____ like ____ battery juice?

Is it possible that ____ updated ____ battery ____?

Have ____ made any changes ____ your electric ____ their battery ____?

Did ____ electric ____ have ____ capacity?

____ can be ____ to increase ____ in existing ____?

I ____ if ____ have been any ____ the ____ electric ____.

Any ____ or changes to ____?

Increased battery capacity, ____ changes ____ made to ____?

The batteries ____ for current ____.

____ there any ____ to the ____?

____ had any battery improvements?

Will ____ to ____ current lineup of EVs?

____ about elec'tric ____ batteries?

____ new ____ to electric ____?

Is there ____ to the ____?

Is batteries being enlarged ____?

Is there ____ change ____ increase battery ____ existing ____?

Are there any ____ to ____ vehicles ____ larger battery ____?

____ you ____ increasing ____ for your electric models?

Is ____ available for the ____ vehicles?

Better battery ____ be ____ on ____ existing ____ vehicles.

Has ____ been ____ to ____ electric cars ____ capacity?

____ there any ____ changes ____ vehicles?

Did ____ receive ____ upgrade?

Is there ____ vehicles ____ available?

Is ____ any ____ better ____ for ____ models?

Is there an ____ to existing ____ such as ____?

Is ____ upgrade ____ existing ____ models.

Are there enhancements ____ electric ____?

____ size ____ be ____ to your EV.

____ there any ____ enhancements to ____?

_____ batteries _____ even _____ electrified models.

Are there _____ batteries _____ to _____?

Does the current electric _____?

Is _____ bigger _____ added to _____ cars?

_____ recent _____ or _____ been made _____ the _____ models?

Possible _____ current _____ models?

Did any models _____ battery _____ any _____?

Is there _____ such as bigger _____ capacity?

_____ any _____ the electric _____ have _____ updates?

_____ increased _____ been added to _____ electrified _____?

_____ any improvements made _____ models?

_____ know if there are improvements _____ models?

_____ capacity _____ a possibility _____ the _____ electric cars.

Increased _____ is something that _____ be _____ your _____.

_____ there any updates _____ for _____ electric _____?

Has _____ been _____ to _____ such _____ boosted _____ capacity?

Bigger _____ can _____ the _____ electric cars.

Have _____ to the _____ to increase _____ battery _____?

Did _____ models have _____ to _____?

Is there an _____ for _____ with _____ improvements?

Is there _____ change _____ batteries in _____ existing _____?

_____ been _____ improvement _____ the cars that _____ capacity?

Is _____ improvements _____ electric _____?

Is _____ updated?

I _____ wondering if _____ updated to expand _____.

_____ any _____ for current _____ cars?

I _____ if there are _____ to _____ vehicles.

Have _____ improvements _____ the electric _____?

Did _____ any _____ to _____ rides?

_____ electric cars _____ been _____?

What _____ can be _____ electric vehicles with _____?

_____ bigger _____ news _____ elec'tric vehicles?

Are _____ updates _____ the vehicles _____ are electric?

Is there _____ changes to the _____?

Is _____ electric _____ having _____ battery _____?

Is there _____ cars?

Have _____ any changes to _____ that _____ increasing the _____ size?

Have there _____ enhancements _____ the _____ electric cars?

_____ change _____ improvement _____ the batteries of _____ existing _____ cars?

_____ electric models?

_____ recent changes or _____ electric _____?

Did _____ models _____ were electrified _____ any _____?

_____ electric vehicle have any _____ have _____ made?

_____ vehicles or _____ batteries?

Is _____ any _____ to the _____?

Did you make any _____ your models _____ size?

_____ models _____ updates?

_____ there _____ updates available _____ electric cars?

Is _____ any changes _____ the _____ electric models?

Is there any upgrade to _____ model _____ the _____?

_____ there _____ improvements to _____ current _____ such _____ battery capacity?
_____ new changes to _____?
_____ the electric _____ doing any _____?
_____ wonder _____ the _____ updated _____ expand battery capacity?
Is there an _____ electric _____?
_____ any new updates on _____ existing electric _____?
_____ models _____ updates like _____?
_____ if _____ any improvements to your _____ electric models?
_____ your _____ getting any updates?
_____ there _____ updates _____ improved features _____ the _____ models?
Electric _____ have _____ updated to _____ capacity.
Have _____ been _____ for _____ electric _____?
_____ seen _____ recent changes _____ electric _____?
_____ you _____ battery capabilities _____ your _____?
Better _____ electrified _____ receive?
There could _____ existing EV _____.
Is the _____ model _____ improvements?
_____ models see improvements _____ capacity?
Do _____ upgrade _____ models _____ increase _____ battery size?
Are there _____ EVs?
_____ electric models _____ any improvements?
_____ and bigger batteries _____ electric _____?
_____ batteries added _____ cars?
Is _____ with more batteries?
Is there _____ electric _____ available?
_____ if _____ are _____ changes to your electric _____?
Is _____ updates for _____ electric cars _____ added?
_____ any improvements _____ your _____ electric models?
Did _____ models _____ improvements _____ capacity?
_____ there any _____ models, like increased _____ capacity?
_____ there any changes _____?
_____ on elec'tric _____ or _____?
_____ to the _____ vehicles, such as larger battery _____?
_____ new _____ on current electric _____ like _____ batteries added?
Is the electric _____ battery _____?
There _____ any improvements _____ the _____?
Modifications _____ electric vehicles _____ not been made _____.
An update to _____?
_____ about _____ existing _____ models _____ improvements?
_____ you _____ existing electric _____ have been _____?
_____ any _____ electric vehicles that include _____ capacity?
_____ any _____ to the current electric _____ as _____ batteries?
Is there _____ to the cars that _____?
_____ you improved _____ battery _____ of _____?
_____ there _____ updates like _____ batteries _____ the _____ models?
Any _____ electric _____?
Has _____ an increase _____ energy _____ in _____ electrified _____?
_____ there any _____ in _____ batteries of _____ cars?
_____ to electric _____ may _____ been _____.
_____ larger _____ receive updates?

_____ wanted to know _____ there _____ any _____ electric cars.

_____ any improvement _____ your electric _____?

_____ batteries, _____ the electrification _____ been _____?

_____ EV _____ like _____ battery capacity?

_____ way _____ boost _____ power in existing cars?

Existing EV models _____ upgraded to _____ battery _____.

Do you _____ any _____ cars?

_____ any _____ enhancements _____ the vehicles, like an _____ battery _____?

Current _____ models _____ have _____.

_____ any _____ to the _____ electric _____?

_____ any change or update for _____?

Does _____ know of _____ models?

_____ something _____ has changed _____ electron powered rides.

_____ there any modifications _____ that _____ battery capacity _____?

Is there _____ current cars that _____ batteries?

_____ there _____ update _____ like larger batteries?

_____ there any _____ done _____ electric _____?

Has _____ been implemented _____ older _____ versions?

_____ current electric model have _____?

Is _____ boost battery power _____ existing vehicles?

Are the _____ your _____ improved?

_____ there _____ done to current _____?

_____ there _____ to the electric vehicles, _____ battery capacity?

Are there _____ for the _____?

Is _____ to _____ such as boosted _____ capacity?

_____ any updates _____ electrified vehicles?

_____ are the battery _____ electric _____?

_____ you _____ updates _____ existing electric _____?

_____ been any _____ batteries in _____ existing cars?

_____ there any _____ to _____ that extend _____ capacity?

_____ there _____ recent changes _____ that _____ EV _____ rangeability?

_____ there be _____ battery power in _____ EV?

I wonder _____ models received _____ better batteries?

_____ there _____ improvements _____ current _____ models made?

_____ the _____ get _____ better batteries?

_____ to _____ battery power in existing EVs?

_____ making any changes _____ to _____ their battery size?

Does your _____ electric _____ any _____?

I _____ the electric _____ have any battery _____.

Are you _____ enhancements _____ rides, like _____ juice?

Is _____ any _____ to _____ hybrid like _____ capacity?

_____ there _____ upgrades to existing _____?

_____ any recent changes or _____ to _____ vehicle _____?

Could _____ to current _____?

Enhancements _____ the existing _____ models, _____ battery _____?

Is there _____ improvement to the _____ that expand _____?

Have _____ electric _____ modified?

_____ be done to _____ power in _____ EV?

_____ being made to increase _____ power?

_____ enhancements to electric cars?

_____ there _____ enhancements _____ current electric cars?

Is _____ any enhancements _____ for _____ cars?

Electric models may _____.

_____ improvement in _____ electric cars?

Did _____ existing electric models _____?

Will _____ any _____ to _____ power?

Is _____ reported updates _____ with bigger batteries?

_____ models have any _____ improvements?

_____ of _____ to your electric cars?

Do _____ any _____ your _____ electric vehicles?

_____ wonder if _____ updates _____ larger batteries.

Does _____ know _____ your electric _____?

Have there been any _____ to _____ batteries _____ existing _____?

_____ there any _____ to electric _____ with _____?

Is there any improvements to _____ increased _____?

Are _____ getting any _____?

_____ been any changes _____ the batteries in _____?

Are _____ electric _____ to date on _____?

_____ there _____ existing electric models?

_____ electric _____ have improvements _____ their _____?

_____ recent _____ or _____ to electric vehicle _____?

_____ any _____ been made _____ the _____ battery capacity?

_____ changes to the _____ electric cars?

Are there any changes _____ to _____ batteries in _____?

Is there any _____ to _____ battery capacity?

Better battery _____ an _____ your electric vehicles.

_____ there _____ improvements for electric _____ larger _____?

Will _____ new or improved _____ for _____ electric _____?

_____ been _____ the electric cars _____ expand battery _____?

_____ your _____ vehicles? Better battery _____?

_____ EV models _____ be upgraded _____ larger battery _____.

_____ battery performance _____ current _____ models may _____ improved.

_____ yet to those _____ cars?

Is _____ for the electric _____?

_____ there _____ changes _____ for _____ options?

_____ any _____ currently _____ the electric _____?

_____ there _____ new enhancements _____ electric _____?

Enhancements _____ EV models, _____?

_____ the current models get _____ larger _____?

Is _____ electric models _____ batteries?

Have any _____ made to _____?

Is _____ any _____ to _____ models?

_____ battery capacity improved _____ of the electric _____?

_____ any updates for _____ electric _____?

Did _____ enhancements to _____?

Better batteries, _____ receive any _____?

Is _____ possible _____ increasing battery capacity?

_____ there any improvement to current _____ bigger _____?

_____ enhancements _____ electric cars?

More _____ the electric cars?

_____ there _____ to _____ electric models?

Are _____ improvements to electric _____ as larger _____?

_____ been _____ upgrade to _____ electrified vehicles?

Bigger _____ something that _____ added to _____ cars.

Are there _____ improvements to _____ such _____ battery?

_____ there any _____ to _____ electrified _____ in _____ of _____ batteries?

Have _____ electric _____ upgraded?

Can _____ about any _____ your current _____ models?

Is there _____ and _____ batteries _____ to _____?

_____ getting updates?

Any changes _____ battery _____?

Is _____ improvement on _____ current _____ such as _____ capacity?

Is _____ any _____ to _____ existing _____?

Existing _____ may have _____.

_____ you have _____ increase the _____ size of _____ models?

_____ any _____ to existing electric _____?

_____ there _____ updates _____ available _____ electric cars?

Is _____ or better for _____ models?

_____ the _____ any improvements?

How _____ updates _____ car _____?

Do _____ have _____ capacities in _____?

Do _____ electric _____ in their _____?

Have _____ electric models _____?

Have _____ been _____ to _____ batteries in _____ electric cars?

_____ be any _____ to the _____ electric _____?

_____ wonder if _____ models received _____ updates, _____ batteries.

_____ existing electrified models _____ larger _____?

Is the battery capabilities _____?

_____ made _____ electric cars?

I want _____ know _____ the _____ models _____ with more _____.

Has there _____ changes _____ to _____ batteries in the _____?

Have you upgraded _____?

_____ can _____ to current electric vehicles _____ batteries?

Do _____ have any _____ the battery _____ of your _____?

_____ models _____ better battery _____?

_____ you make _____ enhancements to the electric rides, _____?

Any changes _____ power?

_____ the _____ models have any _____?

_____ any improvements _____ been made _____ electric _____?

Is _____ the _____ vehicles, such as bigger battery _____?

_____ there _____ any changes _____ electric _____?

_____ models _____ battery improvements?

_____ it _____ that the _____ were _____ expanding battery _____?

Did _____ any _____ like _____ batteries?

Is there _____ the _____ cars _____ increase _____ capacity?

_____ any changed _____ hybrid, _____ as _____ battery capacity?

_____ there _____ the cars that _____ batteries?

Is _____ any _____ existing models like increased _____?

_____ if _____ models were _____ and _____ battery capacity.

Is _____ an _____ to _____ electric _____?

Larger battery _____ be _____ upgrade to _____ EV _____.
 Bigger battery _____ could _____ about _____ electric cars.
 Is _____ the current electric vehicles?
 Is _____ updates _____ your _____ electric _____?
 _____ any new updates for _____ electrified vehicles _____?
 _____ updates to _____ electric models?
 Can _____ be _____ made to _____?
 _____ an _____ to _____ batteries in _____ electric cars?
 How about _____ current _____ like _____ power?
 _____ it possible _____ the _____ to _____ battery capacity.
 _____ any changes to the electric _____ that _____ a _____?
 Is _____ any new _____ for current electric _____ like _____?
 Bigger batteries _____ changed _____ your _____ rides?
 _____ current models _____ larger _____?
 _____ battery capacity _____ could _____ used _____ the _____ electric cars.
 _____ any _____ the _____ of the existing electric cars?
 Any _____ on electric _____?
 Does _____ current electric _____ improvements or _____?
 Enhancements _____ bigger _____ elec'tric _____?
 Are you making enhancements to electric _____?
 Any _____ made to _____ power?
 _____ any modifications _____ battery _____ yet?
 Have _____ modifications to your _____ models that _____ their _____?
 Did any _____ the models _____ to _____ capacity?
 Enhancements _____ for electric _____?
 _____ any _____ updates for electric _____?
 _____ there _____ existing electric _____?
 Is there _____ increase the _____ size _____ your electric _____?
 _____ of electric cars get _____?
 Did any _____ have _____?
 _____ any changes to _____ electric _____ bigger batteries?
 Increased _____ size is _____ improvement _____ EVs.
 _____ you heard about any _____ enhancements _____ vehicles?
 Is _____ any _____ on _____ electric _____?
 _____ any improvements _____ electric vehicles?
 _____ there any _____ improvements _____ to the electric _____?
 _____ any modifications _____ to electric _____?
 _____ with bigger batteries?
 _____ any _____ to _____ models, _____ bigger batteries?
 Do the _____ have _____ new _____?
 _____ may _____ been _____ electric cars.
 Better electric _____ with _____?
 _____ models _____ see updates or improved capacity?
 Any _____ to _____ models?
 Is _____ any _____ improvements to _____ current _____ vehicles?
 Did the _____ hybrid _____ have _____?
 _____ updates for _____?
 _____ make any changes _____ increase their battery size?
 _____ there are _____ changes made _____ boost battery power?
 _____ can be _____ boost battery _____ existing EV?

____ there been ____ electric ____?
 ____ there ____ improved ____ the ____ electric models?
 Do the ____ electric models ____?
 Are ____ improvements to your ____?
 ____ it possible that ____ were ____ with ____ capacity?
 ____ you seen ____ improvements to ____ current ____ vehicles?
 Are the ____ being enlarged ____ electrified models?
 Electric ____ with bigger ____ could ____.
 Existing ____ have ____ like larger ____.
 ____ want to know ____ been ____ increase battery capacity.
 Electric models ____ been ____ battery ____?
 ____ to the current electric vehicles?
 ____ the ____ have battery ____?
 Have ____ making ____ electric rides, like bigger ____ juice?
 ____ any ____ been made ____ your ____?
 ____ there ____ to ____ electric cars ____ battery capacity?
 ____ the ____ models ____ updates ____ batteries?
 Is ____ due to the ____ models?
 ____ the electric ____ get ____ features?
 ____ it ____ batteries ____ updated, expanding ____?
 Did ____ any ____ to ____ electric models ____ increase ____ battery size?
 ____ there an upgrade ____ the ____ hybrid ____ with ____?
 ____ any ____ the ____ see ____ improvement in ____ battery ____?
 ____ for existing ____ models?
 Any ____ improvements for ____?
 ____ there any ____ to ____ electric ____?
 Were ____ batteries added ____?
 Is there any ____ for existing ____ as ____ battery?
 Are there ____ for ____ models?
 ____ any recent ____ to ____ models?
 Better ____ capacity ____ something ____ could be ____ your ____ electric ____.
 Bigger battery capacity ____ be ____ new ____ cars.
 ____ electric ____ may ____ updated ____.
 Have ____ made ____ changes ____ EVs?
 ____ there recent ____ current electric ____?
 ____ there ____ the electric vehicles currently?
 ____ want ____ know ____ there's ____ upgrade for electricity-powered ____?
 Is ____ changes for ____ electric ____?
 ____ and ____ were ____ to electric ____?
 ____ there any ____ batteries for ____ models?
 Does ____ have any ____ electric ____?
 Has there ____ recent ____ to electric ____?
 ____ there any improvement ____ the cars ____ increase ____?
 ____ it ____ models ____ any updates, ____ better batteries?
 ____ you ____ to ____ EV models ____ larger batteries?
 ____ the ____ electric models?
 ____ recent enhancements to ____ models?
 ____ any ____ made ____ the current electric vehicles, such ____ capacity?
 I ____ if there are any updates ____ electric ____.
 ____ any ____ batteries for electric cars?

I wondered _____ models received _____ like _____.

Enhancements _____ EV _____ larger _____?

More juice _____ batteries, _____ new with _____ electric _____?

_____ there _____ electric models?

Do _____ any _____ your _____ cars?

Is there _____ to _____ power in existing _____?

_____ there any update _____ models _____ batteries?

Has any _____ to _____ battery _____ yet?

I _____ wondering _____ there _____ any new updates _____ cars.

Is _____ to _____ cars?

_____ changes _____ electric vehicle _____?

Have there _____ changes _____ electric _____?

I _____ there _____ recent enhancements _____ the current electric _____.

_____ there _____ electric _____ technology?

_____ current _____ models having any _____?

_____ would _____ know _____ were _____ updates for current electric _____.

_____ to _____ electric models, like bigger batteries?

_____ improvements _____ electric cars?

_____ the _____ have battery _____?

What _____ have _____ made _____ current electric cars _____ of _____ batteries?

Have you _____ your _____ models to _____ size?

Do you make any _____ electric _____ battery juice?

Is _____ been upgraded?

_____ an _____ the _____ that expand battery capacity?

_____ there _____ electric models?

Are _____ to electric _____ larger batteries?

_____ you improve battery capabilities _____?

Has there _____ any _____ to _____ batteries _____ the existing _____?

Is there _____ recent _____ models?

Is _____ new enhancements _____ the _____ electric _____?

_____ there _____ to _____ vehicles, _____ as larger battery _____?

Is _____ improvements _____ expansions for _____?

_____ there _____ to existing models, like increased _____?

_____ electric cars _____ upgraded?

Is _____ any _____ to the _____ cars _____ their battery _____?

_____ electrified _____ have gotten _____ batteries.

Are _____ electric models _____?

_____ were electric get any _____?

Is there any improvement _____?

_____ the _____ models getting _____?

_____ there _____ to _____ models such as bigger _____?

_____ electric models _____ upgraded _____?

Is _____ any _____ to the current _____ battery _____?

Did _____ make _____ changes to _____ to _____ their _____ size?

Is there any improvements _____?

_____ models with better batteries _____?

Is _____ change or improvement _____ batteries _____ electric cars?

_____ bigger batteries _____ cars?

_____ there _____ battery _____ for electric _____?

_____ are improvements _____ current electric vehicles such _____ capacity.

_____ in electric _____?

_____ there _____ improvement _____ cars?

_____ any _____ information for _____ like _____ batteries added?

_____ anything new about electric _____?

_____ technological advancement done on _____ vehicles?

_____ models may _____ improvements.

_____ electric models were updated to _____ capacity?

_____ there _____ to _____ cars that _____ battery capacity?

Are there improvements _____ vehicles, such as _____?

_____ improvements to _____ with _____ batteries?

_____ any recent _____ been _____ electric _____?

Is batteries _____ enlarged _____ existing _____?

Is it possible _____ models to _____?

_____ updates made to _____.

Existing _____ gotten updates, _____ batteries.

_____ models _____ improvements _____ battery capacity?

Is there any new _____ updates _____ electric _____?

Is _____ possible _____ received _____ batteries?

_____ the _____ with better batteries?

_____ about _____ existing _____ models?

_____ a way to _____ battery _____ in existing _____?

What improvements _____ be made _____ vehicles _____ batteries?

Is there _____ electric _____ yet?

Is _____ improvements _____ models?

Will _____ batteries _____ enlarged _____ existing _____?

Are you making _____ improvements _____ rides, _____ battery juice?

Is _____ capacity improved _____ any _____?

_____ or _____ changed with _____ electron-powered rides.

_____ upgraded _____ with more batteries?

Existing _____ models may _____ updates _____ larger _____.

Is the _____ of _____ electric _____?

_____ know of _____ changes _____ the _____ models?

Have you _____ any recent enhancements _____?

_____ it possible _____ models were _____ and expanded _____?

I want to _____ there were _____ for _____ electric _____.

_____ existing electric _____ upgraded?

Is _____ electric _____ updated _____ battery _____?

_____ change to _____ the battery _____ in _____ cars?

_____ there _____ recent _____ electric vehicles?

_____ EV models can _____ to _____ battery _____.

_____ existing electric cars _____?

_____ batteries size used, _____ updates _____ the vehicles?

_____ improvements for _____ existing electric models, _____ as a _____?

_____ of _____ electric models improved _____?

Did any _____ to _____ capacity?

_____ you make _____ to _____ electric rides, like bigger _____?

Current electric _____ getting _____?

_____ for _____ electron-powered rides?

Do _____ improvements _____ electric rides such as bigger _____?

Is _____ modifications to _____ that _____ battery capacity?

Is there ____ change to the electric ____ ____ ____ ?

Did electric ____ ____ any ____ ?

____ there ____ ____ or ____ batteries for ____ cars?

____ changes ____ electric ____ ?

____ been any changes to the ____ of ____ ?

Does anyone ____ ____ changes to ____ ____ ?

Is the ____ ____ ____ more batteries?
