Obtaining necessary _____ solar panels _____ achieving full function _____ is an expected timetable.

_____ permitting process for installation _____ a functional _____ estimated.

Provide an _____ the _____ needed for _____ solar _____ generation systems.

_____ the _____ time needed to _____ a fully-installed _____ system on a _____.

How long ____ it ____ for my ____ solar system ____ permitted?

I ____ to ____ soon ____ functioning household photovoltaic ____ with required permits ____ place.

____ you give me ____ how long ____ take to ____ a ____ in my house?

Do ____ how long it ____ for ____ functional solar ____ system ____ on a residential ____?

How long will ____ take ____ put a ____ photovoltaic ____ on ____?

Can ____ a time frame for the ____ roof ____?

____ for a ____ system to be ____ on a roof.

How ____ will ____ for the ____ be ____ on the roof?

____ the ____ residential rooftop solar system ____ to ____ while?

____ functioning ____ photovoltaic setup ____ with required ____ be in existence?

____ provide the ____ time ____ installing a ____ panel array.

Can you provide ____ for ____ up the ____?

How long ____ it ____ solar panels on ____?

How long will it take ____ install ____ solar ____?

____ interested ____ how ____ it ____ to set up a residential ____ considering the permitting ____.

____ me know ____ approximate time ____ incorporate green ____ with ____ panels.

I'm ____ learning ____ take ____ up ____ residential solar power generation system.

Can ____ give me an ____ the ____ will take ____ install ____ functioning photovoltaic ____ roof?

____ long ____ process ____ getting a permit ____ setting up solar ____ on ____?

How ____ it take to ____ rooftop ____ panels ____?

Estimate ____ would take ____ fully-installed ____ panel ____ a residential rooftop.

How long ____ it ____ to ____ a ____ solar energy ____ in ____?

____ there ____ time ____ having a residential rooftop ____ system ____ up and ____?

Is ____ an estimated ____ which ____ can ____ rooftop photovoltaic ____ up and running?

____ will ____ take ____ a ____ system on my ____ roof?

When can ____ expect ____ install ____ working residential ____?

What is ____ for the installation ____ a ____ my ____ roof?

____ want to ____ can ____ roof top solar system ____ installed and ____.

Can you ____ estimate ____ how long ____ take ____ install a ____?

How much ____ take for a solar ____ be ____?

____ you tell ____ how long it ____ take ____ me ____ have ____ fully-operational ____ installation ____ my ____?

____ long will it ____ a ____ photovoltaic system?

I ____ my ____ solar ____ will be ____ installed and permitted.

____ to know when my ____ rooftop ____ system ____ be ____ permitted.

____ like ____ know when ____ can ____ installation ____ a operational ____ atop my ____ roof ____ be complete.

____ long will ____ take ____ the ____ permits to ____ the solar ____?

____ long does ____ to install a ____ photovoltaic ____ system?

____ comes to setting ____ what is ____ estimated installation time?

____ does ____ for ____ residential ____ energy system to ____ and running?

When can I ____ solar ____ to ____ completed?

_____ long _____ take _____ get _____ residential solar energy system _____ and _____?

Can you _____ an _____ of the time it will _____ get _____ up _____ residential _____ system?

_____ time frame _____ permitting for rooftop _____ panels?

_____ it _____ get _____ home-based photovoltaic installation approved?

_____ soon _____ I get a fully-operational _____ my _____ and _____ authorizations?

What _____ is required for _____ of a _____ residential _____?

How _____ time _____ it _____ you _____ set up _____ working home _____ panel _____?

How long would it _____ and install a functional _____ panels on _____ of _____?

How _____ it take _____ my _____ system _____ be setup _____ the _____ of _____ house?

How long is _____ to take _____ the _____ be installed _____ roof?

_____ can _____ expect my _____ power system to _____ installed, _____ with all _____ permits in _____?

_____ needed for _____ residential rooftop _____ power generation systems.

Can _____ give _____ estimate on when _____ can _____ on _____ roof?

When will _____ and _____ take place _____ decide _____ add solar _____?

_____ me the _____ time _____ for installing _____ residential rooftop _____ array and _____ necessary _____.

_____ estimate _____ long it will take to _____ rooftop photovoltaic array at my house?

_____ a time frame _____ installation of a _____ rooftop _____ array.

Obtaining _____ approvals _____ solar panels _____ fullfunctionality in a _____ rooftop setting _____ be an expected _____.

How long will it _____ to _____ suitable residential _____ systems on _____?

Can _____ an idea of when _____ possible to install _____ solar _____ the _____ of my _____?

Estimate _____ long _____ take for a fully _____ solar _____ residential rooftop.

How long does the _____ take for _____?

I _____ to know when I can _____ install _____ residential _____.

I _____ to know when I can _____ installation _____ an _____ system _____ roof to be _____.

How _____ you _____ it will _____ to set _____ panels _____ home?

_____ need to _____ when _____ can expect _____ of _____ operational photovoltaic _____ atop _____ home _____ to be _____.

_____ is _____ time _____ a home _____ photovoltaic energy-generating system?

How soon can I _____ solar _____ to _____ installed, complete _____ all _____ necessary permits?

_____ you give me _____ time _____ up a functional home solar _____.

Do _____ of the time it _____ to install _____ functioning rooftop photovoltaic _____ house?

_____ long _____ up _____ solar panels at home?

Estimate _____ time it _____ a _____ system _____ a house.

_____ you _____ an estimate of _____ long _____ residential _____ will _____ to install?

_____ the _____ of time required _____ solar panel _____ on _____ residential _____.

How _____ time _____ it _____ to install _____ system?

_____ long _____ take _____ get _____ solar system _____ on the _____ ?
 When _____ the _____ and installation for _____ be finished?
 I need an _____ of how long it will _____ to _____ panels on _____ roof.
 _____ to _____ how long _____ will take _____ approval _____ the installation _____ functional _____ on the _____ of my _____.
 How long should it take _____ me _____ in a _____ my _____?
 _____ want _____ when the _____ of an operational _____ system _____ will be _____ how _____ it will take to _____ the _____
 _____ long _____ it take for a _____ energy system _____ be _____ ?
 _____ it _____ install solar panels for your _____ ?
 I want to know _____ it _____ take _____ get _____ and install _____ panels on _____ house.
 Can _____ an _____ of _____ it _____ take to install a _____ system on my _____ ?
 _____ we _____ will _____ to install the rooftop photovoltaic _____ my house?
 _____ permit procedures and _____ installation _____ when I _____ to _____ solar _____ ?
 How long _____ take to install _____ fully _____ house roof?
 _____ long do _____ would take to set _____ a _____ residential _____ system?
 _____ me know the _____ time _____ will _____ to incorporate _____ roof panels.
 _____ we have a _____ idea of _____ long it will _____ to install a _____ my _____ ?
 Obtaining the _____ with achieving full function in _____ home _____ setting, is an expected _____.
 Please _____ the expected _____ frame for _____ a _____ solar _____ array and _____ permits.
 Is there an estimated time _____ which _____ can have _____ photovoltaic system _____ and _____ ?
 _____ provide an estimate _____ how soon I _____ have a _____ photovoltaic _____ ?
 I'm _____ how _____ would take to set up a residential _____.
 Can you give _____ estimate _____ the _____ will take to set _____ ?
 Can you _____ me an estimate _____ how _____ to set _____ fully functional residential _____ ?
 How long _____ usually take for _____ and _____ of _____ panels?
 What is the projected time frame for _____ on _____ roof?
 Were you _____ the complete _____ of a _____ rooftop solar system?
 _____ will permit procedures and _____ installation _____ when adding _____ ?
 Provide _____ the time it will _____ for a reliable _____ power _____.
 I'm _____ to _____ long _____ take to get approval and _____ functional _____ panels on _____.
 _____ it _____ to give _____ timetable estimate _____ complete installation _____ rooftop _____ system?
 _____ me the _____ time _____ take _____ incorporate green _____ using _____ panels _____ arrangements.
 When _____ a _____ photovoltaic system to _____ and functional?
 _____ me the _____ to _____ green energy using roof _____.
 Is there an _____ of when _____ have a residential _____ up _____ operational, taking _____ the permit _____ ?
 Can you _____ how _____ it _____ take to install _____ residential _____ systems _____ ?
 _____ me an estimated time frame _____ installing _____ photovoltaic system on _____ ?
 _____ soon _____ the _____ permitting _____ for my home's solar _____ completed?
 How _____ will it take _____ solar panels to _____ ?
 _____ does it _____ for _____ to _____ a _____ system installed on _____ house?
 Can _____ a time estimate _____ setting _____ the _____ panel system _____ ?
 How _____ does _____ take for _____ home photovoltaic system _____ ?
 Can _____ when _____ will take to set _____ the solar _____ in _____ ?
 Can _____ give me _____ the time it _____ take _____ photovoltaic system on _____ rooftop?
 How _____ time does _____ take to be up and _____ ?
 Estimate _____ time it will take _____ a fully-installed solar panel _____ on _____.
 _____ you give a _____ scale _____ installing _____ solar _____ ?
 Can you _____ timeframe for the _____ solar system?
 How _____ it take to _____ a home-based _____ ?
 How long _____ this solar _____ be _____ on the roof?
 _____ long _____ it _____ a fully _____ photovoltaic system on _____ house's _____ ?

_____ estimation for how long it _____ to build _____ residential _____ generation _____.

I would _____ to _____ when _____ of _____ system _____ my _____ roof would _____ and when the necessary _____ would _____ obtained

Can _____ give me an estimate _____ the time _____ will _____ to _____ system?

When _____ installation _____ permitting process _____ my _____ solar panels _____?

When setting _____ an _____ structure _____ what _____ look like?

Can you _____ an _____ when _____ can _____ photovoltaic _____ on my roof?

How _____ will _____ permitting _____ home's _____ panels be done?

_____ have _____ the _____ needed to complete _____ installation of a functioning _____ at my home?

Would you be able to give _____ long _____ set up _____ photovoltaic _____ at home?

_____ you _____ me an estimate _____ long it _____ take _____ install _____ system?

How _____ does it _____ to _____ a _____ rooftop solar _____ at _____ place?

Please _____ an _____ time frame _____ installing a _____ panel array and _____.

How _____ can _____ functioning _____ system be installed?

How long _____ it take for _____ permit _____ setup solar _____ house roof?

Depending on _____ requirements, how _____ does _____ to _____ functional rooftop _____ power _____?

_____ have _____ estimate on the _____ time it _____ take to install _____ rooftop _____ at _____ house?

_____ I expect _____ set _____ solar panels?

_____ does _____ to install solar _____ in a home?

_____ me _____ time _____ will take _____ incorporate _____ energy _____ roof panels

_____ long will _____ take to _____ a home _____ system?

Is _____ to _____ a timing _____ for installing _____ rooftop _____?

How _____ take for my _____ to be _____ with functioning rooftop solar _____ after _____ approvals?

_____ it take to install a operational photovoltaic system _____?

I _____ know how _____ would take _____ install _____ solar panels on the roof of _____.

_____ give _____ time _____ for the _____ a solar panel _____?

_____ you tell me how long it will _____ be set _____ my rooftop?

How _____ can _____ set _____ solar panels on _____?

How _____ it take _____ residential solar energy system _____ up?

_____ give a timeline for installing _____ system?

_____ does it take to install a _____ at _____?

Can _____ tell me _____ time _____ will take _____ my home's _____ source?

How _____ it take _____ up solar panels _____ a _____?

What _____ timescale for _____ in _____ solar setup at my _____?

_____ you _____ a time estimate _____ setting up _____ solar _____ system _____ a _____?

Can _____ tell me _____ long _____ will _____ install _____ system on _____ rooftop?

_____ soon _____ I expect _____ a _____ solar _____ system _____ my house?

What _____ to _____ a _____ home roof-based photovoltaic energy-generating system?

How _____ it take _____ install a _____ solar _____?

_____ would _____ for _____ solar power _____ be set up and running?

I'm curious _____ installation _____ for _____ residential photovoltaic _____ permitting process.

When it _____ to installing a _____ energy system, _____ long _____?

_____ you provide _____ when _____ can have _____ fully-operational _____ on my roof?

_____ you _____ able to provide _____ approximate timetable for _____ securing _____ and _____ an operational _____ array?

_____ an _____ of time needed for establishing _____ residential _____ power _____

 _____ idea when a functioning household _____ and required _____ in _____ ?
 _____ we know how long it _____ to install a _____ array _____ ?
 How _____ take _____ a functional rooftop _____ solution at a residential _____ ?
 _____ can I _____ installation _____ panels to be _____ ?
 _____ does _____ photovoltaic installation take?
 How _____ it _____ the installation of an operational _____ my _____ roof?
 What is _____ expected installation time for a _____ ?
 _____ long can it _____ to _____ a _____ photovoltaic _____ ?
 Please tell _____ is _____ to _____ a complete _____ panel setup.
 How _____ can _____ expect to _____ a _____ installed in my _____ ?
 _____ soon will _____ solar system be installed _____ ?
 How _____ a _____ and set up solar panels in _____ house?
 _____ much _____ it _____ an operational home-based photovoltaic array?
 _____ long _____ it usually _____ for _____ energy system _____ installed _____ a residential _____ ?
 Can _____ give an _____ of how _____ it _____ install _____ solar energy _____ at home?
 How long it takes _____ install _____ system?
 What _____ estimated time frame _____ of _____ efficient _____ roof-based _____ energy-generating _____ ?
 What are your thoughts on _____ for _____ system?
 _____ it take _____ a residential solar _____ generation _____ to be _____ ?
 How long _____ it _____ a _____ solar panel system _____ the necessary _____ ?
 _____ how _____ it will take _____ establish _____ residential _____ solar power generation system.
 Considering the _____ of _____ how long _____ it take to _____ residential _____ ?
 _____ get a solar energy system _____ and running in _____ home?

How _____ take for the _____ of the rooftop _____?

Can you give _____ timetable _____ securing _____ a home-based photovoltaic array?

Obtaining the _____ for installing _____ panels _____ with achieving _____ functioning _____ home rooftop setting _____ be expected _____.

How _____ for my _____ equipped _____ functioning rooftop solar panels after obtaining all _____?

_____ to _____ how _____ it will _____ and _____ functional _____ panels on the roof _____ my house.

Can _____ give _____ of how long _____ will _____ get approval and install _____ on the _____ my _____?

_____ setting up a fully _____ residential _____ give me _____ timetable?

I need to _____ how _____ it will _____ to get _____ and install functional _____ roof _____.

_____ long _____ it _____ residential solar energy system _____ installed?

I need _____ estimate of _____ it will _____ to _____ a _____ system.

How long do _____ it will take _____ install solar _____?

How soon _____ functioning household photovoltaic _____ permits _____ be _____?

Is _____ projected _____ frame _____ installing _____ residential _____ solar system?

_____ long does it take _____ rooftop solar power _____ at _____?

How long _____ it take for me to get _____ set _____ on _____ roof of _____?

_____ estimate how long _____ will _____ to _____ rooftop _____ system?

I need to know _____ rooftop _____ system _____ and _____.

How long _____ take _____ a residential _____ panel _____ be _____ in _____ with _____ the _____ permits?

How long _____ it _____ a functional rooftop _____ at _____ home?

How long do you _____ take _____ a residential _____ system _____ be _____?

Do _____ an estimate on the length of _____ it will take _____ install _____ functioning _____ _____?

How _____ does _____ take _____ solar energy system to _____?

_____ to get a functional rooftop solar setup in _____?

How _____ does it usually _____ get _____ solar _____ system _____ a house?

How _____ a _____ setup along _____ permits could _____ in place?

_____ be installed on a rooftop?

How _____ set up a working home solar _____ with _____?

Taking into _____ procedure, I can have a _____ system set _____ operational within _____ estimated _____.

Can you give _____ estimate _____ long it _____ to _____ functional _____ system at our house?

I'd _____ know _____ will be installed and allowed.

_____ possible _____ give a time _____ for the _____ residential rooftop solar _____?

What would be the expected _____ the _____ for _____ solar panels _____ home _____ setting?

Do you have a _____ of _____ residential roof solar _____?

_____ you give me an idea _____ time _____ take _____ get _____ install functional solar panels _____ roof of _____?

How _____ get a functioning _____ system installed _____ house?

_____ outline the expected time _____ installing a _____ solar panel array _____.

_____ you _____ me when I _____ residential _____ solar _____ to be fully _____?

How long can _____ rooftop photovoltaic _____?

Can you tell me _____ long _____ to _____ a residential _____?

How _____ does _____ take to _____ an _____ atop _____ home _____ legal requirements?

_____ to _____ a _____ period _____ complete installation _____ a _____ rooftop solar system.

_____ much _____ me to get _____ fully functioning solar panel system in _____ with all _____?

Can you _____ of _____ long it will take _____ set up _____ functional _____ system?

_____ long will it _____ for _____ residential solar _____ system in place _____ all necessary _____?

How long _____ it _____ all _____ and put _____ a photovoltaic _____ my home's roof?

_____ long _____ it take _____ set _____ solar _____ at home?

_____ long _____ take _____ get a permit _____ set up _____ on _____ roof?

Can _____ provide _____ the _____ a residential _____ photovoltaic system?

How soon can _____ set _____ panels on _____?

_____ long will _____ install a _____ system _____ my roof?

Can you _____ estimate _____ when I can _____ fully-operational _____ on _____ roofing?

I _____ to know _____ installation of an _____ atop _____ roof _____ expected to be complete.

Taking _____ the _____ approval procedure, _____ there an estimated time _____ a _____ rooftop photovoltaic _____ up and _____?

_____ want to know how long _____ will _____ get _____ functioning residential solar _____ system in _____ necessary _____.

_____ long _____ take _____ a residential solar _____ be installed?

_____ long _____ installation _____ a residential solar _____ system _____?

_____ long does _____ take for _____ rooftop _____ solution _____ be installed _____ a _____?

_____ time needed to _____ a _____ on a residential _____.

How _____ do _____ will _____ to _____ a home roof-based photovoltaic energy- _____?

_____ long will _____ to get a fully functioning residential _____ panel _____ place, _____ necessary _____?

When _____ rooftop solar system to be _____ installed _____?

What is _____ expected _____ limit for _____ panels?

Considering the entire _____ does _____ functional solar energy system installed on a _____ rooftop?

I want to know _____ will take _____ get approval and _____ a _____ panels on a _____.

Can _____ an estimate _____ complete _____ of a _____ rooftop _____ system?

When setting _____ an _____ generating structure on top _____ a _____ like?

_____ long does _____ take _____ set up a _____ a home?

I want _____ know the amount _____ time _____ to get a fully functioning _____ solar _____.

Can I _____ how _____ for my solar power system _____ be _____ my rooftop?

I wanted _____ know _____ long it would _____ get _____ and _____ a _____ on _____ roof of my _____.

_____ the expected _____ for setting up rooftop _____?

_____ installation to _____ will _____ residential solar _____ be _____?

Can you give me _____ estimate _____ how long _____ will _____ photovoltaic _____?

_____ I expect the _____ procedures _____ be completed and the actual _____?

_____ the necessary approvals to install solar _____ with _____ function _____ setting, would _____ an _____ timeline.

How _____ time _____ take _____ a _____ rooftop _____ array at _____ residence?

How long _____ it _____ to take _____ install _____ functioning _____ photovoltaic array _____?

Obtaining the necessary _____ installing solar panels _____ full function _____ home rooftop _____ would _____ an _____.

_____ long _____ it be before rooftop _____ panels _____?

How _____ it _____ to obtain a _____ and _____ operational _____ on _____ roof?

How long _____ it take to _____ a functional solar energy _____?

_____ long _____ it _____ to _____ a _____ solar system?

_____ give a _____ estimation for _____ rooftop _____ system?

How long _____ think it will _____ to get a _____ panel _____?

_____ is the _____ for installing _____ a roof?

Is _____ an estimate of the _____ it _____ take to install _____ solar _____ home?

_____ the estimated time _____ needed to _____ efficient home _____ system?
 _____ like _____ know _____ long it will _____ get approval _____ panels _____ a roof at home.
 Estimate the _____ needed for the _____ of _____ fully-installed _____.
 I need to know _____ will _____ complete residential solar _____ setup.
 How long does it _____ to _____ a _____ a _____ solar _____?
 _____ I expect _____ completion date _____ solar panels?
 How _____ will _____ for a _____ energy _____ to be _____ on _____ residential _____?
 Are _____ estimate _____ when I _____ have a fully-operational _____ installation on my _____?
 The _____ needed _____ establishing reliable residential _____ solar _____ generation systems _____.
 Taking _____ account the permit _____ there an estimated _____ which I _____ a _____ rooftop _____ up and operational?
 I _____ curious about _____ it _____ take for _____ residential _____ system to _____.
 How _____ can _____ take _____ get _____ system installed _____ my house?
 How _____ it _____ setup a _____ panel system _____ a _____?
 When _____ the _____ installation _____ solar _____ be completed?
 Do _____ have _____ estimate _____ it will _____ functioning rooftop _____ array at my residence?
 I want _____ takes _____ install a rooftop _____ system.
 Can _____ me _____ take to _____ up the _____ energy source?
 _____ long _____ it _____ to set up my home's _____ source _____ all _____?
 Is it possible _____ provide a time _____ a working _____ system.
 When will _____ installation _____ a residential solar _____ conclude?
 How _____ it _____ solar power system to be installed _____ roof _____ house?
 When will the installation and _____ for _____ panels _____?
 _____ to install a residential solar panel system?
 Is there a _____ the complete _____ a _____ rooftop _____?
 When will the _____ and _____ my _____ solar _____ be _____?
 Do _____ an estimate _____ it _____ take to install a _____ rooftop photovoltaic _____ my _____?
 _____ set up an _____ home-based _____ array, would _____ able to give _____?
 How _____ would _____ take _____ get _____ on the roof of my house?
 _____ the _____ time _____ installing a _____ rooftop solar panel _____ obtaining _____ permits.
 How _____ it _____ take to get a _____ photovoltaic _____ house?
 When _____ an _____ structure _____ homes, what is the timetable _____?
 _____ a time frame _____ solar power _____ systems.
 Give me _____ estimation _____ when _____ should put _____ photovoltaic _____ roof.
 _____ you _____ it will be _____ to set _____ a _____ home _____ panel _____?
 _____ it take to setup _____ solar _____ system _____ a _____?
 _____ long will it _____ to get _____ a operational photovoltaic setup on my _____?
 When _____ comes _____ installing _____ photovoltaic _____ long can it take?
 _____ for installation _____ a solar panel _____ on a residential _____.
 Tell me _____ time _____ takes to install a _____ solar _____.
 How long _____ a _____ to have a rooftop solar _____?
 Can you give _____ estimate of _____ it will _____ for me to _____ install _____ residential solar _____?
 _____ household photovoltaic setup along with required _____ available?
 How long _____ the installation and _____ process _____?
 How long _____ to put _____ rooftop _____ panels at _____?
 _____ much time _____ you _____ will take to _____ a functional photovoltaic system _____?
 _____ the _____ procedure, how _____ a _____ system take to install?
 How long will it take _____ in _____ solar setup _____ my _____?
 _____ there an estimate _____ how _____ it _____ to set up _____ residential rooftop photovoltaic _____?
 _____ does _____ to _____ a permits for _____ home _____ system?

How _____ it _____ solar panels _____ a residential rooftop?

Do _____ have an _____ up _____ operational _____ photovoltaic array _____ obtaining necessary _____?

When _____ the installation _____ an _____ photovoltaic system atop my home roof _____ completed _____ something _____ would _____ know.

_____ you give me _____ estimate _____ much _____ to install a _____ system?

Can you tell _____ when _____ be able to _____ working residential _____?

How _____ functioning _____ photovoltaic _____ required permits can be _____?

_____ give me _____ estimate on _____ installation will be on _____ roof?

_____ we _____ on how long it will take _____ install _____ rooftop _____?

Can _____ provide _____ estimate of _____ will take _____ set _____ a _____ functional _____ photovoltaic system?

_____ the _____ time _____ take to set up _____ solar _____ home?

When _____ an _____ atop homes following _____ requirements, _____ timeline like?

How long will _____ for me to get all _____ in _____ photovoltaic _____ my _____ roof?

_____ long do you _____ it would _____ install a _____ on my _____?

How long does it _____ install _____ rooftop _____ power _____ at _____?

_____ to put the solar panel system _____ my _____?

_____ you _____ of _____ long _____ would take to get _____ and _____ functional _____ panels on _____ roof?

_____ long does it take _____ a _____ solar _____ to be _____ a _____?

Do we _____ estimates _____ how long it will _____ complete the installation of _____ array at _____?

_____ takes to install a _____ panel system _____ home?

_____ long does it take _____ a _____ photovoltaic _____?

_____ time frame _____ for _____ rooftop solar _____ systems should be _____.

_____ long is it for a residential _____ be _____?

_____ comes to setting _____ a residential _____ system, _____ the installation _____?

How _____ time will it take _____ power system _____ installed _____ rooftop?

_____ can _____ expect a permit procedure _____ to _____?

_____ need _____ idea of how long _____ will _____ get _____ and _____ panels on _____ roof.

_____ want _____ know _____ much _____ is _____ to _____ a residential photovoltaic _____.

Obtaining the _____ installing solar panels along with _____ functioning in _____ home rooftop _____ timelines.

How long _____ it take _____ panel _____ installed?

_____ long will _____ take _____ place an operational photovoltaic _____ roof?

What _____ the estimated _____ frame _____ install a _____ system?

_____ know how _____ it would take _____ complete _____ of a functioning _____ my home?

Can _____ an estimated date for setting _____ functional home _____?

When will _____ and installation of _____ solar panel _____?

How long _____ you think it will _____ solar _____?

How long does _____ installation _____ a _____ energy _____?

_____ you _____ takes to _____ a solar panel system?

_____ about _____ it _____ to _____ a _____ photovoltaic system considering the permitting process.

How _____ it take to get _____ solar system?

I _____ like an _____ when I _____ have a fully-operational _____ my _____.

_____ able _____ give _____ time estimate for _____ up a solar _____?

How _____ will it _____ to setup _____ system _____ roof?

_____ long will _____ take _____ me to get _____ the permits _____ put in a _____ roof?

What is _____ frame _____ to _____ an _____ roof-based solar energy- _____ system?

Can _____ me how long _____ would take to _____ system _____ roof?

How _____ will it _____ for _____ fully _____ system to _____ installed _____ roof?

_____ it take for me _____ working _____ solar setup _____ my place?

Is _____ estimated _____ for setting up a functional _____?

_____ expect a working _____ Photovoltaic _____ be installed?

_____ it take _____ set up _____ panels on _____ roof?
 _____ does _____ take _____ install _____ solar panel _____ your house?
 Tell me _____ will take _____ green energy _____ with licensing.
 _____ give a time _____ of a roof solar system in _____?
 I'm wondering _____ will take _____ a _____ system _____ be set _____.
 What is _____ install an efficient home roof-based PV _____?
 _____ electricity generating _____ top of _____ what is _____ timelines like?
 How _____ time will it _____ photovoltaic system _____ be _____?
 Is there a _____ for getting _____ setup _____ my _____?
 _____ frame _____ putting up _____ operational photovoltaic setup on my home's _____?
 _____ long do _____ think it _____ to _____ an efficient _____ roof-based _____ energy _____?
 How _____ does _____ take _____ get a _____ solar panel system up _____ the _____?
 I need _____ long _____ to get _____ functioning _____ system _____ place with all the necessary permits.
 How long _____ take to get _____ and _____ a functional solar panels _____ the _____?
 How _____ does it take _____ and _____ system _____ a home?
 When _____ permitting process for a _____ array _____?
 _____ long will it _____ get _____ the _____ for a _____ system?
 When _____ the _____ of an _____ system _____ roof _____ be _____ is something I would like _____ know.
 _____ the time needed _____ a _____ residential solar panel _____.
 _____ it possible to _____ estimate _____ it will _____ to _____ a rooftop solar energy system _____?
 Can you provide a _____ for _____ installation _____ residential rooftop _____?
 _____ the permitting _____ and _____ functional _____ solar _____ will be completed?
 _____ the involvement _____ there an _____ installation time _____ residential rooftop solar _____?
 How long _____ it take for my _____ to have _____ all the necessary _____?
 How _____ does _____ installation _____ permitting _____ take _____ a _____ panel?
 Can _____ give _____ an estimate _____ when _____ will be _____ to _____ up _____ panel system?
 What _____ the expected _____ setting _____ solar _____ home?
 _____ will _____ solar _____ system _____ be installed on my roof?
 _____ long is it _____ to take for _____ solar system _____?
 _____ permitting _____ installation of a solar _____ array _____ be completed?
 Put in _____ setup on _____ home's _____ from _____ relevant _____ what is the projected _____?
 Are _____ able to provide an _____ installing _____ system?
 _____ timetable _____ in place an operational photovoltaic setup _____ my _____ not _____.
 Can you tell me how long _____ will take _____ to _____ residential _____ panel _____ with all the _____?
 _____ for _____ functioning residential rooftop _____ power system to _____ installed?
 Can _____ when I _____ expect a functioning _____ rooftop _____ system _____ installed?
 _____ time for _____ residential rooftop solar system.
 _____ to _____ will my residential _____ setup _____ functional?
 _____ it possible _____ a _____ setting _____ a _____ solar panel system with permits?
 _____ me _____ estimated _____ will _____ to incorporate _____ green energy _____ panels.
 _____ there _____ time _____ for me to get a _____ system set _____ operational?
 _____ give _____ on how long _____ up my home's solar energy source?
 _____ average _____ takes for a _____ solar panel _____ to _____ permits.
 Do _____ know _____ it _____ for a _____ to be put _____?
 _____ permitting process and installation _____ functional _____ solar panel _____ concluded?
 How long will it take _____ get _____ permit to _____ on _____ roof?
 _____ take _____ successfully get _____ set up solar panels on my _____ roof?
 _____ long _____ take _____ get a _____ functioning residential photovoltaic _____ place?
 _____ you _____ me an estimate _____ I'll be _____ to have _____ fully-operational _____ installation _____ roof?
 _____ much _____ a residential _____ setup _____?

_____ for putting _____ place an _____ photovoltaic setup on my _____?

_____ the _____ approvals for _____ solar panels _____ a home _____ would be an expected timeline.

_____ for installing solar _____ along with _____ full _____ a _____ rooftop setting is expected _____ take _____ expected _____.

_____ you _____ me the amount of time _____ will _____ set _____ solar energy _____?

_____ permitting _____ and _____ of _____ functional residential _____ panel array be _____?

Can _____ give a _____ for _____ of _____ roof photovoltaic system?

_____ long will _____ me _____ get all the _____ and put in a photovoltaic _____ my _____?

Can _____ time horizon for the _____ installation _____ rooftop _____ system?

_____ long do you _____ to set _____ fully functional residential solar _____?

When _____ expect _____ residential _____ solar _____ setup to _____ fully operational with _____ all _____ permission _____?

Please give _____ expected timeframe _____ installing _____ rooftop _____ array.

_____ time _____ for the _____ residential rooftop solar _____ generation systems

_____ long _____ it _____ installation and permitting to _____ done?

Can you _____ an _____ of the _____ of _____ takes _____ install _____ system?

_____ the _____ for installing solar _____ along with achieving full function _____ a home _____ expected _____ encompass.

_____ do _____ think about _____ installation _____ for a residential _____?

How _____ will _____ take for me _____ get a _____ photovoltaic _____ on _____?

How long _____ for a residential solar _____ begin _____?

How long does it take _____ get _____?

How long _____ it _____ take to _____ a _____ energy _____ installed _____?

_____ a _____ system be _____ and when will _____ procedures _____ finished?

When can _____ expect _____ panels?

Is it possible for me to have a residential _____ solar _____ operational _____ an _____?

_____ long _____ it take _____ this system installed on _____?

_____ an anticipated _____ for _____ rooftop solar system to _____?

Can _____ me an estimated _____ frame for _____ up _____ home _____ system?

How long _____ it _____ my solar _____ system _____ be installed on my roof, and _____ to _____?

When _____ I _____ to have a working _____ system _____ in _____?

Can _____ me an estimate _____ the _____ it will _____ install _____ photovoltaic _____ my rooftop?

How _____ does _____ take for a _____ to be _____ home?

I want to know _____ long _____ will take to _____ functional _____ panels _____ roof.

Can you provide an estimate of how _____ will take _____ get a permit _____ energy _____?

Is there _____ timetable _____ installation of _____ residential _____?

_____ can I expect _____ permit _____ to _____ completed _____ to take _____?

How _____ should _____ take _____ set up a _____ generation system?

_____ long _____ it take _____ me to _____ a _____ rooftop solar setup _____?

_____ soon do _____ can _____ a fully-operational photovoltaic installation _____ roof?

How long _____ it _____ photovoltaic _____ on a roof?

How _____ will it take to _____ a _____ solar _____ in _____ with _____ the necessary _____?

Can _____ time frame _____ the installation of _____ photovoltaic _____?

How _____ will _____ install _____ rooftop _____ system and get _____ the necessary _____?

_____ long will _____ take to _____ a rooftop _____?

_____ long _____ for my _____ to _____ set up _____ my rooftop?

When the permitting process _____ installation _____ functional _____ array will _____ done?

_____ can I _____ construction _____ solar _____?

_____ will it take for me to _____ to set _____ on _____ roof?

_____ to know how _____ it _____ to get approval and install functional solar _____ roof in _____.

Can _____ an _____ of the time it _____ to set _____ fully functional residential _____?

_____ want to _____ when _____ installation _____ an operational photovoltaic system atop _____ home roof _____ be _____ it

_____ for crucial _____

How _____ does _____ take _____ install _____ rooftop _____ power solution?

_____ long _____ me to put in _____ solar _____ at my place?

How long _____ think it will _____ residential solar _____?

When _____ expect both permit _____ actual _____ be completed?

How _____ does it _____ for _____ to be built?

_____ long does it _____ take _____ solar energy _____ on _____ roof?

Can you give _____ on _____ time it will take _____ me to _____ and _____ system?

_____ you _____ a _____ estimate _____ setting up the solar _____ in _____?

_____ me an estimated date _____ of _____ functional _____ system _____ my roof?

How _____ it take for _____ solar power system _____ set up _____ which steps _____ to follow?

_____ the _____ setting up an electricity-generating structure _____ homes?

When _____ the _____ process _____ of a functional _____ panel _____ completed?

How long _____ it _____ take for a residential _____ system _____?

_____ you provide a _____ the _____ roof photovoltaics system?

_____ time _____ a rooftop solar system with permits?

_____ us _____ how long it will take to install a rooftop _____ home?

_____ the expected _____ frame _____ installation of _____ photovoltaic system on _____ home _____?

_____ will it take _____ the _____ of an operational _____ system on _____ roof, _____ permits?

Can _____ us an estimate _____ how long it _____ a functional rooftop solar _____ system _____?

_____ know _____ long it will take to _____ a residential _____ power generation _____ up _____.

_____ there an anticipated _____ for installing a _____?

_____ it comes _____ installing a _____ rooftop solar _____ there _____ time _____?

How _____ you think it _____ for my solar _____ system to _____ on _____ roof?

_____ long _____ it take _____ home _____ photovoltaic energy- generating system?

I _____ to _____ how _____ it would take to set _____ system.

How long _____ usually take for a solar _____ to be _____?

When _____ permitting process _____ installation of a _____ residential _____ be complete?

Can you _____ I can expect _____ solar _____ fully installed _____ permitted?

_____ an estimate of _____ my photovoltaic system will _____?

Is _____ possible for you _____ give _____ approximate timetable _____ setting _____ array.

How _____ take _____ home-based photovoltaic _____?

_____ it will _____ install _____ functioning rooftop solar array _____ my residence?

Please provide an _____ time _____ for _____ residential _____ panel _____ necessary permits.

Estimate the time _____ to _____ a fully-installed _____ panel _____ on _____.

_____ estimate _____ how long _____ will take _____ a rooftop solar energy _____ at your _____?

How _____ take to install a _____ for _____ home?

_____ does it take to _____ solar _____ system _____ a home?

_____ is _____ timetable for setting _____ solar _____ on _____ residential _____.

_____ you tell me a time _____ rooftop _____ system?

How long does _____ take _____ energy _____ to _____ on _____ residential roof?

_____ long _____ my _____ to _____ functioning rooftop _____ panels after obtaining _____ necessary clearances?

What _____ the _____ time _____ a fully operational photovoltaic _____ my _____?

How long should it take _____ install _____ in _____?

_____ would like to know when I could expect _____ installation _____ atop _____ roof _____ completed.

Do _____ how _____ it _____ take _____ a functioning rooftop solar array at _____ home?

_____ can _____ both permit procedures and _____ done?

_____ installation of a _____ array should be completed?

_____ does _____ take to _____ a permit to _____ a rooftop _____?

_____ will it take me _____ get _____ panel system in _____ the _____ permits?

Can ____ provide ____ long it ____ take to set up ____ panel ____?

How ____ take ____ home photovoltaic system up ____ running?

How long ____ it ____ take ____ installed in a home?

How long ____ it take ____ a ____ to be up ____?

____ will it ____ install a fully ____ on my house?

I want ____ know ____ my residential ____ solar ____ be ____ installed.

____ will ____ take ____ get all of ____ necessary permits for the ____?

____ you ____ me an ____ the time it will take ____ permits and install ____ my rooftop?

What is the ____ time period for setting ____?

____ you aware of ____ approximate ____ time ____ a ____ photovoltaic ____?

Is it ____ for ____ have a ____ photovoltaic ____ operational within a certain amount ____ time?

____ will it take ____ get a fully operational ____ system ____ house?

What ____ estimated time frame it ____ take ____ home roof-based photovoltaic ____ system?

How ____ is it going to ____ to ____ photovoltaic ____?

____ long will it ____ to ____ a ____ energy- ____ system ____ home?

____ long does ____ to install a solar ____ in ____?

How ____ it take ____ the ____ and install the ____?

____ needed to establish ____ residential rooftop ____ power generation systems ____.

____ you give ____ an ____ time ____ a ____ panel system ____ my home?

____ let us ____ timeframe for ____ a residential rooftop ____ panel ____ obtaining ____ permits.

How long would ____ and install ____ solar panels ____ a ____ roof?

____ me the approximate time ____ green energy using roof ____.

Is there ____ estimated ____ have ____ residential ____ set up and ____ into account the permit ____ procedure?

How ____ my household to ____ the ____ approvals for ____ solar panels?

____ need ____ idea of ____ it ____ a residential solar power generation system ____ up.

How ____ it will ____ install ____ suitable residential photovoltaic system on ____?

How ____ it take ____ install ____ fully ____ photovoltaic system ____ my ____?

What is the ____ time period for ____ on my ____ roof?

Is it possible ____ give an approximate ____ operational ____ photovoltaic ____?

____ long do you think ____ to ____ up ____ panels ____ my ____ roof?

____ give ____ estimate ____ up a solar ____ system at home?

How long ____ to ____ in place a photovoltaic ____ on ____ home's ____ from ____ permits?

____ time ____ required for a functional rooftop solar energy system ____?

____ long ____ think it ____ to ____ an electricity generating ____ top ____ a home?

How long will it ____ solar system ____?

How much time ____ for the ____ permitting ____ a ____ photovoltaic ____?

How ____ take ____ to have functioning ____ solar panels?

What is the ____ frame for ____ residential rooftop ____?

____ will it ____ a fully operational ____ on my house?

____ there a ____ installing a residential rooftop ____?

I ____ a time period for ____ complete ____ of a ____ solar ____.

____ to set up a ____ photovoltaic ____ the permitting process?

Estimate ____ time required to ____ solar ____ on ____ home.

____ it ____ to install ____ solar ____ on a residential rooftop?

How long will ____ take to ____ functional photovoltaic ____ house?

Can ____ how long ____ will take to ____ functional rooftop ____ energy system?

How ____ would it ____ approval ____ install ____ functional solar ____ the roof of ____ home?

____ you ____ approximate timetable for ____ necessary permissions and ____ an operational home-based photovoltaic array?

How ____ it ____ me ____ get ____ have solar panels on ____ house roof?

Estimate the _____ installing a fully-installed _____ panel _____ a _____ rooftop.

I'd _____ to _____ how _____ it _____ take _____ get a _____ functioning residential solar _____ place with _____ permits.

_____ can it _____ solar _____ system _____ be installed on a residential _____?

_____ want to know when _____ will _____ vital approvals _____ the installation of _____ photovoltaic system on _____.

Would you be _____ a _____ it would take _____ set up _____ home-based photovoltaic _____?

_____ take to _____ functioning _____ energy _____ on a residential rooftop?

_____ you tell me _____ expect my _____ solar system _____ be _____ permitted?

What _____ the anticipated _____ the _____ a fully _____ photovoltaic _____ my house?

_____ give _____ time estimate _____ setting up _____ solar panel system _____?

I _____ like to _____ when _____ installation _____ an _____ solar photovoltaic system _____ my home roof _____.

How _____ for _____ to get _____ for _____ installation of _____ photovoltaic _____ on my house roof?

_____ long _____ it take _____ photovoltaic _____ the roof _____ my home?

_____ provide _____ estimate _____ how _____ it _____ take _____ a rooftop solar system?

_____ long will _____ take to _____ on roof?

The time _____ needed _____ residential rooftop solar _____ must be _____.

Where _____ the _____ process and _____ functional _____ panel array go?

_____ long _____ you think it will take _____ on roofs?

_____ is _____ average time it takes _____ functional _____ energy _____ be _____ on _____ residential rooftop?

How _____ will it take _____ a _____ system _____ be _____?

_____ want _____ how long _____ takes _____ install a residential solar _____.

When will _____ and installation _____ a solar _____ finished?

How _____ to _____ a _____ rooftop solar setup _____ my house?

How _____ will _____ to _____ home's _____ energy source, with the necessary _____?

_____ you give _____ time _____ the _____ installation _____ a _____ solar system?

Do _____ how _____ to install _____ functioning _____ photovoltaic array at our _____?

_____ long _____ it take for _____ and corresponding _____ to be _____?

Obtaining _____ necessary _____ installing _____ and _____ in a _____ rooftop _____ is an expected timetable.

_____ it take to install _____ photovoltaic system _____ of _____ house?

_____ soon can I _____ a _____ residential rooftop solar power _____ with _____ in place?

How long will _____ take _____ solar panels _____?

Could you _____ estimate for _____ complete installation _____ rooftop solar _____?

_____ will it take to _____ place _____ photovoltaic setup _____ my home's _____?

How _____ take _____ home-based photovoltaic installation to _____?

_____ long do _____ it to take to _____ functional _____ solar _____ home?

_____ an estimated time frame in _____ can have _____ residential _____ solar _____ set up _____.

I want to know _____ to get _____ and install functional solar panels _____.

_____ a residential _____ panel system take _____ install?

_____ will it take to obtain _____ permit _____ setting _____ on _____ house _____?

Can _____ give me an estimate for _____ long it _____ a _____ my roof?

Will the permitting _____ of a _____ residential _____ panel array _____ finished _____?

What's _____ timetable for _____ solar setup at _____ home?

_____ it _____ to install a _____ panel system _____ a _____?

_____ possible _____ timeframe _____ for the installation _____ a rooftop _____ system?

Can you _____ me _____ estimated _____ frame for _____ up a functional _____ panel _____?

_____ long can _____ for a residential _____ to be _____?

How long _____ it take to _____ suitable _____ systems _____?

_____ take to get _____ solar _____ installed and all the _____ permits?

Do we _____ any estimates of _____ long _____ to complete the installation _____ a _____ array _____ my _____?

Can you _____ estimate for _____ a _____ system in your _____?

Tell me _____ time _____ for _____ of a complete _____ setup.

_____ it take to _____ an _____ home _____ generating system?

_____ is the _____ timescale _____ permitting and _____ up _____ at home?

_____ of _____ long _____ take _____ build reliable _____ rooftop solar power generation _____.

I need an estimate on the _____ time _____ will _____ residential _____.

_____ long will _____ take _____ functional _____ system _____ my house's rooftop?

_____ give us the _____ for _____ a _____ rooftop solar _____ array.

What _____ expected _____ for _____ a _____ photovoltaic system on my house's rooftop?

I want to _____ long _____ will _____ get a _____ installed _____ my house.

_____ long will _____ to _____ up _____ rooftop _____ system?

_____ expect _____ have _____ functioning _____ system installed in my home?

_____ it take _____ obtain _____ permit and install solar _____ roof?

_____ will _____ take to _____ a _____ rooftop solar system?

_____ long _____ you think _____ take _____ get approval _____ install functional _____ on _____ roof?

How _____ I _____ able _____ have _____ functioning _____ solar power _____ installed?

How much _____ should _____ me _____ solar panel system in _____ with all the necessary _____?

_____ long _____ take for my _____ system _____ up on _____ and which steps do I _____ to _____?

Please _____ an expected _____ installing _____ rooftop solar _____ and obtaining _____ permits.

_____ you tell me _____ expect to _____ solar system installed?

_____ know when I _____ expect my _____ to _____ fully installed _____ permitted.

How long will _____ for _____ solar power _____ installed _____ roof and what _____ should _____ follow?

Would _____ able to give _____ timetable _____ up an _____ home-based solar _____?

_____ the time _____ install a _____ a residential rooftop.

_____ long does it _____ energy system _____ be set _____ in a _____?

_____ it take to install an _____ roof-based _____ generating system?

_____ need _____ when I _____ get a _____ photovoltaic installation _____ my _____.

_____ you know _____ it _____ take _____ this solar _____ installed?

I would _____ the _____ in incorporating green energy using _____.

Please describe the expected time _____ for _____ panel array _____ permits

_____ like to know when _____ can expect _____ residential _____ system _____ be _____.

How _____ it take to _____ operate _____ energy system _____ home?

Tell me the _____ to incorporate _____ energy _____ roof _____ arrangements.

How _____ will _____ be for you _____ functional _____ roof _____ system?

Obtaining _____ necessary _____ install solar panels along with achieving full _____ home _____ be an _____.

Is _____ to provide an _____ of _____ take for a _____ system _____ be installed at home?

_____ soon would _____ household photovoltaic _____ along _____ permits be _____?

_____ it _____ to _____ a _____ for setting _____ an operational _____ photovoltaic array?

I need _____ timetable _____ a functional _____ solar panel _____ the permitting _____.

How _____ can _____ a _____ residential rooftop solar _____ system _____ be installed, complete with _____ place?

_____ long does _____ take to _____ solar power solution?

_____ it going _____ take me to _____ working _____ solar setup at my _____?

Is there an estimated _____ frame _____ have a _____ system _____ up _____ operational?

_____ I _____ have _____ solar panels completed?

How long do you think _____ will _____ to _____ a _____ photovoltaic _____ installed on _____?

_____ long will _____ my rooftop _____ system _____ be installed and _____?

Please provide _____ expected timetable for installing _____ residential _____ solar _____ necessary _____.

_____ setting up _____ structure _____ what are the _____ like?

_____ you _____ me an estimate of how _____ will _____ to install _____?

How long _____ it _____ install _____ photovoltaic array at _____ home?

_____ the necessary _____ for installing solar _____ with _____ in a home rooftop setting _____ the _____ timeline.

_____ long _____ it _____ my _____ be _____ with functioning rooftop solar panels after obtaining _____?

____ you give a time ____ of ____ residential rooftop ____ system?
 Can you ____ it takes to build ____ device with relevant ____?
 How soon can I expect ____ functioning ____ to ____?
 ____ you ____ me an ____ how ____ would ____ approval ____ solar panels on the ____ of my house?
 ____ provide ____ time ____ installation of ____ functional residential roof photovoltaic ____?
 ____ we know ____ it would ____ complete ____ installation ____ rooftop photovoltaic array ____ my house?
 Obtaining the ____ for installing solar panels along ____ achieving ____ function ____ rooftop ____ would be ____ an ____.
 ____ tell me ____ long ____ for me to ____ residential solar panel ____.
 With regards to ____ legal ____ stuff, ____ I ____ roof ____ setup to be fully ____?
 ____ will it take ____ rooftop solar system to ____ put ____?
 ____ it ____ provide an approximate ____ securing permission and setting ____ a ____ array?
 Estimate ____ time ____ to ____ a solar ____ system ____ residential roof.
 ____ long does ____ residential ____ panel ____?
 ____ estimate of ____ I can have ____ system set up ____ running?
 ____ can ____ fully-operational photovoltaic ____ on my ____ what about my authorizations?
 How ____ will it take ____ a ____ to ____ installed?
 Let me ____ how long ____ incorporate ____ energy ____ roof panels ____ licensing.
 How ____ will ____ me to get ____ for an operational photovoltaic ____ on my ____ roof?
 I'm curious to ____ the approximate ____ comes ____ up ____ residential photovoltaic ____.
 ____ it possible ____ you to ____ an ____ setting up a ____ array?
 Estimate ____ needed ____ a fully installed ____ panel ____ a residential ____.
 How ____ will it ____ for ____ system ____ installed ____ my roof?
 Is it ____ to ____ timetable ____ for installing ____ system?
 How ____ does ____ take to install ____ in ____?
 ____ would ____ know ____ installation ____ an operational ____ my ____ roof ____ be completed and how long ____ take for me
 Do you ____ an estimation ____ time it will ____ install ____ system?
 How long ____ take ____ solar ____ system on a ____?
 ____ does ____ take to ____ a ____ on a residential roof?
 Estimate ____ time ____ fully-installed ____ panel system on ____ roof.
 How ____ can ____ expect ____ get a ____ residential ____ power ____?
 ____ long ____ take for residential photovoltaic ____ to ____ rooftops?
 ____ long can it ____ a ____ rooftop photovoltaic system?
 Obtaining ____ necessary approvals for installing solar ____ along ____ a home rooftop setting ____ to ____ lengthy ____.
 How long ____ it take ____ set up ____ solar ____?
 How long does it ____ rooftop ____ power ____ at homes?
 ____ you tell me how ____ will take ____ the ____ energy source at ____?
 ____ possible ____ an estimate ____ how long ____ will take for ____ rooftop ____ energy system ____ be ____?
 How ____ going to take ____ install ____ solar ____ system ____ roof?
 How soon ____ I ____ functioning rooftop ____ power system ____ complete ____ all the ____ permits ____?
 ____ tell me when it will take ____ set up ____ solar ____?
 How ____ should it take a ____ solar power ____ up and ____?
 ____ procedures and installation be ____ when ____ add solar ____?
 ____ an ____ having a ____ rooftop photovoltaic system set up ____ operational, ____ the permit approval ____?
 ____ long ____ I ____ have ____ functioning residential photovoltaic setup?
 Is ____ an anticipated ____ installing a residential ____?
 Can you give ____ a ____ estimate for ____ my home?
 How long does ____ take ____ a functional ____ system installed ____ a ____?

How long does _____ a residential _____ system?

_____ long will _____ take to _____ permit _____ install solar _____?

How _____ does it take to _____ for _____?

_____ you _____ an estimate of how long _____ will take to _____ solar _____ home?

Is _____ an _____ of _____ it _____ to install _____ solar energy _____ home?

How _____ will it take _____ photovoltaic system _____ my _____?

Is _____ an approximate timetable for both _____ permission _____ setting up _____ operational _____ photovoltaic array?

How long does _____ put a _____ system on _____?

I was _____ you could give _____ an idea _____ to _____ and install a functional _____ panel on _____ roof
