 How _____ precautions _____ address faulty _____?
 _____ maker might _____ actions over hazardous _____.
 Is there _____ the manufacturer _____ dangerous _____ issues?
 Is anything _____ bad _____ manufacturer?
 I _____ know _____ you have _____ safety _____ for _____ caused by _____.
 _____ taken to address risks related _____ wiring?
 Have _____ risks _____ to _____ electrical connections _____ addressed _____ manufacturers _____?
 _____ were taken _____ the _____ to protect _____ wiring?
 What are _____ place by _____ manufacturer to _____ the risks associated _____?
 _____ there any measures taken _____ to _____ potential _____ issues?
 _____ the folks make _____ cars _____ errors with _____?
 _____ steps the company has taken to _____ associated with _____?
 How has _____ manufacturer _____ with _____ connection issues _____?
 _____ to _____ wiring were taken by _____ company.
 Do you _____ any actions _____ manufacturer has put in _____ problems with faulty _____?
 For _____ imperfectly _____ could _____ explain _____ taken by your company?
 _____ precautions in _____ for problematic _____?
 _____ maker taken _____ actions _____ the _____?
 Is there _____ action _____ manufacturer about _____ risks _____ with _____ wires?
 Those dang risks _____ up wiring, _____ the manufacturer _____?
 Can _____ consider any _____ wire _____?
 Measures _____ in _____ the _____ about _____ wiring issues.
 Is _____ taken for wire _____?
 Were _____ any actions _____ company for concerns _____ components?
 _____ any precautions _____ malfunction of _____?
 What _____ did the _____ in regards _____ wiring?
 _____ the company _____ procedures _____ to deal with _____ issues?
 _____ may have measures in place _____ wiring _____.
 What _____ steps your _____ taking _____ handle the risks _____ malfunctioning electrical _____?
 _____ you tell us _____ about _____ precautions taken by _____ faulty wiring?
 _____ address risks _____ faulty _____ connections?
 What _____ were _____ to _____ with the _____ implications?
 Any _____ company has _____ place _____ potential wiring issues?
 What steps did _____ when it _____ wires?
 _____ have _____ taken _____ subpar wirings?

Is _____ possible _____ your company's actions for _____ linked _____ imperfectly _____ ?

_____ strict _____ been _____ in place _____ manufacturer for _____ wirings?

The _____ has _____ actions over the _____ wiring.

_____ were taken by the _____ address the risks of _____ ?

What is _____ doing _____ protect _____ cable?

How _____ the _____ responded _____ connection _____ and _____ perils?

How have concerns _____ faulty _____ and _____ precautions _____ taken as a _____ ?

The manufacturer took _____ risks of messed-up _____.

_____ has the _____ electrical wirings?

_____ is _____ manufacturer able to _____ themselves _____ faulty _____ ?

_____ steps _____ your manufacturing _____ deal with possible risks related _____ connections?

_____ manufacturer _____ steps _____ the _____ of _____ up wiring.

Have _____ implemented by _____ manufacturer for avoiding pitfalls _____ wires?

Which _____ taken _____ risky faulty _____ ?

Is _____ a specific _____ action _____ company _____ mitigate _____ associated with faulty _____ issues?

_____ there any _____ place to protect against _____ dangers _____ faulty _____ ?

_____ manufacturers addressed the risks associated _____ electrical _____ ?

Have there _____ to address _____ risks?

_____ faulty electrical connections yet?

I need to _____ what _____ in place _____ with the dangers _____ wiring products.

Is there _____ by _____ manufacturer concerning dangerous _____ ?

_____ has measures in _____ deal _____ potential _____ problems.

How did _____ plan _____ of messed-up wiring?

_____ measures _____ by the manufacturer _____ guard _____ risks _____ faulty wires?

Have there _____ taken _____ faulty _____ ?

_____ are _____ plans _____ protocols for _____ dangers _____ wiring products?

What _____ the manufacturer do about _____ wiring?

_____ manufacturers address risks _____ faulty electrical _____ ?

_____ has _____ addressed _____ connections _____ perils?

Can you let us _____ about _____ by _____ in relation _____ wiring?

How is _____ manufacturer _____ of _____ danger _____ cables?

Is _____ of _____ actions taken _____ prevent _____ the wires?

How _____ manufacturer _____ prevent faulty _____ ?

I need _____ what plans and _____ in place _____ the _____ faulty wiring products.

_____ manufacturer take _____ for _____ malfunction?

_____ any precautions _____ bad wiring?

What _____ you _____ the _____ electric wiring _____ ?

What _____ put in _____ for _____ ?

Is the _____ electric _____ ?

_____ precautions _____ place for _____ malfunction?

_____ the maker doing _____ over _____ ?

Is _____ a manufacturer _____ for _____ cabling issues?

_____ the steps _____ manufacturing _____ deal _____ related to malfunctioning electrical connections?

_____ specific _____ of action _____ your _____ follows to _____ the risks associated _____ wiring?

Do the manufacturer _____ any _____ the _____ wires?

The maker _____ have _____ over _____ wiring.

_____ there any precautions _____ against potentially _____ wiring?

Are _____ precautions taken _____ the manufacturer for _____ ?

_____ want _____ know _____ plans and protocols are _____ dangers of _____ wiring _____ ?

_____ precautions _____ wire malfunction?

Do _____ actions that the _____ has put _____ to _____ dangerous faulty wiring?
 _____ you tell us about the measures taken _____ in _____?
