

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	DNS and IP address configuration help
Inquiry Sub-Category	DNS Propagation Delays
Description	Help with understanding and troubleshooting DNS propagation delays, which can occur when changes to DNS records take time to propagate across the Internet, leading to temporary website unavailability.
Data Size	5,054 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

_____ the progress _____ after making changes to my records?
 I would _____ advice on keeping _____ domain name system after _____ adjusted my _____.
 Is there _____ way _____ of _____ domain names after _____ have changed?
 _____ my records, _____ am looking _____ advice on keeping track of the _____ name _____.
 I _____ with _____ records _____ wanted to _____ how I _____ the progress _____ the _____ name _____.
 _____ me _____ can verify the progress _____ domain _____ system after modifications?
 _____ I _____ of _____ Name System after modifying _____ records?
 _____ a way to _____ the status _____ the propagation _____ names _____ the records have been _____?
 _____ to _____ I _____ domain _____ after modifying my records.
 There _____ a _____ up on the status _____ the propagation of _____ they _____ changed.
 I _____ to know if modifying _____ propagation.
 _____ trying _____ track _____ of my domain name system _____ I adjusted _____.
 How will _____ sure _____ progress _____ my DNS _____ is _____ visible if _____?
 _____ modification of my records, can _____ how I can verify the _____ system?
 _____ verify the propagation _____ server's _____ Name System after _____ my _____?
 I would like _____ how I can verify _____ DNS propagation when I _____.
 _____ a way to _____ the status of propagation _____ domain names after _____?
 After _____ my records, can you help _____ tell _____ DNS has reached _____ certain _____?
 I _____ like to know _____ I _____ domain propagation _____ modifying _____.
 I am wondering if _____ can _____ the status of domain _____ after adjusting _____
 _____ it _____ to _____ an eye _____ status of _____ domain _____ after _____ records have _____ adjusted?
 Is _____ possible _____ an eye _____ the status _____ domain name system _____ adjusts my _____?
 How to _____ progress _____ the _____ name system _____ records?
 _____ I _____ verify the propagation _____ dns _____ changing _____.
 _____ you _____ advice on _____ verify the progress of _____ domain name _____ after _____ are _____?
 I want to _____ I _____ the progress _____ dns _____ after _____ modify my _____.
 I _____ if _____ am able _____ verify _____ propagation after modifying _____ records.
 _____ there _____ way to keep _____ with _____ status _____ the _____ of _____ after they have _____?

_____ would like to know if _____ the propagation of _____ my _____.
 _____ to _____ I _____ domain propagation _____ modifying my records.
 _____ my _____ can you _____ of the Internet domain name system _____ a certain _____?
 After adjusting my _____ I'm wondering _____ me about _____ the _____ the domain name _____.
 I _____ me some advice about monitoring _____ propagation of _____ after adjusting them.
 After _____ records, _____ tell me when _____ propagation of _____ DNS reached _____?
 _____ my records, can _____ tell me _____ the _____ of _____ DNS _____ move _____ the next _____?
 Can _____ the propagation _____ the domain _____ system has moved _____ the _____ modifying my records?
 Is there a _____ to _____ of the _____ name _____ records are _____?
 I'm _____ you _____ me _____ my domain name _____ after adjusting it.
 Can _____ verify the _____ of _____ server's _____ name _____ modifying _____ records?
 How _____ verify the _____ the _____ system after changing _____ records?
 _____ ways to check the progress _____ modifying _____.
 Can _____ let _____ know _____ I _____ progress of the _____ name system _____ tweaking my _____?
 _____ you _____ me how I _____ progress of the _____ after _____?
 I _____ know how _____ verify propagation _____ my server's domain _____ my _____.
 Can you tell _____ how to _____ domain name system _____ my records?
 _____ you tell me how _____ the _____ of the domain name _____ after _____?
 Is there _____ way to keep up _____ propagation of _____ domain _____ have been _____?
 Post _____ how to track _____?
 I am _____ tell me the status _____ of my _____ names after _____ them.
 _____ I _____ to track _____ modifications' impact on DNS?
 I _____ looking for help _____ the status of _____ I adjusted it.
 Can you _____ need _____ to verify the progress of _____ domain name system _____ my _____?
 _____ a _____ to _____ an _____ the status _____ the domain name system once my _____.
 Is _____ a way _____ to _____ the status _____ my domain _____ system after it _____?
 Can _____ me _____ to tell _____ the _____ of _____ domain _____ system has _____ the _____ after _____ my records?
 How _____ I _____ my _____ and watch for changes _____ the _____?
 I want _____ find out if _____ can verify _____ the _____ following _____.
 Can _____ me _____ to verify the _____ my domain name system after _____?
 _____ need _____ how _____ the _____ of the _____ propagation _____ my records are _____.
 _____ there a way to keep an _____ on the status _____ system _____ it _____ records?
 _____ know if I can verify my domain propagation _____.
 _____ of the server's domain name _____ changing my records?
 Can _____ me advice on _____ the progress of the dns _____ after _____?
 I _____ if I can verify _____ propagation, after _____.
 How _____ follow _____ propagation _____ the _____ name system _____ records?
 I _____ wondering if _____ can advise _____ monitoring _____ my DNS _____ after adjusting _____ records
 _____ to know _____ I can verify _____ of _____ nameserver _____ change of _____.
 Can _____ how I _____ the status of the _____ system _____ my records?
 _____ would like _____ know _____ I can _____ the DNS _____ upon changing _____ records.
 _____ you suggest ways _____ of the _____ name system _____ my records?
 I _____ can verify the progress _____ domain _____ system after modifications.
 _____ modifying _____ record, _____ you tell _____ propagation _____ the domain name _____ has _____ certain level?
 Is _____ to keep _____ the _____ of the _____ system after my _____ have changed?
 Can _____ tell _____ to _____ the progress _____ the domain _____ system _____ my _____.
 _____ like _____ how to _____ the progress _____ dns propagation after _____ my _____.
 I am _____ if you know _____ to monitor _____ propagation _____ domain _____ after _____ them.
 _____ to know if I _____ domain _____ modifying records.
 I _____ to _____ I _____ verify _____ propagation of _____ after changing _____.

_____ that I can keep _____ on the _____ after they adjusted my records?
 I _____ if you _____ me _____ propagation of the domain names _____ them.
 Can you tell me _____ I _____ progress _____ the _____ name _____ after _____ records?
 Is _____ way to _____ progress _____ after modifying records?
 _____ like to know if I can _____ the _____ of _____ records.
 There _____ way _____ an _____ on the propagation _____ names _____ records have _____ changed.
 I _____ an eye on _____ status of _____ records are adjusted.
 Can _____ how _____ verify the progress _____ the domain name system _____ my _____?
 _____ possible to change my records and _____ in the propagation _____ name _____.
 After _____ my records, I _____ wondering _____ you _____ me on monitoring _____ the _____ name _____.
 _____ modifying _____ records, can _____ tell _____ the _____ the _____ name system reached a certain _____?
 _____ can verify the _____ the _____ after _____ records, _____ want to.
 I am looking _____ help _____ keeping track _____ the status _____ I adjusted _____ records.
 _____ do I verify _____ progress _____ domain _____ system after tweaking _____?
 _____ records, I am _____ if _____ can advise me _____ monitoring the _____ the _____.
 I would _____ to know _____ is possible _____ the _____ of _____ dns after changing _____.
 After modifying _____ records, _____ me when the _____ the _____ has reached a certain _____?
 I want _____ track my record _____ impact _____ domain _____.
 _____ tell me _____ I _____ confirm the progress _____ after modifying my _____?
 _____ tell me how I may verify _____ the _____ after _____ record?
 I wish to _____ can _____ domain propagation _____ modifying _____.
 Can _____ me with _____ to verify _____ progress _____ the dns propagation _____?
 _____ tell me how to _____ the _____ the domain name _____?
 After _____ my records, _____ the propagation of _____ system has moved _____ the _____ level?
 Can you _____ confirm the _____ of the dns _____ to my _____?
 I _____ to _____ progress of _____ Name _____ propagation _____ modifying _____ records.
 _____ keep _____ eye on the status of the domain _____ system _____ are adjusted.
 I am wondering if _____ advise _____ on monitoring _____ of _____ propagation after adjusting _____.
 I'm looking for advice about _____ track of the _____ after _____ my records.
 How _____ I supposed _____ verify _____ of _____ domain _____ modifying my records?
 I _____ to find out _____ verify _____ propagation after _____ records.
 I need _____ keeping track of _____ status _____ my _____ name system _____ my _____.
 _____ want to _____ if _____ verify _____ the nameserver after changing my _____.
 _____ am _____ you can _____ me _____ an eye on the propagation _____ the _____ after _____.
 I want _____ if _____ can _____ the propagation of the _____ changing _____.
 _____ can I change _____ keep an eye _____ the _____ of _____?
 _____ is a way _____ keep _____ on _____ status of the _____ of _____ after _____ changed.
 I want _____ know _____ able _____ domain propagation after modifying _____.
 Can you tell _____ the _____ name _____ reached the next level _____ my records?
 Can you _____ about the _____ of _____ for _____ DNS?
 _____ messed _____ can you tell me _____ to verify the progress of the _____?
 _____ you tell me when _____ of the _____ is moving to _____ stage after modifying _____?
 Do _____ verify _____ progress _____ the domain _____ system _____ modifying your records?
 _____ you _____ a way _____ verify the _____ name system _____ messing _____ my records?
 _____ records, can _____ tell _____ when the _____ name system is _____ to move _____ the next stage?
 I _____ know _____ I can _____ the progress of _____ domain name _____ messing with _____.
 How to _____ of _____ names _____ a _____ change?
 Is _____ possible _____ eye _____ the propagation _____ adjusting of _____ domain _____ system?
 Can _____ me _____ the verification of the progress of _____ modifying _____?
 Is there a way _____ know _____ status _____ system after _____ records?

_____ there _____ way to watch the _____ of _____ after I _____ records?
 Is it _____ to _____ with _____ propagation of _____ names after _____ been _____?
 _____ would _____ to _____ I _____ the propagation of the _____ changing my _____.
 _____ is _____ way _____ keep an _____ the status of _____ name _____ after adjusting my _____.
 _____ modifying _____ how do I verify the _____ my server's _____
 _____ my _____ how do _____ verify _____ progress _____ domain name _____?
 Is there _____ to _____ the _____ the _____ name _____ I _____ my records?
 _____ to verify _____ progress of _____ name system _____ my records.
 _____ changing my _____ I want _____ I _____ check the propagation of _____.
 Is _____ a way to keep _____ eye _____ the _____ the _____ propagation after the _____?
 _____ my records _____ tell me when the propagation _____ has moved _____ the next _____?
 After modifying _____ records, how do _____ verify _____?
 _____ tell me _____ to confirm _____ of _____ domain _____ system after _____ it?
 Is there a _____ progress _____ the _____ name _____ after _____ my records?
 Need help _____ spread
 Is _____ a way _____ can keep _____ eye on _____ my _____ propagation after _____ records?
 _____ don't _____ if I can _____ the propagation of _____ after _____.
 _____ tell _____ how I might _____ the _____ domain name _____ after changing _____ records?
 Is there _____ to _____ DNS _____ after _____ change?
 _____ it _____ track DNS propagation _____ update?
 _____ adjusting _____ records, is there a way I _____ eye on the _____ the _____?
 _____ a _____ I can keep _____ eye on the _____ of the _____ name _____ after I _____.
 _____ you _____ give _____ advice _____ monitoring the _____ of _____ domain name _____ after adjusting _____ records.
 _____ if the _____ the domain name _____ has _____ a certain _____ after modifying _____ records?
 I _____ know _____ can _____ the propagation of _____ dns after changing _____.
 I am wondering if _____ me _____ monitoring _____ propagation _____ names after changing _____.
 _____ wondering if you _____ let me _____ the _____ of _____ domain names after _____ them.
 How _____ verify the _____ of the _____ name _____ with _____ records?
 _____ advice on keeping track of _____ of _____ name system _____ my _____ been adjusted.
 _____ to know if I _____ propagation _____ the _____ server _____ my records.
 _____ to know _____ the propagation _____ the nameserver after my _____ changed.
 There _____ to keep up with _____ status _____ the _____ domain _____ after they _____.
 _____ know how _____ the _____ of _____ domain _____ system _____ my records are changed?
 Can _____ me _____ propagation of the _____ is _____ the next level _____ my records?
 How do _____ the progress _____ name system _____ after _____ my _____?
 _____ you _____ me _____ propagation of the Domain _____ has _____ point after _____ my records?
 _____ want _____ know _____ I _____ propagation _____ the dns _____ I _____ my records.
 How might I verify _____ server's _____ system after _____ records?
 _____ modifying _____ records, _____ you _____ when the propagation of the Domain _____ goes to _____?
 _____ modifying my _____ tell _____ when _____ of _____ name _____ has reached a specific level?
 _____ you tell me when _____ domain name _____ has moved _____ the _____ stage _____ altering my _____?
 _____ know how _____ modifications affect the _____ name _____?
 _____ wondering _____ you can _____ about monitoring the status _____ name _____ after _____ my records.
 _____ if you can advise me about _____ the _____ DNS _____ adjusting my records
 _____ would _____ to know how _____ verify _____ the _____ propagation _____ changing my records.
 _____ to track DNS _____ after _____.
 _____ a way to keep _____ the _____ propagation status after _____ adjusted _____?
 Is there a way to _____ status _____ domain _____ after their _____ been changed?
 I am _____ can verify the _____ of _____ changing my _____.
 _____ for advice _____ keeping track of _____ status _____ my _____ name _____ after _____ my records.

I want _____ of _____ status _____ my domain _____ I adjusted it.
 I _____ I _____ propagation of the domain after changing _____ records.
 I _____ to _____ if I _____ propagation of _____ once _____ are changed.
 Is it possible _____ keep _____ the _____ of _____ domain names after their _____ been _____?
 How _____ I _____ system propagation after modifying _____?
 _____ there _____ way to track _____ after _____ update?
 Do _____ a _____ the _____ DNS propagation after changes?
 Can _____ tell me _____ verify the progress of _____ propagation _____ modifying _____ record?
 _____ am curious if _____ can _____ of the _____ my records.
 How _____ I verify propagation _____ server's _____ modifying my records?
 I _____ my _____ and _____ to _____ how _____ check the _____ of _____ domain name _____.
 Can you tell me when _____ domain _____ propagation _____ after _____ my records.
 _____ you suggest _____ me to verify the _____ the domain _____ after _____ my records?
 Is _____ a _____ an _____ on _____ of the domain _____ system after _____ my records?
 _____ progress of the domain name system _____ modifying my records?
 _____ messing with my records, _____ tell me _____ I _____ the progress _____ the _____ name _____?
 _____ have _____ to _____ of the domain name system _____ my records?
 I _____ to know _____ I can _____ propagation _____ my records.
 _____ check _____ progress of _____ Name _____ propagation after modifying my _____?
 _____ you _____ the _____ name _____ moved to _____ next level after modifying my records?
 After _____ can you _____ me when the _____ DNS has reached _____ certain _____?
 _____ I _____ progress _____ Domain Name _____ after modifying records?
 I am _____ I can _____ following modifying _____ records.
 I want to know if _____ propagation of _____ records.
 How _____ track of _____ propagation _____ changes?
 Is it _____ my _____ and watch for _____ in _____ the dns?
 I _____ to _____ I can verify _____ propagation _____ nameserver _____ records.
 _____ to know if _____ can verify domain _____ I _____ my _____.
 Is it _____ keep an _____ on the _____ of the _____ adjusted _____ records?
 How _____ changes _____ my records and watch the _____ of _____?
 After adjusting my _____ am _____ me _____ monitoring the status of DNS propagation.
 _____ you _____ how I _____ the status of _____ name system _____ my records?
 I _____ to verify _____ progress _____ domain _____ modifying my records.
 _____ my records, can you _____ me _____ domain _____ system propagation has _____ to _____ next _____?
 _____ to check the progress of _____?
 Can _____ tell me _____ propagation of the DNS _____ moved to the _____ my _____?
 I _____ keeping track _____ the status of my domain _____ system _____ I _____ it.
 _____ would _____ track _____ record modifications' impact on _____.
 I am wondering if you _____ me _____ monitoring _____ status _____ system after _____ records.
 _____ was wondering _____ verify _____ propagation of the _____ my records.
 How to check the _____ the domain _____ modifying _____?
 _____ tell me if _____ verify the progress _____ after _____ my records?
 _____ keeping track _____ name system after I adjusted _____ records.
 How can _____ make _____ to _____ order _____ an eye _____ the propagation of the _____?
 _____ records _____ adjusted _____ may _____ to _____ eye _____ the status _____ the domain name system.
 _____ possible _____ keep an _____ on _____ of _____ domain _____ system after I have adjusted _____?
 Is it _____ know if _____ domain _____ system is propagating _____?
 _____ messed with _____ records _____ would _____ to know _____ to check _____ progress of the _____.
 I _____ to _____ I can _____ propagation of the _____ my _____.
 How _____ i verify _____ server's _____ system after _____ my records?

Is it possible _____ an eye on _____ status _____ names after their _____ have been _____?
 _____ need advice on keeping track of my _____ it.
 _____ modifying records, _____ you check _____ of the _____?

Is there a _____ to make _____ my _____ changes _____ the _____ of the DNS?
 _____ verify _____ my domain name system propagation after _____ my _____.
 _____ a _____ about how _____ track _____ a record change.

What _____ do _____ change my records and _____ in _____ of _____ DNS?
 _____ there _____ way _____ keep _____ on _____ domain names after their _____ changed?
 _____ do I verify _____ of domain name _____ propagation _____ modifying _____?
 _____ of the dns propagation after modification to _____ records?

After _____ records are adjusted, _____ may be _____ an _____ on _____ status _____ name system.
 After modifying _____ records, can _____ the propagation _____ the domain _____ system _____?
 After modifying my _____ can _____ tell me when _____ propagation _____ the domain _____ level?
 _____ adjusted my records, I am _____ for advice _____ track of _____ status of _____.

After changing my records, _____ on keeping track of _____ name _____.
 _____ can _____ tell me when the DNS propagation has _____ to _____.

Needed help _____ spread.

Can you tell me _____ may _____ the _____ domain _____ system _____ messing _____ it?
 _____ tell me _____ propagation of _____ name system moved to the _____ after _____ records.
 _____ ways _____ check the progress of the _____ after _____.

_____ you _____ me _____ propagation _____ the Domain Name System _____ the next _____ modifying my records?
 Can _____ me when _____ propagation _____ the _____ a _____ point after modifying _____ records?
 _____ I can verify the _____ of the domain _____ changing _____ records
 _____ I _____ propagation _____ domain name _____ after _____ my records?

Can you _____ me how _____ confirm _____ of _____ propagation after _____ record?
 Can I _____ changes _____ records _____ keep _____ on the propagation _____ DNS?
 I _____ to know _____ the propagation of the _____ records.
 _____ to know _____ I _____ verify _____ after modifying the _____.
 _____ modifying _____ records, can _____ tell me _____ propagation _____ the domain name _____?
 _____ can I verify _____ progress of the _____ after tweaking _____?
 _____ need _____ track of _____ status _____ my domain name _____ I _____ records.
 _____ way I can keep an eye _____ of _____ domain _____ system _____ my records are _____?

After modifying my _____ want to know _____ verify _____.
 How _____ I _____ the progress of the _____ after modifying _____.

I'm _____ you can advise me _____ monitoring _____ of the _____ after _____.
 _____ need _____ on keeping _____ of _____ name system _____ changing my records.
 _____ to check the _____ the Domain Name _____ after _____?

After _____ I _____ know _____ I can verify _____ the domain name system.
 I am wondering _____ me the status of propagation _____ domain _____.
 I _____ a way _____ an _____ the status of the _____ name system _____ my _____ are adjusted.
 I want _____ I _____ verify domain _____ modifying _____ records.
 _____ tell _____ can verify the progress _____ the _____ name system after I _____ changed _____?

I would _____ to know how to verify _____ propagation of _____ modifying _____ records.
 _____ advice on keeping _____ with the _____ domain _____ after _____ adjusted my records.
 _____ my _____ can you tell me when _____ of the domain _____ in _____ next _____?
 _____ know _____ verify domain propagation from modifying my _____.
 _____ making _____ my DNS _____ succesfully _____?
 _____ like _____ know _____ I can _____ propagation of _____ after _____ my records.
 _____ can I _____ my records and also watch _____ changes in _____ DNS?
 Is _____ a _____ to _____ an _____ on the _____ of the _____ name _____ I change _____?

_____ my records, can _____ tell _____ the propagation _____ system moved to _____ next stage?
 _____ you advise _____ to _____ the progress _____ domain name system _____ my _____?
 _____ there a _____ to _____ an _____ the _____ domain names after _____ have changed?
 There _____ way _____ could keep an eye _____ the _____ name system _____ my records _____ adjusted.
 _____ messed _____ need _____ verify _____ progress of the domain name _____.
 Can you tell _____ when _____ of the _____ is _____ certain level after _____ records?
 How _____ I _____ of my _____ system _____ modifying my records?
 _____ on _____ to _____ the _____ the domain name _____ after tweaking my _____.
 _____ want to know if I _____ propagation _____ modifying _____.
 _____ verify _____ progress of the _____ system after changing _____?
 _____ I verify the _____ of _____ server's _____ name _____ modifying _____ records?
 _____ want to know _____ I _____ propagation of dns _____ records.
 _____ keep track _____ the status _____ my domain _____ system _____ adjusting my _____.
 _____ it _____ verify the progress _____ domain name system _____ my records _____?
 Ways to check _____ of the DNS _____?
 Is _____ way _____ me to keep _____ eye _____ of the _____ after it adjusts _____ records?
 _____ for me _____ eye _____ domain name system after my records are adjusted?
 _____ I _____ keep an eye on the domain name _____ after _____ are _____.
 Can _____ me _____ can _____ the progress _____ the _____ propagation _____ changing my _____?
 Is _____ a way _____ an eye _____ name system after _____ records?
 I _____ know _____ to _____ when the _____ propagation _____ reached a certain _____ my records.
 How _____ check the _____ DNS _____ records.
 _____ if _____ can _____ me about the _____ of the propagation of the _____ system _____ adjusting _____.
 _____ want to find _____ if I can verify _____ dns _____ records.
 _____ need _____ keeping track of the _____ of _____ domain _____ system after _____ records.
 _____ I _____ the progress _____ the domain _____ system _____ with my _____?
 I want _____ know if _____ propagation _____ the _____ changing _____ records
 Can _____ how _____ may verify _____ progress of _____ propagation _____ my records?
 After _____ my _____ can _____ tell me _____ the propagation _____ system reaches _____ point?
 _____ help _____ keeping _____ the _____ my _____ name system after I adjusted _____.
 _____ to know if _____ verify the propagation _____ domain _____ my records
 _____ when the _____ Internet domain name _____ reached a certain level after _____ my records?
 Can you _____ when _____ domain name propagation has moved to the _____?
 _____ am _____ if _____ help _____ the propagation of _____ domain _____ after adjusting my settings.
 Is there a _____ to _____ track _____ propagation of domain _____ have _____?
 I want _____ out _____ I _____ the _____ of the dns after _____.
 _____ my records, I would like _____ keep _____ on _____ the domain _____ system.
 After modifying my records, how do _____ confirm _____ system?
 _____ there _____ way to keep _____ the _____ of domain names _____ been changed?
 _____ for advice _____ keeping _____ my domain name system _____ adjust my _____.
 _____ wondering _____ to monitor the propagation of the _____ names after _____.
 Please tell _____ how _____ can verify the _____ domain name _____ messing _____ records.
 Can you tell me _____ of the domain name _____ has _____ level _____ modifying _____.
 After modifying _____ records, can _____ me _____ the propagation _____ the _____?
 _____ you _____ me how _____ the _____ of _____ dns propagation _____ modify my _____?
 I am _____ can inform _____ about the _____ domain names _____ adjusting _____.
 _____ a way _____ the _____ of _____ domain name system _____ are adjusted?
 I _____ to _____ I can _____ the propagation _____ my nameserver _____.
 _____ you _____ me how _____ may verify _____ of the _____ system after my records _____?
 _____ modifying _____ you tell me when the propagation _____ domain name _____ has _____ level?

After adjusting _____ can advise _____ monitoring the _____ of DNS propagation.
 _____ records, can _____ me when _____ propagation _____ Name System is about _____ move to the _____ stage?
 _____ am _____ you can _____ me _____ status of _____ propagation after adjusting my _____
 _____ DNS _____ successfully propagated _____ I _____ updates?
 Do I _____ ability to verify _____ modifying _____ records?
 Is _____ possible _____ keep _____ with the status of _____ of domain _____ after _____ changed?
 I am _____ for advice _____ keeping track _____ my _____ name _____ after _____ my records
 I _____ like _____ know if _____ can verify _____ modifying my _____.
 I was _____ if I _____ an _____ on _____ status of _____ name _____ I adjusted _____ records.
 How _____ I _____ the progress _____ after changing records?
 Is there _____ to keep _____ eye _____ the _____ names _____ have been changed?
 Is it _____ change _____ records and _____ for _____ in the _____ of _____.
 I want to _____ I _____ propagation of _____ dns _____ records.
 _____ possible _____ to _____ and keep _____ eye on the propagation of the _____.
 _____ verify _____ of my _____ domain _____ after changing my records.
 _____ me when the propagation of the _____ moved _____ the _____ modifying my records.
 _____ to _____ if I _____ the _____ of the dns _____ modifying _____ record.
 _____ I can _____ the _____ of _____ dns _____ changing my _____
 Is _____ way _____ up _____ the propagation of _____ they are changed?
 _____ like to know _____ can verify the _____ of _____ propagation when _____ records.
 I would like _____ know _____ can _____ the _____ propagation after changing _____ record.
 _____ modifying records, how _____ the progress of _____ System?
 _____ my _____ to know if _____ can _____ propagation of the dns.
 _____ wondering _____ you _____ let _____ know _____ status of the _____ the domain _____ after adjusting _____.
 _____ keep track _____ record changes.
 _____ wondering if you _____ me on _____ the status of my domain name _____.
 _____ want to _____ that _____ verify _____ of the dns _____ changing my _____.
 _____ know if _____ could verify _____ propagation after modifying _____.
 Can I keep _____ eye on the _____ name _____ after the _____?
 Can _____ me _____ I _____ verify the progress of the _____ name _____?
 After _____ my records, can you _____ me when _____ of the _____ name _____ to the _____?
 I _____ track of the status of my domain name _____ I _____.
 I _____ to know how _____ of _____ dns _____ after modification.
 I _____ whether I _____ verify the propagation of _____ after changing _____.
 Is _____ a _____ to _____ the status of the _____ of _____ names _____ records _____ changed?
 _____ records, can you _____ the _____ the domain name system has reached _____ certain _____?
 _____ tell _____ propagation of _____ dns has reached _____ certain level _____ modifying my _____?
 _____ a _____ to check _____ the _____ after changing records?
 How _____ verify _____ of _____ name _____ propagation after modifying _____ records.
 _____ am wondering if _____ can verify _____ of the nameserver _____.
 _____ I _____ DNS _____ after modifying my records?
 _____ modifying _____ records, can you _____ me when _____ propagation _____ dns _____ reached a _____?
 How can I _____ record _____ impact _____ name system?
 I want to know how _____ progress of the _____ after _____ of my _____.
 I want _____ know how _____ of _____ domain _____ system after _____ records.
 _____ you _____ how _____ verify the progress of _____ domain name _____ my _____ are _____?
 Can _____ me how _____ of the dns propagation after _____?
 _____ you tell me _____ to track _____ an _____?
 Can _____ how to track DNS _____ after _____ changes?
 _____ am wondering if you can tell me _____ the status _____ system _____ records.

Do ____ know how to ____ propagation ____ update?

Can ____ me ____ the propagation of ____ has reached a certain ____ my ____.

____ like ____ know ____ I can ____ of the dns after changing ____.

After ____ my ____ can ____ tell ____ DNS ____ has ____ the next stage?

I'm wondering ____ you can tell me ____ status ____ of the ____ names ____.

____ know if ____ verify the ____ the nameserver following changing ____ records.

____ I verify the ____ name system after ____ my records?

____ my ____ can you tell ____ when ____ of ____ a certain point?

I wonder ____ I ____ keep an eye ____ domain name system after ____ records ____.

____ do I ____ progress of ____ system ____ after modifying ____?

____ wondering ____ tell me about ____ propagation of ____ after adjusting them.

____ am ____ can give ____ some information about the ____ the domain names ____ them.

Is ____ a way ____ keep ____ on the propagation ____ domain names ____ their ____.

____ if I ____ verify the propagation of ____ when ____ my records.

____ to confirm the progress ____ the propagation after ____ records?

I ____ to ____ if I ____ verify ____ propagation ____ nameserver following the ____ records.

I would like to know ____ can ____ propagation of ____ system ____ my records.

____ a way to keep ____ with the ____ the ____ of domain ____ change?

____ modifying ____ records, can you ____ propagation of the domain name system ____ the ____?

____ changing my records, how ____ I verify the ____ system?

I ____ wondering ____ you ____ help ____ monitor the status ____ the domain ____ after adjusting ____.

There is ____ updated on ____ of the propagation of domain names ____ records ____ been ____.

____ possible to keep an eye ____ the status of ____ records.

____ to ____ changes ____ records ____ watch for changes in ____ propagation ____ the ____.

____ you tell me ____ I can check the ____ dns ____ after ____?

____ would ____ the progress of my ____ system ____ modifying ____ records.

____ keep track ____ DNS propagation ____ records ____ updated?

____ to verify ____ the Domain Name ____ propagation ____ my records.

____ you ____ me when ____ domain name propagation ____ a certain level?

____ to ____ the progress of the domain ____ after modifying my ____.

Can you ____ me ____ I may ____ the ____ the domain name ____ my ____?

Can you tell ____ to verify the progress of ____ domain name system ____ tweaking ____?

How ____ I ____ the progress of ____ Name System ____ records?

____ do ____ propagation of my server's ____ name systems ____ my ____?

____ modifying ____ records, can you tell me ____ propagation ____ has moved to its ____ level?

I would ____ changes to ____ watch for ____ the propagation ____ the DNS.

____ with ____ to know how I ____ the progress of the ____ name system.

Can ____ tell ____ to ____ my dns propagation ____ modifying my record?

____ want to ____ progress of ____ dns ____ after changing ____.

____ wondering ____ you can ____ me ____ the ____ of ____ propagation after adjusting my ____.

After modifying ____ records, ____ you ____ me when the ____ of the ____ name ____ moved ____ next ____?

After ____ my ____ can you ____ me ____ the domain ____ system ____ to the next ____?

____ you ____ I ____ the ____ of my propagation after modifying ____ record?

I want to know if ____ the ____ DNS ____ records.

____ to know ____ of my ____ records propagation.

____ tell me ____ the DNS propagation moved ____ next ____ modifying ____ records.

____ how to keep ____ of the status of my ____ name ____ after ____ adjusted ____.

How to ____ track of ____ propagation ____ record ____.

I ____ to know if ____ the ____ after changing the records.

____ do I ____ of ____ name system after modifying ____?

_____ am wondering if _____ me about monitoring the _____ of _____ propagation _____ adjusting _____ .
 Can _____ I may _____ the progress of the _____ system after modifying _____ ?
 How can I make changes to my _____ and _____ the _____ ?
 I want to _____ how I _____ progress _____ the _____ system after _____ .
 I _____ to _____ the _____ of _____ domain _____ system after changing my records.
 Can _____ with the _____ the domain name _____ my records?
 _____ updating records _____ to track _____ ?
 After _____ my records, can _____ tell _____ when _____ domain _____ has reached _____ ?
 Can _____ tell me when _____ the Domain _____ is _____ certain level after _____ my _____ ?
 _____ make _____ and watch for changes in the _____ of the DNS?
 I want to ask _____ verify domain _____ modifying _____ .
 _____ progress of the DNS after changing _____ ?
 I _____ verify the progress _____ Name _____ propagation _____ modifying my _____ .
 There is a way _____ keep an eye on _____ of _____ after _____ adjusted.
 _____ my records, can _____ tell _____ when _____ domain name _____ has _____ a certain threshold?
 _____ modifying _____ records, how _____ of Domain Name System propagation?
 After modifying my records, _____ me when _____ of _____ Domain Name _____ to the _____ ?
 After changing _____ records, I _____ keeping _____ of _____ status _____ domain name _____ .
 I _____ to _____ how _____ verify _____ progress _____ the _____ propagation after _____ my _____ .
 After _____ my records _____ to know if _____ verify _____ of the _____ .
 _____ tell _____ the _____ name system has moved to _____ next stage after modifying _____ ?
 _____ it _____ to keep track _____ status _____ the propagation _____ after their _____ have changed?
 After _____ records, _____ you tell _____ propagation _____ the DNS has _____ certain point.
 _____ modifying my records, can you _____ the propagation of _____ Domain _____ System _____ level?
 _____ am wondering if you can _____ the _____ the domain _____ after adjusting _____ records.
 _____ need your advice _____ how to verify _____ the _____ name _____ after _____ records _____ changed.
 I'm _____ for advice _____ keeping track of _____ domain _____ I _____ .
 _____ there a way to keep _____ the propagation of _____ records _____ been _____ ?
 After modifying _____ you tell _____ the _____ the _____ is about _____ reach a certain _____ ?
 After changing _____ like to know if I can _____ of _____ .
 I'm _____ if _____ can verify _____ of _____ after changing my _____ .
 How do I _____ server's _____ name system _____ I modify _____ records?
 Is _____ possible _____ my _____ and watch _____ changes _____ the propagation _____ .
 I _____ on _____ track _____ the status of my domain _____ after _____ it.
 _____ my _____ you tell _____ the _____ domain name system moved to _____ next stage?
 _____ am _____ if I _____ verify _____ after modifying my _____ .
 _____ the propagation of _____ record changes?
 There _____ a _____ to _____ updated _____ status of the propagation of _____ names _____ they _____ .
 Can _____ me _____ I _____ the progress of the domain _____ system after _____ my _____ ?
 Is _____ to _____ progress of the _____ after messing with _____ records?
 _____ guidance on how _____ progress of the _____ tweaking my records.
 What _____ do _____ changes to my records _____ eye on _____ propagation of _____ ?
 I _____ to verify _____ of the _____ name system after _____ .
 Is _____ possible _____ verify the progress _____ the domain name _____ after _____ ?
 Is _____ an eye _____ status of the _____ name system _____ records are adjusted
 Is _____ a way _____ me _____ an _____ on _____ status of _____ propagation after _____ my records?
 _____ wondering if you can advise _____ about _____ the _____ of my _____ records
 Can _____ me _____ I can verify _____ name system after I modify _____ records?
 _____ how to _____ the progress of _____ dns propagation after modifying _____ ?
 _____ like _____ know how I may _____ progress of _____ domain name _____ after _____ .

_____ wondering if _____ can help _____ the _____ the propagation _____ the _____ names after adjusting.
 Can you _____ the Domain Name System has reached a _____ changing my _____?
 _____ you tell me _____ DNS _____ has reached _____ after changing _____ records?
 _____ want to _____ how _____ can _____ the progress of _____ system after _____ it.
 After adjusting _____ I'm _____ you _____ advise me _____ monitoring the status _____ propagation.
 I want _____ be sure _____ can verify _____ propagation _____.
 Is _____ a way to _____ eye on _____ dns propagation _____ adjust my _____?
 I _____ to know if I _____ propagation _____ modifying _____.
 _____ am _____ give _____ advice about _____ the _____ the domain name _____ after adjusting my records.
 I am wondering if _____ can _____ domain name system after I _____ my _____.
 Can _____ tell me how _____ progress _____ the domain _____ system after I _____?
 _____ is _____ that I can keep an eye _____ status _____ after it adjusts my _____.
 I _____ to _____ if _____ can verify _____ following _____ being changed.
 _____ do _____ verify _____ progress of _____ domain name _____ after _____ records?
 There _____ to check the _____ modifying records.
 Post record changes _____ track _____ of _____?
 Can _____ tell me how I might _____ progress _____ the domain _____ after _____?
 Is there _____ way _____ the _____ domain _____ system after _____ change my _____?
 _____ to know how _____ verify _____ progress _____ the _____ name system _____ changing my _____.
 _____ advice _____ how _____ can _____ the _____ of _____ domain name system after _____ my _____.
 I am _____ if you can advise me _____ domain _____ after adjusting _____
 There _____ ways _____ check _____ after modifying records
 After _____ my _____ can _____ tell me when the propagation _____ domain _____ moved?
 _____ can _____ the _____ of _____ name system _____ modifying my records?
 After _____ my _____ I am wondering if _____ can tell _____ status _____ my _____ name _____.
 Is there _____ for _____ an eye on _____ name _____ after I adjust my _____?
 _____ there _____ way _____ keep an eye _____ of domain names after their _____ been _____.
 _____ it _____ make changes _____ records _____ watch _____ the propagation of the DNS.
 How _____ make _____ to my records _____ order _____ changes _____ the propagation of _____?
 I want to _____ I can _____ propagation _____ the DNS _____ records
 How to _____ propagation _____ the Domain Name _____ an _____?
 _____ you _____ me how _____ confirm the progress _____ propagation _____ modifying my _____?
 I _____ a _____ keep _____ eye _____ status _____ the _____ system after I _____ my records.
 How _____ make changes to _____ while keeping an eye on _____?
 _____ want _____ know _____ status _____ my _____ DNS records _____.
 After adjusting my _____ advice on how _____ the status _____ my domain _____ system.
 Can you tell me _____ I can _____ modifying _____?
 How do I _____ the progress of _____ domain _____ after _____?
 _____ modifying _____ records, can _____ the propagation of the _____ name _____ moving _____ the next level?
 _____ records, _____ do I _____ of the _____ name system?
 _____ modifying my _____ let me _____ the _____ of the domain name _____ a certain level?
 I'm wondering _____ you _____ the _____ of the domain _____ after adjusting _____.
 _____ like _____ know how _____ can confirm the _____ of _____ domain name _____ after _____ my _____.
 After modifying my records, _____ when the propagation of the _____ name System _____?
 I need _____ the progress of _____ after my records are _____.
 I messed with my _____ don't know how to _____ of _____ name _____.
 What _____ I do _____ verify the _____ the domain name system?
 _____ there _____ way to keep _____ the _____ the domain name _____ after _____ changes?
 After adjusting my _____ I'm _____ you can _____ the _____ the DNS _____.
 I want to _____ verify _____ of the nameserver _____ records.

After ____ my ____ how ____ the ____ of my ____ name system?

After ____ my ____ you tell me when ____ propagation ____ Name ____ the other side?

____ you give ____ advice ____ to verify the progress of the ____ name ____ my ____?

____ like ____ if ____ can ____ domain propagation ____ modifying my records.

____ would ____ to know how ____ can verify ____ progress ____ the ____ system ____.

I ____ on ____ of the status of my domain name ____ after I ____.

Can you ____ me ____ I can ____ of ____ propagation ____ I ____ my records?

____ need help ____ track ____ status ____ name system after ____ adjusted ____ records.

____ need help ____ track ____ my ____ I adjusted my records.

____ verify the progress ____ domain ____ system after tweaking ____ records?

Is it possible to ____ progress ____ after changing ____?

____ tell me ____ to verify ____ progress ____ the ____ name ____ after ____ my ____?

____ I ____ propagation after modifying my ____

Following ____ records, ____ know if ____ can ____ domain propagation.

Can you tell ____ DNS ____ reaches a ____ point ____ modifying ____?

After ____ my records, can you ____ when ____ of the ____ reaches ____ certain level?

____ tell me when the propagation ____ the domain ____ has ____ the ____ stage after ____ my ____?

After modifying ____ how ____ I check ____ of ____ domain name ____?

After modifying my ____ can ____ me ____ the ____ of ____ domain name ____ the next ____?

I want to ____ the ____ name system ____ modifying my ____.

____ records, ____ you ____ progress of the domain?

____ a ____ to keep ____ eye on ____ name system's ____ adjusting?

Can you tell me ____ I ____ confirm ____ of the ____ system after ____?

I'm ____ if ____ help ____ monitor the ____ of the domain ____ adjusting ____.

____ can I ____ to my records and keep an ____ the DNS.

Is there ____ keep an ____ the ____ of the domain ____ system when ____ changes ____?

____ you tell me ____ propagation of the ____ has ____ a certain level, ____ my ____?

How do ____ verify the ____ my ____ domain ____ after modifying ____?

____ if ____ give me ____ about ____ the status ____ DNS propagation after ____ my records.

____ I track my ____ impact ____ dns?

After modifying ____ records, ____ verify the progress ____ the ____ name ____

____ I ____ my records and ____ for ____ in ____ the ____ name system?

I ____ know ____ can verify ____ of ____ changing my records

____ wondering if ____ can advise me ____ the status ____ name ____ after adjusting ____ records.

____ a way I can keep ____ eye ____ status of ____ name system after ____ my ____.

____ way ____ keep an ____ of the domain names after ____ have been changed.

Can ____ tell me how ____ verify the ____ propagation ____ changing ____ record?

____ there a ____ the progress of the ____ after changes?

Is it possible ____ verify the ____ the ____ are modified?

I ____ if you ____ advise me ____ the ____ of ____ domain ____ propagation after adjusting ____ records.

Can ____ tell ____ to ____ the progress of the ____ propagation ____ records?

____ you ____ me ____ name ____ has ____ point after modifying my records.

Can ____ me ____ verify the progress of ____ dns propagation ____ my ____?

I ____ verify the progress ____ the ____ name ____ after tweaking ____.

____ question if I can verify domain propagation ____.

After ____ records ____ looking for ____ on ____ track of the status of ____ domain ____.

____ want to ____ if ____ help ____ monitor ____ propagation ____ the ____ names after adjusting ____.

Can ____ tell me when ____ domain ____ system ____ has ____ a ____ my records?

How ____ verify the ____ of ____ name system ____ after ____ my ____?

____ my records, ____ there ____ that ____ can keep an ____ on ____ status of ____ name system?

_____ teach me _____ to verify the progress _____ domain _____ system _____ tweaking _____ ?
 How _____ track the _____ after _____ changes?
 I _____ to know _____ I _____ propagation _____ the _____ after changing _____ .
 Can _____ advise _____ I can _____ the _____ name system after messing _____ it?
 _____ you _____ how to confirm _____ progress _____ propagation after changing _____ ?
 _____ you help me _____ the propagation of the _____ name _____ to _____ next stage _____ modifying _____ ?
 _____ you _____ I can confirm the _____ of _____ propagation after _____ records?
 _____ can verify _____ modifying my records, I want _____ .
 _____ to _____ if _____ can _____ the propagation _____ the domain after _____ records.
 After modifying _____ can you _____ the propagation of the domain _____ next level?
 How _____ the _____ of the _____ name system _____ record _____ ?
 I _____ like _____ I can verify _____ progress _____ DNS _____ upon modifying _____ records.
 How to _____ propagation _____ the domain _____ system has _____ to the _____ level _____ modifying _____ ?
 _____ modifying my records, _____ me when _____ propagation of the _____ has _____ ?
 _____ to know if _____ can _____ the _____ of _____ dns after my _____ .
 After _____ my _____ can you _____ me _____ the propagation of _____ system _____ certain point?
 I _____ wondering _____ can _____ status of my domain _____ propagation after adjusting _____
 How _____ I _____ progress of domain _____ propagation _____ modifying my _____
 _____ want _____ if I _____ verify domain propagation _____ my _____ .
 _____ modifying _____ you _____ me when the _____ of _____ domain _____ system reached _____ certain point?
 I _____ to _____ if _____ can check the _____ the nameserver _____ changing _____ .
 After _____ my _____ you tell when the _____ of the _____ reached _____ certain level?
 _____ want _____ will _____ able to verify domain propagation after _____ my _____ .
 _____ modifying my records, _____ me _____ the _____ domain name system _____ done?
 _____ you tell me _____ of the _____ moving to _____ after modifying my records.
 I want to know how _____ check _____ domain _____ system after _____ my _____ .
 _____ need to _____ progress _____ the domain _____ after changing _____ records.
 _____ tell me _____ to confirm _____ the _____ system _____ my records have been changed?
 After I adjusted _____ I want _____ on keeping track of _____ of _____ .
 There _____ to _____ up on _____ of domain _____ they have _____ changed.
 After modifying _____ can _____ tell _____ the propagation of the domain _____ ?
 I'm _____ can help _____ with _____ propagation of the domain _____ after _____ .
 Can you _____ me _____ the propagation _____ the _____ name _____ on the other _____ modifying _____ ?
 _____ check _____ progress of _____ after modifying _____ ?
 I want to know _____ verify _____ of the _____ propagation _____ changed.
 _____ help _____ confirm _____ progress of the _____ modifying my records?
 Is _____ a _____ can _____ on the domain name system's _____ adjusting?
 I _____ know if you _____ tell me about the _____ of _____ domain _____ .
 _____ an eye _____ the domain name system _____ it changes _____ records?
 _____ you tell me _____ I may _____ progress _____ the _____ name system _____ I change _____ ?
 _____ want to know if _____ verify _____ following changing my _____ .
 Can you tell me _____ to _____ the progress _____ the dns _____ after _____ my _____ ?
 How do I _____ the _____ of my _____ after modifying _____ ?
 _____ possible to make _____ records and watch for changes _____ the propagation _____ ?
 _____ tell _____ when the propagation of _____ Domain _____ moved to the next _____ after _____ records?
 _____ like _____ keep _____ eye _____ status _____ the domain _____ system after _____ adjusts my records.
 How to track the progress of _____ ?
 I _____ know _____ status _____ updated _____ records propagation.
 Is it possible _____ me to _____ the dns propagation after _____ ?
 _____ is a way for me _____ keep _____ the domain name _____ after _____ are _____ .

Can I _____ on the _____ of _____ propagation _____ adjusted my _____?

_____ my _____ can you tell me when _____ propagation _____ the _____ system _____ next stage?

_____ know if I can verify _____ propagation _____ the DNS after _____.

_____ know _____ to track _____ after a record _____?

_____ how _____ verify the progress of the _____ the _____ upon modifying my records.

_____ modifying _____ records, can _____ when the _____ of the domain name system _____ reached _____.

Can _____ tell me when _____ domain _____ propagation _____ reached _____ modifying my _____.

_____ the propagation of _____ name system _____ the modification _____ my records?

_____ you show _____ how _____ verify _____ progress _____ the _____ system after tweaking my _____?

_____ my _____ you _____ me when the propagation of _____ Domain Name _____ is _____ a _____?

I _____ know _____ I can _____ propagation after _____ my _____.

Can _____ of _____ server's _____ name system after _____ my _____?

_____ you _____ tell _____ how to verify _____ progress of the domain name _____ records?

_____ tell _____ domain _____ propagation has moved to _____ next stage _____ my records?

_____ you _____ me _____ to confirm the progress of _____ changing _____ records?

_____ do _____ check the _____ server's domain name _____ modifying _____ records?

_____ modifying _____ records, can _____ tell me _____ step _____ the _____ the _____ name?

I _____ to know how _____ can _____ the _____ the _____ name _____ change my records.

I _____ a question _____ to make _____ my _____ watch _____ changes in _____ of the DNS.

Is _____ keep an eye _____ status _____ the domain name _____ after _____ adjusts _____ records

_____ you tell me _____ the _____ of _____ to the _____ after changing _____ records?

_____ how I can _____ the progress _____ the dns _____ after _____ are changed?

_____ of _____ system propagation can be verified _____ my _____.

_____ a way _____ keep _____ the status of _____ domain _____ after their _____ are changed.

_____ you tell me _____ I _____ status of the _____ system after messing with _____?

_____ way to _____ the _____ of domain names _____ their _____ have changed?

_____ there a _____ to check the _____ propagation _____ changing _____ records?

Can _____ tell _____ progress of the dns propagation _____ my _____ changed?

_____ you tell me _____ I should _____ the progress _____ dns _____ changing _____?

_____ a _____ of _____ eye _____ the _____ the domain name system _____ it adjusts my _____?

I'm wondering _____ help _____ with monitoring _____ of my domain _____ system after _____ my _____.

_____ am wondering _____ can _____ me _____ of the propagation of the domain _____ adjusting _____.

_____ my records _____ need advice on _____ track _____ status _____ domain _____ system.

I want _____ if I _____ of the domain _____ changing _____ records.

Can you _____ the propagation _____ the nameserver has moved _____ the _____ level after _____?

I need _____ on _____ of _____ status of _____ I adjusted my records

_____ changes to my records _____ changes in the _____ the Domain Name System?

_____ can _____ verify _____ of _____ after my records are changed?

_____ am looking _____ advice _____ keeping up with _____ of _____ domain _____ after _____ my records.

_____ you tell me _____ the progress _____ name system _____ with my records?

_____ to make _____ to my records and keep _____ propagation of the _____ name _____?

_____ would like _____ know how to verify the _____ of the _____ my _____.

_____ my records _____ I want _____ keep an _____ on the _____ of _____ domain _____.

_____ changing _____ can _____ tell me when _____ of the _____ Name System has moved to _____?

_____ my records, can _____ keep an eye on _____ status of _____?

After _____ can _____ tell me when the _____ of _____ moved to _____ next level?

_____ I verify the _____ domain _____ system _____ modifying my records??

Is _____ a _____ keep _____ with _____ domain names after their records have _____?

I am wondering _____ you _____ tell _____ the status _____ domain _____ system after I _____ records.

Can you tell me _____ may _____ of my _____ after _____ with it?

How _____ propagation _____ my _____ name system after changing _____ records?
 _____ changing my _____ I _____ I _____ verify _____ propagation of the DNS.
 _____ adjusting my _____ wondering if _____ me _____ status of the domain name system.
 _____ to _____ I can confirm the _____ the dns after _____

How do _____ verify _____ progress of _____ domain name _____ modifying _____?
 _____ make sure _____ of _____ propagation is _____ visible if I change _____?
 Is _____ possible to change my _____ watch _____ in _____ the DNS?
 _____ are _____ the progress of the DNS _____ records.
 After _____ you tell _____ propagation of the DNS has reached a _____?
 _____ could _____ verify _____ progress of the _____ system _____ tweaking my _____?
 _____ there _____ way _____ keep _____ with the _____ the _____ the domain names after _____ been changed?
 I _____ how I can _____ the progress _____ my _____ after _____ records.
 _____ possible to _____ records _____ watch for changes _____ the _____ of _____ domain _____ system?
 _____ there _____ way to keep _____ the _____ domain _____ after their records _____.

I _____ to _____ if _____ can _____ domain propagation after _____.
 _____ it possible to keep _____ eye on _____ status _____ the _____ system when _____ adjusted?
 _____ there _____ to check the _____ of the domain _____ system _____ adjust _____?

 Is it possible to keep track _____ of _____ after modifying _____?
 After _____ tell me when _____ propagation of the _____ shifting?
 _____ modifying _____ tell _____ when _____ propagation of _____ Domain name _____ has moved?
 _____ know _____ I can check _____ the nameserver _____ my records _____ changed.
 _____ tell me when _____ propagation _____ the _____ has _____ the next _____ after modifying my _____.

I'd _____ of recorded _____ for DNS updates.
 _____ changing my records, _____ you _____ me when _____ of the DNS will _____ next _____?
 _____ am _____ if _____ a _____ monitor the propagation of the _____ after adjusting _____.
 _____ advice on _____ verify the _____ propagation after modifying my record.
 Can _____ help _____ how _____ can _____ the progress of _____ domain name system _____ my _____?
 Can _____ me _____ to verify the _____ of _____ dns _____ after _____ are _____?
 After modifying my _____ can you _____ me when _____ propagation _____?
 _____ you _____ when the _____ the domain name _____ reached a certain _____ my records?
 I _____ verify _____ domain name system after changing my _____.
 _____ like _____ know if _____ can verify the propagation _____ nameserver _____ records.
 Is there _____ keep an _____ the _____ of the _____ name _____ after it's _____?
 _____ the propagation of _____ domain name _____ after changing my _____?
 Is there _____ to _____ an eye _____ the _____ the _____ system after I _____ records
 _____ know _____ verify _____ propagation _____ nameserver after changing my records.
 I am wondering if _____ can advise _____ on _____ the _____ domain name _____ after adjusting _____
 _____ if you can _____ me _____ monitoring the status _____ DNS _____ after adjusting _____ records
 I _____ wondering _____ you _____ help me monitor the status _____ domain _____ adjusting _____ records
 I _____ to _____ I _____ verify the progress of _____ tweaking my records.
 _____ eye on the status _____ the domain _____ system after changing _____?
 After adjusting _____ records, I _____ can advise _____ monitoring the status of _____ propagation.
 _____ do I _____ propagation of _____ server's domain _____ system after _____.
 Is there _____ way _____ an _____ on the status _____ the _____ when _____ adjusts _____ records?
 Is _____ way to _____ the _____ of the domain _____ after I _____ records?
 _____ I _____ an eye _____ status of _____ name system after _____ records _____?
 There _____ way I _____ an eye _____ the _____ domain name _____ after the records _____ adjusted.
 How do _____ changes _____ my _____ and _____ changes in the _____ DNS?
 _____ if I can _____ propagation of the dns _____ records.

_____ to _____ I can _____ propagation _____ the DNS after changing _____ records.

Is there a _____ eye _____ status _____ the domain _____ system after I _____ adjusted my records?

How _____ to _____ progress _____ my propagation after changing _____ records?

Is it possible to _____ domain _____ propagation _____ modifying my _____?

I _____ like to _____ if _____ the _____ of my _____ my records.

I _____ to _____ changes _____ watch _____ in the _____ of the DNS

_____ modifying _____ records, can you _____ location of _____ propagation _____ the _____?

_____ there a way I _____ keep _____ on the _____ dns propagation _____ adjusted my _____?

_____ would love _____ if _____ can verify _____ after modifying _____ records.

Is there a _____ keep _____ eye _____ the status _____ the _____ system after _____ are _____?

_____ you _____ me _____ I _____ the progress of the propagation _____ my _____?

_____ your advice _____ how to verify the progress _____ after _____ my _____.

_____ to know whether I _____ domain _____ modifying my _____.

I _____ to verify _____ propagation of the _____ my _____.

After _____ my _____ how do I _____ the progress _____ system?

How _____ I see the _____ server's _____ name system after _____?

_____ I can keep an eye _____ the _____ of _____ name _____ I _____ my records.

Can you _____ the status _____ recorded _____ the _____ name _____?

_____ there _____ way _____ I can keep an eye on _____ system _____ it _____ records?

After modifying _____ records _____ you _____ when the _____ of _____ domain _____ system _____ a certain _____?

_____ record _____ how to _____ the propagation _____ the _____?

Can you tell _____ the _____ propagation has reached a _____ after modifying _____?

After _____ I want _____ know if I _____ the propagation of _____.

_____ am looking _____ advice _____ to keep _____ status of my domain name _____ I _____ my _____.

_____ you _____ how I can _____ the _____ of the _____ name system _____ messing with _____?

_____ is the best _____ to _____ propagation _____ a record _____?

I want to _____ modifying my _____ to verify domain _____.

_____ records, _____ you _____ me when the _____ of _____ has reached _____ point?

After modifying _____ can _____ tell me _____ of _____ has moved?

I _____ to _____ if _____ can verify domain _____ when _____.

I want _____ I _____ verify the _____ of the nameserver _____.

I am wondering _____ can _____ me _____ how _____ the status of the _____ system _____ adjusting _____.

I need _____ to _____ progress _____ dns propagation after _____ modify _____ records.

_____ I _____ propagation _____ my domain name system _____ my records?

_____ your opinion on how to _____ the progress of _____ system after _____.

There _____ way _____ keep up _____ status of _____ propagation of _____ have been changed.

I'm wondering if you _____ me _____ monitoring _____ domain _____ after adjusting.

_____ way to keep _____ eye _____ propagation _____ in the domain _____ system?

Is there _____ way to _____ eye on _____ of the _____ system after I _____ my _____?

_____ a way to _____ on _____ propagation _____ names after they _____ been _____.

I _____ to verify the _____ domain name _____ after changing _____.

_____ way _____ keep _____ the status _____ the domain name system after my records _____ changed?

_____ my _____ can _____ me when the _____ of the domain nameserver has _____ a _____?

_____ would _____ to _____ can verify the progress of _____ propagation once _____ records _____ changed.

_____ want to know _____ propagation _____ be verified after _____ records.

I _____ my records and _____ verify the progress _____ domain name system.

Can _____ me _____ verify the progress _____ the _____ propagation _____ modification?

After _____ records, _____ the _____ of DNS?

Is there a _____ make _____ to my _____ and _____ in the propagation _____ domain _____ system?

_____ a _____ keep an eye on the propagation _____ domain names after _____ records _____?

I _____ if _____ can _____ the progress _____ the dns propagation _____ I _____ my _____.
 Is _____ way to _____ of _____ name _____ after I adjust my _____?
 _____ me how I _____ progress of the dns propagation _____ my _____?
 _____ ways _____ make changes to _____ and watch for changes in _____ of _____.
 Can _____ give me some _____ how to _____ the _____ of the _____ name _____ messing _____ records?
 Is there _____ to _____ the status of _____ domain name system after I _____ my _____?

 _____ way to _____ eye on the _____ the domain _____ after _____ records are adjusted?
 I _____ to know _____ I _____ verify the _____ dns propagation after _____.
 _____ the progress of the _____ name _____ after modifying _____ records.
 I need _____ on _____ to verify _____ progress of _____ system _____ records.
 _____ way _____ the status _____ domain name system after I _____ records?
 How _____ track of _____ updating records.
 _____ there _____ for me _____ keep an eye _____ the dns _____ after _____ adjusted _____ records?
 _____ you tell _____ the progress _____ domain _____ system _____ the records are changed?
 Can _____ on _____ verify _____ of the _____ after tweaking my records?

____ I can ____ domain ____ after ____ my ____ .
 ____ may verify the progress ____ the ____ name ____ after tweaking my records.
 After ____ records, can you ____ me ____ the ____ the domain name ____ ?
 There is ____ way ____ eye ____ of ____ domain name ____ after it changes.
 I need your help to ____ progress of the ____ tweaking ____ .
 ____ advice on ____ status of ____ domain name ____ I adjusted ____ .
 Is ____ a ____ to ____ the progress ____ changing records?
 Is there ____ way ____ eye ____ status of ____ domain name ____ I change my records.
 ____ it ____ for me to ____ the ____ of ____ after ____ records are ____ ?
 Is ____ possible ____ I can ____ eye on ____ of the domain ____ after I ____ my ____ ?
 ____ records are ____ am ____ able to ____ an ____ on the status of ____ domain ____ ?
 How ____ verify the progress of ____ propagation ____ my ____ ?
 I would ____ know ____ of ____ name system ____ my records are ____ .
 ____ there ____ an eye ____ of ____ domain name system after its adjusted?
 I want to know ____ the ____ of the ____ verified ____ .
 I'm ____ on ____ of the status of my domain ____ system ____ my records.
 Can you provide ____ with ____ changes for ____ DNS?
 ____ want to know how I can ____ domain ____ after ____ have been changed.
 ____ keep ____ of the status of ____ domain name ____ after ____ adjusted ____ records.
 ____ me ____ check ____ progress of the ____ propagation after ____ my records?
 ____ check the ____ the domain name system after ____ my ____ ?
 ____ my records, ____ you tell when ____ of ____ DNS has ____ the ____ stage?
 ____ you tell ____ how to ____ the ____ the domain ____ system ____ are modified?
 ____ I ____ the ____ Domain ____ propagation after changing my records?
 ____ I ____ the progress of ____ name system propagation ____ ?
 I ____ to know if I can ____ the ____ of the ____ after ____ .
 ____ do ____ confirm ____ of my ____ name system ____ modifying my ____ ?
 ____ need ____ know if I can verify ____ the ____ changing ____ .
 I ____ to know how to ____ track ____ the status ____ name ____ my records.
 ____ to know ____ I ____ change my ____ and verify the propagation ____ .
 I wish ____ verify ____ of ____ system after modifying my ____ .
 ____ there ____ way ____ on the ____ of domain ____ after they ____ changed?
 There ____ a possibility that I can ____ an ____ status ____ domain ____ my ____ are adjusted.
 How ____ after updating ____ .
 ____ you advise ____ how I ____ the progress ____ after changing ____ records?
 I ____ like to know ____ I ____ verify the ____ of the ____ propagation ____ .
 I ____ to ____ to verify the ____ the domain name ____ records.
 I ____ like ____ know ____ I can verify ____ of the DNS ____ .
 I wanted to know if I ____ propagation ____ nameserver ____ my ____ .
 After modifying my records, ____ you ____ me when ____ propagation ____ a ____ ?
 I ____ to know ____ I ____ propagation ____ the nameserver ____ my records ____ .
 Is there ____ way I can ____ an ____ name system ____ adjusts my ____ ?
 ____ a way to update the status ____ the ____ their records ____ changed?
 ____ to ____ propagation of the domain ____ system ____ reached a ____ modifying my records?
 ____ changing ____ records, ____ to know if ____ confirm the propagation ____ dns.
 Can you ____ me ____ of the propagation ____ records?
 ____ I ____ changes ____ my ____ and watch ____ in ____ propagation of the ____ server?
 Do ____ know how I ____ verify ____ propagation ____ my ____ ?
 After modifying my records, ____ you ____ when the ____ the ____ is ____ stage?
 Can ____ tell ____ how to confirm the progress of ____ I ____ ?

Can ____ tell ____ I ____ progress of the ____ my records are altered?

I need to ____ the ____ of the ____ changing ____.

I want to know ____ check ____ the DNS ____ changing ____.

Can ____ check the progress ____ DNS ____ it?

____ modifying my ____ you tell me when the propagation of ____ has ____?

____ would ____ know how I can verify ____ of DNS ____ my ____.

____ am wondering if you can ____ me ____ of ____ propagation ____ adjusting ____ records.

I ____ know ____ verify domain propagation when ____ records.

I ____ know ____ I ____ check ____ propagation ____ nameserver after changing ____ records.

____ you ____ how I ____ the progress of the ____ name ____ after ____ records?

____ me ____ I may ____ the progress ____ the ____ propagation after ____ my ____?

____ am ____ advice ____ of the status of ____ name system after changing ____.

After modifying records, how ____ progress ____?

I ____ you ____ advise me ____ the propagation ____ the ____ names ____ adjusting my settings.

____ tell me how I can ____ the ____ of ____ domain name system ____ with ____?

Can ____ recommend a way ____ progress of the ____ system after ____?

Is there a ____ to ____ eye on ____ status of ____ domain ____ system after ____ adjusted?

Is there a way ____ update ____ of the ____ of ____ are changed?

____ modifying my records, ____ me when the propagation of the ____ to ____ next stage?

____ there ____ to ____ an eye on ____ status of ____ domain ____ after ____ change my ____.

I want ____ how I ____ verify ____ status of the domain ____ modifying ____.

I ____ wondering if you ____ tell me the status ____ propagation ____ domain ____.

____ to know ____ can verification ____ propagation ____ dns ____ changing my records.

____ modifying my ____ can confirm domain propagation.

____ me when ____ reached a certain point after modifying ____ records.

Can you tell me ____ to check ____ of ____ domain name ____ after ____?

I want ____ know if I ____ the ____ the nameserver ____.

____ my records, ____ you tell me ____ propagation ____ domain name ____ ready?

____ changing my ____ can ____ tell ____ when ____ propagation of ____ domain name ____ reached ____ point?

____ my ____ you ____ me ____ of the internet domain ____ is moving?

I ____ know ____ I ____ progress of the dns propagation ____ modifying my ____.

____ need ____ on ____ to ____ the ____ the domain ____ system ____ tweaking ____ records.

____ records, can ____ me ____ the ____ of the DNS moved ____ the ____ stage?

____ my ____ you ____ me ____ the propagation ____ domain name system moves ____ the next ____?

I want ____ know if it's possible ____ domain propagation ____.

____ you help ____ with ____ verification ____ the ____ name system ____ tweaking ____?

____ to ____ when ____ the ____ name system has ____ a certain point after modifying ____?

____ of ____ propagation after a record is ____?

____ modifying my records, can you ____ the ____ the ____ system reaches a ____ point?

I need ____ how to verify ____ of the ____ name ____ tweaking my ____.

Is there ____ keep ____ with ____ of domain ____ their records change?

Can you tell ____ how ____ may verify ____ propagation after my records ____?

Can you tell ____ how ____ verify ____ of the ____ propagation after modification ____?

____ you ____ how I ____ verify the progress of my ____ name ____ messing ____?

Can you ____ how I can ____ progress ____ dns ____ after I ____ my ____?

I ____ can ____ the monitoring of ____ status of ____ name system after ____ my records.

____ I ____ the Propagation of my ____ domain name ____ my records?

I am ____ I ____ eye ____ status of ____ domain name system ____ I change my ____.

I am ____ I ____ verify ____ of the ____ system ____ modifying my ____.

I ____ know ____ can verify ____ propagation of ____ after ____ my record.

I don't _____ how to _____ of _____ name system after _____ records.

Can _____ tell _____ how to _____ when _____ of the _____ name _____ has moved _____ the _____ after _____ records?
