

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle specifications and features
Inquiry Sub-Category	Fuel efficiency and sustainability
Description	Customers are concerned about the vehicle's fuel economy, hybrid or electric options, emissions ratings, and environmental impact, seeking to make an informed choice that aligns with their sustainability goals.
Data Size	6,577 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

How _____ compare _____ terms _____ ratings to _____ models _____ the market?

How _____ stack _____ pollution levels compared to competitors?

_____ emission rates differ _____ rival _____?

_____ of this car doing _____ others?

How _____ levels of this _____ compare _____ other _____?

_____ the emission _____ comparison _____ the other _____ on the _____?

_____ is _____ rating comparison between other _____ on sale _____?

_____ this vehicle emit less _____ similar ones _____?

_____ its emission _____ compare to _____?

_____ we _____ the emissions of this _____ to _____ recently and _____?

What is _____ comparison _____ this vehicle's emissions _____?

How _____ emissions ranking _____ this _____ against others?

_____ rating of this vehicle better than _____?

_____ out how the vehicle _____ of emissions?

_____ of _____ car _____ up _____ others.

_____ there _____ differences in _____ to other models?

_____ the other models comparable _____ this one?

Can we _____ emissions _____ vehicle to _____ competitors?

What do _____ think about how _____ in _____ of pollution _____?

The model's _____ is compared _____.

_____ emissions _____ better _____ it's competitors?

_____ this _____ compare to others _____ terms _____ emissions?

_____ do its _____ stack up _____?

I _____ to _____ ratings stack up _____ models.

_____ do _____ emissions ratings _____ compare?

The emissions ratings _____ other _____ on the market.

Does this _____ less _____ similar _____ on the _____?

_____ the _____ emissions-wise?

There are differences ____ emissions ____ competing ____.
 ____ is ____ emission rating ____ this ____ compared ____ competitors?
 ____ do ____ emission ratings for ____ model ____ against the ____?
 ____ the overall rating for ____ releases ____ comparison ____ vehicles?
 ____ vehicle's emissions in line ____?
 There could be ____ emissions ratings ____ other ____.
 ____ emissions rating ____ the ____ compared to ____ products.
 ____ this vehicle ____ better ____ other ____?
 ____ this ____ fare in emissions ____?
 How ____ emission ratings ____ vehicle ____?
 ____ of this ____ compare ____ others.
 ____ you ____ the emissions ratings for the vehicle compared ____ the ____?
 ____ we ____ or bad this ____ emissions are compared ____ other ____?
 Do you think ____ stacks ____ against ____ to pollution ____?
 How ____ the emissions ____ of ____ to others?
 The ____ are compared to ____.
 What ____ the emission ____ for ____ vehicle, ____ competitors?
 ____ its ____ against other models?
 Does this ____ have a ____ rating ____ than ____?
 ____ emissions ____ this vehicle similar ____ those ____ other ____?
 ____ this ____ the ____ emissions ____ as other models in ____?
 ____ you tell me ____ about ____ compared to ____?
 How ____ emission ____ for ____ compared to other ____?
 ____ vehicle emit less ____ than ____ cars ____ the ____?
 How does its ____ rates ____?
 ____ compare the ____ of this ____ to those ____ recently?
 What ____ the emission rate ____?
 ____ we ____ of the ____ to competitors' models?
 ____ compare the ____ of ____ vehicle ____ other models?
 What compares ____ emissions ____ this ____ models?
 Is ____ emission ____ any ____ other ____?
 Its ____ rates ____ against ____ models.
 ____ this ____ have lower ____ other ____ on ____ market?
 ____ do ____ emission ____ compare ____ other ____?
 What ____ the ____ of ____ compared to other ____?
 ____ rate is ____ to others on ____.
 ____ you ____ a comparison ____ this ____ emissions ____ other ____?
 ____ we compare this car's ____ to ____ of ____?
 Is ____ assess how bad this car's ____ compared ____ others' ____?
 ____ you give a ____ emissions ratings comparison ____ against ____?
 Does ____ vehicle match ____ to emissions standards?
 ____ car's ____ compare to others?
 What ____ you ____ in emissions between ____ competing ____?
 ____ the ____ this model better ____ competitors'?
 Can we compare ____ car's ____ to ____ recent ____?
 ____ know ____ of ____ vehicle relative to other models?
 ____ emissions ____ of this ____ superior to ____?
 ____ this ____ fare ____ emissions ratings?
 ____ the emission ratings ____ line with others ____ the ____?
 ____ a ____ in ____ ratings compared ____ other models.

_____ show us how eco-friendly _____ compared _____ cars?
 How _____ vehicle's emissions _____ others?
 _____ emissions rating _____ compared _____ others.
 Is there _____ and _____ vehicles in _____ of emissions?
 What _____ rating _____ releases _____ to their competitors?
 Does _____ have similar _____ ratings _____ models?
 _____ are the emission ratings _____ compared to _____?
 Does _____ vehicle _____ than _____ ones?
 How _____ the emission _____ of _____ compare _____ others?
 _____ is _____ emissions rating _____ to other cars?
 What _____ vehicles' _____ for _____?
 Can we compare the _____ of this _____ recently?
 Where is _____ emissions rating _____ compared _____ similar _____?
 Is _____ emission rating of _____ other models?
 _____ difference in _____ between this _____ the competitors?
 Does _____ lower emissions _____ the _____ the market?
 _____ emission _____ of this vehicle _____ compared to _____.
 Does anyone _____ this _____ emissions are good or _____ compared _____?
 _____ is _____ rating _____ vehicle's emissions _____ to its _____?
 _____ we compare the _____ of _____ of other _____ the area?
 Does your _____ others _____ fumes?
 Does _____ better to competitors?
 Is _____ rating _____ than other _____?
 What _____ ratings _____ competing vehicles?
 Can you _____ how _____ compare to other _____?
 _____ this _____ perform on _____ ratings?
 _____ rates _____ other _____ can be _____ to this _____.
 _____ is _____ emission rating for this _____ compared _____?
 How _____ emission rates stack _____?
 _____ his ride _____ exhaust fumes?
 In relation _____ competing vehicles what _____ overall _____ exhaust _____?
 How _____ the _____ compare _____ models?
 _____ use less pollution than _____?
 _____ vehicle's _____ are _____ to _____.
 Is there _____ differences _____ emission _____ cars?
 Does the _____ of _____ stack _____ against _____ cars?
 _____ emissions rating _____ this vehicle _____ compared _____ similar _____.
 _____ do emissions of _____ up against _____?
 _____ ratings for this vehicle compare _____ models on _____.
 What _____ ratings compared to _____?
 _____ emission rating comparison _____ models on _____ today?
 _____ exhaust releases in relation _____ competing cars?
 _____ stack up in _____ to other models?
 Can _____ me _____ its eco-friendliness _____ comparable to _____?
 _____ emissions _____ this _____ up _____ others?
 _____ the car's emissions _____ cars?
 _____ would _____ to _____ how the emission _____ this _____ stack _____ against _____ models.
 _____ do emission _____ against _____ models?
 _____ any discrepancy between _____ of this and _____?
 How does _____ emissions ranking _____ this _____ compare _____ cars in _____?

In _____ rating, where _____ this vehicle _____ compared to _____?

Does _____ emissions _____ this _____ with others?

_____ is the status _____ emissions ratings _____ other _____?

_____ want to _____ the _____ ratings _____ this model _____ against others.

How do its emissions _____?

_____ do the _____ stack _____ against _____ other models?

What is the _____ between _____ sale today?

_____ ratings of _____ compare to _____ on the market?

How _____ ratings compare with _____?

I _____ if there _____ differences _____ emission _____ cars.

_____ vehicle _____ the _____ emissions ratings _____ on the market?

_____ differences _____ there in _____ ratings _____ to _____ models?

The ratings for _____ are _____ competing _____.

_____ emission _____ compare to _____ cars _____ the market?

_____ the emission rating of this vehicle _____ its _____?

_____ emission _____ are compared _____ others _____.

How does _____ compare to _____?

Can _____ car's _____ to _____ of other cars _____?

Is the _____ comparison _____ vehicles _____ sale today?

_____ is _____ emissions rating _____ this _____ relative _____ on the _____?

How _____ the emission _____ compare _____ offered?

How do you see _____ ratings for this _____?

Does _____ emissions rates _____ compare to _____ one?

How _____ the _____ this _____ compare to _____ models _____ the market?

What are _____ for this _____ other models?

_____ is _____ emissions _____ of this vehicle compared _____?

_____ is the emission rating comparison _____ other _____ the _____?

_____ there _____ difference _____ emissions compared _____ models?

_____ vehicle _____ a lower emissions than _____?

Is _____ emissions _____ for _____ model better than _____?

How _____ this _____ in _____ of emissions _____?

_____ is _____ overall rating for exhaust releases _____?

_____ or bad is this car's _____ to _____ scores _____?

_____ emission _____ compare _____ other models offered?

What's the emission _____ vehicles _____ market today?

Is _____ to _____ of pollution levels?

_____ the _____ ratings _____ model compared _____ other models on _____ market?

Does _____ different emission _____ than _____?

_____ exhaust fumes better _____ competitors?

Does _____ vehicle have _____ than _____ vehicles?

_____ the emission ratings _____ this model stack _____ against _____ on _____ market.

_____ the _____ compare to others?

What is the _____ this _____ compared _____ others on _____?

_____ do the emission _____ compare _____?

_____ are compared to similar _____.

What is _____ status of the _____ ratings in _____?

What _____ the emission _____ of this _____ compared _____?

The _____ emission _____ other vehicles.

The _____ ratings of this _____.

How do its _____ against _____ competition?

Does your ____ beat ____ others ____ cutting ____?

Can ____ emissions ____ vehicle to that of other ____?

How do emissions ____?

There ____ rival ____ with ____ emission ____.

What ____ the ____ ratings for this ____ to ____ models on ____?

____ know ____ emissions ratings for ____ relative ____ others in the ____?

____ to emission ratings, is ____ vehicle ____ than ____?

Is the emissions ____ comparable ____ these one?

____ emission ____ comparison with ____ vehicles on ____.

Is the ____ this ____ than ____ other models?

How ____ this ____ emissions rate ____ models?

____ the vehicle ____ lower emissions ____ other ____?

Can these ____ less pollution than other ____?

How is ____ rate ____ car compared ____ models?

____ is ____ comparison for ____ cars on sale?

____ this vehicle emit ____ other ____?

Does the ____ of this ____ from ____?

The emissions rating of ____ vehicle is ____

____ the overall rating ____ releases when compared ____?

____ vehicle's ____ rating compared ____ competitors ____ the ____.

____ relation to ____ overall ____ for exhaust releases?

____ less pollution ____ other cars?

____ emissions rating compare to ____?

Can ____ emissions ____ for this ____ compared ____ other models in the ____?

____ it possible ____ the emissions ____ for ____ relative to other ____?

____ the ____ between this vehicle's emissions ____ and ____?

____ happens ____ the ____ against ____ models?

Is the emissions ratings ____ this ____ similar ____ models ____?

____ this vehicle's emissions ____ other vehicles?

____ this vehicle have ____ lower emissions than ____ the ____?

____ does ____ rate ____ to others?

____ you tell me about the emissions ____ this ____ against other ____?

What's the emission ____ models ____ vehicles today?

This ____ has ____ models.

____ is ____ differences between this vehicle's ____ others?

The ____ is related ____ models.

____ about other vehicles' ____?

Can ____ me ____ ratings ____ this ____ to other ____ in the market?

Is there ____ the emissions ____ this ____ vehicles?

____ emission rates ____ between ____ models?

Is ____ that ____ emit ____ pollution in comparison ____ similarly ____ options?

Do emission ____ stack ____ models?

____ the ____ rate ____ to others?

Is it ____ show ____ emissions ratings ____ vehicle compared to ____?

____ is ____ difference between this vehicle's ____ and ____?

Do ____ rates ____ against others?

____ it ____ this car's emissions ____ of others recently?

____ the ____ emissions ____ compare ____ similar models?

____ is the comparison ____ the ____ of ____ on ____ today?

What ____ vehicle's emissions ____ to ____?

Is _____ to _____ emissions ratings _____ to other models.
 _____ did this _____ emissions ratings?
 What are _____ emission _____ against others?
 _____ it competitive in _____ of _____?
 Where is it _____ of _____?
 _____ releases compared to competing _____?
 Does _____ have the _____ emissions _____ as _____ the market?
 Can _____ tell me how _____ in _____ ratings?
 What is _____ emissions _____ this _____ compared _____ models?
 Is _____ emissions rating _____ car _____ than other _____?
 _____ do _____ emissions rate _____ car compare to _____?
 _____ is the _____ rating of _____ compared _____ other similar _____?
 The _____ stack up _____.
 How _____ of _____ car _____ other cars?
 How is this car's _____ compared _____ in _____?
 _____ emission rating for _____ to other products?
 How _____ this _____ emissions _____ to _____ vehicles?
 Is _____ rating _____ than the _____?
 Can _____ a _____ of _____ emissions _____ other models?
 What _____ the rating _____ relative _____ other vehicles?
 Does _____ rating of this _____ its competitors?
 Does this vehicle _____?
 What _____ between this vehicle's emissions rating _____?
 What is the emission _____ of _____ compared _____?
 Can _____ tell _____ the _____ ratings _____ vehicle are compared to _____?
 How much do _____ the _____ this vehicle _____ to _____ models?
 Does _____ vehicle have _____ emissions _____ models _____ the _____?
 _____ fare _____ emissions ratings?
 Can we compare _____ emissions _____ of _____ recently?
 Where does it _____ with _____ in _____ emissions?
 Does _____ emissions than similar _____ the market?
 _____ compare _____ emissions to that _____ cars recently/nowadays?
 What is _____ emission rating _____ compared to _____.
 _____ the _____ better _____ this car than _____ cars?
 _____ you think _____ fares in _____ ratings?
 _____ of this _____ is _____ to competitors.
 _____ is the emissions rate _____ this _____ to _____ cars _____ market?
 _____ is the emission rating _____ between _____ sale?
 What's the emissions rating _____ vehicle _____ to _____?
 What _____ the _____ emissions between this _____ cars?
 What is _____ this vehicle compared _____ others?
 _____ comparable _____ terms _____ pollution levels _____ competitors?
 Does _____ vehicle produce _____ emissions _____?
 _____ is _____ against other models?
 How does _____ emissions rating _____?
 How _____ its _____ ratings stack _____ with _____?
 _____ the _____ of this car _____ others?
 _____ model's _____ rating is _____ competitors.
 _____ about the _____ models _____ emissions ratings?
 Does _____ superior _____ ratings _____ others?

_____ pitted _____ how _____ emission rates stack _____?
 How do emission _____ models?
 Does _____ fumes in _____ better _____ than others?
 _____ is _____ emission rating _____ compared to competitors?
 How _____ the _____ ratings _____ up against _____?
 What are the _____ in _____ between _____ competing _____?
 What is the _____ for _____ sale?
 _____ does _____ rating of this _____ compare to _____?
 What do _____ of _____ against _____?
 _____ this vehicle have _____ same _____ other models _____ market?
 _____ emissions compared against _____?
 _____ Emission rating _____ than _____ competitors?
 _____ you tell _____ about the _____ ratings for this _____ other _____?
 Is it possible _____ are _____ compared to _____?
 Is _____ this _____ superior to other models?
 Does this vehicle _____ emissions than _____ ones _____ market?
 Does _____ vehicle have _____ competitors?
 I _____ there are _____ in emissions _____ this and _____.
 _____ emissions ranking _____ is _____ with other cars.
 Does _____ less _____ other _____ on the market?
 _____ is the relationship _____ this _____ ratings _____ other _____?
 _____ emissions compare to other _____?
 What is the _____ rating _____ the _____ to _____?
 How _____ the _____ this car _____ up _____ others?
 I want _____ know _____ the _____ ratings for _____ model stack _____.
 _____ do _____ stack up _____ the _____ models offered?
 Does this _____ have _____ lower _____ than _____ the market?
 _____ vehicle's _____ rate compare _____ vehicles.
 How _____ this car's _____ compared _____?
 Is _____ in regards _____ pollution levels?
 How _____ rate compare to _____?
 _____ any difference between this and _____ vehicles _____ terms _____?
 _____ of this _____ compared _____ other models on _____ market.
 Are _____ emissions _____ vehicle similar to _____ others?
 The _____ for this vehicle is _____ other _____.
 How are _____ ratings for _____ compared to _____ market?
 _____ emissions rating _____ this _____ than others?
 _____ to emissions _____ does this _____ fare?
 Do rival _____ in emission _____?
 Can we compare _____ car's _____ cars are _____?
 What _____ emission rating comparison _____ other _____ the _____?
 What is the overall _____ exhaust _____ to competing _____?
 _____ the emissions rating _____ this _____ to others?
 How do this _____ to other _____?
 What _____ the differences between this _____ and _____?
 How do emission _____ stack up _____ currently _____?
 Does _____ the rest in _____ fumes?
 _____ vehicle _____ other ones on the market?
 _____ emissions rating of _____ vehicle _____ to _____ products?
 _____ possible _____ the _____ of this _____ compared _____ others' scores?

What _____ emissions rating _____ car compared to others _____?
 _____ emission-wise comparable?
 _____ the _____ better than competitors'?
 Are you _____ to _____ an _____ comparison _____ this _____?
 What _____ of this _____ to other models?
 _____ does this car's emissions _____ other _____?
 _____ the emissions rating stacks up _____ models.
 _____ there _____ in _____ rates among _____ cars?
 Did _____ ride _____ than _____ cars?
 Can _____ compare _____ emissions to other _____?
 Can _____ give _____ detailed _____ rating comparison _____ vehicle compared _____ models?
 Does _____ match other _____ for _____?
 _____ vehicle _____ with _____ terms of emissions standards?
 There are differing _____ of _____ and other _____.
 _____ emissions rating _____ this vehicle _____ compared _____ competitors _____ market.
 _____ am _____ the _____ this model stack _____ against others.
 Is _____ that _____ cars emit _____ compared with _____ comparable options?
 How _____ a _____ to other cars?
 Is _____ competitive _____ to _____ ratings?
 _____ the _____ of _____ car _____ models?
 _____ are _____ emissions ratings _____ others?
 _____ the _____ rating _____ this vehicle compared to _____?
 Is this _____ comparable _____ when it _____ to _____?
 _____ comparable to _____ in terms _____ emission ratings?
 How do _____ stack _____ to other _____?
 _____ need to _____ how the emission ratings stack up _____.
 _____ differences between _____ car's emissions _____ other models?
 _____ emission _____ vehicle is compared to _____ products.
 _____ are _____ emissions-wise _____ of _____ vehicle?
 This vehicle's _____ similar models.
 _____ possible to assess _____ or bad this _____ emissions _____ compared _____?
 _____ of this car _____ other models?
 Does _____ vehicle have better emissions _____ models _____ the _____?
 _____ emissions ranking compared to other _____?
 I want _____ emissions ratings for this _____ are comparable _____ in the _____.
 Do _____ car's emissions _____ to _____?
 How _____ the _____ emissions compare _____?
 Is _____ rating of _____ car better _____ other _____?
 _____ up _____ terms of pollution levels _____.
 _____ is the emissions _____ of _____ compared _____ others?
 _____ is _____ rating for _____ vehicle's emissions _____ the _____?
 Is it _____ to determine _____ ratings for the _____ other _____?
 Does _____ vehicle have lower _____ compared to other _____?
 Does _____ a _____ in emissions _____?
 What _____ the _____ rating compared to competitors _____?
 _____ model fare in _____ emissions ratings?
 What is _____ of _____ vehicle compared _____ others?
 _____ this vehicle have the _____ emissions _____ the market?
 Does this car have _____ ranking _____ other _____?
 _____ we compare _____ of this _____ those of _____?

Do you _____ of this _____ other models _____ the market?
 _____ this vehicle have _____ emissions _____ models _____ the market?
 Do you have a _____ of _____ emissions _____ other _____?
 _____ do _____ emission rates _____ up against _____?
 _____ is _____ emissions rating compared _____ similar _____?
 Is there _____ difference _____ this and the _____?
 Does _____ emissions _____ other vehicles?
 How _____ the emissions _____ car _____ to _____?
 _____ to know _____ vehicle compares _____.
 _____ vehicle emissions _____ to those _____ vehicles?
 Can _____ compare _____ emissions to those _____ others _____?
 _____ do _____ emissions _____ this _____ up?
 Do _____ rates _____ rival _____?
 _____ are _____ emission rates _____ available.
 What is _____ difference _____ compared _____ others?
 _____ against others _____ how do emission _____ stack _____?
 _____ tell _____ eco-friendliness against other cars?
 _____ am _____ how the emission _____ stack up against _____ models.
 _____ have lower _____ than _____ cars on _____ market?
 Is _____ possible _____ how good or _____ car's _____ are compared _____?
 How is _____ ranking compared _____ other _____ the market?
 _____ does this car's _____ you?
 Does _____ vehicle _____ emission _____ than _____ cars?
 _____ we compare this _____ emissions with _____ models?
 _____ emissions _____ car is _____ to _____ on the market.
 What is _____ emission _____ comparison _____?
 _____ this vehicle have _____ emission _____ brands?
 _____ this _____ in terms _____ ratings?
 _____ emissions _____ this _____ compares _____ others.
 What are _____ rating _____ vehicle compared _____ products?
 _____ do _____ ratings _____ against _____ cars?
 Do you _____ it _____ of pollution levels vs _____?
 Does the _____ rating _____ this _____ other models?
 Are the emissions _____ in line _____ of _____ vehicles?
 Is it _____ to _____ emissions of this _____ to _____ recently?
 Did _____ know how _____ vehicle _____?
 What _____ the _____ compare _____ other _____?
 _____ this _____ offer _____ than others?
 _____ you think it _____ up _____ in terms _____ levels?
 _____ do _____ this car compare to _____ cars?
 _____ to know how _____ ratings _____ this _____ compare _____ others.
 _____ do _____ emissions _____ this car compare _____ other _____?
 _____ emissions _____ better than its _____?
 _____ this vehicle _____ emissions _____ vehicles?
 _____ model emissions _____ better than _____?
 _____ emissions of this car _____?
 Does this vehicle _____ the same _____ rating _____?
 _____ this cars _____ rate compare to _____?
 _____ want to _____ this model fares in _____.
 _____ determine the _____ this vehicle compared _____ others?

How _____ this _____ compare to other cars?

How _____ emissions _____ from other models?

The overall _____ for exhaust _____ to _____ vehicles.

What is _____ emissions rate _____?

Are _____ emissions of _____ others?

_____ than other cars out there?

Is there _____ differences in emission _____ cars?

_____ do _____ emissions _____ compare _____ the _____?

_____ the emission rates like _____ compared _____?

How _____ the _____ ratings _____ vehicle _____ to other _____?

_____ emissions ranking of this _____ to others in _____?

_____ you know _____ vehicle compares _____?

_____ are _____ in _____ between this _____ vehicles.

_____ there an _____ rating _____ of _____ versus _____ models?

_____ this vehicle have a better _____ other _____?

_____ vehicles _____ rate compare to other _____?

_____ the differences in _____ competing _____ and _____ one?

How do the _____ compare _____?

_____ this vehicle's emissions _____?

_____ the _____ ratings of _____ the other _____ on the market?

What is _____ for this _____ on the market?

_____ the emissions of _____ car _____ to _____?

_____ emissions rating comparable to _____?

Can we _____ to those of _____ cars?

What _____ emissions _____ compare to?

_____ is this _____ rating _____ to _____ vehicles?

How do _____ emission rates stack _____ available?

How _____ vehicle fare when it comes _____?

_____ emissions ratings compare _____ other models on the _____?

There may _____ differences _____ emissions _____ to _____ models.

_____ emissions _____ to other vehicles?

What _____ emission rating comparisons _____ of vehicles?

_____ the emissions _____ vehicle _____ of similar cars?

Do you _____ competitors _____ terms of pollution levels?

_____ the emission ratings of _____ vehicle _____?

_____ you _____ how the emission ratings for this model _____?

_____ its emission _____ to other _____?

_____ the emissions ranking of the _____ with _____?

How do _____ emissions _____ of _____ car compare _____?

The _____ of _____ is _____ to similar vehicles.

How does this _____ in _____?

_____ the _____ ratings _____ this vehicle compare _____ other _____?

Is _____ vehicle _____ others _____ emission _____?

_____ how the _____ ratings _____ this model stack up _____ other _____.

The emissions rating _____ this _____ compared _____ models.

_____ vehicle's emissions rating compared _____ other _____?

Does _____ competitive standing in _____?

_____ vehicle have better emission _____ than _____ vehicles _____ the _____?

Can the emissions _____ this vehicle _____ compared _____?

How do the emission _____ up _____ the _____?

Does it ____ up against ____ in ____ pollution ____?

What ____ the ratings ____ exhaust releases ____ competitors?

____ is ____ in ____ between this and ____ vehicles?

I'm wondering ____ stacks up against other ____.

Is the emissions ____ to similar ____?

What ____ rates do against ____?

____ vehicle have ____ than the ____?

____ emission rating ____ this vehicle compared ____ similar products?

____ you know the emissions ____ the ____ compared ____ models?

____ able to ____ an emissions ratings ____ this ____ with other ____?

Is there ____ for this ____ that is ____ to ____ models ____ market?

____ do ____ cars ____ to ____ cars?

____ emission ratings for this vehicle ____ other models ____?

____ you ____ if your ____ other rides ____ exhaust fumes?

____ have better emissions ____ than ____?

____ there ____ emissions ____ this and other ____?

Are there ____ emissions between ____?

____ are the emission ____ of similar cars ____?

____ there ____ emission levels compared to ____ models?

Does ____ same emissions ratings as other models ____?

____ the ____ of this ____ to others?

Can ____ me how ____ ratings for this ____ to ____?

____ this ____ emission ____ than other vehicles?

____ there any ____ in emissions ____ compared ____ rival ____?

Is the ____ for ____ than ____?

____ the emission ____ model stack ____ against other ____?

____ this ____ compared to its ____?

How ____ this vehicle compare to other ____?

____ the vehicle's ____ compared to ____ products?

____ do ____ ratings compare to ____?

____ for this model stack ____ others on the ____?

Can we compare ____ emissions ____ to those of ____?

I ____ emissions rates of other ____ are ____ to ____.

____ this ____ emission ratings to ____ vehicles?

____ does ____ rates differ ____ models?

Can we compare the ____ of ____?

Can ____ compare ____ emissions ____ to the competitors' ____?

Is ____ vehicle better in terms ____ emission ____?

How ____ this car compare ____ other ____?

The ____ of ____ vehicle ____ to ____ models.

____ how the ____ ratings ____ this ____ up against others.

The ____ emissions ____ compared ____ models.

____ emissions ____ this model better ____ the competitors?

____ emissions of this ____ line ____ others?

Is it ____ the emissions of ____ to competitors' ____?

____ this model ____ for ____ competitors?

____ is the emission ____ for ____ vehicles on ____ today?

Does this vehicle ____ lower ____ others?

Does this vehicle emit ____ ones ____ market?

Does this vehicle have ____ compared ____?

Can you _____ the emission _____ for this model _____?

_____ of the model _____ to competitors?

I want to know _____ emissions ratings _____ vehicle relative _____ other _____.

What's the _____ rating comparison with _____?

_____ its emission rates do _____?

_____ is the _____ rating _____ this _____ in _____ competitors?

_____ rating of _____ is compared _____ competitors.

_____ is _____ emission _____ comparison _____ the _____ models _____ vehicles?

_____ emissions _____ better _____ other models?

_____ the _____ emissions rating _____ the _____ vehicles?

_____ vehicle's emissions rate _____ compared _____.

Can _____ how _____ this car's _____ are _____ to _____ cars?

_____ it possible it _____ against _____ in _____ of _____ levels?

_____ do the _____ stack _____ against _____ models.

The emissions rating _____ is compared _____ ones.

What _____ emission _____ against other _____?

Is _____ emissions _____ this vehicle _____ other models?

_____ this model _____ up in _____ of _____ ratings?

_____ emission rate _____ car _____ to similar models?

How would _____ emission _____ against _____?

Does _____ other _____ cutting _____ fumes?

Can you tell me _____ vehicle compared _____ in the _____?

_____ emission rating _____ with _____ of _____ on sale?

How does _____ up against _____ competitors in terms _____?

_____ the emissions rate for _____ car _____ other _____?

How do _____ rating of _____ vehicle _____ similar _____?

Is the _____ ratings _____ to _____ on the market?

_____ compares with other cars.

Is _____ rating different _____ models?

Is it _____ the emissions of this _____ those of _____?

Is it _____ cars _____ less pollution _____ with other _____ options?

What is _____ the car _____ to others?

I'm _____ if this model _____ terms of _____.

_____ are _____ emissions _____ this _____ relative to _____ models?

Can _____ an _____ ratings comparison of this _____ against _____?

_____ this _____ similar to similar vehicles?

_____ emissions rating of this _____ to its _____?

_____ there any _____ emission _____ this and competing _____?

_____ the _____ emissions _____ other vehicles?

Does _____ rating of this _____ compare favorably _____?

_____ we compare the emissions of _____ car _____ of _____ or _____?

_____ emissions _____ compare _____ others on _____ market.

Can _____ this vehicle's _____ those of _____?

_____ this _____ have a _____ rating than _____ competitors?

_____ like to know the _____ ratings for this _____ relative _____ in _____.

Do _____ know the _____ ratings for this car _____?

Do _____ know how the emission _____ this model _____?

_____ vehicle _____ better at _____ than _____ models?

What _____ the _____ ratings _____ this _____ compared _____ the market?

How _____ emissions of _____ compare _____ other _____?

_____ emit less pollution _____ other _____?

Is _____ model's _____ better than _____?

_____ the vehicle _____ compared to other models on _____.

_____ want to know how _____ ratings _____ this model _____ others _____ market.

Is _____ rating _____ model better than those of _____?

Does _____ emissions _____ up against _____?

Does the vehicle _____ others?

_____ emissions _____ of the car is _____ with other _____.

Is this _____ better than _____?

Is _____ true _____ these _____ emit less pollution _____ other _____?

How _____ up against others?

What _____ emissions rate _____ car compare to _____?

Does this vehicle _____ similar _____?

_____ better for _____ than _____ models?

I want _____ know how it _____ up against _____ terms _____.

_____ is _____ rating for exhaust releases _____?

_____ the _____ better than rivals?

Does this _____ lower emission _____ to _____ vehicles in _____ market?

There is _____ compared to other models.

_____ know the emissions ratings for _____ vehicle _____ to _____ models _____ the _____.

Can _____ tell _____ for _____ vehicle compare to _____ models in _____ market?

How do the _____ up against _____?

_____ this vehicle have _____ comparable ones _____ market?

_____ compare the emissions _____ this vehicle _____ other _____?

_____ is the _____ rating _____ the vehicles _____ the _____ today?

_____ it _____ emission ratings, is this _____ others?

_____ it _____ to _____ how _____ a _____ emissions _____ to others?

_____ is _____ emissions _____ for _____ car compared _____ other _____?

Is the _____ other _____ comparable to _____ model?

_____ the vehicle _____ better _____ than _____?

Does _____ rate _____ models _____ that of this _____?

_____ possible to determine _____ emissions _____ this vehicle _____ to _____?

What _____ the _____ for this _____ against _____ ones?

_____ this _____ for emissions _____ cars?

_____ emission rating is _____ others.

_____ vehicle emit better _____ similar _____?

The _____ ranking of _____ car compared with _____.

_____ this vehicle emit the same _____ ones?

_____ vehicle's emissions _____ to other models _____ market.

_____ good/bad is this _____ emissions compared _____ others' _____?

_____ emissions of _____ against others?

_____ comparison of this _____ emissions ratings with _____ models?

Can _____ us more _____ about its _____ compared _____ cars?

_____ emission _____ are _____ to _____ vehicles.

_____ emission ratings for _____ compare _____.

_____ emission _____ comparison with _____ models on sale?

Can we _____ the _____ of this _____ other _____?

_____ this _____ compare to _____ ones.

The emissions _____ of this _____ cars.

_____ tell me _____ emissions ratings _____ other models in _____ market?

Is there _____ emission _____ compared _____ rivals?
 _____ the _____ of this _____ similar _____ similar vehicles?
 Is it possible _____ stacks _____ in _____ pollution levels _____?
 _____ the _____ rating _____ line with _____ models?
 How do _____ the _____ emissions _____ compares to _____?
 Does _____ of _____ vehicle match those _____ vehicles?
 _____ it compete _____ emissions _____?
 How _____ stack up _____ terms of pollution _____?
 Is _____ ratings for this _____ relative _____ in _____ market?
 Does _____ vehicle _____ on _____ standards?
 How _____ of _____ compare _____ others?
 _____ is _____ car's emissions rate _____ other _____?
 _____ give us an emissions _____ this vehicle _____ models?
 Is it _____ to _____ the _____ ratings _____ relative to _____ models?
 _____ the emissions ratings for _____ vehicle, _____ other models in the _____?
 _____ comparison with other models on _____ today?
 The _____ rate _____ compared to _____ on _____ market.
 Does _____ ride _____ than some others?
 Do you know _____ for this model _____ up _____ models?
 What _____ of this _____ other cars on the market?
 _____ emission _____ stack up _____ other _____?
 Does _____ less than _____ cars?
 _____ against others, how do _____ stack _____?
 Can _____ show _____ comparison _____ emissions ratings _____ against other models?
 How _____ cars _____ compare to _____?
 _____ vehicle have _____ to others?
 What _____ the emission rating _____ models of _____?
 Is _____ in emissions between _____ and competing _____?
 _____ the emission _____ with other _____?
 What does _____ emission _____ other _____?
 _____ good or bad is _____ to _____ around recently?
 _____ rate for _____ models _____ to this one?
 What _____ the emission _____ for this vehicle _____?
 _____ do this _____ compare with _____?
 Can _____ about _____ eco-friendliness compared to _____ cars?
 _____ about its _____ compared to _____?
 How _____ rates compared to other _____?
