

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	Signal and reception troubleshooting
Inquiry Sub-Category	Satellite transponder problems
Description	Inquiries in this category involve customers experiencing issues with specific satellite transponders, affecting their access to certain channels. Support representatives may guide customers through reconfiguration or provide updates on any known technical difficulties.
Data Size	5,937 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

____ the ____ issue ____ to a ____ transponder ____ is it impacting ____ ____ ?
____ the signal change ____ ____ ?
____ ____ problem ____ to a ____ ____ ____ is it affecting ____ channels?
Is ____ a single ____ ____ ____ signal ____ ____ is ____ a distinct channel?
____ it ____ ____ different channels?
Is it ____ ____ a transponder ____ is ____ ____ ____ channels?
____ ____ issue ____ ____ one transponder or is ____ pervasive?
Is ____ ____ one specific transponder or ____ ____ channels?
Does ____ concern relate to ____ single ____ ____ or ____ ____ stations in ____ ____ ?
____ ____ signal issue ____ more ____ one ____ ?
____ ____ affecting all ____ ____ ____ is it ____ to a transponder?
____ ____ related to ____ single ____ ____ there distinct channels?
Do ____ ____ problems ____ affect one transponder, or ____ ____ ____ other ____ ?
____ you ____ ____ an ____ between the faulty transmission ____ ____ single ____ ?
____ the signal ____ limited ____ ____ transponder ____ ____ it ____ many channels?
Is ____ ____ related to a ____ transponder ____ multiple ____ ?
transponder ____ multiple ____ signal ____ ?
____ ____ ____ ____ with ____ transponder, or is it ____ more ____ one channel?
____ the signal ____ affect ____ transponder only or ____ ____ ____ multiple ____ ?
Is ____ problem ____ ____ a ____ or many ____ ?
The ____ ____ related ____ transponder ____ ____ related.
I'm wondering if the ____ ____ ____ one ____ ____ all my ____ ____ messed ____ .
Is ____ ____ problems ____ ____ one transponder ____ do they ____ ____ channels?
____ ____ or just ____ ____ ____ the problem?
____ ____ multiple-channel ____ issues?
____ ____ signal ____ more ____ one channel?
Is ____ single transponder causing commotion, ____ ____ ____ channels ____ ____ ?
____ the signal problem ____ affect one ____ ____ is ____ ____ multiple ____ ?

Is this _____ to a single _____ transmitter or _____?

_____ a signal issue that affects _____ well?

_____ distinct channels experiencing _____ or _____ single transponder?

Are _____ channels affected _____ mess _____ only one _____?

Is this transponder _____ trouble?

_____ issue limited to _____ transponder _____ is _____ affecting more _____ one _____?

Does _____ signaling concern _____ targeted _____ alone or multiple _____ overall?

_____ failure _____ linked to one _____ several channels

_____ this _____ one _____ transmitter or multiple broadcasted _____?

_____ failure may be tied to _____ and _____

Do distinct channels _____ problems or _____ transponder cause _____?

Is any _____ transponder _____ are _____ by this mess?

Are _____ by _____ poor signal quality, _____ isolated _____ a _____?

The signal problem may be _____ to a _____ it _____ be _____.

_____ you _____ between the faulty transmission _____ a _____ transponder?

Does _____ affected multiple _____?

Is signal problems related _____ single _____ or _____ there _____?

_____ signal _____ on _____ or _____ channels.

_____ it isolated _____ a particular _____ or _____ all _____?

_____ the signal _____ affect one _____ or _____ affect several _____ as _____?

Is _____ isolated _____ related _____ affects multiple channels?

_____ the _____ problems extend _____ numerous _____ or _____ limited _____ specific transponder?

Is it related to _____ particular _____ is _____ multiple _____?

Does _____ signal _____ than _____ channel?

_____ single transponder _____ confusion _____ is all _____ acting _____?

_____ problem on _____ or _____ channels?

Is _____ signal _____ related _____ particular device _____ more than _____?

Is _____ issue _____ multiple _____?

_____ caused _____ one transponder _____ several channels?

_____ signal _____ on the _____ or _____?

Does _____ only a transponder?

_____ problem affecting many channels, _____ a transmitter?

_____ affecting all _____ it related _____ the transponder?

Does _____ all _____ channels _____ is it _____ a specific _____?

_____ channels affected by _____?

I need to know _____ is one transponder _____ are _____.

_____ problem _____ transponder or _____ my channels messed up?

Does this signal problem _____ or is _____ to _____ device?

Is _____ problem _____ by _____ channels _____ only _____ transponder?

_____ or _____ channels affected?

_____ the _____ affect all _____ or is it _____ to a _____?

The _____ channel outage?

Does _____ transponder-related signal _____ channels or not?

Is _____ a _____ that _____ do different channels _____ signal issues?

_____ affect several _____ as well, _____ are they limited to _____ transponder?

Are all channels _____ up _____ it _____ single _____?

_____ multiple channels are affected by the _____?

Do we have _____ signal issue or _____ it _____?

_____ signal _____ affecting _____ channels or isolated _____ particular transponder?

_____ issues _____ or multiple-channel related.

Is _____ causing havoc, _____ channels acting up?
 _____ experience signal issues, or _____ there _____ transponder _____ causing the disruption?

Is this an isolated _____ signal _____ affect other _____?
 _____ signal _____ encompass multiple channels _____ it limited _____ a single _____?

Is the problem with _____ or _____ multiple channels?

Is _____ issue with all _____ channels or _____?

Is the signal _____ transmitter or the _____?
 _____ dealing _____ transponder related signal _____ or is it _____ multiple _____ as _____?

Is _____ issue related _____ a specific transponder, _____ is _____ channels?
 _____ you tell me _____ one transponder _____ my channels _____ messed?

Is _____ a _____ transponder or _____ channels?
 _____ or _____ channel _____ signal _____?
 _____ you tell _____ problem is one transponder _____ are messed with?

Does _____ to _____ targeted transmitter _____ or _____ stations?
 _____ signal issue affect _____ transponder, _____ is _____ not?

Is _____ signal _____ related _____ transponder or _____ it impacting _____ than _____ channel?
 _____ the signal _____ extend across _____ the _____ it _____ to _____ transponder?
 _____ it a _____ problem _____ affects _____ or _____ something specific?

The _____ problem could be _____ to a _____ many _____.
 _____ distinct channels have signal _____ or just _____?
 _____ signal issue _____ transponder only or _____?
 _____ the signal related _____ satcom _____ or does it _____ other _____?
 _____ signal _____ caused by one transponder _____ multiple _____.

Is this signal _____ or is it _____ many _____?

Does _____ signal _____ affect _____ or _____ the transmitter?
 _____ this only _____ issue _____ transponder _____ is it _____ multiple _____?

Is the _____ problem across multiple _____ to a single _____?
 _____ issue _____ transponder or _____ channels.

Is it affecting _____ channels _____ it related _____ a _____?
 _____ problem caused _____ one _____ or many?

Is poor signal _____ all _____ is _____ isolated _____ a particular _____?

Is _____ issue affecting _____ or _____ the _____?
 _____ multiple channels _____ it related to a specific _____?
 _____ relate to _____ alone _____ multiple stations in _____ reach?
 _____ related signal issue?

Is this _____ or the _____?

Does _____ problem _____ just _____ transponder?

Does _____ signal issue affect _____ specific transponder _____?
 _____ the issue affect _____ of _____ one transponder?
 _____ signal _____ one _____ and multiple channels?

Is the _____ due to _____ transponder _____ multiple _____?
 _____ signal problem _____ channels _____ is _____ limited _____ a specific transponder?

Is _____ problem caused _____ one _____?

The signal issue _____ be related to _____ specific _____ it _____ impacting _____.
 _____ problems related _____ a single transponder or are _____?

Is it _____ problem or multiple _____?

Does _____ signal affect _____?
 _____ channels affected by _____ signal _____ or is _____ isolated _____ transponder?
 _____ the _____ issue _____ specific transponder _____ or is _____ widespread?

The signal issue is _____ channels or _____.

Is the _____ a widespread _____?

Are _____ dealing with a _____ issue that _____?

We _____ this concern pertains _____ targeted line _____ if it _____ to _____ multiplexor sending _____.

_____ limited to _____ transponder or do _____ several channels _____ well?

_____ know _____ a _____ transponder is _____ havoc _____ if all _____ are acting _____.

_____ have _____ issues, _____ is there _____ individual transponder _____ disruption?

Does _____ signal malfunction affect _____?

Do _____ isolated transponder-related signal issue _____ it _____ other _____?

Can you _____ if _____ just one _____ or all _____ are messed?

Is _____ issue _____ one transponder _____ more _____ one?

Are _____ channels affected by the _____ signal quality _____?

Does poor _____ quality affect all channels _____ isolated _____ transponder?

Is a single _____ channels acting up?

_____ it _____ result of _____ transponder _____?

Maybe _____ problem _____ caused _____ transponder or multiple _____.

_____ you tell me if the _____ is _____ or _____ are _____?

_____ this issue _____ all _____ or _____ to _____ specific transponder?

Is _____ signal _____ related _____ a _____ or _____ channels?

Is the _____ to _____ or multiple channels?

Do different channels _____ signal _____ is _____ individual transponder _____ the _____?

Is _____ single _____ causing _____ is all _____ acting _____

_____ you _____ problem is _____ transponder or _____ channels are messed?

Is _____ different channels?

_____ signal _____ a single transponder _____ multiple channels?

Is _____ a particular transponder _____ all _____ by the _____ quality?

Is a single transponder causing _____ up?

Is the _____ problem _____ to a _____ or more _____.

_____ it _____ transponder-related _____ issue, _____ it affect multiple channels?

Was _____ signal _____ related _____ a transponder _____ channels?

_____ channels or _____ one transponder is _____.

Is _____ only _____ one _____ or is it affecting _____ one _____?

Are _____ or just _____ transponder?

Does _____ signal issue _____ one transponder, or _____ it affecting _____?

Does _____ many _____?

_____ is it _____ more _____ one?

_____ there a single transponder that _____ experiencing signal _____?

_____ to one transmitter alone or _____ multiple broadcasted _____?

_____ it _____ to a _____ transponder, _____ is _____ poor signal affecting _____?

Is signal failure _____?

Is there _____ widespread _____ failure?

Can _____ tell _____ if _____ a _____ or _____ channels are messed up?

_____ channels _____ this mess _____ specific transponders malfunctioning?

The _____ related to transponder _____ multiple- _____.

_____ isolated transponder-related _____ issue or is _____ related _____ multiple _____?

Is a _____ chaos _____ are all _____ acting up?

_____ concern correspond _____ transmitter or _____ broadcasted stations?

_____ many _____ are _____ the signal problem _____ transmitter?

_____ or multiple- _____ related _____?

_____ the signal issue affect a certain _____ is _____?

Do _____ signal problems or does _____ a single _____?

____ fault, ____ widespread channel ____?
 ____ the ____ or the transponder?
 Is ____ affecting ____ different ____?
 The signal ____ might be ____ to ____ transmitter ____ channels.
 Is ____ affecting ____ channels ____ a specific ____?
 ____ problem ____ multiple channels or is it ____ to ____ transponder?
 ____ the signal ____ affect ____ transponder?
 There ____ issue, transponder ____ related?
 ____ issue: ____ or multiple ____?
 Is ____ channels affected ____ poor signal ____ or ____ to a particular ____?
 ____ is ____ signal issue about ____ or multiple- ____.
 Is this affecting ____ channels ____ is it a ____?
 Are ____ signal ____ related to one ____ or ____?
 ____ this ____ linked to ____?
 Does the ____ extend across ____ just a specific ____?
 The problem ____ or ____?
 Is the ____ transponder or all my ____?
 Is ____ or is it only ____ transponder?
 signal issue: ____ or ____?
 Is ____ issue pertaining ____ specific ____?
 Are the transponder ____ outage?
 Is ____ all ____ or ____ it related ____ the transponder?
 Does ____ involve ____ broadcasted stations or just one ____?
 Does this ____ correspond ____ specific ____ or more ____ broadcasted ____?
 ____ any specific transponder malfunctioning, ____ is ____ affected by ____?
 Does an isolated ____ affect ____ channels as ____?
 ____ if ____ concern pertains to ____ targeted line or ____ it ____ linking ____ multiplexor.
 ____ a ____ transponder that ____ is there ____ than one transponder?
 Is it possible ____ all ____ this poor ____ quality?
 Are you messing ____ or disrupting a lot ____?
 ____ span multiple ____ or ____ it limited to a single ____?
 Does the signal ____ only ____ transponder ____ is ____?
 There might ____ fault or a widespread ____.
 Does the ____ issue ____ particular transponder, ____?
 Do different channels experience ____ or ____ there a ____ causing ____?
 Is it ____ a specific ____ or ____ it ____ other ____?
 Can ____ the problem is my transponder ____ my ____?
 Is signal ____ a ____ or is distinct ____ experiencing ____?
 ____ issue ____ all of the channels ____ transponder?
 Does ____ signal issue ____ anything to ____ with ____ channels?
 Is it ____ a ____ is it affecting all ____?
 ____ an ____ the faulty transmission ____ one transponder?
 ____ poor signal ____ all ____ is it ____ to a particular ____?
 Can ____ signal ____ multiple ____?
 Do ____ signal problems extend across many channels ____ transponder?
 Do these signal ____ a single transponder ____ affect several ____?
 Is ____ signal ____ caused by ____?
 ____ this ____ correspond to one ____ broadcasted stations overall?
 ____ problems ____ to ____ single ____ or ____ there distinct channels?
 ____ signal ____ might be ____ multiple-channel _____.

_____ problem _____ affect one transponder or _____ multiple channels?
 Do the signal _____ affect _____ they _____ many channels?
 _____ correspond _____ one specific transmitter _____ multiple _____ stations?
 Do _____ encounter signal _____ or is _____ transponder the _____ disruption?
 Is the signal _____ or a _____ of channels?
 Is it _____ transponder-related signal _____ multiple channels?
 _____ issue on a _____ many _____?
 _____ interference linked _____ transponder?
 What's _____ transponder or multiple-channel _____?
 Are distinct _____ problems or is _____ single _____?
 _____ faulty, _____ all channels affected by this _____?
 _____ there _____ involved in _____ trouble?
 Is _____ caused _____ one transponder _____ more _____ one?
 Is _____ just one transponder _____ affecting _____ channels?
 _____ signal issue _____ multiple- channel- _____.
 _____ signal _____ multiple channels?
 _____ a single transponder causing _____ are all _____ channels _____?
 _____ the _____ affect _____ channels _____ just one transponder?
 _____ the _____ problem be _____ a _____ or many _____?
 Does _____ concern _____ to one _____ or _____ than _____ station?
 _____ issue is transponder or _____.
 Does the signal problem _____ it _____ to _____ single transponder?
 Can _____ problem be _____ transponder _____ multiple channels?
 _____ this _____ all the channels or _____?
 _____ any specific _____ malfunctioning, _____ channels affected?
 _____ transponder cause _____ are all channels _____ up?
 Is _____ specific transponder _____ all _____?
 _____ the signal _____ only _____ to _____ or _____ it impacting multiple _____?
 Does _____ single transponder affect _____?
 _____ failure connected to _____ single _____?
 _____ isolated _____ issue _____ multiple channels?
 _____ signal problem caused _____ one transponder _____?
 _____ the _____ issue affecting only _____ is _____ widespread?
 _____ to one _____ or _____ it affecting multiple channels?
 The _____ on _____ many channels.
 _____ was a _____ problem _____ the transmitter or _____.
 _____ the _____ affected _____ the channels or _____ related to _____ transponder?
 Is the _____ a specific transponder _____ affecting more _____ one channel?
 There _____ a _____ problem, _____ it bound _____ particular _____ or affecting _____?
 Are _____ quality or isolated to one transponder?
 _____ signal _____ multiple channels _____ is it _____ to a transponder?
 I _____ to _____ the problem _____ one transponder or _____ my _____ are _____.
 _____ the signal _____ related _____ a specific _____ channels?
 Is it because _____ or _____?
 Which _____ affected _____ mess and which _____ is _____?
 _____ is _____ transponder _____ multiple channel.
 _____ all channels acting _____ single _____ causing havoc?
 Does _____ problem _____ multiple _____ or _____ limited to _____ specific transponder?
 _____ the signal _____ or _____ it limited to a _____?
 Is the _____ issue _____ to a _____ or _____ affecting more than _____?

_____ transmission disrupt channels _____ the _____ time?
 _____ poor _____ affects all channels, _____ it isolated to a _____ .
 _____ affected by the issue?
 Is _____ related to _____ transponder or is _____ channels?
 Are the _____ to a _____ transponder _____ multiple _____ ?
 Does the _____ issue affect _____ or is _____ affecting _____ one _____ ?
 _____ affecting all _____ channels _____ is _____ to a particular transponder?
 _____ we have an _____ transponder related _____ issue, _____ it _____ multiple _____ ?
 Does _____ problem affect multiple channels _____ transponder?
 _____ signal failure tied _____ ?
 _____ issue related _____ a transponder _____ more than _____ ?
 Multiple _____ or one transponder _____ the _____ ?
 Is there an _____ or different _____ signal issues?
 _____ the signal issue _____ transponder, or _____ widespread?
 Is a _____ transponder _____ trouble, _____ the _____ acting up?
 Can you _____ if _____ is _____ transponder or _____ my channels _____ not _____ ?
 _____ the signal issue for one _____ ?
 Can you _____ if the problem is _____ or _____ my channels _____ ?
 _____ this _____ problem only _____ one transponder _____ is it _____ channel?
 Are the _____ limited _____ one _____ or _____ impact more _____ one _____ ?
 Is the _____ problem affecting many channels, _____ ?
 _____ the signal _____ across multiple _____ it limited _____ specific transponder?
 _____ transponders faulty or _____ all _____ by this _____ ?
 _____ this signal _____ multiple _____ ?
 Is _____ signal _____ related _____ a _____ or _____ affecting _____ channels?
 _____ to _____ transponder or all _____ channels?
 Is _____ single transponder causing _____ or is all _____ ?
 _____ this an issue affecting all _____ channels _____ a _____ ?
 Is the _____ related _____ transponder _____ the _____ ?
 _____ problem might _____ caused by a _____ transponder or _____ .
 _____ signal issue related _____ a _____ transponder or was _____ impacting _____ ?
 _____ the _____ issue caused by _____ more?
 _____ the _____ problem extend across _____ number _____ channels _____ to a transponder?
 _____ this _____ affecting one transponder or multiple _____ ?
 _____ it _____ different channels?
 Does _____ problem _____ multiple _____ or _____ limited to _____ single transponder?
 Is the signal _____ just one transponder?
 Are _____ signal _____ one _____ or _____ they affect _____ channels?
 _____ the _____ only related to one _____ is _____ affecting _____ ?
 Is this signal _____ transponder _____ is _____ affecting _____ channels?
 _____ this signal _____ caused by _____ ?
 _____ the problem _____ transponder or multiple channels?
 _____ this _____ caused by one _____ or _____ ?
 _____ the _____ transmission _____ to a _____ transponder or _____ ?
 Is this _____ caused _____ one _____ channels?
 Does the signal _____ channels or _____ one _____ ?
 Are _____ one _____ or _____ channels here?
 Do _____ channels encounter _____ is it _____ individual transponder causing _____ ?
 Is _____ an isolated transponder-related signal _____ that _____ ?
 _____ any specific transponders faulty _____ ?

Is _____ specific problem with _____ transmitter _____ many _____?

Is _____ affecting all _____ or is _____ to _____?

_____ signal _____ related to a specific transponder _____ impacting _____ channels?

_____ encounter _____ issues, or is there _____ individual transponder causing _____?

Is _____ a _____ problem _____ with one _____ multiple _____?

There _____ a _____ problem, _____ many channels _____.

_____ this _____ related to _____ transmitter alone _____ multiple _____?

_____ you _____ if the problem is one _____ of _____ are messed _____?

Is _____ individual _____ that _____ the disruption, _____ do different _____ have _____?

Many channels _____ the signal _____ transmitter.

_____ problems related _____ a _____ or _____ distinct channels experiencing _____?

_____ channels _____ just one transponder _____ causing _____ problem

Is _____ affected _____ the signal _____?

Do _____ know if _____ is a single _____ my channels _____ working?

_____ you tell me _____ problem _____ transponder or all _____ malfunctioning?

Is _____ affecting _____ channels or _____ to a specific _____?

Does _____ signals affect more _____?

There _____ a _____ a _____ fault _____ widespread _____ outage.

Is the _____ with _____ or is it _____ multiple _____?

_____ all _____ impacted, or _____ transponder?

Is this _____ affecting _____ one _____?

Is _____ signal _____ to _____ is it affecting _____ channels?

Is _____ issue _____ to a specific _____ affecting many channels?

_____ limited to a _____ transponder or is it _____?

Is the _____ one _____ it impacting multiple channels?

Is it _____ to a _____ or _____ channels _____ signal _____?

_____ the signal issue _____ only one _____ is _____?

Is this _____ all _____ a specific _____?

_____ fault, _____ widespread _____ outage?

_____ you _____ problem is one transponder _____ my channels?

Do _____ encounter signal _____ or is _____ transponder to _____?

_____ correspond _____ a single transmitter _____ broadcasted stations?

Is _____ a _____ fault _____ widespread _____.

_____ related _____ a _____ or multiple channels?

Does the _____ channels?

The signal _____ multiple channels _____.

_____ signal problem _____ specific to _____ transmitter _____ many _____

_____ all channels _____ is this related to a _____?

_____ the issues _____ to just one _____ all _____?

_____ problem connected _____ one transponder?

_____ issue or is _____ multiple channels as well?

Is _____ problem limited _____ one transponder _____ is _____?

_____ a _____ transmission _____ a single _____?

_____ the problem is just one _____ all my channels _____.

Is it _____ signal issue _____ it affect other _____?

_____ the signal issue relate to _____ is it _____ more than _____?

_____ this _____ all the _____ related to a specific _____?

_____ it affecting _____ channels or _____ it related _____ transponder?

_____ it _____ all _____ channels or related _____ transponder?

Does _____ concern _____ to one _____ or to multiple _____ stations _____?

Does the _____ across multiple _____ is it restricted _____ transponder?
 _____ channels or _____ transponder _____ the _____ problem.
 _____ a signal problem _____ the _____ or _____ channels.
 Is _____ all channels _____ it _____ to _____ transponder?
 _____ the _____ issues related _____ a _____ transponder or are _____ multiple _____?
 _____ the _____ issue limited to _____ single transponder or _____?
 Are the _____ to _____ transponder, or do _____ other _____ as _____?
 _____ is a signal _____ transponder, is it _____ channels?
 _____ is transponders or multiple-channel _____.
 Is _____ transponder that is _____ signal _____ is it separate _____?
 Is there _____ causing _____ or are all _____ acting _____?
 _____ concern pertain to _____ alone _____ multiple broadcasted _____ in _____ reach?
 Does this _____ to _____ transmitter _____ or multiple broadcasted _____?
 _____ the _____ problem _____ multiple channels _____ is it limited _____ transponder?
 _____ troubles linked to _____ transponder?
 _____ relate to one transmitter alone or _____ stations _____ its _____?
 Does this signal _____?
 _____ signal _____ include multiple _____ or _____ limited to _____ transponder?
 _____ different channels?
 There _____ one transponder causing _____ signal problem.
 _____ the _____ affect _____ transponder?
 The _____ problem _____ be _____ a _____ or it _____ be _____ many channels.
 _____ there _____ transmission _____ or _____ outage?
 Are _____ channels affected _____ the _____ signal _____ or is _____ to _____ particular _____?
 _____ this problem _____ a single transponder _____ multiple _____?
 Does _____ impact more _____ channel?
 _____ distinct _____ signal _____ or is it related _____ transponder?
 _____ signal _____ by one _____ or transponder?
 _____ like _____ know if _____ problem _____ one _____ all _____ channels are malfunctioning.
 _____ transponder or _____ channels?
 _____ all _____ by _____ poor _____ quality _____ is _____ isolated to _____ transponder?
 Does signal _____ one _____?
 Do _____ if the _____ is a transponder _____ my channels _____?
 Is this _____ to one transponder _____ channels?
 Is _____ signal _____ affecting _____ transponder or is _____?
 Do _____ know _____ the _____ is one _____ all _____ channels _____ up?
 _____ the _____ problem _____ all _____ or just _____ transmitter?
 _____ signal issue: transponder _____?
 Is _____ issue _____ to one transponder, _____ it _____ channels?
 _____ isolated to a _____ or is _____ affecting all _____?
 Did the signal _____?
 Is _____ problem related to a specific _____ channel?
 The _____ related to transponder _____.
 Does _____ affect _____ one channel?
 _____ poor signal quality affect all _____ or is it _____?
 _____ the _____ related to a transmitter or _____?
 Is this _____ the _____ or is _____ to _____?
 _____ issues _____ to a single transponder _____ are _____ distinct _____?
 _____ or multiple-channel _____ issue?
 _____ it a _____ a transmitter _____ many channels?

Does the ____ transmission ____ multiple ____ at ____ time?

This ____ problem may be related ____ device ____ may affect ____ .

____ problem with ____ multiple channels?

____ the ____ by one ____ many channels?

Does ____ impact multiple ____?

Does ____ signaling concern correspond to ____ multiple ____ stations in ____ reach?

____ signal failure related ____ transmitter ____ many ____?

____ this poor ____ quality ____ channels, ____ isolated to a ____ transponder?

Are ____ problems ____ to just one transponder ____ do they ____?

____ multi-channel related?

What ____ channels ____ by ____ mess?

Is the ____ by an ____ transponder ____ by a ____?

Many ____ by ____ signal problem ____ transmitter.

Is the issue related ____ multiple ____?

____ signal ____ several channels as well as ____ transponder?

Are ____ channels ____ poor ____ or isolated to ____ transponder?

____ any specific transponder ____ or ____ channels ____ by ____ mess?

____ problem is ____ either ____ channels or just ____ transponder.

Is ____ affecting ____ the ____ the ____ transponder?

____ it ____ single transponder ____ the channels ____ experiencing ____ problems ____?

____ the signal ____ caused by one ____ channels?

____ single transponder or are there distinct channels?

Are ____ channels ____ the poor ____ isolated to a ____ transponder?

____ a ____ havoc ____ all the channels acting up?

Is signal ____ tied to ____ channels?

Is ____ causes signal ____ or are there separate ____?

____ problem ____ caused ____ transponder or multiple channels?

____ a ____ or a ____ channel breakdown?

____ affects ____ channels or ____ it isolated to a ____?

____ the ____ multiple channels or is ____ limited ____ a ____ transponder?

Does the signal ____ or is it ____ to a ____?

The signal issue ____ related ____ specific transponder or ____ affecting ____

____ multiple-Channel-related signal ____?

Do ____ know ____ the ____ one ____ or all ____ channels ____ up.

Does the ____ affect ____ single ____?

____ know ____ the ____ is a ____ transponder ____ if all my channels ____?

A ____ transponder ____ channel-related?

____ tied to a single ____?

Does ____ transponder issue ____ multiple ____?

Is ____ with ____ one transponder ____ multiple ____?

____ any ____ transponder ____ or all ____ the mess?

____ all the channels ____ this related to a ____?

Does ____ signal problem ____ many ____ it limited ____ particular transponder?

____ signal problem limited ____ transponder, ____ is ____ affecting multiple ____?

____ single ____ the signal problem?

Is ____ problem ____ with one transponder, or is ____?

____ all ____ by this mess or specific ____?

____ channels ____ up or is ____ a single ____?

____ signal problem spread across ____ or ____ to a ____ transponder?

____ the signal ____ channels?

There _____ signal problem, _____ it _____ channels?

Is _____ a transmitter _____ several channels?

_____ concern correspond _____ one _____ multiple broadcasted stations _____ its reach?

_____ there a single transponder _____ disruption or _____ channels experience _____?

Specific transmission _____ be limited to _____ single _____.

_____ this _____ linked to _____ single _____?

_____ affect _____ different channels?

Is the _____ with _____ transponder _____ or is _____ channels?

_____ all _____ by _____ mess or just _____ transponder faulty?

Does the _____ affect _____ my channels?

_____ the _____ apply to multiple _____ or _____ it limited _____ a _____?

_____ this _____ correspond to one specific _____ broadcasted stations _____ its _____?

_____ a _____ transponder _____ or _____ channels acting up?

There was _____ or _____ outage.

The signal _____ multiple-channel-related.

transponder _____ issue?

_____ if this _____ concern _____ related _____ one targeted line _____ if _____ linked _____ each multiplexor.

Do _____ the _____ transponder or _____ channels are messed up?

Does _____ concern _____ multiple broadcasted _____ or a _____ transmitter?

_____ signal _____ or is there an _____ transponder causing the _____?

_____ association exist between _____ transmission _____ a single _____?

Do _____ affect _____ single transponder?

_____ problems _____ affect one transponder _____ do _____ affect other _____?

Is the faulty transmission _____ single transponder _____?

_____ affects a _____ transponder, but is _____ widespread?

The _____ problem is _____ transmitter or _____.

I _____ to know _____ the problem is _____ transponder _____ my _____ up.

_____ problem _____ transmitter or many channels?

_____ the _____ extend across different channels _____ to a transponder?

_____ the signal issue connected to _____ or _____ it _____ channels?

_____ single transponder causing _____ or are all channels _____?

Is this _____ to _____ transmitter alone _____ multiple _____ stations?

_____ signal may be _____ to transponder _____.

_____ signal _____ to a _____ many channels?

_____ this _____ specific transponder _____ channels affected?

_____ all _____ acting up or _____ it a _____ havoc?

Are _____ my _____ by the _____ or just _____ specific _____?

_____ the signal _____ channels _____ is it _____ to _____ transponder?

_____ you tell me if the problem _____ a _____ channels _____?

Is this _____ caused by a _____ channels?

Are we dealing with an _____ it affecting multiple _____?

Do the _____ problem _____ across _____ channels or _____ it _____ transponder?

Does the _____ reach across multiple _____ a single transponder?

_____ this _____ transponder-related issue or _____ it _____ multiple _____?

Is the _____ only with _____ or _____ it _____ channels?

Is _____ a single _____ causing trouble or is _____?

_____ signal _____ limited _____ a _____ or _____ it across multiple channels?

Does _____ signal problem _____ different channels or _____ it _____ specific _____?

Is _____ problem only affecting one _____ affecting multiple _____?

_____ the _____ transponder, or multiple channels?

_____ failure _____ a transmitter?
 _____ an isolated transponder _____ issue or _____ affect _____ channels?
 Is _____ affecting _____ channels _____ transponder?
 _____ it _____ all _____ channels or _____ it related to _____ ?
 _____ is _____ transponder fault, _____ widespread channel _____.
 _____ failure _____ be tied to _____ and several _____.
 Are any _____ this mess or _____ any _____ transponders?
 _____ you _____ problem _____ only one _____ all my channels _____ broken?
 _____ the _____ issue _____ a _____ transponder or a lot _____ ?
 Specific _____ problems are not _____ to any _____
 Is the disruption _____ by an _____ channels _____ issues?
 _____ the _____ issue _____ transponder or is it widespread?
 Is this _____ one transponder _____ it affecting _____ channels?
 _____ transponder that isExperiencing _____ problems?
 _____ fault _____ widespread channel outage is _____.
 _____ affected by poor signal _____ or is it _____ transponder?
 _____ signal problem affect _____ single _____ ?
 Does the _____ to one _____ or _____ channels?
 _____ the issue _____ channels?
 _____ the issue affect just one _____ all _____ ?
 _____ the _____ problem go _____ is it limited to _____ transponder?
 Is _____ signal _____ affecting all channels or _____ ?
 _____ these signal _____ one transponder, or do _____ affect _____ channels?
 _____ poor signal quality affects all _____ or _____ it _____ particular _____ ?
 Is _____ issue related _____ specific _____ ?
 Is _____ a single transponder or _____ channels?
 Was _____ affecting more _____ one _____ ?
 _____ could _____ caused by one transponder _____ channels.
 Does _____ signal _____ transponder _____ is it affecting _____ channels?
 Is _____ transponder or _____ channels?
 Is _____ signal _____ to a _____ ?
 _____ by this poor signal _____ or is it _____ a _____ ?
 Is _____ problem caused by _____ ?
 _____ the signal issue _____ specific _____ only or _____ ?
 Is _____ a single transponder that _____ causing _____ problems _____ there _____ ?
 Is _____ single transponder causing havoc _____ the _____ acting _____ ?
 Are these signal _____ transponder or _____ they _____ several channels _____ ?
 _____ issue _____ multiple- Channel related.
 _____ a _____ transponder, _____ is it affecting all the _____ ?
 _____ the _____ problem affect a _____ ?
 _____ a _____ causing _____ are all _____ channels acting up?
 _____ matter _____ multiple channels?
 _____ is a signal _____ that _____ be bound to _____ or _____ many _____.
 _____ channels impacted by _____ problem _____
 _____ the _____ just one _____ or all _____ impacted?
 Is _____ signal issue _____ to _____ transponder _____ channels.
 Does this issue affect all _____ or _____ this _____ specific _____ ?
 _____ the signal _____ a _____ or is it _____ ?
 _____ single transponder cause _____ are all channels _____ ?
 _____ signal issue with _____ multiple-channel _____ ?

_____ trouble linked _____ transponder?

Was _____ to a transponder?

_____ affect _____ specific transponder?

_____ signal _____ extend _____ multiple _____ only to _____ specific transponder?

Does _____ concern _____ to _____ or _____ broadcasted station in its reach?

Is _____ signal _____ caused by more _____ one _____?

Are all _____ this _____ quality or just one _____?

_____ the _____ interfering with other channels or is _____ receiver?

_____ all my _____ impacted by _____ issue, _____ transponder?

Do _____ affect _____ channels _____ just _____?

_____ signal _____ related to a _____ or multiple _____?

Is the _____ by _____ transponder or _____?

Is the _____ problem _____ one _____ or _____ it affecting _____?

_____ a single _____ that _____ disruption, or _____ different channels _____ signal _____?

_____ these signal _____ to one transponder _____ do _____ several _____?

_____ face signal _____ or is there an _____?

_____ failure could be tied to _____ channels.

_____ failure associated _____ one _____?

_____ concern correspond _____ a single target transmitter _____ one _____ station?

_____ signal problem _____ a transmitter?

Is _____ transponder _____ all channels _____ by _____ mess?

_____ a single transponder _____ problems _____ are channels _____?

_____ problem _____ caused _____ multiple channels or just one _____.

_____ this signal _____ a transponder?

Does the _____ across many channels or is _____ a _____?

The signal _____ can _____ seen _____ channels or it can only _____.

_____ different _____ experience _____ or _____ there a _____ transponder causing the _____?

_____ failure _____ be tied _____ transmitter, _____ channels.

Is _____ the result of a _____ or _____?

_____ failure _____ linked to one _____ several _____

_____ to know _____ problem is just _____ or _____ my _____ are screwed.

Does _____ faulty _____ disrupt _____ channels _____ the _____ time?

_____ issue about _____ specific transponder, or _____ my _____?

_____ have an effect _____ channels?

_____ this _____ quality _____ all _____ is it isolated to _____ transponder?

Is a single transponder _____ turmoil _____ are _____?

Is the _____ linked _____?

A signal _____ is caused _____ channels _____ transponder.

_____ this _____ problem caused by _____ channels or _____?

_____ there _____ transponders or _____ affected _____ this mess?

Is _____ signal _____ affecting _____ channels _____ a specific _____?

_____ there _____ one channels _____ by the _____?

There _____ a _____ fault _____ widespread channel _____.

_____ concern _____ transmitter alone or multiple broadcasted _____?

Do _____ signal _____ affect more than _____ or _____ they _____ one?

The signal _____ may _____ by _____ or one _____.

_____ about specific _____ or _____ channels _____?

Will _____ affect _____ channels?

_____ all channels _____ by _____ signal quality or _____ to a _____ transponder?

Are _____ problems limited _____ or _____ they affect other _____?

Are all _____ affected _____ this _____ signal quality or _____ to _____ ?

_____ signal problems _____ more _____ transponder, or just _____ ?

Is the issue _____ or _____ ?

_____ the _____ up, _____ a single transponder causing _____ ?

transponder- _____ related _____ issue

Is _____ channels _____ is _____ related to one transponder?

I _____ to _____ problem is one transponder or _____ are _____ .

Is signal _____ to a single _____ or _____ channels _____ ?

Do _____ have _____ related signal _____ do it _____ multiple channels?

Do the signal issues _____ transponder _____ multiple _____ ?

_____ signal _____ related to one _____ ?

Is _____ single transponder causing _____ disruption _____ channels _____ signal _____ ?

_____ the signal issue _____ transponder.

Is _____ problem only with one _____ or _____ ?

_____ have _____ issues _____ an individual transponder _____ the disruption?

_____ of _____ impacted or just one _____ ?

Are _____ than one channel _____ ?

Does _____ to just _____ transponder or _____ channels?

_____ the signal problems _____ more _____ or _____ they _____ one transponder?

_____ affecting all _____ is this related to a _____ ?

_____ these _____ channels as well, or _____ they _____ one transponder?

Is _____ signal _____ multiple channels, _____ is it _____ one _____ ?

Are all _____ this _____ a specific transponder _____ ?

_____ these _____ only affect one transponder, or _____ they _____ ?

_____ transmission issues _____ limited to _____ channel _____ .

Are the channels _____ this poor _____ to _____ transponder?

_____ this problem _____ by _____ or _____ channels?

Does _____ affect _____ channels?

Does this concern correspond _____ transmitter _____ broadcasted stations _____ its _____ ?

_____ the signal _____ or specific to a transmitter?

_____ poor _____ quality affecting all channels, _____ is it _____ to _____ ?

_____ widespread channel problem?

_____ signal trouble _____ to _____ ?

Is this signal problem only _____ is _____ channels?

_____ poor _____ quality isolated _____ a particular _____ or _____ channels?

Can _____ problem _____ multiple channels _____ is it _____ a single transponder?

_____ problems or only a single transponder?

Can _____ tell _____ problem _____ one transponder _____ all my _____ are _____ up?

The poor _____ quality _____ all _____ is it _____ to _____ ?

_____ only with _____ transponder, _____ it affecting other channels?

Is _____ issues related _____ single transponder or _____ channels?

_____ or _____ related _____ issues?

_____ just one _____ what is causing the _____ problem.

_____ the signal _____ it _____ to a particular transponder?

Does _____ signal _____ more than _____ ?

The signal _____ caused by _____ multiple channels?

signal _____ be tied to one _____ multiple _____

_____ the _____ by _____ individual _____ or by a group _____ different _____ ?

_____ the signal problem limited _____ a particular _____ widespread?

_____ issue related to _____ transponder _____ it impacting _____ channels?

Is _____ by a single transponder _____ channels?

Is _____ related _____ a specific transponder _____ channels?

_____ linked to _____ transponder?

Do you know if _____ problem _____ one _____ all _____ messed?

Is _____ failure _____ one _____?

_____ fault or _____ failure?

_____ signal is related to transponder _____ channel.

_____ all _____ this _____ any particular transponder malfunctioning?

Do the signal _____ channels or _____ one _____?

Is _____ with one transponder _____ channels?

_____ have signal _____ there a _____ transponder causing the disruption?

Does it _____ to _____ alone _____ stations in its reach?

_____ affecting _____ number of different _____?

_____ transmitter _____ many channels?

_____ the _____ issue _____ individual transponder _____ it widespread?

_____ only a problem with _____ transponder, _____ affecting _____ channels?

Do _____ channels _____ signal _____ individual _____ that is causing the disruption?

_____ signal failure related _____ and _____?

Are _____ signal problems limited _____ or _____ affect many _____?

Is it _____ all channels _____?

_____ the problem _____ the _____ many channels?

_____ channels have _____ an individual _____ the cause _____ the disruption?

_____ the _____ be multiple-channel _____?

Is signal _____ transmitter and _____ channels?

_____ this _____ problem _____ more than _____?

_____ might be a _____ widespread _____ failure.

Is _____ an _____ transponder _____ causes _____ different _____ having signal issues?

_____ signal problems _____ or a single transponder?

Are _____ up one _____ disrupting _____ of channels?

Does the _____ affect _____?

signal _____ be _____ one transmitter, _____ channels.

Does the _____ channels?

_____ the signal issue related to _____ or _____ than _____?

Is _____ affecting _____ the _____ or is this related _____?

_____ faulty or are all _____ affected by the _____?

Is _____ transponder _____ widespread channel _____?

_____ transmitter or _____ channels _____ a _____.

_____ it isolated _____ signal issue or does _____?

Does the _____ problem encompass _____ it limited to _____?

Do different _____ encounter _____ an _____ cause of the disruption?

_____ experience signal problems or are _____ related _____ a _____?

_____ don't know _____ concern _____ one target line or if it _____ to _____ multiplexor.

Are _____ affecting many _____ specific _____ a transmitter?

_____ these signal problems affect other _____ or _____?

Is it _____ one?

_____ the signals _____ channels or _____ specific _____ a transmitter?

We don't _____ signaling concern only _____ to _____ or if it's linked _____ multiplexor.

Do these _____ problems affect _____ one _____ or _____ affect _____ channels?

Is _____ transponder causing the _____ or _____ channels _____ signal _____?

_____ signal problems affect more than _____ are they _____ one?

_____ all channels affected _____ signal?
 _____ the signal problem caused _____?
 _____ problem caused by _____ or _____ one transponder?
 We don't know if _____ is _____ to _____ line _____ if it's related to _____.
 Does this _____ broadcasted stations in _____ reach _____ targeted _____ alone?
 Is _____ caused by an _____ by different _____?
 _____ it _____ or one transponder?
 signal _____ linked _____ one transmitter, _____ channels
 _____ single _____ causing commotion, or are _____ up?
 _____ an issue _____ the channels _____ it related _____ a transponder?
 _____ is _____ to a specific transponder or it _____ impacting more _____.
 _____ it _____ channels, _____ one transponder?
 _____ this signal _____ affecting _____ a single transceiver?
 This _____ caused _____ one transponder or _____ channels
 _____ the _____ issue _____ a _____ transponder?
 _____ a signal _____ with multiple _____ one transponder.
 Is the _____ specific transponder _____ or not?
 Does _____ affect only a _____ is it _____?
 _____ signal _____ is _____ or _____ related.
 Transponder or _____?
 Do _____ only affect _____ transponder, _____ they impact more _____ one?
 _____ problem linked _____ transponder?
 _____ different _____ encounter signal issues _____ is an _____ the _____?
 _____ the _____ problem _____ one transponder _____ affecting multiple channels?
 _____ signal _____ only one _____ or _____ it impacting _____ channels?
 _____ signal related to _____ or more _____ one?
 Is _____ channels?
 _____ affecting _____ channels or _____ specific transponder?
 _____ or _____ channel _____?
 Is this issue affecting _____ a _____ transponder?
 _____ channels _____ signal _____ is there only one _____?
 Is _____ linked _____ transponders?
 _____ isolated to a transponder _____ is _____ poor _____ all _____?
 _____ signal _____ only for one _____ or is _____ affecting _____?
 Do _____ think _____ is _____ transponder fault or _____?
 _____ you _____ the problem is a _____ or all _____ channels _____?
 What _____ the _____ channels _____?
 Is _____ single _____ causing problems, _____ the _____ up?
 Is the _____ related _____ a _____ or _____ channels?
 _____ one transponder, or all my channels?
 _____ only _____ one transponder, or _____ it affecting _____ channels?
 Is _____ a _____ transponder that _____ disruption _____ channels _____ encounter signal _____?
 _____ signal impact _____ channels?
 _____ it _____ a single transponder _____ a _____ channel?
 _____ you know if _____ is a transponder _____ my channels _____?
 The signal _____ might _____ transponder _____.
 Are _____ channels _____ by _____ poor _____ or _____ to a _____ transponder?
 Does the _____ specific _____?
 There _____ signal _____ caused by _____ or _____ channels.
 Is _____ problem only with _____ transponder _____ affecting _____ channels?

_____ signal problem _____ channels _____?

Is _____ affecting _____ the _____ or is _____ related _____ a _____ transponder?

There _____ a _____ about _____ or _____ channel outage.

_____ issue is _____ or multiple-channel _____?

Do the signal problems only _____ one _____ several _____?

There _____ transponder _____ multiple- channel related?

Is _____ signal problem _____ by more than _____?

Do different channels have signal _____ is there _____ disruption?

_____ transponder causing havoc, _____ are _____ acting up?

Does this concern _____ to one _____ alone or _____ stations _____?

Is _____ faulty or is _____?

Are _____ signal _____ limited _____ one transponder, _____ they affect _____?

Is _____ signal issue _____ transponder, _____ it affecting multiple _____?

_____ the _____ affect _____ specific transponder _____ not?

_____ or _____ related _____?

Do different channels have _____ is there _____ that is _____ the _____?

Do _____ have signal _____?

_____ a _____ transponder or all my channels?

_____ the signal problem stretch _____ or is it _____ specific _____?

_____ affected by this _____ signal quality or only _____?

_____ different _____ have _____ issues, _____ is there an _____ causing _____?

Is the signal issue _____ one _____ affecting multiple _____?

Is it _____ one transponder _____ of my _____?

_____ you _____ the problem _____ one _____ or all of my _____ malfunctioning?

Does _____ problem affect _____ it only one transponder?

_____ the _____ signal _____ all channels, or just _____?

There _____ possibility _____ a transponder _____ or _____ channel _____.

_____ the signal affecting _____ than _____?

_____ the _____ multiple channels?

_____ disruption _____ a _____ transponder or _____ different channels?

_____ the signal _____ extend to _____ channels or is _____ limited _____?

Is _____ affecting all _____ or only one _____?

Is _____ issue _____ by _____ transponder or _____ channels?

Is _____ channels affected _____ mess _____ any specific _____?

Is _____ linked _____ the _____?

Are _____ my _____ affected _____ just _____?

_____ this signaling concern involve _____ or _____ one targeted _____?

Is the signal _____ transponder, _____ is _____ impacting _____ channels?

_____ issue is transponder- _____.

Is the _____ a _____ for a _____?

Do different _____ issues, _____ there _____ single transponder _____ the disruption?

_____ is either _____ transponder _____ a widespread channel _____.

Do different _____ signal issues _____ disruption caused by an _____?

_____ is a signal _____ bound to _____ transceiver?

_____ affected by this poor signal quality, _____ only _____?

The _____ problem is caused _____ or many _____.

Are _____ limited to one _____ or do they _____ well?

Am _____ channels _____ issue?

_____ affect _____ one transponder or _____ of _____ channels?

_____ there an association _____ transmission and _____ single _____?

_____ the problem caused by _____ single _____ than _____?
 _____ signal failure related _____ transmitter _____ channels?
 _____ a _____ transponder causing the _____ is there more _____ one _____?
 _____ is a signal problem _____ may _____ by one _____ or _____.
 _____ if the _____ just _____ transponder _____ if all my channels are _____.
 _____ malfunction _____ one transmitter?
 There may _____ transponder fault _____ widespread _____ problem.
 Do the signal problems _____ channels or _____?
 Is _____ signal problem only with a _____ it affecting _____?
 _____ signal problem _____ issue for a _____?
 _____ related to the transponder?
 There _____ either a transponder _____ or a _____.
 _____ this _____ problems _____ by _____ transponder or _____ channels?
 _____ just _____ transponder or is it _____ my channels?
 Does the signal _____ or _____ one transponder?
 _____ problem affecting a lot of _____ or _____ a _____?
 _____ the _____ problem _____ the transmitter _____ channels?
 Are _____ messing up one _____ a _____ channels?
 _____ the _____ to a _____ more than one?
 _____ this _____ problem _____ one transponder or _____ many channels?
 _____ the _____ problem affect just _____?
 _____ channels are affected _____ mess, _____ there any specific _____?
 Is there an isolated transponder _____ affecting multiple _____ well?
 _____ signal _____ by _____ or more transponders?
 _____ channels affected _____ mess, _____ any specific transponder _____?
 _____ single _____ causing _____ is all _____ acting up?
 _____ there a transponder _____ a _____ malfunction?
 _____ signal affect _____ channels?
 Do you _____ if _____ is _____ all of my _____ messed?
 A _____ caused by one _____ multiple channels.
 All channels _____ affected by this _____ faulty?
 _____ there _____ signal _____ transponder or multiple channels?
 _____ signal _____ transponder- or _____ related?
 _____ there an issue _____ all the _____ specific _____?
 _____ the _____ a _____ or _____ my channels messed _____?
 Is the signal _____ to _____ transponder _____ multiple _____?
 Are _____ signal _____ one transponder?
 Does _____ concern _____ to one _____ or _____ broadcasted _____?
 _____ channels have _____ issue?
 Is _____ only with a single transponder _____ other _____?
 _____ you know _____ is _____ transponder _____ all my channels _____ up?
 Does the _____ affect a _____?
 Multiple _____ or _____ the signal problem.
 _____ the issue concern _____ transponder or all _____?
 _____ related _____ transponder or more than one?
 Are these _____ problems _____ one transponder, or _____ many _____?
 Do _____ if the _____ is a _____ all of my _____ are _____?
 Is this _____ signal _____ affecting _____ channels or _____?
 _____ signal _____ affect _____ transponder, _____ do they affect many _____?
 _____ issue _____ particular _____ or is it pervasive?

The _____ is _____ to _____ specific _____ or it is _____ multiple _____.

Is signal _____ to a single _____ or is _____?

Is _____ related _____ or _____ of my channels?

Does _____ than one _____?

_____ or multiple- _____?

Does _____ correspond to one _____ alone _____ multiple broadcasted _____?

_____ this signaling _____ correspond _____ one _____ alone _____ multiple _____ stations _____?

_____ the signal _____ with _____ transponder _____ more than _____?

_____ signal _____ specific transponder, _____ is it widespread?

_____ the _____ problems affect _____ or are they restricted _____ one _____?

_____ issue _____ all _____ channels _____ is it _____ to a specific _____?

_____ different channels have _____ individual transponder causing it?

_____ this _____ caused by one _____ multiple channels?

_____ any transponder _____ or is _____ the mess?

Does _____ signal _____ affect the _____?

Is a single _____ causing _____ or _____ channels acting _____?

_____ signal weakness tied _____?

_____ the _____ issues related _____ particular transponder _____ multiple _____?

Is _____ an issue _____ channels _____ a specific _____?

_____ this _____ problem only one transponder or _____ it _____?

_____ may _____ transmission fault, or _____ channel outage.

_____ we dealing with _____ isolated _____ issue, _____ is it affecting _____?

_____ it _____ to one transmitter _____ multiple _____ stations _____ its _____?

_____ be _____ a particular satcom _____ or _____ might be interfering with _____.

_____ tell _____ the problem _____ one transponder _____ my _____ are broken?

_____ is _____ the transponder _____ a widespread channel _____.

Is it _____ that is _____ signal _____ or is it _____?

_____ channels affected by _____ mess or _____ faulty?

_____ the problem just _____ transponder or _____ my channels _____?

_____ these signal _____ affect _____ one _____ they restricted to _____ transponder?

Is _____ disruption caused _____ an individual _____ have signal issues?

_____ affecting _____ the channels, is it related _____ transponder?

_____ there an _____ transponder _____ causes the _____ or is _____?

Is any _____ all _____ affected _____ the mess?

Do different _____ issues or _____ individual _____?

Are _____ signal _____ to a _____ transponder, _____ do _____ affect many _____?

Is there _____ transponder fault _____?

Is any _____ faulty _____ all channels affected _____?

Was _____ association _____ the faulty _____ a single _____?

_____ the _____ one transponder, or _____ it affecting _____ channels?

_____ affected by _____ issue?

_____ signal _____ multiple channels or is it _____ to a _____?

We don't know _____ signaling concern is _____ OFFLINE _____ if _____ linked to _____ multiplexor.

_____ all _____ affected by the _____ or _____ it isolated _____ transponder?

Does _____ signaling _____ correspond to a _____ transmitter or _____?

Does _____ involve _____ or _____ of my channels?

There is _____ or _____ channel outage?

The _____ issue _____ be related _____ transponder or _____ may _____ impacting _____ channels.

_____ signal problem that is _____ channels?

Is _____ a signal problem only with one _____ or _____?

Does ____ signal ____ other ____ is ____ related to a particular ____ ?
 ____ affecting many channels, or ____ a transmitter?
 ____ about ____ transponders ____ channels?
 ____ there a single ____ that causes the disruption ____ channels ____ ?
 Does ____ concern correspond to one ____ multiple ____ stations ____ its ____ ?
 ____ the signal ____ all ____ or ____ it ____ to ____ specific transponder?
 ____ the problem only ____ one transponder ____ channels?
 ____ this concern correspond to ____ transmitter, ____ stations ____ its reach?
 ____ know ____ this ____ concern pertains only ____ one ____ if it is ____ to ____ multiplexor.
 Is it ____ isolated transponder ____ issue ____ it ____ channels ____ well?
 ____ transmission problems ____ be limited to ____ channel.
 ____ problem ____ or many channels?
 signal failure might ____ linked ____ and several ____ .
 ____ this concern correspond ____ target transmitter ____ or ____ multiple ____ ?
 ____ the ____ problem ____ across ____ channels ____ one transponder?
 ____ issue only ____ one transponder ____ multiple channels affected?
 ____ signal ____ may ____ to ____ particular transceiver ____ many channels
 Is it ____ transponder- related signal ____ is ____ affecting ____ ?
 ____ this ____ caused ____ a ____ transponder?
 ____ various ____ the issue?
 Is ____ transponder ____ or ____ by the mess?
 Is this ____ issue only with ____ or ____ affecting ____ ?
 Does this ____ problem ____ or just one ____ ?
 There ____ signal issue: ____ multiple-channel-related.
 I ____ if the problem ____ one ____ my channels are ____ .
 Is it ____ causing havoc ____ are all ____ acting ____ ?
 ____ signaling ____ involve multiple ____ stations or ____ one ____ ?
 ____ you tell ____ if my channels ____ malfunctioning or ____ ?
 Does ____ concern ____ to ____ transmitter ____ or ____ overall?
 ____ relate to ____ transmitter ____ broadcasted stations in its reach?
 Is it ____ isolated ____ issue ____ affect multiple ____ as well?
 Do ____ experience ____ transponder the cause of the disruption?
 We ____ this ____ is related ____ one targeted line ____ linked to ____ sending view.
 ____ failure caused ____ many channels?
 ____ is a question of ____ is ____ fault ____ widespread channel ____ .
 Does ____ concern correspond to a single ____ stations?
 ____ signal ____ linked to ____ ?
 Is there a ____ transponder ____ are the ____ acting ____ ?
 Do different channels ____ issues or ____ it an ____ disruption?
 ____ about ____ all channels?
 Is ____ causing ____ problem or is all ____ up?
 Is signal problems ____ to ____ transponder ____ channels different?
 ____ an isolated ____ signal issue that ____ channels?
 Is there any specific ____ or ____ ?
 Is the signal ____ related ____ or ____ with multiple ____ ?
 ____ the issue limited ____ or is it ____ my ____ ?
 Was ____ more ____ channel?
 ____ signal problem ____ seen across ____ or ____ be ____ to a ____ transponder.
 Does the ____ affect various channels ____ same ____ ?
 ____ related to a single transponder ____ it ____ channels?

_____ signal _____ different channels?

_____ the signal problem related _____ transponder _____ channels?

_____ faulty _____ affected _____ this mess?

_____ the _____ problem bound _____ a _____ device _____ more than _____?

Is the signal _____ specific transponder or is _____ affecting _____?

_____ this signal problem affect many _____ is it _____ device?

Is _____ transponder _____ widespread _____ outage?

_____ these signal _____ limited to one _____ or _____ they _____ well?

Is there _____ affects a _____ transponder?

Is this _____ all _____ it related _____ transponder?

Is the _____ issue affecting _____ or _____ widespread?

_____ the concern _____ to one _____ alone or _____ broadcasted _____ its _____?

_____ this _____ caused _____ one transponder?

Are you _____ up _____ transponder _____ out _____ of channels?

_____ a _____ a faulty _____ and a _____ transponder?

Is the _____ one particular _____?

_____ problems _____ several channels _____ only one transponder?

_____ this _____ caused by one _____ or more _____?

Are _____ affecting _____ channels?

Does the _____ extend across _____ channels _____ limited _____ single transponder?

_____ different channels experience _____ issues or _____ individual _____ causing _____?

Does _____ issue extend _____ or _____ it limited to a _____?
