

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Leak detection and repair assistance
Inquiry Sub-Category	Leak detection methods
Description	Inquiries about the different techniques and approaches used by utility companies for detecting leaks in water and wastewater systems.
Data Size	5,035 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

What _____ do utilities utilize _____ leaks throughout _____ drinking-water _____ system?

How _____ utilities _____ the _____ in _____ distribution system?

_____ do the _____ utilities _____ locate _____?

How _____ utilities find _____ pipes?

_____ do utilities _____ in the water distribution system?

What _____ water _____ leaks?

What technologies are used _____ find _____?

What strategies _____ to _____ at the _____ distribution system?

_____ companies _____ different _____ for water leaks.

_____ the _____ using _____ to detect drinking _____?

_____ are _____ methods or _____ used to detect _____?

What are _____ utilities _____ find _____ water leaks?

_____ do utilities use _____ leaks _____ distribution system?

_____ strategies do the utilities _____ water _____?

How _____ utilities _____ leaking _____ pipes?

I _____ the methods or _____ to find _____ your water _____.

_____ strategies _____ to _____ leaks in their drinking-water _____ system?

_____ tell us how utility _____ drinking-water _____?

_____ ways utilities _____ for _____ in the water _____ system?

_____ use specialized _____ identify _____ in _____ drinking-water infrastructure?

_____ are the _____ that _____ find water leaking?

How do _____ in _____ system?

_____ the _____ that _____ utility companies _____ to deal with leaking _____?

How _____ utilities _____ drinking-water systems?

I am _____ about the _____ used _____ leaks _____ water _____.

_____ need the _____ or tools _____ use to search _____ leaks _____.

How _____ find drinking-water _____?

What _____ to find leaking water _____ Systems?

What _____ some strategies and _____ find _____ in _____ water _____ system?

I am ____ about ____ methods to ____ water network.
 I ____ to ____ the ____ you use ____ leaks ____ your water network.
 ____ utilities ____ to ____ drinking-water leaks.
 What ____ utilities ____ identify leaking water distribution ____?
 How ____ utilities ____ leakage ____?
 What ____ utilities use when looking ____ distribution ____?
 What are the ____ companies ____ to ____ leaking ____?
 Do ____ the methods used ____ find ____ in ____ network?
 ____ strategies that utilities ____ find ____ in ____ distribution systems?
 ____ utilities ____ leaks in ____ system?
 ____ techniques or ____ leak detection in ____ water network?
 ____ are some ____ ways utilities ____ drinking-water ____?
 What are ____ methods for ____?
 What strategies ____ use ____ finding water distribution ____?
 How ____ locate drinking-water ____
 ____ ways ____ to ____ water leaks?
 ____ strategies ____ used ____ find ____ system leaks?
 Which strategies do ____ utility company ____ water ____?
 ____ am ____ for ____ tools ____ to ____ leaks in the water ____.
 I am wondering ____ methods and ____ leaks ____ water network.
 ____ are some ____ the ____ that ____ use ____ find ____ leaks?
 How ____ find drinking-water ____?
 ____ you tell ____ or equipment ____ to detect water ____?
 What ____ technologies that ____ find drinking ____ leaks?
 What ____ are used ____ leaks?
 ____ do ____ water utilities ____ to find and ____?
 ____ looking for ____ you use to ____ leaks ____ network.
 ____ the measures ____ companies ____ when dealing ____ leaking water ____?
 ____ am looking ____ methods or tools you ____ search ____ leaks ____ your ____.
 What are some ____ to locate drinking ____?
 ____ techniques did utilities ____ search ____ distribution system?
 ____ ways ____ finding drinking-water leaks?
 How do utility ____?
 What ____ and ____ do utilities use to ____?
 What ____ are used by ____ find ____?
 ____ for the ____ use ____ search ____ leaks in the ____ network.
 ____ does ____ water ____ do to find and ____?
 What ____ some ____ that ____ leaks?
 How ____ the ____ use ____ to detect ____ leaks?
 ____ used ____ the utility ____ drinking water leaks?
 ____ for ____ methods ____ tools ____ for leaks ____ the water network.
 What ____ the ____ used ____ detect ____ system ____?
 What ____ strategies ____ utilities use ____ find leaks in ____?
 How ____ utilities ____ drinking ____?
 What are some strategies utility ____ leaks?
 Do ____ use ____ to identify leakage ____ the drinking-water ____?
 ____ do utilities use ____ find ____ in the ____ distribution ____?
 ____ utilities use to ____ leaks?
 How ____ utilities check ____ leaks ____?
 ____ or ____ do utilities ____ to find ____ water distribution systems?

What do utilities _____ leaking _____ systems?

_____ do _____ do _____ identify _____ water?

_____ searching _____ methods you use to _____ your water _____.

_____ do utilities find leaks _____ drinking-water distribution _____?

_____ are some methods utilities _____ leaking _____?

I am curious _____ to locate leaks _____ water network.

What _____ technologies utilities use to find _____ in _____ water _____?

_____ use when searching for leaks _____ their _____ system?

_____ want to know _____ methods _____ in your _____ network.

What are _____ utilities use _____ locate _____ the drinking-WATER _____?

_____ and techniques utilities _____ when _____ for _____ their distribution network?

What are _____ strategies _____ to _____ leaks in _____ system?

How _____ industry search for _____?

How _____ utilities _____ the water _____ system?

_____ are _____ ways utilities _____ system _____?

What _____ strategies utilities use _____ in their drinking- water _____?

What _____ strategies _____ technologies utilities _____ find leaks _____ water distribution _____?

_____ strategies used by utilities to _____ drinking _____?

I _____ curious _____ of _____ leaks in the water _____.

_____ want _____ know the methods _____ look for leaks in _____.

_____ ways locate water leaks _____?

How _____ utilities _____ waterdistribution _____?

I am _____ for _____ use _____ search for leaks _____ your _____ network.

I _____ to know the _____ tools used _____ leaks _____ network.

What _____ the utility _____ to detect _____ water _____?

How _____ utilities detect _____ in _____?

_____ are used to search _____ distribution _____?

_____ technologies did utilities use _____ investigate _____ water _____?

_____ methods or _____ are _____ to locate leaks _____ the _____?

_____ measures utility companies _____ dealing with _____ water?

_____ the utility _____ find leaking _____?

_____ about _____ methods _____ are used to locate water _____.

_____ utility _____ to _____ drinking-water leaks?

How do _____ leaks in _____?

I'm _____ about _____ to locate _____ in your _____ network and what _____ to _____.

What do water companies _____ and _____?

_____ are _____ utilities use to locate _____ in their _____?

_____ strategies do utilities use _____ leaks _____ water _____?

What are _____ technologies and strategies _____ to find _____?

_____ techniques _____ to locate _____ leaks?

How do your utility _____ fix _____ points _____ the water _____?

Water companies _____ leaks.

Which _____ are _____ by _____ to _____ leakage?

_____ to find leaks in the water system?

What measures do _____ companies _____ are _____ with _____ drinking water _____?

_____ you _____ techniques are used _____ find leaks in your _____?

_____ are some _____ utilities _____ find leaks in _____ drinking-WATER _____ system?

_____ the utilities use _____ find water leaks?

_____ looking _____ techniques you use to _____ in your _____ network.

What are _____ for searching _____ distribution _____ leaks?

What ____ do ____ to ____ in the drinking water ____?

Utility companies ____ variety of ____ water leaks.

How can ____ find ____ water ____?

Water ____ use ____ methods ____ leaks.

____ methods or ____ used to ____ in the water network.

I am ____ about ____ methods ____ find ____ in your water network.

____ strategies are ____ leaks in the ____ system?

What strategies ____ utilities ____ leaks ____ the ____ system?

What ____ use to ____ leaks in their ____ distribution ____?

How ____ utility ____ identify leaks ____ drinking ____?

How do utility companies ____ with leaking ____?

I ____ looking ____ methods ____ you use ____ look for leaks ____ your ____.

____ the ways that ____ drinking water leaks?

How ____ leak ____ drinking ____ systems?

____ methods do utilities ____ in water systems?

What do ____ utilities ____ and identify ____?

How ____ locate leaks in ____ drinking-water ____?

____ the strategies ____ use to find leaks ____ the ____?

What ____ utilities ____ for looking for ____ leaks?

____ organization tackle identification ____ along ____ water infrastructure?

____ the strategies ____ use to find leaks ____ distribution ____?

What ____ utilities ____ find leaking ____ systems?

Utility ____ methods ____ for water leaks.

Do utilities ____ drinking water ____?

____ that ____ use to locate leaks ____ drinking-water distribution systems?

____ strategies do ____ utilities ____ to find leaks ____ distribution ____?

What ____ or ____ that utilities use ____ find ____ water distribution system?

____ do the utility ____ identify ____ water ____?

____ used ____ utilities ____ find water leakage?

____ utilities find leaking ____ drinking-water distribution ____?

What ____ the methods ____ use ____ water distribution ____?

What ____ utility ____ to deal ____ leaks ____ their drinking-water supply ____?

____ do ____ locate leaks ____ their ____.

____ do ____ find leaking ____ distribution ____?

Can you tell ____ to locate leaks ____ the ____ network?

What are ____ drinking-water leaks?

____ am looking for the ____ and tools ____ use ____ in ____ water ____.

____ strategies that utilities use to locate ____?

____ am ____ the methods for ____ the water network.

I'm ____ about ____ tools used to locate water ____.

I ____ to know ____ methods ____ leaks ____ the ____ network.

What ____ water ____ do about ____?

____ am curious ____ the techniques used ____ leaks ____ network.

____ by utilities to identify leaks ____ drinking water infrastructure?

____ does ____ locate ____ find leaks?

____ technologies ____ utilities ____ locate water leakage?

How ____ identify ____ system leaks?

Utility ____ use ____ to search ____ water ____.

I ____ to know ____ or tools ____ for leaks ____ the ____ network.

How do utility ____?

I am _____ about the _____ to _____ the water network.
 How do utility _____ deal _____ issues _____ their drinking-water _____?
 I'm _____ in _____ methods and _____ leaks in _____ water network.
 _____ can utilities _____ to find _____?
 What methods _____ used _____ find _____?
 _____ am _____ about the methods _____ the leaks in _____ water _____.
 _____ used by utilities to _____ leakage?
 What are _____ techniques _____ use _____ find _____ in their _____?
 _____ do utilities _____ throughout their _____?
 What _____ tactics utilities _____ to find leaks _____ distribution _____?
 What _____ that _____ utilities use _____ find drinking water _____?
 _____ utilities _____ to _____ drinking-water leaks?
 _____ am interested _____ methods _____ to locate leaks in _____ water network.
 _____ companies find drinking-water _____?
 _____ methods _____ used to locate water _____?
 Which approaches do _____ system leaks?
 What _____ the _____ in which utilities _____?
 How _____ leaks in their _____ system?
 How did _____ use _____ to find _____ distribution _____?
 Can _____ the techniques _____ equipment _____ for _____ detection in your _____?
 What _____ locate drinking-water leaks?
 What _____ are taken by utility _____ dealing _____ issues?
 _____ do _____ find _____ fix leaking points in _____ system?
 _____ strategies _____ use to find drinking-water _____?
 _____ would like to _____ or _____ locate leaks in the _____ network.
 _____ utilities find leaks _____ systems?
 _____ do water utilities do _____ leaks?
 Can _____ tell me the _____ leaks _____ the _____ network?
 _____ you tell _____ the methods and _____ for finding _____ in _____?
 I'm curious _____ the _____ used _____ find the _____ your _____.
 _____ you _____ how utility companies _____ water _____?
 I need to _____ the _____ or tools _____ the water _____.
 _____ utilities _____ to find leak?
 _____ technologies did _____ to search _____ water _____?
 I _____ the methods _____ to search for _____ your water _____.
 _____ utilities _____ to detect water _____?
 Which strategies do _____ utility _____ use to identify _____ fix _____ water _____?
 _____ some ways _____ locate _____ water _____?
 How do _____ their _____?
 _____ are the _____ utilities use _____ detecting _____ system _____?
 _____ strategies _____ use to find leaks in their _____?
 What _____ the strategies _____ use to find _____ their _____ system?
 _____ the _____ find leaks in _____ water?
 What strategies are _____ utilities _____ in _____ distribution system?
 What strategies do _____ use to find _____?
 What are the measures utility _____ take _____ leaking _____?
 What _____ utilities _____ for _____ detection?
 What measures do the _____ companies _____ with leaking _____?
 _____ do _____ locate _____ system leaks?
 _____ tell me what methods are used _____?

What ____ some ____ the ____ utilities use to find ____ in ____ ____ ____?

____ ____ the methods and tools ____ use ____ ____ leaks in ____ water ____.

What ____ ____ ____ utilities use ____ find leaks in ____ drinking-WATER ____ ____?

____ ____ water utilities find ____ locate ____?

What ____ the technologies ____ ____ used ____ find water ____?

____ ____ interested ____ ____ methods and ____ ____ to find leaks ____ ____ water network.

____ are ____ strategies used ____ ____ to ____ ____ the distribution system?

____ curious ____ ____ methods used to locate ____ leaks ____ ____ water ____.

____ ways do utilities ____ ____ in ____ ____?

____ are ____ strategies that ____ use ____ find leaks ____ the drinking-WATER ____ ____?

____ use ____ technologies to identify ____ in ____ ____ water infrastructure?

I am curious about ____ methods of ____ ____ in ____ ____ ____.

What ____ ____ ____ the ____ uses ____ detect ____ water leaks?

____ am curious ____ the ____ and tools used to ____ ____ ____ ____.

____ do ____ utilities ____ and ____ ____ water?

____ are some ____ ____ use ____ find ____ in water?

Utility companies ____ ____ ____ ____ water leaks.

____ ____ ____ find ____ locate leaks in their water ____?

Does the utility use ____ techniques ____ ____ ____ water ____?

What are ____ strategies and technologies ____ ____ ____ ____ in ____ drinking-WATER ____ system?

____ company uses ____ methods to ____ ____ ____.

What ____ were utilities ____ ____ ____ for ____ water ____ systems?

____ looking ____ the ____ ____ tools ____ ____ for leaks in the water ____.

____ am curious ____ the methods ____ tools ____ ____ ____ to locate ____ ____ ____ water network.

What ____ ____ measures ____ ____ companies take when ____ with leaking ____?

There ____ ____ ____ and technologies that ____ ____ ____ to ____ drinking water ____.

____ ____ ____ utilities do regarding finding ____?

What are some strategies ____ utilities use ____ ____ ____ ____?

I ____ ____ ____ ____ methods ____ finding ____ leaks ____ the water network.

____ ____ ____ ____ utilities use to find ____ ____ ____ their water system?

Utility methods for ____ ____ ____ water ____.

Which approaches do utilities ____ ____ ____ leak ____ ____ systems?

What ____ the strategies utilities ____ ____ look for leaks ____ the ____ ____ ____?

What technologies are ____ to ____ ____ ____ ____?

What ____ ____ things utilities ____ to ____ leaks ____ their ____ distribution ____?

____ do utilities ____ to find ____ ____ ____ systems?

____ looking ____ the ____ you ____ to discover leaks ____ ____ ____ network.

There are methods ____ tools ____ ____ detect ____ ____ leaks.

____ ____ ____ ____ use to ____ leaking water?

What are the techniques ____ ____ ____ ____ drinking-water leaks?

What are ____ strategies ____ use ____ find leaks ____ ____ water ____ ____?

What ____ ____ ____ strategies utilities ____ to find drinking-water ____?

____ you ____ ____ techniques and equipment utilized for ____ ____ in your ____ ____?

Which ____ ____ the utility use ____ detect ____ water ____?

What strategies do ____ ____ ____ searching ____ ____ ____ the drinking water ____ system?

What ways do ____ find ____ in ____ ____ ____ system?

____ ____ ____ curious ____ know the methods ____ ____ used to locate leaks ____ ____ ____ network.

____ ____ ____ do to find leaks in ____ drinking-water ____ ____?

What ____ ____ ____ used by ____ ____ find ____ in the water ____ system?

____ do ____ ____ ____ to ____ and find leaks

What _____ detect _____ in water systems?

What _____ utilities do to _____ and _____?

_____ the _____ utility companies _____ take _____ with _____ in their drinking-water _____ systems?

_____ the _____ to find _____ in their distribution systems?

_____ does _____ locate leaking water _____?

_____ technology did utilities _____ search _____ water _____ systems?

I want to know _____ to _____ for _____ in your _____.

_____ strategies _____ utility company _____ to detect _____ the water _____ system?

What methods or _____ are _____ to _____ the water _____?

_____ like to know how _____ utility _____ leaks.

_____ do utilities _____ water infrastructure?

_____ are _____ utilities _____ about _____ leaks?

_____ were used by _____ leaking water _____ systems?

_____ use specialized _____ to _____ issues in their _____ infrastructure?

I _____ for _____ for the leaks _____ the water network.

How _____ utilities discover _____ system _____?

_____ technologies _____ use _____ find leaks _____ their drinking water distribution system?

What technologies _____ to check out _____ distribution _____?

What are _____ utilities use to _____ leaks _____ distribution _____?

_____ your utility company find and _____ points in _____ water _____?

_____ do the utility use _____ drinking _____?

Does your drinking-water _____ network have any _____ to _____?

What _____ do utilities _____ to locate leaks _____ system?

_____ am _____ for methods _____ for _____ for leaks _____ the _____ network

_____ do utilities _____ find leaks in _____ distribution _____?

_____ about the methods _____ tools _____ use _____ find leaks in _____.

I _____ about _____ tools used to _____ in the _____ network.

_____ curious about the _____ used to _____ leaks in _____ water _____.

_____ do utilities _____ in _____ systems?

_____ do utilities _____ leaks in _____?

_____ are _____ used _____ leaks _____ your water network?

_____ for _____ tools that you _____ to find _____ in _____ water _____.

_____ utilities detect leaking _____ system?

_____ detect leaking water systems?

_____ are some ways that _____ in _____ drinking-water _____ systems?

How does your utility _____ identify _____ within the _____ distribution _____?

What _____ utilities _____ detect _____ in the water _____?

_____ utilities locate _____ water infrastructure?

What _____ strategies the _____ use to _____ leaks _____ distribution _____?

What _____ used _____ to find leaks _____ distribution system?

_____ am interested _____ methods _____ to _____ in _____ water network.

What strategies _____ utilities _____ to _____ leaks _____ distribution _____?

_____ are used _____ drinking _____ leaks.

There _____ use to find leaks _____ distribution system.

What are _____ things utilities _____ to _____ leaks _____ distribution _____?

_____ locate _____ around _____ water infrastructure?

_____ would _____ methods _____ use to _____ leaks in your _____ network.

How _____ utilities _____ locate _____?

_____ technologies do _____ use _____ find drinking _____ leaks?

What are _____ of _____ utilities use _____ find _____?

What are ____ strategies that ____ find drinking-water ____.

____ your ____ supply ____ use ____ specific practices ____ leaks?

How do ____ leaking drinking ____?

What ____ methods ____ finding ____ leaks?

____ strategies ____ used ____ to ____ leaks in ____ drinking-WATER distribution system?

How do utilities ____ distribution ____?

____ strategies do ____ use when ____ for ____ drinking-WATER distribution ____?

____ to find leaks ____ the water system?

____ the utilities use ____ technologies ____ leak issues in ____?

____ do ____ check ____ leaks in ____ water ____?

What ____ strategies utilities ____ to ____ leaks?

____ are ____ technologies used by ____ find ____ water leaks?

How do the utility ____ find ____?

____ you tell ____ about ____ leaks in your water ____?

____ use strategies to find ____?

What ____ and technologies ____ use to find ____?

Can you tell ____ methods ____ tools ____ the leaks ____ the water ____?

____ use to find drinking ____?

____ methods are used ____ water companies ____ leaks?

What ____ utility company ____ detect water leaks?

How do utilities ____ on ____?

____ for the ____ you ____ leaks in your water ____.

What are some strategies ____ find leaks in ____ distribution ____?

How do ____ the leaks ____ drinking water ____?

What ____ the ____ utilities use ____ leaks in their drinking-water ____?

____ utilities use ____ find ____ of the ____ distribution system?

Are ____ any specialized technologies ____ identify ____ the ____ water infrastructure?

What are some methods utilities ____ leaks?

____ are ____ utility ____ usually take ____ tackle leaks ____ their ____ supply ____?

____ methods or ____ are ____ to ____ leaks ____ water network?

____ are the methodologies ____ to ____ drinking-water ____?

Can you ____ what ____ are used ____ leaks in your ____?

What techniques are used ____ utility to ____?

____ methods ____ use to ____ leaks in ____ system?

____ does ____ do ____ and locate leaks?

____ did utilities use for ____ leaking ____ systems?

____ do utilities use in their ____ in ____ water distribution ____?

I ____ curious ____ methods are ____ to ____ the water network.

What technologies and ____ are ____ water ____.

____ do ____ leak ____ water systems?

____ use to find leaks in the drinking ____ distribution ____?

____ are ____ employed to find ____?

what ____ did utilities ____ find leaking water ____?

Some ____ technologies ____ use ____ leaks in their ____ water distribution ____?

I ____ curious ____ the ____ used to ____ leaks in ____ network.

What are ____ strategies utilities use to ____ their ____?

____ technologies did utilities use ____?

____ utilities search drinking-water ____?

____ it possible to ____ about the ____ for ____ detection in your water ____?

What are ____ use to ____ drinking water ____?

____ technology ____ the ____ use to ____ water distribution ____?
 ____ were used ____ the utilities ____ for leaking water ____?
 ____ did utilities use ____ searching their ____ system?
 ____ use to ____ leaking water?
 ____ strategies do ____ use to ____ distribution system?
 ____ are some strategies ____ use to ____ leaks?
 ____ strategies or ____ utilities to find ____ water leaks?
 ____ techniques or ____ the ____ use to ____ leaks?
 ____ utilities ____ to find leaks ____ their drinking water ____?
 What ____ did utilities ____ when searching their ____?
 How ____ search for ____ in the ____?
 What ____ to ____ the water distribution system?
 ____ can utilities locate leaks ____ the ____?
 ____ there anything you can ____ me about ____ techniques and equipment used ____ leak ____?
 ____ am looking ____ methods ____ you ____ to look for ____ in ____ water ____.
 How do ____ leaks ____ pipes?
 ____ are ____ approaches ____ leak detection in water ____.
 What ____ water utilities ____ to find ____?
 ____ do ____ use to find ____ in ____ distribution ____?
 ____ to find drinking-water leaks?
 ____ some strategies ____ technologies ____ by ____ find leaks ____ their ____ distribution system?
 ____ am curious ____ to locate leaks in ____ network.
 ____ utilities ____ to detect leaking ____?
 ____ utilities find ____ in ____ system?
 What ____ utilities ____ identify ____ in the drinking-water ____ system?
 ____ there ____ technology ____ use to ____ leaks ____ drinking water infrastructure?
 ____ the utility ____ do to find ____ system ____?
 ____ to find leaks in the drinking-WATER ____ system.
 What ____ do ____ detect drinking water leaks?
 ____ you ____ us ____ the strategies and ____ utilities ____ find leaks in ____?
 ____ you ____ me ____ methods are used ____ leaks in the ____?
 What ____ or technologies are used to ____ in ____?
 What are ____ strategies your utility ____ to identify ____ fix ____ in ____ system?
 ____ want the ____ or tools ____ look ____ in your ____ network.
 Can ____ me ____ and ____ by utilities to ____ leaks ____ distribution network?
 How ____ utilities ____ their water ____?
 What are some ____ utilities ____ leaking ____?
 I'm looking ____ the methods ____ locate leaks ____ network.
 ____ do utilities use ____ leaking water distribution ____?
 ____ technologies ____ are used ____ locate water ____?
 ____ know how ____ detect leaks ____ pipes?
 ____ techniques ____ use ____ detect water system ____?
 ____ are the strategies ____ use ____ leaking ____ distribution ____?
 Does ____ know ____ companies find ____?
 I'm looking ____ the ____ use ____ out leaks ____ water network.
 ____ utilities ____ specialized technologies to ____ infrastructure ____?
 ____ do ____ companies ____ drinking-water ____?
 ____ are utilities ____ find ____ drinking water distribution system?
 ____ tell ____ about ____ and equipment used for leak detection ____ the ____?
 What methods do ____ use ____ drinking ____?

_____ know _____ utility companies _____ leaks?
 _____ some methods _____ use to _____ in their _____ water _____ system?
 _____ am _____ about methods and _____ locate leaks _____ the water _____.
 _____ you _____ how _____ find _____ drinking water pipes?
 I am _____ about the methods _____ tools _____ find leaks _____ network.
 _____ utility companies _____ drinking-WATER _____?
 What _____ measures that _____ usually take _____ deal _____ leaking _____?
 _____ techniques does _____ utility _____ detect water _____?
 What do water _____ order _____ find _____?
 _____ any _____ used by utilities _____ issues in _____ drinking-water infrastructure?
 What _____ the _____ use to find leaks _____ their _____ system?
 What do _____ do to _____?
 _____ technologies _____ used _____ utilities to _____ leaking?
 How _____ the _____ industries _____ drinking-water _____?
 Utility _____ use different approaches _____ leaks _____ distribution system.
 _____ are some strategies _____ find leaks in _____?
 Utility _____ can _____ approaches to find _____.
 _____ utilities _____ to _____ water leak?
 _____ some things utilities _____ to find _____?
 I am _____ used _____ the leaks in _____ water _____.
 Utility companies _____ find leaks _____ the _____ distribution _____.
 Which _____ are _____ to _____ water _____?
 What _____ do utilities _____ leaks in the _____ distribution _____?
 _____ used to _____ water leaks?
 I want _____ or tools _____ search _____ leaks in _____ network.
 Utility companies _____ for _____ water _____.
 _____ are _____ ways that utilities use _____ leaks?
 _____ wondering about the _____ used _____ find leaks _____ water _____.
 What _____ by _____ to _____ for _____ water _____ systems?
 What _____ techniques utilities _____ leaks?
 There are _____ strategies _____ find _____ their _____ distribution systems.
 Which strategies _____ used _____ water _____?
 What are _____ utilities _____ leak in _____ systems?
 _____ find leaking water distribution _____?
 I'm _____ used to find leaks in _____ water _____.
 _____ methods of finding _____ leaks?
 What are _____ used to _____ drinking-water system?
 _____ are some _____ utilities _____ to find _____ distribution _____?
 _____ the utility do to _____?
 I _____ the methods _____ to _____ leaks _____ the water _____.
 _____ can utilities _____ leaks _____ supply?
 _____ are _____ solutions _____ to find drinking-water _____?
 How _____ utilities _____ leaks _____ supplies?
 Which _____ do _____ use for _____?
 _____ water utilities _____ about find _____?
 _____ the technologies _____ find _____ their water distribution systems?
 What _____ utility _____ to locate _____?
 What _____ are used by _____ to find _____?
 What _____ used by _____ locate leaks in the _____?
 _____ technologies did _____ utilities _____ leaking _____ distribution systems?

_____ are _____ locate leaks _____ the _____ distribution system?

I am _____ about the methods and tools _____ water network.

How do utilities _____ the leaks _____ distribution _____?

I would like _____ know _____ companies locate _____.

What are _____ utility uses to _____ water _____?

How does _____ organization tackle _____ along _____ infrastructure?

I'm looking for _____ and tools you _____ to locate _____.

_____ do utility companies deal _____ leaking _____ their _____?

_____ looking _____ methods or tools you _____ to look _____ your water _____.

_____ are _____ that _____ use to find leaks in _____ drinking-water _____?

I am _____ about the methods _____ leaks in your _____.

I'd like _____ to find leaks _____ your water network.

What _____ methods _____ use _____ find _____ in their _____ distribution _____?

_____ did utilities _____ to search for _____ distribution _____?

_____ utilities do to _____ leaks?

_____ strategies do _____ company _____ identify water leaks?

_____ do utilities _____ drinking-WATER systems?

_____ are _____ find drinking water _____?

_____ strategies are utilities _____ find _____ the _____ system?

I'm curious about _____ used to _____ your water _____.

I _____ the _____ used _____ locate the _____ the water network

_____ are _____ techniques that the _____ use _____ drinking water _____?

_____ curious about _____ tools _____ to _____ leaks in your water _____.

I'm interested _____ methods or tools _____ to find _____ network.

_____ you explain _____ techniques or equipment _____ in your water _____?

_____ looking _____ methods or _____ you use _____ search _____ in _____ water _____.

What methods _____ use to _____ water _____?

What _____ the utilities _____ detect _____ water leaks?

_____ can _____ utilities _____ to _____ and locate _____?

_____ you tell me _____ strategies and _____ utilities use _____ leaks _____ distribution _____?

_____ are used _____ leaks in the drinking-water _____?

How _____ locate _____ in _____ water infrastructure?

What _____ some strategies utilities use _____ find leaks _____

What _____ do _____ to _____ in _____ water distribution system?

What _____ and _____ to find _____ the drinking water _____ system?

What techniques _____ utilities _____ find leaks _____ the _____ distribution _____?

Which strategies does _____ company _____ to _____ water _____?

What _____ to detect _____ water _____?

Some strategies _____ used _____ find _____ leaks.

How _____ utilities check _____ in _____?

_____ are the strategies and technologies _____ water _____?

How _____ utility _____ identify and fix _____ in _____ distribution system?

_____ are some _____ technologies _____ use _____ find _____ leaks?

What are _____ to find water leaks?

_____ are the strategies utilities _____ to find _____ system.

_____ are _____ to _____ drinking-water leaks?

_____ water utilities _____ find water leaks?

How _____ utilities identify leaks _____?

_____ do _____ drinking water leaks

_____ did _____ use to find leaking _____ distribution _____?

What ____ do utilities ____ search ____ leaks ____ water ____?

____ are some ____ and technologies that utilities ____ their ____ distribution system?

I am interested ____ that ____ used ____ find leaks ____ network.

____ are ____ utility companies usually take when ____ water ____?

What ____ measures utility companies ____ to ____ leaks in ____ supply ____?

____ does utility ____ locate ____?

How can ____ leaks in ____?

____ methods ____ detect water system ____?

____ strategies are used ____ search for ____ distribution ____?

____ use to ____ leaking water distribution ____?

I am curious ____ methods and tools used ____ find ____ in ____.

What ____ detect water leaks?

____ companies ____ use different approaches ____ for water ____.

____ utilities ____ to find leaks in ____ distribution system?

____ methods the ____ to find drinking ____ leaks?

____ does the utility ____ water leaks?

What are ____ strategies ____ use ____ find leaks ____ systems?

I'm ____ methods of ____ in your water network.

____ interested ____ the methods ____ used to ____ leaks in the ____ network.

____ industry ____ for drinking-water ____ leaks

I want to know ____ or ____ to ____ water network.

What methods do ____ to find ____ their ____ system?

Utility companies use ____ leaks.

Utility companies ____ use ____ approaches ____ for ____ leaks.

____ utilities find leaks ____ the drinking-water distribution ____?

____ utilities use to ____ in their drinking-WATER distribution system?

____ are the strategies ____ in the ____ distribution system?

There are different ____ companies use ____ find ____.

____ technologies ____ utilities use to ____ distribution system?

How do ____ leaks in ____ drinking water ____?

Can you ____ about the ____ or equipment ____ for leak detection ____?

____ tell me ____ methods for ____ for leaks ____ the water ____?

____ there been ____ specific ____ or ____ to detect leaks ____ supply network?

What ____ utilities do ____ finding ____?

____ strategies ____ utilities use ____ locate ____?

Does ____ network use ____ practices ____ tools to ____ leaks?

Which strategies ____ utility company ____ leaking ____?

____ strategies do your utility company use ____ leaking ____ system?

I ____ methods ____ tools ____ the leaks in ____ water network.

What technologies ____ utilities use ____ water distribution ____?

What technologies did ____ to look ____ water ____ systems?

____ am ____ about ____ used ____ the leaks in the water ____.

____ companies use ____ to ____.

____ are ____ strategies ____ use to find ____ systems?

What are ____ use to ____ leaks.

____ are ____ utilities find leaks ____ their ____ water distribution ____?

____ are ____ and ____ to detect water ____ leaks.

How ____ utility's ____ to ____ drinking ____ leaks?

____ strategies ____ use to find ____ in ____ water distribution ____.

I ____ the ____ and ____ you use to find ____ in your ____.

What strategies _____ utilities _____ to _____ leaks in _____ ?
 _____ are some strategies that utilities _____ drinking water _____ system?
 _____ technologies _____ utilities _____ to look _____ leaking _____ systems?
 _____ do _____ use _____ find leaks in _____ systems?
 Which methods _____ water _____ leaks?
 How _____ utility company find _____ fix _____ water distribution system?
 How do _____ for drinking-water _____ ?
 What _____ the utility _____ to detect _____ leaks.
 How _____ utility company detect leaks _____ its _____ ?
 _____ companies _____ of searching _____ water leaks.
 _____ technologies _____ to find _____ leaks?
 I'm _____ about the methods _____ the leaks in _____ water _____.
 _____ methods are used _____ to find _____ water _____ ?
 What _____ the _____ utilities _____ to _____ their drinking _____ distribution system?
 How do _____ water distribution _____ ?
 _____ am _____ methods _____ are _____ to _____ leaks _____ the water network.
 How do _____ industry _____ drinking-water _____ ?
 _____ do _____ detect leak in _____ ?
 _____ do water utilities _____ locate _____.
 What are _____ to _____ the water system?
 What are _____ leaks in their _____ distribution systems?
 What practices _____ utilities use _____ the water _____ ?
 What do _____ do _____ find _____ ?
 _____ about _____ methods used to find leaks _____ network.
 What _____ technologies _____ by _____ find water leaks?
 What methods _____ detect _____ leaks?
 _____ do the utility _____ water leaks.
 What _____ utilities use to _____ in _____ supply?
 What strategies _____ use to _____ drinking-water distribution _____ ?
 _____ use specialized technologies to _____ leak _____ drinking-water infrastructure?
 What _____ the utility use _____ ?
 _____ do _____ water systems?
 _____ technologies had _____ use _____ find _____ water _____ systems?
 _____ your utility _____ find and _____ leaking _____ in the _____ ?
 _____ strategies _____ utilities use _____ finding _____ ?
 Can _____ me about the techniques _____ equipment used _____ your water _____ ?
 What _____ water _____ do _____ leaks?
 _____ utility use _____ to detect _____ ?
 _____ find leaks with _____ systems?
 What _____ some strategies _____ use _____ distribution system _____ ?
 _____ are strategies that _____ to find _____ water _____ ?
 I am looking _____ methods and _____ to _____ leaks _____ water network.
 Were _____ techniques _____ leak detection in _____ water network?
