

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle specifications and features
Inquiry Sub-Category	Fuel efficiency and sustainability
Description	Customers are concerned about the vehicle's fuel economy, hybrid or electric options, emissions ratings, and environmental impact, seeking to make an informed choice that aligns with their sustainability goals.
Data Size	5,192 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Which ____ technologies/features ____ most ____ gas mileage/electric range ____ lineup?
____ you know ____ go far on ____ or electric?

Which technologies ____?
____ are helpful in helping the ____ its ____ and electric range?

Which ____ beneficial in helping ____ gas ____?
____ fuel ____ and battery life on your recent ____?

I want ____ know ____ tech ____ features make ____ range ____.

Which technologies ____ the ____ to better gas ____ lineup?

Which ____ are ____ in ____ improve the lineup's ____?
____ improve your gas ____?

What are ____ technologies ____ impact on fuel ____?

Can ____ tell ____ the ____ in your ____ that increase ____?

Which specific technologies contribute most ____ mileage?

Which ____ improve gas mileage ____ current ____?

Which ____ more effective ____ improving ____?

Which ____ are helpful in helping ____ the gas mileage/electric ____?

I want to ____ the technologies ____ increasing fuel ____ and ____ models.
____ help improve gas ____ on the current ____?

____ the tech ____ car ____ fuel efficiency ____ electric range?
____ features are responsible for ____ mileage ____?

____ technologies ____ mileage ____ cars?
____ about the technologies that excel at ____ fuel ____ electric ____ your ____ models.
____ vehicle ____ and range?

____ features ____ more ____ to ____ the ____ mileage ____ current lineup?

Which features ____ gas mileage ____ range ____ the ____ lineup?
____ features assist ____ gas mileage ____ current lineup?
____ improve gas mileage/electric range ____ your ____?

Which ____ contributes ____ to improved ____ electric ____ currently?

_____ improve the gas _____ the current lineup?
 _____ the best boost _____ MPG/electric _____?
 _____ additions help advance _____ on existing models?
 Which _____ contribute _____ to _____ in the current _____?
 What technologies _____ fuel _____?
 _____ technological _____ directly _____ fuel _____ battery life _____ recent lineup?
 _____ features _____ the current _____ their _____ mileage and _____?
 Which features _____ gas mileage?
 Which feature _____ important _____ improving _____ and _____ your models?
 Can you _____ me _____ that _____ boost _____ economy?
 _____ and features _____ gas mileage?
 Which _____ help _____ gas mileage on current _____?
 _____ specific _____ improve gas _____ on the _____ lineup?
 _____ features are _____ the _____ improve _____ mileage?
 _____ someone _____ you what _____ your _____ in your cars?
 _____ need to know _____ the key technologies _____ and _____ range _____ your current _____.
 Can _____ tell _____ about _____ key features that _____ the _____ mileage _____?
 _____ features _____ helpful _____ achieving _____ mileage?
 _____ features boost _____ electric _____ the most?
 _____ advancement _____ fuel economy on your recent _____?
 Can you _____ me about the _____ that _____ fuel _____ and _____ range in _____?
 Which _____ MPG/electric range?
 _____ or _____ improve _____ the most?
 _____ more _____ improving the _____ mileage _____ the current lineup?
 Which _____ tech _____ characteristics _____ vehicle _____?
 _____ let you _____ what tech increases _____ mileage in _____?
 _____ to improved gas mileage _____ range right _____?
 _____ about the features that increase the _____ of my _____?
 _____ features increase _____ efficiency _____ electric _____?
 Which features _____ important _____ gas mileage _____ the _____ lineup?
 Which technologies _____ boost _____ models?
 _____ technologies contributes _____ to improved gas _____ and electric _____ in _____ now?
 _____ you tell me _____ the key _____ that _____ fuel _____ and _____ range in _____ current _____?
 _____ are responsible _____ improved gas mileage _____ the _____?
 Which features _____ in improving gas _____ range on _____?
 _____ improvements _____ features make to _____ mileage and _____?
 What _____ the _____ that help _____ fuel _____?
 What features are _____ to _____ mileage _____ on _____ car models?
 What _____ or _____ help _____ your current car?
 Which features are responsible _____ mileage _____ the current _____?
 _____ technologies _____ features _____ efficiency in your car?
 Which features are more _____ improving _____ mileage of _____?
 _____ contribute most to _____ gas mileage _____ today?
 _____ are more _____ to _____ gas mileage _____ current lineup?
 _____ technologies _____ enhance _____ your vehicles?
 Which _____ the greatest _____ to _____ electric _____?
 _____ specific _____ improves _____?
 _____ you what _____ in your _____ increases _____ mileage?
 _____ better at _____ in the current lineup?
 Which features _____ help _____ current _____ gas mileage/electric _____?

_____ technologies _____ mileage/electric range?
 Which _____ are useful _____ gas mileage _____ current _____?
 Will the _____ car boost _____ efficiency _____ electric range?
 Which features the biggest _____ range?
 Which technologies contribute _____ most _____ gas mileage on _____?
 What _____ your car go _____ gas _____ electric?
 _____ features that _____ increasing _____ gas _____ or _____ of your vehicles?
 Which technologies/ _____ help improve _____ the _____ lineup?
 What tech _____ improve _____ in _____ current _____?
 _____ features would _____ highlight _____ gas _____ and _____ range on recent _____?
 _____ help _____ improving gas mileage?
 _____ features are _____ for boosting _____ extending _____ range in recent _____?
 _____ advancement _____ fuel _____ or battery life _____ your lineup?
 _____ technologies/features help _____ fuel efficiency _____?
 _____ most increase MPG?
 _____ gas mileage the _____?
 Which _____ improving _____ mileage?
 Are the _____ in _____ enhancing fuel efficiency _____ range?
 _____ help in improving gas _____ in _____ lineup?
 _____ are the more _____ for improving _____?
 _____ technologies boost gas _____ in _____?
 _____ to improve the gas _____ and _____ range?
 _____ about _____ features _____ the gas mileage of your vehicles?
 What _____ the contributions _____ techniques _____ MPG?
 Does the _____ improve your fuel efficiency _____ range?
 _____ features are _____ in improving _____ and electric _____ on _____ current _____?
 _____ would _____ to _____ what technologies _____ at enhancing _____ efficiency and _____ in _____.
 Which features _____ responsible _____ enhancing _____?
 _____ to _____ about the _____ at enhancing fuel efficiency _____ electric range.
 Which technologies or _____ contributes the _____ to _____ electric _____?
 Which _____ most responsible for improving gas _____ the _____?
 What _____ most impact on _____?
 _____ help improve gas _____ current lineup
 _____ the technologies _____ fuel efficiency?
 _____ technologies help _____ fuel _____?
 What technology/ _____ increase _____ the _____?
 _____ technologies _____ the gas mileage _____ your _____ models?
 Which _____ improve _____ gas mileage from _____ lineup?
 Can you _____ about the _____ that increase _____ mileage or _____ range _____?
 Which technologies _____ your current vehicle?
 _____ help maximize _____ efficiency _____ your _____?
 Which _____ are helpful in _____ mileage/electric _____ on the _____?
 Which _____ increase _____ gas mileage?
 Which _____ the fuel _____ the _____ lineup?
 Which _____ most to _____ gas _____ and _____ right now?
 _____ specific technologies _____ most _____ gas _____?
 What _____ enhance gas _____ in _____?
 _____ are more capable of improving the _____ the _____?
 Which _____ improving _____ mileage/electric range _____ current lineup?
 _____ technologies _____ the current _____ efficiency/range?

Which features ____ to better ____ mileage ____ ____ ____ lineup?

____ technology ____ ____ range?

Which ____ increase the ____ lineups ____ ____?

____ there any ____ ____ in ____ current lineup that enhance ____ ____?

____ features ____ gas ____ in ____ models?

I need ____ know ____ technologies ____ excel at ____ ____ ____ and electric ____.

What technologies ____ best ____ ____ range?

____ help maximize fuel ____ ____ car?

____ technologies help ____ gas ____ ____ models?

What ____ ____ boost ____ efficiency?

____ helps ____ car go farther on gas ____ ____ ____?

____ ____ ____ in helping ____ improve ____ ____ lineup's gas ____ and electric range?

____ ____ me about ____ ____ that ____ fuel efficiency ____ electric ____ in your current ____?

How about ____ ____ key ____ ____ increase ____ gas mileage or electric ____ ____ your ____?

____ ____ is ____ ____ ____ improve gas mileage and electric ____ on ____ latest ____?

____ ____ tell me about ____ current ____ that ____ ____ mileage?

____ features are more responsible ____ ____ gas mileage ____ ____ ____ lineup?

____ ____ the ____ impact ____ fuel efficiency?

____ features ____ responsible for ____ ____ mileage?

Which ____ help the ____ ____ ____ efficiency/range?

Which features improve ____ ____ ____ the ____?

____ do ____ ____ help increase ____ efficiency ____ your car?

____ ____ tell ____ about ____ technologies that ____ fuel efficiency ____ ____ range?

What ____ the features that help ____ ____ ____ gas ____ range?

Which features ____ ____ ____ improving gas ____ ____?

____ you say what technologies ____ fuel ____ ____ range?

____ are the features ____ ____ gas ____ ____ extend ____ range?

Which ____ do ____ ____ help ____ gas mileage/electric ____ ____ the ____ lineup?

____ you ____ me what ____ increases gas ____ ____ your ____?

____ ____ ____ about the key ____ that increase ____ efficiency?

____ features are ____ involved in ____ gas mileage ____ ____?

Which features ____ ____ mileage in ____ ____?

Which ____ ____ the gas ____ ____ your ____?

Which features ____ beneficial ____ helping to ____ ____ current ____ ____ mileage ____ range?

____ specific ____ ____ increase ____ mileage?

What technologies help maximize fuel ____ ____ ____ range ____ ____ ____ car?

____ features help ____ ____ ____ most?

____ ____ help ____ the gas ____ in the current ____?

Which technological ____ ____ impacts fuel ____ ____ ____ life on your ____ ____?

Which ____ ____ more ____ ____ ____ in gas mileage?

____ ____ enhance the range ____ your ____?

What ____ the technologies ____ help ____ ____ ____ range in your ____?

____ ____ ____ improve gas mileage from ____ current lineup.

____ ____ ____ improve your current ____ mileage?

____ features ____ more ____ ____ boosting gas ____?

How ____ ____ increase ____ ____ and electric ____?

____ features ____ ____ ____ gas mileage on ____ current lineup?

Which features ____ ____ to ____ gas mileage ____ ____ ____ lineup?

Which technological advancement directly ____ ____ ____ fuel ____ or ____ ____ life?

____ technological advancement ____ ____ ____ impact on ____ ____ or battery life?

Which technologies boost ____ fuel ____ of ____?

Can ____ tell you what ____ gas ____ your ____?

____ you tell me about the technologies ____ at ____ and ____ in your ____ models?

Can ____ tell ____ which ____ enhancing ____ efficiency ____ range in ____ current models?

____ features ____ helpful in helping ____ mileage from ____ current ____?

____ technologies ____ boost gas ____ vehicle?

____ for increasing gas mileage?

Which features help to improve the ____?

Can ____ the ____ improve ____ efficiency or electric range?

____ contribute ____ most ____ gas mileage?

Can ____ options help ____ economy ____ existing ____?

Which ____ in ____ gas mileage?

In ____ selection, ____ tech improves ____?

Which features ____ helping ____ improve the current lineup's ____ and electric ____

____ me ____ the technologies that ____ savings in cars ____?

Which ____ current ____ fuel ____?

Which ____ help ____ gas mileage/electric range?

____ the key features that ____ increase ____ mileage ____ range of your ____?

____ the current lineup improve ____ gas mileage/electric ____?

____ can help increase ____ mileage ____ the current ____?

____ technologies/features contribute ____ improved ____ mileage?

____ you tell me the ____ fuel efficiency and ____?

Which technology/features contributes ____ most ____ improved ____ range right ____?

____ improve vehicle ____?

____ about the key ____ your ____ that will increase gas mileage ____ electric ____?

____ tech improves ____ efficiency ____ the ____?

I ____ to know about ____ technologies ____ increasing fuel efficiency ____ range ____ current models.

____ do technologies boost ____ range?

Contributes to ____ distance with ____?

What are the ____ help increase the ____ electric range ____ vehicles?

____ the key technologies that ____ fuel ____ or ____ range?

____ are ____ the ____ on fuel ____ right now?

Which features help ____ gas ____ range ____ the ____ lineup?

Which technology/feature is ____ to ____ gas ____ and ____ your latest ____?

____ you ____ about the technologies/facets ____ help boost ____?

Can ____ me about the features that ____ the ____ or ____ of ____?

Which ____ gas mileage ____ in the lineup right now?

Which features ____ helpful ____ helping ____ current ____ improve their gas ____?

____ are helpful when it comes ____ mileage ____ range?

Which ____ maximize ____ gas ____?

____ technologies have ____ greatest ____ on ____ now?

Which technology ____ efficiency/range?

____ are the ____ have ____ greatest ____ on fuel ____?

Which ____ responsible for ____ gas ____ electric ____ on ____ car models?

____ tell ____ about the ____ features that increase the gas mileage ____ of ____?

How can certain ____ maximize fuel efficiency ____?

Which ____ be ____ for boosting gas ____ and ____ electric ____ recent ____ models?

Which ____ help ____ improve ____ mileage with the ____?

____ can help to ____ the current ____ mileage ____ range?

Can you tell me about ____ excel ____ improving ____ efficiency and ____ your ____?

What _____ for _____ gas mileage and _____ range _____ recent cars?
 _____ features that are responsible _____ gas mileage on _____?

Which technologies _____ gas _____ on the _____ lineup?
 _____ features _____ for _____ current _____ gas mileage and electric _____?

Which features help _____ the _____ mileage _____ in the _____?
 _____ options _____ improve _____ economy on existing _____?

Which _____ vehicle range?
 _____ technology is important _____ gas _____ range on your latest _____?

Which features _____ to improve gas _____ and electric _____?

What _____ responsible for increasing gas _____ extending _____ of _____ models?

Which technologies enhance _____ electric _____ the current _____?
 _____ features _____ you think _____ responsible _____ increasing _____ mileage in _____?

Which _____ can help _____ lineup _____ and electric range?
 _____ specific _____ is _____ that helps improve _____ mileage _____ range?

Which _____ most improved gas _____ and _____ range right _____?

Which features _____ to improve _____ current _____ mileage?
 _____ technologies _____ to _____ gas mileage and _____ now?

What _____ technologies that enhance _____ range in your _____?
 _____ tell _____ the _____ that increase _____ gas mileage of _____ car?

Which _____ helpful _____ improving the _____ mileage _____ range?

Which technologies or features _____ to _____ gas _____?
 _____ features _____ gas mileage/electric range _____?
 _____ technologies _____ your gas _____ your current _____?

What _____ gas mileage/electric _____?
 _____ help improve _____ lineup's gas mileage and _____ range?
 _____ contribute _____ gas _____ and electric range in _____ current lineup?
 _____ features will help _____ on the current _____?
 _____ are _____ for _____ current lineup's gas mileage/electric _____?

Which _____ helpful _____ the current lineup improve _____ gas _____?

Which features _____ most to _____?

What technology improves _____?

Which _____ fuel efficiency _____ lineup?
 _____ the most _____ gas mileage?
 _____ features are _____ for _____ mileage _____ the current _____?
 _____ help you _____ your gas _____?
 _____ vehicle energy efficiency?

Can _____ tell _____ the technologies that improve _____?

Do you _____ what technologies _____ fuel efficiency and _____?

Which technologies _____ improved gas mileage _____ range?
 _____ technologies do your cars _____ that _____ efficiency?
 _____ the current _____ range?
 _____ technologies contributed the _____ improved _____ and electric _____?
 _____ most to _____ gas _____ and electric range _____ the _____?
 _____ help your car go _____ on gas _____ electric?
 _____ help to _____ and electric range?

What _____ features increase _____ mileage _____?

_____ there a technology _____ the highest impact _____ now?
 _____ do you think boost _____ on recent _____?

Which _____ improve _____ mileage _____ the current _____?
 _____ features are more _____ for improving _____ current _____?

Which _____ mileage from the _____?

_____ the _____ to improved _____ mileage and _____ range?

_____ technologies _____ the current _____ fuel _____.

_____ technologies _____ the range and _____?

What _____ and tech _____ most?

Which _____ and _____ contribute _____ improved gas _____ electric _____ in the current _____?

_____ boost _____ efficiency/electric range?

_____ features _____ to _____ the current lineup's _____ and range?

_____ features _____ increase _____ gas _____ or electric range _____ be highlighted.

_____ you _____ the key _____ help increase _____ or electric _____ of your vehicles?

What _____ efficiency in current _____?

Can you _____ which technologies _____ fuel efficiency _____ your _____ lineup?

Which technologies _____ most _____ improved gas mileage _____?

Which _____ are _____ in _____ mileage on _____ current _____?

Which _____ are _____ to increase _____ range on _____ lineup?

_____ is _____ in _____ to _____ the current _____ gas mileage and electric _____?

_____ am _____ in _____ excel at _____ fuel efficiency _____ electric _____ in _____ models.

_____ technologies help _____ efficiency

_____ features _____ the most _____ improved gas _____ and electric _____ in _____ lineup?

_____ help _____ improve the current _____ mileage and electric _____.

_____ selection what tech _____ fuel _____?

_____ cars go farther on _____ electric?

Can you tell me _____ in _____ electric range?

_____ features contribute _____ most to _____ gas mileage _____ electric _____?

_____ technologies _____ to improved _____ and electric range _____ now?

Which _____ the current lineup's _____?

_____ technologies _____ important in improving gas _____?

Which features _____ increasing _____ mileage and extending _____ on _____ models?

Which _____ and _____ contributes to _____ gas mileage _____ electric _____?

Which _____ are _____ in _____ gas _____?

_____ technologies help _____ gas _____?

Do _____ excel at enhancing fuel _____ in your current _____?

Can you _____ gas mileage?

_____ contribute the most _____ gas mileage/electric _____?

_____ to identify _____ that improve fuel _____ or electric range?

Which technologies _____ to _____ gas mileage and electric _____?

_____ features would help boost gas _____ and _____ recent _____ models?

_____ tell me _____ the key _____ that increase gas _____ range _____ vehicle?

Which _____ does _____ increase _____ mileage?

Which _____ are helpful _____ helping _____ gas _____ on the _____.

What _____ help maximize fuel efficiency _____?

_____ know _____ technologies that enhance _____ efficiency _____ electric range _____ your current _____.

_____ are _____ responsible for improved _____?

_____ are helpful in improving _____?

_____ to _____ improved gas mileage and electric range in _____?

Which _____ is important in _____ mileage and _____ models?

_____ technologies enhance _____ gas mileage _____ your _____?

_____ am interested in _____ about the _____ excel at enhancing _____ efficiency and _____ in _____.

_____ features _____ helpful to improving gas _____ current _____?

_____ tell us about _____ increase the _____ electric range of _____ vehicles?

Which _____ boost _____ lineup's _____?

Can _____ current _____ enhance gas mileage?

Can _____ tell _____ the _____ that _____ fuel _____?

Key features _____ increase _____ mileage _____ of _____ vehicle _____ be highlighted.

_____ technologies _____ the current _____.

Which _____ in the _____ to improve gas _____?

_____ features that _____ increase the gas _____ can _____ highlighted.

Can _____ tell _____ about the features _____ gas _____ electric _____ your vehicle?

_____ technologies help _____ fuel _____ electric range _____ current cars?

_____ help _____ efficiency in your _____ cars?

_____ specify _____ that increase _____ mileage?

_____ tell _____ about _____ key features that increase the gas mileage _____ electric _____?

Which technological _____ better _____ battery life _____ your current lineup?

_____ features _____ helpful _____ improve gas _____?

Which _____ are more _____ improve _____ mileage _____ current lineup?

Which stuff helps your _____ farther _____ electric?

Which features _____ more responsible _____ gas mileage on _____?

_____ are the _____ that help _____ mileage and extend electric range _____?

Which _____ useful in _____ to increase _____ from _____ current _____?

Which _____ improve gas _____ and electric _____ in _____ current _____?

_____ increase _____ current lineup's _____ efficiency _____ range?

_____ and _____ to _____ mileage and electric range?

_____ features _____ responsible for _____ mileage on _____ cars?

_____ contribute to the _____ range in the current lineup?

_____ most increase MPG/electric _____?

_____ fuel _____ in your models?

Which _____ are _____ in _____ gas _____?

Which _____ help _____ improve the _____ gas _____ electric range?

Which features _____ to improve _____ or electric _____ current _____?

_____ more beneficial _____ gas mileage?

Which _____ boost _____ the _____ lineup?

How do _____ of your _____ maximize _____ efficiency?

Which _____ advancement _____ fuel economy _____ battery _____ in _____ lineup?

Do _____ have _____ technologies that _____ electric range _____ your _____ models?

Can you _____ which _____ gas mileage?

_____ advancement _____ or increased battery life on your _____?

_____ technologies _____ mileage of _____ current _____?

_____ features _____ the current _____ to improve _____ mileage?

_____ me about the _____ that _____ gasoline savings?

_____ technologies help _____ fuel _____?

How do certain _____ maximize _____ in _____ vehicle?

_____ technologies/ features _____ improved gas _____ and electric range in _____?

_____ features help improve the _____ mileage _____ range?

Which technologies/features _____ contribute _____ improving _____?

_____ that help increase _____ mileage _____ vehicles can be _____.

_____ can _____ the _____ lineup _____ its _____ mileage range?

_____ specific technologies help to _____ on _____ lineup?

Can _____ tell me _____ features _____ your _____ increase gas mileage or _____?

What _____ you _____ mileage and _____ range on recent cars?

There are _____ that _____ range of _____.

_____ would _____ boost gas mileage _____ electric _____ on recent cars?

_____ tech _____ most _____ boost?

What technologies _____ in _____?

_____ enhance _____ in your current cars?

_____ most _____ to car mileage?

_____ helpful _____ increasing gas mileage/electric range on _____ current _____?

_____ technology _____ contribute _____ to _____ gas mileage?

Which features _____ the _____ to improved gas _____ in _____?

Which _____ to _____ improved gas mileage and electric _____ in _____?

_____ are responsible for _____ gas _____ and _____ electric _____ in recent _____?

Do you _____ technologies _____ efficiency or electric _____?

Which technological advancement _____ better fuel _____ increased _____ life on _____?

Which _____ improve _____ in modern _____?

_____ feature is _____ that _____ gas _____ range on your models?

_____ you _____ me about _____ technologies _____ fuel _____ electric range?

_____ can be used _____ improve the _____ lineup's gas _____?

Which _____ gas _____ and _____ range?

_____ the most _____ increased gas _____ range _____ the current lineup?

Which _____ contributes the _____ to _____ in _____ current lineup?

Which features are better _____ mileage _____ the _____?

What _____ boost fuel _____ range _____?

Which features _____ improving the gas _____ the _____ lineup?

Which technologies _____ fuel efficiency _____ current _____?

Which technological _____ the _____ impact on _____ or battery _____?

_____ technologies enhance the _____ of your _____?

_____ most responsible _____ increasing _____ mileage on the _____ lineup?

What tech is _____ vehicle _____?

_____ features help the _____ improve _____ mileage _____ range?

_____ or characteristics improves _____ of _____ vehicle?

_____ technologies _____ used to _____ fuel _____ your current _____?

_____ more responsible for improving gas _____?

Which technological advancement causes better fuel _____ increased _____?

Which _____ improve the gas _____ in the _____ lineup?

_____ technologies _____ mileage/electric range in your _____?

_____ technologies _____ in your _____ cars?

_____ technologies _____ having _____ greatest affect on _____?

_____ enhance gas mileage _____ range?

_____ technologies/ features _____ fuel _____ in your _____?

_____ technologies have the _____ impact on _____ right _____?

What technologies _____ the greatest impact _____ efficiency _____?

Which _____ are _____ in _____ to _____ the _____ gas _____ electric range?

Which _____ is helpful _____ gas mileage _____ the _____?

_____ you _____ me _____ technologies that excel in enhancing _____ and _____ your models?

Which features are _____ responsible for raising _____ lineup?

_____ technologies help _____ range?

_____ technology plays _____ crucial _____ improving gas _____ and electric _____ on _____ latest _____?

Can you _____ me _____ the _____ in _____ lineup that _____ efficiency?

Which _____ enhance _____?

_____ are the contributions of _____ to _____ MPG/EV _____?

_____ tech is the most _____?

Which features _____ the gas _____ on _____ current _____?

_____ what technologies _____ fuel _____ or electric range?

Do _____ features help _____ efficiency _____ your _____?

Which _____ lineup's mileage?

_____ technologies contribute _____ increasing gas _____ on _____ current lineup?

_____ the _____ mileage on the current _____?

_____ the greatest _____ fuel efficiency?

_____ technologies _____ to increase _____ energy _____?

_____ someone _____ you _____ tech increases _____ gas _____ your vehicle?

_____ technologies _____ to boost _____?

_____ you _____ me about the technologies _____ efficiency _____ range?

_____ key features _____ increase the _____ or electric _____ of _____ can be _____.

Which features are _____ improve the _____ gas _____ range.

Which _____ fuel _____ in _____ lineup?

Do _____ know _____ attributes target _____?

_____ features _____ gas _____ and electric _____?

Which _____ help improve _____ gas _____ and electric range?

I would _____ to _____ about _____ key technologies that excel at _____ fuel _____ and _____ range _____.

_____ your cars _____ far _____ and electric?

Which _____ help _____ mileage and electric _____?

Which features _____ the current _____ electric range?

Why are _____ features _____ for _____ mileage and _____ electric range on _____?

_____ contribute _____ towards improving gas _____?

_____ and features _____ most _____ improved gas _____?

_____ can help _____ the lineup's _____ mileage _____ range?

Which _____ help to _____ gas _____ range _____ current _____?

Do _____ know _____ technologies that excel at _____ fuel _____ electric range _____?

_____ more responsible _____ improved gas mileage _____ current lineup?

_____ tech or features do _____ your _____ efficient?

_____ you know _____ technologies/facets _____ range in your _____ models?

What _____ plays a crucial _____ mileage and electric _____?

Can _____ tech increases _____ mileage in _____ cars?

_____ features are useful _____ in the _____ lineup?

_____ electric range _____ most?

_____ technologies/features _____ maximize _____ efficiency _____ your _____?

Can _____ tell me _____ key _____ help increase gas _____ in _____?

Which features help the current _____ gas mileage _____?

_____ features _____ likely to _____ mileage in the current _____?

_____ helpful _____ improving gas mileage?

Which features _____ increasing the _____ mileage of _____ current _____?

_____ the _____ mileage and _____ range?

Which features of _____ car models are _____?

_____ are _____ increasing _____ gas mileage?

_____ features _____ the most _____ increasing _____ gas mileage?

Which _____ are helpful in _____ the _____ on _____ lineup?

Can you _____ me _____ excel at enhancing _____ efficiency and _____ in _____ current models?

Which features _____ are _____ gas mileage and _____ electric range?

_____ features _____ the _____ to _____ range?

Which features can help _____ the _____?

_____ features _____ responsible for _____ gas _____?

_____ tech _____ characteristics increase _____ range?

Which _____ gas _____ most right _____?

_____ current _____ fuel efficiency _____ range?

_____ technologies _____ the gas mileage _____ better?

_____ enhance gas mileage/electric _____?

Can you tell me _____ current _____ that _____?

_____ features _____ boosting gas mileage _____ extending electric _____ on recent _____?

Which _____ most _____ gas mileage and electric _____ currently?

_____ give the _____ more _____ efficiency?

Which _____ your _____ mileage?

Do you _____ any _____ enhance _____ efficiency and electric _____ in _____?

_____ enhance _____ mileage and electric range in _____?

_____ you _____ me about _____ key _____ efficiency _____ electric range in your _____ models?

_____ improves vehicle _____ range?

_____ technologies help increase _____ mileage _____ your _____?

_____ features the best _____?

_____ technological _____ affect _____ fuel _____ or increased _____ life?

Tell _____ about _____ that _____ at _____ efficiency _____ electric range in _____ models.

Do _____ know _____ that excel at increasing fuel _____ range _____ your _____?

_____ are the technologies having the _____ efficiency?

_____ you _____ me _____ current technologies that _____ gas _____?

_____ know _____ technologies _____ enhancing fuel _____ and electric range _____ vehicles?

_____ technologies do your _____ use to maximize _____ range?

Can _____ me _____ technologies _____ fuel efficiency and electric _____ lineup?

_____ technologies _____ the most impact _____ efficiency today?

Which features would _____ for _____ gas _____ car models?

Which technologies _____ current lineup's _____.

How _____ key features that increase the gas _____ or electric _____?

Which technologies _____ improve _____?

_____ know the technologies _____ your _____ lineup _____ increase _____ efficiency?

Which _____ are _____ for improving gas _____ on the _____?

Which _____ characteristics improve _____ range of _____?

What technologies _____ fuel efficiency _____?

Which _____ technology improves _____?

_____ most to improved gas mileage and electric _____?

_____ are helpful when _____ comes _____ mileage/electric _____ on the current _____?

Which features improve gas mileage _____ range _____?

Can you tell me _____ improve gas _____?

Do certain _____ fuel efficiency in _____?

_____ contribute _____ improved _____ mileage and electric range right _____?

Which _____ gas mileage and _____ in the current _____?

_____ features are _____ responsible _____ increasing _____?

Which _____ features contributes the _____ gas _____ electric range right _____?

_____ technologies _____ most involved in improved gas mileage _____?

_____ features _____ helpful _____ of _____ mileage?

_____ to _____ about _____ technologies that excel _____ efficiency _____ electric range in your _____ models.

_____ most responsible for improving gas mileage _____?

Which technology or _____ contributes _____ gas _____ and electric _____ in _____ lineup?

_____ technologies/ features _____ improve _____ range?

_____ you tell _____ technologies boost gasoline/petrol savings _____?

____ technologies/features contributes ____ improved gas ____ and ____ ?
 ____ tech improves fuel ____ when ____ ?
 What are ____ that ____ the ____ mileage of your ____ ?
 ____ technologies have ____ on fuel ____ now?
 ____ your ____ cars, how ____ certain ____ help ____ fuel ____ ?
 What ____ efficiency or electric ____ in ____ lineup?
 What ____ have ____ impact ____ fuel ____ now?
 Which ____ most ____ improve gas ____ ?
 ____ range and ____ efficiency?
 ____ me know what ____ increases gas mileage ____ car?
 I ____ know about the ____ that increase fuel ____ electric ____ current models.
 ____ features/ ____ improve ____ mileage the ____ ?
 ____ features improve ____ gas ____ recent ____ ?
 ____ help ____ gas mileage/electric range from ____ current ____ ?
 Which features ____ in ____ current ____ mileage and ____ range?
 ____ help the ____ gas mileage and electric ____ ?
 Can ____ me ____ technologies are ____ fuel economy in ____ models?
 ____ enhance ____ in your ____ car?
 ____ contributes most ____ improved ____ and ____ range right now?
 What technologies ____ having ____ impact ____ right now?
 ____ to ____ about the ____ that excel ____ fuel efficiency and ____ range in your ____ .
 Which ____ help improve ____ mileage ____ ?
 ____ you tell ____ the ____ increase fuel efficiency ____ electric ____ your ____ models?
 ____ let ____ know ____ tech ____ gas mileage ____ your car?
 ____ features help ____ gas ____ the ____ ?
 What ____ maximize fuel ____ your current ____ ?
 ____ enhances ____ mileage in your ____ ?
 ____ the ____ selection, what ____ does it ____ efficiency?
 I ____ to know ____ fuel efficiency and ____ range ____ current models.
 ____ contribute the ____ to ____ gas mileage and ____ at the moment?
 ____ features do you think are ____ boosting ____ recent ____ ?
 ____ and ____ help ____ the fuel economy on existing ____ ?
 ____ technological features ____ gas ____ the ____ ?
 ____ certain ____ help to ____ fuel ____ on ____ models?
 ____ boost fuel efficiency or electric range significantly?
 Which features helps ____ the ____ mileage and electric ____ ?
 ____ help ____ improve ____ gas mileage ____ the current lineup?
 ____ do ____ think ____ to improve ____ the current lineup?
 ____ features help improve gas ____ on ____ current ____ ?
 ____ crucial ____ improving ____ mileage ____ electric range on your latest ____ ?
 Does ____ tech ____ increase ____ efficiency or electric ____ ?
 ____ technologies ____ gas ____ range?
 Which technologies ____ improved ____ electric range in the current ____ ?
 ____ do ____ responsible for ____ gas mileage on ____ cars?
 ____ help ____ gas mileage ____ current lineup.
 ____ are ____ for ____ gas ____ and ____ on current car models?
 Which ____ or ____ vehicle's range?
 ____ you ____ me the key technologies ____ efficiency ____ range?
 ____ certain ____ help ____ in your cars?
 ____ features are ____ boost ____ mileage ____ extend electric range on ____ ?

_____ someone _____ me what tech increases _____ mileage _____ _____ ?
 _____ technology _____ vehicle range?
 _____ in helping to improve _____ current lineup's gas mileage _____ _____ ?
 _____ features are _____ responsible _____ gas mileage?
 _____ features _____ improve gas mileage _____ ?
 _____ features _____ the current _____ gas mileage/electric range?
 _____ features _____ to improve the _____ mileage/electric range?
 _____ features help increase the _____ range?
 Can someone _____ you what _____ car enhances _____ ?
 Which _____ causes _____ fuel economy _____ life on your _____ lineup?
 Which features _____ helpful _____ increasing _____ the current _____ ?
 _____ technology is _____ in improving _____ range on your latest _____ ?
 Which features can _____ improve _____ lineup?
 _____ improve _____ mileage and _____ range the most?
 _____ the tech features _____ your car _____ fuel _____ range?
 Which _____ maximize _____ and _____ range _____ your car?
 Which technologies boost _____ in _____ ?
 _____ you tell _____ the _____ that excel _____ enhancing fuel efficiency and _____ ?
 What _____ you _____ improve gas _____ and electric _____ ?
 Can _____ key features that _____ mileage or electric _____ in your _____ ?
 _____ tell _____ what technologies excel _____ efficiency and electric _____ ?
 _____ certain technologies help _____ efficiency _____ your car?
 Can you _____ me what _____ mileage _____ ?
 _____ help _____ gas _____ range _____ the current lineup?
 What technologies are used _____ current _____ fuel _____ ?
 _____ helping _____ improve _____ current lineup's gas mileage/electric range?
 _____ tech makes _____ efficiency _____ ?
 _____ help _____ of your vehicles?
 Which _____ think help to _____ mileage _____ the current _____ ?
 Which _____ involved in _____ mileage _____ the current _____ ?
 _____ technologies contribute _____ most _____ mileage?
 _____ technologies help _____ efficiency
 _____ me about the _____ enhance fuel _____ range in your cars?
 _____ are most important _____ gas _____ range?
 What features _____ you _____ gas mileage and _____ electric _____ car _____ ?
 _____ able _____ tell me _____ increases _____ mileage in _____ car?
 Which _____ more _____ for improving mileage in _____ ?
 Which _____ help _____ helping _____ improve _____ current _____ mileage?
 _____ are _____ improving gas mileage right now?
 Which _____ improving the gas _____ the current _____ ?
 Which _____ are helpful to _____ mileage from _____ ?
 _____ features help _____ improve _____ gas mileage _____ range?
 Which _____ most _____ improved _____ mileage _____ electric range _____ now?
 _____ gas _____ the most?
 Can _____ features that increase _____ gas mileage of _____ ?
 Do you know the key _____ excel _____ fuel efficiency _____ in your _____ ?
 _____ most _____ gas mileage and _____ range currently?
 _____ technologies enhance gas _____ in _____ ?
 _____ excel _____ increasing _____ efficiency and electric range in _____ ?
 What features _____ they _____ mileage _____ extending electric range?

_____ technologies help _____ increasing _____?

_____ technologies have _____ most _____ on fuel _____?

Which technology/feature _____ most to _____ electric range _____ now?

_____ features _____ the most responsible for _____ mileage _____ current _____?

Can _____ me about _____ technologies _____ increase fuel efficiency _____ range _____ current models?
_____ improve gas mileage _____?

_____ have had the greatest _____ on _____?

_____ to _____ gas mileage _____ the current lineup?

_____ are useful to improve the _____?

_____ do certain _____ help maximize _____ efficiency _____ cars?

Which features _____ improving _____ range _____ current lineup?

_____ lead to _____ mileage on the _____ lineup?

_____ that _____ gas mileage and _____ range?

What features are _____ for _____ gas _____ cars?

Which technology/feature _____ important in _____ electric range?

Which features help _____ range _____ the _____ lineup?

_____ you show us the features that _____ of our vehicles?

_____ features improve _____ mileage the _____?

Can you _____ features _____ the gas _____ electric _____ your vehicle?

Which features help _____ mileage _____?

What technologies help _____?

What tech _____ boost _____ car _____ the _____?

Which features _____ improve the gas _____ lineup?

_____ contribute the _____ gas mileage/electric range?

Which _____ is _____ to improve _____ mileage _____ the current _____?

Can _____ show _____ the _____ that help increase the _____ electric _____ our vehicles?

_____ to improved gas _____ and electric range in _____ lineup?

Which _____ help improve gas _____ the current _____.

_____ do you think _____ go _____ gas and electric?

Can _____ me _____ the key _____ excel at _____ fuel efficiency _____ electric _____ in _____ models?

_____ you tell _____ target better gas/electric _____?

_____ do you _____ helps your _____ go long _____ range?

_____ to improved _____ electric _____ in the lineup right now?

_____ or feature is most important in improving _____ on _____ latest _____?

Which _____ helpful _____ current lineup _____ improving gas _____?

_____ can help improve _____ lineup's _____ mileage _____ range?

Which technology/feature _____ gas mileage _____ electric range _____ latest models?

Which technologies _____ most to _____ gas _____ and _____?

_____ technologies _____ the most _____ gas _____?

_____ features _____ for boosting _____ mileage _____ extending _____ in recent car _____?

Which _____ increase _____ mileage/electric range?

_____ features _____ responsible for _____ gas mileage?

_____ features and tech _____ gas _____ most?

Can you _____ us _____ that help _____ the _____ mileage _____ our _____?

Which _____ can _____ improve the _____ mileage _____ of the current _____?

_____ specific _____ or characteristics improves _____?

Can _____ me about the _____ that _____ efficiency?

What are _____ key _____ current _____ enhance fuel efficiency?

_____ in improving _____ lineup's gas mileage and electric _____?

Can _____ about the _____ that increase fuel _____?

_____ directly affects better fuel economy _____ battery _____ on your _____?

_____ features _____ helping to _____ gas _____?

Which features are _____ improve _____ gas mileage?

Can _____ tech gives _____ more gas _____ your car?

_____ features _____ the current lineup's gas mileage _____ range?

_____ you think _____ gas mileage and electric _____?

_____ technologies _____ the _____ mileage in _____?

Which technological _____ directly impacts _____ fuel _____ battery life _____ lineup?

_____ help increase _____ mileage _____ range?

Which _____ are helpful _____ helping _____ improve the lineups _____?

_____ maximize _____ efficiency in _____ cars.

_____ most improved _____ mileage and electric range in the _____?

_____ features _____ mileage most?

_____ you think enhances gas _____?

Which technologies enhance _____ fuel _____ current _____?

_____ technologies _____ gas _____ in your models?

_____ there _____ key technologies _____ your _____ increase _____ efficiency or electric _____?

_____ enhance your gas _____?

Which tech adds _____ mileage?

_____ features _____ important _____ improving _____ mileage and electric _____ your latest _____?

Which _____ help _____ the lineup's _____ mileage _____?

_____ the most to _____ mileage and electric _____ currently?

What _____ have made _____ biggest _____ on _____?

Which _____ the greatest effect _____?

Which _____ the gas mileage and _____ range _____ lineup?

What _____ key _____ mileage or electric _____ of your vehicle?

Which technologies help _____?

Which features are _____ responsible for making _____?

_____ technological _____ better fuel economy or increased _____ current lineup?

Which _____ a key role _____ gas mileage on _____?

_____ me about _____ technologies that _____ enhancing fuel efficiency _____ electric range _____ your _____ models?

_____ you point out _____ that help _____ mileage _____ your vehicle?

_____ technologies contribute _____ improved gas mileage and _____ the current _____?

_____ tell me what technologies enhance gas mileage _____?

Can you _____ me the _____ technologies _____ efficiency?

_____ increase _____ mileage in _____ models?

_____ gas mileage of _____ vehicles?

Which technologies _____ mileage/electric range _____ current _____?

_____ certain additions help _____ fuel _____ on existing _____?

_____ features _____ useful _____ improving the _____ mileage?

Which features are _____ the improved _____ on the _____?

_____ me _____ technologies _____ fuel efficiency and electric range in your current _____?

Which _____ are _____ lineup's _____ mileage and electric range?

Which stuff helps your cars go _____?

Which technologies have _____ greatest _____ on fuel _____?

_____ features and _____ mileage the _____?

_____ do _____ technologies help maximize _____ efficiency in _____?

_____ features _____ helpful _____ the _____ lineup's gas mileage/electric _____?

Can _____ enhance fuel efficiency or electric _____?

Can _____ me _____ technologies that _____ fuel _____ or electric _____?

_____ improve _____ mileage the most?

_____ tell me _____ technologies _____ boost the fuel economy _____?

_____ responsible for making gas _____?

Which _____ or _____ to _____ gas mileage and _____ range right _____?

_____ features _____ responsible _____ better gas _____?

Which _____ raising _____ mileage _____ the current lineup?

Can _____ me _____ increase my _____ efficiency?

_____ increase _____ mileage?

Which _____ is crucial _____ improving _____ mileage and _____ your _____?

Can you highlight _____ features _____ increase _____ of your vehicle?

Which _____ in _____ the current lineup's gas mileage/electric _____

_____ me about the _____ that are _____ the gas _____ my vehicle?

_____ technologies that _____ mileage and electric range?

What _____ is _____ to _____ electric range _____ your cars?

What _____ technology _____ it _____ improves gas _____ and _____ range on _____?

Do _____ know what technologies excel _____ fuel _____ range _____ your _____ models?

Which _____ can _____ gas mileage _____ most _____ current _____?

_____ feature _____ important in _____ gas mileage and electric _____ on _____?

Which _____ you _____ mileage?

_____ technologies _____ mileage in _____ vehicle?

_____ technologies _____ current _____ with _____ fuel efficiency?

Which _____ contribute _____ improved _____ mileage _____ range in _____ lineup right _____?

Which _____ help improve gas mileage _____ lineup?

_____ know the key features _____ help increase _____ range _____ your vehicles?

What _____ are more _____ improving _____ mileage _____ current lineup?

What technologies _____ at _____ in your _____?

_____ features _____ helpful in _____ lineup's gas mileage?

What _____ are responsible _____ gas mileage _____ range on recent _____?

Which _____ the most to _____ mileage/electric _____?

_____ technologies enhance _____ efficiency?

_____ are responsible for _____ gas _____ on recent _____?

Which _____ improving gas _____ the current lineup?

_____ you _____ me about _____ features _____ gas mileage of _____ vehicles?

_____ improve _____ mileage the most?

_____ technologies enhance gas _____ current models?

_____ increasing the gas mileage _____ electric range of your vehicles?

Which features can _____ improve _____ range _____ current lineup?

_____ do _____ think _____ your car go further on _____?

Which _____ the fuel _____?

Which _____ advancement leads to _____ battery life?

Can _____ identify _____ technologies in _____ lineup _____ improve fuel _____?

Which features are _____ to _____ mileage or electric _____ the _____?

_____ features are responsible _____ gas mileage and _____ range on _____?

Which _____ increase the gas _____ of _____?

Which _____ contributed the _____ gas mileage _____ current lineup?

Which features _____ gas mileage/electric range _____ current _____?

Which _____ would help improve _____ current _____?

_____ gas mileage/electric range?

Which _____ fuel efficiency _____?

_____ features help to _____ the current _____ gas mileage _____?

_____ know _____ technologies _____ fuel economy _____ your models?
 _____ features can help _____ gas mileage/electric _____ lineup?
 Which _____ improve _____ gas mileage/electric _____?
 _____ tell me _____ technologies _____ at enhancing _____ and electric _____ in your _____?
 Can _____ features that help increase the _____ your vehicle?
 Which features _____ the lineup _____?
 _____ you have _____ technologies _____ excel _____ and electric range _____ your models?
 Does _____ features _____ your car help _____ or electric _____?
 _____ the _____ on your _____ increase the range _____ efficiency?
 _____ your gas mileage?
 Can someone let you know _____ in your _____?
 Can _____ the technologies _____ enhance gas _____?
 _____ help improve _____ current lineup's _____ mileage and electric _____?
 _____ features _____ gas mileage in _____ car models?
 _____ do _____ current car help maximize _____ efficiency?
 Which technologies _____ with _____ and _____ in the current _____?
 Which _____ more _____ better gas mileage on _____ current _____?
 _____ do certain _____ help maximize _____ your car?
 Which technologies _____ towards _____ mileage?
 Which features _____ technology _____ my _____ range _____?
 _____ technologies contribute _____ improved gas mileage _____ electric _____ the _____?
 _____ technologies contributes the _____ to _____ gas _____ and _____ now?
 _____ most to the _____ gas mileage _____ range _____ now?
 Can _____ tell _____ technologies that help boost _____?
 _____ contribute _____ increasing _____ mileage?
 Can _____ tell _____ what _____ boost _____ our cars?
 _____ technologies _____ gas _____ the most?
 What are _____ technologies _____ lineup _____ increase _____ efficiency?
 _____ help maximize _____ in your _____?
 Which technologies contribute the most to _____ gas _____ in _____?
 Which _____ improve gas _____ models?
 Which technology plays a _____ improving gas _____ and _____ on _____?
 _____ features _____ the current _____ improve the gas _____?
 _____ help _____ mileage in _____ models?
 _____ exact _____ your _____ mileage?
 _____ are responsible for _____ extending electric _____ on cars?
 Which _____ gas mileage?
 _____ features can _____ gas _____ of the current lineup?
 _____ tech _____ gas mileage _____?
 Which _____ to improve _____ current _____ gas mileage _____ range?
 Can someone _____ us know what _____ in your _____?
 _____ features are helpful in _____ improve _____ current _____ and electric range.
 Which features aid _____ gas _____ current lineup?
 _____ features _____ improve the _____ gas mileage and range?
 Which features _____ you _____ improve _____ on _____ current lineup?
 _____ features _____ more _____ making the current _____ more _____?
 _____ are _____ in _____ increase gas mileage on _____ current _____?
 Which _____ help to improve _____ and _____ from the _____?
 _____ features are _____ it comes to _____ gas mileage/electric range?
 _____ technological _____ contribute most _____ improved gas mileage _____ electric range _____?

_____ are more _____ for _____ gas mileage _____ current lineup?

Do _____ the key technologies that _____ efficiency _____ electric _____?

_____ technologies can _____ to _____ fuel efficiency _____ current cars?

_____ tell _____ enhance fuel efficiency _____ electric range?

_____ features are _____ helping to _____ gas _____?

Which _____ responsible for _____ gas mileage?

_____ point out the _____ that help _____ mileage or electric _____?

Which _____ your _____ go _____ on gas or _____?

Which _____ to _____ gas _____ from _____ lineup?

_____ that _____ mileage on _____ current _____?

Which features _____ helpful _____ increasing gas _____ current _____?

Which features _____ in _____ the _____ mileage _____ range?

Which _____ contribute the _____ to _____ gas _____?

Which features are _____ for _____ gas _____ on _____?

_____ features _____ to improved _____ mileage in the _____ lineup?

_____ technology contributes _____ increasing _____ mileage?

Which features contributes _____ gas mileage and _____ in _____ lineup _____?

Which _____ helpful to _____ current _____ mileage and electric _____?

_____ contribute _____ to improved gas mileage _____ electric range _____ lineup?

_____ excel at _____ efficiency _____ range in your cars?

Which stuff _____ your _____ go _____ gas _____ range?

Which _____ help _____ mileage _____ lineup?

Which _____ in your vehicle?

_____ technologies increase _____ lineup's _____?

Do _____ boost _____ or electric range _____ your _____?

I would _____ which _____ at _____ efficiency and electric range _____ your _____.

Which features/ tech _____ gas _____?

Which _____ the _____ mileage and electric _____ in _____ lineup?

_____ know the _____ improve fuel efficiency and electric _____ models?

_____ features are _____ improving gas _____ on the current _____?

Which features _____ improving gas _____ the _____ lineup?

_____ improve gas mileage in _____ vehicles?

Which _____ with _____ gas mileage and _____ right _____?

What do _____ do _____ help _____?

What _____ improving _____ mileage and electric _____ your models?

_____ you point out the key features _____ gas mileage _____ range _____?

_____ features _____ believe are responsible _____ increasing _____ on recent _____ models?

_____ are the _____ that _____ efficiency in your _____?

_____ technologies _____ most _____ improvement of _____ mileage?

Which _____ helpful _____ increase _____ mileage/electric range from _____ current _____?

What are _____ technologies _____ increase _____?

What _____ fuel efficiency/electric _____?

Can _____ tell me _____ add-ons boost _____ efficiency in _____?

Can _____ tell me about _____ that _____ gas mileage _____ electric _____ in _____?

_____ technologies enhance _____ range _____ current model?

_____ about highlighting _____ increase the gas _____ or _____ range _____ vehicles?

_____ you _____ the technologies _____ increase _____ fuel _____ of _____ new models?

_____ would _____ highlight _____ boost gas _____ and extend electric range on _____?

Can _____ about _____ excel _____ fuel efficiency in your current models?

Which _____ gas mileage _____ the current lineup?

_____ aid in _____ efficiency?

Which technologies _____ gas _____?

_____ or characteristics can increase _____?

Certain options could _____ grow _____ existing _____.

_____ me about the _____ that excel _____ increasing _____ efficiency and electric _____ models?

Which _____ are _____ gas _____ on the current lineup?

Which features _____ improve _____ gas _____ range on _____ current _____?

_____ are the contributions _____ techniques to _____ distance?

What _____ in _____ responsible for boosting _____ and _____ electric range?

Key features _____ increase _____ mileage of your _____ be _____.

What features or _____ range better on your _____?

_____ have the _____ on fuel efficiency _____ now?

I want to know about _____ that _____ electric range in your _____.

_____ features _____ the gas mileage/electric _____ of _____ current _____?

_____ features _____ most _____ on _____ mileage?

_____ features enhance _____ mileage _____ range.

_____ features _____ to improving gas mileage?

_____ features _____ think _____ responsible for _____ gas mileage?

_____ responsible for boosting gas mileage _____ models?

_____ features help maximize _____ in your _____ cars?

What technologies _____ fuel efficiency _____ range _____ your models?

_____ tech _____ your car _____ your _____ efficiency?

_____ features _____ useful _____ helping _____ improve the lineup's _____ mileage/electric _____?

_____ you _____ what _____ at enhancing fuel efficiency and _____ range _____ current _____?

_____ you tell _____ the technologies that _____ efficiency _____ electric _____ in _____ current _____?

_____ key _____ that improve fuel efficiency?

_____ technologies _____ the current _____ range _____ fuel _____?

Which _____ most to improved _____ and electric range _____?

Do _____ know the _____ your current lineup _____ increase _____?

Which features are _____ improving the _____ the _____ lineup?

Which _____ the _____ to improved gas mileage _____ right _____?

_____ technological _____ the greatest impact on _____ economy _____ battery life?

Fuel efficiency _____ current _____ tech?

Which _____ to _____ mileage _____ range _____ the current lineup?

Which _____ the most _____ gas _____?

_____ technologies/features improve gas mileage _____ on the _____?

_____ there _____ technologies that excel _____ efficiency and electric range _____ your _____?

_____ features are responsible _____ increasing _____ on recent car models?

Which technologies help _____ car?

Do _____ know which _____ fuel _____ or electric _____?

Which _____ improves _____ in the _____?

Which _____ a _____ impact on _____?

_____ help maximize fuel efficiency and _____ your _____?

What features are _____ gas _____ and electric _____ recent _____ models?

What technology plays a _____ role in _____ electric _____?

What _____ you think _____ car _____ farther _____ gas _____ electric _____?

_____ curious _____ the technologies _____ enhancing _____ and electric _____ in your models.

Which technologies _____ the _____ to _____ electric range?

Which features are useful in _____ the _____ lineup's _____?

Which _____ responsible _____ improving _____ lineup's gas mileage?

Which _____ make the _____ difference in _____?

Which _____ in helping improve _____ current _____ mileage range?

_____ specify the _____ gas mileage?

_____ features _____ improve _____ lineup's gas _____?

I'm _____ technologies _____ excel _____ increasing _____ efficiency and electric range _____ your _____.

Which features _____ in _____ to _____ mileage?

_____ the things _____ help _____ go far on _____ or _____?

Which _____ most to _____ gas mileage _____ range?

Which features are helpful _____ improving _____ mileage _____ range _____ current _____?

_____ technologies _____ fuel efficiency/ _____?

_____ have _____ question about _____ technologies that excel _____ fuel _____ range _____ your current models.

Which _____ in helping improve _____ gas mileage?

What technologies _____ the _____ to improving _____ mileage?

Which technologies _____ improved gas mileage _____ the _____?

_____ features are _____ in _____ to _____ the _____ lineup's gas _____?

_____ to improve gas mileage _____ current lineup?

_____ tell _____ the _____ that _____ fuel _____ in my models?

Can _____ the _____ that _____ gas mileage or _____ range of your _____?

_____ are _____ in _____ increase gas mileage on _____ current _____?

Which _____ advancement _____ impacts _____ economy _____ on your lineup?

Which _____ the greatest _____ fuel efficiency now?

_____ of _____ current lineup are _____ for improving _____?

How can specific _____ help improve gas _____ electric _____?

Do _____ know what technologies improve _____ electric _____?

Which _____ helpful _____ increasing _____ mileage _____?

_____ helpful _____ helping to _____ the current _____ mileage/electric range?

_____ technology _____ that helps improve _____ mileage _____ electric _____ on your _____?

Which _____ are _____ helping _____ improve the _____ and electric _____ the current lineup?

_____ features _____ are responsible _____ increasing gas mileage?

_____ features _____ to improved gas mileage _____ electric range _____ the _____?

Which features increase _____ electric range _____?

_____ specific _____ improves _____ vehicle's _____?

What _____ the _____ effect on _____ efficiency?

_____ features help _____ current lineup _____ mileage _____ range?

What features _____ mileage/electric _____ the _____?

Which technologies increases _____ lineup's _____?

Which technologies contribute to _____?

Which features _____ more responsible for _____ mileage _____ the _____.

_____ tell _____ technologies _____ fuel _____ in your models?

_____ technology contributes the most to _____ the _____ lineup?

Which _____ helpful for increasing _____ from the _____?

_____ help _____ most with improved _____ and electric _____ now?

Can _____ additions _____ to _____ on existing models?

_____ technologies _____ highest impact on fuel _____?

Which _____ assist _____ improving the current _____?

Which _____ contributes _____ to _____ mileage?

What _____ technologies in _____ current lineup _____ increase _____ efficiency _____ range?

_____ are most involved in improving _____ on _____ lineup?

_____ features do _____ make your cars _____ gas _____ range?

Which _____ improves _____?

What ____ do you think ____ gas ____ range ____?
____ you ____ about ____ that help increase ____ mileage or ____ range ____ vehicle?
Which ____ helps ____ car ____ farther on ____ range?
____ tell ____ technologies ____ that improve gas mileage?
Which technologies ____ the ____ in ____?
Which ____ improves vehicle ____ and ____?
Which features ____ helpful ____ range on the current ____?
____ features are ____ in ____ current lineup's ____ and electric range?
____ features ____ to ____ gas mileage ____ the ____ lineup?
Which ____ most to improving ____?
____ tech ____ the ____ impact ____ car mileage?
Which feature contributes the ____ gas mileage ____ now?
Which features ____ mileage ____ the current lineup?
____ technologies increase ____ fuel ____?
Which ____ contributes ____ most to ____ mileage ____ range?
____ features are helpful ____ helping ____ improve ____ on ____ current ____?
Which technologies ____ current lineup's ____?
____ tech ____ your car ____ fuel efficiency ____ electric range?
____ tech does it ____ mileage the ____?
____ to improve the ____ in the current lineup?
____ features are ____ in helping the ____ mileage/electric ____ lineup?
Can you ____ increases ____ mileage ____ my cars?
