

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle complaints and quality concerns
Inquiry Sub-Category	Electrical System Failure
Description	Customers experience problems with the vehicle's electrical system, including faulty wiring, light failures, or malfunctioning infotainment systems, which can result in safety hazards or inconvenience.
Data Size	12,108 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ we _____ future updates to _____ reliability _____ and entertainment features _____ board?

Is the performance _____ of _____ electricals and entertainment _____ improve?

Do you _____ to upgrade dependability for _____ entertainment via _____?

_____ possible to _____ future updates to improve reliability _____ entertainment on _____?

Is _____ electrical and _____ functions _____ to _____ with _____ updates?

_____ you think _____ reliability of _____ electronics _____ upcoming updates?

Will _____ reliability for electronic _____ systems?

_____ predicted improvements in _____ both onboard _____ entertainment functions?

Will the _____ electric _____ increase?

_____ to upgrade the dependability for _____ electrics _____ entertainment in the _____?

_____ dependability _____ both _____ provision _____ recreational amenities in future _____?

Will future _____ for _____ and onboard entertainment?

Is there an upcoming _____ that _____ vehicle _____?

Future _____ improve _____ of onboard _____.

Will _____ updates _____ onboard _____ electricals reliable _____?

Is the _____ for _____ electrics and _____ updates?

_____ upcoming updates improve dependability _____?

_____ future updates promise _____ electrics and entertainment _____?

Upcoming _____ improve stability for _____ in-flight _____ offerings.

Is _____ reliability _____ general _____ and _____ with future _____?

Is _____ of electrics and _____ to improve?

Will _____ issues _____ onboard entertainments?

Is it _____ Electrics and _____ to be _____ future _____?

_____ possible that _____ updates boost _____ electronic _____ entertainment systems?

_____ we have _____ hope _____ reliability in _____ updates of _____ and entertainment _____?

Is _____ too _____ to _____ if _____ reliability for _____ electrics and _____ entertainment?

_____ your _____ better reliability for _____ features?

_____ and dependability _____ electricals and entertainment functions _____ better with _____ updates?

Will _____ and _____ electrics improve through future updates?

Do _____ anticipate _____ utility _____ and recreational amenities in _____?

Will the upcoming _____ of electric systems _____?

_____ the _____ onboard electronics and _____ expected to _____?

_____ reliability of _____ electrics and _____ improved through future updates?

_____ expect improved reliability in _____ electrics _____ with future _____?

Is it _____ to anticipate _____ car electronics moving _____?

Will future _____ the _____ general technology and _____?

_____ improve _____ and entertainment options?

_____ upcoming upgrade _____ issues with gene electronics _____?

Is _____ appropriate _____ expectations _____ general electric and _____ on board?

_____ a _____ of better performance _____ regarding electronics _____ leisure offers?

Enhancements _____ general electric and entertainment _____ our _____.

_____ reliability in general electric _____ well as _____ could _____ the horizon?

_____ we _____ dependable _____ from _____ in the future?

Can we hope _____ electrics _____ in future updates?

Is it too much _____ for _____ reliability _____ electrics _____ fun?

_____ look forward to enhanced reliability _____ electric systems _____ well _____ on board _____ capabilities?

_____ upcoming improvements _____ dependability of the electrical and _____ the _____?

Will upcoming updates _____ dependability _____ features?

General _____ and entertainment _____ board, _____ we _____ future _____?

_____ future improvements improve _____ for _____ electrics _____ entertainment?

Should _____ updates _____ of general electrics and entertainment _____?

Is _____ expected that _____ electronics and integrated _____ functions will _____ in _____ future?

Will we _____ improved reliability _____ electronics in _____?

Can _____ anticipate _____ reliable _____ electronics _____ the car?

Will we _____ improved _____ features _____ upcoming updates?

Is the performance of _____ entertainment functions _____ improved _____ upcoming _____?

Will the _____ improvements in _____ and _____ stuff _____?

_____ upcoming updates _____ the dependability of _____ gadgets?

_____ updates improve _____ of general _____ entertainment features?

Our expectations _____ enhanced electric _____.

_____ the onboard electrics _____ improvements?

Are there _____ measures _____ improve reliability _____ electronics and _____ options?

_____ there a plan to improve internal _____?

_____ onboard electricals _____ improved?

Will the _____ of _____ and _____ systems be boosted _____?

_____ improvements _____ reliability for _____ electrics _____ onboard entertainment

_____ we _____ improved reliability in upcoming _____ both _____ and _____ electrics?

_____ updating the basic electricals _____ onboard _____?

Will future changes _____ reliability _____ and _____?

Will the _____ to _____ entertaining _____ board vehicles _____ to better _____?

Will future _____ the dependability _____ systems _____ entertainment?

Will _____ enhance _____ of onboard _____?

_____ upcoming updates _____ onboard _____ reliable?

Can future _____ improve the reliability _____ on _____ vessels?

Is the endurance of _____ leisure _____ going to _____?

_____ updates bolster reliability _____ electronics _____ systems?

Is _____ any plan to _____ the dependability _____ general _____ as onboard _____ software enhancements?

Will _____ future _____ have _____ for electric and _____?

Will _____ updates _____ more _____ both general _____ and _____ entertainments?

Will we _____ improvements _____ electricals and entertaining _____ on board _____?

Will _____ of _____ entertainment on _____ be improved by future _____?

Will future updates _____ electrical _____ as _____ as _____?

_____ possible _____ improve electrical reliability and _____ choices _____ board?

Will upcoming _____ become more reliable _____ and onboard _____?

_____ get better _____ the improvements to electricals _____?

Can we _____ improved _____ in upcoming _____ and entertainment?

_____ expect more _____ in _____ systems as well as _____ capabilities?

_____ future _____ reliability for _____ equipment?

Is it _____ more _____ performance from car _____?

Will forthcoming improvements boost _____ in _____ systems _____?

Will upcoming updates make general _____ more _____?

_____ electronics _____ entertainment _____ will likely _____ in upcoming _____.

Are you _____ reliability _____ updates for the electricals _____ entertainment?

_____ improvements _____ issues with onboard _____?

Will _____ upgrades _____ dependability of _____ features _____?

Is it possible _____ reliability _____ electrical systems and _____?

_____ updates _____ increased reliability to _____ electric _____ and onboard _____?

_____ could possibly _____ for both _____ systems and onboard _____.

Is _____ expectation _____ increased _____ general electric system and _____?

Will upcoming _____ issues _____ onboard _____?

Will _____ future updates _____ more reliable electrics _____?

_____ general _____ entertainment have better _____ future updates?

Will _____ updates improve _____ both _____ electric _____ and onboard _____?

_____ too much to ask _____ improvements to reliability _____ onboard _____?

_____ enhancements might _____ and trustworthiness of _____ and on-demand _____.

Will the _____ of _____ entertainment features _____ be improved _____ updates?

Can we _____ improved _____ for _____ electrical _____ features in _____ future?

Are _____ levels _____ onboard electronics _____ future?

Should we _____ reliability _____ general electrics and entertainment _____ improved in _____?

_____ better general electrics and _____ future updates?

_____ increase efficiency and _____ common _____ and on-demand entertainment.

_____ it _____ to _____ increased reliability _____ general electric _____ on-board multimedia capabilities?

_____ we _____ improved reliability _____ of _____ entertainment _____ with future updates?

Can we _____ more reliable _____ electrics _____ updates?

_____ you think _____ will improve _____ reliability of _____ and _____?

Will future _____ the reliability of _____ and _____?

Could _____ look _____ to _____ reliable electric systems _____ on-board _____?

Is there _____ to the performance and dependability of _____ entertainment _____?

Will _____ be updates _____ the _____ general _____ systems?

Will the reliability _____ on the _____ be improved?

Can _____ anticipate improved _____ upcoming updates for general _____ and _____?

_____ upcoming _____ make the onboard _____?

_____ for both utility _____ amenities _____ something we should _____ to.

Will there _____ to _____ regarding _____ or leisure offers?

Is it possible _____ the electric systems and entertainment _____ in _____?

_____ we expect improved _____ it comes to _____ electrics _____ entertainment _____?

_____ it too much _____ ask _____ you _____ electrics _____ onboard fun?

_____ improvements for _____ reliability?

_____ upgraded electric and entertainment.

The _____ of _____ and entertainment on _____ be _____.

_____ are expected to _____ reliability of utilities and _____.

Will _____ enhance the _____ electrical systems _____ entertainment features _____ the future?

_____ upcoming _____ the electric _____ onboard _____ more reliable?

Is _____ possible that _____ will _____ better reliability _____ electric _____ entertainment _____?

There are _____ to _____ the _____ features.

Will _____ increase _____ of electrics?

Is there _____ for future updates _____ reliability _____ and _____ features?

_____ much of a _____ to _____ reliability for standard _____ and _____ stuff?

_____ we able _____ enhanced _____ for both electrical _____ features?

Will _____ improvements increase efficiency and _____ of _____ common electrics _____?

Can we expect _____ see _____ reliability _____ electrics _____?

Can we _____ see more _____ electrics _____ updates?

_____ reliability for _____ systems _____ entertainment _____?

_____ both _____ and entertainment functions could be improved with _____.

_____ reliability for general electrics _____ improve with _____ future _____?

_____ we _____ more _____ performances _____ car _____?

Should we expect the reliability _____ to be _____?

Will _____ be possible for _____ entertainment _____ aboard?

_____ we _____ improvements _____ reliability _____ electrics and entertainment _____?

_____ expectation for _____ reliability in the general electric _____?

_____ possible to _____ enhanced reliability _____ entertainment _____ board?

_____ there expectations _____ reliability _____ the general electric system _____?

Will _____ updates _____ improved reliability _____ electric systems _____?

_____ the forthcoming upgrades improve _____ electrical function _____ leisure features _____?

_____ for both electrical systems and _____ be possible in _____?

_____ a chance _____ the _____ update will _____ reliability _____ both _____ systems _____ onboard _____?

Is future updates _____ to _____ of _____ and onboard _____?

_____ any _____ that _____ will improve _____ improvements in electricals and _____?

Will the _____ for _____ and _____ improve in _____?

Is there _____ to _____ reliability for basic _____ onboard _____?

_____ future _____ reliability for _____ system and _____ board?

_____ we _____ future updates _____ reliability for general electrics _____ board?

_____ the reliability levels for _____ integrated _____ functions improve?

_____ updates _____ reliability and entertainment _____ board?

_____ plans to _____ the _____ and entertainment _____?

Is it _____ improved reliability in general _____ and _____?

Will the _____ have _____ reliability _____ electronics _____ entertainment _____?

_____ we expect to _____ reliability _____ and entertainment?

Will _____ make _____ electrics and entertainment more _____?

Will _____ upgrades enhance _____ of _____ amusements?

_____ upcoming _____ improve reliability _____ electrical systems?

Will there be _____ improvement _____ reliability _____ upcoming updates _____ electric _____?

Is _____ any chance of _____ both _____ provision _____ amenities in _____ releases?

_____ upcoming _____ for electric components and _____ amenities going _____ better?

_____ future _____ make _____ more reliable?

_____ better _____ from upcoming upgrades to _____ well as _____ board vehicles?

Is _____ improvement to _____ both general electricals _____ entertainment functions?

Will the upcoming _____ have _____ reliability _____ systems?

Are _____ planning _____ measures to _____ for _____ and _____ options?
 _____ it a possibility _____ future _____ improve electrical _____ and _____?
 _____ possible that _____ will _____ and fun-on-board things.
 _____ electrical systems and onboard entertainment _____ dependability?

The endurance _____ general technology _____ could be _____ by _____.

Is _____ any _____ of _____ for _____ and entertainment?

_____ it possible _____ reliability _____ the electrical _____ the future?

Will _____ reliability in _____ future _____ general electrics and _____ systems?
 _____ there _____ reliable electrical _____ and entertainment _____ in the _____.

_____ entertainment _____ are _____ to _____ improved in upcoming updates.

Is _____ too _____ to _____ improvements to reliability _____ standard _____ and _____ stuff?

Do _____ will improve reliability _____ general electrics and _____ systems?

Is _____ to _____ forward to enhanced _____ general electric _____ on-board _____?
 _____ future _____ improve the _____ of electrics _____ entertainment _____?
 _____ improved reliability _____ and entertainment?

Will future _____ improve reliability for general _____?

Does future updates promise _____ electrics _____?

Upcoming revisions _____ endurance _____ general _____ and leisure _____.

_____ there any plan _____ the _____ the internal electricals _____ entertainment _____?
 _____ be _____ levels for _____ onboard _____ and integrated _____ in the future?
 _____ and dependability of both _____ electricals _____ improve _____ upcoming updates.

Will _____ updates _____ reliability _____ electrics _____ entertainment?

The _____ general _____ and onboard _____ improved _____ the future.

Is the _____ and _____ to get better?

_____ possible _____ anticipate _____ reliability in _____ for electrical systems?

Will updates for _____ reliability?

_____ we expect better _____ in _____ and _____ entertainment _____?

Will _____ updates make _____ and _____ electrics _____?

_____ the _____ electrification and _____ amusements going to _____ improved _____ upgrades?
 _____ there _____ chance of _____ reliability for _____ entertainment features _____?

Is _____ a better likelihood _____ electric systems _____ entertainment features _____ your _____?
 _____ more reliable performance _____ car _____ and _____ factors?
 _____ reliability for general electrics and _____ in _____ future?

Will _____ upcoming _____ for onboard features?

_____ it possible _____ will enhance reliability for _____ entertainment systems?

Is _____ and _____ going _____ be better in the _____?

_____ of _____ reliability _____ general electric _____ and onboard entertainment?

Is _____ the _____ electricals and entertainment features _____ future?

Will _____ improve _____ of general _____ and onboard entertainment?

_____ updates _____ for electronics and _____ features?

Will _____ be _____ make _____ electricals _____ entertainment features more _____?

Will upcoming _____ systems on board?

_____ future updates increase _____ electronic _____ entertainment systems?

Increased _____ be _____ both _____ electrics and multimedia _____.

Will _____ be future _____ improve _____ for both _____ electrics?
 _____ the upcoming updates _____ reliable _____ onboard _____ features?
 _____ improvements in _____ expected _____ the future for _____ electronics _____ integrated _____?

Will the _____ improve stability for _____ and in-flight _____?

_____ it possible to anticipate _____ systems and entertainment features in _____?

Is _____ any chance of _____ in the performance and _____ general _____?

Do you _____ improve the reliability _____ onboard _____ systems?

Will future _____ and entertainment on _____ the _____?

Will we _____ reliability _____ electric _____ as on-board multimedia capabilities?

Will _____ better reliability _____ electric systems?

Do _____ the _____ of general _____ to _____ upcoming updates?

_____ chance _____ better reliability in upcoming _____ for _____ components _____ entertainment?

_____ upcoming _____ make the _____ equipment _____?

Can we _____ for more reliable _____?

_____ the _____ reliability of _____ systems and onboard _____?

Do you have _____ planned _____ improve _____ for _____ and onboard _____?

Will _____ make _____ Electrics & _____ more durable?

Will _____ of in-flight _____?

General electronics and entertainment _____ be improved _____.

_____ towards enhanced _____ with _____ updates for both _____ basic _____ and _____ entertainment?

Will _____ stuff _____ reliability?

_____ it possible _____ see heightened _____ in _____ systems _____ well as _____ capabilities moving ahead?

_____ the _____ of _____ amusements improved _____ future upgrades?

Future _____ efficiency and _____ of both _____ and on-demand _____

Increased reliability _____ systems as _____ multimedia _____ could _____ forward to it?

Can we _____ electronics and fun factors _____?

Will we get _____ stability _____ upcoming upgrades _____ and _____ on _____?

Is it _____ anticipate enhanced reliability in _____ systems?

_____ are you _____ to _____ for basic _____ and onboard _____?

_____ we _____ better _____ on board?

Will upcoming _____ bring improved _____ electric _____ and _____?

_____ upgrades _____ dependability of _____ features on _____ board?

_____ general _____ and entertainment _____ might _____ with upcoming updates.

Are _____ working to _____ future updates _____ the basic _____ entertainment?

Will _____ a _____ from upcoming _____ electricals _____ entertaining _____ on board vehicles?

_____ possible _____ upcoming upgrades will _____ dependability _____ systems _____ onboard entertainment?

Will _____ reliability levels for _____ onboard _____ and _____ be _____ the _____?

Will _____ plans to _____ electrical and _____ features?

_____ upcoming _____ the general electric systems _____ attractions _____ reliable?

Will we see better _____ from upcoming upgrade _____ vehicles?

Is there _____ greater _____ in general _____ as _____ as on-board multimedia _____?

Will there _____ improvements _____ reliability levels for onboard _____ entertainment _____?

_____ to _____ entertaining _____ on board vehicles give us _____ stability?

Is it possible _____ the _____ the _____ on board?

_____ it _____ for _____ to anticipate _____ reliable performance from _____?

_____ there _____ chance of more _____ electrics and entertainment _____?

Is the performance _____ dependability of _____ entertainment _____ to get _____?

_____ it possible that _____ trustworthiness of _____ and on-demand entertainment?

Will better stability _____ from upcoming _____ and entertaining _____ on _____?

Are _____ to enhanced dependability for _____ utility _____ and _____ amenities on _____ the _____?

_____ be _____ to enhance reliability of _____ systems?

_____ chance _____ improved reliability _____ for electric components and entertainment amenities?

_____ future updates _____ more _____ electrics _____ features?

Do _____ have _____ plans to improve _____ electronics and onboard _____?

_____ and _____ features soon _____ reliable?

Is _____ possible _____ more reliable _____ car _____ in _____ future?

Will future _____ mean _____ electrics and _____ features?

Will _____ see better reliability _____?

Is _____ improvement in the performance and _____ entertainment functions _____ updates?

Future _____ and _____ common electrics _____ on-demand entertainment aboard.

_____ updates _____ reliability _____ systems and entertainment?

Is upcoming improvements _____ to _____ reliability _____?

_____ the _____ updates _____ both _____ electrics and _____ feature on board _____?

Will _____ expect _____ upcoming upgrades to _____ as well _____ capabilities?

_____ future enhancements _____ efficiency and _____ on-demand entertainment _____ electrics?

Is _____ possible to _____ enhanced _____ for _____ aboard?

Will _____ see improved reliability _____ onboard _____?

_____ reliable _____ systems as well as on-board multimedia _____?

_____ and dependability of _____ electricals and entertainment functions can _____ with _____.

Is it possible _____ and entertainment _____ be more _____ future _____?

Will _____ enhancements _____ efficiency and _____ both common _____ on _____ aboard?

Can upcoming revisions _____ the _____ technology _____ options?

_____ enhanced dependability _____ amenities on vessels in future _____?

Can we look forward _____ general electrics _____?

_____ stability _____ electrical installations _____ in-flight _____ be improved.

_____ the _____ in electricals and fun-on-board _____ chance _____ improve?

_____ expectation for _____ reliability in _____ the _____ electric system _____ entertainment?

General _____ and onboard entertainment are likely _____ better _____.

_____ future _____ reliability for _____ entertainment _____ on board?

Is it _____ that upcoming upgrades _____ improve _____ of _____?

Should future _____ reliability _____ entertainment on board vessels?

_____ upgrades address _____ with _____ electronics and _____?

Are _____ planning measures _____ basic electronics _____ onboard _____ options?

_____ and entertainment _____ can be improved _____ the _____.

_____ expect _____ in _____ updates for entertainment features _____ board?

_____ future _____ reliability of _____ amusements?

Are your _____ models _____ reliability for _____ systems and entertainment _____?

Our _____ include improved general _____?

_____ be _____ for general _____ and entertainment?

_____ electronics _____ entertainment features might _____ upcoming updates.

_____ electrics and entertainment _____?

_____ there any chances _____ next update _____ for general electric _____ and _____?

_____ future enhancements _____ and trustworthiness of _____ and _____ entertainment?

Are _____ looking forward to increased _____ for both utility _____ and _____?

Will _____ address _____ with _____ entertainments' _____?

Will _____ upcoming upgrades improve stability for _____ in-flight _____?

_____ you _____ upgrade _____ for _____ electrics _____ onboard entertainment?

Will _____ upgrade _____ issues _____ entertainments' _____?

Do _____ that future _____ will _____ for general _____?

Will _____ dependability of _____ and in-flight _____ features?

Can _____ updates _____ electrics on _____?

Will _____ the dependability _____ and onboard entertainment?

Are we able to anticipate _____ reliability in _____ of _____ future _____?

Is _____ for _____ and entertainment onboard in the _____?

_____ we _____ able to rely _____ forthcoming _____ to enhance _____ electrical _____?

_____ include enhanced electric _____ entertainment

Is electric systems and entertainment _____ going _____ your _____?

Are the reliability _____ entertainment _____ going _____ by future updates?

Will the _____ of _____ entertainment features improve _____ updates?

Is the performance _____ general electricals _____ functions _____ upcoming updates?

Will _____ be _____ in reliability for onboard _____ and _____?

Will _____ increase _____ general electricals?

_____ the reliability of _____ and entertainment _____ vessels _____?

Will there _____ to improve _____ electricals _____ features _____ updates?

Will _____ issues _____ onboard entertainments?

_____ upcoming _____ the internal electricals _____ entertainment features' _____?

_____ there be _____ of _____ electronics _____ entertainment _____ in _____ updates?

_____ updates help improve the _____ of _____ features?

Might _____ performance _____ dependability _____ both general electricals and _____ functions?

Will _____ updates _____ better reliability for electric _____?

Is there a chance _____ improving _____ regarding _____ added _____ offers?

_____ dependability of both electricals _____ functions improve with _____?

Is _____ of _____ electronics _____ to _____ in the _____?

_____ want to _____ for general _____ onboard entertainment _____ software enhancements?

Will there be _____ reliability _____ for _____ electrical _____ and _____ features?

Do you think _____ electricals _____ systems _____ reliability?

_____ a chance of better reliability for _____ and _____ your _____?

_____ reliability of _____ electricals _____ systems could _____ by upcoming updates.

_____ future updates _____ more _____ electricals and _____?

_____ it _____ much to _____ you _____ the _____ standard electricals and _____ fun?

_____ reliability be _____ by _____ fun on-board stuff?

Should we _____ any _____ improve _____ general electricals and _____ features?

_____ future _____ to _____ the _____ of general electrical systems?

Do you _____ plans _____ reliability _____ basic _____ and onboard _____?

_____ future models _____ better reliability in electric _____ entertainment _____?

Should you _____ for general electricals _____ well _____ via software _____?

Can _____ enhanced _____ in the future for _____?

Can we _____ to _____ dependability _____ electrical systems?

What are _____ plans to _____ reliability for _____ basic _____ and _____?

Will _____ upcoming upgrade improve the _____ leisure _____ the board?

Is the _____ and _____ both electricals and entertainment functions _____ to _____?

_____ reliability of _____ features _____ to get better?

Will _____ upcoming updates _____ better for _____ and _____?

Can _____ to _____ reliable _____ and electric _____ future updates?

Is _____ reliable _____ electricals _____ entertainment _____ in _____ future?

Could _____ forward _____ reliability in general electric systems _____ well _____?

Will _____ get more _____ electricals _____ future _____?

_____ enhanced _____ for both utility _____ and recreational _____ future releases?

_____ it possible _____ both electrical systems _____ features to be _____ the _____?

_____ we expect _____ stability _____ upcoming upgrades to electricals _____ capabilities _____?

Will general _____ on-board entertainment features _____ improved _____?

Will we _____ increased reliability in general _____ systems _____ well _____?

Can _____ anticipate _____ reliable _____ entertainment features in _____?

_____ there upcoming _____ that will improve dependability _____?

Is _____ any chance _____ upcoming updates for entertainment and _____?

Will _____ cause _____ electricals _____ to be reliable?

____ we look forward to ____ reliable ____ electric ____ ____ multimedia ____?
 ____ updates improve reliability ____ and entertainment on ____?
 Is ____ necessary ____ improve reliability ____ both general electrics ____ features?
 ____ there any ____ improved ____ with ____ updates for ____ components ____ amenities?
 ____ we benefit ____ enhanced dependability for ____ provision and ____ amenities ____?
 ____ the performance ____ the ____ and ____ functions improve ____ upcoming ____?
 ____ there ____ increased reliability ____ the electric system ____ entertainment?
 Can ____ reliable general electrics and entertainment ____?
 ____ future ____ improve reliability ____ entertainment and general ____?
 ____ could look ____ general electric systems as well ____ capabilities.
 ____ the ____ entertainment features ____ with the upcoming ____?
 ____ increased ____ upcoming updates ____ regular electrics and ____ systems?
 ____ reliability ____ both general electrics and onboard ____?
 ____ upcoming improvements to ____ amusement offerings ____ us?
 ____ onboard electrics ____ get ____ better?
 Is there any chance of ____ systems and ____ features in ____?
 ____ general ____ and ____ on ____ should be part ____ expectations.
 ____ should ____ future updates to ____ for general electrics ____.
 ____ future updates ____ the ____ of ____ entertainment?
 ____ possible ____ updates could ____ electrical reliability and ____ options on ____?
 ____ future updates improve ____ on vessels?
 Is ____ good ____ to ____ future ____ to improve ____ entertainment features ____ board?
 Will ____ systems and ____ board ____ future updates?
 Can we ____ general ____ and entertainment in ____?
 Will upcoming upgrades ____ dependability of ____ and ____?
 There ____ be improvements in ____ for both ____ entertainment functions.
 Is ____ too much ____ for ____ reliability ____ standard electrics and ____ stuff?
 ____ hope that ____ will improve ____ of the electrical ____?
 ____ upcoming ____ boost ____ in ____ systems and ____ entertainment?
 ____ of improved reliability in upcoming updates for electric ____ entertainment ____?
 ____ we expect more ____ performance from fun ____?
 Is ____ to ____ upcoming updates for ____ electrics and entertainment ____?
 Will ____ better ____ from upcoming ____ electricals ____ well ____ entertaining capabilities on ____?
 ____ there any likelihood ____ boosting reliability ____ electronic and ____?
 Will future updates improve ____ on ____?
 ____ it possible ____ future will improve electrical ____ and ____?
 Are we looking ____ for utility ____ recreational ____ the future releases?
 ____ the ____ greater reliability ____ general ____ and entertainment features?
 Are you ____ with future updates ____ to both the ____ and ____ entertainment?
 ____ think future ____ improve reliability ____ electrics ____ entertainment?
 Will the ____ of general electrics ____ entertainment ____ improved ____?
 Is there ____ updates to ____ the ____ of ____ gadgets?
 Will ____ reliability of electronic ____?
 ____ there going to be increased reliability across ____ and ____?
 Are ____ reliability ____ utilities ____ entertainment ____ expected to ____ future ____?
 Do you ____ dependability for general electrics ____ via software enhancements?
 Is ____ upgrade that will ____ in electrical ____ entertainment?
 Is ____ upgrades going ____ improve the ____ of ____ amusements?
 Will upcoming ____ move to ____ for ____ entertainment ____?
 Can we ____ improved reliability in ____ updates for ____ entertainment ____?

There is a chance _____ improve _____ in electricals and _____.
 _____ for _____ components and _____ help improve reliability?
 Will _____ future updates for general _____ onboard _____ systems _____ reliable?
 Will future _____ reliability and _____?
 _____ there _____ chance of improved reliability in _____ and _____?
 _____ the dependability of both _____ and _____ improve _____ upcoming updates?
 _____ electricals _____ entertaining capabilities _____ vehicles improve overall stability?
 _____ expect improved _____ when _____ to _____ electrics and _____ features?
 _____ there _____ reliability in upcoming updates _____ general _____ and _____ on _____?
 Will the upcoming _____ dependability _____ and in-flight _____?
 _____ that general electrics _____ will get better?
 Will we see _____ reliability in _____ electrical _____?
 _____ future _____ affect reliability for _____ onboard _____?
 _____ there any _____ for increased reliability _____ general _____ system _____?
 _____ see enhanced _____ for both utility provision _____ amenities in _____?
 Are there _____ improve _____ internal _____ features with future _____?
 Will _____ improvements in reliability _____ electronics and integrated _____?
 _____ forthcoming improvements improve stability _____ and _____ entertainment offerings?
 Is there _____ future _____ will _____ reliability _____ both _____ electrics and _____ systems?
 _____ there _____ plans to _____ for _____ electronics and onboard amusement _____?
 _____ update improve reliability for onboard _____ general _____ systems?
 Do you _____ for _____ systems and _____ features _____ your future _____?
 _____ to find better reliability _____ electric systems _____ entertainment _____ your future _____?
 Will we see future _____ to _____ reliability _____ both _____?
 Will _____ reliability of _____ onboard _____ in the future?
 _____ you working _____ updating the _____ electricals _____ onboard _____?
 _____ upgrades enhance _____ of _____ systems?
 _____ improve the _____ of the _____ and leisure _____ board?
 Can we expect more _____ performance _____ car electronics _____?
 _____ there better _____ electric _____ and entertainment _____ your future _____?
 Is there improved _____ for general _____ entertainment _____ the _____?
 The reliability _____ electrics and _____ improved with _____ updates.
 Are you _____ to _____ the _____ for _____ electrics _____ entertainment _____ enhancements?
 Can _____ reliable _____ and entertainment features?
 _____ you working towards _____ with _____ updates _____ electricals and _____?
 _____ updates _____ Electrics _____ onboard entertainment more durable?
 _____ forthcoming _____ boost reliability?
 Will future enhancements _____ trustworthiness _____ electrics and _____?
 Will the _____ upgrades enhance the _____ electrical systems _____?
 Will _____ make _____ and onboard _____ better?
 _____ future _____ reliability _____ general electrics _____ onboard entertainment?
 _____ reliability improve with _____ in _____ and _____ stuff?
 Will _____ upcoming _____ make electrics and _____ longer?
 _____ future updates _____ of _____ General Electric _____ on board?
 _____ planning to upgrade the dependability _____ and _____ entertainment _____ future?
 Can _____ upcoming _____ will improve the _____ the _____ system?
 Will there _____ better reliability _____ for _____ features _____ board?
 _____ to _____ the dependability of general _____ as _____ onboard entertainment?
 Is it _____ to _____ general _____ and onboard _____?
 Is the _____ of _____ entertainment features _____ in your _____ models?

Will reliability levels _____ electronics _____ integrated _____ better in _____ future?
 _____ the _____ updates improve internal electricals and _____ ?
 _____ future _____ improve _____ reliability of utilities _____ features on board _____ ?
 Future _____ might improve _____ reliability _____ electrification _____ amusements.
 _____ reliability of _____ electrics _____ entertainment improved _____ updates?
 _____ to _____ electrics _____ entertainment?
 _____ better reliability for _____ entertainment in _____ future models?
 Are _____ reliability _____ both onboard electronics and _____ entertainment _____ ?
 Do you _____ dependability of general _____ and onboard entertainment _____ software _____ ?
 _____ it too much to _____ for _____ to _____ and onboard _____ things?
 Is future _____ promise better _____ electrics _____ entertainment _____ ?
 _____ there _____ to _____ the dependability for general electrics _____ onboard _____ ?
 _____ upcoming _____ electricals and entertaining capabilities _____ make for _____ stability?
 Enhanced general electric _____ entertainment _____ be _____ .
 Is it possible _____ anticipate _____ that _____ electronic _____ entertainment systems?
 Will the upcoming _____ their general electrics _____ onboard _____ ?
 _____ it _____ to _____ increased reliability _____ both _____ electrics _____ systems with upcoming _____ ?
 Will _____ and _____ of both electricals _____ entertainment _____ get _____ with _____ ?
 _____ to increase the _____ of electrical _____ and entertainment features?
 _____ we have _____ hope of better reliability in _____ for electric _____ ?
 Will upcoming _____ improve _____ general _____ and entertainment?
 Will future _____ and _____ stuff _____ reliability to get _____ ?
 _____ be updates _____ improve the reliability _____ and entertainment?
 Is _____ reliable _____ electrics and _____ the future?
 Are you _____ with future updates for the _____ entertainment?
 Will next _____ better _____ general _____ ?
 _____ expect increased reliability in general _____ as _____ as _____ multimedia _____ ?
 _____ future updates _____ reliability _____ utilities and entertainment _____ board _____ ?
 _____ we _____ more _____ from both _____ and on-board _____ systems?
 Will _____ enhancements _____ electrics _____ on-demand _____ more _____ ?
 _____ there be future updates _____ increase _____ ?
 Will new _____ for electrical _____ in-flight _____ offerings?
 _____ onboard electrics and entertainment.
 _____ it possible to _____ enhanced _____ systems _____ the future?
 Are _____ plans to _____ and _____ features?
 Will we _____ to anticipate _____ performance _____ car _____ ?
 Will _____ make _____ onboard features _____ ?
 _____ to improve dependability for general electrics as _____ as _____ entertainment _____ software _____ ?
 _____ enhancements improve _____ for _____ entertainment?
 _____ reliability _____ and onboard _____ improve?
 _____ for _____ electrical _____ and _____ to _____ reliable in the future?
 _____ the _____ electrification _____ improved by future upgrades?
 _____ get better with the _____ fun on-board stuff?
 _____ there be _____ reliability _____ entertainment features in _____ future?
 _____ updates _____ make _____ and _____ features _____ .
 Will _____ updates _____ more _____ general electrics _____ entertainment _____ ?
 _____ improvements to _____ onboard entertainment _____ reliability?
 _____ we hope that _____ upgrades _____ electrical function _____ leisure features?
 _____ have _____ upgrade the dependability for general _____ onboard _____ via _____ software _____ ?
 Do _____ plan any _____ improve _____ of basic _____ onboard _____ options?

_____ be _____ to improve _____ and entertainment features?

_____ updates make _____ electricals and onboard _____ reliable _____?

Is the reliability _____ electrics _____ to _____ future _____?

_____ a chance that reliability _____ with _____ in _____ fun _____ stuff?

Will there _____ future _____ the _____ of _____ electrical _____?

_____ reliability of _____ features might be improved.

Is there _____ chance _____ improved _____ regarding _____ electronics _____ or _____ leisure _____?

_____ the upcoming updates _____ general electronics and _____?

Will future _____ increase _____ for common electrics _____ on-demand _____?

With upcoming _____ we _____ the performance _____ dependability of electricals _____ entertainment _____?

_____ find _____ reliable general electrics _____ features in future updates?

Will _____ be _____ improve reliability _____ both _____ onboard amusement?

_____ it possible _____ upgrades will _____ the _____ electrical systems?

Will the reliability _____ amusements be _____ by future _____?

Will _____ improve _____ of electrical systems _____ entertainment?

Will upcoming updates _____ electrical _____ in-flight _____ offerings?

Will electric _____ and entertainment _____ have _____ in _____ future _____?

_____ electronics _____ entertainment features _____ reliable in _____ updates.

_____ help increase _____ for electrics?

_____ improvements in electricals and _____ make _____ difference?

_____ the _____ of both electric systems _____ entertainment features _____?

_____ possible to rely _____ upcoming _____ dependability of _____ and onboard entertainment?

Will the upcoming upgrade _____ entertaining _____ on _____ vehicles _____ better _____?

Will _____ be _____ to _____ and entertainment onboard _____ future?

_____ expected improvements in _____ for _____ electronics in _____?

Will _____ be plans to _____ the internal _____ entertainment features?

Can _____ expect better reliability for _____ systems _____?

_____ better reliability _____ onboard entertainment features?

_____ any _____ to _____ reliability _____ basic _____ and onboard amusement options?

_____ you _____ any _____ enhance _____ for _____ electrics _____ onboard entertainment?

Is there _____ plan to _____ the _____ features?

Is _____ for _____ electrics _____ onboard _____ to improve reliability?

Will there _____ updates to enhance reliability of _____?

_____ future _____ issues with _____ dependability?

_____ reliability of _____ and _____ through _____ updates?

_____ could _____ reliability of amusements.

_____ there be improvements _____ performance and _____ of _____ and _____ functions _____ upcoming _____?

Could _____ reliability in general electric _____ as well as _____?

_____ it _____ that the upcoming _____ will improve _____?

_____ updates _____ reliability _____ electrics and entertainment?

Will _____ enhance _____ of _____ entertainment features?

_____ be better _____ for _____ entertainment on board?

_____ future updates going _____ improve _____ electrics _____ onboard entertainment?

Will _____ of _____ and entertainment features on vessels?

_____ improved reliability _____ and entertainment _____ with future _____?

Will future _____ both _____ and general electric features _____?

Will _____ be further updates _____ the _____ of _____?

Will _____ updates _____ dependability _____ entertainment?

_____ improvements to _____ onboard _____ improve _____?

_____ the forthcoming _____ dependability _____ leisure features on the board?

_____ upcoming updates make _____ and _____ features reliable?

_____ you _____ to upgrade the _____ general _____ and onboard entertainment via _____ ?

_____ we _____ improved reliability in upcoming updates _____ electrics and _____.

Will _____ upcoming _____ and onboard attractions more reliable?

Will the _____ of general _____ improved _____ upcoming updates?

_____ future _____ improve _____ general electrics _____ the onboard store?

_____ it _____ reliability for electrical _____ and _____ features aboard?

Will improvements _____ for _____ in-flight amusement offerings?

_____ the reliability _____ electrics and entertainment be better _____ ?

_____ upcoming _____ the _____ entertainments stronger?

Is _____ chance _____ the next update will _____ for _____ systems and _____ ?

Will _____ stability _____ all electrical installations and _____ offerings?

_____ the _____ both general _____ and onboard _____ systems _____ to _____ ?

Will _____ be _____ the performance of _____ functions _____ upcoming updates?

Will upcoming updates change _____ reliability _____ entertainment _____ ?

_____ should _____ forward to enhanced dependability _____ both utility _____ in _____ future.

_____ enhanced general electric and _____ on _____.

Is _____ of enhanced _____ for electrical _____ entertainment features?

Will reliability get _____ improvements in _____ and _____ ?

Is _____ a chance of improved _____ in _____ of _____ and _____ ?

_____ improve _____ general electrics and _____ entertainment?

_____ the _____ to electricals and _____ on _____ result in better _____ stability?

_____ for electrics and entertainment _____ with _____ ?

Is the reliability _____ entertainment systems _____ get _____ ?

_____ upcoming _____ for _____ and entertainment amenities _____ improved reliability?

Can we _____ upcoming _____ improve dependability _____ electrical systems _____ entertainment?

_____ future updates _____ the _____ of entertainment _____ board _____ ?

Is it possible _____ update _____ for both _____ onboard entertainment?

How _____ reliable _____ electrics and entertainment _____ future?

_____ updates might _____ electrical reliability _____ as entertainment _____ on _____.

Do _____ upgrade dependability for general electrics _____ onboard _____ future _____ ?

Is there any chance _____ reliability _____ as _____ as on-board _____ ?

_____ there any plans _____ reliability _____ basic _____ amusement options?

Is it possible _____ anticipate improved reliability _____ electrics _____ ?

_____ upcoming _____ electrical installations improve stability _____ in-flight _____ offerings?

_____ about future updates for general _____ systems?

_____ plans to upgrade dependability _____ general _____ and _____ entertainment?

_____ and onboard entertainment _____ expected _____ be _____.

_____ forward _____ more dependability _____ utility provision and _____ amenities in _____ ?

Is it plausible that _____ updates _____ the _____ board?

Is electrical _____ and _____ entertainment about _____ ?

_____ updates increase reliability _____ entertainment and _____ ?

_____ is _____ chance _____ there _____ be improvements in _____ and _____.

_____ we able to anticipate _____ general electrics and on-board _____ ?

Can _____ expect better _____ electrics and _____ entertainment?

_____ updates make _____ Electrics and onboard entertainments _____ ?

Will _____ improve _____ reliability _____ amusements?

Will there be improvements _____ reliability levels for _____ and _____ future?

_____ get better _____ future improvements _____ and _____ on-board stuff?

_____ expectation _____ enhanced general electric _____ ?

Could we _____ see _____ reliability _____ updates?

_____ be better reliability _____ both _____ entertainment _____ your future models?

_____ the _____ of general _____ and onboard entertainment via future _____ enhancements?

Will _____ make general _____ and _____ entertainments more _____?

_____ the _____ of both _____ entertainment features _____ in _____ updates?

_____ updates _____ reliability for electronics and _____?

Will there be _____ reliability _____ and _____ features in _____ future?

_____ we expect _____ performance _____ car electronics over _____?

Can we _____ improved _____ updates for general electrics _____ on _____?

_____ improve reliability _____ onboard entertainment?

_____ hope _____ upcoming improvements _____ improve the _____ of electrical _____ features?

Will upcoming updates _____ more _____?

Will _____ improvements _____ the performance and _____ electricals _____ entertainment functions _____ updates?

Are _____ that future updates _____ improve reliability _____ and _____ entertainment _____?

Will _____ features be _____ in your future _____?

_____ improvements _____ electrics and entertainment.

_____ internal electricals _____ features be _____ through _____ updates?

Is _____ a _____ of _____ reliability _____ and entertainment features _____ your _____ models?

_____ you _____ for enhanced reliability _____ future _____ electricals and onboard _____?

Increased reliability in _____ systems as well _____ multimedia _____ be _____ as _____.

Is _____ any _____ next _____ reliability for onboard entertainment?

It's possible _____ reliability will _____ in _____ and _____ stuff.

Is there _____ better chance of _____ for _____ entertainment _____ future models?

_____ the _____ features' _____ be improved _____ future _____?

_____ in-flight entertainment features _____ be _____ upcoming updates.

Will the _____ changes _____ onboard entertainments _____?

_____ the reliability _____ electrics _____ entertainment _____ going _____ get _____ in _____ future?

Is _____ to improve _____ general electrics and _____?

Will upcoming _____ components and _____ amenities improve _____ on _____?

Are you _____ on _____ dependability for _____ as well as _____ entertainment _____ future _____?

Does _____ promise _____ for entertainment and general _____?

Will there be _____ across _____ general _____ and onboard _____ future _____?

Performance and dependability _____ general electricals _____ functions _____ improve _____ upcoming _____.

Will _____ improve efficiency and _____ of _____ and _____?

_____ expect increased reliability _____ upcoming _____ for _____ regular electrics and _____ systems?

Are improvements in _____ for onboard _____ entertainment _____ in the _____?

_____ future updates _____ reliable electrics _____ entertainment _____?

Will _____ improvements _____ installations and _____ amusement offerings _____?

I want to know _____ future _____ will _____ better _____ electric _____ entertainment _____.

Will _____ improved _____ upcoming updates for _____ components _____ entertainment _____?

Will there _____ improvements _____ reliability of _____ systems _____?

Will upcoming _____ the _____ electrical _____ features?

_____ any plans _____ improve reliability _____ basic electronics and _____?

Can we expect _____ electronics?

_____ we depend _____ upgrade to _____ electrical systems?

_____ you planning to _____ the dependability _____ general _____ software enhancements?

Will _____ upgrades _____ capabilities on _____ give us better stability?

Could we _____ electric systems and on-board _____ capabilities?

Is it possible to _____ for _____ electrics _____ onboard with _____?

_____ think _____ will _____ enhanced dependability _____ both _____ provision _____ recreational amenities _____ releases?

_____ future _____ for entertainment systems?

_____ the _____ stability _____ all electrical installations and _____ amusement _____.

Will _____ reliability _____ general electrics _____ entertainment _____ by _____ updates?

_____ future improvements in electrics and _____ things _____ bettrr?

Will we _____ to enhanced _____ for both _____ in future releases?

_____ from upcoming upgrades _____ electrics and entertaining _____ on _____ vehicles?

Predicting future improvements _____ electrics _____ fun-on-board _____ a good _____.

_____ we see _____ dependability _____ both electrics _____ entertainment functions _____ upcoming updates?

Will the reliability _____ entertainment _____ as a result _____ updates?

_____ there _____ reliability _____ onboard electronics and integrated entertainment _____?

_____ we _____ increased reliability _____ regular electrics and _____ multimedia _____ updates?

Is _____ that _____ updates will _____ reliability for both _____ electrics _____ on _____?

_____ the _____ electrics _____ as entertaining capabilities _____ board _____ make for better _____?

The next update _____ enhance _____ for both _____ entertainment.

Will _____ be _____ and entertainment features in the _____?

Is the reliability _____ electrification _____ improved _____ future _____?

_____ upgrades _____ reliability in the _____ and _____ entertainment?

_____ future _____ to improve _____ for electrics _____ entertainment?

_____ upgrades improve _____ of _____ function _____ leisure features _____ board?

Is it possible _____ expect _____ across _____ regular electrics _____?

With future improvements _____ and _____ that _____ will improve?

Are there improvements _____ for _____ in the future?

Will upcoming updates _____ reliable?

_____ future updates _____ general _____ more reliable?

Are _____ to _____ for _____ and integrated entertainment _____ the _____?

_____ that future _____ reliability _____ general electrics and entertainment?

_____ think _____ updates will improve reliability _____ entertainment _____?

_____ there _____ reliability _____ both onboard electronics _____ integrated entertainment?

Will _____ future _____ improve the _____ of _____ electrical _____ and entertainment _____?

Future improvements _____ enhance _____ reliability _____ and _____ amusements.

Will improvements to _____ and _____ in upcoming _____?

_____ and _____ onboard may _____ improved _____ future updates.

_____ have _____ for _____ reliability for basic electronics _____ amusement?

Future _____ reliability _____ electronic _____ entertainment systems.

_____ electric systems _____ entertainment features in your _____ more _____?

Is there _____ reliable performance _____ electronics _____ fun _____ moving _____?

_____ improved _____ the onboard entertainment updates?

Will _____ updates _____ reliability of General _____ board?

_____ plans _____ upgrade dependability for general _____ onboard _____ future software _____?

_____ and onboard entertainment will be _____ future _____.

_____ possible _____ updates _____ improve reliability _____ general electrics and _____ systems?

Is it possible that _____ updates _____ improve _____

Is _____ expectation _____ reliability across _____ general _____ system and _____ entertainment through _____?

Are you _____ better reliability with future _____ for _____ electrics _____?

Are _____ for _____ in upcoming updates for _____ and _____ amenities?

_____ to expect _____ reliability _____ electrics _____ on board multimedia systems?

Are _____ better _____ in _____ onboard _____?

_____ looking forward _____ dependability for _____ and recreational _____ aboard _____ in the future?

_____ the reliability _____ electrification _____ onboard _____ in the future?

Is _____ possible _____ we _____ reliability _____ general _____ systems _____ on-board multimedia capabilities?

Is there ____ plan ____ for general electrics ____ via future software ____?
 ____ electricals and ____ features be reliable ____ updates?
 ____ there ____ to onboard entertainment ____?

Are ____ asking for ____ much if you ____ standard ____ and onboard ____?
 ____ we ____ better ____ car electronics and ____ factors?

Will upcoming ____ the ____ systems?
 ____ too ____ demand that you ____ standard electrics ____ onboard fun?

Will your future ____ better reliability for electric ____?

Will there ____ improved ____ in upcoming ____ for ____ and ____?

Will upcoming ____ reliability ____ systems ____ onboard attractions?
 ____ improve ____ for general ____ and entertainment on the ____?

Is ____ electric systems and ____ features ____ the ____?
 ____ upcoming updates ____ better reliability for ____ systems ____ attractions?

Is there ____ reliability among the ____ electric system and ____?

Will ____ reliability for ____?
 ____ onboard ____ and ____ better?

Could we ____ an increase ____ both ____ electrics ____ multimedia systems?
 ____ revisions ____ the ____ of general technology ____ options available ____?

Should ____ to ____ reliability ____ electrics and ____ on board?
 ____ there ____ stability ____ the upcoming ____ electricals as well as ____ capabilities ____ vehicles?

Are ____ of utilities ____ entertainment ____ to be improved ____ updates?
 ____ there ____ to be ____ performance and ____ both ____ electricals and ____ functions with upcoming ____?

Will new ____ reliability ____ electric ____ entertainment?

Is ____ an ____ for ____ both ____ electric system and onboard ____?

Is ____ an ____ improvement in ____ for ____ onboard entertainment?

We don't know ____ future updates will ____ for ____ entertainment ____.

____ there ____ reliability for general electrics and ____?

Will ____ of general ____ entertainment features increase in ____?

Will the ____ stability for ____ and ____ amusement offerings?
 ____ there be ____ to enhance ____ of electrical ____?

____ there ____ increased reliability ____ the ____ electric ____ and onboard entertainment?

Is ____ much to ____ reliability ____ electrics and onboard entertainment?

Will ____ updates bring ____ general ____ systems and ____?

Do you think future ____ will ____ systems?
 ____ there a ____ in ____ and onboard entertainment?

Will there ____ in the ____ of ____ entertainment functions with ____ updates?

Is ____ possible ____ to improved ____ general electric systems as well ____ capabilities?

Will there be future ____ enhance the ____?

Is ____ any ____ of ____ electrics and ____ the future?

Is there any likelihood ____ better ____ electric systems ____ entertainment features ____?
 ____ reliability ____ general electric systems ____ well ____ on-board multimedia capabilities?

Enhancement ____ dependability ____ and recreational amenities is something ____ look forward ____.

Are ____ to ____ with future updates ____ electricals and onboard ____?

Is ____ of general ____ and ____ improving with ____?
 ____ it too ____ ask ____ improve reliability in standard ____ onboard ____?

Does ____ make ____ improve reliability ____ electrics ____ fun stuff?

Will ____ updates ____ features reliable?

Will ____ upcoming ____ and entertainment features ____ reliability?
 ____ it make ____ improve reliability ____ electrics ____ onboard fun stuff?
 ____ basic electricals ____ entertainment are ____ to future ____.

_____ affect reliability of _____ entertainment?

Will _____ improve reliability _____ general _____ and _____ onboard?

Will _____ updates _____ entertainment systems?

_____ upcoming _____ reliability _____ the attractions?

_____ a _____ that the next update _____ improve _____ for _____ systems and _____?

Is it possible _____ forthcoming _____ dependability of electrical systems?

_____ upcoming _____ improve _____ general electricals and in-flight _____?

_____ possible _____ our _____ include _____ general electric and _____?

Will Upcoming _____ electric _____ and _____ improve reliability?

Will future _____ be _____ electrics _____ entertainment?

Can we _____ future _____ General Electric and _____?

_____ upgrades _____ the dependability _____ electrical function _____ features on board?

_____ to be _____ in reliability for both onboard _____ in the future?

Is it _____ to anticipate better _____ entertainment features _____?

Will the updates _____ reliability for electronic _____?

_____ upcoming updates enhance _____ of electricals _____ features?

Is _____ plan to upgrade _____ for _____ electrics _____ via _____ enhancements?

Can _____ reliability in _____ updates for the _____?

Is _____ better _____ of electric _____ entertainment _____ in your _____?

_____ forthcoming _____ system _____ reliability?

_____ improve dependability _____ electrics and onboard entertainment?

_____ bring improved reliability in _____ and on-board entertainment?

Will _____ forthcoming _____ improve _____ electrical installations & _____ offerings?

Will _____ address issues _____ the _____ entertainments' _____?

Do _____ a _____ for improving _____ both basic electronics _____ onboard _____?

_____ we anticipate more _____ electrics _____?

_____ future updates _____ make the electrical reliability _____?

_____ a _____ to _____ dependability for general electrics and _____?

Do _____ plan any _____ reliability for _____ and onboard _____?

_____ future updates make _____ electrics _____ reliable?

_____ expect _____ reliability on both _____ electrics and on-board _____ systems?

Is our expectation _____ general _____ on board?

_____ we see _____ stability from forthcoming _____ on board _____?

Better _____ expected from upcoming _____ to _____ capabilities on _____ vehicles.

Will reliability for general _____ and _____ in _____?

_____ electronics _____ features _____ be _____ reliable _____ upcoming updates.

Is _____ of _____ reliability _____ updates for the _____ components _____ entertainment amenities?

Will future improvements _____ electricals _____ fun-on-board stuff _____ to _____?

Are we _____ improved _____ of entertainment features _____?

Will _____ upcoming _____ address _____ with gene electronics and _____?

_____ upcoming updates make _____ in-flight _____ better?

_____ chance of _____ reliability in _____ for general electrics and _____?

_____ upgrades _____ the _____ of amusements?

_____ upcoming updates _____ better _____ electronics and _____ entertainment features?

_____ the _____ reliability of onboard amusements _____ future _____?

Will _____ reliability _____ board _____ improved by future _____?

_____ dependability _____ utility provision _____ recreational amenities _____ vessels in _____?

_____ there upcoming _____ to _____ dependability _____ vehicle _____?

Will future updates _____ the reliability _____ utilities and _____ vessels?

_____ we expect _____ from _____ updates for entertainment _____ on _____?

____ we ____ improved reliability in upcoming ____ for ____ ?
 Can ____ expect improved ____ the upcoming ____ electrics and ____ features?
 Can we ____ to see ____ general ____ entertainment features ____ future?
 ____ the ____ systems ____ entertainment features going ____ improve ____ the future?
 ____ a better ____ from car electronics ____ ?
 Will there ____ to ____ the reliability ____ electrical ____ ?
 Will future ____ better ____ for general electrics ____ on ____ ?
 ____ updates make onboard ____ electricals ____ enough?
 ____ updates ____ reliability of onboard ____ ?
 Are ____ going to ____ for ____ and entertainment ____ ?
 ____ upcoming updates ____ components ____ amenities improve reliability?
 Will the ____ electrics and ____ new updates?
 Is ____ to expect ____ in ____ across ____ regular ____ multimedia systems?
 ____ there an ____ enhanced ____ electrical systems and ____ features?
 Will ____ enhance ____ reliability of ____ ?
 ____ better ____ in general ____ and onboard ____ ?
 Is the ____ utilities ____ features ____ board ____ going ____ improve?
 ____ future ____ electrics and entertainment ____ ?
 ____ I expect ____ electric systems ____ entertainment features ____ your ____ ?
 Is ____ that your ____ models ____ have ____ for ____ systems and entertainment ____ .
 ____ an expectation of increased ____ in the ____ electric ____ onboard ____ ?
 ____ of ____ electronics and ____ features ____ to improve?
 ____ we anticipate ____ in ____ of ____ electrics ____ on-board entertainment ____ ?
 General electrics ____ entertainment are ____ to ____ reliability through ____ .
 ____ there ____ future ____ electricals and fun-on-board ____ ?
 ____ the upcoming upgrades to ____ capabilities ____ board ____ better stability?
 Will ____ be ____ reliability ____ updates for general electrics and ____ ?
 Is the ____ update ____ to improve reliability ____ and ____ ?
 ____ the reliability of electric ____ onboard ____ improved ____ upgrades?
 ____ we ____ future ____ that ____ reliability ____ electronic and ____ systems?
 ____ be improvements ____ the reliability of ____ ?
 What expectations ____ for ____ of the general electric ____ entertainment?
 ____ it ____ that ____ dependability ____ the electrical features on board?
 Will ____ get ____ general electrics and ____ in ____ future?
 Will ____ better ____ upgrades ____ and entertaining capabilities on vehicles?
 ____ chance of ____ reliability of ____ electronics and ____ features ____ upcoming ____ ?
 Do we think ____ and ____ will improve?
 ____ upcoming upgrades ____ reliability of ____ onboard entertainment?
 Is ____ systems and ____ features in your future models?
 ____ there ____ that future ____ improve the ____ reliability on ____ ?
 ____ our upcoming updates ____ components ____ amenities improve ____ ?
 Will upcoming ____ of electric systems ____ attractions?
 ____ onboard amusements improved by future ____ ?
 ____ it ____ improved ____ amidst upcoming upgrades ____ electrinc controls?
 ____ improved reliability in ____ general electrics ____ entertainment features on ____ ?
 ____ in reliability for ____ electronics in the future?
 Is ____ possible ____ will improve ____ reliability and entertainment ____ ?
 ____ improvements improve stability for all electrical ____ ?
 Can we ____ see more ____ performance from ____ in ____ ?
 ____ improvements ____ common electrics and ____ efficiency ____ trustworthiness?

_____ be _____ updates _____ electric systems and _____?

_____ of both general _____ entertainment features _____ improved by _____ updates?

Will the performance _____ dependability _____ both _____ and _____ get _____ boost with _____?

_____ there expected to be improvements _____ onboard electronics _____ functions?

_____ expect _____ to improve reliability _____ the general _____ and _____ board?

Will _____ enhance _____ in future _____ for _____ electrics and onboard _____?

_____ future, can we _____ more _____ electrics _____ features?

Can _____ forward _____ reliability in _____?

Can we anticipate improved reliability _____ features?

_____ upcoming _____ improve _____ reliability _____ electrics and onboard entertainments?

Is there _____ expectation for _____ reliability _____ the _____ electric _____ onboard _____?

_____ onboard features be reliable _____ updates?

_____ upcoming improvements improve the _____ and _____ features _____ board?

Will _____ make general electrics _____ onboard _____?

_____ you planned _____ to improve _____ basic electronics and _____?

_____ changes _____ reliability _____ electrics?

_____ our _____ include _____ and entertainment?

There's _____ chance that reliability _____ improve _____ the _____ in electricals _____.

Will _____ fix issues _____ entertainments?

_____ electricals and onboard features _____?

_____ general electrics and _____ improve with future _____?

_____ reliability _____ general _____ and entertainment features about _____ get _____?

Is it _____ that we will see enhanced _____ general electric _____ as _____?

_____ get improved reliability _____ updates for _____ and _____ amenities?

Will upcoming updates _____ and _____ reliable?

Are we _____ forward to _____ utility _____ on vessels in _____?

_____ updates _____ greater reliability _____ and entertainment features?

Can we _____ improve _____ of electrical _____ on board?

_____ and features _____ be _____?

Will upcoming _____ dependability of _____?

_____ possible to rely _____ upcoming upgrades _____ of electrical systems?

_____ for both utility provision _____ recreational amenities happen _____?

_____ we anticipate _____ reliable performance _____ the car electronics _____?

_____ we _____ increase in reliability with _____ upcoming _____?

_____ have better _____ for electronics and _____ entertainment?

_____ too _____ to _____ if you improve reliability _____ standard _____ and _____?

_____ could potentially increase _____ common electrics and on-demand entertainment.

The _____ of electrical systems and _____ entertainment _____.

_____ the updates for general _____?

Will _____ the dependability of _____ electrics _____ as onboard _____ software enhancements?

Will _____ reliability _____ and onboard entertainment improve _____?

Are _____ planning any _____ to improve _____ of _____ and _____?

If _____ updates _____ reliability _____ both _____ electrics _____ should we?

_____ upcoming updates for electric _____ and _____ reliability?

Will _____ and _____ upgraded?

Will there _____ to _____ for _____ systems _____ entertainment on _____?

_____ reliability _____ General _____ and entertainment be improved _____ future?

_____ think future _____ will improve _____ reliability of _____?

_____ future updates _____ the _____ of _____ entertainment on the _____?

Will _____ the reliability of general _____ and _____?

_____ for _____ both general _____ system and onboard entertainment?
 _____ to reliability for _____ electrics and entertainment _____ updates?
 _____ it _____ to expect increased reliability with upcoming _____ multimedia _____?
 Will better stability _____ upcoming upgrades _____ well as entertaining capabilities _____?
 Could _____ reliability to _____ regular electrics and _____ systems?
 _____ future _____ more reliable general electrics _____ entertainment _____?
 Do _____ work towards enhanced reliability _____ updates _____ basic electricals _____?
 _____ we _____ that _____ upcoming upgrades _____ dependability of electrical _____?
 _____ ask for _____ reliability for standard electrics and onboard _____?
 Will _____ updates _____ reliable electrics _____ entertainment?
 _____ and _____ entertainment features can _____ through _____ updates.
 _____ it possible to _____ of electrics _____ entertainment features?
 _____ the _____ updates _____ electric components _____ entertainment _____ likely to _____?
 Could _____ expect more _____ from _____ electrics _____ systems?
 Is there any _____ future _____ improve _____ for _____ electrics and _____ entertainment _____?
 Is _____ level of _____ for _____ expected to _____ the _____?
 _____ there a _____ performance aboard _____ electronics range _____ leisure _____?
 Are _____ planning _____ updating dependability for _____ and _____ software enhancements?
 Will _____ updates _____ reliability for _____ entertainment _____ general electrics _____?
 _____ the _____ general electrics _____ entertainment improved _____ future?
 _____ and entertainment on _____ vessels improve _____ future updates?
 _____ there _____ of _____ reliability for the _____ system _____ onboard _____?
 _____ the forthcoming _____ improve _____ of electrical _____ and _____?
 _____ possible _____ improved _____ in terms of general _____ and _____ features?
 Increased _____ be _____ across _____ regular _____ board multimedia systems.
 _____ general electronics _____ features will be _____ in _____ updates?
 Will _____ improve dependability _____ features?
 _____ upcoming updates _____ better _____ general _____ and onboard entertainments?
 _____ possible _____ we can anticipate more _____ performance _____ car _____?
 Will the upcoming _____ the electrical systems _____ entertainment?
 _____ towards _____ reliability with _____ updates _____ basic electricals _____ onboard entertainment?
 The dependability _____ electrical _____ and _____ entertainment can _____ upgrades.
 Will _____ updates _____ better reliability _____ electric _____ attractions?
 The _____ of _____ electrics _____ entertainment may be improved _____.
 _____ it possible to expect _____ reliability across _____ multimedia _____?
 Will _____ and dependability of both _____ and _____ with upcoming _____?
 _____ improvements improve _____ for both _____ and _____ entertainment?
 _____ we find more _____ entertainment features in future _____?
 Will the _____ upgrade _____ with gene _____ and _____?
 Will _____ updates _____ dependability of _____ and entertainment _____?
 Are _____ improved reliability _____ for the _____ electricals and _____ entertainment?
 _____ future updates benefit _____ systems _____ on _____?
 In _____ future, _____ we _____ dependability _____ utility _____ recreational amenities?
 _____ updates improve _____ general electricals _____ entertainment features?
 Can _____ expect more _____ performance from _____ car electronics _____?
 _____ future upgrades _____ the _____ of _____?
 Will _____ next update _____ for both electric systems _____?
 Will forthcoming _____ in electrical _____?
 _____ too _____ to ask for _____ to the _____ of _____ onboard fun?
 With _____ updates, are general electrics _____?

_____ improvements _____ both electrics _____ entertainment _____?

Is it possible that _____ future models _____ reliability _____ systems _____ entertainment _____?

_____ updates bring _____ reliability _____ the _____ systems?

_____ upgrades _____ the reliability _____ amusements?

Should _____ to improve reliability for _____ electrics?

Is it possible that _____ next _____ will improve reliability for _____?

_____ it possible that future updates _____ improve _____ for _____ features?

Is there a _____ for _____ general electric system and _____?

Future _____ could increase efficiency _____ trustworthiness _____ common _____ on-demand _____.

Will _____ be _____ improve _____ reliability of electrical _____ and entertainment _____?

Will _____ upgrades _____ with _____ entertainment?

There _____ a chance _____ will improve reliability _____ and entertainment systems.

_____ improvements address _____ with _____ gene electronics _____ onboard _____?

Is _____ of _____ and _____ to improve?

Will future _____ in the electrics _____ entertainment _____?

_____ improvements _____ enhance the _____ of _____ and onboard amusements?

Are _____ looking _____ to enhanced dependability _____ utilities _____ amenities _____ the _____?

_____ we _____ increased _____ for both utility provision _____ recreational _____?

Are _____ plans _____ internal _____ and entertainment _____?

_____ the next update _____ general _____ systems and onboard _____?

Will the _____ updates _____ greater reliability _____ general _____?

_____ there be _____ improve electricals _____ features?
