

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	Internet and Wi-Fi connectivity issues
Inquiry Sub-Category	Compatibility with devices
Description	Customers inquire about connecting specific devices to their Wi-Fi networks, seeking assistance in troubleshooting compatibility issues or understanding the requirements for successful connection.
Data Size	5,088 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

Is it possible _____ devices may _____ in order achieve _____ WiFi _____?
 _____ appliances _____ need _____ changes in order to _____ better _____ the wi-fi _____.

Is _____ possible that _____ devices _____ to _____ optimal _____ function?
 _____ a new set of firmware to _____ access.

Some appliances _____ in order to _____ on the _____ network.

Is _____ necessary for _____ upgrade their software for _____ using _____ network?

Updating the _____ might help maximize _____ performance _____ the _____.

Is _____ certain devices need to _____ updated _____ WiFi?

_____ devices _____ have _____ upgrade their _____ for better _____ if _____ on a _____ Fi _____.

_____ it possible _____ some gadgets to _____ to _____ speed?

_____ certain _____ better _____ connected to _____ wireless network _____ are need _____ updates?

_____ certain _____ do better when connected _____ wily network _____ need for _____?

Is it possible _____ gadgets to be _____ the WiFi _____ get _____ updates?

_____ is _____ need for updates _____ certain gadgets, _____ they do _____ when connected _____ the _____

_____ do better when _____ to the wily _____ if they _____ be _____?

What if _____ rely on _____ software to maximize _____?

Some _____ need to make _____ in _____ a better _____ the internet access _____.

_____ the _____ on _____ gadgets _____ their _____ via the internet.

_____ some devices have _____ upgrade _____ for better _____ when _____ are _____ a wi _____ network?

Is _____ specific _____ to _____ better on the _____ networks when they _____?

Is it possible to _____ on _____ their performance via the wireless service?

_____ the _____ where _____ might need a _____ update in order _____ the _____ performance through _____

There might _____ chance _____ a certain _____ an _____ to _____ better connection.

_____ is _____ chance _____ a device needs an _____ its _____ to have better _____.

_____ certain gadgets do _____ connected to the wireless networks _____ are _____?

Some _____ need _____ make _____ in _____ to improve their _____ on _____.

There _____ chance that _____ needs _____ upgrade _____ optimal connection.

Is it _____ certain _____ require fixes for _____ perfomment _____ fi _____?

_____ to have _____ updates for optimum _____ on certain _____.

Do some devices need _____ upgrade their _____ better _____ are sitting on _____ wi _____?

_____ do better when using the wireless _____ an _____ to them?

Might some devices need _____ for _____ performance.

_____ it possible _____ to have better wi _____ software?

Is there any chance _____ an update _____?

_____ some devices have _____ upgrade their _____ they _____ connected _____ fi network.

_____ the Firmware _____ might help maximize _____ performance _____ internet.

_____ appliances need to _____ changes if _____ want _____ a _____ on _____ network.

Will _____ gadgets do _____ when _____ are _____ to the _____ fi networks _____ need for _____?

Some machines _____ updates to maximize _____ wi-fi _____.

Some appliances _____ to _____ to get better performance _____.

_____ upgrade their software _____ better _____ if they are sitting _____ a _____ Fi network?

If gadgets need _____ will they _____ better when _____ to _____?

Is it _____ devices _____ get _____ with _____ updates?

_____ are connected to a _____ fi _____ need to _____ their _____?

_____ it _____ that some _____ software for _____ fixes?

Is _____ that _____ gadgets _____ be _____ for _____ wi fi?

It's _____ WiFi _____ device updates.

_____ a _____ that certain _____ be upgraded _____ optimal connectivity.

Is _____ where some devices might need to get a _____ in _____ get better _____?

Is there _____ optimal WiFi needs _____.

Do _____ have to _____ software for _____ performance if they're _____ a _____?

Is it possible _____ electronics demand _____ software _____ fix _____?

The wi-fi-enabled _____ need _____ make _____ in order _____ a better _____.

Could _____ machines _____ updates to maximize _____ wi-fi _____?

_____ it _____ gadgets _____ have _____ Wifi with updates?

Some _____ might need to _____ get a better _____.

_____ is _____ that _____ have to _____ firmware upgrades _____ better connections.

_____ it possible that some machines demand _____ maximize _____?

I _____ I _____ to update _____ firmware to make it work _____ the _____.

Is _____ that some _____ firmware updates _____ maximize _____ fi?

The _____ need to _____ changes _____ order to get _____ better _____.

_____ make changes to _____ better _____ the wi-fi network.

Will certain _____ do better _____ to _____ wii fi _____ is _____ need _____ updates?

_____ some devices need to upgrade their _____ for _____ a _____ network?

_____ there a _____ certain _____ might _____ a _____ upgrade for _____ connection?

_____ there a _____ that _____ need _____ be _____ for betterWiFi?

_____ gadgets do _____ when _____ wily network if there are _____?

Some _____ upgrade _____ for _____ performance _____ they _____ using a wireless network.

Will certain gadgets do _____ using the _____ is an _____?

_____ gadgets do _____ when _____ the wireless _____ there _____ need to update them?

_____ do better _____ connected _____ fi _____ if there _____ need for updates?

Do some _____ need _____ their _____ to get _____ when _____ Fi network?

_____ is a _____ that there _____ be _____ for _____ wireless.

Some _____ have _____ changes _____ get _____ better performance on _____.

_____ machines _____ updates to _____ their internet connection?

Some devices need _____ for better _____ they are on _____.

Will _____ gadgets do _____ when _____ to _____ networks, if _____ is _____ for _____?

_____ appliances may _____ to _____ in order _____ get a _____ the wi-fi internet _____

_____ the gadgets _____ when _____ to _____ wireless _____ if there _____ need _____ updates?
 Some devices need _____ their software for _____ are _____ a wi Fi _____.
 If there _____ a _____ gadgets, will _____ do better when _____ the _____ network?
 Will _____ better when _____ to _____ fi _____ there _____ a need _____ updates?
 Some _____ make changes _____ order to _____ performance on _____ wi-fi _____.
 Some appliances might _____ to make changes _____ get _____ the _____ internet _____.
 Is it possible _____ some _____ demand _____ maximize _____ connections?
 Will _____ gadgets _____ better when _____ the _____ there is a need _____?
 Do _____ fixes _____ better performments over wi _____?
 _____ possible for _____ to be better _____ the WiFi networks _____ they _____ the _____?
 _____ it _____ that _____ WiFi needs _____ to _____ updated?
 Do some devices _____ to _____ their software _____ sitting _____ wi _____?
 _____ is a _____ that _____ will need _____ upgrade _____ optimal internet _____.
 _____ some _____ have to _____ their _____ better _____ connecting to a _____ network?
 _____ appliances _____ make _____ in order to _____ better performance _____ the internet
 Is _____ possible _____ to have _____ wireless _____ firmware updates?
 _____ some _____ to upgrade _____ software for better performance _____ they _____ using _____.
 _____ possibility of needing _____ firmware _____ optimal connection _____ some devices?
 Do _____ gadgets _____ be upgraded for _____?
 _____ the _____ where some devices need _____ a _____ in _____ to _____ best _____ over the internet?
 _____ appliances _____ need _____ make _____ better performance on the wi-fi network.
 _____ some _____ need to _____ for better performance _____ fi _____?
 There _____ that the _____ may need an upgrade _____ be _____.
 _____ a chance _____ devices _____ need firmware _____ optimal wireless?
 Some appliances _____ a _____ set of firmware _____ have _____.
 Is it _____ for specific gadgets _____ be better on the _____ networks _____ Firmware _____?
 Is it _____ for certain _____ to be _____ the wi fi _____ get _____?
 _____ is a _____ that we will need a _____ optimal _____.
 _____ appliances _____ to _____ changes in _____ to _____ better on the _____
 _____ true _____ some _____ upgrade for better internet?
 Do _____ devices have to upgrade their software _____ have better _____ network?
 _____ need _____ upgrades for better wireless performance?
 _____ popular _____ internet _____ require some _____ make changes.
 Do _____ to upgrade _____ improved _____ if _____ are sitting on a _____ Fi network?
 There _____ a chance _____ device might require an _____ connection.
 _____ possible _____ demand upgraded software _____ fix their wireless _____?
 _____ is a _____ a device _____ need an upgrade to _____.
 _____ possible that some _____ demand firmware _____ the internet _____?
 _____ don't _____ have to _____ my _____ firmware to make it _____ better with _____.
 Some _____ may _____ in order to get a _____.
 A goodWiFi _____ to make changes.
 _____ gadgets _____ better when _____ the _____ network, _____ there _____ a need _____ updates?
 Some appliances _____ order to improve their _____ on _____ network
 Is there _____ chance that _____ WiFi _____ device _____?
 _____ might _____ to _____ a _____ update _____ order to have _____ through wi
 _____ possible for certain gadgets to _____ on _____ get _____ new Firmware updates?
 Will _____ when using _____ wireless network if _____ is _____ for them?
 Could _____ have firmware updates _____ up _____ latest standards for _____?
 _____ certain _____ to perform _____ over wi fi _____?
 Do _____ devices _____ for _____ over wi _____ networks.

Will _____ gadgets _____ the _____ network if there is _____ need for _____?

Is _____ that some appliances _____ demand _____ to maximize _____ internet _____?

Is _____ possible for _____ gadgets to _____ with _____?

_____ do a _____ job _____ connected to the _____ fi networks _____ a need for _____?

_____ need for _____ for certain _____ they work better on _____ network?

_____ appliances _____ to _____ changes in order _____ get _____ on the _____ wi-fi internet _____.

Some _____ need _____ their _____ for _____ connected to _____ wi fi network.

There might _____ a _____ a _____ an upgrade _____ better connection.

There is _____ chance _____ a _____ an upgrade _____ best _____.

Some appliances _____ changes _____ get a _____ the popular _____ internet connection

Will certain gadgets _____ when connected _____ networks if _____ are _____?

Could _____ updated software _____ with wi-fi standards?

Is it _____ to update _____ firmware _____ order to increase _____ via _____ service?

Some _____ need to make changes _____ to _____ a _____ performance _____

Some gadgets _____ need _____ peak performance on _____ networks.

_____ devices need to upgrade _____ for _____ performance if _____ use _____ WiFi _____?

_____ be _____ a device needs _____ upgrade _____ have better connection.

Is it possible _____ gadgets _____ be better on _____ when _____ a new _____ update?

_____ chance that we _____ have to _____ updates _____ optimum connection _____ some _____.

_____ appliances need _____ in order to have _____ on the _____ wi-fi _____.

Some devices might _____ their software _____ performance.

_____ it _____ for certain gadgets to _____ the WiFi _____ when _____ new _____ updates?

When connected _____ the wiifi _____ gadgets do better _____ are _____?

There may _____ a chance that a _____ in order to _____.

_____ possible that _____ need to _____ updated to _____ WiFi?

_____ have _____ upgrade their software for higher _____ connected _____ fi network?

Is it _____ to need firmware updates to _____?

Updating the _____ on _____ gadgets _____ help _____ their _____ internet.

There _____ a chance that _____ devices _____ upgraded for _____ connectivity.

_____ firmware _____ certain _____ possible in order to _____ their performance through _____ wireless service?

Is there _____ way to get _____ with _____?

_____ do better _____ the wireless _____ there is a _____ update?

Will certain gadgets perform _____ when connected _____ the _____ fi _____ they _____?

Might performance enhancements _____ prompt _____?

Is _____ that _____ devices _____ be updated _____ wireless function?

Some _____ may _____ to _____ changes to get _____ internet _____ network.

Is _____ possible _____ have to upgrade their software for _____ performance if _____ network?

Some _____ may need _____ they _____ sitting on _____ wi fi network.

Is _____ a situation where _____ get a new update in order _____ optimal performance _____?

Will _____ do better _____ connected _____ the _____ is a _____ for updates?

After _____ update, can _____ work _____ wi fi?

_____ might _____ make changes to get _____ good _____ connection.

Is _____ for _____ to upgrade _____ if they are _____ wi fi _____?

_____ to upgrade _____ software _____ order _____ enhance _____ by using internet connections _____?

Is _____ specific _____ need to _____ for optimalWiFi function?

_____ using the _____ network, _____ do better if _____ is an _____?

Is it necessary _____ their software if they _____ using _____ fi _____?

Is _____ devices _____ to _____ updated for _____ wireless performance?

_____ there _____ gadgets need _____ be _____ for better wireless?

_____ might _____ to _____ optimum connection on certain devices.

A ____ might ____ order to have a better ____.
 When connected to ____ networks, will ____ gadgets ____ better when ____?
 ____ have ____ upgrade ____ to get ____ performance when they ____ to ____ wi fi network?
 Some appliances may ____ make ____ in order to ____ a better ____ the ____.
 ____ is a ____ device ____ need to be upgraded for ____.
 Is there ____ that ____ needs device ____?
 There ____ chance that we need a ____ upgrade for ____ connection ____.
 ____ might need ____ new update ____ to ____ performance through wi ____
 the chance that we'd ____ have ____ updates ____ on some ____.
 Do some devices have to ____ software ____ sitting ____ Fi ____?
 Is ____ that certain gadgets can ____ on ____ WiFi ____ when ____ necessary updates?
 ____ a ____ that ____ need to be updated ____ wireless.
 Will certain gadgets ____ better ____ wireless networks ____ they ____?
 Do ____ to be ____ over wi ____ networks?
 Is it ____ for ____ have better ____ updates?
 ____ the machines may ____ updates to ____ their wi-fi ____.
 ____ some devices ____ upgrade their ____ for better ____ they ____ a wireless ____?
 There's ____ chance ____ a ____ an upgrade ____ order ____ better connection.
 Will ____ do better when ____ to the ____ is need for ____?
 Can ____ work with WiFi?
 ____ need updates, ____ they ____ better ____ connected to the ____ networks?
 ____ some ____ their software ____ connect ____ a wi fi network?
 Will certain ____ do ____ network if there ____ update?
 ____ that ____ need to be updated for better wi ____?
 Some appliances might need ____ make changes ____ get ____ access network
 ____ better ____ to ____ wily network if ____ are needs for updates?
 ____ do better with ____ wireless ____ there is a ____ updates ____ gadgets?
 Do some devices ____ be updated ____ over the ____?
 Can certain ____ be ____ and speed over ____ internet?
 Some devices ____ their software if ____ sit on ____ network.
 Will ____ perform better ____ to a ____ network if ____ need for ____?
 ____ it possible ____ appliances demand Firmware updates ____ internet ____?
 ____ may be looking ____ updates ____ maximize ____ wi-fi ____.
 Do some devices ____ connected to a ____ upgrade ____ software?
 ____ is a ____ that ____ device ____ upgrade of its ____ for ____ best ____.
 There's a ____ to have a firmware upgrade ____ better ____.
 ____ possible for ____ strive for ____ WiFi with ____ updates?
 Is there a chance that ____ for ____?
 There ____ a ____ might need an ____ to have a better ____.
 Some devices might need ____ wireless ____.
 ____ it ____ that specific ____ need ____ for optimal WiFi?
 Do ____ to upgrade ____ software for ____ performance when ____ on aWiFi ____?
 ____ appliances might have to ____ changes ____ get ____ better ____ on the ____.
 ____ have to ____ for ____ performance when connected ____ a ____ fi network
 ____ it ____ that certain ____ need to ____ for ____ capabilities?
 ____ may need to get a ____ update ____ the best ____ wi ____
 ____ a chance ____ need ____ firmware ____ for optimal internet.
 Some appliances will need ____ make ____ to get ____.
 Is ____ possible to ____ device ____ to add ____ WiFi?
 ____ there ____ of ____ an upgrade for optimal ____ devices?

_____ appliances need _____ changes _____ order to get _____ on the popular _____ .
 Is _____ that some _____ the machines _____ to _____ wi-fi connection?
 Will certain _____ better connected to _____ if _____ a _____ for updates?
 _____ possible _____ on the WiFi networks when _____ get a Firmware update?
 _____ it _____ gadgets to be _____ on _____ wireless _____ they get _____ necessary updates?
 Some devices might _____ a _____ performance _____ the WIFI.
 _____ certain _____ require _____ will they _____ when _____ the wily network?
 _____ gadgets be _____ connected to the wiifi networks _____ a need _____ ?
 Is _____ possible that _____ need to _____ upgraded _____ better _____ performance?
 Some _____ the _____ may be _____ maximize their wi-fi _____ .
 Some _____ need _____ changes in order _____ better performance on the _____ .
 Is it possible _____ appliances _____ updates _____ maximize their _____ connection?
 Do _____ have to _____ software _____ performance when they _____ on _____ wi fi _____ ?
 _____ it _____ for some devices _____ upgrade _____ software for better _____ if _____ are _____ network?
 _____ to upgrade their software in order _____ get better _____ when _____ a _____ ?
 _____ might _____ firmware updates _____ optimum connection on _____ devices.
 Is there _____ certain _____ need _____ be updated _____ wi-fi?
 There _____ a chance _____ device _____ to be _____ the best _____ .
 There is _____ that _____ might _____ an upgrade in _____ get _____ connection.
 _____ be _____ enhancements via _____ prompt device update _____ .
 _____ devices might need _____ new _____ in _____ performance through _____ WIFI
 _____ device's wireless performance be improved by _____ ?
 _____ there _____ situation _____ some devices _____ need a _____ update in order _____ the internet?
 _____ that a device _____ an upgrade to _____ best connection.
 _____ possible _____ some _____ firmware _____ to _____ up with _____ current _____ for wi-fi?
 _____ to _____ their _____ for better performance when using _____ network?
 Some appliances _____ need _____ make changes in _____ better _____ internet connection
 Do _____ have _____ for better performment over _____ fi _____ ?
 Is _____ possible for _____ to _____ on the wireless _____ if _____ the _____ updates?
 _____ certain devices need _____ be altered for _____ wi _____ ?
 Do some _____ to _____ their software _____ when connected to _____ wi _____ .
 There is _____ chance _____ an _____ in order to have better _____
 _____ better _____ connected to _____ wireless networks if _____ is an update _____ ?
 Do certain _____ have to have _____ over _____ fi _____ ?
 There _____ a _____ that a _____ may need an _____ in _____ to _____ .
 Some _____ might need _____ make _____ get _____ performance _____ popular wi-fi network
 _____ necessary _____ the firmware to use _____ WiFi?
 _____ gadgets _____ upgrade _____ if they _____ on a wi Fi network?
 _____ is _____ chance that _____ have to _____ upgraded _____ optimal connection.
 Do _____ have to _____ their software _____ performance when _____ to _____ fi _____ ?
 _____ there _____ possibility _____ needing _____ upgrade _____ optimal internet _____ on _____ devices?
 Could _____ of the machines _____ updates _____ maximize their _____ ?
 _____ certain _____ better when connected to wily _____ is a _____ for _____ ?
 Is _____ possible for some _____ require _____ updates to _____ ?
 _____ that _____ need a _____ upgrade _____ optimal _____ connection on _____ devices.
 _____ is a _____ a device may need a firmware _____ better _____ .
 _____ situation where _____ devices _____ a _____ in _____ have the highest _____ through _____
 _____ to _____ their software for _____ performance when they _____ on _____ network?
 _____ some _____ on _____ network if _____ is _____ need for updates?
 Is _____ situation _____ some _____ need _____ update in _____ to get better performance _____ the internet?

Is _____ a chance of _____ a _____ connectivity?

Is _____ possible _____ demand upgraded software to _____ issues?

Do _____ need _____ their software to _____ if they are _____ on _____ wi _____ network?

_____ requirement for some _____ upgrade their software _____ better _____ if they are using _____?

Do _____ devices need to _____ to _____ better _____ fi networks?

_____ need _____ upgrade their software _____ order to get better _____ theWiFi _____?

_____ do _____ network if there is a need _____ updates?

Is it _____ certain gadgets to be better on _____ Firmware _____?

Will _____ gadgets do _____ when _____ wireless _____ if _____ need _____ an update?

Is the situation _____ devices _____ need a new update in _____ get _____ wi _____ networks?

_____ if I have _____ update the _____ firmware to make _____ better _____ internet.

Will certain _____ better when _____ fi _____ there _____ need for updates?

Some _____ changes in order to improve _____ performance on _____ access network

Some _____ might need to make _____ in _____ get _____ performance _____ the popular _____ access _____.

_____ devices _____ be _____ for _____ performance if _____ are using a _____ network?

_____ may _____ changes in order _____ a goodWiFi connection.

Is it possible _____ some _____ to _____ to boost _____?

Will certain _____ do a _____ when connected to _____ wily network if _____ a _____?

Some appliances _____ need _____ make _____ better _____ the wi-fi network.

Do some _____ upgrade _____ to get _____ better performance _____ they are _____ a WiFi _____?

_____ that _____ need updates for _____ use of the _____?

Some _____ may need _____ change _____ order _____ a _____ performance on _____.

Will certain _____ perform _____ to _____ fi networks _____ there is need _____?

There _____ a _____ that devices _____ firmware _____ for optimal _____.

_____ do better when connected _____ the Wiifi _____ they need _____?

_____ have to _____ for better performance if _____ using aWiFi _____?

_____ is a chance that _____ device needs _____ to _____ better _____.

_____ to _____ order to get a better _____ on wi-fi.

Some _____ have _____ upgrade their _____ performance when _____ are _____ theWiFi _____.

There's _____ that we _____ have _____ have _____ updates _____ optimum connection _____ certain _____.

_____ it _____ might _____ firmware updates for _____ WiFi?

Is _____ some _____ could _____ updates to maximize their _____ connection?

When _____ the _____ network, _____ gadgets _____ better _____ updates?

Will _____ wireless network do better _____ certain gadgets?

_____ for updates for certain _____ will _____ better _____ connected to the _____ fi networks?

_____ some appliances _____ to keep _____ the current _____ wi-fi?

_____ gadgets _____ better on the _____ if they _____ updates?

_____ it possible that _____ firmware updates _____ maximize their wireless _____?

Do certain _____ require fix _____ better _____ fi _____?

_____ the gadgets _____ better _____ to _____ wily _____ if _____ need for updates?

Is it possible _____ devices _____ for optimal _____ fi?

_____ gadgets do _____ when connected to _____ if they _____ to be _____?

_____ certain _____ do better when connected _____ there is a _____ for _____?

If _____ a _____ for certain gadgets, _____ do better when connected to _____ network?

Some _____ might need _____ change in _____ better _____ the popular wi-fi _____.

_____ gadgets do _____ when connected _____ wily network if _____ get updates?

_____ there a chance _____ certain _____ need _____ for better _____?

_____ it possible for certain _____ to _____ better _____ the WiFi networks _____ updates?

I _____ if _____ to _____ my _____ Firmware to make _____ work _____ the internet.

_____ it possible that _____ to be _____ to boost _____ internet _____?

____ appliances ____ need ____ a better performance on wi-fi-enabled
 Will ____ do better ____ the ____ there ____ a need for ____?
 ____ possible ____ we need a ____ for ____ connection on ____ devices.
 ____ it possible ____ some machines ____ be ____ for ____ to ____ wi-fi ____?
 Is ____ necessary ____ some ____ to ____ upgrade ____ peak wi ____?
 ____ need to ____ upgraded for better ____ if ____ are using ____ WiFi ____?
 Some ____ get a new ____ in order to ____ highest ____ wi ____
 Do some devices ____ upgrade ____ software ____ better performance ____ they ____ wi-fi ____.
 ____ need ____ changes in order to ____ performance ____ the internet access ____.
 There is a ____ need ____ firmware ____ for ____ connection.
 Could ____ be ____ to maximize ____ wi-fi connections?
 ____ it ____ for ____ better on the ____ networks ____ they get ____ software?
 When some ____ to ____ wi ____ network, do ____ upgrade their software?
 Could the machines ____ to ____ wi-fi connection.
 ____ certain ____ do better ____ connected ____ wiifi networks ____ there ____ update need?
 ____ a ____ device might need an upgrade ____ connection.
 Some ____ to make ____ order to better perform ____ wi-fi ____.
 Some ____ a ____ update in ____ to ____ best performance through ____.
 Is it ____ need to ____ software for better performance ____ are ____ a ____ network?
 Do ____ devices ____ to ____ their software ____ better ____ if ____ are ____ a ____ Fi network?
 When using ____ wireless ____ will ____ if there is ____ update ____ them?
 Would ____ upgraded to reach peak ____ on the ____?
 ____ it possible ____ some of ____ need ____ to maximize their wi-fi ____?
 ____ machines be requiring ____ in order to ____ their ____?
 ____ need fix ____ better perfomment over ____ networks?
 ____ possible ____ certain ____ be ____ on the WiFi networks ____ they get the necessary ____?
 If there ____ a ____ for ____ for certain ____ will ____ do better ____ wily network?
 ____ have to upgrade ____ better performance if ____ are using ____ network?
 There's ____ gadgets need to ____ updated for better ____.
 Some ____ to ____ changes to ____ a ____ connection
 ____ necessary for some gadgets to ____ a ____ WiFi?
 ____ devices will have to upgrade ____ software for ____ they ____ a wi ____ network.
 Is it ____ for some devices ____ upgrade their ____ better ____ aWiFi ____?
 ____ it ____ that some ____ updates to ____ their internet ____?
 ____ some devices ____ to ____ their ____ when they ____ networks?
 There is a chance ____ a ____ require ____ in order ____ connection.
 ____ possible for ____ gadgets to have ____ updates?
 ____ some gadgets need to be updated ____?
 Could some ____ the ____ be ____ updates in ____ maximize their ____?
 ____ some devices need ____ upgrade ____ software ____ better performance when ____ in ____?
 Do some ____ to ____ their ____ better performance if ____ WiFi network?
 Some appliances might have ____ make ____ goodWiFi connection
 Do some devices have ____ for ____ performance ____ they are ____ Wifi ____?
 Devices that ____ updates ____ strive ____ WiFi.
 ____ some ____ machines ____ updates to maximize ____ wi-fi connection?
 Some ____ might ____ changes ____ get a better performance ____ the popular ____.
 Is the situation ____ get ____ new update ____ order to perform ____ the internet?
 Some ____ to make ____ order ____ have a goodWiFi ____.
 ____ appliances ____ need ____ make changes in ____ perform better ____.
 Is ____ for ____ gadgets to ____ on the ____ when the ____ updates ____ available?

_____ be asking for updates in order to _____ connection?

Is it necessary _____ upgrade _____ for enhanced _____ internet?

_____ is a _____ that _____ an upgrade in _____ have better connection

Is _____ possible for _____ gadgets _____ betterWiFi _____ updates?

Is there _____ devices might require _____ for _____?

_____ be asking for _____ to _____ wi-fi connection.

_____ might _____ to be updated to _____ internet.

_____ on _____ gadgets be _____ in _____ to maximize _____ via the internet?

_____ they _____ when _____ wireless _____ if there's a need for _____ certain _____?

Some _____ need to _____ changes in order _____ their _____ wi-fi network.

Is it _____ that _____ appliances _____ updates _____ maximize _____ fi?

Some _____ need to make _____ in _____ get a _____ wi-fi network.

Is it possible _____ want _____ have _____ maximize internet access?

There may be _____ a _____ upgrade in _____ have _____ better connection.

Some appliances might _____ make _____ to _____ a _____ on _____ wi-fi _____.

There _____ a chance _____ a device _____ upgrade to be _____.

Do _____ to _____ software if they connect _____ a wi _____?

_____ the current _____ prompt some appliances to _____ firmware _____?

Some _____ make _____ to _____ a better wi-fi _____.

_____ is _____ that a device may need _____ internet _____.

_____ need to change to _____ a _____ performance _____ wi-fi network.

Do some _____ need _____ software _____ order _____ get _____ performance _____ to a wi _____ network?

_____ to the wi _____ certain _____ do _____ if they _____ to be _____?

Is it _____ devices to upgrade their _____ wi fi network.

Some appliances _____ to get a better performance _____ popular _____ access _____.

Could machines _____ their wi-fi _____?

_____ would _____ know if hardware units would _____ revisions _____ capabilities.

_____ there _____ chance _____ gadgets need updates for _____?

When connected _____ fi network do some _____ have _____ for _____ performance?

_____ connected _____ wi fi _____ do some _____ need to _____ their _____?

_____ certain gadgets _____ when _____ the _____ if there is a need _____?

_____ some _____ need _____ their software _____ using a _____ network?

_____ certain devices need _____ get _____ performance over the _____?

_____ certain gadgets do _____ if there is a need _____?

Some devices _____ to _____ their _____ wireless performance.

_____ a _____ a _____ might _____ upgrade in order to _____ connection.

Is _____ possible _____ WiFi _____ updates?

It _____ possible that _____ device may need _____ upgrade of _____ in _____ a better _____.

Will certain _____ connected _____ the _____ network if there is a _____

_____ might _____ to have _____ in _____ have _____ highest performance through wi

_____ that some gadgets need _____ updates _____ boost _____ internet _____?

_____ have _____ upgrade their software _____ get _____ they are on a wi _____ network?

Is it _____ some _____ have _____ WIFI with _____ software?

Some _____ might need _____ in order _____ better _____ popular internet access network

The _____ for wi-fi might _____ appliances to have _____.

It's _____ need a firmware update for _____.

_____ some machines _____ more _____ to maximize their _____?

Is _____ possible _____ gadgets _____ be better _____ when they _____ the _____ updates?

_____ it possible for _____ to _____ firmware _____ internet service?

We _____ have to _____ firmware _____ for optimum _____ devices

Could some _____ have _____ updates _____ up with current _____ ?
 Is there _____ need for _____ updates _____ wireless _____ ?
 _____ chance that _____ an upgrade to have better _____.
 Is _____ certain gadgets in order to increase their performance _____ the _____ service?
 Some appliances may need _____ make _____ in _____ get _____ the popular internet _____ network
 Some _____ need _____ make changes in _____ get _____ connection.
 _____ connected _____ wi fi networks, _____ certain gadgets _____ better _____ they need _____ ?
 There's a _____ that _____ need _____ updated for optimal _____.
 _____ may need _____ update in order _____ the highest _____ through _____
 Some appliances may need _____ internet access.
 _____ it _____ to update _____ for enhanced _____ of _____ internet?
 _____ to the wily network, _____ certain gadgets _____ if _____ an update _____ ?
 Is there _____ that _____ need _____ be updated for _____ ?
 Some _____ to upgrade _____ higher performance when connected to _____ fi _____.
 Can _____ gadgets _____ better _____ connected _____ the wireless _____ if _____ need _____ updates?
 _____ is _____ that _____ need an upgrade for best _____.
 _____ appliances _____ make changes to get _____ goodWiFi _____.
 _____ devices _____ upgrade _____ order to have better performance _____ connected _____ a _____ fi network?
 We might have to _____ firmware _____ connections _____ certain _____.
 Some _____ make _____ to get better performance on _____ wi-fi _____ connection.
 _____ are some appliances _____ need _____ order to get _____ goodWiFi _____.
 _____ some _____ upgrade their software _____ take _____ of _____ fi network?
 Do _____ devices _____ to upgrade _____ when they _____ sitting _____ a _____ Fi _____ ?
 Will the _____ better _____ connected to the Wiifi _____ is a _____ ?
 _____ where _____ might need to _____ update _____ order to have _____ highest performance _____ wi
 _____ gadgets do better when connected to the Wiifi _____ for _____ ?
 _____ to _____ software _____ higher performance when _____ are _____ wi fi network.
 _____ possible that specific _____ need _____ updated for _____ WiFi?
 _____ might _____ make some changes in _____ to _____ a goodWiFi _____.
 _____ devices _____ need to _____ upgraded _____ wireless performance.
 _____ possible _____ devices might _____ an _____ optimal wireless?
 Do _____ to upgrade their software _____ when they _____ on theWiFi _____ ?
 _____ may have _____ have _____ updates for _____ on _____ devices.
 A device might need to _____ better connection.
 Do _____ devices need _____ their software _____ higher performance _____ to a wi _____ network?
 Some appliances _____ need to make _____ their performance _____.
 Do _____ devices _____ upgrade _____ order to _____ a wi fi _____ ?
 Is there _____ of _____ updates on certain devices to _____ top-notch _____ ?
 _____ machines _____ in order to maximize their wi-fi _____.
 Some _____ fixes for _____ perfomment _____ fi networks.
 _____ appliances _____ to make _____ better _____ the wi-fi network.
 _____ some of _____ machines _____ updates to maximize _____ wi-fi _____ ?
 _____ the _____ network, will certain _____ do _____ if they need _____ be _____ ?
 _____ may require _____ to _____ their wi-fi _____.
 Do _____ need _____ upgrade _____ for better performance _____ using aWiFi network?
 When _____ wi fi networks _____ gadgets _____ better if there _____ a need _____ ?
 Some _____ the machines _____ be _____ updates _____ their _____ connection.
 If certain _____ will they do _____ if _____ are connected to _____ fi networks?
 Is it _____ certain _____ to be _____ on the WiFi _____ when _____ the _____ ?
 _____ it possible for some gadgets _____ better _____ when _____ receive _____ necessary updates?

Are _____ to use upgraded software _____ wireless _____?

_____ possible _____ some gadgets _____ to _____ updated for better use _____?

It's _____ have to _____ updates _____ connection _____ certain devices.

_____ it _____ for some devices to _____ their software _____ better performance _____ aWiFi _____?

_____ updating _____ machines to _____ their _____ a requirement?

Can certain gadgets _____ when _____ to the _____ if _____ is a _____?

Is it possible _____ updates for _____ wireless?

When _____ the _____ will _____ better if _____ is an update?

Can _____ gadgets _____ better when _____ the wireless _____ if there is _____?

_____ chance that _____ to be updated _____ better internet access?

Is it _____ to upgrade _____ in _____ peak wireless?

Is it _____ seek _____ via firmware updates?

_____ devices _____ their _____ to perform better on _____ wi Fi network?

If _____ be updated, will they do better _____ connected _____ network?

In _____ to get _____ connection, some _____ need _____ changes.

_____ appliances _____ make changes to _____ a better performance _____ the wi-fi _____.

_____ for devices to strive _____ top-notch _____ Firmware updates?

If _____ need to _____ updated, _____ they perform _____ when _____ to _____ wireless _____?

_____ it _____ some _____ will demand _____ to maximize internet access?

_____ some _____ need to be updated _____ maximize _____?

_____ the _____ will certain gadgets _____ better _____ there _____ a need _____ updates?

Can the _____ updated _____ improve _____ wireless _____?

Is there any chance _____ need _____ updates _____ better _____?

Will certain _____ perform better when _____ if _____ is _____ need _____ updates?

If _____ need an _____ do better when _____ the _____ fi networks?

Is _____ some machines _____ be _____ updates _____ maximize their wi-fi _____?

Is _____ devices _____ perform their best _____ aWiFi _____ of _____ software?

Do _____ need to _____ are connected to a wi fi _____?

Is it necessary _____ firmware _____ enhanced _____ uses?

Do _____ need to _____ their _____ for _____ performance if _____ using a _____?

_____ it possible _____ appliances _____ demand _____ updates to _____ their internet _____?

Some _____ may _____ to _____ new _____ in order to get _____ best performance _____.

Could some machines _____ updates _____ their wi-fi _____?

_____ it _____ for specific _____ to be better _____ they _____ the necessary updates?

Could _____ updates to _____ their wi-fi connection?

_____ a chance _____ may need _____ upgrade for _____ connectedness.

Some devices _____ a _____ in order _____ have _____ through wi

Will _____ gadgets be _____ connected to _____ wi fi _____ is _____ for _____?

Is there a _____ updates.

Is _____ of _____ firmware _____ gadgets _____ to _____ their performance via _____ wireless _____?

Is it possible for gadgets _____ have _____?

Will certain gadgets _____ better when _____ the wily network _____ there _____ for _____?

When _____ to _____ networks, _____ certain _____ do better if _____ is _____?

_____ devices might _____ a new _____ in _____ perform better _____ internet.

_____ gadgets do better _____ using a wireless network _____ be _____?

_____ some _____ to _____ their _____ better performance _____ they are _____ wireless network?

Some _____ need to _____ changes in _____ to _____ on wi-fi-enabled.

Do _____ have _____ updated _____ better performance over the _____?

_____ appliances may need to make _____ to _____ better performance on _____.

Some appliances _____ need to make changes _____ performance _____ the internet _____.

Is the situation _____ devices _____ need _____ order to get better performance _____ WIFI?
 _____ possibility of needing _____ firmware upgrade for _____?
 _____ it possible for certain gadgets _____ be better on _____ wireless _____?
 Is _____ necessary _____ to _____ their _____ when connected to _____ wi _____ network?
 _____ devices need to _____ perform _____ over the networks?
 _____ certain _____ need _____ be _____ they do _____ when connected _____ the wiifi _____?
 _____ to _____ changes in _____ to _____ a better performance _____ wi-fi network.
 Is it _____ make devices _____ on _____ updates?
 Is it _____ some appliances to _____ firmware updates to _____?
 _____ is a _____ that a _____ might need _____ order _____ have a _____ connection.
 A _____ may _____ upgrade of its _____ order to _____ better _____.
 _____ gadgets do _____ the wireless _____ if _____ need to _____ updated?
 Do some _____ to upgrade _____ software for _____ performance _____ they _____ using _____ network?
 _____ that some gadgets _____ updates _____ use _____ internet better?
 _____ appliances might need _____ make changes _____ improve _____ the _____ wi-fi _____.
 _____ there a chance _____ a _____ upgrade for _____ devices?
 _____ devices need to _____ their software for higher _____ if _____ to _____ wi fi _____?
 Can _____ appliances have _____ updates _____ keep up with the _____?
 Changes _____ be needed to get _____ the wi-fi _____.
 _____ devices _____ new _____ in order to _____ performance through wi.
 Is _____ possible that _____ be updated _____ boost their _____ connection?
 Will _____ gadgets do _____ connected _____ the wily network _____ are _____?
 Could some machines be _____ maximize their _____ connection?
 _____ certain devices need _____ for _____ wi _____ networks?
 _____ may _____ to _____ a new _____ in order to _____ through the _____.
 There's _____ that we'd have _____ have _____ for optimum _____.
 Is it possible that _____ might need a _____?
 Do certain _____ for better performance over the _____?
 _____ that some gadgets _____ to _____ firmware updates to _____ internet _____?
 Will _____ better _____ using a wireless network if _____ need _____?
 I _____ if some devices have to upgrade their _____ for _____ fi network.
 _____ that devices might need an _____ WiFi.
 Is _____ possible to _____ firmware _____ certain gadgets in order to _____ on the _____?
 Is _____ any chance _____ some _____ mandate _____ revisions _____ enhanced WiFi?
 Is there any chance that _____ hardware _____ mandate _____ for _____?
 Do devices need _____ be _____ best WiFi _____?
 _____ is _____ WiFi needs _____ updates.
 _____ is _____ a device _____ an upgrade to have _____ connection.
 Do _____ gadgets _____ be upgraded to have _____?
 There is a _____ that _____ to _____ for better connections.
 _____ standards _____ wi-fi might require _____ appliances _____ firmware updates.
 _____ certain _____ do better on a _____ there _____ need for _____?
 Some _____ may _____ changes in order to _____ a _____ the popular internet _____ network.
 Is _____ to update _____ Firmware _____ enhanced _____ use?
 Is it possible _____ some appliances _____ maximize the _____?
 Some _____ to _____ in order _____ a _____ performance on wi-fi.
 Changes _____ in _____ get a goodWiFi connection.
 _____ might need _____ to have _____ better connection.
 There _____ a _____ that _____ certain _____ to _____ upgraded for _____ best connection.
 Will _____ gadgets _____ to _____ wi _____ networks if there's a need _____ an _____?

_____ have to _____ software for _____ performance if _____ are _____ aWiFi network.

Is it _____ for some appliances to _____ their _____ access?

Do _____ to _____ updated for _____ performance _____ WiFi networks?

I _____ if _____ have to _____ my device's firmware _____ make it _____ the _____.

_____ certain gadgets do _____ connected to _____ wi _____ there is a _____ updates?

_____ certain devices need to be adjusted _____ fi _____?

_____ need _____ of its firmware in order _____ more connected.

Do some _____ have to upgrade _____ software _____ to _____ better performance _____ they _____ network?

Do some electronics _____ to _____ upgraded _____?

Is it possible _____ their performance _____ the wireless _____ update of the _____ on _____?

_____ appliances might need to make _____ in _____ get a _____ performance on _____ popular _____.

_____ possible _____ optimal WiFi _____ firmware updates?

_____ devices need _____ upgrade their _____ to _____ a wi Fi network?

_____ might be necessary for some _____ order to get _____ goodWiFi _____.

_____ is _____ that _____ might need to _____ our _____ for _____ internet _____.

Do some devices _____ upgrade _____ for better _____ if _____ a _____ network?

Some _____ to make changes _____ to have _____ wi-fi.

_____ might _____ to _____ to improve their _____ on the _____ network.

Is there a chance of requiring _____ certain _____ top-notch _____ across _____?

There _____ have to _____ firmware _____ for optimum connection _____ some devices.

A device _____ need _____ for _____.

Do _____ devices need _____ better performance if they _____ using _____ wireless _____?

_____ gadgets do _____ connected to the _____ if _____ need to be _____?

_____ some _____ to upgrade _____ software for better performance _____ using _____?

_____ gadgets _____ better on _____ networks _____ there _____ a _____ for updates?

Should some devices _____ to _____ software if _____ are _____ a _____ Fi _____?

_____ be a chance that the _____ an _____ for the _____.

Is _____ likely _____ software for wireless fixes?

Maybe _____ need a firmware _____ wireless performance?

_____ for some _____ to have _____ for peak wi _____?

Do some _____ need to upgrade _____ a _____ performance if they _____ a _____ Fi _____?

_____ are some _____ to be _____ better wi fi.

Do some devices _____ to upgrade _____ software for higher _____ are on _____?

_____ have to upgrade their software _____ wi fi?

_____ it _____ for some gadgets _____ WiFi with _____ updates?

When connected _____ wiifi _____ do better if _____ is _____ update for _____?

_____ wi-fi, could some _____ have firmware updates?

There _____ a _____ that _____ certain device _____ be _____ the _____ connection.

If there is _____ for _____ for certain gadgets, will _____ when connected _____ the _____

Is _____ for some appliances _____ updates _____ maximize _____ internet?

Will _____ gadgets _____ better _____ using a wireless _____ needed updates?

There is a _____ need to upgrade our _____ connection.

_____ appliances _____ to _____ in order to perform better.

Is it _____ for some _____ to _____ updates _____ their internet _____?

_____ is a chance that the _____ an upgrade _____ better connections.

_____ have _____ be _____ for better wireless?

Is it possible _____ to _____ Firmware _____ to maximize their _____?

The machines _____ requesting _____ to maximize _____ connection.

If _____ need to _____ will _____ do better _____ to the wireless _____?

Will _____ do better when connected to _____ is needed _____?

Will gadgets do _____ to a wireless _____ if there _____ updates?
 _____ appliances _____ need _____ make _____ in _____ a better _____ on the internet _____.

I would like to _____ if _____ stuff _____ to _____ for _____ connection.
 _____ it possible _____ certain gadgets _____ be _____ the wireless networks when _____ required _____?

Is _____ for the _____ be _____ for _____ WiFi?
 may _____ via _____ prompt _____ update _____?

Will certain _____ do _____ wireless _____ if _____ a need for _____?
 _____ may have _____ upgrade _____ for _____ performance _____ connected _____ a wi fi _____.

Do some _____ need to _____ to get better _____ connected _____ a wi fi _____?
 _____ chance that _____ have _____ upgrade our firmware for _____.

_____ some devices _____ to _____ their software _____ higher performance when _____ a _____?

Is there _____ appliances _____ have _____ updates to maximize the _____?
 I wonder _____ machines are demanding _____ maximize _____ wi-fi _____?
 _____ require updates _____ to maximize _____ wi-fi connection?

Is _____ necessary _____ some _____ have _____ for peakWiFi?
 Is _____ to _____ the firmware _____ internet usage?
 Can _____ performance be improved with _____?

Is it _____ gadgets to be _____ on _____ networks _____ get _____ updates?
 _____ of _____ machines _____ requesting _____ to maximize their _____ connection.
 _____ certain _____ be updated _____ better performance over _____ networks?

It is possible that _____ the _____ demanding _____ to _____ connection.
 Some gadgets _____ be _____ for _____.

Maybe _____ need to _____ their _____ for better _____.

Is _____ possible for _____ gadgets _____ to boost _____ speed?
 Do _____ devices need to _____ software _____ they are _____ on a wi _____ network?
 Devices may _____ wireless via _____.

Does _____ devices require _____ for _____ performment _____ fi _____?
 Could _____ requiring _____ to maximize their _____ connection?
 Is _____ for some gadgets _____ updates _____ internet speed?

Do some devices need _____ order _____ get better _____ on a _____ network?
 _____ it possible that some appliances _____ updates _____?
 _____ is possible _____ a _____ may need _____ of its firmware _____ better _____.

_____ certain devices _____ performment over wi fi networks?
 Will certain gadgets _____ connected to _____ wiifi networks _____ they _____ to _____?
 _____ may try for top-notch _____.

_____ devices need updates to _____ over _____?
 _____ worth _____ device software in order to enhance _____ speeds _____ connections _____?
 _____ a chance _____ the _____ need an upgrade _____ have _____ connection.

Some appliances may _____ new _____ firmware _____ get _____ access.
 It's _____ a _____ may need an upgrade to _____.

Do _____ need to _____ software _____ performance when connected _____ wi fi _____?
 Some _____ need _____ make _____ order to _____ their _____ wi-fi internet connection.
 _____ it _____ some gadgets _____ require firmware _____ to _____ internet _____?
 _____ a chance _____ might _____ a _____ for _____ internet connection _____ some devices.

Some appliances might _____ to _____ in order to _____ the _____.

_____ updates to _____ their wi-fi connection.
 _____ it possible _____ some _____ better _____ with a firmware _____?
 Can I update _____ device's _____ improve _____ performance?
 _____ gadgets capable of _____ with _____?

Do some _____ need _____ upgrade their _____ for better _____ if they _____ sitting _____ wi _____?

_____ do better when connected _____ wiifi _____ if _____ need _____ be _____?

There _____ chance that a certain device might _____ to _____ upgraded _____.

_____ to make changes in _____ to get _____ performance on _____.

There is _____ chance that a _____ need to _____ order to _____.

_____ is possible that the _____ new _____ optimal _____ performance.

_____ it possible _____ some _____ may be _____ updates _____ maximize _____ connection?

_____ is a chance _____ need an upgrade for optimal _____.

Is _____ that _____ gadgets _____ firmware updates _____ boost _____ access?

Could some _____ demand _____ maximize _____ wi-fi _____?

Some appliances _____ changes _____ order to have _____ performance on _____ wi-fi _____.

_____ appliances have _____ changes in order to _____ better _____ on _____ connection.

Is there _____ of _____ firmware upgrade _____ the _____ on _____ devices?

When _____ is connected _____ a wi _____ do _____ devices _____ to _____ software?

Do some devices _____ to upgrade their _____ get _____ performance _____ on _____ fi network?

Some devices may need _____ order to _____ performances through _____.

Some devices _____ need fixes for _____ over _____.

Some devices may need to _____ a new update _____ the _____.

_____ devices need to _____ their _____ for higher performance when _____ fi _____

_____ wireless _____ will certain gadgets _____ better _____ there _____ an update for _____?

_____ are _____ that require fixes for _____ fi networks.

Is it possible _____ certain _____ to be _____ on _____ WiFi _____ they _____ necessary _____?

_____ appliances _____ make _____ in order to get better _____.

Some _____ need to _____ changes _____ they want to get _____ better _____.

_____ devices have to upgrade their software _____ better on _____?

_____ make changes _____ order to _____ better _____ on the _____ internet connection

_____ it possible _____ machines _____ asking _____ updates _____ maximize their wi-fi _____?

Can certain gadgets _____ updates _____ on the _____?

_____ a _____ that a _____ upgrade in order to have _____ connection

_____ certain gadgets do _____ fi _____ if they need an _____?

Will certain gadgets _____ wireless network if they _____?

_____ do better when connected to _____ wily network _____ there's _____ for _____?

_____ devices _____ to _____ for higher performance when _____ on theWiFi networks? _____

Some _____ might _____ a new _____ of _____ have _____ internet _____.

_____ a chance _____ a _____ need an upgrade _____ to _____ connect.

Is there _____ need for firmware _____ wireless _____.

Some appliances _____ need _____ in _____ to _____ a _____ wi-fi.

Is _____ device's _____ firmware necessary for _____?

_____ might _____ make changes _____ get a better _____ a _____ internet connection.

Will _____ do _____ when connected to _____ network _____ is _____ need for _____?

Will the gadgets _____ network if _____ is a _____ for _____?

_____ it possible _____ some devices _____ have to _____ higher performance _____ connected to _____ wi fi _____?

Is there a chance of _____ optimal _____?

There _____ a chance _____ devices would _____ upgraded for optimal _____.

_____ certain _____ better on _____ networks _____ they _____ updated?

We might _____ have firmware _____ optimum connection _____ certain _____.

_____ certain gadgets _____ the wireless network if there _____ a need _____?

There's a _____ for _____ connection on certain devices.

When connected to _____ wiifi networks will _____ they _____ an _____?

_____ some devices need _____ their software if they are _____ on _____?

Is _____ to _____ the firmware _____ certain _____ performance _____ the wireless service?

When connected _____ network, _____ gadgets do _____ if they are _____?

Could _____ be _____ updates to maximize their _____ connection?

Is it _____ update devices _____ with _____?

Is _____ any chance _____ an update for _____ internet?

Do some _____ need to _____ software _____ they _____ a wi _____?

_____ is _____ a _____ needs an _____ in _____ to _____ a better connection.

Do _____ gadgets _____ be _____ have _____ wireless fidelity?

Do _____ devices _____ to _____ over wi fi _____?

Is _____ devices need to _____ updated for better _____?

_____ some _____ a _____ fi _____ do _____ need to upgrade their software?

There _____ that devices might have to _____ for _____.

Is there any _____ certain gadgets _____ an update _____?

_____ that _____ needs an upgrade to the best _____.

Is it possible _____ certain _____ to _____ better _____ WiFi _____ they _____ a _____ Firmware?

_____ devices may need to _____ for _____ if _____ are _____ aWiFi network.

When _____ will certain _____ do _____ with updates?

Do _____ be _____ for better performment over _____ networks?

Do _____ be upgraded _____ better performance _____ sit on _____ wi _____ network?

_____ wonder _____ machines are demanding updates _____ maximize their _____.

_____ gadgets do better when connected _____ if there _____ a need _____ updates?

_____ it possible that _____ to be updated for _____?

_____ connected _____ Wiifi networks, will _____ gadgets do better _____?

_____ appliances may need _____ make _____ in _____ a better _____ wi fi.

There is _____ chance _____ device _____ upgrade _____ the best connection.

Could some machines _____ demanding _____ to _____?

Will certain gadgets _____ connected _____ the _____ is a _____ for updates?

_____ appliances _____ to _____ changes if _____ a _____ connection.

_____ devices may _____ to get _____ new _____ to get the highest _____

_____ possible that some machines _____ to maximize _____ wi-fi connection?

_____ it _____ that some _____ demanding _____ maximize their wi-fi connection?

Will certain _____ well _____ connected _____ networks if _____ is a need _____?

_____ appliances _____ need _____ change in _____ to _____ a _____ connection

Will _____ do _____ when _____ the _____ if _____ are updates _____ them?

Some _____ to make _____ order _____ perform better on _____ network.

_____ appliances _____ need to make _____ to _____ better _____ on _____ enabled.

There is a chance _____ may _____ an _____ have a _____.

_____ certain gadgets perform _____ when _____ to _____ networks if _____ is _____ for _____ update?

_____ there _____ that _____ device firmware updates?

Will _____ gadgets do better _____ to _____ they need updates?

_____ know _____ to update _____ device's Firmware to _____ it _____ well with the _____.

Some appliances _____ changes in _____ a good internet connection

_____ it possible for _____ gadgets to _____ better _____ when _____ is updated?

_____ need _____ upgrade _____ software to get better _____ they _____ using _____ network?

Can some _____ need _____ be _____ to _____?

Some appliances _____ make changes in order to _____ performance _____ the _____

Will certain gadgets do _____ connected _____ wi fi _____ if _____ need _____?

Will certain _____ do better when _____ to _____ if _____ is _____ need _____?

_____ some _____ to upgrade their _____ better performance _____ on theWiFi networks?

_____ certain devices required _____ for better _____ networks?

_____ appliances might need _____ make changes _____ to _____ better _____ the internet _____.

Do _____ have to upgrade their _____ for _____ performance _____ are _____ a _____?

Do _____ need _____ be _____ for better wireless _____?

_____ there _____ chance _____ needing a _____ upgrade for _____ connections on _____?

_____ may need to be made _____ order to _____ performance _____.

_____ possible that some _____ would _____ to _____ their internet connections?

_____ some devices _____ to upgrade their _____ get better _____ networks?

_____ some _____ have _____ upgrade _____ software _____ they are on _____?

_____ possible _____ we _____ a firmware _____ optimal _____ connection on some _____ devices.

_____ need a _____ set of firmware _____ to have more _____.

_____ appliances _____ to make changes in _____ better performance on _____.

Some _____ need _____ in order _____ get _____ better wi-fi _____.

_____ appliances _____ need to change _____ a _____ performance on _____.

_____ it possible for some _____ to _____ to _____ internet _____?

_____ appliances need _____ make alterations in _____ to _____ connection.

_____ it possible _____ gadgets _____ on the wireless networks when they _____ necessary _____ updates?

Some _____ might _____ a _____ update _____ want to have _____ through wi.

_____ chance that _____ might _____ an update for _____.

_____ gadgets do better when _____ to _____ Wiifi networks _____ be updated?

Is _____ possible _____ some appliances _____ to maximize the internet?

_____ there _____ a need for _____ for _____ gadgets, _____ they do _____ if _____ wireless network?

_____ devices _____ to _____ software for better _____ if _____ are _____ on a wi Fi _____?

_____ if _____ possible _____ optimal WiFi _____ device updates.

_____ gadgets do _____ connected to the wily _____ need for _____ is _____?

_____ certain gadgets need _____ be _____ will they _____ better _____ to the _____?

_____ it _____ for some gadgets _____ firmware _____ to boost _____?

_____ some _____ be upgraded for _____ wireless?

There's a _____ we _____ have firmware updates _____ optimum _____ some _____.

Some _____ need to _____ order _____ a goodWiFi connection

Will _____ do _____ when _____ to wireless _____ there _____ a _____ for _____?

_____ certain _____ do better _____ wireless network _____ is need for _____?

Will _____ devices _____ be _____ for better _____ over _____ internet?

Might _____ wi-fi _____ device _____ requirements?

We may _____ to have _____ optimum connection _____ certain _____.

Do some _____ need _____ upgrade _____ software _____ get better performance _____ they _____ using a wi _____?

I want _____ know if _____ units _____ mandate _____ revisions _____ capabilities.

_____ that _____ gadgets have better wi _____ firmware updates?

_____ it _____ for _____ gadgets _____ be _____ wireless _____ when they get a new _____?

_____ need to _____ order to get _____ performance _____ wi-fi-enabled.

When _____ to _____ networks, _____ certain _____ better if _____ are updates?

Is the situation where _____ will _____ to get _____ update in _____ get _____ performance _____ internet?

If _____ need an _____ do better _____ connected to _____ wily _____?

Can _____ gadgets do better when _____ networks _____ is _____ for updates?

_____ a chance _____ hardware _____ mandate software revisions for enhanced _____?

_____ some _____ have _____ their _____ higher performance _____ they _____ on aWiFi network?

_____ may _____ updates to maximize their wi-fi _____.

There _____ chance _____ devices _____ need updates _____ optimal wireless _____.

_____ is _____ chance that _____ device _____ need an upgrade _____ get _____ connection.

We might _____ to _____ updates _____ connection on some _____.

Could _____ of the machines need _____ maximize _____ wi-fi _____?

Can certain gadgets _____ when connected _____ the _____ network if _____ is _____?

____ it possible ____ some gadgets ____ to be ____ for ____ ?
 ____ devices ____ for ____ when connected to a wi fi network?
 There is ____ that a ____ may ____ upgrade for ____ .
 Some appliances might need ____ order ____ get better ____ wi-fi ____
 Changes ____ need ____ be ____ order to ____ a ____ on ____ wi-fi network.
 ____ certain gadgets ____ updates, ____ they do better ____ to ____ network?
 Some ____ may have to upgrade ____ when they ____ on theWiFi ____ .
 Some ____ to make changes to ____ wi-fi-enabled
 ____ some devices ____ upgrade ____ software ____ better ____ if they are ____ on a ____ network?
 Will certain ____ better ____ the ____ if there ____ an ____ them?
 Is ____ possible ____ some ____ firmware ____ to maximize internet ____ ?
 ____ necessary ____ some gadgets to be ____ wifi?
 Some ____ might need ____ new ____ firmware to get ____ access.
 Do ____ better performance if ____ sit on a wi fi network?
 Will ____ gadgets do ____ when using ____ network ____ there ____ needed?
 Some appliances may ____ changes ____ get ____ better ____ on wi-fi-enabled
 ____ appliances ____ to ____ changes in order ____ a better ____ on ____ .
 The ____ possibly be ____ updates to ____ wi-fi ____ .
 Is it a ____ idea ____ upgrade ____ software ____ to add more ____ ?
 Some appliances ____ to ____ in order ____ a ____ performance ____ the wi-fi ____ .
 ____ appliances might need to make ____ in ____ get ____
 ____ something ____ upgrade ____ software so as ____ network ____ by utilizing ____ efficiently?
 There ____ chance that a ____ need an ____ firmware ____ the ____ connection.
 ____ be ____ they do better ____ to the wi fi networks.
 Some devices have ____ upgrade their ____ better performance ____ are using ____ .
 ____ connected ____ the ____ certain ____ better if there is an update ____ ?
 ____ a ____ a ____ upgrade for optimal ____ on certain devices?
 I ____ like ____ know if hardware ____ mandate ____ revisions for ____ wi ____ .
 When ____ to the wiifi networks ____ gadgets do better if ____ ?
 ____ appliances ____ changes in ____ to ____ their performance on the ____ connection.
 Is there ____ to have ____ updates ____ the internet?
 ____ to ____ software for better ____ they sit on a wi ____ network.
 The ____ for ____ via firmware updates.
 Is it ____ for ____ firmware ____ be ____ wi fi?
 When ____ certain gadgets do ____ if they're updated?
 ____ appliances may need ____ in ____ get ____ performance on wi-fi-enabled ____ .
 I wonder ____ some of the ____ their wi-fi connection.
 ____ have ____ will they ____ better when connected to the ____ networks?
 Do ____ to upgrade ____ software ____ better performance ____ they ____ wi-fi network
 ____ gadgets do better when ____ to ____ Wiifi ____ is a need ____ an ____ ?
 When connected to the wi fi ____ better ____ is ____ for ____ ?
 ____ need ____ in ____ to perform better ____ the wi-fi network.
 ____ have ____ upgrade their software ____ performance ____ are using aWiFi network
 Some appliances ____ need ____ make changes ____ their ____ on ____ internet ____ .
 A ____ may ____ in ____ to ____ better connection.
 ____ that a ____ device might need an ____ be more ____ .
 ____ the ____ where some devices might need ____ in order ____ better ____ through the ____ ?
 The ____ wi-fi ____ appliances to have firmware updates.
 Some ____ could need ____ make ____ in order ____ a ____ .
 ____ to the wireless network, ____ certain ____ they ____ to be updated?

_____ connected _____ a _____ do some devices need _____ their _____ for _____ performance?
 Do _____ devices have to _____ a better _____ connected to a wi fi _____?
 Will _____ gadgets _____ connected to _____ wi fi networks _____ updates?
 Some _____ have _____ to _____ better performance on _____ wi-fi _____ connection.
 Do _____ upgrade their software _____ they have _____ wi _____ network?
 Is _____ some appliances want _____ updates to _____ access?
 _____ some _____ upgrade _____ software _____ higher performance when they _____ to a _____ fi _____?
 _____ some devices _____ to _____ for _____ performance if they _____ sitting _____ wi fi _____?
 Some appliances may _____ changes if they _____ a _____.
 When connected to _____ will _____ gadgets _____ if _____ is a _____ for an _____?
 _____ machines _____ be demanding updates to _____ wi-fi _____.
 _____ device's new firmware necessary _____ wireless _____?
 Will certain _____ when _____ to _____ networks _____ there is _____ update?
 _____ that _____ new _____ is _____ for optimal WiFi performance?
 It _____ a device might _____ its Firmware _____ order to _____ better connection.
 _____ devices _____ to _____ for higher _____ when they are _____ a _____ fi network
 There is a chance that _____ might _____ upgrade in _____ connection.
 Will _____ better _____ a wireless network if _____ need for updates?
 Maybe _____ firmware _____ for better wireless _____?
 If _____ is _____ for _____ gadgets, will they _____ better when connected _____ wireless network?
 _____ devices need to upgrade _____ software _____ if _____ use aWiFi _____?
 There _____ we'd _____ have firmware upgrades for _____ connections.
 There _____ a _____ the device _____ need _____ upgrade in _____ to _____ connection.
 _____ their software _____ better performance if they _____ on a _____ fi _____.
 _____ appliances may need to _____ changes in _____ to get _____.
 There is a _____ that we may _____ firmware _____ internet connection _____.
 _____ make _____ in order to have a _____ connection.
 Do some _____ have _____ software for better _____ use a wi _____?
 _____ gadgets do a _____ when _____ to a wireless _____ a need for updates?
 Is _____ that some _____ need _____ better internet service?
 _____ a chance _____ have to have _____ connection on _____ devices.
 Do _____ devices require _____ for _____ performment _____ wi _____?
 _____ devices _____ need _____ in order to _____ better _____ through the _____.
 _____ is _____ we would _____ to _____ firmware upgrade _____ better connections _____ some _____.
 Is it possible _____ some _____ updates in order _____ internet _____?
 Do some devices have to _____ they _____ on _____ Fi _____?
 _____ do better _____ connected to the _____ there is a _____ for _____?
 Is _____ the firmware on _____ gadgets _____ to _____ performance in _____ wireless _____?
 _____ there a _____ firmware _____ better wireless performance?
 _____ be needed in _____ to _____ a _____ connection.
 _____ need _____ make _____ to improve _____ on wi-fi.
 Do _____ devices have to upgrade _____ performance when _____ network?
 _____ certain _____ when _____ fi networks if _____ is a need for update?
 Is _____ for certain _____ theWiFi networks _____ the _____ updates are received?
 Is it _____ some _____ firmware updates to _____ internet _____?
 _____ the _____ where _____ will need a new update _____ the best _____ over _____ internet?
 _____ some _____ need fixes _____ performance _____ wi fi _____?
 _____ appliances might need to _____ to _____ better _____ on _____ network
 _____ have to be upgraded _____ better _____ if _____ using a wireless _____.
 Do _____ upgrade _____ software for better performance _____ they _____ wi _____ network?

Devices ____ try ____ via ____ updates.
 ____ certain gadgets ____ better ____ to ____ wi ____ network ____ there ____ need for ____?
 Will certain ____ connected to ____ network if they ____ updates?
 Will certain ____ the wily ____ if there are updates ____ them?
 Do ____ need ____ upgrade ____ software ____ they ____ wi fi network?
 ____ devices need ____ for better performance if ____ a wi ____ network?
 Do certain ____ need ____ for ____ over ____ internet?
 ____ there ____ chance that ____ gadgets need ____ be ____ wireless?
 ____ some devices have to upgrade their ____ in order ____ when ____?
 ____ there ____ for firmware updates ____ optimal ____ performance?
 ____ there ____ chance ____ some gadgets ____ to ____ for ____ internet service?
 There is ____ chance that we ____ have ____ our devices ____.
 ____ a chance that devices ____ updates ____ optimal ____.
 When ____ to ____ wireless network, ____ certain gadgets do ____ is ____?
 When connected to ____ Wiifi ____ will ____ do ____ if ____ is ____ updates?
 Is it possible ____ demanding ____ maximize their wi-fi connection?
 Do ____ devices ____ upgrade ____ software ____ performance ____ are using a WiFi ____
 ____ possible some ____ demand ____ updates to maximize ____?
 ____ some devices need ____ their software ____ connect ____ wi ____ network?
 What if ____ device depends ____ upgrade ____ wi-fi potential?
 A device ____ an upgrade ____ order ____ get the ____.
 Is it possible that ____ need ____ firmware ____ wi fi?
 ____ appliances ____ to ____ to ____ a better performance on the popular ____.
 ____ it necessary ____ some ____ their software for better ____ they ____ a ____ network?
 ____ know ____ I need to ____ device's ____ to ____ it work ____ with the ____.
 Some appliances ____ need ____ make changes in ____ to ____ better ____
 Some ____ upgraded for better ____.
 There ____ chance that ____ devices ____ be updated for optimal ____.
 It's ____ optimal WiFi needs ____.
 ____ connected ____ networks, ____ certain gadgets ____ better ____ they get updates?
 ____ it ____ for specific gadgets ____ on ____ when the ____ is updated?
 Is ____ devices to needWiFi ____ updates?
 ____ need ____ their software to ____ better performance when sitting ____ a wi ____?
 ____ is ____ chance that we ____ have firmware updates ____ connection ____ some ____.
 Some appliances might ____ keep ____ with the current ____ wi-fi.
 Some appliances will need to ____ changes ____ their ____ the ____.
 Do ____ devices need ____ their ____ better ____ when on theWiFi ____?
 ____ changes to get ____ performance on the popular ____ access network.
 There is a ____ devices might ____ optimal ____.
 ____ a ____ that ____ need an ____ in order to get ____ best ____.
 Some ____ have ____ upgrade ____ for ____ performance if they ____ sitting ____ wi Fi ____
 ____ appliances might ____ to get ____ better ____ on the ____ network.
 Some ____ might ____ to ____ peak performance ____ the networks.
 ____ appliances ____ to have ____ of firmwares to ____ more internet ____.
 ____ certain gadgets ____ to be updated, ____ do better ____ to ____ fi ____.
 ____ it necessary for ____ have firmware updates for ____?
 ____ appliances have ____ software to ____ with ____ standards?
 Do ____ devices ____ their ____ for more performance ____ connected ____ a ____ network?
 ____ gadgets ____ to ____ updated, will they ____ when ____ the ____ network?
 There ____ a ____ to have firmware ____ better connections.

If there is a need _____ updates _____ they do better _____?

Do _____ gadgets _____ be upgraded _____ better reception on _____?

_____ devices need to upgrade _____ better performance _____ theWiFi networks?

Is it _____ to _____ the WiFi networks _____ they get the latest Firmware _____?

Is it possible _____ gadgets to be _____ on theWiFi _____ when _____ the _____?

_____ machines _____ updates in _____ to maximize their wi-fi _____?

Will certain _____ better _____ connected _____ the wiifi networks _____ are updates _____?

Some appliances have to make changes _____ get _____ performance _____ the _____.

_____ some _____ have _____ upgrade _____ for higher performance _____ they _____ in theWiFi _____?

_____ have to _____ for _____ performance _____ are using a wi fi network.

Some _____ to _____ their _____ they sit on a wi _____.

Is it possible _____ appliances _____ firmware updates _____ maximize _____?

Is _____ to update _____ software _____ optimum _____ of wi _____?

_____ it _____ for some gadgets _____ be upgraded for _____?

Some _____ to _____ changes in _____ to _____ on _____ wi-fi network.

Will certain gadgets do _____ when _____ to _____ there _____ an update?

_____ may _____ a new _____ of _____ to _____ more _____ access.

Is _____ a requirement _____ some _____ upgrade _____ software when _____ are _____ theWiFi _____?

Is _____ possible _____ devices need to _____ for _____?

There _____ chance that we would _____ to _____ firmware updates _____.

Is it possible _____ appliances _____ demand _____ updates in _____ maximize _____?

Do _____ devices _____ to upgrade their _____ performance _____ on the _____?
