

[Demo] NLP Dataset for Customer Service Automation

Company Type	Vehicle Rental Companies
Inquiry Category	Fuel policy and refueling charges
Inquiry Sub-Category	Fuel consumption concerns
Description	Customers may express concerns about the fuel consumption of the rental vehicle, seeking tips for optimizing fuel efficiency or inquiring about the average fuel consumption of specific vehicle models.
Data Size	7,238 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Vehicle Rental Company" customer inquiry. (Purchased data will not be masked.)

_____ considering _____ will frequent _____ and starts due _____ congestion _____ impact _____ economy?
 _____ planning _____ road trip, would _____ mileage _____ by _____ queue effects?
 What _____ get horrible _____ consumption _____ to stop-and-go due _____ road _____?
 Are road _____ fuel usage due _____ traffic?
 What _____ horrible _____ consumption _____ to _____ and _____ due to traffic?
 Gas mileage may _____ affected _____ road trip _____ traffic.
 _____ traffic _____ fuel efficiency _____ the road _____?
 _____ effect of _____ congestion on _____ economy _____ frequent breaks?
 _____ frequent stops _____ traffic _____ mileage?
 Are _____ roads _____ for gas _____?
 _____ hour traffic may _____ fuel efficiency _____ traveling _____.
 Is it detrimental to _____ stop _____?
 _____ traffic issues _____ fuel _____?
 _____ frequent interruptions _____ by _____ roads _____ to _____?
 Is there _____ effect on gas economy _____ delays?
 _____ and going in _____ will my car's _____ decline?
 Traffic _____ can affect _____ of _____ journeys.
 Will _____ traffic _____ efficiency?
 _____ stopping _____ jam bad for _____?
 How do _____ affect _____ fuel _____ on long _____?
 Is _____ gas mileage _____ by _____ planning _____ road trip?
 _____ delays _____ affect the _____ mileage _____.
 Will _____ stops and _____ consumption?
 _____ congestion _____ your _____ efficiency?
 Will heavy traffic _____?
 _____ it affect _____ gas mileage _____ I encounter _____?
 Is my _____ mileage _____ be bad because _____ going _____ stopping?
 Is it _____ to _____ fuel _____ you stop and go _____ traffic?

Fuel _____ be affected _____ congestion _____ road trips.
 _____ it possible _____ traffic _____ the petrol economy?
 _____ efficiency can _____ and starts in traffic.

Can stop-and-go _____ use?

Is _____ possible that _____ caused _____ congested streets _____ responsible _____ limiting _____ fuel _____?
 _____ planning a road trip, _____ traffic snarls _____?
 _____ it possible that _____ affect gas _____ on _____ road _____?

There is _____ negative effect _____ from _____ delays due _____ heavy _____.

Will frequent _____ and halts _____ car's _____?

Do _____ jams reduce _____ efficiency _____?
 _____ situations _____ affect _____ usage.

I'm _____ if _____ in congested areas affect _____ economy _____.

Is it _____ congestion has _____ effect _____ economy during _____ trips?

Could you tell me _____ heavy _____ affect _____ efficiency?
 _____ into _____ may affect _____ economy.

Is traffic jams _____ bad _____ the _____ when _____ travel _____?
 _____ frequent interruptions _____ congested roads harmful _____ mileage?

Can you tell me _____ heavy _____ constant _____ an _____ fuel efficiency?
 _____ busy roads _____ affect gas _____.

Is _____ breaks and _____ on crowded _____ will _____ a _____ in petrol _____?
 _____ and starts _____ traffic detrimental to fuel _____?

Could _____ adversely _____ by constant _____ and _____ to congestion?
 _____ interruptions caused _____ congested _____ harmful _____ mileage?

It _____ traffic _____ can _____ the petrol economy.
 _____ that _____ impact gasoline consumption adversely?

Do _____ running into _____ fuel economy worse?

In congestion do stop-and-go _____?
 _____ it possible _____ frequent _____ traffic decrease _____ mileage?

Does _____ fuel efficiency?
 _____ affect fuel efficiency _____ on _____ road?
 _____ stopping in _____ economy?
 _____ delays _____ can affect _____ economy.
 _____ stopping _____ a jam _____ for _____?
 _____ traffic jams affects fuel _____?
 _____ jams and _____ is affected?

Is _____ traffic jams _____ reduce _____ petrol _____?
 _____ can _____ fuel efficiency _____ traveling by road.

Heavy _____ decrease fuel _____.

_____ stop-and-go situations have _____ use?
 _____ be bad for fuel _____ to traffic.
 _____ impact of traffic congestion _____ the _____ economy _____ road _____.

Is traffic _____ for _____?

Is _____ that _____ miles per _____ drops when _____ roads?

Traffic _____ can _____ the petrol _____ is _____?

Will _____ jams _____ decreased fuel _____?
 _____ and stops damage car's _____?

Does traffic on _____ road _____ lead _____ poor gas mileage _____ acceleration?

Will _____ fuel efficiency?
 _____ effect _____ gas _____ from _____ due to heavy traffic?
 _____ in traffic impact _____ usage?

____ I experience a decrease ____ traveling in stop-and-go ____?
 ____ traffic constantly ____ my ____ mileage?
 Will ____ jams ____ fuel efficiency?
 Will ____ fuel efficient?
 Does ____ fuel ____ on lengthy ____?
 ____ stops in traffic ____ mileage.
 Is ____ on ____ roads ____ mileage?
 How ____ traffic ____ fuel ____?
 Do ____ starts in ____ the economy ____ petrol?
 Is ____ car ____ mileage ____ going in traffic?
 Frequent stops ____ starts ____ petrol ____?
 ____ stops in congested areas ____.
 Is ____ traffic ____ reduce the ____ economy?
 Can you tell ____ breaks ____ delays ____ by ____ roads ____ cause a ____ in ____ consumption?
 ____ impact of traffic ____ on petrol ____ to ____ breaks?
 ____ efficiency of vehicles may be affected ____.
 When ____ can stops and starts decrease ____?
 ____ possible that ____ affect gas ____ when ____ road trip.
 ____ there an adverse ____ on ____ heavy ____ constant stops?
 Is ____ a jam ____ gas saving?
 Is ____ possible ____ miles per ____ go ____ when you ____ congested ____?
 ____ to constant ____ going ____ will ____ car's gas mileage ____?
 Is ____ disruptions ____ diminish fuel ____?
 ____ jams make ____ trips less ____?
 ____ poor petrol economy.
 Are ____ in ____ bad ____ gas ____?
 ____ a road trip, ____ traffic queues affect ____?
 ____ that heavy ____ on a ____ trip can cause poor ____?
 ____ frequent stops and starts in heavy ____?
 ____ stop-and-go traffic ____ efficiency?
 Do frequent delays due to ____ the ____?
 ____ wonder ____ congestion ____ affect petrol efficiency.
 Frequent stops and ____ in heavy traffic ____ during ____.
 ____ long delays ____ congested roads ____ for ____?
 ____ drop in ____ per ____ traveling in ____ congested area?
 Will I experience a ____ in ____ traveling in ____?
 Are the constant ____ for gas usage?
 ____ possible that ____ gas mileage ____ go ____ of stopping ____ in traffic?
 Traffic disruptions ____ the ____ long journeys.
 ____ happens when you get ____ consumption ____ stop-and-go road ____?
 ____ traffic jams ____ our fuel use ____ journeys?
 How ____ traffic disruptions affect the ____ cars ____ long ____?
 ____ congestion ____ with ____ efficiency?
 Run into ____ jams and your ____?
 Can constant halts in ____ use?
 Is ____ a jam ____ gas ____?
 ____ possible ____ a drop in miles per gallon ____ congested ____?
 Do ____ impact fuel consumption?
 ____ stops ____ starts in ____ reduce ____?
 ____ in ____ damaging the ____ economy?

Is _____ possible that stops _____ decrease fuel _____?

_____ that a _____ trip _____ can lead to _____ gas mileage?

Do _____ think running into _____ fuel _____?

Is _____ fuel efficiency?

Will _____ affect _____ petrol _____?

Frequent _____ due _____ traffic congestion will affect the _____ economy _____ road _____.

_____ traffic congestion affect _____ on _____ trip?

_____ traffic jams _____ fuel economy?

Is the _____ by _____ in _____?

Should _____ affect fuel usage?

_____ high-traffic instances, _____ constant _____ hurt _____?

Can you explain _____ breaks _____ roads may cause _____ drop _____ consumption?

_____ situations _____ for fuel usage?

Is _____ a jam bad for _____?

_____ into _____ jams _____ the _____ goes down?

_____ the road _____ affect _____ efficiency?

Is _____ congestion has _____ negative _____ on the petrol economy _____ road _____?

On _____ drives does _____ efficiency?

_____ frequent _____ due to congested _____ harmful _____?

Will _____ harm fuel _____?

Traffic _____ lead _____ petrol economy.

Can traffic congestion _____ efficiency _____?

_____ can affect fuel efficiency.

_____ a negative _____ economy _____ by traffic congestion?

_____ stops _____ decrease fuel _____?

Traffic jams can have _____ on _____.

Delays in _____ have a _____ impact _____ gas _____.

Will stop-and-go scenarios _____ usage _____ road trips?

During _____ trips, can _____ in heavy _____ fuel _____?

_____ will _____ mileage tank be because _____ traffic?

Fuel _____ will be _____ by _____.

_____ mileage on a road trip _____ be _____ affected _____ queues.

Do stop-and-go _____ effects _____?

_____ frequent _____ disruptions _____ fuel efficiency on _____?

_____ frequent _____ and starts _____ traffic congestion negatively impact _____?

Is traffic _____ negatively _____ road trips _____ undertaken?

_____ of _____ efficiency on long journeys?

Do you reckon _____ up fuel economy?

Is _____ in _____ areas _____ the _____?

I'm curious if _____ waits in _____ petrol _____ while _____.

_____ in congestion _____ gas _____?

Fuel _____ may _____ stop-and-go _____ in congestion.

Will stop-and-go _____ caused _____ congested areas _____ cars _____ petrol?

Fuel _____ can _____ reduced by frequent _____ starts _____.

_____ traffic _____ adverse affect on _____ economy?

Is traffic congestion _____ frequent _____ bad _____ economy _____ road _____?

Is there a harm _____ efficiency _____?

Is _____ of _____ by stops in _____?

Will my _____ gas _____ go down _____ stopping _____?

_____ that _____ traffic and constant _____ would affect fuel _____ in _____?

_____ happens to fuel _____ you have _____ ?
 It's claimed _____ can reduce _____ petrol _____.
 Can traffic _____ my _____ ?
 Is _____ possible _____ situations _____ restrict _____ fuel efficiency?
 _____ traffic _____ road trip _____ bad _____ consumption.
 _____ in heavy _____ fuel efficiency?
 Is _____ in _____ jam _____ for _____ ?
 _____ stop-and-go conditions on road tours _____ to experience _____ gas _____ ?
 Will _____ your petrol _____ ?
 Will _____ a _____ in gas _____ due to _____ ?
 Will _____ congestion affect _____ efficiency _____ ?
 _____ frequent _____ starts _____ heavy traffic reduce fuel _____ ?
 Is _____ caused _____ crowded roads may cause _____ in petrol consumption on _____ ?
 How does stopping _____ traffic _____ affect _____ consumption of _____ ?
 Will traffic _____ efficiency
 Is my _____ gas mileage going _____ bad _____ of _____ going _____ ?
 Is being stopped _____ traffic _____ ?
 _____ stop-and-go traffic _____ fuel _____ ?
 _____ do stop-and-go situations _____ fuel _____ ?
 Will _____ traffic _____ consumption?
 Can _____ clarify if _____ traffic and _____ fuel efficiency?
 Decreased fuel _____ be caused _____ stop-and-go _____ streets.
 Is it _____ that _____ stops and _____ will _____ fuel _____ ?
 _____ it _____ by congestion reduce the petrol _____ ?
 _____ starts due to _____ congestion will negatively _____ economy.
 Will _____ affect our _____ ?
 _____ of _____ journeys could be _____ by _____ disruptions.
 Are there _____ stops in a _____ use?
 Does the traffic _____ lead _____ poor _____ mileage?
 _____ traffic disruptions _____ to _____ the fuel efficiency _____ ?
 Will stop-and-go scenarios _____ areas _____ ?
 Will _____ a decrease in _____ mileage _____ to _____ ?
 Will traffic _____ reduce _____ you _____ by car?
 Will _____ efficiency be _____ congestion?
 Is traffic leading to _____ gas _____ on _____ ?
 _____ heavy traffic affect _____ trips?
 _____ be reduced by _____ stops in _____.
 _____ traffic on _____ lead to poor _____ ?
 _____ that _____ impedes the petrol economy of _____ ?
 _____ that breaks and _____ from crowded _____ cause _____ drop in _____ use?
 _____ disruptions _____ fuel efficiency?
 _____ on long journeys will be _____ traffic disruptions.
 Did _____ make road _____ stops _____ fuel _____ ?
 _____ road trips Will _____ efficiency?
 _____ fuel _____ affected _____ in traffic?
 _____ bad for gas _____ to _____ delays _____ roads?
 Will _____ scenarios _____ by _____ areas make _____ worse?
 Will _____ stops in _____ decrease _____ ?
 Can _____ delays affect _____ ?
 _____ a road _____ traffic cause _____ gas mileage?

_____ a _____ on _____ economy from _____ and frequent breaks?
 _____ planning _____ road trip would gas mileage _____ by _____?
 Do you think _____ into _____ jams _____ economy?
 Fuel consumption _____ by constant _____ in _____ instances.
 _____ the _____ economy reduced by _____?
 I _____ wondering _____ traffic _____ stopping _____ fuel _____ during road trips.
 _____ road travel _____ petrol _____?
 How will _____ mileage tank _____ impacted by _____?
 Is it _____ petrol _____ is _____ by traffic _____?
 Does stop and _____ efficiency?
 _____ constant _____ affect my car's _____?
 Is _____ a _____ effect _____ gas economy _____ to _____ traffic?
 _____ does traffic _____ fuel _____ while _____?
 _____ it _____ that _____ and delays _____ crowded roads _____ a _____ petrol consumption?
 Does _____ affect _____ petrol economy _____ travel?
 Is stop-and-go scenarios _____ for _____ usage _____ long _____?
 In heavy traffic _____ frequent stops _____ starts _____?
 _____ trip _____ become _____ fuel _____ due to traffic.
 Is the _____ economy _____ frequent delays _____ heavy traffic?
 _____ hurt the gas mileage.
 _____ to stopping _____ going in _____ will my _____ mileage _____?
 _____ frequent stops _____ congestion decrease _____?
 _____ make road _____ stops _____ fuel _____.
 Will fuel _____ affected _____ braking in _____?
 Frequent _____ starts due _____ traffic _____ negatively _____ petrol economy.
 If _____ cause _____ situations, _____ responsible for _____ automotive fuel _____?
 _____ that stops in _____ decrease _____ mileage?
 _____ lower gas _____ I _____ stop-and-go conditions?
 _____ it possible _____ traffic congestion on road tours _____ me _____ a _____?
 _____ traffic _____ fuel efficiency on the road?
 Will heavy _____ and constant stopping _____ adverse _____ on _____?
 Will _____ jams _____ a car's _____?
 Car _____ can _____ restricted _____ to _____ situations _____ by _____ streets.
 Will _____ use more petrol _____ lengthy journeys?
 Is it bad for _____ to have _____.
 _____ stop-and-go scenarios make vehicles _____ on lengthy _____?
 _____ stops _____ starts _____ to _____ have a _____ impact on fuel _____.
 _____ road trips, _____ traffic _____ fuel _____?
 Can traffic delays _____ efficiency _____ the _____?
 _____ hurt road _____ fuel efficiency?
 _____ efficiency can be _____ by _____ stops _____ starts _____.
 Do stop-and-go situations _____ fuel _____?
 Can _____ tell me _____ drop _____ consumption _____ be _____ by _____ and delays on _____ roads?
 Is _____ congestion negatively impacting petrol _____ when _____?
 Is _____ possible that congestion _____ have an _____ gasoline _____ trips?
 Think _____ into _____ will _____ economy?
 When planning a _____ trip, would the gas _____ snarls?
 _____ it true _____ jams can _____ the gasoline _____?
 _____ the frequent _____ the car's _____?
 _____ high traffic, will _____ fuel _____?

Is it ____ that breaks and ____ cause a drop ____?

____ and jams ____ car's ____ consumption?

____ road ____ stops ____ for fuel ____ due to ____?

Is it possible ____ on crowded roads ____ cause ____ drop in ____?

Is ____ petrol consumption damaged ____ jams ____ halts?

____ possible ____ stop-and-go ____ responsible for reducing ____ efficiency?

Fuel ____ on ____ trips ____ be affected by ____.

____ curious ____ long waits in ____ will ____ economy ____ petrol.

During road trips ____ in ____ decrease ____?

____ a ____ braking ____ high traffic ____ consumption?

Does driving ____ lead to ____ gas ____?

____ traffic ____ a road ____ poor gas mileage?

____ true that ____ for traffic will ruin ____ fuel ____?

There ____ a question about ____ per gallon when ____ roads.

Heavy ____ affect ____ gas economy.

____ fuel ____ be restricted by stop-and-go ____ on ____.

Will traffic ____ when traveling?

Is ____ for ____ gas ____ to go down ____ to ____ and going ____?

Road ____ disruptions ____ congestion ____ efficiency

____ fuel ____ affected by ____?

Will ____ stops ____ traffic cause ____ decrease in ____?

Is ____ in traffic effects ____?

Is stop-and-go scenarios ____ the petrol ____ on ____ road ____?

____ hurt your petrol consumption?

____ traffic ____ fuel ____?

Is ____ that traffic ____ affect the ____ economy?

____ frequent ____ congestion affect gas ____?

Will ____ in ____ traffic affect ____?

Frequent stops ____ congestion ____ impact petrol economy.

____ you ____ if ____ traffic and ____ affect fuel efficiency?

Will car's ____ consumption ____ damaged ____ jams ____?

____ there a ____ effect ____ gas ____ delays ____ roads?

____ jams affect ____ economy?

There's a question ____ the ____ in ____ when ____ congested ____.

Is ____ in ____ decreasing ____?

____ stops ____ starts in traffic reduce ____ economy ____?

____ it possible ____ and breaks ____ by ____ roads ____ drop in ____ consumption?

____ can ____ adversely ____ by delays in ____ roads.

Will ____ in ____ mileage?

____ for traffic ____ mileage?

Do you ____ if stopping ____ traffic and ____ traffic ____?

____ traffic jams bad ____ the fuel ____ of ____?

Will ____ use be ____ frequent jams and ____?

Traffic ____ bad ____ petrol economy.

Is ____ in ____ for ____ fuel ____?

Is ____ possible ____ car's gas ____ go down due ____ stopping and ____?

Will ____ gas mileage go down ____ I stop ____?

I wonder ____ stopping ____ going ____ affect my car ____.

Frequent ____ and starts due to traffic ____ will ____ petrol economy ____.

Does traffic ____ economy of ____?

_____ automotive _____ can be caused _____ stop-and-go situations caused _____ .

_____ planning _____ road _____ mileage be affected _____ queue times?

Will _____ stop and _____ mileage?

_____ traffic _____ efficiency _____ long drives?

Can _____ impact fuel _____?

Will _____ conditions on _____ to _____ gas mileage?

_____ in _____ decrease gas _____?

Is it _____ a road trip with _____ lot _____ can _____ mileage?

Will stop-and-go conditions affect _____ on _____ tours?

Does excessive traffic _____ road trip lead _____?

_____ if _____ will lead to _____ petrol economy.

Can _____ situations in congestion _____?

_____ traffic _____ fuel efficiency?

Is it bad _____ delays because of _____ traffic?

_____ gasoline consumption _____ affected _____ starts and _____ due to _____?

_____ stop-and-go traffic _____ fuel _____?

_____ traffic _____ affect _____ economy?

_____ frequent _____ of heavy traffic affect fuel _____?

Traffic jams _____ fuel _____ trips.

Is _____ stops bad for fuel use?

Can _____ starts _____ stops _____ traffic _____ gasoline _____?

Will _____ in traffic _____?

How _____ will _____ gas _____ tank _____ of _____ traffic?

_____ jams _____ fuel efficiency?

Is _____ a _____ impact on gas _____ from _____?

Do stops _____ traffic _____ economy?

_____ traffic constantly _____ hurt my _____?

_____ efficiency _____ be _____ heavy traffic.

_____ automotive fuel efficiency _____ stop-and-go situations _____ streets.

_____ traffic _____ a decrease in _____?

Frequent _____ starts _____ can _____ fuel efficiency.

_____ hurt _____ economy of petrol?

_____ an affect on fuel _____?

_____ constant braking _____ high traffic harm _____?

_____ like to know how _____ caused by crowded roads can cause _____ in _____.

_____ will _____ mileage tank be affected _____ stop-and-go _____?

Frequent _____ starts due to _____ congestion _____ impact _____ petrol _____.

_____ stop-and-go situations _____ congested _____ automotive _____ efficiency, how come?

_____ petrol _____ during road trips?

Does _____ situations in _____ usage?

_____ traffic can affect gas _____.

_____ stopping _____ affects petrol _____.

_____ do _____ situations affect _____ use?

Frequent _____ and starts in _____.

_____ to _____ stopping and _____ traffic, will _____ car's gas mileage _____?

_____ the use of _____ by _____ go situations?

Will _____ fuel _____ on road _____?

_____ it true _____ traffic _____ affect _____ petrol _____ during road _____?

Stops _____ can hurt _____.

Are road _____ bad _____ use _____ of traffic?

Is _____ in _____ bad _____ economy?

Can _____ my fuel _____?

I'm wondering _____ waits in _____ affect _____ economy.

If _____ situations cause congested _____ to restrict _____ fuel _____?

_____ running into traffic _____ bad _____ for _____ economy?

_____ traffic having an _____ effect on petrol _____?

_____ traffic _____ reduce _____ economy _____ travel _____ car?

_____ stops _____ busy _____ fuel economy?

Do you _____ is bad _____ fuel economy?

_____ situations _____ fuel usage?

_____ a decrease _____ gas _____ when travelling _____ stop-and-go conditions?

Is running into traffic _____?

How _____ will my _____ mileage _____ down _____ of stop-and-go _____?

It is possible _____ clogged thoroughfares _____ affect _____ of _____ drives.

Is it _____ stops _____ will cause my _____ to suffer?

_____ for gas _____ be affected by _____ delays?

_____ road traffic _____ vehicle's fuel _____?

_____ possible that _____ and constant stopping _____ adverse effect _____ fuel _____?

Is traffic _____ petrol economy _____ are made?

_____ starts and stops due _____ gasoline use?

I'm wondering _____ heavy traffic _____ adverse effect on _____ efficiency.

Is _____ economy _____ by being _____ in _____?

Is _____ in _____ affecting _____?

I am curious _____ know if long waits _____ areas _____.

_____ traffic ruin my gas _____ I _____?

Is _____ possible that _____ caused by _____ the _____?

_____ braking in high _____ going to _____?

_____ traffic jams affect _____ efficiency?

Does _____ affect _____ efficiency in _____?

_____ delays _____ crowded roads can cause a drop in _____ consumption?

_____ traffic _____ bad for petrol economy _____?

Is the _____ by _____ in _____?

Is _____ a negative _____ on _____ economy _____ traffic _____ driving?

Could _____ affect _____ road trips?

_____ you _____ road _____ affect your petrol _____?

Can _____ in _____ traffic decrease _____?

The gas mileage _____ a _____ affected _____ the _____ queue.

On _____ trips, can _____ affect _____?

_____ will _____ affect fuel efficiency?

Will I _____ lower _____ mileage _____ I _____ conditions?

_____ petrol consumption be damaged by _____ jams _____?

_____ to stopping _____ in _____ my _____ mileage go down?

_____ stops in _____ places affect _____?

Is heavy _____ road trip _____ cause _____ poor gas _____?

Is it possible _____ areas _____ petrol economy?

If _____ stopping and _____ traffic, will _____ gas mileage _____?

_____ road trip fuel efficiency?

I'd like to _____ waits _____ areas would _____ economy.

_____ it possible _____ affect _____ efficiency on long _____?

Can stop-and-go _____ efficiency?

_____ frequent _____ and halts _____ usage?
_____ road traffic hurt _____ vehicle's _____?
Is _____ effecting _____ economy?
Frequent _____ affect the _____ efficiency of _____ long journeys.
_____ delays due _____ heavy traffic _____ affect _____.
Is the _____ economy _____ delays?
_____ road trips, will _____ hurt _____?
Traffic jams can _____ efficiency _____.
_____ usage _____ be impacted by stop-and-go _____.
Is _____ true _____ the _____ for _____ affect my fuel _____?
_____ stops and starts _____ traffic _____ impact the _____ economy?
_____ traffic _____ messing up _____ economy?
_____ of _____ delays _____ gas economy bad?
_____ traffic impacting _____ economy _____ travel?
On _____ traffic _____ affect _____ efficiency?
_____ congestion _____ to affect _____ efficiency?
Should _____ usage be affected _____ starts and _____ to _____?
Is _____ in _____ to _____ fuel consumption?
_____ it _____ that stop-and-go traffic _____?
_____ a _____ trip, _____ heavy traffic lead _____ mileage?
Is it due to stop-and-go situations _____ by _____ fuel _____?
Is _____ bad for the _____ of long _____?
In heavy _____ can _____ per _____?
Is _____ in _____ areas decreasing _____?
_____ traffic _____ affect my _____ efficiency _____ a _____ trip?
Is _____ frequent _____ and starts in heavy _____ fuel efficiency?
_____ need _____ if heavy traffic _____ constant _____ fuel efficiency.
_____ true that _____ caused by _____ lower the _____ for long _____?
_____ heavy _____ stops and starts ruin miles _____?
_____ gas _____ be affected by _____ stopping?
_____ it _____ traffic _____ can reduce _____ economy?
I'm curious _____ waits in congested _____ the _____ of _____.
_____ can _____ the petrol economy, is _____?
Heavy _____ and _____ stopping _____ an _____ on fuel _____.
Is _____ constant _____ would affect fuel _____ during road trips?
Will _____ in _____ fuel use?
_____ brought about by obstructions may affect _____ use _____.
Can _____ halts _____ the car's _____?
_____ is possible that a _____ consumption can _____ by _____ and delays _____ crowded _____.
Do _____ the constant stop-and-go hurts _____?
_____ traffic jams _____ on trips?
_____ congestion having a _____ petrol economy _____ road trips?
_____ there a _____ in _____ gallon _____ in congested roads?
Does _____ traffic _____ affect fuel _____ on _____?
How will my _____ mileage tank _____ all day _____ stupid traffic?
I _____ pit stops for traffic are _____ my fuel _____.
_____ to know _____ and _____ on _____ roads _____ a drop in petrol consumption.
_____ it _____ for _____ if _____ are long delays on _____?
Is there a _____ economy _____ long _____ delays?
Will _____ disruptions _____ in _____ fuel _____?

_____ possible that _____ starts _____ stops due to _____ consumption?
 If congested _____ stop-and-go _____ responsible for reducing _____ efficiency?
 _____ is said _____ jams can reduce _____ economy.
 Do _____ damage _____ car's petrol _____?
 Is it _____ get horrible _____ consumption due to stop-and-go _____?
 _____ stops and _____ because _____ traffic congestion will affect _____.
 _____ it possible _____ the _____ stops for _____ affect _____ fuel _____?
 _____ heavy traffic _____ stops _____ economy?
 Are _____ in _____ harmful _____ gas _____?
 Does stop-and-go traffic _____ drives?
 _____ road _____ fuel efficiency?
 Will traffic _____ to _____ gas mileage?
 Isn't _____ for fuel _____?
 Will _____ consumption be _____ frequent jams _____ halts?
 _____ stop-and-go _____ hurt fuel _____ drives?
 _____ stop-and-go _____ affect _____ efficiency?
 Will _____ gas mileage _____ encounter stop-and-go conditions?
 _____ traffic jams bad _____ the _____ when _____ car?
 Is _____ a _____ trip bad for gas _____ constant _____ acceleration?
 Can _____ in _____ jam be _____ to _____ use?
 Do stops in _____ a _____ to petrol _____?
 _____ trips _____ jams affect _____ efficiency?
 _____ stops _____ starts _____ to traffic congestion _____ petrol _____ considering _____ trips.
 Frequent _____ starts _____ could reduce _____ economy.
 _____ traffic congestion bad for _____ road _____ occur?
 Long delays in _____ mileage.
 _____ it _____ stop-and-go conditions _____ lead to lower gas mileage?
 Should _____ disruptions affect the _____ efficiency _____ long _____?
 Does _____ on _____ roadtrip _____ gas mileage?
 Do _____ on _____ trip cause poor _____ mileage?
 Is it _____ that stop-and-go traffic _____?
 _____ car's _____ mileage going to go down because _____ stopping _____?
 _____ it _____ traffic _____ lead to _____ petrol _____?
 When _____ road _____ would traffic _____ gas _____?
 _____ traffic can cause a _____ effect _____ the _____.
 _____ there _____ effect on gas _____ all the _____?
 _____ stopping in high _____ fuel use?
 Is _____ true that _____ cause a _____ in _____ economy?
 _____ in _____ affecting the _____ economy?
 _____ and _____ in _____ bad thing for _____ gas mileage?
 Is traffic _____ impact _____ economy _____ road _____?
 _____ congestion _____ negative impact on _____ economy _____ travelling?
 If _____ stop _____ go _____ traffic, will _____ car's _____ down?
 Will _____ braking _____ use?
 When _____ road _____ would the gas _____ be affected by _____?
 The gas mileage would be _____ were _____ jams.
 _____ consumption may be _____ by _____ in _____.
 Is _____ petrol _____ of _____ travel?
 _____ gasoline _____ adversely _____ by constant starts _____ stops _____?
 Will _____ stops _____ decrease gas _____?

_____ if long _____ in busy _____ would _____ the _____ driving.
 Are stopping _____ traffic _____ economy?
 _____ traffic _____ can _____ my _____ efficiency.
 Will traffic _____ impact _____?
 Is _____ by stopping in _____?
 Is there _____ fuel _____ caused _____ traffic and _____ stopping?
 _____ jams _____ damage the petrol _____ the car?
 I _____ know _____ traffic on _____ trip _____ poor gas mileage.
 Can the traffic _____ affect my car's fuel _____?
 _____ use _____ affected _____ road congestion?
 Will _____ of _____ in traffic decrease _____?
 _____ fuel efficiency affected _____ and constant _____?
 Would the _____ the _____ when planning a _____?
 _____ it _____ to _____ that _____ petrol _____ will go _____ all _____ for congestion?
 _____ the jams _____ damage the _____ petrol _____?
 The traffic _____ road trip _____ fuel _____.
 _____ stop-and-go scenarios make the petrol _____ vehicles _____ journeys _____?
 Traffic jams may _____ fuel _____.
 _____ get less gas _____ when _____ stop-and-go conditions?
 _____ gas mileage _____ of stopping _____ going in _____?
 _____ delays can have a _____ on _____ economy.
 _____ traffic jams affect _____ fuel _____?
 _____ the gas _____ be affected by stop-and-go _____?
 Do you think _____ will _____?
 _____ in traffic decrease the _____?
 Heavy traffic and _____ stopping _____.
 Frequent _____ disruptions _____ the _____ of vehicles.
 _____ constant stops _____ jam bad _____ usage?
 _____ road trip disruptions from _____ decrease _____ efficiency?
 Will the _____ of _____ affected by _____ disruptions?
 Is it possible that delays _____ crowded _____ cause _____ drop in _____ consumption _____?
 Will traffic on the _____?
 Do _____ if _____ and stopping _____ have _____ effect _____ fuel efficiency?
 Road trips _____ and end in _____ mileage.
 _____ if long waits in congested _____ on petrol economy.
 Is _____ delays _____ bad _____ mileage.
 _____ the constant _____ in _____ affect _____ use?
 Will _____ jams _____ harm _____ car's _____ consumption?
 _____ road congestion _____ affect _____ petrol consumption?
 _____ about _____ horrible fuel _____ stop-and-go road traffic?
 Does stop-and-go _____ on fuel _____?
 Is it possible that _____ caused _____ cause _____ drop in _____?
 Is stop-and-go _____ in congested _____ use?
 Fuel efficiency _____ traffic jams.
 _____ think _____ constant stop-and-go _____ city roads hurts _____?
 _____ adversely affecting _____ economy?
 Will heavy _____ fuel _____?
 _____ starts _____ traffic reduce petrol _____.
 _____ traffic _____ may affect _____ efficiency _____ long _____.
 _____ stop _____ traffic _____ gas _____?

Will stop-and-go conditions _____ tours result _____ in gas _____?

Will _____ experience _____ reduction _____ mileage when travelling in _____?

_____ harmful _____ mileage to have interruptions caused _____?

_____ traffic jams _____ fuel _____ on _____ trips?

Can traffic _____ my fuel efficiency _____?

Is _____ reducing the petrol economy _____ travel _____?

_____ traffic _____ bad for _____ you _____ by car?

_____ traffic _____ affect _____ fuel efficiency?

_____ road _____ from congestion decreasing _____?

_____ congestion, do _____ have _____ impact on fuel _____?

Is it _____ frequent _____ the petrol economy during road trips?

Is the _____ halts _____ jam harmful _____ usage?

Will _____ cut gas _____?

Is traffic _____ a road trip _____ for _____?

_____ use _____ by stop-and-go situations?

Is stopping _____ traffic _____ economy?

_____ heavy traffic _____ mileage while _____?

Is it _____ and _____ roads may cause a drop in _____ consumption _____ travels?

_____ true that _____ traffic and constant stops _____ affect _____?

Does _____ traffic _____ efficiency?

Do _____ fuel efficiency?

Fuel efficiency _____ road trips _____ by _____ congestion.

_____ and it _____ fuel economy?

_____ you tell me _____ breaks _____ delays on _____ affect my petrol _____?

Is _____ braking _____ will hurt fuel consumption?

Is _____ efficiency _____ road travel _____?

_____ situations _____ traffic affect _____ use?

Is _____ to mileage _____ regular interruptions caused _____ congested?

_____ stopping in traffic _____ the _____?

_____ can _____ to poor _____ mileage _____ of _____ braking.

Is _____ conditions due to _____ congestion _____ lower _____ gas mileage?

_____ constantly _____ cause _____ gas mileage to _____?

Is _____ streets responsible _____ limiting automotive fuel efficiency?

Do delays _____ the _____ affect _____?

Are traffic _____ for _____?

Will traffic _____ stop _____ my gas _____ to _____?

Is there _____ from heavy traffic delays?

Is _____ possible that _____ experience a _____ because of traffic _____?

When planning a _____ trip, _____ you _____ affect gas _____?

_____ heavy _____ lead _____ poor gas _____ traveling?

Is there _____ effect _____ gas economy _____ traffic?

_____ possible that _____ in petrol _____ be caused by consecutive breaks _____ crowded roads?

_____ possible that clogged _____ the efficiency of gasoline _____.

_____ traffic _____ negatively impacting petrol _____ road trips?

_____ it _____ for _____ economy _____ frequent _____ to heavy traffic?

_____ stopping in _____ disrupting the _____?

_____ the fuel efficiency of long _____?

_____ do stop-and-go _____ impact _____ usage?

Is it _____ gas _____ halts in jams?

_____ reduced _____ petrol economy _____ long drives _____ regular _____?

____ jams can ____ of travel ____ car.
 ____ on roads ____ gas mileage?
 ____ halts ____ a jam affect ____ use?
 ____ car's petrol consumption affected ____ jams ____ halts?
 Does ____ jams ____ efficiency?
 Do ____ situations affected ____ ?
 ____ stops ____ congestion ____ to gas mileage?
 Is ____ to ____ horrible ____ there is stop-and-go ____ traffic?
 Can traffic ____ ruin ____ car's ____ on ____ trip?
 ____ congested streets cause ____ are ____ limiting automotive ____ efficiency?
 ____ possible that delays ____ on crowded roads cause a ____ in petrol ____ ?
 ____ road delays bad ____ gas ____ ?
 Will ____ be ____ reduction in ____ when I ____ stop-and-go ____ ?
 ____ to ____ and ____ traffic, will my ____ mileage ____ down?
 Is it possible ____ congestion ____ gas mileage?
 ____ traffic ____ affect ____ efficiency ____ travel?
 Is ____ possible that ____ on ____ poor gas mileage?
 ____ traffic ____ affect the ____ of cars on ____ ?
 ____ stop-and-go traffic ____ efficiency?
 Can gasoline ____ affected ____ constant starts ____ to congestion?
 Is ____ possible ____ and ____ on crowded ____ cause ____ drop in ____ usage?
 ____ it ____ high traffic instances ____ fuel consumption?
 Is ____ true that ____ for ____ cause ____ poor fuel economy?
 Is the impact of ____ congestion ____ ?
 Fuel ____ be impacted ____ stop-and-go ____ .
 ____ congestion going to ____ economy?
 ____ stop and ____ in ____ will my ____ mileage ____ ?
 ____ traffic ____ affecting petrol economy ____ ?
 ____ affect fuel ____ road trips?
 ____ stop-and-go situations ____ congestion ____ usage?
 Is ____ trip bad for ____ mileage ____ of ____ braking?
 Is it ____ congestion has an impact on petrol ____ ?
 Decreased ____ fuel ____ caused by ____ situations on crowded ____ .
 ____ it true ____ congestion and ____ affect ____ during road trips?
 ____ your car's fuel consumption?
 ____ car gas ____ because ____ stopping and ____ in traffic?
 Will ____ fuel economy?
 ____ delays ____ to traffic ____ gas economy.
 I wonder ____ traffic jams ____ petrol ____ .
 ____ a ____ lead to ____ gas mileage?
 Will ____ in ____ a difference in ____ ?
 ____ scenarios ____ congested areas ____ vehicles ____ use ____ petrol?
 Will traffic ____ damage ____ trips?
 ____ I stop ____ go in ____ will ____ go down?
 ____ stopping in traffic having ____ negative ____ petrol ____ ?
 Is it ____ traffic congestion ____ breaks ____ petrol economy?
 Is it possible ____ on ____ road ____ leads ____ gas mileage ____ constant ____ ?
 ____ stop-and-go situations ____ fuel ____ ?
 ____ you think running ____ traffic ____ economy?
 Does ____ traffic affect ____ ?

_____ traffic adversely _____ efficiency?

Is it possible _____ and delays caused _____ cause _____ drop _____ petrol _____?

Is traffic _____ petrol _____ when considering _____ trips?

_____ impact fuel _____ when _____?

If _____ jams, it will _____ fuel economy.

Does _____ affect _____ efficiency _____ trips?

Will _____ fuel efficiency of _____ be _____ disruptions?

How _____ jams affect _____?

_____ and starts because of traffic congestion will _____.

During _____ trips _____ impact _____ efficiency?

Frequent _____ starts due to _____ congestion _____ petrol _____ considering road trips.

Does heavy _____ a trip _____ to _____ mileage?

Will traffic make _____ trip _____ usage?

_____ my _____ tank going _____ get _____ because of _____?

Is _____ possible _____ traffic will affect the _____ when _____ road _____?

_____ stopping-and-go _____ bad for _____?

_____ it _____ jams _____ affect the fuel _____ of your _____?

_____ congestion _____ petrol usage?

Will _____ on road tours _____ gas _____?

_____ jams impede fuel _____?

Will _____ stop _____ cause _____ to go down?

_____ mileage going _____ get worse because I _____ and _____ in _____?

_____ in _____ to fuel usage?

Is it possible that traffic congestion _____ road _____ down?

Is _____ petrol economy _____ road _____?

_____ fuel efficiency _____ vehicles _____ will be _____ by traffic _____.

_____ stops _____ the traffic _____ gas _____?

_____ frequent _____ for _____ petrol consumption?

_____ heavy _____ and constant _____ on _____ efficiency during road trips?

Is petrol _____ by _____?

_____ stops in heavy _____ going _____ decrease _____ efficiency?

_____ disruptions from _____ affect fuel _____.

_____ traffic impair fuel _____?

_____ traffic jams affect _____?

Is _____ mileage going to go down _____ in _____?

_____ and starting _____ gas mileage _____ the traffic?

Do stop-and-go _____ effect _____?

_____ experience a decrease _____ gas _____ because _____ stop-and-go _____?

_____ there an _____ effect _____ fuel efficiency from heavy traffic _____ road _____?

Traffic is _____ stops _____ fuel use.

_____ know _____ heavy traffic and _____ an adverse effect on _____ efficiency.

_____ that running into traffic _____ affects _____ economy?

Does _____ traffic affect _____ on _____?

Will driving _____ high _____ fuel _____?

_____ traffic _____ hurt _____ economy?

Heavy _____ affect _____ efficiency.

The _____ of road travel might _____ heavy _____.

_____ and frequent _____ have a negative effect on _____.

_____ traffic jams _____ fuel efficiency _____?

It _____ gas _____ road _____ stop at _____.

_____ curious _____ waits in _____ areas affect the economy _____.

Does _____ traffic _____ fuel _____?

Road trip disruptions _____ fuel _____.

Gas mileage _____ affected by _____ roads.

Is it true _____ stops _____ traffic are going _____ hurt _____?

I _____ if _____ gas mileage will go _____ of _____ traffic.

_____ be affected _____ stops in congestion.

Is _____ trips _____ traffic congestion by _____ petrol _____?

_____ efficiency affected _____ stops and _____ in _____?

_____ and _____ due to traffic congestion _____ the petrol _____.

_____ bad for _____ traffic stops?

Will _____ jams result in _____?

_____ economy for _____ drives _____ be adversely affected _____ delays.

_____ mileage of a road trip _____ adversely _____ by _____.

Does _____ and go _____ affect _____ efficiency on _____?

_____ the _____ braking in high _____ fuel _____?

_____ reckon running _____ traffic _____ ruins fuel _____?

_____ frequent stops and starts _____ affect the petrol _____?

Do _____ jams affect _____?

Is it true _____ traffic _____ during _____ negative impact _____ economy?

Is there _____ negative effect _____ economy from _____?

_____ roads affect _____ mileage?

_____ experience a _____ gas _____ when _____ in _____ conditions?

_____ traffic congestion, _____ stops _____ negatively impact petrol economy?

_____ clogged _____ the efficient use of gasoline.

_____ it _____ the _____ on a _____ trip _____ poor gas mileage?

Is _____ possible that _____ breaks on crowded _____ cause _____ in _____?

_____ bad _____ petrol economy _____ stop _____ traffic?

_____ my gas mileage tank go _____ I _____ and go _____ day _____?

Will _____ congestion affect fuel _____?

_____ there _____ congestion, could _____ starts _____ gasoline consumption?

_____ impacted by constant starts _____ stops due _____ congestion

_____ stop-_____ situations _____ an impact _____ usage?

Gas _____ be adversely affected _____ long _____ in _____.

_____ know if _____ would have an _____ effect on fuel efficiency?

Can _____ in a jam _____ for _____?

Do _____ situations in _____ fuel _____?

_____ braking in _____ traffic _____ fuel consumption?

_____ conditions _____ me _____ lower gas _____?

_____ traffic _____ negative impact _____ fuel efficiency?

_____ jams _____ halts _____ the _____ consumption?

_____ delays _____ fuel efficiency?

If long waits in congested areas affect _____.

Is _____ traffic _____ the petrol _____?

_____ traffic congestion _____ me to _____ mileage when _____ encounter stop-and-go _____?

Does stop-and-go _____ affect _____?

_____ stop-and-go traffic _____ efficiency when _____?

Will stop-and-go _____ in _____ gas _____?

_____ experience _____ in gas mileage when I encounter _____?

Rush _____ traffic _____ fuel efficiency _____ travelling _____ road.

traffic jams _____ fuel _____ road _____
 Would traffic _____ affect the gas _____ when _____?
 _____ road congestion _____ vehicle's fuel _____?
 Will _____ traffic on _____ tours _____ gas _____?
 _____ true _____ traffic _____ negatively impact the _____ economy _____ road _____?
 _____ these _____ affect my fuel economy?
 Is my _____ gas mileage _____ to _____ due to _____ going in _____?
 _____ it _____ stops in _____ areas affect _____ economy?
 _____ results in _____ decrease _____ efficiency?
 Frequent delays due _____ traffic can have _____ on _____.
 Will _____ scenarios _____ usage _____ road _____ worse?
 _____ wonder if long waits _____ traffic would _____.
 _____ jams affect _____ economy?
 _____ trips _____ jams hurt fuel _____?
 _____ traffic jams _____ efficiency?
 _____ in _____ reduce gas _____?
 Will _____ jams cause _____ economy?
 Is _____ a _____ in _____ per gallon _____ roads?
 Traffic jams _____ petrol _____.
 Do _____ affect your _____?
 Do constant _____ gas consumption?
 Is _____ car's _____ mileage _____ to _____ because of _____ traffic?
 _____ affected by _____ situations?
 _____ there _____ effect on _____ economy _____ to _____ traffic delays?
 Fuel usage _____ impacted _____ stop-and-go _____.
 Is it _____ stops _____ congested _____ petrol economy?
 There could _____ an adverse _____ from _____ and constant stopping.
 _____ in congestion reduce _____ mileage?
 Will _____ jams and halts _____ car's _____?
 _____ stopping _____ to gas savings?
 Is _____ a _____ in miles per gallon _____ through _____?
 Frequent traffic disruptions _____ affect _____ long _____.
 _____ the _____ going to affect petrol _____?
 During road trips, can _____ traffic reduce _____?
 Will _____ conditions on _____ an _____ on _____ gas mileage?
 _____ heavy traffic on _____ road _____ poorer gas _____?
 I was _____ heavy traffic _____ would affect fuel _____ on _____.
 _____ by _____ jams can reduce the petrol _____.
 Is _____ true _____ congestion _____ impacts petrol economy _____ road _____?
 _____ traffic _____ causing _____ petrol economy?
 Will _____ disruptions affect _____?
 How _____ heavy _____ effects _____ mileage _____?
 I wonder _____ waits _____ congested areas _____ economy _____ driving.
 _____ stopping _____ fuel use?
 Is _____ possible _____ excessive traffic on a _____ to poor _____?
 Do constant _____ a _____ gas _____?
 _____ a road _____ lead to _____ gas mileage?
 Can _____ starts and _____ because of congestion _____?
 _____ situations _____ cars _____ use _____ petrol on _____ road trips?
 _____ stops in _____ jam _____ gas _____?

Road trip stops ____ bad ____ of traffic.

Is my ____ gas ____ going to go ____ stop and ____?

____ stops ____ to decrease gas ____?

____ congestion affect ____ consumption?

Will traffic ____ hamper ____ efficiency ____?

____ disruptions from ____ fuel ____?

Does traffic ____ gas ____ planning ____ trip?

Is it ____ and breaks on ____ roads ____ a ____ petrol consumption during my ____?

____ traffic jams ____ during ____ trips?

During ____ congestion affect petrol ____?

Will ____ mileage ____ if ____ and ____ day because of stupid traffic?

____ curious if ____ waits in crowded ____ petrol ____ while ____.

____ planning ____ trip, would ____ affect the ____ mileage?

____ frequent ____ traffic going ____ decrease gas ____?

____ a jam ____ for gas consumption?

____ stop-and-go ____ difference ____ fuel efficiency?

____ stopping in ____ gas economy?

____ efficiency will be ____ by ____

Will ____ use be ____ by ____ braking ____ high ____?

____ heavy ____ fuel efficiency?

____ affect the gas ____ when ____ road trip?

Will ____ halts ruin ____ car's petrol ____?

____ traffic delays on ____ economy?

____ jams ____ reduce ____ petrol ____ during travel by ____.

Will ____ stops damage the car's ____?

____ it ____ affect the petrol economy when ____ by car?

Is frequent interruptions ____ by ____ roads ____?

When planning ____ trip, would ____ traffic ____ affect the ____?

When ____ a ____ would ____ gas mileage be ____ by ____?

____ stops in traffic ____ negative ____ petrol economy?

____ don't know ____ waits in congested areas ____ petrol ____ while ____.

____ traffic cause ____ fuel efficiency?

____ traffic ____ heavy, do ____ and ____ reduce petrol ____?

____ driving in ____ affect ____ consumption?

Does ____ affect fuel ____?

____ stops ____ congestion ____ gas mileage?

Fuel usage ____ affected ____ stop-and-go ____.

____ efficiency ____ by traffic ____ on long ____?

____ congested areas ____ for ____ economy?

____ it ____ that ____ jams ____ reduce ____ petrol economy?

Do stop-and-go ____ have ____ on ____ usage?

____ could affect ____ efficiency.

Could ____ consumption be ____ constant ____ and ____ to traffic?

Will ____ go down ____ because of all these ____ congestion?

Is ____ bad for gas mileage?

____ I experience a lower ____ mileage ____ stop-and-go ____?

Are these ____ stops ____ traffic ____ fuel economy?

____ you get ____ consumption ____ of stop-and-go due to ____ traffic?

Stop-and-go ____ may affect fuel ____.

____ a ____ trip lead ____ poor gas mileage?

Will stopping _____ decrease gas _____?

_____ in traffic _____ gas mileage?

Will _____ affect _____ during a _____ trip?

_____ possible that my _____ gas _____ will _____ of stopping and _____ in _____?

_____ can _____ gas mileage.

Do _____ jams affect _____ road trip?

Is _____ for _____ if there _____ in congested roads?

Does _____ congestion _____ the road?

Do _____ know if _____ traffic _____ constant _____ fuel efficiency?

Does stop-and-go traffic _____.

_____ long _____ will _____ disruptions _____ the fuel _____?

_____ constant halts in _____ jam _____ use?

_____ affecting my car's fuel efficiency _____ a _____?

Is traffic delays _____ for my car's _____ a _____?

_____ congestion harm _____ petrol _____?

_____ efficiency _____ impacted _____ heavy traffic.

_____ you think running into traffic _____ slows _____?

_____ congestion _____ gas mileage?

Will stop-and-go scenarios _____ use more _____ the _____?

_____ frequent _____ in _____ that affect petrol economy.

I'm curious _____ long _____ areas would affect the _____ economy _____.

Is stop-and go _____ fuel _____?

_____ traffic jams _____ the _____ when _____ travel _____ car?

Is _____ for fuel _____ because of traffic?

_____ constant _____ in a jam be harmful _____?

When _____ a _____ trip, _____ traffic delays _____ mileage?

Can stop-and-go scenarios in _____ petrol _____ long road _____?

_____ traffic _____ efficiency during road _____?

_____ and _____ on _____ roads cause a drop in petrol consumption _____ travel?

Is traffic _____ affecting _____?

_____ in traffic affect _____ use?

_____ it _____ that disruptions _____ will decrease fuel _____?

Will _____ in _____ petrol _____?

_____ reduce gas mileage.

_____ can stops _____ heavy traffic decrease fuel _____?

_____ road congestion _____ consumption?

_____ safe to _____ my _____ economy _____ go down with all these _____?

I'm curious _____ in traffic would affect the _____.

When _____ and go in _____ car's _____ mileage decline?

Do _____ situations impact _____?

_____ it _____ stop-and-go _____ caused _____ congested streets _____ restrict automotive _____ efficiency?

Will frequent _____ damage _____ consumption?

Does _____ traffic _____ fuel efficiency _____?

_____ traffic impact _____ mileage?

Is stopping _____ congested _____ decreasing _____?

_____ stops in _____ petrol economy.

_____ heavy traffic and constant _____ to _____ an _____ effect on _____?

When traveling in _____ can frequent stops _____ fuel _____?

_____ reduce the _____ economy when you travel _____?

_____ frequent jams _____ damage a car's _____?

Is long _____ for _____ mileage.

_____ on road tours cause me _____ lower gas _____?

On road _____ traffic _____ fuel _____.

Will _____ decrease _____ efficiency?

_____ think _____ congestion _____ fuel efficiency?

Is there _____ economy because _____ traffic delays?

Will stop-and-go scenarios affect the _____ usage _____ road _____?

There are stop-and-go _____ that _____ congested _____ fuel efficiency.

_____ stop-and-go conditions _____ my _____?

Will frequent _____ affect fuel _____?

When _____ will traffic _____ efficiency?

Frequent traffic disruptions _____ affect the _____ efficiency of _____

_____ that _____ delays can affect my car's _____?

Does stop-and-go _____ efficiency _____ drives?

_____ car, traffic _____ affect the economy.

_____ stopping _____ traffic _____ affects fuel _____ on _____ journeys.

On _____ trip can _____ delays ruin _____ efficiency?

Will I _____ a _____ in gas _____ encounter _____ conditions?

I am curious _____ long waits in congested _____ will _____.

_____ stop-and-go situations _____ streets to _____ automotive _____ what do you _____?

_____ true _____ traffic jams can _____ the _____ economy?

Does _____ impact _____ economy during road _____?

Is _____ an effect on fuel _____ and constant _____?

Frequent traffic disruptions _____ of vehicles _____ journeys.

Will stop-and-go _____ road _____ affect _____?

Will _____ affect the fuel efficiency _____?

Is _____ in _____ traffic bad for _____?

_____ into traffic jams _____ be _____ economy.

Do stops _____ congested _____ affect _____?

Does frequent _____ traffic _____ efficiency?

Is it _____ that pit stops for _____ worse?

_____ it possible that _____ situations _____ by _____ streets _____ to _____ reducing automotive _____?

Is _____ possible to _____ fuel consumption _____ road _____?

Is _____ possible that I _____ experience _____ to _____ congestion?

Traffic jams _____ efficiency _____ road _____.

_____ constant braking _____ traffic _____ to _____ consumption?

Is _____ that traffic jams _____ make _____ by car _____?

_____ delays in _____ be bad _____ gas _____.

_____ true _____ traffic jams can _____ your _____ economy?

Is the petrol _____ traffic _____?

_____ caused by _____ responsible for restricting _____ efficiency _____ cars?

_____ stops and _____ heavy _____ decrease fuel efficiency?

_____ delays due _____ traffic _____ gas economy?

_____ traffic _____ affect _____ gas mileage.

Do _____ make a _____ to _____ economy?

Incremental braking _____ traffic jams may affect _____ gasoline.

_____ congestion _____ petrol usage?

Will I _____ gas _____ when I _____ conditions?

Will _____ disruptions _____ on long _____?

When _____ a road trip, _____ adversely affected _____ traffic _____?

_____ jams _____ petrol economy?

_____ it true _____ traffic congestion hurts the petrol _____ _____ ?

_____ snarls _____ gas _____ planning a road trip?

_____ wondering _____ stopping and _____ in traffic _____ _____ gas mileage.

_____ wonder if _____ gas mileage _____ go _____ because _____ stopping _____ going in _____.

Should frequent _____ in _____ decrease _____ ?

_____ of traffic _____ on gas _____ worse?

_____ consumption may _____ by constant braking _____ traffic.

Traffic _____ negative effect on _____ petrol economy.

Fuel _____ can _____ by stops _____ in _____ traffic.

How will _____ gas mileage tank _____ and _____ traffic?

_____ traffic jams _____ fuel _____ ?

Is Frequent _____ congested areas decreasing _____ ?

_____ a negative effect _____ economy _____ traffic delays _____ frequent?

Will _____ disruptions _____ their _____ efficiency?

_____ heavy _____ fuel efficiency?

_____ stops _____ going to _____ gas mileage?

_____ heavy _____ constant stopping would _____ fuel efficiency during _____ trips?

_____ it _____ that heavy _____ on _____ road leads _____ gas _____ ?

Is _____ for _____ in traffic to _____ efficiency?

Is _____ petrol economy _____ traffic _____ ?

Is _____ possible that heavy traffic _____ would _____ an adverse effect _____ ?
