

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Need an oil change service
Inquiry Sub-Category	Environmental impact
Description	Customers may be concerned about the environmental impact of used oil and inquire about the shop's oil disposal practices, wanting to ensure it is properly recycled or disposed of.
Data Size	5,768 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

_____ you assure me that _____ fluid _____ not end _____ polluting _____ or _____?

Can _____ that _____ end up in landfills?

_____ waste _____ prevent engine _____ pollution?

_____ you think _____ of used _____ will _____ the _____ or _____?

_____ possible that _____ liquid won't _____ or waterway issues?

Can _____ me _____ disposal of engine _____ not harmful?

Can _____ disposal _____ the _____ engine fluid _____ be safe?

Is there a _____ a _____ into _____ when _____ of motor _____?

_____ you _____ prevent _____ engine fluid?

Are you _____ pollution that _____ caused by _____ disposal of _____?

Clear _____ against _____ old motor _____?

Is _____ anything you can do _____ from _____ engine _____?

There is a _____ of _____ when _____ oil is _____.

_____ assurance that engine _____ disposal won't hurt _____?

_____ fluid affect the _____?

_____ any chances that the _____ oil will cause _____ damage?

_____ it possible _____ pollution can't _____ in waterways or _____?

_____ engine _____ going to damage _____?

Is the used _____ fluid going _____ environment?

Can _____ engine fluid _____ affect the environment?

Is _____ certain _____ the _____ liquid _____ cause landfill _____ waterway _____?

_____ you make _____ fluid pollution _____ problem?

_____ the _____ from _____ engine cause _____?

_____ it mean _____ this engine _____ cause landfill _____ waterway _____?

Can you help _____ engine _____?

Do _____ know if _____ of used _____ won't taint _____?

Does _____ fluid _____ the landfills _____ water?

Is the _____ fluid going _____ or water?

Is _____ that _____ will be _____ engine _____ pollution?
 _____ possible that removing _____ of old motor fluids _____ hurt _____?
 Can _____ sure that used _____ won't cause _____?
 Can you _____ there _____ no _____ fluid pollution in _____?
 _____ be _____ that the _____ engine _____ will _____ safe?
 Is _____ a risk _____ old engine _____ into _____ sources?
 _____ it _____ used engine _____ won't _____ harm to _____ environment?
 _____ possible _____ pollution from _____ engine fluids?
 _____ that _____ for landfills _____ rivers?
 Is _____ engine fluid _____?
 _____ a _____ of harm _____ the _____ from _____ of used engine _____?
 _____ shop make sure _____ fluid _____ not _____ the environment?
 _____ mean that _____ engine liquid won't cause landfill _____?
 _____ of not _____ contaminated by old car _____?
 _____ car's old _____ oil out of _____ landfills _____ water _____?
 Can _____ help _____ prevent the _____ used engine _____?
 Is there any _____ pollution in the _____ or _____?
 Can _____ sure _____ the used fluid _____ the _____?
 Can you guarantee _____ be _____?
 Is _____ guarantee against harmful _____ the environment _____ removing _____ of _____ fluids?
 Can _____ make _____ is no _____ fluid _____.
 _____ it _____ that you _____ prevent _____ from used _____ fluid?
 _____ made _____ or waterwayContamination _____ occur _____ this engine liquid?
 _____ the fluids _____ the _____ endanger _____?
 That _____ oil _____ nature, _____?
 _____ used _____ harm to _____ environment?
 _____ I trust you _____ fight pollution _____ engine _____?
 Will used engine _____?
 Can _____ do everything you can _____ engine _____?
 _____ can _____ prevent polluted _____ fluids from _____?
 Will you _____ sure engine fluid _____ harmful _____?
 _____ any risk _____ fluids being contaminated?
 Is there any assurance _____ not being _____?
 _____ can _____ prevent pollution _____ engine _____?
 Can _____ that _____ won't be _____ fluid _____ the water?
 Are you _____ about _____ caused by _____ disposal of _____?
 _____ you _____ assurance that the _____ fluid _____ be safe?
 _____ risk of _____ oils tainting _____?
 _____ proper _____ of used engine fluids?
 _____ you _____ there _____ be _____ fluid _____ in the landfills?
 Is it possible _____ won't cause _____ waterway contamination?
 Is _____ fluid _____ to _____ away from landfills _____ streams?
 Can _____ make _____ isn't engine _____ pollution in _____?
 _____ the disposal _____ engine _____ posing a _____ to _____ environment?
 _____ engine fluid _____ in landfills or _____?
 Can _____ there _____ no pollution _____ engine fluid?
 Can I _____ the _____ fluid won't _____ the environment?
 Will _____ fluid _____ harm _____?
 _____ the disposal of used _____ endangers _____?
 Is _____ ensured _____ liquid won't _____ the water?

_____ junky fluid going to _____ and landfills?
 _____ used engine _____ will affect the environment?
 _____ car's _____ motor oil stay _____ of the _____?
 _____ local water sources _____ of _____ polluted with old _____?
 _____ fluid _____ cause pollution?
 Is _____ to harm _____ environment?
 Are _____ certain _____ engine fluid _____ end _____ in landfills _____ waterways?
 Do _____ intend _____ stop pollution from _____ caused _____ improper _____ fluids?
 _____ engine _____ going _____ impact _____ environment?
 _____ assure us _____ used engine fluid won't be _____?
 Can _____ assure _____ public _____ engine fluid isn't going to _____?
 _____ know if the used engine _____ be _____ to _____?
 _____ you _____ to _____ pollution _____ by _____ of engine fluids?
 Is _____ that the used engine _____ harm _____ soil and _____?
 _____ you _____ me an _____ that _____ used engine _____ will _____ safe?
 I wonder _____ I _____ on you _____ prevent pollution _____ fluid.
 _____ the engine fluid to _____ polluted?
 Is the _____ going _____ landfills?
 I'm getting _____ of _____ I worry about pollution?
 _____ assurance _____ the _____ fluid will not taint nature?
 _____ engine _____ you _____ of going to harm the _____?
 Will the _____ the _____?
 Is there _____ assurance that disposing of _____ will _____?
 Will my car's old _____ oil _____ of _____ sources _____ if _____ bring _____?
 _____ the disposal of used _____
 Will _____ car's old motor oil _____ of _____?
 Isn't _____ going _____ ruin _____ or landfills?
 _____ willing _____ stop _____ caused by improper engine _____?
 Does _____ out of the _____ or streams?
 Is it _____ liquid won't _____ in the landfill?
 _____ possible that _____ engine _____ pollution in waterways?
 Is there _____ chance of environmental _____ due _____ disposal _____ engine _____?
 _____ that junky fluid _____ in the landfills or _____?
 Is _____ possible that _____ engine _____ will _____ found in _____ waterways?
 _____ junky _____ going to _____ the landfills or _____.
 _____ risk _____ harm to _____ come from the disposal _____ used _____ fluid?
 Is there _____ assurance that disposing of _____ environment?
 _____ you assure _____ used _____ fluid will _____ the environment?
 _____ I _____ sure used _____ fluid _____ be a _____?
 Can you _____ pollution _____ used _____?
 Can _____ depend on _____ from used _____ fluids?
 Is _____ chance _____ old engine _____ could _____ water sources?
 Is there a _____ against _____ the _____ when _____ and _____ motor _____?
 Environment _____ by _____ spill?
 _____ possible _____ engine _____ harm our environment?
 _____ used _____ a negative impact _____ the environment?
 _____ certain that _____ engine fluid will be safe?
 Will my _____ old _____ oil _____ the landfills _____ sources?
 Will your _____ that _____ fluid _____ harm the _____?
 Should _____ be worried about _____ when _____ of _____ old _____?

_____ engine fluid going to affect _____ negatively?
 _____ you have _____ plan to _____ sure _____ used _____ contaminated?
 Do you want pollution _____ improper _____ engine _____ to be _____?
 Can you _____ me _____ my _____ engine _____ will _____?
 _____ you _____ the public _____ used _____ fluid won't harm _____?
 _____ removing _____ disposing _____ motor fluids _____ a _____ against _____ the environment?
 No _____ pollution _____ a result of used _____ disposal?
 _____ the disposal of _____ engine _____ a threat _____ the _____?
 Is _____ engine _____ to _____ water _____ landfills?
 Can used _____ pollution?
 _____ there _____ of harm to the soil/water _____ used _____ fluid?
 Can _____ prevent pollution from used engine _____?
 Is _____ used engine _____ not _____ end _____ landfills?
 Is _____ engine _____ harmful to _____?
 _____ there any _____ engine fluid won't taint nature?
 _____ to ensure no engine fluid _____?
 Is there _____ that the used _____ be safe?
 Does the _____ of _____ engine _____ risk _____ the environment?
 _____ you _____ used engine fluid _____ harm the _____?
 _____ I be _____ the _____ engine _____ hurt the environment?
 _____ there a guarantee that _____ will _____ and disposing of _____ motor fluids?
 Is it _____ vouch _____ disposal _____ engines fluids?
 Is _____ an _____ the _____ won't harm nature?
 Is there an _____ fluid won't _____ the _____?
 _____ engine _____ not going to cause _____ waterway _____?
 Have used _____ avoided _____ and _____?
 _____ you reduce _____ pollution?
 Is _____ assurance _____ of engine _____ won't _____ nature?
 _____ an assurance _____ will not be _____ by disposing _____ fluids?
 _____ the _____ the environment?
 Does _____ old _____ out of water sources?
 _____ it safe to _____ the oil _____ way _____ doesn't _____ the _____?
 _____ make sure _____ used engine _____ the environment?
 Is _____ any guarantee that the _____ engine _____?
 _____ a _____ the _____ of engine fluid won't _____ the _____?
 If I _____ here, _____ it stay out _____ landfills or water _____?
 Can _____ say _____ used _____ taint the environment?
 _____ sure _____ engine liquid won't _____ waterway pollution?
 _____ it possible _____ the _____ engine oil causes _____ damage?
 Do _____ know if used _____ fluid _____ be _____ environment?
 Is _____ that old _____ fluids are not _____?
 _____ I be certain _____ used _____ fluid _____ cause _____?
 _____ used _____ harm our environment?
 _____ there _____ risk that the used _____ could _____ the _____?
 Do _____ think _____ of this old _____ cause environmental _____?
 Will used _____ fluid _____ environment?
 _____ a _____ to _____ used motor _____ from hurting the _____?
 Can you _____ there _____ pollution?
 Is _____ that _____ won't _____ fluid pollution _____ waterways _____ landfills?
 _____ car _____ not _____ contaminated?

_____ to _____ used motor _____ hurting the environment?
 _____ it _____ against pollution by old _____ oils?
 _____ you make _____ used engine _____ hurt the _____?
 _____ your _____ make sure _____ fluid isn't _____?
 Does _____ make _____ landfill or waterway contamination _____ happen _____ engine _____?
 _____ able _____ the proper disposal of _____ engine fluids?
 Shouldn't junky _____ out of _____ rivers?
 _____ there _____ risk _____ harm to soil _____ disposing of _____ fluid?
 Is it _____ you _____ guarantee that _____ used _____ harm the _____?
 _____ junky fluid _____ ruin landfills _____.
 _____ the _____ of old engine _____ tainting _____ water _____?
 Is _____ assurance _____ disposing of engine fluid _____?
 Will used _____ environment??
 _____ you guarantee that used _____ fluid won't _____?
 Do you _____ make sure used motor _____?
 _____ this _____ fluid stay _____ of the _____ stream?
 Can _____ if the disposal _____ will be safe.
 _____ it make _____ that landfill _____ happen from this _____ liquid?
 _____ chance of releasing the motor oil _____?
 Is _____ possible _____ the _____ liquid won't _____ or _____ problems?
 _____ bring my car's motor oil _____ it _____ out _____ landfills?
 Will _____ disposal of _____ engine _____ safe?
 _____ engine fluid end _____ in _____?
 _____ bring my old motor _____ here, _____ stay _____ of _____?
 _____ me that used engine _____ won't _____ polluted?
 _____ the disposal _____ engine _____ Environmentally _____?
 _____ there a _____ of release _____ nature when _____ of _____?
 _____ this engine fluid _____ be _____ the _____?
 Do _____ think _____ fluid will affect _____?
 Do you _____ for _____ used motor oil _____ the _____?
 _____ have _____ plan for keeping used _____ the environment?
 Can _____ that _____ engine fluid will _____ harm _____ environment?
 _____ it _____ used _____ fluid won't cause _____?
 _____ the _____ from _____ engine _____ to the environment?
 No _____ pollution with used _____ oil _____?
 _____ I _____ that _____ used _____ fluid won't _____ the environment?
 _____ know if _____ of _____ used _____ fluid _____ the environment?
 _____ there a _____ fluid won't ruin the _____?
 There _____ a chance _____ motor _____ into nature.
 Is it _____ that this _____ liquid _____ end _____ a _____?
 _____ it possible to _____ used engine _____ ruin _____ environment?
 _____ fluid _____ able to stay _____ the landfills?
 Is it _____ that _____ of _____ oil can _____ harm?
 Does the _____ make sure _____ engine _____ the _____?
 Can you _____ that used _____ fluid won't _____.
 Is _____ fluid you dispose _____ harmful _____ environment?
 _____ you think used motor _____ not damage _____?
 Can _____ be _____ used _____ fluid _____ the environment?
 Can _____ me _____ used _____ fluid won't end up in _____?
 Should _____ car's _____ stay _____ of _____ or water _____ if _____ it here?

_____ possible that _____ of _____ fluid won't _____ the environment?
 _____ you tell _____ the _____ engine fluid _____ will be _____?
 _____ think _____ used engine fluid _____ hurt _____ environment?
 _____ possible that _____ of the _____ engine fluid _____ hurt _____?
 _____ I be sure _____ won't _____ any harm?
 Is engine _____ to _____?
 _____ that _____ waterway _____ won't happen from _____ engine liquid?
 Is _____ certain _____ this _____ end _____ in a _____ or waterway?
 _____ junky fluid going to _____?
 Is it possible _____ disposing _____ old engine oil _____?
 I _____ the _____ won't harm the environment.
 Will _____ engine fluid stay _____ of landfill _____?
 _____ you _____ engine _____ of the _____?
 Can _____ dispose of _____ engine _____?
 Is there _____ that _____ fluid _____ harm soil/water?
 _____ you assure _____ there _____ be _____ engine fluid _____?
 _____ there any _____ pollution from _____ engine _____?
 Is _____ engine _____ to taint _____ water _____ landfills?
 _____ protection _____ pollution from _____ motor _____?
 Can _____ guarantee there won't _____ the landfills?
 Will your shop _____ engine _____ is not _____ to _____ environment?
 _____ engine fluid stay out _____ landfill or into _____?
 Is it _____ engine _____ harm the environment.
 _____ used _____ cause a problem?
 _____ to dispose _____ used fluids without _____ harm to _____?
 Can _____ protect _____ engine fluid _____?
 _____ you _____ certainty _____ the used engine _____ will _____ safe?
 Is _____ ensured _____ this engine _____ won't _____ landfill?
 _____ sure _____ used engine fluid _____ cause _____?
 Will the _____ fluid _____ for _____?
 Can you guarantee _____ be engine fluid _____ in _____?
 _____ old motor _____ out _____ water sources?
 _____ I _____ sure that the _____ fluid won't _____?
 _____ capable of _____ for _____ proper disposal of used _____?
 Will _____ used _____ fluid _____ up in _____ or _____?
 _____ my car's motor _____ water and landfills?
 Is the engine fluid going _____ out _____ the _____?
 Can I rely _____ to prevent _____ the used _____?
 _____ that used engine fluid _____ up in _____ waterways.
 Is it possible _____ landfill _____ contamination _____ this _____ liquid?
 _____ engine fluid _____ harm?
 _____ want to _____ engine _____ cause _____ or waterway pollution.
 Does it _____ sure that _____ engine liquid _____ waterway _____?
 _____ the _____ of used engine _____ a threat _____?
 _____ fluid not end _____ the landfills or iron _____?
 _____ have a plan _____ used _____ oil _____ of the _____?
 _____ you make _____ doesn't occur?
 Is there an assurance _____ engine _____ won't harm _____?
 _____ you guarantee there won't _____ engine _____ waterways?
 _____ it possible _____ the used _____ fluid _____ the _____?

____ the old motor oil stay out ____ ____ ____ ?
 ____ ____ a risk ____ ____ ____ oil into the water?
 ____ ____ oils ____ to ____ environments?
 Is there an assurance ____ ____ ____ be polluted ____ ____ ____ used fluids?
 The ____ from the used ____ ____ harm ____ ____ .
 Is ____ ____ ____ engine oils ____ to endanger ____ ?
 ____ you ____ ____ ____ of ____ fluids is safe?
 ____ there a chance ____ ____ ____ in waterways?
 ____ ____ ____ fluid affect ____ environment??
 ____ ____ water ____ at risk ____ ____ contaminated with the old ____ ____ ?
 ____ ____ help prevent ____ pollution from used ____ ____ ?
 ____ it possible that the ____ of the ____ engine ____ ____ ____ environmental ____ ?
 The release ____ ____ ____ byproducts ____ nature is ____ possibility.
 ____ ____ ____ worried about ____ when ____ ____ my old engine's fluid?
 ____ there ____ ____ ____ used engine fluid won't be ____ ____ the environment?
 I ____ like to ____ if ____ ____ ____ not end ____ in landfills.
 Can you ____ ____ that ____ ____ engine ____ ____ will not be ____ ?
 Is ____ assured ____ ____ disposal ____ ____ fluid won't ____ nature?
 ____ ____ ____ stay out ____ the landfills?
 ____ ____ engine fluids ____ the ____ ?
 ____ the ____ ____ fluid pollution ____ ?
 ____ there assurances ____ the disposal ____ ____ fluid ____ taint ____ ?
 ____ ____ ____ the ____ of used engine fluid ____ safe?
 Can you ____ ____ ____ be ____ fluid ____ ?
 ____ you certain the ____ ____ fluid ____ be ____ to ____ of?
 ____ used ____ ____ hurt our ____ ?
 Is there a chance that ____ ____ engine oil ____ ____ ____ ?
 Are ____ ____ to ____ that ____ won't ____ ____ fluid pollution in ____ ?
 ____ ____ trust you to keep the ____ ____ ____ of the ____ ?
 Will the ____ stay ____ ____ ____ landfills or ____ the ____ ?
 Is ____ an assurance ____ ____ ____ engine fluid ____ ____ the environment?
 ____ I be sure that old car ____ ____ ____ ?
 ____ ____ certain ____ used ____ ____ won't end up in ____ ____ waterways?
 ____ ____ ____ your shop ____ keep polluted ____ fluid out ____ the ____ ?
 ____ ____ ____ motor oil ____ out of ____ ____ ____ if I bring it here?
 Will ____ ____ fluid ruin ____ ____ ?
 Is ____ true ____ this ____ liquid ____ cause ____ ____ waterway pollution?
 Do ____ know if the ____ engine ____ will ____ ____ ____ water?
 Is ____ certain that ____ ____ ____ from this ____ liquid?
 Are ____ committed ____ preventing pollution caused by ____ ____ ____ fluids?
 ____ ____ a risk ____ get old engine oil ____ ____ ____ sources?
 ____ ____ possible that disposing ____ the used ____ fluid will ____ ____ ____ environment?
 Is ____ a chance ____ releasing motor ____ ____ ____ the ____ ?
 ____ there ____ ____ ____ used ____ fluid ____ taint the environment?
 ____ you ____ a plan to make ____ the ____ ____ oil ____ ____ contaminated?
 Can ____ ____ sure there ____ ____ pollution ____ engine fluid?
 ____ ____ possible ____ engine fluid ____ ____ the landfills or ____ ?
 ____ ____ say ____ ____ engine ____ won't harm the environment?
 Is ____ any guarantee ____ ____ ____ car fluids ____ contaminated?
 Is ____ disposal ____ ____ engine ____ ____ safe?

I _____ if _____ engine fluid will not _____ up _____.
 _____ there any chance of _____ fluid _____ waterways?
 _____ it _____ that old engine _____ could _____ a _____ with _____ water _____?
 I _____ know _____ the _____ fluid _____ end up in _____ landfill.
 _____ used _____ going to _____ the environment?
 Do _____ have _____ to keep _____ motor _____ safe?
 Is _____ possible that _____ of _____ engine oil will _____ environmental _____?
 Do _____ think _____ junky _____ ruin _____ or landfills?
 _____ that _____ won't be engine fluid _____?
 _____ you sure the _____ of used _____ will _____?
 _____ the fluid _____ the _____ car harmful _____ the _____?
 Can you guarantee that _____ fluid pollution?
 Can _____ me that _____ end _____ in a landfill?
 Can you _____ engine fluid won't _____ the environment?
 _____ you _____ used _____ fluid won't _____ harm to the _____?
 _____ the engine fluid _____ the _____?
 Can _____ vouch for the _____ of _____ engine _____?
 I don't _____ the used _____ fluid _____ end up _____ landfills _____.
 _____ wonder _____ the used _____ fluid _____ the environment.
 Will _____ fluid stay _____ of _____ and streams?
 _____ a _____ that _____ used engine fluid _____ harm _____ soil/water.
 _____ your _____ make sure engine _____ hurt _____ environment?
 Is _____ to stay out _____ the landfills and _____?
 Are _____ that _____ engine fluid won't _____ the _____?
 _____ the _____ fluid _____ going to _____ our environment?
 _____ to _____ pollution from used _____ fluid?
 Is there any _____ disposal of _____ fluid _____ nature?
 Is there any _____ that the _____ won't _____ of _____ fluids?
 Will _____ stay _____ the water?
 Can _____ us _____ used _____ will not _____ our environment?
 Will _____ cause _____ damage?
 _____ engine _____ bad for waterways _____ the _____?
 Will _____ stay out of _____ into the streams?
 Is there _____ guarantee _____ fluid pollution _____ landfills or _____?
 You _____ assure me _____ of used _____ fluid _____ be _____.
 Do used _____ cause _____ and _____ pollution?
 Is it possible that _____ disposal _____ this _____ damage?
 _____ car's _____ motor _____ stay _____ of water _____ landfills?
 If _____ bring _____ here, will it _____ out of the _____?
 _____ fluid going _____ be _____ free?
 _____ you assure me _____ the used _____ won't _____?
 _____ it _____ that _____ waterway pollution won't _____ engine liquid?
 _____ it ensured that _____ won't _____ this engine _____?
 _____ the _____ oil stay _____ or landfill if I bring it _____?
 Is _____ that _____ disposal _____ fluid won't _____ nature?
 Isn't that junky _____ to _____ the _____?
 Does _____ make sure _____ this _____ liquid won't _____ or _____?
 Is _____ that _____ engine fluid _____ be safe _____ dispose of?
 _____ you _____ the _____ of engine fluids _____?
 _____ it _____ you will _____ from _____ engine fluid?

Will this engine fluid _____ landfills _____ streams?
 _____ sure _____ no engine _____ pollution.
 _____ the _____ of _____ fluid be _____?
 Is it _____ that _____ any pollution from this _____?
 _____ have a _____ keeping used motor _____ out _____ ground?
 _____ you tell me if _____ fluid will not _____?
 _____ guarantee _____ be no engine _____ pollution?
 _____ you certain that _____ are _____?
 Is the _____ fluid _____ away from _____ landfills _____ iron _____?
 Is _____ any _____ that old _____ not _____ contaminated?
 _____ you _____ disposal _____ engine fluids is _____ harmful?
 _____ engine fluid polluted landfills _____?
 _____ from _____ engine will _____ the _____.
 Does it make _____ that the _____ in _____ landfill _____ waterway?
 _____ you think used _____ will cause _____ environment?
 _____ there a chance _____ no _____ fluid pollution in _____?
 I was _____ if _____ used _____ fluid _____ in landfills or _____.
 _____ you _____ that disposal _____ is not harmful?
 If I _____ will it _____ out _____ the landfills or water _____?
 Is there any _____ that _____ of _____ won't _____?
 Will the _____ the engine _____?
 Are _____ sure the used _____ safe _____ dispose of?
 _____ the _____ engine fluid _____ taint the environment?
 Is the _____ oils _____ to harm _____?
 Is it _____ you to _____ for proper _____ fluids?
 _____ you _____ guarantee no _____ pollution?
 _____ assurance _____ old car fluids _____ be contaminated?
 Will you _____ the fluid _____ harmful _____ the _____?
 _____ is _____ the _____ engine fluid _____ harm the _____ or water.
 Can you say _____ engine _____ won't _____?
 _____ getting _____ of _____ fluid, should I be worried _____?
 _____ a risk _____ old engine _____ entering local water _____?
 I'd like _____ know if _____ used _____ fluid will _____ up _____ waterways.
 Can _____ used engine fluid won't end up _____ landfills _____?
 Is your _____ that _____ engine _____ will _____ safe?
 _____ there guarantees _____ harming the _____ when _____ and disposing of _____?
 Is _____ going to _____ up the _____ or _____?
 _____ there _____ chance _____ engine fluid pollution _____?
 _____ the engine _____ to hurt the environment?
 _____ wondering if there's _____ against harming _____ when _____ old _____ fluids.
 Are _____ vouch for proper _____ used _____ fluids?
 _____ you able to _____ there _____ engine fluid _____?
 Do _____ plan for _____ used _____ oil _____ of _____ water?
 _____ want _____ know _____ the _____ engine fluid _____ not end up _____ and _____.
 _____ getting rid of _____ fluid, should _____ concerned about pollution?
 Is _____ any _____ of pollution from _____ landfills or _____?
 _____ the used fluids _____ and _____?
 _____ you committed to stopping _____ engine fluids?
 _____ possible that the _____ fluid won't _____ any _____ to _____ environment?
 Can you assure _____ that _____ won't end _____?

Is _____ for _____ sources to be contaminated with _____ servicing?
 _____ that _____ engine fluid will avoid _____?

Is _____ bad for landfills _____?

Is the engine _____ kept out _____ waterway?

Is there an _____ the fluid won't _____?

_____ the _____ the engine _____ threat to _____ environment?

Is _____ ensured that _____ engine liquid _____ or _____ pollution?
 _____ you keep _____ out _____ the water?
 _____ it possible _____ used _____ fluid won't _____ up _____?

Is it _____ that this old _____ environmental _____?

Is there a _____ harm to _____ of used engine _____?

Can I count _____ engine fluid _____ polluted?
 _____ guarantee that used engine _____ affect the _____?
 _____ be _____ pollution _____ the _____ fluid?
 _____ danger _____ local water sources with old engine _____?

Is _____ an assurance that _____ fluid _____ going _____?
 _____ an assurance that _____ of _____ won't affect _____?

Can _____ certain that used _____ fluid _____ to harm _____?

Can _____ fluid pollution?

Is it possible that _____ cause landfill _____ waterway _____?

Is there _____ that engine fluid _____ ruin _____?

_____ I _____ certain _____ the used _____ fluid _____ the environment?

The disposal _____ engine _____ could be _____ to _____.

Should _____ a _____ against _____ the _____ and _____ of old motor fluids?
 _____ oil _____ nature, right?

Should my _____ old _____ oil _____ of _____ landfills _____ water _____?
 _____ used _____ fluid _____ avoid pollution.

Can _____ be certain _____ engine fluid _____ the _____?
 _____ I _____ on you to stop _____?

_____ certain that the engine _____ won't _____ environment?
 _____ assurance that the fluid won't _____ the _____?
 _____ any assurance that _____ won't affect _____?

Are you _____ to _____ pollution _____ by improper _____ engine _____?
 _____ the _____ engine fluid environmental _____?
 _____ used engine _____ safe _____ environment?
 _____ for _____ to prevent pollution from _____ fluid?

Can the _____ not _____?

_____ I count _____ you to fight _____ from _____?

_____ fluids not cause _____ and _____?

_____ fluids _____ waterways?

Do you _____ disposal of engine _____ is _____?

_____ there any chance _____ old _____ fluids _____ contaminated?

_____ you _____ engine _____ in waterways?

Can _____ promise that _____ hurt the environment?

Is _____ any _____ of environmental _____ disposing of old _____?

_____ guarantee there will be _____ fluid pollution _____?

Are you _____ to do everything _____ the improper disposal of engine _____?
 _____ the used _____ fluid _____ to end _____ landfill?

Is _____ certain that _____ liquid won't _____ landfill or _____?

Is there a guarantee against harm _____ or disposing _____ fluids?

_____ used motor oil from hurting the environment?

_____ that the disposal _____ fluid _____ harm nature?

_____ you tell me _____ engine fluid won't _____ up _____?

Will _____ car's old motor _____ stay _____ or _____ sources?

_____ assure me that _____ of used engine fluid _____?

Is the _____ engine _____?

_____ there a _____ that the _____ be harmed _____ removing _____ disposing of old _____?

_____ ruin the _____ or rivers.

_____ guarantee that the _____ engine _____ ruin the environment?

Do _____ think the _____ fluid you dispose _____ harm _____?

_____ make sure there _____ engine fluid _____?

_____ you _____ fluid pollution?

_____ there _____ plan _____ prevent used motor oil _____ harming _____?

_____ want _____ know _____ engine _____ won't _____ the environment.

Is proper _____ of _____ engine _____ a _____ can vouch _____?

_____ that _____ engine liquid _____ end up _____ landfill or waterway?

Can you let me know _____ the _____ used _____?

Is it ensured that _____ engine _____ waterway pollution?

_____ I _____ my _____ engine's _____ should I _____ worried about pollution?

_____ a _____ that the disposal _____ engine _____ won't _____ nature?

Are you _____ that used _____ fluid _____ environment?

Is _____ ensured _____ liquid won't cause _____?

Is my _____ of landfills or _____ sources _____ bring it _____?

_____ the _____ of this old engine oil will _____ environmental _____?

_____ any _____ to _____ oil from harming _____ environment?

_____ the shop _____ the _____ fluid _____ hurt the _____?

Can _____ trust you _____ pollution _____ used _____ fluids?

_____ I depend on _____ from used _____ fluid?

Can you guarantee _____ engine fluid _____ landfills _____ waterways?

_____ the _____ engine _____ harm the _____?

Is _____ possible that _____ fluid _____ can _____ in waterways?

_____ want to _____ if the _____ engine fluid _____ not _____ up _____ garbage _____ the _____.

Is _____ a guarantee _____ of _____ fluid _____ affect nature?

There is a risk that _____ fluid _____ soil/water.

_____ fluid _____ poses a threat _____ the environment?

Can _____ sure that used engine fluid _____?

Is _____ to prevent _____ from _____ engine _____?

Is there _____ for _____ proper disposal _____ engine fluids?

_____ you _____ the used engine fluid _____ harm _____?

Is there an _____ fluid _____ cause _____?

Should _____ potential pollution when I _____ of _____ old _____ fluid?

_____ the _____ fluids hurt _____?

_____ it certain that _____ of _____ won't taint _____?

Can you _____ keep _____ out of _____?

_____ you have any _____ to _____ used _____ from _____ contaminated?

_____ be worried about possible _____ I _____ of my _____ engine's _____?

_____ shop able _____ make sure the _____ doesn't _____ the _____?

_____ wonder _____ used _____ not _____ up in landfills or waterways.

_____ you keep engine _____?

Do _____ have _____ assurance that _____ fluid will _____ safe?

Do you _____ if the _____ fluid _____ soil or _____?
 _____ guarantee _____ there _____ no _____ fluid pollution?
 _____ assure me that _____ engine fluid _____ be safe?
 _____ you committed _____ pollution _____ the improper disposal of _____?
 Is the disposal _____ Safe?
 Will _____ engine fluid stay _____ landfills _____ into _____ streams?
 Is _____ that disposing of _____ fluid _____ taint _____ environment?
 Ain't _____ fluid _____ to ruin _____?
 Will _____ cause pollution?
 Do _____ have plans to keep _____ oil _____ contaminated?
 Do _____ not _____ or waterway _____?
 _____ the _____ fluid going to stay out _____?
 Is _____ that _____ fluid won't go to _____?
 _____ there a guarantee _____ old car _____ not _____?
 Would _____ harm _____ environment?
 Can I be sure _____ taint _____ environment?
 Is the _____ that _____ used _____ fluid _____ harm _____ or _____?
 Will _____ engine _____ it out _____ the _____ streams?
 Is it possible that used _____ fluid _____?
 _____ you keep _____ of used _____?
 Is _____ fluid _____ to _____?
 Can I be sure _____ used engine _____ environment?
 _____ you think _____ of the used engine _____ will _____?
 _____ vouch for _____ proper disposal of used _____?
 Is _____ possible _____ this _____ liquid won't cause _____?
 Can _____ that the _____ won't harm the _____?
 Can you _____ that the disposal of _____ will be _____?
 The engine _____ could be _____ water.
 Will your shop _____ sure _____ fluid isn't _____ environment?
 _____ leave no _____ pollution?
 Will the fluids _____ engine _____?
 _____ that _____ going to ruin _____ waterways?
 Will _____ engine _____ not _____ environment?
 _____ I bring my _____ old motor oil _____ stay _____ water or _____?
 _____ there any _____ that _____ of engine _____ harm _____?
 _____ engine fluid have a negative _____ environment?
 _____ any assurance that the disposal _____ fluid won't _____?
 Is it _____ engine _____ nature?
 _____ it _____ used fluids without causing _____?
 _____ used engine _____ not _____ environment?
 Are you _____ to stopping _____ disposing _____ engine fluids?
 Can you assure me that the used _____ fluid _____?
 _____ fluids going _____ landfills _____ rivers?
 Is the _____ water or _____?
 Does the disposal _____ engine fluid _____ the _____?
 _____ you assure _____ that used _____ fluid won't _____ environment?
 _____ I _____ concerned _____ pollution when _____ get rid _____ my _____ engine's _____?
 _____ used _____ fluid pollution-free?
 _____ if the used engine fluid will _____ the _____?
 _____ used _____ fluid _____ for _____ and _____?

_____ sure _____ used engine _____ end up _____ landfills?
 Is it _____ that engine _____ happen in _____ waterways?
 Shouldn't _____ junky _____ be kept _____ of _____ rivers?
 _____ it certain _____ engine _____ won't _____?
 _____ want _____ keep _____ out of used _____ fluid.
 Is it possible _____ pollution _____ discarded engine _____?
 Did you _____ disposal _____ engine _____ isn't _____?
 Can your _____ sure _____ engine _____ isn't _____ to _____ environment?
 Are there any risks _____ fluid will _____ environment?
 Will _____ of _____ the environment?
 _____ the disposal of _____ pose a _____ to _____ environment?
 Is it _____ pollution from _____ engine liquid?
 No landfill _____ guaranteed with used _____ oil _____?
 _____ this engine _____ kept out of _____ or _____?
 _____ prevent landfill and _____ taint?
 _____ fluid pollutants out?
 _____ you want _____ caused by the _____ disposal _____ fluids?
 _____ to know _____ there's a guarantee against _____ of _____ motor fluids.
 _____ prevent pollution _____ fluids?
 _____ guarantee that _____ engine liquid _____ end up _____ landfill?
 _____ that _____ of engine fluids isn't harmful?
 _____ harm to _____ soil and water from disposing of _____ engine _____?
 Is it sure _____ won't occur _____ this _____?
 _____ this engine _____ not _____ into _____ landfills _____ streams?
 _____ I _____ your shop _____ keep polluted engine _____ the _____?
 _____ would _____ to _____ used _____ fluid won't harm the _____.
 _____ I know _____ fluid _____ harm the environment?
 I don't _____ if _____ old _____ oil will _____ of the _____.
 _____ your shop make _____ fluid doesn't harm _____?
 _____ to _____ if _____ fluid won't _____ the environment.
 Can I be _____ you _____ by _____ used fluids?
