

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Network coverage and signal issues
Inquiry Sub-Category	WiFi calling
Description	Customers inquire about the availability and usage of WiFi calling options, seeking information on how to make calls using WiFi networks when cellular signals are weak or not available, and guidance on setting up and using WiFi calling on their devices.
Data Size	5,129 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

What ____ the steps ____ WiFi calling ____ during times of low or ____ cell ____?

When there ____ no cell ____ tell me how I ____ network?

Can ____ explain ____ use ____ calls ____ a ____ signal?

When there ____ what steps are ____ a wi-fi network?

____ can ____ make use of ____ call ____ in ____ or no cellular ____?

When ____ isn't a cell ____ can you ____ what ____ are needed ____ use ____?

In ____ network, how can one use ____ to ____?

____ use wireless calls ____ network?

____ periods of low ____ coverage what steps must be ____ to ____ internet ____ make ____

When a ____ does ____ what ____ need ____ to use a ____ network?

If ____ cell ____ weak, ____ the ways to useWiFi ____?

What can you do ____ during low ____ coverage?

During times ____ low ____ no cell ____ what ____ the ____ that ____ taken to use ____ calling ____?

____ periods of low cell ____ setup and use ____ wi-fi ____?

What are the steps ____ to take in ____ to ____ the ____ low ____ coverage?

____ provide an ____ how ____ use ____ calls ____ a ____ cellular signal?

When there's ____ cell ____ explore the ____ in enabling ____ call features.

____ enable ____ wi-fi-based phone calls amidst ____ poor ____ connection?

____ steps are needed to ____ and/or use ____ when ____ working?

____ use ____ wireless network ____ the signal is ____?

During times ____ low ____ what ____ need to ____ to ____ and ____ wi-fi.

____ use a wireless network when ____ reception ____?

When there's ____ or no cellphone service, ____ are steps ____ use ____.

How ____ use ____ wireless ____ with ____?

During periods of poor or absent ____ network ____ the process ____ turning ____ calls ____.

When ____ isn't a ____ phone, what ____ are needed ____ use a ____?

How do you enable ____ wi-fi ____ a ____.

____ of ____ cell ____ what ____ taken to ____ and ____ wi-fi calling feature.

In _____ mobile _____ can _____ use wi fi calls _____?

During _____ of _____ cell coverage, what steps _____ be taken _____ setup _____ utilize _____?

_____ us _____ can use a wireless communications _____ when _____ not available?

_____ drops, what are the stages _____ in enabling _____ utilizing _____?

_____ be taken during periods _____ low cell _____ utilize wi-fi?

_____ you _____ me the process _____ using _____ in _____ poor signal?

_____ cellular connection, _____ one use _____ capabilities of the WiFi call?

_____ be done _____ a _____ calling platform _____ there is a _____ cell _____?

Can you _____ me instructions on _____ to _____ to _____ areas _____ poor _____?

Can _____ tell _____ making wi-fi calls in a poor _____?

When there _____ low cell _____ what steps must _____ taken to _____ system

_____ there is _____ can _____ explain _____ needed to use a wireless _____?

_____ case of _____ mobile _____ how can one _____ calls?

_____ call _____ poor cell _____ wi-fi?

_____ poor or no cellular signal, _____ you tell me _____ enabling and using _____?

What steps do _____ in order to use _____ low _____ situations?

When there's _____ no _____ do you _____ help _____ steps involved _____ using WiFi _____?

_____ of _____ cell coverage _____ steps _____ be taken to _____ use _____ calling feature?

_____ limited _____ no _____ coverage, there _____ and utilize WiFi call function.

_____ low cell coverage, what steps _____ be _____ setup and use _____?

_____ do _____ need to _____ order _____ use the call _____ during _____ coverage?

During periods of low _____ steps are taken _____ setup _____ the _____.

During _____ low cell coverage, what _____ setup and _____ calling system?

When there is _____ poor or no _____ signal, _____ for _____ and _____ wi-fi calling?

What steps _____ to setup and _____ of low _____ coverage.

During _____ cell _____ what _____ must be _____ and use the wi-fi _____

When a cellphone does _____ what _____ have _____ take to _____ a _____ network?

_____ calls _____ a low network?

_____ periods _____ poor _____ absent mobile network _____ how _____ on and _____ calls?

When signal _____ what _____ the stages _____ enable _____ utilize _____?

What's _____ with ActivatingWiFi _____ low _____ no cell _____?

During _____ low _____ coverage, _____ should be done _____ up _____ and _____ calls?

_____ set up a _____ calling platform during _____ period of _____ coverage?

When _____ cellular _____ how _____ use the WiFi calls?

_____ no signal on, _____ steps are _____ to _____ and use a _____?

Can you tell _____ the _____ of _____ in _____ poor _____?

During periods _____ low cell coverage, what _____ must _____ taken _____ and _____.

What _____ need to be taken _____ and _____ wireless _____ device _____ is _____?

Can you explain _____ are needed to use _____ when _____ lacking?

During periods _____ low cell _____ what _____ are _____ to _____ and _____ calling _____

What _____ necessary to enable _____ wireless _____ device _____ it's lacking?

_____ call features be activated in _____ cell signal?

_____ limited cellphone reception, _____ you suggest _____ way _____ easily enable _____ use _____ wi-fi _____?

_____ of poor or missing _____ the _____ on and utilizing _____ calls?

What _____ need _____ do _____ order _____ use the _____ feature _____ coverage situations?

_____ lackluster cellphone _____ environment _____ make it _____ turn _____ configuration, _____ benefit _____ wi-fi _____.

_____ steps need _____ to use _____ wireless _____ device when _____ lacking?

During _____ of _____ or _____ network coverage, _____ process is used to turn _____ wi-fi _____?

_____ do I _____ to _____ order _____ utilize the call feature in _____?

_____ periods with _____ or _____ cell _____ steps _____ set up and _____ wi-fi calling?

During _____ no cellular coverage, _____ effective ways _____ use _____ call.

During low _____ coverage, what _____ must _____ setup _____ use _____ calls?

During periods of low _____ taken _____ and utilize _____ wi-fi calling.

_____ poor or _____ cellular _____ you explain _____ process for enabling and _____ wi-fi _____?

During periods _____ mobile _____ coverage, the process of _____ utilizing wi-fi _____?

_____ times of low cell _____ what _____ must _____ to _____ use the _____ calling _____.

During _____ of _____ no _____ reception, what are _____ in using _____ WiFi calling _____?

_____ give _____ an explanation _____ how to use _____ cellular signal?

_____ reception is _____ or _____ do I use my _____ feature?

_____ do _____ wi-fi recommendations _____ you _____ receive _____ of reception?

I would like to _____ the process _____ using _____ a _____.

_____ are _____ to enable and/or _____ a _____ communications device when _____?

What steps _____ needed to _____ use _____ wi-fi _____ feature during _____?

During periods _____ cell _____ what steps _____ to setup _____ wi-fi?

When _____ poor cell service, _____ look at the _____ in enabling _____ wireless call _____.

What steps _____ be taken to _____ calling on during _____ low cell _____?

_____ case of _____ can one use wi-fi?

I _____ could explain the _____ for _____ wi-fi calls in _____ poor _____.

_____ steps should I _____ in order to _____ cell coverage?

_____ you _____ me _____ process for _____ calls _____ a _____ cell signal?

Can you tell _____ use a _____ there _____ cellular signal?

What are _____ actions _____ need _____ be _____ to use _____ wi _____ call _____ with poor cell _____?

_____ is _____ cell phone, can you tell _____ steps _____ to _____ use a wireless _____?

_____ you use WiFi calls _____ network?

_____ do you explain _____ process _____ up _____ call through a _____ network when traditional _____?

_____ there's poor cell _____ take _____ the steps _____ in _____ and using _____ call features.

In case _____ bad/no _____ can one _____ WiFi-enabled _____ effectively?

_____ explain the process to _____ poor or _____ wi-fi _____.

_____ steps _____ to _____ order to use the _____ in low/no cell coverage _____?

_____ we do _____ set up in-call _____ using _____ internet access?

How _____ wi-fi recommendations when _____ lot of reception?

_____ cell _____ what steps _____ be _____ to _____ and use the _____ calling system?

_____ low cell coverage, what _____ setup _____ utilize the wi-fi _____ capability?

With _____ what _____ we _____ with in-call _____ using _____ internet _____?

_____ can be done to _____ during low cell coverage.

_____ times _____ absent mobile network coverage, _____ you turn _____ and use _____ calls?

_____ or _____ coverage, _____ are effective ways to _____ and utilize _____ function.

When there is _____ cell phone, _____ are the _____ need _____ take _____ a _____ network?

When traditional phone _____ are weak, _____ be done to _____ of _____?

During times of low or no _____ the _____ need _____ be taken _____ utilize the _____?

_____ steps _____ to _____ use a _____ communications device _____ it lacks?

When _____ weak _____ unavailable, how do _____ use _____ internet calls?

_____ weak _____ should _____ do _____ make calls using _____ access?

During periods of low cell _____ what _____ taken _____ the wi-fi _____.

During periods _____ poor or _____ mobile _____ the _____ turning _____ utilizing wi-fi _____.

During _____ of low cell coverage, _____ must _____ to _____ and _____

_____ you tell me _____ use _____ in _____ signal _____?

_____ low cell _____ what _____ must _____ to _____ up _____ use internet to _____.

_____ do _____ enable _____ use WiFi _____ poor network.

_____ of _____ or absent _____ network _____ does the _____ of _____ on _____ utilizing wi-fi calls _____?

During periods _____ cell coverage, what _____ taken _____ setup and _____ .
 _____ to enable _____ wi-fi-based phone _____ inadequate/absent wireless _____ ?
 During _____ mobile network _____ what is _____ of turning on and _____ ?
 _____ initiate/use wi-fi recommendations when you _____ normal _____ ?
 _____ the steps I _____ to _____ in _____ to _____ feature when _____ is no cell coverage?
 _____ cell coverage what steps _____ taken _____ setup and _____ wi-fi?
 _____ me _____ the _____ use of the internet when the _____ signal _____ or missing?
 _____ low cell _____ what _____ must be _____ to _____ wi-fi calling on.
 Can _____ tell _____ how _____ use wi fi in _____ ?
 _____ is _____ cellular signal, _____ you tell me _____ I _____ do to _____ a wifi _____ ?
 _____ poor _____ service, _____ steps _____ need to be taken _____ enable _____ utilize _____ call features.
 _____ need to be _____ setup and use the _____ calling _____ during _____ of _____ coverage.
 When _____ weak _____ how can I _____ the _____ calling features?
 _____ there is _____ cellular _____ can you _____ the _____ of the WiFi _____ ?
 _____ the steps that need _____ be taken _____ a wifi network when _____ signal?
 What steps are needed to _____ use _____ device _____ is not _____ ?
 During _____ low cell _____ what steps should _____ setup _____ utilize the _____ system.
 _____ you tell me how _____ use a _____ communications _____ it's _____ ?
 _____ of low _____ what _____ should be _____ setup and _____ the wi-fi _____ capability?
 _____ to make _____ call with _____ ?
 _____ done _____ and utilize the _____ during periods of low _____ coverage?
 _____ there's poor _____ service, _____ helpful to _____ steps involved _____ enabling and _____ fi _____ features.
 _____ there is _____ cellular _____ can _____ give an explanation of _____ to enable _____ wi-fi?
 How _____ use _____ when there _____ a _____ signal?
 _____ is low or no _____ steps are _____ to set _____ and _____ calling capabilities?
 _____ steps _____ I _____ in order _____ use theWiFi _____ feature _____ low cell _____ ?
 _____ the process of _____ in _____ poor cellular signal?
 During times of _____ or _____ are the _____ that need to _____ utilize _____ wireless calling _____ ?
 I _____ question about the process _____ calls _____ cellular signal.
 What actions need to _____ taken _____ features in _____ poor _____ signal?
 _____ cellular connection _____ how to _____ wireless calling?
 During low _____ coverage, _____ be _____ setup and use the wi-fi _____
 _____ periods of low cell _____ to setup and _____ feature.
 _____ traditional phone _____ steps must be taken _____ and _____ full _____ of wi-fi?
 _____ of _____ or absent _____ does _____ process of turning on and utilizing wi-fi _____ ?
 What steps are _____ to _____ and/or _____ a _____ communications _____ when _____ ?
 Do you _____ needed _____ use a _____ communications _____ it is _____ receiving?
 _____ you _____ what _____ needed to _____ wi-fi network when there isn't _____ cell _____ ?
 _____ of low _____ steps _____ be _____ to setup and use the wi-fi _____ feature.
 _____ and/or use a wireless communications device when _____ is _____ ?
 _____ do I need to take in order to _____ feature _____ no _____ coverage?
 During _____ of _____ or absent mobile network _____ can _____ process _____ on _____ utilizing wi-fi _____ ?
 _____ tell me _____ to _____ and _____ a wireless _____ device _____ lacking?
 _____ show _____ how _____ calls in _____ poor cellular signal?
 _____ how to enable and/or _____ a wireless communications _____ it _____ lacking?
 _____ to _____ wi _____ when _____ cell signal _____ bad?
 During periods _____ poor _____ absent mobile network _____ how _____ you _____ on _____ phone?
 What _____ are needed in _____ use a _____ it _____ not receiving?
 _____ periods of low _____ coverage, _____ must _____ setup a wi-fi calling _____ ?
 How _____ call _____ be _____ areas that _____ have cellular _____ ?

During ____ cell coverage, what ____ must be taken ____ the ____ calling ____

When ____ signals ____ what steps must ____ use wi-fi calls?

During ____ low cell ____ what ____ must ____ use the ____ and make ____?

____ us the ____ wi-fi calls in a poor ____?

Can you tell me ____ needed to ____ network ____ there ____ a ____ signal?

What ____ do I have ____ use the call ____ cell coverage?

____ signals are ____ or missing, can you ____ me the ____ make ____ of the ____?

____ we ____ to set ____ in-call capabilities ____ wireless internet access?

During ____ limited ____ reception, could ____ suggest ____ way to easily enable ____ utilize ____ fi ____?

How do you ____ wi-fi ____ don't ____ a conventional ____?

____ there ____ way to ____ wi-fi calls ____ cellular signal.

Given weak signals, what should ____ do ____ up ____ wireless ____?

____ cell ____ what are the ____ to ____ wifi calls?

Is there ____ process ____ calls in ____ poor ____ signal?

When there's poor ____ there are ____ that need ____ to ____ and ____ the ____ features.

When ____ cellphone ____ not ____ you explain ____ steps ____ needed ____ use ____ wi-fi ____?

During ____ network ____ the process ____ turning on ____ utilizing wi-fi ____?

What steps ____ to ____ and use ____ WiFi ____ during periods of ____ no cell ____?

During periods ____ cell coverage, ____ be done to ____ use ____ wi-fi ____?

____ wi-fi ____ capability be ____ of low cell coverage?

____ to ____ utilize ____ a poor network?

____ is ____ no cellular signal, can you ____ me how ____ enable ____ use ____?

____ low ____ coverage, ____ steps ____ setup and use wi-fi calling

____ periods of low or ____ coverage, what steps ____ taken ____ up and ____ the ____?

When ____ poor cell ____ it's ____ the steps involved ____ and utilizingWiFi ____.

____ no cellular signal, what ____ needed ____ enable ____ use a wireless ____?

I ____ to know ____ steps ____ use ____ wireless network ____ there ____ no signal.

____ periods of ____ steps must be ____ to setup ____ wi-fi ____ feature.

____ steps should be taken ____ and use ____ make calls during ____ of low ____?

____ periods of ____ mobile network coverage, ____ of turning on and ____ calls?

____ tell me how to enable ____ device when it's ____?

How to enable and ____ wireless service?

____ coverage, what ____ must ____ taken ____ setup and ____ the ____ system.

When ____ signal, what steps ____ be ____ a wi-fi network?

____ of low ____ coverage, how should the wi-fi ____?

____ are ____ need to be done ____ the ____ in areas with ____ cell signal?

How ____ up and ____ internet calling during ____ or ____ cell coverage?

____ happening ____ Activating ____ calls ____ or no cell ____?

____ are the steps ____ need to take in ____ to use ____ feature ____ coverage?

____ lackluster ____ signal environment ____ difficult to turn on, set up ____ from ____.

____ low cell coverage, what ____ must be ____ setup ____ use ____ calling ____?

____ steps do ____ need to take ____ feature during low cell ____ situations?

During periods of ____ coverage, what steps ____ to ____ taken ____ and ____?

____ there is no signal ____ what ____ and use a wireless ____?

When there ____ poor ____ can you tell me ____ process ____ enabling and using ____?

____ turning on and utilizing ____ during ____ mobile network ____?

____ explain how to ____ a ____ network when there is ____?

____ there's ____ no cellphone ____ do ____ need help ____ in using wi-fi?

____ cellphone signal environment how can ____ up, ____ from wi-fi calls?

During times of low ____ no cell ____ are the ____ that ____ the wireless ____ features?

____ it possible ____ explain ____ ____ wi-fi ____ a poor cellular signal?
 ____ times ____ mobile network ____ how do you ____ and use ____ wi-fi calls?
 During ____ of low or no cell reception, ____ steps ____ calling ____?
 When there's ____ helpful to understand the steps ____ in ____ and utilizing ____ features.
 ____ enable and use a wireless communication device ____ isn't ____?
 During ____ of ____ or no cell reception, ____ need ____ be taken to ____ theWiFi calling ____?
 ____ I ____ use ____ WiFi calling features ____ cell reception is not ____?
 Is ____ way to easily enable and use WiFi ____ reception?
 During periods ____ what ____ must be ____ to setup ____ use ____ calling feature
 ____ poor cell service, it's important ____ understand ____ in enabling and ____ WiFi ____ features.
 ____ the ____ is weak, ____ the ____ to ____ wi fi?
 ____ can ____ use wi-fi ____ reception is bad?
 When there's little ____ cellphone ____ need help ____ the ____ involved ____ to call?
 ____ traditional phone ____ are weak, ____ done ____ use wi-fi?
 ____ a poor or ____ cellular signal, can ____ the ____ for ____ using wifi?
 ____ there ____ to enable ____ a ____ device when it is ____?
 ____ periods ____ or no cell coverage, what steps ____ taken ____ and ____ calling capabilities?
 What can be done ____ set ____ calling ____ during ____ cell ____?
 ____ cellphone does not ____ instructions on how to use ____ wi-fi ____?
 ____ use weak/no cellular ____ the ____?
 During ____ what steps need to be taken to ____ and ____?
 Can ____ explain ____ use wi-fi ____ cellular signal?
 When ____ a ____ connection, ____ can ____ utilize ____ capabilities of wi ____ calls?
 What ____ do with ____ to ____ in-call ____ using wireless internet ____?
 ____ you ____ what ____ required to use ____ wireless communications ____ it ____ not ____?
 ____ the ____ drops, what ____ stages that enable ____ fi calls?
 ____ is a ____ or ____ signal, ____ me how to enable and use the ____?
 ____ times ____ no ____ could you suggest a way to ____ and use ____ calls?
 What actions do I ____ the call feature ____ low cell ____?
 During ____ of low ____ what ____ are ____ to setup and ____ calling ____.
 ____ trying ____ the process for ____ in a poor ____ signal.
 What ____ to ____ a ____ platform during periods ____ cell coverage?
 ____ can wireless call ____ used in areas ____ limited ____?
 How ____ up and use ____ calling capabilities ____ there ____ or no cell ____?
 ____ going on with wi-fi ____ no ____ service?
 During ____ of ____ cell ____ should ____ taken to setup ____ use ____ wi-fi ____.
 During periods of low ____ should we setup ____ to ____ calls?
 When there ____ signal, ____ you ____ what steps are ____ a wireless ____?
 ____ can ____ features be ____ in areas that ____ cellular connection?
 What ____ needed to use ____ wireless communications ____ when ____?
 ____ wi-fi recommendations ____ you're ____ able to use ____ signals?
 How ____ and use ____ phone ____ amidst a lack ____?
 How ____ call in poor ____?
 ____ you tell me ____ process ____ using wi-fi calls ____ a ____?
 Can ____ give ____ to use ____ calls in a ____ signal?
 In ____ mobile network how ____ use wi ____ calls?
 ____ are ____ to ____ and ____ the wi-fi ____ capability during ____ of ____ coverage?
 When ____ cell reception is ____ how do I ____ theWiFi ____?
 ____ do ____ initiate/use wi-fi recommendations ____ you ____ lot ____ phone calls?
 When ____ doesn't catch ____ can I ____ wi Fi?

How _____ we enable and _____ wi-fi _____ network?

_____ periods of low cell _____ what steps _____ be _____ and _____ internet to make _____?
_____ me how _____ use _____ when reception _____ down?

What actions _____ need _____ use the call _____ in areas _____ poor _____?

_____ explain _____ process for _____ calls in _____ poor signal?

_____ is _____ poor or _____ cellular signal, _____ you tell _____ the _____ for enabling _____ usingWiFi _____?

How _____ theWiFi when _____ signal _____ weak _____ unavailable?

Can _____ tell _____ to _____ wi-fi _____ a bad signal?

During periods _____ low _____ steps _____ taken to use the _____ make _____?

_____ a _____ does not _____ have _____ what steps are _____ a wi-fi network.

During _____ of low cell _____ how _____ and utilize _____ calling _____.

_____ enable and _____ WiFi in _____ poor network.

I was wondering about _____ process _____ using wi-fi _____ poor _____.

_____ do _____ recommendations when _____ are having poor _____?

_____ you explain what _____ are needed to _____ a _____ communications _____ it _____?

_____ are needed _____ and _____ a wireless communication _____ when _____ not _____?

What _____ be _____ and utilize the _____ calling _____ during periods of _____ cell _____.

_____ for using _____ calls _____ a poor cellular _____ explained?

When there _____ cell phone, what steps _____ need _____ take to use _____?

How _____ use _____ calls during a _____.

_____ lackluster _____ signal _____ affect how _____ turn _____ set _____ benefit _____ wi-fi calls.

_____ to _____ up, engage, and maximize _____ through _____ when traditional reception _____?

How _____ you explain _____ process of _____ up _____ calls _____ when _____ reception _____?

_____ to enable _____ wi-fi-based phone calls amidst _____ of _____?

During _____ coverage, what _____ be _____ to setup _____ use the _____ calling _____?

_____ low _____ what can be _____ set up a _____ calling platform?

_____ of low cell coverage, _____ be _____ to setup and use _____ wi-fi _____.

How _____ use the wireless calling _____ when _____ cell _____?

_____ initiate/use _____ when you don't _____ access _____ the phone?

_____ minimum/poor accessibility _____ how _____ you initiate/use wi-fi suggestions?

_____ periods _____ low or _____ what are the _____ involved in _____ and _____ the _____ calling capabilities?

_____ of _____ coverage, what steps should _____ taken _____ setup _____ use _____.

In _____ of bad mobile _____ can _____ to make _____?

_____ coverage what steps _____ be _____ setup and _____ the _____ calling feature?

_____ the _____ I need to take in order to _____ in _____ of _____ coverage?

_____ of poor _____ absent mobile network _____ does _____ process of _____ and utilizing _____ begin?

How _____ wireless _____ features _____ used in _____ limited cellular _____?

How _____ use wi-fi during _____ cell coverage.

_____ there is _____ phone, _____ steps _____ needed _____ use a wi-fi _____?

_____ there _____ little or no cellphone _____ there _____ steps _____ need _____ be taken to _____ call.

_____ there is a low or _____ are taken to _____ up and use _____ to _____?

When there _____ a limited _____ connection, _____ use _____ benefits _____ fi calls?

_____ cell reception is _____ the ways to _____ fi _____?

_____ lackluster cellphone _____ can _____ how _____ turn _____ set _____ benefit from _____ calls.

_____ of poor _____ mobile network coverage, how do you _____ your _____ calls?

When there _____ how do _____ use a wi-fi network.

When traditional _____ signals are weak, _____ steps _____ initiate and _____ full _____ of _____?

I would like _____ the _____ calls in a poor _____.

_____ use _____ calling when the _____ is weak _____?

What _____ need to _____ in order _____ use _____ call feature _____ cell coverage?

_____ cell _____ be taken _____ setup and utilize the wi-fi calling feature.

What _____ to use a wireless _____ when there _____ no _____?

What _____ need to _____ in order _____ the _____ feature _____ cell coverage?

During _____ coverage _____ must _____ taken to setup _____ use the _____ to _____?

_____ of poor or _____ mobile network coverage, _____ do _____ and _____ your _____?

During times _____ low or _____ reception, _____ steps _____ taken _____ the _____ features?

I _____ know _____ using wi-fi _____ in a poor cellular _____.

_____ limited _____ cellular _____ there are effective ways to _____ theWiFi _____.

_____ you _____ how _____ set _____ wireless calling platform during low _____?

How _____ you _____ wi-fi _____ you experience _____?

During periods _____ cell coverage, what steps _____ be _____ to _____ calling.

_____ do _____ calls _____ without cell _____?

During periods _____ or _____ coverage, _____ are taken to _____ and _____ WiFi calling abilities?

_____ to _____ the _____ call when the _____ is _____?

_____ there _____ or _____ mobile network _____ is the process of _____ and utilizing _____ calls?

How _____ initiate/use _____ if _____ experience poor accessibility?

When a cellphone _____ not signal, _____ explain _____ use _____ wi-fi _____?

_____ periods of _____ cell _____ steps must _____ taken to _____ a _____ calling capability.

When _____ is weak _____ do I _____ use of theWiFi calling _____?

_____ follow in _____ to use _____ call _____ when _____ is _____ cell coverage?

_____ poor _____ helpful _____ the steps _____ in enabling and utilizing wifi _____ features.

_____ times of low _____ no cell _____ the steps _____ are _____ to _____ calling features?

The _____ of turning on and using wi-fi _____ poor _____ absent _____?

_____ actions should _____ taken to use _____ call _____ areas _____ cell signal?

In case of _____ or _____ mobile _____ can _____ use _____ calls _____?

In _____ mobile network, how can one use _____?

_____ do _____ signals for setting up _____ with wireless internet _____?

During _____ of low _____ no _____ reception, _____ the steps taken _____ calling feature?

_____ periods _____ low _____ must be taken to setup and _____ wi-fi _____.

I am _____ if _____ can _____ process for _____ wi-fi calls in _____.

How _____ use _____ poor network.

_____ it possible _____ use _____ calls _____ poor _____ signal?

When there _____ low _____ what _____ be done to _____ a _____?

During periods of _____ or no cell coverage, what _____ up and _____ the _____?

When you have a limited cellular _____ the capabilities _____ the _____?

During limited or no _____ there _____ effective _____ to _____ the wi _____ call _____.

Can you tell _____ steps _____ to _____ wireless communication _____ when _____ is _____?

_____ give me instructions _____ using _____ to make calls _____ poor _____ signal?

Can you _____ taken to use _____ wireless network when there is no _____ phone?

_____ traditional _____ are weak, what _____ be done to initiate _____ make _____?

_____ enable _____ employ wi-fi-based _____ calls amidst _____ connection?

_____ signal drops, what are _____ stages involved _____ and _____ calls?

What _____ steps _____ need to _____ taken in _____ to _____ the _____ low cell coverage?

If _____ reception is _____ what are _____ to _____ wi _____?

When there's _____ no cellphone _____ do _____ need _____ with _____ steps _____ in _____ aWiFi _____?

How _____ the _____ setting up _____ through wi-fi when traditional _____ always _____?

_____ no _____ signal, _____ are the steps that _____ to _____ taken _____ a wifi network?

_____ to _____ WiFi _____ signal is weak or unavailable?

_____ periods _____ low cell coverage _____ must be _____ to set up _____?

_____ capability should be utilized _____ of low cell _____.

____ traditional phone signals ____ what ____ done ____ make full ____ wi-fi calls?
 ____ enable and utilize ____ in a ____ network?
 Do ____ know ____ use a wireless ____ device ____ it is lacking?
 When ____ no cellular signal, ____ me how to enable ____ use wi fi?
 ____ done to set ____ wireless ____ platform during low cellphone ____?
 What are the actions that ____ in areas ____ to use ____ WiFi ____ features?
 When ____ cellular signal, ____ steps are needed ____ use a ____.
 ____ steps do ____ need ____ take ____ to ____ call feature ____ low/no cell coverage ____?
 When ____ cell ____ steps ____ to use a ____ network?
 How ____ I ____ the ____ calling ____ cell reception is weak?
 How do we ____ and utilize ____ a ____?
 When ____ little or ____ service, ____ you ____ help with ____ involved in using ____ calling?
 ____ is no ____ on, ____ you ____ use a wireless network?
 When cell reception is ____ or unavailable, ____ calling?
 ____ low ____ no cell ____ what steps ____ to use ____ calling features?
 What ____ to ____ use ____ call features in areas ____ cell signal?
 During ____ of ____ cell ____ what ____ be ____ and use the wi-fi ____ feature?
 How ____ use wi-fi ____ cell ____ isn't ____?
 When ____ coverage, what steps ____ to setup and use ____ calling capability.
 When signal ____ what ____ the stages ____ WiFi calls?
 What steps are ____ use ____ wireless communications device ____ it's ____?
 During low cellphone ____ the required steps to ____?
 When ____ is poor or no cellular ____ explain the process ____ calling?
 During periods ____ coverage, what steps must ____ setup ____ use ____ calling system
 ____ you ____ recommendations ____ you ____ have access to a ____?
 When there is ____ phone, ____ steps ____ to use a ____ network?
 ____ the cellular ____ how ____ use ____ WiFi calling?
 ____ WiFi calling when the cellular ____ is ____?
 ____ steps ____ be ____ to setup and ____ on ____ periods ____ low cell coverage
 ____ to use wi-fi ____ when ____ poor?
 ____ do ____ to do to use ____ call feature ____ situations?
 During ____ cell coverage, what steps ____ be taken to ____ use ____
 During periods of low ____ we ____ up a ____ calling ____?
 Please ____ me how to ____ or zero ____ feature.
 ____ to use wireless calling when the ____?
 During low ____ coverage, what ____ must ____ to setup ____?
 When a cellphone ____ not ____ what steps ____ needed to ____ network?
 During ____ of ____ absent ____ coverage, ____ the ____ turning on and using wi-fi?
 ____ cell ____ steps should be taken ____ use ____ internet to ____ calls?
 When there's poor ____ service, ____ a good idea ____ explore ____ steps ____ and utilizing WiFi ____.
 What steps need ____ be ____ order ____ call feature ____ there's ____ cell ____?
 How to ____ when ____ connection ____ weak?
 ____ my phone signals ____ not ____ at ____ could ____ give me an explanation ____ how ____ use the ____?
 Is ____ way to ____ and ____ device when it's not ____?
 When there ____ no cellular ____ can you tell me ____ enable and ____?
 During ____ of ____ cell coverage, what ____ be taken ____ setup and ____ calling ____.
 ____ signal drops, what ____ the stages involved ____ utilizing ____ calls?
 ____ are ____ steps I need ____ in order to ____ the call feature in ____?
 ____ me what steps ____ needed ____ use a wireless ____ device when ____ not ____?
 When traditional ____ signals are weak, ____ steps ____ taken to ____ use ____?

When ____ phone signals are weak, what ____ done ____ initiate ____ of ____?

When ____ little or no ____ service, ____ you need help with the ____ in ____?

____ do ____ use the wi-fi calling ____ when ____ reception ____?

During ____ cell ____ steps need to be taken to setup and ____.

How ____ you ____ recommendations when you ____ access ____ traditional ____?

How ____ calling when ____ signal ____?

During ____ cell coverage what ____ taken ____ setup ____ the wi-fi calling ____

____ use wi-fi-based ____ calls amidst ____ of wireless connection?

____ we enable and use WiFi ____ network?

____ to ____ use the wi-fi ____ feature ____ of ____ cell coverage

____ can ____ to ____ a Wireless ____ platform during ____ of low cell ____?

____ you ____ how ____ a ____ communications ____ when it's not receiving?

____ low ____ coverage, what steps must ____ taken to setup ____ the wi-fi ____?

Do you know ____ actions need ____ taken in areas ____ signal to use ____?

____ you explain the process ____ setting ____ through ____ traditional reception fades?

What steps should I follow ____ order ____ feature ____ low/no ____ coverage ____?

How ____ I ____ and/or ____ a ____ when ____ is not receiving?

____ when the cell signal ____ bad?

During periods ____ or ____ coverage, ____ process of turning on and ____ calls?

When ____ is low cell coverage, ____ must be taken ____ calling on.

____ to setup ____ wireless calling ____ in low ____ coverage?

During ____ of low cell coverage, how ____ a wireless ____?

During periods of ____ cell ____ what ____ must ____ and use ____ wi-fi ____ feature?

____ initiate/use wi-fi recommendations ____ don't have ____ telecommunication signals?

Can ____ me ____ steps ____ needed ____ use ____ wireless ____ device when ____ not working?

What should be done to ____ wireless calling ____ of low ____?

What ____ I need to ____ order to ____ the WiFi ____ feature ____ there ____ cell ____?

____ you tell ____ a wireless communications device ____ not available?

____ do you ____ the process ____ up calls ____ when ____ is not ____?

____ there ____ poor ____ cellular signal, can ____ me the process for ____ and ____?

During ____ of low cell ____ what ____ done ____ setup and ____ wi-fi ____?

In ____ bad or no mobile network, how ____?

How can ____ calling ____ when my ____ reception is ____?

During times ____ absent mobile network coverage is ____ process of ____ wi-fi ____?

When there is poor or ____ explain the ____ for enabling ____ fi calling?

____ periods ____ cell coverage, ____ should ____ wi-fi calling feature ____?

____ there a ____ to ____ use a ____ device ____ it ____ lacking?

Can ____ me ____ for ____ calls in ____ bad cellular signal?

How to ____ a ____ is weak?

____ phone signals are ____ need ____ to make full use ____ wi-fi?

____ low cell coverage, what steps ____ and ____ the wi-fi ____ system.

What steps ____ a ____ network ____ there isn't a ____?

____ there is ____ cellular ____ you tell me ____ steps are ____ to ____ wi-fi ____?

____ no cellphone service, do ____ need ____ with the steps involved ____ using ____?

____ of poor or ____ mobile ____ does the process of turning ____ wi-fi calls?

When there's poor ____ there ____ enable and utilize the ____ features.

____ steps ____ to setup ____ wi-fi during periods ____ cell coverage?

____ there ____ cell phone ____ steps ____ needed ____ enable and/or use ____ wireless ____?

____ low ____ coverage, ____ must ____ taken to setup ____ wi-fi

____ cell coverage, ____ should be ____ to ____ and utilize ____ calling capability.

When ____ is ____ no ____ signal, can ____ tell ____ how ____ enable and ____ wi-fi ____?

____ my ____ is weak or unavailable, ____ can ____ my ____ calling ____?

What do I ____ to do ____ use the ____ cell coverage?

How do ____ set ____ use ____ calling during ____ low or ____ coverage?

How to ____ wi-fi calls ____?

Can ____ me ____ to ____ use of ____ during times ____ phone signals are weak?

____ coverage ____ be ____ setup and utilize the wi-fi calling feature.

____ is ____ poor or no cellular ____ explain the ____ for enabling ____ using ____ calling?

Can ____ explain ____ using wi-fi in a poor ____?

____ steps do ____ take ____ use the call feature in ____ of ____ cell coverage?

____ be ____ enable ____ use a ____ device when it is ____ receiving?

____ experiencing ____ connection, ____ can ____ the capabilities of the WiFi ____?

How ____ calls be ____ no ____ coverage?

During periods of ____ cell ____ should ____ taken ____ the wi-fi ____ feature.

____ there is no ____ signal, can you ____ me ____ steps ____ take ____ a ____ network?

____ use ____ wireless network when ____ cellular connection ____.

How ____ you ____ recommendations when you aren't able ____?

It is necessary ____ and utilize ____ wi-fi calling ____ periods of ____.

____ periods ____ poor mobile ____ coverage, does ____ process ____ on ____ utilizing ____ happen?

During ____ coverage, what steps should ____ to setup ____ utilize ____ calling ____.

In ____ mobile network how ____ fi to make calls?

How ____ wi-fi ____ reception?

____ periods of ____ mobile network coverage, ____ and utilize wi-fi calls?

When ____ cell coverage ____ taken ____ setup and use wi-fi?

____ times ____ or no ____ reception what ____ the steps that need ____ be ____ calling feature?

What steps ____ to ____ a ____ communications ____ it ____ not receiving?

How do you ____ a wireless communications device ____?

____ how to enable ____ use ____ wireless ____ when ____ not available?

____ use the WiFi feature ____ low ____ network ____.

____ me instructions on how ____ use ____ to ____ in ____ with poor cellular ____?

____ low cell coverage, ____ steps ____ be ____ to setup ____ the wi-fi ____.

____ the process ____ setting ____ and ____ calls through ____ networks when traditional ____ isn't consistent?

____ do you initiate/use wi-fi ____ when ____ access ____ a ____ signal?

____ with low ____ cell coverage, how do you ____ up ____ use ____ to ____ calls?

____ steps must be taken to ____ the wi-fi ____ system ____ low ____ coverage?

What steps are needed to use ____ wi-fi ____ is ____?

When ____ is no ____ are needed ____ use a ____ network?

The process ____ turning ____ and ____ wi-fi ____ during ____ network ____?

When there is ____ cell phone, can you tell ____ a ____ network?

During ____ of low cell ____ must ____ and utilize the wi-fi calling ____.

When ____ is poor or ____ signal, can you ____ of ____ to ____ and ____ wi fi ____?

When ____ is a limited ____ connection, ____ use ____ capabilities of ____ calls?

____ use a wi-fi ____ when a cellphone doesn't signal?

____ times of ____ or ____ cell reception, what are ____ needed ____ the ____ calling ____?

When ____ wireless ____ isn't ____ steps ____ needed to enable and/or ____?

____ periods with low ____ coverage, ____ are ____ steps that need to be ____ use the WiFi ____ capabilities?

____ periods of ____ coverage, ____ steps ____ be ____ setup ____ use the wi-fi ____?

During ____ low cell ____ steps should ____ to setup ____ utilize the ____ system?

During periods of ____ coverage ____ do ____ set ____ and ____ the internet ____?

Can you tell ____ what steps ____ needed ____ wireless communications ____ if ____ is ____?

____ do you initiate/use wi-fi ____ get ____ decent signal?
 ____ periods of low cell coverage, ____ steps must be ____ setup ____ wi-fi ____ .
 Can ____ to use a ____ network ____ is no signal.
 ____ periods ____ cell coverage, what should ____ to set ____ and ____ the internet ____ make ____ ?
 When ____ or no cellular signal, ____ you tell ____ how ____ enable and ____ ?
 What ____ need to ____ taken to use ____ with a ____ signal?
 During ____ of limited cellphone reception, ____ you ____ to ____ enable and use the ____ ?
 During ____ of ____ mobile network coverage, how ____ turn ____ use ____ ?
 ____ required ____ use ____ communications device when it is lacking?
 ____ cell reception, ____ make the ____ of the wifi calling.
 In ____ bad/no ____ network, how can ____ effectively?
 When there's little or no ____ service, ____ you ____ help ____ in ____ ?
 During ____ of low ____ what steps need to ____ taken to setup ____ feature
 Can you ____ description of the ____ using wi-fi ____ in ____ cellular ____ ?
 ____ reception is ____ or unavailable, how do ____ use ____ calling ____ ?
 How to enable and ____ in ____ ?
 ____ cellphone ____ environment can ____ it difficult to ____ on, set ____ benefit from ____ .
 ____ is ____ signal, can ____ steps are needed ____ use a wifi ____ .
 During periods ____ low cell ____ what ____ taken to ____ and ____ the ____ .
 ____ there ____ no ____ signal, ____ you explain ____ steps are needed to ____ ?
 ____ steps are ____ enable ____ a ____ communications device ____ it's lacking?
 When traditional ____ are weak, ____ are the steps ____ use of ____ ?
 ____ or no ____ what steps are taken ____ set up and ____ the ____ call?
 ____ to enable ____ phone calls ____ wireless connection?
 ____ periods with ____ coverage, what ____ taken to set ____ and ____ wi-fi calls?
 ____ it possible to ____ engage, and maximize ____ wi-fi networks ____ traditional ____ ?
 What are the steps I ____ order ____ use ____ when no cell ____ present?
 ____ of bad mobile network, ____ can ____ use wi-fi ____ ?
 ____ I ____ low cellphone ____ points to ____ for WiFi ____ ?
 ____ is poor or ____ signal, can ____ give ____ an ____ to enable and use ____ ?
 In ____ with ____ cell signal, ____ actions ____ use the WiFi call ____ ?
 During periods of ____ coverage ____ be done to ____ and utilize ____ make calls?
 Is there ____ a wireless communications device ____ it ____ available?
 While experiencing ____ from ____ do you initiate/use wi fi ____ ?
 ____ no ____ signal, what ____ need to take to use a ____ ?
 When ____ is ____ or ____ can ____ me ____ explanation for how to ____ and use ____ fi?
 ____ explain how ____ zero ____ wi-fi call feature.
 ____ to use the ____ the ____ signal is ____ ?
 What ____ be done ____ coverage ____ set ____ a wireless calling ____ ?
 When ____ is low ____ no cell coverage, what steps ____ taken ____ WiFi calling ____ ?
 ____ periods of poor ____ absent mobile network ____ do you ____ wi-fi ____ ?
 Is ____ enable and ____ communications device ____ it isn't receiving?
 ____ poor ____ service, ____ a look ____ the steps ____ and ____ wi fi call features
 ____ cell ____ steps must be ____ to setup and utilize ____ calling ____ ?
 How to make ____ cellular ____ ?
 ____ or ____ service, do ____ help ____ steps involved in ____ wi-fi calls?
 When there ____ a ____ cell coverage, ____ must ____ to use ____ wireless calling capability?
 ____ periods ____ coverage, what ____ must be ____ setup and utilize wi-fi ____
 What ____ be taken to ____ wi-fi ____ during low ____ coverage?
 ____ cell ____ steps must be taken ____ setup ____ use ____ wi-fi ____ ?

Can _____ me the steps _____ be taken to _____ a wireless network when _____?

Is _____ use the WiFi call _____ limited cellular phone _____?

_____ there isn't _____ cell _____ can _____ explain _____ are needed to use _____?

What actions _____ to _____ taken _____ that have _____ cell signal _____ the _____?

During periods _____ low _____ coverage, what steps _____ to _____ and _____ a wi-fi _____?

_____ steps must be taken _____ setup _____ the wi-fi calling capability _____ should _____ taken _____ setup and _____ the _____ low cell coverage?

During periods _____ what _____ must be _____ setup and _____ wi-fi _____ feature.

_____ steps are _____ to enable _____ use _____ communications device _____ lacking?

_____ steps are _____ to _____ a wireless communications device when _____ available?

What _____ do I need _____ in _____ use the _____ when there's no _____?

_____ to _____ calls in _____ network.

What _____ of _____ up, _____ and maximizing _____ wi-fi _____ when traditional _____ fails?

During times _____ low _____ what _____ be _____ to _____ utilize the internet to _____ calls.

_____ periods of poor or _____ mobile _____ coverage is _____ and utilizing wi-fi _____.

The _____ calling _____ must be _____ during _____ low _____ coverage.

_____ want _____ know the process for _____ wi-fi calls _____ cellular _____.

When _____ no cell _____ you _____ steps are needed to _____ wifi _____?

Can _____ let _____ know the _____ to _____ use _____ when the phone _____ weak _____ missing?

_____ low or _____ coverage, _____ do you _____ to _____ to _____ up and use _____ WiFi calling capabilities?

When _____ coverage _____ what steps _____ be taken _____ setup and _____ wi-fi _____.

_____ to enable and/or use _____ communications device when not _____?

When _____ little or no _____ do you _____ help _____ the steps _____ using wi _____?

_____ can I _____ with low _____?

_____ wifi when _____ cell reception _____ bad?

How to use _____ cell signal _____ bad?

_____ times with low _____ no _____ coverage, what steps are taken _____ and _____ the _____?

What should we _____ weak _____ up _____ using wireless _____ access?

_____ there is _____ cellular connection, how can one _____ the _____ fi _____?

How _____ use wi-fi _____ cell _____ not _____?

_____ there is _____ connection, _____ can one _____ capabilities of aWiFi _____?

What _____ to _____ and use the internet to make _____ during _____ coverage?

_____ do _____ and _____ wifi _____ when there _____ no cellular _____?

_____ are taken to _____ and _____ wi-fi during periods _____ cell _____?

_____ there _____ on, how do you enable _____ a wi-fi _____?

When _____ low _____ no cell _____ what _____ are _____ and _____ the WiFi calling capabilities?

What _____ the _____ that must be taken to _____ call _____ in _____ cell _____?

During periods of low cell _____ must _____ and utilize _____ calling.

During times _____ poor _____ mobile _____ coverage, _____ process of turning on and _____?

_____ poor cell signal, _____ are _____ actions that need to _____ use _____ WiFi call _____?

During _____ of _____ coverage, which steps _____ setup and utilize the _____ feature.

_____ times _____ low _____ no cell reception, _____ are the steps _____ taken to _____ theWiFi calling _____?

When _____ cell _____ is _____ or _____ how do _____ make use _____ internet _____?

_____ times of low _____ no cell reception, _____ are _____ to be taken _____ WiFi call _____?

During times _____ poor or _____ mobile _____ coverage, what _____ process _____ turning _____ and _____ calls?

_____ of _____ coverage what _____ to be _____ to setup and _____ wi-fi calling feature

During periods of low _____ what steps need _____ setup _____ the wi-fi _____ feature?

_____ do _____ do in order _____ use _____ call feature in _____ coverage?

What _____ setup _____ use the wi-fi _____ periods of low cell _____?

When _____ signals are weak, what _____ to _____ full use of wi-fi _____?

During times _____ or absent _____ how _____ use wi-fi calls?

During low _____ be taken _____ setup and _____ the wi-fi calling _____.

When _____ can _____ tell us _____ steps _____ needed to use _____ wifi network?

_____ poor or _____ mobile network coverage, _____ do _____ and use wi-fi _____?

How do I make _____ of _____ calling _____ my _____ unreliable?

_____ we need _____ to _____ the call _____ in areas with _____ signal?

What steps _____ need _____ take _____ use _____ wireless call feature _____ low _____ coverage?

What are the actions _____ need _____ be taken _____ use _____ the call _____ areas _____ cell _____?

_____ of poor _____ mobile network _____ what is _____ process of _____ on and using _____?

During times _____ cell coverage, _____ steps _____ be taken _____ a wi-fi _____.

Can you _____ steps are needed _____ use _____ wifi _____ when _____ cellphone _____?

When low cell _____ steps _____ and utilize _____ wi-fi calling feature.

How to _____ wireless network _____ cell signal _____?

_____ possible _____ enable _____ use a wireless _____ device when _____ receiving?

During _____ of low cell _____ what steps _____ to _____ the wi-fi _____.

When _____ poor cell _____ a _____ the steps _____ in _____ the _____ call _____.

During periods _____ low _____ what _____ to setup and _____ the _____ calling _____?

_____ do _____ to do _____ order to use _____ call _____ low or _____ cell _____?

During periods _____ low _____ coverage, _____ to _____ up the _____ calling system.

_____ steps are needed _____ use a wireless network _____ is no signal on.

_____ you tell me _____ to _____ and _____ wireless communications _____ when _____ isn't _____?

_____ to _____ steps _____ to enable _____ use _____ wireless communications _____ it is not receiving.

What steps _____ need to _____ in _____ to use the _____ feature _____ cell _____?

_____ want _____ know what steps are needed _____ and use _____ wireless _____ device _____ it _____.

_____ times of low or no cell reception, _____ need _____ be _____ in order _____ utilize _____ calling _____?

_____ periods of poor _____ absent mobile network _____ process _____ turning _____ and utilizing wi-fi _____?

During periods _____ poor _____ network _____ the _____ of _____ on and _____ calls?

_____ poor _____ absent mobile network coverage, _____ do _____ turn on and _____?

_____ there is _____ cellular signal, _____ the _____ you need _____ to _____ a wi _____ network?

_____ do _____ use the _____ calling _____ cell reception is _____?

Is _____ a _____ calls with a poor _____ signal?

_____ possible _____ set up, engage, _____ maximize _____ through wi-fi _____ is poor?

Can _____ the _____ for _____ calls in _____ bad signal?

_____ of _____ cell _____ steps need _____ taken _____ and utilize the wi-fi calling on?

During _____ no cellular coverage, _____ to _____ use the _____ fi call function.

_____ you setup and _____ calling feature _____ periods of _____ cell _____?

_____ no _____ coverage, what steps _____ taken to _____ use _____ internet to make calls?

What _____ do _____ to use the call _____ in low/ no cell _____?

_____ times of low _____ what steps must _____ to setup _____ the _____ feature

When a _____ not signal, _____ to take to _____ a _____ network?

_____ wi-fi-based phone calls _____ a lack of wireless _____?

Is _____ way to _____ calls _____ a poor _____ signal?

What _____ to _____ use a wireless _____ if it's lacking?

_____ of _____ no _____ coverage, what steps _____ taken to set up _____ the wi _____ capabilities?

During _____ cell _____ steps should be _____ setup _____ use _____ wi-fi _____.

In _____ strong mobile _____ steps to enable _____.

_____ cell coverage _____ be done to set _____ a wireless calling _____?

Can _____ me what steps are _____ a _____ communications device _____ is _____ available?

_____ of poor or _____ network coverage, what is the _____ on and _____?

How _____ you _____ calls _____ a _____ network?

_____ explain _____ to enable _____ use a _____ communications device when _____ receiving?
 During times of _____ or _____ what are the _____ involved in utilizing _____?
 There _____ steps _____ be taken _____ use _____ device when it is _____ available.
 _____ must _____ setup _____ utilize _____ wi-fi _____ capability during periods _____ low cell coverage?
 _____ periods with low or _____ cell _____ taken _____ and _____ the WiFi calling capability?
 _____ times of _____ is the _____ of turning on _____ using _____ calls?
 When there's little _____ no cellphone _____ there _____ steps _____ need _____ use the _____ calls.
 How do _____ initiate/use _____ when _____ get a lot _____?
 What's going on _____ calls _____ or _____ cell _____?
 During _____ low _____ what _____ should _____ taken to _____ and _____ the _____ calling capability
 _____ are _____ and use a wireless communication device _____ it _____ receiving?
