

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Data plan and usage queries
Inquiry Sub-Category	Data speed and coverage
Description	Inquiries pertaining to the network coverage and data speed available in different areas, including questions related to network upgrades, 5G availability, and any issues with slow or inconsistent data speeds.
Data Size	10,328 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

_____ it possible _____ nearby construction work _____ causing _____ network _____?

_____ construction making _____ reception _____?

Is it _____ that _____ is causing _____ with _____?

_____ may be _____ to wireless _____ construction.

_____ construction close by _____ network _____?

_____ the _____ to _____ interfering with the reception on _____?

Any _____ our connection?

_____ the ongoing construction _____ signal strength?

_____ the _____ disrupting _____ reception?

_____ it possible _____ a _____ disrupting _____?

_____ neighboring _____ hurt reception?

_____ construction could have _____ our _____.

_____ a chance _____ causes poor _____

_____ the _____ network connections?

I wonder if _____ is _____?

Can we say network _____ work?

_____ nearby construction bring _____?

Construction _____ taking _____ the _____?

construction can _____.

_____ nearby building activities be _____ issues _____?

_____ there a _____ to wireless signals _____ neighboring constructions?

Construction _____ coverage here.

Is it possible that _____ might _____?

_____ local _____ our _____ connection?

Is _____ possible _____ our networks are caused _____ adjacent _____?

_____ be _____ to local _____ work.

_____ signals _____ affected _____ building _____?

Network _____ may _____ ruined by _____

_____ the nearby construction likely to _____ in _____?

_____ work next door _____ signal.

What _____ did something _____ signal?

_____ the construction causing _____ to _____?

_____ close _____ us _____ mobile service?

Is _____ ongoing _____ interfering _____ quality?

_____ construction _____ affect _____ here?

Will _____ affect my _____?

_____ possible that _____ affects _____ network's _____?

Are _____ impairing _____ network _____?

_____ possible _____ renovations messed us over _____ cell _____?

Any chance _____ up our _____?

Our network _____ with by _____ nearby _____.

_____ construction _____ our call connection?

_____ the nearby _____ network?

Possibly the _____ construction could _____ in _____.

_____ it possible _____ causes poor _____?

Is the _____ to _____ building _____ in our _____?

_____ wonder _____ local _____ might _____ our internet _____.

Is it possible _____ could _____?

_____ the _____ the network quality?

_____ have been _____ construction work.

Does _____ construction cause _____?

_____ that _____ work _____ affect our signal?

_____ our reception?

_____ the nearby building site _____?

Construction _____ on _____ a _____?

Is _____ possible _____ some _____ interfering with our network _____?

_____ the construction _____ my internet connection.

_____ it plausible that the _____ construction _____ our _____?

_____ network reception may _____ construction.

_____ construction activity _____ our _____?

Could _____ impacting _____?

Is _____ that _____ work _____ with the reception?

_____ the _____ messing with our _____?

_____ a _____ of _____ to wireless _____ due to constructions _____.

_____ local _____ Internet connection?

_____ closeby constructions cause _____ network?

_____ plausible that _____ construction is _____ networks?

The _____ next _____ affect our network _____.

_____ reception might be _____ nearby.

Are _____ coverage

_____ construction _____ disrupting our _____?

_____ it possible _____ construction causes interference in _____?

Neighborhood _____ might _____ hurt _____ service.

_____ be affecting our _____?

_____ because the renovations _____ screwed _____ over _____ coverage?

Do _____ building _____ messed _____ my reception?

Network _____ threatened _____ construction _____.

_____ construction _____ coverage?

I wonder if all that _____ speed.

Signals _____ affected _____ activity.

_____ closeby _____ could _____ our _____ connections.

Is our _____ by _____ near _____?

_____ the work _____ affect the _____?

_____ the _____ work will _____ with our _____.

_____ construction affect _____ network _____?

_____ the network _____ a _____ of local _____?

_____ developments may _____ we get data _____ internet.

Phone _____ may be _____ neighborhood _____.

Does the _____ possibly _____ internet _____?

Is _____ calls _____ disrupted by adjacent construction?

_____ say _____ interruption _____ caused by local building _____?

_____ construction be affecting our _____?

Might _____ disrupt our _____?

The _____ disrupted _____ the _____ construction.

_____ it possible _____ noisy construction _____ affect _____ service?

_____ affected by the _____ nearby.

_____ network's strength _____ affected _____ construction?

Are the _____ with the _____?

Is our _____ being _____ because _____ nearby _____ work?

_____ construction nearby that _____ network _____.

Is _____ possible _____ is messing with our _____?

_____ construction stop _____ from _____ to _____ internet?

_____ neighboring construction _____ to _____ network?

Our _____ can _____ up by construction _____.

Is _____ signal strength _____ by _____?

Is _____ construction is causing disruption _____ our _____?

_____ mess up _____ network connection?

Will _____ door affect the _____ of _____?

Network _____ can _____ to _____ building _____

_____ nearby may _____ making _____ reception _____.

Is _____ possible _____ construction _____ ruining our _____?

_____ the neighboring construction interfere _____.

_____ construction _____ with our _____?

_____ affect our signal?

_____ construction mess up _____?

_____ possible that the _____ affecting my network?

_____ mess up our _____?

Is it possible _____ are _____ networks due _____ adjacent _____?

reception problems _____ be _____ local _____.

Is our _____ signal _____ by the _____?

_____ network _____ be _____ by the _____.

Are nearby _____ affecting _____ data _____ the internet?

_____ interruption can _____ connected to _____.

_____ area _____ our reception?

_____ is _____ chance _____ signals _____ be disrupted due _____ neighboring _____.

_____ chance _____ might _____ poor _____?

Construction could have _____.

Is _____ the construction work _____ is _____ with our reception?

_____ construction be _____ our _____?

_____ nearby _____ our reception?

Might _____ affect _____ network?

Construction _____ could ruin _____.

Do _____ we receive internet _____?

Think the _____ next _____ signal?

_____ network interruption _____ work?

Is _____ reception affecting us?

_____ work may _____ in the _____.

Local _____ might _____ issues.

_____ it _____ that _____ could _____ our reception?

_____ our _____ work close by?

Could _____ construction _____ our _____?

_____ you _____ construction _____ up _____ connection?

_____ could affect _____ signal.

_____ is being interfered with by _____

_____ is _____ of _____ caused by nearby _____.

_____ it likely that _____ calls.

Is _____ construction nearby _____?

Is _____ next _____ to _____ internet _____?

_____ interfering _____ coverage here?

The _____ mess with _____.

_____ network _____ by the ongoing constructions?

The chance _____ construction _____?

_____ you know if _____ building _____ is _____ my _____?

Any _____ the _____ is ruining the internet _____?

The _____ may _____ our network.

_____ network's signal strength impacted _____ nearby _____?

_____ signal _____ affected by _____?

Construction _____ affecting _____ signal.

_____ bad _____ next _____ affect our signal?

_____ possible _____ construction is _____ coverage?

_____ the closeby _____ network _____ levels?

_____ construction site _____ my reception?

_____ there _____ interference with _____ network _____ the _____ construction?

Is it _____ construction activities _____ disrupting _____?

Data from the _____ by nearby _____.

_____ that construction _____ interfering with reception?

_____ wonder _____ nearby _____ is disrupting _____ network _____.

_____ our connection?

_____ it possible _____ our _____ disrupted _____ construction?

Do _____ believe _____ is messing _____ my reception?

_____ in _____ network _____ by the _____ work?

The construction _____ be _____ network _____.

_____ that _____ work messed _____ the _____?

Do _____ construction workers _____ here?

The _____ could _____ interfered _____ neighboring construction.

_____ construction messed _____ up.

_____ our _____ connection _____ nearby work?

Is _____ our signal?

Is there _____ with _____ network _____ nearby building activities?

_____ the _____ affect the _____ of _____?

Workers in neighborhood _____.

_____ causing interference?

Is _____ nearby _____ reception?

_____ the _____ affect _____ network's _____ strength?

_____ closely constructions _____ network _____ levels?

Is _____ interfering with _____ internet _____?

Is _____ that _____ construction is _____ networks?

Should _____ construction _____ our call _____?

_____ the renovations affect _____?

_____ nearby _____ could _____ our signal _____.

The network signal _____ being _____ by _____ construction _____.

Is _____ network reception?

_____ messed _____ our connection?

_____ wonder if _____ is ruining _____ network.

Is _____ construction _____ with our _____ connection?

_____ the neighboring _____ network?

_____ ongoing _____ is _____ our _____ strength.

_____ that _____ next door has _____ my internet connection.

_____ reception _____ neighboring construction?

_____ that construction _____ is _____ with reception?

Is _____ any _____ that _____ renovations nearby _____ on cell _____?

_____ construction work sabotages _____?

There _____ a chance _____ disrupted due _____ nearby constructions.

Is _____ that nearby construction affects _____?

Can _____ cause interference _____ network?

The _____ be _____ ruined _____ nearby _____.

_____ local _____ possibly _____ our _____ connection?

_____ nearby construction affects the strength of _____?

_____ nearby _____ how well _____ receive data from _____?

Is _____ to construction _____?

_____ is _____ that adjacent construction _____ disrupting _____.

_____ chance construction _____ a _____ signal.

The network quality _____ undermined _____ the _____.

_____ affecting our _____ reception?

Is _____ possible _____ the _____ is interfering with _____?

_____ the _____ interfering with _____?

_____ the _____ affect our _____?

Are _____ chances _____ causes _____ signal?

Is _____ the construction _____ disrupting our _____.

Are the _____ the _____?

Is it likely _____ disrupting the _____?

_____ nearby _____ affect _____ signal.

_____ construction possibly _____ our _____?

Is it _____ the _____ is _____ our reception?

_____ it possible that _____ building _____ are interfering _____ signals?

_____ construction _____ signal?

Can the _____ with by the _____?

_____ the _____ our connection?

_____ the nearby construction _____ our network?

_____ the work near _____ us?

Does _____ interrupt our _____ connection?

_____ chance this noise _____ internet connection.

_____ nearby _____ mess up _____ network _____?

_____ it possible that construction _____ other _____ disrupting _____?

_____ interfering with our network _____.

network interruption _____ local building _____?

_____ the bad _____ door _____ be _____ with our _____?

_____ the reception _____ the _____ construction?

_____ possible that _____ construction _____ is _____ with our _____.

_____ our network _____ being affected _____ activities _____?

_____ adjacent _____ disrupt reception?

_____ activities _____ the signal _____?

_____ us affect mobile _____?

_____ the _____ constructions _____ the _____?

_____ our reception _____ building _____?

_____ closeby _____ might affect our _____.

_____ be _____ network signal?

_____ affect our signal _____.

Does construction _____ reception?

_____ construction _____ the _____?

_____ cause a problem _____ reception?

_____ chance _____ construction affects our network's strength?

Is _____ adjacent _____ is interfering with our _____?

Does local _____ on our _____ connection?

Is our reception _____ building _____?

_____ it _____ activity is _____ our network coverage?

Maybe the _____ work _____ affect our network _____?

_____ construction _____ affecting our _____.

_____ the _____ nearby _____ the _____?

_____ the _____ construction _____ signal _____?

_____ work nearby _____?

_____ it _____ our networks are _____ disrupted _____ of adjacent _____?

Any _____ the _____ messed _____ reception?

_____ am _____ all that _____ noise is _____ my _____ connection.

The building work _____ with the _____ on _____.

Is _____ being _____ with _____ of building _____?

_____ you _____ the _____ site _____ messing _____ my reception?

_____ construction _____ interfering _____ coverage?

Is it possible that _____ diminishing our _____?

_____ could be causing _____ with _____ network _____.

_____ attribute network interruptions to local _____?

Does _____ disrupt _____ internet _____?

I wonder _____ make my _____.

Is our network reception being _____ by _____?

The _____ construction _____ our _____ strength.

Is _____ construction _____ affecting _____?

_____ nearby construction _____ signal?

Have _____ construction guys _____ the _____?

____ it ____ that ____ is ____ our networks.
 ____ possible ____ the ____ next door ____ affect our _____.
 ____ we receive data ____ might be interfered with ____ nearby ____.
 ____ neighboring construction ____ reception?
 The ____ service?
 ____ nearby building ____ may ____ my reception.
 Does ____ activity ____ strength?
 ____ construction disrupting coverage ____?
 ____ possible ____ activity ____ affect signal strength?
 ____ local construction affect ____?
 ____ nearby construction ____ network ____?
 Could ____ construction ____ signals?
 ____ it ____ that construction ____ is ____ our _____.
 Are ____ network signal ____ by ____?
 The ____ might ____ disrupting ____.
 ____ there a chance ____ with our reception?
 ____ chance ____ causes poor signal?
 ____ construction interrupt ____ service?
 Do ____ building site ____ affecting ____ reception.
 Will local construction ____?
 ____ the ____ constructions affecting ____?
 Construction ____ be disrupting ____.
 ____ disturb our ____?
 ____ nearby ____ affects ____ network's ____.
 Network ____ be ____ to ____ nearby.
 Is network ____ local building ____?
 ____ affect our wireless ____?
 ____ the ____ constructions incompatible ____?
 Is our network's ____ affected ____?
 Is our ____ disrupted ____ work?
 Is ____ messing with our ____?
 You ____ the work ____ affect ____ signal?
 Are ____ disrupting ____ here?
 Are the ____ activities affecting ____ signal ____ network?
 ____ might be ____ here.
 Network reception ____ be ____ by ____.
 Do ____ nearby constructions affect ____?
 Is it ____ that ____ work is ____ our ____?
 Did the ____ up ____?
 ____ it feasible that construction ____ our ____?
 Could ____ be ____ reception?
 Is ____ work affecting ____?
 Is ____ reception problems?
 ____ local construction ____ wi-fi ____?
 ____ reception can be ____ construction.
 ____ to the network affecting ____?
 Workers ____ the ____ phone service?
 Have ____ near us ____ mobile ____?
 Is the ____ our ____ levels?
 ____ activity a ____ in our ____ network?

____ network interruption ____ of ____ building ____?
 There is ____ chance ____ might _____.
 The adjacent _____ interfere _____ network reception.
 Maybe _____ will ____ our network ____ levels.
 ____ calls _____ neighboring construction?
 _____ neighboring ____ affect ____ network?
 The ____ may be malfunctioning due _____.
 _____ know _____ mess with ____ signal?
 _____ our network connection?
 ____ nearby _____ influence on our ____ connections?
 Is ____ connection _____ the ____?
 Could ____ construction be ____ with _____?
 Is the construction _____ our _____ our ____?
 _____ messed up our ____?
 Our _____ be _____ local construction.
 _____ work _____ network reception?
 _____ chance of _____ the wireless signals ____ by neighboring ____?
 Are construction ____ interfering _____?
 _____ there any _____ attribute network ____ to ____ work?
 Construction ____ mess ____ our _____.
 Is our network _____ the _____?
 Any chance our _____ by ____?
 Building _____ causing network _____.
 Do _____ that the _____ are _____ our reception?
 _____ might affect our _____.
 _____ our network _____ be ____ by the ____ work next ____?
 _____ possible nearby construction ____ ruining _____?
 _____ local construction ____ our _____?
 Do _____ affect ____ service?
 _____ chance of disruptions _____ signals ____ of other constructions?
 _____ possible that ____ construction could _____ wi-fi connection?
 _____ the _____ bad for ____ network?
 Construction work ____ affect _____.
 _____ possible that ____ construction ____ influences our call ____?
 Is _____ construction work is ____ our reception?
 Is _____ the construction activity is disrupting _____?
 You ____ how the renovations _____?
 Is ____ likely that the _____ the ____?
 Might the _____ network ____?
 ____ call _____ be influenced ____ nearby ____ activity
 _____ the ____ constructions ____ our network ____?
 The _____ could _____ with our _____.
 Our network ____ could be _____ work ____ door.
 _____ construction ____ stop _____ network?
 Mobile service _____ by builders.
 Does _____ our signal strength?
 _____ the ____ guys messed _____ reception?
 Is ____ network connection _____ nearby?
 Is it ____ that ____ construction _____?
 _____ well ____ receive internet data might ____ affected _____.

Does ____ construction make ____ ____?

____ construction ____ making ____ network ____ reliable?

____ it ____ that ____ work ____ affecting ____ reception?

Does ____ ____ the reception?

____ nearby ____ ruining network ____.

____ reception ____ ____ by construction nearby.

Do ____ ____ site is messing with my ____?

Is ____ networks possible ____ construction?

____ construction ____ interfering with our ____?

____ reception ____ be ruined by the ____.

The ____ cause problems ____ our ____.

What ____ that work ____ signal?

____ construction ____ interfering with ____?

____ ongoing ____ our network quality?

____ will affect internet ____?

____ network's ____ strength might ____ affected ____ nearby ____.

The ____ cellphone reception here.

____ nearby construction ____ our ____?

____ it ____ work is causing ____ in ____ network reception?

____ could affect signal ____.

____ work ____ messes with network ____?

____ nearby building ____ causing ____ our ____?

____ network ____ disrupted by nearby ____.

____ construction interfering with ____ signal?

____ nearby construction ____ our ____?

Our network's ____ may be impacted ____.

____ it possible ____ the ____ construction ____ disrupting ____ reception?

____ chance construction ____?

Is it the ____ that messed ____ over ____?

Could ____ affecting my internet ____?

Does ____ construction ____ an ____ our internet ____?

____ possible that ____ construction is affecting my ____?

The ____ is ____ the network ____.

____ service ____ attributed ____ the renovations nearby?

____ signal strength ____ the ____ activity?

____ possible that local ____ our wi-fi?

____ construction could ____ affecting ____.

____ messing with our coverage?

____ it ____ construction will ____ network?

____ that ____ affecting ____ connection?

The work next ____ building might ____.

____ chance construction messed up ____?

____ construction affect our ____?

Is the ____?

____ network ____ be malfunctioning due ____ nearby ____ activities.

Maybe the nearby ____ interference ____.

Do ____ with ____ phone service?

Is ____ possible ____ all ____ is affecting ____ internet ____?

Does ____ construction ____ the ____?

____ it ____ is ____ with our coverage?

_____ is a _____ that construction _____ signal.
 _____ if the closeby constructions _____ disrupt _____ connections.
 _____ might be disrupted _____ new building work.
 _____ wonder _____ is making _____ reception bad.
 _____ that this noise _____ ruining _____ connection.
 Can construction _____ stop _____ up _____?
 The _____ constructions could _____.
 _____ work _____ network here?
 _____ constructions _____ network quality?
 Our network _____ affected by the _____ work next _____.
 Will _____ next door _____?
 _____ cellphone reception here?
 Is it possible _____ in the same _____ our _____?
 Does _____ to local construction?
 Is _____ construction messing _____?
 _____ construction a _____ with _____?
 _____ construction _____ affect _____ reception?
 _____ development _____ be hurting _____ network _____.
 _____ be _____ by construction nearby
 _____ disrupt our signal?
 _____ construction _____ here.
 Is _____ construction near _____?
 _____ disrupting the network _____?
 Is _____ possible _____ activity _____ affecting _____?
 reception problems _____ by _____.
 Do you feel that the _____ affecting _____?
 _____ interruption linked to _____?
 _____ think the building _____ my reception?
 The _____ quality is _____ undermined _____.
 _____ network reception might be affected _____.
 _____ activity _____ affect signal _____.
 How _____ we get _____ the _____ adversely _____ by nearby developments.
 _____ workers _____ service?
 _____ the _____ activity affecting _____ signal _____?
 _____ that building _____ are _____ issues _____ the network signals?
 _____ construction _____ nearby affecting our _____?
 Is _____ messing up _____?
 Are the ongoing _____ hurting _____?
 _____ wonder if construction _____ our _____?
 _____ nearby _____ activities causing _____?
 How well we receive data _____ the _____ by _____
 _____ signal might be _____ by _____ work _____ door.
 _____ the _____ up our _____?
 Is _____ closeby _____ a _____ with _____ network _____?
 Our network _____ may _____ by _____.
 _____ lousy work next _____ with our _____ signal?
 Construction can _____ connection.
 _____ reception is _____ by some nearby building _____.
 Is _____ ongoing _____ strength?
 Nearby _____ may _____ the way we _____ internet.

I am ____ if ____ construction ____ is ____ my ____.
 Is the ____ our ____?
 ____ service ____ disrupted ____ near us.
 Is ____ near making ____?
 I ____ know if all that ____ construction ____ service.
 Our network ____ be ____ danger ____ to ____.
 Could the ____ network?
 Is ____ work ____ network?
 ____ nearby ____ impact ____ reception.
 Is it possible that building ____?
 Nearby ____ disrupt ____ signal.
 ____ chance ____ causes poor signal?
 What ____ reception problems?
 Might the ____ affect ____ network ____?
 ____ nearby ____ causing interference to ____?
 ____ construction ____ with our network ____?
 The ____ near ____ on ____ coverage.
 The ____ construction ____ may ____ signal ____.
 ____ is ____ chance that the noise ____ connection.
 Are the construction ____ with ____?
 ____ network may ____ affected by ____.
 ____ the ____ network quality?
 ____ network's ____ may ____ by nearby ____.
 ____ disruption can ____ attributed ____ local ____.
 Is ____ neighboring construction?
 ____ construction ____ reception problems?
 Was ____ by construction?
 ____ efforts ____ coverage?
 ____ affect coverage ____?
 Our ____ with ____ nearby work.
 ____ construction cause ____ our network?
 ____ possible ____ constructions might disrupt our network ____?
 ____ affect ____ network connections?
 Do you think ____ site ____ with ____?
 ____ possible ____ activity might affect ____ connectivity.
 ____ construction activities disrupting ____?
 construction may have ____.
 ____ constructions adversely ____ our ____ quality?
 Is ____ strength?
 Is the ____ interfering with the ____ of ____?
 Neighborhood workers ____ hurting ____ phone ____.
 Is it possible ____ the network reception?
 ____ being ruined by ____ construction?
 ____ may be issues ____ signals because of nearby ____.
 Is the ____ with ____ reception.
 ____ impacting our reception?
 Is ____ any ____ this ____ is ____ internet connection?
 Does ____ construction ____ internet connection?
 Is ____ that construction work is interfering ____?
 ____ bad ____ door could affect ____ signal?

Is it possible that _____ work _____?

_____ you _____ the nearby _____ affects _____ reception?

_____ construction close _____ our _____ reception?

Our _____ signal could be _____ by _____ door.

_____ construction _____ be messing with _____.

Is _____ affecting cellphone _____?

Is _____ activities _____ our _____ strength?

_____ have messed _____ our _____.

Is _____ network _____ not _____ to nearby _____?

_____ possible that noisy _____ affect _____ internet?

The building _____ with _____ on our network.

Are construction _____ disrupting _____?

Is _____ construction activity affecting _____?

_____ construction is adversely affecting our _____ coverage?

_____ possible that _____ are causing problems with our _____?

_____ may be _____ by nearby _____.

Maybe the _____ work _____ the reception.

_____ cause bad _____?

Is there _____ chance _____ to _____ signals due to _____?

Do builders interfere _____?

Our _____ be _____ due to _____.

_____ the _____ causing interference _____ our network's reception?

The _____ next door _____ effect on _____ signal.

_____ there _____ chance of _____ disruptions to _____ from neighboring _____?

Our _____ could be _____ affected _____ work next _____.

reception _____ caused _____ local _____?

_____ affecting our signal?

_____ issue _____ our _____ signals related to nearby _____?

_____ cause reception troubles?

Is it _____ the construction _____ our _____?

_____ the _____ work _____ with _____ connection?

Is _____ constructions going to _____ our _____ levels?

Did workers _____ neighborhood _____ phone _____?

_____ nearby developments _____ how _____ we _____ data from _____?

_____ new building work _____ with our _____?

Is there interference _____ our _____ by the _____?

_____ construction be disrupting _____?

_____ it _____ that _____ construction _____ disrupting _____?

Is there _____ issue with _____ caused _____ building activities?

_____ local construction _____ reception?

_____ our _____ be _____ with _____ the _____ next door?

_____ interfere _____ our network?

_____ it feasible _____ construction _____ networks?

Will _____ by _____ make _____ unreliable?

It's possible _____ nearby construction _____ connection.

_____ the _____ site _____ reception?

There _____ to the _____ signals due _____ neighboring _____.

_____ possible _____ nearby _____ is affecting our reception?

_____ construction is causing problems in _____ networks?

Does _____ construction _____ reception _____?

_____ is _____ that the _____ is _____ calls.
 _____ that the _____ could _____ my internet connection?
 Is the network _____?
 _____ ongoing constructions affecting _____ network _____?
 _____ the _____ building construction _____ our _____?
 Could _____ activities _____ disrupting our _____?
 Is it _____ construction is _____?
 Is _____ affected _____ the _____?
 _____ construction _____ might affect the _____.
 _____ the signal strength _____ building _____?
 _____ the other _____ with _____ network?
 Is _____ construction _____ our _____ connection?
 Might the _____ cause _____?
 _____ renovations messing _____ reliability?
 Is _____ possible _____ are losing _____ to construction?
 Is _____ possible that _____ construction guys _____ with _____?
 Construction close _____?
 Is _____ disrupting _____ network _____?
 _____ strength _____ by nearby construction.
 Is _____ our _____.
 Will renovations affected _____?
 _____ the _____ impact the signal _____?
 _____ work might affect _____.
 Can _____ construction _____ connections?
 _____ it possible that the _____ work _____ damaging _____?
 Is our reception _____ with _____ building _____?
 Is _____ causing issues with our signals?
 I _____ if _____ site is _____ my reception.
 _____ the _____ the network affect _____ strength?
 Is the _____ with our _____?
 Will _____ affect _____ quality _____ the internet?
 _____ it possible _____ the _____ could _____ affecting _____ internet _____?
 Are the ongoing _____ affecting _____?
 Did _____ us interfere with _____?
 _____ reception _____ caused by _____?
 _____ service _____ with _____ builders near _____?
 _____ connection might _____ affected _____ nearby _____.
 I _____ messed up our _____.
 _____ make a _____ our signal?
 _____ construction work _____ affecting our reception?
 _____ that local _____ reception issues?
 Our _____ be _____ by _____ construction.
 _____ could _____ that nearby _____ our network.
 _____ possible that _____ construction is _____ the _____?
 Is _____ affecting _____ network quality?
 _____ is construction _____ ruining _____.
 Do you ever _____ what _____ renovations _____ to _____ cell _____?
 _____ construction affect _____ signal.
 _____ nearby _____ disrupt _____?
 _____ if all _____ noise is _____ internet connection.

Is it possible that _____ are being _____ the _____?

Might _____ construction _____ our _____?

_____ that construction _____ is affecting _____?

_____ the construction activity _____?

Is it _____ that disruptions _____ networks _____ caused _____ construction?

Is _____ that adjacent construction _____ our _____?

_____ plausible that _____ networks _____ disrupted by _____?

_____ may _____ interference.

_____ construction _____ our connections?

_____ lousy work _____ door _____ affect our _____?

_____ new _____ disrupting the _____ signal?

_____ the _____ be affecting _____ network _____?

_____ possible _____ messed up our _____.

_____ reception _____ by building work _____?

_____ bad work next _____ could _____ our _____ signal.

There is _____ that _____ is _____ up the _____.

_____ developments _____ affect how _____ data from the _____

_____ renovations compromise _____ reliability?

_____ it _____ could _____ our network?

Can the _____ mess _____?

Is the reception _____ with _____ building _____?

_____ able to _____ network interruption _____ building work.

The _____ might _____ interference in our _____.

Can _____ disrupted by _____ construction?

Construction guys may _____ messed _____.

_____ affect our _____ connections.

_____ possible _____ activity might influence our call _____.

Did _____ guys _____ our reception?

_____ work affecting _____ reception?

Nearby building _____ may _____ causing _____ with _____ network _____.

Can _____ affect _____ network _____.

_____ the _____ because of nearby work?

_____ construction affect our _____?

_____ work _____ to _____ building _____ affect _____ reception on _____ network.

_____ reception _____ be _____ by the _____.

Can the _____ construction _____ problem _____?

_____ wonder _____ nearby _____ is _____ network.

Is work _____ the _____?

Who knows _____ messed up _____?

Does _____ affect _____ connection?

Did _____ site messing with _____?

_____ the _____ going _____ network levels?

Can _____ up _____ network _____?

What _____ construction worked _____ the _____?

_____ quality _____ undermined by _____ ongoing constructions.

_____ nearby _____ have _____ effect on _____ network's _____ strength?

Do you _____ my reception?

Could construction _____ network?

_____ the _____ interfering _____ our _____?

Can the _____ construction _____?

Did _____ affect the cellphone _____?

I wonder if _____ network reception.

_____ building _____ causing issues with _____ network?

_____ mess _____ our connection?

_____ the network _____ by _____ construction?

_____ construction ruining _____ reception?

_____ network interruption because _____ local _____?

Is it _____ disrupting our networks?

_____ neighboring construction _____ with _____.

_____ construction causing interference to _____?

_____ construction _____ our _____ connection.

Is _____ that the _____ calls?

Our network signal could _____ the _____ work _____ door.

Is _____ that the stupid renovations _____ on cell _____?

Our _____ may be affected _____ the _____ building _____.

_____ workers may _____ hurt the _____.

_____ disrupt our _____.

How _____ we receive _____ data from _____ by nearby developments.

_____ construction close _____ reception poor?

Do _____ construction _____ cellphone _____?

_____ internet signal may _____ affected _____ building work.

Is _____ construction disrupting _____?

_____ workers could hurt _____.

_____ the nearby construction _____?

_____ there _____ chance of disruptions _____ due to _____ nearby?

Can _____ near us interfere _____?

_____ possible our networks are _____ disrupted _____ construction?

_____ nearby _____ interfering _____ connection?

Is it _____ that _____ interruption is _____ to _____?

Is _____ building _____ going _____ cause interference in _____?

There's _____ chance _____ messed _____ connection.

_____ possible _____ some construction _____ are _____ with _____ reception?

_____ new building _____ could be affecting _____.

_____ the building _____ is affecting the _____?

Is the _____ of _____ network _____ building work?

Could _____ cause network _____?

There _____ network reception.

_____ building work impacting our _____?

_____ nearby _____ hurts our network?

Is it _____ that _____ nearby _____ disrupting _____ reception?

Can _____ disrupt _____?

_____ next door _____ messing with our network _____.

The building work _____ the _____.

Next door repairs _____?

Is _____ activity is _____ the network coverage?

_____ be _____ by _____ efforts.

Does local _____ impact _____?

I _____ if all that bangin' _____ connection.

_____ we receive _____ from the _____ be affected _____ nearby _____.

Is it possible that _____ our _____?

Maybe those _____ messing with _____?
 Is _____ that construction work _____ our network _____?
 _____ that construction _____ interfering with _____ reception?
 _____ you _____ buildin' mess _____ signal?
 _____ construction _____ network's signal strength.
 _____ service may _____ disrupted _____ us.
 _____ think _____ reception is _____ messed with _____ the _____ site?
 Are _____ disruptions _____ to _____ work?
 _____ reception adversely affected _____ nearby _____?
 Would _____ ruin _____ network?
 Construction _____ interference.
 _____ it _____ that the _____ construction might _____ in our _____?
 _____ sure if those construction _____ messing with our _____.
 _____ construction guys are messing _____.
 _____ efforts are _____.
 Think _____ next _____ may affect _____?
 signal _____ by building activity?
 _____ construction activity affect _____ call _____?
 The _____ receive _____ the internet may _____ affected _____ developments.
 _____ it _____ coverage is _____ by construction activity?
 _____ wonder _____ disrupting our networks.
 Is the _____ ruined by _____?
 Is it _____ that _____ interfering _____ networks?
 _____ the _____ construction _____ our network?
 _____ network?
 _____ there any chance _____ disruptions _____ wireless _____ to constructions _____?
 Network _____ to _____ building work.
 _____ construction activities impacting _____?
 _____ disrupting coverage?
 _____ there a _____ interference coming _____ constructions?
 Does _____ seem like nearby _____ network's _____?
 _____ that construction guys are _____ our _____.
 _____ you _____ building site is impacting my _____?
 _____ the _____ impact _____ reception _____?
 _____ impact our network's _____ strength?
 _____ poor signal?
 Our _____ may _____ by _____ adjacent building _____.
 Is our _____ strength impacted _____ the _____?
 _____ construction nearby _____ our _____?
 Network _____ could _____ by the _____.
 Can construction _____ stop _____?
 Is _____ any chance _____ this _____ internet connection _____?
 _____ that _____ affecting my _____?
 _____ nearby construction _____ network reception?
 Is there _____ our _____ nearby building _____?
 Maybe _____ this _____ is _____ connection _____?
 _____ it _____ that construction _____ to _____ is _____ networks?
 Will the nearby _____?
 _____ network reception _____ construction?
 _____ neighboring construction _____ with _____?

Is the new _____?

_____ well _____ data from _____ internet _____ impacted _____ nearby developments.

Was _____ site _____ my reception?

Is our _____ signals causing issues _____ activities?

_____ local _____ could _____ our internet connection.

Is _____ possible that the _____ is _____ coverage?

_____ it _____ say that _____ construction is _____ our _____?

Do _____ that building _____ is messing _____?

_____ local _____ our _____ connection?

Is _____ with _____ nearby work?

_____ construction cause _____ problem with our _____?

Could _____ affect the _____?

_____ could _____ disrupting _____ reception.

_____ builders _____ us interfere _____ phone _____?

_____ can _____ related to _____ work.

_____ disrupting our network service?

_____ with our network connection?

_____ affect _____ signal?

Is _____ that _____ networks _____ disrupted by construction _____ to _____?

_____ may mess up _____.
