Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Will _____ gas _____ be as _____ one larger unit for an _____ like _____ house?
_____ a _____ can be used for the _____ house, is it _____ leak detectors?
_____ that several _____ sensors _____ detect natural _____ leaks _____ entire house?
Would _____ gas leak _____ deliver _____ large device in _____ our entire area?
_____ it possible for several _____ alert _____ as _____ large unit to _____ from gas leaks?
Does multiple _____ leak sensors provide _____ of _____ as _____ single larger one across _____ entire _____?
_____ a larger _____ gas _____ detector the _____ for multiple _____ in the house?
_____ possible _____ have a _____ leak detectors and a _____ unit for _____ household coverage?
_____ it _____ to install _____ natural _____ and a _____ one in _____ same _____?
_____ multiple, smaller _____ detectors work as _____ large detector?
Can several small natural gas _____ well _____ a _____?
Can multiple _____ leak _____ the _____ of one large _____?
_____ many _____ detectors be _____ device for a full household area?
_____ possible _____ small gas _____ detectors _____ big _____ for _____ whole house?
Can multiple _____ gas _____ detectors _____ as _____ a _____ unit?
Is _____ gas leak detectors the _____ that of _____ larger unit?
_____ the _____ be achieved by _____ detectors than by one _____ device?
Can lots _____ small _____ as _____ at _____ gas _____?
Will the effectiveness of a _____ natural _____ leak _____ be the _____ units _____ a _____?
Can _____ gas _____ detectors be as _____ as _____ big one _____?
Can _____ small _____ leak _____ used for a _____?
_____ using _____ unit for ensuring house-wide safety _____ natural _____ effective _____ using a smaller _____?
_____ the effectiveness _____ leak detector the _____ for multiple small units _____ house?
_____ multiple _____ gas leak detectors _____ as a single _____?
_____ several smaller _____ do the _____ job _____ a single, _____ unit in _____ home?
Will _____ of many tiny natural gas detectors _____ same as _____?
Is it _____ to have multiple smaller _____ one _____ unit can be _____ house?
Can _____ natural gas _____ deliver _____ effectiveness to a _____ larger _____?

Can many tiny natural _____ be as _____ device?
 _____ possible that _____ smaller natural _____ leak _____ be as effective _____ unit?

Can a group _____ big _____ work in the same household?
 _____ natural gas leak _____ do the same job _____ the same _____ as _____ bigger _____?
 _____ leak detectors _____ as effective _____ one larger one for an _____?
 _____ multiple _____ natural gas leak detectors _____ as one _____ unit _____ space?

Are _____ leak _____ as _____ a single larger unit?

Does _____ gas leak _____ you the same level of _____ using a single _____?
 _____ it possible _____ a bunch _____ gas leak _____ to _____ one _____ unit for _____ household _____?
 _____ a single _____ gas leak sensor across the entire house the _____ level _____ as _____?
 _____ there _____ tiny natural _____ will _____ as effective as _____ one bigger _____?

Is _____ small _____ leak _____ as _____ a _____ one?

Will _____ be possible to detect natural _____ leaks _____ several smaller _____?
 _____ it possible _____ several small _____ detectors as _____ one large unit _____ house?

Is it possible that _____ leak detectors _____ as one larger _____?
 _____ natural gas _____ detectors deliver _____ same _____ a larger unit?
 _____ one _____ unit can be _____ the entire house, is it worth the _____ gas _____?

If _____ have many _____ detectors, _____ you _____ the same protection against _____ leaks _____ every corner _____?
 _____ natural gas detectors _____ well as the _____ unit?
 _____ a house's _____ safety, can several small _____ detectors _____ larger _____?
 _____ small _____ alert _____ than a _____ one for an _____ home?
 _____ gas leak _____ work _____ whole _____?

Do _____ small detectors _____ same level _____ leaks _____ every corner of your home?
 _____ leak detectors deliver the same efficiency as _____ in covering _____ corner _____ home?

Will _____ as effective as one large _____?

Will _____ lot _____ small _____ gas _____ as effective _____ one _____ device?
 _____ effectiveness of a larger _____ detector _____ the _____ for multiple smaller units in _____?
 _____ small gas _____ detectors _____ a single unit _____ the _____?
 _____ many small detectors _____ the _____ level _____ protection _____ natural _____ leaks _____ one _____?
 _____ possible _____ several _____ leak _____ to _____ one big _____ in a house?

Can _____ gas leak _____ work in _____?
 _____ is _____ regarding the _____ larger _____ leak _____ multiple smaller units in a house.

Is _____ way to ensure household safety _____ gas leaks _____ systems _____ a _____ unit?

Do _____ smaller natural gas leak detectors _____ the _____?
 _____ a _____ of little _____ be as _____ as _____ big bad _____ of my _____ and spaces?
 _____ many small gas _____ detectors _____ the _____ efficiency as _____ device in _____ of _____ residential area?
 _____ small natural gas _____ work _____ well _____ large unit _____ house?
 _____ effectiveness _____ natural _____ leak detector _____ for _____ units in a house?

Is multiple _____ leak detectors as _____ unit?

Will multiple, smaller _____ do the _____ large detector?

Do _____ leak sensors _____ the same _____ of efficiency _____ single large _____?
 _____ gas _____ as effective as _____ larger unit?
 _____ bigger unit can be _____ for the whole _____ does it make _____ multiple smaller _____?
 _____ wonder if small gas leak detectors _____ house.

Can _____ natural _____ sensors _____ same _____ one larger device?
 _____ worth investing _____ multiple _____ gas _____ detectors _____ bigger unit _____ be _____ for _____ whole house?
 _____ using _____ bigger _____ ensuring house-wide _____ natural _____ more effective _____ using numerous compact _____ gas leak _____?

Does lotsa small _____ leak _____ the same _____ house?
 _____ multiple, smaller gas leak detectors _____ effective _____ one?

Can _____ small _____ detectors _____ effective _____ a _____ larger unit _____ a house?

Can ____ small _____ the ____ of a large unit?

____ small ____ gas _____ the same way as one ____ device _____ house?

Do ____ small detectors give _____ against natural gas leaks ____ a _____?

____ smaller gas leak _____ effective as the large _____ home?

Is it _____ tiny natural _____ monitors could be just as _____ one large ____?

Do ____ smaller _____ leak ____ do ____ same job as _____ bigger unit throughout _____?

Can _____ gas leak sensors ____ the ____ job _____ big ____ that ____ houses?

____ a ____ of small gas _____ match a single _____?

Can a lot _____ gas _____ a big unit in _____?

Can ____ smaller _____ leak detectors _____ same level of effectiveness _____ unit?

Do numerous small ____ give equal protection against natural _____ every ____ of _____ with _____ monitor?

Will the effectiveness ____ one larger _____ leak _____ the same for ____ smaller ____ in _____?

Is _____ having multiple smaller gas leak ____ when one _____ can ____ used ____ the _____?

____ various small _____ alarm ____ suffice, ____ is ____ better _____ one ____ detector for whole ____ use?

Is it _____ several _____ gas leak detectors perform ____ to a _____ unit in _____?

_____ systems ____ or is ____ better to _____ large detector for the whole house?

Can multiple small gas leak detectors _____ effectiveness _____ in _____?

_____ detectors ____ the ____ as a large one?

Is ____ effectiveness _____ larger natural ____ leak ____ the ____ for multiple ____ units in _____?

_____ one ____ gas _____ replace a single large unit ____ my ____?

_____ alert ____ work the same _____ single large unit _____ household is safe from ____ leaks?

____ many tiny _____ be as _____ a bigger device ____ a ____ household?

Can small _____ detectors ____ in ____ larger ____?

Will _____ natural gas detectors be _____ as just _____?

Is ____ a ____ unit ____ ensuring house-wide _____ from natural ____ leak more ____ than using _____ detectors?

_____ possible ____ small ____ leak ____ will work _____ whole house?

_____ smaller _____ detectors be ____ effective as ____ bigger unit?

Is _____ good _____ have multiple ____ gas leak ____ when one bigger _____ used ____ the ____ house?

Is _____ to _____ gas ____ detectors when one bigger _____ used ____ an entire house?

____ smaller natural gas leak _____ the _____ ones in ____ home?

Is _____ multiple smaller ____ leak _____ just as ____ as a ____ unit?

Can numerous small gas leak _____ single _____ house?

Can _____ gas ____ detectors ____ just as effective ____ a single _____?

Is multiple ____ gas leak _____ larger unit?

____ several ____ natural _____ replace one larger _____ house's overall safety?

Is one ____ detector for an entire ____ as efficient _____?

Can ____ small _____ as effective ____ a single ____ unit?

_____ possible that multiple small ____ gas leak ____ can be as ____ as _____?

Smaller individual ____ gas _____ perform _____ a _____ for an ____ house.

____ there a ____ to ensure _____ from _____ with several _____ systems as well as ____ single _____?

____ multiple smaller _____ be as ____ as one larger ____ for an _____?

____ multiple smaller natural _____ detectors be as ____ as ____ single ____ one for _____?

_____ leak sensors do the _____ as ____ big unit ____ house protection?

_____ for _____ small gas leak detectors ____ work as _____ a large unit ____ full household ____?

Can a ____ of ____ gas leak detectors ____ with _____ to get _____?

____ multiple _____ sensors do _____ job as a big _____ homes?

____ there be _____ one larger ____ gas leak ____ for multiple smaller ____ in ____ house?

____ multiple, smaller _____ detectors be as ____ as _____ the home?

Will the ____ of _____ natural gas _____ be ____ same ____ smaller _____ the house?

Do many small detectors _____ natural gas leaks ____ one large ____?

Is _____ many tiny natural _____ sensors _____ do the same job _____ in _____ house?

Can there _____ more _____ gas _____ in a house?

_____ device covering _____ space more effective than _____ gas _____ units?

Is it possible _____ smaller _____ leak _____ to _____ same job as _____ bigger unit _____ home?

_____ small _____ leak detectors work _____ the same _____ as _____ the _____?

Do several _____ alert _____ the same way as _____ make sure household _____ gas leaks?

Do _____ smaller alert _____ as well _____ a _____ large _____ to _____ household _____ is _____ from _____ leaks?

Can the _____ leak detectors _____ well _____ the big _____?

_____ multiple, smaller gas leak detectors _____ effective _____ detector _____ a _____?

Just one bigger device for _____ will _____ many tiny natural _____.

_____ effectiveness _____ one _____ natural _____ leak _____ the same for _____ smaller units _____ a _____.

Can _____ leak _____ work the _____ a _____ one?

Are the _____ natural gas _____ detectors just _____ the _____?

Using _____ bigger _____ for ensuring house-wide safety from _____ more _____ than using numerous compact _____.

Will _____ natural _____ leak _____ be as effective as one _____ an _____?

_____ one big unit _____ used _____ the _____ house, is it _____ multiple smaller _____ detectors?

_____ several _____ gas leak detectors _____ as a single _____ in our house?

_____ natural gas _____ detectors _____ the same way in _____?

Can _____ small natural gas sensors _____ a bigger _____ house?

_____ the effectiveness _____ gas _____ detectors the same _____ that of _____ unit?

_____ group of small _____ leak _____ one _____ unit for _____ coverage?

Can a _____ gas _____ work as _____ as _____ big _____?

Is it _____ that several _____ gas leak _____ the _____ as _____ big _____?

_____ many small _____ the same amount of _____ as _____ large monitor?

_____ small gas _____ detectors _____ the _____ job in _____ entire _____?

_____ small gas leak _____ work just _____ a _____?

_____ it worth it to _____ smaller gas leak _____ be _____ for the whole house?

Is it possible for _____ gas leak _____ the same effectiveness for _____?

_____ natural _____ detectors perform better than _____ larger unit _____ home?

Is it worth it to have _____ smaller _____ detectors _____ bigger _____ used for _____ house?

_____ using _____ bigger _____ ensuring house-wide _____ potential leak more effective than _____ many _____ detectors?

Will multiple _____ natural gas _____ detectors _____ unit _____ an entire area?

Will _____ tiny natural gas detectors _____ as _____ as _____ device _____ area?

_____ multiple tiny gas _____ sensors _____ with _____ big _____ for _____?

When _____ unit can be _____ entire house, _____ it worth _____ gas leak detector?

_____ leak detectors _____ the same as _____ units in our _____?

_____ big _____ detector better than smaller ones for _____?

_____ multiple smaller _____ gas _____ detectors just _____ effective _____ larger _____?

Will smaller _____ gas detectors be _____ ones for _____ full _____?

_____ several smaller _____ gas leak _____ as a _____ bigger unit?

_____ natural _____ leak detectors _____ same as a _____ unit _____ our home?

Can _____ small _____ as _____ single unit in a house?

_____ gas _____ sensors do _____ job as a _____ unit for _____?

_____ a small _____ detector work _____ as _____ big _____ in the _____?

Do several _____ detectors _____ the same _____ as a _____ bigger unit _____ house?

_____ the smaller _____ gas leak _____ the same _____ as _____ larger _____?

Do _____ gas _____ have _____ same _____ as _____ big unit?

_____ small natural gas detectors _____ one _____ for _____ house's _____ safety?

_____ several _____ alert _____ well as a single _____ unit to _____ gas leaks _____ the _____?

Do _____ gas leak _____ the _____ as _____ larger unit?

Is ____ possible to ____ gas ____ across an entire house ____?

____ possible that multiple ____ natural gas ____ monitors would ____ just ____ as ____ one large ____?

Is using a bigger unit ____ ensuring ____ natural gas ____ more ____ several ____ ones?

Will ____ smaller natural ____ leak ____ just ____ as a ____ unit?

____ several small ____ gas leak detectors ____ job as a ____ larger ____ in ____?

____ it worth ____ multiple smaller gas ____ one ____ unit ____ be used for ____ entire ____?

Will multiple smaller ____ leak detectors ____ effective ____ larger ____ entire house?

Can multiple tiny ____ do the ____ job ____ a ____ unit ____ securing ____?

____ it ____ to install ____ small natural gas ____ as well ____ large unit ____.

Would ____ small ____ gas alarm systems ____ or is ____ to ____ a ____ house use?

Do ____ detectors give the ____ leaks as ____ single large monitor?

Do several ____ work ____ same as a ____ large ____ prevent gas ____?

Will multiple ____ natural ____ have the same effectiveness as ____?

____ the effectiveness ____ one larger ____ detector differ ____ smaller ____ in ____ house?

Is ____ worth ____ to ____ smaller ____ leak detectors when a ____ can be used ____ entire ____?

____ many ____ natural gas ____ do ____ same job ____ large ____ in your ____?

Can ____ gas ____ detector ____ as well as ____ larger ____?

____ a ____ small gas ____ work ____ well ____ a big ____ for full household ____?

Can a group of small ____ be ____ same ____ a big ____?

____ it possible ____ many small ____ detectors to ____ as one large ____?

____ a bigger ____ can ____ used ____ entire ____ is it worth it ____ have ____ gas leak ____?

Can several ____ natural ____ detectors do the same ____ a ____?

____ of small natural gas detectors work the same ____ large unit ____?

____ able to detect natural ____ leaks across the entire ____?

Can multiple tiny ____ the same ____ large ____ for ____ houses?

____ small ____ leak detectors deliver the ____ as one large ____ in covering ____ corner ____ the ____?

____ tiny ____ gas detectors ____ effective ____ one ____ for a full household?

Is ____ possible to ____ small natural ____ as ____ one large one throughout ____?

Would ____ detectors ____ the ____ efficiency ____ one ____ in covering every corner ____ the ____?

____ natural gas leak detectors compare to ____ entire house?

Will smaller ____ be ____ natural ____ across a house?

Is ____ possible ____ a ____ of ____ detectors to work with a big ____ coverage?

____ it worth it ____ multiple smaller gas ____ detectors ____ bigger unit can be ____ for ____?

Can several small gas detectors ____ a house's ____?

____ of ____ larger natural Gas leak ____ be the ____ for ____ smaller ____ in a ____?

Is ____ small natural ____ monitors ____ be equally ____ a single large detector?

____ many small gas ____ matches ____ in a house?

____ possible ____ gas leak detectors are as ____ as a ____?

____ several smaller ____ leak detectors perform the ____ home ____ bigger unit?

____ small ____ detectors ____ one big ____ in the house?

Does it ____ to ____ detectors when ____ larger unit ____ be ____ for an entire house?

Will the ____ large ____ gas leak ____ be ____ smaller units in a ____?

____ using one bigger unit ____ house-wide ____ from potential leak more ____ compact natural ____ detectors?

____ multiple, smaller ____ leak ____ as ____ as one ____?

____ small gas leak ____ the ____ in a house?

Would ____ efficiency ____ achieved by many small ____ leak ____ compared ____ device?

Do multiple, smaller gas leak ____ same ____ detector?

____ a small ____ detectors ____ than ____ big ____ for ____ whole house?

Can ____ leak ____ the ____ as big ____ for the whole ____?

The ____ a larger unit for an ____ be ____ with small ____ gas ____.

____ several smaller alert ____ well as ____ to make ____ there are no ____ leaks?
 ____ several ____ alert ____ work ____ well ____ single large ____ to make ____ safety from gas ____?
 Can ____ gas ____ detectors match a large ____ in ____?
 ____ natural ____ leak detectors ____ effective ____ unit for an entire space?
 ____ systems work as well ____ big ____ to ensure household safety from gas ____?
 Does ____ multiple ____ gas leak sensor ____ you ____ same ____ as a ____ one?
 Will ____ smaller ____ gas ____ be ____ effective as one large unit ____?
 Can ____ be ____ small ____ gas detectors ____ a ____?
 ____ small gas leak ____ be ____ to one ____ a house?
 Will ____ natural gas ____ be ____ effective as ____?
 For an ____ natural gas ____ detectors deliver comparable ____?
 Is ____ possible ____ many tiny natural ____ sensors ____ perform ____ well as ____ larger ____ house?
 ____ tiny natural gas ____ monitors ____ as effective ____ single ____ detector?
 Can several ____ one for a house's ____ safety?
 Can multiple, smaller ____ be ____ effective ____ large one?
 Is it ____ that small ____ could ____ for ____ whole ____?
 Is ____ effectiveness ____ smaller natural gas ____ detectors the ____ larger ____?
 ____ multiple smaller gas ____ gives the ____ efficiency ____ using a ____ larger one?
 Can many small ____ detectors ____ the ____ job ____ single large ____?
 ____ lotsa small ____ leak ____ work for ____ house?
 Does it make ____ multiple smaller gas ____ one ____ unit can be ____ an ____ house?
 ____ tiny natural gas sensors do the ____ as ____ big ____ in ____?
 ____ be used for an ____ is it worth having multiple ____ gas leak ____?
 ____ give equal protection against ____ gas ____ in ____ of the house?
 ____ smaller alert systems ____ as ____ a single large ____ to ____ household from gas ____?
 ____ several ____ sensors offer ____ same effectiveness ____ a ____ unit?
 Will ____ small natural gas leak ____ be ____ effective as ____ large ____?
 Is it ____ multiple tiny natural gas ____ effective as a single ____?
 Do smaller gas ____ have ____ effect ____ used in ____?
 ____ small ____ replace one large unit ____ house's overall ____?
 Will ____ small ____ gas ____ as effective ____ one bigger ____?
 ____ be ____ one small gas ____ detector in ____ house?
 ____ multiple smaller ____ gas leak detectors ____ as well as one ____?
 ____ it ____ smaller gas leak ____ to ____ as effective as ____ single ____ unit?
 ____ smaller gas leak sensors have ____ as a ____?
 ____ gas ____ sensor do ____ same job ____ a ____ unit for protecting ____?
 ____ it ____ having multiple smaller gas ____ detectors ____ bigger ____ used in the ____ house?
 ____ small ____ give equal ____ natural gas ____ in ____ of your ____ with one large monitor?
 Do several smaller ____ same thing as ____ unit?
 ____ smaller alert ____ in ____ with ____ large unit to ____ household safety ____ gas leaks?
 Is ____ possible to ____ natural ____ across an ____ house, like ____ bigger ____?
 Is it ____ to ____ small ____ detectors as well as ____ large ____ in ____?
 ____ one ____ gas ____ detector may be different ____ multiple ____ units in ____ house.
 ____ group of ____ leak detectors work as ____ as ____ big ____ for full ____?
 Can a ____ gas ____ detectors work ____ one large unit ____ household ____?
 Does having ____ smaller gas leak ____ as using a single larger ____ the house?
 ____ smaller ____ leak ____ have the ____ when used throughout ____?
 Can smaller natural ____ leak ____ deliver comparable ____ to ____?
 ____ several ____ gas leak detectors replace one large ____?
 Is it worth it ____ have ____ smaller gas ____ detectors when ____ unit can be ____?

Will _____ effectiveness of the _____ natural _____ leak _____ the same _____ in a house?

Can a small _____ be _____ as well _____ a big _____?

_____ it worth having multiple smaller _____ leak _____ when one _____ can _____ in _____?

Can multiple _____ detectors be used the _____ as a _____?

Is _____ a bigger unit for _____ more effective _____ using a bunch _____ leak detectors?

_____ it _____ to install multiple small _____ gas _____ large _____ in the same _____?

Does _____ smaller natural _____ detectors _____ the same _____ as one _____?

Will _____ effective in _____ natural gas _____ across the whole _____?

Can a _____ of _____ leak detectors work _____ one _____ one _____ full _____?

Can multiple _____ leak _____ match the _____ a big unit _____?

Can several _____ gas detectors _____ a house's _____?

Do several _____ alert _____ the _____ single large unit to _____ household safety _____ gas _____?

Can _____ bunch _____ small gas _____ single _____ in a house?

Will _____ small gas leak _____ efficient _____ a _____ for my home?

Will _____ gas _____ detectors be as _____ as a _____ all-in-one _____ my _____?

_____ there an _____ of _____ and larger _____ gas leak detectors in _____?

_____ it possible that _____ smaller _____ detectors are as effective _____ unit?

Is _____ possible that multiple, smaller _____ detectors _____ effective _____ a _____ detector?

_____ small _____ gas detectors _____ effective as _____ large device?

_____ smaller gas leak _____ effective as _____ single _____ a house?

Can multiple _____ gas _____ do the same job _____ for _____ safety?

Do _____ small _____ detectors work _____ as one _____ unit _____ a house?

_____ leak detectors _____ big unit _____ a house?

Will smaller natural _____ perform better than _____ larger _____?

Is _____ unit for ensuring _____ from _____ effective than using numerous _____ natural gas leak _____?

Can many _____ detector match a _____ unit _____ a _____?

Is the _____ multiple _____ leak detectors the _____ as one _____?

_____ it _____ install many _____ gas _____ and one large _____ the house?

_____ multiple smaller _____ be _____ effective as one _____ unit _____ the _____ space?

Are the smaller _____ gas _____ detectors equally effective _____?

_____ several small _____ leak detectors _____ the same efficiency _____ large device _____ entire _____ area?

_____ a _____ of _____ leak detectors do the _____ single larger unit?

_____ smaller gas _____ detectors do the _____ one large _____?

Is it worth _____ multiple smaller _____ leak _____ a _____ unit _____ be _____ the whole house?

Does _____ gas _____ detectors _____ a single _____ unit _____ your _____?

Is the effectiveness _____ larger _____ leak _____ the _____ for multiple _____ units in _____?

Can _____ smaller _____ leak detectors do _____ a _____ unit?

_____ small gas _____ with a _____ house?

Will multiple _____ natural gas _____ detectors be as _____ unit _____ a _____?

Would _____ detectors _____ the same efficiency as _____ large _____ in _____ every corner _____?

_____ unit can be used _____ an _____ is it _____ it to _____ more _____ gas _____ detectors?

Is it better _____ multiple smaller _____ leak _____ larger _____ can be _____ for _____ house?

Can a small _____ leak _____ with a _____ unit _____ household coverage?

Do _____ gas leak _____ same efficacy _____ a _____ unit?

Do several _____ natural gas _____ detectors _____ the same _____?

For _____ whole house, _____ small _____ detectors work?

Can _____ small gas _____ with _____ house?

Can _____ smaller _____ gas leak _____ deliver _____ same level _____ effectiveness _____ unit?

Will the _____ of _____ natural gas _____ be the _____ as _____?

_____ possible for several _____ gas detectors to replace one _____ for _____?

____ several smaller natural ____ leak detectors ____ the ____ as ____ unit?
 Do ____ detectors ____ the same ____ gas leaks as one ____?
 ____ many ____ gas detectors be as ____ one ____ device?
 ____ natural ____ leak detectors match ____ a ____ unit in a house?
 ____ unit can be ____ for the ____ house, ____ worth having multiple ____ leak detectors?
 ____ it possible ____ multiple ____ gas ____ are ____ effective as ____ single larger ____?
 Will smaller ____ detectors ____ a larger ____ for the entire ____?
 ____ a lot of small gas leak ____ the ____ unit ____?
 ____ the performance ____ big unit ____ protecting ____ be the ____ as ____ multiple tiny gas ____?
 ____ that multiple tiny natural ____ monitors ____ equally effective ____ to just ____ large detector?
 ____ single large ____ work ____ as ____ smaller alert systems ____ household ____ gas leaks?
 Can ____ natural ____ sensor perform ____ as a larger ____?
 ____ many small gas ____ compare to ____ single large ____ a ____?
 Will multiple ____ natural ____ leak ____ as ____ as ____ larger one for ____?
 ____ smaller gas ____ same effectiveness as a bigger ____?
 Will smaller ____ be able to ____ natural ____ leaks ____?
 Is ____ small ____ detector as good as ____ the entire ____?
 ____ small natural ____ alert more efficient than a ____ for ____?
 Can a ____ gas ____ large ____ for protecting houses?
 Can a ____ small gas leak ____ the ____ job as ____ single ____?
 ____ tiny ____ have the same performance as ____ big unit for ____?
 Can ____ gas ____ perform ____ same as one larger ____?
 When ____ unit can ____ used ____ an entire ____ it worth ____ to ____ smaller gas leak ____?
 ____ multiple smaller gas leak sensors ____ same ____ as using ____ single ____ one across the ____?
 Can ____ small ____ gas ____ as well ____ one ____ device?
 ____ several ____ natural gas ____ detectors ____ the ____ job as ____ larger ____ throughout our ____?
 Can multiple ____ gas leak ____ same ____ unit for protecting houses?
 Can ____ small gas leak detector be ____ effective ____?
 Can multiple ____ leak ____ match ____ of ____ big ____ for protection of ____?
 Will natural gas ____ detector effectiveness ____ the ____ a house?
 Can a bunch ____ gas leak ____ job as ____ unit?
 Will many small natural gas ____ be ____ effective ____?
 ____ multiple smaller natural ____ leak detectors ____ effective as ____ a house?
 ____ many ____ leak detectors ____ one large unit ____ a ____?
 Do ____ natural ____ as ____ as ____ large unit ____ a house?
 Is it ____ house to have one big natural ____ or ____?
 Will several small sensors be able ____ natural gas ____?
 The ____ larger ____ gas ____ might be the same for ____ units in a ____.
 Similar to a singular ____ system, will ____ smaller ____ to ____ gas ____?
 Can ____ gas leak detectors ____ the ____ as a ____ unit?
 ____ smaller gas leak detectors ____ as a ____ detector?
 Can ____ small gas ____ detectors in a ____?
 Does ____ smaller ____ leak sensors provide ____ same ____ efficiency as using a single ____ across ____?
 Is there a ____ between one ____ a ____ house ____ leak detectors?
 ____ it worth it to ____ gas ____ detectors when one ____ unit ____ the whole house?
 Is ____ that using ____ tiny ____ gas leakage ____ would be ____ as using ____ detector?
 Can ____ natural gas ____ detectors deliver comparable ____ unit?
 Is it possible that ____ smaller natural ____ leak ____ will ____ larger ____?
 Can several small ____ do the same ____ as a ____?
 Is ____ multiple smaller gas ____ detectors if one ____ be used ____ entire house?

_____ possible _____ install many small _____ detectors and one _____ one house?
 Is it _____ it to _____ smaller gas leak _____ when _____ unit _____ used _____ an entire _____?
 _____ multiple tiny _____ equal _____ performance _____ a big _____ for _____ houses?
 Is _____ that multiple, _____ gas _____ detectors _____ as effective _____ large detector?
 _____ smaller _____ gas leak _____ the _____ as one larger unit?
 _____ it possible that smaller _____ leak detectors will _____ a larger _____?
 _____ several _____ natural gas leak detectors do the _____ as _____ the home?
 _____ small gas leak _____ be _____ same as _____ entire house?
 Will _____ smaller _____ leak _____ be _____ effective _____ a large _____ a _____?
 Can _____ gas _____ one big _____ in a room?
 One bigger _____ for an _____ home might be _____ natural gas _____.
 Is _____ multiple _____ leak _____ just as effective _____ large _____?
 Do a lot _____ small _____ give the _____ of protection against natural _____ leaks _____?
 _____ to install many small _____ gas detectors as _____ large _____ in a _____?
 Does having _____ gas leak _____ level of efficiency as using _____ single larger _____ the _____?
 _____ possible that _____ gas leak detectors _____ effective _____ a larger _____?
 Can _____ sensors _____ the _____ as one bigger device in _____?
 Is _____ possible _____ gas leak detectors _____ perform _____ same _____ our home?
 Can _____ small gas _____ the same _____ a _____ for _____ house?
 _____ group of small _____ leak detectors work together with a single _____?
 Is a _____ natural _____ better _____ entire home?
 _____ many _____ gas leak _____ to match _____ unit in a house?
 Can a _____ detectors _____ side by side _____ a big _____ full household coverage?
 _____ multiple small _____ leak monitors _____ just _____ a single _____ detector?
 _____ gas _____ sensors be as good _____ big _____ house safety?
 Is _____ possible _____ using multiple _____ natural gas _____ as effective as using _____ detector?
 Do _____ smaller natural gas leak detectors do _____ job _____ in our _____?
 _____ the _____ gas leak _____ equally effective _____ larger one?
 _____ possible for many tiny _____ gas sensors _____ perform _____ well _____ larger device in _____?
 Will _____ small _____ detector be as effective _____ device?
 Do many small detectors give _____ against natural gas _____ in every _____ your home _____?
 When _____ bigger unit _____ be used for an _____ worth _____ multiple smaller _____ leak detectors?
 _____ smaller sensors _____ at detecting _____ gas _____ an _____ house?
 _____ possible that multiple smaller _____ are as _____ as a _____?
 Can small _____ detectors _____ as well _____ a _____?
 _____ smaller individual _____ work better _____ larger unit for _____ entire _____?
 When one _____ can be _____ for _____ is _____ to have multiple smaller _____ leak detector?
 Is it worth _____ to have _____ gas _____ one larger one _____ be _____ the _____ house?
 Can multiple tiny _____ leak _____ the _____ as _____ unit _____ keeping houses _____?
 Do several _____ natural gas leak detectors _____ same job as _____ single, _____?
 Is it _____ that several small _____ detectors _____ one _____ a _____?
 _____ it _____ ensure _____ from _____ with several smaller _____ systems and _____ single large one?
 _____ sensors be _____ to _____ natural gas _____ across the whole _____?
 Can several _____ gas leak _____ match _____ large unit _____?
 Will several _____ able _____ detect _____ gas leaks across _____ entire house _____ bigger system?
 Can a _____ gas _____ do _____ job as a bigger _____?
 Will the _____ sensors _____ detect natural gas leaks across _____?
 _____ several _____ detectors _____ against natural gas leaks as one _____?
 _____ multiple smaller _____ as _____ as one larger unit?
 _____ it possible for _____ detectors _____ also work _____ a _____ house?

_____ multiple tiny gas _____ sensors _____ as _____ as _____ house safety?
 Is _____ small gas leak _____ as _____ for _____?
 _____ small _____ gas _____ replace one _____ unit _____ the house's _____?
 _____ smaller gas leak sensors have _____ effectiveness _____ used throughout _____?
 Is _____ possible that several smaller _____ detectors _____ equally _____ the _____ space?
 Is _____ larger _____ gas device more efficient than _____ the _____ home?
 _____ possible that _____ smaller _____ systems work as well as a _____ large _____ make _____ safety _____ gas _____?
 Is it possible for multiple _____ leak detectors _____ just _____ effective _____?
 _____ multiple _____ monitors be _____ effective than _____ large detector?
 Is it worth _____ to have _____ smaller gas _____ detector when one _____ unit _____ be _____?
 Is _____ possible that several smaller _____ gas _____ single bigger unit throughout our _____?
 _____ sensors be able _____ detect _____ gas _____ entire house?
 Will the _____ be effective _____ natural _____ across _____ entire house?
 Is _____ possible to have a _____ of _____ leak detectors _____ one _____ household _____?
 The effectiveness of _____ single _____ in _____ entire _____ be compared with _____ gas _____ detectors.
 _____ leak detector _____ effective as _____ large one for the whole _____?
 _____ possible that _____ gas detectors will _____ as _____ as _____ bigger device?
 _____ various small _____ gas _____ or _____ it _____ to use _____ large _____ for the _____ house?
 _____ several _____ detectors match a _____ big unit _____ a _____?
 Is _____ for many _____ gas _____ to work _____ well as _____ unit?
 Do several _____ have _____ same _____ when _____ throughout the house?
 Will _____ small _____ detectors be _____ as _____ large detector?
 Can a _____ as well as a big _____?
 Is _____ better than a big one for the _____?
 _____ using _____ bigger unit for _____ house-wide _____ from _____ effective than _____ a bunch of _____ detectors?
 _____ it worth it to _____ smaller gas leak _____ when _____ bigger one _____ whole _____?
 Will _____ tiny natural gas _____ be _____ as _____ one _____?
 _____ possible _____ a group _____ small _____ detectors _____ work with one big unit _____ full _____?
 Will a _____ gas _____ be as effective _____ one big _____?
 Can several _____ gas detectors _____ big unit _____ safety?
 When a _____ unit can be used for the _____ it _____ sense to _____ leak _____?
 Does having _____ leak _____ the _____ level of _____ a single larger one in an _____?
 _____ it _____ that _____ smaller gas _____ detectors are just as _____ a _____?
 Will _____ of _____ leak detector be _____ for _____ units in a home?
 _____ it possible that multiple tiny natural gas _____ monitors _____ as _____ as _____ detector?
 Does several smaller alert systems work as well _____ single _____ ensure _____ gas _____?
 _____ it possible to install many small _____ gas _____ as _____ large _____ a _____?
 _____ it worthwhile to have _____ gas _____ detectors when one _____ the entire house?
 Would _____ leak detectors deliver the _____ efficiency as _____ in covering _____ area?
 _____ tiny _____ gas _____ monitors would be equally _____ to just using one _____ detector?
 _____ it _____ for _____ natural gas detectors to _____ for house safety?
 Can several _____ gas _____ detectors keep _____ with _____ larger _____?
 Is it possible _____ gas leak _____ deliver _____ effectiveness to a _____?
 Does _____ multiple smaller gas _____ sensors _____ same level of _____ one across an _____ residence?
 _____ several _____ alert systems work _____ a _____ large _____ to make sure _____ leaks?
 _____ it _____ for several smaller _____ detectors _____ perform _____ the entire home?
 _____ small _____ detectors work as _____ as a big one?
 Does multiple _____ the _____ level of _____ as a _____ larger _____ across an entire _____?
 _____ of small _____ leak detectors match _____ unit _____ a house?
 _____ several small sensors _____ at _____ natural _____ leaks across _____ house?

Is it worth buying _____ smaller gas _____ detectors _____ can _____ used _____ whole house?
_____ several smaller _____ leak _____ the same _____ as _____ bigger unit _____ our _____?
_____ possible for _____ gas _____ to work _____ as _____ as a big one for _____?
_____ a small gas _____ be _____ effective _____ a _____ one _____ the _____?

Do small _____ leak detectors work _____?

Do _____ smaller alert _____ work _____ tandem _____ a single _____ to _____ sure household safety _____?

Will the _____ a larger natural _____ detector _____ same for _____ units in _____?

Will the _____ of _____ big natural _____ leak _____ same for smaller units _____?

Do _____ small alert _____ work _____ well as a single _____ make sure _____ safety _____?

Does the _____ a _____ gas leak _____ to smaller units _____ a _____?

_____ big unit _____ protecting houses _____ effective _____ multiple _____ gas leak _____?

_____ several smaller _____ gas leak _____ perform the same _____ single, _____ unit _____ entire _____?

Is it better to _____ bigger _____ for _____ safety from natural _____ leaks _____ smaller ones?

Is _____ worth _____ smaller gas leak _____ one bigger unit can _____ used for all _____?

_____ the _____ of _____ natural _____ leak _____ be _____ same for _____ units in _____ house?

_____ smaller natural gas _____ detectors do the same _____ in _____?

Is multiple, smaller _____ effective as _____ large detector _____ home?

Do _____ smaller alert systems work as _____ single _____ to ensure _____ from gas _____

_____ multiple _____ gas _____ the same job _____ a single _____ an entire _____?

_____ worth _____ smaller gas _____ detectors _____ bigger unit can be used for _____ house?

_____ a _____ gas leak _____ work _____ to one big _____ for full household _____?

_____ that multiple, smaller gas _____ detectors _____ effective as one large _____?

_____ it _____ to install _____ gas detectors as _____ one large _____ a home?

_____ leak detector's effectiveness _____ same for multiple _____ in a _____?

Is the effectiveness _____ gas _____ the same _____ that of _____ whole _____?

Can _____ gas _____ be as _____ as _____ large one?

_____ smaller gas leak sensors the _____ level _____ as using _____ single _____?

_____ a _____ leak detector _____ to a _____ for the entire _____?

Is _____ gas leak detector _____ as good as a _____ for _____?

Can _____ smaller _____ gas _____ detector deliver _____ same _____ as a _____?

Does multiple smaller _____ work the _____ as _____ larger _____?

_____ gas leak detector's effectiveness the _____ multiple _____ units _____ house?

Do many small detectors provide _____ same _____ leaks _____ monitor?

_____ multiple _____ leak detectors _____ effective as _____ big one?

Can _____ small _____ one big _____ in _____ same house?

_____ alert systems work the _____ large unit to ensure _____ from _____ leaks?

Do _____ natural _____ leak _____ the same _____ as a _____ bigger unit?

_____ gas leak detectors _____ a big _____ in _____ home?

_____ a _____ of small _____ leak _____ full _____ coverage?

Can multiple compact gas leak _____ efficient _____ all-in-one _____ in my _____?

_____ many tiny _____ gas detectors _____ as _____ as _____ device?

_____ multiple _____ natural gas _____ be more _____ one larger unit in _____?

Would the _____ of one _____ gas _____ detector _____ multiple smaller units in _____ house?

Is one big natural _____ than _____ ones _____ a _____?

Will _____ natural _____ detectors be as effective _____ large unit in _____?

_____ leak sensors have _____ same effectiveness as _____ larger _____?

_____ it _____ to _____ multiple smaller gas leak _____ if _____ can be used _____ the _____?

_____ small _____ gas alarm _____ suffice, _____ would it _____ better to _____ detector for whole _____ use?

_____ multiple, smaller _____ leak _____ be as effective as _____ a _____?

Do _____ provide _____ protection against _____ gas leaks in every corner _____ one large monitor?

Is _____ possible to install numerous _____ gas _____ one large _____ in _____ house?

Will the effectiveness _____ multiple _____ gas leak detectors be the _____?

_____ several _____ leak _____ offer the same effectiveness _____ a _____?

_____ whole house, can _____ leak detectors _____?

Can there be more _____ natural gas _____ in _____?

_____ one big natural gas _____ than multiple _____ ones _____?

_____ small _____ detectors _____ just as well _____ one large unit in _____?

Do _____ gas _____ have the _____ effect when _____ households?

Is _____ small natural gas leak detectors to _____ as _____ large _____?

Will _____ effectiveness of _____ detectors be the _____ as _____ larger device?

Can _____ detectors be _____ effective as a _____ unit?

Can several _____ leak detectors do _____ of a _____?

Is it possible that small _____ detectors can _____ well _____?

_____ it _____ to _____ detectors as _____ as one large unit inside a _____?

Do _____ smaller gas leak _____ the _____ as _____ larger _____?

_____ a bigger unit _____ for _____ entire house, Is _____ it to _____ multiple _____ gas _____ detectors?

Is _____ all-in-one device more _____ than _____ small _____ my home?

_____ smaller _____ leak detectors be equally _____ large unit?

_____ possible that multiple, smaller gas _____ as _____ as a _____ detector?

Can a lot _____ leak detectors match _____ single large _____?

Is it possible _____ multiple _____ leak monitors _____ as effective _____ one large detector?

Can small _____ work _____ large house?

_____ it better to use a _____ for ensuring _____ gas leak than _____ many smaller _____?

Would _____ smaller _____ suffice, _____ is it better _____ a large detector for whole-house _____?

Is _____ possible _____ multiple _____ natural _____ leak monitors would _____ effective compared to _____ detector?

_____ possible _____ group _____ small gas _____ to work _____ big unit _____ full household coverage?

Do multiple small gas detectors _____ same _____ large unit _____?

_____ think it's worth it _____ multiple smaller gas _____ when one bigger unit _____ whole house?

Do _____ alert systems work _____ one _____ unit to _____ household safety from _____ leaks?

Is _____ effectiveness _____ a big _____ gas _____ same for smaller _____ a _____?

Does having _____ leak sensors provide the _____ of _____ as _____ larger _____ across _____ entire residence?

_____ smaller natural gas leak detectors do _____ as _____ larger _____?

Is it _____ for _____ tiny _____ gas sensors to _____ the _____ as _____ big device _____?

_____ several smaller _____ do _____ same _____ as _____ larger unit in our home?

_____ a _____ covering _____ whole _____ effective than _____ gas detection units?

_____ multiple _____ leak detectors _____ one large _____ in _____ house?

_____ multiple _____ gas leak _____ be _____ effective as a _____?

Can _____ the _____ a big one for the entire house?

Can _____ detectors be as effective _____ a _____ bigger _____?

Can several _____ gas _____ detector _____ effectiveness of a _____?

_____ smaller gas _____ detectors _____ well as _____ larger unit?

Will _____ smaller _____ be effective _____ natural _____ leaks _____ house?

_____ small detectors give equal protection _____ leaks _____ house compared to one large monitor?

_____ multiple _____ natural gas _____ effective as one larger _____ in _____?

Would various _____ natural _____ alarm systems _____ is _____ to get _____ large detector _____ whole-house _____?

_____ a _____ leak _____ do the _____ job _____ a large one?

_____ any _____ smaller _____ gas _____ detectors do _____ same _____ the larger unit in _____ home?

Is a _____ smaller _____ detector _____ effective _____ larger unit?

Can _____ gas leak _____ match _____ of one _____ unit _____ a _____?

Can _____ natural gas _____ in a house?

____ one ____ unit can be ____ for an ____ it worth ____ to ____ multiple smaller gas ____ ?
 Do ____ smaller alert ____ work ____ a ____ unit to check for ____ in ____ home?
 ____ it better ____ a ____ for ____ house-wide ____ from ____ leaks than ____ use many compact ____ leak detectors?
 ____ several small ____ to ____ natural ____ leaks ____ a whole house?
 Will many ____ detectors ____ as effective as ____ device?
 Can several smaller sensors detect ____ leaks ____ as a singular ____ ?
 Does a ____ small gas leak ____ work with ____ for ____ coverage?
 ____ lot ____ small gas leak detector ____ one big unit ____ ?
 ____ possible for many ____ natural gas sensors to ____ well ____ large device in ____ ?
 Can ____ leak detectors ____ as effective ____ larger unit?
 Is it ____ have many ____ detectors and one ____ in the ____ ?
 ____ be more ____ one small gas ____ that ____ the ____ a house?
 Can many ____ natural ____ perform ____ one big one ____ house?
 Do several small ____ detectors ____ the ____ way as ____ in the ____ ?
 Can multiple ____ leak ____ be as ____ unit?
 ____ having ____ smaller gas leak ____ give the same level ____ as ____ ?
 ____ to have many ____ sensors as ____ a bigger device ____ your house?
 ____ have ____ gas ____ detectors if one bigger unit can ____ for ____ entire house?
 Is ____ to have ____ natural gas sensors ____ well as a ____ in ____ ?
 Can ____ house ____ small ____ leak detectors match one ____ ?
 Can ____ leak sensors ____ to ____ unit ____ protecting houses?
 Do ____ systems work ____ well as ____ large unit to ____ for gas ____ in ____ ?
 ____ one bigger unit ____ be used for the whole ____ Is ____ worth it ____ gas ____ ?
 Will many ____ devices ____ equally ____ detecting gas ____ ?
 Is ____ possible ____ install ____ natural ____ detectors ____ well ____ large unit within ____ same house?
 Is a bigger ____ than a ____ for an entire ____ ?
 ____ smaller ____ just as effective ____ a large detector?
 Can ____ small ____ leak detectors ____ as a whole ____ ?
 ____ multiple tiny natural gas ____ monitors could ____ as effective as ____ detector?
 ____ several small ____ detectors ____ the same way as ____ larger ____ ?
 ____ smaller gas ____ detectors ____ be ____ detector in a home.
 Do ____ alert ____ do the ____ job as a ____ unit to ____ sure ____ from gas ____ ?
 ____ several ____ natural ____ leak detectors ____ the ____ throughout the ____ ?
 Can ____ leak ____ be ____ same as a whole ____ ?
 Will many ____ detectors ____ equally ____ compared ____ bigger device?
 Is ____ possible ____ multiple ____ detectors ____ well as one large ____ in ____ ?
 ____ multiple, ____ detectors ____ effective as ____ large detector?
 Would ____ gas ____ detectors deliver the same ____ device ____ corner of our residential area?
 Will the ____ tiny ____ gas detectors be ____ as ____ effectiveness of one ____ ?
 ____ effectiveness of one ____ gas ____ be different for ____ smaller units in ____ .
 One bigger unit ____ is ____ worth it to have multiple ____ gas leak detectors?
 ____ multiple smaller natural gas ____ detectors ____ effective as ____ ?
 Does it make ____ multiple ____ leak detectors, ____ one bigger unit can ____ for ____ entire ____ ?
 Is ____ many tiny natural ____ be just as ____ one ____ device?
 Is ____ install ____ natural ____ detectors as ____ as one large ____ in the ____ ?
 Do several smaller ____ single ____ unit work ____ to make sure household ____ leaks?
 Is it ____ to have ____ small natural gas ____ well ____ your house?
 Can ____ small gas ____ the ____ of ____ larger unit?
 Is ____ a group of ____ gas leak ____ work ____ unit for full ____ coverage.
 Is ____ natural gas ____ detector as effective ____ a ____ ?

_____ several _____ gas _____ well as a single larger unit?
 _____ gas sensors _____ as well as _____ device in _____ house?
 Is it _____ to have several _____ and a _____ to _____ sure _____ safety from _____ leaks?
 Is it possible that _____ gas _____ well _____ one _____ unit in _____ house?
 _____ possible that _____ natural _____ detectors _____ be just as _____ as _____?
 _____ small _____ gas _____ detectors work as _____ big unit for _____ household coverage?
 Can _____ natural gas _____ comparable _____ to _____ large unit?
 Does having multiple smaller gas _____ sensors give _____ level _____ as _____ the entire residence?
 Will multiple, _____ detectors have the same _____ a _____?
 Can many _____ natural _____ do _____ same job _____ a _____ in your _____?
 Can _____ gas _____ sensors be as effective _____ big _____ houses?
 Is _____ possible _____ multiple tiny _____ monitors to be just _____ effective as _____ large _____?
 Can many _____ leak detectors duplicate one big _____?
 Is it possible _____ have _____ natural gas _____ well _____ unit _____ a house?
 _____ the _____ a single larger natural _____ leak _____ same for multiple smaller units _____?
 Is _____ gas leak _____ just as good _____ one for _____ house?
 Will many _____ natural gas detectors _____ effective _____ device?
 _____ small natural gas sensors do _____ as a _____?
 _____ it possible _____ small natural gas detectors to work _____ in a house?
 _____ a lot of small _____ detectors _____ same efficiency _____ device?
 _____ natural gas leakage monitors _____ be _____ as one large detector?
 Can a _____ gas _____ the same _____ as a larger _____?
 Can _____ smaller _____ leak detectors _____ as effective _____ larger one?
 _____ small natural gas _____ work in the same _____ unit _____ the whole _____?
 Is it _____ for _____ of small _____ leak detectors _____ work _____ a _____ for _____ household _____?
 Does _____ multiple _____ gas leak detectors give the _____ level _____ efficiency _____ larger _____?
 Do several _____ gas leak _____ perform _____ as _____ bigger _____ throughout _____ home?
 _____ it _____ to _____ multiple smaller gas _____ when _____ bigger unit _____ the entire house?
 _____ many tiny natural _____ be _____ one big device?
 _____ throughout _____ do several _____ leak _____ offer the _____ effectiveness?
 Will _____ able to detect _____ gas _____ in an _____ house?
 _____ small _____ leak _____ match _____ single _____ one in _____ house?
 Will _____ smaller sensors be _____ detecting _____ across _____ entire house?
 Is _____ worth it to _____ multiple _____ leak _____ one bigger unit _____ be _____ whole house
 Is _____ unit for _____ entire _____ better _____ individual natural _____ detector?
 Can _____ gas _____ for a _____?
 Do _____ of small natural _____ detectors _____ well _____ one large _____?
 _____ the effectiveness _____ smaller natural gas _____ detectors _____ as one _____?
 Can many _____ gas _____ detectors be _____ big _____ a house?
 Can _____ of small _____ leak _____ in the _____ as _____ big unit _____ full household _____?
 _____ numerous _____ detectors _____ level _____ protection against natural gas leaks in every _____ of _____?
 _____ it possible _____ many small natural _____ to perform as _____ as one _____ in _____?
 _____ multiple _____ gas leak detectors _____ just as _____ as _____?
 Does _____ gas _____ the _____ as a larger unit?
 Is _____ to _____ multiple smaller _____ leak detectors _____ one bigger unit can be _____?
 _____ smaller natural _____ leak detectors _____ the same _____ as larger _____?
 _____ using a _____ for _____ house-wide _____ from natural gas _____ than using numerous _____ leak _____?
 _____ be _____ one tiny gas leak _____ compared _____ a big unit _____?
 _____ a big unit _____ compare _____ gas leak sensors?
 Is _____ smaller _____ detectors _____ effective _____ one large detector in _____?

____ many small ____ leak ____ match one ____ unit ____ a ____?

Is ____ possible for a group of small ____ leak ____ work ____ unit ____ full household ____?

Will ____ gas leak detectors ____ as ____ a single ____ one?

Do several smaller alert ____ work ____ well ____ a ____ to make sure ____ home ____ gas ____?

____ it ____ several ____ gas ____ sensors offer ____ same ____ when used ____ households?

Can ____ small natural ____ replace a ____ one ____ a house's ____?

____ group ____ small gas leak ____ work ____ same ____ large unit for ____ household coverage?

Will several ____ detecting ____ gas ____ across the entire house?

Does ____ multiple smaller ____ leak sensor provide ____ same level of ____ single larger ____ entire ____?

Is it ____ small natural gas ____ well as ____ throughout a house?

____ smaller sensors be able ____ detect natural gas leaks ____?

____ multiple gas leak ____ the same ____ a big unit ____?

Do ____ one small ____ equal protection ____ natural gas ____ in ____ of ____ residence?

____ individual natural gas detectors perform as ____ as ____ for the ____?

____ of small devices be ____ gas leaks in ____?

____ using one bigger ____ for ensuring ____ from potential ____ more ____ lots ____ leak detectors?

Since ____ unit ____ be ____ for the ____ is it ____ have multiple smaller ____ leak detectors?

Will ____ sensors be ____ to detect ____ gas ____ the ____ house?

Can several ____ natural gas ____ to ____ large ____?

____ several ____ gas leak ____ deliver the same effectiveness ____ bigger ____?

When a bigger ____ be used for an entire ____ multiple ____ leak detectors?

Can ____ natural gas ____ replace one ____ a house's ____?

____ it ____ alert systems ____ a ____ large unit to ensure household safety ____ gas ____?

____ a group of small ____ as well as ____ unit?

Is it worth having multiple smaller ____ you ____ one bigger unit ____ house?

Is ____ many small natural gas detectors and ____ in ____ same ____?

Smaller individual ____ gas ____ may ____ better than ____ unit ____ an _____.

Can ____ match ____ effectiveness of a larger ____ in ____ house?

____ it possible that ____ are equally effective as one large ____?

Can several ____ natural gas leaks ____ house?

____ smaller gas leak detectors ____ as effective ____ a home?

____ multiple, smaller ____ detectors ____ as ____ as a ____ in a ____?

____ than one ____ give the same ____ against ____ gas ____ in ____ of your house?

____ gas ____ work the ____ as ____ big ____ the whole house?

____ the effectiveness ____ gas leakage monitors the same ____ using one large ____ all ____?

Is it better to ____ a ____ unit ____ house-wide ____ from ____ to ____ compact leak detectors?

Is it possible that multiple tiny ____ gas leak monitors could ____ to ____?

____ smaller ____ gas ____ detectors ____ same job ____ a single, bigger ____ inside ____ home?

Will ____ natural gas leak ____ be the ____ multiple smaller ____ in a house?

Can multiple smaller ____ detectors be ____ as ____ as ____?

A ____ detector ____ home might ____ more efficient ____ a small ____ alert.

____ multiple small ____ gas detectors ____ a larger ____ safety?

____ the ____ of ____ big unit for protecting ____ that of ____ gas leak ____?

When ____ unit ____ be ____ the entire ____ does it ____ sense to have ____ smaller ____ detectors?

Is ____ a ____ unit ____ ensuring ____ from natural gas leak more effective ____ numerous ____?

Can a group of ____ gas ____ detectors ____ a single ____ for full ____ coverage?

____ a group ____ small ____ work along ____ unit for ____ household coverage?

____ small gas ____ detectors work as well as ____ house?

Is it possible ____ smaller ____ leak detectors will be as ____?

____ several smaller ____ work ____ as ____ single large ____ protect against gas leaks ____ the ____?

Is it possible _____ a group of _____ detectors to _____ as _____ a _____ big _____?

Do _____ smaller _____ offer the _____ as one _____ unit?

_____ the effectiveness _____ one _____ be similar for multiple smaller units in _____?

One _____ can _____ used _____ is it _____ it to _____ multiple smaller gas leak detectors?

Can _____ small gas _____ to _____ big _____ for _____ houses?

Do _____ smaller _____ systems _____ same _____ large one _____ make _____ household safety from _____ leaks?

_____ it _____ to install _____ gas detectors as _____ one large _____ a house?

_____ work equally _____ well _____ a single large unit _____ ensure household safety from _____?

_____ leak sensors _____ the same effectiveness _____ bigger unit?

Can multiple _____ natural gas _____ as _____ as _____ single _____ detector?

_____ multiple _____ leak detectors be as effective _____ one large _____ entire _____?

Will _____ gas _____ detectors _____ as larger ones?

_____ possible _____ smaller natural _____ leak detectors to do _____ as a _____ unit in our _____?

Will smaller _____ natural gas _____ perform better _____ larger _____ for _____?

_____ of small _____ leak detector match a _____ unit _____ house?

Will _____ small _____ be able to _____ leaks _____ a single _____?

_____ effectiveness of many _____ natural gas detectors be _____ of _____ device?

Is it possible to have a _____ of _____ gas _____ detectors _____ a _____ full _____?

Is _____ worth it _____ multiple _____ gas leak _____ unit can be used for an _____?

Could multiple _____ gas _____ monitors be as effective _____ a _____?

Can _____ of _____ gas _____ provide full household _____?

_____ small _____ leak detectors be as effective as _____ single _____?

Can _____ small _____ leak detectors _____ the _____ effect _____ single large _____?

Will _____ group _____ small _____ detectors _____ with one _____ unit _____ full household _____?

Is it possible that _____ gas _____ can _____ effective as a _____?

Is it better _____ bigger unit _____ ensuring house-wide safety _____ natural gas _____ use numerous _____?

For _____ house's overall _____ can _____ natural _____ a larger unit?

_____ a _____ gas leak detectors _____ in _____ to a big _____ full _____ coverage?

_____ large _____ in _____ will _____ effective as _____ smaller _____ leak detectors.

_____ several _____ alert systems _____ a _____ large _____ to ensure _____ from gas _____?

_____ multiple _____ gas _____ detectors do _____ same _____ as a single _____?

Do several _____ systems _____ in concert with a single _____ to ensure _____ leaks?

Can _____ detectors _____ one big unit in _____ house?

Will _____ sensors be _____ to _____ gas _____ across a _____ a _____ system?

Can many _____ detectors be _____ effective as one _____ device _____ household?

Will several smaller _____ to detect natural gas _____ across _____ entire _____ like _____ bigger _____?

Is _____ better _____ use one bigger unit for ensuring house-wide safety _____ use _____ smaller _____?

Will _____ natural gas detectors _____ as _____ for a full _____?

_____ small _____ gas _____ detector _____ the same effectiveness _____ a _____ one?

Is _____ natural gas _____ across _____ whole house _____ a few smaller _____?

When one larger _____ be _____ for the _____ house _____ it _____ multiple smaller gas leak _____?

_____ the _____ one _____ natural gas _____ detector differ _____ units in a _____?

_____ it worth having multiple smaller _____ leak detectors _____ one _____ unit _____ used _____ whole _____?

_____ multiple tiny _____ leak _____ compare _____ performance _____ a _____ unit for protecting _____?

_____ the _____ of _____ natural gas leak detector _____ the same _____ smaller _____ in _____?

_____ multiple smaller _____ gas leak detectors _____ as well _____ one _____ unit _____?

Do several _____ natural _____ leak _____ perform _____ to _____ single _____ in _____ home?

_____ possible _____ gas leak detectors will be _____ as _____ large _____?

_____ a lot of _____ detectors give you _____ same _____ leaks as _____ large _____?

_____ a _____ smaller _____ as effective as a large _____ in _____?

____ small ____ leak ____ match ____ of a ____ unit in a house?
 ____ smaller ____ natural ____ detectors ____ as ____ as ____ larger ____ in ____ entire home?
 Is it ____ multiple ____ gas leak detectors ____ one ____ unit ____ be ____ the ____ house?
 Is it worth ____ multiple smaller gas ____ when ____ bigger ____ be ____ a house?
 Does ____ small natural gas detectors work ____ a ____ large unit ____ a ____?
 ____ smaller gas leak detectors just ____ effective ____ large ____?
 ____ having multiple smaller gas leak ____ the ____ of ____ as using a ____ larger ____ entire ____?
 ____ using one bigger ____ ensuring house-wide safety from natural ____ than ____ many smaller ____?
 Can ____ of small gas ____ for ____ house?
 Can ____ small ____ gas sensors ____ well ____ single ____ device?
 Do many ____ natural ____ leak detectors work ____ one ____ for ____ safety?
 Will smaller natural ____ perform better than ____ larger ____ home?
 ____ multiple ____ detectors deliver ____ same ____ one ____ device ____ covering every ____ of the house?
 For ____ household coverage, can ____ small ____ leak detectors work with ____?
 ____ it worth it ____ smaller ____ when one larger unit can ____ used ____ the ____ house?
 ____ multiple ____ gas leak ____ match ____ performance ____ a ____ protecting houses?
 ____ smaller gas ____ sensors have ____ used throughout ____ house?
 ____ there any ____ between one larger ____ for ____ whole ____ multiple ____ leak ____?
 ____ the smaller ____ better than the larger ____ an entire home?
 ____ mini ____ detection units work ____ a bigger device?
 Is ____ multiple ____ detectors as ____ as ____ larger ____ device for my ____?
 Do ____ gas ____ same ____ as a bigger unit?
 Do ____ work ____ same as one large detector?
 ____ smaller ____ systems ____ the same as ____ large ____ to ensure ____ from gas leaks.
 Is it ____ to have many natural ____ device in your ____?
 ____ smaller alert ____ work the ____ large unit to check ____ leaks?
 Would several ____ gas leak detectors ____ the same ____ single ____ in covering the ____?
 Can multiple smaller ____ as good as one ____?
 Will ____ natural ____ detectors ____ a ____ unit for an entire home?
 ____ to a singular ____ will several smaller sensors detect ____ leaks ____?
 Is ____ possible ____ have ____ of small gas ____ one big unit ____ full ____ coverage?
 Is it ____ it to ____ smaller ____ detectors ____ you can use ____ bigger ____ for ____ entire ____?
 ____ many ____ natural gas detectors ____ the ____ as ____ unit ____ the ____?
 Does ____ smaller ____ leak ____ give ____ same level of ____ as using a single larger ____?
 Can multiple smaller ____ as effective ____ larger unit ____ a ____?
 ____ gas leak ____ deliver the ____ as a ____ larger unit?
 When one big unit ____ used for the ____ it worth ____ multiple ____ leak detectors?
 ____ several ____ alert ____ well as ____ single ____ unit to protect ____ leaks in ____ house?
 Smaller ____ detectors ____ perform better than ____ larger ____ for an ____
 ____ it possible ____ several ____ alert ____ a ____ unit to ensure household safety ____ gas ____?
 ____ small ____ leak detector work in the ____ way ____ big one ____ house?
 Can multiple ____ leak ____ effective as a ____ one?
 Do many ____ natural gas detectors ____ well as ____?
 Can ____ of small ____ leak detectors work ____ big unit for full ____.
 Can ____ small natural gas ____ do ____ same job ____ one ____ house?
 Will ____ sensors be able ____ natural gas leaks across ____?
 ____ small ____ give the ____ protection ____ gas leaks as one ____?
 Do several ____ leak sensors work ____ bigger unit?
 ____ several ____ gas leak detectors ____ the ____ a ____ unit?
 Can ____ smaller ____ detectors ____ as effective ____ one ____ detector ____ a ____?

Do many _____ the same level of protection _____ as one _____ monitor?
 _____ natural gas _____ the same _____ as _____ single unit for an entire _____?
 Is it _____ several _____ sensors _____ detect natural _____ in a _____?
 For a house's _____ several small _____ gas detectors _____ one _____?
 _____ several small gas _____ detectors _____ as _____ as _____ large unit _____ house?
 _____ worth having several smaller gas _____ detectors _____ bigger unit can _____ the _____ house?
 _____ gas _____ be _____ effective as a single unit?
 _____ several small _____ gas detectors _____ a _____ for _____ safety?
 Will _____ devices _____ equally _____ detecting _____ leaks in _____ home?
 Can a bunch _____ gas _____ detectors _____ big unit?
 Can _____ smaller _____ detectors _____ as _____ as a larger _____ in _____?
 _____ it possible _____ a group of small gas _____ detectors as _____ one _____ household coverage?
 _____ it _____ tiny natural _____ would be equally _____ as a _____ large detector?
 Can _____ gas leak detectors match one _____ unit _____?
 Is _____ it _____ multiple smaller gas leak detectors when you can _____ one _____ whole _____?
 Can a _____ leak _____ work the same _____ bigger _____?
 _____ small sensors _____ able to _____ leaks in an entire _____?
 Can _____ gas _____ detectors _____ effective as _____ single big _____?
 Would multiple small _____ the _____ one large _____ covering the entire area?
 Is using _____ bigger unit for ensuring house-wide _____ from natural _____ more _____ ones?
 Will _____ detectors be as effective _____ device?
 _____ a small _____ leak detectors work _____ house?
 _____ small _____ detector _____ in _____ house?
 Do many _____ gas leak detectors _____ single, bigger unit in _____ home?
 _____ that _____ smaller gas _____ detectors will _____ as _____ as a single _____?
 Is _____ small _____ leak detector _____ for _____ whole house?
 Is it _____ have multiple _____ gas leak _____ when _____ bigger _____ be _____ a _____ house?
 Is _____ possible _____ several smaller alert _____ and a _____ to _____ safety _____ gas leaks?
 Is _____ for lotsa small _____ to _____ for a _____?
 Is _____ possible that _____ smaller _____ leak _____ be just _____ as _____ unit?
 Can _____ smaller natural _____ leak _____ the same _____ as _____ unit?
 _____ smaller gas leak detectors be _____ effective as _____?
 Do _____ small _____ gas _____ as a single _____ unit in a _____?
 Can multiple _____ gas _____ detectors _____ as effective as _____?
 _____ sensors _____ the same level _____ efficiency _____ a single _____ one across an _____ residence?
 Can _____ small _____ leak detectors do the _____ job _____?
 _____ smaller gas leak _____ the same level _____ as using a _____ larger _____?
 I wonder if small _____ detectors _____ used _____ a _____.
 _____ several smaller alert _____ work _____ well _____ single _____ to _____ sure you _____ safe from gas _____?
 _____ possible that multiple, _____ gas leak detectors _____ effective as one _____?
 Will _____ natural _____ leak _____ be the same _____ various smaller units in a _____?
 _____ multiple _____ leak detectors _____ efficient as a _____ all-in-one _____ for my _____?
 Is _____ one bigger _____ house-wide safety from _____ gas _____ than using _____ of compact _____ detectors?
 Will gas _____ detectors _____ whole _____?
 Is it _____ that _____ natural gas _____ could _____ just _____ effective as _____ single _____ detector?
 _____ several small gas leak _____ same _____ a single larger _____?
 _____ it _____ install _____ gas detectors and _____ large unit in _____ house?
 _____ it _____ for _____ smaller _____ to be effective in _____ same space?
 _____ many small _____ gas detectors _____ same _____ one _____ unit when _____ throughout _____?
 _____ used throughout households, _____ leak _____ offer _____ same effect?

Do several smaller _____ detectors _____ the _____ as a _____ in _____ home?

Does _____ multiple _____ sensors give the same level _____ a single _____ one across _____ residence?

When one large _____ can be used _____ an entire _____ is it _____ detectors?

Can _____ natural gas _____ large one for a _____?

_____ multiple small detectors _____ against _____ in every corner of your _____ to one _____ monitor?

Does multiple _____ gas _____ sensors _____ same level _____ as _____ larger _____ across the house?

Is it _____ install _____ gas detectors _____ well _____ large _____ a house?

_____ smaller sensors _____ natural _____ leaks across a _____?

Can _____ tiny _____ sensors give _____ performance as _____ unit for _____ houses?

_____ one _____ can be _____ entire _____ it _____ having _____ smaller gas leak detectors?

Will _____ natural gas _____ better than _____ larger _____ an _____ home?

_____ lots _____ small gas _____ detectors _____ in a _____?

Is _____ that the _____ gas leak detectors are _____ as the _____?

When one bigger unit _____ used for _____ entire _____ it worth _____ to _____ gas _____ detectors?

Do _____ natural gas _____ the _____ job in _____ same _____ as a single, bigger _____?

Do several smaller alert systems _____ as well _____ large unit _____ household _____ from _____?

_____ several smaller _____ sensors work the _____ big unit?

Do _____ few smaller alert systems _____ as a single large _____ to _____ sure _____ leaks?

_____ multiple _____ gas leak _____ match _____ performance _____ a _____ for houses?

Is it worth it _____ smaller gas leak _____ larger _____ used for the whole _____?

_____ it possible _____ multiple, _____ gas _____ detectors can _____ as _____ single _____ detector?

_____ possible for multiple _____ gas leak detectors to _____ as _____ large _____?

_____ detectors give _____ protection _____ natural _____ leaks as _____ ones?

_____ having multiple _____ give _____ same level of efficiency _____ a _____ large one?

Can a _____ gas _____ detector be _____ a _____ one _____ whole house?

Smaller individual _____ detectors _____ perform _____ larger unit in _____ entire _____

Will the effectiveness of a _____ detector _____ the same for _____ a house?

_____ it _____ gas leak _____ can _____ as _____ as a larger unit?

_____ a lot _____ small gas _____ do _____ same job _____ large unit?

_____ sensors be able _____ natural gas leaks _____ same way as _____ singular bigger _____?

_____ it better to _____ bigger unit for ensuring _____ potential leaks than _____ use numerous _____ natural _____?

_____ multiple _____ natural gas leak detectors be as _____ a _____ larger _____ an _____?

Is _____ multiple _____ natural gas leak _____ compared to one large detector?

_____ lots of small gas _____ detectors _____ one _____?

Can a group of _____ leak detectors _____ in _____ for full _____ coverage?

_____ the performance of a _____ for _____ houses match _____ of _____ gas _____ sensors?

_____ smaller alert _____ as _____ as _____ single _____ unit to check for _____?

For a _____ safety, _____ detectors replace _____ larger unit?

_____ multiple _____ gas leak detectors be as _____ a single _____ a large _____?

_____ many _____ detectors give equal protection against natural _____ one large monitor?

_____ multiple _____ natural _____ detectors _____ as effective _____ one _____ unit for _____ house?

_____ small _____ detectors compete with a single _____ in _____ house?

_____ it possible for a small _____ gas _____ to _____ efficient _____ bigger _____?

_____ a _____ of small _____ provide the _____ gas leaks as _____ large monitor?

_____ several smaller natural _____ do _____ job _____ bigger one in _____ home?

Can multiple _____ gas leak sensors _____ the _____ as _____ that _____ houses?

_____ gas leak _____ in the same _____ ones for _____ whole house?

_____ leak detectors _____ as _____ as _____ single larger unit?

_____ lots _____ small _____ leak detectors _____ in a house?

Is _____ that many _____ gas detectors will be more effective _____?

_____ small gas _____ as well _____ large unit in a house?

Can _____ of small _____ match a _____ big unit in _____?

Is _____ possible to have _____ natural _____ sensors _____ as one large _____ your _____?

_____ multiple, smaller gas _____ detectors be _____ detector in the _____?

Will many small _____ be _____ at _____ in your _____?

Will a smaller natural _____ larger _____ an entire home?

_____ several smaller _____ leak sensors work _____ the _____ one bigger _____?

_____ several _____ gas _____ offer the _____ effectiveness as _____ unit?

Can _____ gas leak _____ in the same way _____ a large _____ full household _____?

_____ multiple smaller gas leak _____ be _____ effective _____ one _____ a _____?

_____ of small gas _____ match one big unit _____ a _____?

Is _____ possible _____ multiple smaller _____ be _____ effective as _____ single larger unit?

Is _____ possible for many _____ gas _____ perform as _____ as one bigger _____ your _____?

Is it worthwhile _____ smaller gas leak _____ a _____ can be used _____ entire _____?

Is _____ effectiveness _____ one _____ natural _____ detector the same as for _____ in _____ house?

_____ natural _____ detectors deliver comparable effectiveness to _____ unit?

Can _____ gas leak detectors deliver _____ same _____?

Does it _____ sense to have _____ smaller gas _____ detectors _____ a _____ used for _____ entire _____?

_____ that _____ tiny natural gas leak _____ as effective as one _____?

Smaller individual _____ may _____ larger _____ for an entire home

Smaller individual natural gas _____ might perform _____ larger _____ home.

Can _____ natural gas leak detectors _____ level of _____ a single _____?

_____ leak sensors have _____ same effectiveness when _____ house?

Can _____ small gas _____ one big unit in _____?

Can the effectiveness of a _____ gas leak _____ same for _____ a _____?

Do _____ of small natural _____ detectors _____ as _____ large _____ in _____ house?

Can _____ small _____ gas _____ a large one for _____ safety?

_____ several small natural gas _____ be _____ a large _____?

_____ many _____ natural gas detectors _____ the same job _____?

_____ gas leak _____ the same efficiency as _____ large _____ in _____ every _____ of the residential _____?

Is _____ smaller natural _____ leak detectors to _____ the _____ entire home?

Is it _____ to _____ multiple small _____ detectors _____ one _____ throughout _____ house?

Is _____ effectiveness _____ larger _____ gas _____ different _____ multiple smaller _____ in _____ house?
