

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Warranty Providers
Inquiry Category	Concierge services and roadside assistance questions
Inquiry Sub-Category	Battery jump-start
Description	Explanation of the battery jump-start service provided through roadside assistance, including instructions on how to request assistance and any limitations or exclusions regarding battery type or age.
Data Size	5,184 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Warranty Provider" customer inquiry. (Purchased data will not be masked.)

Are _____ limitations or exclusions _____ a _____ jump-start based _____ type _____ battery?

Is there _____ on _____ jump _____ of _____ battery model?

_____ the _____ of battery _____ for a jump-start?

Is it _____ request _____ boost start _____ certain _____ batteries?

_____ type of battery change _____ a _____ service?

Does _____ affect _____ receiving aid for _____ have a different _____ battery?

When seeking _____ limited _____ batteries?

_____ I not _____ a jump-start due _____ battery _____ or _____?

Any _____ of batteries _____ they can start?

_____ it _____ request a _____ jump-start _____ on _____ particular battery?

Does the _____ of battery _____ an affect _____ how _____ be _____?

_____ type of _____ jump-start _____?

Do the _____ affect _____ eligibility for a _____ service?

Is it _____ request a _____ for a _____.

Is it _____ to _____ a battery _____ battery _____?

Is the battery _____ factor _____ limitations?

When asking _____ a _____ do _____ types _____ limits?

Will _____ when _____ to start _____ car based _____ battery _____?

_____ for _____ boost, _____ it limited to _____ types _____ batteries?

_____ are _____ and exclusions _____ asking for a jump-start based _____.

Will certain _____ difficult to request _____ start?

_____ the type of _____ restrictions?

Does the type of _____ have an effect _____ approved _____ a _____?

Are _____ restrictions for _____?

_____ request _____ batter variety?

_____ the type _____ affect _____ for _____ jumpStart service?

_____ are limits or _____ for a jump-start _____ type _____ battery.

Is there _____ exclusion _____ requesting _____ jump-start based _____ type?

_____ the _____ of battery _____ start _____?

I need _____ my _____ particular _____ of _____ sort _____ limitations can _____?

_____ need _____ starting _____ car's _____ of _____ what are the limitations?

When _____ a _____ battery types face limitations?

Does the _____ of _____ have _____?

_____ car's particular kind _____ what sort of limitations can be _____?

If _____ batteries are _____ could there _____ getting a battery _____?

When asking for a jump, do _____?

Is it _____ get a _____ jump-start depending _____ the _____?

Are any _____ of batteries _____?

_____ of batteries may _____ on requesting _____ start.

_____ type of _____ affect _____ jump-start _____?

Do _____ limits for jumping?

Is there _____ a _____ because of _____ types?

Can I _____ jump-start _____ battery type is _____?

_____ types face _____ it comes _____ asking _____ a jump?

Will _____ battery _____ my eligibility for a _____ Request _____

_____ it _____ to _____ looking for a _____?

Does _____ type _____ battery _____ to jump start a _____?

_____ battery _____ limits _____ requesting _____ jump?

_____ does the battery type have _____ start _____?

When _____ for _____ jump-start, can _____ have _____ or _____?

Do _____ limitations _____ asked for a jump-start?

_____ an exemption _____ certain _____ when _____ to requesting a boost start?

Is specific _____ jumping _____?

Do specific batteries _____ with _____ for a _____?

_____ jump-start, could different battery _____ restrictions?

Do _____ battery types _____.

_____ the _____ of _____ affect my eligibility _____ a _____?

_____ requesting _____ jump-start _____ specific batteries have _____ exclusions?

_____ what the rules _____ asking for a _____ based _____ the _____ battery.

_____ restriction on _____ a jump-start _____ different _____ types?

Can _____ of _____ affect my _____ for _____ jump _____ service?

Is _____ a _____ get a jump-start _____ the battery in _____?

Is _____ types _____ battery _____ affect eligibility for _____ jump _____?

_____ have constraints _____ place _____ start?

Any batteries with _____?

_____ of _____ affect _____ eligibility for a _____ request service?

_____ types might _____ restrictions _____ requesting a _____.

_____ be _____ or exclusions _____ requesting a jump-start _____ of battery?

There _____ on jump-starting.

_____ the type of _____ effect my eligibility _____ a _____?

_____ there be any _____ or exemptions _____ a _____ from certain _____ batteries?

Is _____ constraints _____ certain _____?

_____ type _____ I'll _____ able to take a jump start _____?

_____ on the battery type, _____ be restrictions or _____ a _____?
