

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Rust developing on car body
Inquiry Sub-Category	Guidance on rust inspection and detection
Description	Customers are looking for guidance on how to inspect their car for early signs of rust, which areas are more prone to rust, and how to identify hidden rust before it becomes a major issue.
Data Size	5,196 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

How can ____ differentiate ____ blemishes ____ actual structural ____ extensive rust formation?

Is ____ between shallow ____ and severe rust-Caused ____?

Is there any ____ differentiating severe ____ damages ____ flaws?

Do ____ advice ____ severe rust-Caused damages from ____ cosmetic ____?

____ can I ____ the ____ one caused by extensive ____ by ____ cosmetic flaws?

____ it possible ____ distinguish between superficial ____ structural defects caused ____?

____ can ____ do ____ differentiate between simple scratches ____ destructions?

I ____ know ____ to distinguish between ____ and ____.

How do i distinguish ____ one ____ extensive ____ and the ____ by ____?

Is it possible for ____ differentiate between ____ defects ____ structural ____ advanced ____?

How am ____ differentiate between superficial defects and ____ structural ____?

____ do ____ distinguish ____ one caused ____ extensive ____ formation and ____ other ____ a surface level ____.

____ I use ____ surface-level ____ due to cosmetics ____ harm from ____ rusting?

____ structural issues that ____ coming from excessive ____?

Is ____ distinguish ____ structural damage due to severe rusting?

____ are ____ between ____ flaws and ____ harm ____ rust formation?

How can ____ differentiate ____ structural ____ by ____ and external ____?

Is ____ possible ____ blemishes and rust damage.

____ do ____ two, ____ caused ____ extensive rust ____ the ____ by surface-level cosmetic issues?

____ I distinguish ____ caused by extensive ____ external flaws?

What are the signs that help ____ defects due ____ cosmetics ____ extensive rusting?

____ it ____ to ____ and structural ____ caused by advanced ____?

What are ____ differences between the ____ rust formation and ____ by surface-level ____ defects?

I want to ____ is a way ____ tell if the visible ____ are ____ a sign ____.

How ____ distinguish between structural ____ by rust ____ external ____?

Is ____ possible for you to ____ superficial defects and ____?

Can ____ if ____ a superficial scratch ____ a real ____?

How ____ differentiate between ____ problems caused ____ and external ____?

How _____ distinguish _____ caused by rust _____ external ones?

How do _____ know _____ structural _____ arising _____ rusting?

_____ know how to distinguish _____ one _____ extensive _____ formation and _____ by surface-level cosmetics.

_____ difference between the _____ rust _____ the major structural issues?

_____ to _____ how to distinguish _____ two, one _____ by _____ rust _____ the _____ by _____ defects.

_____ can you distinguish just surface _____ deterioration?

_____ I _____ the two, one caused _____ rust _____ and _____ by surface-level cosmetic _____

_____ need help telling _____ flaws from the _____ by rust.

How _____ one tell _____ just _____ or _____ sign of _____ harm _____ by intense rusting _____?

_____ you Distinguishing surface _____ and _____ rust _____ structural degradation?

Is there _____ between the structural harm caused _____ rust _____?

Distinguishing _____ and _____ harm due to _____ is difficult.

_____ the difference between _____ one _____ extensive rust _____ the _____ by surface-level _____?

How can we _____ between _____ surface scratches and _____?

_____ do I _____ the two, _____ by extensive rust _____ and _____ other _____ a surface _____ blemish?

_____ it possible _____ tell shallow issues from _____ caused _____ excessive _____?

_____ it _____ between _____ cosmetic blemishes _____ actual _____ damage _____ by extensive _____ formation?

Can you _____ me the differences between small flaws _____?

How _____ I _____ the _____ between _____ two, one caused by _____ a surface _____ aesthetic blemish?

Is _____ on differentiating severe _____ damages _____ cosmetic flaws?

_____ there _____ difference between cosmetic blemishes _____ serious _____?

What _____ help me differentiate _____ defects due to _____ structural _____ extensive _____?

Is _____ difference _____ damages and shallow cosmetic _____?

How _____ a _____ determine _____ blemish or _____ of _____ harm caused by intense rusting _____?

_____ tell the difference between _____ spots _____ structural problems.

What is the _____ to differentiate _____ surface _____ deep- _____ destructions?

_____ the _____ way to differentiate _____ surface _____ and deep-seated _____?

_____ there a difference between _____ damage _____ deep structural _____?

Is _____ to _____ scratches from the serious _____ issues?

_____ do _____ two, _____ caused by extensive _____ formation and the _____ blemish?

_____ a difference _____ structural _____ by severe _____ and cosmetic imperfections?

_____ can _____ an outer _____ or evidence of _____ structural harm _____ by intense rusting _____?

I don't _____ if I _____ difference _____ a _____ rust damage.

How can I distinguish between _____ damage caused _____?

What _____ I do _____ the _____ one _____ by extensive rust _____ other _____ a surface-level _____ speck?

_____ the difference _____ tiny rust spots _____ structural issues?

_____ a way to tell if _____ visible _____ merely _____ or an _____ rust-inducing destruction?

_____ there a way _____ if _____ blemishes are _____ of advanced rust-induced destruction?

How _____ I tell _____ difference between _____ superficial _____ and structural _____ rust _____?

_____ do I know _____ issues are _____ from excessive _____?

_____ there _____ to tell if the _____ blemishes are cosmetic _____ rust-induced destruction?

_____ flaws and deep _____ related _____ degradation.

How do I _____ two, _____ extensive _____ and the other by _____ surface level _____?

How am _____ to _____ between _____ structural _____ from rust?

_____ can I tell _____ a _____ level _____ and _____ damage from _____ formation?

Is it _____ to distinguish between _____ by rusting _____?

_____ you tell _____ if it's a _____ serious _____ damage?

Is _____ diff between structural flaws from _____?

_____ surface _____ are just _____ signs of _____ do I know?

_____ help _____ apart small cosmetic flaws from _____ caused _____ rust.

I need _____ how _____ caused _____ extensive rust formation and _____ other by _____ level flaws.
 Is it _____ to _____ blemishes and _____ damage caused by extensive _____?
 Can you tell me _____ structural _____ by rust?
 _____ can I distinguish between _____ caused by _____ rust _____?
 _____ distinguish _____ serious structural issues _____ are _____ excessive rusting?
 _____ it _____ tell _____ structural deterioration _____ by _____ rust and external _____?
 How do _____ know what _____ for _____ are _____ issues _____ from excessive _____?
 Can _____ tell the _____ blemish _____ rust damage.
 _____ to distinguish the two, _____ caused _____ rust formation and the other _____ speck.
 _____ the _____ between _____ spots and big structural issues?
 _____ me if it's a superficial scratch _____ rust _____?
 _____ can I _____ structural problems are _____ rust?
 How do I _____ the _____ extensive _____ and the _____ by surface-level cosmetic _____
 _____ way _____ distinguish severe rust-Caused damages _____ cosmetic imperfections?
 Is it _____ to differentiate _____ surface-level _____ and structural _____ rust _____?
 Is it possible _____ discern _____ there's merely _____ flaws _____ critical _____ by _____?
 _____ you _____ it's a superficial scratch _____ rust damage?
 How _____ you distinguish just surface _____ rust _____ degradation?
 _____ the _____ by rust formation and cosmetic imperfections?
 Distinguishing _____ scars _____ deep _____?
 _____ differences _____ surface scratches _____ deep-seated rust-related destructions.
 What are the _____ and structural damage _____ formation?
 _____ do I _____ the two, one caused by _____ rust _____ and the _____ surface-level _____?
 Is there _____ tell apart minor _____ serious rust _____.
 How am I able _____ superficial _____ structural _____ from rust _____?
 Can you tell _____ difference _____ cosmetic flaws _____ damage _____ rust?
 _____ don't _____ to _____ the two, one caused _____ extensive _____ formation _____ the other _____ surface level _____.
 Is _____ possible _____ between superficial defects _____ by advanced rusting?

 _____ the difference between structural _____ by rust and _____?
 _____ do _____ the _____ one caused by extensive rust _____ and _____ surface level aesthetic _____?
 Is it _____ between _____ and _____ harm _____ by rust?
 _____ differences between superficial _____ and _____ damage from rust _____?
 _____ might I _____ between _____ structural harm caused _____ formation?
 Is _____ between just _____ and structural _____ emerging _____ rusting?
 _____ want to _____ tell the two, _____ caused _____ extensive rust formation _____ by surface-level _____ defects.
 _____ there _____ the visible blemishes _____ merely _____ a sign of advanced rust-induced destruction?
 Is _____ difference between _____ two, _____ caused by _____ formation and the _____ a surface _____?
 How do I differentiate the _____ caused by extensive _____ formation _____ surface _____?
 Is _____ to _____ superficial cosmetic _____ problems caused by advanced _____?
 How do _____ issues that _____ from excessive _____?
 _____ differentiate _____ cosmetic issues from _____ serious damage caused by excessive _____?
 _____ there a _____ distinguish _____ superficial _____ and _____ defects _____ advanced rusting?
 Is _____ a _____ differentiate _____ surface _____ and rust-related _____?
 _____ difference _____ cosmetic blemish _____ serious rust damage?
 _____ can we differentiate between simple _____ and _____ destructions?
 _____ there a _____ between _____ structural damage caused by rust _____?
 What signs _____ differentiate _____ surface-level defects _____ to cosmetics _____ structural harm caused _____ rusting?
 _____ you tell _____ difference between _____ and _____ damage _____ by rust?
 How _____ distinguish between _____ defects and structural damage _____ formation?

Is _____ to tell _____ cosmetic _____ corrosion signs _____ by advanced rusting?

Is _____ to _____ severe rust-Caused _____ versus _____ cosmetic flaws?

Do _____ know _____ distinguish superficial _____ from _____ damage?

Is _____ possible to distinguish shallow _____ issues _____ the consequences _____.

Is _____ a way _____ apart minor scratches _____ issues?

How _____ I identify _____ superficial _____ and _____ damage from _____?

_____ do I identify the structural issues _____?

_____ possible to _____ rust-Caused damages from _____ cosmetic imperfections?

Is _____ distinguish _____ defects and structural _____ caused by advanced _____?

What do _____ do _____ the two, _____ caused by extensive _____ formation _____ the _____ cosmetic?

_____ differences between _____ surface scratches and _____ seated rust-related _____?

How _____ I differentiate _____ defects _____ structural damage _____?

What is _____ and the structural damage caused _____ rust _____?

Are _____ to tell _____ minor scratches from _____?

_____ are _____ me differentiate between surface-level _____ due _____ cosmetics _____ structural _____ caused _____ extensive rusting?

_____ want to know how _____ two, one caused _____ rust formation _____ the _____ blemishes.

_____ do you differentiate _____ damages from _____?

I _____ like to know _____ there _____ a way _____ the _____ blemishes _____ cosmetic or signs _____ rust-related _____.

_____ tell if the visible blemishes are _____ or _____ rust-induced destruction?

What _____ structural _____ caused by extensive _____ formation _____ cosmetic scars?

How _____ differentiate _____ one _____ extensive rust _____ and the _____ by surface-level cosmetic issues.

How do I differentiate _____ two, one of _____ is _____ extensive _____ formation _____ other _____?

_____ tips would _____ give to _____ from deep _____ damage?

_____ possible _____ diff between _____ from rust.

How do _____ surface _____ deep rust- _____ deterioration?

_____ possible for you _____ help _____ between _____ structural _____ of rust?

Can _____ the difference _____ rust spots _____ problems?

_____ know how to Distinguish _____ scars from deep _____?

Is _____ differentiate superficial _____ from _____ rust damage?

_____ do I _____ what structural issues _____ excessive rusting?

Can you _____ structural defects are caused _____ rusting _____ are _____?

_____ harm _____ by rusting _____ to spot it?

_____ there _____ difference _____ cosmetic _____ and _____ harm caused by _____?

Is there _____ between severe rust-Caused _____ mere _____ cosmetic _____?

Is _____ possible _____ between _____ rust-Caused damages _____ shallow cosmetic _____?

_____ possible to tell the _____ between _____ rust _____ and _____ structural _____?

_____ you _____ any suggestions _____ differentiating _____ scars from deep _____?

What _____ me _____ between _____ defects due _____ cosmetics _____ structural _____ extensive rusting?

How _____ I _____ out _____ are _____ from excessive rusting?

What _____ do to differentiate between _____ deep-seated _____ destructions?

Is it possible _____ diff _____ flaws _____ rust.

_____ differentiate between _____ surface scratches and _____ rust-related destructions?

Is it _____ to distinguish _____ one _____ rust formation and the _____ surface-level _____?

How _____ able to _____ rust formation _____ superficial _____?

I _____ to know if there is a _____ to _____ visible _____ cosmetic or _____ advanced _____.

_____ is the difference between _____ damage _____ rust _____ surface-level scars?

_____ you _____ the diff _____ rust spots _____ bigger structural _____?

_____ cosmetic flaws and rust-caused harm _____.

How _____ I _____ between surface-level _____ damage _____ by extensive _____ formation?

_____ do I differentiate _____ the two, _____ caused _____ extensive rust _____ by _____ defects?

What ____ helpful ____ for ____ and rust-related harm ____ structure?

Is there a ____ to ____ damages ____?

____ signs can ____ the difference ____ surface ____ and ____ from extensive ____?

How can ____ tell if ____ an outer blemish or ____ sign of ____ rusting ____?

I ____ differentiating ____ caused by rusting and cosmetic ____.

____ there a ____ damage caused by rust ____ cosmetic ____?

____ can ____ mere surface flaws and ____ degradation?

____ me if ____ a ____ scratch ____ a ____ rust problem?

Is ____ possible to ____ from the damage done ____ excessive ____.

____ surface flaws ____ structural ____?

____ it ____ to ____ severe rust-Caused damages ____ cosmetic ____?

____ can someone ____ whether ____ outer blemish or ____ structural ____ caused ____ intense ____ effects?

____ it ____ differentiate ____ superficial defects ____ structural ____ caused ____ advanced rusting.

Is ____ a ____ between ____ extensive rust formation ____ the other by ____ level cosmetic?

What ____ the difference ____ scars ____ from rust?

What is ____ difference ____ surface-level ____ and structural damage ____?

I ____ know ____ the ____ are ____ or more significant rust-inducing ____.

Is ____ possible to diff between ____ flaws from ____?

____ can we differentiate ____ flaws ____ structural ____ caused ____ rust ____?

____ between cosmetic imperfections and structural harm ____ formation?

____ do ____ distinguish between surface-level flaws ____ structural ____ due to ____?

____ is ____ best ____ distinguish between ____ scratches and ____ rust-related ____?

____ it possible ____ a blemish due to ____ and ____?

____ tell me if there is a way ____ tell ____ blemishes ____ of advanced ____ destruction?

____ help me differentiate ____ to cosmetics and ____ caused by extensive ____?

Is ____ possible ____ tell the ____ small rust ____ and ____ structural ____.

Do ____ have ____ differentiating ____ rust-Caused damages from shallow ____?

Is there ____ differentiate ____ from deep-seated rust-related ____?

____ you tell ____ diff ____ rust spots ____ structural ____?

How do I ____ the ____ between an ____ blemish ____?

Is there any difference ____ structural defects caused ____?

____ for you to distinguish between ____ structural rust ____?

____ tell ____ a blemish is cosmetic ____ rust ____?

How ____ tell if the ____ imperfections ____ more significant rust-caused ____?

____ differentiating cosmetic ____ and rust-caused ____?

____ there a diff ____ flaws ____ from rust?

How ____ one caused by rust ____ the ____ by surface-level flaws?

____ do I ____ by ____ rust formation and ____ other by surface level cosmetic?

Is ____ possible ____ distinguish between rust formation ____?

Can I tell the ____ flaws ____ damage?

____ do I ____ difference ____ the ____ one caused ____ formation ____ other a surface-level blemish?

How ____ tell ____ two, ____ by ____ formation ____ the other by ____ cosmetic scratches?

Is it possible ____ to ____ differentiate between superficial ____ and ____ signs ____?

____ tell me if ____ is ____ way ____ if the visible ____ an indication of advanced ____ destruction?

____ the ____ to distinguish simple surface ____ from ____ seated ____ destructions?

How ____ the ____ one caused by extensive rust ____ and ____ other ____ level ____ blemish?

____ possible to distinguish ____ rust-Caused ____ from shallow ____?

____ the difference between ____ and structural ____ from rust?

I need to ____ to differentiate the ____ one caused ____ rust ____ and ____ other ____.

Is it possible _____ distinguish _____ cosmetic _____ caused by rust _____?
 _____ distinguish the two, one _____ extensive _____ formation and the _____ by _____ cosmetic _____.

Is it possible for _____ differentiate between _____ structural _____ rusting?
 Do I _____ the _____ one _____ extensive rust _____ and _____ other _____ cosmetic?

How _____ tell _____ superficial defects and serious _____ damage _____?
 What _____ can _____ used to differentiate between _____ flaws _____ from _____?
 _____ to _____ differentiate _____ superficial _____ defects and _____ defects caused _____ advanced rusting?

How _____ tell _____ difference _____ the two, _____ caused _____ extensive _____ formation _____ other by _____ level blemish?
 Is _____ way to tell minor scratches _____ issues?

I need help telling apart _____ from structural _____.

How do you distinguish surface _____ and _____?
 _____ superficial scars from _____?
 _____ can someone _____ if _____ just an _____ or _____ severe _____ caused _____ intense rusting effects?

How _____ you Distinguishing merely surface flaws and _____?

What is _____ way to distinguish _____ surface _____ and _____?
 Can _____ help me tell the _____ between small _____ and _____ damage _____?
 Can _____ tell me _____ difference between _____ and structural damage _____?
 _____ can I tell the _____ caused _____ and external imperfections?

Is _____ possible to _____ structural signs caused by _____ rusting?

What are _____ caused _____ rust _____ and cosmetic defects?
 How _____ tell _____ caused by extensive _____ formation and _____ surface level flaws?
 _____ are the differences _____ deterioration _____ by extensive rust _____?

What's _____ between _____ and structural _____ from rust?
 Can you tell _____ structural defects are _____ by rusting _____?

Can _____ differentiate _____ structural issues?
 Can _____ the _____ one caused by _____ rust _____ other _____ surface-level cosmetic?
 _____ are _____ best ways _____ between _____ damages and _____ cosmetic flaws?

I need _____ know how _____ distinguish the two, one _____ extensive _____ other _____ surface-level _____ blemishes.

Can you tell _____ it's _____ superficial scratch _____ a _____?

I _____ like to know _____ there _____ a _____ to tell if the _____ are _____ signs _____.

_____ I tell the _____ between _____ and structural _____ caused by _____?
 _____ possible to _____ between _____ and structural _____ by rust formation?
 _____ I _____ if there _____ serious _____ issues emerging _____ rust?

What _____ the _____ way to _____ on the surface _____ rust-related _____?
 _____ do _____ on distinguishing _____ rust-Caused damages _____ shallow cosmetic _____?

Can _____ tell _____ between the two, one caused _____ extensive _____ formation and _____ speck?
 _____ to know how _____ the _____ one _____ rust formation _____ other by surface-level cosmetic defects.

Do you have _____ way _____ distinguish _____ and deep-seated rust-related _____?
 Do you have _____ suggestions _____ rust-Caused damages _____ cosmetic _____?

Is it possible _____ shallow _____ problems caused _____ development?
 How _____ I differentiate the _____ caused _____ extensive _____ and _____ other _____ cosmetic?

How do you differentiate _____ deep-seated _____ destructions?

I _____ to _____ if _____ apart small flaws _____ serious _____ by rust.
 _____ way _____ between _____ rust-Caused damages versus shallow cosmetic _____?

How do I tell _____ two from one another, one caused _____ by _____ surface level _____?
 _____ possible to distinguish _____ caused _____ extensive rust formation _____ the other _____ blemish.

How _____ able to distinguish _____ superficial _____ structural _____ rust?

Is _____ possible to discern _____ there's _____ appearance _____ a weakness _____ widespread _____?
 _____ difference between defects due to _____ and _____ structural _____?

I want _____ know _____ there's a way to tell if _____ blemishes are _____ or _____.

____ do ____ between simple surface ____ deep-seated ____ destructions?
 What signs ____ I use ____ defects due ____ cosmetics ____ harm caused by ____ rusting?
 ____ do ____ tell the ____ surface level blemish and ____ rust ____?
 ____ it ____ distinguish between ____ aesthetic issues ____ major ____ by severe rusting?
 Is ____ a separate ____ from the ____ done by ____?
 ____ don't know ____ distinguish between ____ caused by rust formation.
 ____ able to ____ between superficial ____ structural ____ from rust?
 How ____ distinguish ____ harm ____ by severe ____ formation and ____ imperfections?
 ____ a ____ tell ____ visible ____ are ____ or ____ of advanced rust-related destruction?
 ____ tell the ____ between the two, ____ caused by ____ rust formation ____ by surface-level ____ speck.
 Is ____ damage due to rust and actual ____?
 Is ____ possible to ____ between blemishes ____ to rust ____?
 How do we differentiate ____ structural harm ____ development?
 Is there a ____ way to ____ rust-Caused ____ shallow ____?
 Is it possible ____ distinguish ____ superficial defects and ____ by ____?
 What signs ____ identify surface-level defects due to cosmetics ____ harm ____ by ____?
 What is ____ way to differentiate ____ scratches ____ rust-related ____?
 Is ____ distinguish the ____ caused by ____ rust formation and another ____ speck.
 ____ want to ____ how to distinguish ____ two, one ____ by extensive ____ formation ____ the ____ cosmetic ____.
 ____ you help me distinguish between ____ flaws ____ by ____?
 Can you help us differentiate ____ caused by ____ rusting?
 How do ____ rust-Caused damages from shallow ____?
 ____ diff between structural flaws ____ defects ____ to rust?
 ____ I ____ by ____ rust formation and the other by surface-level ____?
 ____ is the way ____ distinguish between simple ____ rust-related ____?
 ____ can I determine if the ____ more ____ rust damage?
 Is there ____ simple surface scratches or ____ destructions?
 Suggestions for ____ flaws and ____ to structure... ____?
 ____ it ____ between ____ from ____ and structural flaws?
 ____ there ____ between structural damage ____ by rust ____ imperfections?
 How ____ distinguish the ____ caused ____ and ____ other by surface-Level cosmetic flaws?
 ____ you tell me ____ difference between ____ serious ____ by rust?
 Is ____ possible to ____ between superficial defects and ____ by ____?
 ____ signs help ____ between surface defects ____ cosmetics ____ harm ____ by extensive ____?
 What ____ do to distinguish ____ flaws ____ structural ____ due ____ rust ____?
