

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Tariff rates and pricing information
Inquiry Sub-Category	Bill calculations
Description	Customers seeking assistance with understanding how their electricity bills are calculated, including explanations on unit rates, consumption charges, taxes, and any additional fees that may be included in their bill.
Data Size	5,083 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

____ changes made during ____ reading period ____ billed ____ to standard ____ prices ____ at ____ ____ stated therein?
Modifications ____ during a meter ____ can have a ____ on billed figures ____ set ____ prices ____ at ____ initial ____

Any ____ meter readings will affect ____ according to ____ disclosed ____ prices.
A ____ to a ____ figures when ____ to the unit prices recorded ____ initial.
____ bill amounts compare to ____ standard unit ____ stated ____ the beginning ____ the bill?
____ meter reading period affect ____ in the ____ as initial/Final ____ prices?
Is ____ am ____ I ____ during a meter ____ influenced by start/end ____ rates?
Can ____ to a meter reading ____ figures when ____ the ____ prices ____ at initial?
____ the amount billed if ____ modify during a ____ influenced ____ unit ____.
____ the ____ period affect ____ amount ____ in the same way ____ initial/ ____ prices?
____ is a ____ of changes ____ billed sum ____ the ____ to start/end ____.
____ made during ____ meter ____ affect ____ amounts ____ to standard ____ stated there?
____ changes implemented ____ meter ____ the charged amount differently ____ standard ____
Can the ____ reading period changes ____ of ____ bill ____ to ____ initially?
During the ____ reading ____ prices ____ change against ____.
____ the changes ____ the reading ____ affect ____ amounts ____ to the units indicated at ____ and ____?
____ changes ____ the ____ Reading period ____ billed ____ the ____ way as ____ unit price ____?
Standard ____ were ____ at ____ beginning ____ end ____ the reading period may be ____ billing changes.
Modification ____ a meter reading period ____ figures ____ set units ____.
____ prices listed at ____ start ____ end ____ might influence ____ to adjustments made during meter ____.
____ compared ____ units ____ initial, does a modification ____ meter ____ period affect billed figures?
How ____ made during ____ reading ____ affect billed amounts when ____ to units ____ end?
Do changes implemented ____ cause different charged amounts compared to ____ prices listed ____ the ____?
____?
A ____ to a ____ reading ____ might ____ figures when ____ prices.
Should any modifications ____ the meter ____ amounts according to ____ unit ____?
____ a ____ to the meter ____ period ____ billed ____ compared to ____ units ____ at initial.
Is the amount I ____ I ____ a ____ reading period ____ by start/ ____ unit ____?

The _____ amounts might _____ the _____ initial/ final unit prices _____ are changed _____ the _____.
 _____ the _____ reading _____ billed _____ may _____ the same _____ initial to final _____ prices.
 _____ the _____ bill amounts _____ the _____ unit _____ said at the _____?
 There could _____ changes _____ the _____ sum during _____ period compared _____ the _____.
 _____ standard _____ prices _____ at _____ and _____ might affect the invoiced amounts _____ adjustments _____ during
 meter _____.
 A _____ to _____ meter reading _____ figures _____ to the prices _____.
 _____ changes made to the _____ result in _____ charges _____ listed at start _____?
 _____ the changed bill _____ compared _____ the _____ prices at _____ end of the reading _____?
 _____ modification to a _____ reading period _____ figures when _____ prices.
 Do _____ implemented _____ affect the _____ compared to the standard prices _____ at _____ beginning or
 Does the _____ in bill amounts _____ the unit prices said at _____ reading _____?
 _____ changes to _____ reading _____ affect billed amounts _____ same way _____ initial/Final _____?
 _____ changes _____ reads affect _____ amount differently _____ standard prices at the _____
 _____ amount I _____ billed _____ I modify _____ the _____ reading period influenced by _____ and _____ rates?
 _____ a _____ Reading Period _____ affect billed figures
 _____ while _____ meter _____ amount _____ than _____ standard prices listed at the beginning.
 _____ made during _____ readings have an _____ on _____ charged amounts according _____.
 _____ bill _____ with the standard unit prices at _____ and end _____ reading period?
 The billed amounts _____ not be _____ initial to final _____ alterations.
 Do a modification _____ period _____ when compared _____ set _____ prices documented at initial?
 Is _____ pay _____ I change during a _____ influenced by the _____ unit _____?
 Will _____ billing _____ the standard units _____ that were _____ the _____ and end _____ the meter _____?
 Does changing _____ period _____ amounts _____ same way as changing _____ unit prices?
 _____ to the _____ Reading period affect _____ amounts the _____ as _____ unit price changes?
 Modifications _____ meter _____ could _____ my _____ according _____ final disclosed unit prices.
 _____ the _____ I _____ a meter reading period influenced by _____ unit rates?
 Should any _____ made _____ affect my _____ to initial/Final _____ unit _____?
 Will _____ comparison to the standard _____ prices at the _____ dates?
 _____ during the _____ phase _____ change _____ prices _____ stated units.
 Alterations made to _____ the bills _____ the _____ final unit _____.
 _____ made _____ phase _____ change billed prices against the _____ units.
 _____ changed bill _____ compare _____ standard unit prices _____ beginning and _____ dates?
 _____ the _____ the meter reading _____ amounts _____ the same way as _____?
 Changes to _____ meter _____ period _____ billed _____ when _____ to _____ unit _____ at _____.
 _____ a meter reading period _____ billed _____ to set unit _____ documented _____ initial as _____ as final stated
 _____?
 Do _____ reading _____ to _____ amounts compared _____ standard prices listed at the beginning or _____?
 The meter reading _____ the cost of _____ bill _____ to _____.
 The changes made _____ the meter reading _____ on _____ versus units _____.
 Modifications done during _____ meter _____ period _____ billed _____ relative to _____ unit prices _____ both initial _____ as
 _____ stated _____.
 Is _____ charges affected by meter readings _____ by _____ and _____ unit _____?
 Is the amount billed _____ I modify _____ a _____ influenced _____ start/ _____ rates?
 _____ a _____ meter Reading period affect _____ the same way _____ unit _____ changes?
 _____ the _____ if I _____ during _____ reading period influenced _____ end unit _____?
 _____ the changes to _____ meter Reading _____ amounts the _____ as initial/Final _____?
 Do changes _____ when getting meter readings _____ to _____ prices listed at _____ or end?
 Can _____ meter reading period _____ the bill compared to _____?
 Changes implemented while _____ meter readings _____ lead to different _____ at the _____ or end.
 Do _____ implemented _____ obtaining _____ reads affect _____ than _____ prices listed

Does _____ meter Reading _____ billed amounts _____ same _____ as changes to _____ and _____ unit _____?

Modifications done _____ a meter _____ period _____ an _____ on _____ to set unit _____ both initial and final _____

Do changes _____ reading lead to different _____ the _____ prices at the _____ and _____.

_____ versus _____ stated _____ may _____ affected by the changes made _____ the _____ reading _____.

_____ the _____ reading period changes _____ same _____ as early/Final _____ price changes?

Do changes _____ reads affect the _____ differently than _____ standard _____ at the beginning

_____ the meter _____ period changes _____ billed _____ the _____ prices?

_____ to _____ meter _____ period affect _____ amounts _____ changes in initial/ _____ unit _____.

Standard _____ prices _____ mentioned at the beginning _____ the _____ reading period _____ be _____ the _____ changes.

_____ the _____ the _____ period affect the bills _____ to the _____ indicated _____ the beginning and _____?

Do _____ made during the meter reading phase _____ quantities _____?

Modifications made during _____ readings may _____ my _____ initial/Final _____ unit _____.

_____ the meter Reading period affect _____ in the _____ or _____ unit prices?

_____ a meter reading period _____ figures _____ set unit prices _____ at initial.

_____ implemented whilst getting _____ to _____ to the standard prices _____ at the _____ and end?

Considering _____ standard _____ prices _____ the _____ dates, _____ changes _____ readings affect _____ amount I'm charged?

Changes _____ while obtaining _____ reads _____ charged amount differently than _____ starting _____.

Do changes implemented while obtaining meter _____ the charged _____ differently _____ the _____

_____ meter _____ period change _____ billed amounts in _____ same _____ prices?

_____ Meter Reading Period, _____ can _____ billed _____ to unit _____ documented.

_____ the _____ reading _____ affect billed _____ the same way as changes in _____ unit _____?

Do _____ to the _____ in _____ charges compared to the _____ at the _____ end?

Is the amount _____ for changing _____ a meter reading _____ the _____ unit _____?

Does the _____ affect _____ same as _____ unit price changes?

_____ the _____ meter Reading _____ affect _____ amounts _____ same way as initial/ _____ unit _____?

_____ standard unit _____ listed at _____ end dates might _____ different if _____ were adjustments _____ reading.

Do changes to _____ meter result in different charges _____ listed at _____ beginning _____?

Changes _____ meter Reading _____ could _____ amounts the same _____ as initial/Final _____.

_____ the meter reading period _____ amounts the same way _____ price _____?

Does the meter Reading period changes _____ billed _____ same _____ early _____?

The _____ reading period _____ affect the amounts _____ at the _____.

_____ a _____ affects billed _____ when compared _____ unit _____ recorded at the outset.

Is _____ standard _____ listed _____ specified start _____ end _____ by the adjustments made during _____?

The standard _____ mentioned _____ of the _____ reading _____ will be affected by the billing _____.

Is the amount _____ get billed _____ I modify during a _____ by _____ rates?

Should any modifications _____ meter readings have _____ my _____ according to _____ disclosed unit _____.

Should _____ during _____ charged amounts according to _____ initial/Final disclosed _____ prices?

standard units _____ mentioned at the _____ end _____ the meter _____ period _____ be _____ billing _____.

Is _____ billed if _____ during a _____ reading _____ influenced by the _____ unit rates?

Does the _____ period affect billed amounts _____ the _____ as _____ and _____?

When _____ unit _____ modification to a _____ affect billed figures.

_____ made _____ an _____ on my charged _____ according to initial/Final disclosed unit _____.

Alterations to _____ reading _____ affect _____ relative to the prices _____ the initial _____.

_____ a _____ reading _____ have bearing on _____ figures _____ to _____ unit _____ documented at _____ and final stated dates.

Do changes _____ obtaining _____ affect _____ charged _____ than _____ charges _____ the beginning.

Modifications undertaken _____ a _____ reading period have a _____ on billed _____ to _____ unit prices _____ and _____.

Does a modification _____ meter _____ billed figures when _____ to _____ recorded at the _____

Standard units prices which were _____ beginning and _____ may be affected by the _____.

Is ____ a ____ changes to billed sum ____ the reading period ____ to the ____?

____ meter reading period ____ amounts in ____ same way ____ final ____ prices?

Does ____ meter ____ period ____ billed amounts the same ____ as ____?

____ made throughout ____ meter ____ could ____ billed quantities versus ____.

Is the ____ the standard unit ____ start and end dates influenced ____ the ____ during ____?

____ there ____ to billed ____ during the ____ compared to the ____ and ____?

____ chance of ____ to billed ____ during ____ compared to start ____ end ____?

Changes made ____ the ____ reading phase ____ affect the ____ units.

Does ____ affect billed amounts the same way as ____?

Will ____ bill amounts ____ unit prices said ____ the beginning and ____ of the ____ reading ____?

Does the meter ____ period affect ____ billed ____ same ____ as initial/ ____?

Do the changes made in ____ reading ____ the ____ the units ____?

Is the changed ____ amounts ____ to the standard ____ prices at ____ beginning ____ end ____?

Is the amount ____ if I ____ during a ____ period ____ by ____ and end ____?

Changes ____ reads affect the ____ than standard ____ and end.

Deviations done ____ a ____ period ____ billed ____ compared to ____ prices.

____ amount I ____ if I ____ reading period influenced by ____ unit ____?

____ modification to ____ meter reading period ____ affect ____ to unit prices recorded ____ beginning.

____ changes ____ getting ____ meter ____ compared ____ the standard prices at the ____ or end.

____ implemented ____ obtaining meter ____ affect ____ charged amount ____ than ____ prices ____.

Will modifications ____ meter ____ amount of my ____ comparison ____ standard charges?

Is the amount ____ am billed if I modify during the ____ and end ____.

____ amount I am ____ if I alter during ____ meter ____ period ____ by ____ and ____ unit ____?

The standard unit prices mentioned ____ beginning and end ____ the ____ by ____ billing changes.

The standard ____ at ____ and end dates could change ____ adjustments are ____ during ____.

The standard units prices ____ the beginning ____ the ____ are affected ____ the billing changes.

____ made to the ____ influence my charged amounts according ____ final disclosed ____?

____ the ____ billed if ____ change during a meter reading ____ the start/ end ____

The billed amounts ____ be ____ unit prices if ____ are changed during the ____.

____ during ____ Period ____ have ____ bearing on ____ figures compared to unit ____ documented

____ readings may affect ____ charged amounts ____ to initial/Final ____ unit ____.

____ there a chance of changes to ____ sum ____ reading ____ compared ____ the ____ ending ____?

____ changes ____ whilst obtaining ____ affect ____ than the standard prices listed for ____ begin and ____

Does ____ Reading ____ affect ____ amounts in the same way as ____ final ____ price ____?

____ done ____ a metering period can ____ billed figures ____ prices.

____ to a ____ reading period affect ____ figures when ____ to ____ and ____ prices?

Do changes ____ obtaining ____ reads affect the ____ to the ____ priced ____ and end

____ billing changes of the meter ____ period affect ____ billed ____ the ____ at the ____?

A ____ to a meter ____ period may ____ to the ____ prices documented at ____ beginning.

Modification ____ reading ____ affects billed figures ____ to the set units ____ at ____.

____ possible that changes ____ reading period ____ affect billed sum ____ to ____?

____ amounts ____ to standard unit prices at the beginning ____ ends ____ meter reading ____?

Standard ____ prices ____ end of ____ reading period might affect ____ amounts.

____ changes ____ the meter reading period affect billed ____ compared ____ standard ____?

____ the ____ I am billed if ____ a ____ reading period influenced ____ the ____ unit ____?

Changes ____ the ____ meter reads are ____ the ____ amount differently than ____ ends.

Changes implemented whilst ____ to different charged amounts compared to ____ prices listed ____ the ____.

Does the meter Reading ____ billed amounts the ____ unit price ____?

____ to ____ set units ____ at initial, ____ to ____ meter reading period ____ figures.

_____ changes made while reading _____ at the beginning _____ end?
 The cost of _____ compared to standard _____ can _____ by _____ reading period.
 Does _____ meter reading period affect billed _____ way as _____ final _____?
 Changes to _____ Reading period _____ similar _____ changes _____ initial/ _____ prices.
 Do changes implemented while obtaining meter reads affect _____ amount _____ listed _____.
 _____ the amount _____ if I _____ meter reading period _____ by the _____ and _____ unit rates.
 Will the _____ compare _____ the standard unit _____ said at the _____ of _____ reading?
 Changes _____ during the _____ reading phase _____ affect the _____.
 _____ changes _____ obtaining meter _____ charged amount differently _____ standard priced _____ and _____.
 The _____ made _____ reading _____ the billed quantities _____ the units _____
 There _____ changes _____ sum _____ reading period compared to start/end _____.
 _____ is a possibility _____ billed sum _____ period _____ to the starting _____ ending price.
 Standard units _____ be _____ by _____ billing _____ of the meter _____.
 When compared _____ the _____ units prices documented at _____ a _____ meter _____ affect _____ figures.
 _____ implemented while _____ charged amount _____ compared to _____ priced starting _____ end.
 _____ the meter _____ affect billed _____ the _____ way _____ early _____ final unit _____?
 Changes _____ while obtaining meter readings _____ lead to different charged _____ listed at _____ end.
 _____ the billed amounts are changed _____ they _____ not _____ the _____ as the initial/ _____.
 Standard units prices _____ were _____ and _____ of the meter _____ are _____ by the billing _____.
 Standard _____ prices that _____ mentioned _____ beginning and _____ of _____ reading _____ may _____ affected _____ billing changes.
 Should any modifications made during _____ readings _____ my charged _____ to _____ initial/ _____?
 Is _____ amount I _____ I modify _____ the meter reading _____ by the _____ ending _____ rates.
 Does _____ Reading period _____ amounts in the _____ way _____ unit prices?
 _____ I _____ I _____ during _____ meter reading period influenced _____ the start/ end _____ rates
 _____ the _____ amounts _____ to standard unit _____ the beginning _____ end of _____ period?
 Does _____ meter _____ affect billed _____ in the same _____ as the _____ unit _____?
 Is the _____ I'm _____ if I modify _____ a _____ start/ending unit rates?
 _____ the meter _____ period _____ in _____ same way as initial/Final _____?
 _____ amount charged _____ I _____ during _____ influenced by the start/end _____ rates.
 Changes made during _____ will affect billed _____ compared _____ indicated _____ and end
 Do _____ implemented when getting _____ lead to _____ standard prices?
 _____ change _____ bill amounts _____ to _____ prices _____ at _____ beginning _____ end of the meter _____ period?
 Will _____ of _____ affect the bills compared to _____ prices at _____ beginning?
 Changes _____ meter reads _____ the _____ than standard priced _____ and end.
 Modifications _____ during _____ could affect my _____ according _____ unit _____.
 Modifications _____ during _____ readings _____ affect my _____ to unit _____.
 _____ to _____ meter reading _____ can _____ billed _____ compared to unit _____.
 _____ changes _____ reading _____ to different _____ compared _____ the standard prices?
 _____ the changes _____ during _____ meter reading _____ affect billed _____?
 A modification to a _____ may _____ billed figures _____ actual _____ at _____ initial and final.
 _____ the amount _____ if _____ modify during _____ reading _____ by _____ start/End unit _____?
 _____ there a chance _____ sum during the reading period _____ to _____ end _____?
 Does the meter _____ billed _____ same way as _____ initial/Final _____?
 Is _____ possible that meter _____ my charges _____ disclosed _____ final _____ prices?
 _____ to the meter _____ change _____ bills _____ first/ _____ unit prices.
 _____ period _____ billed amounts _____ same way as the _____ or _____ prices?
 _____ the changes to _____ meter _____ period _____ billed amounts _____ as early or _____ prices?
 Changes _____ the reading period will affect _____ billed _____ compared to _____ units indicated _____.
 _____ a meter reading period _____ affect billed figures relative _____ the _____ the _____.
 Will _____ billing _____ of the meter reading period affect _____ at the beginning?

Do changes made _____ in different _____ to the prices listed at _____ end?

Does _____ changed bill _____ compare to the standard unit _____ at _____ the meter _____ period?

The _____ by the _____ of the meter _____ to the prices _____ beginning.

_____ changes implemented whilst obtaining _____ differently _____ standard priced starting and end _____ changed _____ amounts _____ to _____ standard unit _____ said at the _____ end of _____ meter _____ period.

When compared _____ initial _____ unit _____ alterations during meter _____ amounts?

Will _____ changed bill _____ compare _____ unit _____ the _____ dates?

Should _____ to meter readings affect my charged _____ according _____ initial/Final _____ ?

_____ during the _____ reading _____ the billed quantities _____ the _____ stated.

_____ amounts _____ changed _____ reading, _____ initial/ _____ unit prices may not _____ the same.

_____ made during _____ reading phase can _____ against _____ units.

Can changes in _____ affect the _____ the _____ compared _____ charges indicated initially?

_____ to the meter readings may _____ amounts according to _____ final _____ prices.

_____ is a chance of _____ to _____ during _____ compared to _____ starting and end _____.

_____ standard units _____ were _____ the _____ the meter reading period will affect the _____ changes.

_____ made _____ meter readings may affect _____ charged amounts _____ to _____ prices.

Does _____ meter _____ period affect _____ the same way _____ changes _____ initial/ final _____ prices?

A _____ to _____ reading _____ may affect _____ relative _____ actual prices _____ at _____ initial _____ final stages.

Do _____ implemented _____ obtaining a meter _____ lead _____ different charges _____ to _____ prices _____ and _____.

A _____ a _____ billed figures relative _____ the prices documented _____ beginning.

Does _____ meter _____ affect billed _____ in the _____ way as _____ ?

Do changes made _____ meter _____ different charges _____ the prices listed at _____ the _____ ?

_____ the set units prices documented _____ initial, _____ change _____ a _____ period _____ affect billed _____.

Does _____ change to _____ meter _____ period affect billed amounts _____ same way _____ or _____ ?

Changes implemented while obtaining _____ affect _____ charged _____ differently _____ start _____ end.

"Is the _____ am _____ I _____ meter reading period influenced _____ beginning and _____ rates? "

When _____ unit prices, do _____ during meter _____ period _____ billed amounts?

_____ implemented whilst obtaining meter reads affect the _____ amount differently _____ the _____ at _____

_____ any changes made during meter readings _____ to initial/ _____ unit _____ ?

Modifications _____ during _____ period _____ affect billed figures _____ to _____.

Does _____ the meter _____ period _____ billed amounts the _____ way _____ or _____ ?

_____ changes _____ to the meters _____ the prices listed at the beginning _____ end?

Does _____ done during _____ change bills _____ stated units?

How will _____ the reading _____ amounts compared to _____ at the beginning and _____ ?

The changes made during _____ affect _____ quantities _____ units.

_____ modification to _____ meter _____ affects _____ relative _____ the _____ prices _____ at _____ initial and final stage.

_____ changes in bill amounts _____ to _____ at _____ and end _____ the reading period?

Changes _____ the _____ reading _____ may affect _____ versus the _____ stated.

_____ units _____ at the beginning and end _____ the meter _____ will be affected _____ change.

Does _____ meter _____ period affect bills the _____ way _____ unit _____ changes?

Do the _____ the meter _____ period affect _____ in the _____ way _____ price changes?

_____ the meter _____ phase _____ billed _____ versus stated _____ ?

_____ a chance of _____ billed sum during _____ to the start _____ pricing?

Will _____ change in bill _____ compare _____ unit _____ the beginning _____ of _____ reading period?

_____ a metering period can _____ billed _____ unit prices.

_____ made _____ meter _____ may _____ quantities versus stated units.

Will _____ compare _____ standard unit prices _____ the _____ and _____ the reading?

_____ billed _____ might be different from _____ prices after the _____ alterations.

Modifications undertaken during _____ meter _____ billed figures _____ set unit prices documented at both initial _____.

_____ the _____ results _____ charges compared _____ listed at the beginning _____ end?

Modification during a Meter Reading ____ can _____ to set _____.

____ will the ____ made ____ the reading ____ affect billed ____ compared _____ the beginning and end?

____ during meter readings may affect ____ charged amount ____ initial/ ____ unit ____.

Will the change in _____ the _____ prices ____ at ____ beginning and _____ the ____ reading period?

Do _____ to the _____ different ____ compared to the prices _____ the _____ end?

Do ____ implemented _____ meter reads _____ charged amount differently compared to ____ standard _____ the ____

Changes implemented ____ obtaining a meter ____ lead _____ charges ____ to the ____ prices _____ end.

Modifications undertaken ____ a _____ period may ____ may _____ bearing on billed ____ relative to set _____

____ initial ____ final

____ is the difference ____ the _____ prices ____ the beginning and _____ reading period and the changed ____

____?

Is _____ I _____ during a meter reading period influenced by start/ _____ rates.

Modifications ____ meter ____ will affect my charged _____ unit prices.

____ a _____ a meter _____ billed _____ to the actual ____ documented at the initial _____ prices?

____ changes made _____ meter reading period _____ to standard ____ prices stated ____?

Changes made in the _____ will _____ amounts ____ to the _____ the beginning ____ end.

Does changing ____ meter _____ billed ____ the same ____ as initial/Final ____?

Should _____ the meter readings affect my charged _____ initial/Final _____ prices?

Will ____ changed ____ amounts ____ to _____ unit ____ said ____ the beginning ____ end ____ the ____ reading period?

Is _____ billed ____ I ____ during ____ meter ____ period ____ by the ____ and ____ unit rates.

Do changes _____ reading period _____ the same _____ initial/ final unit prices?

Does the _____ the meter Reading period ____ billed _____ initial/Final unit ____?

Changes implemented _____ reads ____ the ____ amount ____ compared to ____ standard charges _____ the beginning

____ modification _____ reading period affects billed _____ to _____ documented at initial ____ final.

____ the meter Reading _____ billed amounts ____ same way as _____?

____ in bill amounts will be _____ the _____ prices ____ at the _____ end of _____ period.

During _____ Reading ____ alterations can ____ billed figures _____ set unit ____.

____ to initial/ ____ unit _____ changes _____ meter ____ period affect billed amounts?

Is _____ affecting ____ amounts in _____ way as early or ____ unit ____?

Can ____ in _____ period affect ____ billed _____ at beginning ____ ending ____?

Does _____ affect billed amounts the same way ____ initial _____ unit ____?

Modifications _____ phase can change ____ quantities versus ____ units.

____ implemented whilst ____ meter ____ affect ____ charged ____ differently than the _____ listed

____ whilst obtaining ____ readings _____ amounts ____ to _____ prices listed at the beginning or end.

Do changes ____ when getting meter readings _____ different _____ to ____ standard ____ listed at _____ and ____?

A modification to _____ period affects ____ figures when ____ to _____ prices ____.

Deviations made during ____ meter reading _____ prices against _____

Do changes _____ obtaining ____ reads ____ the _____ differently _____ standard prices listed.

Changes to the ____ reading process _____ charges _____ the standard prices _____ or end.

____ meter ____ might _____ effect ____ billed figures relative to set unit ____ documented ____ both ____

and ____ stated dates

____ the changes ____ the ____ reading period affect _____ same _____ initial/Final prices?

____ the _____ period affect billing ____ the _____ as early/Final unit _____?

____ to _____ reading ____ affect _____ compared to ____ set ____ prices documented at initial.

Does _____ Reading _____ billed amounts ____ the same way as early _____?

Does ____ change ____ a ____ reading period _____ figures ____ compared _____ prices recorded.

____ made ____ the _____ will ____ the ____ amounts compared to _____ indicated at the beginning ____ end.

Is the _____ charged if I modify _____ period ____ by the _____ ending unit rates?

____ the change _____ amounts compare ____ the _____ at the beginning and _____?

____ the ____ Reading ____ affect billed amount ____ the _____ unit price changes?

____ that changes during reading _____ billed ____ compared ____ pricing on ____ dates?

Modifications _____ the meter _____ affect billed _____ versus _____.

_____ the _____ compare to _____ standard _____ stated at the _____ of the reading _____?

Changes _____ the way _____ are _____ affect the _____ amount differently _____ standard _____ starting _____ end.

_____ undertaken during _____ period have _____ bearing _____ figures relative _____ unit _____ documented at both _____ and _____ dates ,

Changes _____ a _____ period affect _____ when _____ to _____ set units _____ documented at _____ and.

Changes to _____ reading _____ lead to different charges _____ standard _____ at the _____ end.

_____ to a _____ reading _____ can affect _____ figures when _____ to set _____ documented _____ initial.

Standard units prices that _____ mentioned at the _____ end _____ meter reading _____ subject _____.

Alteration to a _____ reading period _____ figures _____ unit _____ recorded at _____.

Standard _____ that _____ mentioned at the beginning and _____ meter _____ period could be _____ billing _____.

_____ implemented while _____ reads affect _____ amount _____ standard _____ at the beginning.

Deviations done _____ a Meter Reading _____ affect billed _____ compared _____.

Modifications that _____ a meter reading period _____ a bearing _____ to set unit prices _____ initial and _____

Changes made _____ meter _____ may affect _____ billed _____ versus the _____.

Does a _____ to the meter _____ billed amounts the _____ way _____ unit _____ change?

_____ made during meter _____ affect my _____ to initial/Final disclosed _____.

Modifications _____ reading _____ may have a _____ on billed _____ relative to set unit _____ documented _____ both initial _____

_____ a _____ meter reading period affect _____ figures _____ compared to _____ prices

_____ modifications made during meter readings _____ my _____ to _____ disclosed unit _____?

_____ the amount _____ am billed _____ modify _____ a _____ reading _____ by _____ start/ _____ units rates?

Modification to _____ reading period _____ figures _____ to _____ the initial and final.

Standard _____ that _____ at _____ and _____ of _____ reading period, _____ be affected by the billing _____ of the _____

_____ changes _____ when reading the meter _____ charges compared to the _____ and end?

_____ will _____ changes _____ the _____ period _____ billed amounts compared to _____ units indicated _____ start and _____?

_____ while getting _____ might lead _____ amounts _____ to the standard prices listed _____ or end.

The billed amounts might _____ initial/ final _____ if _____ changed _____ metered _____.

Do changes _____ obtaining _____ reads affect _____ charged amount differently than _____ standard prices _____

_____ meter _____ period _____ the billed figures _____ to set _____ documented at _____ initial and final stated _____.

_____ prices _____ the _____ and end _____ the _____ period might be _____ by the _____ changes.

Is the _____ I _____ billed if I modify during _____ influenced _____ and _____ unit _____

_____ the meter _____ the same way as initial/ final _____ prices?

_____ the amount I am _____ if I _____ period _____ by the beginning _____ end _____ rates.

_____ changed bill amounts compare _____ the _____ unit prices _____ at _____ beginning _____ end of the _____?

Do changes implemented when _____ meter reading _____ to the _____ prices _____ the beginning

Will the _____ bill _____ compare to the standard unit _____ beginning _____ end of _____?

_____ the changes to _____ meter Reading period _____ in the same _____ unit prices?

_____ to _____ affect _____ figures when _____ to initial and _____ prices.

_____ reading _____ billed amounts _____ not _____ same _____ to final unit prices.

_____ done during a _____ reading _____ can _____ billed figures _____ unit _____.

_____ the amount _____ am _____ if _____ during _____ period influenced by _____ start/ end _____ rates?

Is the amount I _____ I modify _____ a meter _____ the start/ _____ unit _____?

Should any _____ to _____ readings affect my charged amounts according to _____ final _____?

Modifications made _____ meter readings _____ have an influence on _____ according _____ unit prices.

Modifications _____ during meter _____ should influence _____ amounts according _____ prices.

_____ implemented _____ lead to different charged amounts compared to _____ standard _____ at the _____ or _____.

modifications undertaken during a meter _____ billed figures relative _____ documented _____ both _____ and final _____ dates

Will _____ change _____ amounts compare _____ unit _____ said at the beginning _____ the _____ period?
 _____ reading, the _____ may not _____ the _____ as _____ final unit _____.

Is _____ the meter _____ affect _____ in the _____ way _____ unit prices?
 _____ the _____ bill amounts _____ the standard _____ the beginning _____ end _____ the reading period?

Should modifications made to _____ be an _____ according _____ disclosed unit prices?
 _____ changes _____ while reading _____ to different charges _____ the prices listed _____ beginning _____ end?
 _____ change in bill amounts compare to the standard _____ beginning and _____ meter reading _____?
 _____ the amount billed if _____ modify _____ the _____ reading _____ unit rates.
 _____ implemented _____ obtaining meter _____ affect _____ amount differently than _____ the beginning.
 _____ done during a Meter Reading _____ compared _____ set unit _____.

Modifications undertaken _____ meter reading period have a _____ on the billed _____ relative _____ prices documented
 _____ final _____
 _____ a meter _____ period can have a _____ billed figures _____ to set unit prices _____ both _____ final _____
 _____ during reading the _____ the _____ unit prices may change.

Will the _____ in _____ period affect the amount _____ compared _____ charges?
 Modifications made _____ meter reading _____ can _____ prices against _____ stated.
 _____ while _____ affect _____ charged amount differently than the standard _____ listed

A _____ to _____ reading period affects _____ figures when _____ to _____.
 _____ the changed bill _____ compare _____ unit _____ at _____ beginning _____ of _____ reading?

Standard units prices that _____ the beginning _____ by the billing _____.
 _____ in meter _____ affect _____ billed per unit _____ beginning _____ end _____.

Does changes to _____ reading _____ billed amounts in the _____ way _____ changes to _____?
 _____ done _____ a _____ reading _____ affect billed figures compared _____ set _____ prices documented _____ initial and _____
 _____ dates.

_____ amount billed _____ meter _____ ends be affected _____ of unit changing?
 _____ changes to the meter _____ affect billed _____ the _____ final prices?
 _____ modifications made _____ can _____ charged _____ according to initial/Final disclosed _____ prices.
 _____ any _____ charged amounts according to initial/Final _____ unit prices?
 _____ standard unit prices _____ at _____ dates might affect _____ invoiced amounts if _____ are _____ during _____.
 _____ changes to the meter _____ period affect _____ amounts _____ same way _____ initial/final _____ prices?
 _____ I am _____ if I modify during _____ reading period affect _____ unit _____?

Changes _____ a meter _____ period _____ affect billed figures _____ unit _____.

Changes implemented when _____ a meter _____ compared to the standard _____ at _____ end
 _____ made _____ the meter reading _____ to different _____ compared to _____ at the _____ and end.

When compared to _____ prices _____ initial, does _____ the meter _____ period affect billed _____?

Deviations _____ a _____ period can affect _____ figures _____ to _____ prices _____.

Does changes _____ the meter Reading _____ amounts in the same _____ initial _____ unit _____?

Will _____ in _____ to standard _____ prices at _____ beginning and end _____?

Can the _____ in _____ meter reading period _____ the _____ the _____ standard _____?
 _____ implemented _____ obtaining a _____ lead to _____ than the standard prices _____ the _____ and _____
 _____ implemented while obtaining _____ reads _____ charged amount differently compared _____ the _____ end.

There is a possibility _____ the billed _____ reading _____ compared _____ the _____ and _____ pricing.

Should any _____ my charged amounts _____ initial/Final disclosed unit prices

Changes _____ the _____ Reading _____ may _____ amounts _____ the same _____ as _____ unit price _____.

Modifications made during _____ meter _____ phase _____ affect _____ quantities _____.

Is the _____ charged _____ a _____ reading _____ influenced by start/end _____ rates.

Do changes _____ meter reads _____ amount differently than the _____ charges _____ at _____ beginning

If alterations are _____ the meter, the first/ _____ unit _____.

Does changing the meter reading _____ affect _____ in the _____ initial _____ final _____?

Modifications done _____ meter reading period could affect billed figures relative _____ unit prices _____ at _____

_____.

There is a _____ of changes to _____ billed _____ compared to the starting _____.

A _____ a _____ reading period affects _____ when compared _____ prices _____.

Will the _____ bill amounts compare _____ standard _____ prices _____ at _____ beginning/ _____ of _____ period?
_____ changes to _____ meter result _____ different charges _____ the _____ or end?

Modifications made _____ meter _____ alter billed _____ stated units.

_____ made during _____ meter _____ phase _____ change the _____ against _____.

When _____ to initial/ final _____ prices, _____ during _____ billed amounts?

_____ made _____ the meter _____ can change _____ stated units

_____ to the meter Reading period _____ amounts _____ same _____ as _____ final _____?

_____ the amount I _____ I modify _____ a meter reading period _____ the start/ _____?

_____ bill amounts _____ compared to the unit prices _____ the _____ and _____ meter reading _____.

_____ modifications _____ during _____ meter reading _____ affect billed figures relative _____ unit _____ at the _____ final
stated _____?

There is a possibility _____ billed _____ period compared _____ specified prices.

There _____ be changes _____ the _____ during _____ reading period _____ to the _____ and _____.

_____ made during the meter _____ phase will _____ prices _____.

_____ during _____ meter reading _____ change the _____ stated units?

_____ done _____ a meter reading _____ affect _____ figures _____ unit prices.

Do changes _____ meter reads _____ charged amount _____ compared to _____ priced starting and _____

Do changes to the _____ in _____ compared _____ at the _____ end?

The changes _____ the reading period will affect _____ compared to _____ at _____ and _____.

How will the _____ the reading _____ billed _____ compared to _____ units that _____ indicated _____ the _____ and _____?

Is the amount _____ if _____ a _____ reading _____ influenced _____ the start/ end unit _____.

_____ changes to _____ meter Reading period _____ same _____ as _____ unit price changes?

Changes implemented _____ obtaining _____ affect the charged _____ differently _____ the _____ start and _____.

Should any modifications made _____ meter _____ my _____ amounts _____ final disclosed unit _____?

_____ the meter reading phase _____ prices _____ stated units.

Is _____ if I change during _____ meter reading _____ the _____ unit rates?

Do changes done _____ result in different _____ compared _____ prices listed _____ the _____ or _____?

Do changes implemented _____ obtaining meter _____ charged amount differently than the _____ the _____

_____ implemented when _____ meter _____ affect the _____ than standard charges

_____ that _____ beginning and end of the _____ reading period _____ affected by the _____ changes.

_____ implemented whilst _____ meter _____ the charged amount _____ than _____ standard _____ at _____ beginning

_____ potentially _____ impacted by alterations performed _____ taking meter _____

The standard unit _____ the beginning and _____ of the _____ may be different _____.

Will the _____ amounts compare to _____ unit prices _____ and _____ of the _____?

According _____ prices, any modifications made _____ an influence on _____ charged amounts.

_____ to the _____ reading period _____ amounts _____ the _____ way as initial/Final _____?

The billed amounts may _____ final _____ if they _____ during meters _____.

Does _____ period change _____ amounts in the same _____ initial/Final _____?

_____ to a meter reading _____ may affect billed _____ to _____ recorded.

_____ meter _____ affect the amount _____ in _____ same _____ as _____ and _____ prices?

_____ billing _____ of _____ meter reading period _____ the bills _____ the standard prices _____ the _____?

_____ the difference in bill amounts compare _____ the _____ prices _____ the _____ and end _____?

Will the changed bill amounts _____ units _____ beginning and _____ the _____?

The _____ prices _____ the beginning and end of the _____ period _____ be _____ the _____ changes.

Is _____ a chance _____ to _____ sum during _____ reading period _____ to _____ start and _____?

Will changes _____ the meter reading period _____ amounts, compared _____?

Is it _____ that changes to the _____ same way as initial/ final _____?

Does _____ meter _____ period affect _____ in the same way as _____ price _____?

A modification to _____ reading _____ billed _____ when _____ and unit prices.
 Will changes _____ during _____ reading _____ amounts compared to _____ standard _____ prices?
 _____ changes made while reading the _____ different charges _____ prices at the _____ or _____?
 Is _____ pay if I modify _____ a meter reading period _____?
 The _____ might be _____ from _____ to _____ prices _____ meter reading _____.
 _____ changes _____ while obtaining meter _____ charged amount differently _____ to _____
 _____ unit prices, _____ alterations during meter reading _____ billed _____?
 If _____ amounts are changed during _____ may _____ be the _____ as _____ unit prices.
 _____ to the meter _____ period affect _____ the _____ as early _____ final unit _____ changes?
 A _____ a _____ reading _____ affect _____ figures when _____ to _____ initial _____ unit prices.
 _____ changes during the _____ reading _____ amounts _____ the _____ unit prices?
 Is _____ charged if I _____ during _____ meter reading period influenced by _____ ending _____.
 How will _____ made during _____ period affect _____ to units at the _____ and _____?
 Standard units prices mentioned _____ and _____ of the meter _____ period may _____ by _____ billing _____ of _____
 reading _____.
 Does the _____ to _____ meter _____ affect _____ in _____ same way _____ early _____ final unit _____?
 _____ amounts may _____ different _____ initial _____ unit _____ after meter reading _____.
 Can _____ meter _____ period _____ the _____ of the bill compared _____ the _____ indicated initially?
 After the meter _____ changes, billed _____ may not be _____ as _____.
 _____ meter _____ period affect the _____ the same _____ as initial and final _____?
 _____ change in meter reading period affect _____ unit on beginning _____?
 Does the meter _____ in the _____ way as _____ initial/Final _____?
 How will _____ made during the _____ period affect _____ compared _____ at _____ beginning and _____?
 Deviations done _____ a _____ affect billed figures compared to _____.
 _____ the _____ to the _____ reading _____ affect billed _____ the same way _____ the _____ changes?
 Should any _____ my _____ amounts according to the initial/Final disclosed _____?
 _____ changes _____ meter _____ affect the _____ than standard prices _____ at the beginning
 _____ modification _____ a _____ billed figures relative to prices documented _____ initial _____ final stages.
 Does _____ to _____ reading period affect _____ figures _____ to _____ prices documented at initial
 Does _____ changes to _____ meter Reading period _____ billed amounts _____ the _____ way _____ initial/ _____?
 Can the _____ bill _____ be compared _____ the standard _____ the beginning _____ end _____ reading _____?
 Changes implemented while _____ affect _____ amount differently compared _____ standard _____ and _____
 Will _____ compare _____ the _____ said at the beginning _____ end of the _____ reading _____?
 Changes that are implemented _____ getting _____ compared to _____ prices at the beginning _____ end.
 _____ changing the _____ billed amounts in _____ as the _____ unit price changes?
 Is _____ get _____ if _____ modify during a _____ reading _____ influenced by the beginning _____ rates?
 There is _____ of change _____ sum _____ period _____ the specified pricing.
 Changes _____ the meter Reading period _____ amounts in _____ same _____ to _____ unit prices.
 _____ the _____ to _____ meter _____ affect billed _____ way as _____ final unit price changes?
 _____ in _____ readings lead to different _____ compared to _____ at the beginning or end?
 Is _____ true that _____ readings _____ charges _____ manner _____ by initial _____ final unit _____?
 _____ during the meter _____ phase may _____ to stated units.
 Is meter _____ differently from _____ final unit _____?
 _____ the changed _____ amounts comparable _____ the _____ prices _____ the beginning _____ of the reading _____?
 _____ meter _____ affect billed amounts _____ same way as _____ unit _____?
 _____ changes _____ the meter result in _____ compared to _____ at the _____ or _____?
 A modification to _____ meter _____ might affect _____ figures _____ compared _____ prices.
 _____ the _____ I am billed if _____ during _____ meter _____ period influenced by _____ end unit _____?
 Changes _____ obtaining meter readings may lead _____ different _____ compared _____ prices _____ at _____ or end.
 Do changes _____ affect the _____ amount _____ than _____ listed at the beginning or
 Do _____ implemented _____ obtaining meter _____ different charged amounts _____ to the _____ prices listed _____?

The changes _____ meter _____ phase may _____ billed _____ versus _____.
 _____ if I modify _____ meter _____ influenced by start/ _____ unit rates
 Modifications made _____ meter readings _____ the charged amounts _____ disclosed unit _____.
 _____ the changes to _____ amounts compare to _____ prices _____ the _____ and end of _____?
 Does the meter Reading _____ the _____ early or _____ unit prices?
 _____ to _____ meter _____ period _____ amounts in _____ way as early or _____ unit prices?
 modifications made during the _____ reading _____ change _____ units.
 Is any changes I make _____ readings _____ the manner _____ initial/ final _____ prices?
 How will _____ changes _____ reading period affect _____ to _____ units _____ the _____ and end
 When compared _____ the set _____ prices _____ changes _____ a _____ reading _____ affect billed _____.
 Will _____ made _____ meter reading affect billed _____ prices stated?
 _____ modification _____ reading period affects _____ figures _____ compared to _____ initial _____ prices.
 _____ the changed _____ amounts compare to standard unit _____ at _____ and _____ of the _____?
 Is the amount _____ modify during a meter _____ the _____ and end unit _____
 The change _____ bill amounts will _____ to _____ unit prices _____ of the _____ reading period.
 _____ during meter _____ my _____ according to the initial/Final _____ prices.
 Changes implemented while obtaining _____ readings lead _____ amounts _____ to _____ prices _____ at _____ or end.
 _____ implemented _____ meter reads affect _____ amount _____ than _____ prices at _____ beginning.
 _____ to _____ meters _____ in _____ compared to the prices _____ beginning or end?
 _____ billed amounts are _____ during _____ they _____ different _____ initial/ _____ unit prices.
 _____ will the changes during _____ reading _____ billed amounts _____ units _____ the beginning _____ end?
 _____ metering period can affect billed _____ compared _____ prices.
 Alteration to a _____ affects _____ figures _____ unit prices recorded.
 _____ a _____ reading period _____ billed _____ when _____ to the _____ units _____ documented at initial
 Does the _____ changes _____ billed _____ same way as the _____ price changes?
 _____ done during a _____ reading period _____ billed figures _____ unit prices documented _____ both initial and
 final _____?
 Modifications _____ a meter _____ period _____ affect _____ set unit prices documented at initial _____ as _____
 stated _____.
 _____ compared _____ the set units _____ does a _____ to a _____ billed _____?
 _____ meter reading phase may _____ quantities _____ stated units.
 Modifications made _____ the _____ reading _____ do they affect _____ quantities _____?
 The billed prices _____ units may change _____ result of _____ reading phase.
 When _____ to _____ at _____ a modification to a meter reading period _____ figures.
 _____ to _____ or final _____ alterations _____ the meter _____ period _____ billed amounts?
 _____ the change in _____ unit prices at the beginning and _____?
 _____ the amount I am billed if I _____ a meter reading period _____?
 _____ the _____ prices documented at _____ a _____ a meter reading period, billed figures _____.
