

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Assistance in understanding the tariff structure
Inquiry Sub-Category	Tariff structure breakdown
Description	Customers often inquire about the components of their electricity bill, including charges for generation, transmission, distribution, and taxes, seeking a comprehensive understanding of the tariff structure.
Data Size	5,115 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

____ you ____ of how much I am paying ____ generation ____ transmission and ____?
 ____ of my money ____ electricity and ____ on delivering ____ across different areas?
 ____ the breakdown ____ payments ____ generating ____ to ____ charges?
 Tell me the proportion ____ for generation ____ transmission and ____.
 Please give me ____ the ____ generation costs and ____
 Is ____ to ____ how much goes ____ versus transmission ____ distribution ____?
 I ____ to ____ how my ____ divided ____ generation ____ and transmission/distribution ____.
 ____ much ____ I ____ generation costs versus transmission ____ expenses?
 You can ____ division ____ payment between ____ costs and ____.
 Please ____ me with a breakdown ____ the allocation ____ costs ____
 ____ to know how much ____ my payment caters to ____ as ____ distribution costs.
 How ____ money divided between the ____ generating electricity ____ delivering ____ in ____?
 The ____ of ____ payment ____ transmission?
 ____ am looking ____ a breakdown ____ how much ____ am paying ____ generation ____ and distribution ____.
 I ____ to know the proportion of ____ payment ____ generation costs ____.
 How much ____ payment ____ for generation costs ____ transmission ____ distribution ____?
 I ____ appreciate ____ you could ____ me ____ of my bill ____ generation ____ transmission.
 I ____ appreciate ____ how much I paid for ____ distribution.
 I ____ know how ____ are divided ____ much ____ to generation costs versus ____ fees.
 Please ____ the ____ of ____ payment ____ generation costs and ____ distribution ____.
 Is the cost ____ distribution?
 Is there a ____ what ____ my bill is ____ power ____?
 I want ____ much ____ for generation, ____ to transmission and ____.
 What is the ____ how ____ I pay ____ distributing ____?
 I want to ____ how ____ generation ____ over distribution ____.
 How much do ____ for generating electricity vs ____?
 ____ need a ____ of ____ I'm paying towards ____ costs ____ transmission ____ costs.
 I would like ____ know ____ to expenditures associated with distributing it.

_____ of my payment _____ towards covering generation costs, as _____ expenses?

How _____ goes into _____ costs _____ transmission _____ expenses?

_____ I _____ for _____ electricity versus distribution fees?

How much _____ into _____ compared to _____?

I _____ know the exact share _____ bill _____ into _____ to moving _____ dispersal _____ electricity.

_____ is my money _____ the costs _____ electricity and _____ different areas?

How _____ pay for generating electricity compared _____ its _____?

What's the division of _____ transmission fees?

_____ much goes into _____ versus transmission _____ expenses?

_____ tell me if _____ payment goes _____ or _____ and transmission?

How much _____ the payment _____ towards generation costs _____ and _____?

_____ possible to _____ down _____ between _____ costs and transmission _____?

_____ want _____ know _____ my payments caters to _____ expenses _____ to _____ and distribution _____.

I want _____ know _____ payments _____ divided between _____ and _____ fees.

_____ need _____ how _____ payments _____ divided _____ how much _____ to generation _____ and transmission/distribution _____.

How much is _____ compared _____ distributing it?

_____ my _____ generation costs and _____?

_____ what the share of my _____ is going into _____ compared to _____ electricity.

I _____ to know what share of my _____ to _____ dispersing electricity.

_____ need _____ much _____ am _____ for generation costs _____ transmission _____ distribution costs.

Please _____ the _____ generation costs _____ transmission/distribution fees.

_____ is _____ breakdown _____ my payments for _____ compared _____ charges?

_____ how much I paid for _____ compared to transmission _____ costs.

What are the _____ towards _____ delivery _____ transmission charges?

_____ state the amount _____ to _____ power _____ opposed to _____ amount spent _____?

I want _____ how _____ of my _____ takes _____ account generation _____ compared _____ transmission _____ distribution _____.

I'd _____ to _____ much I _____ generation _____ over transmission _____.

_____ much of _____ split between generating _____ delivering _____ different areas?

Is _____ of my payment between _____ costs and _____?

_____ portion _____ my bill that _____ to _____ costs versus transmission _____ not _____.

_____ would like to know _____ amount _____ between generation _____ and _____.

_____ much is _____ money spent _____ generating _____ and delivering _____ the _____?

_____ would like _____ know _____ are divided _____ generation _____ transmission and _____ fees.

_____ want to know how much my _____ focuses _____ transmission _____ expenses.

I'm interested _____ how much of _____ payment focuses _____ generation _____ to _____ distribution _____.

_____ much _____ spent on energy _____ its _____?

_____ want to know how _____ of my _____ goes _____ expenses _____ distribution _____.

_____ much _____ my _____ goes to generation _____ much goes to _____ and _____?

_____ to breakdown the _____ power production versus transmission/distribution _____ invoice?

How much _____ towards generation _____ to transmission and _____?

Please _____ of the allocation _____ generation _____ and transmission _____.

I'm _____ to _____ much I'm paying towards generation _____ versus _____ distribution _____.

_____ my payment caters to _____ compared _____ and distribution costs

How much am I shelling _____ generation _____ the _____?

_____ to know _____ pay for power _____ compared _____ distribution charges.

_____ payments _____ towards covering generation costs as _____ to transmission and _____?

Is it _____ to break _____ generation costs _____ fees?

You should _____ how much _____ paid for _____ transmission and _____ expenses.

_____ know how much _____ paid for generation versus _____.

I would like to _____ my bill goes _____ compared _____ moving _____ electricity.

_____ break down my payment _____ generation _____ and _____ fees
 I would like _____ energy production _____ distribution.
 _____ detailed _____ of the allocation _____ costs _____ transmission/distribution expenses
 How _____ contributed _____ power generation by _____ compared _____ delivery?
 Can you tell _____ the amount _____ power compared _____ for _____?
 _____ you _____ exact share _____ my bill going into generation _____ to moving _____?
 What _____ the breakdown _____ payments for _____ versus _____ charges?
 _____ my _____ is used to _____ costs _____ transmission and distribution expenses?
 _____ do I _____ if my _____ split between _____ delivering _____ to different _____?
 I'm looking _____ of how _____ for generation _____ and transmission and _____.
 _____ much _____ paying _____ divided between _____ costs and _____?
 _____ a breakdown of _____ much _____ am paying _____ costs and _____ expenses.
 _____ tell us the payment allocation _____ transmission _____.
 How _____ money _____ generating _____ how _____ goes to delivering _____ across different areas?
 I require _____ breakdown _____ allocation between _____ costs _____ expenses.
 How much do I spend _____ versus _____?
 I want _____ know _____ divided, _____ much _____ to generation _____ transmission/distribution fees.
 Tell _____ the _____ of my bill going _____ generation compared _____ moving _____.
 I want to know _____ between _____ delivering electricity in different _____.
 _____ the division of _____ payment between _____ transmission/distribution _____ specified?
 _____ am interested in _____ payments _____ divided _____ generation _____ transmission/distribution fees.
 I _____ breakdown of the allocation _____ and transmission/distribution _____.
 _____ how much I _____ to pay _____ generation _____ to _____ and distribution.
 _____ do I pay _____ generation _____ to _____ charges?
 I want to _____ the _____ my _____ is _____ into generation compared to _____ electricity.
 _____ tell _____ the _____ is divided between _____ costs and _____ expenses?
 _____ you tell _____ the amount _____ to _____ power as _____ to _____ distributing _____?
 How _____ breakdown _____ me _____ much cash _____ on _____ compared to _____ transmission?
 _____ is my _____ divided between _____ electricity _____ delivering _____ in different _____?
 Tell _____ upfront what _____ share of _____ bill _____ going into _____ compared _____ moving _____ electricity.
 _____ know the division of _____ payments between _____ costs _____ transmission/distribution _____.
 I'm curious about _____ of _____ is for generation _____ compared _____ and _____.
 How much _____ goes towards _____ and _____ towards transmission and _____ expenses?
 Do you want _____ how _____ goes _____ costs _____ and distribution _____?
 Is it possible to _____ generation, _____ distribution?
 _____ bill split _____ generation _____ transmission?
 _____ you show _____ how _____ pay _____ costs and transmission/distribution _____?
 I would _____ a breakdown _____ how _____ I am paying towards _____ versus _____.
 Can _____ give me _____ much I pay towards _____ costs _____ and distribution _____?
 Can _____ me a _____ how _____ I pay for generation costs _____?
 What is the _____ my _____ relating to _____ compared to _____?
 _____ would like _____ know _____ cash I'm _____ generation _____ the distribution and transmission.
 _____ is my bill _____ costs or _____ distribution fees?
 _____ much goes to generating _____ as _____ distributing it, _____ breakdown?
 Give me _____ of _____ costs and _____ expenses.
 What amount of _____ payment _____ towards covering generation _____ and _____?
 _____ me the exact share of my _____ going _____ to moving _____.
 I _____ know _____ much _____ generation _____ transmission and distribution.
 How are the _____ for generating _____ delivery _____ charges?
 _____ like to _____ how _____ the _____ to _____ compared to transmission _____ distribution costs.

How much ____ I ____ for energy ____ distribution?

How about ____ of ____ I'm ____ down for generation compared ____ transmission and ____?

I ____ know how much ____ generation, ____ transmission and ____ expenses.

What is the ____ of ____ payments ____ generating ____ compared ____?

How ____ goes ____ generation costs ____ compared to transmission ____?

____ wondering ____ generation costs ____ transmission and distribution costs.

Is ____ a breakdown ____ much ____ paying for ____ costs versus transmission ____?

How much ____ spent ____ generating ____ compared ____ it?

____ my ____ goes to generation and ____ big are ____ transmission ____ distribution ____?

____ it possible ____ tell me ____ are ____ between generation costs ____ transmission/distribution ____?

Is it possible ____ gen versus ____ and ____.

____ much ____ my ____ generating ____ compared to transmission and ____?

____ goes towards ____ generation ____ transmission and distribution expenses?

Payment ____ generation ____ transmission/distribution fees, ____?

Do ____ have a ____ the ____ of ____ and ____ expenses?

____ the division ____ payments between generating ____ it

____ you ____ my ____ between generation ____ distribution fees?

I ____ to know ____ for ____ compared to transmission and ____.

____ between generating costs and transmission ____.

I need to ____ spend on generating ____ distribution ____.

____ the ____ share ____ bill going into ____ compared to moving ____ Electricity.

____ want ____ how my payments are divided, ____ much ____ to generation costs ____.

What ____ payment ____ costs ____ transmission/distribution fees?

How is my money ____ generating electricity ____ areas?

How ____ is it ____ generation ____ distribution ____ transmission?

____ amount of ____ I ____ out ____ versus transmission and ____?

I ____ like ____ breakdown ____ how much ____ paid ____ generation and not ____ transmission ____.

Can ____ my payment between ____ costs ____ fees?

____ to ____ how much I pay for generation ____ to transmission ____.

I ____ to ____ pay for power generation compared ____ charges.

I want ____ know ____ much goes ____ costs ____ and distribution ____.

____ able to ____ me ____ much I pay ____ its ____ and distribution?

____ know ____ much of ____ payment ____ for ____ expenses ____ to transmission ____ distribution costs.

I ____ like ____ know ____ the exact ____ generation compared to ____ and distributing electricity.

____ how ____ payment caters to ____ expenses compared ____ transmission ____ distribution costs.

How ____ does ____ money go to ____ electricity and ____ it ____?

____ the ____ of my ____ generating ____ to the charges ____ delivery?

I ____ to ____ exact ____ of my ____ into generation ____ to moving ____ distributing ____.

I want ____ can break down ____ payment ____ costs ____ transmission fees.

____ about a ____ of ____ cash ____ throw down for ____ and distribution?

____ tell me the division ____ between ____ and ____ costs?

____ want to know ____ much ____ contributing towards ____ to ____ delivery.

____ my bill ____ two ____ portion ____ generation ____ versus ____ charges?

The ____ payments between ____ electricity ____ it should be ____.

____ of my ____ is ____ cover generation costs instead of transmission ____?

____ want ____ know the ____ share ____ my bill ____ into ____ compared ____ moving and ____.

____ want to ____ much ____ generation costs compared ____ transmission ____ distribution costs.

I want ____ know how much of ____ is ____ toward generation expenses ____ costs.

____ much of ____ payment ____ cover generation costs ____ expenses?

____ you ____ breakdown of how much I ____ pay ____ generation ____ transmission?

How much is ____ money ____ electricity ____ it in different ____?

____ you tell ____ how ____ for generating ____ and ____ distribution?

I want a breakdown of how ____ for ____ transmission ____.

____ out my ____ between ____ costs and ____ fees?

Is ____ a division of ____ payments between ____ transmission/distribution ____?

____ me the exact share ____ my ____ generation compared to ____ dispersal ____.

Can ____ an amount ____ making power ____ expenditures for ____ it?

Is ____ possible to specify ____ making power, ____ the expenditures associated ____ it?

Can you give ____ amount devoted ____ power as ____ amount spent on ____?

____ want to know ____ I ____ generation, versus ____ and ____ expenses

How much is ____ generation compared ____ those transmission ____?

I ____ know ____ my ____ to generation costs, transmission and ____ expenses.

____ a ____ how much cash I throw ____ compared to ____ distribution ____ transmission.

Do you ____ of what I ____ and transmission charges?

____ want ____ the ____ payment, between generation costs and transmission/distribution ____.

I ____ to know how much I ____ how ____ paid for transmission ____.

____ about ____ me how much cash ____ throw down ____ generation compared ____ the ____ and ____.

Can ____ split my bill ____ and distribution ____?

How ____ is ____ generation vs ____ and ____?

____ want to know ____ much I am ____ generation ____ distribution expenses.

____ it ____ to separate ____ cost of ____ and ____ fees?

Do ____ of ____ I pay for power generation ____ how much I ____ for ____ distribution?

How ____ do I ____ for ____ costs versus ____ distribution ____?

I ____ much I have ____ generation ____ transmission ____ distribution.

____ want the division ____ between ____ and transmission/distribution fees.

____ how ____ I ____ for power generation and transmission ____ distribution.

____ you specify ____ much of ____ to making ____ how much is ____ on ____?

How ____ payments ____ between ____ and ____ of power?

____ you ____ how ____ is ____ between generation and transmission-distribution ____?

____ tell ____ the division ____ my ____ generation ____ transmission/distribution fees.

____ looking for ____ of ____ I ____ for ____ versus transmission and ____ expenses.

____ how ____ contributing ____ power generation compared to delivery and transport.

I want to ____ how ____ pay ____ transmission and distribution ____.

How much do ____ pay ____ generation ____ distribution stuff?

____ much goes into ____ compared ____ distribution expenses?

How are my ____ between ____ costs?

What ____ breakdown ____ to generate ____ compared to ____ charges?

____ to ____ I pay for generation ____ transmission and distribution ____.

Give ____ division of payments between ____ distributing ____.

Please tell ____ about the ____ of ____ generation ____ and transmission/distribution ____.

What ____ the ____ of ____ towards ____ energy ____ to delivery ____?

Is ____ breakdown ____ how much ____ am paying towards ____ transmission ____?

____ of my ____ covers generation costs ____ opposed to transmission ____?

____ the distribution of my payments ____ generating ____ and ____?

____ like to know how ____ of ____ expenses compared to ____ and distribution ____.

Please ____ the ____ generating costs ____ transmission charges.

____ to ____ the ____ share ____ my bill ____ into generation ____ to ____ and dispersal ____ electricity.

____ need ____ to specify ____ division of my ____ generation ____ transmission/distribution ____.

____ is ____ my payments ____ energy compared with delivery ____?

____ need ____ know ____ exact ____ of ____ bill ____ into generation ____ to ____ and dispersal electricity.

How exactly is my _____ generating and _____ different _____?

Send _____ breakdown of the _____ of _____ and transmission/distribution _____.

_____ split for _____ for energy _____ and distribution.

Is _____ cost _____ between _____ transmission and _____?

_____ split between _____ electricity and delivering _____ across different _____?

_____ need _____ how _____ cash _____ throwing down _____ generation compared _____ the _____ transmission.

_____ want _____ a breakdown _____ how _____ paid for generation _____ and _____ expenses.

Can _____ me _____ my _____ are _____ among generation costs _____ transmission/distribution _____?

I _____ like _____ know _____ breakdown _____ payments towards _____ energy compared _____ delivery _____.

I want to know _____ my money is _____ and _____ places.

_____ much _____ I _____ generation vs distribution?

_____ the _____ on generation vs _____ delivery?

_____ it possible _____ divide my payment _____ and _____ fees?

_____ to _____ how my _____ how much _____ to generation costs versus _____ fees.

Is it _____ to calculate my _____ between _____ and _____?

_____ about _____ showing me _____ cash I spend for _____ compared to _____ transmission.

I am looking _____ a _____ of _____ much _____ paying _____ and transmission and distribution _____.

_____ much _____ my payment _____ costs and how much _____ transmission _____ distribution _____?

_____ want _____ know how _____ for _____ when compared to transmission _____.

What percentage _____ spent on _____?

_____ to find _____ much I paid for _____ and _____ distribution expenses.

_____ to know _____ much _____ generating electricity _____ the distribution.

How is the _____ between generation costs _____ transmission-distribution _____?

_____ worth showing _____ much goes into generation costs _____ distribution _____?

_____ it straight, how _____ is _____ generating _____ delivering electricity _____ different areas?

_____ state _____ between generating _____ and transmission charges

_____ the division _____ payments _____ and _____ electricity.

How much _____ my _____ goes _____ costs _____ compared to transmission _____ distribution _____?

I want to _____ my _____ are divided _____ costs and _____

Let's _____ clear, _____ me _____ money is going _____ producing _____ vs _____ it.

You _____ want to show _____ goes into _____ versus _____ costs.

_____ is _____ of my _____ going _____ generation _____ to _____ and dispersing _____?

_____ you _____ what my payment _____ costs and distribution _____?

_____ it _____ to explain _____ gen _____ and distributors?

Can _____ tell me _____ I _____ for generating _____ compared to _____ and _____?

_____ amount is given out _____ versus _____ and _____?

What are the _____ - _____ transportation _____ distribution fees _____ bill?

_____ breakdown shows _____ how much cash _____ down _____ generation _____ the _____ and _____.

What is _____ costs _____ transmission/distribution expenses?

_____ the amount dedicated to _____ power, _____ opposed _____ the amount _____ on distributing _____?

I _____ know how much _____ into generation costs _____ and _____.

I would like _____ know _____ exact share _____ my _____ going _____ compared _____ moving _____ electricity.

_____ like to _____ how _____ divided, _____ much _____ to _____ costs versus transmission/distribution fees.

Can you split _____ payment _____ generation _____ transmission/distribution _____?

_____ opposed _____ distribution expenses, how much of _____ goes _____ generation _____?

How _____ of _____ goes to generation, _____ expenses?

Is _____ to _____ the _____ payment between _____ costs and transmission/distribution _____?

How _____ am I spending _____ generating electricity _____?

_____ give the _____ to making _____ opposed to the _____ spent _____ it?

I would like _____ much I pay for _____ generation _____ compared _____ and _____.

____ would ____ to ____ how ____ of my ____ expenses compared ____ transmission and ____ costs.
 ____ any ____ my payment towards generation or ____?
 Tell me ____ what is the ____ into generation compared to moving ____?
 ____ us the ____ of my payment ____ and ____ fees.
 I ____ in ____ my payment ____ to ____ expenses ____ to transmission and distribution costs.
 How ____ the ____ to generation costs ____ and ____ fees?
 You ____ be able ____ give ____ list ____ how much is ____ towards ____ versus delivering ____.
 I'd ____ to know how ____ costs versus transmission and ____.
 ____ to ____ how ____ amount ____ divided between ____ and transmission distribution ____.
 ____ much are ____ spending on ____ electricity versus ____?
 ____ my payment subsidizes generation ____ as opposed to ____ and ____?
 I need to know ____ is divided ____ and ____ electricity in ____.
 Give ____ division ____ payments between ____ and distributing ____
 How ____ does power generation cost ____ transmission ____?
 ____ to know how ____ spend on generating ____ vs ____ fees.
 How ____ showing how ____ cash ____ throwing down for ____ compared ____ transmission and ____?
 What ____ spent on ____ sending/delivery?
 ____ there a breakdown ____ my ____ towards generation ____?
 How much ____ I ____ on energy ____ vs ____?
 I want ____ how much I ____ to ____ and distribution expenses.
 ____ of ____ goes for ____ costs ____ opposed to transmission ____ expenses?
 ____ how is ____ money ____ generating ____ delivering electricity in ____ areas?
 Is ____ for ____ transmission, and distribution?
 ____ amount ____ given for ____ costs ____ transmission and ____?
 ____ me ____ the exact ____ my ____ into generation compared to ____ and ____ electricity.
 Tell ____ the ____ share ____ my ____ going ____ compared ____ moving ____ dispersal ____ electricity.
 I'm ____ how my ____ are divided ____ costs ____ transmission/distribution ____.
 Can you ____ how ____ payment is ____ between generation ____?
 ____ about ____ a ____ of the allocation between ____ costs ____ transmission/distribution ____?
 ____ tell ____ the ____ my payment between generation costs ____ fees
 ____ you ____ me ____ much ____ pay ____ electricity ____ its distribution ____ transmission?
 ____ possible ____ show ____ goes into ____ compared to ____ and distribution costs?
 ____ need a breakdown of ____ much ____ for ____ transmission costs.
 ____ it ____ to ____ costs, gen ____ trans and ____?
 ____ want a ____ how much I pay ____ generation ____ transmission ____.
 ____ want a breakdown ____ how ____ I ____ for ____ and ____ expenses.
 How ____ my ____ between the ____ of ____ and delivering it ____ areas?
 ____ I shelling out for generation ____ transmission ____?
 Do ____ an explanation for ____ generation, ____ and distribution?
 Is ____ you to explain ____ gen ____ trans and ____?
 How much is dedicated ____ making ____ opposed to ____?
 Do ____ know ____ generating electricity and distributing ____?
 Are you able ____ show ____ much I ____ for ____ to ____?
 ____ you ____ an ____ versus trans and dist?
 Can you tell ____ the divide ____ transmission-distribution ____?
 I need ____ division of ____ between ____ costs ____ transmission/distribution ____.
 ____ much do I ____ for generation ____ compared ____ and ____?
 ____ a ____ split for ____ and distribution?
 ____ details, generation ____?
 ____ of how ____ I'm ____ for generation costs ____ transmission costs?

_____ you _____ me the ratio _____ transmission-distribution expenses?

I would _____ a _____ of energy _____ and _____.

_____ much do I _____ generation _____ compared _____ transmission _____ distribution _____?

Can you _____ my _____ generation _____ and _____ fees?

Payment for _____ versus _____?

_____ appreciate a _____ for _____ for _____ production _____ distribution.

How _____ my payment _____ generating _____ to distribution and _____?

_____ the percentage of my payment _____ for _____ costs _____ transmission and _____?

I'd _____ know _____ allocation between _____ transmission/distribution expenses.

_____ would _____ how _____ I pay towards _____ transmission and distribution costs.

_____ contribute towards _____ generation _____ to transport and _____?

I would _____ to know _____ much _____ my _____ caters _____ to transmission _____ distribution costs

Is _____ possible to specify the amount _____ opposed to the amount _____ it?

I'd like _____ know how _____ caters _____ compared to _____ and distribution costs.

_____ payment for _____ versus transmission _____?

_____ you can give _____ breakdown of how _____ I paid _____ generation _____ transmission.

How do _____ know how _____ generating _____ and delivering it in _____?

_____ need _____ detailed _____ of _____ allocation between generation _____ and transmission/distribution _____?

_____ want _____ how _____ I'm paying _____ costs and transmission _____ expenses.

_____ tell _____ amount is divided between _____ and transmission- _____ expenses?

How _____ generation costs _____ split?

Does _____ much I pay _____ its transmission and distribution?

I'd like _____ much _____ pay _____ electricity versus its _____.

_____ you _____ amount dedicated _____ making power, rather _____ the _____ spent on _____?

_____ division of payments _____ and distributing _____ provided.

_____ how much _____ pay for power _____ distribution?

_____ the amount is _____ between generation _____ and transmission-distribution _____.

Provide _____ of _____ between generating _____ energy.

How _____ is _____ for _____ compared _____ and distribution?

Please _____ the division of _____ between _____ costs _____ and distribution _____.

I _____ know how much I am _____ for generation _____ transmission _____.

_____ much is spent _____ generation _____ and _____ expenses?

How _____ of my bill _____ to _____ costs versus _____?

_____ you _____ the _____ of my _____ allocated to _____ costs _____ and _____ expenses?

_____ it possible to _____ generation costs and _____ fees?

_____ want _____ breakdown of how much _____ generation and _____.

I want to know how _____ I pay for _____.

_____ the _____ share of my _____ generation compared to _____ distributing electricity.

How _____ a breakdown _____ much cash _____ down for generation _____ transmission _____ distribution.

_____ explain _____ costs _____ transmission, and distribution?

_____ payment _____ costs and transmission/distribution fees broken _____?

_____ information on _____ I'm contributing to power generation _____ to _____ and _____?

_____ to know _____ much I paid _____ to _____ and _____ expenses.

Is it _____ amount dedicated to making _____ the _____ distributing it?

Is _____ possible _____ costs, gen versus trans _____?

_____ breakdown of how much _____ for _____ compared _____ transmission charges?

_____ know what _____ is spent _____ generation _____ delivery?

How _____ my money _____ to _____ generation and _____ large are _____ fees?

_____ my _____ distributed between _____ and _____ energy?

What proportion _____ payment was _____ to _____ and distribution expenses?

____ need to know the ____ of my ____ going into generation when ____ moving _____.
 You ____ break down ____ much _____ electricity versus its _____.
 ____ mean the proportion _____ allotted _____ generation costs _____ and distribution expenses?
 I _____ to _____ the _____ my ____ going into generation compared to _____ and dispersed _____.
 _____ the payments _____ generating _____ to _____ and delivery charges?
 How much of _____ payment was given _____ generation _____ and how _____ was _____ to _____ _____?
 _____ the _____ to making _____ to the amount spent on distributing _____?
 You ____ give _____ a breakdown of how _____ paid for _____ and _____.
 _____ you know what _____ I pay _____ generation _____?
 _____ much contribution do _____ make _____ power _____ transport _____ delivery?
 Is there _____ how much I _____ for _____ distribution?
 How much _____ my _____ contribute _____ costs versus _____ and _____?
 _____ want to know _____ my _____ divided, how _____ related _____ costs and how much is _____ transmission/distribution _____.
 I'm _____ know how much _____ caters to _____ to transmission _____ costs.
 _____ am I _____ generation costs _____ transmission/distribution fees?
 How much _____ I _____ to _____ for _____ electricity _____ its _____ and _____?
 _____ much goes _____ generation costs vs. _____ and _____?
 _____ the _____ of _____ for _____ distributing electricity
 I _____ the _____ of _____ pay _____ generating and distributing electricity.
 Do _____ have a breakdown _____ how much _____ to _____ energy _____ much _____ to _____?
 I _____ know how _____ is _____ on _____ vs sending _____.
 _____ it _____ to _____ the amount _____ to _____ as _____ to _____ to _____ it?
 I want _____ know _____ you _____ explain _____ gen versus _____.
 What _____ is _____ vs sending/ _____?
 _____ want to know _____ I paid _____ generation _____ and distribution _____
 I _____ know _____ much _____ for _____ vs its _____ and distribution.
 _____ tell _____ how much _____ pay _____ generating _____ versus its _____ and _____?
 _____ looking for a _____ allocation _____ generation costs and _____ expenses.
 I _____ it if you could show _____ for power _____ and transmission.
 How much is spent on _____?
 _____ it possible to break _____ into generation _____ and _____?
 I would _____ how much _____ pay _____ generation costs over transmission _____.
 Payments _____ versus _____ distribution?
 Do _____ know how much is spent _____ generation _____?
 Is _____ to show how much _____ costs and transmission _____?
 _____ are generation _____ transmission distribution _____?
 Can you tell _____ payments are divided, how _____ to _____ fees?
 _____ want _____ how _____ my _____ is _____ expenses compared to transmission and _____ expenses.
 How much _____ is allotted _____ transmission _____ distribution expenses?
 _____ there a _____ of my payment _____ distribution?
 How much goes _____ costs _____ transmission _____ expenses _____ you would like _____.
 Can _____ tell me the portion _____ pay for _____?
 _____ much is _____ on _____ sending/ _____?
 Can _____ me how the amount _____ divided _____ transmission-distribution _____?
 Is _____ of _____ payment for _____ versus transmission?
 I'd _____ to know _____ cash _____ down for generation compared _____ distribution _____.
 _____ my money _____ between _____ and delivering electricity _____ different _____?
 I _____ to know _____ much of _____ to generation expenses compared to _____ and _____.
 I'd _____ much I pay _____ costs over transmission _____.
 I _____ how much _____ power _____ compared to transport _____ delivery.

I want to _____ much _____ generation costs and _____.
 How much _____ I pay _____ the _____ distribution stuff?
 _____ breakdown of how _____ for _____ and transmission costs?
 _____ you figure out how _____ I _____ and _____ fees?
 _____ of my payment allotted _____ generation costs, _____ and _____ costs?
 _____ would like to _____ how my _____ divided and how much _____ versus transmission/distribution _____.
 I _____ to _____ much I pay _____ generating electricity _____ and distribution
 Is it possible _____ show a _____ much goes _____ distributing _____?
 I want _____ know _____ the _____ share _____ goes into _____ compared _____ moving and dispersed _____.
 _____ want _____ know _____ pay for generating electricity _____ the distribution _____ transmission.
 _____ is my money split _____ of _____ and _____ electricity _____ areas?
 _____ know the _____ spent _____ vs sending or _____?
 _____ breakdown showing how much _____ I _____ generation _____ to _____ distribution and transmission?
 I _____ curious _____ payment _____ to generation _____ to transmission _____ distribution costs.
 _____ you _____ how much money _____ into _____ vs transporting _____ it?
 _____ about _____ breakdown _____ me how _____ cash I'm throwing _____ for _____ compared _____ transmission and _____?
 _____ me _____ percentage _____ allotted to _____ costs and _____ and distribution _____.
