

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Dashboard warning lights are illuminated
Inquiry Sub-Category	Brake warning light is on
Description	Customers may seek assistance regarding the brake warning light being activated. This could indicate issues with the brake system, such as low brake fluid levels, worn brake pads, or a brake system malfunction, requiring immediate inspection and repair for safe driving.
Data Size	5,609 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

____ be ____ of an ____ Brake System Indicator while braking ____ accelerating ____?
 Why ____ I ____ illuminated ____ I ____ sharp brakes ____ accelerate fiercely?
 There were intermittent ____ Indicator ____ applying hard brakes.
 ____ light ____ aggressive ____ is a ____.
 ____ does my ____ System ____ light up intermittently ____ apply sudden ____ ____?
 ____ wonder ____ brake system indicator ____ up ____ slam on ____ brakes.
 Why does the ____ indicator turn on ____ brake ____?
 ____ a reason why ____ Indicator flickers on ____ off?
 ____ you tell me ____ Brake System Indicator ____ while ____?
 Is ____ the occasional ____ brake warning ____ could be ____ by forcefully or rapidly ____?
 I ____ know ____ with ____ and sometimes ____ comes on when I ____ hard.
 How come the brake ____ appears ____ or ____?
 ____ you ____ why ____ brake system indicator is ____?
 ____ it ____ for rough braking ____ cause ____ Brake ____ Indicator signal ____?
 ____ Brake ____ Indicator ____ come on?
 ____ the ____ System Indicator signal ____ be ____ by ____.
 ____ my Brake System Indicator going off ____ gas ____ brakes?
 ____ alert system sometimes show ____ warnings?
 ____ have caused ____ intermittently ____ while aggressively engaging the brakes?
 ____ braking ____ speeding, how ____ the brake icon ____ occasionally?
 What ____ the cause of the ____ indicator ____?
 What might ____ Indicator to light up ____ the ____?
 Are there ____ flickering Brake ____ Indicator ____ driving?
 ____ if the ____ System ____ flickers ____ and off when I engage ____ braking moves.
 Does ____ brake application ____ illuminated ____ Indicator ____?
 ____ on-and-off illuminated ____ caused by ____ brake ____ or demanding ____?
 ____ that ____ Brake System ____ light ____ when brakes ____ applied hard?
 ____ you tell us ____ Brake System ____ flickering ____ driving?

_____ of _____ Indicator flashing?

Is _____ because my _____ system indicator _____ off when _____ aggressive maneuvers?
_____ factors _____ cause an on-and-off _____ system _____?

The Brake _____ Indicator will light _____ occasionally while _____.

Is _____ a reason that _____ Brake System _____ work when I _____ acceleration or _____?

Why does my brake _____ I _____ brakes?

How _____ determine the _____ my _____ come on at certain times?

During an _____ what _____ the car _____ a _____ signal?

During sudden brakes, _____ symbol _____?

What _____ it that makes the _____ signal _____ a _____?

What makes the _____ brake _____ a while?

The Brake _____ on intermittently when _____ applied.

_____ intense _____ explain the _____ system indicator?

There _____ be _____ reason _____ brake light _____.

_____ brake _____ or _____ rapidly, what is triggering _____ Indicator to _____?

_____ engaging the brakes, what _____ cause _____ Brake System _____ to _____?

_____ I _____ the Brake System _____ may intermittently light _____.

_____ there _____ reason _____ System Indicator to flicker _____ I _____ accelerate?

Why _____ my _____ system indicator _____ slam _____ the brakes?

_____ System Indicator _____ light _____ due _____ intense braking.

_____ Brake System Indicator _____ flash _____?

_____ don't _____ brake alert system _____ illuminated warnings _____ applying _____ brakes.

_____ there a _____ Brake System _____ and _____ when I engage _____ aggressive _____?

_____ Brake System _____ could be _____ by _____ or hard _____.

I'm _____ what's wrong with _____ comes on when I _____ too _____.

What _____ for the _____ brake _____ at certain times?

Why _____ my brake _____ warnings _____ apply sharp brakes _____ accelerate fiercely?

_____ there _____ the _____ System _____ blinks on and off?

There is _____ problem with _____ after _____ acceleration.

Is _____ the _____ brake warning light could be caused _____ braking _____ quickly?

_____ SYSTEM _____ light _____ when I _____ on the brakes?

_____ on-and-off illuminated BrakeSystem Indicator signal _____ explained _____ demanding _____ application.

_____ to know _____ my Brake _____ lights _____ when I _____ brakes.

Is it _____ that _____ System _____ lit _____ apply brakes or accelerate?

_____ or quickly, what _____ my brake system indicator to _____?

Is _____ a reason my _____ System Indicator _____ not _____ when _____ in _____ acceleration or _____?

_____ brake system indicator to _____?

The Brake _____ might _____ I brake or accelerate _____.

I _____ no _____ with _____ brakes. Sometimes the indicator _____ when _____ brake too hard.

_____ know why the Brake _____ Indicator light up _____ on the _____.

What is the reason _____ System Indicator _____?

_____ the brake light on _____ you drive _____ push _____?

_____ intermittent brake _____ illumination?

_____ fast _____ pushing pedals, _____ does the brake _____?

How can I _____ why _____ sometimes _____ on?

The _____ System _____ could light up _____ braking.

Why _____ light come _____ while _____?

Does _____ brake application _____ illuminated _____ Indicator _____?

Is it possible _____ occasional illumination _____ my brake _____ light is _____ or _____?

Is it _____ that _____ occasional illumination of _____ warning _____ is due _____ rapidness _____ braking?

_____ causing _____ Brake _____ Indicator _____ illuminate off when _____ or accelerate forcefully?
 _____ does the indicator light _____ the _____ being _____?
 What _____ causing my _____ System Indicator _____ I _____ suddenly?
 Is it _____ to figure out _____ Indicator _____ comes _____?
 There is _____ Brake _____ is _____ lit when I apply _____.
 Is _____ reason for _____ Brake _____ Indicator _____ on _____ off?
 Why _____ Indicator light up if _____ slam _____ the brakes _____ give _____ gas?
 _____ there something _____ causes _____ warning?
 The _____ Indicator _____ during _____ acceleration _____ braking moments.
 Why _____ my Brake _____ Indicator _____ off when _____ on _____?
 _____ why _____ my _____ light up _____ I slam on _____ brakes?
 There _____ a _____ that flickers on _____ off when _____ brake _____.
 _____ need _____ why _____ Brake System _____ lit _____ I apply brakes.
 Do _____ have a _____ the brake _____ flashing?
 Sometimes _____ Indicator signal _____ be stimulated by rough _____.
 The Brake System _____ activated intermittently while _____.
 _____ may _____ cause _____ Brake System Indicator.
 _____ brake _____ indicator _____ on and _____ while _____ brake _____ accelerate.
 Is _____ possible that the occasional illumination of _____ warning _____ is due _____ rapidly _____?
 _____ possible that _____ brake light _____ on when _____ accelerator or brakes?
 Occasionally illumination _____ signal can _____ elicited _____ rough braking/acceleration.
 What _____ car show brake _____ in a while?
 The _____ lights up occasionally when _____ applied.
 _____ there _____ Brake _____ Indicator _____ off _____ I _____ in aggressive _____ or braking moves?
 _____ the Brake _____ signal might _____ illuminated by _____.
 A possible _____ Brake _____ is hard braking.
 Is _____ possible that _____ intense _____ could _____ up the brake _____?
 _____ my brake system indicator _____ brake suddenly?
 I _____ clue what's _____ with _____ brakes. Sometimes _____ on _____ I brake too hard.
 Is it _____ the _____ my brake _____ is caused _____ braking?
 _____ cause _____ System Indicator light after sudden _____ or _____?
 _____ may _____ something _____ the occasional illumination of _____ indicator.
 _____ like to _____ my _____ system _____ shows illuminated warnings.
 Is intense brake application _____ Brake _____ Indicator signal?
 _____ brake system indicators flicker _____ hit brakes?
 _____ Brake _____ Indicator light _____ sometimes?
 Why do my brake _____ I _____ the _____?
 What _____ can _____ a Brake _____ Indicator light to _____ hard _____ fast?
 Does _____ on-and-off illuminated _____ Indicator _____ come _____ or _____ brake application?
 Is it _____ that _____ occasional illumination of my brake warning _____ of my _____?
 When _____ sharp _____ why does my _____ alert system _____?
 _____ Indicator _____ be intermittent _____ intense braking.
 What _____ Brake System Indicator _____ intermittently _____ while aggressively _____ the accelerator _____?
 Is there _____ why my _____ system _____ flickers _____ and _____?
 There is a _____ for _____ brake _____ to flash _____.
 Is _____ possible _____ intense _____ application can _____ Illuminated Brake System _____?
 _____ brake system _____ intermittently illuminate under hard _____ acceleration?
 I am _____ tell me _____ system indicator is intermittently _____.
 _____ does _____ car _____ brake signal _____?
 _____ it _____ that _____ could _____ the Brake _____ Indicator to _____?

_____ I figure _____ causes my _____ system _____ come on during braking _____?
 There is _____ issue with _____.
 _____ does _____ Indicator _____ brakes are being applied?
 _____ Brake System _____ up _____ intense braking _____ accelerate _____ intermittently.
 Can rough braking _____ occasional _____ brake _____ signal?
 Is there _____ cause _____ the brake _____?
 _____ the reason for _____ Brake _____ occasionally being illuminated?
 _____ can _____ figure out _____ my Brake System _____ during aggressive _____?
 _____ possible that the _____ my brake warning light is _____ by my _____ or _____?
 _____ may be the _____ the _____ Indicator intermittently _____ while aggressively _____ brakes?
 I _____ the occasional illumination of _____ warning light _____ to _____ forcefully _____ rapidly.
 _____ there _____ reason why my Brake _____ Indicator _____ engage _____ aggressive acceleration or braking _____?
 _____ am wondering why _____ Brake _____ intermittently _____ I apply _____ or accelerate.
 _____ factors _____ cause _____ System Indicator light to _____ when _____ brake _____?
 _____ I _____ the reason for _____ brake _____ indicator _____ come _____?
 _____ applying _____ brakes, _____ does my alert system _____?
 There is _____ illumination _____ Indicator _____ hard acceleration _____ braking.
 _____ there a known _____ for _____ irregular Brake _____?
 Does _____ why the _____ is flashing during _____?
 What could _____ causing _____ Brake _____ Indicator _____ occasionally?
 _____ there a _____ cause of the _____ system _____?
 _____ brake _____ the reason for _____ BrakeSystem _____ signal?
 Why _____ the _____ when I _____ or accelerate?
 _____ rough braking _____ of the brake _____?
 Why does _____ brake system _____ up _____ slam on the _____?
 _____ the brake _____ during aggressive driving?
 _____ the Brake _____ to intermittently illuminate under _____?
 _____ causes _____ Brake System Indicators _____ during _____ brakes?
 I am wondering _____ indicators flicker when _____ hit the _____.
 _____ a reason the _____ System _____ doesn't _____ on?
 Does _____ brake _____ explain _____ on-and-off _____ BrakeSystem _____?
 During _____ acceleration _____ braking, _____ be behind the _____ illumination?
 Is _____ possible _____ illumination _____ warning light is the result _____ forcefully or rapidly?
 _____ my brake system to _____?
 _____ braking suddenly _____ what _____ triggering _____ System Indicator _____ illuminate?
 _____ there a reason _____ my _____ System Indicator _____ work _____ I _____?
 _____ brake system _____ under hard _____.
 Is _____ Indicator _____ up _____ apply _____ brakes or accelerate?
 _____ brake system indicator to _____ intermittently while aggressively engaging _____?
 _____ the on-and-off _____ caused _____ intense brake application?
 _____ it possible that intense _____ application _____ illuminated brake _____?
 _____ it possible for _____ occasional _____ my _____ light _____ a result of rapid _____?
 There might be a _____ the _____.
 _____ the _____ System _____ on _____ I floor it _____ stop suddenly?
 Is _____ that _____ Brake _____ will _____ up intermittently _____ I _____ hard brakes?
 _____ the _____ illuminated BrakeSystem Indicator _____ by _____ demanding _____?
 When _____ my brakes _____ system _____ illuminated warnings.
 _____ you _____ me _____ my Brake System Indicator _____ when I _____?
 The Brake _____ is activated _____ while applying _____.
 _____ System Indicator may _____ intermittently while _____ either the _____ the _____.

Can _____ tell _____ a _____ Indicator _____ flickering _____ you drive?
 _____ you tell _____ why _____ brake system _____ on when _____ floor _____?
 _____ symbol to flash?
 _____ a reason why _____ Brake System _____ when I accelerate _____?
 What causes _____ indicator to light up _____?
 _____ System _____ might _____ malfunctioning while I _____ or _____.
 When I _____ accelerate _____ what _____ reason for my _____ Indicator _____ illuminate?
 Why _____ my Brake System _____ go _____ while _____ on the _____?
 When _____ braking, the _____ System _____ flickers on and off intermittently.
 _____ illumination of _____ signal can be stimulated by _____.
 Sometimes _____ Illuminated _____ System Indicator signal _____ excessive _____ application.
 _____ Brake System Indicator _____ up _____ brakes were hard _____.
 _____ brakes or _____ show up in my _____ alert system.
 When driving _____ and pushing pedals, why _____ on?
 Why _____ comes on _____ driving?
 What _____ triggering _____ indicator _____ up _____ brake suddenly or accelerate forcefully?
 _____ can _____ the Brake _____ light up?
 During intense full- stop/start, what _____ show brake signal _____?
 Do you know why my _____ indicator _____ up _____ I _____?
 _____ it possible _____ brake application can _____ illuminated brake _____ signal?
 _____ brake _____ was _____ after _____ speed...
 _____ does the car show _____?
 _____ symbol flash _____ sudden braking.
 During _____ full-stop/start, _____ makes the car show _____?
 What _____ flash at sudden brakes?
 _____ brake system _____ intermittently illuminate while aggressively engaging _____ brakes?
 Occasionally illumination _____ Indicator signal can _____ triggered _____ braking/acceleration.
 How _____ my brake system _____ shows _____ it or stop _____?
 Could intense _____ Brake _____ Indicator to _____ up?
 _____ do _____ brakes start _____ at _____ change?
 Why _____ the brake light _____ and push pedals?
 Is there _____ Brake System Indicator?
 How do _____ figure out what _____ System _____ come on at _____?
 _____ there _____ reason for _____ brake _____ indicator _____?
 _____ it possible _____ the _____ brake warning light could _____ caused _____ braking _____ or _____?
 _____ come my brake _____ illuminates under hard _____?
 _____ to know what _____ intermittent _____.
 _____ cause a Brake _____ indicator _____ to be _____?
 The Brake _____ Indicator _____ occasionally _____ I apply _____ brakes.
 Can _____ figure out _____ reason for _____ Indicator?
 Is _____ an _____ for the _____ Indicator _____ occasionally?
 Light up the _____ push _____ gas or _____?
 _____ the _____ symbol flash when _____.
 _____ is _____ chance that _____ Brake System Indicator will _____ aggressively _____.
 What causes _____ intermittent _____ to _____ on?
 What causes my Brake _____ Indicator _____ up _____ suddenly?
 _____ does my brake light come on when _____ slam on _____?
 _____ does _____ on when you drive fast _____ push _____?
 How _____ I find _____ why _____ Brake System _____ comes _____?
 _____ reason my _____ is intermittently _____ when _____ apply sudden brakes?

____ can be illumination of ____ Indicator ____ hard ____.
 ____ suddenly or forcefully, what is ____ Brake ____ Indicator?
 Why does ____ up when the ____ are being ____?
 I ____ out ____ wrong ____ brakes, ____ the indicator comes ____ when I ____ hard.
 When ____ brake ____ accelerate, ____ the ____ System ____ randomly turn ____?
 When push ____ or ____ why ____ the ____ sign ____ up?
 Is ____ a ____ for ____ when hard pressed?
 I ____ know why ____ comes on when ____ on the ____ or ____ gas.
 ____ are ____ illumination ____ System Indicator during ____ acceleration.
 ____ my ____ on if I ____ on ____ brakes ____ hit the gas ____?
 Is ____ that the ____ of my ____ by braking forcefully ____ quickly?
 There ____ issue ____ brake indicator
 ____ suddenly ____ forcefully, ____ is triggering my brake indicator?
 ____ System Indicator illuminate when ____ suddenly or ____ forcefully?
 ____ Illuminated ____ System ____ signal ____ sometimes caused ____ severe ____ brake application.
 ____ the ____ flash during sudden braking.
 The ____ System ____ up ____ if ____ apply ____ brakes ____ accelerate aggressively.
 ____ there ____ reason for my Brake ____ Indicator ____ off?
 ____ is the ____ of ____ system ____ flickering ____ hit brakes?
 ____ that a Illuminated Brake System ____ is ____ intense ____ application?
 ____ on the ____ does ____ Brake System Indicator ____ up?
 When you ____ accelerate, why ____ the brake system ____?
 ____ intense ____ application ____ explain Illuminated ____ System Indicator signals?
 There ____ cause ____ the ____ System Indicator flashing.
 Is there a reason why ____ on and ____?
 The Brake System Indicator ____ if there ____ intense ____ or ____.
 ____ intermittent brake warning ____?
 ____ it possible ____ the occasional illumination of my brake ____ is due ____ the ____?
 Sometimes illumination of the Brake ____ Indicator ____ be ____.
 ____ would ____ to ____ if the illumination of my ____ warning ____ caused by ____ rapidly?
 ____ issue with the brake ____.
 Is there a ____ the ____ system ____ flickering?
 ____ figure ____ what causes my Brake System Indicator to ____?
 ____ what causes my brake system indicator ____ come ____ intermittently?
 What is ____ system ____ to ____ when I ____ or ____ forcefully?
 When I ____ gas too hard, ____ brake light ____ on?
 ____ come brake system indicators ____ hit ____?
 When ____ brakes, ____ my brake ____ show illuminated warnings?
 How can I ____ what ____ my ____ System ____ on ____?
 ____ does the Brake ____ Indicator ____?
 ____ the brake symbol ____?
 ____ know ____ my brake system indicators ____ hit brakes.
 ____ it possible ____ occasional ____ of ____ warning light is ____ the rapid ____?
 ____ you know ____ makes ____ show brake ____ once ____ while?
 ____ you ____ what's ____ the flickering Brake ____ while driving?
 What is the reason ____ illumination of ____ System ____?
 ____ brake warning ____ hard pressed ____
 ____ do ____ System Indicator ____ under ____ braking?
 Why ____ light up when ____ are ____ applied?
 ____ aggressive driving, any reason ____ the brake ____?

What ____ my ____ indicator ____ illuminate at certain ____?

____ wrong with my ____ sometimes ____ indicator ____ on when I brake ____.

Why does the ____ light ____ when the ____ are ____?

What is the ____ for my ____ System ____ I brake ____?

____ causes ____ indicator light to flash ____ while ____ accelerate ____?

Is there ____ doesn't work when I ____ or decelerate?

Something ____ the ____ symbol flash ____.

Why does ____ Brake System Indicator ____ I ____ it, or ____?

____ application explain illuminated ____ Indicator signal?

____ or speeding up, why does the ____ System ____?

____ the brake indicator...

There is ____ Brake ____ Indicator ____ on and off while ____ brake or ____.

When ____ brakes suddenly or ____ is triggering my ____?

Is there a ____ for the ____ flickering?

____ my Brake System ____ light up when I ____ the ____?

____ a cause of ____ system indicator flashing.

____ is ____ Brake System Indicator ____ up ____ I ____?

When ____ brake ____ the gas, ____ does ____ brake ____ keep ____?

____ light ____ when I slam the brakes?

Can you ____ the flickering Brake ____ Indicator ____ drive?

Why ____ my ____ indicator ____ when I Floor ____ or ____?

Is ____ reason ____ the ____ Indicator flickers on ____ off when ____ brake ____?

At ____ comes on when ____ brake ____ hard.

____ I ____ accelerate ____ what is causing the ____ System ____ illuminate?

Is it ____ that ____ Brake ____ on ____ off while I ____?

Can ____ of the Brake System ____ signal?

____ am ____ Brake ____ Indicator come on ____ off ____ I press ____.

Is there a ____ of ____ System Indicator light?

____ light ____ brake or accelerate?

Why does ____ Brake ____ illuminate under ____ braking?

During intense ____ car show brake signal ____?

____ know why my Brake ____ Indicator lights up intermittently ____ I ____.

The ____ Indicator sometimes ____ hard acceleration ____ braking.

The ____ System ____ can intermittently light ____ brakes or accelerate.

Is ____ why ____ System Indicator lights ____ occasionally?

Why ____ my ____ occasionally ____ warnings?

The Brake ____ Indicator might be activated ____.

Any ____ the brake ____ malfunction?

Can ____ braking/acceleration cause ____ Brake ____ flash?

What causes the ____ Brake System ____ during aggressive ____?

____ understand ____ the brake ____ coming on when I ____ gas ____ hard.

Why ____ come on ____ slam on ____ brakes or ____ the gas ____?

____ Brake ____ Indicator illumination ____ aggressive ____?

Why ____ the ____ light randomly ____ while ____ accelerate ____ brake?

____ could be something ____ Brake System ____ to intermittently ____ the brakes.

____ my brake warning light could be caused ____ or ____.

Why does the brakes ____ during ____?

____ blink when ____ is ____ rough speed change?

The ____ Indicator signal ____ sometimes illuminated by ____.

How ____ my brake ____ intermittently illuminate ____ braking?

Is there a known _____ for _____ indicator being _____?

_____ the _____ light _____ randomly _____ while you accelerate and _____?

Is it _____ the occasional illumination _____ brake warning light _____ the _____?

I _____ know _____ is _____ with _____ brakes, _____ indicator _____ on when I _____ too _____.

_____ you name the reason for _____ Indicator while _____?

_____ you tell _____ the _____ behind _____ Brake _____ indicator?

_____ is _____ my brake _____ to _____ when I _____ suddenly?

Why _____ my _____ off when I slam _____ the _____?

_____ do _____ Indicator _____ up occasionally?

_____ intense _____ or demanding acceleration _____ the _____ Indicator signal?

The Brake _____ light up _____ I slam on the _____ some _____.

_____ you explain the cause of _____ flickering _____ while _____?

Is it _____ illumination _____ my brake warning _____ caused _____ forcefully or _____?

The Brake System Indicator flickers _____ while I _____.

_____ is a _____ and off of the _____ while I _____ accelerate.

What _____ the _____ the occasional illumination _____ the _____ System _____.

_____ the brake _____ coming on when _____ hit the brakes.

_____ you explain _____ me the reason _____ a _____ Indicator _____?

The Brake _____ Indicator _____ hard braking.

Is _____ flashing for aggressive driving _____?

_____ know why _____ brake system _____ flicker when _____ them?

Why do the _____ System Indicator come _____ floor it _____?

Sometimes a Illuminated _____ System _____ can be _____ by _____ acceleration _____ brake _____.

Why _____ brake _____ stay _____ when I _____ or _____ gas?

_____ Brake System _____ light _____ occasionally _____ brakes _____ being applied.

_____ Brake System _____ under _____ braking/acceleration.

Why _____ on _____ I _____ on the brakes or hit the gas _____?

_____ is _____ Brake _____ Indicator on _____ I floor it _____?

_____ causes _____ random display _____ indicator light _____ you _____ decelerate?

_____ the _____ system indicator _____ intermittently?

_____ system indicator intermittently illuminates _____ hard _____ acceleration.

There was _____ strange _____ indicator

_____ any _____ for _____ flickering Brake _____ while driving?

_____ the _____ to show _____ brake signal _____ in _____ while?

Do _____ why my _____ Indicator lights up when _____ brakes?

Sometimes _____ illuminated _____ system _____ can be _____ brake application.

_____ can _____ determine _____ Brake _____ to come _____ at certain times?

Is _____ possible that _____ Brake _____ Indicator might _____ up _____ I _____?

Sometimes _____ the Brake System indicator signal _____ rough _____.

_____ can I figure out _____ brake system _____ on occasionally?

_____ I apply _____ brakes _____ what _____ Brake _____ Indicator light up?

_____ my brake _____ light up intermittently?

_____ there a reason _____ Brake _____ to not work _____ I _____ accelerate?

Why _____ my _____ alert _____ sometimes _____ illuminated _____?

_____ a _____ cause for _____ flickering _____ System indicator?

What _____ the brake _____ to _____ during aggressive _____?

The Brake _____ Indicator flickers _____ when _____ engage in _____ acceleration and _____.

I _____ know why _____ Brake _____ lights _____ apply sudden brakes.

_____ there a _____ the occasional Illuminated Brake _____?

_____ may be something that causes _____ Brake _____ illuminate _____.

How can _____ the _____ my Brake _____ to come _____?

_____ Brake _____ Indicator _____ aggressively engaging _____ the pedal _____ the brake.

Is _____ Illuminated Brake System Indicator _____ is _____ by _____ brake application?

Is _____ that _____ Indicator flickers _____ when I engage in aggressive activity?

The _____ System _____ signal _____ illuminated by _____ braking/acceleration.

What _____ Brake System _____ intermittently _____ while aggressively driving?

What might _____ indicator _____ light up intermittently?

Why _____ brake system _____ light up _____ the brakes _____?

_____ intense _____ what makes _____ show brakes?

My _____ light comes _____ when I _____ hit the gas pedal, _____?

What _____ to show brake signals once _____ a while?

_____ applying _____ brakes or speeding _____ the brake _____ occasionally _____ illuminated _____.

_____ the Brake System Indicator is intermittently _____ sudden brakes _____?

I _____ causes my brake _____ indicator to _____.

_____ braking what makes _____ flash?

_____ rough braking/acceleration _____ the _____ indicator _____ illuminate?

_____ you tell _____ what _____ the _____ to go off?

_____ do the Brake _____ up _____ I _____ on _____ brakes?

I _____ with my brakes, sometimes _____ indicator _____ brake too hard.

Is _____ specific cause of _____ flickering _____ System _____?

_____ hard brakes or _____ what might the _____ System _____ light _____?

Why does the _____ System Indicator intermittently _____ the _____?

_____ my Brake _____ Indicator light up if I _____?

Why does the brake _____ come on unexpectedly _____ I _____ the _____?

Something _____ the _____ a Brake System Indicator _____.

Is there _____ why _____ Brake _____ Indicator _____ when _____ accelerate or _____?

I _____ understand _____ brake system _____ flicker _____ hit the _____.

Sometimes _____ System Indicator signal _____ due _____ rough braking/acceleration.

Do you know _____ comes on _____ I brake _____?

Is it _____ brake light keeps _____ when _____ the brakes?

_____ question _____ causes intermittent brake _____.

Any _____ the _____ light to _____?

Is _____ a _____ the Brake System _____ and _____ I _____ aggressive driving?

_____ intense _____ can cause an _____ illuminated brake _____ indicator signal?

_____ do _____ Brake System Indicator turn _____ or accelerate?

_____ you tell me why _____ System Indicator _____ on?

_____ System _____ light up _____ when the brake _____.

_____ possible that _____ occasional Illuminated _____ System Indicator _____ is _____ by severe _____?

I _____ understand _____ the _____ light _____ coming _____ when _____ hit the _____ or _____.

Do you know why _____ brake _____ lights up _____ brakes?

How come the _____ comes _____?

Any _____ the _____ flashing?

_____ a reason _____ Indicator comes on intermittently?

_____ Brake System _____ light to flash when _____ person brakes _____?

Why do the _____ of rough _____ change?

_____ does the _____ light up if _____ brake _____?

_____ possible that _____ illumination of _____ brake _____ caused by my _____ forcefully or quickly?

The Brake _____ might light _____ apply hard brakes.

_____ the _____ System Indicator _____ will _____ to _____ braking/acceleration.

What could be _____ for illumination _____ Indicator _____ times?

____ brake warning ____ by ____?
 ____ System Indicator ____ can ____ by rough braking/acceleration.
 The ____ Indicator flickers ____ and off ____ or accelerate.
 ____ there a ____ occasional ____ Brake System ____ signal?
 ____ braking or ____ causes my ____ System Indicator to ____?
 Why ____ Brake ____ light up when you ____?
 Do ____ a reason ____ brake light ____?
 ____ does the brakes start ____ when ____ a rough ____?
 ____ it possible ____ the occasional illumination ____ warning light could ____ by braking ____ or ____?
 Why ____ my Brake System ____ on when I ____ stop ____?
 ____ might ____ Brake ____ to ____ up at times?
 There ____ that ____ System Indicator flickers on ____ off while I brake _____.
 I ____ with ____ but sometimes the indicator ____ I brake too hard.
 Is ____ brake application the reason ____ occasional ____ system ____?
 ____ it ____ that the Brake System ____ when I ____ brakes or ____?
 ____ it possible for ____ occasional illumination ____ my ____ light to ____ by ____ rapid ____?
 ____ it possible ____ illumination of my ____ light to be ____ the ____ braking?
 ____ Indicator could intermittently light up if I _____.
 ____ what causes ____ brake ____ indicators to ____ when I hit _____.
 ____ pressed what ____ intermittent brake ____?
 Is ____ that the ____ flickers ____ off when I engage ____ aggressive ____?
 ____ Brake ____ Indicator might ____ up if I ____ hard ____ vigorously.
 When I apply ____ brakes ____ the ____ light up intermittently?
 ____ the ____ Brake System Indicator ____?
 ____ you ____ flickering Brake ____ Indicator ____ driving?
 What might cause ____ flash?
 ____ the Brake System ____ when I ____ or accelerate?
 Is there a ____ for ____ System Indicator ____?
 How ____ I ____ what ____ brake ____ to ____ on ____ certain times?
 Is it the ____ application that ____ illuminated ____ Indicator signal?
 Any clue why my indicators flicker ____?
 ____ intermittent Brake System ____ light ____ on?
 ____ there a reason for ____ Indicator ____ sometimes?
 My brake light comes ____ when ____ slam on ____ gas ____ why?
 Sometimes ____ the Brake System ____ signal ____ effected ____ braking.
 What ____ System ____ light ____ when I brake ____ or forcefully?
 Why ____ intermittent activations ____ Brake System ____?
 ____ is ____ Indicator ____ illuminate when I brake suddenly ____ forcefully?
 ____ the ____ Brake System Indicator ____ to ____ on?
 There ____ cause of ____ system indicator.
 Any ____ why the ____ when I hit ____?
 Is ____ a ____ Brake System ____ flickers on ____ I engage in ____?
 ____ my ____ up when I slam on the ____?
 ____ Brake System ____ could ____ up ____ the brakes were ____.
 There ____ System ____ illumination during ____ brakes or ____.
 ____ Brake System Indicator light up ____ I ____ hard ____?
 Why ____ my ____ under hard braking?
 ____ behind the illumination of ____ Brake ____ Indicator ____ times?
 What ____ reason why the ____ System ____ occasionally?
 The ____ System Indicator ____ occasionally ____ or accelerate.

_____ intense _____ application explain _____ brake indicator signal?

I _____ understand _____ my _____ alert _____ illuminated _____ when _____ sharp brakes.

_____ reason for _____ System Indicator to _____ intermittently?

_____ my _____ indicator _____ light up?

_____ brake _____ issue after rapid _____.

What makes _____ brake _____ flash when _____ braking?

_____ it possible that the occasional illumination _____ warning _____ me braking forcefully _____ rapidly?

Why does _____ brake _____ on?

_____ could be _____ brake light is _____.

I want to know why _____ up when _____ slam _____ brakes.

Something makes _____ symbol flash _____ sudden brakes _____.

Are _____ occasional illuminated _____ Indicator _____ caused by intense _____?

_____ can cause a Brake System _____ come on while _____?

Possible _____ of the _____ indicator _____?

Why _____ the _____ System Indicator _____ up _____ brake?

_____ reason for intermittent brake warning _____ hard _____?

_____ don't know what's _____ with my _____ indicator comes _____ and I _____.

There is _____ the Brake System _____ on and off _____ I _____.

_____ my _____ alert _____ occasionally show _____?

_____ Brake _____ I floor it or stop abruptly?

_____ light come _____ when I _____ the brakes or _____ the gas?

_____ brakes cause the _____ Indicator _____ to illuminate?

_____ may be _____ cause of the _____ flashing.

Is _____ occasional _____ of my brake _____ light _____ caused by _____ braking?

_____ be something _____ Brake System _____ to intermittently illuminate _____ engaging _____ brakes.

_____ Brake System _____ up intermittently when I _____ hard _____.

_____ Brake System _____ intermittently light up _____ I apply hard _____?

Is _____ reason for _____ brake signal once in _____?

_____ it possible _____ brake _____ can cause _____ Brake System Indicator _____?

Is _____ reason for _____ Brake System _____ activation?

There could _____ cause _____ flashing _____ Indicator.

Does _____ brake _____ explain _____ BrakeSystem _____?

_____ it possible to _____ my Brake System Indicator _____ on _____?

Why does the _____ light _____ and push pedals?

Why _____ the Brake _____ intermittently _____ under hard braking _____?

_____ it possible that the occasional _____ of _____ brake _____ light _____ by _____ braking _____ or _____?

_____ the Brake _____ Indicator _____ be illuminated by _____ braking/acceleration.

How _____ the _____ system indicator _____ floor it or _____ suddenly?

Is _____ possible _____ brake system indicator flickers on _____ accelerate _____ decelerate?

Is there illumination _____ Indicator _____ caused by rough _____?

Why would _____ light _____ if I apply hard _____?

_____ start blinking at rough _____ changes?

Why does the _____ indicator turn on _____ accelerate?

Do you _____ caused the Brake _____ flicker while _____?

I _____ know why _____ indicators flicker when I _____ the _____.

What is _____ cause _____ the occasional illumination _____ System _____.

What could _____ the _____ for the illumination of _____?

_____ could be _____ behind _____ Brake System _____ illumination.

_____ it possible for rough _____ illumination of _____ Brake System _____?

How can the _____ only appear _____ braking?

When ____ brake suddenly or ____ forcefully, what is ____ of ____?

There ____ be something behind the ____ of the ____.

____ was ____ brake ____ issue ____ rapid ____.

What ____ brake system ____ to illuminate ____ the brakes?

____ there ____ for the Brake System Indicator ____ light ____ brake ____ accelerate?

____ Indicator comes on intermittently?

____ causes ____ brake system ____ light ____?

What causes ____ System Indicator light?

Why ____ Brake ____ Indicator ____ under hard braking?

How ____ the brake icon appear only ____?

What ____ cause ____ brake ____ indicator ____?

What might cause the ____ to ____ occasionally?

Is there a ____ intermittent ____ of ____ System ____ applying ____ brakes?

____ my brake ____ light ____ I ____ on the brakes?

____ possible that intense ____ application can ____ the illuminated brake ____?

What causes ____ when sudden ____ are applied?

How can ____ what's ____ my brake system ____ to ____?

____ causes ____ brake system indicator ____?

____ brake application explain ____ Illuminated Brake ____ signal?

____ brake system ____ flicker after ____ hit ____ brakes?

____ does the Brake ____ Indicator ____ when ____ brake or ____?

____ cause ____ a ____ brake ____ indicator?

What might cause ____ indicator ____ illuminate while ____?

____ causes ____ system ____ to intermittently ____ up?

____ might cause ____ Brake ____ Indicator ____?

Is ____ a reason ____ to ____ working when I brake ____ accelerate ____?

____ what causes ____ brake system indicator to ____ on in ____?

____ applying ____ my brake alert system ____ shows ____.

Why ____ the ____ light ____ on ____ you drive ____?

____ brake ____ lead ____ the on-and-off ____ BrakeSystem ____ signal?

____ the cause ____ flickering Brake System Indicator while ____?

How can ____ why the Brake System ____ comes on ____?

Is ____ specific cause for ____ indicator flickering?

What ____ the ____ Brake ____ Indicator ____ up?

____ cause ____ Brake System ____ occasionally illuminate?

____ I brake suddenly or ____ forcefully, what ____ triggering ____ system ____ to ____?

What ____ the cause ____ the ____ indicator?

____ I figure out why ____ Brake System Indicator ____?

____ is ____ Brake System ____ going off while ____?

Why ____ the brake ____ flash when there ____?

When braking ____ or ____ my brake ____ indicator to ____?

How ____ light comes ____ when I slam on the brakes ____ gas ____?

Why ____ brake icon appear only ____ braking?

____ know ____ brake system ____ lights up when ____ apply sudden ____?

____ causes the ____ occasionally illuminate?

How ____ out why ____ brake ____ indicator ____ on?

____ makes ____ car ____ a brake ____?

Do you ____ my ____ system ____ intermittently ____ when I apply ____?

The Brake ____ intermittently when the ____ applied.

____ there ____ Brake ____ Indicator doesn't work while I ____ or ____?

Is _____ reason _____ Brake _____ Indicator is flickering _____?

_____ causes _____ Brake System _____ up intermittently?

There _____ be a cause _____ the _____ to light _____.

Why _____ the _____ indicator _____ up when you _____?

Why _____ light come _____ if _____ slam _____ the _____ hit the gas?

_____ brakes/acceleration _____ Brake System Indicator _____ to illuminate?

_____ that the occasional _____ of _____ warning _____ could _____ due to _____ rapid braking?

_____ understand why the _____ light _____ on when I hit the _____ on the _____.

_____ intermittent _____ of the Brake System _____?

Why _____ the Brake System _____ brake or accelerate?

_____ my brake _____ occasionally _____ illuminated warnings?

_____ application _____ on-and-off illuminated Brake system indicator _____?

_____ there _____ why _____ Brake _____ Indicator doesn't stop _____ I _____ decelerate?

I _____ Brake _____ that _____ when I _____ sudden brakes or aggressive _____.

_____ the _____ come _____ when _____ are driving fast?

Is _____ the Brake System _____ flickers _____ and _____?

Is there _____ for the intermittent _____ the brake _____?

_____ Brake System _____ intermittently _____ when I apply _____ brakes?

_____ brake light _____ on while _____?

_____ does the Brake System _____ light _____ moments?

_____ intermittent _____ System Indicator illumination _____ aggressive _____?

Why is _____ car show _____ signal _____ once _____?

_____ I engage _____ aggressive _____ braking, _____ System Indicator flickers _____ and _____.

_____ a _____ System _____ might illuminate while aggressively engaging _____ brakes.

Why _____ Brake System _____ light _____ under hard _____?

_____ my Brake System Indicator _____ when I _____ the _____?

_____ don't know _____ my _____ indicators flicker _____ I _____ hard.

Why _____ my Brake System Indicator _____ when I _____ and _____?

_____ the car show _____ signal once in _____?

What factors _____ to an on-and-off _____ system _____?

_____ it _____ that _____ Indicator flickers _____ when I engage in aggressive _____?

_____ does the _____ come _____ hit _____ pedal or _____ the brakes?

_____ possible that _____ occasional _____ of my _____ warning _____ by my _____ forcefully or rapidly?

What causes an _____ Brake _____ after _____ breaks _____ acceleration?

Is _____ for _____ illumination of _____ brake _____ be caused by rapid or forcefully _____?

There _____ intermittent activation _____ Brake System Indicator _____ applying _____.

The _____ System _____ signal can _____ rough braking.

_____ does _____ on for driving fast _____ pushing pedals?

When _____ suddenly _____ what is triggering my _____ indicator to _____?

_____ full stop/start, what _____ the car _____?

_____ the Brake System _____ will _____ due to _____ braking/acceleration.

_____ the brake _____ flash _____ suddenly _____.

When I _____ suddenly _____ forcefully, _____ is _____ my Brake _____?

_____ causes _____ indicator light _____ on while you _____ and _____?

Is _____ flashing _____ driving a reason?

What _____ the _____ light _____ light up while you _____?

Is there a _____ for intermittent activation _____?

How _____ I _____ out why _____ Brake System _____ comes _____ times?

_____ I _____ or accelerate forcefully, _____ is _____ Brake System Indicator to _____?

When _____ what _____ brake warning?

Why ____ the ____ indicator light up ____ are ____?

Does ____ brake ____ explain the on-and-off illuminated ____?

____ symbol flash ____ during ____

____ can ____ do ____ causes ____ System ____ to come on at ____ times?

What ____ the ____ indicator ____ on intermittently?

Transient ____ System ____ be caused by ____ or intense ____ application.

Is ____ possible that ____ illuminated warnings when ____ sharp brakes?

What can ____ display ____ a ____ System ____ when you brake ____?

____ does ____ Brake System Indicator randomly ____ I ____ on the ____?

Can ____ cause ____ of the Brake ____ Indicator ____?

____ wonder ____ my ____ system sometimes shows ____ warnings ____ sharp brakes.

____ that ____ Indicator ____ on and off when ____ engage in ____ action?

Does ____ illuminated Brake ____ Indicator signal come from ____ brake ____?

____ it possible that the Brake ____ intermittently ____ apply brakes?

____ can ____ what causes my ____ System ____ to ____ on ____ certain ____?

____ does ____ brake ____ suddenly ____ on when ____ slam ____ brakes ____ hit the ____ pedal?

____ brakes ____ at times of ____ speed change?

____ does ____ system ____ light up?

I ____ wondering if ____ a ____ Brake ____ flickers on and off.

Is ____ occasional ____ signal due to ____ brake application?

____ rough ____ occasionally illuminate the ____ System Indicator signal?

____ intense ____ of on-and-off illuminated ____ Indicator signal?

____ can ____ out ____ my ____ System Indicator ____ on?

How can I ____ what causes ____ to come ____?

Can you explain to ____ reason ____ a ____ Indicator?

Is ____ application ____ reason ____ occasional Illuminated ____ System Indicator ____?

____ Illuminated Brake ____ Indicator ____ can ____ caused ____ severe brake ____.

What ____ intermittent display of a ____ Indicator light ____ hard ____?

____ does ____ Brake ____ light up ____ on the brakes?

____ the brake ____ while ____ fast?

Why does my ____ up ____ I slam ____ brakes?

____ on ____ I ____ the brakes or hit ____ gas pedal?

Is ____ possible ____ the illumination of my ____ warning ____ be ____ rapid braking?

____ causes my ____ system ____ intermittently ____?

____ my brake ____ when I ____ my brakes?

____ know ____ Brake System Indicator lights up ____ on ____ brakes.

____ I ____ or forcefully, what ____ triggering my ____ to illuminate?

____ system indicators flicker when ____ hit brakes?

____ you tell me the ____ the flickering ____?

____ to flash during a sudden braking?

____ the brake system ____ light ____ when ____ slam on ____ it gas?

Sometimes ____ Illuminated Brake ____ signal ____ caused by ____ or intense ____.

____ Brake ____ flickers on ____ off ____ I engage in ____ braking ____.

____ causes ____ to flash when ____?

____ is ____ of my ____ System ____ intermittently shining?

____ don't understand ____ my ____ alert system ____ illuminated ____ applying ____ brakes.

____ identify ____ reason behind the flickering ____ Indicator?

Why ____ brake system ____ intermittently?

____ are ____ of my brake ____ sign when I ____ suddenly ____ hard on ____.

____ having ____ Brake System ____ come on ____ off ____ I ____ hard.

Why ____ the brake light come ____ I ____ on the ____ hit ____?

A ____ a ____ brake ____ indicator?

____ brake sign ____ pushing ____ gas ____ brakes?

____ does my ____ system ____ on when I ____ it or ____?

____ possible ____ System Indicator ____ light up intermittently when ____ hard brakes?

Should ____ be ____ about ____ flashes ____ brake warning ____ when I decelerate ____ push down ____?

____ possible that the ____ of my brake ____ light is due to ____ forcefully ____?

Why ____ the ____ light ____ on when ____ hit the accelerator ____ tap ____?

Is intense brake application ____ of occasional ____ indicator ____?

The ____ Indicator flickers on ____ off ____ brake or accelerate ____.

What ____ the ____ the ____ System ____ illuminated occasionally?

____ cause ____ brake system indicator ____?

I don't know what is ____ my brakes. ____ on when ____ too ____.

What ____ indicator ____ while you ____ and decelerate?

____ brake application ____ the ____ illuminated ____ indicator signal?

____ intense ____ reason for the ____ indicator signal?

How can I ____ System indicator ____ on?

Why does ____ brake ____ on when ____ my brakes ____ hit ____?

____ might ____ Brake System ____ light ____ when ____ accelerate ____ decelerate?

There ____ a ____ of the ____ Indicator flashing.

I don't know ____ with ____ sometimes ____ on when ____ brake too ____.

____ what ____ intermittent brake warning?

____ or ____ the ____ pedal, ____ does my brake light come on?

What causes ____ brake system ____ illuminate when I ____?

____ cause an ____ of the ____ System Indicator signal?

There ____ chance ____ Brake System ____ might illuminate ____ engaging either ____ accelerator ____ brakes.

Can ____ me ____ the ____ System Indicator is ____ while you ____?

____ my ____ Indicator on ____ I ____ or stop it suddenly?

____ System Indicator signal can occasionally ____ up ____ rough ____.

Sometimes ____ Brake ____ can be explained by ____ acceleration or ____ brake ____.

____ figure out what causes my brake ____ to ____ at certain ____?

Can ____ tell ____ the reason ____ the flickering ____ driving?

What can ____ a Brake ____ Indicator ____ to ____?

____ causes ____ on and ____ Indicator light?

There ____ be ____ behind ____ occasional ____ the Brake ____ Indicator.

____ you know why ____ brake ____ flashes ____ aggressive ____?

Is demanding acceleration or intense ____ the illuminated ____ signal?

____ the Brake ____ Indicator to ____ up ____ braking?

____ brake or hit ____ gas, ____ does ____ stupid ____ keep on?

Can you tell ____ causes the ____ Brake System ____?

What ____ cause a ____ System Indicator ____ you brake?

Hey, ____ does ____ Brake System Indicator light ____ when ____ slam ____?

____ you tell me what ____ System ____ to ____ intermittently?

What ____ behind the occasional ____ System Indicator?

When sudden ____ brake ____ flash?

____ could ____ a ____ the Brake System ____ flashing.

____ full-stop/start, ____ makes ____ car show brake ____ sometimes?

What causes ____ on-and-off ____ System ____?

____ you tell me ____ Indicator ____ off ____ I floor it?

I ____ Brake ____ indicator ____ intermittently lit when ____ sudden ____ or accelerate.

_____ causes my _____ illuminate _____ I brake suddenly _____ accelerate quickly?
 What factors can cause _____ System _____ light to _____ hard?
 Is it possible _____ brake _____ explain _____ occasional illuminated Brake _____ ?
 _____ like to _____ my Brake _____ is intermittently lit _____ I _____ brakes.
 _____ occasional illuminated brake system indicator signals?
 _____ Brake System _____ is illuminated _____ or braking.
 The Brake _____ light up if _____ was intense _____ acceleration.
 _____ brakes, _____ the _____ symbol flash?
 _____ you _____ the reason _____ the flickering Brake _____ Indicator?
 Why do _____ alert system _____ warnings _____ I apply _____ accelerate fiercely?
 Is there _____ reason the Brake _____ occasionally?
 What can cause _____ Brake _____ light to _____ ?
 _____ brake application explain the _____ System _____ ?
 _____ why my brake _____ flicker _____ I _____ the brakes?
 _____ be that the Brake System _____ braking?
 _____ intense _____ explain _____ Brake System Indicator signal?
 _____ causes _____ on-and-off _____ System Indicator _____ ?
 How can _____ find out _____ causes _____ Indicator _____ come on _____ ?
 Why _____ my _____ system indicator sometimes _____ hard _____ ?
 Why is _____ light _____ when _____ quickly and _____ ?
 _____ possible to determine why my _____ System _____ comes _____ ?
 _____ there a reason the Brake System Indicator _____ I _____ ?
 _____ System Indicator _____ light up _____ when I apply hard _____ .
 When _____ or _____ forcefully, _____ is triggering my _____ System _____ illuminate?
 What _____ causing my _____ Indicator to _____ suddenly brake _____ accelerate?
 _____ is the _____ show _____ signal _____ ?
 _____ Brake System Indicator _____ when _____ brakes _____ hard.
 _____ the on-and-off _____ related to _____ acceleration or _____ brake application?
 Why _____ brake light _____ on while _____ ?
 _____ Brake System _____ up occasionally _____ hard brakes or accelerate?
 _____ makes the car _____ a brake signal _____ ?
 _____ System Indicator _____ lit _____ I apply _____ brakes or accelerate quickly.
 The _____ System _____ might _____ apply _____ brakes or accelerate.
 _____ Brake _____ Indicator illumination _____ aggressive brakes are _____ ?
 _____ might cause the _____ system _____ illuminate while _____ the _____ ?
 I'm _____ what's _____ with my brakes. _____ the _____ comes _____ brake too _____ .
 _____ I _____ hard brakes, could _____ Brake System _____ light _____ ?
 _____ sharp brakes, why does _____ alert _____ show illuminated _____ ?
 What causes _____ brake _____ illuminate?
 How come _____ light comes _____ slam _____ hit the gas pedal?
 Why does _____ System Indicator _____ off _____ slam _____ the _____ ?
 What _____ the _____ System _____ to intermittently _____ the brakes or the _____ ?
 _____ does the _____ keep _____ on _____ tap on _____ brakes?
 During intense full-stop/start, what _____ car _____ in _____ while?
 Why does the _____ during _____ driving?
 _____ tell me why _____ Brake System _____ off _____ driving?
 Why does the Brake _____ Indicator light _____ ?
 _____ the _____ System Indicator _____ I _____ it or _____ suddenly?
 Is _____ application _____ for _____ on-and-off illuminated BrakeSystem Indicator _____ ?
 Why is _____ System Indicator intermittently _____ when _____ apply _____ or _____ ?

What could _____ the reason for _____ System _____ to _____?

_____ intense brake _____ Illuminated _____ System _____ signal?

What _____ Indicator when I brake suddenly or _____?

_____ the _____ Indicator _____ braking or accelerates hard intermittently?

When I _____ suddenly _____ is triggering my _____ indicator?

What _____ System Indicator light _____ intermittently when _____ or accelerate?

The Brake System _____ could _____ up intermittently _____ apply hard _____.

What causes a _____ to _____ brake _____ while?

_____ that the occasional _____ my _____ warning light _____ be a _____ of _____ forcefully or rapidly?

_____ do the _____ light _____ on _____ you drive _____?

There could _____ behind the _____ of the _____ Indicator _____.

_____ pressed, _____ causes intermittent BRAKE _____?

_____ it _____ my system _____ shows _____ warnings _____ sharp brakes?

What could _____ lit-up Brake _____ indicator during _____?

Which _____ warning when hard _____?

I _____ no idea _____ wrong _____ brakes, sometimes _____ indicator _____ on _____ brake too hard.

_____ is my _____ system _____ going _____ when _____ drive?

_____ my brake system _____ to _____ when I _____ suddenly or _____?

_____ was _____ issue _____ the brake indicator after _____.

When I _____ suddenly or _____ is triggering my _____ system _____?

_____ brake system indicators _____ I hit brakes?

What is triggering my brake _____ brakes _____ forcefully?

_____ curious as to why _____ system _____ shows _____ warnings.

_____ cause _____ flashing brake _____ indicator.

Why _____ car _____ brake signal _____ a while?

_____ a reason why _____ indicators flicker _____ hit the _____?

Sometimes the Brake _____ due to rough braking.

_____ is _____ illumination of _____ Brake _____ Indicator during _____.

_____ determine what causes _____ system indicator to come _____?

_____ system indicators to _____ when I hit _____ brakes?

Do _____ know the reason for a _____ Indicator _____?

I'm _____ why my _____ system indicators _____ when _____.

_____ I brakes suddenly _____ is _____ my Brake System _____?

Why _____ brake _____ on while driving _____ pedals?

An issue with _____ after _____.

How _____ I _____ out _____ causes my _____ to _____ on?

There _____ be a reason _____ light _____.

_____ come the indicator _____ on _____ I _____ hard?

Can rough brakes/acceleration _____ the Brake System _____?

_____ you _____ system indicators flicker when _____ hit them?

Why does the _____ Indicator _____ when I _____ or _____?

_____ does my brake system indicator light up _____?

_____ a reason that _____ System _____ on and _____ when _____ accelerate or _____?

During _____ or braking moments, what could _____ illumination of _____ Brake _____?

Why is the _____ when I brake _____?

_____ sharp _____ system sometimes displays illuminated warnings.

Strange issue _____

Can _____ me the _____ behind _____ system indicator?

Something _____ cause _____ Brake _____ Indicator _____ up.

_____ occasional illumination of _____ Brake _____ be due _____ something.

I would ____ to know if ____ of ____ brake warning light ____ attributed ____ braking.
 There ____ issue with the ____ rapid acceleration.
 Is ____ the Brake System ____ is intermittently lit ____ I ____?
 I need to ____ why ____ System ____ is ____ when ____ sudden brakes.
 ____ figure out ____ causes my ____ System ____ come on in certain ____?
 ____ is ____ brake system indicator intermittently ____ I apply ____?
 How can ____ what causes my brake ____ on?
 ____ causes ____ system ____ be on intermittently?
 Why ____ Brake System ____ when ____ it, or suddenly ____?
 What ____ reason ____ the car to show ____?
 ____ Brake System ____ signal ____ be caused ____ acceleration or ____ brake application.
 Why does the Brake ____ indicator ____ I slam ____?
 I ____ like to ____ if the illumination ____ my ____ caused by braking ____ quickly.
 Is there ____ reason ____ the ____ System ____ to ____ working ____ I brake ____?
 ____ hard braking or ____ what ____ system ____ illuminate intermittently?
 Why ____ my ____ up if ____ on the brakes?
 When I brakes suddenly ____ fast, ____ System Indicator?
 ____ my brake ____ indicator ____ colors?
 The ____ System warning ____ slam ____ those pedals, ____ wrong?
 ____ does the Indicator ____ I ____ the brakes ____ give it ____?
 Is ____ any reason ____ the ____ to flash ____ aggressive ____?
 ____ Brake ____ Indicator ____ during brakes or acceleration?
 I ____ why ____ keeps coming on ____ I hit ____ or brakes.
 What ____ brake ____ to occasionally ____?
 I ____ reason why the Brake ____ flickers on and ____.
 Can you identify the ____ flickering ____ while ____ drive?
 How ____ why my Brake System Indicator comes on?
 Under hard ____ faster, ____ come ____ brake ____ appears ____ occasionally?
 ____ does Brake ____ always ____ on?
 ____ tell me why ____ brake system indicator ____ or stop suddenly?
 The ____ System ____ can ____ up intermittently if ____ brakes.
 Is ____ the occasional illumination ____ my brake ____ light is ____ fast ____ braking?
 ____ is ____ Brake System Indicator to ____ brake suddenly?
 Does intense brake ____ explain ____ illuminated BrakeSystem ____?
 Why does ____ Indicator light ____ when something ____?
 ____ want to know why ____ Brake ____ Indicator ____ off when ____ gas ____ brakes.
 ____ could ____ causing the Brake ____ Indicator to ____?
 ____ reason for the ____ of ____ Brake ____ Indicator?
 Do ____ know ____ the ____ show a brake ____?
 Why ____ the brake light ____ fast?
 ____ my brake ____ illuminated ____ when ____ apply ____ brakes or ____ fiercely.
 ____ does the ____ warning ____ when hard ____?
 ____ System Indicator ____ up ____ when I apply hard ____ or ____.
 What causes ____ Indicator ____ intermittently illuminate while engaging ____?
 ____ a Strange issue ____ brake ____.
 ____ causes ____ brake ____ indicator light?
 What ____ cause the ____ System ____ to light ____ the ____ are ____?
 ____ does ____ light ____ coming on when ____ the pedals?
 What ____ the Brake System ____ illuminate ____ engaging ____ or the accelerator?
 ____ brake ____ on suddenly when ____ on the brakes ____ gas pedal?

_____ know _____ on when I slam _____ brakes or hit the _____ pedal.

Any reason _____ the _____ light _____?

How _____ my brake system _____ lit when _____ brakes?

How _____ I _____ out why _____ System Indicator comes _____ moments?

Something _____ the cause _____ flashing Brake _____.

Can _____ my brakes _____ on _____ I _____ it _____ stop suddenly?

_____ Brake _____ Indicator could _____ light up _____ hard _____ or accelerate.

The Brake System Indicator _____ when I _____ brakes.

_____ hard braking or _____ what _____ brake _____ indicator _____ intermittently _____?

The _____ Indicator _____ under hard _____.

How can _____ my brake system _____ to _____ on?

Can rough braking _____ the Brake _____ Indicator signal?

_____ don't know why my _____ flicker when _____ brakes.

_____ there _____ reason my brake system _____ I _____ brakes?

_____ you _____ reason for _____ Brake _____ Indicator flickering _____ driving?

_____ the indicator light up _____ are pressed?

_____ is _____ Brake _____ Indicator to light _____ I brake suddenly _____?

_____ be something _____ the illumination _____ the brake _____.

Why is the _____?

_____ I brakes _____ forcefully, what is _____ my _____ system _____?

Is there _____ reason for _____ Brake _____ flicker _____ and _____?

_____ you _____ me _____ caused the _____ Brake _____ Indicator while _____?

_____ know why _____ system _____ flicker _____ I _____ the brakes.

Why is _____ brake light _____ on the brakes _____ the _____?

_____ the Indicator _____ turn on _____ I brake _____?

_____ there _____ the _____ Indicator _____ work when I engage _____ acceleration or _____ moves?

What can _____ a _____ light _____ come _____ while you _____?

When _____ brake _____ gas too hard, _____ does _____ stupid brake _____ on?

_____ I brake suddenly _____ accelerate forcefully, _____ is _____ to my _____?

There _____ a reason _____ the _____ System Indicator _____.

Is it _____ my _____ System Indicator flickers _____ and off _____ I _____ aggressive acceleration _____?

Something could be _____ occasional _____ of _____ System _____.

_____ does my Brake _____ come on when _____ Floor _____ stop _____?

_____ it _____ that _____ illumination of my _____ warning light is caused _____ forcefully _____ rapidly?

Is _____ my Brake System _____ does not work when _____ engage _____ braking moves?

_____ possible _____ brake system indicator lights up _____ when _____ apply _____?

Is it possible _____ application _____ lead _____ Illuminated _____ System Indicator _____?

Is _____ for _____ indicator flickering?

Is _____ why _____ Brake System _____ comes on?

_____ causes _____ Indicator to _____ when I _____ suddenly or _____?

Do _____ have _____ reason _____ the _____ light to _____?

_____ don't _____ why _____ Brake _____ goes off when I stomp _____ gas _____.

_____ Brake System Indicator signal can _____ brakes.

Is _____ possible _____ brake icon appears _____ hard braking?

The _____ Indicator light _____ when _____ slam _____ the _____ or _____ gas.

_____ System warning will flicker _____ crazy _____ I _____ those pedals, _____ wrong?

Why _____ indicator _____ when _____ suddenly or accelerate forcefully?

_____ the _____ in sudden braking?

What _____ System Indicator light to _____ when _____ or fast?

_____ the Brake _____ be seen _____ rough braking/acceleration.

There _____ that there _____ a _____ of flashing _____ Indicator.

Why _____ system _____ flicker when _____ the brakes?

What causes the _____ light _____ you _____ and decelerate?

_____ tell _____ the reason for _____ flickering Brake _____ Indicator _____ I _____?

_____ is _____ possibility of brake light flashing _____.

_____ I apply hard _____ Brake System _____ can _____ intermittently.

_____ wondering _____ there was a reason why _____ Brake System _____ would _____.

Is _____ application _____ for occasional _____ system indicator signal?

What can _____ a _____ System Indicator light _____?

_____ might _____ the Brake _____ illuminate while aggressively _____ brakes?

Brake _____ driving is there _____ reason?

_____ cause _____ system indicator _____

_____ Brake System Indicator _____ when you brake _____.

Why does the brake _____ come _____ when I _____ brakes?

_____ it possible _____ Brake System _____ intermittently _____ I apply hard _____?

The _____ could light _____ if there was intense braking _____.

What _____ the intermittent _____ to _____ up?

_____ it _____ that the _____ of _____ brake _____ is due _____ forcefully or rapidly?

Is _____ a _____ the on-and-off illuminated BrakeSystem _____?

Do _____ know what _____ Brake System _____ to _____?

_____ indicator light _____ while _____ accelerate and decelerate?

A _____ the brake _____ flashing.

The Brake _____ when I _____ hard brakes.

Why does _____ System _____ light _____ when the brakes _____?

_____ the _____ System _____ come on _____ it, or stop suddenly?

Can _____ brake application _____ Illuminated _____ signals?

_____ happened to _____ brake _____ flashing _____ aggressive _____?

_____ rough _____ illumination _____ Brake System Indicator signal?

What can I do _____ determine _____ causes my brake _____?

_____ my _____ Indicator to _____ I brake suddenly or fast?

Can rough braking _____ the _____ System _____ signal?

_____ System _____ flickers on _____ off _____ I engage _____ acceleration.

Is intense _____ the cause _____ on-and-off illuminated _____ indicator _____?

_____ a reason for the _____ Indicator _____ I brake or accelerate _____?

Is _____ possible that my _____ occasionally shows _____?

_____ can _____ find out _____ Brake System Indicator _____ on?

Why _____ my _____ System Indicator _____ when I _____ or _____ suddenly?

Are _____ to tell _____ why my brake _____ intermittently _____?

_____ explanation for _____ System Indicator flickering on and _____?

Why _____ System _____ light up when _____ slam _____ brakes or _____ it _____?

When _____ hit the _____ why _____ brake light keep _____?

_____ brake suddenly _____ fast, what _____ brake system indicator?

Why _____ the indicator _____ you accelerate and _____?

The _____ System _____ flickers on and off _____ aggressive acceleration or _____.

_____ does the brake sign _____ up when _____?

I would _____ if the _____ of my _____ warning light is _____ or quickly.

Can _____ explain _____ my _____ indicator is _____ when _____ it?

_____ that brake application can _____ occasional Illuminated Brake _____?

_____ do my brake _____ sometimes _____ warnings?

_____ understand why _____ brake light keeps coming _____ when _____ or the _____.

Why do my ____ system ____ I hit ____ brakes ____?

____ indicator problem ____ rapid acceleration.

Why does my ____ light ____ on the ____ or ____ the gas pedal ____?

____ know ____ my ____ indicators ____ flicker when I hit ____ hard.

____ causes an on-and-off Brake ____ light ____ on?

____ hard braking, ____ Brake System Indicator ____ intermittently?

____ brake indicator ____ up when I ____ the ____?

____ do my ____ alert ____ when I apply ____ brakes ____ fiercely?

Does ____ application ____ acceleration ____ on-and-off illuminated BrakeSystem Indicator ____?

The Brake ____ Indicator is sometimesilluminated ____ acceleration ____.

The ____ System ____ might light up ____ hard ____ or accelerate.

What ____ intermittent ____ to illuminate?

What ____ the reason ____ the Brake System Indicator ____?

When ____ pressed ____ intermittent brake ____?

When I brake suddenly or ____ rapidly, ____ Brake ____?

____ like to know if ____ of ____ brake ____ light is due to braking ____.

Why does ____ illuminate under hard braking?

____ causes an ____ System Indicator light ____?

____ pressed hard, ____ intermittent ____ warning?

____ brake system ____ come ____ when I floor ____ suddenly stop?

____ it possible that ____ of my ____ warning light is due ____ the ____ my ____?

____ can ____ the ____ System Indicator comes on?
