

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Coolant leaks under the hood
Inquiry Sub-Category	Coolant Leak Prevention Tips
Description	Customers inquiring about preventive measures they can take to reduce the likelihood of coolant leaks, such as regular cooling system maintenance, inspection of hoses and fittings, and the use of coolant additives.
Data Size	5,027 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

_____ long _____ a _____ cooling _____ before it starts _____ and _____ professional attention?

How _____ a _____ requires help?

How _____ time _____ standard _____ system _____ to start _____?

_____ long _____ it take _____ the _____ leak spots _____ an average _____ setup?

Will _____ cooling system need _____ help _____ starts _____?

_____ you _____ me _____ time _____ takes for most _____ start leaking?

_____ long _____ cooling system _____ before _____ starts to _____ or need _____ help?

Is _____ cooling system's lifespan _____?

_____ you _____ me what _____ it takes _____ cooling systems _____ start _____?

Do you know the average _____ cooling _____?

When _____ the _____ cooling _____ prone _____ leaking _____ need professional _____?

_____ the lifespan _____ a cooling _____?

_____ there a time _____ I _____ expect my _____ to _____?

_____ before a _____ system _____ help?

A _____ needs someone to fix it _____ it _____.

Before _____ and _____ is the _____ of _____ cooling _____?

_____ for my cooling system to _____ need some help?

What point _____ typical _____ experience leakages that _____?

_____ me _____ long it _____ for the average coolin' system _____?

_____ long until _____ first leak _____ appear on _____ setup _____ expert _____.

_____ lifespan before _____ pro repairs?

How long should a cooling _____ used _____ it _____ to _____?

What _____ the average _____ for a _____ to exhibit leaks and _____?

_____ until _____ coolers start to face issues?

I would _____ long it takes _____ systems to _____ leaking.

How _____ cooling system _____ a _____?

cooling _____ lifespan _____ and _____

_____ cooling _____ someone to care _____ before _____ starts leaking _____.

____ long ____ the ____ professional assistance?
 ____ most ____ begin ____ develop leaks ____ need specialized care?
 ____ long can a ____ last ____ leaks start?
 ____ think a ____ cooling ____ would take to start ____?
 How long can a ____ needing ____?
 ____ there are leaks in the ____?
 ____ how much time ____ before ____ leak ____ on ____ cooler setup?
 ____ long ____ cooling ____ professional help?
 ____ long ____ my cooling system ____ in ____ of ____?
 How ____ is it before ____ cooling ____ springs ____?
 What point ____ typical cooling ____ to develop ____?
 How ____ a ____ use before it ____ a lot?
 How much ____ will it ____ for ____ systems ____?
 ____ long ____ cooling ____ needs repairs?
 ____ the ____ conventional cooling system ____ exhibit leaks and ____ expert support?
 How ____ my ____ system leaks ____ pro's assistance?
 ____ a cooling ____ leaks, ____ of it?
 What is ____ average ____ of ____ before leaks occur?
 ____ should a cooling system ____ in use ____ it ____ leaking?
 How long ____ system ____ in ____ before it has ____ be ____?
 How long ____ system remain in ____ before ____ needs ____ care ____ it?
 ____ long ____ it ____ a regular ____ system to ____?
 ____ long should ____ in ____ before it ____ more leaking ____ needs ____ to look after?
 ____ what point ____ typically experience leaks ____ need expert ____?
 How long ____ cooling ____ use ____ it ____ leaking and needs ____ to care for ____?
 ____ system ____ someone to fix ____ it gets ____ more leaking.
 Before ____ and pro repair, does ____ system ____?
 How ____ coolin' system starts ____?
 How long ____ be before ____ spots appear on ____ average ____?
 ____ can ____ take ____ cooling system to need ____?
 How soon ____ cooling systems ____ and ____?
 How ____ should ____ system ____ before it gets ____ lot more ____?
 ____ long before ____ system ____ help?
 ____ is ____ for a ____ system to ____ and ____ expert maintenance?
 How long will ____ take ____ get faulty?
 How long it ____ systems to start ____?
 ____ does ____ system become leaking?
 What ____ standard ____ system ____ leaking?
 How long ____ a ____ before ____ has to be ____?
 ____ the ____ frame for a conventional cooling ____ to ____ need ____ maintenance?
 How ____ left before ____ common cooling system ____?
 ____ cooling system stay ____ use before ____ gets more leaking and ____ someone ____ fix ____?
 How ____ will ____ cooling system ____?
 ____ cooling system ____ attention if it ____ developing ____.
 ____ long should a ____ stay ____ use before ____ leak ____ need someone to repair ____?
 ____ before common cooling ____?
 ____ time before ____ leak ____ demand ____?
 When ____ the ____ systems become ____ developing leaks ____ need professional ____?
 ____ long ____ it before ____ cooling ____ needs ____ help?
 What ____ the amount of ____ it takes ____ systems ____ start ____?

_____ the predicted _____ common coolers start having _____?
 _____ do _____ systems last _____ they require _____?
 What is _____ expected _____ common coolers _____ encounter _____?
 _____ the _____ cooling system becomes prone to _____ leaks _____.
 How much _____ would a _____ cooling _____ have a _____?
 _____ the typical cooling _____ it starts leaking?
 Before leaks _____ pro _____ cooling system _____?
 When _____ average _____ system _____ to developing leaks?
 _____ long would a _____ cooling _____ take _____ leak?
 How _____ does it _____ systems to start _____?
 Cooling system's _____ before _____ pro _____?
 What time do _____ leaks that _____ specialized _____?
 What _____ would _____ take for _____ standard _____ to _____ leaking?
 Can _____ system last long before _____?
 _____ my cooling system needs _____?
 _____ the _____ a conventional cooling system to _____ and _____ expert _____ support?
 How _____ take _____ system to need help?
 _____ system lifespan before _____ repair
 How _____ before a _____ begins to _____?
 _____ occur _____ assistance is required, what _____ average lifespan _____ cooling system?
 How long should _____ it gets _____ lot _____ leak?
 _____ long _____ cooling _____ stay in use _____ it _____ a lot more leaking and need _____.
 How long should a cooling _____ it _____ to leak _____?
 _____ do typical cooling _____ start _____ need _____ care?
 _____ the _____ system _____ help?
 How long _____ a _____ system _____ without _____ issues?
 How little _____ the common _____?
 _____ the _____ time _____ for a conventional _____ system _____ show leaks _____ expert _____?
 What _____ the _____ for common _____ they start _____ problems?
 How _____ before _____ system _____ damaged?
 How _____ cooling _____ starts leaking?
 _____ lifespan before _____ repair?
 _____ it take for _____ first _____ an average cooler _____ to appear?
 _____ a _____ a cooling system begins leaking.
 How much time _____ before the _____ leak _____ an _____ cooler _____?
 _____ a _____ system develops leaks and _____ experts?
 _____ point _____ cooling systems usually experience _____ expert _____?
 How _____ should a _____ stay in use _____ it _____ more _____ needs people to look _____
 How _____ does it take for _____ cooling system _____?
 How long _____ the _____ system _____ it starts _____?
 _____ cooling _____ needs _____ care _____ it before it gets _____.
 How long _____ it _____ to _____ in the _____ system?
 _____ long should a _____ system stay in _____ it _____ to _____ require _____?
 At _____ point _____ a standard cooling _____ leaking?
 How _____ it take for _____ in _____ system to _____?
 How long does _____ take _____ leaks in _____ to _____ up?
 _____ point _____ cooling systems _____ leaks that _____ expert intervention?
 Tell _____ takes for most _____ systems _____ start leaking.
 _____ when a standard _____ system _____ and _____ professional _____?
 _____ system _____ be prone to _____ leaks.

What _____ systems begin to develop _____ need specialized _____?
 _____ should a _____ remain in use _____ it starts _____ or needs _____?
 How long _____ cooling system be in _____ to _____?
 A _____ system _____ people to look _____ before it _____.
 What _____ do cooling systems _____ begin developing _____ that _____?
 How _____ does _____ typical _____ last before _____ attention?
 How long _____ the first leak _____ average cooler _____?
 _____ time _____ a _____ system breaks?
 _____ time _____ typical cooler _____ before leaks _____.
 _____ what _____ cooling systems _____ to leak?
 _____ regular _____ system begin to experience _____?
 _____ system's lifespan _____?
 _____ is the average _____ of a cooling _____?
 _____ long _____ a _____ cooling _____ last _____ it starts _____?
 _____ many _____ before a cooling system _____?
 How soon does _____ system _____ and need to _____?
 How _____ should a _____ system _____ before _____ a lot of _____?
 _____ cooling systems _____ experience leaks that _____ expert _____?
 When do _____ begin _____ that _____ specialized care?
 How _____ before a cooling _____ is _____ of _____?
 How _____ system _____ in need of professional _____?
 How long _____ a _____ system be _____ before it _____ needs _____?
 _____ it take for a _____ system _____ springs _____?
 How long would _____ take for _____ standard _____ get _____?
 How _____ system needs help.
 How _____ will my _____ system _____?
 _____ long _____ cooling _____ someone's help?
 Can _____ tell me _____ time until _____ system _____ leaking?
 How long should _____ before _____ lot more leaking?
 How long _____ it _____ for the _____ leak _____ show _____ on _____ setup?
 _____ should _____ cooling _____ stay _____ use before it _____ leak?
 How long _____ leaks _____ leading to _____ on _____?
 _____ system last before leaking or needing professional _____?
 _____ you _____ what _____ expected _____ is _____ coolers start having _____?
 How _____ cooling system last _____ it gets _____ lot more _____ and _____ someone _____ care _____?
 _____ the expected _____ until _____ coolers start to encounter _____?
 Is _____ time limit _____ I _____ system to leak _____ need help?
 _____ long should _____ cooling system be _____ before _____ to _____?
 _____ the cooling system before _____ and _____ repair?
 _____ long _____ cooling _____ develop _____?
 _____ cooling _____ leakages _____ necessitate _____ intervention _____ some point.
 How _____ does a _____ system start _____ repairing?
 How _____ should _____ cooling _____ last _____ leaks a lot _____ needs someone _____ care _____?
 How _____ cooling _____ need _____ in _____ it gets _____ lot more leaking?
 _____ a leaking cooling _____ need _____?
 _____ tell me _____ average coolin' system will begin _____?
 Do you _____ how _____ cooling _____ lasts before leaks _____?
 What happens when _____ standard cooling system _____ assistance?
 _____ is _____ until common coolers _____ to have _____?
 Is it _____ cooling _____ develop _____ and demand _____?

What _____ average lifespan _____ to _____ system leaking?

What is the _____ cooling system _____ leaks _____?

What _____ when _____ cooling system _____ requires help?

What _____ the _____ conventional cooling system to _____ leaks _____ need expert maintenance _____?

Can _____ tell _____ how _____ it _____ cooling systems to _____?

What _____ time _____ cooling _____ show leaks and _____ expert maintenance support?

_____ does _____ cooling system _____ to _____ requiring _____ help?

What time _____ cooling systems _____ begin developing _____ care?

_____ average _____ for a _____ system _____ leak and _____ expert support?

How many years _____ my _____ needs professional _____?

_____ can the cooling system last _____?

How long _____ to show leaks and _____ expert maintenance?

What is _____ typical _____ cooling system _____ leaks and _____ expert _____?

How long should _____ cooling _____ remain _____ use before _____ someone to care _____?

How _____ should a cooling system _____ before it _____ or _____?

How long before _____ leak.

How long does it _____ for _____ to start _____ need _____?

_____ time _____ I _____ expect my _____ system to develop leaks and _____?

_____ want _____ much time _____ takes for most _____ to leak.

_____ do typical cooling _____ begin _____ that _____ specialized care?

Can you tell _____ coolin' system will _____?

Can _____ me _____ the _____ coolin' system _____ leaking?

How _____ there _____ leaks _____ the average _____ system?

_____ required if a _____ cooling _____ develops leaks.

_____ want _____ know _____ long it _____ most _____ systems _____ and _____ expert attention.

How _____ cooling _____ leaking and needs help?

_____ a cooling _____ to last before _____ leaks?

_____ what point _____ typical cooling _____ experience _____?

How _____ cooling _____ and _____ specialists?

_____ me _____ leaks will appear in _____ average coolin' _____?

What happens when _____ developing leaks _____ care?

Can you tell _____ when _____ will _____ leaks?

_____ before leaks and repairs?

_____ the average lifespan of _____ system before it _____ leak?

How long does _____ a _____ cooling system _____ leaking?

How long does _____ take _____ a _____ need expert maintenance support?

_____ long _____ the _____ to need professional help?

_____ many _____ before the _____ leaks?

_____ until a leak appears _____ coolin' system?

An average cooler _____ needs expert _____ takes before the _____ spots _____.

What is the usual time _____ conventional _____ to _____ and need _____ support?

_____ setup needs expert involvement _____ time passes _____ the first _____ appear.

_____ long _____ take for my _____ system _____ and _____ professional help?

How _____ before common _____?

How _____ should _____ system _____ in use, before _____ starts _____ and _____ fix it?

When does _____ average _____ become prone _____?

_____ do _____ systems experience leaks that necessitate _____?

How long should _____ cooling _____ in use _____ it _____ to _____ need someone _____ look _____?

_____ should _____ system _____ in use _____ it _____ a lot _____ leaking and needs _____ to _____ for?

_____ long _____ system operate before _____ for repair?

How long ____ it ____ cooling system to ____ ?

How ____ time should a cooling ____ stay in use ____ gets ____ ?

How long ____ it take ____ cooling ____ start leaking ____ pro ____ ?

____ cooling ____ needs repairs?

How long until ____ cooling system ____ help ____ ?

How ____ can ____ last if it starts ____ ?

____ happens ____ cooling system begins ____ leak?

Can you tell ____ it ____ for most ____ leak.

____ expected duration until ____ start ____ leak problems?

What ____ the ____ of a ____ before a leak ____ ?

____ long is ____ until my cooling system ____ leaking ____ ?

When ____ expect my cooling ____ to ____ and get ____ ?

How much ____ would ____ to have ____ leak?

____ the ____ time period ____ cooling ____ to leak and ____ maintenance support?

____ long before ____ air conditioning ____ and ____ professional help?

____ is the usual time ____ to exhibit ____ expert support?

How long ____ cooling ____ stay ____ use ____ it ____ more ____ and need ____ ?

How ____ time passes before the ____ show ____ a ____ setup?

____ should ____ cooling ____ stay in ____ it gets more ____ ?

How ____ take ____ a conventional ____ to exhibit ____ and ____ expert ____ support?

How ____ cooling ____ starts ____ and needs pro ____ ?

How ____ time would a ____ cooling system ____ to ____ ?

____ long should ____ cooling ____ last before ____ require professional attention?

____ needs people ____ look after ____ before ____ gets ____ leaking.

____ cooling system's ____ before ____ ?

____ long ____ last until they ____ be repaired?

____ the expected ____ until ____ start ____ experience leak problems?

____ cooling system needs people to ____ starts leaking.

____ cooling ____ professional ____ when ____ leaks.

How much ____ can it ____ for ____ to ____ ?

____ will ____ cooling ____ last before a ____ ?

How ____ before the ____ system ____ help?

____ long will ____ conditioning unit leak ____ assistance?

What time ____ experts ____ to ____ ?

____ is the lifespan ____ cooling ____ leaks?

____ long ____ there are ____ in the ____ system?

How ____ can a cooling ____ last ____ to ____ ?

____ need to know how long until ____ average ____ .

____ long ____ stay in use before ____ gets ____ lot ____ leak?

____ long ____ system ____ leak and need pro help?

How ____ before a ____ starts to ____ ?

What is ____ time ____ system to show leaks ____ expert ____ support?

How long should ____ system ____ used before ____ starts ____ and ____ to ____ it?

How ____ cooling ____ pro help?

____ does ____ cooling system ____ prone to ____ requiring ____ ?

____ the typical times for ____ to ____ leaks ____ need ____ maintenance support?

How much ____ common ____ system ____ ?

When should I expect ____ have ____ that ____ attention?

____ long should ____ cooling system ____ until it ____ needs professional ____ ?

____ long ____ cooling system ____ ?

_____ does _____ cooling system last before _____ needs _____?
 _____ cooling system develops leaks?
 _____ much time would a _____ cooling _____ to _____?
 How long should _____ remain in _____ it _____ and needs _____ look after?
 _____ long does _____ for most cooling _____ leak and _____?
 _____ time period for a _____ system to exhibit leaks _____ expert _____?
 How long is it until _____ average _____?
 How _____ would _____ standard _____ take _____ start to _____?
 _____ to know how long it _____ a _____ system _____.
 What point does a _____ begin _____ and _____ professional _____?
 _____ until a cooling system needs _____?
 _____ cooler lifetime _____ requires service.
 _____ is the average lifespan _____ cooling _____ before _____?
 _____ does _____ cooling _____ prone to leaking and _____ help?
 _____ long should _____ system be used before _____ to _____ or _____ professional _____?
 _____ long should _____ cooling system _____ in _____ lot and needs someone to _____ it?
 How _____ until _____ cooling system _____ professional _____?
 _____ time _____ it take for most _____ systems _____?
 How _____ should _____ cooling _____ be _____ before _____ leaking and _____ to _____ it?
 _____ system lifespan _____ leaks and _____?
 How _____ time can _____ a _____ system _____ leak?
 How long should _____ system remain in _____ starts to _____?
 Can _____ system last _____ it _____ to leak?
 The _____ before _____ cooling _____ springs _____ unknown.
 What time is _____ until _____ to _____ problems?
 _____ a cooling _____ stay in _____ before _____ leaking and _____ someone to fix _____?
 How _____ will it _____ for most cooling _____ to _____ need _____?
 How _____ the cooling _____ has to _____?
 _____ do typical _____ systems _____ leaks _____ require specialized care?
 How long does _____ to need attention?
 Can you _____ an estimate _____ how long it _____ systems to _____?
 _____ until a cooling _____ help?
 _____ does a typical _____ begin to _____ leaks?
 _____ long before the _____ needs _____?
 How long before a _____ unit _____ leaking _____ needs _____?
 How _____ it _____ for _____ cooling _____ to start leaking?
 How long should _____ cooling _____ last _____ it begins to _____ someone _____ it?
 _____ will a regular _____ develop _____?
 What is _____ cooling system to leak _____ maintenance support?
 How long should a _____ before it _____ or _____?
 _____ long _____ a cooling system _____ in use _____ and needs someone to _____ it?
 _____ cooling system needs professional _____ it _____.
 How _____ my cooling _____ someone _____ help?
 _____ typical cooling systems usually _____ leaks that _____ expert _____?
 How long _____ a _____ system _____ in _____ before _____ leak?
 How long _____ cooling _____ stay in _____ it starts leaking and _____ to _____ it?
 _____ point does _____ system start leaking and demand _____?
 _____ is _____ a conventional cooling _____ to _____ and demand _____ maintenance support?
 What is the _____ of a _____ before _____ occur?
 _____ long until _____ systems _____?

How _____ cooling system be in use _____ it leaks more _____ to _____?

_____ the common _____ leak and demand specialists?

_____ long _____ cooling system stay _____ use before it gets a lot _____ leaking _____?

How long _____ cooling _____ be in _____ it _____ and requires someone _____ care _____ it?

_____ period does a _____ needing _____ be repaired?

_____ long _____ cooling _____ start leaking _____ need _____ help?

What _____ expected _____ coolers _____ to face leaks?

_____ you _____ long _____ takes _____ to appear in the average _____ system?

_____ long should the cooling system _____ needs professional _____?

Do you _____ how long _____ cooling system _____?

How _____ the _____ has _____ be fixed?

What _____ usual _____ frame _____ a _____ system to _____ leaking?

_____ take for a standard _____ system _____ have leaking?

_____ tell me when _____ start _____ in _____ average coolin' system?

_____ do typical _____ begin to develop leaks _____ need specialized _____?

_____ standard _____ system starts _____ and _____ help.

_____ the cooling _____ before _____?

_____ long would it take a standard _____?

How long should _____ system _____ in use _____ it _____ needs _____?

How long _____ a _____ remain _____ starts _____ leak _____ need professional attention?

_____ take for _____ cooling system _____ start leaking and _____ help?

_____ it take before the _____ spots appear _____ typical _____ setup?

_____ long before a _____ air _____ unit _____ to _____ and _____?

_____ is _____ typical time period for _____ to leak _____ expert maintenance _____?

_____ do _____ systems _____ begin developing leaks that _____ specialized _____?

_____ cooling _____ someone _____ for _____ before _____ gets a _____ more leaking.

_____ long _____ need some help?

_____ happens if a _____ cooling _____ professional help?

How long do _____ have to _____ system _____ leaking and _____?

Professional intervention _____ be _____ when _____ regular _____ leaks.

_____ until _____ coolin' _____ starts leaking?

The lifespan _____ a _____ system, _____.

_____ how long _____ cooling systems _____?

How long _____ cooling _____ requires _____?

_____ long before cooling _____ leaks _____?

Do you _____ long until the _____ coolin' _____?

_____ should _____ cooling system last _____ it _____ and _____ people _____ look after?

Before leaks occur _____ assistance _____ required, _____ the _____ of a _____ system?

How long should a _____ be _____ before it gets _____ leaking and needs _____?

How _____ time _____ first leak spots show _____ on _____ setup?

How long _____ cooling _____ leaking _____ professional help.

_____ should a _____ system last before needing _____?

_____ your _____ is leaking _____ should call _____.

Are cooling _____ and _____ repair?

_____ my cooling _____ leaking and needs _____ pro help?

_____ a cooling _____ in use before it _____ a _____?

_____ long will the _____ need _____?

How much time _____ a _____ to begin _____ leaks?

_____ before _____ systems _____ professional help?

_____ much _____ the _____ system needs professional _____?

_____ until cooling _____ repairs _____ to be _____?
 How _____ until _____ cooling system leaks _____ some _____?
 Do you _____ how long _____ the _____ coolin' _____?
 _____ until _____ systems leak and demand _____ up?
 _____ happens if a standard _____ leaking _____ professional help?
 _____ should _____ cooling _____ remain _____ use _____ begins _____ and need someone to _____ for it?
 What _____ is _____ cooling systems _____?
 What are _____ cooling system _____?
 _____ when a _____ cooling _____ leaking _____ needs assistance?
 How long would _____ take _____ standard _____ to have leaks _____?
 _____ much time would _____ cooling system _____ to _____?
 _____ typical cooling systems begin _____ leaks _____ specialized _____?
 _____ would a _____ cooling system _____ to have _____ require professional _____?
 _____ should a _____ system stay _____ use before it _____ leaking and need someone _____ care _____?
 _____ leaks _____ intervention by experts on coolers?
 _____ leaks _____ necessitates _____ by experts on coolers?
 How _____ cooling system be _____ use _____ starts leaking or _____ attention?
 What _____ the _____ duration _____ common _____ start to _____?
 How _____ the _____ begins leaking?
 _____ before leaks _____ necessitate _____ by experts _____ coolers?
 What happens when _____ to develop _____ that _____ specialized _____?
 How long will _____ cooling _____ to _____ leaking?
 How _____ can a _____ system last _____ needs _____ be _____?
 The cooling _____ needs _____ to care for _____ more leak.
 _____ a cooling system springs leaks _____ the _____?
 How _____ should a _____ before _____ starts leaking _____ needs _____ assistance?
 Is _____ until _____ system leaks _____?
 _____ a _____ to leak or need professional _____ how _____ should it _____?
 How long _____ takes _____ systems _____ start leaking?
 How _____ would _____ cooling system _____ start leaking?
 _____ is the average _____ before _____ system _____ leak?
 What time does _____ for most cooling _____ to leak _____?
 _____ it _____ a conventional _____ to show leaks and need _____ support?
 How long _____ system _____ it _____ to leak or need _____?
 Can you _____ me the exact _____ cooling _____ to _____ leaking?
 _____ time _____ for a _____ exhibit leaks _____ need expert maintenance support.
 How long _____ leak _____ to be fixed?
 _____ is _____ expected _____ until _____ coolers start having _____?
 _____ point _____ typical cooling system experience _____ that _____ expert _____?
 _____ much time _____ take for a _____ cooling _____ to _____?
 _____ cooling _____ can be required when leaks _____.
 Will _____ system start _____ and _____ for professional _____?
 _____ cooling system leaks _____ repairs?
 How _____ the common cooling _____ leak?
 How _____ cooling _____ needs work?
 _____ time _____ cooling systems begin _____ leaks that need _____ resolve?
 _____ to _____ it takes _____ a cooling system _____ start leaking.
 _____ lifespan _____ system _____ leaks and repairs.
 _____ long before a cooling _____?
 _____ much time _____ take for cooling _____ begin _____?

How long should a cooling _____ it starts leaking _____ needs _____ to fix _____?
 _____ the expected duration _____ common _____ leak problems?
 _____ it _____ leaks _____ in the _____ coolin' system?
 _____ will the cooling _____ and ask for _____?
 _____ long _____ popular _____ systems _____?
 _____ systems _____ and need experts?
 _____ point do typical cooling _____ experience _____ that _____ expert _____?
 _____ systems are leaking?

How _____ system last _____ it gets _____ lot more leaking _____ needs _____ to look _____?
 How long _____ a _____ to need help?
 How long should a cooling _____ in use _____ gets _____ leaking _____ needs someone to _____?
 What _____ average _____ before a _____ system starts _____?
 At _____ do _____ begin to experience leaks?
 _____ long do _____ think _____ takes for _____ systems _____ leak?
 The _____ begin leaking.

What is _____ normal _____ for _____ to _____ need expert maintenance support?
 _____ a typical _____ lifetime _____ leaks _____ servicing.
 _____ before a cooling _____ leaks?
 _____ it take _____ cooling systems to _____ demand _____ to arrive?

How _____ does _____ standard _____ take to start _____?
 _____ should a cooling system _____ use _____ more _____ occurs?
 _____ should _____ system _____ in use _____ gets worse and needs _____ to _____ it?
 _____ for cooling systems _____ required when _____ leaks.
 _____ you _____ me how long _____ for cooling _____ start _____?

How _____ it take for a _____ system to _____?
 _____ help is required _____ cooling _____ are leaks.
 _____ much time _____ take a _____ system to _____ a _____?
 _____ much time would _____ standard cooling system _____ begin _____?
 _____ much time before _____ cooling _____?

How long should _____ system be in _____ leaking?
 How _____ should _____ cooling system _____ in use before _____ and needs _____ care _____ it?
 _____ time _____ cooling _____ leaking and _____ professional help?
 _____ much time goes by before _____ first _____ spots appear _____?

What _____ period _____ system to _____ leaks and need expert maintenance _____?
 How long _____ for my _____ system _____ leaking and _____ assistance?
 _____ appear in _____ average Coolin' system?
 _____ a cooling _____ stay in _____ it gets a lot _____ leaking _____ people _____ after it.
 _____ want _____ know how _____ the average _____ leaks.
 _____ it takes _____ the first _____ appear on _____ typical cooler _____?
 _____ when _____ coolin' system starts to leak?

How long _____ standard _____ take _____ start leaking.
 How much _____ a _____ system _____?
 How long _____ an ordinary _____ system _____ issues?
 _____ long before _____ leak and demand _____ happen?
 _____ does it _____ for my _____ system _____ leaking and need _____?
 _____ time will it take _____ a _____ cooling system _____?
 _____ the _____ lifespan of a _____ before leaks _____?

How _____ should _____ cooling _____ stay in use _____ it _____ needs people to _____?
 _____ time _____ standard _____ system take _____ start leaking?
 _____ involvement is needed around _____ time _____ before _____ first _____ appear on an average _____.

A ____ cooling system ____ help ____ it starts ____.
 ____ want to ____ how long ____ average ____ system gets ____.
 ____ is ____ expected duration ____ a common ____ to ____ problems?
 ____ it take a ____ system to ____ bad?
 ____ long ____ systems ____ before they ____?
 How long ____ you ____ it will ____ in the average ____ system?
 When does ____ standard ____ system start leaking ____?
 ____ does a ____ system ____ prone ____ and requires ____ help?
 How much time will it ____ for cooling ____?
 ____ long until ____ cooling ____ starts ____ and ____ need ____ help?
 ____ much ____ a ____ cooling ____ for ____ leak to occur?
 ____ does it ____ spots appear ____ the average cooler setup?
 ____ long will ____ be ____ need of repairs?
 ____ long can a ____ until it needs ____?
 ____ long should ____ in ____ it leaks or needs professional ____?
 How long will ____ conditioning unit leak ____ assistance?
 ____ does the ____ system start ____ prone ____ leaking?
 ____ should a cooling ____ last before ____ needs ____?
 How long until ____ system ____ leaking ____ needs ____?
 ____ would ____ cooling system ____ to start leaking?
 I'm ____ takes for most ____ to leak.
 How long ____ a ____ in ____ before it ____ a lot ____ need someone ____ care ____ it?
 How ____ before cooling ____?
 What amount ____ time before a ____?
 Can you tell me ____ takes for ____ to begin ____?
 How ____ do ____ to wait for ____ cooling ____ start ____ and need ____?
 How long should a ____ system ____ in ____ before ____ leaking and ____ to look after?
 The lifespan ____ cooling ____ should ____ considered before leaks ____.
 Do ____ long it ____ take for the ____ to leak?
 What is ____ average ____ for ____ to exhibit leaks ____ need ____ maintenance ____?
 How long ____ a cooling ____ last ____ it ____ be fixed?
 Is ____ that cooling systems ____ leaks ____ experts?
 How long can a ____ system ____?
 How long ____ a cooling ____ use, ____ gets a ____ more ____?
 How ____ would ____ system take ____ leaking?
 ____ long ____ a cooling system remain ____ it gets more leaking ____ fix it?
 ____ long before ____ first ____ spots ____ an average ____ setup?
 ____ should a ____ system ____ before leaking and need someone ____?
 How much ____ would ____ standard cooling ____ get ____?
 ____ long will ____ take ____ start to ____ leaks?
 How ____ before a ____ system ____ to ____ replaced?
 What point do a ____ system ____ and ____ professional ____?
 What is ____ expected ____ for ____ coolers ____ start ____?
 ____ until ____ system gets damaged?
 What ____ lifespan of a ____ cooling ____ before ____ leaking?
 ____ system start leaking and require professional ____?
 How ____ does it ____ first ____ appear on an average ____?
 ____ long ____ a cooling system last before ____ needs ____?
 ____ know how long it takes ____ a cooling ____?
 How ____ my cooling ____ begins to leak and ____?

How long _____ the cooling system?

What is _____ time _____ a conventional _____ to _____ leaks _____ require _____ maintenance?

The _____ needs people _____ look after before _____ a lot _____.

How long _____ cooling _____.

How _____ cooling systems _____ demand _____?

When should I _____ my cooling _____ to _____ expert _____?

_____ system last before it leaks or _____ professional _____?

_____ much _____ would a _____ take to get _____?

How _____ will it take for _____ to _____?

_____ time _____ systems start developing leaks _____ care?

_____ much time _____ my cooling _____ help?

What _____ does a _____ start _____ and _____ professional _____?

_____ time would a _____ system _____ to _____?

_____ much _____ would a standard _____ take to _____ issue?

How much _____ would _____ cooling _____ need to _____?

_____ long will _____ take _____ common _____ start _____ have _____?

What _____ typical _____ conventional cooling system _____ require expert maintenance support?

At _____ point _____ systems _____ experience leaks _____ necessitate _____ intervention?

_____ system needs _____ to fix it _____ it _____ a _____ more _____.

_____ system lifespan _____ and _____ repairs

_____ does a cooling system last _____ leak?

The amount _____ time before _____?

I want _____ know _____ long _____ takes for _____ cooling _____ leaking.

How soon _____ cooling system _____ and need _____?

_____ until cooling _____ leaks need _____ be _____?

_____ is the average _____ of _____ before leaks _____?

_____ cooling system needs _____ look _____ so that _____ get more _____.

_____ long should _____ cooling _____ stay in use _____ it starts _____ someone _____ it?

How long _____ last _____ it starts to leak and _____ someone _____ it?

_____ the length _____ before a cooling _____ leaks?

How _____ cooling _____ last until they _____ fixed?

_____ is the average _____ a _____ system before _____ to _____?

How _____ does it _____ cooling system _____ start _____?

_____ is _____ time _____ for _____ cooling _____ to leak _____ expert maintenance support?

_____ much _____ passes _____ first leak spots _____ cooler setup?

_____ can _____ cooling system _____ before it _____ repair?

How _____ time _____ needed _____ system to start leaking?

_____ would a normal _____ take _____ start leaking?

_____ the typical _____ a conventional cooling system to _____ and _____ expert _____?

How _____ it until my _____ leaking and _____ some _____?

_____ typical _____ systems _____ developing leaks _____ need specialized care?

_____ cooling system leaks need _____?

_____ long should _____ system remain _____ before _____ needing _____ to care for?

How _____ do _____ will take for the _____ to leak?

How _____ should _____ cooling _____ stay in use before _____ gets _____ needs _____ to _____ for _____?

How much _____ the _____ repairs?

_____ lifespan _____ cooling system _____ it _____?

What is the expected _____ coolers _____ experiencing _____?

_____ my cooling _____ needs a _____ help?

_____ long should _____ system _____ before it starts _____ requires professional attention?

How _____ the cooling _____ attention?
 _____ long _____ it take _____ cooling _____ need help?
 _____ my _____ system leak _____ ask for _____ help?
 Do _____ know when _____ system starts _____?
 What _____ a standard _____ system _____ leaking and need _____?
 _____ point _____ cooling systems begin _____ develop leaks _____ special _____?
 _____ before _____ cooling _____ needs repairs.
 _____ lifespan _____ a _____ system before _____ is a leak?
 What is the _____ time _____ for _____ leak and _____ expert support?
 _____ cooling system leaks _____?
 Can you tell me _____ long before the _____?
 Can you tell _____ the _____ it takes _____ cooling _____?
 What is the _____ coolers start to _____?
 _____ take _____ cooling system to get leaking?
 _____ know how _____ the average coolin' _____ has _____?
 _____ long before _____ cooling _____ and needs _____?
 What _____ of _____ would _____ cooling system _____ begin leaking?
 When _____ average _____ system become _____ to leaking, _____ professional _____?
 How _____ regular _____ leaking and need repair?
 Professional help is required _____ average cooling system _____ starts _____.
 What _____ will _____ appear in _____ coolin' _____?
 How long _____ system last before it _____ to _____?
 How _____ does _____ last before it begins _____?
 _____ a cooling _____ if _____ starts to leak?
 _____ long should a _____ in use _____ it starts leaking _____ needs _____ look _____
 How long _____ the cooling system last _____ needs _____ to _____ it?
 How _____ does _____ take for _____ leaking and need expert _____?
 What is _____ usual time _____ conventional _____ system to _____ leaks _____ support?
 _____ long _____ the _____ system leaks need to _____?
 _____ is the expected _____ coolers _____ leakage problems?
 _____ time _____ my cooling _____ leaks and needs _____?
 How _____ does a _____ system _____ start leaking?
 _____ long _____ a _____ system needs a _____?
 _____ system begins to leak or needs _____ attention, how _____ in _____?
 What _____ the lifespan of _____ cooling _____ before _____?
 What _____ do cooling systems begin _____ leaks _____ require _____?
 _____ time do cooling _____ developing _____ that require _____ care?
 Can you _____ how long until _____ the _____ system?
 _____ average _____ becomes _____ to _____ requires _____ help throughout its lifespan?
 It takes professional _____ leaks occur.
 Do you know _____ until leaks _____ the average _____?
 _____ and pro _____ how long _____ system last?
 How _____ should a _____ system last _____ it _____ more leaking _____ need someone _____ after?
 _____ long _____ cooling _____ professional help?
 _____ how long before _____ first _____ appear on _____ cooler _____ requires _____.
 How _____ time _____ take _____ a standard cooling _____ to _____?
 How _____ until cooling _____ attention?
 How long _____ my cooling _____ leak and need _____?
 _____ long _____ a _____ last before _____ a lot _____ and requires someone to _____ it?
 _____ long _____ a cooling _____ stay in use _____ starts _____ or _____ professional _____?

_____ my cooling _____ to develop _____ and need professional _____?
 How _____ a _____ be in _____ starts leaking more?
 What _____ lifespan before a _____ leaks?
 How _____ before _____ leak _____ appear _____ an average _____ setup requires _____.
 I _____ to know how _____ leaks appear in _____ coolin' _____.
 _____ before cooling _____ leaks need _____.
 _____ do _____ think _____ will _____ for leaks _____ the average _____ system to _____?
 _____ does the average _____ system eventually _____?
 What is _____ duration _____ coolers _____ having leak _____?
 _____ can _____ system last until it needs _____?
 How long _____ cooling _____ leaks _____?
 How long should _____ in use before it _____ lot _____ and needs _____ to look _____
 How _____ will _____ system leaks _____?
 When _____ average cooling _____ prone _____ developing leaks _____ professional _____?
 How _____ would it take for _____ to _____ that _____ care?
 _____ should _____ cooling system remain _____ before it _____ and _____ someone to fix _____?
 _____ long should a _____ last before _____ starts to _____ and _____ to care _____?
 How _____ needs to be fixed?
 _____ long should _____ cooling _____ stay _____ before _____ starts leaking?
 _____ long should _____ cooling system _____ leaking or _____ professional attention?
 The _____ before _____ cooling _____ springs leaks _____ not _____.
 How long _____ it take _____ the _____ leak spots show _____ an _____?
 How _____ do _____ think it _____ cooling system to start _____?
 How long before _____ average coolin' _____?
 _____ long _____ a cooling _____ to have _____?
 How _____ time _____ take _____ cooling systems _____ leak and need _____?
 _____ how _____ it _____ most cooling systems to _____ leaking.
 _____ much time _____ a _____ system _____ to start having _____?
 How _____ it would take for _____ system _____ start _____?
 What is _____ point _____ a standard cooling _____?
 _____ is needed _____ how much _____ passes before _____ first leak spots _____ cooler setup.
 _____ is _____ usual _____ period for _____ conventional _____ leak _____ expert maintenance support?
 _____ cooling _____ begin _____ leak _____ need professional help?
 _____ long would it take for _____ be leaking?
 _____ you _____ me how _____ it _____ take _____ to appear _____ the cooling _____?
 How _____ will my cooling _____ be _____ I need _____?
 How long _____ system gets _____ leak?
 _____ the expected _____ common _____ experience leaking problems?
 How long should a cooling _____ in use before it leaks _____ and _____?
 Expertise is _____ around _____ long before the first _____ spots _____ average _____.
 _____ a cooling system _____ used before _____ or needs _____ attention?
 How _____ a _____ system last in use before it _____?
 How long _____ before it starts _____ and _____ someone to _____ it?
 How _____ does it take _____ system to _____ and need _____?
 _____ before _____ systems _____ demand specialists appear?
 _____ cooling system _____ asking for help?
 _____ cooling _____ stay in use before _____ to leak _____ someone to care for?
 _____ before _____ first _____ spots occur on an average _____ setup?
 _____ the _____ lot _____ leaking, it needs people to look _____.
 How _____ cooling system _____ gets a lot more _____ and need _____ be _____?

How _____ occur _____ the average _____ system?

How _____ should a cooling _____ use _____ it starts _____ and need _____ to _____?

_____ a _____ period when I should expect my _____ develop _____?

How _____ it _____ cooling _____ to need repairs?

_____ long _____ for most _____ systems _____ start _____ require expert attention?

_____ can _____ cooling _____ last before it _____ leak?

What _____ the _____ duration _____ coolers _____ experience leaks?

How long will my _____ system start _____?

How long _____ stay in _____ before it starts leaking and requiring _____ to _____?

How long _____ will _____ for _____ to _____ an average cooler setup?

_____ does _____ cooling _____ start _____ leaks _____ require specialized care?

_____ much _____ does _____ take for _____ systems to _____ leaking?

How long can _____ cooling system _____ starts _____?

_____ long until a _____ has _____ fixed?

How _____ take for _____ cooling _____ to start leaking?

How _____ can _____ last before _____ to _____ repaired?

_____ cooling system _____ and need _____?

How _____ should a _____ be in use _____ starts _____ needing _____ attention?

When do _____ to _____ leaks that need _____?

How _____ does _____ system last before it _____?

_____ left before cooling systems start _____?

_____ long should a cooling system _____ in _____ before _____ to _____ and _____ someone _____ fix _____?

A standard _____ needs professional help _____ starts _____.

_____ long _____ cooling system _____ it starts _____ and requires people to _____ after?

How _____ time _____ left before _____ leak?

Around how long _____ will _____ the _____ spots _____ appear _____ an _____ cooler _____?

_____ time would a _____ cooling system take to _____?

_____ would _____ cooling system _____ to develop leaks that need _____?

_____ should _____ cooling _____ stay in _____ more leaking and need someone _____ care for _____?

_____ is the lifespan _____ a _____ cooling system _____ leak _____?

_____ is the _____ time period for _____ conventional cooling _____ leaks _____ support?

_____ does it take _____ cooling systems _____ expert attention?

How long _____ systems leak _____?

_____ happens _____ a regular _____ leaks?

How _____ spots _____ on an _____ cooler setup requires _____ help.

What period does _____ regular _____ repairs?

_____ long before _____ cooling system has _____?

_____ the usual time _____ a _____ cooling system _____ leaks?

Is there _____ time when I _____ cooling system _____ leak _____?

What _____ when _____ leaking and needs professional _____?

_____ for _____ before leaks _____ servicing.

Does _____ of the cooling _____ precede _____ and _____?

How much time _____ cooling system _____ starts _____?

How long _____ cooling _____ be used before it _____ a lot _____ needs _____ for it?

How long _____ a _____ helps _____ system _____?

_____ when a typical cooling _____ begins _____ develop _____?

_____ would _____ cooling system take to _____ to _____?

_____ involvement _____ how long before _____ first _____ appear on _____ average cooler _____.

Do you _____ time it takes _____ most _____ to start _____?

_____ is _____ time _____ cooling system to _____ and need expert maintenance _____?

For _____ prior to _____ requiring _____.

_____ a _____ stay in _____ it _____ leaking _____ needs someone to fix it?

_____ average _____ systems _____ prone to _____ leaks and require _____ help?

How long _____ a cooling _____ before _____ needs _____?

_____ I should expect my _____ system to leak _____ need help?

_____ long does it take _____ leak to appear _____ the _____?

Is it possible that _____ a _____ cooling _____ to _____ leaking?

_____ much _____ goes by before the first _____ on _____ cooler?

_____ long _____ a _____ system remain in use _____ it _____ and requires people _____ after _____?

What _____ the expected duration _____ common _____ problems?

_____ should _____ cooling _____ keep _____ before it gets _____ lot _____ leaking?

How long _____ a _____ before it needs to _____?

_____ should a _____ system _____ in _____ before it _____ a lot _____ leaking _____ to care for _____.

_____ cooling system _____ due to leaks _____ what period?

How _____ until _____ cooling _____ needs _____ be _____?

How _____ before my _____ system _____?

_____ know the _____ of _____ for most cooling _____ start leaking?

How _____ a cooling _____ supposed _____ before it _____?

How long _____ a cooling _____ starting to _____?

Before a _____ leaks, _____ lifespan of it?

How long _____ cooling _____ before needing professional _____?

_____ lifespan of the _____ before _____ repairs?

What amount of _____ system take to _____ leaking?

_____ long until cooling _____ attention?

How long should a _____ used _____ or _____ professional assistance?

What _____ the _____ time _____ a cooling system to _____ and _____?

_____ is the expected duration until _____ start _____ with _____?

By when will _____ system leak _____ help?

How _____ before _____ first _____ appear _____ an average cooler _____ expert _____.

How long _____ cooling _____ operate _____ needs repair?

_____ time _____ systems start _____ develop leaks that require _____?

How _____ should a _____ system _____ in _____ before _____ begins to _____ need _____ to fix _____?

_____ long _____ cooling system _____?

_____ and professional _____ is the average lifespan of _____ cooling system?

How long _____ cooling system _____ leaking issues?

_____ long _____ cooling _____ need professional _____?

_____ it _____ cooling _____ to start leaking and _____ pro help?

Is there a _____ range _____ cooling system _____ develop leaks?

_____ long until my cooling _____ leaking _____ help?

How _____ does a _____ system _____ before _____ be _____?

The _____ system _____ professional _____ if it _____ to _____.

_____ cooling system _____ lot _____ leaking, it needs _____ care for _____.

How long would it _____ a standard _____ begin _____?

How much time _____ it take for _____ common _____?

Will my _____ start _____ help by then?

How long _____ it _____ for _____ conventional _____ system to show _____ and _____?

What _____ does _____ systems _____ begin to _____ leaks?

_____ long _____ a cooling _____ stay in _____ it gets _____ lot _____ leaking and needs _____?

_____ long should _____ cooling system _____ before _____ starts _____ to _____ for it?

How _____ cooling system _____ last _____ it _____ leaking?

____ point does a ____ leaking?
 ____ is ____ expected ____ until common ____ to experience leak ____?
 ____ like to ____ when I ____ expect my cooling ____ leaks.
 How long ____ the ____ starts ____ leak?
 Before leaks ____ pro ____ cooling system's ____?
 ____ the first leak spots ____ appear on ____ typical cooler setup?
 How long ____ cooling system ____?
