

[Demo] NLP Dataset for Customer Service Automation

Company Type	Online Electronics and Technology Retailers
Inquiry Category	Technical support and troubleshooting assistance
Inquiry Sub-Category	Peripheral Device Support
Description	Customers seek troubleshooting assistance or guidance for peripheral devices like printers, scanners, monitors, or external storage devices.
Data Size	5,043 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Online Electronics and Technology Retailer" customer inquiry. (Purchased data will not be masked.)

____ can be done if ____ storage ____ ____ recognized ____ the ____?

Ways ____ ____ PC's failure in ____ ____.

____ ____ refuse to identify external ____.

What do you ____ if ____ computer ____ ____ storage?

____ your ____ ____ an external ____ device, what should you ____?

____ ____ options if ____ computer does ____ recognize the ____ drive?

____ the computer does ____ the ____ device, ____ be done?

When a ____ is ____ recognize a storage ____ ____ one ____?

When the computer doesn't ____ about ____ device, ____ ____ do?

____ ____ doesn't ____ external storage.

If my ____ does not recognize ____ device, ____ there ____ solution?

If the ____ detect ____ storage, what ____ you going ____?

Is it ____ fix ____ problem if the ____ the external storage ____?

What can the ____ if ____ is no ____ the ____ storage ____?

What ____ you ____ the ____ does ____ recognize outside ____?

Something can ____ done ____ the ____ doesn't know ____ the ____.

____ my ____ an external storage device, ____ I ____ it?

____ ____ identify external storage.

The ____ does ____ storage?

What ____ no ____ of the external storage device?

What ____ options ____ computer ____ recognize the drive?

Is it ____ the ____ if ____ computer isn't ____ storage device?

If an external storage ____ unrecognized ____ a ____ what ____?

What ____ do if a ____ storage?

____ the ____ isn't looking at an ____ storage ____ is it ____ problem?

____ external drive how ____ fix?

When ____ computer doesn't ____ what can ____ do?

What to ____ storage is not ____?

____ should ____ done in case the ____ detect ____?

____ can ____ if the computer wouldn't recognize ____ device?
 ____ be solved if the computer is ____ the external ____ device?
 ____ fix when ____ additional ____?
 ____ can the ____ if the ____ storage ____ isn't ____.
 ____ computer fails ____ recognize external ____ you do?
 ____ options are available if ____ can't read ____?
 ____ it ____ the ____ when the ____ trained to recognize the ____ storage ____?
 What ____ I do ____ recognizing ____ external drive?
 When ____ recognize an ____ storage device ____ one do?
 It ____ possible that the computer ____ recognize ____.
 If the ____ can't recognize ____ what ____ there?
 ____ deal ____ storages on computers?
 When ____ an external storage ____ what should it ____?
 The ____ things ____ external storage ____ is not recognized ____ it.
 ____ can ____ fix ____ failure ____ recognizing ____ disks?
 Any suggestions about ____ resolve computer ____ drives?
 Is ____ my computer to ____ the external ____ device?
 ____ is possible ____ the ____ the computer ____ to figure out what ____ device is.
 If the computer ____ trained ____ the external storage ____ can the ____?
 How can ____ fix ____ that ____ a drive?
 ____ not recognize ____ drive.
 If ____ computer ____ recognize an external storage device, ____ solution?
 Is ____ possible ____ solve ____ the ____ doesn't differentiate ____ the ____ storage devices?
 ____ computer ____ to recognize ____ storage ____ is there a ____?
 ____ the ____ device isn't seen ____ the computer, what ____?
 ____ there ____ to ____ PC's failure in ____ an external ____?
 ____ to ____ computer ____ is not ____ external storage ____?
 When ____ with unrecognized external storage on ____ you ____ take?
 External storage ____ not detected ____.
 How do you ____ that ____ recognizing the ____?
 If the ____ recognize the ____ what ____ are ____?
 ____ do ____ when comp ____ recognize external ____?
 ____ it possible ____ the problem if ____ is ____ to ____ what ____ storage device is there?
 ____ fix ____ computer that isn't ____ an ____ storage ____?
 ____ could the computer ____ if ____ external ____ unrecognized?
 My ____ storage, what should I ____?
 What are the ____ when ____ can't recognize ____?
 If ____ isn't able to ____ the external storage device, is ____?
 ____ it ____ to ____ problem ____ the computer ____ seeing ____ external storage ____?
 ____ the ____ is not recognised ____ computer, ____ can ____ do?
 What ____ a person ____ recognize a storage device?
 ____ do to make the computer ____ storage?
 If the external ____ device isn't ____ computer ____?
 How to fix ____ does not recognize ____?
 Can the problem ____ solved if ____ the external ____?
 ____ the computer ____ external ____ device isn't recognized?
 Could ____ computer ____ to ____ storage?
 What ____ you ____ computer ____ recognize external storage?
 If the computer ____ unable to ____ storage, ____ you ____?
 How do you ____ not recognizing theusb ____?

What _____ the outside storage device isn't _____?

I _____ know _____ to do _____ my _____ won't _____ external _____.

Is it _____ to _____ to _____ seeing _____ external _____ on a _____?

_____ computer does _____ detect _____ external _____ should I do?

_____ my computer fails to recognize _____ external storage _____.

_____ unrecognized _____ storage on a computer, _____ you _____ to _____?

Can you _____ how to _____ a _____ recognize the _____?

External _____ on _____ computer.

_____ doesn't recognise an external _____.

_____ steps to _____ you _____ unrecognized external storage on a _____?

How can _____ a computer that _____ drive?

What _____ done if a computer _____ external _____?

_____ computer _____ not be able to _____.

_____ know what _____ computer won't detect external _____.

_____ the _____ an external storage device, could _____ be _____?

What _____ we _____ the _____ storage is _____ detected?

_____ are _____ a computer can't _____ a drive?

_____ comp doesn't recognize _____ how can _____ it?

_____ comp doesn't _____ external _____ how _____ fix it?

If _____ storage device isn't _____ be _____?

_____ there any _____ to get my _____ an _____ device?

_____ it _____ to _____ when PC _____ extra _____?

_____ is a problem _____ computer not _____ drive.

Is there _____ to _____ a computer has unrecognized _____?

_____ don't know _____ fix _____ if my computer _____ to detect an _____.

_____ possible _____ solve _____ if _____ computer can't figure out what external _____ it _____.

_____ the computer doesn't _____ external _____ can _____ do.

What can be done _____ familiar _____ the outside _____ device?

When my _____ recognize the external _____ will _____?

What options _____ there _____ computer can't recognize _____.

Is it possible to solve the _____ if _____ figure _____ storage _____?

_____ the _____ storage _____ recognized by the computer, what _____ do?

What _____ done if computer _____ storage?

_____ do you _____ computer does _____ detect _____ storage?

_____ computer _____ an external storage _____ what should we _____?

Any ideas _____ how to _____ computer _____ with _____?

The _____ doesn't _____ about the _____ storage device, _____ do?

_____ the computer isn't trained _____ recognize _____ storage _____ is _____ the problem?

_____ be done to _____ computer to _____ an _____ device?

_____ device isn't _____ what can _____ computer do?

If _____ isn't _____ can _____ computer do anything?

_____ external _____ isn't _____ what _____ do?

What can _____ computer _____ familiar with the _____ storage _____?

_____ computer _____ detect external storage _____?

_____ to _____ when an _____ not detected?

_____ computer _____ external storage

Can _____ tell me _____ to _____ if _____ on a computer?

_____ a computer does not recognize _____ storage?

Is _____ a _____ remove unrecognized _____ storage _____ a _____?

Is _____ possible _____ fix _____ if the _____ can't _____ the storage _____?

The _____ external storage.

What _____ to do if _____ computer _____ recognize the _____?

What can one _____ their _____ a _____ device?

Ways to _____ PC's _____ recognize an _____?

How to _____ a _____ isn't _____ external storage _____?

_____ it _____ to solve _____ the computer isn't _____ to figure _____ what external _____ is _____?

_____ computer does not recognize an external storage _____?

Is it possible to _____ if the _____ unable _____ figure _____ external storage _____ is?

If _____ external _____ device _____ not recognized _____ can the _____?

The _____ do some _____ if _____ external _____ not recognized.

Is there a _____ to _____ a _____ has _____ storage?

_____ do _____ the computer does not _____ storage.

_____ it possible _____ solve _____ if the computer _____ recognize _____ Storage device?

_____ we do _____ isn't detected?

_____ the _____ about _____ outside storage devices, _____ can be _____?

The computer could _____.

_____ options _____ unacknowledged external storages _____.

When a computer is _____ recognize _____ storage _____ what _____ do?

_____ problem be _____ if the _____ isn't _____ to _____ storage device?

_____ to fix a computer _____ recognizing _____?

What _____ a PC ignores _____ storage?

_____ is _____ familiar with _____ outside storage device, _____ can be _____?

_____ do you do if _____ computer _____ external _____?

_____ fix a computer that _____ external _____ devices

When my _____ can't _____ drive, what _____ I _____?

_____ it _____ solve the problem if the _____ seen _____ storage _____?

_____ if _____ device is not recognized by the _____?

_____ when _____ doesn't recognize a _____ drive?

_____ can you do _____ computer _____ recognize external storage?

Is _____ possible to resolve _____ if _____ computer _____ the external _____?

Is it _____ to _____ the problem if _____ find the _____ device?

_____ it possible to solve the problem _____ computer _____ figure _____ external _____ device _____?

_____ will not _____ external _____ what?

_____ possible _____ resolve the problem if _____ not _____ the external storage _____?

_____ when a PC ignores _____?

_____ don't know what _____ my _____ doesn't _____ an external _____.

_____ I do if my computer _____ detect _____ storage _____?

_____ it _____ to _____ the _____ if _____ computer doesn't _____ the storage _____?

What if the _____ storage device _____ by _____?

_____ my computer can't recognize an _____ storage _____ a _____?

_____ there _____ option for _____ external _____ on _____?

_____ can _____ do if an _____ is unrecognized?

Is it _____ to fix _____ problem _____ isn't able to _____ device?

_____ I need _____ solution _____ my _____ recognize an _____ device?

_____ external storage device is _____ the _____ what _____ computer do?

How _____ does not recognize _____ drive?

_____ failure in _____ external disks?

Is it _____ to find _____ device is _____ the _____ isn't able to _____ it _____?

_____ can I _____ if my _____ doesn't _____ the _____?

If the _____ detect _____ can it do?

____ with ____ external storages ____ ____?
 ____ can the computer do if ____ doesn't ____ it?
 What can ____ done ____ recognize the external storage ____?
 ____ it ____ to solve the problem ____ isn't ____ an ____ storage ____?
 My computer ____ not ____ drive.
 There ____ a ____ computer fails to ____ storage device.
 What ____ the ____ if ____ recognize a ____?
 My computer ____ external ____ what?
 ____ can you ____ a ____ that ____ extra ____?
 Is there a ____ to ____ the ____ the computer ____ not ____ to recognize ____ external ____?
 ____ the computer ____ an external ____ be the problem?
 The ____ doesn't ____ storage.
 Is ____ possible to ____ problem if the computer ____ external ____ it ____?
 If my ____ detect an external storage device, ____?
 Is it possible ____ the problem ____ the ____ can't differentiate ____ external ____ and ____ computer?
 ____ my computer fails to detect ____ storage ____ how would ____?
 ____ to ____ the PC ignores the ____?
 ____ if my computer doesn't ____?
 ____ a problem ____ my ____ not ____ external storage device.
 What ____ do ____ a ____ find ____ storage?
 ____ a computer can't recognize ____ are the ____?
 Is there a ____ recognizing ____ drive?
 ____ the issue of my computer ____ an ____ device?
 If a ____ doesn't ____ what can ____ done?
 ____ not ____ external storage.
 A computer ____ external ____.
 ____ doesn't recognize external ____ what do you ____?
 ____ can the ____ do when an ____ storage ____ not ____?
 ____ my ____ fails to recognize ____ device?
 ____ possible ____ the ____ the computer can't ____ the ____ storage device.
 ____ we do ____ the computer doesn't ____ external ____?
 ____ when comp won't ____ external drive?
 ____ can you do if ____ computer ____ external ____?
 ____ something be ____ if the ____ recognize the external ____?
 ____ the ____ know ____ outside storage device, ____ be done
 ____ be solved ____ isn't ____ to figure out what external ____ device it ____?
 How ____ I ____ computer if ____ to detect an ____ device?
 How ____ it be fixed ____ ignores more ____?
 ____ the ____ doesn't recognize external ____ are ____ to do?
 ____ doesn't ____ an external storage ____
 ____ when the PC ignores extra storage?
 If the ____ isn't ____ the ____ storage ____ is it ____ to ____ issue?
 ____ you deal ____ unacknowledged external storages ____?
 What ____ the ____ detect external storage?
 ____ should you ____ if ____ computer can't recognize ____?
 ____ can ____ the computer ____ recognize the ____?
 ____ should you do when ____ computer doesn't ____?
 ____ do if the ____ wont recognize ____ storage?
 ____ that ____ recognize ____ external storage device?
 What can you do ____ can't ____ external ____?

____ the ____ does not know ____ an ____ can be done?
 ____ should ____ do ____ their ____ cannot recognize an ____ device?
 Is it possible to ____ if ____ find ____ external ____ device?
 ____ it possible ____ solve the problem ____ the ____ can't ____ out ____ there.
 What ____ if the computer ____ an ____ storage device?
 ____ possible to fix the ____ if ____ doesn't know about ____ storage ____?
 When my ____ does ____ recognize ____ what ____ the options?
 ____ be unrecognized ____ a computer.
 ____ can be ____ a ____ recognize ____ external storage device?
 ____ is ____ computer able to ____ if ____ external ____ is ____?
 ____ recognize external storage, what ____ you do
 If my ____ doesn't ____ external ____ do ____ fix it?
 What happens ____ my computer ____ the ____?
 ____ can be done ____ storage device ____ recognized ____ computer?
 A ____ not recognizing ____ device.
 ____ the computer ____ able to ____ external storage device, ____ to ____ the ____?
 ____ do I ____ comp ____ recognize an ____ drive?
 There ____ if the computer ____ an ____ storage device.
 ____ your ____ isn't ____ recognize an external storage device, what ____?
 Is ____ a ____ if ____ misses ____ storage device?
 ____ an external storage ____ computer, ____ can be done?
 What ____ computer do ____ external ____ device ____ recognised?
 ____ can ____ computer do if the ____ storage ____?
 What ____ if a computer does not ____ device?
 ____ the options ____ computer can't ____ the drive?
 ____ possible ____ solve ____ issue if ____ is not trained to recognize ____ storage ____?
 ____ should I ____ when ____ computer ____ not ____ the external ____?
 How ____ when ____ recognize ____ drive?
 ____ options if the ____ drive?
 ____ suggest steps to ____ when encountered ____ external storage ____ the ____?
 ____ it possible to solve the ____ if ____ doesn't ____ storage ____?
 ____ the ____ what are you going to do?
 What can ____ computer ____ external storage ____ is not ____?
 ____ when comp ____ external drive
 ____ a computer ____ external storage, what should ____?
 ____ it ____ fix ____ problem if the computer ____ find ____ external ____?
 If ____ doesn't ____ the external storage device, ____ to solve ____?
 ____ can ____ if the computer can't recognize ____?
 What ____ one do if ____ can't ____ device?
 ____ computer ____ do ____ if the ____ is not recognized.
 There ____ to ____ the ____ of ____ to recognize ____ disks.
 There is ____ does ____ the ____ storage device.
 ____ resolve the PC's ____ recognizing ____ disks?
 If ____ computer ____ external ____ device, ____ can be done?
 ____ the ____ device isn't ____ by ____ computer ____ can be ____?
 What can be ____ recognize external storage ____?
 Is there a way to resolve ____ recognizing ____?
 ____ do you fix ____ recognize external ____?
 ____ faced ____ unrecognized external ____ on ____ can you suggest ____?
 ____ my ____ fails ____ detect ____ external storage ____ how am I ____ it?

_____ detect external _____ now what?

When _____ does not recognize _____ options _____ I have?

_____ to _____ failure of _____ to recognize external disks.

Fix _____ not _____ external storage _____.

A computer _____ recognize an _____?

_____ are _____ the computer can't recognize _____

How to _____ computer _____ doesn't recognize _____.

What should _____ their computer _____ recognize a _____ device?

Is _____ possible _____ to fail to recognize _____ device?

Can _____ me how _____ of unrecognized external storage _____ a _____?

_____ it possible to suggest _____ your _____ has unrecognized external _____?

_____ are the _____ if _____ computer _____ my _____ drive?

What _____ with _____ storage not _____?

_____ can't _____ the external _____ device, what _____ one do?

_____ do _____ have _____ can't recognize the drive?

If _____ computer _____ a storage _____ is _____ possible _____ solve the _____?

_____ can _____ my computer does not recognize _____ drive?

_____ PC solve its _____ external disks?

_____ there _____ solution _____ my computer _____ an external _____ device?

Is _____ you can _____ care of unrecognized _____ storage?

If the _____ isn't _____ to recognise the _____ it _____ solve the _____?

Options for the _____ on _____?

_____ to resolve _____ failure _____ PC to recognize _____ disk?

Fix _____ if _____ not _____ external _____.

_____ computer can not _____ the _____ what _____ there?

How to _____ ignores extra _____?

Is it _____ to suggest _____ to take _____ there _____ storage _____ a _____?

How do _____ computer _____ additional storage?

_____ computer _____ external _____ device _____ what can be done?

_____ doesn't _____ storage, what can you do?

It _____ possible to fix the _____ if _____ not _____ an _____ device.

What can _____ do _____ doesn't _____ storage?

How can we _____ computer that _____ a _____?

_____ is unable _____ external storage

When the PC _____ storage, _____ can _____ fixed?

What do _____ do when the _____ not _____?

What _____ be done if the computer _____ storage _____?

_____ possible to solve the problem _____ figure _____ device out?

_____ detect external _____ what should be done?

_____ the _____ storage device _____ not recognized then _____ computer _____?

_____ it _____ to _____ the problem _____ is _____ to locate _____ storage device?

_____ my computer can't recognize an _____ device is _____?

What _____ computer _____ if _____ can't recognize _____ drive?

_____ computer _____ been able _____ identify _____.

What _____ do if _____ computer _____ not recognise _____?

_____ you do when _____ storage is _____?

There is _____ identify external storage

Is it _____ to _____ the problem _____ the computer is _____ able _____ differentiate _____ devices?

_____ happens when _____ doesn't know _____ outside storage _____?

_____ don't _____ external storage, _____ can you do?

If _____ doesn't _____ an _____ storage device, _____ is _____ solution?
 _____ are _____ the computer can't recognize _____ drive?
 Is _____ problem if the computer isn't trained _____ recognize _____ external _____?
 When the computer _____ know _____ the _____ what _____ be done?
 _____ a computer can't _____?
 _____ computer fails to recognize _____ device, _____ is _____ solution?
 _____ to fix a computer _____ an _____ storage _____?
 Is _____ to _____ the _____ the computer isn't _____ storage device?
 If _____ computer is not aware _____ device, what _____ be _____?
 Which _____ are _____ if the _____ can't _____ drive?
 Are _____ steps _____ can _____ when _____ see unrecognized _____ on a _____?
 _____ recognize an _____ drive
 _____ can't _____ storage _____ what should you do?
 _____ can't recognize _____ external storage _____ should you do?
 Can you _____ me how _____ a _____ not recognizing _____ external _____?
 _____ you _____ to do _____ the computer _____ external storage?
 _____ identify external storage?
 _____ fix _____ the _____ ignoring extra storage?
 _____ an _____ drive _____ registering?
 Is there _____ way _____ fix my computer _____ it _____?
 What should be _____ recognize external _____?
 I don't know _____ to _____ computer not detecting _____.
 What _____ a _____ can't recognize _____?
 _____ can I _____ the _____ of my _____ not finding an _____?
 _____ one _____ their computer is not _____ recognize _____ storage device?
 What can _____ computer _____ if _____ cannot _____ external _____?
 When _____ unrecognized external _____ can _____ suggest _____ to take?
 What should _____ External storage _____ detected?
 _____ if the computer _____ not _____?
 _____ are some _____ the computer can't _____ drive.
 _____ options _____ available _____ the computer can't _____ drive?
 Is it _____ suggest _____ take _____ encounter _____ storage on a computer?
 _____ you do _____ your _____ doesn't recognize an _____ storage _____?
 _____ will _____ the computer doesn't _____ external _____ device?
 What _____ the _____ my computer _____ external drive?
 How _____ a _____ fix _____ it _____ storage?
 Is it _____ to _____ the problem if _____ determine _____ device is?
 _____ not _____ of the storage device, what can _____?
 How to repair a _____ that doesn't _____?
 _____ when the computer is _____ aware _____ the outside _____ device?
 How can _____ PC's failure in _____ external _____?
 _____ can PC's _____ in _____ an _____ disk _____ solved?
 Is it _____ suggest steps _____ with _____ external storage on _____ computer?
 What should you _____ the computer doesn't _____?
 a computer _____ identify _____
 _____ possible _____ fix the problem _____ computer isn't trained to _____ device.
 _____ should one _____ if _____ their external storage device?
 _____ the _____ do when it can't _____ the _____?
 _____ external _____ device isn't recognized, _____ the _____ do.
 A _____ doesn't _____ storage.

How to fix _____ drive

There are _____ unacknowledged computer _____.

_____ there _____ way to _____ steps _____ storage on _____ computer?

_____ the _____ doesn't _____ about the _____ storage device, _____ you _____?

When PC _____ extra _____ should it _____?

If _____ can't figure out _____ the _____ storage device _____ it _____ the problem?

If _____ cannot detect _____ what should it _____?

Is _____ issue _____ computer doesn't see an external _____ device?

_____ computer _____ an external _____ device.

Sometimes _____ know _____ outside storage device.

_____ wouldn't recognize external _____.

_____ fix when _____ recognize external _____?

_____ failure to recognize _____ disks?

_____ my computer _____ external _____ what do I _____?

There _____ a computer _____ external _____.

How _____ you fix _____ computer _____ does not _____?

_____ external storage.

_____ what _____ do _____ my _____ won't detect external storage.

The _____ identify _____ storage?

_____ you find unrecognized external _____ computer, can _____ suggest _____ take?

If the computer _____ external storage, _____ do?

Maybe my _____ won't _____?

_____ an external storage device, _____ do I fix that?

What should _____ when _____ ignores _____?

Is it _____ to _____ the _____ the _____ can't _____ the storage _____?

_____ the _____ recognize the drive, what _____ there?

There _____ ways to resolve _____ in recognizing _____.

When the _____ know about _____ storage _____ what _____ be _____ it?

_____ comp fix _____ recognize external drives?

_____ the computer _____ external _____ devices, what _____ done?

_____ the options _____ can't _____ the external drive?

Can _____ computer _____ problem _____ isn't able to _____ out _____ external _____ it is?

_____ the _____ doesn't _____ external storage _____ can _____ do?

What can the computer do _____ recognized _____ storage _____?

_____ external _____ is not recognised by the computer, what _____?

_____ do I _____ not recognizing an _____ storage _____?

How _____ PC ignores extra _____.

_____ computer is _____ external _____ devices, _____ should you do?

_____ at unrecognized external _____ a _____ can you suggest _____ take?

If the computer _____ recognize _____ what can be _____?

_____ some _____ to _____ in recognizing an external disk.

Can _____ computer solve _____ it isn't _____ external storage _____?

_____ isn't recognized, what can the computer _____?

Is _____ to solve the _____ the _____ not _____ an _____ storage device?

_____ doesn't recognize _____ drive, how do _____ it?

How _____ I _____ the _____ of my _____ not detecting an _____?

The _____ do _____ when _____ know about the outside _____.

_____ your computer _____ external _____?

Is it _____ computer is _____ to figure _____ what storage device you have?

How _____ I _____ comp doesn't recognize _____?

If ____ computer ____ external storage ____ can be done?
 ____ my ____ to recognize ____ external drive, ____ do I ____?
 When ____ computer ____ know ____ the storage ____ can ____ do?
 ____ you can't ____ storage, ____ you do?
 If the computer ____ external storage ____ do?
 Ways to ____ in ____ an ____ disk.
 Is it ____ solve the problem if the ____ out ____ there?
 My computer doesn't recognize ____
 ____ to ____ a computer that can't ____ storage ____?
 ____ their computer ____ to ____ storage devices, ____ should they ____?
 How can PC's ____ external ____ resolved?
 ____ one ____ computer does not ____ an external ____ device?
 ____ the ____ if ____ external storage device ____ not recognized?
 Can you ____ options ____ unacknowledged external ____ computers?
 Can the ____ solve ____ if it's ____ possible ____ external ____ device?
 There ____ the computer ____ an outside ____ is ____ noticed.
 ____ solve the ____ computer isn't able to find ____ external ____ device.
 ____ the ____ if ____ can't recognize the drive?
 What to do ____ External ____?
 If the computer ____ able ____ external storage ____ what ____ be ____?
 Possible fixes for ____ storages ____.
 Is it ____ for a ____ to ____ recognize ____ storage ____?
 If ____ recognize external storage, what can ____?
 ____ find ____ external storage device if the computer ____ unable ____?
 ____ can not ____ external ____.
 How to repair ____ doesn't ____ external ____ devices?
 What does the ____ do if ____ is not ____?
 ____ do if their computer ____ not ____ storage device?
 Can ____ suggest ____ do when ____ encounter ____ external ____ on a ____?
 ____ computer isn't ____ external storage device, ____ the ____ solved?
 ____ computer can't recognize drive, ____ the ____?
 How ____ doesn't recognize ____ drive.
 ____ possible to fix the problem ____ the computer isn't able ____ what ____ device ____?
 If ____ computer isn't trained to ____ external storage ____ the ____?
 What options are there ____ computer ____ the ____?
 ____ fix it ____ my computer does not detect ____ storage ____?
 How do ____ fix ____ PC ignores ____?
 What ____ be ____ when ____ has no idea ____ outside storage ____?
 ____ my computer ____ recognize the external ____ are ____ options ____?
 What ____ I ____ computer does not ____ external ____?
 ____ the computer ____ the ____ device, ____ do you do?
 ____ computer ____ external storage
 What can ____ do ____ detecting an external storage ____?
 ____ computer won't detect ____ storage, ____?
 External ____ is ____ detected ____ do?
 ____ possible to ____ solved ____ the computer doesn't ____ external storage device?
 ____ possible to solve the ____ if the computer can't ____ device ____?
 ____ do anything if the ____ device isn't ____?
 Is there a ____ for ____ ignores extra ____?
 ____ if ____ isn't ____ to figure out what external storage ____ is there?

_____ you fix when _____ not recognize _____ drive?

What options are there _____ the _____ the _____?

_____ was wondering if _____ suggest steps _____ when _____ external storage on _____.

_____ external _____ a _____ can you suggest steps _____ be taken?

If my _____ not recognise _____ external _____ device, _____ a _____?

Potential solutions _____ the _____ doesn't _____

The _____ recognise external _____.

_____ do you fix _____ that _____ not recognize an _____?

_____ computer is not seeing _____ storage device, _____ fix the problem?

_____ the computer can't _____.

_____ computer _____ storage, what do _____ do?

_____ be done _____ the computer _____ about the _____ device

The _____ the external storage _____.

_____ a _____ to get a _____ recognize _____ external storage _____?

_____ external _____ isn't recognized by the computer, what _____ the _____?

_____ to _____ PC _____ ignores extra _____?

It's possible to _____ able to figure out _____ external _____ device it is.

There is an issue of _____ an external _____.

_____ the computer _____ to _____ the _____ storage _____ what can be _____?

Is it possible _____ if the computer _____ unable to _____ external _____?

Is it possible to _____ the _____ isn't able _____ locate _____ external _____?

_____ do you _____ when comp doesn't _____?

If _____ computer isn't _____ to _____ an external _____ what _____ be _____?

_____ steps you can _____ you find unrecognized _____ on a _____?

_____ a way to fix _____ if _____ computer doesn't detect _____?

Is _____ the problem if the computer _____ find _____ external _____?

_____ do if their computer _____ external storage device?

_____ recognize an external disk?

_____ if a _____ can't recognize _____?

_____ resolve the _____ if _____ computer _____ able to figure out what _____ device is?

If the external storage device _____ what _____ it _____?

_____ it possible to _____ issue _____ computer _____ figure _____ what _____ storage _____ is?

Is there a way _____ my _____ if it _____ storage _____?

_____ should _____ computer _____ that it _____ external storage?

_____ external storage _____ can't be recognized _____.

_____ PC's failure in _____ an _____ disk _____ fixed?

_____ to _____ how _____ the issue of _____ PC not _____ an _____ device.

There _____ options _____ computer can't _____ drive.

The _____ can't _____ external _____.

_____ do _____ storage not being _____?

What _____ one do _____ their _____ can't _____ storage device?

If my computer _____ to _____ I fix it?

_____ the computer is _____ find the _____ storage _____ it be _____?

_____ device isn't _____ by the computer, what _____ done?

If _____ computer doesn't see _____ device, can _____ problem?

What _____ their _____ identify an external device?

_____ fix _____ doesn't recognize _____ external _____?

If the external _____ the _____ what can _____ do?

What _____ the options _____ computer _____ recognize a _____?

_____ with PC ignoring extra _____?

____ to resolve ____ failure of ____ an ____ disk?
 How ____ fix a ____ recognize external ____?
 If the computer isn't ____ an ____ is there ____ solve the ____?
 ____ there ____ for ____ PC ____ extra storage?
 ____ can be ____ a computer ____ recognize a ____?
 ____ ignores external storage, ____ you do?
 ____ the ____ about ____ outside storage ____ can be done?
 How ____ you ____ the ____ recognizing ____ drive?
 What ____ I ____ if my computer ____ an ____ storage ____?
 How ____ when ____ can't ____ an ____?
 If the ____ detect ____ do you do?
 What options ____ if ____ can't recognize ____?
 ____ options if the computer doesn't ____ the ____?
 Ways to ____ external disks.
 What can ____ computer does not recognize ____ storage ____?
 ____ computer does ____ storage.
 When the ____ knowledge ____ outside storage ____ can ____ done?
 ____ can you ____ if the ____ can ____ recognize ____?
 When ____ computer can't identify an ____ should ____ do?
 ____ can ____ doesn't recognize the External storage device?
 What ____ does not recognize the drive?
 If the ____ is ____ able ____ figure out ____ the ____ is it possible ____ solve ____?
 ____ it possible to ____ a computer ____ recognizing ____?
 If ____ cannot ____ external ____ what ____ they do?
 If the ____ not detect external ____ should ____?
 ____ one ____ to recognize an external storage ____ do?
 What options are ____ the ____ can't ____ drive?
 The ____ recognize ____ external storage ____.
 If the computer isn't trained ____ external storage ____ it ____ fix ____?
 ____ there ____ to get rid ____ unrecognized external ____ a ____?
 The ____ storage ____ so ____ can the computer ____?
 What ____ be ____ PC ____ storage.
 When a computer ____ storage ____ what should ____ do?
 Is it ____ the external storage ____ computer isn't able to?
 ____ doesn't ____ the external drive, what ____ I given?
 What ____ I ____ if my ____ fails to ____ the ____?
 What are the ____ computer doesn't ____ drive?
 ____ can the ____ its failure to ____ an ____?
 Is ____ to help ____ storages on computers?
 The ____ might not ____ seeing ____ device.
 How fix ____ comp ____ recognize ____.
 What can ____ do if ____ computer ____ recognize ____ storage ____?
 How ____ a computer that won't ____ device.
 Is it possible to ____ computer isn't trained ____ external ____ devices?
 ____ may not ____ external storage ____.
 ____ the options if the computer can't ____?
 ____ problem ____ a computer ____ recognizing ____ external ____ device.
 ____ recognize an ____ storage device.
 ____ it ____ the ____ if ____ doesn't recognize the external ____ device?
 ____ a ____ can't detect external ____ to ____?

A _____ an _____ storage device.

What _____ the computer doesn't recognize _____ storage?

What can I do _____ get _____ to _____ drive?

_____ it _____ to fix the _____ able _____ locate the external storage _____?

_____ computer _____ detect an _____ what can I do?

_____ be _____ the computer isn't seeing _____ storage _____?

_____ it _____ solve the problem _____ isn't _____ to _____ the storage device?

_____ the problem _____ if _____ computer _____ external storage device?

If the computer _____ an external _____ device, _____ be _____?

_____ done if an _____ device is _____ the computer?

_____ do _____ a _____ that doesn't recognize _____ drive?

_____ options would be available if _____ computer _____?

_____ to _____ the computer does not _____ external _____?

How can I _____ my _____ it can't _____?

If _____ does _____ recognize an external _____ device, _____ a _____ fix it?

If the computer _____ storage _____ to do?

What _____ an _____ storage isn't _____.

What _____ one do if _____ computer _____ an _____ device?

_____ can I do _____ my _____ not detecting _____ storage devices?

Is it possible to _____ the _____ isn't _____ what the external storage device _____?

Is it possible _____ fix _____ problem if _____ computer _____ storage _____?

_____ computer is not seeing _____ storage device, is _____ possible _____ resolve _____?

_____ it possible to _____ the problem _____ doesn't _____ external _____ device is?

Is _____ to solve _____ problem if _____ to _____ the external _____ device?

_____ do if _____ is _____ detection _____ external storage?

What can _____ computer do _____ isn't _____ the outside _____?

How _____ I _____ issue of my PC _____ detecting _____?

There are _____ issues if _____ outside _____ noticed.

It's possible to fix the problem _____ computer _____ to _____ what _____ device is.

If the _____ isn't able _____ between _____ storage _____ and the _____ it _____ solve the problem?

How can I fix my _____ detecting _____?

_____ computer _____ external storage _____ to do?

_____ can you tell _____ computer has unrecognized _____?

_____ storage can be _____ on _____

_____ isn't sure _____ the outside _____ device, what can _____?

If the computer can't recognize _____ you _____?

How _____ fix when _____ does not _____ external _____?

The _____ didn't _____ external _____.

If my computer does _____ detect _____ do I fix _____?

_____ fix my computer if it doesn't detect _____?

Can the _____ if the _____ isn't _____ external storage _____.

What should _____ it can't _____ external storage device?

The _____ may _____ the _____.

_____ should a computer do if _____ external _____?

_____ outside storage device, what can be done?

_____ external _____ on computers?

_____ are computer issues when _____ outside _____ noticed.

Something _____ be done if _____ recognize external _____.

_____ the _____ if _____ recognize the external storage device?

_____ does not _____ external storage _____ is there _____ solution?

How _____ unacknowledged external storages _____?

_____ it possible to _____ the _____ computer _____ trained to _____ an _____ device?

When _____ computer _____ not _____ about _____ device, _____ can be done?

_____ it _____ the problem _____ the computer can't _____ out the _____ have?

Is it possible _____ the problem _____ cannot figure _____ what _____ is _____?

_____ computer cannot detect an _____ storage _____ how do _____?

_____ computer doesn't recognize my _____ what _____ the _____?

If the computer _____ external storage _____ can _____?

_____ possible to solve the _____ the _____ displaying an _____ device?

_____ possible to solve _____ problem if the _____ unable _____ locate _____ storage _____?

If _____ computer doesn't _____ external storage, _____ we _____?

Is _____ possible to _____ the _____ the _____ locate the _____ storage _____?

_____ to fix _____ external _____ on computers.

Should _____ solved _____ computer _____ an external storage device?

If _____ isn't able to figure _____ storage device _____ isn't possible _____ solve _____ problem.

Possible options _____ unacknowledged _____ on _____?

_____ do if _____ external storage _____ isn't recognized?

_____ are _____ solutions _____ the PC _____ recognize _____ memory units.

_____ there _____ you can _____ when _____ external storage on a _____?

What _____ I _____ to fix _____ PC _____ storage device?

_____ computer is _____ an external storage device, _____ one do?

If the computer doesn't _____ external _____ what can _____?

Can the problem _____ the _____ able to _____ the external _____ device?

Is _____ unacknowledged external storages on _____?

When my _____ the _____ drive, _____ options do _____?

Can I fix _____ issue _____ my PC _____ storage _____?

Is it _____ to _____ problem _____ the computer doesn't _____ it has.

_____ the _____ do if _____ is not recognized _____ the computer?

The _____ is not _____ device.

What _____ we _____ when _____ storage _____?

_____ the _____ storage _____ recognized, _____ should the _____ do?

what can be _____ recognize the external _____ device?

_____ can _____ PC _____ its failure _____ recognizing external _____?

_____ PC's _____ in recognizing _____ be fixed?

_____ should _____ do _____ is _____ to _____ a storage device?

The computer _____ identify _____

_____ do if _____ storage _____ detected?

Can _____ to _____ if you find _____ external storage _____ a _____?

Can _____ give _____ steps to _____ when _____ unrecognized _____ on _____ computer?

_____ it _____ the _____ if the _____ can't _____ out what External _____ it is?

_____ resolve the failure _____ recognizing _____ external _____?

_____ it possible to _____ the issue if _____ computer _____ seeing _____?

_____ you fix _____ that doesn't _____ drive?

_____ detect _____ drive?

_____ is _____ computer _____ recognize an external storage device.

_____ my _____ not recognize _____ storage device, _____ can _____ do?

_____ comp doesn't recognize _____ drive.

_____ could _____ if my _____ doesn't recognize _____ drive?

_____ issue _____ solved _____ the computer isn't seeing _____ storage _____?

Is _____ possible _____ this problem _____ computer _____ see _____ external _____ device?

_____ it possible _____ the problem _____ isn't seeing an _____ storage _____?

What to _____ external _____ wasn't _____?

What should _____ if their computer _____ recognize _____?

_____ the _____ solve _____ problem if it _____ out _____ the external _____ is?

How can _____ fix when _____ external _____?

_____ are options _____ with unacknowledged _____.

_____ do if the _____ doesn't _____ external storage?

_____ are _____ resolve PC's _____ to _____ external disks.

If a computer does _____ recognize _____ be done?

_____ encountered _____ external _____ on _____ computer _____ you suggest _____ take?

_____ computer _____ not _____ storage.

Is _____ possible _____ the computer _____ know _____ external storage device it _____?

_____ to _____ the problem _____ the computer _____ seeing an _____ device.

_____ a solution _____ my _____ recognize an external storage _____?

Is it possible _____ the problem if the _____ trained _____ external storage _____?

What are _____ if the _____ to recognize _____ drive?

_____ computer _____ to _____ an _____ storage device, will there _____ solution?

_____ it _____ to _____ the _____ if _____ can't recognize _____ external _____ device?

A _____ identify _____ storage

_____ to _____ external _____ was _____ detected?

Is _____ the problem _____ the _____ can't figure out what external _____ it _____?

How can _____ a machine _____ doesn't _____ the _____?

_____ the _____ recognize external _____?

What _____ done _____ the storage device is _____ the _____?

The computer is _____ storage

_____ it feasible to solve _____ if _____ computer isn't _____ recognize _____ storage _____?

_____ a recognized external storage _____ what _____ be _____?

Can _____ computer do _____ external storage _____ recognized?

If my _____ external drive, _____ I do?

_____ are options for _____ external _____?

How to _____ a _____ external storage

_____ your _____ can't _____ an external _____ device, what _____ do?

_____ to _____ computer that does not _____ a _____?

Can _____ be _____ doesn't see an _____ storage device?

What _____ do if _____ cannot detect _____ storage?

What should _____ if the computer _____ storage?

What options _____ have _____ my _____ does _____ recognize _____ drive?

_____ to fix _____ computer _____ extra _____?

How _____ that won't recognize _____ storage device?

How do _____ computer _____ external _____?

_____ you see _____ external storage _____ you _____ steps to take?

_____ computer _____ recognize external _____.

If _____ by a computer, what _____ be done?

_____ my _____ an _____ storage device, is there _____ way to _____?

How to fix _____ computer _____ a _____

Initially seen, _____ now _____ detect _____

_____ it possible to solve _____ problem _____ computer _____ locate _____ storage device?

_____ problem be solved _____ isn't _____ to _____ the _____ storage device.

_____ isn't trained to recognize _____ storage device, _____ it possible _____ solve _____?

_____ to solve _____ problem if _____ computer doesn't know _____ the _____ device?

It _____ to solve the _____ the computer is not _____ storage _____.

How do you _____ a _____ won't _____ theusb _____?

Is _____ the problem _____ the computer isn't seeing _____ storage _____.

What if computer _____?

_____ computer _____ if it cannot detect _____ storage?

_____ an _____ storage device isn't _____ what can _____?

_____ computer doesn't _____ external _____ device.

When the computer _____ recognize _____ storage _____ can _____?

_____ won't recognize _____ drive.

So if _____ computer _____ external storage, _____ can _____?

_____ do if the _____ doesn't recognize _____ storage device?

What _____ the _____ if _____ doesn't detect _____ storage?

_____ doesn't recognize _____ drive?

If _____ external _____ device _____ not _____ what _____ can do?

_____ when the _____ recognize the _____ drive?

_____ the _____ storage _____ by the computer, _____ do _____ do?

_____ fix when _____ doesn't _____ an external drive?

It _____ detect external storage, _____?

_____ can _____ do if _____ doesn't _____ outside storage?

the _____ wouldn't identify _____

What _____ if _____ computer can't recognize _____ external storage _____?

_____ you do if _____ storage _____ detected?

_____ my computer _____ to _____ external storage _____ how should _____ fix _____?

What _____ be done _____ the _____ doesn't recognize the _____?

How _____ when _____ extra storage?

_____ fix when _____ additional storage?

When _____ recognize my external drive, _____ I _____?

Is _____ the _____ if _____ computer isn't _____ to _____ external storage device.

If _____ can't _____ external storage, _____ done?

_____ can _____ computer do if an _____ device _____ recognised?

_____ able _____ identify external storage.

_____ can _____ computer _____ if the external _____ is _____ acknowledged?

If _____ computer doesn't _____ storage, what _____ do?

Computer _____ to _____ external _____?

If _____ doesn't _____ flash _____ what are _____?

_____ have unrecognized external _____.

Is there _____ way to fix my _____ inability _____?

_____ are _____ with the computer _____ outside _____ goes _____.

_____ does _____ outside storage device, what can we do?

Is it possible _____ problem _____ computer _____ able to _____ between the external _____ the computer?

When _____ recognize external drive, _____ we fix _____?

The external _____ device _____ not recognised _____.

If the _____ detect _____ storage, what should we _____?

Is it _____ solve the _____ if _____ isn't _____ storage?

My _____ doesn't _____ the _____ what can I _____?

_____ options _____ there _____ unacknowledged _____ storages on _____?

External storage _____ can be _____.

_____ external drive, how to fix it?

_____ can be done when the computer _____ about _____?

_____ do you _____ the _____ more storage?

If the external storage device _____ what _____ computer _____ to _____?

Comp _____ external drive, how _____?

What are my _____ my _____ recognize the _____ drive?

What _____ do when their computer _____ recognize _____?

_____ are _____ regarding _____ storages on _____.

_____ external storage _____ is unrecognized what _____ computer _____?

_____ don't _____ what to do _____ PC _____ detecting _____ external _____ device.

The computer may _____ the _____ storage device.

_____ a possibility _____ computer doesn't recognize external _____.

_____ fix _____ PC _____ extra storage?

_____ to _____ the _____ the _____ doesn't know _____ the external storage device _____.

The computer _____ the outside storage _____ and _____ can _____?

_____ computer _____ not _____ the outside _____ device.

_____ to _____ computer _____ does not recognize _____ external storage _____?

_____ the computer _____ external storage _____ can it _____ solved?

_____ it _____ solve the _____ a computer _____ see an external _____?

_____ happens if _____ storage _____ isn't _____?

It is possible to _____ the _____ the _____ an external _____.

A _____ is _____ able _____ external _____

If _____ computer isn't _____ it solve the problem?

What _____ the _____ outside _____ device is not recognized?

_____ my _____ detect an external storage device, _____ do?

_____ problem could _____ if _____ computer _____ the external storage _____.

Do _____ on how to remove _____ storage on a _____?

_____ I _____ if my _____ doesn't recognize the _____ drive?

Is it possible to fix _____ an _____ storage device?

_____ to _____ when External _____ detected?

_____ be done _____ computer ignores _____ external storage _____?

What should be _____ the computer _____ know about _____ storage _____?

What can _____ when _____ the outside storage _____?

If the external _____ what does _____ computer do?

The external _____ isn't seen _____.

_____ are my options if my computer _____?

What to do if _____ external _____.

How _____ comp ignores external _____?

_____ options _____ I _____ doesn't recognize the drive?

_____ be _____ if _____ is not detected?

_____ it possible to _____ doesn't understand the _____ storage device?

_____ to _____ if _____ isn't detected?

_____ it _____ to solve the _____ if the _____ the external _____?

_____ should I _____ my computer won't detect _____?

It's _____ to solve the _____ if _____ computer _____ unable to find _____.

What _____ computer do if it _____ storage?

_____ you tell me _____ fix unrecognized _____ on a _____?

_____ can the _____ do _____ external storage _____ is not _____?

_____ the computer _____ recognize the external _____ be done?

_____ options _____ my computer does _____ recognize the external _____?

_____ my computer fails to _____ an _____ do you _____ a _____?

Can the _____ computer isn't able to find the _____?

Computer _____ identify _____

How can ____ fix a ____ won't ____ drive?

Can ____ tell me how to ____ computer ____ the ____?

If the ____ detect external ____ what ____ you ____ to ____?

____ to ____ when ____ doesn't ____ an ____ drive

____ computer ____ when an ____ drive goes ____

What if ____ recognize the ____?

Now ____ does ____ detect external storage?

____ comp ____ recognize ____ how ____ you fix it?

____ an external ____?

____ should a person do ____ recognize an external ____?

Can the ____ do ____ external ____ device is ____?

____ the computer can't detect ____ can ____ do?

____ there ____ to resolve the issue ____ my PC ____ external storage ____?

____ to find ____ external ____ device ____ the computer cannot?

When ____ recognize ____ storage device, what ____ one do?

____ comp ____ recognize ____ drive, how to fix ____?

If ____ computer ____ find ____ storage ____ it solve ____ problem?

____ computer cannot recognize the ____ are ____ options?

____ the computer doesn't recognize ____ storage, ____ you ____?

How do ____ find ____ if ____ to ____ external storage device?

Is there ____ to ____ a ____ a drive?

____ options if the computer can't read ____?

Is ____ a ____ to take ____ there is ____ storage ____ computer?

When ____ computer don't ____ the ____ storage ____ can ____ done?

How to correct ____ doesn't ____ external storage ____?

____ is ____ if ____ doesn't ____ an external storage device.

____ doesn't recognize ____ storage device.

What should you ____ if ____ does ____ storage?

There are ____ external ____ computer.

____ should ____ do when ____ computer doesn't ____ device?

____ the ____ can't recognize ____ storage device, ____ should ____ do?

What to ____ computer ____ detect external ____?

____ do ____ ignores extra storage?

____ my ____ doesn't recognize the external drive, what ____?

____ do I ____ when ____ computer doesn't ____ external ____ device?

Can ____ computer ____ a problem if ____ isn't ____ an ____?

____ computer won't recognize an ____ storage device, ____ should ____?

There ____ the PC's ____ to ____ an external disk.

If the ____ cannot ____ external ____ can ____ done?

How should I ____ computer ____ the ____ storage device?

If ____ computer isn't seeing an ____ storage ____ it ____ fix ____?

____ my ____ fails ____ an external storage device, ____ fix it?

Do ____ how to fix ____ computer ____ doesn't ____ drive?

____ should one ____ their computer ____ external storage device?

If ____ can't ____ drive, what options ____?

There ____ if ____ computer ____ see the ____.

____ find ____ storage, what to do?

____ computer might be ____ external ____.

____ it possible ____ solve ____ the computer cannot ____ external ____ device?

What ____ do if their computer ____ unable ____ storage ____?

external storage not recognized?

The figure what storage it is.

Can you suggestions how remove from a computer?

my detect an device, I fix it?

There ways fix failure an disk.

the computer doesn't you can do?

What options the cannot a drive?

there a steps when you see storage a ?

Is to the problem the computer recognize external ?

What the computer if cannot recognize ?

be the storage isn't by the computer.

What can computer if the device not by ?

to recognize external storage it solve the problem?

it possible solve the cannot external storage device?

a be fixed not recognizing an ?

What when the storage device recognized?

it the computer doesn't storage?

What can do if recognize external

What the external is recognised by computer?

computer an external storage device, to solve the .

the computer seeing external storage device, possible solve ?

computer will storage.

suggest take you discover unrecognized external storage computer?

What one if recognizing an external device?

can do the recognize external storage?

A unrecognized storage a .

can computer do external storage being recognized?

Can suggest a way to of external computer?

The identify external .

What your computer can't external ?

what? My computer detect .

can the computer if the Storage is ?

What should I computer doesn't external ?

you do if computer recognise storage?

What do my fails detect a device?

can you the computer recognize storage?

I the computer doesn't recognize the ?

my computer the external drive, what ?

What to do computer is able external ?

There's unrecognized external storage on can to ?

to do you detect ?

Is to fix the problem computer can't external ?

you computer refuses to recognize storage?

a recognize the drive?

A computer storage.

can do if external storage device not ?

There a problem my not an external .

isn't to the external device is it possible the ?

How fix recognize external ?

Is to solve problem if computer can't between external storage computer?

_____ can _____ issue _____ my PC not detecting an _____ device?

Is _____ fix _____ problem if _____ computer _____ the external storage _____?

_____ know about _____ outside storage _____ can be done?

The _____ wouldn't _____ storage

Is _____ find _____ external storage device if _____ computer _____?

In _____ computer fails _____ recognize _____ external _____ device, is _____ a _____?

Is _____ solve the problem _____ the computer can't distinguish between _____ device _____ computer?

What if _____ storage _____ is unrecognized _____ the _____?

External storage _____ a _____ be _____.

If _____ computer _____ trained _____ recognize _____ device, how can it _____ problem?

_____ not _____ to _____ my _____ detect external storage.

_____ options _____ the computer _____ recognize _____ drive.

_____ computer can't _____ what options _____ you have?

The PC _____ not detect _____.

_____ my _____ fails to _____ an external _____ device how _____ it?

A _____ identifying _____ storage.

_____ possible to solve _____ problem if _____ is unable to _____ out _____ device _____ have?

_____ devices not _____ detected _____ the _____.

_____ are things that _____ be _____ the _____ know about _____ outside _____ device.

What _____ one _____ their _____ can't recognize external _____?

_____ possible _____ solve the _____ computer can't _____ out _____ your storage _____ is?

_____ computer do _____ external storage _____ is not recognised?
