

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle specifications and features
Inquiry Sub-Category	Engine specifications
Description	Customers inquire about the type of engine, horsepower, fuel efficiency, and other technical details related to the powertrain of the vehicle.
Data Size	8,627 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Can ____ get more ____ about how different ____ both performance ____ ?
____ different drive ____ impact performance ____ ?
Can ____ give ____ info on how ____ performance?
Is ____ a ____ understand how ____ fuel efficiency and ____ capabilities?
____ you ____ drive ____ affect power and ____ gauge?
____ I can tell you ____ the effects ____ drive modes ____ efficiency ____ performance?
I ____ about ____ influence of ____ drive modes ____ both fuel economy ____ .
____ would like ____ know ____ about how ____ different drive ____ car ____ and ____ .
Can ____ information ____ how drive modes ____ performance and ____ ?
____ you ____ various ____ modes impact performance?
____ wondered ____ I ____ more about ____ in which ____ configurations ____ per gallon.
____ want ____ know ____ various drive ____ affect both ____ and ____ .
____ does ____ impact of ____ modes ____ power ____ look like?
____ you clarify how the ____ drive ____ and ____ ?
____ would like ____ know ____ drive ____ impact performance ____ fuel ____ .
____ I be provided ____ different ____ modes affect performance?
____ the impact of ____ mode ____ fuel efficiency?
Is it ____ explain ____ more ____ how ____ mode ____ and mileage?
____ more ____ information about ____ influence ____ drive modes on performance ____ economy?
I need ____ clearer ____ of ____ various driving ____ mileage and ____ dynamics.
____ impact of ____ modes on performance ____ mileage?
Is ____ any further ____ on ____ performance and mileage?
____ possible to get ____ information on how ____ affect ____ capabilities and ____ ?
____ would like ____ about ____ various drive modes affect mpg ____ performance.
Is ____ more information ____ of ____ on fuel economy ____ performance?
Is there more ____ you ____ give ____ how ____ modes ____ and gas ____ ?
____ are ____ affecting performance ____ mileage?
Is there more ____ drive modes ____ performance and ____ ?
Can you ____ me a ____ of how different ____ affect ____ mileage ____ dynamics?

_____ you _____ the various _____ modes affect _____ and _____?

_____ interested in _____ of drive _____ on vehicle _____ gas mileage.

_____ tell us more _____ changing driving configurations _____ output capabilities _____ miles per _____ rates?

Is _____ possible to _____ drive settings affect _____ capabilities and _____?

_____ would _____ to _____ more _____ modes impact performance and MPG.

_____ give more information _____ drive _____ affect performance and _____ economy?

Can you tell _____ driving _____ affect _____?

_____ wondered _____ I _____ learn _____ about the way _____ which _____ configurations affect miles per _____.

I would _____ to _____ more _____ influence of _____ on _____ and fuel _____.

What are _____ differences _____ that _____ power _____ and mileage _____?

How _____ settings _____ speed _____ mileage?

How _____ MPG ratings change when _____ use _____ drive _____?

_____ you _____ us more insight _____ how different _____ configurations affect both _____ and miles-per-gallon _____?

_____ there _____ you could tell _____ about _____ changing _____ configurations _____ both _____ and miles _____ gallon consumption rates?

Can _____ me _____ modes affect _____?

How do the various _____ both _____ mileage?

Can _____ give us _____ information on _____ different _____ affect _____ fuel _____?

_____ I _____ given _____ how different _____ modes affect _____ and ratings?

Is it _____ get _____ on _____ drive settings _____ and driving capabilities?

I _____ know how the _____ in _____ drivetrain configurations _____ miles per _____.

_____ details about _____ effects drive _____ has _____ and _____.

Do _____ have any _____ the _____ of _____ on mileage _____ power?

_____ was _____ if _____ could tell _____ more _____ drive modes _____ performance _____ mileage.

_____ do _____ modes _____ performance _____ ratings?

_____ tell _____ how _____ various _____ affect performance and fuel efficiency _____?

Do _____ how _____ driving modes _____ power and gas _____?

Can you tell _____ drive modes _____ the _____ or _____?

Can _____ me how choosing _____ modes affects _____ speed _____ economy?

_____ it _____ to _____ drive _____ the overall _____ of a vehicle _____ well as _____ fuel economy?

Would _____ be possible _____ how _____ drive mode _____ a _____ performance _____ fuel _____?

_____ it _____ possible to elaborate _____ each _____ overall _____ of a vehicle?

_____ drive _____ speed and mileage.

Can you give me details _____ modes _____?

_____ is the impact _____ drive _____ on performance _____?

_____ more info on _____ drive _____ performance _____ fuel efficiency.

Did you know _____ the _____ drive _____ fuel efficiency?

_____ there any _____ about the effects _____ different drive _____?

_____ want _____ know _____ about how different driving modes _____.

_____ would _____ know more _____ how various _____ mileage _____ overall vehicle performance.

_____ I _____ given _____ information about _____ of _____ modes _____ and fuel economy?

What _____ to _____ I _____ different drive modes?

_____ how various drive modes affect _____ efficiency and performance?

How _____ the _____ drive modes impacted _____ ratings?

I wanted _____ find _____ drivetrain _____ affect both _____ per _____ rates.

I would _____ know _____ drive modes affect both the _____ overall vehicle _____.

Is _____ fuel _____ affected _____ different _____ modes?

I _____ more information about _____ different _____ performance _____ fuel _____.

I'd like to know _____ different drive _____ on fuel _____.

_____ does the _____ affect _____ and MPG _____?

_____ us _____ about how _____ modes affect performance?

How the _____ affect _____ and MPG _____?

Is _____ get more _____ how different _____ settings affect _____ driving capabilities?

_____ would like to _____ how TEquipment _____ methods affect automobile _____ and _____.

How _____ those _____ modes affect _____ gas _____?

I _____ curious _____ drive _____ affect performance _____ ratings.

Tell me if _____ either _____ or gas mileage.

_____ distinct _____ affect performance _____ miles _____ ratings is not _____ known.

_____ it _____ how _____ drive modes affect both vehicle _____ and _____?

Do you know the _____ modes on _____ economy?

Can you _____ more _____ about how _____ affect gas _____?

_____ you tell _____ more about _____ ways _____ driving _____ affect engine power _____?

_____ don't know if _____ added insights into how distinct _____ affect _____.

I would _____ to know _____ how different _____ and ratings.

Is it possible to _____ about how different _____ fuel efficiency _____?

Can _____ me how _____ performance and ratings?

_____ know more about _____ drive modes impact both performance _____?

Did you know how _____ different _____ modes affect _____ efficiency?

I _____ if I could _____ the way in which _____ configurations _____ per _____.

_____ you tell us more about _____ different _____ affect car _____ fuel _____?

Is _____ way to understand _____ different drive _____ performance _____ mileage?

Is it possible to _____ further _____ how _____ various drive _____ impact both _____ fuel _____?

I _____ know _____ about _____ influence of different _____ modes _____ economy.

_____ would _____ to _____ effects _____ drive modes _____ and fuel efficiency.

How _____ get _____ modes and how they affect performance?

I _____ to _____ how _____ drive _____ affect mpg _____ and vehicle _____.

_____ want to _____ about _____ influence of _____ overall performance _____ gas mileage.

_____ on _____ driving _____ impact vehicle performance _____ mileage?

Please _____ on _____ the _____ modes _____ performance and fuel efficiency _____.

What are _____ ways _____ different _____ modes _____ mileage?

What _____ each _____ have _____ performance and _____ efficiency?

_____ want _____ know _____ the various drive _____ affect fuel _____.

_____ explain _____ choosing _____ modes affects both speed and _____?

Can you _____ how _____ modes affect _____.

_____ tell us how various _____ affect _____?

Can _____ how choosing _____ modes _____ speed _____ fuel economy?

_____ you know about _____ impact performance and _____ economy?

How _____ drive modes _____ performance and _____?

_____ on the impact _____ on _____ and mileage?

I _____ to _____ how different drive _____ correlate _____ both MPG ratings _____.

Can you give _____ information _____ of different drive _____ economy?

_____ do choosing _____ affect _____ fuel economy?

_____ need more _____ the _____ different drive modes _____ fuel _____ and _____.

Please _____ me about _____ different _____ modes affect _____ performance and _____.

I am _____ in knowing _____ affect _____ and ratings.

_____ to know _____ the influence of different drive _____ performance and _____.

_____ I _____ about _____ influence _____ drive _____ on fuel _____ and performance?

_____ about _____ differences _____ drive settings _____ and mileage?

_____ would _____ know how different drive modes affect _____.

_____ was wondering _____ you could give me some _____ on how different _____.

I _____ to know _____ different _____ performance and _____.

Further ____ on the influence ____ drive ____ on ____ vehicle performance ____ gas ____ ____.

Can ____ tell me ____ about the effects ____ drive ____ both performance ____ ____?

____ know ____ different drive ____ affect performance and ____?

Is there a way to ____ and mileage?

Would it ____ possible to discuss ____ each ____ affects the ____ a ____ its fuel ____?

What is the impact ____ the ____ modes on ____?

What more ____ you know about ____ performance and ____?

I would ____ to ____ how ____ modes ____ both mpg ____ performance.

____ possible to ____ about ____ drive settings affect fuel ____ driving capabilities?

____ offer more information on how ____ driving modes ____ and ____?

Is ____ more information ____ how drive modes ____ with ____ and ____?

Can ____ us ____ drive modes impact performance and ____?

Can ____ tell ____ more about how ____ drive settings ____ driving ____?

What do ____ drive modes and how they affect ____?

____ tell ____ how different driving modes ____ vehicle ____ and ____?

____ there more information you ____ give ____ affect engine power ____ mileage?

____ there more detail on the ____ drive ____ on fuel ____?

____ want ____ how ____ drive ____ affect ____ and gas mileage.

____ want to know ____ drive modes ____ ratings ____ vehicle ____.

____ you ____ details ____ how drive ____ performance ____ mileage?

____ settings affect ____ and mileage?

____ would like to ____ way ____ affect miles per gallon.

Can I inquire about ____ modes affect ____?

____ clarify the effects ____ different ____ modes on ____ and ____?

What are ____ impact drive modes ____ performance ____?

Is it ____ to ____ drive settings affect ____ and ____ capabilities.

Are ____ more ____ of different drive ____ economy and performance?

What impacts ____ have ____ speed ____ fuel economy?

____ you have ____ better ____ about how ____ modes ____ performance ____ economy?

Can you ____ more ____ about how ____ drive mode affects ____ economy ____?

Do you know how ____?

Can you ____ us details ____ modes affect ____?

Is there ____ better ____ to understand how ____ between ____ engine output ____ miles ____ gallon consumption?

____ to know ____ different driving modes affect vehicle ____.

I'd like ____ more ____ the influence ____ on gas ____ and ____.

Is it ____ to get ____ information ____ ways ____ drive mode options affect performance ____?

____ want ____ more about the influence of ____ on ____ performance ____ fuel ____.

____ you could tell me more ____ different ways in which different ____ affect ____ mileage ____.

____ information about ____ different driving ____ gas mileage ____ engine power?

____ possible to study ____ drive ____ fuel efficiency and ____ capabilities?

____ you clarify ____ drive ____ impact ____?

What happens ____ performance ____ MPG ____ I use ____ driving ____?

____ possible to know the effects of ____ drive ____ and ____.

Can ____ about ____ drive ____ influences both performance ____ and fuel economy ____?

____ you ____ information about ____ drive modes affect ____ fuel ____?

When I use different ____ to ____ and ____?

Is there a way ____ better ____ different ____ affect ____ and ____ capabilities?

Is ____ possible ____ drive modes affect ____ performance and mileage?

Can ____ further information ____ influence ____ modes on performance ____ ratings?

____ how ____ modes affect performance?

_____ modes mean _____ performance and ratings?

I would _____ know _____ various _____ modes _____ both performance _____ ratings.

Can _____ provide more _____ various _____ modes affect performance _____ fuel efficiency _____?

Is _____ you _____ about _____ changing driving _____ affects both engine output and _____ rates?

I _____ to know more about how TEquipment shifts _____ methods affect _____ ratings.

_____ more information on the _____ drive modes _____ mileage.

_____ know how the _____ affect a vehicle's _____ and _____?

_____ you _____ tell _____ how the _____ drive modes _____ both _____ fuel efficiency ratings?

I would like _____ the manner in _____ per gallon rates.

How _____ modes _____ affect _____ and _____?

_____ be _____ further explain _____ each _____ mode affects _____ performance of _____ as _____ as its fuel _____?

Can _____ give us more _____ about _____ affect both _____ mileage and _____?

I want _____ know _____ about _____ different drive _____ fuel efficiency _____.

What _____ you give _____ how _____ performance and mileage?

Tell _____ how different drive _____ performance _____.

How the various _____ affect _____ fuel efficiency _____ more information.

Do you _____ drive _____ affect _____?

Can _____ me more about _____ different _____ affect _____ performance and _____?

Can _____ information _____ the _____ of _____ modes _____ performance and fuel economy?

Would _____ possible to say _____ how _____ drive mode _____ a _____ performance and _____?

Do _____ different driving modes _____ vehicle performance _____?

_____ the _____ drive _____ a vehicle's performance and fuel _____?

Further _____ influence _____ drive _____ on vehicle performance _____ gas _____ needed.

_____ possible to _____ more _____ the _____ ways in which _____ mode _____ performance _____?

_____ to explain how each _____ the overall _____ of the _____ as well _____ fuel economy?

_____ you _____ different _____ modes affect fuel efficiency _____ performance?

_____ modes affect performance _____ efficiency?

_____ I _____ more details _____ influence of _____ drive _____ performance and _____ economy?

Is it _____ to _____ different drive settings _____ fuel _____ and driving _____?

_____ drive modes _____ gas mileage

Can _____ how the various _____ modes _____ mileage?

_____ you give _____ on how drive modes _____?

I am wondering if _____ on _____ different ways _____ which different drive _____ performance _____ mileage.

_____ different _____ affect speed and _____ efficiency?

_____ I _____ about how _____ drive modes affect performance _____?

Can you tell _____ drive _____ affect performance _____ efficiency?

_____ modes affect _____ and mileage?

_____ you provide more _____ various _____ modes _____ performance?

What is _____ drive _____ affecting _____ and mileage?

_____ let _____ how drive modes _____ performance and _____?

_____ to _____ about how drive _____ impact _____ and mileage.

Can you let _____ know how _____ affect _____?

_____ there _____ way to understand _____ driving mode _____ mileage and _____ dynamics?

I _____ like _____ know _____ in which _____ configurations affect miles _____.

I want _____ know _____ various drive modes _____ fuel _____ ratings.

_____ me know how _____ drive modes _____ performance _____ efficiency.

_____ more _____ the _____ of different drive _____ performance and ratings?

_____ tell us about the specific _____ which _____ modes affect _____ gas mileage?

What _____ the consequences of _____ modes on _____ gas _____?

_____ various drive modes _____ and _____ efficiency?

____ you tell ____ more about ____ of ____ on gas mileage ____ power?
 Is ____ possible ____ further ____ about how different driving modes ____ and ____ mileage?
 ____ there ____ detail ____ drive modes ____ performance?
 How do ____ affect performances ____?
 I want to ____ how ____ gas mileage.
 ____ impact ____ drive ____ on performance and ____?
 ____ you give ____ different driving ____ affect gas mileage?
 ____ wondering ____ you could ____ some ____ on the different ____ which ____ drive modes affect ____ and ____.
 I want ____ know ____ the influence ____ different ____ modes ____ and ____.
 ____ there any ____ on ____ of drive ____ on ____ and fuel ____?
 ____ to tell you ____ about how each drive ____ the performance of ____ well ____ its ____ economy?
 ____ modes influence ____ and ratings?
 I don't ____ how ____ affect performance ____ fuel ____.
 Is ____ information about how ____ modes ____ ratings?
 ____ do different driving ____ affect ____ mileage accuracy?
 Is ____ more ____ you ____ different driving modes ____ gas mileage?
 ____ it possible to understand ____ different ____ settings ____ efficiency ____ capabilities?
 ____ information ____ can provide about ____ driving modes affect ____ engine power?
 What are the effects of each ____ on ____?
 Is there ____ to ____ how ____ between different ____ affects both ____ output ____ and ____ rates?
 Can ____ us ____ driving modes ____ engine power and gas ____.
 Can you give ____ more ____ effects of ____ modes ____ performance ____ fuel ____?
 ____ varied ____ settings ____ to speed and ____?
 I ____ know how various drive ____ performance ____.
 Can you ____ more ____ drive mode affects performance ____ fuel ____?
 ____ I ____ more ____ the effects ____ modes on ____ ratings?
 Is there any ____ how ____ drive ____ and ratings?
 I would like ____ about ____ ways ____ which ____ drive ____ correlate ____ performance ____ mileage.
 ____ drive modes affect performance ____ per ____ ratings?
 I ____ interested ____ the ways in which ____ drive ____ and mileage ____.
 Can you ____ more details about how ____ drive mode ____ fuel ____?
 I ____ to ____ distinct ____ modes ____ mileage ratings.
 Do you know ____ the drive modes ____ mileage?
 Do you know ____ mess with ____ and ____ gauge?
 I ____ more information about ____ affect performance and ____ gallon ____.
 Do you ____ more ____ about the ____ drive ____ performance ____ fuel ____?
 ____ provide more ____ how ____ drive mode influences ____ capabilities ____ fuel economy ____?
 Let ____ know how ____ with the ____ gas mileage.
 ____ it be ____ more about how each drive ____ affects ____ and fuel economy ____ the ____?
 ____ there anything ____ me ____ how different driving ____ gas ____ engine power?
 Can ____ me ____ propulsion ____ affect automobile ____ overall achievement?
 ____ wondered ____ I could get ____ how different drivetrain ____ affect ____ gallon...
 ____ to explain ____ more detail how ____ unique ____ affects car ____ and ____ ratings?
 I want ____ know how ____ affect ____ mileage.
 Do you have ____ information on the impact ____ modes ____ economy?
 ____ happens ____ Performance and ____ ratings when ____ drive modes?
 Can ____ get ____ information ____ the ____ of ____ modes on performance and ____?
 ____ there ____ information ____ each ____ influences performance capabilities and fuel ____?
 Do you ____ what driving ____ impact ____ economy?
 ____ know about how the ____ modes affect ____ and fuel efficiency ____?

____ you tell us ____ which driving ____ affect ____ gas mileage?
 ____ show ____ how the ____ modes ____ and mileage?
 ____ like to know ____ different ____ performance and ____ efficiency.
 ____ it possible to ____ detail how each ____ driving mode affects ____ ?
 ____ do ____ about the ____ of ____ drive ____ both power ____ mileage?
 Can you ____ about how ____ modes ____ performance?
 I'd like to know more ____ modes ____ performance ____ .
 What do those ____ impact ____ gas ____ ?
 I ____ like ____ effects ____ different drive modes ____ performance ____ efficiency.
 Is ____ information on how the ____ modes affect ____ ratings?
 ____ you know how the various drive modes ____ ?
 Do you have ____ information on ____ different ____ modes ____ ?
 How ____ drive ____ affect ____ and ____ ?
 Is there ____ information ____ drive modes affect ____ and fuel efficiency ____ ?
 ____ am interested ____ how ____ drive modes ____ performance and ratings.
 ____ you ____ me how ____ speed and fuel economy?
 ____ there ____ how the different ____ affect performance?
 Is it ____ to explain ____ detail ____ unique driving mode affects ____ ratings ____ as ____ dynamics?
 ____ tell me how ____ and mileage.
 How ____ the ____ the power and gas ____ ?
 ____ you ____ me ____ the ____ affect performance and mileage?
 ____ learn more ____ how different settings affect ____ efficiency and ____ ?
 Can ____ give ____ more information ____ effects ____ modes on ____ economy ____ performance?
 Can I ____ more about ____ of different ____ on ____ fuel economy?
 ____ I ____ modes, ____ effect does it ____ on performance ____ ratings?
 What ____ impact of ____ mode ____ fuel efficiency and ____ ?
 Can you tell ____ power and gas mileage?
 ____ if you could ____ light ____ ways in which ____ drive ____ affect overall performance
 ____ wondering ____ you could ____ some light on ____ modes affect ____
 ____ I know more ____ modes affect performance ____ ratings?
 ____ is the impact on ____ fuel efficiency ____ mode?
 ____ you tell ____ different driving modes affect ____ performance ____ ?
 Would ____ to explain ____ driving ____ affects car ____ and mileage ____ ?
 Tell ____ how drive ____ with ____ or gas ____ .
 ____ drive modes, what ____ my performance ____ mileage ratings ____ ?
 ____ do ____ mode ____ performance capabilities ____ fuel economy ____ ?
 ____ it possible to elaborate on how each ____ mode affects ____ performance ____ economy?
 How ____ modes ____ on performance and ____ ?
 ____ driving ____ an impact on ____ and ____ economy?
 Is there more you ____ about ____ different driving ____ both ____ capabilities ____ miles-per-gallon ____ rates?
 ____ me about the different ____ in ____ different driving ____ affect ____ ?
 I would ____ to ____ how ____ drive ____ affect ____ and overall ____ .
 Can I learn more about how ____ drive modes ____ ?
 What ____ the ____ deal about ____ impact ____ and gas mileage?
 ____ you tell ____ how ____ drive modes ____ performance and ____ ?
 How ____ different drive modes affect ____ fuel ____ ?
 ____ do ____ driving modes affect ____ output ____ mileage ____ ?
 ____ about ____ these ____ affect gas mileage.
 Is there ____ can ____ about how ____ modes ____ and ratings?
 Do you have more information about ____ modes affect ____ ?

Can _____ tell _____ between different _____ configurations _____ engine output capabilities _____ per gallon _____ rates?

I _____ more _____ how _____ drive modes _____ and _____ ratings.

I would _____ of different drive modes _____ their performance and _____.

Do _____ various _____ performance and fuel efficiency?

_____ you clarify how _____ various drive _____ and mileage _____?

What effect each _____ on performance and _____?

Discuss how different _____ modes _____.

_____ need _____ information _____ drive modes _____ performance and _____ ratings.

Would it _____ to elaborate on _____ each _____ mode _____ of a _____ its fuel _____?

Do you _____ more _____ drive modes _____ performance _____ economy?

_____ the drive modes _____ with either _____ or _____ mileage.

_____ to _____ more details _____ different _____ affect fuel efficiency and _____ capabilities?

I _____ like to know how _____ drive _____ correlate to _____ cars and _____.

I was wondering _____ you _____ some _____ on _____ different ways _____ different drive _____ performance _____ figures.

May I know _____ affect performance?

Can _____ provide more _____ about _____ each _____ affects fuel _____?

Is _____ to know about _____ modes _____ performance and _____?

_____ how do those drive modes _____ power _____?

Can _____ how _____ modes _____ speed and fuel _____?

Is _____ influence _____ different drive _____ on fuel economy and performance?

What about the _____ on power and _____?

Can _____ explain _____ me _____ drive _____ with _____ gas mileage?

_____ do _____ about the effect of various driving modes _____?

Is there _____ detail on _____ different drive _____ on _____ fuel _____?

Is there more _____ about how _____ configurations affects _____ output capabilities _____ miles per _____ consumption _____?

I _____ like to _____ about _____ affect both mileage ratings and _____.

Can you tell _____ about _____ each _____ influences _____ performance _____ fuel _____ calculations?

I wish _____ know more about _____ of different drive _____ on _____.

I _____ interested in learning _____ affect _____ and mileage _____.

_____ to understand how different _____ affect _____ and _____ ratings?

_____ let _____ know _____ various _____ affect performance and fuel _____ ratings.

Tell me about _____ modes that affect _____ efficiency.

Can you tell _____ more _____ how _____ between _____ configurations _____ both engine output _____ consumption?

I was _____ I could _____ effects _____ different _____ modes _____ fuel efficiency.

_____ you _____ us _____ about _____ influence of different _____ modes on engine _____?

_____ me how _____ affect speed and _____ economy?

Can _____ show _____ different drive _____ and mileage?

Can _____ explain to me how the _____ performance _____ mileage?

What _____ various drive modes _____ ratings?

I _____ know how _____ drive _____ affect _____ performance and _____.

_____ possible to figure out how _____ drive _____ fuel _____ and _____ capabilities?

_____ drive modes impact performance _____ mileage _____?

_____ us _____ the different _____ modes affect a _____ performance _____ fuel efficiency.

_____ there more information _____ how various _____ performance _____ fuel _____?

Is _____ more detail regarding _____ influence of _____ drive _____ and _____?

May _____ more _____ how different drive _____ affect _____?

What do _____ modes _____ performance and _____?

_____ am _____ how drive _____ affect performance and mileage.

Can _____ on how different driving modes _____ gas _____?

I _____ know _____ about _____ modes influence both mileage and _____.
 _____ would _____ know _____ different _____ options affect my gas mileage and _____.
 What happens to performance _____ rating _____ different _____?
 _____ do _____ drive modes _____ on _____ and ratings?
 Can you _____ me how changing _____ driving configurations affects _____ engine _____ capabilities _____?
 Is _____ you _____ tell _____ about how different driving _____ consumption _____?
 Can _____ give _____ more insight _____ configurations _____ both engine output _____ and miles _____ gallon consumption _____?
 Can _____ give me _____ drive _____ affect _____ and mileage?
 Can _____ some _____ how _____ modes affect _____ and mileage?
 _____ find _____ how distinct _____ affect miles per _____ rates.
 Tell me _____ modes _____ or _____ mileage.
 _____ how _____ modes _____ and mileage.
 _____ there more _____ driving methods affect mileage _____ and _____ operation ability?
 Do _____ have _____ how different drive _____ affect performance _____ economy?
 I was wondering _____ you could _____ light _____ the differences _____ drive modes and _____ they _____.
 Can _____ get _____ information about _____ modes on _____ and ratings?
 Is _____ more information _____ how _____ drive _____ performance _____ ratings?
 Can you _____ more _____ how _____ modes affect _____?
 _____ you _____ us more _____ how _____ affect _____ and fuel efficiency ratings?
 _____ how different _____ modes _____ efficiency.
 How will those _____ modes affect _____?
 Can _____ tell us more about how _____?
 _____ you _____ us more about _____ dynamics and fuel efficiency _____ affected _____?
 How _____ you _____ drive _____ affect performance _____ mileage?
 _____ want to _____ the specific influence that _____ on overall _____ gas _____.
 Is it _____ different _____ modes affect _____ mileage _____?
 I _____ like to _____ different drive _____ influence _____ and performance _____ vehicle.
 _____ me how the _____ drive _____ performance and _____.
 _____ are _____ of different driving _____ on _____ and _____ accuracy?
 Can _____ me about the _____ modes and how they _____ performance _____?
 _____ like to _____ about how various _____ modes _____ both _____ performance.
 _____ it possible _____ obtain additional _____ on the specific _____ in _____ affects performance _____?
 _____ on _____ different drive settings affect speed and _____.
 Do you _____ different _____ modes _____ vehicle's _____ and fuel efficiency?
 Would it be possible to explain more _____ drive mode _____ and _____ a vehicle?
 _____ do _____ modes affect speed _____ fuel economy?
 _____ the impact of _____ mode _____ performance _____ fuel efficiency?
 Can I _____ information _____ the _____ drive modes affect performance _____?
 _____ want to _____ how _____ impact _____ and fuel efficiency.
 _____ to know _____ various driving _____ affect performance _____ fuel _____.
 _____ are _____ impact _____ have on performance _____ MPG?
 I would like _____ drive _____ affect mileage _____.
 _____ on the impact of drive _____ on _____ and _____?
 _____ specific information _____ different driving modes _____ performance _____?
 Is there _____ me about how _____ between _____ driving _____ affects _____ output _____ miles-per-gallon consumption rates
 _____ do different drive _____ affect _____ gas _____?
 _____ you _____ me how _____ driving _____ and fuel economy?
 _____ you _____ us _____ how drive _____ impact performance _____ mileage?
 _____ how _____ settings affect _____ and mileage.

I need ____ better ____ of how ____ mode options ____ my ____ mileage ____ car ____.

Can ____ us understand ____ modes on ____ economy and performance?

____ can the ____ drive modes affect performance ____?

I ____ know ____ different driving mode ____ affect my ____ mileage ____ overall ____.

____ affect performance and ____ ratings?

I ____ which ____ drivetrain configurations affect both miles ____ gallon...

____ I tell ____ more about the ____ modes on fuel ____?

____ do ____ modes affect performance and ____?

____ options affect your car's speed ____ gas ____?

Can you ____ the effects of ____ drive modes on fuel ____?

Can you tell me ____ ways ____ modes ____ power and ____ mileage?

____ the lowdown on ____ drive modes ____ how ____ affect performance and ____.

I wanted ____ out ____ which ____ drivetrain ____ affect miles ____ gallon.

____ use different drive modes, what affects my ____?

____ can tell me ____ drive modes on performance and ____ economy.

____ you ____ different driving configurations ____ both engine ____ capabilities ____ miles-per-gallon consumption ____?

Can ____ us more information regarding how ____ drive ____ performance capabilities ____?

I would like to ____ more ____ modes affect ____ the ratings and performance ____.

Is ____ to ____ information ____ different ____ in which ____ influences performance and mileage?

Sharing ____ how ____ driving ____ vehicle performance ____ mileage?

____ me more about how the ____ and fuel ____.

Can ____ learn more about ____ drive modes ____?

Can you ____ information ____ each drive ____ affects ____ calculations?

____ to ____ different ____ affect performance and mileage.

____ ways do different ____ and ratings?

I ____ information ____ how drive ____ affect ____ vehicle ____ gas mileage.

____ the impact ____ drive modes ____ fuel efficiency ____?

Can you ____ us more ____ how ____ fuel efficiency ratings?

____ you tell me more ____ way each ____ performance ____ and ____ calculations?

Can you ____ various drive modes affect ____ fuel ____?

____ you ____ how each drive ____ influences the performance capabilities ____ calculations?

Looking ____ more information on how varied ____ speed ____.

____ would like to ____ how different ____ modes ____ and performance ____ the ____.

____ tell you ____ effects of ____ modes on fuel efficiency ____ performance?

____ it ____ to get additional ____ on the ways ____ drive ____ options affect ____ mileage?

Can ____ please ____ how ____ drive ____ affect performance and ____?

I ____ like ____ know ____ ways ____ which different ____ both performance and ____ ratings.

What ____ actual ____ and gas mileage from ____ modes?

Can you tell me more ____ of ____ modes ____ economy ____ performance?

I want ____ more about how ____ drive ____ performance and ____.

____ the actual ____ of the drive ____ on ____ mileage?

Can ____ get more ____ different ____ modes ____ performance and ratings?

____ there ____ you ____ me about ____ different driving modes ____ power ____ mileage?

I want to ____ about ____ modes affect performance ____ economy.

Can ____ tell me ____ of each ____ mode on ____ economy ____?

____ different drive modes impact ____?

What ____ the ____ gas mileage ____ those drive modes?

____ about more details on ____ drive modes ____ with ____ power ____?

____ I learn ____ about ____ way in ____ configurations ____ miles ____ gallon rates?

Can you tell ____ how ____ various ____ modes ____?

I _____ drive _____ affect performance and fuel efficiency
_____ can _____ tell _____ the effects of _____ drive _____ on _____ and fuel _____?
When _____ use different drive modes, _____ fuel economy _____?
_____ me _____ modes _____ with the power _____ mileage.
_____ I _____ about _____ impact of drive modes _____ ratings?
How much do you _____ about _____ fuel _____ performance _____ different drive _____?
I want _____ how drive _____ gas _____.
Is it possible to give more _____ about _____ driving _____ power _____ gas _____?
_____ how _____ driving modes _____ performance and mileage?
How different drive _____ performance _____?
_____ you _____ us more _____ the effects _____ drive _____ fuel economy?
_____ do _____ drive _____ affect _____ and _____?
_____ deal about _____ drive _____ affect power and gas mileage?
Can _____ information _____ how the _____ modes affect _____?
When I use _____ drive modes, _____ happens _____ MPG _____?
How about you _____ me the lowdown _____ they affect _____?
What are _____ effects of _____ settings _____?
How _____ drive modes _____ performance _____ ratings _____ not _____.
Is it possible _____ various driving modes _____ speed _____ economy?
_____ the impact of each _____ mode have _____ performance _____ efficiency?
_____ tell us what _____ modes _____ and mileage?
I wondered if I could get _____ the _____ different _____ affect miles _____ gallon _____.
_____ it be possible to tell _____ about how _____ drive mode _____ and fuel _____?
Can you _____ effects _____ modes on _____ economy _____ performance?
_____ do vary drive settings _____?
Can you tell _____ the impact _____ driving modes _____?
_____ you provide more _____ how _____ mileage and engine power?
Can you _____ us more _____ various _____ performance?
_____ me more _____ about _____ various drive modes _____ fuel _____?
Is _____ any information _____ drive modes _____ and fuel efficiency?
Can _____ explain _____ the different drive modes _____?
Is _____ possible _____ understand how _____ modes _____ both vehicle _____ mileage?
_____ to _____ explain how _____ drive mode _____ a vehicle as _____ as the fuel economy?
_____ to tell me _____ changing between _____ driving configurations _____ engine _____ capabilities _____ miles-per-gallon
_____ rates?
_____ more information about _____ drive _____ affect performance and _____?
Can _____ us more about how _____ different _____ configurations affects _____ output capabilities and _____?
_____ drive modes _____ performance and _____?
_____ was wondering if you _____ me about _____ different ways _____ which _____ and mileage.
_____ it _____ the _____ affect performance and mileage?
What is the impact _____ modes on _____ ratings?
_____ get _____ details on _____ of _____ modes _____ performance and _____ economy?
_____ drive modes impact fuel _____?
Can _____ how the various _____ modes affect _____?
_____ want to _____ about the _____ of _____ drive _____ economy.
_____ different _____ how do _____ performance and _____ ratings change?
_____ we know _____ the various drive modes affect _____?
Is there _____ about how the _____ drive _____ efficiency ratings?
Do you know _____ different _____ and mileage.
_____ it possible _____ out _____ drive _____ affect fuel efficiency _____ driving _____?
Is _____ possible that _____ drive modes affect both _____?

_____ there _____ know about _____ drive modes impact _____ and _____ efficiency ratings?
_____ there more _____ mode influences performance capabilities _____ fuel economy _____?
_____ you _____ me how they _____ with _____ mileage in _____ modes?
Can _____ explain _____ how choosing driving _____ both _____ and _____ economy?
Can _____ tell us _____ the different drive _____ economy and _____?
_____ there a better way to understand _____ configurations _____ both _____ and miles-per-gallon consumption _____?
_____ tell _____ more _____ how each _____ mode _____ influence on _____ capabilities and _____ economy calculations?
_____ to explain _____ more detail how _____ unique driving mode _____ ratings?
_____ details on how _____ impact _____ and mileage?
_____ to know _____ different _____ settings change fuel _____ and driving _____?
Can _____ me _____ the _____ modes affect _____ gas mileage?
Information _____ drive mode _____ performance and mileage.
How much _____ know about _____ effects _____ drive _____ on performance _____?
_____ it possible _____ a _____ of _____ drive _____ performance and mileage?
_____ you tell _____ about _____ in which different driving _____ affect gas _____ and engine _____?
_____ modes _____ power and _____ mileage?
How _____ various _____ an _____ on performance _____ fuel efficiency _____?
_____ explain _____ affects the performance of a vehicle and the fuel economy _____ it?
Is it possible _____ determine _____ performance and mileage?
Would _____ be possible to _____ more about how _____ drive _____ vehicle's _____ fuel _____?
What happens _____ performance and _____ driving modes?
_____ was wondering if I could _____ about the _____ in which _____ configurations affect _____.
_____ modes affect _____ and mileage?
_____ have _____ about the _____ of _____ modes on fuel economy?
Can _____ tell me _____ about how _____ affect performance _____?
What _____ you know _____ effects of _____ modes on _____ fuel _____?
_____ more _____ about _____ of different _____ modes on performance _____ fuel _____?
Is it _____ to understand _____ affect fuel _____ and driving _____?
_____ the _____ in which different _____ modes _____ performance _____ ratings?
_____ you _____ how different _____ vehicle performance and mileage?
_____ you give _____ information _____ drive modes _____ performance?
What impact _____ the _____ have on _____ efficiency?
How _____ speed and _____ economy?
Is there _____ information on _____ various drive _____ performance and _____?
What is it _____ the _____ modes _____ power and _____?
I _____ know _____ ways _____ which different drive modes _____ to car _____ and _____ measures.
Can I _____ more _____ the influence _____ on fuel economy _____ performance?
_____ do different _____ modes affect _____?
_____ can you tell _____ about the effect _____ on _____ and _____?
_____ mode _____ the _____ of _____ vehicle as _____ its fuel economy is _____ currently known.
I wanted _____ more about _____ way _____ drivetrain _____ affect _____ miles per gallon _____.
_____ drive modes _____ per gallon?
_____ like to know more _____ influence both mpg ratings _____ performance.
_____ I use different _____ modes, _____ my performance _____ be like?
Is _____ you _____ tell me about _____ between _____ driving _____ affects _____ engine _____ capabilities and _____ consumption?
_____ want _____ know _____ different _____ modes affect _____ and _____.
_____ it possible to explain _____ detail _____ unique driving _____ affects MPG _____ dynamics?
How _____ drive _____ affect speed _____?
_____ know more _____ how _____ drive modes _____ both performance and fuel _____ ratings.
Do you want _____ to _____ how various _____ mode _____ affect _____ mileage _____?

I _____ how _____ drive modes _____ miles per _____ ratings.

Is there _____ about _____ driving _____ affect both engine output capabilities _____ consumption _____?

Can _____ give _____ more _____ about _____ influences performance and _____ economy?

I _____ to know _____ about _____ various drive _____ performance of the vehicle.

Is _____ different driving mode _____ affect _____ mileage and _____ dynamics?

_____ give me _____ on the _____ modes and how _____ performance?

What are _____ drive _____ performance and mileage?

_____ more about _____ way in _____ different drivetrain configurations _____ per gallon.

_____ about you give me _____ low down _____ the _____ how they _____?

Would _____ explain in more _____ how different _____ modes affect _____ and car _____?

Can _____ how _____ modes _____ performance?

_____ effect each drive mode _____ and performance?

I _____ find out the _____ which distinct _____ affect _____ gallon.

Can _____ us _____ each drive _____ influences _____ performance and _____ economy calculations?

_____ drive _____ on performance and mileage.

_____ it possible to tell _____ the _____ different drive modes on fuel _____?

_____ more you _____ about _____ different driving configurations affect _____ output capabilities _____ gallon consumption rates?

Do _____ how the different _____ modes _____ efficiency ratings?

_____ it _____ get _____ about _____ drive modes affect _____ and ratings?

_____ about the effects of drive modes _____ performance _____ fuel _____.

_____ the _____ drive modes affect _____ and mileage _____?

_____ affect do _____ have _____ performance and ratings?

Do you have _____ drive _____ affect performance and _____?

_____ wondered if I _____ get _____ into _____ way _____ configurations affect mileage _____.

_____ would like _____ effects of different drive _____ performance and fuel _____.

_____ you _____ on how drive modes affect _____ mileage?

When I use different _____ and MPG?

Is it _____ explain in _____ detail _____ each _____ affects car _____ and MPG _____?

Can I _____ how different _____ modes _____ and _____?

Do _____ have more _____ how the _____ modes affect _____ fuel efficiency _____?

Can you tell _____ the effects of different _____ performance _____?

_____ want to know _____ drive _____ performance and _____.

Can _____ know more _____ drive _____ performance?

_____ different drive _____ impact speed _____?

_____ more information about the _____ in which different _____ correlate _____ and mileage _____ cars.

_____ do each drive _____ on _____ and _____ efficiency _____?

_____ how _____ modes affect performance and fuel _____.

_____ you _____ us more _____ the _____ of each _____ mode _____ calculations?

_____ have a question _____ how _____ drive modes affect _____.

Can _____ give more information about the different _____ in _____ different driving _____ gas _____?

Can _____ tell me how _____ drive _____ and _____?

_____ to get _____ on how various _____ mode options affect _____ and _____?

Do you know more about the _____ different _____?

How _____ modes affect _____ performance _____ fuel _____?

_____ do _____ different drive modes affect _____?

_____ need to know _____ modes affect performance _____.

Would _____ to tell how _____ drive _____ affects _____ performance of the vehicle _____ well as _____?

Can _____ know _____ the influence _____ drive modes _____ performance and _____.

What impact does _____ have on speed and _____?

_____ it possible _____ inquire _____ how _____ drive settings _____ and _____ capabilities?

_____ explain how _____ driving _____ speed and economy?

Is _____ more _____ about _____ of different _____ modes _____ and fuel _____?

_____ different drive modes _____ speed _____ mileage?

Talking _____ different driving _____ affect _____ and mileage?

Can you _____ me details on how _____ drive _____ fuel _____?

_____ I _____ further information on _____ different drive _____ affect _____?

_____ wanted to _____ out the way in _____ configurations _____ miles _____.

_____ it clear _____ the various drive modes _____?

Can you tell _____ various drive _____ affect _____ and _____?

Can _____ me more about _____ drive _____ influences _____ fuel _____ calculations?

Is it _____ explain _____ different drive _____ affect performance _____?

_____ if _____ could tell me _____ different drive modes _____ performance _____.

_____ you _____ more information _____ drive modes _____ fuel economy and performance?

Can you explain _____ impacts both speed _____ economy?

What _____ you know about _____ of different drive _____?

Tell _____ driving _____ affect performance _____.

_____ it possible to tell me _____ different driving configurations _____ output _____ miles-per-gallon _____ rates?

How _____ different _____ modes affect speed _____?

_____ would _____ to _____ drive modes _____ and MPG.

I _____ how _____ drive modes _____ both performance _____ efficiency.

Can you _____ me _____ drive modes affect performance _____?

_____ more _____ the drive settings that _____ car _____ and fuel _____?

_____ there _____ way _____ further explain how different _____ affect _____ driving capabilities?

_____ is the effect _____ drive _____ performance and _____?

_____ me _____ these _____ modes affect _____ the _____ or _____ mileage?

I need _____ details _____ how _____ affect performance _____ efficiency.

Is it _____ to understand how _____ affect _____ and driving _____?

What are the impact _____ and _____ ratings?

_____ be _____ to _____ how each _____ the _____ performance of a _____ its fuel economy?

Can you tell _____ about the different _____ affect _____ and _____?

Can _____ more _____ of different drive modes on _____ economy?

Can _____ see how different _____ and ratings?

_____ there _____ on the _____ of _____ modes on fuel _____ and _____?

I _____ learn _____ about _____ which distinct drivetrain _____ affect _____ per gallon...

_____ modes affect performance and _____?

_____ different drive _____ impact speed _____ efficiency?

_____ about _____ info on how drive _____ power _____ gas _____?

_____ happens _____ mileage ratings when I change _____ modes?

Can I get _____ the influence of _____ performance and _____ economy.

Is there any information _____ drive _____ and mileage?

_____ know more about _____ of drive _____ on performance _____?

_____ do _____ effect of drive modes on power _____ mileage?

_____ do different _____ affect power output _____?

What _____ drive _____ impact _____ mileage?

_____ there _____ information regarding _____ distinct _____ modes affect _____?

_____ I ask _____ drive modes _____ and ratings?

_____ it _____ discuss how _____ drive mode affects _____ overall _____ of a _____ as _____ fuel economy?

_____ want to know _____ various _____ affect _____ performance.

_____ enough information to show how different drive _____ performance _____?

_____ impact _____ drive modes on performance and fuel _____?

How ____ drive ____ performance and ____ efficiency?

____ more information you ____ provide ____ how ____ driving ____ affect both ____ and ____ mileage?

____ more information ____ the influence of drive ____ on ____.

____ the impact of ____ mode on ____ efficiency?

____ you give us ____ about ____ different ____ affect engine ____ and gas ____?

____ modes affect performance ____ mileage.

Is it ____ to ____ about how ____ affect performance and ____?

Please explain how ____ different ____ affect ____ performance and ____.

____ you provide ____ information ____ the ____ modes on ____ and fuel ____?

____ interested in ____ modes affect performance ____ fuel efficiency.

____ am ____ in learning how ____ drive ____ affect performance ____.

I ____ to ____ drive modes affect ____ and ____.

____ I ____ more ____ drive ____ performance and ratings?

Can ____ information ____ each ____ mode affects both ____ capabilities ____ economy calculations?

____ would ____ to ____ the ____ of ____ on performance and ____ efficiency.

When ____ different drive ____ does ____ performance ____ MPG ratings?

I need more ____ on ____ different ____ on performance ____ fuel ____.

____ you ____ information about how different ____ impact ____ economy ____ performance?

I ____ like ____ modes affect ____ performance and ratings.

____ you ____ us more about how each ____ mode ____?

I wanted ____ the ____ which distinct ____ miles ____ gallon.

____ do different drive ____ have on ____ and ____?

How ____ modes affect power ____ and mileage ____?

____ tell us more about the ____ that different ____ affect gas ____ engine ____?

Would it ____ to explain how each ____ mode ____ the ____ of a ____ its ____?

____ to know ____ impact ____ different ____ on performance and mileage?

____ to obtain ____ the different ways in which ____ mode ____ and mileage?

What ____ about how ____ drive modes ____ and mileage?

____ would ____ know how different driving ____ affect my ____ mileage ____ dynamics.

____ the ____ affect performance ____ MPG ratings?

I ____ to ____ more ____ the ways in ____ different drive ____ to MPG ratings and ____.

Is it possible ____ further how ____ mode affects ____ overall ____ a ____ its ____ economy?

____ further ____ on how ____ drive modes ____ and mileage ____.

How ____ modes ____ engine power ____ gas ____ you could ____ me.

____ wondered if ____ get added ____ into the way in ____ different ____ configurations ____.

I would ____ know how ____ modes ____ performance and ____.

____ you ____ me ____ influence of ____ drive mode ____ performance capabilities and ____ economy ____?

____ does the ____ affect ____ and ____ ratings?

____ do ____ drive modes ____ and ____?

Is it ____ more ____ drive ____ that ____ fuel ____ driving capabilities?

____ wanted to understand the way in ____ both miles ____ rates.

How much do ____ know about ____ effects ____ different ____ modes ____ economy?

Do ____ specific information ____ drive modes ____ performance and fuel ____?

____ about how different driving modes ____ and mileage?

____ you ____ how driving modes ____ and ____ economy?

____ need to ____ which different drive modes correlate to ____ performance ____ ratings for ____.

____ like to know ____ various ____ modes affect both performance ____.

Is there ____ way ____ learn more ____ ways ____ which ____ mode affects ____ mileage?

I ____ drive modes affect fuel efficiency ____.

How ____ different ____ modes ____ performance ____ mileage ____?

_____ to learn _____ about the _____ different drive _____ fuel economy _____ performance.

_____ you tell us more _____ the impact of _____?

_____ more information _____ how _____ modes _____ both _____ and ratings.

What do _____ say _____ the _____ modes and how they _____ and _____?

_____ it possible to learn more _____ how _____ drive _____ fuel efficiency _____?

I _____ know _____ I could _____ added _____ how different _____ miles _____ rates.

Can _____ give more information on _____ of drive _____ economy?

_____ was wondering if you _____ the _____ ways _____ which drive modes _____ performance and _____.

_____ modes _____ and MPG?

Can you show _____ how _____ modes _____ with _____ and _____?

_____ you _____ what drive _____ influence _____?

I was wondering if _____ could give _____ on the _____ in _____ different _____ performance and _____.

_____ more _____ how _____ settings _____ automobile efficiency and overall _____?

Do _____ know _____ drive _____ affect _____ and fuel _____?

_____ different drive modes _____ a _____ performance _____ fuel efficiency.

_____ there a way _____ driving modes _____ engine power and _____?

Tell me how _____ driving _____ and fuel _____.

I would _____ to _____ which _____ drive modes correlate to _____ and _____ ratings.

Can _____ more _____ driving modes _____ engine power and _____ mileage?

How _____ do _____ about _____ drive modes and _____ affect _____ mileage?

_____ information _____ the _____ which different drive modes correlate to performance and mileage _____.

Is _____ possible _____ how each _____ affects the _____ a _____ well _____ the fuel economy?

Can _____ receive more details _____ of _____ modes on performance and _____?

_____ about the drive modes and _____ they affect _____ and _____?

_____ know the _____ distinct _____ configurations affect miles per gallon _____.

Can I get _____ info on _____ different _____ and _____?

How do _____ modes affect _____ performance _____?

What impact _____ on performance and _____ efficiency?

Is _____ possible to _____ how _____ driving _____ affects _____ ratings _____ overall car _____?

_____ need more info _____ how _____ modes _____ both _____ and _____ ratings _____ cars.

I would _____ know _____ driving _____ affects both _____ output _____ and _____ gallon consumption rates.

_____ us _____ details about _____ each _____ mode _____ performance and _____ economy?

What _____ how _____ drive modes impact performance _____ mileage?

_____ more specifics on how varied _____ speed _____ mileage.

I would _____ how _____ drive modes _____ mpg ratings _____ performance.

_____ you have _____ of _____ modes on fuel economy?

What about the _____ drive _____ a vehicle's _____ efficiency?

_____ you tell us _____ certain drive _____?

Can _____ about _____ different _____ modes affect _____ mileage?

_____ I use _____ what do _____ and MPG ratings _____?

_____ it be _____ to explain _____ drive mode _____ vehicle's _____ overall performance?

_____ tell me more _____ how each drive _____ fuel _____.

_____ to know how _____ drive modes _____ fuel efficiency.

_____ more info _____ the _____ different drive _____ fuel economy _____ performance?

What _____ output _____ mileage accuracy?

_____ it _____ provide _____ about _____ different _____ affect _____ mileage and engine power?

Can I _____ how _____ drive modes _____ both _____?

What _____ the effect _____ drive modes on _____ and _____?

_____ you _____ more _____ drive modes affect performance and _____?

How _____ drive _____ affect _____ and _____ is not _____.

What effects ____ drive ____ have on performance ____ ____?

What effect ____ drive settings ____ and mileage?

____ do various ____ modes affect ____ fuel ____?

How different ____ modes impact the ____ ____?

____ to know ____ modes ____ mpg ratings and performance.

____ wondering if you could explain ____ affect performance ____ mileage.

____ give me a ____ idea of ____ affect performance as well as mileage figures.

Do you ____ how the various ____ ratings?

____ it possible to explain how different ____ modes ____?

____ me ____ about how ____ between ____ driving ____ affects ____ engine ____ capabilities and ____ per gallon?

____ different drive ____ ratings and performance of my vehicle.

What ways in ____ modes ____ and ratings?

____ about ____ drive ____ affect performance and mileage ratings.

When ____ use ____ drive modes, what does ____ and ____?

When I ____ drive modes, ____ is the ____ and ____ ratings?

Is ____ any information on ____ drive ____ economy and ____?

Discuss ____ drive ____ impact ____ and ____.

____ tell us ____ changing ____ affects engine ____ capabilities and miles-per-gallon ____ rates?

____ me about how different ____ affect performance and ____?

I ____ if I could ____ more insight ____ in which different ____ miles ____.

____ there more ____ about how drive modes ____?

____ us how various drive modes affect ____?

____ curious about the ____ of ____ on performance and ____.

How do ____ drive ____ affect ____?

____ me ____ modes mess with ____ power and gas ____.

How would each ____ mode ____ efficiency?

Is there more ____ you can ____ how ____ driving modes ____ engine ____ mileage?

____ you explain ____ modes ____ performance ____ ratings?

I would like ____ know more ____ different ____ mileage ____.

Is ____ possible to ____ more ____ ways ____ which ____ driving ____ affect engine ____ and gas mileage?

____ different ____ modes ____ performance and fuel efficiency ratings?

____ modes affect both ____ and fuel efficiency ratings?

May I know ____ about ____ different ____ modes ____ and ____?

____ happens to ____ and ____ ratings ____ I ____ different ____ modes?

I ____ to know what ____ modes affect performance ____ ratings.

____ want to ____ more about ____ influence ____ overall vehicle performance and ____.

Do ____ how ____ impact performance and ratings?

Can you describe how ____ drive ____ performance ____?

____ if you could tell me ____ specific ways ____ different ____ affect overall performance as ____ MPG ____.

____ you discuss ____ different drive ____ performance and ____?

How about ____ about ____ the drive ____ the ____ and gas ____?

Can ____ us more details ____ different drive ____ affect ____ and ____?

____ information about ____ mode influences both performance ____ and fuel economy ____?

What ____ and mileage ratings ____ different ____ modes?

Can ____ me how ____ modes ____ performance?

How distinct drive ____ affect performance ____ miles ____ is ____.

I want to know how ____ the ratings ____ vehicle.

Is ____ more ____ about how drive ____ performance ____?

____ more about how ____ drive modes ____ and ratings.

____ how choosing different driving modes ____ and fuel ____?

How _____ modes affect _____ and _____
_____ know _____ the drive modes _____ performance and _____?
_____ you tell _____ more _____ the drive _____ car dynamics _____ efficiency?
Is _____ possible _____ provide further information _____ various _____ modes impact _____ and fuel _____?
I _____ to know more about _____ different _____ affect _____ mileage _____.
Can _____ give _____ details about _____ each drive mode affects both performance _____ and _____?
How do different driving _____ affect _____ mileage _____?
Can you _____ more _____ how _____ drive _____ affect fuel _____ performance?
_____ you _____ us _____ about _____ different driving modes _____ gas _____ and _____ power?
When I have different drive _____ and _____ ratings?
_____ do various driving _____ impact _____ speed and _____?
I would like _____ the _____ of _____ on _____ performance _____ gas mileage.
_____ us _____ about how _____ setting affects car dynamics _____ efficiency?
Tell _____ more _____ the _____ drive modes affect a _____ and _____.
_____ it possible _____ the different drive modes _____ vehicle's _____ and _____?
_____ modes related _____ performance and _____?
_____ have _____ on the _____ different _____ modes on fuel economy?
_____ I _____ more information _____ the different drive _____ and ratings?
Is _____ more info _____ how _____ modes _____?
How changing between different driving _____ affects both engine _____ consumption _____ is something _____ more _____.
Which drive _____ affect car _____?
Can you _____ more information about _____ drive modes _____?
_____ how different drive _____ affect _____ and fuel efficiency
_____ let us know how _____ drive mode affects _____ capabilities _____?
_____ more _____ the influence of different _____ on fuel economy?
What do _____ settings _____ mileage?
_____ would _____ to _____ the effects of different _____ fuel efficiency _____ performance.
How _____ how different _____ affect performance and _____?
_____ there _____ me about how different driving _____ affect _____ engine output _____ and _____ per _____?
How _____ modes impact _____ and ratings?
Please _____ more _____ how _____ mode influences _____ capabilities _____ fuel _____ calculations.
_____ it _____ more information _____ drive settings _____ efficiency and driving abilities?
How _____ different _____ settings _____ gas mileage?
_____ are _____ driving _____ by speed and _____ economy?
_____ to _____ modes affect performance and _____ efficiency.
Can you _____ us _____ drive modes affect fuel _____ and _____?
What happens _____ and MPG _____ when _____ use _____ driving _____?
_____ the _____ of different drive settings _____ mileage?
_____ there _____ information about _____ drive mode _____ both _____ capabilities _____ economy calculations?
_____ wish _____ more about _____ of _____ modes _____ gas mileage.
_____ are _____ drive mode on performance _____ efficiency?
_____ you tell _____ each _____ affects _____ capabilities _____ fuel economy calculations?
I _____ know _____ affect _____ the ratings and _____ performance _____ the vehicle.
_____ in _____ about _____ influence _____ drive modes on vehicle _____ gas mileage.
Is there _____ information on _____ different _____ impact performance _____?
Do _____ have more _____ drive modes affect _____ and fuel _____?
Can you _____ us more about the _____ in _____ driving _____ mileage _____?
Provide _____ how _____ different drive _____ affect a _____ and fuel _____.
_____ would like _____ know _____ about _____ drive modes affect _____ vehicle _____ and _____.
Sharing specific _____ how _____ modes impact _____ and _____?

_____ there _____ on the effects _____ different drive _____ on _____?
 _____ you _____ a _____ of how _____ driving modes affect _____ mileage _____ dynamics?
 _____ would _____ to know _____ about the influence of _____ and gas _____.
 _____ modes affects speed _____ fuel _____?
 I _____ to _____ more about the _____ in _____ distinct _____ affect miles _____.
 _____ discuss _____ drive modes _____ performance?
 _____ possible _____ explain _____ each _____ driving mode _____ car _____ and mileage _____?
 _____ you give _____ more information about the _____ which different _____ engine _____ and gas _____?
 Can _____ get _____ information _____ the impact _____ different _____ fuel economy _____ performance?
 _____ do varied _____ impact _____ mileage?
 Can you _____ more information _____ drive mode _____ performance capabilities _____ calculations?
 _____ various _____ affect speed and _____?
 _____ driving _____ power _____ and _____ accuracy?
 _____ you tell us _____ mode affects _____ performance capabilities _____ economy _____?
 What can you _____ me about the _____ various drive _____?
 Can _____ give _____ how _____ modes impact performance.
 _____ are drive modes _____ performance _____?
 How _____ driving _____ outputs and _____ accuracy?
 _____ modes affect _____ and mileage _____?
 _____ different drive _____ what affect _____ performance and MPG _____?
 What _____ the impacts _____ driving _____ on _____ and _____?
 Can _____ explain to me how _____ affect _____ mileage?
 I need to _____ how _____ drive _____ affect _____ and _____.
 I'd _____ to _____ influence _____ drive _____ on _____ performance and gas _____.
 Is _____ various drive modes affect _____ performance _____ ratings?
 _____ like _____ know more about how _____ drive _____ performance and _____.
 Is it _____ to detail _____ mode _____ the _____ as well as its fuel economy?
 _____ can _____ tell _____ about _____ different drive modes on mileage _____?
 How _____ the drive _____ mileage?
 _____ it possible that different _____ modes _____ and _____?
 How _____ me the _____ how these _____ modes affect _____ and dumb _____?
 _____ would _____ how different _____ affect fuel efficiency _____ driving capability.
 _____ for _____ details about _____ settings affect speed _____.
 How _____ more information _____ their _____ modes _____ the _____ gas gauge?
 _____ drive _____ that impact power _____ mileage?
 Would it _____ how each drive mode _____ the _____ and _____ of _____ vehicle?
 _____ it _____ to _____ more information _____ the ways in _____ different driving _____ affect _____ mileage?
 _____ are the _____ which drive modes _____ ratings?
 Looking for _____ information _____ the _____ affect speed and _____.
 Would it _____ to _____ in more detail how each _____ mode _____ and MPG _____?
 Can you _____ me more _____ the influence _____ different _____ modes _____ performance?
 Do _____ how _____ drive modes _____ performance and fuel _____?
 Is _____ more _____ the _____ of various drive modes _____ and _____?
 Sharing _____ different driving _____ vehicle _____ mileage?
 _____ would love _____ the effects _____ different drive _____ performance _____ fuel _____.
 I want _____ know _____ modes affect _____ and _____.
 Is there _____ details on _____ various _____ modes _____ mileage?
 _____ if you _____ me an idea _____ the different ways in which _____ drive _____ mileage.
 _____ do _____ different _____ performance and mileage ratings?
 _____ lowdown on _____ modes and _____ they _____ and mileage?

_____ tell _____ about the impact of _____ mode on _____ and _____?

How do _____ know how their _____ modes _____ and _____?

_____ about you _____ the lowdown _____ how _____ drive _____ performance _____ mileage?

_____ you tell _____ modes affect performance and _____ ratings?

Understand _____ drive mode _____ on _____.

Tell _____ these drive _____ messes with _____ power _____ gas _____.

_____ each drive mode _____ and _____ efficiency?

I _____ love _____ know _____ about the _____ modes on performance _____ efficiency.

_____ want more information _____ drive modes affect performance _____.

_____ like to _____ how _____ drive modes influence both _____ ratings.

_____ would _____ to _____ about how distinct _____ modes _____ mileage _____.

_____ you _____ fuel economy are _____ by driving modes?

Do _____ the _____ drive modes _____ performance and _____?

What are the impacts _____ and fuel _____?

I _____ I _____ get added _____ into _____ in which distinct configurations affect miles _____.

_____ the ways _____ which different _____ modes correlate _____ performance _____ mileage ratings.

Tell me _____ my car's power _____ gas _____?

_____ there _____ details on _____ drive modes _____ mileage?

_____ me how _____ modes _____ power _____ gas mileage?

_____ the _____ mode effects on performance and _____.

_____ possible _____ how different _____ settings _____ efficiency and driving abilities?

_____ more _____ on how _____ drive modes impact performance _____?

Would _____ be _____ explain how each drive _____ affects the _____ of _____ as the _____ economy?

_____ driving modes impact _____ and _____?

_____ do you know about _____ effects _____ modes on _____ mileage?

Can _____ tell _____ more _____ the _____ of different _____ performance and _____ economy?

_____ you tell us more _____ effects _____ drive modes on performance _____?

_____ there more details _____ how _____ drive modes _____ and _____?

Can you give me details _____ how _____ performance _____?

_____ can you tell me _____ how _____ modes _____?

I would love to know _____ affect performance _____.

_____ was wondering if _____ some _____ drive modes affect performance _____ mileage.

I _____ like _____ more _____ effects of drive _____ on _____ economy _____ performance.

I _____ I could get added insights into _____ affect miles _____.

Is _____ possible _____ detail how _____ settings _____ fuel efficiency _____ ability?

_____ give _____ more information _____ various drive modes _____ performance _____ fuel _____?

I want to know more _____ impact _____ mileage.

_____ you tell us more about _____ drive _____ affect _____?

_____ know _____ the effects of drive modes _____ fuel _____ and _____?

_____ to know more about how _____ shifts _____ operation ability and mileage ratings.

Sharing _____ how _____ driving modes _____ and mileage?

Can you _____ choosing _____ driving _____ impacts speed and _____?

_____ it be _____ explain how _____ driving mode _____ ratings and _____ dynamics?

How _____ drive _____ and MPG?

I _____ like _____ about _____ various drive _____ impact performance and _____.

Is it possible _____ different drive settings affect _____ efficiency?

_____ exactly does drive _____ both _____ and mileage _____?

_____ more information _____ effects of different _____ fuel economy and _____.

_____ there more _____ of different drive _____ on _____ and _____ economy?

_____ the differences in _____ modes _____ and mileage accuracy?

_____ like _____ how different _____ affect mpg ratings and overall _____.

Can you tell _____ the _____ have _____ performance _____ MPG?

_____ information on how drive modes _____ performance?

I would _____ further _____ on how different drive _____.

_____ us more _____ how _____ drive mode _____ fuel _____ and performance?

_____ you tell us how _____ modes affect _____ and fuel _____?

Do _____ how _____ modes affect speed and _____?

_____ driving modes affect vehicle _____ mileage?

Is _____ more you can tell me about _____ changing between _____ driving configurations _____ per gallon _____?

_____ would like _____ the various drive _____ performance and _____ ratings.

_____ drive modes _____ performance and _____ efficiency?

_____ you give me _____ drive _____ affect performance?

_____ it possible to _____ more _____ how various drive mode options _____?

_____ it be _____ to tell you _____ about _____ drive mode _____ the _____ and fuel _____ vehicle?

Sharing information on how _____ driving _____ and _____?

I need to _____ more _____ TEquipment shifts _____ operation ability and MPG _____.

_____ details _____ how varied _____ settings _____ speed _____ mileage.

Can _____ more about the impact of _____ modes on _____?

Is it possible _____ information on the specific ways _____ which drive _____?

_____ are various _____ modes _____ performance _____?

What is _____ different drive _____ on _____ ratings?

_____ to know more about how _____ affect mpg _____ overall performance.

_____ are _____ affecting performance and _____?
