

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Vehicle Rental Companies |
| Inquiry Category | Vehicle types and features available |
| Inquiry Sub-Category | Fuel options |
| Description | Customers may want to know the available fuel options at the rental company, such as gasoline, diesel, hybrid, or electric vehicles, to make an informed choice based on their preferences. |
| Data Size | 5,063 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Vehicle Rental Company" customer inquiry. (Purchased data will not be masked.)

____ there specific ____ ____ choose ____ based on ____ ____ of ____ (gasoline/diesel/hybrid/electric)?
 Is ____ ____ ____ category based ____ the specific engine ____?
 ____ ____ ____ should ____ pick based on the ____ type?
 ____ ____ available categories have to ____ the ____ engine?
 ____ ____ possible ____ choose between ____ hybrid/electric?
 The ____ ____ based ____ engine, should ____ ____ gasoline, diesel, hybrid, ____ ____?
 ____ I ____ ____ diesel, ____ and electric models?
 ____ ____ different categories for gasoline and ____ ____?
 ____ ____ whether it's gas-powered,diesel-driven, ____ hybrid vehicle, ____ ____ vehicle, ____ are ____ groups.
 ____ ____ like ____ diesel, hybrid ____ electric?
 The selection may ____ ____ ____ hybrid ____ electric engines.
 ____ there ____ separate ____ for ____ hybrid and electric ____?
 ____ specific ____ classes ____ available ____ ____ hybrid or electric?
 Will ____ be sections for ____ type of engine like ____ ____ ____?
 ____ there ____ for gas/diesel/electric ____?
 Is ____ ____ specific ____ for petrol, diesel, hybrid, ____ ____?
 ____ I ____ between ____ ____ and electric?
 ____ ____ in ____ range ____ GAS/DIESEL/HYBRID/ELEC?
 There ____ specific engine ____ on whether it's ____ hybrid ____ ____.
 ____ ____ possible to ____ specific ____ based on ____ engine ____?
 Is ____ ____ ____ for ____ hybrid vehicle, or an ____ vehicle?
 Can ____ choose ____ ____ types?
 ____ ____ organized according ____ ____ types?
 ____ there a ____ to ____ ____ based ____ the ____ engine type?
 Is ____ ____ ____ select a vehicle category ____ ____ fuel ____?
 ____ ____ available ____ based ____ the engine ____?
 Is ____ possible to ____ from categories ____ ____ ____ engine type?
 Depending ____ ____ ____ ____ vehicle ____ an EV, are there specific groups?

The _____ depend on _____ engine _____.
 _____ the categories _____ what _____ engine is _____ used?
 Is _____ any specific category _____ type _____ engine _____?
 _____ different choices available by _____ kind of _____?
 Will I _____ able to pick _____ based on _____?
 _____ I _____ specific category _____ gas/diesel/ _____ engines?
 _____ possible to choose different engines for _____ hybrid _____?
 _____ categories for engines such as gas _____?
 There _____ categories _____ gas/diesel/electric _____
 _____ choose be based on _____ engine's _____ type?
 _____ there a specific group _____ hybrid vehicle _____?
 The _____ which engine _____ is, should you _____ gasoline, diesel _____?
 _____ based _____ fuel type?
 Do I _____ pick a _____ category _____ on its _____?
 There _____ options _____ the fuel _____.
 Is _____ a _____ type of engine you _____?
 _____ choices are available _____ gas, diesel, _____ and _____?
 Is _____ for gas/diesel/ _____?
 _____ it _____ among gas, diesel, hybrid, and _____?
 Is _____ set of _____ for _____ hybrid/electric _____?
 _____ selection available in gasoline, _____ or _____ engines?
 _____ there exist _____ gas, _____ or electric cars?
 Do there different _____ engines?
 _____ the _____ of gasoline, _____ or electric engines?
 _____ have _____ vehicle classes _____ diesel, hybrid or _____?
 _____ there _____ for gas/diesel/ hybrid/electric _____?
 _____ an engine category _____ or _____?
 _____ can _____ pick a _____ category based _____ type?
 _____ have _____ choices for gasoline, diesel, _____ electric?
 _____ there _____ classes for gasoline, _____ or _____ vehicles?
 Is there a _____ for _____ diesel, _____ or _____?
 Is it possible to _____ vehicle _____ upon _____?
 How _____ pick _____ engine type?
 _____ have any _____ diesel, hybrid or electric?
 _____ to _____ vehicle category _____ on fuel types?
 Do _____ pick a category _____ hybrid and _____ engines?
 Can _____ on a _____ based on _____ fuel _____?
 Is there a _____ group _____ gas- _____ hybrid vehicle, _____?
 _____ an engine category like gasoline _____?
 Are _____ offering _____ for _____ electric _____?
 Is _____ possible to choose _____ or electric?
 _____ different engine types?
 _____ categories to _____ based _____ engine type?
 There _____ specific options for _____ and _____?
 Is _____ to _____ specific categories _____ the engine?
 Does _____ selection include _____ electric engines.
 Are there _____ categories _____ engines _____ gas _____ electric?
 _____ for _____ in _____ range?
 _____ are groups _____ it's gas-powered, diesel-driven, _____ or _____ vehicle.
 There _____ be _____ for _____ engines.

____ category ____ I ____ gas/diesel/ hybrid/electric ____?
 ____ there ____ specific option ____ gasoline, diesel, ____ and ____?
 ____ it ____ into ____ diesel, ____ electric engines?
 ____ groups depending on whether it's ____ or ____.
 ____ you have choices ____ engine ____?
 ____ it possible ____ select ____ category by fuel ____.
 ____ have ____ a ____ for gas, diesel, hybrid, and ____?
 ____ selection ____ be categorized ____ and electric engines.
 ____ the engines, ____ there specific vehicle classes ____ or ____?
 Is ____ category ____ can pick based ____ engine type?
 ____ it ____ to pick a category ____ hybrid/electric ____?
 ____ available ____ based ____ engine type?
 Is ____ make a ____ based on the ____ type.
 ____ it possible ____ choose a ____ on ____ fuel ____ the engine.
 Will ____ categories I ____ be based ____?
 ____ to ____ based on the specific ____ type?
 ____ a category with ____ fuel type ____ mind?
 Can I ____ category based ____ type?
 ____ the ____ gasoline, diesel, hybrid or ____ engines?
 Is there a ____ gasoline/diesel/electric?
 Is ____ to ____ category according to ____ type?
 ____ you ____ any ____ choices for ____ engines ____ hybrid,electric?
 Can ____ for gas/diesel/ hybrid/electric ____?
 Do you ____ different choices ____ hybrid, ____?
 Is ____ possible ____ select ____ based ____ the engine ____?
 Can ____ choose a ____ to the engine's ____?
 ____ it possible to ____ based ____ engine ____?
 ____ any option ____ fuel types: ____?
 ____ categories that fit gas and ____?
 Depending ____ engine type, any ____ to ____?
 Can ____ a ____ based on an ____ fuel ____?
 ____ it possible ____ offer ____ kind of engine?
 Is it ____ me ____ choose from ____ hybrid or ____?
 Are the selection categorized ____ gasoline, ____ electric ____?
 ____ possible ____ find categories based on the ____?
 ____ you ____ a category ____ on your preferred ____?
 ____ be based on ____ engine ____.
 I ____ I can choose between ____.
 Is it ____ between ____?
 ____ be ____ for different engine ____?
 ____ a vehicle ____ based on fuel type.
 Do ____ have options ____ or electric vehicles?
 ____ different choices ____ vehicle ____ like ____?
 ____ be separate sections for ____ hybrid and ____?
 Is ____ fuel type ____ can choose: ____ hybrid/electric?
 If ____ electric, ____ there specific engine options?
 ____ the available categories ____ on ____?
 ____ offer choices ____ or gas-powered ____?
 ____ there ____ sections ____ gasoline, diesel, ____ or ____ engines?
 Is ____ possible ____ specify ____ vehicle category ____ its ____ type?

Is the selection _____?

Will _____ be _____ to _____ a _____ based on _____ fuel _____?

_____ there _____ separate _____ for petrol, diesel, _____ cars?

_____ possible to _____ among _____ engines like _____ hybrid/electric?

Depending on the _____ type, _____ to choose _____?

Are the _____ specific engine _____?

Is _____ any way _____ based _____ engine type?

Are _____ categorized _____ gasoline, diesel, _____ or _____ engines?

_____ way to select _____ category _____ fuel type?

Is it _____ to _____ categories based _____ engine _____?

_____ there _____ option based on fuel _____?

The categorization _____ choosing based _____ type.

_____ able _____ among gas/diesel/ hybrid/electric?

Do I _____ to _____ a _____ for _____?

_____ choice are _____ for _____ diesel, _____ or electric _____?

Can I _____ and _____?

_____ type of _____ that suits gas _____ engines?

_____ there any _____ options _____ diesel, hybrid, and _____?

_____ on the specific _____ type, _____ find categories to _____?

_____ there specific vehicle _____ for gasoline, _____ and _____?

_____ type of _____ what are _____ categories to choose _____?

Is _____ for gas,diesel, _____ electric _____?

_____ specific category to _____ from _____ on _____ of engine?

Can I _____ a _____ based on _____?

_____ it _____ options based _____ the engine type?

Are there _____ gas, _____ electric _____ that I _____ from?

Is _____ a choice _____ on _____ engine?

_____ options according to _____ engine _____?

_____ it _____ to choose from gas, _____ hybrid _____.

_____ there a category _____ choose _____ on the _____ motor?

Can _____ chose a category based _____ the _____?

I was _____ if I _____ a _____ based on _____.

_____ categories exist _____ engine types?

Are there any categories _____ electric _____ powered _____?

Is there _____ vehicle _____ gasoline, diesel, and _____ or _____?

Do _____ offer any _____ categories _____ gas and _____?

_____ to _____ engine category, _____ gasoline or electric?

_____ there _____ diesel or _____ cars?

Do I _____ a _____ for gas, _____ hybrid, _____ electric _____?

Is _____ find choices _____ to _____ engine varieties?

_____ there _____ separate _____ for _____ hybrid _____ electric cars?

_____ specific _____ whether _____ gas-powered,diesel-driven, _____ hybrid vehicle, or _____ electric vehicle.

_____ categories _____ gas/diesel/ hybrid/electric?

Is it _____ to pick _____ for _____ hybrid _____?

There are _____ for gas, _____ and _____ engines.

_____ it be _____ to _____ based on the _____ engine _____?

Are _____ categories that are _____ gas and _____?

Is it _____ according _____ gasoline, _____ electric engines?

_____ to _____ options _____ fuel type and engines?

_____ on _____ gas-powered,diesel-driven, or a _____ are _____ specific groups?

Do you have ____ options for engines ____ electric?

There ____ different ____ to ____ from ____ gasoline, ____ hybrid ____ electric ____.

____ are the categories ____ depending on the ____?

Is there ____ specific ____ hybrid/electric?

I ____ have ____ choose ____ category for gas/diesel/ hybrid/electric ____.

There ____ different groups ____ on ____ is gas-powered,diesel-driven, ____ or an electric ____.

Are there ____ categories ____ and electric ____?

____ wonder ____ I can pick ____ category, like ____ electric?

____ pick, based on ____ engine type?

Any particular ____ to ____ from?

____ I be ____ to ____ a vehicle ____ based ____ type?

How can ____ choose ____ diesel, ____ electric cars?

____ possible to pick categories ____ specific engine ____?

____ there a category ____ the type of ____ that ____?

____ on ____ hybrid ____ or ____ EV, there are ____ groups.

____ there specific ____ choices for ____ hybrid or ____?

____ there a ____ for ____ type of ____ choose?

____ a choice of ____ diesel, hybrid, ____ electric ____?

____ there ____ categories ____ gasoline ____ electric?

Are there ____ categories ____ engines?

Is it ____ a ____ according ____ your engine?

____ it possible ____ choose categories based ____ the ____?

What ____ of ____ should ____ picked based ____ engine ____?

Will I ____ different sections ____ gasoline, ____ or ____?

There ____ categories for ____ engines.

Do you have ____ pick a ____ engine?

I ____ different ____ for gasoline and ____ engines.

____ groups ____ on whether ____ gas-powered,diesel-driven, hybrid vehicle ____ electric ____.

You ____ any ____ vehicle engines ____ gasoline/diesel/ hybrid/electric?

Are ____ specific options ____ gasoline, ____ electric?

Which ____ the ____ are ____ for ____ diesel, hybrid ____ engines?

Is ____ possible ____ category according to your ____?

Do you ____ options ____ the ____ of engine (gasoline, ____)?

Is the ____ gasoline, ____ or ____?

There ____ based ____ the engine ____?

____ you ____ options in the range ____?

Do you ____ specific engine options for ____ diesel, hybrid ____?

Can I ____ based on ____ engine's fuel ____?

____ I choose between ____ gas, ____?

____ that ____ categorization ____ choosing ____ on the engine type?

____ specific engine options for ____ diesel, hybrid ____?

____ it ____ based on engine?

____ it possible to ____ between ____?

____ categories that can ____ based ____ the ____ of engine.

____ different categories ____ gas/diesel/hybrid/electric ____.

Will ____ find ____ based ____ type?

There ____ for gas/diesel or ____.

Are ____ any ____ for ____?

____ have any ____ options for vehicle ____ gasoline/diesel/ ____?

Do ____ categories to ____ from based on the ____?

Will ____ find sections ____ different types ____ engines ____ hybrid ____ electric?

Do ____ offer ____ of engines like ____ hybrid?

____ any ____ that suits ____ as gas ____ electric?

Can ____ between gas/diesel/ ____?

Will I be ____ out ____ on ____ engine type?

____ there specific categories for ____ type ____ engine ____?

gas/diesel/ ____ any ____ to pick based ____ engine ____?

Is it ____ different ____ based ____ the ____ engine type?

____ possible to ____ a category according to ____ engine ____?

____ there ____ different ____ different types ____ like gasoline, ____ hybrid ____ electric?

____ are any ____ options ____ the ____ type?

Do ____ think I should ____ the specific engine ____?

____ any ____ to electric and gas engines?

____ it possible to ____ a ____ based ____ engine's fuel ____?

You have different ____ for ____ gasoline/diesel/ ____.

Are ____ specific ____ based ____ of ____ you choose?

There are categories ____ engine, ____ prefer gasoline, ____ hybrid?

Depending ____ whether the ____ is gas-powered,diesel-driven, ____ EV, ____ are ____.

____ it ____ categorized by ____ hybrid or electric ____?

What are the categories to ____ on ____?

Do we ____ options ____ hybrid ____ electric cars?

____ there ____ classes for ____ hybrid or electric?

____ on ____ engines, are ____ vehicle ____ for ____ and ____ or electric?

____ choices ____ available for ____ hybrid or electric ____?

Is it possible ____ Engine ____ gasoline ____ electric?

Should you choose ____ diesel, ____ hybrid/electric ____ on ____ engine ____?

Do there ____ separate options for ____ hybrid ____?

Is it possible ____ select ____ based ____ the ____ fuel ____

Do ____ need ____ category ____ gas/diesel/ hybrid?

____ there be separate ____ gasoline,diesel, hybrid ____ electric ____?

Do you ____ of ____ diesel, hybrid ____ electric ____?

____ there specific ____ for fuel ____?

____ a ____ class ____ gasoline, diesel, hybrid ____ electric?

____ it ____ select a vehicle ____ on the fuel ____.

Do ____ for gasoline, ____ hybrid, and ____?

____ options are ____ for ____ hybrid or electric ____?

____ possible ____ among gas/diesel/ ____ engines.

____ I pick ____ based ____ type?

Is it ____ to ____ categories ____ on engine ____?

Do ____ exist ____ gasoline ____ electric engines?

____ the selection ____ gasoline, diesel, hybrid ____?

Do ____ categories exist ____ type ____ engine ____ choose?

Is ____ a ____ gas/diesel/ ____ engines?

The ____ are ____ whether the engine is ____ hybrid, ____.

____ you ____ for ____ and ____ engines?

____ to pick a ____ type ____ engine from ____ categories?

____ there a ____ hybrid vehicle and ____ vehicle?

____ if there ____ options for gasoline, ____ hybrid or ____?

____ choose ____ with ____ engine's ____ type in mind?

There are ____ depending ____ it's ____ vehicle, ____ electric vehicle.

_____ there _____ can choose _____ to your _____ engine?

_____ there a _____ option based _____ type and _____?

Can _____ gas, diesel, _____ or _____?

Is _____ organized _____ to _____ from gas, diesel, _____ cars?

You folks have different choices _____ engines, _____?

Is _____ a _____ for _____?

_____ a _____ for _____ hybrid/electric engines?

Is _____ a specific _____ the _____ engine _____ want?

Do _____ offer any _____ for gas _____?

_____ you _____ a category _____ engine?

Is _____ categories _____ gas/diesel, hybrid/electric _____?

_____ specific vehicle classes _____ gasoline, diesel, _____ electric?

You _____ any different choices _____ gasoline, diesel, _____ electric?

_____ there _____ the range of _____?

_____ an engine category, like _____ or _____?

Is there any _____ for _____ gasoline, diesel, _____ or _____?

Is there _____ choice _____ diesel, _____ or electric?

_____ pick a category for _____?

_____ there a _____ for gas/diesel, _____ electric _____?

_____ separate _____ for gasoline, diesel, hybrid or _____?

Is there any _____ here?

Will _____ be separate _____ diesel, hybrid _____ engines?

_____ possible to _____ vehicle category _____ it's fuel type?

Are there any _____ type and _____?

Is _____ to pick _____ vehicle category based _____ fuel _____.

_____ specific options _____ there for _____?

_____ there be _____ gasoline, diesel, hybrid, _____ electric _____?

_____ have _____ choice _____ gas/diesel/ hybrid/electric?

There are certain categories _____ from _____ on the _____.

Do _____ offer any different _____ diesel, _____ electric)?

_____ the _____ linked to _____ diesel, _____ or _____ engines?

Is there _____ way to _____ on _____ type?

_____ are categories _____ engines.

_____ different options for _____ engines like gasoline/diesel/ _____?

_____ specific _____ be chosen _____ on _____ engine used?

What _____ do you offer _____ like gasoline/diesel/ _____?

Is the _____ organized _____ on _____ types _____ gas, diesel or _____?

Can I choose _____ and electric _____?

There _____ on whether _____ hybrid, or electric _____.

_____ there be _____ to _____ based on the _____?

_____ it permissible _____ pick _____ category like _____ electric?

Is it possible _____ categories _____ on the _____ engine?

Will _____ categories _____ I _____ be based _____ specific _____ type?

There _____ depending on _____ gas-powered, diesel-driven, _____ or electric vehicle.

_____ based on _____ engine used?

Do specific vehicle _____ for _____ diesel, _____ or _____?

_____ you offering any _____ categories _____ gas _____ engines?

Can I select _____ based on an _____?

_____ possible _____ choose _____ engine category, _____ electric _____ gasoline?

I am _____ I should pick _____ gas/diesel/ _____ engines.

_____ different engine _____ like _____ hybrid/electric?
 _____ possible to _____ different _____ like gas/diesel/electric?
 Are _____ for gasoline _____ engines?
 _____ the _____ type, any specific _____?
 Is it possible _____ diesel, _____ or electric _____?
 Is _____ the engine's fuel _____?
 Can petrol/ hybrid _____ cars _____ different _____?
 Do _____ options include gasoline, _____ engines?
 _____ you _____ diesel, _____ hybrid/electric? _____ are categories _____ on _____ engine _____ is.
 _____ selection _____ on gasoline,diesel, hybrid _____ engines?
 _____ a _____ based on fuel type?
 _____ I have _____ between _____ hybrid or _____ cars?
 Does _____ involve selecting based on the _____?
 Is it _____ by _____?
 Is _____ to _____ a category based _____ your _____?
 _____ I have to choose a category _____ on _____?
 _____ category _____ or electric engines?
 _____ are _____ based _____ of engine that you choose.
 _____ offering _____ categories _____ gas and _____ vehicles?
 _____ you _____ categories for _____ and _____?
 Do _____ have _____ that suit _____ gas engines?
 _____ possible _____ specify my preference _____ gas, _____ hybrid, _____ electric?
 Do you have any _____ to _____ engine _____?
 _____ there _____ for _____ engines?
 Do you have _____ engine _____ hybrid, or _____?
 _____ based on _____ engine type?
 _____ the _____ involve _____ based on _____?
 Are _____ categories _____ on _____ type of engine _____?
 Is _____ possible _____ pick a category _____ on _____?
 There are different _____ whether _____ gas-powered,diesel-driven, _____ hybrid vehicle or _____ electric _____.
 _____ to know if _____ can _____ a _____ based _____ type.
 _____ any categories _____ gas/diesel/ _____?
 _____ specific engine types like gas, diesel _____ hybrid?
 Will there be _____ sections for gasoline, _____?
 Is the _____ about _____ based _____ type?
 _____ it possible _____ to the engine used?
 Is there _____ way _____ based _____ the _____ engine _____?
 Is it possible _____ between _____ diesel, _____ electric _____?
 Depending on _____ engines, are _____ specific vehicle _____ electric?
 Are _____ any _____ for _____ engines, like gasoline/diesel/ _____?
 Is _____ any _____ gas/diesel/hybrid/electric _____?
 There are different options _____ gasoline, diesel, _____
 _____ it possible _____ according to the engine?
 Do you offer _____ engine _____ like _____ diesel, _____?
 Do _____ electric and _____ engines?
 _____ I _____ to pick a _____ category for _____?
 _____ specific _____ based on what fuel _____ is?
 _____ are _____ groups depending _____ whether _____ gas-powered,diesel-driven, a _____ vehicle, or _____.
 Can _____ choose a specific _____ available categories?
 Do you _____ any _____ gas _____ electric _____?

What ____ do you ____ for ____ engines, ____ hybrid,electric?
 ____ possible ____ pick between petrol or hybrid ____ the ____?
 Any ____ engine ____ choose from?
 Can ____ choose ____ gas, diesel, ____ electric ____?
 Can ____ choose ____ on ____ engine ____?
 ____ there ____ option ____ different fuel ____ and ____?
 ____ it ____ specific categories based ____ the ____ of motor?
 There ____ groups ____ on whether it's gas-powered,diesel-driven, ____ ____.
 Do ____ an ____ category like ____ or electric?
 Is there an organized way to ____ or ____?
 Do ____ offer any ____ for ____ or ____?
 ____ it possible ____ choose between gas, diesel, ____?
 ____ different groups depending ____ it's ____ or ____ vehicle.
 ____ am wondering if I ____ a category ____ on the ____.
 Is ____ option for ____ diesel, ____ or electric ____.
 ____ I choose ____ electric?
 ____ make a ____ between gas, ____ hybrid or ____?
 ____ possible to ____ choices according ____ engine varieties like ____ diesel ____?
 ____ if I can choose a ____ based ____ type.
 Are ____ categories for ____ or ____?
 Depending ____ engine, are there specific classes ____ electric ____?
 I am wondering ____ can ____ category ____ on its fuel ____.
 ____ it possible ____ choices to be ____ according ____?
 Do you ____ the ____ organized according ____ types?
 Is it possible ____ from ____ engines, ____ hybrid power?
 Is ____ selection ____ gasoline, ____ hybrid or ____ engines?
 ____ have ____ choices for vehicle ____ like gasoline/diesel/ ____?
 ____ we ____ on the ____ type?
 Can ____ pick out ____ based ____ specific ____ type?
 Is ____ possible ____ pick an engine ____ or ____?
 ____ are based ____ engine, ____ prefer gasoline, ____ or electric?
 Is ____ possible to choose ____ the specific ____ type?
 Can ____ choose among gasoline, ____?
 Can ____ categories ____ on the engine ____?
 ____ possible to ____ based on engine's fuel ____?
 Is ____ possible ____ offer ____ for gas ____ electric ____?
 Do you ____ are for gas ____ electric ____?
 Is it ____ choose ____ diesel, hybrid, and ____?
 ____ pick from depending ____ the ____?
 ____ I ____ categories ____ on the ____ type?
 Is there ____ gas/diesel/ hybrid/electric ____?
 There are different categories ____.
 What choices are available ____ diesel, ____ or ____?
 ____ you have ____ that ____ and gas ____?
 ____ options based ____ type?
 Is it possible ____ based ____ used?
 Is ____ possible ____ choose a ____ the fuel type.
 Is ____ options based on ____ engine type?
 Can ____ a ____ based ____ type?
 ____ I ____ the vehicle ____ on fuel ____?

Will I choose _____ particular engine _____?

_____ it possible to choose from _____ like gas, _____ hybrid _____?

_____ the _____ grouped by _____ hybrid or electric _____?

_____ there _____ choices _____ diesel, hybrid, or electric?

_____ there _____ for gasoline _____ vehicles?

_____ there _____ based on _____ engines?

Is _____ assign _____ based on the fuel _____?

Is _____ a _____ hybrid/electric _____?

_____ are categories based on the _____ you _____.

Should _____ prefer gasoline, _____ hybrid, _____ categories.

Is _____ a specific _____ for the _____ of engine _____?

Did _____ have _____ engine _____?

_____ I _____ choose between gas/diesel/hybrid/electric _____?

_____ it possible _____ a _____ category based on its _____?

_____ there have options _____ on _____?

_____ specific _____ that you can _____ based on _____ engine _____?

I'm _____ if _____ can choose a _____ fuel type.

_____ there a category _____ on _____ type _____ you _____?

Can you _____ if you _____ engine category?

Is _____ pick _____ engine _____ like gasoline or _____?

Are there _____ categories for _____?

Depending upon _____ type of motor, _____ from?

Is _____ choose _____ gas/diesel/hybrid/electric?

_____ the engine used, _____ possible to choose _____.

Is _____ choice _____ on _____ type?

_____ you offer choices _____ gas _____ vehicles?

_____ separate sections for gasoline, diesel, _____ electric _____?

Can I _____ between _____ electric models?

_____ offer a choice _____ vehicle _____ like _____ hybrid/electric?

Do there _____ separate _____ gasoline, _____ and electric _____?

Do _____ think the choices are _____ to _____?

_____ I be able to find separated _____ diesel, hybrid _____?

_____ are _____ gas, diesel and hybrid _____.

_____ have choices _____ engine _____?

_____ I _____ gas/diesel, hybrid, _____ engines?

Do _____ have _____ for gas/diesel, _____?

_____ there be _____ sections for _____ diesel, _____ or _____.

There _____ groups _____ on _____ gas-powered, diesel-driven, hybrid _____ electric.

When _____ vehicles _____ to fueling methods, can _____ categorization _____?

Is there _____ category _____ on the engine _____?

_____ there _____ way _____ choose categories based _____?

_____ there _____ and electric engines.

Is _____ way to choose _____?

_____ I need _____ category for _____ engines?

Can _____ category _____ on _____ type of engine?

Can I choose _____ based _____ engine's _____?

_____ different _____ based _____ they're gasoline, _____ hybrid or electric.

_____ there _____ categories based on _____ type _____ engine you _____?

Is _____ divided into _____ and electric engines?

_____ it possible to pick the _____ preferred _____?

_____ category for gas/diesel/ _____ Engines?

Is it _____ to pick _____ engine _____ electric?

Is _____ possible to pick _____ based on _____ type _____ engine?

_____ are different _____ choose from _____ on the _____ engine.

Is there any _____ vehicle _____ diesel, hybrid _____?

Is _____ choice _____ types and _____?

I _____ if _____ can pick a category _____ on _____ fuel _____.

_____ was wondering _____ I _____ select _____ based on _____ type.

_____ I choose from _____ electric?

_____ you offer _____ diesel, hybrid or _____ vehicles?

_____ options _____ vehicle engines like gasoline/diesel/ hybrid/electric?

_____ it _____ for me _____ choose between _____?

There _____ categories based on the type _____ engine _____.

_____ have _____ categories to pick based _____ type?

Is _____ specific group _____ hybrid _____ an EV?

Is _____ to _____ different engines like gasoline/hybrid _____?

Is it possible _____ the categories based _____ engine _____?

_____ are available categories _____ type.

_____ sections _____ different types of _____ such as _____ or electric?

How _____ based _____ type?

You offer different _____?

_____ there _____ options _____ gasoline, _____ hybrid or electric _____?

Is _____ for you _____ pick _____ on your _____ engine?

There _____ certain categories to _____ on _____ type.

_____ preference between gas, diesel, _____ or electric?

_____ between _____ hybrid _____ electric cars?

_____ you _____ allowed _____ pick a category _____ preferred engine?

Is there _____ specific _____ want _____ based _____ engine type?

_____ categories for gas/diesel, hybrid/electric _____.

_____ have _____ for hybrid/electric _____?

_____ there _____ sections for _____ types of _____ as gasoline, diesel, _____?

Is _____ selection _____ by _____ of _____?

Do the chosen _____ what kind of _____ being _____?

_____ wondering if I _____ select a _____ based _____ fuel _____.

_____ have the ability to pick _____ category _____ engine?

_____ you _____ the categories based _____ car engines?

Is _____ that applies _____ gas and electric _____?

The selection _____ categorized by _____ diesel, _____ engines.

_____ do you _____ categories _____ on _____ engine type?

What _____ the available options _____ electric engines?

_____ you group the _____ to _____ preferred _____?

_____ possible to choose from _____ and electric _____?

Is there _____ option _____ hybrid, and _____?

Do _____ selections _____ diesel, hybrid _____ electric _____?

Is it possible to set _____ engine _____?

Are _____ any categories _____ engines _____ as _____ electric?

Is _____ possible _____ pick _____ category based on _____.

_____ you choose _____ diesel, hybrid _____ electric, _____ categories based on _____ engine _____.

I wonder _____ category based on the _____ type.

Is there _____ fuel type: _____?

I was ____ if I could _____ on ____ type.
 Are _____ categories ____ on ____ type ____ engine?
 Are you able _____ your _____?
 _____ wondering if ____ can ____ a vehicle category _____ type.
 Is _____ to ____ my preferred _____ diesel, hybrid or ____?
 _____ there _____ choices for gas, diesel, ____ or ____?
 _____ option for gasoline, ____ hybrid, and electric?
 Do you ____ the _____ choose ____ categories ____ on _____ used?
 _____ possible ____ chose based on _____?
 _____ available for gas, ____ hybrid ____ electric vehicles?
 Are I _____ category for ____ hybrid/electric engines?
 Do ____ have engine _____ diesel, _____ electric vehicles?
 _____ available for ____ diesel, hybrid or electric ____?
 _____ I _____ to specify ____ preference from gas, diesel, _____?
 _____ is ____ question _____ gas/diesel/ hybrid/electric engines.
 _____ it possible _____ from _____ varieties like gas, ____ or ____ cars?
 _____ specific _____ choose from ____ on ____ type of engine?
 Is there _____ for the type of _____ want _____?
 _____ possible ____ specify my ____ from gas, _____ or electric ____?
 Can I _____ hybrid/electric?
 Is there _____ categories based on ____ specific engine ____?
 _____ the ____ be ____ according _____ types?
 _____ any different ____ for ____ engines, like gasoline,diesel, ____?
 _____ I choose _____ on the _____ type?
 Do we have different _____ type ____ engines?
 _____ selection sorted by gasoline, diesel, _____ electric ____?
 _____ to choose among various engines _____?
 _____ you have _____ gas- or _____?
 Will there _____ classes for ____ diesel, and ____ or ____?
 Considering _____ type, ____ specific categories _____?
 I want to _____ my preference ____ gas, ____ hybrid or electric ____.
 _____ you ____ me ____ any specific ____ based ____ engine ____?
 Is there a _____ the _____ engine ____ to choose?
 Can I ____ between _____ hybrid _____ cars?
 _____ the specific ____ to _____ on the motor?
 _____ you offer any _____ engines like ____ hybrid/electric?
 Is the ____ categorized ____ to gasoline, _____ electric ____?
 Is _____ to ____ based on ____ engine type.
 _____ you _____ gasoline, diesel, hybrid, electric?
 _____ to pick _____ the ____ of engine?
 _____ specific _____ for gasoline, diesel, hybrid ____ electric?
 There ____ specific groups _____ the _____ gas-powered,diesel-driven, or an electric ____.
 _____ I choose _____ hybrid/electric?
 Is _____ to ____ a ____ based ____ the ____ fuel type.
 Is _____ way to pick _____ the specific engine ____?
 Is it _____ based _____ type
 _____ have ____ choices for _____ like ____ hybrid,electric?
 Are there _____ diesel, hybrid or ____ vehicles?
 _____ want ____ know _____ can choose between _____ hybrid or ____ models.
 _____ a category for gas/diesel/ hybrid or ____ engines?

_____ categories are _____ on the engine _____ you prefer gasoline, _____ ?
 _____ the categories I choose _____ on _____ specific _____ ?
 _____ gasoline, _____ or _____ there _____ categories based on it.
 _____ the engines, is there _____ class for hybrid _____ ?
 Is it _____ choose category _____ the _____ type?
 _____ choose among different _____ of _____ ?
 _____ there any _____ engine options based _____ whether _____ gasoline, _____ hybrid, _____ ?
 Do there _____ for gasoline, _____ and electric _____ ?
 Are there _____ for gasoline, diesel, hybrid, _____ ?
 Is _____ possible to _____ choices _____ engine types?
 _____ there a _____ for _____ hybrid, or electric?
 _____ possible to pick a _____ according _____ the _____ you _____ .
 Do _____ have choices _____ fuel _____ ?
 Is _____ any _____ for _____ hybrid/elec?
 _____ there a specific _____ the _____ engine you _____ ?
 Is there _____ choice _____ gas, _____ or _____ engines?
 Do you _____ any _____ pick based on _____ ?
 _____ specific _____ are _____ hybrid, and electric?
 _____ it _____ choose _____ particular _____ or engine group?
 _____ I choose _____ category _____ engine fuel _____ ?
 _____ a _____ category for _____ fuel type?
 Is it _____ pick certain _____ depending on _____ ?
 I am _____ I _____ pick _____ vehicle _____ on _____ type.
 Do you _____ choices according to _____ ?
 _____ you _____ options _____ category?
 Do you think _____ should _____ based _____ specific engine _____ ?
 _____ it _____ to _____ among _____ gas/diesel/ hybrid/electric _____ ?
 _____ there _____ to pick _____ on _____ engine type?
 Is _____ a specific _____ for electric _____ ?
 Is _____ possible to create _____ category _____ on _____ of the _____ ?
 Is there _____ that _____ can select _____ to your _____ ?
 Do you offer _____ between _____ hybrid _____ vehicles?
 _____ gasoline, _____ or hybrid, there are _____ on engine.
 Is _____ possible _____ a specific category _____ on _____ used?
 _____ it _____ pick a vehicle _____ based on _____ fuel _____ ?
 Is it possible _____ pick _____ on the _____ engine _____ ?
 Is the gasoline/diesel/ _____ ?
 _____ there _____ sections _____ petrol, diesel, hybrid _____ engines?
 _____ offer categories for _____ vehicles?
 _____ it possible to _____ type?
 _____ possible _____ a category according to _____ type?
 Any _____ to _____ on the engine _____ ?
 I'm _____ I can _____ vehicle _____ on fuel type.
 Is _____ a specific _____ for the _____ of _____ that _____ ?
 Is _____ an option _____ type: _____ ?
 _____ groups _____ on whether _____ vehicle or an electric vehicle.
 Is _____ a choice _____ gasoline, diesel, hybrid _____ ?
 Any options _____ engine _____ range _____ GAS/DIESEL/HYBRID?
 Can _____ choose _____ like _____ or _____ ?
 _____ between gas, diesel _____ hybrid?

_____ groups depending on whether _____ vehicle is _____ electric vehicle.

Do _____ have to _____ hybrid/electric?

Is it _____ select _____ category _____ engine fuel type?

Is _____ to pick a _____ using its _____?

_____ there a _____ depending _____ whether it's _____ vehicle, or an electric _____

_____ there _____ specific _____ for _____ and hybrid or electric?

Are you able _____ select _____ category according _____ you _____?

Can _____ between gas,diesel, _____ and _____?

There _____ depending on _____ the _____ is gas-powered,diesel-driven, _____ electric.

_____ I choose a _____ on the engine's _____?

_____ wonder _____ select a _____ category based on _____ type.

_____ selection include gasoline, _____ hybrid _____ electric _____?

_____ the categories _____ engines?

_____ are _____ for gas/diesel, _____ electric _____.

_____ to _____ categories based on the _____ engine _____?

There _____ be _____ for _____ and electric engines.

Is it possible _____ for the _____ fuel _____.

_____ have different _____ by the type _____?

I _____ if _____ an engine category, like _____ electric.

_____ could be _____ options _____ on fuel _____ and _____.

_____ there exist separate options for _____ electric _____?

_____ selection _____ be _____ into _____ hybrid or electric _____.

Will _____ find a category _____ the _____ type?

Do available _____ the engine _____?

_____ tell me if there are _____ to choose _____ based _____ engine?

_____ I _____ from different types _____?

_____ any option for _____ gasoline,diesel, _____?

_____ there any choice _____ diesel, _____ or electric?

_____ there _____ specific vehicle class for _____ diesel, _____?

Is _____ by _____ diesel, hybrid or _____ engines?

_____ there _____ selection _____ diesel, hybrid or electric _____?

Can _____ any _____ options based on engine _____?

Is it possible to _____ based _____ type?

_____ different categories to choose _____ based _____ of engine.

_____ there _____ categories _____ engines?

_____ I need to pick out _____ hybrid/electric _____?

Is it possible _____ select a _____ type?

_____ the _____ diesel, hybrid _____ electric engines?

Is _____ options based on _____ type and _____?

Will there _____ sections for each _____ of _____ such as gasoline, _____?

_____ the _____ of motor, _____ category to choose _____?

_____ choose from gas,diesel, _____?

_____ possible to _____ a vehicle based _____ type?

_____ hybrid/electric _____ are categorized by _____?

_____ I _____ gas, _____ hybrid and _____?

Can _____ choose a _____ on the _____ type?

_____ a category based _____ type of engine available _____?

Can specific categories _____ chosen _____ the _____?

_____ pick a _____ based on an engine's _____ type.

Can there be _____ gasoline, diesel, _____ or _____?

Is _____ separate _____ for petrol, diesel, _____ and _____?

I want _____ there are different _____ and electric _____.

_____ provide different _____ depending on the _____ engine?

Do _____ need a _____ engines?

I _____ wondering _____ could choose _____ category based _____ engine's fuel _____.

_____ there _____ split sections _____ gasoline, _____ or electric _____?

Can I select an _____ like _____?

_____ gasoline, diesel, hybrid _____ electric, _____ engine options.

Do _____ have categories _____ engines?

Are you able _____ specify a _____ according _____?

_____ I find split sections _____ such as _____ diesel, hybrid _____ electric?

_____ based _____ the engine type?

Is _____ specific engine _____ for gasoline,diesel, hybrid _____?

_____ there _____ category you can select according _____?

_____ I _____ among gas, _____ and _____?

_____ you _____ diesel, _____ are _____ based on _____ engine it is.

_____ type _____ motor, which categories _____ be chosen?

_____ it categorized by gasoline, _____ hybrid _____?

_____ categories to choose from _____ the _____?

_____ you _____ of gasoline, diesel, _____ electric?

Do _____ have to choose between gasoline, _____?

Is there _____ vehicle class _____ and _____ or electric?

_____ there an _____ way to _____ gas,diesel _____ cars?

According _____ engine type, _____ categories to _____?

Is _____ any specific options _____ type and _____?

_____ need a category _____ gas, _____ hybrid, _____ electric _____?

_____ you have _____ based on _____?

Is _____ to _____ different engine types?

_____ there _____ any _____ categories _____ electric _____ gasoline engines?

_____ exist _____ gas/diesel/hybrid/electric engines?

Can _____ category according to your _____?

_____ options _____ on _____ fuel type.

_____ it _____ to pick _____ based _____ engine used?

Do I _____ pick _____ gas/diesel/ hybrid/electric engines?

Is _____ specific _____ for gas-powered,diesel-driven, _____ or an _____?

_____ options _____ there for _____ hybrid/electric?

Is there _____ category _____ I _____ on the _____ of _____?

_____ use the _____ type to _____ a _____?

Is there any category _____ can pick _____ engine _____?

_____ type of engine, are _____ categories?

There are _____ based on _____?

Is _____ categorized as _____ hybrid _____?

Do you think the _____ according to _____ engine _____?

Can you pick _____ to _____ engine _____ use?

_____ groups _____ on whether the vehicle is _____ gas-powered,diesel-driven, hybrid _____.

_____ you choose a category _____ to _____ engine _____?

_____ it _____ to specify my _____ hybrid or electric _____?

_____ a particular fuel _____ engine _____ to _____ from?

Is it possible _____ select _____ for _____ type?

Is _____ specific engine _____ based _____ of fuel it _____?

Depending ____ the ____ of engine, ____ there ____ categories to ____ ____?

Do ____ any ____ for gas/diesel/ ____ ____?

The ____ ____ the engine ____ is, should ____ prefer gasoline, ____ hybrid?

____ ____ particular engine ____ based ____ whether it's gasoline, diesel, ____ or ____?

____ ____ suit electric and gas engines?

Can I select a category ____ ____ ____?

____ you ____ which ____ to choose from based on ____ ____ of ____?

____ you ____ choices ____ engine ____?

____ it ____ to ____ based ____ specific engine type?

____ ____ to ____ an engine category ____ electric or ____.

Is there ____ for fuel ____ ____?

____ are ____ gas, diesel, hybrid, ____ electric engines?

Does ____ categorization ____ for choosing based ____ the ____?

Do ____ categories ____ gas, ____ hybrid, and ____ engines?

____ a specific ____ petrol, diesel, hybrid and ____?

How ____ pick categories ____ engine type?

____ there ____ specific ____ for gasoline, diesel, hybrid and ____?

____ a ____ category to pick for the ____?

____ selection ____ gasoline, diesel, hybrid or ____ engines?

____ engine options are based ____ gasoline, ____ or electric.

Do there different ____ engines?

Do ____ different categories for ____ and ____?

____ it ____ choose ____ particular ____ group?

Is ____ choice between gasoline, diesel, hybrid ____?

Does ____ feature ____ for ____ gas powered vehicles?

Is ____ vehicle category based ____ fuel ____?

____ any ____ options for gasoline, diesel, ____ or ____?

____ a way ____ pick categories based on ____?

____ to ____ between gas, diesel, ____ and electric ____?

There are ____ for gasoline ____.

____ I ____ according to ____ type?

____ should ____ based on ____ engine type?

____ you ____ different ____ kind of ____?

Do ____ the ____ gasoline, diesel, ____ or electric engines?

Can ____ engine types?

____ the selection comprised ____ gasoline, diesel, hybrid ____?

____ there ____ for gas/diesel/ ____?

Should ____ gasoline, diesel ____ there are ____ which engine ____ is.

Is it ____ specify ____ preference ____ diesel, ____ electric models?

____ specific engine options based on ____ diesel, hybrid ____?

____ it ____ different engines for cars like ____ power?

____ on whether ____ gas-powered, diesel-driven, ____ or ____ electric vehicle, there ____ groups.

____ choices ____ range for ____ GAS/DIESEL/HYBRID/ELEC engine ____?

____ are ____ groups ____ whether ____ gas-powered, diesel-driven, a hybrid ____ or ____ electric ____.

Can ____ choose ____ gas, diesel, ____ electric ____?

____ have separate ____ for ____ hybrid or electric ____?

Is ____ to ____ category based ____ the engine ____?

____ are ____ for ____ engines.

Is ____ to choose ____ different gas/diesel/ ____?

____ if ____ should pick a ____ gas/diesel/ ____ engines.

Is it _____ selection a _____ based on _____ fuel _____?
_____ any categories related _____ gas and electric _____?
_____ I _____ gasoline, diesel, _____ or electric?
_____ I select _____ diesel, _____ or _____?
Do you _____ options _____ on _____?
Can _____ from categories _____ on the _____ type?
Should _____ prefer _____ diesel or _____ are categories _____ which _____ is.
_____ the selection _____ includes _____ diesel, hybrid _____ electric _____?
_____ have different choices _____ vehicle _____ gasoline/diesel/ hybrid/electric, _____ that _____?
I have _____ about selecting _____ vehicle _____ on fuel _____.
_____ choice arranged according _____ engine _____ gas, _____ or hybrid _____?
Will _____ be _____ hybrid/electric engines?
Do _____ have _____ for gasoline and _____?
_____ to pick _____ engine type?
Is _____ chose _____ gas/diesel/ hybrid/electric?
Do _____ have to _____ a subcategory _____ hybrid/electric _____?
Do you _____ kinds _____ engine (gasoline, _____ hybrid, _____?
_____ on whether it's _____ gas-powered,diesel-driven, _____ electric _____ there are specific _____.
_____ categories for gas/diesel/electric _____.
_____ there any _____ for _____ and _____?
_____ there _____ selection for _____ hybrid/electric _____?
_____ it _____ pick category based on the _____?
_____ have _____ options by the _____ of _____?
There can be _____ based _____.
_____ I pick categories based _____ engine _____?
_____ the available categories _____ on _____?
_____ a category _____ hybrid/electric engines?
_____ you choose _____ the engine used?
Is _____ selection _____ on petrol, _____ or electric _____?
_____ there _____ engine _____ for _____ or electric?
Is it _____ to specify my _____ gas, diesel, _____?
_____ you have _____ choices for _____ diesel, hybrid, _____ electric _____?
Is _____ specify my _____ gas, diesel, hybrid _____ electric?
_____ different choices _____ vehicle engines like gasoline,diesel, _____?
_____ are certain _____ gasoline _____ engines.
_____ it possible _____ based on the _____ type?
_____ there any specific _____ if it's gasoline, _____ hybrid, _____?
There _____ options depending on _____ is gasoline, _____ hybrid _____ electric.
Is there _____ engine _____ for gasoline, diesel, _____?
_____ exist subcategories _____ gas/diesel/ _____ engines?
_____ choose _____ diesel, hybrid, _____ electric?
_____ there different vehicle _____ diesel, and hybrid _____?
Depending on your _____ you _____ category?
_____ by engine category?
_____ for vehicle engines _____ hybrid/electric?
_____ categorization involve choosing based _____ the type _____?
_____ there _____ category for _____ hybrid/electric _____?
Is _____ possible _____ a _____ based on fuel _____?
_____ you _____ diesel, hybrid or _____ there _____ categories _____ on _____.
Is it _____ category by the sort _____?

_____ have different _____ engines like gasoline, _____ and electric?
_____ there _____ for _____ diesel, hybrid or _____ cars?
_____ there _____ choose categories based _____ engine used?
Depending _____ the type _____ are _____ specific categories _____ chose _____?
_____ diesel/diesel/ hybrid/electric, there _____ categories.
_____ there be specific engine _____ if _____ hybrid _____ electric?
_____ your _____ options for gas _____ electric _____?
_____ it possible _____ between gas,diesel, hybrid or _____?
Is it possible to pick a _____ of _____?
_____ have _____ categories _____ and electric?
_____ the _____ divided into _____ diesel, _____ or _____?
_____ categories based _____ the type _____ engine you _____?
Is _____ gasoline, diesel, hybrid and _____ engines?
_____ I have _____ choose from _____ engine type?
Is the _____ organized _____ types _____ diesel _____ gas?
_____ a list _____ categories _____ gas/diesel/ hybrid/electric _____?
_____ any _____ that are suitable for _____ electric _____?
_____ possible to _____ choices based on _____ engine _____ like _____ or _____ cars?
_____ there a category for _____ engines?
_____ category for _____ type _____ engine you desire?
Depending _____ of _____ what categories _____ I choose?
Is there a _____ type _____ engine _____ want to _____?
_____ specific _____ engine groups _____ from?
Is _____ an organized _____ to _____ diesel, _____ cars?
_____ are certain categories _____ engines.
_____ possible _____ choose categories _____ the specific type _____ engine?
_____ that you have _____ engine category?
Is there _____ category for _____?
Do _____ offer the choice _____ hybrid _____ electric _____?
Do I _____ categories based on the _____ engine _____?
Do _____ have choices _____ engine _____?
_____ there a _____ gas _____ electric _____?
_____ the available categories _____ the _____ of _____?
Any _____ in _____?
Is there _____ of _____?
Is _____ a group _____ gas-powered,diesel-driven, hybrid vehicle _____?
Can I select _____ on _____ fuel type _____ the _____?
_____ there specific groups for gas-powered,diesel-driven, hybrid _____?
Different _____ possible _____ on the _____ of _____.
Is _____ about gasoline, _____ hybrid _____ electric _____?
_____ are _____ based on whether the _____ gasoline, _____ or _____.
Is it possible _____ categories based on _____?
Does your _____ include options _____ gas _____ vehicles?
I want to know _____ a vehicle _____ based _____ fuel _____.
What are the options _____ petrol, _____ engines?
Should I _____ engine category, _____ or _____?
Will _____ sections for gasoline, _____ or electric _____?
Will _____ be _____ find separated _____ diesel, _____ or electric engines?
_____ be able _____ different _____ based on the _____ type?
Do _____ to _____ types like gas, diesel or _____?

_____ it possible _____ based on the fuel _____ of the _____.

Can _____ on _____ of engine?

_____ categories _____ on the motor?

Is _____ selection _____ hybrid or electric engines?

Are _____ based on _____ type _____ engine you choose?

Is _____ a _____ for _____ gasoline, diesel, hybrid, _____?

_____ it possible to _____ my preferences _____ gas, _____ or _____.

_____ the engine _____ any _____ options are _____?

Is _____ selection _____ of engines?

Is _____ category _____ gas, diesel, hybrid, _____ engines?

_____ prefer gasoline, diesel, _____ electric? _____ are _____ based _____ that.

_____ to choose categories based _____ type?

There are groups _____ whether the _____ is gas-powered,diesel-driven, a _____ electric _____.

Depending upon the engine _____ categories _____?

_____ are the choices _____ diesel, _____ and electric _____?

Is there _____ to _____ vehicle category _____ on fuel _____.

Is it possible to _____ options _____ fuel type _____.

Is _____ a choice _____ gasoline, _____ hybrid, _____ electric _____?

_____ any _____ option based on gasoline, diesel, _____ or _____?

_____ different _____ diesel, hybrid or electric cars?

Are _____ any categories _____ electric _____?

_____ I use fuel type _____ pick _____?

Is there _____ fuel _____ for gasoline, _____ and _____?

_____ by gasoline, Diesel, hybrid _____ electric _____?

Is _____ a _____ choose certain _____ based _____ the engine _____?

_____ it possible _____ category according to the _____?

_____ I find _____ based _____ the _____ engine _____?

Is there a separate _____ each _____ engine _____ gasoline, _____ or electric?

Is there a _____ class for _____ hybrid _____?

There _____ groups _____ on whether _____ a _____ vehicle, _____ an EV.

_____ options are available _____ hybrid and _____ engines?

_____ to choose _____ on the _____ of motor?

Did _____ choosing _____ on the engine _____?

_____ be specific engine options for gasoline, _____?

There _____ whether it's gas-powered,diesel-driven, _____ or electric vehicle.

Do _____ have different _____ on _____ of engine?

_____ choose _____ gasoline, _____ hybrid or electric?

Will there be _____ choose from _____ on _____?

Do you _____ different _____ based on _____ kind _____?

_____ there _____ choice for _____ type: _____ hybrid, _____?

_____ the selection options for _____ or _____ engines?

What are the _____ categories _____ choose _____ engine _____?

_____ it possible to _____ according to _____?

Can you _____ me the _____ to _____ on _____ engine _____?

_____ it possible to _____ based _____ the engine _____?

_____ particular fuel or engine group _____ want _____ choose _____?

Do you offer _____ options _____ engines, _____ gasoline/diesel/ _____?

Will _____ separated sections _____ diesel, _____ electric engines?

Is it necessary _____ me _____ for gas/diesel/hybrid/electric _____?

_____ it _____ to _____ a category _____ on your _____?

_____ choices _____ on specific _____ types like gas, diesel _____ ?

Will I find categories _____ engine?

Is it _____ to pick _____ categories _____ on _____ ?

Are _____ choices for gas, _____ hybrid _____ ?

_____ there a _____ for _____ vehicle or _____ ?

Can I _____ category based _____ engine's fuel _____ ?

_____ I pick the _____ the _____ engine type?

_____ on _____ it's _____ hybrid vehicle _____ electric _____ are _____ specific groups?

_____ to _____ different _____ for cars, _____ gasoline _____ hybrid power?

Is there a _____ category _____ for _____ type of _____ ?

_____ a _____ of _____ hybrid/electric?

Do _____ have _____ vehicle category _____ fuel type?

There are categories based on _____ it _____ you use _____ ?

_____ it _____ to select _____ based _____ specific engine _____ ?

_____ there choices _____ category?

Can I choose an engine _____ ?

Is there a choice _____ ?

_____ I pick _____ category _____ gas, _____ hybrid, and _____ ?

Is _____ to _____ from gas, diesel, hybrid _____ ?

_____ are groups _____ on whether _____ or _____ .

Is it possible _____ selection _____ based on _____ ?

Are _____ gas/diesel/ hybrid/electric?

_____ include gasoline,diesel, _____ electric engines?

If you _____ gasoline, _____ there are categories.

_____ are specific groups depending _____ the vehicle _____ gas-powered,diesel-driven, _____ .

_____ to _____ category based on the fuel type?

_____ a _____ for a hybrid vehicle, or an _____ ?

Is _____ for _____ and electric _____ ?

Is there _____ specific _____ options _____ gasoline, _____ or electric?

_____ possible to _____ different _____ based on _____ used?

I wonder if _____ selection _____ categorized _____ hybrid _____ engines.

Is _____ a _____ pick _____ based _____ the _____ engine type?

_____ choose _____ category based on the _____ type of _____ ?

_____ have different _____ for _____ engines _____ gasoline/diesel/ hybrid/electric.

_____ have _____ select a category _____ gas/diesel/ _____ engines?

_____ you _____ choices _____ to the kind _____ engine?

any choices in _____ ?

_____ there _____ category for _____ .

Are there _____ categories _____ engine?

What are the _____ from based on _____ motor?

_____ it _____ according to specific engine types _____ cars?

Do you _____ gas/diesel/hybrid/electric _____ ?

_____ on whether it's gas-powered,diesel-driven, _____ vehicle, or an _____ .

_____ for gas, diesel, hybrid or _____ engines?

_____ category for _____ hybrid/electric engines?

Can I choose _____ gas, _____ hybrid _____ ?

There _____ certain _____ based on engine _____ .

Is _____ any category that _____ can _____ the motor?

Is _____ among gas/diesel/ hybrid/electric _____ ?

Is _____ choose _____ on the type _____ engine?

Do the categorizations _____ on _____ type?
_____ I need to _____ for gas/diesel/electric _____?
Is it categorized _____ hybrid or _____?
Do _____ any _____ electric _____ gas powered engines?
Is _____ the _____ on the engine type?
_____ any _____ options for _____?
Can _____ my _____ for gas, _____ electric models?
Is _____ to pick categories _____ specific _____ types?
_____ there _____ categories that work _____ gas and _____?
Is _____ a section for _____ of _____ gasoline, _____ hybrid _____ electric?
Will I _____ separate sections for _____ electric _____?
Does _____ involve _____ based on _____ type?
Will _____ to _____ gasoline, diesel, _____ or electric?
According _____ the _____ can _____ pick a _____?
You _____ different _____ like gasoline/diesel/ _____?
Is _____ a way to _____ categories _____ used?
_____ there be separate sections _____ gas, _____ electric _____?
_____ choice _____ type: gasoline,diesel, hybrid,electric?
Is _____ possible _____ me to _____ gas, _____ hybrid _____ electric?
_____ are _____ for _____ diesel, _____ or electric engines?
There _____ depending on _____ it's gas-powered,diesel-driven, _____ vehicle.
Are there specific vehicle _____ for _____ diesel, _____?
