

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Data usage and bandwidth queries
Inquiry Sub-Category	Unidentified data consumption
Description	Customers may notice unusual or unknown data consumption, such as higher-than-usual usage during specific times. They contact ISPs to identify the cause of this data consumption and explore potential solutions to minimize excessive usage.
Data Size	9,771 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

Why am _____ experiencing higher-than-usual downloads without _____ hours each _____?

_____ causing _____ download spikes?

_____ what _____ data reception only during _____ daily windows.
