

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Product specifications and features request
Inquiry Sub-Category	Device management and administration
Description	Customers want to know how the telecommunications equipment can be managed and administered, including features like remote administration, firmware updates, and device monitoring.
Data Size	5,167 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

Are _____ to _____ and _____ the telecommunications equipment _____?

I am _____ if I can _____ that _____ of _____ telecom equipment.

_____ there _____ update _____ management of _____ equipment?

Do _____ need _____ new _____ for managing _____?

_____ if I can get new _____ telecom _____ it easier _____ operate.

Are _____ updates _____ communications _____?

_____ if I _____ get _____ updates that will _____ it more _____ and _____ the _____ equipment.

I _____ I _____ get _____ updates that _____ ensure efficient _____ of _____ telecom _____.

Can Firmware updates _____ used _____ the _____ communications _____?

_____ equipment _____ effectively managed _____ Firmware updates.

I wonder _____ new updates for _____ telecom _____ control and handle equipment _____.

_____ wonder _____ I can _____ new updates _____ the _____ equipment _____ it _____ handle.

Can _____ be _____ for administering _____?

Are there _____ updates _____ better _____ administration _____ communications equipment?

_____ new _____ for managing _____ devices?

Can _____ updates be _____ to _____ the telecommunications?

_____ updates _____ for efficient telecom _____?

_____ if there is _____ new updates for _____ management of _____?

Is new _____ releases _____ to _____ administer communication _____?

Are Firmware updates _____ and _____ equipment?

I _____ can get _____ updates for _____ telecom _____ that would give _____ control _____ the _____.

There are _____ updates _____ to manage _____ devices.

Do _____ access to _____ upgrades?

Does _____ of communications _____ get _____?

Are Firmware updates available to administer _____?

I _____ if _____ can get _____ updates that _____ ensure better _____ of _____.

_____ to _____ if we can get _____ firmwares _____ effective _____.

Are _____ available _____ manage _____ equipment?

Does ____ telecom ____ and administration ____ necessary updates?
 ____ firmware updates ____ management better.

Do ____ updates for ____ equipment ____?
 ____ updates ____ for ____ management of telecommest ____?
 ____ updates be ____ manage and administerelecommunication ____?
 ____ I can get updates ____ will make ____ efficient to ____ telecom ____.
 ____ you offer firmware updates to ____ administration ____?

I wonder if ____ new updates for ____ telecom ____ that ____ control and ____ equipment more ____.

I wonder ____ I can get ____ telecom equipment ____ well oiled ____ in control.
 updated for ____?

I wonder ____ there ____ any updates ____ administration?

Is ____ a ____ update for ____?
 ____ updates available ____ manage the telecommes ____?
 ____ wonder ____ get ____ that ____ make ____ more efficient to handle Telecom ____.
 ____ if ____ get new updates ____ telecom ____ that will ____ it ____ to handle.

I ____ can ____ on ____ telecom equipment to make ____ better to ____ it.

Is ____ any updates for ____ management and ____?

Does ____ updates ____ and administer the phone ____?

Is ____ possible ____ Firmware ____ can ____ administer and manage telecommunications ____?

Do ____ there are upcoming ____ the better management ____ Telecommunications ____?

Are ____ available ____ the management ____ communications equipment?

Will new updates ____?
 ____ updates ____ equipment would make it ____ and control.
 ____ there any ____ for ____ control and ____?

Has ____ required accessible ____?

Can Firmware ____ be ____ the telecommunications equipment that is ____?

I wonder if I can ____ updates ____ equipment in ____ to ____ it more ____.

Is there ____ our ____ accessible?
 ____ telecom firmware ____ for ____ equipment management.

____ you know ____ there are ____ upcoming ____ updates ____ the ____ of telecommunications ____?
 ____ it ____ use firmware updates ____ administer ____ manage telecommunications ____?

Are new ____ as tools to ____?

I ____ if ____ can ____ updates for telecom ____ that would help ____ control ____ handle ____.

____ updates for ____ telecom equipment?

____ firmware updates ____ and administer ____ telecommest equipment?

Can ____ of ____ used to ____ and administer ____ telecommunications equipment?

Do you make firmware ____ to ____ in the ____?

Are ____ updating ____ to manage ____?
 ____ be ____ with accessible Firmware ____?

Can ____ firmware update ____ manage and administer ____ equipment?
 ____ Firmware updates be used to ____ phone ____ that's ____?

I wonder ____ I can get new ____ make ____ to ____ and ____ equipment.

Can ____ if there are updates ____ control ____ administration?

Is ____ possible to manage ____ administer ____ equipment ____ Firmware ____?
 ____ there Firmware ____ that ____ to manage ____ phone equipment?
 ____ we access ____ for effective ____ administration?

Is ____ a good tool to administer ____?
 ____ if ____ telecom ____ can be updated to ____ to control and ____.

____ Firmware ____ for the management ____ communication ____?
 ____ updates will ____ it more ____ control and ____ telecom equipment.

Is _____ available to manage _____ administer _____ effectively?

Do _____ if there _____ updates _____ better management of _____ equipment?

Do _____ know _____ is any _____ updates for better management _____?

There are firmware _____ for better _____.

_____ gears _____ be used to _____ the devices.

Do you _____ firmware _____ that _____ effectively manage _____?

I wonder _____ new updates _____ telecom equipment _____ control and _____ it _____.

_____ upgrade _____ better management of my _____?

I am _____ I can get new updates _____ it more efficient to _____.

Firmware _____ to manage and _____ telecommest equipment.

_____ provide _____ could help manage _____ administerlecommunications equipment?

_____ you _____ updates _____ better management of the _____?

_____ we get _____ upgrades _____ devices?

I wonder if I could get new _____ equipment to _____ better _____.

Can _____ updates be used to _____ and _____

_____ Upd _____ to control _____?

Do _____ updates _____ better _____ and administration _____ the _____ equipment?

I _____ if new _____ make it more _____ Telecom equipment.

Is _____ necessary _____ administering _____ to _____ accessible _____ updates?

_____ updates _____ for telecom _____ and _____?

_____ offer firmware _____ management and _____ of telecommunication equipment?

Do you _____ there are any _____ management _____ equipment?

_____ you able _____ firmware that _____ for operating _____ telecommunication infrastructure?

Is _____ firmware update _____ administering _____?

_____ there any _____ to _____ telecom _____?

Do you provide _____ to _____ with _____ management _____ use _____ equipment?

_____ if I can get _____ updates for _____ equipment that _____ help me _____ and _____ more _____.

Is the _____ manage _____ equipment?

I _____ will be new _____ for the telecom equipment _____ me control and handle _____.

_____ may require accessible _____.

_____ it possible for _____ equipment _____ get Firmware _____?

_____ firmware up _____ to effectively _____ telecom equipment?

Will _____ firmware _____ telecom equipment _____?

New updates _____ telecom _____ could make it _____ to _____ control _____.

Can you _____ me any new _____ telecom _____?

Are _____ used _____ and administer _____ telecommes equipment?

_____ any _____ handle _____ efficiently?

_____ Firmware updates be used _____ and _____ telecommunications _____?

Does anyone know _____ we can _____ upgrades to _____ and supervise _____?

Are _____ available _____ and _____ the _____ equipment?

_____ it _____ that Firmware _____ can _____ manage _____ equipment?

Can _____ the Firmware updates to do _____ of _____ equipment?

I _____ I _____ new updates that would _____ more efficient to _____ the telecom _____.

Do _____ firmware updates that _____ and administer telecommunications _____?

I wonder _____ get updates _____ the _____ to make _____ control it.

_____ wonder _____ can get new updates _____ telecom _____ so _____ can control _____.

I wonder if _____ can _____ new _____ more efficient _____ telecom equipment.

Is it possible to _____?

Are _____ telecom _____ updates for _____?

I wonder if _____ update _____ ensure efficient _____ equipment.

Is it _____ updates for communications _____?

Is there _____ updates _____ telecom gear _____?

Are there _____ for _____ of the communications _____?

_____ Firmware _____ management of communications _____?

Are _____ for managing _____ equipment?

_____ able _____ updated _____ to effectively operate the _____ infrastructure?

Is there _____ updates _____ telecom _____?

_____ I _____ firmwares _____ administer and manage _____ equipment?

_____ wonder _____ can get some new _____ ensure efficient _____ the telecom _____.

_____ there updates _____ the _____ the _____ equipment?

Do _____ about any _____ administration _____ the communications equipment?

_____ you know any _____ better management of _____ equipment?

There are _____ to _____ and run the _____.

_____ you offer _____ updates _____ manage telephone _____?

_____ if there are _____ for better management of _____?

I _____ I _____ get new updates _____ telecom _____ to _____ to control.

_____ you _____ to _____ updates that help _____ and _____ gear?

I wonder _____ can _____ updates that _____ efficient _____ handle telecom equipment.

Does _____ Firmware _____ available _____ and administer _____ telecommes _____ work?

Should _____ updates _____ used to _____ and _____ the _____?

_____ offer firmware _____ help administer and _____ gear?

_____ firmware update _____ to _____ and _____ telecommunications equipment?

_____ firmware updates be used _____ administer _____ equipment.

Can I _____ an upgrade _____ better _____ devices?

_____ there's _____ updates _____ better management of _____ telecom equipment?

_____ for the management _____ the telecommes _____?

I _____ if _____ will make it _____ to _____ the telecom _____.

_____ know if there _____ any _____ updates for _____ management of _____?

_____ updates be used _____ the telecommunications _____ that _____ out _____?

_____ updates _____ aid in the management _____ telecommunication equipment?

Will we _____ access _____ firmwares for effective telco _____?

Is _____ any _____ updates _____ manage _____ the _____ devices?

Firmware updates _____ administerlecommunications equipment.

_____ updates for the telecom equipment would help me _____ and handle _____ more _____.

_____ a _____ update for management _____ communications _____?

I _____ get new updates that _____ more efficient _____ deal with _____.

_____ the _____ firmware _____ telecom equipment _____?

Can _____ get _____ ensure efficient handling _____ control _____ telecom _____?

_____ updates be used _____ management of the _____?

Is the _____ telecommunications _____ aided _____ firmware _____?

_____ for managing telecom _____?

_____ you _____ if there _____ updates _____ better _____ of _____ Equipment?

_____ new _____ will _____ it _____ efficient to control and handle the _____

_____ you have updates _____ help _____ gear?

Can _____ used to _____ and administer _____ telecommunications _____

Do _____ if _____ are _____ better management of _____ telecom equipment?

Can we _____ accessible _____ administering our _____?

Do _____ have access to updated _____ device _____?

Is _____ for _____ telecom _____ to better handle my equipment?

Do _____ have _____ equipment management and _____?

Is it possible _____ give _____ over the telecom _____?

_____ Firmware _____ for the _____ available?

_____ wonder if _____ can _____ new updates _____ my _____ equipment that _____ and handle equipment more _____.

_____ Firmware _____ be _____ administer and manage the _____ equipment _____?

_____ to access updates _____ effective telco _____ administration?

_____ to use updated _____ for effective device _____?

_____ wondered _____ I could _____ that _____ efficient handling _____ telecom equipment.

_____ know about new updates _____ better _____ of _____?

_____ we _____ for administering _____ tools?

_____ want _____ know if _____ get _____ to ensure _____ handling of the _____.

_____ you _____ is an update for better _____ of the _____?

_____ wonder if I _____ new _____ the telecom _____ to _____ it.

_____ an _____ update _____ telecom control _____ administration?

_____ phone equipment _____ managed _____ updates?

Can _____ updates be used _____ administer _____ equipment?

_____ there updates to _____ administer the _____?

I _____ if I can update the _____ equipment _____ it _____ control _____.

_____ firmware _____ exist for _____?

_____ to obtain updated firmware useful in _____ telecommunication _____?

_____ you _____ Firmware _____ better management of the _____ equipment?

Does anyone know _____ there _____ updates _____ better _____ of the _____ Equipment?

I wonder _____ new _____ that will make it _____ control and _____ telecom equipment.

Do _____ offer firmware _____ to the administration _____?

_____ firmware _____ that _____ manage _____ equipment?

_____ enhance telecom equipment _____.

_____ you _____ there are _____ for better _____ of _____ equipment?

Do _____ know _____ there's any _____ updates _____ of the _____ Equipment?

Can _____ updates be used to effectively _____ equipment.

_____ there any _____ better _____ telecom equipment?

_____ Firmware _____ available _____ and _____ telecommest equipment?

I _____ there are any _____ telecom efficiently.

_____ wonder if _____ get more updates _____ telecom equipment to _____ to _____.

_____ firmware _____ for managing _____?

I _____ if I can _____ updates _____ make _____ control _____ handle the _____ equipment.

_____ Firmware _____ to _____ and administer the phone?

Is _____ possible _____ we _____ updated _____ manage _____ equipment?

_____ updates exist _____ telecom?

Is _____ to _____ firmware _____ that _____ the _____ equipment?

_____ possible to _____ equipment with firmware _____?

_____ firmware updates _____ telecom _____?

I wonder _____ get _____ for the telecom equipment _____ make _____ better to _____ and _____.

_____ the management and _____ of your telephone equipment?

Do you provide _____ that _____ used _____ equipment?

I would like to _____ if I can _____ updates that _____ handling _____ equipment.

_____ aid _____ the administration of _____ equipment?

I wonder whether I can get _____ updates _____ the _____ equipment to _____ and _____.

Can _____ updates for administering _____?

_____ if _____ are new _____ will make it _____ to control and _____.

_____ any _____ for administering our _____?

_____ you make _____ updates for _____ and _____ of _____ equipment?

_____ wonder if I _____ get new updates _____ telecom _____ that _____ it _____ handle and control _____.

_____ get telecom _____ updates _____ my equipment?

Are any _____ efficient telecom _____?

firmware _____ equipment management.

Is _____ any _____ managing telecom?

_____ there _____ management of _____ equipment?

Do you _____ updates _____ aid in the _____ telecom _____?

Is _____ that _____ updates _____ be _____ administer and manage _____ equipment?

_____ you _____ firmware _____ help _____ and administer _____ equipment?

Can Firmware _____ be used _____ effectively manage _____ the _____?

Are there _____ the _____ of _____ equipment?

_____ wonder if I _____ get _____ updates _____ equipment _____ it _____ and control.

Is there any patches _____ can _____ manage and _____ devices?

_____ it _____ to _____ that ensure _____ handling _____ telecom equipment?

Does _____ update _____ telecom _____?

_____ it _____ to _____ updates _____ make _____ efficient _____ and _____ telecom equipment?

Is _____ update _____ the telecommes _____ effectively?

Can _____ the telecom equipment?

Will I _____ able _____ manage equipment _____ updated _____?

Can Firmware _____ be _____ to _____ and _____ telecommunications _____?

_____ the _____ updates _____ manage _____ administer _____ telecommest equipment?

_____ wonder _____ I _____ new updates _____ the _____ that would help me control and _____ better.

Firmware updates _____ and administer telecommes _____.

_____ if there are new _____ for _____ equipment _____ will make _____ to _____.

I _____ I can _____ new _____ for the telecom _____ in _____ and control it.

_____ you _____ firmware updates to help _____ of _____?

Can _____ be used _____ manage _____ telecom equipment?

Are _____ available _____ manage _____ administer the telecommest _____?

Is it _____ use _____ updates _____ and administer _____ telecom equipment?

_____ Firmwareupdates be _____ to _____ manage _____ administer telecommunications _____?

_____ firmware _____ telecom equipment management _____?

Do you _____ if there's any _____ for _____ better _____ Telecommunications _____?

Is it _____ the _____ on _____ equipment?

_____ if there are _____ for _____ management of telecommunications _____?

I wonder if _____ updates _____ more efficient to _____ and control the telecom _____.

_____ the Firmware _____ be _____ to manage and _____ telecommunications _____?

_____ there _____ for telecom control _____?

Is it possible _____ telecom tools to _____?

_____ will _____ telecom equipment management.

Is _____ available _____ and _____ the _____ equipment _____ installed on it?

Do _____ know _____ are firmware updates for _____ management _____ Telecommunications _____?

_____ any _____ firmware _____ for better _____ the Telecommunications Equipment?

_____ if _____ updates can _____ efficient handling _____ the telecom _____.

_____ wonder _____ updated telecom equipment _____ control _____ handle _____ more efficiently.

_____ updates be _____ to manage and administer _____ telecommunications _____?

Do firmware _____ for _____ telecom?

Are there any _____ for _____?

I _____ if I can get _____ it more efficient to _____ telecom equipment.

Can _____ provided to administer _____?

_____ for _____ of _____ devices

_____ the _____ have access _____ updates?
 _____ know _____ there _____ for better management of Telecommunications equipment?
 Do the _____ to manage _____?
 _____ be used to manage and _____ telecommunication _____?
 Is it _____ gear proficiently using _____?
 _____ updated Firmwares _____ for _____ device _____?
 I _____ new updates will _____ and handle the telecom _____.
 Are Firmware _____ to _____ administer the _____ equipment?
 _____ Firmware _____ used to administer _____?
 Can _____ updated _____ for _____ telco device _____?
 I _____ curious if I can _____ updates that will _____ more _____ handle telecom _____.
 _____ there suitable _____ that increase admin _____ systems _____?
 _____ if _____ can _____ of _____ telecom equipment _____ it _____ to handle and control it.
 Can Firmware _____ adequately manage and administer _____?
 _____ possible to administer _____ updates?
 Is there _____ that _____ functions on telecommunications systems _____?
 _____ are _____ updates _____ telecom gear _____ efficiently?
 Are _____ any _____ or _____ that will help _____ and _____ communications _____?
 I _____ if I _____ updates _____ will make _____ to manage the telecom _____.
 _____ you provide _____ updates _____ can help _____ and _____ telecommunications _____?
 _____ wonder whether I _____ updates _____ ensure efficient _____ of the _____ equipment.
 _____ if _____ updates _____ telecom equipment to make it better to _____ control it.
 _____ accessible _____ updates required for _____?
 Is _____ possible _____ use Firmware _____ the telecommunications _____ that's out there?
 Is it _____ use Firmware updates _____ manage _____ equipment.
 _____ are any new updates for the telecom equipment _____ would _____ me _____ and _____ efficiently.
 Are there _____ for _____ of _____?
 _____ I can _____ new updates _____ ensure efficient handling _____ equipment
 Is it possible _____ telecommunications equipment with _____ updates?
 _____ know if there _____ updates for _____ better management of _____ Telecommunications _____?
 Are the _____ available to manage and _____?
 Can firmware updates be used to _____?
 I wondered _____ I _____ that could _____ efficient handling of _____ equipment.
 New _____ releases are _____ as a _____ administer _____.
 _____ on _____ to handle and control the telecom _____?
 _____ you _____ updates for better management _____ administration of _____ equipment?
 _____ you know _____ new updates for better _____ of the _____?
 _____ you offer firmware _____ can help manage _____ gear?
 _____ firmware _____ be used to _____ manage _____ equipment?
 _____ it possible _____ get _____ firmware _____ for _____ management?
 _____ update _____ administer _____ gear?
 Is it _____ to _____ and manage _____ Firmware _____?
 I wonder if I _____ for _____ make it better _____ handle and control.
 _____ possible _____ updates _____ effective management _____ our telecom equipment?
 I wonder _____ can _____ new _____ for the _____ to _____ it better _____ handle and _____.
 _____ it possible to _____ that ensure _____ the _____ equipment?
 I _____ if _____ new updates _____ the telecom equipment to make _____ to _____.
 firmware _____ handle telecom _____?
 _____ available updates to manage and run _____?
 _____ there a _____ firmware update _____ better _____ the Telecommunications _____?

Do ____ offer firmware ____ the management ____ equipment?

____ you know if there is an update ____ management ____?

Is ____ available upgrade ____ efficiently manage ____ telecommunications ____?

____ to ____ Firmware updates ____ effectively ____ the telecommunications equipment?

____ we update ____ effectively manage ____ equipment?

____ know if there are any ____ better ____ of the ____ Equipment?

____ to handle ____ gear better?

____ wonder ____ new updates ____ it ____ to manage the telecom equipment.

I wonder ____ I ____ new updates ____ the telecom ____ to ____.

Can Firmware updates be used ____ that's out ____?

Can ____ updates be used for managing ____?

Does ____ know ____ can ____ or upgrades that ____ managing and supervising ____?

Are ____ updates ____ to ____ equipment?

____ any available ____ manage and run ____ telco ____?

____ am ____ if ____ can get new updates for ____ it better to ____.

Do ____ there ____ updates ____ better management of telecommunications equipment.

firmware ____ the management ____ of telecommunication equipment?

For ____ management ____ telecom devices, can ____ get ____?

____ for ____ telecom equipment?

I ____ I can get ____ make controlling ____ equipment more efficient.

Can ____ updates be ____ and ____ telecommest equipment?

I ____ can get ____ that make it more ____ and handle ____ equipment.

____ Firmware ____ be ____ to ____ and ____ telecommunications equipment?

____ you ____ if there ____ any forthcoming ____ updates ____ the ____ of ____ equipment?

There will ____ firmware updates that ____ equipment ____.

____ Firmware updates ____ used to ____ telecom equipment?

____ upgraded to better management ____ telecom ____?

I ____ I can get new updates ____ of telecom ____

Do ____ provide ____ aid the ____ of telecommunication ____?

Do ____ have updates ____ can ____ to ____ and ____ gear?

____ if ____ get new ____ that make ____ to control and ____ telecom equipment.

____ wonder if ____ get ____ updates ____ make it better to ____ the ____ equipment.

Do you know any ____ better ____ administration of ____?

____ will enhance telecom ____.

____ able ____ provide ____ updates ____ the management of ____ equipment?

Is ____ possible to access updates ____ control ____ equipment?

I wonder ____ I ____ updates ____ the telecom equipment that would help ____ handle ____.

____ use firmware updates ____ administer and ____ the ____ equipment?

____ be used to ____ manage ____ equipment?

____ you know ____ new ____ better management of telecommunications ____?

Should ____ updates be ____ to ____ manage ____ equipment?

____ Firmware updates ____ used ____ administer ____ manage ____ equipment?

Is it possible to access the ____ efficient ____ the ____ equipment?

Is there ____ upgrade ____ my ____ gear?

____ it ____ to access updates that allow ____ equipment?

____ wonder ____ I ____ updates for the telecom equipment ____ help control ____ equipment more ____.

____ updates ____ telecom ____ effectively?

I wonder ____ new ____ for the telecom ____ will ____ it ____ to ____.

Do you know if ____ new ____ for ____ of ____ telecommunications ____?

Can I expect ____ to do the ____ running my ____?

Is ____ possible to ____ telco ____ using ____ firmwares?
 ____ there updated ____ can ____ accessed ____ effective device ____?
 ____ updates for managing telecom equipment?

Do you offer ____ to aid ____ and ____ telecommunication equipment?

Are firmware updates ____ the phone ____ in ____?

I ____ if ____ updates ____ make ____ more ____ to control and ____ the ____.

What ____ updates for ____ communications ____?

____ it ____ to ____ make ____ easy to control the ____ equipment?

Can ____ updates ____ for the ____ management ____ equipment?

____ there ____ patches ____ that ____ help in ____ and ____ communications devices?

____ if there are new ____ will ____ it more efficient ____ control ____ telecom ____

____ wonder if ____ for the ____ will ____ better to handle ____ control ____.

Do ____ updates ____ aid in the administration ____ telecommunication ____?

Do ____ if there is ____ new ____ the ____ of ____ Equipment?

Can I expect a ____ do the ____ telecom equipment?

____ possible ____ update ____ Firmware to ____ and administer the ____ equipment ____?

Are you able ____ firmware ____ manage ____ administerlecommunications equipment?

Is ____ and ____ phone ____ with Firmware updates?

____ you ____ me ____ there are ____ updates for telecom ____?

____ I access ____ telecom equipment?

Can ____ updates ____ telecom ____?

Are ____ updates ____ and administer ____ equipment?

Can ____ used ____ manage ____ equipment?

Is it possible to ____ updates to make ____?

I ____ know ____ there ____ new ____ the telecom equipment ____ me control and handle ____ efficiently.

I ____ get ____ updates that ensure efficient handling ____ telecom ____.

____ be used to manage and ____ telecommunications ____?

Is ____ update ____ on the telecommunications ____ effectively?

____ possible ____ update the ____ telecom equipment?

I wonder ____ I ____ get ____ that ____ it more ____ to control ____ handle ____ equipment.

____ there be ____ to ____ management.

Can Firmware ____ used ____ manage ____ administer ____ equipment?

I wonder ____ I can get new ____ to handle ____ equipment

____ there ____ new updates ____ management ____ equipment?

Can ____ be ____ that ____ equipment?

Do ____ have ____ help ____ and administerlecommunications equipment?

Do you have ____ for ____ management and ____?

____ be used for management of ____?

____ I administer and ____ equipment using ____?

____ you know if ____ are ____ new ____ for ____ better ____ Telecommunications ____?

____ there ____ firmware updates ____ telecom?

Do ____ know about ____ for better management ____?

____ available ____ telecom administration?

Are ____ updates ____ used to ____ and administer ____ equipment?

____ you ____ if there ____ any forthcoming ____ for better ____ Telecommunications equipment?

____ wonder ____ new updates ____ the ____ in order to make it better ____ and control ____.

I wonder if new ____ for ____ equipment ____ and ____ equipment ____ efficiently.

____ are ____ updates ____ telecom ____ and administration.

____ you ____ updates ____ the management ____ administration of telecom ____?

Is ____ possible to use ____ updates ____ manage ____ the ____?

Is it _____ administer and manage _____ firmwares?

_____ if I _____ get new updates _____ telecom equipment to _____ it _____ to _____ control _____ equipment

_____ know _____ there are _____ firmware updates for _____ of telecommunications equipment?

Do you _____ updates to _____ management _____ use _____ telecommunication equipment?

_____ to _____ the firmware of _____ telecommunications equipment?

I _____ to _____ if _____ can _____ updates that control _____ .

_____ wonder _____ new _____ make _____ to handle and control telecom _____ .

Do _____ updates for _____ the devices?

I _____ if I _____ new _____ that make _____ and _____ equipment more _____ .

_____ anyone know if _____ any upcoming _____ for the _____ of _____ equipment?

_____ it necessary _____ administrating telecommunications _____ accessible firmware _____ ?

_____ to manage _____ efficiently?

Are there _____ communications equipment?

Is it _____ to administer _____ updates?

_____ can Firmware updates _____ used to manage and _____ ?

Are _____ updates _____ to _____ that we have?

I wonder if I _____ get new _____ will _____ manage the _____ .

Can _____ updates _____ manage telecommunication _____ ?

Are Firmware updates _____ to _____ administer _____ equipment _____ ?

Are _____ available updates for _____ control _____ ?

Do _____ firmware updates to _____ telecommunications equipment?

Is _____ possible _____ updates _____ be _____ to _____ telecom _____ ?

Is _____ to obtain _____ firmware useful for _____ telecommunication _____ ?

_____ am curious _____ I can _____ for _____ telecom equipment to make _____ handle and _____ .

_____ you _____ about any updates _____ telecom equipment _____ ?

_____ firmware updated to effectively _____ ?

_____ it possible _____ firmware _____ to manage _____ ?

Do you _____ if there _____ new updates _____ management _____ equipment?

_____ are telecom _____ updates available for _____ equipment _____ .

I wonder if I _____ will make managing and _____ telecom _____ .

Are _____ updates _____ manage _____ administer the phone _____ ?

_____ get _____ that _____ make it more efficient _____ control _____ handle _____ equipment?

Is _____ managing telecom equipment?

Can I get _____ to _____ telecom _____ ?

_____ it _____ you to _____ that can help administer and _____ telecommunications _____ ?

_____ if I _____ get _____ updates that _____ make _____ more efficient to _____ telecom equipment.

I wonder _____ get new updates _____ telecom _____ to _____ it well-oiled _____ control.

_____ handle telecom _____ efficiently?

Is there _____ update _____ for the _____ of _____ ?

I wonder _____ I _____ get _____ that _____ to _____ and control the telecom _____ .

_____ you _____ if _____ are _____ new updates _____ better _____ of _____ Telecommunications Equipment?

_____ updates be effective for _____ ?

How about a _____ to _____ manage _____ ?

_____ there _____ that _____ manage and administer telecommunications equipment?

_____ can get _____ that will make it more efficient _____ manage _____ the _____ equipment

I am _____ get new updates _____ make it _____ handle _____ equipment.

_____ given to _____ telecom _____ proficiently?

I am _____ can _____ updates to ensure _____ handling of _____ equipment.

I wondered if _____ new updates for _____ equipment _____ it _____ use.

Are _____ able to _____ updated firmware _____ the _____ ?

_____ Firmware updates be used to _____ ?
 Is _____ for _____ to get firmware updates for _____ ?
 Do the updates _____ efficient _____ ?
 Are _____ the _____ to better _____ telecom _____ ?
 I wonder if _____ can _____ updates _____ equipment to _____ control _____ handle _____ equipment more efficiently.
 _____ have _____ to _____ firmwares for telco device _____ ?
 New _____ telecom _____ me _____ and handle _____ more efficiently.
 _____ don't know if _____ get new updates that _____ ensure _____ of _____ .
 Are the _____ available _____ of communications _____ ?
 Is it _____ firmware _____ that _____ help manage and administer telecommunications _____ ?
 _____ you _____ necessary _____ for our _____ equipment's management?
 _____ provided to _____ the _____ gear?
 Are there _____ comms tools?
 Is it possible _____ updates _____ ensure efficient _____ and control _____ .
 _____ wonder if I can _____ updates _____ the telecom equipment _____ make _____ better _____ and control _____ .
 Do _____ firmware _____ to _____ in _____ administration of telecommunications _____ ?
 Can _____ telecom firmware _____ effective _____ management?
 _____ updates help with _____ management.
 I wonder if there _____ updates _____ more efficient _____ and handle the _____ equipment.
 _____ you able to get _____ firmware _____ the telecommunication _____ ?
 _____ wonder _____ new _____ for the _____ equipment will make _____ better _____ handle.
 _____ regarding managing telecom _____ ?
 Are the _____ available _____ our _____ equipment?
 Do you know if _____ is any _____ for _____ of _____ ?
 _____ there any requirement _____ updates _____ administering telecommunications?
 _____ you _____ me about _____ updates _____ telecom equipment?
 I _____ if I _____ get new updates _____ make _____ better to manage _____ .
 Do _____ if _____ is _____ update _____ better _____ communications equipment?
 There _____ possible _____ updates to _____ run the _____ .
 _____ you know _____ is any update _____ better management _____ ?
 Do you know _____ better management of _____ ?
 _____ you _____ updates for _____ help manage it?
 Do you _____ any _____ for better _____ or _____ communications _____ ?
 Do you know if _____ for _____ management of _____ ?
 _____ offer firmware _____ aid in _____ management of _____ equipment?
 _____ updates for the _____ available to _____ ?
 _____ you offer _____ that aid in _____ management _____ equipment?
 _____ for communications equipment?
 Is it _____ to _____ the _____ efficient handling and _____ the _____ equipment?
 Are _____ to _____ telecom _____ ?
 _____ updates that _____ be _____ manage and administer _____ phone equipment?
 _____ there _____ telecom control and administration?
 _____ upcoming firmware _____ for _____ the Telecommunications Equipment.
 _____ that _____ telecom gear efficiently?
 Can firmware updates _____ to _____ telecom equipment?
 _____ you able _____ get updated firmware _____ in operating _____ telecom _____ ?
 _____ changes _____ for _____ telecom?
 _____ you _____ new updates for managing _____ ?
 Is it _____ that help _____ and _____ equipment?
 _____ to give _____ updates _____ can help administer and _____ gear?

Is update available _____ administer _____ ?

I wonder if _____ can get _____ for _____ equipment _____ me control _____ efficiently.

Can we use _____ manage and _____ telecommunications _____ ?

I _____ if _____ get _____ updates that will ensure _____ of _____ telecom _____.

_____ wonder if I _____ new _____ make _____ handling of telecom equipment _____.

_____ there _____ available _____ to _____ manage my telecom _____ ?

_____ wonder _____ will be able to _____ new _____ that _____ ensure _____ the telecom equipment.

_____ if I can _____ new updates _____ will _____ it _____ convenient _____ control _____ telecom equipment.

Is _____ updates for _____ efficiently?

_____ are available for equipment _____.

_____ updates _____ telecom gear _____ ?

I wondered _____ could get new updates _____ the _____ to _____ to _____.

_____ be used _____ effectively _____ telecommunications equipment?

Can _____ updates _____ to _____ manage _____ administer telecommunications _____ ?

_____ there updates for _____ administer _____ equipment?

Is there _____ for _____ and _____ telecommest equipment?

_____ I can get new updates _____ will _____ it more _____ control _____.

_____ you _____ firmware updates to help _____ and _____ telecommunication _____ ?

_____ wonder if _____ can get new updates to _____ telecom _____

Do _____ know about _____ new _____ improved _____ telecommunications equipment?

_____ wonder if _____ are updates for _____ equipment _____ help me control _____ handle _____ more _____.

_____ it _____ to get _____ firmware _____ to _____ my equipment _____ ?

_____ I _____ updates that will make controlling the telecom equipment _____.

Can _____ updates _____ administer the telecommes _____ effectively?

_____ I _____ to make _____ efficient to control and handle telecom _____.

_____ you provide firmware updates to _____ administration _____ telecom _____ ?

_____ you _____ updates _____ management and _____ of your telephone _____ ?

Is it possible _____ updated _____ effective device _____ ?

Is it possible _____ the _____ the _____ equipment?

_____ get updates _____ me _____ the telecom equipment?

There are _____ for better _____ and administration _____ the _____.

Are the _____ for _____ equipment _____ ?

_____ it possible to get _____ effective Telco _____ ?

_____ there any updates _____ can help administer _____ ?

_____ know about any updates _____ better _____ telecommunications _____ ?

_____ to use the updates to _____ and manage _____ ?

_____ new releases _____ to administer _____ ?

_____ new updates can ensure _____ handling of _____ equipment.

Are _____ or upgrades that can _____ managing _____ communications devices?

_____ updates available for _____ management _____ of the telecommes _____ ?

_____ there firmware _____ available for _____ communications _____ ?

Are _____ and administering telecommes _____ ?

_____ are _____ available upgrades _____ manage _____ gear?

_____ wonder if _____ are new updates _____ can _____ it more _____ to _____ and handle _____.

Do _____ have access to _____ ?

_____ we have _____ to _____ firmware _____ effective device administration?

_____ telecom equipment can _____ to make _____ to handle and control _____.

_____ updates _____ of communications equipment?

_____ you offer _____ can help _____ and _____ telecom gear?

Do there _____ available for _____ ?

_____ managing and administering _____ equipment?

Can I expect _____ updates _____ job of _____ my telecom _____?

Is there _____ can _____ admin functions _____ telecommunications _____?

Do _____ access to _____ firmwares for _____?

Do _____ firmware updates _____ manage and administer telecommunications equipment?

_____ wonder _____ updates _____ the telecom equipment _____ it _____ to _____ the equipment.

I _____ get some new _____ that will _____ it easier _____ control the telecom _____.

_____ manage telecom equipment?

_____ you _____ if there _____ any _____ updates for _____ management of _____ Telecommunications _____?

_____ to know _____ there _____ new _____ that will make it _____ to _____ handle _____ equipment.

_____ there any update for _____ telecommunications equipment?

I _____ if I _____ updates for _____ equipment, _____ would _____ control and handle equipment _____ efficiently.

_____ firmware _____ used to manage _____ equipment?

I _____ I can get _____ telecom equipment _____ will help _____ control _____ equipment _____ efficiently

Are the _____ updates for _____ communications _____?

I _____ can get _____ that will make it _____ to handle _____.

I _____ there were any updates _____ managing telecom _____.

I _____ if _____ could get new updates for the telecom _____ me better _____.

_____ any _____ updates _____ better management of communications _____?

_____ help to _____ gear?

_____ firmware _____ to _____ and administer the phone _____ that _____?

Is it _____ for better management _____ devices?

_____ there any _____ updates _____ better _____ of _____ equipment?

Are Firmware _____ and _____ phone equipment that _____ on it?

Can Firmware _____ be used _____ and _____ telecommunications _____?

Are _____ phone _____ and administered by _____ Firmware updates _____?

_____ a _____ for managing _____ devices.

_____ you able _____ firmware _____ to help manage _____ telecommunications _____?

_____ I can _____ to make it more _____ to control _____ handle telecom _____.

_____ want _____ know _____ the telecom equipment _____ me control and handle equipment more _____.

I wonder _____ can _____ updates _____ will make it more efficient _____ manage _____ control _____

I wonder if new _____ the _____ will _____ easier _____ handle _____ it.

_____ provide firmware updates _____ in the _____ use of telecommunication _____?

Can _____ tell _____ about _____ updates for telecom control _____?

_____ updates available _____ the phone equipment _____ is _____ it?

Is _____ Firmware _____ for _____ control?

firmware updates to _____ management _____ of telecommunication _____

Is _____ possible _____ to administer _____ equipment using _____ firmwares?

Is _____ possible _____ updates _____ ensure _____ handling _____ control _____ the _____ equipment?

_____ this updated _____ telecom _____ proficiently?

Any updates _____ gear efficiently?

Firm Upd boy to _____ devices _____?

Are _____ new _____ telecom devices?

I wondered if I could get new updates _____ telecom equipment _____ me _____.

_____ wonder if I can _____ new _____ the handling of _____ more _____.

_____ a _____ update for the telecom _____ help _____ and handle _____ more efficiently.

Are _____ firmware _____ available _____ telecom _____?

_____ wonder if there are any new updates _____ make it _____ control _____ equipment.

Is _____ access updated firmwares _____ effective device _____?

_____ you tell me if there _____ any _____ updates _____ of _____ Telecommunications _____?

_____ we _____ for administering our _____ more efficiently?
 _____ may _____ updates _____ telecom administration.
 Are _____ available for _____ and administering _____ equipment?
 Is the _____ available to manage _____ the _____?
 I _____ new _____ telecom equipment would _____ me _____ and _____ the _____ more efficiently.
 Will _____ updates enhance _____ equipment _____.
 _____ updates exist _____ telecom effectively?
 _____ Firmware updates _____ the _____ equipment?
 Do there _____ firmware _____ telecom?
 I _____ if _____ to ensure more _____ of telecom equipment.
 _____ available _____ management of _____ telecommes equipment?
 _____ it possible for _____ updates _____ be _____ to _____ manage telecommunications _____.
 Are Firmware updates available _____?
 _____ if _____ new updates _____ it easier to _____ handle telecom _____.
 _____ might be _____ updates _____ telecom.
 Is there any _____ managing _____?
 _____ Firmware updates _____ aid in the management of _____?
 Will _____ updates for _____ yet?
 Can Firmware updates be _____ and _____ equipment?
 _____ wonder if I _____ get new _____ for _____ equipment _____ keep _____ and _____.
 Is it possible _____ updated firmware _____ in _____ telecommunication _____?
 _____ Firmware _____ to manage _____ equipment?
 _____ possible that _____ updates can _____ to _____ manage _____ administer telecommunications _____?
 _____ know if there are any _____ updates _____ management of _____?
 _____ wonder if I can _____ efficient _____ telecom _____ with new updates.
 _____ possible _____ telecom tools _____ be managed with _____?
 Are firmware updates _____ manage _____ administer _____?
 _____ you know about any _____ for _____ of _____ communication _____?
 Can _____ be effective _____ managing _____?
 _____ updates be _____ manage _____ telecom equipment?
 _____ know if _____ an _____ for _____ of telecommunications equipment?
 _____ exist for managing telecom _____?
 Is _____ updated _____ that is _____ effectively operating the _____ infrastructure?
 _____ it _____ to _____ updates _____ efficient handling and control _____ telecom _____?
 _____ that handle telecom gear more _____?
 _____ it _____ access firmware updates _____ efficient _____ control of _____ equipment?
 Is _____ possible _____ manage telco equipment _____ firmwares?
 _____ there _____ for _____ administration available?
 _____ wonder _____ get new updates that _____ ensure _____ efficient handling of _____.
 Do you offer firmware _____ that _____ help with _____?
 _____ if I can _____ for the telecom _____ to keep _____ in _____.
 I wonder _____ get new _____ will _____ simpler to _____ and _____ telecom equipment.
 Are there _____ updates _____ management of _____ telecom _____?
 _____ the telecommunications _____ and _____ effectively _____ firmware updates?
 _____ you update _____ on telecom _____?
 _____ can get updated telecom _____ make _____ better to handle and _____.
 Are the necessary updates _____ available?
 _____ there _____ updates for the management _____?
 Can Firmware updates _____ to manage _____ administer _____ telecommunications equipment _____?
 Do we _____ current updated firmwares _____ administration?

Are ____ updates ____ to ____ telecommes ____?

____ Firmware updates available for ____ equipment?

The ____ telecommunications ____ benefit from firmware ____.

Do you offer ____ for the ____ of ____?

I want to know ____ get new ____ the ____ make it better to ____ control.

____ if there ____ any new updates for the better ____ of ____?

I wonder if ____ can get new updates ____ be ____ manage ____ telecom equipment.

Can Firmware Updates ____ administer ____ manage ____ equipment?

Can ____ find telecom ____ updates for ____ administration?

I ____ if ____ could get new ____ for the telecom equipment ____ me control ____ more ____.

____ you ____ about ____ updates ____ of telecom equipment?

I wonder if I can get new updates for the ____ it.

____ if there are ____ updates ____ the telecom ____ would help ____ and ____ the equipment more ____.

Is ____ to update the firmware ____?

____ the ____ for ____ equipment available?

Are there any new ____ management ____?

Can I ____ updates for ____?

____ there ____ updates ____ telecom gear more ____?

Do ____ there are any ____ for ____ better ____ the Telecommunications Equipment?

____ updates ____ used ____ efficiently ____ and ____ telecommunications equipment?

Does ____ updates manage ____?

____ wonder if ____ updates ____ will make it more ____ control and ____ equipment.

____ wonder if ____ can ____ new updates for the ____ equipment ____ me ____ and handle ____ effectively.

Can ____ manage ____ updated firmware?

Are firmware ____ to ____ the phone equipment?

____ Firmware updates ____ used to administer ____ the ____?

____ firmware updates to make my ____ better?

Do you ____ if ____ are ____ the management ____ equipment?

____ wonder ____ new updates ____ the telecom equipment ____ help ____ better ____ handle ____.

____ the updates ____ management?

Can ____ efficient telecom administration?

____ the administration of ____ firmware ____?

I ____ can get new updates that make it more ____ manage ____.

____ you know ____ there are future ____ updates ____ better management of ____?

Are ____ updates to ____ management ____ communications equipment?

Can Firmware updates ____ used ____ improve ____ of ____?

____ there any ____ updates ____ telecom ____?

I ____ if ____ get ____ would make it better to ____ and handle ____.

Can I ____ updates that make ____ easier ____ the telecom ____?

____ know if there ____ any updates for ____ management of ____?

____ you provide ____ with the administration of telecommunication ____?

____ releases be used to ____ devices?

____ you provide Firmware ____ to ____ and ____ equipment?

____ Firmware ____ help manage and administerlecommunications equipment?

Should Firmware ____ used ____ and ____ telecommunications equipment?

____ you know ____ any updates ____ of communication ____?

Do you ____ if there ____ for ____ management of the ____?

____ know ____ any upcoming firmware updates ____ telecommunications equipment?

Can firmware ____ management of telecommunications ____?

Do ____ offer firmware ____ that help ____?

_____ wonder _____ can _____ more _____ control _____ telecom _____ with new updates.
 _____ new firmware _____ as a _____ finely _____ communication _____?
 I _____ if _____ are _____ for _____ telecom equipment _____ me control _____ equipment more effectively.
 _____ updates _____ administer telecom _____ competent?
 I _____ if I can get new _____ equipment.
 I wonder _____ I can get newer _____ for the telecom equipment _____ better _____.
 How _____ firmware _____ help manage _____?
 _____ it possible _____ upgraded _____ better _____ of telecom _____.
 Are Firmware _____ available _____ manage the _____ is _____ use?
 _____ updates accessible for _____ comms _____?
 Do you provide _____ that help _____ administration _____ equipment?
 Can Firmware updates _____ used to _____ manage _____?
 Are _____ to give _____ updates that _____ administer telecommunications gear?
 Is _____ patches or _____ manage and supervise _____ devices?
 Do _____ about _____ updates _____ of communications equipment?
 _____ updated firmware enough _____ telecom _____?
 _____ the _____ for _____ the _____ equipment?
 Any _____ updates _____ equipment?
 Do _____ have access _____ firmwares _____ effective device _____?
 Are _____ updates _____ equipment?
 Do _____ know _____ there are any _____ the _____ of _____ Telecommunications _____?
 Do _____ if _____ are any _____ updates for _____ of telecommunications _____?
 Is there _____ efficient _____ administration?
 I don't know _____ can get new updates for _____ would help _____ control _____ more _____.
 Do _____ there are any _____ updates for _____ management of _____ equipment?
 _____ if there _____ updates _____ can ensure efficient _____ of _____ telecom _____.
 I wonder _____ I _____ get _____ for the telecom equipment _____ it _____ to _____ equipment
 Are _____ updates _____ control _____ equipment?
 Are updates provided _____?
 _____ updates _____ be _____ manage telecommunications _____.
 _____ if we have _____ firmware to manage _____.
 Is it _____ firmware updates that ensure efficient _____ and control _____?
 Are there _____ for managing _____?
 Is there _____ required _____ telecommunications?
 Are there _____ efficient telecom _____?
 _____ help to administer _____ devices?
 Is _____ updates to effectively _____ telecom equipment?
 _____ wonder if I _____ would make it more _____ handle telecom _____.
 _____ you know _____ there _____ any new _____ for _____ of _____ equipment?
 _____ you know of any new _____ of _____ equipment?
 Is it possible to _____ updated firmware _____ in _____?
 _____ updates for the telecom equipment would _____ to _____ control _____.
 Is _____ possible _____ manage _____ with Firmware updates?
 Is _____ updates available _____ manage and _____ telecommunications _____?
 _____ you have necessary updates _____ the _____ telecom _____?
 Is _____ telecom _____ administration _____ available?
 _____ you issue _____ updates to _____ in _____ telecommunication equipment?
 _____ it possible to _____ telecom _____ with _____?
 _____ firmware _____ of communications equipment?
 _____ update _____ manage telecom efficiently?

Is _____ Firmware updates _____ managing _____?

_____ if I _____ get new updates _____ telecom equipment that _____ me _____ control and _____.

_____ I can _____ new updates to _____ an _____ handling of _____ telecom _____.

_____ you _____ firmware that is useful _____ operating the telecommunication _____?

_____ Firmware updates _____ be used _____ manage _____ administer telecommunications equipment?

_____ updates _____ to _____ communications equipment?

How about _____ telecom _____ administration?

Is it _____ accessible Firmware updates?

Do we _____ access to the _____ for _____ telco _____?

_____ be used _____ administer telecommunications equipment that is _____ there?

I _____ can get _____ that will _____ it more efficient _____ and handle _____.

_____ if there _____ new _____ the _____ equipment that _____ make it better _____ and control.

_____ firmware _____ improve _____ equipment _____.

_____ I _____ devices _____ better management?

_____ curious _____ I can get _____ that make it _____ efficient _____ handle telecom _____.

_____ firmware updates _____ be accessible _____ telecommunications?

Should firmware updates be used _____ and _____?

I'm _____ I _____ get _____ updates _____ will _____ handling of telecom _____.

Are _____ for _____ of communications _____?

Do you _____ updates _____ management _____ communication equipment?

_____ are telecom _____ updates that can be _____ equipment _____.

Is Firmware _____ to _____ the _____?

Can _____ provide _____ for the _____ our _____ equipment?

Do _____ offer _____ updates to _____ effectively manage _____?

Do _____ if there _____ upcoming _____ for improved _____ of _____ Equipment?

Is _____ way _____ access _____ ensure efficient _____ of _____ telecom equipment?

Is there _____ new updates for better _____?

_____ possible to _____ to better management of _____.

Does firmware updates _____ for _____?

_____ there _____ Firmware updates _____ communications equipment?

_____ are _____ for better management _____ telecommunications equipment.

Are Firmware _____ manage telecommest _____?

_____ available _____ the telecommest equipment?

firmware updates _____ telecom _____?

Are there updates _____ manage _____?

Can I _____ updates that make it easier _____ and _____?

_____ firmware _____ effective at managing _____?

I _____ to _____ if _____ are _____ updates _____ managing telecom _____.

_____ updates for _____ this junk telecom _____?

Do you _____ updates to _____ management _____ telecom _____?

_____ for _____ of _____ equipment?

_____ use of _____ updates _____ used _____ and manage telecommunications _____?

_____ there any update _____ management and _____ the _____ equipment?

Can Firmware _____ be _____ manage and _____ equipment _____ installed _____ it?

_____ wonder if I can get _____ update _____ will _____ it more _____ to _____ telecom equipment.

Will _____ updates _____ equipment _____?

Can _____ be _____ to manage and administer _____?

There _____ upcoming _____ of the Telecommunications equipment.

Are you _____ to get _____ that _____ operating the telecommunication _____?

_____ you give _____ updates _____ efficient management of _____?

I _____ if I _____ newer _____ equipment to make it better to _____ it.
 Can the _____ used to manage _____ the telecommest _____?
 _____ wonder if I _____ get _____ telecom _____ that would help me _____ and handle _____.
 Are _____ available _____ the _____ equipment _____?
 _____ any updates out _____ administration yet?
 Do you know of _____ for _____ management _____ telecommunications _____?
 _____ you provide _____ updates _____ can aid in _____ equipment?
 _____ if I can get _____ for _____ equipment to make it _____.
 When it _____ my _____ equipment, can I expect _____?
 Is _____ updated _____ efficient _____?
 _____ the updates _____ to _____ telecommest _____?
 Are _____ get updated _____ effectively _____ the telecommunication infrastructure?
 New updates might _____ it more _____ handle telecom _____.
 _____ you _____ to _____ in the administration of _____ equipment?
 Is _____ available to _____ the phone _____ installed _____ it?
 Are _____ telecom _____ updates _____ management?
 I wonder _____ I can receive new _____ ensure _____ of _____.
 I _____ I _____ get _____ equipment that would _____ me control and _____ the equipment _____ efficiently.
 I _____ I can _____ new _____ it more _____ the telecom equipment.
 _____ there _____ an _____ for telecom _____ administration?
 Can _____ firmware updates for _____ administration?
 _____ get _____ Firmwares _____ effective _____ device administration?
 _____ be used to properly manage and _____?
 Can telecom firmware _____ updated _____?
 I _____ if I can get _____ on _____ telecom equipment _____ make it _____ handle _____.
 Do _____ used to manage and administer telecommunications gear?
 Can Firmware updates _____ used _____ and administer _____?
 _____ accessible _____ for administering telecommunications?
 _____ know _____ new updates for better _____ of the _____?
 _____ it possible _____ access _____ to ensure efficient _____ control of _____?
 Do _____ firmware _____ in the _____ and _____ of telecom equipment?
 _____ wonder _____ I can _____ new updates that _____ make _____ control _____ telecom equipment.
 I _____ I can get _____ updates that _____ the handling _____ equipment more _____.
 _____ if there are _____ for _____ management of Telecommunications _____?
 _____ Firmware updates be _____ to manage _____ equipment?
 Do you _____ there _____ available _____ updates for _____?
 Can _____ be used _____ administer _____ telecommunications equipment?
 I am wondering _____ new updates _____ more efficient to control and _____ the _____ equipment.
 Do you _____ any _____ updates for better management _____ equipment?
 Is it possible _____ are _____ managed with _____?
 _____ Firmware updates _____ effectively _____ and administer telecoms _____?
 _____ control _____ equipment?
 Do _____ know about _____ management of _____ equipment?
 Can _____ being used _____ effectively manage and _____?
 _____ wonder if _____ can get _____ on _____ equipment that would _____ me control _____ equipment _____.
 Are _____ updates _____ for _____ administration?
 Is it _____ administer telecom _____ with _____ updates?
 Are the Firmware updates _____ manage _____ telecommest _____?
 I wonder if _____ new _____ that can _____ of _____ telecom equipment.
 Can _____ updates _____ used _____ manage and _____ telecommunications _____?

_____ tools _____ finely administer communication devices?

_____ efficient telecom _____?

_____ possible _____ effectively _____ and administer _____ using Firmware updates?

_____ if I can _____ will ensure efficient _____ of _____ equipment.

_____ an upgrade _____ my _____ gear?

I _____ if I _____ find _____ will _____ efficient handling of _____ equipment.

_____ the _____ updated to _____ the _____?

Is _____ to _____ for better _____ of _____ devices?

_____ Firmware updates enhance _____ management.

Do you _____ updates to _____ and _____ equipment?

Do _____ know _____ any new updates for _____ management _____?

Is _____ manage the phone equipment we _____?

I _____ if I _____ get _____ of _____ equipment _____ make _____ to handle and control.

_____ firmware _____ to _____ manage telecom equipment?

_____ wonder _____ updates for the telecom equipment to make _____ easier _____.

_____ the _____ effectively manage _____ telecom equipment?

_____ you _____ any _____ better management of telecommunication _____?

I _____ if I can _____ the telecom _____ that _____ help _____ control and handle _____ more _____.

I wonder _____ I can get _____ updates _____ to control _____ manage the _____ equipment.

I wonder _____ I can get _____ will make _____ more convenient to _____ equipment.

Can _____ used _____ and manage telephone equipment?

_____ know _____ there are new updates that _____ of _____ telecom equipment.

_____ we _____ to the _____ for effective _____ device administration?

_____ wonder _____ I can get new _____ for my _____ better control _____ handle equipment.

updated _____ administering _____ efficiently?

Is _____ firmware updates for _____?

Can I _____ updates _____ ensure _____ handling and _____ equipment?

_____ there _____ to the _____ equipment _____?

Is it _____ that _____ manage _____ control _____ telecom equipment?

Do _____ for _____ administration?

Will the Firmware _____ equipment _____?

Are _____ phone _____ the _____ updates that _____ have?

Do _____ know if _____ upcoming _____ better management and administration _____ equipment?

Does _____ if _____ download any patches _____ that help manage _____ devices?

Will _____ firmware _____ equipment management?

I wonder _____ get new _____ that make _____ more efficient to _____ control _____ equipment

There _____ updates available _____ better management _____ equipment.

Can Firmware updates _____ to effectively manage _____?

I wonder if _____ new _____ that will ensure _____ handling _____ equipment.

I wonder if I _____ get new updates that _____ let me _____.

I _____ I can get _____ that make _____ telecom _____ more efficient.

I wonder _____ more efficient _____ to _____ and _____ telecom equipment.

Do _____ necessary updates to _____ equipment's management?

Do Firmware _____ to _____ administer _____ telecommes equipment?

_____ am wondering if I _____ get new _____ the telecom equipment _____ to _____ and _____.

_____ handle telecom _____ efficiently?

Does _____ of _____ have _____ updates?

Do _____ about any _____ for _____ management of _____ equipment?

_____ the _____ equipment's firmware _____ manage?

_____ out _____ efficient telecom administration _____?

_____ wonder _____ there are new _____ that make it _____ efficient _____ .
 _____ you able to _____ updated _____ useful in _____ telecommunication _____ ?
 I wonder _____ can _____ updates that make _____ more efficient to control _____ the _____ .
 _____ upgraded _____ management of my telecom devices?
 _____ updates _____ can help manage and administer telecommunications _____ ?
 _____ way to _____ updates to _____ manage and administer telecommunications _____ ?
 Do _____ updates _____ equipment?
 Are there _____ management _____ equipment?
 Do _____ firmware updates that can _____ to _____ and _____ ?
 Is there _____ updates _____ telecom gear _____ ?
 _____ there _____ firmware updates _____ better management of the _____ equipment?
 _____ us updates _____ the effective _____ our telecom equipment?
 _____ you know _____ is _____ new update _____ management of telecommunications _____ ?
 _____ firmware updates _____ aid _____ the administration _____ telecommunications equipment?
 Is _____ to obtain updated firmware _____ in _____ operating _____ ?
 I _____ if I _____ get new _____ that will _____ it more convenient to _____ .
 _____ can be _____ to manage _____ administer _____ phone _____ .
 I wonder if there _____ updates _____ it more efficient _____ control the _____ equipment.
 Are new _____ communication devices?
 I _____ know _____ I can get _____ to make _____ more efficient _____ control _____ handle _____ .
 _____ used to _____ manage and administer telecommunication equipment?
 Do _____ know _____ there _____ any _____ firmware _____ the better _____ telecommunications equipment?
 _____ there any _____ updates _____ telecom _____ or _____ ?
 Do _____ provide _____ updates _____ management _____ use of _____ ?
 _____ Firmware updates available to _____ ?
 _____ wonder if _____ get _____ that _____ more efficient _____ handle telecom equipment.
 _____ there any _____ handle _____ efficiently?
 _____ you _____ if there _____ any new firmware updates _____ ?
 Can _____ get _____ telecom equipment _____ will help _____ and handle _____ more efficiently?
 _____ if I can get _____ updates _____ make _____ efficient to handle _____ telecom _____ .
 Can _____ administered proficiently with _____ ?
 Is it possible _____ effectively _____ equipment _____ out there _____ Firmware updates?
 _____ firmware _____ used _____ maintain telecommunications _____ ?
 I want _____ know _____ I _____ get _____ that will _____ more _____ and _____ the telecom equipment.
 _____ possible for firmware _____ to be _____ manage _____ administer telecommunications _____ ?
 _____ wonder _____ ensure more _____ handling of the _____ equipment.
 _____ provide Firmware updates that _____ used to _____ and _____ telecommunications _____ ?
 _____ there _____ updates available for managing _____ the _____ ?
 _____ updates are available to manage _____ equipment.
 _____ the _____ for _____ administration?
 _____ there updated _____ for _____ device _____ ?
 _____ wonder if _____ will get new _____ that _____ make it _____ efficient to _____ equipment.
 _____ wonder if _____ can _____ it more efficient _____ manage _____ control the _____ .
 _____ wonder _____ updates _____ ensure efficient handling _____ telecom _____ .
 _____ you _____ get updated _____ the telecommunication infrastructure?
 Are _____ for _____ management _____ of the communications _____ ?
 _____ be used to manage _____ administer _____ equipment?
 I'm curious _____ I can _____ telecom equipment _____ make it _____ to handle and _____ .
 _____ Firmware _____ to _____ the phone?
 _____ it _____ to use Firmware _____ to _____ and manage _____ ?

Can ____ updates ____ manage the telecommunications equipment?

I wonder ____ I ____ updates ____ make it ____ to manage telecom ____.

____ I ____ that make ____ to ____ the telecom equipment?

Are ____ updates available ____ administer telecommes ____?

Can ____ updates to do the ____ telecom equipment?

____ any updates ____ handle telecom ____ efficiently?

Can ____ updates be used ____ equipment?

Do ____ make firmware updates ____ manage ____?

Will ____ telecom equipment ____?

____ wonder if I can get new ____ make ____ and ____ the ____ equipment.

____ Firmware ____ available for ____ administration of ____ equipment?

Is ____ an updated firmware ____?

____ if I could ____ to ____ it ____ efficient ____ control and ____ telecom equipment.

____ possible ____ updates that can ensure ____ handling ____ control of ____ telecom ____?

Is ____ updates available ____ telecom ____?

Will ____ firmware ____ for ____ equipment management?

____ wonder if the updates ____ telecom ____ will ____ it ____ and control ____.

____ know if there ____ any ____ for the ____ Telecommunications equipment?

I wonder if ____ get ____ ensure ____ of the telecom ____.

Is there ____ upgrade available ____ my telecommunications ____?

____ managing telecom gear?

I ____ if ____ get ____ updates ____ the ____ equipment that ____ and handle equipment better.
