

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Extending or adjusting alarm system coverage
Inquiry Sub-Category	Alarm system coverage relocation
Description	Customers moving to a new location may have queries regarding the relocation of their existing alarm system coverage, inquiring about transfer and reinstallation procedures, as well as any associated costs or adjustments required.
Data Size	5,068 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

Will ____ be ____ for ____ compatibility ____ we relocate but continue ____ company's ____ detection ____?
 ____ there ____ changes to ____ compatibility ____ continue utilizing your intrusion ____ services?
 If ____ to ____ on your company's protection features, are ____ hardware adjustments ____?
 Is it necessary for ____ compatibility ____ your intrusion ____ services?
 ____ we have ____ change equipment ____ use the intrusion ____ services?
 If we ____ but remain subscribed to your ____ we ____ to ____?
 ____ I expect ____ my security setup if I ____ locations but ____?
 Changes ____ to be ____ if we move but still ____.
 Does any equipment ____ to ____ made ____ move and use ____ detection ____?
 ____ the ____ setup if we still want ____ intrusion detection services?
 Can ____ tell ____ if ____ would ____ any ____ firm's ____ tracking solutions?
 Is ____ necessary ____ to ____ changes ____ our relocation ____ the same equipment and using ____ company's ____?
 If I relocate and ____ use your company's ____ services, ____ modify ____?
 If ____ relocate but still subscribe ____ your ____ detection services, ____ any changes ____?
 Can we keep ____ services ____ different ____ if we ____?
 ____ there any need for equipment compatibility ____ if we ____ subscribe ____ detection ____?
 Do ____ need to modify ____ current setup if ____ and ____ intrusion ____?
 Are there alterations ____ would ____ support the continued usage ____ your firm's ____ solutions?
 If ____ move, ____ we still ____ the ____ services?
 ____ have to mess with ____ equipment ____ if ____ still ____ use ____ intrusion detection ____?
 Is ____ necessary to ____ when moving ____ use intrusion detection ____?
 ____ it ____ make changes ____ the hardware ____ decide to ____ locations and ____ on ____ protection?
 ____ any need for equipment ____ if we ____ but ____ subscribed to your ____?
 Modifications ____ equipment ____ would be required if youRelocating ____ your ____ detection ____.
 In case of ____ use of ____ company's ____ are there ____ changes ____ in our setup?
 Should there ____ changes ____ equipment compatibility when ____ with intrusion ____?
 ____ I ____ to change my ____ if I ____ use your company's intrusion ____ services?
 ____ there ____ changes ____ for ____ compatibility ____ we use ____ intrusion detection ____?

_____ equipment _____ order to _____ use _____ intrusion detection services?
 Will the relocation affect _____ setup _____ you _____ ?
 _____ modify our equipment when we move _____ still use _____ ?

 Should equipment _____ changed if _____ move _____ continue _____ your intrusion _____ ?
 Do we _____ anything for our _____ while keeping _____ same equipment, _____ using _____ callbacks?
 _____ there _____ needed changes _____ equipment compatibility _____ we move _____ continue using _____ intrusion _____ ?
 If _____ move locations but keep _____ detection, _____ any _____ to my _____ security _____ ?
 Do _____ equipment when _____ relocate but _____ use intrusion _____ services?
 Should _____ any necessary _____ equipment for continued _____ of your _____ services?
 _____ we expect any changes to _____ continued _____ of _____ detection _____ relocation?
 _____ to be made to equipment compatibility if we _____ the _____ .
 _____ the requirements for equipment _____ with _____ services?
 Does _____ to be changed _____ we move _____ still use _____ services?
 Is _____ any _____ to make _____ if we _____ but _____ intrusion _____ services?
 Is it necessary to change _____ when moving but _____ ?
 Is _____ would require alterations _____ support _____ firm's intrusion tracking solutions?
 _____ moving _____ for equipment _____ while _____ using your company's intrusion _____ ?
 Do _____ to modify my _____ to _____ your company's _____ if I _____ ?
 Will _____ need _____ modify our _____ work _____ your _____ service?
 Should we _____ but still use _____ intrusion detection _____ ?
 Is _____ necessary to _____ our equipment _____ move, but _____ intrusion _____ ?

Does _____ need to be adjusted _____ we move?

When _____ with _____ company's _____ should there be _____ made _____ ensure equipment _____?

If we move _____ use your _____ services, will _____ to _____?

Will there be _____ adjustments _____ equipment _____ we _____ to your intrusion _____?

_____ any _____ needed _____ the _____ usage _____ your _____ tracking _____ required when relocating?

Is _____ need _____ equipment compatible if we _____ remain _____ to your _____ detection _____?

_____ moving _____ your company's intrusion _____ be adjusted?

_____ still use _____ intrusion _____ services even if _____ equipment?

If we _____ but stay _____ intrusion detection services, are _____ equipment _____?

_____ we have _____ change _____ equipment _____ we _____ the company's _____ detection _____?

Does _____ to _____ equipment _____ if we _____ still use intrusion _____?

_____ we need _____ equipment changes _____ we _____ but _____ your _____ services?

Is it necessary _____ to ensure _____ with intrusion detection _____?

Will equipment _____ be _____ if _____ relocate and _____ your _____ service?

_____ it necessary _____ gear adaptations _____ relocation _____ of _____ alert?

_____ any _____ if we move and still use _____ detection _____?

_____ intrusion detection services, should adjustments be _____ ensure _____ compatibility _____?

Should I _____ my _____ relocate _____ still _____ your _____ intrusion _____ services?

_____ continue _____ your intrusion _____ will _____ be _____ to equipment compatibility?

Does _____ to _____ equipment changes _____ we move _____ still _____ your _____ detection _____?

Is it _____ to _____ compatible _____ move but _____ intrusion _____?

To make sure _____ integration _____ your _____ relocating, any requirements _____ changing _____?

_____ it necessary to _____ for _____ but _____ use _____ detection _____?

_____ to the equipment _____ would _____ if _____ company _____ to _____ while retaining intrusion _____.

_____ be any changes in _____ compatibility if _____ continue using _____ intrusion _____?

Will there _____ for equipment _____ we _____ using your intrusion _____ services?

Do we _____ make equipment compatible when _____ still _____ intrusion _____?

_____ compatibility _____ to be changed _____ we _____ still _____ to _____ detection service?

_____ be any needed _____ equipment _____ if we move _____ intrusion detection _____?

Is it _____ to modify equipment _____ in _____ your _____ detection _____?

If we _____ continue _____ services _____ there any changes _____ equipment compatibility?

_____ relocate and _____ your company's services, are _____ equipment compatible?

Will there be _____ in equipment _____ if _____ move and use _____?

Are any _____ required _____ the _____ usage _____ your _____ tracking _____ necessary _____ relocate?

_____ compatibility with _____ services _____ be changed if _____ move?

_____ our setup _____ your _____ detection services?

Is _____ to _____ hardware changes if we _____ to _____ rely _____ your company's _____ features?

_____ any _____ to _____ the _____ usage _____ firm's _____ tracking _____ required to relocate?

_____ keep _____ alarm services at a _____ location if we moved?

Does _____ affect _____ for _____ compatibility while _____ using your _____ intrusion _____?

Is _____ to _____ equipment compatibility changes when _____ relocate, but _____ use _____?

Modifications to the _____ setup _____ be _____ if _____ were to _____ the _____ detection _____.

Do we _____ modify the _____ setup _____ we _____ to use _____ intrusion _____?

_____ expect changes to _____ of intrusion detection _____ during the _____?

Is _____ necessary to _____ for _____ moving or _____ your security _____?

_____ there _____ equipment _____ we _____ using your intrusion detection service?

_____ we _____ to make modifications to our _____ to _____ with _____?

_____ compatibility _____ affected if _____ relocate and _____ your _____ detection service?

Is _____ possible _____ equipment compatibility _____ when _____ while still _____ in intrusion _____?

_____ to adjust _____ hardware if we decide _____ move locations _____ rely on _____ protection _____?

If _____ your company's _____ system, will _____ to adapt our _____?
 _____ changes are needed _____ we move _____ use _____ intrusion _____ services?
 If we _____ using _____ services, _____ there be _____ changes _____ equipment?
 When moving but _____ using _____ alert _____ modifications be _____?
 When relocating _____ company's _____ equipment compatibility be adjusted?
 Do _____ need to _____ equipment when _____ move because of your _____?
 _____ any _____ changes _____ if _____ move but still _____ detection services?
 Modifications to the existing _____ would _____ required _____ you relocate _____ retaining _____.
 If _____ utilizing your intrusion _____ services, _____ there _____ changes to _____?
 Will there be any _____ terms _____ we _____ but _____ using _____ intrusion detection services?
 _____ to _____ your company's intrusion detection services after _____ move, _____ it _____ necessary _____ us _____ make
 _____?
 Do _____ need _____ changes if _____ move _____ intrusion detection _____?
 _____ there _____ to _____ equipment _____ if _____ but _____ your intrusion detection services?
 _____ we _____ use your _____ can our _____ detection equipment maintain compatibility?
 What _____ changes are required _____ move but still _____ detection _____?
 Do we _____ with _____ equipment setup _____ move _____ still _____ your intrusion _____?
 Do we _____ our equipment _____ we _____ because of _____ detection system?
 Is _____ during a _____ to _____ with intrusion _____ services?
 _____ equipment compatibility with _____ services?
 _____ change our equipment when moving _____ we _____ on your _____ system?
 _____ there _____ equipment compatibility if _____ move _____ still use _____ detection services?
 _____ to _____ equipment setup would _____ your _____ relocated while _____ detection services.
 _____ relocation _____ the _____ with our _____ with _____ detection services?
 When _____ and staying _____ your _____ detection _____ do _____ to make _____ to our _____?
 Will relocation _____ the compatibility _____ our setup with _____?
 Is _____ to _____ my equipment if I want _____ your company's intrusion _____?
 Do we _____ our _____ we _____ because we _____ on your _____ detection system?
 Is it _____ changes to the _____ for _____ using your _____ service?
 When moving but still _____ detection _____ we _____ make equipment _____?
 If I _____ use your _____ intrusion detection services, _____ I _____ equipment?
 _____ there be needed changes _____ compatibility if _____ continue _____ your _____ service?
 _____ change equipment _____ move, _____ still use intrusion detection services?
 Is _____ equipment compatibility changes _____ relocating or _____ intrusion _____ services?
 _____ we expect _____ to _____ for continued use _____ intrusion _____ services during _____?
 _____ there be needed changes to _____ continue using your _____?
 Should _____ my _____ if I _____ your intrusion detection services?
 Does _____ equipment _____ if _____ move but still _____ your intrusion _____ services?
 _____ relocation demand modifications _____ our equipment works _____ your _____?
 Should _____ relocating _____ still investing in _____ detection offerings?
 _____ it necessary _____ changes to _____ when _____ but _____ intrusion _____ services?
 _____ I _____ and want _____ your _____ detection services, will _____ to _____ my equipment?
 Will _____ impact the compatibility _____ our _____ detection services?
 Is it _____ compatible _____ intrusion detection _____ when we move?
 Will we have _____ our _____ if _____ your _____ intrusion _____ system?
 When _____ with _____ company's _____ detection _____ do we have _____ change _____?
 _____ there _____ equipment _____ if _____ keep _____ intrusion detection services?
 _____ moving affect _____ requirements for equipment _____ still _____ the _____ services?
 Is _____ that your _____ solutions will need alterations if _____?
 _____ have _____ change _____ equipment when _____ move _____ rely on your _____ detection system?
 Will there be _____ changes _____ equipment _____ if _____ your intrusion detection _____?

Will equipment adjustments be needed _____ maintain _____ your _____ ?

If _____ continue _____ your intrusion _____ do _____ a different set of _____ ?

Will _____ compatibility be _____ if _____ but _____ your _____ intrusion _____ services?

Can _____ use your intrusion detection services _____ if _____ ?

_____ of _____ gear is required to _____ sure _____ with _____ intrusion _____ relocating?

_____ move, _____ we _____ modify our _____ for intrusion detection?

_____ changes are _____ for equipment _____ move and continue _____ detection services?

Is it _____ to make _____ if we _____ but _____ to _____ detection _____ ?

Should _____ modify _____ equipment _____ move but continue _____ detection services?

_____ we have _____ change _____ equipment setup _____ we _____ still _____ to use _____ detection _____ ?

_____ need to make _____ equipment changes _____ move _____ use intrusion _____ services?

_____ it _____ us to modify _____ setup if we _____ detection services?

Is _____ necessary for _____ modify my _____ I want _____ utilize your _____ detection _____ ?

_____ have to _____ equipment _____ if we _____ still use _____ intrusion _____ services?

Will _____ relocation impact the _____ of _____ detection services?

_____ we _____ to change _____ setup if we _____ still _____ detection services?

_____ case _____ continued use _____ your _____ intruder identification _____ are there any _____ to our setup?

_____ changes _____ when we _____ but still use _____ services?

_____ if _____ and still subscribe to your _____ detection services?

If I relocate, _____ modify _____ equipment _____ use _____ intrusion detection services?

 _____ there be _____ for _____ we _____ your intrusion detection services?
 _____ be made to _____ hardware if _____ to move locations _____ rely _____ protection features?
 Do we need _____ compatible with your _____ services _____ move?
 _____ moving _____ the _____ Compatibility while still _____ your _____ intrusion detection _____ ?
 Will there _____ to _____ stay with your intrusion detection _____ ?
 _____ keep _____ your _____ at a different location if _____ ?
 _____ relocate _____ utilize _____ company's _____ current intrusion detection equipment remain compatible?
 If _____ move _____ still use _____ detection services, do _____ need _____ changes to _____ ?
 Will _____ by _____ or can we _____ keep using your _____ a different location?
 _____ changing _____ required _____ to _____ seamless integration with your _____ detection solutions after _____ ?
 In case _____ relocation _____ continued _____ of _____ identification _____ are _____ changes needed?
 If _____ and continue _____ your intrusion detection services, are _____ changes _____ ?
 Will we _____ to make _____ changes when we _____ use _____ services?
 _____ you need to _____ equipment compatible _____ services _____ we move?
 _____ needed with relocation and ongoing _____ of _____ ?
 _____ retain access to _____ intrusion _____ services _____ the move, would _____ be necessary _____ us _____ make _____ ?
 Is _____ detection equipment _____ relocate and still use _____ ?
 Will _____ need _____ make equipment _____ once we _____ but _____ use _____ detection _____ ?
 _____ must _____ to _____ compatibility _____ relocate, but still use _____ detection.
 If we move _____ still _____ your intrusion detection _____ do _____ need _____ ?
 _____ case of a _____ but _____ use of your _____ intruder identification service, _____ there _____ setup?
 _____ we modify our setup _____ relocate and _____ your _____ again?
 Is it _____ setup to be adjusted _____ relocation but continued use of _____ service?
 _____ we _____ make changes to our equipment to _____ intrusion _____ ?
 _____ we need to _____ if we move but _____ use _____ ?

____ it necessary ____ our ____ if we ____ and ____ your intrusion ____ services?
 ____ but remain subscribed to ____ are ____ any changes ____ equipment compatibility necessary?
 Does ____ equipment compatibility ____ of intrusion detection ____?
 ____ I modify my equipment ____ relocate and ____ the company's intrusion ____?
 Is it necessary to make ____ to the ____ security ____?
 Relocating while ____ your ____ detection services might ____ some ____ setup.
 ____ it possible ____ company's intrusion detection services ____ we ____?
 ____ compatibility ____ considered when moving ____ still ____ in your ____ detection ____?
 Should ____ modify my equipment ____ use ____ detection services ____ I ____?
 ____ moving affect ____ requirements for equipment ____ while ____ intrusion ____?
 Will ____ be adjustments for equipment ____ we ____ to ____ services?
 Modifications to ____ equipment ____ required if you relocated ____ retaining the ____.
 ____ it necessary to make ____ you relocate with ____ detection services?
 Relocating while retaining your ____ intrusion ____ require ____ equipment setup.
 ____ it necessary for ____ be ____ we move and use ____ services?
 ____ we still use ____ even after we ____?
 Do we need ____ make any ____ our ____ while ____ equipment and using ____ callbacks?
 Will the relocation ____ your intrusion detection ____?
 If ____ relocated and still ____ to ____ your company's ____ services, do ____ to ____ equipment?
 ____ we ____ intrusion detection services while ____?
 ____ changing our gear to ____ seamless ____ with your intrusion ____ after ____.
 To ____ sure seamless ____ intrusion ____ solutions after ____ for altering our ____?
 Will we need to ____ your intrusion detection ____?
 Will ____ changes ____ equipment compatibility ____ we keep ____ detection services?
 Is ____ the compatibility of ____ equipment ____ intrusion detection ____?
 Is there ____ need for ____ upgrade or ____ systems due to relocation, ____ still use ____ your ____?
 ____ moving to use your ____ services, ____ equipment be ____?
 Are we required ____ make ____ changes ____ we ____ but ____ intrusion detection ____?
 ____ relocation ____ compatibility of our ____ you intrusion detection ____?
 ____ it necessary for equipment ____ to be ____ if we ____ still ____?
 If we relocate but ____ services, ____ be ____ to equipment compatibility?
 Will ____ of ____ setup ____ your intrusion ____ services be ____ relocation?
 ____ there ____ for ____ if we ____ and ____ intrusion detection services?
 Will the relocation require modifications ____ make ____ work with ____?
 ____ equipment compatibility be ____ if ____ relocate ____ subscribers ____ your intrusion ____?
 ____ I relocate ____ still ____ to ____ your company's ____ detection ____ will I ____ to ____ my ____?
 Will relocating ____ your intrusion detection ____?
 ____ we move, do ____ modify equipment ____ keep ____ intrusion ____ services?
 ____ equipment compatibility ____ expected ____ relocating when you ____ invest ____?
 Do I need ____ your ____ intrusion detection services if I ____?
 Will ____ changes in ____ compatibility ____ keep using your ____ detection services?
 Will there be compatibility modifications ____ moving ____ using ____ alert ____?
 Should we modify equipment ____ if we ____ services?
 ____ affect the ____ of ____ equipment ____ your ____ detection service?
 Will ____ any needed changes in ____ of equipment compatibility if ____ continue ____ your ____?
 In ____ of a ____ but ____ use of ____ company's intrusion identification ____ any ____ in our ____?
