

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Product specifications and features request
Inquiry Sub-Category	Compliance with industry standards
Description	Customers inquire about the equipment's adherence to industry standards and certifications, ensuring compatibility and interoperability with other telecommunications systems.
Data Size	5,066 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ compliance _____ been conducted on these _____ telecom technology _____ regulations?

_____ products are _____ under telecom technology interface _____.

Is _____ any assessment _____ with telecom _____ standards?

_____ you _____ if _____ have _____ tested to ensure telecom _____?

Did you _____ compliance testing _____ with telecom _____ interface _____?

_____ was _____ on these products _____ compliance _____ interface _____.

Is _____ done _____ according _____ the telecom regulations?

Were the products examined for _____ standards?

_____ they _____ for _____ telecom tech _____?

_____ product's being tested have _____ technology regulatory protocols _____?

Did _____ a _____ to _____ telecom _____ interface forms?

Does the _____ products _____ to rules about _____ interchange regulations?

Does _____ on _____ products comply _____ Telecom _____ regulations?

Is _____ for these _____ to _____ interchange rules?

_____ the _____ done on _____ products _____ accordance _____ regulations?

Can _____ follow telecom _____ regulations?

Does the testing _____ these products _____ technology _____?

Does compliance _____ involve _____ regulations?

_____ compliance testing _____ of the _____ IT interface?

_____ the _____ correlate _____ rules _____ telecom IT interface?

_____ the _____ for these _____ the _____ regarding telecom _____ interchange?

Is _____ on these _____ as per _____ regulations?

_____ checked for _____ to _____ tech interface guidelines?

Is the _____ done on _____ products in _____ telecom technology _____?

_____ compliance _____ may have followed _____ regulations _____ interfaces.

_____ testing for _____ products compliant _____ technology _____ regulations?

Do _____ know _____ these products have _____ telecom _____?

Were _____ products tested _____ adherence to _____ rules?

Do you ____ for compliance ____ the ____ technology ____?

Has ____ on these ____ complied ____ Technology interface regulations?

____ the check-ups conducted ____ compliance ____?

____ regulations governing ____ interface?

Is ____ test ____ on ____ products ____ accordance with the ____ telecom technology ____?

____ telecom technology interface ____ during testing?

____ this compliance ____ the ____ of the telecom ____ interface?

____ compliance testing for ____ products ____ with ____ about ____ interchange?

____ these ____ fit in with ____ rules?

Is ____ tested following ____ protocols for ____ technology?

Does ____ testing ____ with rules ____ telecom technology ____?

____ made certain that the ____ were followed?

____ tested for compliance ____ telecom tech interface ____?

____ necessary ____ telecom ____ been done ____ these devices?

____ do compliance ____ for the products to conform ____ the ____?

____ the ____ in accordance with regulations for ____?

____ these ____ in ____ with ____ rules?

____ telecom technology interface regulations ____.

Do the compliance ____ these ____ comply ____ telecom ____ interface ____?

____ testing ____ with ____ technology interface rules?

____ the compliance ____ telecom regulations ____ product interface.

Does the ____ these products follow the ____ of the ____?

____ the ____ done on these ____ with telecom ____?

____ conducted in compliance with ____?

Can these products ____ tested ____ with Telecom ____?

Were these goods ____ with ____ interface ____?

Is ____ compliance test ____ products because ____ regulations?

Is the ____ these ____ in compliance with ____ regarding telecom ____?

Were the ____ subjected ____ testing as ____ tech interface ____?

____ conformity assessment done according ____ technology interface ____?

These ____ have been ____ tech interface forms.

Has ____ test ____ products complied ____ the ____ for ____ technology ____ regulations?

____ make ____ that compliance ____ was done ____ technology interface regulations?

Telecom ____ regulations ____ compliance testing on ____.

____ tested to make sure they ____ telecom ____ interface ____.

The ____ technology interface regulations ____ for ____ products.

Were ____ products subjected ____ compliance ____ according ____ tech ____ regulations?

Is ____ tested in ____ telecom technology interface ____?

Is ____ done ____ these products ____ compliance ____ technology interface ____?

____ tell me ____ compliance testing on these ____ complies ____ regulations?

Is ____ testing ____ these ____ with telecom regulations?

____ products ____ tested for ____ with ____ interface regs.

____ testing ____ with the ____ of ____ telecom technology ____?

Did you use ____ to ____ products?

Has ____ test done ____ line with Telecom technology interface ____?

I ____ if compliance ____ was done in line ____ rules.

Does the test ____ these ____ telecom technology interface?

Did ____ these products complied with ____ rules?

Is ____ test done ____ rules related ____ telecom technology interface regulations?

____ these ____ meet Telecom tech ____?

_____ these products tested _____ to _____?

Do you comply _____ telco tech _____ product _____?

Does the compliance testing _____ technology interchange rules?

Does _____ testing _____ these products _____ with _____ telecom technology _____?

In _____ telecom technology rules, _____ done?

These products have to _____ telecom technology interface _____.

Did _____ testing _____ products _____ comply _____ Telecom interface regulations?

_____ testing _____ per _____ telecom regulations?

Does the testing _____ with the rules of _____ interface?

_____ the _____ testing following _____ interface _____?

_____ checked for meeting _____ tech interface _____?

Did _____ make _____ these products _____ Telecom interface rules?

_____ there _____ on telecom _____ interface standards for these _____?

Is there any assessment done _____ telecom _____ standards _____?

_____ done on _____ in _____ with telecom regulations?

_____ being tested, have the telecommunication technology regulatory _____?

Do these _____ the _____ tech _____?

Did you test _____ compliance with _____ interface _____?

Does the _____ for _____ products comply _____ telecom interface _____?

Has _____ done _____ these products _____ in _____ with telecom _____?

_____ products tested in line _____ telecom tech _____?

Were these products _____ with telecom _____ interface _____?

_____ the test _____ on the products _____ the rules about _____?

_____ compliance _____ to _____ place on these _____ by the telecom _____ regulations.

Has _____ test _____ done _____ telecom technology interface rules?

_____ telecom technology _____ regulations have _____ followed during _____?

_____ test _____ products to be compliant with _____ interface _____?

_____ the _____ of _____ telecom technology interface regulations?

_____ these _____ be tested _____ comply _____ interface regs?

Is _____ test _____ these _____ compliant _____ interface regulations?

Is compliance _____ done on _____ products _____ interface regulations?

_____ products subject to compliance _____ under telecom _____?

_____ there an _____ merchandise following _____ technology protocols _____?

_____ the _____ testing correlate to _____ telecom Technology _____ regulations?

_____ test on these products _____ rules regarding telecom _____?

_____ should be _____ telecom tech interface rules.

Did _____ test the _____ to comply _____ regs?

Is _____ done _____ with the Telecom technology _____?

_____ compliance testing for _____ technology interfacerregulation?

_____ the telecommunication _____ regulatory _____ the product _____ being tested?

Did you _____ sure _____ telecom _____ interface _____ are _____ during _____?

Does the test _____ on _____ products comply with the _____?

_____ these products have to _____ tested _____ with _____ technology _____?

_____ the _____ done in compliance _____ Telecom technology _____?

_____ the test done _____ products conform _____ telecom _____?

Did _____ through compliance _____ under _____ tech interface _____?

Are _____ using telecom tech _____?

_____ the telecommunication _____ regulatory _____ the product is _____ tested?

_____ sure that _____ testing _____ done _____ to telecom technology interface _____?

_____ the test done _____ these _____ the _____ regarding telecom technology _____ regulations?

_____ products you _____ telecom interface regs?
 _____ the compliance _____ regulations _____ the _____ tech interface?
 Under _____ telecom _____ interface _____ products tested?
 _____ compliance testing done on _____ according to _____?
 Were the _____ tested _____ adherence _____ interface rules before _____?
 Is the _____ technology _____ followed _____ a _____ being tested?
 _____ the compliance _____ for _____ products Comply _____ telecom _____ regulations
 Is _____ testing for these _____ related _____ Telecom Technology _____?
 The products _____ been tested _____ telecom _____ regs.
 Does _____ test _____ on _____ with _____ technology interface regulations?
 _____ compliance _____ the rules of _____?
 Did _____ products for compliance under _____ regulations?
 _____ these products _____ with _____ interface _____?
 Does the test _____ comply with _____ regulations?
 Did you make _____ the _____ technology _____ regulations _____?
 Have _____ tested these _____ compliance?
 Is the conformity assessment done _____ accordance with _____?
 Were _____ conducted _____ with _____ rules?
 _____ regulations _____ testing on products
 Did _____ make sure _____ the _____ technology interface were _____?
 _____ the compliance _____ these products _____ with telecom _____ regulation?
 Is _____ on _____ products compliant _____ regarding telecom _____ interface?
 _____ these products correlate with the rules of the _____
 _____ you make sure _____ telecom _____ were followed _____ the _____?
 _____ for the products _____ with _____ of the _____ IT interface?
 Does the _____ these products comply with the _____ of _____?
 According to _____ telecom technology _____ has _____ testing _____ done _____ these _____?
 _____ the _____ technology interface regulations followed _____?
 Are _____ tested _____ adherence _____ telecom tech _____ rules?
 The _____ testing _____ these _____ is required by _____ technology _____.
 Does _____ testing _____ match the rules _____ technology interchange _____?
 _____ the telecommunication _____ protocols followed _____ product is being _____?
 _____ the test done _____ compliance with the _____ technology _____?
 For _____ interface forms _____ these items _____?
 Has _____ test _____ products complied with _____ technology interface regulations?
 _____ the _____ tested _____ line _____ telecom _____ interface regulations?
 I asked if the _____ telecom regulations.
 Did compliance _____ follow the _____ of the _____ interface?
 _____ products subject to testing under telecom _____?
 _____ you know if _____ products have _____ tested _____ compliance?
 Did the products _____ through _____ testing _____ by the telecom _____?
 Did _____ of the telcom technology interface?
 _____ the test _____ with the Telecom technology _____?
 Compliance testing for these _____ do with _____ interface _____.
 Did compliance _____ these _____ with _____ regulations?
 _____ a _____ compliance with _____ interface regs?
 Is these products _____?
 _____ of _____ products were _____ with _____ interface regs.
 _____ correlate _____ the _____ the Telecom technology interface regulations?
 _____ you _____ for compliance with _____ technology _____?

Are the products _____ with _____ regulations?
 _____ you tested _____ telecom technology interface _____?
 Is _____ done _____ these _____ in compliance _____ Telecom _____ interfaceregulations?
 Does _____ test done _____ these _____ with _____ interface _____?
 _____ items tested for meeting _____?
 Does the testing _____ the regulations _____ telecom technology _____?
 _____ testing on products _____ by _____ interface regulations.
 Does the _____ of _____ correlate _____ the _____ of _____ telecom technology _____?
 Have _____ tested _____ with _____ technology _____ rules?
 Is these products _____ adherence _____ telecom _____ norms?
 Does the _____ on the products _____ technology _____?
 The products may _____ tested for _____ interface _____.
 Is the _____ line with _____ rules?
 Is _____ its adherence to telecommunication _____?
 _____ the _____ technology _____ regulations followed _____?
 _____ test _____ these products in line with _____ regarding _____ interface?
 _____ test _____ on _____ products in accordance with rules _____ telecom _____?
 Is _____ test _____ in _____ regarding telecom technology interface regulations?
 _____ the compliance _____ for _____ telecom _____ interface regulations
 Did _____ testing on these _____ telecom regulations?
 _____ compliance _____ for these products follow _____ interface _____?
 Does _____ testing for these _____ telecom technology interchange _____?
 Telecom technology _____ regulations require the _____ these _____.
 _____ these _____ correlation with the rules _____ telecom technology interchange _____?
 Are the _____ for _____ in the _____ technology _____?
 Does _____ compliance _____ with _____ of _____ telecom technology interface?
 Did _____ products _____ comply _____ the Telecom _____ regulations?
 _____ the _____ done on these _____ in _____ with _____ surrounding telecom _____?
 Is _____ of these items by _____ standards?
 _____ done _____ the products _____ Telecom interface regulations?
 _____ the test _____ on _____ products _____ with rules _____ telecom technology _____?
 The products _____ compliance with telecom _____ regulations.
 Did _____ telecom interface _____?
 Do the telecommunication _____ regulatory _____ followed _____ testing?
 Did _____ test _____ products _____ compliance _____ telecom _____ regulations?
 _____ the compliance testing for _____ products _____ the _____ regulation?
 _____ know if _____ compliance testing followed _____ tech interface _____.
 Is _____ possible that _____ merchandise _____ been _____ following _____ technology _____.
 _____ these _____ to comply with _____ interface _____?
 _____ products _____ compliance _____ technology interfaceregulations?
 _____ make sure telecom interface _____ during testing?
 Does the _____ on _____ comply _____ telecom technology interface _____?
 _____ testing for the _____ technology interface _____?
 _____ check-ups _____ tele-tech-interface rules?
 _____ have any _____ on _____ products for _____ compliance?
 _____ on these _____ comply with _____ telecom _____ interface regulations?
 _____ be tested for compliance _____ telecom technology _____?
 _____ you check if these _____ comply _____ interface _____?
 _____ are products _____ for _____ with _____ interface regs.
 _____ these products _____ tested _____ compliance _____ rules _____ telecom _____ interface?

Do _____ these _____ for _____ Technology interface rules?

Is the _____ done _____ the _____ in _____ telecom _____?

Are the items tested _____ telecom _____?

_____ done in line _____ tech interface rules?

Is _____ test _____ compliance with telecom _____ interface _____?

Can _____ products _____ tested in _____ telecom interface _____?

_____ compliance _____ conducted on _____ compliant with telecom technology _____?

Did _____ testing follow _____ for telecom _____?

Is compliance testing done _____ according to _____ regulations?

Is the _____ products _____ compliance _____ Telecom _____ interface Regulations?

These _____ might _____ compliance _____ telecom technology interface regulations.

Does compliance testing _____ these _____ technology _____ regulations.

_____ you _____ products in compliance with telecom _____?

_____ if you checked _____ these _____ complied with _____ interface _____?

The _____ may _____ been examined _____ telecom _____ interface rules.

Does _____ done _____ these products Comply with _____ interfacer regulations?

Do _____ products _____ with telecom interface rules?

Has the test _____ products been in _____ with _____?

Were these products subjected to compliance testing _____?

_____ that this merchandise _____ for adherence to _____ standards?

_____ the assessment _____ products _____ the regulations _____ communications _____?

Did _____ pass compliance testing as _____ tech _____ regulations?

These _____ may _____ tested for _____ telecom _____ regs.

_____ these check-ups _____ compliance _____ tele-tech-interface _____?

_____ compliance _____ in line with _____ the _____ technology?

Were _____ subject to compliance testing according to _____?

_____ items tested _____ meeting _____ tech interface _____?

What _____ were _____ with telecom interface regs?

_____ you _____ compliance testing _____ required by _____ interface _____?

_____ testing _____ the _____ to comply _____ the _____ interface regulations?

Does _____ compliance _____ follow telecom technology _____ regulation.

Has the _____ done on _____ complied _____ Telecom technology _____?

_____ the compliance _____ with _____ interface regulations?

Is the _____ done _____ these _____ with telecom _____ interface _____?

_____ per telecom regulations?

_____ the _____ adhere to tele-tech _____?

_____ compliance testing of _____ products correlate with _____ the _____ interface?

Does _____ on these _____ meet _____ for telecom _____ interface?

Is _____ testing done as _____ for _____ technology _____?

Is the _____ done on these _____ in _____ Telecom _____?

Did _____ if _____ products _____ with Telecom interface _____?

Does _____ compliance testing _____ the _____ regarding _____ telecom technology _____?

_____ check _____ these products comply _____ interface rules?

_____ compliance testing for _____ products _____ with _____ tech _____ regulations?

Did you check if _____ rules?

_____ testing for these _____ adhere _____ the _____ Technology _____ regulation?

_____ you know _____ compliance _____ done as per telecom _____?

_____ the test done on these _____ rules _____ technology interface _____?

Are the _____ telecom technology interchange _____ to _____ compliance _____ products?

Is compliance _____ these _____ following telecom _____ interface _____?

Were ____ telecom ____ during testing?

Has the ____ done ____ complied ____ Telecom ____ interface regulations.

____ adherence to telecom tech ____ norms through ____ tests?

Does the ____ on ____ products comply ____ Telecom technology ____?

These ____ subject to testing under ____ regulations.

____ the ____ adherence to ____ interface rules?

____ require compliance ____ in products.

____ regulatory ____ for ____ been followed during ____?

____ products looked ____ adherence ____ tech interface standards?

____ these ____ technology interface regulations?

Do you ____ with telecom technology ____ these ____?

____ the check-ups ____ tele-tech interface ____?

____ tested in ____ with the telecom ____ interface rules?

Is the test done ____ the ____ telecom ____?

____ test done on these products ____ compliance with ____ of ____ regulations?

____ compliance ____ the rules about ____ telecom IT interface?

____ the ____ these products according to telecom ____?

____ test them to make sure they complied ____?

Have ____ that ____ regulations for telecom technology ____ followed?

____ you check if ____ complied with ____ interface ____?

To ____ with telecom ____ regs, ____ you ____ products?

Is ____ test ____ on these ____ with Telecom ____?

____ done ____ these ____ in line with ____ rules?

Do ____ products have ____ testing ____ according to ____ technology ____?

____ regulations ____ compliance testing on these ____.

____ you ensured ____ technology interface regulations ____?

____ goods ____ with ____ rules?

Does ____ to ____ interface regulation?

Has ____ test ____ on these products been in ____ rules ____ interface?

Is the telecom ____ followed ____?

Can these ____ tested for ____ to telecom technology ____?

Were these products ____ the ____ tech interface ____?

Does the ____ these products compliance ____ Telecom ____?

The compliance ____ take ____ on ____ is ____ by the telecom ____.

____ the ____ on the ____ comply with Telecom ____ regulations?

Is the ____ in ____ with telecom ____?

Were ____ compliantly under ____ telecom ____?

Is ____ compliance ____ these ____ to the telecom Technology ____?

Has ____ on these ____ with ____ technology interface ____?

Products ____ tested ____ in line ____ tech ____ regulations.

Did ____ products be ____ for adherence ____ interface ____?

____ items were ____ see ____ they met telecom ____ interface ____.

Is ____ test ____ for ____ accordance ____ technology interface regulations?

Does the ____ telecom ____ regulations?

Is the ____ test done ____ telecom ____ products?

____ products ____ telecom ____ interface regulations?

____ the necessary ____ these ____ for telecom use?

____ products ____ for adherence ____ telecom tech interface ____?

Does ____ test done ____ these ____ comply ____ the ____ Technology ____?

Has the ____ done on ____ regarding telecom technology interface?

Is there _____ on _____ technology interface standards _____ items?

How are these _____ under the _____ technology _____?

Is _____ compliance tests _____ to _____ regulations _____ product _____?

Were items tested for _____ telecommunications _____ interface _____ their _____?

_____ test _____ these products is _____ compliance with Telecom _____.

Are _____ tested _____ in _____ technology?

Does _____ these _____ meet _____ technology interface regulation?

_____ might _____ been tested for _____ tech _____ forms.

_____ compliance _____ these _____ with the telecom regulations?

The telecom technology _____ regulations _____ compliance _____.

Were these _____ to a compliance test _____?

Did you ensure _____ technology interface _____ during _____ testing?

Is _____ for these _____ compatible with _____ rules _____ telecom IT _____?

_____ you _____ out _____ comply with Telecom interface _____?

Have _____ protocols for _____ technology been _____ during _____?

Did _____ products complied with Telecom interface _____?

Were the _____ for _____ to _____ interface standards?

Is _____ products _____ in _____ tech interface rules?

Are the telecom _____ regulations followed when _____?

Do _____ for these products with telecom _____ interface _____?

The _____ interface regulations require testing _____.

_____ you make _____ the _____ technology _____ were followed _____ testing?

_____ tested in line _____ telecom _____ interface regulations?

Did _____ products to be compliant with _____?

_____ the _____ done on these products _____ with _____ technology _____?

_____ you _____ the products _____ with _____ telecom _____ regs?

_____ you test _____ make _____ they meet Telecom _____ regulations?

_____ on _____ comply with _____ technology interface regulations?

_____ done on these _____ compliance _____ the rules regarding the telecom _____?

_____ there an _____ adherence to telecommunication standards?

_____ the _____ testing for these _____ with telecom technology _____.

_____ the compliance _____ for products _____ with the rules of _____?

Did you test these products _____ technology _____?

Is the _____ products related to rules _____ technology interchange _____?

Have there _____ assessments _____ technology _____ standards _____ these items?

Are _____ tested _____ compliance in _____ technology _____?

Do _____ on these _____ with the _____ regarding _____ technology _____ regulations?

_____ test done _____ the products complied with _____ rules _____ technology _____?

_____ checks conducted _____ compliance with tele-tech _____?

_____ these products tested _____ with _____?

_____ compliance testing with _____ interface rules?

_____ done _____ products in compliance _____ the rules _____ telecom technology _____?

_____ compliance with telecom interface _____?

_____ products tested _____ comply _____ telecom interface regs?

Have you _____ sure that the telecom interface _____?

_____ to _____ technology _____ standards, has _____ conformity _____ for these items?

Is the product tested _____ regulatory _____ technology _____?

Does the _____ testing _____ the _____ the telecom _____ interchange?

Products _____ tech interface rules.

_____ the _____ testing _____ with the rules _____ TECHNOLOGY interface _____?

____ compliance testing happen ____ telecom ____?
 Does the ____ for ____ products ____ rules ____ telecom technology interface ____?
 ____ be subjected ____ compliance testing under ____ technology interface ____.
 ____ interface regulations ____ compliance ____ certain products.
 Do ____ for compliance ____ products ____ telecom technology ____ regulations?
 ____ do ____ testing to ____ interface regulations?
 ____ testing happen as ____ the ____ tech interface ____?
 ____ the necessary testing ____ on these ____ use?
 Do you test ____ products for ____ tech ____?
 ____ telecom technology ____ regulations require ____ certain products.
 Do ____ test for ____ on ____ products according ____ telecom ____?
 ____ compliance testing for these ____ correlate ____ rules ____ telecom ____ interface regulations.
 The telecom technology interface ____ require ____ certain ____.
 ____ telecom tech interface regulations, was compliance ____ products?
 ____ you ____ testing ____ the ____ to comply with the ____ regulations?
 Does the testing ____ these ____ telecom technology ____?
 ____ you ____ compliance testing is ____ as per ____ interface regulations?
 ____ the test ____ on ____ complied with telecom ____?
 Has the test done ____ these products ____ the telecom ____?
 For compliance ____ telecom ____ regs, ____ tested?
 Have the ____ tested for ____ with ____ regs?
 Were check-ups ____ according ____?
 Is ____ any compliance ____ products that ____ with telecom ____ regulations?
 ____ on ____ products comply with Telecom ____ interface regulations?
 Are these ____ with ____ tech ____?
 Has the ____ in ____ with rules ____ technology interface?
 ____ products comply with the ____ technology ____?
 Products ____ have ____ compliance ____ in ____ with telecom tech ____.
 ____ done according to tele-tech-interface ____?
 ____ you ____ that the telecom ____ regulations ____ followed?
 Are ____ products tested in ____ interface regulations?
 Has the ____ done on ____ with ____ technology ____?
 ____ the ____ done for ____ compliance with the telecom ____?
 ____ testing might have followed ____ regulations.
 Have ____ made sure telecom ____ are ____?
 Does the compliance ____ follow ____ telecom technology ____ regulations?
 According to telecom ____ interface ____ done on ____ products?
 ____ on these ____ complied with Telecom ____ interface Regulations?
 Were check-ups done on ____ rules?
 ____ do ____ testing ____ products ____ comply with the Telecom interface ____.
 Do you ____ with Telecom interface rules?
 ____ these ____ adherence to ____ tech ____ standards ____ compliance tests?
 Do the ____ these ____ Telecom technology interface Regulations?
 ____ the ____ tests ____ conducted on ____ telecom use?
 ____ if the compliance testing followed ____ regulations.
 Did ____ sure ____ testing ____ according ____ telecom technology interface regulations?
 ____ you followed ____ tech ____ testing?
 Is the ____ done ____ in ____ with rules regarding ____ interface ____?
 Do ____ test ____ compliance with the telecom ____ rules?
 Are ____ tested ____ the telecom technology ____ regulations?

Were the _____ compliance with tele-tech interface rules?

Has _____ done on these products _____ in _____ Telecom _____ regulations?

Were they examined _____ to _____ tech _____ compliance tests?

Is _____ done on these products in _____ technology _____?

Have _____ telecom _____ regulations _____ during the testing?

Is _____ done on _____ products _____ telecom technology interface regulations?

Did _____ test these products to _____ regs?

_____ these _____ compliance according to telecom _____?

_____ testing done according _____ telecom _____?

_____ you tested these products for _____ ask?

_____ test the _____ compliance with the _____ interface _____?

The _____ tested _____ accordance with _____ tech _____ regulations.

_____ compliance _____ conducted on these _____ compliant with _____ telecom _____?

Did the _____ interface _____?

_____ the compliance _____ these products related to _____ interface?

_____ were tested _____ if they _____ telecom tech interface _____.

_____ the _____ done on the products compliant _____ regulations?

_____ undergone compliance _____ in _____ with telecom tech _____ regulations.

_____ compliance tested _____ these _____ with _____ rules?

_____ it possible that _____ products were _____ adherence _____ tech _____ norms?

_____ these _____ compliance according _____ tech interface regulations?

These products _____ at _____ adherence to _____ norms.

_____ products in _____ with Telecom technology _____?

The compliance testing _____ is _____ to _____ regarding telecom _____ interchange _____.

Do _____ products test in _____ telecom _____ interface _____?

_____ products may _____ been examined for _____ to _____ interface _____.

Did you _____ sure the regulations _____ were _____ testing?

_____ these _____ according to telecom _____ rules?

_____ you ensure _____ testing _____ products with _____ rules?

_____ done in accordance _____ interface rules?

_____ you ever _____ the _____ comply with Telecom _____?

_____ the _____ done on _____ products meet _____ telecom _____?

_____ tested to make _____ tech compliance?

Does _____ compliance _____ correlate with the _____ on _____ interface?

_____ testing as _____ telecom _____ regulations _____ these products

_____ per _____ interface _____ did _____ compliance testing on _____ products?

Are you testing these _____ they are telecom _____?

_____ the _____ done on these products in _____?

Is _____ these products compliant _____ the telecom _____ regulations?

Is _____ products comply with Telecom _____ rules?

Does _____ testing _____ to telecom technology interface _____?

The _____ have undergone _____ testing in _____ interface regulations.

_____ testing done on _____ according _____ tech interface regulations?

Is _____ assessment _____ using telecom technology _____ these items?

Were check-ups done _____ to _____?

_____ for adherence to tele-tech interface _____?

Were _____ products assessed _____ with the _____ regulations?

As _____ the telecom technology _____ compliance testing?

Is the _____ in compliance _____ telecom technology interface?

I want to _____ were _____ compliance _____ telecom interface regs.

Has the test on these _____ done _____ interface regulations?
 _____ the regulations regarding telecom technology interchange?

Did they _____ if _____ with Telecom _____ rules?

Did _____ do compliance _____ for _____ products to comply _____ regulations?

Is _____ possible that _____ products _____ for _____ with _____ interface _____?
 _____ these _____ to the compliance _____ per telecom _____?
 _____ these products _____ correlate _____ the rules of _____ telecom _____ interface regulations.

Were the _____ tested to _____ tech _____?
 _____ you tested _____ compliance _____ interface rules?

Were _____ products tested _____ meet _____?

Do the compliance testing _____ products _____ technology _____ regulations?
 _____ those _____ with telecom interface _____?
 _____ the _____ testing _____ with the _____ telecom IT interface?
 _____ comply with telecom _____ regulations?
 _____ this merchandise _____ for _____ with _____?
 _____ products _____ have undergone compliance testing under _____.
 _____ you _____ sure compliance testing is done _____ technology _____?

Were _____ tested _____ if _____ meet _____ tech interface forms?

Is _____ an assessment of compliance _____ technology _____?

Do these _____ comply _____ interface regulations?

Telecom technology _____ regulations _____ products.

Are the compliance testing for _____ the _____ telecom IT _____?
 _____ product's _____ tested have the _____ protocols _____ followed?
 _____ you make sure _____ telecom _____ regulations were _____ testing?

Is _____ these _____ following telecom technology _____ regulation?

Does compliance _____ products correlate _____ the _____ IT interface?
 _____ on _____ products _____ done in compliance _____ technology interface regulations.

Were _____ testing _____ to comply _____ interface regulations?

Is _____ test _____ on these products in _____?
 _____ you _____ products to _____ tech compliant?

I wanted _____ if the _____ tech interface regulations.
 _____ the _____ testing _____ with the rules of _____ telecom _____?

Were the _____ with tele-tech interface _____?

These products were _____ to ensure _____ telecom _____.
 _____ it possible that the merchandise _____ been _____ following _____?

I _____ to know if _____ on _____ with telecom _____ interface regulations.
 _____ the test done _____ products _____ compliance _____ technology interface regulation?

Is _____ compliance _____ done in _____ telecom standards?
 _____ sure that _____ telecom _____ interface rules _____ followed?

As _____ telecom tech _____ regulations, compliance _____ on these _____.
 _____ the _____ on _____ products _____ with the _____ for telecom technology _____?

Is the _____ to _____ the telecom _____ regulations?

Did _____ conduct compliance testing for _____ the _____ regulations?
 _____ the test on _____ comply _____ rules regarding telecom _____?

Testing these products _____ with _____ interface _____?

Did _____ conduct _____ testing for _____ interface regulations?
 _____ done _____ compliance _____ rules for telecom _____ interface?
 _____ the test _____ on these _____ with _____ rules on telecom _____ interface _____?

Is the _____ these products _____ with telecom _____ regulation?
 _____ the testing _____ products correlate with the Telecom _____?

_____ products should _____ tested _____ with _____ interface rules.

_____ the _____ in compliance with rules regarding telecom _____?

Compliance _____ the _____ to _____ Telecom interface regulations?

_____ compliance _____ for _____ products follow _____ regulations?

_____ test these _____ with _____ technology interface _____?

Has _____ on the products _____ about _____ technology interface?

_____ testing _____ these products follow _____ telecom tech _____?

The products _____ comply with _____ telecom interface _____.

_____ the _____ products comply _____ Telecom technology interface Regulations?

Did you _____ if _____ by Telecom _____ rules?

Is the _____ accordance with the _____ regarding _____ interface?

Is _____ testing _____ these products _____ telecom interface _____?

_____ you _____ compliance _____ on the _____ technology interface _____?

Was _____ conformity assessment done in _____ with _____?

Does the _____ for _____ with _____ regulations _____ telecom technology interface?

Have _____ protocols for _____ technology _____ a _____ being tested?

Compliance _____ for these _____ telecom _____ rules?

_____ testing _____ per _____ regulations?

Do you test _____ products for _____ technology _____?

Telecom _____ compliance testing on _____.

_____ the _____ testing _____ products correlate _____ the telecom IT interface.

Did the products _____ interface _____?

_____ the check-ups _____ according _____ tele-tech-interface _____?

_____ you _____ if _____ products comply _____ Telecom interface _____?

The products have _____ for _____ with _____ interface _____.

_____ have _____ technology regulatory protocols followed

_____ test done _____ these _____ in compliance with _____ technology _____ regulations?

_____ test _____ done _____ compliance with rules about _____ interface?

_____ the test been done in _____ rules _____ the _____ interface?

Has _____ test _____ with the rules _____ technology interface?

Is _____ testing on these products _____ with _____?

_____ compliance _____ on _____ place according _____ telecom tech _____ regulations?

_____ the products subject to _____ according to _____ tech _____?

Is these items tested _____ meet _____?

Is the testing _____ in _____ with telecom _____?

I _____ these _____ were tested _____ meeting telecom _____ interface _____.

_____ the test _____ these products complied with the _____?

Has _____ on _____ products _____ in line _____ rules regarding _____ technology interface _____?

Is the _____ on _____ in _____ with the _____ interfacereregulations?

Did you _____ these products to _____ sure _____ compliant _____?

Is _____ items _____ adherence _____ telecommunications technology interface _____ before _____?

_____ these products subjected to compliance _____ to telecom _____?

_____ these _____ have been _____ telecom tech interface _____?

Does the _____ done _____ with telecom technology interface _____?

Does _____ products follow _____ telecom technology _____ regulation?

Does _____ for these products _____ rules of the _____ regulations?

Have _____ goods _____ checked for _____ Telco _____ interface?

These _____ tested _____ see _____ they _____ interface regs.

_____ the _____ done on these products compliant with _____?

_____ test done _____ these _____ in compliance with _____ Telecom _____ interface _____?

_____ take the time _____ check _____ comply with Telecom interface _____?
 Is _____ an _____ technology interface standards _____ these _____?
 _____ testing on these _____ the _____ technology interface regulations?
 Did _____ testing _____ products to comply with telecom _____?
 Were the items tested for _____ to _____ norms _____?
 Did _____ comply _____ rules?
 Has the test done on _____ products been _____?
 The items _____ been _____ for _____ to _____ interface standards.
 Did you _____ the _____ technology _____ regulations _____ followed _____ testing?
 Does _____ testing _____ these _____ follow the _____ regulation?
 Does _____ compliance _____ follow telecom _____?
 Compliance _____ products has been _____ according to _____ technology _____.
 The _____ had _____ be tested for _____ to _____ interface _____.
 _____ on _____ required by _____ telecom _____ interface regulations.
 Did you do compliance testing _____ products _____ regulations?
 _____ tested for adherence _____ telecommunications _____ interface norms?
 _____ interface _____ testing for products.
 _____ for compliance _____ interface regulations?
 _____ these _____ tested to make _____ met _____ interface forms?
 Have you done _____ testing _____ the _____ interface _____?
 Were _____ goods _____ to tele-tech-interface _____?
 Did _____ the regulations _____ interface were followed?
 _____ these products _____ with telecom _____?
 _____ the _____ tech interface _____ in product testing?
 _____ the compliance testing for these _____ telecom _____?
 _____ tech interface _____ was _____ done _____ these products?
 Is the _____ tested _____ with _____ regs?
 As per _____ interface _____ was _____ performed _____ these products?
 _____ meet telecom _____ rules?
 _____ item have _____ evaluated for _____ to telecommunication _____?
 Did _____ products _____ compliance with _____ interface regulations?
 _____ the test _____ products complied _____ rules _____ to telecom _____ interface _____?
 _____ you _____ for Telecom _____ rules?
 _____ the test done _____ these _____ rules about _____ technology interface _____?
 _____ products _____ for their compliance with _____ interface _____.
 There are _____ technology _____ that _____ testing _____ products.
 Did you _____ sure that _____ for telecom _____ were _____?
 Does _____ testing _____ products adhere _____ the telecom technology _____?
 _____ testing _____ follow _____ for telecom technology interface?
 _____ the _____ for these _____ to telecom interface _____?
 Are _____ sure that _____ telecom technology interface _____ during _____?
 _____ the compliance _____ with _____ regulations _____ telecom _____ interchanges?
 Are _____ compliant with _____ technology _____?
 Were these _____ tested _____ meeting _____ telecom _____ interface _____?
 The products _____ see _____ they were _____ with telecom _____ regulations.
 _____ any testing for compliance with _____ interface _____?
 Is compliance tested _____ to _____ interface _____?
 _____ the rules regarding _____ technology interchange regulations _____ for these _____?
 The _____ technology interface _____ require compliance _____ products.
 Do you _____ compliance _____ for _____ with _____ Telecom _____ regulations?

Did _____ these products _____ meet _____ regs?
