

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|--|
| Company Type | Auto Repair and Maintenance Shops |
| Inquiry Category | Coolant leaks under the hood |
| Inquiry Sub-Category | Coolant Leak Prevention Tips |
| Description | Customers inquiring about preventive measures they can take to reduce the likelihood of coolant leaks, such as regular cooling system maintenance, inspection of hoses and fittings, and the use of coolant additives. |
| Data Size | 5,046 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

_____ specific hoses or _____ that are more _____ coolant _____?

Is _____ for a _____ when _____ hoses and fittings _____ used?

_____ it possible _____ there are hoses that _____ coolant?

_____ it _____ some hose _____ types to result _____ leakage?

_____ a _____ that some _____ and fitting _____ leaking coolant.

Is there typically _____ coolant leak when _____ are _____?

_____ it _____ that _____ hoses and fitting are _____ coolants?

Is it _____ of the _____ leaking _____ hoses.

_____ it _____ of _____ are exposed to leaking Coolant?

_____ any specific _____ have a better chance _____?

Is _____ that some _____ be _____ to leaking _____?

_____ fitting may _____ fluid more frequently.

_____ for fitting _____ tend _____ leak _____?

_____ you know the _____ hoses and fitting that _____ aid _____ the coolant?

_____ hose and _____ leak coolant?

Do _____ if _____ hoses that leak _____?

_____ there _____ hoses that leak _____ cooling season.

Which types _____ hoses and fitting tend _____ with the _____?

I _____ any hoses are _____ to _____ in _____ season.

_____ there a problem with the coolant _____?

_____ you know the _____ of hoses _____ fitting that leak water _____ of _____?

_____ know how _____ specific hoses _____ in the _____?

Is it possible _____ fitting _____ leak _____ coolant?

Is _____ cause _____ a _____ leak when certain hoses _____?

_____ you _____ some of the hoses _____ the _____?

There are any _____ or _____.

It's possible that some _____ fitting are _____ exposed _____.

_____ chance that some hose and fitting _____ leaking _____ the cooling _____?

_____ chance that _____ hose _____ fitting _____ in leaking coolant.

When _____ involved, _____ there a cause _____ a coolant _____?

Is there _____ chance that _____ cause _____ leaking?

Do certain _____ the cooling _____ a _____ of fluid _____?

There are hoses _____ to leaking _____ coolant.

Is it possible _____ hoses and _____ exposed _____ coolants?

Is there _____ higher _____ for developing _____ certain _____?

_____ that some _____ types might cause _____ leak of the cooling _____?

Any leak-prone _____?

_____ hoses _____ the most Coolant?

Is it a problem _____ certain _____?

_____ any particular _____ susceptibility _____ coolant _____?

_____ a _____ leak usually _____ when _____ are involved?

Is there a _____ hose that is _____ for _____?

How _____ fitting hoses that _____?

There are distinct hoses _____ may be prone _____.

Do you _____ hoses for leaking coolant?

There _____ be _____ hoses that _____ prone _____ coolant.

There _____ a chance _____ some hose _____ types can _____ in _____.

_____ that some hose and _____ result in _____ leaking _____ liquid?

_____ there _____ that _____ more prone to _____ in the cooling system?

Is there _____ special _____ cooling system cooling system cooling system

Is there a _____ that would be _____ for _____ leak?

How _____ fitting _____ leak the _____ leak Coolant?

_____ certain _____ or fittings _____ increased _____ leak coolant?

hoses and _____ leak _____ Coolant?

Is _____ specialty fittings leak cooling _____ occasionally?

There is a _____ that _____ hose _____ result _____ a leak _____ coolant.

Is there _____ or fitting _____ prone to _____ coolant?

_____ any hose or fitting _____?

_____ hoses _____ leaks the most common _____ coolant?

Which ones are _____ suffer from _____?

_____ hoses _____ a better _____ of _____ than other hoses?

Is there _____ a _____ leak _____ or fittings are in use?

Some specialty _____ might _____ fluid _____.

_____ the cooling system have a higher risk _____?

Is it _____ a _____ hose or _____ to _____ for _____ leakage?

_____ problem of _____ Coolant leaking with _____ hoses?

_____ possible _____ hoses _____ prone to leaking _____ coolant?

_____ you _____ the _____ of _____ and _____ that _____ to leak water when _____?

_____ tendency _____ certain hoses to leak the _____?

Any suggestions _____ things _____ tend to _____ coolant?

How _____ which leak _____ coolant?

What about the _____ and _____ that _____ the _____?

_____ there _____ reason _____ a coolant leak when _____ hoses _____ used?

Do _____ in specific hoses tend _____ leak _____?

Is there a higher _____ cooling _____ associated with _____?

_____ know what kinds of _____ and _____ to leak water _____ help _____ coolant?

Do _____ know _____ of hoses _____ the _____ with the _____?

_____ a chance that some _____ types _____ in _____ leaking.

Do _____ particular _____ have a _____ coolant?

Does any particular _____?

_____ leak-prone coolant _____?

_____ know what _____ and fitting leak the most _____ aid _____ the _____?

Which _____ varieties have higher _____?

How about fitting _____ often leak coolant?

_____ a _____ for _____ coolant _____ when certain hoses _____ components _____ used.

_____ hoses and fitting _____ most common leaking _____?

Is there a _____ or _____ more _____ coolant leakage?

_____ is a _____ that _____ hose _____ fitting types _____ of the coolant.

Is there any _____ part associated _____ higher _____ cooling _____ fluid _____?

Is _____ higher _____ cooling _____ fluid seepage _____ with _____ parts?

Is _____ that specialty _____ cooling _____ fluid.

Is there anything _____ leaking coolant than _____?

_____ connections might _____ of issues with _____ seepage?

_____ often specific hoses _____?

Is it _____ that _____ and fitting _____ more _____ coolants?

Do _____ hose _____ fitting _____ Coolant?

_____ you _____ a specific hose is _____ likely _____?

_____ you _____ what kinds _____ hoses and fitting _____ the aid of _____?

_____ some specialty fittings leak cooling _____ fluid _____.

Do _____ an increased tendency for _____ coolant _____?

_____ you _____ what types of _____ and _____ leak water _____ aid of the _____?

_____ is _____ some fitting _____ could result in _____ the coolant.

Do the _____ hoses _____ chance of _____ coolant than _____ ones?

Do some of _____ leak _____?

_____ about the _____ hoses that _____ the most _____?

Is there a chance _____ fitting _____ leak _____ liquid?

I don't _____ there _____ specific hoses _____ leak _____.

Is _____ that some _____ fittings leak _____ fluid?

Do some _____ of the cooling system _____ seepage?

_____ ones _____ prone to leaking _____?

_____ hoses _____ leak the most _____ leaking coolant.

I wonder _____ fitting tend _____ system fluid.

Do _____ hoses have _____ propensity _____ leaks?

Is there _____ chance _____ some hose and fitting _____ the _____?

_____ cause _____ a coolant leak when certain hoses _____ components _____?

_____ are _____ coolant hoses?

I am wondering _____ or fitting _____ more likely _____ leak _____.

Do _____ hoses _____ leak _____ the _____ of the cooling system?

Do _____ if _____ are _____ hoses _____ leak Coolant.

Is there a _____ for _____ coolant leak _____ hoses or _____?

_____ it possible that certain _____ to _____ engine _____?

_____ you _____ which types of _____ leak water with the _____ of _____?

Which connections could _____?

Which _____ connection has _____ tendency _____ leaks?

Some _____ and _____ riskier _____ leaks of coolant.

Do any _____ hoses _____ chance of leaking _____?

Is _____ that some fitting types result in _____?

_____ can _____ a _____ for _____ coolant leak _____ or fittings are involved.

_____ know if _____ are _____ hoses or fittings _____ Coolant?

Is _____ any _____ that are prone to _____ during _____?

_____ specific hoses have _____ better _____ of _____ Coolant?

Do _____ know _____ kinds of hoses _____ leak _____ with _____ help _____ coolant?

_____ wonder _____ hoses are prone to _____ season.

_____ caused _____ certain hoses or _____.

_____ a _____ that some hose _____ in the leak of _____.

_____ any special hoses or fittings _____ more prone _____ leaking _____ cooling _____

_____ hoses _____ likely to leak _____.

Specifics _____ shoddy _____ coolant leak?

Is _____ possible that _____ hose _____ fitting types could _____ coolant?

_____ it possible _____ fitting types _____ in a leak of _____?

There are _____ that _____ higher _____ cooling system fluid _____.

_____ could be _____ hoses that _____ prone _____ engine _____ frequently.

_____ any specific hoses _____ chance _____ their coolant _____ others?

Can it _____ that _____ leak _____ coolant than _____?

Is _____ any _____ hose _____ fitting _____ leaks _____?

_____ hoses _____ leaking Coolant?

Is _____ hoses that _____ to leaking in _____ cooling system?

There _____ a chance _____ some _____ and _____ cooling liquid.

Which ones _____ to leak _____?

_____ susceptible to coolant leaks?

_____ it true _____ certain _____ tend _____ coolant?

_____ know how frequently specific hoses _____?

_____ you know the types _____ and fitting _____ leak when _____ the _____?

Are you aware _____ specific _____ the coolant?

Is _____ a specific _____ leaks coolant?

_____ there _____ hose _____ that leak coolant?

Is it _____ are more _____ to _____ coolant leaks?

_____ there a _____ of a coolant _____ hoses _____ used?

_____ for fitting _____ tends to _____?

Can you tell me _____ fitting that leak the _____?

I _____ if _____ any hoses _____ leak _____ the _____ season.

How about _____ leak _____ hoses?

_____ at risk _____ cooling liquid seepage?

_____ hoses and fitting are riskier to leaks _____.

Is _____ a _____ that _____ more _____ leak coolant?

_____ experience coolant leaks?

_____ certain things _____ than others?

Do _____ know which hoses and _____ to leak _____ cooling _____?

There _____ a chance that _____ hose _____ types _____ the leak of _____ cooling _____.

Are _____ a coolant leak when certain hoses _____?

Do _____ know if there _____ that _____ coolant?

Do you _____ that _____ most coolant?

Is _____ specific hose more _____ be _____ leakage?

_____ it _____ that specialty fittings leak cooling _____?

What _____ is _____ likely to _____?

What _____ you think _____ fitting _____ develop coolant _____?

Is there _____ or fitting _____ is _____ likely to _____ coolant?

Is there _____ hose or _____ is _____ likely to _____ for _____ leakage?

_____ hose _____ types leak _____?

I wonder if there are _____ that _____ leaking during _____

There could _____ hoses that are _____ to _____.

_____ it _____ that some _____ may _____ more risky _____ of _____?

_____ any hose or _____ types _____ coolant leakage?

Do _____ fitting options cause _____?

_____ what types of hoses _____ fitting _____ water _____ using _____ coolant?

There _____ certain hoses _____ are _____ to _____.

_____ might face cooling _____ seepage _____?

Is it plausible that _____ exposed to _____?

_____ chance that some hose _____ could cause the _____ of _____ cooling _____.

Is it _____ some _____ exposed to leaking _____?

_____ certain _____ is there _____ cause for a _____ leak?

Do you know _____ there _____ leak coolant?

_____ you _____ fitting leak the _____ with _____ help of _____ cooling system?

_____ hose have a better _____ leaking their coolant _____ ones?

Does _____ specific hose have _____ leak _____?

Do any particular _____?

Any fittings that _____ leaking _____?

Is it _____ certain hoses _____ an increased tendency _____?

Do _____ about _____ hoses that leak _____ most _____?

Which _____ to _____ vulnerable to _____ leaks?

_____ you _____ there is a cause _____ a _____ leak _____ are being _____?

_____ coolant leak caused when certain _____ are _____?

Is there any special _____ more prone _____ cooling _____?

Is _____ any _____ hoses _____ prone to leaking _____ systems?

Is _____ possible _____ the _____ prone to _____ engine _____?

Is _____ a chance _____ hose and _____ types could _____ in _____ of _____?

Are _____ aware _____ specific _____ leak coolant?

Is there a _____ that _____ the _____?

Is there a _____ cause _____ a _____ leak when _____ are _____?

_____ any special _____ is more prone to leaking _____ system cooling _____?

Is there a _____ certain _____ to _____ coolant _____?

Some _____ fittings _____ system fluid _____.

_____ think hoses _____ to _____ coolant?

_____ on shoddy _____ causing _____?

_____ are _____ and fitting _____ leak _____ coolant?

Is _____ for the coolant _____ when certain hoses _____?

_____ it possible that some _____ fitting types _____?

Is there a chance _____ cause the leak _____ liquid?

_____ there _____ special hoses _____ prone _____ leaking _____ the cooling _____?

What about _____ fitting _____ commonly leak coolant.

_____ types _____ in the cooling system?

Do certain hoses have _____ tendency _____ leaks?

Is _____ a reason _____ a coolant _____ hoses or fittings _____ use?

_____ there _____ are more _____ to leak in the cooling _____?

_____ a chance _____ some _____ and fitting types _____ the _____.

_____ you _____ any _____ or _____ eagerly _____ up coolants?

Is there _____ with _____ higher risk of cooling system _____?

_____ any special _____ that _____ more prone to leak _____?

Is there _____ of _____ fluid _____ with certain parts?
 _____ know which hoses _____ fitting _____ leak _____ help of _____ coolant?

Do some _____ of the _____ a higher _____ fluid _____?

There are _____ and _____ the _____ leak coolant.

_____ it a possibility _____ are more _____ to leaking _____?

_____ certain items leak _____?

_____ connections _____ face _____ when cooling _____?

Do _____ know which _____ hoses _____ leak _____ the _____ of _____ coolant?
 _____ specific _____ a lot of _____?

Is _____ fitting _____ hose _____ leaks coolant?

Does _____ type leak the _____?

_____ are _____ that _____ be _____ leaking engine coolant.

There _____ be a cause _____ leak _____ certain hoses _____ used.

_____ there any hose _____ fitting _____ leads _____ leaking?

_____ wonder if there are _____ that are prone _____.

Is _____ with the leaking of coolant _____.

_____ you know _____ types of _____ that _____ with the _____ of _____ coolant?

Do you _____ of _____ fitting _____ most _____ the help of the coolant?
 _____ tubing that leaks cooler _____?

Is _____ anything _____ to leaking cooling system _____ system _____?

_____ of Coolant leaking with certain _____ or Fittings?

_____ do _____ hoses _____ the coolant?

Is _____ particular hose that _____?

_____ you _____ hoses _____ that leak the most _____?

Is _____ any special _____ or _____ that _____ more _____ leaking _____ system cooling system _____ system
 _____ are special hoses and _____ more _____ in the _____ system.

Is there _____ hose or _____ that _____ leakage?

Do you _____ what _____ hoses _____ fitting tend _____ using _____ coolant?

_____ hoses are _____ exposed to leaking coolants?

_____ Coolant _____ usually _____ by certain _____ or fittings?

Is it _____ that specialty fittings leak _____?

Is _____ some hoses and fitting _____ more _____ coolants?

_____ there a chance that _____ result _____ leak of _____ liquid?

_____ you know if there's _____ leaking with certain _____?

What about _____ and fitting _____ leaking _____?

Which _____ be vulnerable _____ leaking _____?

Do certain hoses _____ to _____?

There _____ different _____ that _____ prone _____ leaking engine _____ frequently.

_____ a higher _____ of cooling system _____ seepage _____ some _____?

Is it _____ specialty _____ leak cooling _____ often.

I _____ there are any hoses _____ are _____ during _____ cooling _____.

_____ hoses and fitting _____ exposed to _____ coolant.

Which types of _____ fitting _____ most _____ the _____ the coolant?

Is _____ an _____ developing _____ leaks with _____ hoses or _____?

Is _____ chance that _____ hose and _____ types _____ of coolant?

Is _____ possible that _____ of _____ are _____ exposed to _____ leaking _____?

_____ it _____ that _____ leak _____ coolant.

_____ be _____ reason for _____ coolant _____ certain hoses or fittings _____ used.

Is there any special hoses _____ prone _____ leaking for _____?

_____ certain hoses _____ are _____ leaking coolant.

Is _____ of _____ hoses _____ fitting _____ more exposed _____ leaking coolant?

Is _____ a _____ to leak coolant _____ any _____?

Does _____ a cause for a _____ leak when _____ used?

Is _____ the hoses _____ fitting are _____ leaking _____?

Do some hose _____ leak _____?

_____ there a particular hose _____ to be _____ for coolant leak?

There is a _____ some hose _____ can _____ leak of the _____.

Do you _____ any _____ fitting _____ drips coolant _____?

_____ there a _____ that _____ types _____ a _____ of _____ cooling liquid?

_____ are the _____ vulnerable _____ coolant _____?

_____ there a _____ risk of cooling system _____ seepage _____?

Is it _____ certain _____ often?

_____ there _____ hoses or _____ to leaking in _____ cooling _____?

Any _____ hose or fitting _____ more _____ leak _____?

_____ might _____ issues _____ cooling _____ seepage?

_____ any _____ or _____ that _____ more prone to leaking cooling system _____.

_____ chance _____ some hose and _____ types could _____ the leak _____.

Is there _____ particular _____ or _____ higher _____ coolant leak?

Is the _____ for _____ leaks _____ by _____ hoses?

I wondered _____ any hoses _____ prone _____ during the _____.

Is _____ coolant leaking _____ certain hose?

It might be _____ hoses _____ fitting _____ exposed _____ leaking coolants.

_____ any hoses or fitting _____ give _____ coolants?

_____ think specific hose _____ tend _____ coolant?

_____ it _____ that _____ attachments _____ coolants?

_____ you think that _____ hoses _____?

_____ hoses/fittings are _____ for _____ coolant?

_____ wonder if the _____ are _____ coolant _____.

_____ you think _____ tend to _____?

Do _____ of any _____ coolant _____?

_____ there _____ that _____ more _____ leaking the cooling _____?

Is _____ leak-prone _____ hoses _____ fitting?

Do you believe _____ specific _____ leaks that _____?

It _____ possible _____ fittings leak _____ system _____ frequently.

It _____ that _____ and fitting _____ to leaking coolant.

coolant leaks can _____ be caused by _____.

_____ connections have _____ higher tendency _____ coolant?

_____ there a particular _____ is _____ to _____ coolant leak?

_____ is _____ chance _____ some _____ and fitting types _____ cooling liquid.

_____ cause for _____ leak _____ certain _____ or fittings are utilized?

There _____ chance of a _____ of _____ liquid _____ some hose _____ types.

_____ there _____ common _____ for _____ coolant leak _____ hoses are _____?

_____ is _____ chance _____ and _____ types _____ result in _____ leak of _____ cooling liquid.

Is there _____ specific _____ that's more _____ for coolant _____?

_____ you _____ of hoses _____ the coolant?

_____ possible that some _____ are more exposed _____ the _____ coolants?

Is _____ that _____ leak coolant?

Is _____ any _____ hoses _____ fitting?

There _____ hose _____ types _____ leak _____.

Is there _____ hose or fitting _____ coolant?

_____ that results in coolant _____?

Is _____ usually a problem _____ leaking _____ certain _____?

There _____ special _____ that are _____ prone to leaking _____.

_____ higher _____ cooling system fluid seepage is associated _____.

Is _____ for certain hoses _____ develop _____ leaks?

When _____ or fittings are _____ there _____ a reason for _____ leak?

_____ hoses, _____ anything that is more prone to _____ system _____ systems?

_____ conceivable that _____ hoses leak more _____ than _____?

_____ specific hoses have _____ better _____ leaking _____ coolant?

_____ it possible that some hose _____ fitting _____ can _____ coolant?

_____ and fitting might be exposed _____ leaking coolant?

Which _____ are _____ to _____ coolant?

Is there any special hoses, _____ that is _____ to leaking _____?

_____ there _____ that are more exposed _____ leaking coolant?

There _____ parts that _____ increased _____ of _____ system _____ seepage.

Have _____ heard of _____ hoses?

Is _____ a _____ in a coolant when _____ hoses _____ used?

_____ you know what _____ hoses _____ leak water with _____ help of the _____?

_____ have trouble with cooling _____?

_____ you tell _____ there is a _____ of _____ leaking _____ hoses?

There _____ hose and _____ that _____ coolant.

_____ there _____ increased propensity _____ coolant _____ certain hoses?

_____ suggestions on fitting that _____?

_____ a chance that some _____ and fitting types _____.

Is _____ that hose or _____ result _____ coolant _____?

Do _____ know _____ a specific _____ is more _____ used for _____?

I _____ there are _____ that leak _____ cooling _____.

How _____ that _____ the most common _____ coolants?

_____ certain hoses _____ a _____ the coolant?

_____ could be distinct hoses _____ lead _____ leaking _____.

_____ specific _____ better chance _____ leaking their Coolant?

Is _____ a special _____ to leaking in the _____ system?

_____ separate _____ that _____ prone _____ leaking engine coolant.

_____ certain connections _____ leak cooler _____?

Which connections _____ have _____ with _____ liquid _____?

_____ any _____ hoses or _____ more prone to leaking cooling system _____?

_____ you reckon _____ tend to _____?

Is _____ possible _____ are more _____ to _____ leaking coolant?

_____ special hoses _____ fitting _____ are more _____ system cooling system

Is _____ a problem of the _____ certain _____?

_____ any _____ a _____ chance of leaking their coolant _____ other _____?

_____ for _____ specific _____ be more likely to leak _____?

_____ a cause _____ leak when certain hoses _____ are _____?

_____ anyone know _____ are _____ hoses that are _____ prone _____ coolant?

Do you _____ of hoses leak _____ most _____ using _____ system?

What about the _____ fitting of _____?

Do you know _____ certain _____ fitting types _____?

Is _____ a chance that some _____ fitting _____ the cooling liquid?

_____ there a _____ hose and fitting types _____ result in _____ leak of _____?

_____ you _____ about _____ types _____ that _____ water with the _____ of the coolant?

Do ____ fitting ____ result ____ leak of ____ coolant?
 ____ wonder if ____ are ____ hoses that ____ to ____ the ____ season.
 There ____ be distinct ____ coolant.
 ____ a ____ risk of cooling system fluid ____ specific ____?
 How about fitting ____ that ____ cooling ____?
 I want ____ know about hoses ____ fitting that ____ .
 ____ some hose ____ types ____ some ____?
 Do ____ if ____ is ____ problem of coolant ____ hoses?
 ____ are special ____ things ____ are ____ prone to ____ the ____ system.
 ____ hoses ____ fitting that ____ most leak coolant?
 ____ the ____ system associated with ____ higher risk of ____?
 Do you know ____ fitting that tend ____ leak ____ the ____ of ____ coolant?
 ____ there ____ a ____ for ____ when certain hoses or fittings are ____?
 ____ leak usually ____ certain hoses or fittings?
 ____ about hoses that ____ most ____ leak ____?
 Is there ____ part associated ____ of cooling system ____ seepage?
 ____ chance ____ hose and fitting types result in ____ of coolant.
 ____ some of ____ hose and ____ leak ____?
 Do ____ know ____ types of ____ and fitting ____ leak water ____ the ____ of ____ cooling ____?
 ____ it ____ that ____ hose ____ fitting types cause ____?
 Is ____ a cause for a ____ leak ____ or fittings ____ used?
 Any ____ fitting ____ leak coolant.
 Is ____ a ____ between certain ____ leaks?
 ____ know if ____ of hoses and ____ leak water with ____ coolant?
 ____ parts that leak cooler ____?
 Is it ____ that ____ are exposed ____ leaking ____.
 Do ____ tend to ____ Coolant?
 ____ any ____ have a ____ to ____ coolant?
 There may be ____ that ____ coolant.
 Is there ____ specific ____ or ____ leak ____?
 ____ you know ____ hoses ____ with ____ cooling system?
 Is there ____ hoses ____ susceptible to leaking ____?
 Is there ____ hoses or ____ more prone to ____?
 Do ____ know ____ types ____ and ____ leak ____ cooling system is used?
 ____ some ____ fittings leak ____ system fluid ____ others?
 ____ think ____ leak the coolant?
 ____ hoses ____ is a leak of ____?
 Do you ____ types ____ and ____ leak when ____?
 Is a ____ leak ____ caused ____ hoses ____ used?
 ____ might ____ troubles ____ it comes ____ cooling ____ seepage?
 ____ connections could ____ problems ____ cooling ____?
 Any ____ give up coolants?
 Which hoses ____ more vulnerable ____?
 There ____ chance that some ____ types could ____ liquid.
 I ____ if ____ prone to ____ during ____ season.
 ____ possible ____ fitting are ____ exposed to leaking ____?
 ____ you ____ the types ____ hoses and ____ that leak ____ cooling system?
 ____ you have ____ hoses or ____ that leak ____?
 Is ____ coolant leaking with ____ hoses?
 Is ____ for specific ____ fitting types to ____?

____ it ____ there ____ distinct ____ are prone to leaking ____ ?
 Do ____ know which ____ tend ____ leak ____ with ____ help of ____ coolant?
 Is ____ increase in ____ propensity ____ coolant leaks with ____ ?
 Is it ____ for ____ types to leak ____ ?
 Which ones ____ for ____ leaks?
 ____ possible ____ and fitting are exposed ____ leaking ____ .
 Is there ____ that ____ fitting ____ cause ____ leak of coolant?
 ____ it possible that ____ and ____ exposed to leaking ____ ?
 ____ are most ____ to suffer ____ coolant ____ ?
 ____ any special ____ or ____ is ____ prone to ____ Coolant?
 Is there anything ____ to ____ cooling system?
 Do you ____ leak ____ hoses?
 ____ which ____ of ____ and fitting leak ____ the help of the ____ ?
 Is there any ____ that ____ more prone to ____ system cooling ____
 ____ a ____ some fitting types ____ in a leak ____ coolant?
 ____ there ____ which are more ____ in the cooling system?
 Is ____ are more ____ to leaks of coolant?
 There ____ be different hoses ____ are prone ____ coolant ____ .
 ____ that a ____ of coolant ____ hoses?
 ____ or fitting ____ more likely to leak ____ .
 Some ____ fitting ____ result ____ the ____ of the cooling ____ .
 How often do ____ and ____ types ____ ?
 There is a ____ and ____ result in a leak ____ coolant.
 Which types of fitting ____ a higher ____ ?
 ____ shoddy ____ causing ____ system malfunction?
 Which ____ face ____ cooling liquid ____ ?
 ____ connections might ____ trouble ____ seepage?
 ____ it ____ that ____ hoses ____ the ____ ?
 There are fitting that ____ .
 ____ some fitting ____ leak ____ ?
 Is ____ possibility that some ____ riskier to ____ coolant?
 ____ about the hoses ____ prone ____ during the cooling ____ .
 ____ anyone aware ____ any hoses ____ fittings ____ eagerly ____ coolants?
 Suggestions ____ that ____ to ____ Coolant?
 ____ there ____ increased propensity for developing ____ in ____ .
 ____ be ____ that leak ____ coolant.
 Does any ____ hoses ____ a better chance ____ ?
 ____ you ____ about hoses and ____ leaking ____ ?
 ____ certain ____ leak coolants often?
 Do you know ____ hoses ____ fitting leak water because ____ help ____ ?
 There is a ____ hose and fitting types ____ in the ____ the ____ .
 Which ____ might suffer ____ liquid ____ ?
 I ____ any ____ leak during cooling season.
 ____ hoses ____ of leaking their coolant than other ones.
 Is ____ problem ____ the ____ leaking ____ some hoses?
 ____ any ____ fitting ____ coolant leaks?
 ____ if there's ____ hoses ____ prone to ____ the cooling season.
 Do specific ____ chance ____ leaking their cooling fluid than ____ ?
 ____ are at ____ for cooling ____ seepage?
 What ____ you think ____ for ____ coolant?

Do specific _____ cooler _____ ?

_____ hoses that leak the most _____ Coolant?

_____ are _____ that have _____ risk _____ cooling system fluid _____.

Do _____ hoses tend to _____ the _____?

_____ varieties have _____ likelihood _____ leaking coolant?

Is there _____ special _____ or things that are _____ cooling system?

_____ specific hoses _____ better chance _____ the coolant than other _____?

Do you know _____ hoses _____ leak the most _____ the help _____ the _____?

_____ you _____ about _____ hoses?

I wonder if there _____ to _____ hoses during _____.

_____ about hoses and _____ that _____ leak Coolant?

Do you _____ which _____ of hoses _____ leak when _____ cooling _____?

Is _____ possible _____ some hoses _____ leaking coolants.

_____ what types of _____ and _____ the most _____ the _____ system?

_____ a higher risk _____ seepage in some parts?

Is it _____ for some _____ in coolant leaking?

Is _____ usually a reason for _____ when _____ or _____ used?

I wonder if _____ are _____ are _____ the cooling season.

_____ specific hoses have a _____ of _____ coolant

_____ hose _____ a _____ to leak coolant?

_____ some _____ types result _____ of coolant?

Is _____ any particular _____ that _____ higher risk _____?

How about _____ hoses _____ the _____ commonly leaking _____?

What _____ coolant hoses?

Is the _____ some hoses _____ exposed to _____ coolants?

_____ plausible _____ certain _____ leak more _____ than others?

Is _____ cause _____ coolant leak when certain hoses _____?

_____ ones _____ a tendency to _____?

There _____ some _____ could cause the leak of the coolant.

Any suggestions _____ fitting _____ to leak _____?

_____ you know which _____ fitting _____ most with _____ the coolant?

Specifics _____ causing _____ issues?

There might _____ distinct hoses _____ are _____ leak _____ coolant.

Is _____ of cooling _____ fluid seepage associated with _____?

Is there _____ up coolants?

_____ hoses and fitting _____ leak the most _____?

Is _____ leak _____ caused _____ certain hoses being _____?

_____ be _____ hoses and _____ are exposed _____ leaking coolant?

_____ may be _____ hoses _____ are _____ to leaking _____.

_____ possible _____ hoses leak more coolant _____ other _____?

Is _____ usually _____ for _____ leaking coolant when certain _____?

_____ any particular _____ more _____ to be _____ for coolant leaking?

_____ ones are _____ risk of _____?

Is there usually _____ of _____ leaking with _____?

_____ there usually _____ cause _____ a _____ leak _____ certain _____ are used?

_____ about hoses _____ the _____ leaking coolant?

_____ certain _____ and fitting have an _____ leaking _____?

_____ is _____ chance that some hose and _____ a leaking _____.

Do _____ have any _____ fitting _____ eagerly _____ coolants?

Is it _____ certain _____ fittings _____ system fluid?

Is _____ and fitting are exposed _____ leaking coolants?
 _____ a _____ that some hoses and fitting are _____ to _____?

Is there _____ fitting types _____ cause the leak _____ the _____?

Is _____ possible _____ and _____ exposed to leaking coolants?

Is it _____ that specialty fitting _____ system _____?
 _____ might face _____ liquid _____ issues?
 _____ there _____ special hoses or _____ is prone _____ leaking _____?

I _____ like _____ if _____ are _____ that leak coolant.

There are _____ that _____ more _____ leaks.
 _____ if _____ hoses or fittings leak _____ coolant?

It's possible _____ leak more coolant _____.
 _____ hoses/fittings _____ are _____ higher risk for _____?
 _____ connections _____ experience cooling _____ seepage?

Do _____ hoses are leaks that _____ coolant?

Does it appear _____ fitting _____ exposed to _____ coolants?
 _____ varieties show _____ higher _____ of leaking _____?
 _____ there any _____ hose that is _____ to _____ used _____ leaking?
 _____ have a _____ coolant leaks?

Is _____ particular hose _____ that's more _____ to leak _____?

Which _____ are _____ prone _____ coolant?

Do _____ and _____ leak the _____ the help of the coolant?

Which connections could _____ when _____ comes _____ seepage?
 _____ a tendency for specialty _____ leak _____ system _____?

Do you know _____ leak _____?

Do _____ fitting types _____ a leak _____ the _____?

Do _____ leak _____ lot of coolant?

Is _____ possible that some _____ can _____ more _____ coolant?
 _____ it possible _____ are _____ and fitting that are exposed _____?
 _____ might leak cooling _____.

Which _____ might _____ liquid seepage _____?

Which connections _____ problems _____ seepage?

I _____ wondering if there are _____ hoses that are _____ in _____.

Is there _____ special _____ fittings, or _____ that _____ more _____ leaking _____?
 _____ might _____ at _____ from _____ leaks?
 _____ if _____ of the hoses _____ to _____ the cooling season.
 _____ it _____ some hose _____ types cause coolant _____?

Is _____ possible that certain hoses _____ are more _____?

Do _____ know _____ of specific hoses _____ coolant?

Which connections _____ problems when _____ liquid seepage?

Is it _____ hoses leak _____?

Is it _____ specialty _____ to leak cooling _____?
 _____ leak-prone _____ hoses?

"How _____ hoses _____ fitting that _____ leak coolant? "

Is there _____ hoses to develop _____ Leaks?
 _____ certain parts _____ the cooling _____ have _____ higher _____ seepage?
 _____ there a specific hose _____ fitting _____ the _____?
 _____ you _____ the hoses _____ coolant?
 _____ be _____ for coolant leaks?
 _____ there _____ for a leaking _____ when _____ are used?

Is _____ are more exposed to the leaking _____?

_____ there _____ particular _____ or fitting _____ higher risk _____ leaking _____?
 _____ you _____ hoses _____ fittings that leak coolant?
 _____ possible _____ some hose _____ fitting _____ more _____ to leaking _____?
 _____ know _____ types of hoses _____ to _____ water because _____ the _____ coolant?
 There _____ be _____ for _____ leak _____ certain hoses _____ used.
 _____ particular _____ are more _____ leak coolant?
 Is there _____ chance _____ fitting _____ result in a _____ cooling _____?
 Is there _____ that _____ susceptible _____ coolant leaks?
 I _____ hose _____ fitting types leak _____.
 Maybe _____ leak _____ system _____ frequently?
 _____ is _____ possibility _____ some _____ and fitting types _____ the _____ of the _____.
 _____ chance _____ some _____ can _____ in a leak of _____ coolant?
 _____ hoses that leak _____?
 _____ there _____ hoses or fitting _____ likely to leak _____?
 _____ it a problem _____ of _____ coolant with certain _____?
 _____ there _____ special hoses that _____ more _____ leaking cooling _____ system _____ system
 Is it _____ some _____ fittings leak cooling _____ more _____?
 _____ any of the _____ are _____ to leaking during the _____.
 Do _____ know which _____ of _____ to leak _____ coolant?
 What _____ and _____ leaking _____?
 There _____ hoses _____ are _____ leaking engine _____ frequently.
 Is _____ specific _____ is more likely _____ Coolant?
 _____ you _____ which _____ of _____ water _____ cooling down?
 _____ chance that _____ hoses leak _____ coolant than _____?
 _____ some hoses _____ are _____ to _____ coolants?
 _____ hoses and _____ propensity for leaking coolant?
 _____ you _____ specific hoses tend _____ coolant?
 _____ wonder if _____ hoses _____ more coolant _____.
 There are _____ a coolant leak.
 _____ about fitting _____ that _____?
 Does any _____ have _____ tendency _____?
 _____ that some hoses are riskier _____ of coolant _____?
 _____ higher risk _____ system fluid _____ associated with _____ parts.
 _____ there _____ cause for a _____ leak _____ certain hoses _____ use?
 There _____ a problem _____ with certain _____ or fittings.
 _____ wonder if _____ hoses _____ are vulnerable to leaking _____ cooling _____.
 _____ it possible _____ some _____ leak cooling _____ occasionally?
 _____ if there _____ hose _____ is prone to leaking _____ cooling _____.
 Is it _____ cause _____ coolant _____ certain hoses _____ are involved?
 _____ for _____ specific _____ or _____ to be more likely for _____?
 _____ there a chance _____ hose and fitting types _____ the _____ cooling _____?
 _____ any special _____ that is _____ prone to leaking, _____ cooling system?
 _____ hose and fitting _____ cause _____ coolant?
 Do certain _____ and fittings _____ an increased _____ leaking _____?
 _____ you _____ when certain _____ leak _____?
 _____ fitting _____ tends to _____ coolant?
 There _____ hoses _____ fitting that _____ Coolant.
 _____ there _____ parts of _____ cooling _____ pose _____ of seepage?
 Is it usually _____ coolant _____ certain hoses or _____?
 _____ and fitting for leaking _____?

_____ a hose or fitting _____ ?
 _____ cause for a _____ leak _____ certain hoses or components _____ ?
 _____ on _____ hoses _____ coolant?
 Which connections _____ for cooling _____ ?
 Is _____ a specific _____ that _____ higher risk _____ cooling _____ fluid _____ ?
 Is it _____ that _____ are more vulnerable _____ of _____ ?
 Do some _____ leak _____ ?
 _____ about fitting _____ that _____ common leak Coolant?
 _____ are different hoses _____ could _____ to _____ engine coolant _____.
 Do _____ leak _____ ?
 Is it possible _____ hose and _____ result in _____ liquid?
 I _____ any _____ that are _____ leaking _____ the cooling season.
 _____ cooling liquid seepage issues?
 _____ there were _____ that were _____ leak during the _____ season.
 Any hoses _____ give _____ ?
 _____ hose _____ a higher _____ of _____ ?
 _____ more _____ to have _____ leaking coolant?
 Do any specific hoses _____ better _____ their _____ other _____ ?
 When _____ hoses or fittings _____ there usually a cause for _____ ?
 _____ specific _____ have _____ chance of leaking _____ than other _____
 Is it possible _____ some _____ exposed _____ coolant?
 _____ it be that _____ hoses and fitting _____ exposed _____ ?
 Do _____ know the _____ hoses _____ when the _____ is used?
 _____ a problem of _____ leaking _____ some hoses?
 _____ hoses have better chances _____ coolant?
 Which _____ are more _____ to _____ ?
 Is there _____ that some hose _____ result in leaking _____ ?
 _____ it more _____ specific hose to _____ for coolant _____ ?
 There _____ be _____ that _____ prone to _____ engine _____.
 Is _____ leak of coolant with _____ ?
 Is _____ chance _____ hose _____ types _____ cause a leak _____ the coolant?
 _____ is a _____ that some hose _____ result _____ a _____ liquid.
 Which _____ would _____ vulnerable _____ leaks?
 Do specific _____ a _____ leak _____ ?
 Maybe _____ hoses and _____ are _____ exposed to _____ ?
 _____ you _____ the types _____ hoses that _____ the _____ cooling system?
 _____ you _____ are _____ hoses that _____ the coolant?
 Is there _____ cause _____ coolant _____ if _____ hoses _____ are _____ ?
 _____ any _____ coolant hoses?
 Which particular connections _____ issues _____ cooling liquid _____ ?
 _____ hose _____ fitting types may cause _____ cooling liquid.
 Do _____ think _____ is a _____ a coolant _____ certain hoses _____ used?
 Suggestions _____ fitting that _____ coolant.
 Do you _____ leak-prone coolant _____ ?
 Is _____ possible that _____ hoses _____ fitting _____ exposed _____ coolant?
 There _____ chance that _____ hose and _____ types _____ leak _____ the cooling _____.
 _____ some specialty fittings leak _____ fluid _____ often _____ ?
 Could _____ that some hoses and fitting _____ more _____ ?
 Is _____ a problem with the leaking _____ certain _____ ?
 _____ any specific _____ leak _____ ?

_____ about _____ that _____ the _____ cooling liquid?

There _____ a _____ some hose and _____ types _____ coolant _____.

There's _____ leak _____ most coolant.

Is _____ some fitting types result in _____ coolant?

_____ fitting _____ hoses are exposed to leaking coolants?

Do _____ the _____ hoses and _____ that _____ water _____ cooled?

_____ a particular part that has _____ of cooling system _____?

_____ about _____ and _____ leak the most commonly _____?

_____ wonder if _____ hose or _____ types _____.

_____ specific hose _____ is more _____ to _____ coolant?

Do _____ have _____ hoses or _____ that _____ give up _____?

Do you _____ the coolant?

_____ you believe certain _____ leak _____?

Is _____ hoses that leak _____?

Is it _____ certain _____ of _____ cooling system have _____ seepage?

Do _____ specific hoses _____ of leaking its coolant _____ ones?

_____ may _____ with cooling liquid _____?

Is _____ possible _____ specialty fitting _____ cooling _____ fluid _____?

Some _____ and fitting could _____ leaking _____.

_____ there any part _____ higher _____ cooling system _____ seepage?

_____ have a better _____ of leaking _____ coolant than _____?

Is _____ hose that is more _____ used _____ coolant _____?

Is _____ some hoses are _____ to _____?

Is _____ any special _____ or _____ that _____ prone _____ cooling system cooling _____?

Are _____ hoses more _____ leak _____ coolant _____ other _____?

How about fitting _____ leak _____ leaking coolant?

Do _____ any hoses _____ that give up _____?

Do you _____ there _____ specific hoses that leak _____?

Is _____ possible that _____ and _____ are _____ leaking coolant?

_____ fitting types leak a lot of _____?

Do _____ the types of hoses _____ that _____ because _____ cooling system?

_____ cooling liquid seepage?

Is _____ fitting _____ result in coolant leaking?

_____ hose _____ is at higher risk for coolant _____?

The _____ the _____ liquid may _____ by _____ hose and _____ types.

Is _____ possible that some _____ leak cooling _____?

_____ it _____ for a _____ hose to _____ for coolant _____?

Is there _____ specific _____ fitting _____ likely for _____ leak?

_____ the risk _____ cooling system fluid _____ to _____?

_____ a _____ hose and _____ types cause a _____ the coolant?

_____ anything that's more prone _____ the _____ system?

_____ hoses and fittings _____ coolant.

Is _____ chance that some fitting _____ in the _____ the _____?

There are _____ and fitting _____ leak _____.

Is _____ prone to _____ in the cooling _____?

_____ there a _____ part _____ associated with _____ higher risk _____ cooling system _____?

_____ you know _____ types _____ hoses _____ to _____ using the _____ system?

There _____ chance _____ some hose and _____ in the _____ Coolant.

There is a possibility that _____ types result _____ the _____.

_____ you _____ certain attachments _____ coolants?

Is _____ some _____ are more vulnerable _____ leaks of coolant?
 _____ you _____ how _____ some _____ leak the _____?

Is it possible that _____ leak _____ fluids _____?
 _____ it possible that _____ leak _____ fluid _____?

_____ special hoses, fittings _____ that _____ more prone _____ leaking _____ a cooling _____?
 _____ wonder _____ fittings leak _____ fluid frequently.
 _____ know which _____ and fitting _____ most _____ the _____ system?

Do _____ know _____ the _____ hoses _____ fitting _____ water _____ help _____ the coolant?
 _____ am curious _____ any _____ that _____ prone to leaking during the _____.

There might be a _____ a coolant leak _____ hoses _____.

Is _____ a chance that some hose _____ fitting _____?

Is _____ any special _____ or _____ to _____ cooling system _____ system cooling system?
 _____ about _____ and _____ that _____ coolant

Is it true _____ or fitting _____ leak _____?
 _____ there a _____ that _____ coolant?
 _____ it _____ the coolant leaking _____ certain hoses?

Is _____ possible _____ are distinct hoses _____ prone to _____ engine _____?

I wonder _____ there _____ any hoses _____ will _____ the _____.

Is there _____ problem of the cooling _____?

Do you know _____ fitting _____ give _____ coolants?
 _____ some specialty fittings leak cooling system _____.

Does _____ leak-prone coolant _____?

Is _____ a chance _____ some hose and _____ result _____ the leak _____?
 _____ wonder _____ any hoses that are prone _____ cooling.
 _____ you know if specific _____ leak _____?

I _____ there _____ any hoses that are prone to _____.

Is there any _____ hoses _____ are _____ prone _____ in cooling _____?

Is it possible _____ hoses _____ coolant _____?

Do _____ know of hoses _____ fittings _____?
 _____ you know _____ hose or fitting _____?
 _____ leak-prone Coolant hoses?

Do _____ have a better chance of _____.

Do _____ specific hoses tend _____ the _____?
 _____ specific hose that's _____ likely _____ leak coolant?
 _____ there _____ a leak of _____ certain hoses?

_____ some hose and fitting _____ result _____ leak of the coolant.

Does _____ specific _____ have _____ to _____ coolant?

Is _____ that _____ components _____ cooler liquid _____?
 _____ an _____ tendency _____ coolant leaks _____ certain hoses or _____?

Is _____ particular _____ is more _____ to _____ coolant?

Do _____ fitting _____ result in _____ coolant?
 _____ about _____ hoses that _____?
 _____ any particular _____ have _____ chance of leaking its _____ other _____?
 _____ about the _____ that leak _____?

Do _____ particular _____ leak _____?

Is _____ possible _____ hoses _____ more exposed _____ leaking _____?

Do _____ which _____ fitting tend to _____ with the _____ of the _____?

Is _____ increased _____ certain _____ develop coolant leakages?

Do you know _____ or fittings _____ give _____?

Any _____ fitting _____ to _____?

I wonder _____ there's _____ that could _____ cooling season.
 _____ connections _____ experience issues _____ cooling _____ seepage?
 _____ have _____ hoses _____ fittings that give up _____?
 _____ a specific _____ the coolant?
 _____ ones might face _____ liquid _____?
 Some hoses _____ be _____ leaking _____.
 Do you _____ which kinds of _____ is used?
 Do _____ know _____ kind of _____ and fitting leak _____ help _____ the _____?
 Is _____ hoses, or anything _____ is _____ to leaking _____ cooling system?
 _____ be _____ hoses that _____ engine _____ regularly.
 _____ hoses or fittings _____ use, is _____ usually _____ a coolant leak?
 Any _____ fitting that _____ coolant _____?
 Do a _____ coolant leaks?
 _____ you _____ which type of _____ the most with _____ help of the _____?
 Is there an increased _____ leaks _____ and fitting?
 Is _____ problem _____ coolant leaking with _____.
 _____ a _____ hose _____ coolant leaks?
 Do _____ types of _____ tend _____ with the _____ of the coolant?
 Is _____ problem _____ leaking with _____ hoses?
 _____ there _____ on _____ hoses causing _____ leaking?
 _____ may _____ trouble with cooling liquid _____?
 Is there _____ hose _____ be _____ for coolant leakage?
 _____ possible _____ some hose and fitting types _____ of _____ liquid?
 Is it possible that _____ fitting _____ cooling system _____?
 _____ ones are _____ leaks?
 _____ ones _____ at risk _____ coolant?
 _____ there _____ hoses or anything that's _____ prone to _____?
 _____ what types of hoses _____ help of the coolant?
 Is _____ a _____ part _____ higher risk _____ cooling _____ fluid _____?
 Which _____ are _____ susceptible _____ leaking _____?
 _____ leak Coolants?
 How _____ leak the most _____ leaked coolant?
 There _____ different hoses _____ be _____ leaking engine _____.
 Do you _____ and _____ leak water from _____ cooling system?
 _____ which hoses _____ fitting leak water _____ the _____ is used?
 Is there _____ special hoses _____ is more prone _____ system cooling _____.
 _____ could be _____ of _____ leaks?
 Which _____ problems when it comes _____ cooling _____?
 _____ hoses leak Coolant?
 Is _____ any hose or _____ to _____ leaking?
 Is there _____ for _____ in _____ coolant _____ certain hoses are being _____?
 Is it possible that _____ hoses _____ Coolants?
 How _____ hoses and fitting that _____ leak _____?
 Is _____ special hoses _____ are _____ to leaking _____ system _____ system _____
 _____ hose and _____ types _____ result _____ the leak of _____.
 _____ it possible to identify the _____ most _____ to _____?
 _____ any specific hoses _____ a _____ chance _____ their _____?
 _____ a _____ a coolant leak when _____ are involved?
 Which hose _____ more _____ to _____?
 _____ usually a _____ of coolant leaking _____ certain _____?

Is _____ any special hoses, fittings _____ anything that is _____ prone to _____ system _____?

_____ usually a _____ of _____ with certain hoses _____ fitting?

_____ there _____ reason for _____ when certain _____ or fittings are _____?

_____ you know what _____ of hoses and fitting _____ cooling _____?

_____ are hoses _____ that _____ coolants.

Which _____ connection _____ higher _____ for leaking _____?

Is there a _____ that _____ hose and _____ leak _____ the _____ liquid?

_____ leak cooling system _____ often?

_____ there _____ for a _____ if certain hoses or components _____?

_____ you _____ any _____ hoses?

Is it _____ hoses and _____ exposed _____ the _____ coolant?

Is _____ a _____ for _____ coolants?

_____ specific information _____ shoddy hoses _____ leak?

hoses _____ fitting that _____ most _____

_____ a chance that _____ hose _____ types _____ the _____ the coolant?

Is there a _____ some hose _____ fitting _____ cause _____ leak?

_____ types _____ hoses _____ to _____ the help _____ the coolant?

Which fitting _____ risk _____ leaking coolant?

Is _____ a _____ hose _____ a _____ of coolant?

_____ fitting a specific hose _____ leak?

Does _____ hose _____ a tendency to _____ the _____?

_____ want to know _____ hoses _____ leak coolant.

_____ know _____ types _____ hoses and _____ leak water _____ the building?

_____ special hoses or fittings that are _____ leak _____ the cooling _____?

_____ if _____ are leak-prone coolant _____ or fittings?

_____ suggestions on fitting _____ tend _____ cooling _____?

Do you think _____ tend _____ coolant?

_____ connections _____ experience problems _____ it comes _____ seepage?

_____ about fitting _____ leaks the _____?

_____ any special _____ that _____ leaking in _____ cooling system?

Do _____ specific _____ have a better _____ leaking _____?

_____ it possible _____ fitting and _____ more _____ to _____ coolant?

When _____ used, is _____ a _____ for a _____ leak?

Is _____ coolant leak _____ certain _____ or _____ used?

Is _____ propensity _____ developing coolant _____ with certain _____?

_____ you know of _____ are at higher _____ leaking _____?

Is it _____ some _____ more _____ than others?

_____ for a coolant leak when _____ or components are _____?

_____ wonder if there's _____ hoses that _____ during _____.

Do _____ if _____ any leak-prone _____ hoses?

Do you _____ of hoses _____ leak _____ when _____ cooling _____ is used?

Is _____ cause for a coolant _____ certain hoses _____.

Do _____ which types of hoses _____ aid _____ the coolant?

Is _____ the cause of a coolant leak _____ or fittings _____?

There may _____ hoses _____ are _____ to _____ engine _____.

_____ more _____ that some _____ coolants?

Some _____ may cause _____ leak _____ the _____ liquid.

_____ particular _____ have a better chance _____ leaking _____ other hoses?

Is there a chance _____ some _____ in the _____ of _____?

_____ a _____ for a _____ leak _____ and components are used?

_____ different hoses that _____ be prone _____ leaking _____.

Is it normal for some _____ types _____ coolant _____?

_____ any specific hoses _____ chance _____ of leaking their coolant?

Do you believe _____ leak coolant?

_____ be exposed _____ leaking coolant.

Is a _____ the coolant _____ caused by _____?

Is _____ a _____ cooling _____ fluid _____ associated with _____ parts?

_____ if any of _____ hoses are _____ leaks during _____ season.

Is there _____ special hose that _____ prone _____ a cooling _____?

_____ if any hoses are prone to _____ during _____.

_____ leak Coolants?

Some _____ fittings _____ system _____ often.

Do you _____ is _____ problem _____ the _____ leaking with certain _____?

Is there any special hoses _____ vulnerable _____ leaking _____ system?

Do specific _____ cause _____ leaks?

Do any _____ hoses _____ to coolant _____?

_____ wonder if there _____ hose that _____ prone _____ leaking _____ season.

Is _____ a cause for _____ leak when _____ or fittings _____ involved?

When certain hoses _____ is _____ a _____ for _____ coolant _____?

_____ hose _____ can cause a _____ of the _____ liquid.

There might be _____ that _____ more _____ to _____ engine _____.

_____ fitting _____ that _____ most coolant.

_____ it more likely for _____ to be _____ leakage?

_____ types of hoses _____ leak with the _____ system?

Do specific hoses have _____ better _____ coolant _____ hoses?

_____ is _____ some hose and fitting _____ will _____ the _____ of the _____ liquid.

I wonder _____ hoses _____ prone to _____ the _____ season.

Is _____ a chance _____ hose and _____ result _____ the _____ of _____?

There _____ a chance _____ and _____ types _____ cause _____ leak of _____ liquid.

There _____ hoses that could _____ prone _____ engine _____.

_____ there _____ that _____ fitting _____ could result _____ a _____ of the _____?

What _____ hoses _____ leak the _____ leaking coolant?

Do _____ leak Coolant?

_____ there _____ chance _____ some hoses _____ are _____ to leaking _____?

_____ are fittings that _____ to develop _____.

_____ it _____ a _____ for a coolant _____ when _____ hoses or fittings _____?

Is there _____ that are more _____ in the _____ system.

Do _____ coolant hoses?

I wondered if there _____ hoses _____ during _____ season.

_____ wonder _____ any hoses are prone _____ the cooling _____.

_____ you _____ that particular hoses _____ coolant?

_____ there a particular hose _____ higher _____ leaking _____?

_____ there any hose or _____ that _____ more prone _____?

Is _____ a _____ fitting _____ in the _____ of _____ cooling liquid?

_____ it more likely for _____ hose _____ for coolant _____?

_____ possible _____ specialty fittings leak cooling _____ often?

Which connections might suffer issues when _____?

_____ it _____ that _____ fittings might leak _____ fluid?

_____ wondered _____ any of the _____ prone _____ during the cooling _____.

Which _____ a _____ chance of leaking coolant?

_____ hose and _____ types _____ the _____ of _____?

Do you know how frequently _____ cooling _____?

_____ some fitting types _____ in _____?

_____ hoses/fittings _____ are riskier _____ leaking _____?

_____ possibility that _____ hoses _____ exposed _____ leaking coolant?

_____ Coolant leak when certain hoses _____ are used?

Do the specific hoses _____ better _____ leaking _____ than other _____?

What _____ and fitting _____ the leak _____?

_____ might have _____ with cooling _____ seepage?

_____ there a _____ leak in a coolant when _____ being _____?

_____ ones _____ leak Coolants?

Is _____ some hoses _____ are _____ exposed to _____ coolers?

I _____ know if _____ is _____ likely to leak coolant.

_____ wonder _____ there _____ hoses that are _____ to _____ the _____ season.

_____ types of _____ coolant?

Is it _____ that _____ hoses _____ riskier _____ coolant?

Do _____ cooling _____ increase _____ risk of fluid seepage?

Is it _____ hoses are _____ risky than others for _____?

Is _____ any special hoses or _____ that is more _____ to _____?

When certain hoses _____ used, there _____ chance _____ leak.

Which connections _____ issues _____ cooling _____?

Is _____ chance _____ some hoses are _____ to _____?

Is _____ special hoses _____ are _____ leaking _____ systems?

What about hoses _____ coolant?

Which _____ higher chances of _____?

_____ hoses and _____ to leak _____ with the help of _____ system?

_____ might _____ to cooling _____ seepage?

_____ wonder if specialty fittings _____ fluid _____.

_____ may be _____ that are _____ to leaking in _____ system.

_____ connections _____ be _____ risk when it comes to _____?

_____ there a problem _____ the _____ system _____ certain _____?

Is _____ a _____ for a coolant _____ hoses _____ used?

_____ wonder if there are _____ that _____ more prone _____ coolant.

Do _____ believe specific _____ leak _____?

Is it possible _____ some _____ fitting types _____ of the _____ liquid?

_____ are parts that _____ associated _____ a higher _____ system _____ seepage.

_____ it possible that _____ hoses and fitting _____ more _____ of _____?

Is _____ that _____ of _____ fitting are _____ leaking coolant?

_____ about hoses _____ that _____ the _____ commonly _____ Coolant?

Do you know _____ type of _____ leak _____ cooling system?

_____ are some _____ are _____ coolant leaks.

Is _____ more _____ to leak in the _____ system?

_____ the most commonly leaking _____?

What about _____ fitting that leak the _____?

Do _____ certain hoses _____ leak _____?

_____ any _____ or _____ that will _____ up cooling _____?

_____ specific _____ and fitting types _____ coolant.

Do _____ have a tendency _____ radiator _____?

I'm _____ any _____ or fitting is _____ to _____ coolant.

_____ there _____ hoses or anything _____ is more _____ to _____ cooling _____?

When _____ are used, _____ a chance of _____ leak?
_____ problem of _____ with a certain hose?
Is there _____ that _____ and _____ types _____ the leak of _____ cooling _____?
_____ of coolant leaking with _____ hoses.
Is there _____ hoses _____ are more prone _____ leaking _____.
_____ to have higher _____ leaking coolant?
Any hoses/fittings _____ higher _____ leaking _____?
_____ possible that some hose and _____ types _____ in the _____?
Do _____ and fitting _____ leak _____?
Is it possible _____ hoses _____?
I am _____ if _____ are _____ that _____ prone _____ leak during the _____.
_____ there are any _____ prone to leaking during cooling _____.
_____ there _____ that leak _____ liquid _____?
There _____ be _____ problem of _____ leaking with _____.
_____ anyone know of _____ leak-prone _____?
Do _____ leak the _____?
Is _____ that some _____ or _____ types _____ coolant leak?
_____ anyone have _____ leak-prone coolant _____?
_____ there a _____ hose _____ fitting _____ would _____ more likely _____ leak _____?
_____ know if there _____ a specific _____ or _____ that is _____ to _____?
What _____ the hoses that _____ leaking coolant?
_____ wonder if there's _____ hoses prone _____ during the _____.
