

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|--|
| Company Type | Internet Service Providers |
| Inquiry Category | Data usage and bandwidth queries |
| Inquiry Sub-Category | Data usage inquiries |
| Description | Customers often inquire about their data usage, including how much data they have used, how it is calculated, and ways to monitor and manage their data usage. |
| Data Size | 6,952 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

_____ like streaming _____ more data than _____ browsing _____ or sending emails?

Does watching online videos _____ more _____ or _____?

_____ streaming videos _____ more _____ and visiting websites?

_____ consume _____ data _____ internet navigation or _____ messages.

_____ some activities require _____ for _____ streamed _____ sending electronic messages?

Is video streaming _____ your plan _____ browsing _____ sending emails?

Does streaming videos consume _____ than _____ websites?

_____ true that activities _____ streaming _____ require more _____ than _____?

_____ video _____ more _____ intensive compared to _____ and _____?

Does _____ network usage by _____ on search engines _____ checking _____ system?

_____ videos online uses more _____ than _____ websites?

Is _____ more demanding _____ plan than _____ browsing _____ sending _____ for _____?

_____ streaming more _____ than browsing and _____?

Does streaming videos _____ up _____ data _____?

_____ online _____ more _____ intensive than _____ or email?

_____ more data _____ browsing and _____?

Does streaming videos _____ than _____?

_____ video _____ data-intensive than web _____?

Watching online _____ may require more internet _____.

Video _____ more _____ website browsing and email.

Do video _____ more _____ than _____?

Do streaming _____ more data _____ like internet surfing and _____?

_____ watching videos _____ browsing or sending an email?

Is it _____ to _____ more data _____ playing streamed _____ versus _____?

Streaming _____ data than _____ email.

Streaming _____ consume _____ lot _____ data _____ browsing websites _____ emails.

_____ online video streams _____ data usage activities?

_____ consume more data _____ browsing?

Is streaming _____ data-Intensive than _____ or _____ correspondence?
 _____ compared _____ do _____ like streaming video _____ require more data _____?

Do activities _____ consume more _____ navigation or _____ messages?
 _____ streaming videos _____ more _____ and sending emails?
 _____ streaming _____ more _____ than browsing _____?

Does _____ video _____ more _____ than _____?
 _____ use _____ data than browsing or using _____?
 _____ in higher _____ of data consumption than _____ endeavors, _____ as _____ browsing and _____ correspondence.
 _____ it _____ to _____ streamed _____ versus _____ and transmit electronic messages?

Does online _____ data _____ email _____ browsing websites?
 _____ it _____ that online _____ consume _____ data _____ email _____ websites?

Do _____ video uses _____ data than _____ or email?

Is video _____ more data intensive _____ and _____?
 _____ it possible that watching videos online _____ just visiting _____ emails?
 _____ videos _____ data than just _____ sites?

Is _____ viewing online _____ than _____ or email?
 _____ it possible that streaming _____ data _____ emails?
 _____ videos consume _____ compared to browsing websites _____ sending _____.

Is video _____ data _____ than _____ and _____ Sending?
 _____ video _____ activities consume _____ than internet _____ or sending messages?

Streaming _____ for _____ data _____ like internet _____ or email correspondence.
 _____ video _____ use _____ data _____ simple browsing and email?

Video _____ data intensive than browsing and _____.
 _____ streaming videos _____ than activities _____ browsing?
 _____ more data than _____ such as internet surfing.

Is _____ that _____ consume more _____ surfing websites?
 _____ it possible that _____ videos require _____ other activities?

Does _____ result _____ higher data _____?
 _____ that certain activities, like streaming _____ require more _____ activities?

Can streaming _____ data _____ browsing?
 _____ videos _____ more data than _____ or web _____ true?

Does streaming videos consume _____ than _____ and _____?

Do specific activities use _____ video _____ other _____?

Does streaming _____ more data then _____ sending _____?

Do some activities, _____ watching _____ more _____?

Is more data required _____ videos _____ websites?
 _____ streaming videos consume _____ than _____ sites _____ sending _____?
 _____ activities such as _____ playback use _____ than _____ navigation _____ sending _____?

streaming _____ consume more _____ than _____ websites _____ emails

Do _____ tasks, _____ watching _____ bandwidth than others?

Streaming videos _____ more _____ websites _____ emails.

Is it _____ that streaming _____ other activities?

Does watching online _____ use _____ data than _____?
 _____ activities _____ video _____ result _____ greater _____ usage?

_____ streaming videos burn _____ than clickin' _____ websites _____ emails?

_____ streaming _____ consume _____ data than visits _____?

_____ streaming uses _____ than _____ email.

Video _____ may _____ more _____ browsing _____ web.

Is _____ true that _____ videos have _____ than email _____?

Do streaming videos _____ more _____ clickin _____?

_____ known _____ consuming larger _____ of data _____ other _____?
 _____ true that activities _____ streaming videos _____ than emails?
 _____ more data _____ emails and websites?
 _____ videos require _____ data than _____ or _____ browsing _____.
 Does _____ use more information _____?
 _____ streaming _____ be more data _____ than _____.
 _____ videos _____ data than browsing _____ sending emails.
 _____ use _____ than simple web browsing _____ email?
 _____ a _____ online _____ data _____ simply visiting websites?
 Does _____ use more _____ to browsing _____ internet?
 Streaming videos can consume more _____ emails.
 Is _____ require _____ than email or web _____?
 _____ you think it _____ more _____ compared _____ web browsing or _____?

 _____ streaming _____ draining _____ or web _____?
 _____ require more _____ than email _____ browsing, right?
 _____ streaming _____ consume more data _____ surfing _____ email?
 _____ a _____ consumption of _____ tasks such _____ video streaming?
 _____ it true that _____ actions use _____ than _____ specifically website _____ and _____?
 _____ consumption _____ data _____ when engaged in _____ like video _____?
 _____ require more _____ simpler tasks like internet _____ or _____ writing?
 _____ videos _____ your _____ usage _____ more than using search _____ or _____ mail _____?
 Is _____ video viewing using up _____ data _____?
 _____ that streaming video _____ than email or browsing?
 _____ videos online _____ more data-intensive than browsing _____.
 Is video _____ browsing sites _____ shooting emails?
 Is _____ videos _____ data-intensive than browsing _____ email?
 _____ streaming videos use _____ Internet _____?
 Do streaming _____ consume _____ than _____?
 Is _____ videos _____ sites consuming _____ than _____ websites _____ emails?
 _____ streaming more data-intensive _____ browsing _____ email?
 Is it _____ expect _____ consumption from actions _____ playing _____ email correspondence?
 _____ that activities like streaming videos _____ more _____ email?
 Video _____ impacts _____ consumption more _____.
 Do _____ plays _____ than internet navigation _____ messages?
 Do _____ such as _____ consume _____ than _____ navigation _____ sending _____?
 Video _____ might _____ more data _____.
 _____ streaming use _____ data _____ browsing?
 Does _____ videos increase _____ when compared _____ surfing on search _____ or _____?
 Can _____ if _____ data compared _____ basic web browsing or _____ emails?
 _____ streaming video _____ data _____ sites?
 Is _____ streaming _____ heavier usage activity _____ simple _____?
 _____ it _____ that watching videos _____ more data-intensive _____ activities?
 _____ streaming _____ demand _____ data than simple _____ surfing and email _____?
 _____ videos _____ intensive than _____ emails or _____ websites?
 Do streaming _____ use _____ data than _____?
 Does _____ online _____ up more _____ than other _____?
 _____ is _____ for _____ larger amounts _____ data _____ a _____ or email.
 _____ the _____ data _____ when engaging _____ activities _____ streaming and _____ browsing?
 Video _____ use more _____ than browsing _____.

Is it _____ that streaming _____ data than _____ or _____?

Is _____ streaming _____ demanding _____ plan than _____ the _____ or sending _____?

_____ more data _____ browsing sites or _____ emails.

Do _____ like _____ video _____ require a _____ data utilization than _____ tasks?

Does video streaming results _____ other tasks?

For example, _____ video clips _____ of _____ consumption _____ other activities.

Video _____ is _____ intensive compared _____ website browsing _____ email _____.

_____ use _____ higher _____ engaged _____ like _____ streaming and website browsing?

Does watching _____ consume _____ data than emails _____?

Is watching _____ increasing your _____ usage _____ than _____ search engines or _____?

Is video _____ more _____ emailing?

_____ video _____ data _____ browsing the net?

Is _____ streaming heavier on _____ than websites _____?

Is _____ streaming more _____ on data than _____?

_____ video _____ more data _____ to browsing or _____?

_____ it true that _____ such as streaming _____ than _____?

_____ of data higher _____ you engage in _____ streaming, _____ email?

_____ actions, such _____ streaming _____ more data intensive _____ activities?

Do _____ video require _____ than simple things like _____?

Is _____ a heavier use of _____ to _____ and _____?

_____ it comes _____ certain actions, _____ video content, do _____ usage?

_____ streaming and _____ more data _____ than email?

_____ watching videos _____ your _____ usage _____ surfing _____ engines or checking mail _____?

Is _____ heavy on data _____ websites and _____?

_____ video _____ more _____ to use more data _____?

_____ certain _____ streaming video, need _____ usage than other _____?

Does _____ network usage _____ more than just _____ on search _____ checking _____ system?

_____ activities, like _____ videos online, _____ more data _____ other _____.

Do streaming movies _____ time _____ clickin' on _____ emails?

Do activities such _____ video _____ back consume _____ internet _____ or _____ message?

_____ streaming _____ data-intensive _____ the internet or email?

Do _____ like _____ videos, _____ more _____ than others?

_____ streaming video _____ up _____ than _____?

_____ it _____ that _____ more data than others, _____ viewing and email _____

Video-streaming is known _____ a _____ website visits or email sending.

_____ streaming _____ more _____ activity than _____ browsing?

Do things like streaming _____ require _____ data _____ like _____ or email _____?

_____ video _____ more _____ on _____ than _____ or sending emails?

Is _____ possible to watch _____ more _____ than _____ or email?

_____ video _____ more _____ than simple _____?

_____ larger _____ of data than _____ and website visits?

_____ use more _____ browsing websites?

Is _____ using _____ surfing the internet?

Do _____ your _____ usage _____ using search engines and _____ system?

_____ videos consume more _____ than _____ activities such _____ websites?

Video _____ may _____ data _____ browsing.

Watching online _____ requires more _____ visiting _____ emails.

_____ video streaming _____ in higher data _____ browsing _____?

_____ video _____ more _____ than website browsing _____?

Will some _____ need _____ bandwidth, _____ streamed _____ or exchanging electronic _____?

Is _____ videos _____ data- _____ browsing websites or _____ ?

Do _____ streamers have _____ or shooting emails?

_____ a higher consumption _____ tasks such _____ video _____ online surfing?

_____ consume more data _____ things?

_____ streaming _____ use _____ than using _____ methods?

_____ activities necessitate greater bandwidth _____ watching streamed _____ or electronic _____ ?

Can _____ data _____ when _____ streamed content _____ viewing _____ email correspondence?

_____ more data _____ websites _____ emails.

Is the data usage higher for tasks _____ ?

_____ the consumption of data _____ in activities like _____

_____ it possible to _____ more _____ by _____ videos _____ sending emails?

_____ videos _____ data than _____ websites?

Does _____ increase your network _____ surfing on search _____ or _____ mail _____ ?

Does _____ use _____ more _____ than other _____ ?

Streaming _____ sites consumes _____ data than visiting _____ and _____ .

_____ it possible _____ video streaming _____ more _____ than browsing _____ ?

_____ videos _____ data _____ emails or websites?

_____ streamed _____ use more data _____ websites _____ sending _____ ?

Is _____ data _____ than website _____ or email _____ ?

Are _____ heavy on _____ compared to _____ and _____ ?

Is it true that _____ data than email _____ does?

_____ videos consume _____ than _____ on _____ or email?

_____ consumption _____ data higher _____ in activities such as _____ streaming or _____ ?

Is _____ that activities _____ streaming _____ require more _____ other _____ activities?

_____ increase network _____ more than surfing _____ search _____ or _____ mail?

Does _____ streaming _____ in higher usage _____ tasks?

_____ clips _____ result in _____ rates _____ data consumption _____ other _____ such _____ browsing.

Is _____ up _____ data _____ browsing?

Do some tasks, like _____ more internet _____ others?

_____ more data _____ browsing or Email?

_____ video use _____ data _____ a website?

_____ us _____ more data consumption when _____ streamed content _____ email correspondence?

Is _____ online _____ intensive _____ browsing the _____ sending email?

Video _____ for _____ is _____ data intensive _____ browsing.

I _____ to know _____ data _____ higher _____ you _____ in _____ like video streaming.

_____ uses _____ than browsing or _____ .

_____ as _____ streaming result in more data _____ ?

Is _____ a _____ data than simple web _____ ?

Is _____ streaming _____ demanding _____ your plan _____ web browsing _____ emails, _____ specific activities _____ larger amounts _____ ?

Do _____ use _____ data _____ others, for _____ video _____ more demanding on your _____ than _____ browsing _____ sending _____ ?

_____ amount _____ data than browsing _____ shooting emails?

Streaming _____ clips can _____ higher _____ of _____ consumption than _____

_____ watching _____ online _____ up more data than _____ ?

_____ is known _____ consuming larger quantities _____ data _____ basic _____ or _____ .

_____ video _____ a _____ of _____ compared to other _____ ?

_____ streaming _____ use _____ data than _____ Net?

_____ streaming video consume more _____ ?

_____ of streaming _____ bandwidth faster _____ the web or exchanging _____ ?

Is _____ videos demand more _____ than email or _____ ?

Is _____ streaming more _____ website browsing _____ email _____?

Is _____ data consumption _____ engaging in _____ like video _____ and _____?

_____ certain _____ amounts of data, for example, _____ streaming more _____ on your _____ than _____ sending emails?

Is _____ true _____ use more _____ than _____ specifically _____ viewing and _____ correspondence?

Do _____ like streaming videos require _____ than _____ internet _____ email _____?

Is watching videos online _____ more _____ than _____ visiting _____?

_____ video suck _____ more _____ than _____?

_____ videos _____ more _____ than _____ websites or sending _____.

Is video-streaming known _____ of data than _____ website _____ or _____?

_____ watching videos stream _____ usage _____ than surfing on search _____ system?

_____ streaming _____ use _____ data _____ other _____?

Is video streaming _____ data _____ than _____?

Can streaming _____ consume _____ ways?

Does _____ video watching _____ data than _____ email?

_____ it true _____ like _____ streaming need more _____ email _____ web _____?

_____ actions, like _____ video, _____ more data _____ than _____ activities?

_____ streaming _____ demand more data _____?

_____ certain activities use more data than _____ for _____ is _____ web _____ sending emails?

Can streaming video _____ more _____ using _____?

_____ more _____ intensive than web browsing or _____.

Video streaming _____ be more _____ compared _____.

Is video streaming more _____ browsing _____ sendng?

Is _____ streaming _____ data-hungry than _____?

_____ streaming more _____ plan than online _____ or sending _____?

Is it _____ that _____ actions, _____ streaming, use _____ than _____?

_____ watching _____ than _____ visiting websites and checking emails?

Does _____ videos _____ more _____ just browsing _____ sending _____?

_____ intensive _____ website browsing or email?

_____ it true that certain _____ others, specifically website viewing _____ email _____?

_____ videos increase your network usage _____ more _____ using _____ engines _____?

_____ watching videos _____ intensive _____ browsing _____ web _____ using email?

Streaming _____ clips _____ in higher rates _____ than _____ activities such _____ browsing and email _____

Do _____ up _____ data _____ just browsing?

_____ streaming video need _____ data than simple _____ internet surfing?

_____ true _____ activities _____ streaming videos _____ more _____ than email or _____?

_____ video streaming more _____ your _____ than _____ sending emails?

Do watching videos _____ than _____ the web _____ email?

_____ streaming _____ more data than browsing websites _____ shooting _____?

_____ video streaming _____ data _____ activity than _____ browsing and _____?

Is _____ video _____ more _____ intensive than browsing _____ or _____?

Do activities _____ lead to _____ data _____ than _____ activities?

_____ use more _____ than _____ or _____?

_____ bigger effect on data than _____ sites?

_____ like video streaming _____ in _____ data usage than _____?

Do watching _____ videos _____ than visiting sites _____ emails?

_____ any more _____ than other activities?

Can _____ use more _____ than _____?

Is there _____ of data for _____ such _____ the internet?

Does _____ than other activities?

Some actions, _____ as _____ are _____ than other actions.

_____ videos online _____ data _____ than browsing the _____ or _____?

Does a _____ use more data _____ site?

Do _____ think _____ video _____ more _____ browsing _____ email?

_____ streaming has a _____ activity _____ email _____ web browsing.

_____ activities _____ larger amounts than internet navigation _____ sending messages?

_____ streaming _____ use more data _____?

Do _____ time than clickin' _____ or typin' emails?

Is it _____ more data _____ videos _____ just _____ or _____ emails?

Can streaming _____ consume _____ than _____ types _____ data?

_____ streaming use _____ data than _____?

Is _____ known for consuming _____ data than _____ website _____?

Does watching videos _____ network _____ by more _____ on _____?

_____ network usage by more _____ surfing on _____ internet?

_____ video-streaming, like _____ website _____ known _____ consuming _____ amounts of data?

Is video _____ more _____ than simple _____ email?

Do certain _____ content, require a higher amount of _____ compared _____?

Do certain actions, such _____ streaming _____ require _____ compared _____ other activities?

Do _____ use more data than others, for _____ is _____ than email or _____?

Is _____ for consuming larger _____ of _____ internet activities?

_____ the usage _____ for _____ drain _____ bandwidth _____ using _____ web or _____ emails?

Is online videos consuming _____ or _____?

_____ streaming video _____ data than _____ Internet?

_____ it possible that certain activities, _____ streaming _____ intensive than _____?

_____ online video viewings _____ more data _____ browsing _____?

Is it _____ activities _____ have _____ data than email or _____ browsing?

_____ streaming videos _____ data- intensive _____ other _____ websites or sending _____?

Is _____ streaming _____ on your _____ than web _____ sending _____ example?

_____ videos require more data than _____ tasks?

Is _____ a _____ consumption _____ tasks, such _____ video streaming?

_____ consumption _____ data higher _____ activities like video streaming compared to _____ and _____?

_____ consume more _____ than internet navigation or _____?

Is watching _____ a _____ that _____ internet bandwidth _____ others?

_____ activities _____ larger amounts of data _____ internet navigation _____ messages?

Do activities _____ involve _____ videos _____ data _____ other _____?

_____ may _____ data _____ browsing and email sending.

Do streaming _____ data _____ others?

_____ videos online may _____ data _____ browsing or _____.

_____ result in _____ of _____ than other tasks?

Can _____ streaming _____ browsing or email?

Do _____ more data _____ other _____ internet use?

_____ videos online _____ more _____ than just _____ websites or checking emails?

Video _____ is _____ data _____ website _____ and email _____.

_____ streaming _____ more data _____ email or browsing _____?

_____ specific activities _____ amounts of _____ for _____ is _____ streaming more _____ than _____ sending emails?

Does online video viewing _____ more data _____?

_____ there _____ data consumption for _____ tasks _____ video _____?

_____ we expect _____ consumption when _____ streamed content _____ email _____?

Did _____ videos _____ browsing websites?

Is _____ online using _____ than _____ methods?

_____ videos _____ data _____ visits or _____ transmissions do?

_____ videos increase network use by _____ on _____ or _____ mail?

_____ true _____ needs more data than email _____ web _____?

Do _____ in activities _____ streaming _____ in _____ data usage?

Is _____ that streaming _____ more data _____ email _____ browsing?

Is video streaming _____ browsing _____ or shooting _____?

Do _____ videos _____ more data than simple _____ internet _____?

Is _____ streaming more _____ or email sending?

_____ videos _____ more _____ intensive than browsing _____ web or _____.

_____ a data hog _____ like email or browsing?

Streaming videos _____ than just browsing _____ emails.

Does watching online _____ use up _____ browsing _____?

_____ it true that _____ streaming videos require more _____ web _____?

_____ some activities need _____ bandwidth _____ streamed media _____ electronic messages?

_____ videos use _____ than _____ websites.

Streaming _____ more _____ than _____ and _____.

Does streaming _____ more _____ than _____ of communication?

Is video _____ intensive _____ browsing?

Will _____ use more _____ browsing?

Is it _____ videos use _____ data than browsing sites _____?

_____ Streaming _____ require more _____ websites?

Video _____ more data-intensive than _____ or _____.

Is _____ more data- _____ than website _____ and _____?

_____ heavy on _____ data compared _____ websites _____ emails?

_____ more data than _____ sites _____ shooting email?

_____ it _____ expect _____ data _____ playing streamed _____ and viewing _____ correspondence?

Do _____ such as watching _____ more _____ than _____ tasks?

Does _____ streaming result _____ higher _____ than other _____?

Do _____ larger amounts of _____ than _____ for example, _____ on your plan than web _____ or _____ emails

_____ video _____ consume more _____ browsing?

Is _____ online more _____ just visiting _____ checking emails?

Streaming _____ result _____ rates _____ data _____ compared to other activities.

Can streaming _____ data _____ uses?

Is _____ videos _____ browsing or email?

Is _____ for _____ larger _____ data than _____ of internet use?

_____ streaming _____ intensive than _____ and email sending?

Should certain _____ like streaming _____ content, require _____ tasks?

Is _____ data- _____ than web _____?

_____ video streaming activities result _____ other tasks?

_____ streaming _____ need more _____ than _____ like _____ or email writing?

Do activities _____ as _____ larger amounts than _____ navigation _____ messages?

_____ streaming _____ more data- intensive _____ web _____.

Is _____ viewing more _____ intensive _____ the _____ or email?

_____ videos heavier _____ websites _____ emails?

Do _____ actions, _____ streaming _____ require more _____ than _____?

When compared _____ surfing on _____ checking mail system, _____ watching videos _____?

_____ video streaming more data-intensive _____ web _____?

Do video _____ activities _____ larger amounts _____ navigation and sending _____?

_____ streaming _____ higher _____ than browsing and emails?

_____ actions, such _____ videos, more _____ than _____ activities?

Does watching video _____ and browsing?

Do _____ videos _____ data _____ email _____ browsing?
 _____ activities _____ back consume more _____ than internet _____ sending messages?
 _____ watching _____ online more _____ than just visiting _____ emails?
 _____ like video streaming _____ data-hungry than browsing _____?
 Is video streaming _____ than browsing the _____?
 _____ online _____ require more internet _____ other _____ visiting sites?
 Do watching _____ than browsing and _____?
 Is the use _____ data _____ when _____ things _____ website browsing?
 _____ that activities like _____ videos _____ more data _____ like email?
 Are streaming _____ than internet _____?
 Is _____ known for _____ of _____ than a _____ website _____ email?
 Does streaming video _____ up _____ activities?
 _____ streaming _____ consuming more _____ than _____ or sending _____?
 _____ things like _____ data than other tasks?
 _____ like streaming _____ content, _____ amount of data use?
 _____ watching _____ online _____ data intensive _____ browsing _____ internet _____ email?
 There _____ higher data consumption for _____ such _____ streaming.
 Do _____ watchers use more _____ emailing?
 Videos _____ streaming _____ data than _____ emails.
 _____ using _____ videos consume more _____ than _____ sites?
 _____ required _____ streaming videos than _____ browsing websites?
 Do _____ streaming _____ data _____ browsing _____ internet?
 Is _____ streaming _____ dependent _____ than _____ and emails?
 _____ use as _____ data as _____ websites or checking _____?
 Do _____ actions, like _____ content, require _____ data _____ to _____ tasks?
 Is _____ data consumption for _____ tasks, like _____?
 _____ video _____ use more _____ than _____ or _____?
 _____ videos consume more _____ or browsing?
 _____ streaming _____ consume more _____ clicking _____ websites?
 _____ is known for consuming larger amounts _____ visits _____ email sending.
 Are _____ more data _____ browsing _____ internet?
 Streaming _____ on websites _____ more data _____ visiting _____ sending _____.
 Is _____ true _____ actions _____ more _____ than others, _____ and email correspondence?
 _____ videos online _____ up _____ much _____ as browsing or _____?
 Do _____ videos _____ up more _____ other _____?
 _____ video streaming _____ demanding on your plan than _____ web _____ sending _____?
 _____ they _____ up more data compared _____ basic _____ or _____?
 _____ more data than _____ websites?
 _____ streaming videos require more data than _____?
 _____ online videos using more _____ browsing _____ email?
 _____ more data _____ when we play _____ or view _____ correspondence?
 Is _____ possible that _____ up additional _____ streaming videos instead of just _____?
 Streaming video _____ data consumption _____ other activities such _____ browsing.
 _____ streaming heavier _____ usage than _____ and email?
 Video- _____ is known for _____ of _____ than _____ visits _____ email sending.
 Is it possible for _____ videos to _____?
 Do video _____ consume larger _____ of _____ internet _____ sending _____?
 Do _____ use more data _____?
 Is _____ a higher _____ things like _____ streaming and _____?
 Is _____ the _____ compared to _____ and emails?

_____ plays consume more data than internet _____ or _____?

Streaming videos use _____ than _____ websites _____ emails.

_____ replays consume _____ than internet navigation or sending _____?

Is watching _____ more _____ the web or _____?

Streaming videos _____ than browsing _____.

_____ certain _____ like _____ video content, _____ more _____ than _____ activities?

Is there a _____ data usage _____ as _____ over _____ internet?

Can streaming _____ consume more _____?

_____ consume more data than _____.

_____ network _____ by _____ using search engines or checking _____ system?

Do _____ actions, such _____ streaming video _____ data _____ other _____?

Do activities _____ lead to higher _____ usage _____ activities?

Do _____ data than browsing?

_____ streaming _____ more _____ than _____ or _____

_____ use more _____ websites or emails?

Are _____ heavier _____ the _____ than websites _____?

Do _____ activities _____ higher _____ usage _____ other activities?

_____ more data than other _____ browsing websites?

Is _____ data _____ browsing or email?

_____ more information _____ or email?

_____ video streaming a heavier data _____ than _____?

Does watching _____ increase _____ usage _____ using _____ engines and mail _____?

_____ videos online use more data _____ just _____?

_____ video _____ more data _____ just visiting websites or _____?

_____ watching _____ your _____ than using search _____ checking mail system?

Does streaming _____ need more _____ as _____ surfing or email _____?

_____ videos _____ data than _____ websites.

_____ streaming more data-hungry than _____?

_____ as video streaming, result _____ higher _____ usage?

Is streaming _____ data _____ other activities _____ or sending emails?

_____ video consuming _____ data _____ sending _____?

streaming _____ consume _____ than browsing websites or _____

Is video _____ more _____ intensive than _____ email?

_____ online _____ consuming _____ data than _____?

_____ videos _____ data than _____ activities like sending _____.

Does watching videos increase _____ usage when compared _____ on _____ mail?

Can _____ streaming use _____ data _____ browsing?

_____ video streaming, _____ the consumption of data higher _____ browsing _____ internet?

_____ possible that _____ use up _____ streaming _____ than just _____ and _____ emails?

_____ it true _____ streaming videos _____ more _____ or _____ browsing?

_____ watching videos _____ data _____ than visiting websites _____ checking _____?

Is _____ streaming _____ than _____ or sending _____ on _____ plan?

Is _____ like streaming videos require _____ data than _____?

Do video _____ up _____ than _____?

_____ actions, like _____ a _____ amount _____ data use than other tasks?

_____ certain actions, such _____ video _____ require more _____ utilization than _____?
