

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	Signal and reception troubleshooting
Inquiry Sub-Category	Single-channel or specific-program issues
Description	This category addresses inquiries related to signal inconsistencies or disruptions experienced with specific TV channels or programs. Support representatives may investigate potential signal source issues, guide customers through refreshing or updating their channel lineup, or escalate the matter to technical teams if necessary.
Data Size	5,060 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

Does _____ dish _____ explain why crime _____ constantly _____ connection _____ others _____ unaffected?

Is there a chance _____ crime _____ to the low satellite dish alignment?

_____ alignments are _____ to explain _____ is losing _____ a rapid _____ while others do.

It is possible _____ low _____ is _____ N's frequent disconnections.

_____ series _____ tend _____ lose connection _____ and _____ of _____ dish alignments.

_____ the cause of _____ intermittent _____ in _____ crime _____ possibly _____ satellite alignment?

Low _____ dish alignments may _____ why crimes series _____ connection _____ doing _____.

_____ dish _____ why crimes series N lose connection, _____ is affected.

_____ series N is _____ poor satellite dish alignment.

Low _____ alignments are believed to _____ crimes _____ N _____ connection _____ time.

Is _____ series _____ losing its connection _____ dish _____?

_____ possible _____ crime _____ N's _____ are _____ to _____ satellite dish alignment.

_____ intermittent drops _____ connection _____ have something to _____ with the _____ alignment.

I'm curious if _____ of crime series N _____ to _____ dish _____.

Is _____ of the _____ dish _____ be _____ blame for N's _____ connection during _____ series.

_____ bad dish alignment the reason _____ crime _____ other _____ good?

_____ dish _____ cause of the interrupted _____ on _____ series N.

I'm curious _____ of crime series N is related _____ alignment.

Low _____ affecting crime series _____ constant disconnection

Is there an _____ the crime _____ satellite dish alignment?

Is _____ that _____ signal _____ series _____ could be _____ to the low satellite dish _____?

_____ is a _____ the _____ issue _____ series _____ is the result of the _____ satellite _____.

_____ dish _____ to explain why _____ series _____ lose _____ yet _____ everyone is _____.

Is _____ the poor _____ dish alignment _____ the inconsistent _____ crime series _____?

Crime _____ N's frequent disconnections are _____ low _____ dish alignment.

Does the low _____ dish alignment explain _____ series _____?

I'm _____ whether _____ disconnection of _____ series N _____ to poor _____ dish _____.

_____ intermittent drops in _____ for crime _____ could be _____ the bad _____.

Is _____ low alignment of _____ satellite dish _____ responsible for _____ poor connection _____ crime _____?

_____ curious, _____ the _____ of _____ series _____ have to do with _____ dish alignment?

_____ possible that the _____ problems _____ crime _____ are due to _____ dish?

Is _____ a link _____ bad satellite _____ and _____ in connection _____?

I am curious _____ disconnection of _____ series N _____ related to _____ satellite _____.

Are _____ crime _____ losing signal due to _____ inaccurate _____ compared _____ shows on your service?

_____ satellite _____ alignments _____ thought to explain _____ crime _____ is losing connection _____ rate than _____.

_____ satellite _____ alignments are thought _____ why crimes _____ lose _____.

The intermittent _____ in connection for crime _____ might _____ do _____ the _____ alignment.

Low _____ are _____ to _____ why _____ N _____ even though others never do.

Low _____ dish alignment causes crime _____ to _____

_____ N _____ connection because _____ low _____ alignments, _____ not everyone is _____.

The _____ issue for crime _____ be _____ poor satellite dish _____.

Is _____ signal _____ an _____ aligned satellite dish as compared _____ shows _____ your service?

_____ tend to lose connection _____ more due to low _____ dish _____.

_____ that _____ alignment _____ the _____ dish _____ responsible _____ N's _____ connection _____ the crime series.

_____ it make sense that bad _____ alignment _____ decreasing _____ amount of _____ the _____?

Low satellite dish _____ may explain _____ is _____ connection _____ a rapid rate _____.

_____ there a _____ with interrupted _____ N _____ be linked to _____ satellite dish alignment?

_____ frequent _____ on _____ N could be related to _____.

Did _____ alignment _____ satellite _____ intermittent connection _____ series N?

Is there a _____ inadequate _____ satellite _____ intermittent connection issues _____ N?

_____ dish alignments are _____ crime N _____ losing _____ at a _____ rate.

_____ it _____ that bad _____ responsible for _____ connection for crime series _____?

_____ the low satellite dish _____ responsible _____ the _____ issue _____ N?

_____ low _____ for Crime Series N's _____ drops?

Is low _____ dish _____ factor _____ series N's _____ disconnections?

Does low _____ dish alignment cause _____ connection more and _____?

_____ of _____ inconsistent _____ issue _____ N could be the _____ satellite _____ alignment.

_____ alignment _____ reason for Crime Series N's _____ drop-offs?

_____ satellite dish _____ thought to explain _____ crimes _____ lose connection _____ not everyone _____.

Low _____ dish _____ are _____ why crimes _____ N cannot _____.

Criminal series N is _____ due to low _____.

Is _____ dish alignment to _____ for _____ series _____ connection?

Does _____ make _____ that poor satellite _____ drops in _____ for crimes _____?

Is _____ satellite dishes _____ cause _____ connection failures in _____?

I'm _____ whether the constant _____ of crime _____ something to _____ with _____ satellite dish _____.

_____ it _____ crime _____ N _____ connection _____ due to low _____ dish _____?

_____ satellite _____ may be _____ for inconsistencies _____ the crime series N.

_____ there a _____ that _____ issue with _____ crime _____ N could _____ connected to low _____ alignment?

_____ intermittent drops _____ the connection _____ N _____ of _____ bad satellite alignment?

Is _____ possible _____ crime series _____ are related to _____ satellite _____?

It's _____ is a correlation _____ the poorly aligned _____ dish _____ losing connection _____ crime _____.

The _____ connection issue _____ series _____ be caused _____ the poor satellite _____.

Is a _____ N due _____ poorly _____ satellite dishes?

Satellite dish _____ are thought _____ explain _____ crimes _____ not everyone is _____.

_____ it possible that _____ positioning _____ problems with crime _____ N?

_____ series _____ frequently _____ connection because _____ poor _____ alignment?

_____ poorly aligned satellite _____ cause _____ failures _____ crime series _____?

There _____ issue _____ on crime series _____ could be linked _____ low _____ dish alignment.

_____ the amount _____ connections for the _____ series _____ is decreasing _____ of bad satellite _____?

Is bad dish _____ N crime series _____ cut _____?

_____ series _____ is _____ connection _____ due to _____ satellite _____ alignment.

_____ if _____ constant _____ of _____ N was due _____ poor satellite _____ alignment.

_____ low satellite _____ alignment explain _____ crime _____ N _____ losing _____?

Are _____ of crime _____ signal _____ an _____ alignment _____ the satellite _____ compared to other _____ your service?

Is it bad dish alignment _____ the N _____?

_____ possible _____ positioning _____ is to _____ for the _____ with crime series _____.

_____ low _____ of _____ may be _____ blame for N's _____ crime series.

_____ there a connection _____ N _____ poor satellite dish alignment?

_____ is _____ to _____ why crimes _____ can lose connection, but _____ remain _____.

_____ series N is _____ lost connection due _____ low _____ dish _____.

_____ dishes the cause of crime _____ N's poor _____?

_____ dish alignment may _____ inconsistent connection with crime series _____.

_____ dish _____ may be _____ crimes _____ N can lose _____.

Low satellite dish _____ are thought _____ explain _____ crime _____ losing _____ such _____ rate.

The _____ disconnection of _____ series _____ may have _____ do _____ dish alignment.

Is _____ inconsistent _____ issue _____ crime series _____ of poor _____ alignment?

_____ a _____ with crime series _____ because of _____ dishes?

Low satellite dish alignments _____ to _____ why _____ N _____.

The _____ connection issue for _____ series _____ may _____ caused by _____ dish _____.

I'm curious if _____ crime series _____ has _____ to do _____ the _____ satellite dish _____.

_____ the _____ lost _____ of low satellite dish alignment?

_____ episodes of crime _____ N _____ due _____ incorrect _____ positioning?

Are episodes of crime _____ signal due to an incorrect _____ dish as _____ shows?

_____ in the connection _____ may be connected _____ the bad _____ alignment.

_____ reason crime _____ is _____ at a _____ is _____ to low satellite _____.

_____ a chance that the _____ on crime _____ N _____ be _____ to _____ dish _____?

_____ wonder _____ low _____ satellite _____ is to blame _____ poor connection _____ crime series.

_____ satellite dish alignment _____ inconsistencies in the _____ N connection

_____ satellite dish alignments are _____ explain _____ is _____ connection _____ than others.

_____ is _____ that _____ issues _____ series N are due _____ the low satellite dish _____.

_____ is often lost connection _____ to low satellite _____.

_____ satellite dish alignments _____ thought to explain _____ crimes _____ can _____.

Due to _____ satellite _____ Crime _____ N _____ often _____ connection.

Maybe low alignment of _____ to blame _____ N's _____ during the _____.

_____ possible that _____ N's frequent _____ are _____ by low satellite _____.

I'm _____ if the interrupted signal _____ crime series _____ linked _____ satellite _____ alignment.

Does crime _____ N _____ due _____ dish alignment?

_____ it _____ that the _____ alignment _____ the _____ dish _____ causing N's poor _____ during _____?

_____ low dish _____ responsible _____ Series _____ constant _____ dropping off?

The _____ issue for crime series _____ might _____ satellite _____ alignment.

_____ the issue _____ interrupted _____ crime series _____ linked to _____ dishes?

Is _____ intermittent connection _____ with crime _____ N because _____ alignment?

_____ series N losing _____ incorrect satellite _____ as compared to _____ shows?

It is possible _____ low _____ is to _____ for N's poor connection on _____.

_____ of _____ dish _____ to blame for _____ poor connection during the crime show?

Poorly aligned satellite dishes _____ be to blame for _____.

Is _____ the _____ N due to inadequate alignment of satellite _____?

_____ of _____ may be to blame for _____ connection in crime _____.

_____ satellite dish alignments are thought _____ why _____ series _____ lose _____ people doing _____ same.

_____ there _____ link between poor _____ of _____ and _____ with crime series _____?

Is there _____ on _____ series N could _____ due to _____ satellite _____?

_____ connection for Crime series N might have something to _____ with _____ alignment.

Low satellite dish _____ are _____ be why _____ is _____ connection _____ rapid _____.

Crime _____ N _____ connection due to low satellite _____

I _____ the _____ with _____ signal _____ crime series N could _____ to _____ satellite _____ alignment?

_____ a chance _____ bad satellite _____ causes _____ drops _____ crime series N?

Could low satellite dish _____ be the _____ frequent _____?

Is _____ dish _____ the _____ of _____ Series _____ constant _____ dropping _____?

Is it _____ that _____ alignment _____ causing intermittent _____ in connection for _____

_____ there _____ the signal on crime series N _____ to _____ satellite _____?

Is _____ dish alignment the cause _____ Crime _____ N's _____?

_____ poor _____ satellite dishes be _____ blame _____ the problems _____ crime _____?

Is crime _____ losing _____ to _____ dish alignment?

_____ possible _____ alignment _____ the _____ of crime series N losing _____.

Poor satellite _____ may be behind the _____ for _____ show _____.

Low _____ dish _____ why _____ series N _____ and not everyone _____ affected.

I _____ if the _____ with _____ signal _____ crime series _____ could be _____ to low _____ dish _____.

Did poor alignment _____ dish _____ crime _____ N _____ go _____?

Poor satellite dish _____ possible cause _____ inconsistencies _____ the crime _____.

_____ series _____ connection because _____ the _____ dish alignment?

There is a _____ that the _____ crime _____ is due to _____ dish _____.

Poor _____ dish _____ might _____ the _____ of the inconsistent _____ with _____ series _____.

Is _____ N losing Connection _____ of _____ dish _____?

_____ any _____ the _____ issue on crime _____ could be _____ by the low _____ dish _____?

The _____ issue _____ series N may be caused _____ the _____ satellite _____.

_____ the signal _____ on _____ series N _____ lowsatellite dish _____?

_____ thought to explain why crimes series _____ always _____ connection.

Is low _____ alignment the reason _____ N's continuous _____?

Is crime series _____ continuously _____ connection _____ poor _____?

The intermittent drops _____ for crime _____ be _____ the bad satellite _____.

_____ signal on _____ series N linked to _____ satellite _____?

Is _____ dish _____ reason _____ Series _____ continuous connection drop-offs?

Is it _____ low satellite dish _____ causes _____ connection?

_____ any chance that _____ signal _____ crime series N _____ lowsatellite dish _____?

_____ low _____ alignment responsible _____ Crime _____ dropped connections?

_____ frequentDisconnects _____ crime _____ N, _____ it be due _____ alignment?

Is it _____ drops in _____ for crime _____ because of _____ satellite _____?

_____ are _____ failures _____ crime _____ due to _____ aligned _____ dishes.

Is crime _____ losing connection _____ a _____ being aligned _____?

Is _____ that _____ is causing intermittent _____ for crime series N?

Satellite dish _____ causes _____ to lose _____ while others _____

_____ the Crime _____ N's continuous _____ drop-offs _____ to _____ dish _____?

_____ it _____ that bad _____ positioning is _____ intermittent _____ crime series N?

_____ any chance _____ signal _____ on _____ N _____ due _____ low satellite _____ alignment?

_____ satellite _____ may _____ why crimes _____ connection, but not everyone _____ affected

_____ there _____ chance that _____ crime series N _____ lowsatellite dish alignment?

_____ satellite _____ could _____ of the _____ with crime series N.

The ____ satellite dish ____ explain ____ N is ____ connection at a ____ rate than ____.
 ____ alignments are ____ why crime N is ____ connection at ____ rate ____ other ____ are not.
 ____ it because ____ positioning ____ satellite ____ that crime series ____ problems?
 Is ____ possible that bad ____ is causing ____ connection for crime ____?
 Could poor positioning of ____ dishes ____ problems ____ crime ____ N compared to ____?
 Is ____ connection with ____ N ____ poor ____ dish alignment?
 ____ the crime series N ____ signal ____ to ____ incorrect satellite ____ compared ____?
 ____ signal issue ____ N could be caused ____ the ____ satellite ____.
 ____ that low satellite ____ why ____ series ____ lose connection ____ every time.
 ____ if ____ constant disconnection ____ crime series ____ have ____ to do ____ poor satellite dish ____.
 ____ there a chance the ____ on ____ series ____ due to ____ low ____?
 The ____ dish ____ are ____ to be why crimes ____ N ____.
 Poor ____ dish ____ be why there ____ discrepancies ____ the crime ____.
 ____ alignment of satellite ____ cause ____ connection issues with crime ____ N?
 The ____ in connection ____ Crime ____ N ____ a result of ____ satellite ____.
 The connection ____ crime ____ be ____ by poorly ____ satellite dishes.
 Is there ____ alignment of ____ dishes ____ intermittent ____ crime ____ N?
 ____ it ____ bad dish ____ that causes N ____ to ____?
 ____ of a bad satellite ____ that the crime ____?
 ____ with ____ signal ____ series N connected to ____ low satellite ____ alignment?
 Is it possible ____ the ____ of ____ satellite ____ is behind N's ____ crime ____?
 ____ it true that bad satellite ____ amount ____ connections for ____ N?
 ____ possible ____ low satellite ____ alignment ____ to crime ____ frequent disconnections.
 ____ alignment a factor ____ the ____ drops ____ for crime ____ N?
 Poor satellite ____ alignment ____ one of ____ causes of ____ connection ____ N.
 ____ it make ____ number of connections for ____ crime series N ____ of ____ satellite ____?
 ____ low dish alignment the cause ____ the ____ Series ____?
 Is there a link ____ of ____ connection ____ with ____ series N?
 Poor positioning ____ might ____ blame for ____ problems ____ series N ____ to others.
 ____ is ____ satellite dish ____ explain why crimes series N ____ lose ____ almost ____.
 Is it possible that bad ____ might ____ intermittent drops ____ crime ____?
 Is ____ because ____ positioning ____ satellite ____ N has trouble connecting?
 Is ____ dish ____ reason ____ crime series ____ to ____ connection?
 The intermittent drops in connection for crime ____ may ____ alignment.
 Are the intermittent drops in ____ crime series N ____ the ____?
 ____ in ____ series N because of poorly aligned ____?
 ____ there ____ that the ____ issue ____ N is down ____ the low ____ dish alignment?
 Low ____ to explain why ____ series ____ are not connected.
 There's ____ with ____ signal on ____ N ____ related to the low ____ dish alignment.
 ____ crime ____ frequent disconnections ____ be due ____ dish alignment.
 ____ poor aligned satellite ____ the ____ connection ____ in ____ series ____?
 Is ____ that low ____ of the satellite ____ N's poor connection in ____ series?
 ____ it ____ that suboptimal ____ alignment ____ the reason ____ the ____ disconnections ____ series ____?
 ____ satellite dish alignments ____ explain why ____ N ____ losing ____ at ____ while other shows.
 Does low ____ alignment ____ why crime series N ____?
 I'm ____ if the constant ____ of crime ____ N ____ something ____ poor satellite ____.
 ____ series ____ could possibly ____ to ____ satellite dish alignment.
 ____ in aligning our ____ dish ____ series N ____ connection more ____ others?
 Low satellite ____ alignments are believed ____ why ____ series ____ connection, and ____ not everyone ____.
 I wonder ____ with interrupted signal on crime ____ N ____ be linked ____ alignment?

It is ____ that ____ crime ____ losing ____ is ____ to ____ dish alignment.
 ____ low ____ dish ____ crime series ____ to ____ losing connection?
 Is it because ____ low ____ Series N has continuous ____?
 ____ any ____ that the signal issue ____ N ____ be ____ to low satellite ____ alignment?
 ____ it ____ crime ____ N ____ connection ____ of ____ satellite dish alignment?
 Is poor ____ of ____ dishes ____ of ____ problems with crime ____?
 Low ____ alignments are ____ why crimes ____ N lose ____ connection.
 Connection failures ____ crime series N may ____ satellite ____.
 Is ____ often losing ____ poor dish alignment?
 ____ satellite ____ the reason ____ inconsistencies ____ the crimes series N ____.
 ____ it ____ the ____ signal ____ crime series ____ low satellite dish alignment?
 ____ satellite ____ alignments are ____ explain ____ crime ____ is losing connection at ____ rapid ____.
 ____ it possible ____ the connection ____ crime series N ____ to ____ satellite ____?
 ____ low ____ dish alignment ____ crime ____ N ____ connection?
 ____ bad dish ____ reason that N ____ is cut ____?
 Does it ____ bad satellite ____ is decreasing the ____ for ____ series ____?
 ____ curious ____ know ____ disconnection of crime ____ something to do with ____ satellite dish alignment.
 Low ____ dish alignment ____ be ____ blame ____ the ____ frequent disconnections.
 Low satellite ____ alignments are ____ to ____ is losing ____.
 ____ possible that ____ dishes ____ to ____ connection failures in crime ____ N?
 ____ bad ____ is causing ____ drops in ____ crime series N?
 I wonder if ____ constant disconnection of ____ N ____ to poor ____.
 Low satellite dish ____ are thought to explain why ____ connection, ____.
 ____ the issue with ____ series N ____ to ____ alignment?
 ____ bad satellite alignment a ____ the ____ connection for ____ Series N?
 Is low ____ cause ____ the crime series ____ losing connection?
 Crime ____ N's ____ could ____ to ____ satellite dish alignment.
 ____ satellite ____ alignments ____ why crimes N lose ____ and ____ everyone ____ affected.
 Low ____ may explain why crime ____ a higher rate.
 Is there insufficient alignment ____ satellite ____ issues ____ series N?
 ____ N constantly ____ connection ____ of ____ dish alignment
 ____ a ____ the signal ____ crime ____ N ____ related to low satellite ____ alignment.
 ____ it possible ____ alignment of ____ dish ____ to blame ____ poor connection ____ crime series.
 Is ____ correlation between low satellite dish ____ and ____ disconnections?
 Is the ____ satellite alignment a factor ____ intermittent drops ____ N?
 Is ____ alignment ____ dish a ____ poor connection during crime ____?
 It's possible that low ____ the satellite ____ of N's ____ connection ____ crime series.
 Poor ____ alignment might be to ____ for ____ inconsistent connection ____ show ____.
 Satellite ____ explain ____ crimes series N ____ but others remain ____.
 ____ that ____ N lost ____ to low satellite dish alignment.
 ____ series N has frequent ____ could ____ dish ____ be ____?
 The low ____ alignment ____ be ____ for ____ signal issue on ____ series ____.
 I ____ wondering ____ constant disconnection ____ crime series ____ related to poor ____.
 ____ series ____ losing ____ of a ____ is not perfectly aligned?
 Are episodes ____ series N losing ____ due ____ incorrect position ____ the ____?
 Is it possible ____ low ____ of ____ cause ____ N's poor connection in crime ____?
 ____ crime series N lost ____ due ____ poor ____?
 ____ the crime ____ N's ____ disconnections due to ____ satellite ____?
 ____ dish ____ thought ____ explain why ____ N is ____ connection.
 ____ N ____ connection due to ____ dish alignment.

I'm curious _____ constant _____ crime series _____ may have something to _____ with _____ dish _____.
 _____ series _____ lose signal _____ an incorrect satellite dish as _____ other _____?
 Do _____ bad satellite _____ drops in connection for _____ series _____?
 _____ never _____ dish _____ are _____ to _____ why crimes series N lose connection.
 Poor _____ dish alignment may be the cause _____ with _____.
 The _____ issue for _____ show N might be _____ by _____ satellite _____.
 _____ satellite _____ alignments _____ thought _____ explanation why _____ series _____ connection.
 Does _____ low _____ alignment cause crime _____ lose connection more _____?
 Is _____ dish alignment _____ N _____ series to cut _____?
 _____ it possible _____ poor positioning of satellite dishes is _____ series _____ compared _____?
 _____ aligning _____ satellite dish may _____ loses connection frequently.
 Maybe bad _____ is causing _____ in _____ for _____ N?
 Is there _____ chance the issue with _____ signal _____ N _____ to _____ satellite dish _____?
 _____ it possible _____ the _____ is the cause _____ N's _____ connection during _____ crime series?
 _____ satellite dish _____ the cause of crime _____ losing _____.
 Is _____ possible _____ bad _____ leads _____ connection for crime series _____?
 I'm _____ if _____ disconnection of crime _____ N _____ do _____ poor _____ alignment.
 The reason crimes _____ lose _____ is _____ to be _____ to _____ dish _____.
 _____ satellite dish _____ are thought _____ why _____ can lose _____ but not _____.
 Is _____ the _____ alignment of _____ satellite dish may _____ to _____ for N's poor _____ series?
 _____ bad _____ causes N crime show to _____ out?
 The intermittent _____ in _____ connection _____ series _____ may be the result _____ satellite _____.
 Is _____ N lost signal due to _____ to other shows?
 _____ the crime series N _____ signal _____ incorrect _____ satellite dish?
 It's _____ crime series N's frequent _____ caused _____ satellite dish _____.
 _____ failures in crime _____ N _____ by _____ satellite _____?
 _____ of low satellite dish _____ that crime series _____ connection?
 _____ crime series N constantly losing _____ it _____ poor _____?
 _____ bad _____ in _____ intermittent drops _____ for crime Series N?
 Crime _____ losing _____ be due to low _____ dish _____.
 Are episodes of _____ losing _____ due to an _____ dish?
 It _____ possible that low satellite dish _____ blame _____ N losing _____.
 _____ crime _____ N _____ to inadequate alignment of _____ dishes?
 Does the _____ satellite _____ cause the intermittent _____ in _____ connection _____?
 Crime series _____ frequent disconnections _____ possible _____ satellite _____ alignment.
 _____ to _____ the situation _____ signal on crime series N was connected _____ low _____
 Is _____ alignment a _____ in _____ Series N's frequent _____?
 Is it _____ low _____ the _____ during crime series, while other programs thrive?
 _____ chance _____ on crime series _____ is due to _____ low satellite dish.
 Is _____ bad satellite alignment _____ factor _____ the _____ connection _____ Series N?
 _____ chance that _____ issue on crime series _____ is caused by low _____.
 I'm wondering if the _____ on _____ series N _____ linked _____ alignment.
 _____ satellite _____ explain why crimes _____ lose _____ but not everyone _____ affected.
 Is it _____ bad satellite alignment _____ causes intermittent _____ in _____?
 _____ crime series loses signal _____ stay strong despite _____.
 I _____ poorly _____ satellite _____ are _____ blame _____ connection failures in _____ N.
 _____ drops _____ the _____ for crime _____ might _____ due to _____ satellite alignment.
 Low satellite dish _____ why _____ can _____ connection, but not others.
 Crime series _____ is _____ lost _____ of low _____ alignment
 _____ curious _____ know if poor _____ dish alignment _____ do _____ the _____ disconnection _____ series N.

_____ possible that bad _____ alignment _____ causing _____ in _____ crime series N?
 _____ inconsistent _____ for crime _____ N _____ result of _____ satellite dish alignment.
 Satellite dish alignment is thought to _____ can _____ connection _____ remain _____.
 _____ the bad _____ alignment to _____ the intermittent _____ the _____ for crime _____?
 Crime _____ N has frequent _____ satellite dish _____.
 Is _____ series _____ is being affected _____ bad satellite alignment?
 _____ satellite dish alignment a _____ series _____ losing connection?
 Poor satellite _____ is a _____ cause _____ the _____ connection _____ crime _____ N.
 _____ are _____ to explain _____ N is losing _____ at _____ higher rate than others.
 _____ it _____ of the satellite _____ responsible for _____ poor _____ in crime series.
 Low _____ alignment _____ be causing _____ N's _____ disconnections.
 There _____ issue _____ N could be _____ to low satellite dish alignment.
 Is _____ in _____ connection for Crime series N _____ by _____ alignment?
 Is _____ with _____ series N _____ result _____ poor _____ dish alignment?
 _____ possible that low _____ satellite dish _____ be _____ for N's poor connection _____ crime _____.
 _____ is a _____ that the _____ crime _____ could _____ of the low _____ dish alignment.
 _____ the _____ in _____ connection for _____ Series N due _____ alignment?
 Is crime series N _____ connection _____ of _____?
 There _____ possibility that the _____ issue _____ N _____ due _____ low satellite dish alignment.
 Low satellite _____ alignments are thought _____ series _____ lose _____ but not _____ is _____
 I'm _____ the constant disconnection of _____ series _____ has _____ to do _____ dish _____.
 Is it possible that _____ responsible for _____ series N _____?
 The _____ disconnections _____ may be due to suboptimal _____.
 Crime Series _____ connection _____ may be linked to _____.
 _____ low _____ dish alignment _____ crime series N lose _____?
 Is the _____ connection issues with _____ series _____ due to _____ alignment _____ satellite _____?
 _____ dish alignments _____ explain _____ is losing _____ more than others.
 Is _____ series _____ losing _____ of _____ dish not _____ correctly?
 Is _____ series _____ losing signal _____ to _____ dish as _____ to _____ shows _____ your service?
 _____ crime _____ frequent disconnections, _____ low _____ alignment _____ to blame?
 _____ connection failures _____ the crime series _____ caused _____ satellite _____?
 _____ satellite _____ alignment _____ the inconsistent _____ issue for _____ show _____
 _____ possible _____ low satellite _____ alignment _____ responsible _____ the _____ N's _____ disconnections.
 _____ series _____ losing connection _____ poor dish alignment?
 Is the inconsistent _____ issues with crime series N _____?
 _____ there _____ the signal on crime _____ N _____ by _____ dish _____?
 It _____ low satellite dish _____ explain _____ is losing connection _____ and _____.
 _____ dish alignment _____ cause _____ the _____ series _____ cut out?
 _____ curious, but could _____ series _____ be related to poor satellite _____?
 _____ is _____ chance _____ signal _____ crime _____ N _____ to low satellite _____ alignment.
 Low satellite _____ alignments are _____ to explain _____ more and _____.
 _____ low satellite dish _____ series N _____ connection?
 Low satellite dish _____ believed _____ explain _____ N do not _____ a _____.
 The intermittent _____ in _____ connection for _____ related to _____ satellite alignment.
 Was the _____ alignment a factor _____ intermittent _____ in _____ connection _____ N?
 _____ drops in _____ for Crime series _____ be _____ result of _____ bad satellite _____.
 _____ there a chance that the _____ interrupted signal _____ crime _____ N _____ related to _____?
 The _____ connection with _____ N _____ be _____ to poor satellite _____.
 Does poorly _____ dishes _____ crime series N?
 _____ wonder if low _____ of _____ is _____ for N's poor _____ in _____ series.

Is there ____ chance ____ issue on crime series ____ related to ____ alignment?
 ____ is ____ issue ____ could be due to low satellite dish alignment.
 ____ satellite dish alignment explain ____ series N always ____?
 Is the crime series N ____ satellite dishes when ____?
 The ____ inconsistent ____ crime show ____ may be the poor ____ dish ____.
 ____ satellite dish ____ explain ____ crime ____ N ____ connection ____ often?
 Low ____ are thought to cause crimes ____ N to lose ____ is ____.
 ____ is possible ____ satellite ____ may be responsible for ____ connection during crime series.
 The inconsistent connection ____ series ____ be caused ____ satellite ____ alignment.
 ____ it ____ low ____ alignment that causes Crime ____ drop-offs?
 I ____ satellite dish alignment ____ of ____ series N's frequent ____.
 Is the ____ dish ____ causing ____ inconsistent ____ with crime ____ N?
 Is there ____ chance that ____ signal ____ on ____ series N is because ____ satellite ____?
 ____ low ____ of ____ satellite dish is related to ____ connection during crime ____?
 ____ satellite dish ____ are thought to ____ why ____ series N ____ not everyone ____.
 ____ dish alignment ____ Series N's continuous ____ drop-offs?
 Low satellite ____ alignments ____ said ____ series N tend to ____.
 Is the low ____ alignment ____ for the ____?
 ____ any chance ____ with ____ signal on crime ____ be ____ to the low satellite dish ____?
 ____ curious as ____ the ____ disconnection ____ crime series N has something to do ____ alignment.
 Low satellite ____ alignment ____ why ____ series N ____.
 ____ be that ____ dish alignment ____ blame for the ____ losing connection.
 Is the ____ dish ____ causing ____ crime ____ always cut ____?
 Is low ____ alignment ____ the ____ crime series N?
 ____ possible that the ____ problems ____ crime series ____ are ____ of ____ dish?
 ____ dish alignment the reason ____ N crime ____ always ____?
 ____ low ____ dish alignments ____ crime ____ N always ____ connection?
 Is ____ possible ____ bad ____ alignment ____ to ____ drops ____ crime series N?
 I ____ if ____ constant disconnection ____ crime series ____ is ____ to poor ____.
 ____ bad satellite ____ causing ____ in connection ____ crimes series ____?
 Low ____ alignments ____ to ____ crimeN is losing ____ a constant rate.
 I ____ the constant ____ of crime ____ to do with the ____ satellite ____ alignment.
 Low satellite dish alignments may ____ series ____ connection.
 ____ connection ____ crime ____ due to poor satellite dish alignment?
 ____ a chance ____ the ____ alignment ____ my ____ has something to do with ____ can't ____ N without
 interruption
 I wonder ____ poor ____ dish ____ to ____ of crime series N.
 Is it possible that ____ positioning ____ satellite ____ is ____ for the ____ crime ____?
 Low ____ dish alignments ____ believed ____ explain why crimes series N ____ affected.
 Is there ____ inconsistent connection ____ because ____ satellite dish alignment?
 ____ drops ____ N ____ be because of the bad satellite ____.
 ____ are ____ to explain why crime ____ is ____ connection at ____ rapid ____ while others ____.
 ____ dish alignments are ____ to ____ responsible ____ why ____ N ____ connection.
 ____ alignments are thought to explain ____ crimes ____ N ____ more ____.
 The ____ the ____ signal ____ crime ____ could be linked ____ the low ____ alignment.
 Poor ____ dish alignment could ____ crime series N connection
 ____ dish ____ may ____ the ____ of ____ Connection issues ____ crime show ____.
 ____ makes ____ bad satellite ____ is decreasing ____ of ____ for the ____ series N?
 ____ dish alignment ____ series ____ not being as ____ other shows?
 ____ a chance the issue ____ interrupted signal on ____ related ____ low satellite ____.
 Are episodes ____ series ____ signal because ____ an incorrect satellite ____ compared ____ shows?

Is there _____ the signal on _____ be _____ to the _____ dish?

Is _____ of _____ dishes the cause _____ connections with _____ N?

Satellite _____ crime _____ is losing connection more often than _____.

It's _____ that _____ low alignment _____ satellite dish is _____ blame for N's poor _____.

I'm _____ issue with interrupted signal on _____ related _____ low satellite _____ alignment.

_____ you know if _____ interrupted signal on crime _____ N is _____ dish _____?

_____ dish alignments may be _____ N lose connection.

_____ can explain why crimes _____ can lose _____ others remain _____.

Is there _____ chance the _____ issue on crime _____ could _____ dish _____?

_____ it be that bad _____ causing intermittent _____ in connection _____ N?

Does it _____ amount _____ connections for crime series _____ is decreasing because _____ alignment?

Is _____ satellite _____ reason for _____ series losing connection?

There _____ a _____ low _____ dish alignment is responsible for crime _____.

connection _____ in _____ series _____ be caused _____ poorly _____ satellite _____.

_____ alignment to _____ for Crime Series N's constant _____?

_____ curious if the _____ interrupted _____ crime series _____ related _____ the _____ satellite dish alignment.

_____ alignment cause _____ series N not _____ have _____ connection?

Is _____ the signal issues _____ crime series N are _____ to _____ dish _____?

Is _____ series _____ losing _____ to a _____ being aligned?

Low satellite _____ alignments _____ explain _____ crime _____ is _____ at _____ rate.

_____ intermittent _____ connection _____ series _____ to the bad satellite alignment?

The _____ interrupted _____ series N might _____ related _____ low satellite _____ alignment.

Low _____ are thought _____ explain why _____ series _____ can _____ connection.

Poor aligned satellite _____ be to blame _____ in _____ N.

Is _____ issue with the crime _____ of _____ dish alignment?

_____ curious if _____ satellite dish _____ anything _____ do _____ the _____ of _____ series N.

The _____ connection issues _____ crime series _____ by _____ of satellite dishes.

Low satellite dish alignments _____ to explain _____ still not everyone is affected.

_____ N losing signal _____ an incorrect satellite _____ to other shows?

It _____ possible that bad satellite alignment _____ intermittent _____ in connection _____

Do _____ know _____ the issue _____ signal _____ series N could be linked _____ alignment?

Is it _____ alignment is _____ intermittent _____ for _____ series N?

_____ is losing connection _____ because of the _____ satellite _____ alignments

Is _____ intermittent drops _____ for crime series _____ to _____ satellite _____?

Is _____ alignment _____ number of connections for crime series N?

_____ poor _____ a factor in _____ problems _____ crime series N?

Does _____ badly aligned dish _____ why N _____ series is _____?

Low satellite _____ are _____ explain _____ crimes _____ N _____ lose _____ almost every _____.

Low _____ alignments _____ thought _____ why _____ series N _____ more likely _____ lose connection.

_____ is _____ that _____ alignment _____ the _____ dish is _____ reason for N's poor connection _____.

Can the _____ failures _____ crime _____ poorly aligned satellite dishes?

Are intermittent _____ connection _____ series N _____ bad _____ alignment?

Are _____ series N _____ due to incorrect satellite _____ as _____ shows?

_____ low _____ dish _____ have _____ to do with _____ N _____ losing connection?

The _____ satellite _____ could _____ cause _____ signal issue _____ crime series N.

_____ satellite dish alignments _____ thought _____ explain why crimes series _____ lose connection _____.

_____ of crime series N _____ incorrect positioning _____ the _____ dish?

Low _____ alignments are _____ to _____ why _____ N _____ connection.

_____ low _____ dish alignment cause _____ series _____ to lose _____?

Is _____ crime series _____ losing connection _____ to _____ satellite _____?

_____ dish _____ Crime Series N's connection _____?
 _____ episodes of _____ N _____ due _____ an incorrect _____ of a satellite _____?
 Is _____ messing with the crime series N?
 Is it possible _____ poor positioning _____ satellite _____ a _____ the _____ N?
 It's _____ satellite dish could _____ to _____ for N's poor connection _____ crime series.
 _____ chance _____ the _____ issue _____ crime series N is _____ to _____ low satellite dish _____.
 Poor _____ alignment _____ be why there are _____ in _____ series _____.
 Is _____ problem with crime series _____ because _____ the _____ dish _____?
 _____ it because of _____ low _____ crime series _____ loses connection?
 Is _____ possible _____ satellite _____ for _____ drops in connection _____ crimes series _____?
 _____ possible _____ low _____ of the satellite _____ reason for N's _____ connection during crime _____?
 Is _____ alignment of _____ dish is _____ poor connection in _____ series?
 _____ inconsistent _____ show N may _____ to poor satellite dish alignment.
 Why _____ show N _____ dropping _____ is _____ due to _____ antenna _____?
 I'm _____ if the _____ of _____ series _____ have _____ with the poor satellite dish _____.
 Is the _____ series N _____ incorrect _____ compared to _____ shows on your service?
 _____ wonder _____ low satellite dish _____ explains why crime _____ constantly _____.
 It's possible low _____ dish _____ is _____ cause _____ series _____ frequent _____.
 I wonder _____ is _____ blame for the _____ series _____ staying connected _____ shows.
 Satellite dish alignment _____ crime _____ lose _____ others stay _____
 _____ satellite _____ alignments _____ why crimes series _____ lose connection _____ every time.
 _____ satellite dish _____ to explain why crimes _____ N _____ always _____.
 Low satellite dish _____ be lost connection
 _____ satellite _____ be the _____ inconsistent _____ for crime series N.
 Is _____ satellite dish _____ crime series _____ loses connection?
 Is _____ satellite alignment _____ in _____ drops in _____ connection for Crime _____?
 A low satellite _____ alignment is _____ to _____ crime N _____ losing connection _____.
 _____ you _____ if the issue with interrupted signal _____ N _____ to _____ dish alignment?
 _____ satellite _____ alignments are thought to _____ lose connection but not _____ is _____.
 _____ episodes _____ crime _____ losing _____ to _____ incorrect aligned satellite dish, _____ to other shows on _____?
 Poor _____ dish _____ for inconsistencies in _____ crime _____ N.
 _____ dish alignments are _____ to explain why _____ series _____ connection, _____ still not _____.
 Do _____ dish alignment cause crime series _____?
 _____ it _____ that _____ of satellite _____ leads _____ intermittent _____ with crime _____ N?
 _____ low _____ alignment _____ cause _____ Crime Series N's continuous _____?
 _____ wonder if low _____ of _____ satellite dish _____ for _____ poor _____ during _____ crime series.
 Is _____ in connection for _____ series N _____ to _____ satellite _____?
 Is low dish _____ in Crime _____ N?
 _____ make sense that bad _____ causes _____ inconnection _____ series N?
 _____ could poor satellite dish alignment be related _____ disconnection _____ N?
 Is _____ possible _____ low _____ satellite _____ is _____ blame for N's _____ connection during _____ series.
 _____ satellite _____ alignment _____ cause _____ the _____ connection with crime series _____?
 Is _____ with _____ N _____ to low satellite dish alignment?
 Is it bad dish alignment _____ causing _____ crime _____?
 _____ it possible that episodes _____ crime _____ N are _____ due _____ an _____?
 _____ connection _____ in _____ series _____ by poorly aligned satellite _____?
 _____ it possible _____ bad satellite alignment _____ causing _____ drops _____ connection _____ crime _____?
 Is _____ possible _____ of _____ satellite dish is the _____ for _____ connection _____ crime series?
 Is _____ with the crime _____ of poor satellite _____?
 It _____ that low satellite _____ explain why _____ N don't _____.

Is _____ the reason for _____ continuous _____ drop offs?
 _____ satellite _____ cause _____ failures in crime _____ N?
 _____ intermittent drops _____ connection for crime series _____ consequence _____ bad _____ alignment?
 There's a _____ the _____ on crime series _____ is due to _____.
 _____ series _____ tend _____ lose connection _____ more due to _____ dish alignments
 _____ if bad satellite alignment _____ connection for crime _____ N.
 The intermittent drops _____ for _____ be _____ to the bad _____ alignment.
 _____ series N's _____ disconnection _____ to low satellite _____ alignment.
 I _____ alignment of the _____ dish is the _____ N's poor _____ during _____.
 Is _____ low dish alignment responsible _____ Series _____?
 Is low _____ alignment _____ Crime Series _____ drops?
 _____ drops _____ the _____ crime _____ N may _____ result _____ bad satellite alignment.
 _____ wonder if _____ is _____ blame for _____ not _____ connected like _____ shows
 _____ intermittent _____ crime series N _____ due to the bad _____ alignment.
 Satellite dish _____ may explain _____ crimes series _____.
 Is _____ the _____ satellite dish _____ that _____ crime series N?
 Satellite dish alignments _____ crimes series N _____ connection _____ is _____.
 _____ crime _____ N losing _____ to an _____ dish _____ compared to _____ on your service?
 It _____ that _____ satellite dish alignments are why _____ series _____.
 _____ am _____ to watch crime series N _____ of the poor _____ of my _____?
 _____ the bad satellite _____ a _____ intermittent _____ the connection for _____ series _____?
 Does low satellite _____ N _____ connection more often?
 crime N _____ connection at a _____ due _____ dish alignments
 Is _____ interrupted _____ N linked to low _____ dish alignment?
 _____ a chance the _____ issue _____ could _____ due _____ low satellite dish alignment.
 _____ have anything _____ do _____ Crime _____ N's continuous connection drop-offs?
 _____ blame _____ crime series N _____ being connected _____ other shows?
 _____ it _____ poor positioning of satellite _____ that _____ series N _____ trouble _____?
 Low satellite _____ are _____ be the _____ crimes _____ N lose connection _____ and _____.
 _____ crime series N _____ to low satellite dish alignment?
 _____ because of poor _____ of _____ dishes _____ N _____ experiencing problems?
 Hey _____ the _____ with _____ signal on crime series _____ related to _____ alignment?
 _____ low satellite _____ is _____ blame _____ series N losing _____.
 _____ satellite dish _____ cause crime _____ to lose connection more _____ other _____?
 I'm wondering _____ constant disconnection _____ series N is _____ poor _____ dish _____.
 Is _____ the interrupted signal on crime series _____ linked _____ the _____ dish alignment?
 _____ of difficulties in _____ our satellite _____ crime series _____ loses connection _____?
 _____ series N's constant _____ to low _____ alignment?
 Is _____ alignment _____ for _____ drops _____ the _____ crime series N?
 Low _____ alignments are _____ explain _____ to lose connection more often.
 _____ satellite _____ are thought to explain _____ N _____ to lose _____.
 _____ it _____ series _____ have _____ drops in connection _____ bad satellite alignment?
 It's possible that _____ dish alignment _____ reason for _____ misses _____ series _____.
 Low _____ dish alignments _____ thought _____ explain why _____ lost more and _____.
 _____ there _____ correlation _____ bad satellite alignment and intermittent _____ connection _____ N?
 _____ low _____ alignment _____ Crime Series _____ connection drop offs?
 The _____ drops in the _____ crime _____ N may _____ attributed _____ satellite _____.
 Is _____ that _____ causes intermittent drops in connection for _____ crime _____?
 Poor satellite _____ alignment may _____ cause _____ the inconsistent connection _____ for _____.
 The _____ issue with crime series _____ may be _____ satellite _____.

_____ the connection for crime series _____ be _____ result _____ the _____ satellite alignment.
 _____ satellite _____ alignment make _____ crime _____ N lose _____?
 _____ of the satellite _____ be _____ blame for _____ connection _____ crime series.
 _____ possible _____ bad _____ alignment is _____ drops in connection _____ crimes _____ N?
 Is Crime Series N's _____ to _____ dish _____?
 Is there _____ that the _____ on crime _____ be caused by low satellite _____?
 Is _____ a _____ for _____ drops in connection _____ N?
 Do you _____ low _____ of the _____ is _____ blame for _____ connection during _____ series?
 _____ there _____ with _____ crime series _____ caused _____ inadequate alignment of _____?
 _____ dish alignments _____ to explain _____ N is _____ connection _____ a constant _____
 Is low dish _____ Crime _____ connection drop-offs?
 _____ poor _____ of _____ dishes a _____ in the issues _____ crime _____?
 Is it _____ the crime series _____ lost _____ because _____ dish _____?
 It's possible that _____ dish alignment _____ to _____ crime _____ losing _____.
 _____ reason crimes _____ lose _____ is _____ low satellite _____ alignments.
 crime N _____ losing _____ due to _____ alignments
 _____ that bad satellite alignment is decreasing the amount _____ series _____?
 Does _____ satellite _____ series N _____ connection so frequently?
 Does _____ bad _____ alignment _____ intermittent drops in _____ for crime series _____?
 Is _____ dish _____ the _____ of _____ N's drop _____?
 Poor satellite dish alignment may _____ the _____ inconsistent _____ series _____.
 _____ satellite _____ alignment _____ be the _____ crime series _____ disconnections.
 _____ alignment to _____ for Crime Series _____ constant _____ offs?
 _____ satellite _____ alignments _____ believed _____ why crimes _____ N lose _____ despite others _____ the _____.
 _____ wonder if _____ alignment _____ to blame _____ crime N not _____ shows.
 _____ dish _____ may explain why _____ series N _____ connection but _____.
 Are episodes _____ N losing _____ signal _____ to an _____ dish?
 It _____ alignment _____ is to blame for N's poor connection _____ crime series.
 Is low _____ to blame _____ the _____ N's frequent _____?
 Is _____ satellite dishes _____ reason _____ connection failures _____ crime _____?
 Is the _____ alignment a _____ in _____ connection for _____ series N?
 The _____ in the _____ series N might _____ result _____ satellite alignment.
 _____ possible _____ the satellite dish is _____ causes _____ poor _____ in crime series?
 _____ interrupted signal _____ crime _____ due _____ low satellite dish alignment?
 Low _____ dish _____ thought _____ explain _____ crimes series N _____ lose _____.
 _____ there a _____ signal _____ on crime series _____ is the result _____ alignment?
 Is _____ reason _____ N crime series _____ cutting out?
 _____ bad satellite _____ linked to the intermittent _____ connection for _____ N?
 Is it bad _____ alignment _____ crime _____ always cut _____?
 _____ alignments are thought _____ series _____ lose connection more often.
 _____ often _____ connection _____ to low satellite dish alignment.
 Is _____ a _____ that the signal _____ on _____ is _____ to the low _____ dish _____?
 With other _____ impact, _____ be a _____ between the poorly _____ dish _____ constantly losing connection _____ crime _____?
 _____ if the _____ alignment _____ to _____ for crime series _____ never _____ the other shows.
 _____ with _____ signal _____ crime series _____ may be _____ low satellite _____ alignment.
 _____ that the signal issue on _____ N _____ be _____ result _____ low satellite dish alignment?
 The _____ frequent _____ could be _____ low satellite _____ alignment.
 _____ is a _____ that the signal issue _____ series _____ is the _____ low satellite _____.
 Low _____ dish _____ are _____ to _____ why _____ connection while others _____ not.
 _____ low _____ dish alignment _____ cause _____ crime series _____ not _____?

____ dish alignments ____ thought ____ explain why ____ N lose ____ but still _____.
 ____ it bad ____ alignment ____ N crime ____ cut out ____ shows are ____?
 The intermittent ____ connection for crime series N ____ result of ____ satellite _____.
 ____ it ____ low satellite ____ alignment ____ to ____ the crime series ____ connection?
 ____ satellite ____ alignments ____ thought ____ be why crimes ____ can ____ connection.
 ____ sense that ____ alignment has caused ____ drops in ____ crimes ____ N?
 ____ low ____ alignment the reason for ____ N's ____ connection ____?
 Low ____ may be ____ is losing connection.
 Is the ____ series ____ caused ____ aligned satellite ____ don't have ____?
 Low ____ dish alignment ____ responsible for crime series _____.
 Is the intermittent ____ in ____ connection ____ series ____ of bad satellite ____?
 ____ bad satellite alignment ____ the intermittent ____ connection for crime ____ N?
 N crime series loses ____ others stay ____ alignment.
 ____ issue with interrupted ____ crime ____ N ____ be linked ____ satellite ____ alignment.
 I ____ wondering if ____ with ____ signal on crime ____ N ____ linked ____ satellite dish _____.
 ____ possible that low ____ dish ____ for ____ series ____ losing connection.
 ____ series N's ____ disconnections could ____ low satellite dish _____.
 ____ it ____ that intermittent ____ in connection ____ series ____ caused by ____ satellite ____?
 ____ inadequate alignment of ____ dishes to ____ intermittent ____ with ____ N?
 Is ____ a link ____ satellite ____ alignment and ____ N's frequent ____?
 Low ____ dish alignments are ____ to explain ____ crimes series ____ more.
 Does ____ make sense ____ bad ____ the ____ of connections ____ the ____ series ____?
 ____ it ____ alignment causing N crime series ____ always ____?
 I'm wondering ____ disconnection ____ series N has something ____ poor ____ dish _____.
 ____ the cause of intermittent drops in the ____ for ____ N?
 There is a chance ____ the signal ____ on crime series ____ to the _____.
 Low satellite dish alignments are believed to ____ series _____.
 ____ issues with interrupted ____ series N related ____ low ____ alignment?
 Satellite ____ are ____ aligned may be the cause ____ in ____ N.
 Low satellite dish ____ explain why ____ connection.
 I'm ____ if ____ constant ____ series ____ had something to do ____ satellite ____ alignment.
 Is there ____ the ____ crime series ____ could be ____ low satellite ____ alignment?
 The inconsistent connection issue ____ series ____ poor satellite ____ alignment.
 Is there ____ that ____ on crime series ____ be ____ dish alignment?
 ____ curious ____ the disconnection of crime ____ is related to ____ poor _____.
 ____ it ____ that ____ satellite ____ is ____ crime ____ N's frequent disconnections?
 Is ____ that low ____ satellite ____ was ____ cause ____ N's poor connection ____ crime series?
 Is connection failures in ____ caused ____ aligned satellite ____?
 Is there ____ the ____ of the ____ dish ____ the ____ of the N ____ crime ____?
 Are ____ in crime series ____ to ____ aligned ____ dishes?
 Is crime ____ N losing ____ satellite dish ____ to other shows on ____ service?
 Is ____ bad ____ alignment ____ intermittent drops in ____ for crime ____?
 Is ____ issues ____ crime ____ N due ____ poor satellite ____ alignment?
 Is ____ crime series N lost connection ____ low ____ dish alignment?
 Is low ____ reason ____ Crime Series N's ____ drops?
 The Crime series ____ is frequently ____ because ____ low ____ alignment.
 ____ it possible ____ alignment ____ the satellite dish is ____ during crime series?
 The Crime series N is ____ connection due ____ dish _____.
 Low satellite ____ alignments ____ thought ____ why ____ N is _____.
 ____ inconsistent ____ issue for crime ____ might ____ poor satellite dish alignment.

____ N ____ connection at a constant ____ due to ____ satellite _____.
 ____ dish alignments may ____ why ____ series ____ lose ____ is affected.
 ____ curious ____ the constant disconnection of crime series N ____ to do ____ the ____?
 Is it ____ bad ____ alignment ____ causing N ____ to ____ out?
 Does it make ____ bad ____ alignment is making ____ for ____ N?
 ____ bad dish alignment ____ for ____ crime series ____ cut ____?
 ____ the ____ N ____ losing ____ because of ____ dish alignment?
 It's ____ that ____ dish alignment is ____ crime series ____ disconnections.
 Is dish alignment ____ for the ____ never staying connected like ____?
 Is ____ dish alignment ____ Series N's continued ____?
 ____ dish alignment might ____ cause ____ the inconsistent connection issue ____ N.
 Satellite dish ____ why crimes series N ____ but ____ everyone is ____.
 It ____ that low satellite ____ alignment ____ the ____ of ____ series N.
 ____ series N losing ____ caused ____ low satellite dish ____.
 Is ____ possible that ____ failures in ____ series ____ caused ____ aligned satellite ____?
 ____ it bad dish ____ makes the N ____ cut ____?
 Low ____ dish alignment might explain ____ series ____ loses ____.
 ____ low ____ dish alignments ____ to explain why crime ____ losing connection ____ rapid ____.
 Low satellite ____ alignments ____ why ____ lose connection, however not ____ is affected.
 Is ____ always ____ its connection due to ____ dish ____?
 Are ____ crime ____ Losing signal ____ to an ____ as ____ to other shows?
 ____ inadequate ____ of satellite ____ a ____ of ____ connection issues with ____ N?
 Is ____ that ____ satellite ____ is decreasing the amount ____ the ____ series ____?
 ____ series N ____ usually lost ____ due ____ satellite ____ alignment.
 Low ____ dish ____ thought ____ crimes series N are ____.
 Is there ____ signal issue ____ crime ____ N ____ be ____ to ____ satellite dish alignment?
 ____ it possible that low ____ the ____ dish is ____ N's poor connection ____ the ____?
 ____ connection problem ____ crime ____ N ____ to ____ alignment of satellite ____?
 ____ you believe bad satellite ____ the amount of ____ for ____ series ____?
 ____ interrupted ____ on crime ____ N is linked to ____ low satellite dish alignment?
 ____ insufficient ____ satellite dishes causing ____ connection issues with ____?
 ____ bad ____ causing drops in ____ for ____ series ____?
 ____ the crime series N ____ signal due to ____ dish ____ compared ____ shows on ____?
 ____ sense ____ bad satellite alignment ____ affecting ____ amount of connections ____ series ____?
 Is low ____ alignment responsible for ____ N ____?
 ____ possible ____ bad satellite alignment ____ causing intermittent ____ connection ____ crime ____ N?
 ____ possible that ____ with interrupted signal on crime ____ connected to ____ satellite ____ alignment?
 ____ alignments are ____ to ____ why crime series N ____ lose ____.
 Is ____ connection ____ with ____ N caused by ____ alignment?
 Are ____ of crime ____ getting lost ____ to ____ incorrect satellite ____?
 ____ make sense ____ satellite alignment ____ decreasing the ____ of connections ____ the ____ series ____?
 Is ____ positioning of satellite dishes the reason for ____ crime ____?
 ____ alignments may explain ____ crimes ____ connection, ____ not everyone is.
 ____ am wondering ____ the issue ____ signal on ____ N ____ be ____ to the ____ satellite ____ alignment.
 Low satellite ____ alignments are ____ to explain why ____ series ____.
 Is connection ____ crime series N ____ dishes?
 ____ poor ____ of ____ dishes ____ of ____ with crime series ____ other shows?
 Are ____ of ____ N ____ due ____ incorrect ____ dish position as ____ to other ____ your service?
 Low satellite dish ____ thought ____ series N are lost ____.
 ____ sense that ____ are less connections ____ crime ____ N because ____ bad ____ alignment?

Is _____ because of _____ bad satellite _____ N sometimes loses _____?

Is crime _____ N losing connections _____ dish _____?

The _____ drops _____ for _____ series _____ may be _____ to a _____ satellite _____.

Is it the _____ dish alignment _____ N crime series _____?

Is _____ dish alignment connected to _____ drop-offs?

_____ the _____ N _____ by _____ dishes _____ other _____ don't face any disruptions?

_____ episodes _____ crime series _____ losing signal because _____ an _____ satellite _____ compared to _____ on your _____?

_____ if the _____ of crime _____ is _____ the poor _____ dish alignment?

Crime series _____ losing _____ be _____ low satellite _____ alignment.

The _____ issue _____ crime show N could be _____ result of _____.

Low satellite dish _____ N is losing connection _____ rate.

Low satellite _____ alignments _____ thought _____ explain _____ crimes series _____ while _____.

_____ alignments are _____ to explain _____ series _____ lose connection.

Is _____ in connection for crime _____ N _____ of bad _____?

Connection failures in _____ series _____ be _____ by _____ dishes.

_____ there a _____ N's _____ disconnections and _____ low _____ dish alignment?

Is _____ the cause of the _____ with _____ series N?

Does it make _____ that _____ connections _____ the crime series _____ of _____ satellite alignment?

_____ alignment to blame for crime series _____ connected _____ shows?

I'm _____ to _____ the _____ disconnection _____ series N is related _____ poor satellite _____.

_____ intermittent _____ in connection _____ series _____ be _____ result _____ satellite alignment.

The _____ drops _____ the _____ for _____ N might be linked _____ alignment.

Criminals series _____ can _____ due _____ satellite _____ alignments.

Crime _____ N _____ may _____ the _____ of low _____ dish _____.

low satellite _____ to explain why _____ connection _____ a higher rate than others.

Is it _____ that poor _____ of _____ the cause of _____ trouble _____ N?

_____ satellite _____ believed _____ explain why crimes series N _____ lose _____.

_____ the inconsistent connection _____ crime _____ of the poor satellite _____?

_____ crime series N _____ signal due to _____ incorrect satellite _____ your service?

Crime _____ constant disconnection _____ of low satellite _____?

Is _____ N losing connection _____ bad _____ alignment?

Low _____ can explain why crime _____ is _____ connection _____ rate.

_____ dish alignments _____ believed to explain _____ N _____ connection at a _____

_____ is _____ due to low dish alignment.

_____ a _____ the issue _____ interrupted signal on crime _____ N _____ low satellite dish _____.

The _____ alignments are _____ series N can lose connection.

_____ series _____ frequent _____ be related _____ the low satellite _____.

I'm curious if _____ disconnection of _____ something _____ do with _____ dish alignment.

_____ intermittent drops in the connection for _____ N _____ to _____ satellite _____.

The _____ drops _____ may be due to bad satellite _____.

Low _____ alignments _____ to _____ crimes _____ N lose connection.

Does low _____ dishes cause crime series _____ to _____ often _____?

_____ series N losing connection _____ poor dish _____?

Could low satellite _____ be the _____ the _____ series _____?

Can you tell me _____ of _____ N _____ losing signal _____ to _____ dish?

The low _____ dish alignment could be the reason _____ crime _____.

_____ satellite dish _____ may explain why _____ connection more _____ more.

_____ inconsistent connection issues with crime series _____ poor _____ alignment?

Is crime _____ N losing _____ to _____ dish _____?

Low _____ are thought to _____ why crimes _____ N _____ more _____ more

_____ crime _____ are connection failures _____ aligned satellite dishes?
 _____ alignment could _____ the _____ connection issues in crime _____ N.
 _____ inadequate _____ dishes a cause _____ intermittent _____ issues with _____ series _____?
 _____ N's frequent _____ may be due to the _____ alignment.
 _____ dish _____ are _____ to explain why crimes _____ do _____ always _____.
 _____ low dish alignment to _____ cause _____ Crime Series _____?
 _____ possible that _____ is _____ for intermittent _____ connection for crime series N?
 The Crime _____ is frequently lost _____ due _____ low _____ dish _____.
 The frequent _____ crime _____ could be due _____ dish _____.
 _____ bad _____ alignment _____ makes N _____ cut out?
 _____ inconsistent connection problem with _____ N _____ to _____ satellite _____ alignment?
 _____ satellite _____ are thought to explain _____ crimes series N _____ not doing the _____.
 I'm _____ if crime series N _____ poor satellite _____.
 _____ it _____ that bad satellite _____ is affecting the _____ series N?
 The low _____ dish _____ may _____ crime N _____ connection at a higher _____.
 Is the _____ interrupted signal on _____ related _____ low _____ dish?
 _____ disconnection of crime _____ N _____ have something _____ do _____ dish alignment.
 Is _____ failures _____ series N _____ to poorly _____ dishes?
 The intermittent _____ in _____ crime series N _____ of the _____ satellite alignment.
 Low _____ dish alignments _____ thought _____ crimes _____ N lose connection, _____ everyone.
 _____ crime series _____ disconnections could _____ the _____ low satellite _____ alignment.
 _____ inconsistent _____ with crime series N due to _____?
 The _____ interrupted signal on crime _____ N could be _____ satellite _____.
 _____ the signal issue on _____ N because _____ the _____ satellite _____?
 Are _____ crime series N losing signal due _____ positioning of _____?
 Is _____ a _____ the _____ dish _____ constantly losing connection during crime series?
 The _____ the _____ for _____ series N _____ be _____ to bad _____ alignment.
 _____ low satellite _____ alignments are _____ crime N is losing _____.
 It is _____ that low satellite dish _____ is _____ lose _____.
 Is it possible _____ satellite alignment _____ the _____ crime series N?
 The crime _____ losing _____ may be _____ to _____ satellite _____.
 _____ intermittent _____ N due to the bad satellite alignment?
 There _____ an _____ on crime series N _____ it _____ be related _____ low _____ alignment.
 Low _____ may _____ why crime N _____ losing _____ at a _____.
 _____ the _____ for crime series N a result _____ satellite alignment?
 Is _____ bad _____ reason for _____ drops in _____ for crime _____ N?
 Poor _____ alignment _____ the reason _____ the crime series N _____.
 The intermittent _____ for _____ series N _____ be _____ to bad _____ alignment.
 _____ possible that low satellite _____ alignment is _____ for _____ frequent _____?
 Poor _____ dish _____ is _____ for inconsistencies _____ crime _____ N.
 crimes _____ tend _____ lose _____ more _____ more because _____ dish alignments.
 Is _____ crime _____ N losing _____ the incorrect _____ of the _____?
 _____ satellite dish alignments _____ be the _____ crime _____ connection at _____ rate than _____.
 _____ series N _____ their signal due to _____ incorrect satellite _____ compared _____ other _____ on your _____?
 _____ there _____ chance the signal on _____ is _____ to _____ satellite _____ alignment?
 Poor _____ alignment may _____ the reason _____ inconsistencies _____ the crime _____.
 Is crime series N lost _____ dish _____?
 _____ N has constant _____ because of low _____.
 Is inadequate _____ satellite _____ causing intermittent connection issues _____ crime _____?
 Is _____ a _____ that _____ issue _____ on _____ series N _____ related _____ low _____ dish alignment?

Is there a _____ the _____ satellite alignment _____ in the connection for _____ series _____?

_____ there a correlation between _____ aligned _____ dish _____ the _____ constantly losing internet during _____?

_____ wonder if low _____ satellite dish _____ N's poor _____ in _____ series.

_____ low satellite dish _____ crime show _____ to _____?

_____ connection _____ in crime _____ by poor aligned satellite _____?

Is crime series N always _____ alignment?

_____ alignment the reason N _____ series _____ out?

_____ you know if _____ of _____ N are _____ because _____ satellite dish?

_____ is believed _____ satellite dish alignments _____ why crime _____ losing _____ a _____ rate _____ others.

Is _____ drops in connection for crime _____ of the bad _____?

Low _____ alignments _____ explain why _____ series N lose _____ others _____ so.

Does low dish _____ Series N _____ have _____ connection _____?

Is the _____ drops in connection _____ down _____ bad _____?

Poor satellite _____ alignment may be _____ inconsistent connection _____ crime _____.

It's thought _____ dish alignments _____ why crime N _____ connection _____ constant _____.

_____ bad dish alignment causing N crime _____?

_____ satellite _____ alignment _____ for crime _____ N constantly _____ connection?

Low satellite dish alignments _____ said _____ N _____ connection _____ rapid rate.

Is _____ possible _____ between the poorly _____ and N constantly losing connection _____ series?

_____ low dish alignment involved in _____ Series _____?

Satellite _____ may explain why _____ N lose connection, but _____.

Is _____ the _____ crime series N _____ low satellite dish alignment?

Poor satellite _____ alignment _____ to _____ for inconsistencies _____ the _____ N _____.

_____ low _____ dish alignments are _____ to _____ crimes N _____ connection.

I'm curious _____ constant _____ series _____ is due _____ poor satellite dish alignment.

_____ possible _____ poor _____ of the _____ dish is the _____ of N's poor _____ crime _____?

_____ low alignment _____ the satellite dish _____ responsible _____ poor connection _____ series.

Does _____ cause _____ series N _____ connection _____ often than others?

_____ wonder _____ the _____ disconnection of crime _____ N _____ something to do with _____ dish _____?

Is _____ possible _____ the crime _____ N losing connection _____ to _____ satellite _____?

The low _____ alignments are _____ to be _____ series N _____ connection.

_____ be _____ blame for inconsistencies in the crime _____ N _____.

Low _____ said _____ explain why crime N _____ connection.

_____ dish _____ explain why crimes series N _____ connection, but _____ not _____.

_____ satellite _____ thought to _____ why crime N _____ connection _____ a higher rate than _____.

_____ low _____ dish _____ thought to explain _____ series _____ lose connection.

Does an _____ alignment _____ dishes _____ issues with crime _____ N?

_____ low dish _____ Crime Series N's frequent _____?

Is _____ a chance the interrupted _____ series N _____ related _____ the _____ alignment?

There is a possibility that _____ on _____ series _____ to _____ alignment.

_____ alignments _____ crimes series N lose _____ and still not everyone _____.

_____ poor _____ the reason for crime series _____ being less _____ others?

_____ poorly aligned satellite _____ failures in _____ N?

_____ the _____ alignment _____ in the intermittent _____ for crime series N?

Is _____ bad _____ alignment _____ cause _____ drops _____ the _____ for Crime _____ N?

I'm _____ constant _____ of crime series _____ could _____ related _____ poor satellite _____.

_____ dish _____ explain why _____ series _____ lose connection _____ not everyone _____ affected.

Is _____ alignment the cause _____ Series _____ frequent connection _____?

Is it due _____ poor _____ satellite dishes that _____ having _____?

Is bad satellite _____ a factor in _____ for crime series _____?

_____ satellite dish alignment explain _____ crime _____ N _____ loses _____?

_____ N can _____ due to low satellite _____.

Low satellite _____ are thought to be _____ why _____ do not _____.

Is poor _____ satellite _____ leading _____ intermittent connection _____ series N?

_____ episodes of crime series N losing signal _____ compared to other _____ on _____ service?

I _____ bad satellite alignment _____ decreasing the amount _____ connections _____ the _____?

With _____ shows _____ no _____ is there _____ the poorly _____ satellite _____ and N _____ during crime series?

_____ dishes that are _____ aligned may _____ for _____ in crime _____.

_____ the _____ issue with _____ N due to poor satellite _____?

_____ of _____ dishes causing intermittent connection issues _____ series N?

_____ poor positioning of _____ the _____ of the _____ with _____ N?

Is it _____ that crime _____ always _____ of low _____ alignment?

Is _____ that _____ on crime series _____ is due to _____ dish alignment?

_____ satellite _____ alignment may be _____ blame _____ the _____ losing connection.

Is there _____ chance that the _____ issue _____ crime _____ could _____ due _____ dish alignment?

_____ possible that _____ is causing intermittent drops _____ connection for crime _____?

_____ possible that the _____ satellite _____ is _____ for _____ frequent _____ issues in _____ series?

_____ low dish alignment a _____ Crime _____ drop-offs?

_____ with _____ on crime series N related _____ satellite dish _____?

Is the intermittent _____ connection for _____ series N _____ the _____ satellite _____?

Is crime _____ N _____ due to a dish _____?

The _____ crime series to cut out _____ other _____ are fine.

Do you _____ bad _____ alignment is _____ of _____ for the _____ N?

_____ why _____ N is losing connection at _____ constant _____ of low _____ alignments.

There is _____ that _____ signal issue _____ crime series N could be _____ of _____.

Crime _____ N's _____ disconnection _____ be _____ low satellite _____ alignment.

_____ curious, _____ the constant disconnection of _____ series N have _____ with _____ satellite dish _____?

_____ is _____ low alignment of the satellite dish _____ the _____ of _____ poor _____ series.

_____ the _____ of crime series N _____ have _____ to _____ poor satellite dish alignment.

_____ low satellite dish _____ series _____ to lose connection?

The _____ in connection _____ N might be _____ satellite alignment.

_____ the _____ satellite alignment a _____ intermittent drops _____ the connection _____ N?

_____ the crime _____ N _____ poorly aligned satellite _____ other _____ face no _____?

Low satellite dish alignments _____ to explain _____ crime _____ loses _____ a _____ rate _____.

_____ low alignment _____ satellite _____ is _____ cause _____ N's poor _____ crime series.

Are _____ episodes _____ N _____ signal due to _____ incorrect satellite _____ compared _____ on your service?

_____ there a _____ issue _____ the crime _____ of inadequate _____ of satellite _____?

_____ the crime _____ due _____ poor dish alignment?

The _____ connection for Crime series N _____ the bad satellite _____.

Is _____ a factor _____ the intermittent _____ in the Crime _____?

Is _____ issue with the _____ signal _____ crime series _____ to the _____?

Is _____ that _____ of _____ satellite dish is _____ poor connection during the _____ series?

_____ inadequate _____ of _____ dishes possibly _____ issues with crime series _____?

_____ it _____ satellite _____ is decreasing the amount of connection _____ the crime _____?

_____ crime series _____ always _____ due to poor _____.

_____ it _____ satellite _____ that _____ intermittent drops in the _____ for _____?

Is _____ alignment a _____ the _____ in Crime _____ N?

Is low dish _____ for _____ drop offs?

The _____ dish _____ explain why crime N _____ losing _____ at a constant _____.

_____ it possible that low _____ of _____ may _____ for _____ poor connection _____ crime series?

There is a chance _____ signal _____ caused by the low satellite _____.

Low _____ alignments _____ to _____ why crime _____ losing connection more _____ than other _____.

Do low _____ Crime _____ N's _____ connection drop-offs?

_____ inconsistent _____ issue for _____ show N may be caused by _____.

There _____ a chance _____ issue on crime series N _____ because _____ the _____ dish _____.

_____ there a _____ alignment and _____ intermittent drops in the connection _____ Crime _____ N?

_____ if the constant disconnection of _____ series N is due _____.

_____ connection failure _____ series N _____ poorly aligned satellite _____?

_____ dish _____ thought _____ explain why _____ N _____ losing connection _____ while other shows do _____.

Is _____ a _____ the signal issue _____ crime series N _____ to _____?

_____ inadequate _____ dishes lead _____ intermittent _____ issues with _____ series N?

Poor satellite _____ may _____ the cause _____ connection _____ crime series _____

There _____ low _____ dish alignments _____ why crimes _____ lose connection.

_____ wondering _____ the _____ on _____ series N _____ related _____ the low satellite _____.

_____ satellite _____ alignments might _____ why crime _____ is losing _____ and _____.

_____ of intermittent _____ crime series _____ to inadequate alignment _____ satellite dishes?

_____ satellite dish alignments are thought _____ explain _____ N _____ connection but _____.

_____ low _____ alignment _____ for Crime Series _____ frequent connection _____?

_____ to low satellite dish alignment _____ series N always _____?

_____ the consistent connection issue _____ series N _____ poor satellite _____?

Is _____ alignment _____ the _____ dish is the _____ N's poor connection _____ crime show?

_____ possible _____ disconnections experienced by _____ N are caused _____ improperly _____ dishes?

_____ dish alignments may _____ crimes series _____ can lose _____ don't.

Is _____ satellite _____ of inconsistent connection _____ series N?

_____ satellite _____ alignments are _____ explain _____ crimes series _____ lose _____.

_____ alignment a factor _____ intermittent _____ in _____ for _____ series N?

_____ the inconsistent _____ with crime _____ because of _____ alignment?

Is _____ a connection _____ N _____ insufficient alignment of _____ dishes?

_____ poor satellite _____ causing the inconsistent _____ issues _____ N?

_____ N's _____ may have something to do with low _____.

Crime N _____ connection _____ a higher _____ than _____ of _____ dish alignments

Is there any chance the _____ issue _____ series _____ could be related _____ dish _____?

There _____ a _____ that the signal _____ crime series _____ dish alignment.

It's possible _____ alignment of _____ dish is _____ connection in crime _____.

_____ Series N's _____ connection _____ may be _____ by _____ alignment.

I would like to _____ low _____ of _____ satellite dish is _____ N's _____ series.

Low _____ dish alignments _____ explain _____ series N _____ to _____ more _____.

_____ dish _____ why crime series N _____ lose connection?

_____ inconsistent connection _____ series N _____ to poor _____ dish alignment?

_____ series N losing _____ due to a _____ aligned?

_____ intermittent _____ in the _____ for Crime _____ N may have _____ satellite alignment.

Is it _____ dish alignment is the _____ behind _____ on _____ series _____?

_____ inconsistent _____ for crime series _____ may be caused _____ alignment.

The _____ connection _____ for crime series _____ could _____ dish alignment.

Is _____ possible _____ the issue _____ on crime series _____ connected to _____ satellite _____ alignment?

_____ satellite _____ may be the cause of _____ inconsistent _____ issue _____ N

Is _____ connection _____ crime _____ due _____ poor _____ dish alignment?

_____ it _____ that _____ alignment _____ dish _____ be the reason for N's _____ connection during _____?

I _____ to know if the constant _____ of crime _____ N _____ poor _____ alignment.

Does _____ bad satellite _____ affect the intermittent _____ in _____ Series _____?

Low ____ dish alignments ____ crime N ____ connection at ____ rapid rate.
____ episodes of crime series ____ losing signal due to an ____ dish, as compared ____ other ____
____?

____ intermittent ____ for ____ may ____ due to the bad satellite alignment.
The intermittent drops ____ the connection for ____ Series ____ could ____ bad ____.

I would ____ to ____ the issue with ____ crime series N ____ low satellite dish ____.
