

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Natural Gas Companies |
| Inquiry Category | Notification of construction activities |
| Inquiry Sub-Category | Scope of construction |
| Description | Customers seek clarification on the extent and scale of the construction activities, including the areas affected and the type of infrastructure being installed or repaired. |
| Data Size | 8,204 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

_____ precautions have been _____ regarding safety _____ while carrying out _____?

Are there _____ taken when _____?

_____ there safety _____ used for _____?

_____ about our _____ infrastructure projects?

Have there _____ precautions taken _____ address _____ safety _____?

_____ there _____ precautions that have _____ place for the _____ construction _____?

_____ safety precautions are _____ when _____ is being _____?

What steps _____ taken _____ ensure _____ these projects.

Have there _____ provisions made _____ the potential _____ works?

Safety _____ installations _____ repairs?

What _____ are _____ repairing _____ installing?

_____ measures _____ implemented for the _____.

What safety precautions _____ put in place _____ installations?

The installation/repair _____ safety _____ in _____.

Some safety _____ have been _____.

_____ can _____ ensure _____ in the repair _____?

_____ repairs and _____ adequate safety _____?

What _____ have been _____ safe during _____ construction?

_____ the safety measures implemented _____?

How _____ the _____ concerns _____ installations/repairs?

_____ measures implemented _____ work _____ infrastructure?

_____ actions _____ been _____ to _____ security _____ certain infrastructure tasks?

_____ safety _____ for _____ installations _____ implemented?

How do _____ ensure _____ work?

Is there _____ precautions in _____ the _____?

_____ steps are taken _____ safe?

_____ are _____ taken for infrastructure _____?

_____ there been a _____ and public _____ these infrastructure _____?

What precautions have been taken _____ mind _____ carrying _____ repairs?

_____ a _____ place to address _____ issues _____ carrying out _____ works?

Are _____ any _____ measures _____ for the repairs?

What _____ taken to _____ the workers _____ with _____ work?

How can we _____ sure _____ during _____ projects?

_____ been _____ in _____ for safety when _____ out these infrastructure _____?

Are any _____ taken for _____?

Is _____ precautions _____ place for _____ and _____?

Measures _____ make infrastructure _____.

Have any _____ implemented _____ the _____?

Installation/repair work _____ have _____ in _____.

Do _____ precautions in _____ these repairs?

_____ you _____ concerns _____ working _____ infrastructure?

Do _____ provisions have _____ made _____ involved in these _____?

What _____ have been put _____ to _____ safety _____ carrying out _____?

_____ what precautions are _____?

Does any _____ exist for _____?

Can we know how _____ put _____ for the _____?

During _____ are safety taken _____?

Is _____ made _____ the _____ involved in the _____?

What steps _____ been taken _____ safety _____ construction?

What precautions _____ safety in mind when _____ out _____ installations/repairs?

_____ can _____ be safe _____ infrastructure _____?

_____ in place during _____ installation _____?

Is there _____ were _____ address safety issues _____ these installations?

How have safety measures _____ taken _____?

What _____ are _____ to _____ maintenance _____?

_____ we ensure _____ these projects?

For _____ have _____ safety _____ been _____?

Do you _____ what precautions are taken to _____?

_____ safety precautions used _____?

_____ learn _____ precautions taken _____ current construction works?

_____ are safety _____ taken during _____ and _____.

_____ precautions _____ in place to _____ safety risks?

Is it _____ to _____ safety issues are _____ out _____ works?

Are _____ measures _____ place _____ the _____ work that _____ doing?

_____ there _____ procedure in place _____ safety issues when _____ these _____?

Is the _____ done with _____ place?

What safety protocols _____ this work?

_____ the _____ taken _____ ensure safety during _____?

What _____ are _____ with these _____?

Are _____ taken when working _____?

What _____ been taken _____ make this _____?

_____ safety measures have _____ these _____?

Is adequate _____ measures taken _____ repairs _____?

Have _____ throughout the works?

_____ safety _____ are addressed _____ the _____?

_____ have you _____ the safety measures for _____ infrastructure?

_____ efforts go into making _____ concerns are _____?

Do _____ in _____ to ensure safety when _____ works?

What _____ are _____ when _____ repairs?

When ____ conduct infrastructure ____ have ____ safety ____?
____ safety measures for ____ exist?
Have protective ____ these works.
What ____ the steps ____ make ____ processes ____?
How ____ they ____ safety ____ installation process?
____ any specific ____ for ____ repairs?
Can we ____ precautions were put ____ current works?
Are ____ able to address ____ conducting ____ work?
Is ____ any ____ you ____ give ____ safety ____ installations and repairs?
____ concerns addressed in these ____?
____ be ____ to ensure safe ____ repair processes?
____ for the work?
____ been ____ taken to ensure safety ____ repairs?
Efforts must ____ been made ____ sure ____ were ____ for ____ this ____.
____ actions ____ been taken to make sure the ____.
Is ____ any ____ measures taken for ____?
What are the ____ concerns ____?
____ wondering if ____ me details on the ____ protocols ____ for infrastructure ____.
____ the safety protocols ____ created?
Is ____ any ____ safety precautions ____ could be ____ and repairs?
____ infrastructure maintenance safer.
Did ____ any safety ____ place?
____ have ____ safety precautions when ____ install infrastructures?
Have ____ safety ____ when ____ on infrastructure?
Is specific precautions ____ place ____?
____ there safety precautions ____ place during ____ work?
____ precautions ____ used to ensure safety ____?
____ been implemented ____ these ____ works?
____ any precautions been taken ____ issues with ____?
Is there a ____ safety issues are ____ when ____ these ____?
____ there anything you could ____ me ____ the ____ infrastructure repairs?
____ measures ____ to make ____ safer.
____ have ____ steps taken to ensure ____ repairs.
____ safety ____ these installations?
____ a procedure in ____ to ____ safety ____ carrying out ____?
____ steps ____ been ____ make the repairs ____?
There ____ measures ____ for infrastructure ____.
Is ____ a focus ____ ensuring ____ public ____ infrastructure operations?
____ there ____ any ____ for safety during ____ repairs?
Has ____ been put ____ place ____ the ____ process?
Have the ____ measures been ____ these ____ installations?
What ____ were taken ____ repairs ____ installations?
____ the ____ measures for ____ installations?
____ or installing infrastructures, are there ____?
Is ____ any specific ____ protocols implemented ____ repair ____?
____ precautions ____ taken ____ the repairs?
____ taken ____ make the ____ safe?
____ have they prepared ____ a ____?
____ are the precautions taken ____?
____ are ____ when installing/repairing?

What ____ are ____ for the ____ construction ____?

What ____ are ____ in installations?

What ____ the ____ infrastructure projects?

____ the ____ precautions ____ in place to address ____?

____ have safety measures ____ in ____.

____ there ____ precautions ____ place ____ these ____?

____ the ____ are ____ precautions in ____?

Is ____ precautions in ____ during ____?

____ the safety ____ during infrastructure ____?

Do ____ safety measures in ____ the infrastructure work ____?

How is safety ____ care of ____?

____ precautions in ____ during the ____ work?

Does the ____ are ____ have safety ____ place?

____ designed ____ make ____ safe.

____ safety protocols ____ are ____ to conduct infrastructure ____?

How ____ safety during ____ projects?

____ safety precautions in place ____?

Do ____ exist for ____ repairs?

Have ____ precautions ____ taken ____ in these works?

____ there any ____ the safety ____ that are ____ infrastructure ____?

Are ____ taken ____ make the repair process ____?

____ there safety precautions ____ infrastructures?

____ there any precautions ____ the construction ____?

Have ____ been ____ to ____ during these repairs?

____ any safety protocols created ____?

____ precautions must ____ to ensure safety during ____?

What ____ have been ____ guarantee ____ carrying out such ____?

Is ____ precautions ____ for ____ repair work?

These installations ____ repairs have ____.

____ have ____ taken ____ protect installations/repairs?

When ____ infrastructures, are there ____?

____ you ____ safety ____ you ____ infrastructures?

____ safety ____ used during the ____?

____ safety measures been taken ____ the ____?

How are ____ measures ____ the ____?

Is it ____ tell ____ about ____ precautions ____ the ____ installations?

____ are ____ steps to ____ safety in ____?

Are ____ put ____ place for ____ repairs?

____ are ____ steps taken ____ this construction ____?

Did efforts ____ into making ____ that safety ____ were ____ for ____?

Where's ____ those ____ and fittin' infrastructure?

____ they ____ installation process safe?

Have enough ____ been taken for ____ installations?

Do you ____ any ____ place ____ the work?

____ been ____ for these repairs.

____ safety addressed?

____ any precautionary ____ used to ____ safety ____ installations?

Has ____ on worker ____ public safety in infrastructure ____?

Are safety ____ during ____ projects?

Have ____ been taken in ____?

_____ protective measures been _____ these _____?

What _____ been _____ ensure safety while carrying _____ infrastructure _____?

There _____ been _____ taken to _____ safety _____.

During the _____ and _____ how _____ concerns addressed?

What _____ safety measures _____ installations?

Are _____ measures _____ these repairs?

Can _____ what _____ in _____ for the _____ construction works?

Any safety _____?

During _____ are taken?

Have _____ measures been applied _____?

_____ for addressing safety issues with _____ installations?

_____ can we _____ to _____ safety during _____ projects?

_____ there _____ concerns addressed _____ installation/repair?

_____ you _____ concerns while _____ work?

How _____ the safety _____ comes _____ infrastructure?

_____ steps _____ taken _____ repair processes _____?

Do _____ have _____ safety precautions _____ place _____?

Measures are taken to _____ safety _____.

_____ measures adopted to _____ issues in these installations?

_____ know what precautions _____ in _____ the present construction _____?

_____ there any steps _____ repairs safe?

Where's all _____ for fixin' _____ infrastructure?

Is _____ risks involved in these works?

_____ a _____ to _____ potential safety _____ these projects?

Is _____ in _____ installation/repair work?

How _____ we _____ our _____ these _____?

How _____ the safe installation _____?

_____ there anything _____ about the _____ protocols executed _____ conducting infrastructure _____?

_____ safety _____ of during _____ work?

_____ safety _____ working on the infrastructure?

_____ it possible _____ are precautions _____ for _____ present construction _____?

_____ has _____ been taken _____ installations?

What precautions _____ to address _____ issues _____ installations?

How _____ they implemented a _____?

Can _____ talk about _____ measures _____ on _____?

What are _____ for these _____?

Are safety _____ in place _____?

What precautions were _____ in _____ ensure safety when _____ installations?

Have _____ safety _____ with infrastructure?

Can _____ talk _____ safety _____ when _____ work _____ infrastructures?

_____ safety _____ during _____ work?

Does the _____ repair process have _____ protocols _____?

What precautions have _____ in place _____ safety _____ infrastructure?

Do safety _____ repairs?

precautionary _____ place to _____ safety issues with these _____.

_____ safety _____ implemented _____ infrastructure _____?

_____ you addressed safety _____ work?

What _____ have been put _____ the safety of _____ carrying out _____?

Is there _____ in place for _____ infrastructure _____?

_____ are in place for the current _____ work?

Are _____ in _____ the infrastructure work _____ doing?
 _____ to _____ the safe execution of the _____ projects.

What _____ measures _____ place for _____ repairs?
 _____ we _____ about _____ precautions taken _____ current _____ works?
 _____ there any information on the _____ protocols that are _____?

Have protective _____ been _____ these _____?
 What _____ measures were put in place _____?
 _____ protocols for _____ work _____?

Do _____ measures _____ for _____ work?
 How _____ measures taken _____ the _____ projects?
 Is _____ way to _____ that _____ are _____ when _____ these works?
 _____ are taken _____ installation _____ repair?

What _____ have to handle _____ these infrastructure _____?
 Have _____ been _____ focus on _____ and _____ in these _____?
 _____ infrastructures, do you have any _____ precautions?
 _____ care of _____ these projects?

Are _____ safeguards _____ safety _____ process?
 _____ precautions are taken to _____ installations?
 _____ make _____ safe _____ maintenance.
 _____ doing work on _____ have _____ addressed _____?

Any _____ that _____ taken to _____ safe?
 There _____ taken for the safety _____ process?
 Will _____ be _____ consider _____ risks involved _____ these _____?
 _____ do _____ address _____ concerns in _____ and _____?
 _____ there any precautions taken _____ fix or _____?
 _____ there _____ measures taken for _____ installations?
 _____ make the repair processes _____?
 _____ safety _____ infrastructure _____ addressed?
 _____ precautions _____ taken for these repairs _____?

Have _____ been _____ to _____ repairs _____?
 _____ put forth for _____ construction works?
 _____ during these infrastructure projects?
 _____ there procedures _____ make _____ safety issues _____ addressed during the _____?

What _____ have been _____ ensure the safety of _____ infrastructure?
 Is there _____ in _____ the infrastructure _____?
 _____ precautions _____ place _____ the installation?

Is _____ any effort to _____ assure public _____ throughout _____?
 Are _____ safety precautions _____ you _____ installing infrastructures?
 Measures to _____ safe _____?
 _____ been made _____ public well-being _____ this project?

How should safety be _____?
 Is there _____ us _____ safety precautions _____ these _____ and repairs?
 _____ are security _____ related _____ out such infrastructure _____.

Is _____ a _____ keep accidents _____ bay while _____ with _____ infrastructure?
 _____ can infrastructure work _____?

What precautions _____ you _____ to _____ these _____ projects?
 _____ there safety _____ take _____ fix _____ install infrastructures?

What are _____ protocols _____ the repairs?
 Is safety _____ during _____ projects?
 What _____ are _____ safety in _____ work?

There _____ to _____ infrastructure upkeep _____.
 What _____ taken during _____?
 _____ efforts _____ into _____ safety concerns were _____ for during _____?
 _____ possible that _____ been put _____ for _____ present _____ works?
 What _____ have been taken _____ in _____ while carrying _____ infrastructure _____ and _____?
 _____ were safety concerns _____ works?
 Is _____ in _____ to consider potential _____ these works?
 How have safety concerns been _____?
 _____ protective _____ in these works?
 _____ are taken _____ address _____ concerns _____ installations?
 Is there any _____ protocols _____ conduct infrastructure installs/repairs?
 _____ are _____ taken during these _____?
 Have _____ safety _____ in place _____ the _____?
 Do you take safety concerns _____ when _____?
 Are _____ place for _____ on _____?
 Have _____ provisions _____ about potential risks involved _____?
 How _____ during the infrastructure _____?
 _____ are being _____ to address _____ in installations _____ repairs?
 Do _____ safety _____ in place for your _____?
 What precautions _____ for _____ installations?
 Is _____ any _____ precautions in place _____?
 _____ safety protocols have been implemented _____.
 Have there _____ provisions in place _____ consider _____ in _____?
 _____ do _____ keep _____ during these _____?
 Are there any precautions _____ to _____ potential _____ risks _____?
 Have _____ been safety _____ these _____?
 What _____ were made _____ concerns were _____ for _____ this work?
 Have _____ protocols _____ in _____ during the _____ process?
 _____ safety precautions _____ for _____ work?
 What precautions have _____ taken _____ safety when carrying out _____?
 _____ were the _____ taken to _____ projects were executed _____?
 What _____ ensure _____ while infrastructure work?
 How _____ the _____ the repairs?
 How _____ installation _____ kept safe?
 _____ steps _____ taken to _____ repairs _____?
 What safety concerns _____ or _____?
 Is _____ to make _____ safety _____ addressed while doing _____ works?
 What _____ have _____ address safety concerns associated _____ work?
 _____ taken _____ make the infrastructure _____ safe?
 Are _____ measures _____ to address _____ issues _____ these _____?
 Is there _____ provisions in place to _____ the _____ works?
 _____ to _____ on the safety protocols that _____ executed for _____.
 _____ there _____ precautionary measures _____ to _____ safety _____ with _____?
 _____ any _____ adopted to _____ safety issues with _____?
 What are _____ steps _____ to protect us _____?
 _____ the safety _____ taken _____ work?
 Have _____ been _____ during _____ installation process?
 Is there _____ can _____ me about _____ these installations and _____?
 Have _____ protocols _____ for _____ work.
 Can we know the _____ taken for _____?

Someone could _____ during _____ construction.

What are _____ precautions taken _____ safety _____ infrastructure _____?

_____ precautions _____ used _____ these _____?

_____ been _____ to make these _____?

_____ safety precautions _____ when fixing _____ installing infrastructures.

Is _____ protections _____ safety during _____?

Some _____ measures _____ implemented _____ the _____.

_____ precautions in _____ when the _____ is _____?

_____ were _____ ensure safe infrastructure _____

_____ you _____ or _____ infrastructures, are there _____?

_____ there a focus _____ worker _____ public _____ in the _____?

_____ there _____ information _____ the _____ protocols _____ are _____ conducting infrastructure installs/repairs?

Measures have _____ to _____ upkeep.

Measures _____ taken to _____ safe infrastructure _____.

Have _____ provisions in _____ to _____ risks involved _____ works?

_____ there _____ precautions in place _____ work?

Is _____ any _____ about safety _____ the installations _____?

Where have you _____ measures _____ fixin' and _____?

_____ the _____ or _____ process have _____ specific _____ protocols in _____?

_____ measures been _____ for _____ repairs and _____.

Safe _____ on _____ magnitude?

Have _____ concerns _____ doing work _____ infrastructure?

_____ measures being _____ for _____ work?

_____ steps _____ taken to _____ as safe as _____?

Where's _____ measures _____ fixin' and fittin' _____?

_____ protective _____ have been _____ these _____ works?

Has there _____ put in place _____ doing _____?

What _____ been taken for these installations?

What _____ addressed _____ the infrastructure _____?

There _____ specific safety protocols _____?

_____ sufficient safety _____ for these repairs _____ installations?

What _____ protocols are in place _____?

_____ there any way _____ make _____ are addressed while _____ works?

How _____ are the _____?

_____ are _____ taken _____ installations?

_____ address _____ concerns _____ performing _____ work?

How _____ taken care _____ during _____?

_____ any _____ taken when fixing _____ installing _____?

Is there _____ about _____ precautions during _____ installations and _____?

What are _____ ensure _____ when working _____ infrastructure?

Can you share _____ working on infrastructures?

What are _____ measures _____ these _____?

_____ the infrastructure work _____ any _____ measures _____?

_____ in infrastructure maintenance.

_____ there a _____ on _____ these _____ operations _____?

What _____ are taken _____ happen?

_____ are the infrastructure's _____?

_____ precautions are _____ into _____ protect _____?

_____ safety measures _____ taken _____ work?

Can _____ tell _____ about _____ while working _____ infrastructures?

_____ possible _____ provide _____ on _____ safety _____ used _____ infrastructure repairs?

Is there _____ way _____ ensure _____ safety _____ these _____?

What _____ the _____ make _____ repair process safe?

_____ have been made _____ consider the _____ involved _____ the _____.

_____ precautions _____ taken _____ address safety _____ these projects?

Is _____ any information _____ the _____ protocols _____ repairs?

_____ anyone _____ to explain _____ safeguards implemented _____ our _____ this _____?

Is there _____ followed for _____ rehabilitation efforts?

_____ measures _____ for _____ work

_____ there any information you can _____ during _____ installations and _____?

Are _____ to _____ during the repairs?

There are _____ taken _____ during _____.

_____ precautions are put _____ place for _____ construction _____?

Safety measures _____ place _____ work.

What precautions _____ been _____ to _____ security _____ infrastructure tasks?

_____ steps _____ taken _____ sure the safe execution of _____?

How _____ we _____ safety during _____ projects?

_____ there a focus _____ ensuring _____ public safety _____ operations?

How have the _____ for these _____?

What are the _____ ensure _____ safety of _____?

_____ safety _____ for these installations?

Specific safety _____ been implemented _____ process?

_____ been _____ safety precautions in place _____ repairs?

Were there any _____ measures _____ issues?

_____ are _____ the installation/repair?

_____ protocols _____ this work _____ been _____?

_____ there _____ for _____ this process?

_____ precautions _____ in place to _____ safety _____ during these _____?

_____ there anything _____ tell me _____ safety _____ executed _____ infrastructure installs?

Where _____ you _____ all _____ measures _____ fixin' and fittin' _____?

Have you addressed safety _____ the infrastructure?

Have safety measures _____ put in _____ for _____?

_____ there _____ any _____ regarding safety _____ process?

What _____ addressed during the _____?

Have _____ been _____ the _____ works?

_____ been _____ safe during _____ construction?

What _____ are _____ work?

Is it _____ put forth for the _____ works?

What safety measures _____ repairs?

How _____ the _____ measures _____ during _____?

_____ be _____ about safety _____ process?

_____ safety _____ been taken _____ things?

_____ know _____ protocols _____ been _____ for this work?

_____ have _____ safety precautions when _____ fix or _____?

Has _____ a _____ people safe in these infrastructure _____?

Have _____ any _____ precautions in place _____ the _____?

_____ safety protocols _____ implemented _____ repair _____?

How do _____ ensure a _____?

_____ been put in _____ to _____ safety _____ doing _____ installations?

_____ are the _____ measures in _____ the _____?

_____ been steps _____ safety during repairs?

Steps _____ been taken _____ make _____.

_____ you _____ any _____ precautions _____ place _____ infrastructure work?

What _____ place for the infrastructure _____ doing?

_____ precautions have _____ to ensure _____ when _____ out these infrastructure _____?

Have _____ safety precautions _____ for _____ repairs?

_____ can steps be taken _____ repair _____ safe?

_____ been provisions in _____ to _____ the risks _____ in _____?

_____ you _____ infrastructures, are _____ safety _____?

Is there _____ effort to make sure safety _____ accounted _____?

_____ protocols _____ put _____ place _____ the installation and _____ process?

What safety _____ have been _____?

_____ been _____ precautions _____ to _____ the _____ of workers?

What _____ do to _____ installation _____ safe?

_____ steps taken to _____ the repair process _____?

Is _____ safety measures _____ place _____ work _____ are doing?

What actions _____ been taken to _____?

Does _____ installation/repair _____ have _____?

There _____ precautions _____ take when _____ or installing _____.

What are _____ actions _____ been taken to guarantee _____ these _____?

Have there _____ safety precautions put _____ place _____?

_____ all _____ safety measures kept _____ and _____ infrastructure?

_____ there be _____ in _____ these repairs?

Is there any _____ in _____ when doing _____?

Are there safety _____ that _____ when _____ infrastructure _____?

_____ there _____ put _____ for _____ construction works?

_____ infrastructure projects, _____ is _____ care _____?

_____ actions have _____ to _____ the _____ infrastructure tasks?

Have _____ safety concerns been _____ doing _____?

Have any _____ followed _____ the _____ and repair _____?

Can you share _____ about safety _____ when _____?

_____ protective measures been _____ these _____?

Is there any safety _____ you _____ in place _____?

_____ about _____ safety protocols used for infrastructure _____?

_____ safety concerns addressed _____ repairs?

_____ are _____ safety during infrastructure work.

There _____ safety _____ during _____ installations.

Have _____ been utilized _____ works?

Do the _____ taken to _____?

Can we _____ precautions were _____ for _____ current construction _____?

_____ there _____ precautions put in _____ during the _____?

Are there any _____ taken to address _____ repairs?

Are _____ precautions _____ take when working _____ infrastructures?

What safety _____ have _____ during the _____?

Have _____ put _____ the infrastructure _____?

_____ there _____ measures _____ place _____ the repairs?

_____ there _____ in place _____ safety of this process?

_____ been _____ make _____ repairs safe.

_____ steps have been _____ to make _____?

_____ taken during _____ repair?

_____ taken _____ make _____ are no safety issues involved with this _____?

_____ there _____ in _____ the current construction works?

_____ there _____ in place to _____ issues _____ addressed during _____ works?

_____ safety precautions have been _____?

_____ there any safety _____ you _____?

_____ protective _____ put in _____ these infrastructure works?

_____ the _____ measures _____ for infrastructure _____?

_____ are _____ precautions put _____ the _____ construction works?

_____ there _____ taken _____ working _____ infrastructures?

The safety _____ for _____?

Are _____ safety _____ that _____ addressed _____ doing infrastructure _____?

Have _____ been any _____ precautions in _____ the _____?

_____ explain _____ safeguards _____ this construction.

_____ precautions are in place _____ process _____?

Is there _____ made to _____ and assure _____ in _____?

Is _____ to _____ safety _____ addressed when carrying _____ the work?

What safety _____ taken _____ repairing _____?

Is there _____ safety _____ place for repairing _____?

_____ protective _____ been _____ in place in _____?

_____ safety _____ taken _____ repairing infrastructure?

What _____ are _____ security at _____?

_____ precautions were taken _____ ensure _____ safety _____ infrastructure _____?

_____ there _____ safety _____ place when doing _____ or _____?

_____ precautions taken during _____?

Are there _____ provisions _____ to _____ the potential risks _____ these _____?

_____ can we make sure we _____ safe _____?

_____ involved in carrying _____ infrastructure tasks.

_____ anything you _____ tell _____ safety precautions in _____ installations _____ repairs?

_____ know _____ precautions _____ for _____ current construction works?

_____ there any specific steps _____ repair _____ safe?

Is _____ during _____ installation/repair work?

What _____ actions that _____ been _____ to _____ for _____ tasks?

_____ we ensure _____ during this _____?

Infrastructure _____ might _____ measures.

_____ were _____ of the infrastructure _____ ensured?

Is _____ implemented during _____ repairs?

_____ you _____ concerns when _____ infrastructure?

_____ do you do _____ our _____ during _____ infrastructure projects?

_____ actions _____ ensure _____ of the infrastructure tasks?

_____ been _____ for _____ repairs and installations?

_____ there any _____ forth _____ this construction _____?

_____ infrastructure _____ what safety _____ taken?

_____ measures _____ place for _____ infrastructure work _____ doing?

_____ there safety precautions _____ for _____?

Have _____ safety precautions _____ the repairs?

_____ there _____ of safety _____ this process?

Will _____ be _____ during this process?

_____ safety measures _____ for fixin' and fittin' _____?

_____ is safety _____ care _____ when _____ happen?

_____ tell _____ what preventative _____ maintenance efforts?

_____ have safety _____ taken for _____?

_____ any steps taken to _____ repair _____?

Is there _____ on the _____ protocols executed _____ conducting _____?

_____ precautions _____ taken during the _____?

How have _____ safety _____ for these _____?

Are _____ to fix or install _____?

Have _____ been used _____ infrastructure _____?

Do _____ safety _____ when you _____ infrastructures?

_____ safety precautions are _____ taken during _____?

_____ taken to make repairs _____?

_____ actions _____ been _____ to guarantee _____ of those infrastructure _____?

Measures to _____ infrastructure _____?

_____ have been _____ to make _____ construction _____?

_____ the precautions _____ these _____ are done?

_____ actions _____ been _____ in place to protect _____?

Do there _____ when _____ or _____ infrastructures?

What are _____ taken _____ sure _____ safe during _____ construction?

Have _____ procedures _____ put in place _____?

_____ safety _____ in place _____ installation _____?

Have _____ in place during installation?

_____ safety measures _____ for these _____?

_____ safety protocols _____ during the _____ process?

_____ you _____ work that _____ safety _____ in place?

What steps were _____ the _____ execution of _____ projects?

Have _____ safety issues _____ work?

Has _____ been _____ protocols _____ this _____?

_____ are the _____ to _____ infrastructure maintenance?

_____ are _____ precautions taken _____ ensure _____ safety during _____?

_____ precautions _____ taken when _____ install infrastructures?

What _____ were addressed during _____?

Some _____ were _____ for addressing safety _____ these _____.

Are safety measures _____ place _____?

Have _____ addressed _____ concerns _____ infrastructure _____?

_____ taken _____ those installations?

_____ there any _____ protocols in _____ repairs?

Does _____ precautions are _____ address _____ concerns in installations?

Which _____ were _____ these installations?

_____ were _____ make sure _____ projects are executed _____?

_____ we know about the _____ for _____ construction _____?

_____ there _____ precautionary measures put in _____ for addressing _____ installations?

_____ is safety taken _____ at _____?

Is _____ possible to provide details on _____ safety _____ repairs?

_____ the safety procedures _____ place _____?

Have protective _____ in infrastructure _____?

_____ are the _____ taken _____ safety in this _____?

_____ there _____ when you work _____?

What do _____ do to _____ work?

_____ do _____ our _____ during these _____?

How _____ concerns addressed _____ repairs?

How _____ safety _____ for these _____?

____ have safety measures been ____ ____ ____ ?
 ____ are the ____ measures ____ for ____ infrastructure ____ ?
 What ____ ____ taken ____ keep the ____ safe?
 Have there ____ any precautions ____ ____ installing?
 Specific ____ ____ for ____ repairs?
 How has ____ been taken ____ ____ ?
 Have specific safety protocols ____ ____ during ____ ____ ?
 ____ ____ concerns addressed in ____ ?
 What precautions ____ ____ taken ____ ____ repairs and ____ ?
 ____ ____ guidelines followed ____ ____ in these installation/rehabilitation efforts?
 ____ there be adequate safety ____ for ____ repairs ____ ?
 For ____ repairs and ____ have ____ ____ taken?
 ____ ____ any kind ____ safety precautions ____ ____ fix or ____ infrastructures?
 ____ ____ precautions when you ____ something?
 Is there ____ put ____ ____ the present ____ ?
 Have ____ ____ ____ during these ____ works?
 ____ ____ were taken to ____ repairs ____ ?
 Provisions have ____ ____ consider the possible ____ ____ these works.
 Measures ____ ____ make ____ upkeep safe.
 ____ ____ being taken ____ address ____ issues ____ installations?
 ____ is safety ____ care ____ ____ infrastructure ____
 ____ ____ the ____ precautions ____ during installations?
 ____ there any ____ ____ place ____ ____ of this process?
 What should ____ ____ to ____ ____ infrastructure work?
 How ____ ____ safety taken care ____ ____ a ____ ?
 There are any ____ measures ____ ____ the ____ .
 Is ____ ____ protocols in ____ ____ repairs?
 ____ the ____ ____ been included in ____ infrastructure ____ ?
 ____ you have ____ ____ ____ safety ____ during these installations?
