

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Conversion from gas to electric request
Inquiry Sub-Category	Additional information and resources
Description	Customers seeking additional information, resources, or educational materials related to the gas to electric conversion process. They may want to understand the environmental impact, long-term cost savings, and overall benefits of switching to electric.
Data Size	7,061 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

_____ does converting _____ natural gas _____ energy consumption patterns _____ overall _____?

_____ from natural _____ to electricity affect _____ energy _____?

Will the change to electricity _____?

_____ from _____ gas _____ electrical power _____ patterns.

Does _____ change _____ I _____ electric?

Is my energy usage _____ when I _____?

Can _____ usage habits by _____ gas to electricity?

Is the _____ electricity _____ energy _____?

_____ transitioning _____ gas to _____ power affect usage?

Does my energy _____ change _____ a _____ to _____?

Transition _____ gas _____ my _____ consumption habits and usage _____.

_____ to _____ from natural gas _____?

_____ I _____ from gas to _____ much _____ will I _____?

_____ the _____ of _____ be _____ I switch _____ electricity?

How will the change _____ electric _____ of and consumption of _____?

_____ gas to _____ your use?

Is _____ gas _____ electrical power affecting usage _____?

Changing _____ natural _____ to electric will _____ habits.

Does _____ shift _____ natural gas _____ electrical _____ affect _____?

_____ want _____ know how _____ usage _____ change _____ from natural gas to _____.

Is the _____ from gas _____ consumption?

_____ the _____ to electric affecting _____ much _____ I use?

_____ my _____ use _____ if I switch _____ natural _____?

_____ thing affect _____ energy usage?

Is _____ transition from _____ to _____ to _____ energy use?

When _____ from gas _____ happens?

_____ to electricity affects my _____ usage _____ habits.

How does converting _____ electricity effect my _____?

_____ the change _____ natural gas _____ electricity going to _____ use _____?

Does _____ to _____ affect _____ overall _____?

How will _____ way of _____ and _____ be affected by _____ power?

_____ will _____ monthly usage if _____ from _____ to power?

I _____ affects my energy _____.

Conversion _____ natural _____ electricity _____ my energy usage.

Will the _____ from natural gas _____ electric _____ of _____?

_____ electricity usage _____ I switch _____ gas _____ electricity?

Does shifting _____ gas _____ patterns of energy _____?

How does moving from _____ electrical _____ affect _____?

_____ the shift _____ gas to _____ how _____ use _____ average?

Changing _____ to electric _____ will _____ usage habits.

If I _____ natural gas _____ it change my _____?

_____ I _____ from _____ electricity _____ energy use change?

_____ much energy do I consume if I _____ electricity _____?

_____ does _____ from _____ to _____ affect _____?

_____ from gas _____ electric affect my _____ use _____ at all?

_____ changing _____ gas _____ electric _____ how much I _____?

_____ electricity _____ how _____ and use _____?

_____ switch from _____ power, what _____ to my consumption?

_____ changing to _____ from _____ change my _____?

How will my _____ change _____ to electric from _____?

How _____ the whole gas-to-electricity thing _____?

_____ to _____ change my energy _____?

How will _____ way of _____ consuming _____ switch from natural gas to electric _____?

Does the _____ affect my _____?

How does _____ whole _____ electricity _____ affect _____ energy _____?

_____ you _____ me _____ be like _____ from natural gas to electricity?

_____ will happen _____ usage if I switch _____ to _____?

_____ you _____ an _____ my energy _____ patterns before _____ after I convert _____ electricity from _____?

How _____ the shift to _____?

How about before _____ after _____ use _____ to electricity _____ natural gas?

What _____ you know _____ how _____ natural _____ my energy usage?

_____ be _____ to _____ power _____ I switch to electric?

_____ from natural _____ to electricity _____ my _____ habits?

What _____ I expect _____ I _____ electricity _____ natural _____?

_____ happens to my monthly _____ if _____ from _____ to _____?

_____ effects _____ shifting from _____ to electrical power _____?

_____ the shift _____ electricity _____ energy _____?

Will there be any changes _____ power _____ if _____ electric _____ of _____?

Transition _____ has an _____ my _____ patterns

_____ can I _____ make to my energy usage _____ switch _____?

_____ be any changes _____ energy _____ I _____ from natural _____ to electricity?

How _____ the _____ from _____ electricity affect _____ energy use?

Changing from _____ gas _____ electrical _____.

I _____ like to know _____ after states _____ energy _____ when converting from _____ gas _____.

_____ energy usage be _____ if _____ from _____ gas to _____?

How shifting _____ natural gas _____ usage and consumption _____?

I wondered how the swap _____ natural _____.

_____ you show me _____ after states of my _____ convert to _____ from _____ gas?

When I shift _____ gas, _____ my implications _____ my _____?
 _____ do I understand _____ my _____ usage will _____ converting _____ gas to _____?
 _____ the transition from _____ gas to _____ affect _____ use _____?
 _____ the _____ from gas _____ how much _____ use?
 _____ from _____ gas effects _____ usage.
 Changing _____ natural gas to _____ results _____ different _____.
 _____ converting from natural gas to _____ usage?
 _____ from _____ to _____ how I consume?
 The _____ from _____ electric _____ affect _____ amount _____ I use.
 What _____ once I _____ from natural _____ to _____?
 _____ natural gas _____ electricity have _____ on consumption?
 Does _____ to electricity impact _____ I use energy?
 Does shifting from gas _____ affect _____?
 _____ natural _____ affect my energy consumption?
 _____ do the _____ energy usage?
 Can you _____ me how the _____ gas to electricity _____ use?
 _____ from natural gas _____ electricity _____ I _____ energy.
 _____ conversion _____ electricity affecting consumption?
 _____ you tell _____ the before _____ states _____ my overall energy use _____ electricity _____ gas?
 _____ wonder how the _____ gas _____ my _____ usage.
 _____ switch from _____ power, _____ do _____ do with _____ usage?
 _____ changing _____ electricity _____ how I _____?
 Is the _____ electricity thing _____ with _____ energy _____?
 _____ switch from _____ electricity, what _____ with my energy _____?
 The gas-to-electricity _____ affects _____.
 _____ do _____ use when I use _____ of _____ gas?
 How will _____ change _____ natural _____ to _____ my _____?
 Does substituting gas _____ change _____ energy _____?
 I'd like _____ know _____ from natural gas _____ energy usage.
 _____ way of using _____ consuming _____ as _____ transition _____ natural gas _____ electric power?
 _____ my _____ change when I transition _____ electric _____?
 Will there be changes _____ energy use _____ convert _____ gas _____?
 Will _____ energy _____ be impacted _____ switch to _____?
 Will my consumption of _____ when _____ switch _____?
 _____ do converting from _____ to electricity _____ use?
 _____ natural _____ to _____ impacts usage.
 How _____ my energy _____ I _____ gas to electricity?
 What way _____ transition from _____ gas to _____ levels?
 _____ from natural _____ electricity _____ energy usage and overall consumption _____?
 Will the gas-to-electricity _____ my _____?
 Is the switch _____ to _____ to affect _____ energy _____?
 How will changing _____ gas _____ my energy _____?
 How will _____ switch _____ gas _____ power _____ my _____ usage?
 Does _____ electricity affect how I _____ it?
 Will _____ affect my _____ of energy?
 _____ change _____ gas to _____ affect _____?
 _____ gas _____ electric affect _____ I consume?
 _____ the _____ to electricity affect my _____?
 This gas-to-electricity _____ can _____ with _____.
 Will _____ be _____ power usage _____ I switch _____ natural gas _____?

How ____ transitioning from natural ____ to ____ my overall ____ ?

The gas-to-electricity thing may ____.

____ converting ____ natural ____ electricity affect ____ usage?

____ natural ____ to electricity ____ my energy ____ and ____ levels.

Will ____ switch ____ gas ____ electricity affect ____ ?

____ happens ____ I ____ to ____ power from ____ ?

Conversion from ____ to ____ could affect ____.

How much ____ I consume ____ if I switch ____.

____ like to ____ how the swap ____ gas affects ____ energy ____.

Will ____ gas ____ electricity affect my energy ____ ?

____ from natural ____ electric ____ will ____ usage.

How will the ____ from natural ____ electric power change ____ and ____ ?

How will the transition ____ gas ____ power ____ way I ____ ?

____ changing ____ gas affect ____ of energy?

What ____ if ____ switch ____ to electric power?

____ from natural gas to electrical ____ usage?

____ can ____ light ____ how shifting ____ gas to ____ affects my ____.

____ changing ____ to electric ____ how ____ I use?

This whole ____ affect ____ usage.

Shifting ____ gas ____ power influences usage ____

____ be changes in my power ____ if I ____ ?

Will the switch ____ natural gas to ____ electricity?

____ the change in electricity ____ the ____ use ____ energy?

____ change my usage habits when ____ to ____ power?

How does ____ natural gas to ____ usage and ____ patterns?

____ is the ____ affecting my ____ ?

When I switch from natural gas to ____ ?

____ energy use ____ I switch ____ gas ____ power?

____ switch from ____ to electricity, ____ happens ____ energy use?

____ does ____ from gas ____ electricity ____ my ____ usage?

Will ____ energy ____ from natural ____ to electricity?

____ the ____ from gas to electric ____ how ____ use?

____ shift from gas to electric affect ____ ?

Will ____ any changes ____ energy consumption ____ I convert ____ natural ____ to ____ ?

When ____ switch to electric ____ natural ____ happens?

____ much ____ when gas ____ replaced by electric?

The gas-to-electricity ____ with my ____.

When I convert from natural ____ what ____ observe?

Will ____ energy ____ change ____ natural gas to electricity?

____ my ____ change as ____ from gas ____ power?

Is ____ switch ____ gas ____ power changing ____ energy ____ ?

Does transitioning ____ natural gas ____ electricity ____ usage?

How does converting ____ natural ____ to electricity ____ my ____ ?

____ from ____ electricity affect consumption?

How ____ converting from ____ to electric ____ my ____ ?

____ will happen when I ____ from natural ____ ?

____ my ____ of ____ be ____ when ____ switch ____ electricity?

In ____ does ____ from natural gas ____ electricity affect ____ energy ____ ?

____ from gas may have implications for ____.

____ the shift ____ gas ____ electric ____ how much ____ I ____ ?

_____ the change _____ electricity change _____ ?
 _____ you explain how _____ from _____ gas to _____ will _____ my _____ ?
 _____ give me an idea of _____ and after _____ of _____ when _____ convert to electricity from _____ ?
 Shifting from _____ gas to electrical _____ .
 _____ does _____ natural _____ to electricity _____ my _____ usage?
 _____ moving from _____ to electricity affect _____ energy _____ ?
 _____ gas to electricity, what _____ energy _____ look like?
 _____ converting from natural gas _____ ?
 _____ transitioning _____ electricity have _____ effect _____ my _____ patterns?
 Does _____ natural gas _____ consumption?
 Will _____ switch _____ gas to _____ power use?
 _____ to know _____ before _____ after states of my _____ use _____ converting to electricity _____ gas.
 _____ to electricity _____ to change my energy usage?
 _____ I _____ natural gas to _____ it affect my _____ ?
 Will _____ from Natural _____ my energy use?
 Is _____ from _____ energy consumption?
 _____ the change _____ electric _____ how I consume?
 _____ will the switch from _____ to electric _____ habits?
 Will the transition from _____ of electricity?
 I am _____ as to how _____ swap _____ natural _____ use.
 Replacing _____ with _____ may _____ patterns.
 Do shifting _____ natural gas _____ power affect _____ ?
 _____ gas-to- electricity _____ my _____ ?
 Will _____ switch to _____ affect _____ I _____ ?
 _____ give _____ of the _____ and _____ of my energy use when _____ from _____ to electricity?
 _____ wonder if _____ gas to _____ affects _____ consumption.
 _____ does transitioning _____ to electricity affect my _____ ?
 _____ from _____ to _____ power _____ consequences.
 _____ converting _____ natural _____ to electricity _____ my _____ use?
 How _____ I _____ affected _____ the _____ from natural gas.
 Can you _____ natural gas _____ electricity _____ my energy usage?
 Does the _____ power _____ a difference?
 How do _____ switch _____ to _____ ?
 How does the _____ from natural _____ affect my _____ and _____ ?
 When _____ shift my _____ gas, what are _____ implications?
 How _____ gas-to-electricity _____ usage?
 _____ natural gas _____ affect how _____ use energy.
 _____ to _____ from natural gas _____ my _____ ?
 _____ the _____ from natural gas _____ electricity _____ energy _____ and consumption?
 Does changing _____ natural gas _____ affect my _____ ?
 _____ my _____ use _____ change if I _____ natural gas?
 How _____ from natural _____ to _____ affect _____ behavior?
 The _____ from _____ to _____ how _____ I use.
 Changing from natural gas _____ my _____ habits.
 _____ from _____ electricity affects my energy _____ .
 Is replacing _____ with _____ my _____ usage?
 _____ me an _____ of the before _____ states of _____ use when _____ switch _____ gas to electricity?
 _____ the transition from _____ gas _____ electric _____ affect my _____ and _____ ?
 Will _____ change in _____ energy use _____ to electricity?
 When _____ from gas, _____ there for my _____ usage?

_____ switch _____ gas _____ electricity have _____ effect?

Does _____ to _____ affect consumption?

_____ the conversion from natural gas _____ electricity _____?

What _____ gas _____ electrical power do?

_____ energy if I convert from _____ gas _____ electricity?

_____ converting from gas _____ my consumption?

Does changing _____ gas _____ affect the way I _____?

_____ switch from natural _____ power change _____ usage habits?

_____ changing to _____ how I _____?

Is _____ conversion _____ natural _____ affecting consumption?

_____ to _____ affect my energy _____ habits?

_____ converting from natural gas _____ change _____ usage?

What _____ the difference _____ my energy _____ converting _____ natural _____ electricity?

_____ switch affecting energy use?

_____ the conversion of _____ gas to _____?

_____ I switch to _____ power from _____ gas, _____?

Will _____ transition from _____ gas to _____ use?

_____ from _____ electric power change my usage habits?

Does _____ gas to _____ my _____?

_____ does the switch from _____ electric _____ energy _____?

Does switching _____ affect my _____?

_____ turning _____ affecting _____ much energy I consume _____?

_____ understand how _____ swap of _____ affects _____ energy use.

What will the _____ from _____ to _____ do _____ use?

_____ the change _____ electric _____ how I use energy?

_____ my _____ usage change as I _____ electricity?

_____ change _____ natural _____ to _____ affect energy use?

Is changing from natural _____ results _____ different _____ of _____?

_____ the way I _____ and consume energy _____ by _____ power?

Will _____ natural _____ affect my _____?

_____ to electric _____ my use _____ energy?

When I _____ to _____ power _____ what _____?

_____ my _____ energy change when I _____ power?

_____ transition from natural _____ to _____ change my _____?

_____ electricity _____ gas affect _____ patterns?

_____ from natural _____ to electric power _____ change how _____ consume _____.

_____ when _____ switch from natural gas _____?

_____ natural gas with electric power _____ and _____ energy.

Will the _____ natural _____ to electric _____ my _____?

_____ would like _____ know _____ before and _____ energy use _____ I convert from _____ gas _____ electricity.

_____ from natural _____ to electric _____ does that mean?

Do different patterns of energy _____ switch _____ to electricity?

Is the change to _____ going to affect _____?

_____ converting _____ energy use?

How can _____ shift _____ natural _____ to electrical _____?

_____ from natural _____ electrical power _____.

How _____ transitioning _____ to electricity _____ my _____ use habits?

Will _____ to electricity affect _____ consumption _____?

_____ from natural _____ affect _____ use?

_____ will _____ shift from gas to _____ the _____ of _____ consume?

Can ____ tell ____ the before and after states ____ overall ____ patterns when I ____ from ____?

Does changing to ____ affect ____ use and ____?

Does ____ natural ____ result in different usage ____?

Will changing from ____ to ____ my habits?

How does the ____ electricity ____ my energy usage?

____ the ____ change my usage?

____ usage is affected ____.

____ to electricity impact ____ patterns?

Changing ____ natural ____ to ____ will ____ my usage.

____ between ____ and electricity ____ my usage?

How does using ____ instead of ____ use of ____?

____ the change from gas ____ electricity ____ electricity?

Does substituting ____ electricity ____ my ____?

____ from natural ____ affect my usage?

____ switch from gas to ____?

I ____ a ____ about how ____ of ____ affects my ____ use.

How will ____ from natural gas ____ power affect ____?

I ____ how ____ swapping ____ gas affects ____ energy ____.

Is ____ from natural gas ____ going ____ affect ____ energy ____?

How ____ my way of ____ using energy be ____ to electric ____?

____ converting from natural gas ____ electricity ____ affect ____ energy use?

____ natural gas to ____ usage.

____ does ____ shift from ____ electric ____ the ____ energy I consume?

Would the ____ gas ____ affect ____ energy usage?

____ the switch ____ natural ____ to ____ power ____ use?

____ way ____ from ____ to electricity affect ____ energy use?

____ to ____ change ____ I ____ energy?

If ____ from ____ power, what ____ happen to my ____?

____ is the gas-to-electricity ____ with my ____?

Does ____ electric ____ my energy ____?

Does ____ for ____ gas ____ my energy use?

____ from ____ to electricity ____ my usage habits?

____ switch from gas ____ electricity ____ habits?

How does a transition ____ affect energy ____?

Can ____ give ____ an ____ the ____ after states ____ my energy ____ I ____ from natural ____ to electricity?

____ to ____ change my ____ usage?

____ from natural gas ____ in ____ of energy usage.

How does gas-to-electricity ____?

Changing from ____ electrical ____ usage.

If I switch from ____ power, ____ to my ____?

____ from gas ____ an effect ____ how much I ____?

How ____ converting ____ electricity affect my uses?

____ the switch ____ gas ____ affect my use ____?

How does ____ from ____ gas to ____ affect ____?

____ does conversion from ____ affect my use ____ energy?

transitioning ____ natural gas to electricity ____ energy ____.

Does ____ switch from gas to electricity ____ an ____?

How will ____ transformation ____ gas to electric ____ using and ____ energy?

____ the transition from gas to ____ energy ____?

____ to see ____ shifting from ____ gas ____ electricity ____ energy usage?

_____ changing from _____ gas to electric power going _____ ?
 _____ I switch _____ to power, _____ my _____ do?
 _____ want to know how shifting _____ natural gas _____ electricity _____ and _____ .
 Does _____ electric _____ energy consumption?
 Does _____ from _____ power change my usage _____ ?
 Will the transition from _____ gas _____ of energy?
 _____ I switch from _____ to _____ to _____ monthly usage?
 _____ does _____ conversion _____ gas _____ affect usage?
 _____ natural gas to _____ affect my usage?
 How will _____ switch to _____ affect _____ usage _____ ?
 How _____ the gas-to-electricity thing _____ ?
 What happens _____ use _____ switch from gas _____ electricity?
 Will _____ use _____ when _____ from natural gas _____ electricity?
 The changeover _____ natural _____ electric _____ affect _____ energy _____ .
 How does _____ mess _____ my _____ ?
 _____ natural gas to electric _____ my usage?
 _____ could explain _____ the _____ natural gas _____ my energy _____ .
 Will my energy usage be changed _____ to _____ ?
 _____ switch from gas _____ power _____ ?
 Will a _____ how I use _____ ?
 _____ it _____ switch from natural gas _____ electricity?
 _____ turning to _____ affect how I _____ ?
 Does _____ from gas _____ change _____ energy _____ ?
 _____ to electricity affect _____ I _____ ?
 _____ I switch from _____ to _____ to my energy _____ ?
 Will converting from _____ electricity _____ my _____ use.
 How does the _____ from gas _____ electric _____ the amount _____ ?
 Is _____ shifting _____ to _____ results in different _____ of use?
 _____ to _____ impacts energy _____
 Will the _____ from natural gas _____ affect _____ ?
 _____ from natural gas _____ electricity _____ .
 _____ wonder _____ transition from natural _____ electric _____ affect my _____ use.
 _____ electricity instead _____ will _____ energy _____ .
 Switching _____ gas _____ might _____ energy _____ .
 How _____ the _____ from _____ electricity _____ my usage?
 How _____ conversion _____ natural gas to electricity _____ ?
 _____ from _____ gas to electricity affect how _____ ?
 _____ my _____ use change once _____ to _____ ?
 How I use _____ consume _____ affected by the _____ .
 How _____ do I _____ on _____ if _____ switch _____ gas _____ electric?
 Can _____ explain _____ before _____ states _____ energy use when _____ to electricity from natural _____ ?
 _____ will the transition _____ power _____ use _____ and use of energy?
 _____ the _____ from _____ to _____ affect me?
 Will the _____ affect me?
 Does _____ natural _____ affect my energy use?
 Is _____ gas to _____ my energy use?
 How _____ energy _____ be _____ by _____ gas to electricity.
 How will _____ usage _____ when I switch _____ ?
 _____ does _____ shift from gas to electric _____ ?
 _____ changing _____ have an impact _____ my consumption?

_____ will my _____ change when _____ from _____ gas to _____?
 Will _____ natural gas for electric _____ energy _____?
 _____ from _____ to electricity alter _____ energy use?
 _____ my energy _____ change after I _____ gas _____ electricity?
 _____ the _____ from _____ to _____ how much electricity I _____?
 _____ does _____ transition _____ natural _____ energy usage?
 _____ to electricity _____ my consumption patterns?
 _____ converting _____ gas _____ electricity _____ my _____ usage?
 _____ of natural _____ affect my energy usage?
 _____ from _____ gas to electricity _____ in _____ usage _____.
 _____ the change _____ affect how _____ consume and _____?
 Will the _____ to _____ my usage _____?
 _____ how shifting from natural gas _____ affects _____ usage.
 What happens _____ usage _____ I convert _____ natural gas?
 _____ happens to my energy use _____ switch from _____?
 _____ gas to electricity, can you tell _____ my _____ will change?
 Transition from natural _____ consumption and _____ levels.
 Does _____ to power _____ my energy _____ patterns?
 _____ electricity instead _____ natural _____ affects _____.
 _____ changing from _____ to electric affect _____?
 _____ my _____ change as _____ switch to _____?
 _____ I see a _____ in _____ energy _____ I _____ electricity?
 Does shifting from natural _____ result _____ patterns _____ me?
 _____ the shift from gas to _____ how much _____ energy?
 _____ the _____ thing _____ my _____ use?
 I would like to _____ my _____ will differ _____ from natural _____ to _____.
 _____ be alterations _____ my power _____ if I _____ electric?
 I'm _____ about _____ the swapping of _____ affects _____ energy _____.
 _____ to electricity affect _____ energy consumption patterns?
 Changing from natural _____ to _____ power _____ my _____
 How does _____ from _____ affect our energy _____?
 _____ transition _____ natural gas to _____ power _____ change _____ and _____ energy.
 Will _____ use _____ after _____ switch to electricity?
 Does _____ after I switch _____ electricity?
 Does _____ electricity _____ energy use?
 Can you _____ my energy _____ before _____ convert to _____ from natural _____?
 Will my _____ change _____ use power _____ of _____?
 _____ shift from _____ electric _____ my _____ use.
 Is _____ that _____ from gas to _____ affects _____?
 _____ my energy usage differ when I _____ to _____?
 How do _____ know if the _____ from _____ to _____ energy _____?
 DoSwitching _____ affect energy use?
 _____ will I _____ in _____ when I switch to _____?
 I _____ know _____ natural gas to electric _____ energy use.
 How _____ electricity for _____ affect _____?
 _____ gas _____ electric affect my consumption?
 converting _____ from _____ affects usage.
 _____ my _____ use _____ after I convert _____ to electricity?
 How _____ the _____ toelectricity _____ my energy _____?
 Does changing _____ natural _____ affect _____ use _____ energy?

____ energy ____ affected ____ gas-to-electricity thing.
 ____ will my ____ I ____ to electric power?
 How ____ converting from gas ____ electricity affect ____?
 Does ____ electricity ____ my ____ consumption?
 Will substituting natural gas ____ I ____ energy?
 Does the change from ____ electricity ____ my ____ of ____?
 ____ transitioning ____ natural ____ to ____ affect my usage and ____?
 ____ shifting ____ natural ____ to ____ impact my ____ patterns?
 How ____ switch from gas to ____ the amount ____ energy ____?
 Will transitioning to ____ my ____?
 How will ____ from natural ____ to electric ____ my ____?
 What ____ does the ____ natural gas to ____ energy ____?
 Does ____ change ____ gas ____ electrical ____ my ____?
 ____ the change ____ electricity affect ____ I ____ my ____?
 ____ gas will ____ energy consumption.
 Will the ____ from natural ____ affect how ____ I ____ frequently?
 ____ it ____ shifting from natural ____ to ____ power ____ usage?
 ____ after ____ switch ____ natural gas to ____ power?
 I ____ from natural ____ to electricity ____ in different ____ of ____.
 ____ move away from gas, ____ the ____ for ____ energy ____?
 How much ____ do I use when ____ electricity ____ than ____?
 How ____ from natural gas ____ power ____ usage?
 How ____ the ____ natural ____ to electricity affect my ____?
 Can ____ explain how the substitution ____ natural ____ energy ____?
 What about ____ switch ____ electricity?
 How ____ change when ____ from natural ____ to ____ power?
 ____ change ____ gas ____ my electricity use?
 Does ____ switch from ____ impact ____ use?
 ____ you tell ____ how ____ natural ____ electricity ____ my consumption patterns?
 Does changing ____ natural gas ____ electricity affect ____?
 If ____ from ____ to ____ what will happen to ____?
 ____ the change to ____ I ____ energy overall?
 How do conversion from ____ gas ____ my ____?
 ____ replacing gas ____ power ____ my ____?
 How does ____ from natural ____ electricity ____ my ____ consumption ____?
 ____ conversion ____ natural gas to ____ affect how ____ energy?
 How ____ natural gas ____ affect my usage?
 How does the ____ electric ____ what ____ use ____ energy?
 ____ from natural ____ to electric going ____ change my ____?
 How is ____ natural ____ to ____ to affect ____ energy ____?
 Does going from ____ my ____?
 How ____ from natural gas ____ my ____ usage?
 My energy ____ change if ____ from gas ____.
 Does ____ to electricity change my power ____?
 Changing ____ electric power ____ shift my ____ habits.
 ____ will ____ transition from ____ electric ____ change my ____ of energy?
 Does ____ to electric ____ affect ____ use?
 ____ the ____ natural gas ____ electricity impact my ____?
 ____ you ____ me an idea ____ before and ____ states ____ my energy ____ when I ____ from natural ____?
 Will the ____ electricity ____ energy ____?

_____ gas to electricity may affect my _____.

How _____ for _____ change my energy use?

_____ to _____ from natural _____ usage.

Will changing to _____ of _____?

Can _____ from _____ gas to electricity _____ energy _____?

Can _____ the shift _____ gas to electricity impacts my _____?

How _____ the changeover _____ electricity _____?

Will the switch _____ gas _____ my _____?

Changing from _____ electric _____ affect _____ usage habits.

Which _____ the transition _____ natural gas _____ affect my _____?

_____ if the _____ thing messes with my _____.

_____ does _____ natural _____ to electricity affect use?

_____ usage _____ by my _____ to electricity?

_____ changing to electricity affect _____ of _____ use?

_____ you shed light _____ how _____ from natural gas _____ energy _____?

convert _____ from natural _____?

_____ don't _____ will happen to _____ monthly usage if _____ switch _____ power.

_____ gas affects my _____ usage?

_____ will my _____ after I _____ natural gas _____ electricity.

_____ the _____ from _____ to _____ my energy usage?

_____ switch _____ natural gas to electricity _____ energy _____?

Is it _____ that _____ natural gas _____ electricity _____ consumption?

Can _____ exchanging _____ gas _____ my energy use?

Does _____ switch to _____ my _____?

Will _____ switch _____ to electric impact _____ use?

_____ I switch _____ what would happen?

How _____ transition _____ natural _____ electricity _____ my energy consumption?

_____ transition from natural gas to _____ power change _____ consume _____ energy?

_____ of using _____ consuming energy _____ changed _____ transitioning from _____ to electric _____?

_____ from _____ gas to _____ my energy use.

Using _____ instead _____ natural gas _____

_____ changing to electricity going _____ change _____?

_____ I _____ from _____ what affects my _____ use?

Can _____ explain how _____ natural gas _____ energy use?

How does _____ electric _____ my _____?

_____ was _____ how _____ of _____ gas _____ my energy use.

Is it possible _____ way of _____ and _____ altered by transitioning from natural _____ to _____?

Does switching _____ my _____ use?

conversion _____ from natural _____ my _____.

How _____ whole _____ thing _____ my _____ usage?

Will substituting power _____ my _____?

Does _____ switch _____ affect _____ energy _____?

Will my electricity usage change if _____?

When _____ to electricity, what _____ I see?

_____ from natural gas _____ electricity will _____ habits.

Does _____ from _____ power change my energy _____?

_____ natural gas _____ to electrical power _____?

_____ it possible _____ from _____ to _____ impacts my _____ and consumption patterns?

How will my energy _____ be _____ by _____ natural _____?

Will the _____ from natural gas _____ my _____?

Does this ____ from ____ gas ____ electricity ____ my ____ ?

Will transitioning to electricity ____ on my ____ ?

____ does substituting electricity ____ gas affect ____ energy?

____ can ____ my energy ____ ?

Will ____ see ____ change ____ my energy ____ when I convert ____ gas ____ ?

____ switch ____ electricity affect ____ energy ____ ?

Will the transition to ____ energy?

____ from natural ____ to ____ usage patterns.

Will changing ____ my energy ____ ?

How will my energy usage ____ gas ____ Electricity?

____ will ____ shift ____ gas ____ electric ____ affect ____ energy use?

____ change to electricity ____ how ____ consume ____ .

Changing ____ gas ____ electric ____ consumption.

____ the change to ____ how ____ ?

Will my usage ____ I switch ____ natural ____ electricity?

____ from ____ to electricity ____ consumption?

____ energy ____ changed if I switch ____ gas ____ ?

How does ____ electric affect ____ much I use ____ ?

I ____ to ____ how ____ usage ____ I ____ from natural ____ to electricity.

How ____ gas ____ electricity affect my energy ____ ?

____ switch ____ gas to ____ affect ____ ?

Changing ____ natural gas ____ affect my usage ____ .

____ gas ____ switch ____ energy usage?

____ the change ____ natural gas affect ____ of ____ ?

____ does transitioning ____ natural gas ____ my ____ use?

____ from natural gas to ____ affect my ____ use?

____ switching ____ gas to ____ my energy ____ ?

Does ____ gas ____ electricity ____ the way I use ____ ?

What ____ my ____ usage if I switch ____ gas ____ ?

____ change from natural ____ affect my use?

____ the conversion ____ natural ____ to electricity ____ energy ____ ?

How will ____ switch ____ natural gas to ____ energy ____ ?

Will ____ usage ____ energy ____ be affected ____ switch to ____ ?

____ the transition ____ gas ____ electric be ____ ?

Do changing ____ gas ____ how much I ____ ?

Will ____ from ____ to ____ affect ____ ?

____ the change ____ gas ____ my energy ____ ?

____ to electricity ____ energy usage.

How ____ from natural gas to ____ ?

How shifting ____ gas ____ electricity ____ energy usage?

____ changing from ____ energy consumption?

I want ____ how shifting from ____ to electricity ____ energy ____ .

____ conversion from natural ____ electricity affect my ____ ?

Will my use of ____ I ____ from ____ ?

____ electricity change ____ energy usage?

Does ____ from gas to ____ my ____ ?

Is it possible that changing ____ to ____ usage patterns ____ me?

Does ____ from ____ to electricity ____ ?

____ there be changes in ____ use ____ switch ____ electric?

How ____ the swap of ____ affects my ____ use?

When shifting _____ from _____ are _____ for my _____?

_____ what way _____ transitioning from natural gas _____ my energy _____?

_____ effect _____ converting to _____ natural _____ have _____ my usage?

_____ gas _____ electricity _____ affect my usage _____.

_____ gas to _____ will _____ how _____ I consume.

_____ transition to _____ my _____ patterns?

Will _____ be _____ how much _____ I _____ if I _____ gas?

Can you give _____ an _____ of my energy _____ patterns before _____ converting _____ natural _____?

_____ converting from _____ electricity affect _____ consumption?

How _____ to electricity deal affect my _____?

_____ would _____ how my _____ change after _____ from natural gas to _____.

_____ I _____ from _____ power, what will happen to _____?

Will my energy _____ to _____ from natural gas?

Is _____ to electricity _____ affect energy _____?

_____ to electric affect energy _____?

_____ use _____ will _____ affected by the _____ natural gas _____ electricity.

What _____ gas to _____ how will it affect my energy _____?

What _____ natural gas is _____ by _____?

_____ switch from _____ to electricity, _____ will happen?

Will the transition _____ to electric _____ power _____?

How does _____ gas to electricity _____ consumption _____?

Does _____ from natural _____ something _____ affect _____ energy _____?

_____ transition from natural _____ to _____ will change my _____ use.

How _____ switch _____ to electric affect _____ much I _____?

_____ changing from _____ gas _____ effect my _____ energy?

How _____ the _____ energy use?

_____ way does transitioning _____ natural _____ electricity _____ consumption habits?

How _____ substituting _____ gas affect _____ consumption?

_____ shifting from _____ to power affect _____?

_____ shift from gas _____ may _____ how much _____ consume.

Will _____ power _____ my energy _____?

_____ switch _____ to _____ will my energy usage be _____?

_____ does _____ from natural gas to _____ my _____?

Can _____ use _____ changed _____ converting from natural _____ electricity?

_____ will _____ transition _____ electric _____ affect _____ energy consumption?

Does _____ switch _____ natural _____ to _____ my usage?

Does _____ electric affect _____ consumption?

_____ will _____ switch _____ natural _____ to _____ power affect _____ habits?

Do _____ know the before and _____ use when I convert _____ from natural _____?

_____ gas to electricity messing _____ my _____?

How does _____ from _____ gas to _____ and consumption?

Does _____ to power affect _____ energy _____?

Will _____ to electricity _____ and _____?

_____ my energy uses _____ when I _____?

_____ conversion _____ to electricity _____ consumption?

Someone could tell _____ how _____ substitution of _____ energy _____.

Is it _____ that shifting from _____ gas _____ electricity affects _____ overall _____?

_____ are _____ consequences _____ I switch from _____ to _____?

_____ does a change _____ affect energy _____?

Will _____ power instead of _____ change _____?

_____ patterns affected by _____ from natural gas _____ ?
 Will going _____ natural gas _____ affect my _____ ?
 _____ the _____ gas to electric _____ consumption?
 How _____ from _____ electric affect how _____ I use _____ ?
 Does _____ from _____ gas _____ electricity _____ an impact _____ my _____ ?
 Will _____ natural gas _____ much power I _____ ?
 How _____ the changes _____ to _____ affect _____ usage?
 _____ does gas to _____ my _____ energy?
 _____ gas to electric power will affect _____ .
 _____ to electricity _____ affect _____ I _____ and _____ energy?
 _____ natural gas for _____ change _____ energy _____ habits?
 What _____ this _____ do _____ my energy _____ ?
 How _____ the _____ which _____ consume _____ be changed by using electric _____ ?
 How does _____ shift from _____ what _____ use for _____ ?
 How does the _____ to _____ affect my _____ habits?
 _____ shifting from _____ gas _____ power _____ usage?
 _____ does _____ switch from _____ electric affect _____ use?
 Will the _____ electricity _____ my _____ ?
 _____ much do _____ consume when _____ replaced _____ electric?
 _____ transition _____ natural gas to _____ power _____ my energy _____ ?
 I would _____ how _____ energy usage will change _____ I convert _____ electricity.
 How does converting _____ electricity _____ my energy _____ ?
 _____ from natural gas change _____ energy _____ ?
 Will the switch from _____ much _____ I _____ ?
 Does _____ gas to power change _____ energy _____ ?
 Does changing _____ electricity impact my energy _____ ?
 Will _____ when I _____ from natural gas _____ electricity?
 How _____ changing _____ natural _____ electricity impact my _____ ?
 _____ does _____ to electric _____ gas affect my _____ ?
 _____ converting from _____ to electricity, what _____ see _____ my energy _____ ?
 Does _____ switch _____ power _____ my energy usage?
 _____ converting from natural gas to _____ ?
 _____ me how changing from _____ gas to electricity _____ ?
 Will electricity _____ way I use _____ ?
 When _____ from _____ electricity, what changes _____ I see _____ my _____ consumption?
 _____ electricity going to _____ how _____ use energy?
 Will the switch _____ natural gas _____ my _____ energy?
 Transition from natural gas _____ electricity affects _____ consumption _____ .
 When I _____ power, what _____ happen?
 _____ converting _____ natural gas to electricity _____ ?
 _____ the _____ to electricity impact _____ ?
 _____ a change _____ natural gas _____ my use _____ energy?
 Does changing _____ to electricity _____ ?
 _____ don't know how _____ change from _____ to _____ my _____ use.
 _____ know _____ shift from _____ to electric _____ my energy _____ .
 _____ transformation from natural gas to electric _____ affect my _____ and _____ ?
 Changing _____ may _____ I use _____ consume energy.
 Will my _____ when _____ switch _____ natural gas _____ electricity?
 Will converting _____ electricity _____ energy _____ ?
 How _____ the conversion _____ from _____ gas _____ my _____ ?

_____ I switch from natural gas _____ my _____ change?

_____ switch from _____ to electric changing _____ energy _____?

The _____ gas to electric can _____ how _____ I _____.

Does changing _____ electric _____ use?

Does _____ change _____ gas to electricity affect _____ use _____?

Will my energy _____ if _____ switch from _____?

_____ the _____ and after _____ of _____ energy _____ when _____ to _____ from natural _____?

_____ changing to _____ gas _____ my _____ usage?

_____ I _____ by the _____ from natural gas to electricity.

Will changing to _____ my _____?

_____ I transition _____ natural _____ electricity, what _____ can I _____?

When _____ switch _____ gas _____ what _____?

_____ usage change _____ I convert to _____?

_____ from gas to _____ my energy _____?

_____ know how _____ energy usage _____ I convert from natural gas to _____.

Going _____ gas _____ electric power _____ usage habits.

_____ is the _____ consumption _____ I shift away from _____?

Will my _____ use _____ after _____ convert _____ natural _____ electricity?

_____ does converting from _____ affects my energy _____?

How _____ change _____ I convert _____ natural _____ to electricity?

What _____ my _____ usage when I switch _____ electricity?

How _____ shift from gas to electric _____?

_____ natural gas _____ may affect _____.

Does substituting gas _____ electricity _____?

What _____ I switch _____ gas to electricity?

_____ from natural gas _____ my _____?

When _____ switch from gas _____ what _____ do?

Do changing _____ to _____ consumption patterns?

How _____ energy usage _____ after _____ convert _____ natural _____ to electricity?

_____ to _____ gas _____ my usage?

_____ wonder how _____ gas substitution _____ my _____.

How does converting from _____ gas _____ the _____?

_____ conversion from natural _____ electricity affect _____?

How _____ will depend on _____ conversion from _____ gas _____.

_____ give _____ a _____ my _____ use before and after I _____ electricity from _____ gas?

_____ a switch from _____ to _____ affect _____?

How _____ from gas _____ how I _____ my energy?

Does the change _____ natural gas to _____ affect _____ and _____?

_____ gas _____ electricity change _____ energy usage habits?

How _____ change from _____ to _____ power _____ of _____ and consuming energy?

_____ electricity _____ how I use and _____ energy?

What will my _____ when _____ switch from natural _____ to _____?

How will _____ electricity _____ from using _____?

_____ switching _____ to power _____ energy use?

Can converting from natural _____ to _____?

Does shifting from natural _____ affect _____ use?

Will _____ change from _____ gas to _____ my _____?

Does _____ from _____ to electric _____?

_____ from _____ gas to _____ influences _____ consumption habits _____ levels.

_____ from natural gas to _____ affect _____ use?

_____ the _____ electricity affecting _____ energy _____?
 _____ the _____ from gas to _____ my _____?
 Does _____ natural _____ my _____ usage?
 _____ the _____ thing affect _____ energy _____?
 _____ I switch from _____ power?
 Do changing from natural _____ to _____?
 _____ going from _____ power affect _____ energy _____?
 _____ I _____ from gas _____ what _____ to my _____ consumption?
 _____ I use energy _____ be affected by _____ electricity.
 How _____ natural gas _____ electric _____ affect _____ of energy?
 _____ transitioning from _____ to electricity affect my _____ levels?
 _____ does converting _____ electricity _____ consumption?
 Is _____ gas-to-electricity _____ my _____ use?
 _____ will this _____ gas to _____ deal _____ electricity _____?
 Can _____ energy usage _____ when I switch to electricity?
 How will the transition _____ electric _____ energy _____?
 I _____ to know _____ energy usage will be after converting _____.
 _____ do _____ change _____ natural gas to _____?
 What _____ changing _____ gas to _____ mean?
 _____ my usage _____ I _____ to electricity?
 Can converting _____ change my _____?
 How does _____ switch _____ gas to _____ my _____ energy?
 Will _____ electricity change _____ I _____?
 _____ the consequences _____ changing from gas _____?
 Will _____ natural _____ to electricity deal _____ energy _____?
 What _____ happen to _____ when _____ switch _____ to electricity?
 How _____ the _____ natural _____ to _____ my energy _____ and consumption?
 So if I switch _____ gas _____ will _____ usage?
 Does _____ switch _____ to _____ change my energy _____?
 _____ from gas to _____ affect _____?
 _____ shift _____ to electric _____ my average consumption?
 _____ shift from _____ electric affect how much _____?
 DoSwitching _____ electric _____ my _____?
 _____ are _____ consequences _____ energy _____ I shift _____ from gas?
 _____ gas affects my _____ use?
 _____ I _____ away _____ gas, what is _____ for _____ energy _____?
 Will _____ change what I use _____?
 _____ power for gas _____ usage patterns?
 How _____ my way of _____ and _____ energy _____ switch to _____?
 Does _____ from _____ my usage?
 When _____ from _____ what _____ for my energy consumption?
 Can _____ me the before _____ states of my energy use _____ I _____ from _____?
 How does conversion _____ to _____ affect _____ patterns?
 _____ does transitioning from natural _____ to electricity _____ energy _____?
 Is _____ switch _____ to _____ my energy use?
 How does _____ conversion to _____ gas affect _____?
 Does _____ to _____ the way _____ consume?
 _____ a _____ from _____ gas _____ energy?
 Will changing from _____ gas _____ affect _____ consumption _____?
 How much _____ I _____ I _____ electricity _____ of natural gas?

Does the _____ from _____ affect _____ consumption?

_____ use of energy be _____ switch from _____ to electricity?

Does _____ from _____ gas _____ use?

_____ happen _____ my _____ usage _____ I switched _____ gas to _____?

_____ switch _____ natural gas to _____ what _____?

_____ conversion from natural _____ to electricity _____ consumption _____?

_____ how my energy usage _____ change after converting from _____ to _____.

Can you _____ me how the _____ from _____ gas _____ energy _____?

I'd like to _____ the _____ states _____ my _____ use when _____ to _____ natural gas.

How does the change from gas _____ I use _____?

Will _____ change _____ electricity affect how _____ consume my _____?

Does _____ switch _____ electric _____ my _____?

_____ shift from gas to _____ much energy _____ use?

What _____ from natural _____ to _____ power _____ to _____ usage _____?

Will _____ to _____ my _____ use?

_____ you show me _____ and after energy _____ patterns when I _____ gas?

_____ somebody explain _____ natural gas affects my _____ use?

Converting _____ natural gas affects _____.

How will _____ of _____ change as I _____ natural _____ electric _____?

When I switch _____?

_____ possible that _____ natural _____ to electricity results in _____ patterns _____ use?

Does the switch _____ natural _____ affect energy _____?

Does Switching _____ gas to _____ affect _____?

_____ it _____ that shifting _____ natural _____ electrical _____ influences usage?

How will _____ from _____ gas to _____ affect _____?

_____ to electricity change how _____ energy?

Does _____ gas _____ electricity affect _____?

_____ happen when _____ electric power from _____ gas?

_____ is the _____ my energy _____ when I _____ away _____?

_____ changing _____ electric affecting my _____?

_____ does changing from natural _____ affect _____?

_____ changing _____ affect my consumption?

Switching from natural gas to _____ my _____.

How _____ thing affect _____ use?

Is _____ electricity for _____ changing _____ usage?

_____ electricity for _____ affect _____ I consume energy?

What _____ happen _____ monthly _____ if _____ switch from _____ to _____?

_____ converting from natural _____ what changes should _____?

Can _____ me _____ and after _____ of my energy use _____ from natural gas?

_____ transition _____ gas to electricity affect _____ energy use _____?

_____ natural gas to electricity _____ utilization habits?

_____ happens _____ I _____ electricity _____ gas?

_____ converting from natural _____ my energy use _____?

Will _____ to _____ what _____ use _____ consume?

_____ I get _____ energy usage _____ shift from natural _____?

How does _____ from natural _____ my energy usage?

After converting _____ natural _____ to _____ how _____ energy usage _____?

_____ shift _____ natural gas to electrical power _____?

_____ changing from natural _____ electricity _____ my _____ energy?

How _____ from natural gas to _____ my _____ use?

Can you tell _____ changing _____ gas to _____ affects my _____?

How _____ conversion _____ natural gas _____ affect my _____?

How does _____ to _____ natural gas _____ my _____?

Is the _____ gas to _____ affecting _____ energy _____?

_____ gas for _____ affect _____ of energy?

_____ a switch _____ affect my _____?

_____ the _____ from _____ to _____ my consumption?

Will _____ to _____ I use _____ overall?

_____ like _____ know how the _____ natural _____ my _____ use.

_____ shift _____ gas, what are the _____ for _____ consumption?

_____ from _____ to power affecting _____?

_____ the _____ from _____ to electric affect _____ usage?

_____ to electric _____ much I consume.

How will _____ energy usage _____ after _____ electricity?

What will the change _____ electricity do _____?

How _____ substitution of natural gas _____?

Will my _____ be affected if _____ switch _____?

_____ does _____ change _____ electric affect how much _____ I use _____?

_____ transitioning from _____ to _____ energy usage levels?

_____ will this natural _____ electricity _____ affect my _____?

Will my _____ use change when I convert _____?

_____ happens to _____ usage when I _____ from _____?

Does switch to _____ use?

_____ does _____ shift _____ to electric affect _____ consume?

_____ tell me how my energy usage _____ converting _____ electricity?

How _____ shift from _____ to _____ my energy _____?

_____ changing _____ gas to _____ my energy usage?

_____ gas to electric _____ way of _____ and consuming energy.

_____ will _____ when I switch from natural _____?

_____ converting _____ Electricity affect consumption?

_____ from _____ gas to electric power _____ how I _____ and _____.

_____ you _____ about _____ states of my _____ use when _____ to electricity from natural _____?

Can conversion _____ natural _____ electricity change _____ energy _____?

_____ does the _____ from natural gas to _____ patterns?

_____ conversion from natural _____ electric affect usage?

Does changing from _____ gas to electricity _____ and use _____?

How will _____ natural _____ to electric power affect _____?

How _____ I convert from natural gas to electricity.

_____ from _____ to _____ what _____ happen to _____ monthly usage.

Changing from _____ electricity affects my _____.

How _____ shift from natural gas _____ usage and _____?

_____ anyone _____ natural gas affects my energy _____?

When _____ switch _____ the implications for my energy _____?

Does _____ power for _____ alter _____?

_____ from natural gas to electricity _____ use?

In what way _____ electricity affect my usage?

_____ switch from natural gas to _____ usage?

Is it _____ affect my monthly _____ switch from gas _____?

I _____ if converting _____ gas to electricity _____ energy _____.

Does this _____ to electric _____ consumption?

____ I ____ gas ____ electricity, what ____?
 Does switching to ____ from natural ____ energy ____?
 ____ from ____ to electricity ____ my energy ____ habits?
 ____ the ____ from natural ____ to electric ____ affect ____ and use?
 Will ____ change if I switch ____?
 ____ changing ____ natural gas ____ my consumption?
 Will ____ change from ____ gas ____ affect ____ use?
 Is ____ natural gas to ____ my usage?
 How ____ gas- to-electricity thing ____ my ____?
 Can you ____ me the ____ states ____ my ____ when converting ____ from natural gas?
 ____ shift ____ natural gas ____ electrical power?
 ____ power ____ my energy use?
 ____ does the ____ from gas to ____ how ____ I ____?
 ____ do conversion ____ affect my energy use?
 How can ____ thing ____ use?
 ____ converting from natural ____ to ____ my energy ____?
 ____ natural gas ____ my energy ____ and usage levels.
 What changes will I ____ in ____ use when ____ convert ____ gas ____?
 Will ____ transition ____ natural ____ to electric ____ use?
 Transition ____ natural ____ electricity?
 ____ natural gas ____ electric power will ____ my ____ of ____ energy.
 ____ to electricity deal affect my usage?
 How ____ the ____ natural gas ____ electricity ____ my ____ and ____?
 Does the change ____ effect how I ____ energy?
 ____ a ____ electricity affect ____ use?
 ____ changing ____ gas ____ affect use?
 ____ from gas to power ____?
 ____ the switch from ____ power ____ my ____ use?
 Does ____ natural ____ electricity affect my energy ____?
 I ____ if someone ____ how ____ substitution ____ natural gas ____ use.
 Is it ____ that ____ of ____ gas affects my ____?
 Does changing ____ natural ____ to ____ use?
 ____ from ____ gas ____ electricity change ____?
 How does ____ from ____ electrical ____ usage?
 Can changing from ____ to electricity ____ my ____?
 Does ____ to electric ____ consumption?
 ____ will affect the ____ I use ____ consume ____.
 Is changing ____ natural ____ affecting ____ use energy?
 Will converting from ____ gas to ____ use ____ energy?
 ____ from natural ____ to ____ levels and ____ habits.
 Will ____ from ____ gas ____ electricity ____ my ____ use?
 Does the switch from ____ to electricity ____?
 ____ moving ____ electricity ____ natural gas ____ my ____ use?
 How ____ the ____ from natural ____ electricity ____ use?
 ____ I ____ my ____ habits ____ using electricity instead ____ gas?
 ____ converting natural gas to electricity affect ____?
 Someone ____ explain how the ____ of natural ____ my ____.
 ____ I switch ____ gas to ____ will ____?
 How ____ from ____ gas ____ affect ____ energy usage?
 ____ to ____ going to ____ how ____ use energy?

_____ gas _____ electric power will _____ my _____ habits.

What changes will _____ see in _____ energy usage when _____ to _____?

_____ gas to electricity might _____ different _____ of usage.

What happens when I _____ natural _____?

_____ you tell me how shifting from _____ impacts my _____?

_____ switch _____ electric _____ my power usage?

Will _____ change after _____ convert _____ gas to _____?

_____ know how _____ of _____ gas _____ my energy use.

What _____ the _____ of shifting away _____ electricity?

How _____ to electricity deal _____ my energy _____?

What impact does _____ away from _____ my _____?

Is _____ to be affected if I _____ from _____ power?

_____ from _____ to electric power may _____ habits.

_____ my energy use _____ to electric?

_____ gas _____ electricity affect your _____?

_____ will _____ to electricity affect _____ usage?

Does _____ switch _____ gas _____ energy use?

Does _____ switch from _____ an _____ on _____ energy usage?

_____ electric affecting my _____ patterns?

_____ the switch from _____ electricity _____ your energy _____?

How will _____ transition _____ gas _____ power _____ my _____ of _____ energy?

_____ will _____ from natural _____ to _____ affect my _____ habits?

Does _____ gas to power _____?

What impacts _____ shifting from natural _____ on _____ usage?

_____ way I use _____ energy _____ impacted _____ converting?

The _____ from _____ to electric affects _____ much _____.

Do you know _____ natural _____ to _____ affects my _____ usage and _____?

The shift _____ gas _____ affect how _____ energy I _____.

How _____ converting _____ gas _____ electricity _____ my usage?

Is _____ for _____ energy consumption?

How does the _____ from natural _____ usage patterns?

Can _____ shed _____ from _____ gas _____ electricity affects my energy _____?

_____ from _____ to _____ impact how _____ I consume?

What is _____ impact of shifting _____ gas _____ my consumption _____?

Does _____ from _____ change _____ energy usage?

_____ to electricity affect energy _____?

How _____ use _____ affected by _____ gas to electricity.

_____ I _____ affected _____ how _____ electricity _____ I switch from natural _____?

What will _____ to _____ usage _____ switch from _____ gas _____ power?

What changes can _____ in _____ energy use _____ I _____ from _____ electricity?

_____ switch _____ affect my energy _____ patterns?

Does _____ Natural gas to _____ affect _____ energy?

Will _____ energy _____ and usage _____ I _____ electricity?

Does _____ from _____ electricity _____ energy usage?

_____ I switch _____ gas _____ electricity, _____ energy use change?

My energy _____ will _____ I switch _____ to _____.

_____ will affect how much energy I use.

_____ does changing from _____ power _____ your usage?

_____ gas for _____ affecting energy _____?

_____ wondering how the _____ of _____ gas affects _____ energy _____.

_____ my energy use _____ by _____ switch _____ ?
_____ the switch _____ gas _____ affect my _____ of _____ ?
Does changing from natural _____ to _____ use energy?
_____ transitioning from _____ gas to electricity affect _____ ?
_____ switch _____ natural _____ to electric _____ my _____ use.
_____ it true _____ gas to _____ affects _____ much _____ consume?
Will _____ consumption _____ if I switch _____ gas _____ ?
Can _____ from natural _____ to electricity _____ way _____ use _____ ?
_____ changing _____ gas _____ affect how much I _____ ?
Does shifting _____ in my energy usage?
_____ has the shift _____ affected _____ ?
How _____ from _____ gas to _____ affect _____ levels?
Does _____ energy usage change if _____ to electricity _____ ?
I _____ to _____ the swap _____ affects my energy _____ .
_____ changing from natural gas to _____ affect _____ ?
Can _____ to electricity make me _____ energy?
_____ to-electricity affect _____ energy use?
What will _____ my _____ I switch _____ gas to _____ ?
How _____ from natural gas _____ electricity _____ energy _____ ?
_____ switching to electric _____ usage?
Will Switching to natural gas _____ I _____ and _____ often?
How _____ the entire gas-to-electricity _____ usage?
