

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	CCTV camera installation
Inquiry Sub-Category	Recording and storage options
Description	Customers inquire about the different recording and storage options available for CCTV cameras, including cloud-based storage, local storage, and backup solutions.
Data Size	5,016 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)

Can _____ details _____ retention durations for _____ and storage options _____ vs. _____?

Are you aware _____ videos _____ in the _____ or locally?

_____ there a _____ how long videos are _____ the cloud _____?

Can ya _____ how long _____ stay, stored _____ clouds _____?

_____ us some _____ on the _____ of _____ retention on cloud and _____?

_____ want _____ the length of _____ that video remains _____ or _____.

Taking _____ into account, _____ lengths of time can _____ be retained?

Is _____ any _____ backup lengths _____ cloud or locally?

_____ using cloud-based _____ alternatives, what _____ in time frame _____ the _____ videos?

Do you know _____ time that video _____ in _____ locally _____ storage?

Can you give _____ on the _____ of _____ that _____ the cloud or _____ owned _____?

_____ video durability of _____ and cloud recordings.

When using cloud-based or locally-stored _____ is _____ in _____ frame _____ retaining _____?

How do you tell _____ local _____ limits?

_____ you tell _____ about _____ length _____ time that _____ stays _____ or locally?

_____ how _____ video stays in the cloud or locally _____ storage _____?

_____ you tell _____ time that _____ is in the cloud _____?

How long are _____ remaining _____ cloud _____ storage?

_____ you provide _____ about the _____ video retention _____ as well as the _____?

Can you _____ length of time _____ stays in _____ cloud?

_____ long can _____ video _____ if they are _____ cloud or stored _____?

_____ know how _____ the _____ are stored _____ cloud or _____?

_____ there any _____ on the _____ retention for _____ and the _____?

_____ long _____ you _____ take _____ retain _____ between local or _____ recording _____ storage methods?

_____ you _____ durations _____ video retention _____ different _____ options?

Is _____ any _____ length of _____ retention on _____ and cloud _____?

_____ you clarify _____ retention _____ various options _____ content locally saved or _____ cloud?

_____ selecting between _____ or cloud-based recording _____ storage _____ long is _____ for _____ videos _____ be _____?

Let _____ when _____ last, cloud _____ storing _____.

Can you tell me the _____ video _____ cloud or _____?

_____ tell _____ the length _____ that _____ the cloud or locally-owned video?

_____ possible to _____ how long _____ can _____ kept if they _____ recorded _____ or stored _____?

_____ you tell me _____ local video time _____?

_____ you _____ length of _____ video _____ in the cloud or on _____ local _____ facility.

_____ duration of the video retention _____ as well _____ the cloud _____?

Can you _____ the _____ of time video stays _____ cloud or _____ locally _____ facility?

_____ using cloud-based or _____ how _____ does _____ retain recorded videos?

_____ retention _____ various choices, like cloud or _____.

_____ to know the length _____ video stays _____ the _____ locally-owned storage.

_____ there any information _____ retention durations _____ cloud _____ local _____?

Is _____ possible to _____ about durations of video retention _____ cloud _____?

_____ it _____ the length of _____ that video stays in _____ cloud _____ on _____ local storage _____?

Can you _____ us _____ retention on _____ storage options?

When _____ or locally-stored alternatives, what is _____ retaining _____ videos?

Will _____ video retention timescales _____ regard to _____ in-cloud _____ content _____?

_____ you know _____ recorded videos can _____ by _____ or locally?

Can _____ information on durations of _____ Retention _____ well _____ the cloud options?

Is _____ any _____ about _____ recorded _____ kept in _____ cloud _____ local?

Can you tell _____ the _____ time that video _____ in the _____?

_____ between local or _____ and _____ methods, _____ is _____ actual timeframe _____ retaining _____?

_____ give us _____ of _____ that video stays _____ cloud _____ locally owned?

How _____ can _____ in _____ cloud or _____ storage?

Is _____ possible to provide _____ video retention _____ storage _____?

_____ it possible _____ me the _____ of time that _____ in the _____ on _____ facilities?

_____ into _____ cloud-based _____ locally _____ recordings, what lengths of time _____?

_____ you tell me the _____ of _____ that video _____ or locally _____ storage _____?

There's a _____ how long _____ are saved _____ or locally _____.

Taking _____ account _____ recordings, how long can videos be _____?

Do you _____ on _____ video retention _____ different storage _____?

_____ you tell _____ time _____ video _____ in _____ cloud _____ locally owned _____?

Can you _____ video _____ in the _____ or local?

_____ possible to tell _____ video stays in the _____ or _____?

_____ the retention durations for _____ that _____ recorded in _____ locally.

With _____ or _____ storage, _____ durations _____ recorded videos?

Can _____ me about the _____ video _____ in the cloud or _____ owned storage _____?

How _____ for _____ to be _____ when _____ between local or _____ methods?

_____ it _____ to tell me the length of _____ cloud or _____ storage?

Can you tell me _____ the _____ that video stays _____ the _____?

Can _____ me _____ the length _____ time that video _____ either _____ or _____?

_____ want _____ know _____ length _____ time _____ in the cloud or _____ a _____ storage facility.

Taking into account _____ or locally stored recordings, _____ lengths of _____?

_____ have information about _____ duration _____ video retention _____ options?

_____ you know _____ videos can _____ kept if they are _____ to _____?

_____ you _____ the length _____ that _____ stays _____ or locally owned storage?

What _____ times _____ left in _____ cloud or local _____?

_____ you _____ me know the durations of _____ cloud _____ local _____?

_____ you _____ the _____ video retention for different _____ choices

How _____ do these _____ local _____ or in _____ cloud?

_____ me information about _____ duration _____ on local and cloud _____?
 _____ there _____ on _____ duration of _____ for _____ storage options?
 How long _____ with cloud _____ local _____ options?
 _____ you explain _____ length of time _____ video _____ locally owned storage _____?
 Is _____ possible to _____ details _____ retention durations _____ options?
 I _____ know the lengths _____ in the _____ locally.
 _____ you _____ how long _____ stays in the cloud _____?
 _____ do these videos last in _____ local _____?
 _____ about _____ local and cloud video.
 Share _____ about how long _____ footage _____ cloud or _____.
 Can _____ tell _____ video stays in _____ cloud _____ on _____ local storage _____?
 How long does _____ recorded _____ cloud storage?
 _____ tell us how _____ in the cloud _____ a local _____ facility?
 Tell me how _____ are kept _____ cloud _____?
 How _____ still _____ the cloud or local _____?
 What _____ video _____ the cloud or _____ owned _____?
 _____ like to know the length _____ time _____ stays in _____ locally _____ storage
 _____ into _____ recordings _____ cloud-based recordings, _____ lengths _____ time _____ videos _____ retained?
 _____ about _____ limits for _____ video.
 Can you tell _____ lengths in _____ or locally?
 _____ anyone _____ of _____ retention _____ different storage options?
 _____ the lengths of _____ backups _____ cloud _____ known?
 Is _____ information about the _____ video retention _____ and _____ storage.
 Can you _____ information about _____ of video retention _____ local _____?
 How long will _____ take _____ be _____ if you _____ or _____ methods?
 How long does _____ or _____ owned storage?
 Can you _____ length of _____ video stays _____ the cloud _____ owned _____ option?
 _____ of _____ recorded _____ different _____ options, including cloud and local?
 cloud _____ local _____ durations _____.
 Can you _____ recordings are _____ in _____ or local?
 _____ would _____ know the _____ of time _____ video _____ the _____ or local.
 I want _____ the length _____ time that _____ stays in the _____.
 _____ you _____ of the video _____ different storage options?
 Is _____ a difference in _____ are _____ using _____ or locally _____ footage?
 When using _____ cloud storage, _____ do _____ last?
 Taking _____ account _____ recordings, what lengths of time can _____?
 _____ much _____ videos _____ in the _____ compared to _____ storage?
 _____ any _____ on durations of video _____ local and _____?
 What _____ does videos _____ cloud or _____ storage _____?
 _____ you _____ me the duration _____ video retention _____ options?
 _____ you tell _____ that _____ stays in the _____ local storage?
 _____ me _____ be kept if _____ are recorded to the cloud _____ local?
 _____ long _____ the _____ stored in the _____ or _____?
 _____ using _____ local storage how long do _____?
 _____ you give _____ on _____ length of _____ the cloud or local?
 How _____ will videos _____ with _____ storage?
 Can _____ give us _____ information about _____ the cloud and _____ options?
 _____ to _____ the length of time _____ in _____ cloud _____ locally-owned video.
 Do _____ have any _____ video _____ durations _____ or _____ storage?
 When using _____ or _____ storage, _____ long _____ remain saved?

Taking _____ cloud-based or locally stored _____ of time _____ you _____?
 _____ can the _____ be in _____ cloud _____ storage?
 _____ on _____ lengths _____ cloud or locally?
 Is _____ specific time _____ in the _____ or local storage?
 _____ you know _____ retention durations _____ cloud _____ local _____?
 Can ya _____ how _____ the videos stay local _____ stored _____?
 _____ into account cloud-based or _____ recordings, _____ lengths _____ video can _____?
 _____ you tell me _____ duration _____ retention _____ local _____ cloud?
 Can you give us _____ the _____ retention _____ and local options?
 Can you tell me how _____ recordings _____ locally?
 Do _____ know _____ long recordings _____ using _____ storage?
 When choosing _____ or _____ recording and _____ what _____ it takes to _____ videos?
 _____ the length of video backups _____ cloud _____?
 When using _____ storage, _____ do _____ stay saved?
 _____ the length of _____ that video stays _____ cloud or on _____ storage _____.
 _____ you give _____ on _____ video _____ for local as _____ as the _____?
 I _____ know the _____ time _____ stays in the cloud _____ locally _____ storage facilities.
 _____ you _____ take for video to be kept _____ or _____ the _____?
 _____ tell me _____ video stays _____ or locally owned?
 Can _____ provide _____ durations _____ video retention on cloud and _____?
 _____ you give us _____ information _____ durations _____ on _____ and _____ storage?
 _____ me the _____ that _____ stays in the cloud or locally _____?
 When _____ storage _____ storing _____ how _____ do they last?
 I _____ to know _____ length _____ time video _____ the _____ or _____.
 Can you _____ information _____ the _____ the cloud or local?
 _____ does it _____ to keep _____ system or the cloud?
 Can _____ the duration of _____ retention for _____ storage _____?
 _____ long can _____ be _____ they are _____ the _____ or _____ locally?
 _____ there _____ difference _____ how long _____ saved using _____ versus _____ footage?
 Is _____ any information _____ how _____ are _____ in _____ cloud _____ locally?
 _____ to the _____ or stored locally, how long can _____ kept _____?
 _____ time _____ videos _____ with _____ local storage?
 Can you tell _____ of time that _____ stays _____ the _____ on _____ storage?
 _____ me _____ how long videos _____ be kept _____ recorded _____ the cloud _____ stored locally?
 Is it possible _____ tell _____ how _____ videos can be _____ if _____ cloud _____ locally?
 Is _____ possible to clarify _____ timescales _____ in-cloud or _____ saved?
 Can _____ give some _____ of _____ for local as _____ as _____ options?
 _____ you tell _____ long video _____ in _____ locally _____ storage facility?
 _____ you tell _____ the _____ of time that _____ the cloud _____ local?
 _____ using a _____ or _____ to _____ recorded _____ is the difference _____ time _____?
 Do _____ the _____ around, stored _____ clouds or local?
 _____ the _____ of time _____ video _____ in the cloud _____ storage facilities?
 _____ you _____ long _____ video _____ in the cloud _____ local?
 _____ you _____ the _____ of time that video stays _____ or locally _____ storage?
 How long can _____ in _____ cloud or _____?
 Can you tell _____ the _____ of _____ retention for _____?
 Can _____ me the _____ of _____ stays in _____ cloud or _____ local _____?
 What lengths of _____ are _____ or _____ options?
 Will you _____ timescales _____ video retention _____ capturing in-cloud or _____ content _____ saved?
 Can _____ tell us when _____ in _____ cloud or _____?

____ know ____ length of time that video stays in ____ facilities?
 ____ any information on ____ retention ____ and local storage.
 ____ you ____ duration ____ time ____ video stays in ____ or locally owned storage ____?
 Can ____ give me some ____ the length ____ time that ____ cloud ____ locally owned?
 How ____ last ____ saved in ____ cloud ____ local storage?
 When using ____ or ____ how long do ____ last?
 Taking into ____ stored recordings, ____ lengths of ____ can ____ videos?
 Do you ____ on ____ duration ____ video ____ for local as ____ the cloud ____?
 How ____ take ____ stay in the cloud ____ a local video?
 I'm ____ about video backup lengths ____ locally.
 Can ____ tell ____ about ____ of ____ retention ____ local ____ as cloud ____?
 When ____ cloud-based or locally-stored ____ what's the ____ in ____ retaining ____?
 Can ____ tell me ____ time ____ in the ____ locally owned storage?
 Is ____ any ____ on ____ of ____ in the cloud ____ locally?
 ____ me about ____ duration ____ retention for local as ____ as ____ cloud ____?
 ____ of time can videos be retained, ____ account ____ or ____?
 ____ you ____ me ____ of video ____ on ____ cloud and ____ storage?
 ____ need to know ____ video ____ local and ____ recordings.
 If ____ are ____ to the ____ how long can they ____?
 Can ____ me about ____ video retention periods ____ local?
 Do you know ____ recorded ____ using ____ local?
 Can you ____ me when ____ in ____ locally owned ____ facilities?
 ____ does videos ____ with ____ or ____ storage?
 ____ tell me ____ length of ____ video retention on ____ and ____?
 ____ there any information ____ how long ____ videos ____ cloud ____ locally?
 Can you ____ are ____ the cloud or local?
 ____ tell me the ____ of ____ retention ____ well as cloud ____?
 ____ do the videos stay in local ____ or ____?
 Do ____ have ____ about how ____ recordings ____ stored ____ the ____ locally?
 Will you clarify ____ for capturing ____ cloud or ____?
 Can ____ tell me ____ time ____ video ____ the cloud or on ____ video.
 Do ____ any information on the length of ____ video ____ local?
 ____ do videos ____ around with ____ cloud storage?
 ____ durations ____ video ____ for ____ as well as ____ options?
 Can ____ me ____ the duration of ____ on the ____ and ____?
 ____ are ____ times ____ in the cloud vs ____ storage?
 Can you tell me ____ of ____ that ____ stays in ____ cloud ____ on ____ local ____?
 ____ video retention ____ for ____ local storage ____.
 ____ local ____ cloud storage ____ long lasting recorded ____?
 ____ long ____ Videos be ____ are recorded in ____ or locally?
 Is there ____ length ____ stays in ____ or on ____ storage?
 Can ____ me if video stays ____ the cloud ____?
 ____ you tell ____ duration ____ video on different ____ options?
 Can ____ tell us ____ the durations ____ for local ____ cloud options?
 Can ____ tell me ____ long the ____ in the ____ or on ____?
 Can ____ some ____ about ____ durations ____ video retention ____ local as ____ as ____ cloud options?
 What lengths of ____ are offered ____ locally?
 ____ provide some information ____ the ____ of ____ for ____ as well as ____ cloud ____?
 ____ you ____ duration ____ time that video ____ in ____ either ____ or local?
 When ____ storage for ____ long do videos stay ____?

With _____ local storage, _____ long do _____ videos _____?

Is _____ the _____ time that video stays _____ cloud or _____ owned storage facilities.

_____ information _____ of video _____ on cloud and local storage?

_____ us _____ durations _____ video _____ for local as well _____ the cloud options?

_____ any information on the _____ video _____ the cloud or _____ owned storage?

How _____ do videos _____ when _____ or _____ storage?

Is it possible _____ the _____ video _____ cloud _____ locally owned storage?

Can _____ tell me _____ durations of _____ local _____ and the _____?

Can you _____ durations _____ video retention for different _____?

_____ time _____ for _____ that are in the cloud or _____ stored?

Is _____ about durations of _____ retention _____ the _____ and local _____?

_____ long _____ take _____ selecting _____ local _____ cloud-based recording and storage methods?

Is it possible _____ give information on the durations _____ video _____ well as _____?

Are _____ set time frames for _____ or using _____ cloud solution?

Do _____ length _____ time _____ video _____ in _____ or locally _____ storage facilities.

_____ does _____ in the cloud _____ on _____ owned _____ options?

_____ you tell _____ the durations _____ video _____ cloud and local _____

What are _____ durations _____ video _____ and _____ storage?

How _____ are _____ videos stored _____ the _____ locally?

_____ selecting between local or _____ storage methods, _____ is _____ time that videos _____ retained?

Do _____ know how _____ videos are stored using _____?

_____ there _____ the length of _____ video stays in _____ cloud _____ on local _____?

Can you _____ the _____ time _____ stays _____ the cloud or _____ a locally owned _____.

_____ you _____ length of _____ that _____ stays in _____ or locally-owned?

Taking _____ cloud-based _____ local recordings, _____ of _____ can videos _____ retained?

Can _____ tell _____ the durations _____ video _____ local and _____ options?

Do _____ information on _____ lengths _____ cloud or locally?

Can you give us some _____ of _____ retention _____ storage _____?

Can you _____ how long _____ kept if they _____ recorded to _____ local?

Can you _____ me _____ length _____ time _____ video _____ in the cloud or _____ device?

_____ there _____ difference _____ of videos _____ using _____ cloud _____ locally stored footage?

_____ tell me about _____ time that video _____ the cloud _____ owned?

_____ or _____ stored recordings, what lengths _____ time can _____ retained for _____?

_____ you tell me _____ of _____ video stays in _____ or _____ storage

Can you _____ the _____ time that _____ stays in the cloud _____ facilities

_____ do _____ cloud or local storage options?

_____ way to _____ the durations of video _____ on _____ local _____?

Will you _____ retention timescales _____ regards _____ in-cloud or _____ locally _____?

_____ information on how _____ footage _____ in the cloud _____.

How _____ recorded _____ stored in each _____ using the _____?

_____ long _____ videos stay _____ cloud _____ local storage?

Can _____ me the duration _____ stays _____ the cloud or on a local _____?

When choosing _____ local or cloud-based _____ and _____ is the _____ time taken to _____?

_____ videos _____ in the cloud or _____ please _____ duration.

How _____ does it take _____ videos using the _____ or _____?

_____ lengths of video _____ are _____ in _____ cloud _____?

_____ you _____ me _____ the duration of video retention _____ local _____ options?

_____ of time that _____ videos _____ stored in different _____ including cloud _____ local.

_____ long does _____ keep _____ video _____ storage _____ or in the cloud?

What _____ do videos _____ with _____ storage options?

_____ cloud-based or _____ alternatives, what _____ in _____ frame _____ retaining recorded videos?
_____ tell me _____ length _____ time that _____ stays in the _____ or _____?
_____ length _____ videos stay _____ local or cloud _____?
_____ to give _____ duration of _____ retention for different _____ options?
_____ long does _____ take _____ videos to _____ in _____ cloud or _____?
_____ the length _____ time _____ video stays in the cloud _____ storage facility?
_____ for _____ retention which are different _____ a cloud-based solution _____ it locally?
_____ long do _____ stay _____ local or _____?
_____ last with local or cloud _____?
_____ the videos _____ recorded _____ cloud _____ locally, how _____ they be kept?
Taking cloud-based _____ locally stored recordings into _____ lengths of _____?
Can _____ tell me _____ stored _____ clouds or local?
_____ of time _____ retained _____ if _____ are cloud-based _____ locally stored?
_____ you _____ any _____ on _____ duration for _____ storage options?
Can _____ the duration of the video _____ storage _____?
Do _____ know the length of _____ cloud or _____ storage?
_____ tell _____ more about _____ of video Retention for _____ as _____ options?
_____ video retention times for _____ or local.
Can _____ tell me the _____ time a _____ cloud _____ locally-owned?
_____ or _____ to save _____ how _____ do they stay?
Can you _____ recordings _____ in the cloud or _____?
_____ you _____ the videos stay _____ the _____ or locally?
Can _____ durations of _____ Retention _____ local _____ well as the _____?
_____ it possible _____ about video retention durations _____ storage _____?
Taking _____ recordings _____ of time can be retained for videos?
Do you have _____ information on _____ video _____ local and _____?
_____ it possible _____ some information on durations _____ cloud and local _____?
_____ you _____ of _____ durations _____ video retention _____ local _____ cloud options?
_____ long are videos _____ or _____?
_____ give a _____ of the duration _____ video _____ local _____ options?
Can _____ tell me _____ time that video _____ the _____ or _____ local facility?
_____ any _____ length _____ time that _____ in the cloud or locally owned _____ facilities?
Are _____ to give _____ that _____ stays in the cloud _____ locally owned _____ facilities?
Do _____ have _____ information _____ the length _____ that _____ stays _____ the cloud or _____?
Can _____ me how _____ videos stay _____ or local?
_____ you tell me _____ is for different storage _____?
_____ you tell _____ how long the _____ stay _____ in _____ or _____?
Is _____ information _____ recorded _____ kept in _____ or local options?
_____ there any information on _____ video _____ cloud or _____?
_____ between local _____ recording _____ storage methods, _____ is _____ actual _____ limit for retaining _____?
How long _____ stay in _____ on locally owned _____?
Is _____ information on _____ video retention _____ local _____ the _____ options?
When _____ or _____ recording and storage _____ what _____ actual time _____ retaining the _____?
_____ are _____ videos kept with cloud _____ local _____?
Can _____ me the _____ of _____ that video stays _____ or _____ owned _____ facilities.
Can you tell me _____ of _____ on _____ and _____ storage?
_____ long _____ videos last with cloud _____?
Can you _____ long _____ videos _____ in the _____ or locally?
_____ does _____ take for videos _____ be retained _____ local or _____ methods?
Can _____ me the durations _____ video _____ for _____ options.

_____ selecting between _____ recording _____ storage methods, _____ is used _____ retain videos?

Can you give an _____ of _____ can _____ kept _____ on whether they _____ the cloud?

_____ you _____ length of time that _____ stays in _____ cloud _____ on _____ storage _____?

Will you clarify video _____ capturing in-cloud or keeping _____ locally _____?

_____ you _____ me about _____ of _____ retention on cloud _____ local _____.

_____ you provide _____ about _____ of _____ retention for _____ as the cloud _____?

Is _____ information on how _____ that video _____ in the _____?

_____ tell me _____ recordings are _____ cloud and local?

_____ you _____ me about the _____ video _____ in different _____?

_____ cloud _____ locally-stored alternatives, what _____ the _____ time _____ for retaining recorded _____?

Explain _____ for _____ local storage options?

Do _____ have _____ regarding video retention durations for _____?

Can you tell _____ if _____ stays in _____ or on _____ facility?

Can you _____ some information _____ the duration _____ local _____ as the _____ options?

Can _____ how _____ a _____ stays _____ the cloud or _____ owned?

Can you _____ about _____ durations of video _____ on _____?

_____ using cloud-based _____ locally-stored alternatives, what _____ for the recorded video?

Can you give _____ the durations _____ video retention _____?

_____ provide some _____ on the durations of video retention _____?

_____ videos stored _____ or cloud storage?

Do you know how long the _____ stored in _____?

_____ they _____ videos around, stored _____ clouds or _____ local?

The time frame _____ retaining _____ videos can _____ or locally-stored _____.

_____ retention which are different between _____ it _____ or using a cloud-based _____?

Is _____ give some _____ on the duration _____ video _____ local and _____?

How _____ does it take for video _____ stay in _____ local _____?

_____ tell us how long videos can be _____ whether they're recorded _____ the _____?

Can you _____ length _____ video stays in local or _____?

Information _____ how long video footage is _____ storage methods.

Can _____ us the durations of _____ retention _____ the _____ local _____?

_____ us about _____ video time _____.

_____ you know _____ vids _____ or storing here?

What is _____ that _____ stays _____ the cloud _____ locally owned?

_____ you _____ length of time _____ in the _____ or _____ a local video?

Can _____ tell _____ the _____ time _____ video _____ in _____ locally owned storage?

_____ me _____ of _____ video retention on the cloud _____ local _____?

When _____ cloud or _____ how long _____ the _____ stay there?

Can you give _____ information _____ the durations of _____ as well as _____?

Can you tell _____ time that video stays in _____?

I _____ know how _____ the _____ stays in _____ or locally _____.

_____ you tell us _____ durations of _____ cloud options?

Can you _____ me the _____ stays in the _____ local?

Is it _____ information on _____ duration _____ video retention _____ different _____?

Tell me when _____ vs. _____.

What lengths _____ time _____ be _____ that are cloud _____ stored?

_____ you explain the _____ of video _____ for local _____ cloud _____?

_____ video retention _____ using a cloud-based _____ or storing _____ locally?

_____ any _____ video _____ for local and the cloud options?

_____ tell _____ long _____ stay _____ in clouds or local?

_____ you tell _____ the _____ video is in the cloud or _____?

_____ locally- _____ alternatives, _____ difference in time _____ for retaining recorded videos?

Information _____ how long _____ stays _____ or _____ is needed.

Do _____ know _____ length _____ time _____ stays _____ the _____ or _____ owned?

Is _____ information on durations _____ local as well as _____?

_____ you give an example of how _____ can _____ kept if they _____ or _____?

_____ give the length _____ stays in the cloud _____ owned _____ options?

_____ videos stay in _____ or _____ storage options?

How _____ last with _____ and _____ storage?

_____ long do you think it _____ to _____ local or _____?

Can _____ tell _____ length _____ time _____ stays _____ in a local storage facility?

Can you _____ the _____ of _____ retention _____ different _____?

Is _____ a _____ that _____ stays in _____ locally owned storage options?

Can you give _____ some _____ about how _____ the _____ the _____ owned?

_____ of _____ retention _____ local and the cloud options?

Taking account of cloud-based or _____ how _____ be _____ for _____?

Taking _____ cloud-based recordings and locally stored _____ what _____ of _____ can _____?

_____ clarify video retention _____ for capturing _____ the _____ or keeping _____?

Do you _____ long recorded videos last _____?

Is there _____ time _____ video _____ which is _____ between _____ solution or _____ it locally?

Can you _____ me _____ the _____ that _____ remains in _____ cloud _____ locally owned _____?

What _____ length of _____ the cloud or _____ owned storage?

_____ long will videos be _____ if _____ are recorded in _____?

Can _____ tell _____ the durations of video _____ different _____?

_____ or _____ alternatives, _____ difference in time _____ for retaining recorded _____?

_____ long does video _____ or _____ owned storage facility?

Is it _____ give information on _____ on different storage _____?

_____ you _____ information _____ the _____ video retention on local and _____?

When _____ or locally-stored alternatives, _____ the difference _____ frame _____ recording _____ retaining video?

_____ us about _____ and cloud _____?

You can tell _____ are _____ in _____ cloud or _____.

_____ long does _____ take to _____ videos _____ cloud versus _____ local _____?

How _____ cloud or _____ storage options _____?

_____ information on the length _____ retention _____ local _____ cloud options?

Can _____ clarify _____ retention timescales _____ such as _____ in-cloud _____ keeping content _____?

_____ you tell me about the _____ time that video _____ in _____ cloud or _____ facility?

_____ give _____ some _____ on the duration of video _____ on _____ storage?

_____ cloud _____ local storage for _____ long does the _____ there?

Can _____ how _____ that _____ stays in _____ cloud _____ local storage?

_____ selecting between local or cloud-based recording _____ methods, what _____ the video?

_____ you _____ the _____ time that video stays in the _____ on _____ storage facility

Is _____ any information on video backup _____ cloud?

_____ there a difference in how _____ saved using cloud _____?

_____ information _____ how _____ stays _____ the cloud _____ locally owned storage facilities?

Taking _____ account _____ and _____ stored recordings, _____ lengths of time _____ retained _____?

When selecting _____ local _____ cloud-based recording _____ methods, what _____ the _____ retain _____?

Can _____ me about the _____ time _____ video _____ cloud _____ on the _____ storage facility?

Taking cloud-based or _____ stored _____ into _____ of _____ be retained?

Do _____ any information _____ video _____ lengths _____ cloud or _____?

Is there any _____ on the _____ of _____ stays _____ owned storage?

_____ tell _____ the _____ of _____ for different _____ choices.

_____ are the _____ recorded videos kept in _____ cloud _____?
 _____ need information _____ the _____ the cloud or locally.
 _____ long _____ can _____ kept _____ they _____ cloud or stored locally?
 Can you provide some information _____ the _____ of _____ options?
 _____ you _____ on how long _____ are kept _____ cloud or locally?
 Taking into account cloud-based _____ what lengths of _____ can be _____?
 _____ how _____ videos can be kept _____ recorded in _____ or locally?
 There _____ a _____ about _____ retention on _____ local options.
 How long _____ the cloud versus _____?
 When using cloud _____ storage, how _____ videos stay _____?
 Can you _____ about how _____ be _____ if they are recorded _____ the _____ locally?
 Can you _____ the length of time _____ video _____ clouds _____?
 How long _____ it take _____ videos _____ saved _____ cloud or _____?
 _____ vs _____ storage _____ for video _____?
 Can _____ me how _____ stays _____ the cloud or locally-owned _____?
 Can you tell me _____ long _____ video _____ storage?
 _____ long do _____ video stays _____ the cloud _____ storage facilities?
 What are the timelines _____ videos _____ in _____ local _____?
 Can _____ tell _____ time _____ video _____ in _____ cloud or on _____ local _____ facility?
 Do you _____ length of time _____ stays _____ cloud _____ owned _____?
 Is _____ to explain the _____ of video _____ storage _____?
 _____ you _____ video _____ timescales _____ options, such as capturing _____ locally saved?
 _____ sharing _____ durations on various recording _____ options?
 _____ you know _____ of _____ that video stays _____ cloud or _____ storage?
 _____ explain how _____ recordings are kept _____ the cloud or _____?
 Will _____ clarify _____ retention timescales _____ as keeping content _____ or in _____?
 _____ long recorded _____ are _____ cloud or locally?
 _____ me the durations of video retention _____ and local _____?
 _____ a cloud-based or _____ alternative, _____ long _____ it _____ recorded _____ to _____ retained?
 When using either _____ or _____ alternatives, what _____ the _____ between the _____ frame _____?
 _____ me whether _____ video _____ in _____ cloud or locally _____?
 _____ you _____ the durations _____ retention on different types _____?
 Video retention time: _____?
 _____ you tell me about _____ length _____ that video stays _____ the cloud _____ facilities.
 _____ let us know how long _____ videos _____ in the _____.
 _____ you tell _____ long _____ is _____ the cloud or locally _____?
 Is there _____ video _____ durations for _____ or local _____?
 _____ left in the _____ vs _____ storage options?
 How _____ do they _____ in _____ or local?
 _____ the length of video _____ in the _____ locally.
 Can _____ let me _____ time _____ video stays in the cloud _____?
 What _____ the timelines for _____ vs local _____?
 _____ does _____ duration of videos differ _____ using _____ a local _____?
 _____ take to store _____ in _____ cloud compared to _____?
 Can you tell _____ video retention durations _____ different _____?
 _____ the duration of keeping videos _____ between _____ the cloud _____?
 _____ there any information _____ how long _____ videos _____ cloud or _____?
 _____ choosing between local _____ cloud-based _____ storage, what _____ the actual _____ retain _____?
 How does _____ duration for storing videos differ _____ using _____ cloud _____?
 _____ you _____ of _____ be kept _____ are recorded to the cloud or locally?

_____ give _____ information about _____ long _____ video stays in the _____ local?
_____ storage for _____ how long _____ videos stay saved?
Is there _____ way to know the _____ of _____ storage?
_____ are kept in cloud _____ local storage?
_____ into _____ cloud-based _____ what _____ of time can _____ keep videos?
Can _____ tell us _____ long _____ the _____ or locally owned _____?
_____ do _____ last when saved _____ a cloud or _____?
_____ you tell _____ time that video _____ the _____ or locally owned storage?
Do you know how long _____ stored in _____?
_____ the _____ frames for _____ retention _____ between using a _____ solution or _____?
_____ you tell me _____ of _____ stored _____ the cloud or locally _____?
_____ tell me _____ length of video _____ for _____ storage _____?
_____ you _____ me the length of _____ that video stays _____ cloud _____ on _____ local _____?
Can _____ tell _____ durations _____ retention _____ local _____ cloud options?
_____ possible _____ tell _____ how _____ a video _____ kept in _____ local?
_____ to know _____ duration of _____ retention on _____ cloud _____.
_____ wanted to know the _____ stays _____ the cloud or _____.
_____ us _____ long video _____ is retained _____ or local _____.
Taking _____ cloud-based _____ locally stored recordings, _____ lengths of _____ videos be _____.
_____ there a length _____ time that video stays _____ or _____?
Is _____ on durations of _____ Retention _____ local and the _____?
_____ clarify video retention timescales with _____ to _____ the cloud or _____?
_____ cloud _____ local _____ for _____ how _____ do they stay there?
_____ you tell us how _____ videos can be _____ based _____ whether _____ are _____ to _____?
_____ lengths of _____ videos are kept in _____ or _____?
_____ like to _____ long recordings are _____ the cloud _____ local.
_____ you _____ some _____ the _____ of video retention for _____ well as _____ options?
Is it _____ to say how _____ videos _____ kept based on whether they _____ the _____?
Can you _____ long recorded videos _____ kept in _____ local _____?
Can _____ some information on _____ long _____ in the _____ or _____?
_____ tell _____ duration of _____ Retention _____ as well as the _____ options?
Will _____ retention timescales with regard _____ or keeping _____ locally?
How _____ does _____ for _____ saved _____ using cloud _____ local storage?
_____ you _____ us the _____ of video _____ on _____ local options?
Let me _____ about _____ cloud _____ time _____.
_____ lengths of _____ backups can be _____ cloud _____ locally?
Is there _____ time frame _____ video retention which _____ between _____ a cloud-based _____ and _____?
Can you tell _____ about _____ long _____ videos stay _____ or _____?
_____ you explain the duration _____ on cloud and _____?
Can _____ us _____ long the _____ in the _____ local?
_____ information on the _____ duration for _____ storage options?
Can _____ tell _____ if the _____ the _____ or _____ owned storage?
