<b>Company Type</b>	Mobile Network Operators
<b>Inquiry Category</b>	SIM card replacement and activation
<b>Inquiry Sub-Category</b>	SIM Card PUK Code
<b>Description</b>	When customers input their SIM card PIN code incorrectly multiple times, the SIM card may get locked and request a PUK (Personal Unblocking Key) code. Operators provide this code to customers to unlock their SIM cards and regain access to their mobile services.
<b>Data Size</b>	5,165 paraphrases
