

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Credit Card Companies |
| Inquiry Category | Foreign transaction fees and currency conversion |
| Inquiry Sub-Category | Pre-Travel currency conversion queries |
| Description | Customers inquire about the availability of currency conversions before their international travel. They seek information on the rates offered, whether they can pre-order foreign currency through the credit card company, and any associated fees or delivery options. |
| Data Size | 5,226 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Credit Card Company" customer inquiry. (Purchased data will not be masked.)
