

## [Demo] NLP Dataset for Customer Service Automation

<b>Company Type</b>	Telecommunications Equipment Manufacturers
<b>Inquiry Category</b>	Compatibility and integration assistance
<b>Inquiry Sub-Category</b>	System compatibility issues
<b>Description</b>	Inquiries regarding the compatibility of our telecommunications equipment with existing systems or platforms, seeking guidance and solutions to ensure seamless integration and optimal functionality.
<b>Data Size</b>	5,821 paraphrases
<b>Want to buy data?</b>	Please contact <a href="mailto:nlp-data@gross.me">nlp-data@gross.me</a> via your business email address.

### Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)
