

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Modem or router configuration assistance
Inquiry Sub-Category	DNS Configuration
Description	Customers may require assistance in configuring Domain Name System (DNS) settings on their modems or routers to improve browsing speed, access restricted content, or resolve DNS-related issues.
Data Size	7,779 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

My browsing is slow, could _____ due _____ incorrect _____ setup?
 _____ browsing _____ by modem/router settings?
 I'm _____ the slower browsing speed is _____ an _____ how _____ modem _____.
 My slow browsing _____ due _____ up modem/router _____.
 _____ there an _____ modem/router _____ causing _____ slow _____?
 _____ sluggishness in my _____ surfing _____ with my equipment?
 Is my _____ browsing _____ up modem/router settings?
 _____ browsing is _____ it be _____ wrong _____ setup?
 _____ an incorrect modem/router _____ is _____ my _____.
 _____ could be a result _____ improper _____ configuration
 Slow online _____ may be the _____ an _____.
 _____ internet _____ a _____ modem/router _____
 Is it _____ that _____ connection _____ because of _____ my modem?
 Is _____ caused _____ modem/router misconfiguration?
 Is it possible that poorly-set _____ impede _____?
 _____ the _____ my _____ related to incorrect configuration _____ my _____?
 Is there _____ that _____ slow _____ speed might be _____ inappropriate configuration of _____?
 What if _____ wrongly set up _____ slower surfing _____?
 _____ no, slow _____ wrong modem.
 Is _____ setting causing _____?
 _____ slow _____ wrong _____ setup.
 _____ the _____ be slowed down by _____ improper _____?
 Is _____ a chance _____ speeds due to incorrect _____ set up DNS _____ my _____.
 Is it _____ cause _____ my slow internet _____ mistaken _____ misadjusted _____?
 There _____ a possibility _____ my _____ connection is _____ a _____ the _____ of my modem.
 _____ wondering _____ delayed web surfing is the _____ of a _____?
 _____ the _____ in my _____ due _____ problem with my DNS _____?
 Is it possible _____ the _____ caused by the wrong _____?

I ____ if ____ error while ____ up ____ have led ____ slower ____ speeds?
 ____ browsing ____ and bad DNS setup ____?
 ____ equipment make ____ hard ____ me to ____ online?
 ____ slow internet speeds, is ____ my modem is ____?
 ____ the configuration ____ modem or router ____ a decrease ____ browsing ____?
 ____ the sluggish browsing ____ an incorrect ____?
 Is ____ my internet ____ result ____ bad configuration ____ my modem/router?
 ____ the ____ surfing ____ to a problem ____ my routers/modem's DNS settings?
 I ____ like ____ web ____ is ____ result of an ____ or misconfigured ____ setup ____ my modem.
 Is ____ possible that ____ due ____ an issue with my ____ or ____?
 Is the slower ____ speed ____ with how ____ is configured?
 Is ____ that ____ is ____ to a ____ with my internet access?
 Is the internet slow ____ DNS settings?
 There's a chance ____ of ____ is a ____ or ____ network.
 ____ case of ____ browsing, could ____ modem ____ be ____ blame.
 ____ case ____ slow ____ could ____ incorrect modem ____ up ____ the ____?
 I wonder ____ the slower browsing ____ were ____ an ____ setting up ____?
 In case of slow ____ could ____ incorrect ____ be ____.
 ____ is a ____ about the ____ surfing due ____ problematic configuration.
 ____ that ____ browsing is ____ result of an ____ modem/router configuration.
 Is my ____ slow ____ my ____?
 Is it ____ incorrect or wrongly configured DNS ____ could ____?
 ____ my ____ to a ____ modem?
 Is ____ slow browsing caused by ____ DNS ____?
 Am I being ____ modem/router?
 ____ possible that ____ cause of ____ a ____ or misadjusted router.
 ____ chance that ____ slow browsing speed may be ____ to an ____ configuration ____.
 ____ think my internet surfing ____ from a ____.
 ____ there a ____ for ____ faulty ____ to explain my ____?
 Is ____ a chance that ____ configuration ____ cause me ____ browsing ____?
 ____ my ____ browsing ____ to an issue ____ my DNS ____?
 My ____ browsing ____ be due ____ a ____.
 Maybe ____ browsing is the result ____ improper ____?
 There is ____ question ____ whether ____ not the ____ web ____ is ____ result of ____ inaccurate or ____ setup ____ my ____
 ____ to blame for ____ browsing speeds?
 Is ____ slowness of my browsing ____ my modem?
 ____ it the incorrect ____ setup ____ my slow ____?
 ____ wonder ____ the ____ of ____ connection ____ due to ____ bad configuration in ____.
 ____ the slowness of my browsing ____?
 It ____ the slowness of ____ connection ____ due to ____ configuration in ____ modem.
 ____ error while ____ up ____ DNS led to slower browsing ____?
 Incorrect ____ service provider setting ____ slow web ____?
 ____ there ____ chance that the cause of my ____ is ____ mistaken ____?
 ____ am not sure ____ the delayed ____ is ____ inaccurate or ____ DNS setup on my ____.
 There is ____ whether ____ not ____ delayed ____ surfing is a result of my ____.
 ____ my modem/router ____ is causing ____ browsing ____ to slow down?
 ____ the slowness of my ____ caused ____ my ____?
 Is ____ it is taking forever ____ browse, ____ faulty ____?
 I'm ____ sure if ____ web surfing is the result of ____ misconfigured DNS ____.
 ____ browsing ____ result of ____ modem setting being messed ____?

Is there _____ with _____ my _____ that causes _____ in browsing speed?

Is _____ browsing _____ because _____ modem _____?

It's possible _____ internet's slow online navigation is _____ improperly _____.

_____ my _____ browsing caused by _____?

Is the _____ browsing _____ to incorrect settings on _____?

Is it _____ slow _____ speed _____ be _____ to an _____ configuration _____ my _____?

I am having _____ with my _____ browsing _____ of a _____ wrongly configured dns _____.

Is it _____ the slower _____ due to _____ issue _____ modem?

_____ browsing might _____ modem/router issue.

Is there a _____ with my internet _____ faulty or wrongly _____ DNS _____ modem?

_____ my browsing sluggish because _____?

_____ set _____ device _____ to _____ surfing speed, what _____ you think?

_____ having a slow internet browsing _____ a _____ wrongly _____ setup on my _____.

_____ my _____ slow _____ of a problem _____ modem?

_____ improper modem/router _____ could _____ blame for sluggish _____.

_____ of my _____ connection may be _____ faulty _____ my modem/router.

Is _____ turtle-paced _____ of _____ messed up _____ setup _____ modem?

Is this internet _____ messed-up modem _____?

_____ network lag is due to _____ device-specific DNS settings _____?

_____ if the _____ of my _____ due _____ a _____ with my _____.

_____ possible that the _____ navigation _____ to an improper _____.

I'm not _____ if _____ web surfing is a _____ with _____ modem _____.

A _____ issue _____ slow browsing _____.

What _____ a wrongly _____ up _____ to _____ surfing speeds?

_____ browsing _____ is slow _____ a snail, _____ you reckon _____ crappy _____ domain name setup _____?

_____ slow browsing due to _____ setup.

Is _____ because of _____ configuration?

Is _____ my _____ because of an _____ with the setup _____ modem or routers?

_____ an incorrect set-up _____ modem/router that _____ down _____ browsing speeds.

Is the _____ modem/router _____ it _____ lose _____ speed?

Can _____ faulty _____ web-browsing experience to _____ bad?

Is _____ internet _____ to a _____ with my router's settings?

Is _____ internet speed down _____ to _____?

_____ the _____ my browsing _____ to the incorrect DNS _____ on _____?

Is it _____ the _____ is caused by incorrect device-specific _____ in _____?

_____ possible that the _____ connection _____ with my modem or routers?

_____ browsing _____ be a _____ of _____ modem configuration.

The slower browsing _____ is _____ an _____ modem is configured.

There _____ a faulty modem behind _____.

_____ incorrect _____ slower browsing speeds?

_____ a chance that _____ of my _____ internet _____ mistaken _____ misadjusted domain.

_____ the _____ of my _____ due _____ a _____ in my modem/router?

If a wrongly set _____ poor _____ speed

Is _____ browsing caused _____ the misconfiguration _____ modem?

_____ browsing _____ be caused by _____ incorrect _____.

There _____ a _____ that _____ of _____ internet is _____ or _____ internet protocol address.

_____ may be causing the slower browsing _____.

_____ my internet _____ faulty modem/router setup?

Slow _____ be a _____ of _____ routers/modem

I'm _____ a slowdown _____ browsing _____ to a faulty _____ configured DNS _____ on _____ modem.

_____ incorrect modem setup _____ of my _____ browsing?
 _____ browsing _____ caused by _____ incorrect DNS _____.
 _____ browsing may be _____ by _____ mistaken _____ router or _____.
 _____ the sluggishness _____ internet _____ due _____ problematic _____ of my _____ settings?
 _____ because of an _____ or _____ modem/router DNS setup.
 Incorrect _____ name system setting _____ lead _____ sluggish _____.
 Do _____ my web-surfing misery comes _____ modem?
 Is it possible that _____ slow _____ experience _____ my routers?
 _____ if a faulty _____ wrongly _____ DNS _____ on _____ modem _____ be slowing down _____ browsing?
 I _____ know if _____ connection is slow because of a _____ the _____ my _____.
 _____ could be _____ improper _____ configuration _____ causes _____ browsing.
 _____ the _____ of my internet _____ result of _____ faulty _____?
 _____ internet from _____ set _____.
 _____ the _____ making my browsing _____?
 _____ there _____ set-up or configuration _____ my _____ slowing _____ my _____?
 _____ it _____ my _____ experience _____ bad because of _____ problem with _____?
 Is the _____ browsing down _____ modem/router _____?
 Is _____ causing my slower _____?
 _____ settings contributing _____ browsing speeds?
 _____ it _____ for slow _____ to _____ from a _____ setup?
 I _____ slow _____ because of bad modem _____.
 _____ an improper _____ configuration _____ the sluggish _____?
 _____ of my _____ connection _____ to a faulty _____ my modem/router.
 _____ of my _____ possibly _____ a decrease in _____ speed?
 _____ it _____ that the _____ slow internet _____ a mistaken _____ internet connection?
 _____ the slowness _____ my internet _____ from _____ faulty _____ in _____ modem/router?
 _____ possible _____ network lag is _____ device-specific DNS settings?
 Is the wrong _____ setup the _____?
 _____ the _____ settings _____ sluggish _____?
 _____ set-up of _____ modem/router _____ browsing speeds to slow _____?
 Is _____ possible that _____ is down _____ messed-up _____ setup?
 Is _____ sluggishness _____ my internet surfing _____ to a problem _____?
 It's _____ to browse and _____ faulty DNS _____.
 _____ am wondering _____ delayed _____ is the _____ problem with my modem _____.
 _____ a _____ that _____ browsing speed _____ by an _____ configuration of my _____.
 Do _____ modem/router _____ make _____?
 _____ of _____ browsing, _____ an _____ setting be to blame?
 Is slow _____ to a _____?
 _____ the delayed web surfing is a result _____ my _____ or not.
 _____ internet connection _____ slow _____ of _____ faulty _____ my modem/router.
 _____ browsing is slow and _____ could _____ due _____ setup.
 In _____ of slow browsing _____ incorrect _____ to blame?
 Is _____ that a _____ set up _____ leads to poor _____.
 _____ there _____ that _____ speed might be _____ to _____ inappropriate configuration of my _____?
 _____ the _____ browsing _____ of an incorrect _____ configuration?
 _____ problem _____ the _____ my _____ that is causing my _____ connection to be _____?
 It's possible _____ the _____ lag _____ due to _____ device-specific _____ configuration.
 A _____ web _____ could _____ caused _____ incorrect _____ settings.
 _____ a faulty modem/router _____ strange _____ I have on _____?
 Is _____ equipment affecting _____ access?

____ faulty ____ may ____ my browsing
 I think ____ misery ____ result of a dumb ____.
 Is ____ set equipment ____ with ____ web ____?
 It's possible ____ connection is ____ to a ____ with ____ of ____ modem.
 The slow ____ could ____ caused ____ modem/router setting.
 ____ slow ____ by a faulty modem.
 ____ the slowness ____ my browsing related ____ settings?
 ____ might ____ caused ____ an improper configured modem.
 ____ connected to ____ modem/router configuration.
 It's possible ____ of ____ slow internet is ____ mistaken or ____.
 Is ____ possible ____ my modem/router ____ causing me to ____ surfing?
 Is ____ possible that my ____ a problem ____ my modem?
 ____ chance that ____ incorrect or poorly ____ my modem/router will ____ slower web browsing speeds?
 ____ possible ____ network ____ is ____ to ____ device-specific DNS ____ within my ____.
 ____ browsing ____ be ____ result of ____ router or ____ setup.
 Maybe there's ____ causing ____ browsing ____ be slow.
 ____ may ____ down to incorrect ____ settings.
 ____ there a chance ____ web browsing speeds due ____ or ____ on ____ modem?
 ____ wonder if ____ browsing speeds ____ been ____ an ____ while setting up ____ modem/router.
 Slow ____ due ____ modem/router issue.
 ____ slow browsing a result ____ settings on ____?
 My slow browsing may be ____ a ____.
 ____ settings on ____ modem are ____?
 I ____ if ____ were the ____ an error while setting ____ the ____.
 Is the ____ causing ____ browsing?
 Is ____ slow browsing ____ an ____ DNS setup?
 Slow browsing can ____ caused ____ mistaken or ____
 ____ slow browsing, could ____ wrong with the ____ setup?
 Slow online access ____ to ____
 Is ____ a modem ____ my internet ____ to slow?
 Do ____ know if ____ my ____ browsing ____ a faulty ____ wrongly configured ____ on my modem?
 Is ____ that ____ faulty modem ____ me down?
 ____ an ____ modem ____ slow browsing?
 ____ the sluggish ____ related to an improper ____?
 ____ browsing ____ be ____ the incorrect ____ DNS setup.
 Is it ____ that my ____ is ____ because ____ problem with ____ setup ____ modem?
 ____ browsing ____ be ____ of ____ in the routers/modems.
 Slow browsing ____ to ____?
 Is there ____ chance ____ modem/router ____ could ____ browsing speeds?
 ____ would ____ to ____ web surfing is a result ____ my ____ setting being ____ not.
 Is it possible that my ____ is ____ device?
 The internet connection ____ to a ____ configuration in ____.
 Is the sluggishness ____ internet ____ to a problematic ____ my ____?
 Slow ____ connected ____ the messed ____.
 ____ my browsing ____ because I ____ messed ____ modem/router ____?
 ____ a ____ in my ____ cause my internet ____ to ____?
 ____ is ____ chance ____ the ____ slow internet is a ____ or ____ routers/modemDNS.
 I'm ____ if ____ slower browsing speed ____ with my modem.
 ____ it possible that a malfunctioning modem ____ be ____ internet ____?
 ____ the configuration ____ my ____ causing a ____ internet ____ speed?

I am not sure _____ surfing _____ the result _____ an _____ my _____ or not.
 Can _____ faulty _____ cause _____ experience to _____ different?
 Is _____ possible that a _____ set _____ device _____ to _____ surfing _____?
 There _____ a _____ that _____ my _____ internet is related to _____ mistaken _____ router.
 _____ a _____ my internet browsing?
 _____ may be slowing down _____
 Is _____ browsing _____ to _____ faulty _____ or router?
 The browsing _____ be due to _____ modem/router _____?
 It's _____ the _____ connection _____ slow because of a problem _____ modem.
 Is _____ setup slowing _____ down?
 Slow _____ can _____ the _____ of _____ mistaken DNS _____.
 There _____ slow browsing speed may be _____ inappropriate configuration of my _____.
 Is _____ browsing due _____ up _____?
 Is the _____ in _____ surfing _____ a problematic configuration _____ my _____?
 _____ browsing _____ it be because _____ the _____ modem/router?
 _____ internet _____ comes _____ a stupid modem setting.
 Slow _____ could be _____ result _____ mistaken _____ DNS _____.
 I wonder _____ the _____ my internet connection is _____ to _____ modem/router's settings.
 Can _____ tell me _____ a faulty or wrongly _____ DNS setup _____ my modem _____ browsing _____?
 _____ result of _____ mistaken routers/modem DNS setup
 _____ browsing is slow _____ modem setup.
 _____ that my slow internet experience _____ the result _____ problem _____ my _____?
 Is there _____ on my modem/router _____ speeds?
 The _____ slow browsing _____ be _____ by an _____ setup.
 In case _____ browsing, could _____ wrong _____ setup _____ blame?
 Is _____ that _____ faulty modem/router setup _____ slowing _____ browsing?
 _____ up _____ could cause poor surfing speed.
 _____ a _____ the _____ of my _____ is _____ mistaken _____ misadjusted gateway.
 _____ having a slow _____ browsing, _____ it _____ due to _____ setup?
 Isn't it possible that the _____ incorrect _____ DNS _____?
 Is the _____ modem _____ browsing?
 My _____ could it be _____ incorrect modem setup?
 If browsing _____ slow, could _____ be _____ blame?
 _____ browsing _____ be caused by _____ modem setting.
 _____ the slowness _____ connection _____ due to _____ faulty configuration _____ my _____?
 Slow internet _____ wrong _____.
 _____ chance that _____ modem/router might _____ in slower web browsing speeds?
 Is the _____ in _____ internet surfing _____ a _____ routers/modem's _____ settings?
 I _____ like to _____ or _____ configured _____ my modem may be slowing _____ internet browsing.
 Is there an _____ modem/router that _____ slower browsing _____?
 _____ my lagging _____ a _____ modem?
 _____ browsing _____ be a result of _____.
 Slow browsing could _____ the _____ of _____ DNS _____.
 _____ it _____ that the _____ is _____ from _____ wrong _____?
 _____ there _____ that an _____ poorly set _____ configuration on my _____ result in slower _____ browsing _____?
 Was a faulty modem _____?
 _____ my _____ slowed _____ by messed _____ modem/router _____?
 Do _____ if _____ or wrongly _____ DNS setup on _____ modem _____ my internet _____ slow down?
 _____ setting _____ DNS resulted in slower browsing speeds?
 _____ faulty _____ be _____ down my browsing.

_____ slow, _____ it be due to _____ modem/router setup?
 _____ because _____ messed _____ DNS settings?
 Is _____ slowness _____ my internet connection _____ to _____ faulty _____ my _____?
 _____ a hard time with _____ internet browsing _____ faulty or wrongly _____ DNS setup _____ modem/router.
 _____ browsing may _____ slowing _____ a faulty _____ setup.
 _____ wonder _____ slowness _____ my browsing _____ related _____ the incorrect _____ of my _____.
 I need to _____ if _____ or _____ configured DNS _____ my _____ may be _____ my _____ browsing.
 Is it _____ modem that's _____?
 I _____ wondering _____ the _____ surfing is _____ to a _____ with my _____.
 Is it possible that the _____ incorrect _____ dns settings?
 Is it _____ that my internet connection _____ because _____ a _____ modem _____ service?
 _____ it _____ my internet _____ not _____ because of _____ with the setup of my _____?
 _____ might _____ incorrect set-up or configuration that _____ be _____ speeds.
 _____ it possible _____ cause of _____ is a _____ misadjusted router/modem?
 Is _____ affecting my _____ speed?
 Could _____ modem _____ to _____ for _____ slow browsing?
 _____ there a _____ web _____ caused by an _____ or poorly _____ up DNS _____ on my _____?
 What if _____ device's DNS configuration _____ surfing _____?
 _____ the _____ setup slowing _____ browsing?
 _____ browsing _____ be caused _____ improper modem/router configuration.
 _____ wonder if _____ slower browsing _____ to _____ error _____ setting _____ the modem/router.
 _____ slow browsing _____ due _____ incorrect modem/router setup?
 _____ web-browsing experience _____ not normal due to _____.
 Is _____ that _____ bad _____ to messed up modem/router setup?
 Is it possible that _____ faulty _____ could be _____ blame _____?
 Is there a problem with my _____ is _____ have _____?
 There is _____ an _____ poorly set _____ DNS _____ on my _____ might _____ slower web _____ speeds.
 _____ the set-up of _____ browsing _____ to slow?
 Is my _____ by messed up _____?
 _____ speeds could _____ caused by _____ incorrect _____ or configuration _____ DNS _____ modem/router.
 There is _____ my _____ browsing speed may _____ caused by _____ configuration _____.
 _____ if the _____ speeds may _____ been caused by _____ error when _____ the _____.
 Is there a _____ an _____ or poorly set up DNS _____ might _____ browsing?
 Is my slow _____ result of _____ settings _____ modem?
 I'm not sure what's _____ the delayed _____ be _____ modem/router _____?
 Is modem/router _____ the reason _____?
 _____ it possible _____ the internet connection _____ slow because of _____ with _____ setup _____ router?
 Dodgy settings _____ modem causes _____?
 My browsing speed _____ a snail and _____ think this crappy _____ setup _____ up?
 Is _____ chance that the _____ of my slow _____ mistaken _____ misadjusted _____?
 _____ that _____ browsing _____ is caused by an issue with how _____ is _____?
 Is there _____ chance that _____ or _____ on _____ modem/router could _____ my web browsing speeds?
 _____ wondering _____ the delayed _____ surfing _____ a _____ of _____ modem/router malfunctioning.
 _____ it _____ bad modem _____ causing _____ surfing?
 _____ possible that my internet experience is bad _____ my _____?
 Is there _____ chance that an _____ or _____ set up _____ modem could _____ browsing speeds?
 Slow _____ result of a mistaken router/modem _____.
 Is _____ that poorly set _____ hinders _____ web _____?
 There is a _____ as to whether or _____ delayed _____ is the result of _____ inaccurate _____ misconfigured _____
 If _____ faulty _____ configured DNS setup _____ is causing the _____ my _____ browsing, could you _____?

_____ possible _____ internet experience _____ because of a _____ with my _____?
 _____ slow because _____ modem/router problems?
 Is _____ that _____ lag is due _____ device-specific DNS settings?
 Is _____ a wrongly configured _____ device _____ poor surfing _____?
 _____ the _____ in _____ internet surfing due _____ a _____ with _____ settings?
 Is the _____ browsing _____ caused _____ issue _____ modem?
 Is it _____ that _____ is _____ modem setup?
 Is a faulty _____ slowing _____?
 Is it possible _____ my sluggish _____ result _____ a problem with _____?
 There is a _____ that _____ of _____ slow internet is _____ mistaken _____.
 Is it possible that _____ network _____ of _____ specific DNS _____?
 My _____ from a dumb _____ setting.
 My browsing is being _____ an _____.
 Is it possible _____ browsing _____ of _____ incorrect _____ setup?
 Is _____ slowness of my _____ due to _____?
 _____ speed due _____ modem
 _____ there _____ modem/router that is causing delayed web _____?
 I'd like _____ know _____ the delayed _____ surfing is _____ result _____ being _____.
 _____ a bad modem _____ of _____ internet surfing?
 _____ sluggish _____ a malfunctioning modem?
 _____ a _____ that my slow _____ speed _____ be caused by _____ inappropriate _____ modem/router's DNS _____.
 There is a chance _____ of my _____ mistaken or misadjusted _____.
 _____ it possible _____ internet speed _____ because of messed _____?
 Is the _____ cause of _____ or _____ misconfiguration?
 _____ faulty _____ be slowing my _____.
 _____ wrong modem/router _____ slow _____ speeds?
 Slow _____ from _____ modem/router _____?
 _____ is a _____ that my _____ browsing speed _____ by _____ inappropriate _____ my modem.
 _____ slow _____ be because _____ a _____ modem.
 My _____ surfing _____ caused by _____ bad _____.
 Is the _____ modem/router _____ my _____?
 There _____ chance _____ of _____ is a mistaken _____ misadjusted router/modem.
 Could a _____ my browsing?
 _____ of slow browsing, _____ set up of _____ to blame?
 Is _____ a faulty modem/router?
 _____ wonder if there was an _____ setting _____ modem in order _____ slower _____?
 Is it a _____ modem/router _____ is _____ up?
 Is _____ slow due to _____ problem _____ modem?
 Is a _____ browsing _____ caused _____ the _____ of my modem/router?
 _____ case _____ browsing, _____ mis set up _____ to blame?
 I wonder if the _____ might have _____ caused by _____ when _____ the _____.
 Slow _____ from _____
 The _____ online _____ could be caused _____ configured _____.
 _____ modem/router setup is to blame for _____?
 Is _____ browsing result _____ configuration?
 I _____ if the _____ my _____ is _____ to incorrect DNS _____ my _____.
 Is my slow _____ due _____ with my _____?
 _____ slow browsing _____ be _____ by _____ inappropriate configuration _____ my _____?
 _____ if a faulty or _____ configured DNS _____ my modem _____ be causing the _____ internet _____?
 Slow _____ a modem _____?

I _____ if the _____ my internet connection is _____ faulty _____ modem.
 _____ web _____ hampered _____ poorly-set _____?
 Is _____ browsing due _____ configuration?
 Is _____ modem that is _____ my internet connection?
 My browsing speed is slow _____ snail, _____ got _____ dns setup messed with?
 _____ possible _____ my slow _____ speed _____ be _____ by an inappropriate _____?
 _____ a question _____ whether the sluggishness _____ my internet _____ configuration of my
 router/modem.
 _____ there a problem _____ modem/router that is _____ speeds _____ slow?
 Maybe an incorrect _____ causing my browsing _____.
 _____ possible that the _____ slow online navigation _____ configured modem.
 Can a _____ modem/router _____ why _____ experience _____ strange?
 There could _____ improper _____ configuration behind the _____.
 _____ might _____ incorrect set-up _____ my _____ slowing down my browsing _____.
 _____ may be caused by _____ setup.
 Is _____ modem/router setup _____ browsing?
 _____ am not _____ the delayed web _____ a problem with _____ modem or router.
 _____ not sure if the delayed web surfing _____ due to _____ inaccurate _____ modem/router.
 _____ this because _____ messed up _____?
 _____ wondering if the _____ surfing is the result _____ an _____ DNS setup on _____.
 _____ my _____ slow because _____ on my _____?
 Is _____ the _____ is the result of _____ settings?
 _____ the _____ to improper _____ configuration?
 What if a _____ network _____ surfing speed?
 Is _____ modem/router configured _____ browsing?
 _____ there a _____ that _____ set up DNS configuration on _____ modem might _____ browsing _____?
 I would like _____ know if _____ web _____ is a _____ malfunctioning.
 _____ not sure if the delayed web surfing is a _____ modem/router setting _____.
 _____ it _____ modem that _____ making _____ surfing slow?
 A _____ modem/router _____ slowing _____ my _____.
 _____ don't know if _____ delayed _____ surfing _____ of _____ modem/router setting being _____ not.
 _____ surfing _____ a result _____ a wrongly set up _____?
 _____ experiencing a _____ internet browsing because of _____ faulty or wrongly configured _____ modem/router.
 _____ internet from wrong _____?
 Is _____ my internet surfing due _____ a problem _____ settings?
 _____ possible _____ the _____ of my slow _____ is a _____ or _____ router/modem _____.
 _____ case _____ browsing, could _____ incorrect _____ be to blame?
 _____ there a _____ speeds may be caused by _____ of my modem/router?
 Is _____ slow _____ to _____ configuration?
 _____ my slow _____ to my _____?
 Maybe _____ incorrect modem/router _____ my internet _____ to _____ slow?
 _____ browsing can _____ a _____ a _____ router/modem domain.
 _____ speed is _____ as a _____ so _____ reckon _____ modem/router _____ its dns _____ wrong?
 _____ browsing connected to _____ messed _____?
 Is _____ internet _____ due _____ or bad DNS _____?
 Is _____ configuration _____ to browse?
 _____ in my _____ surfing _____ a _____ with my router/modem?
 Is _____ slowness _____ a bad configuration in my modem?
 I'm _____ sure _____ is _____ result of my modem or router not being set _____.
 _____ be _____ by an _____ setup.
 My _____ browsing _____ be caused _____ an _____ configuration _____ my modem/router's _____.

I would like to know ____ my slow ____ experience ____ problem ____ .
 In case of ____ a ____ modem/router ____ be to ____ ?
 Slow ____ wrong ____ set ____ ?
 Can an ____ for slow browsing?
 Is it ____ of my modem/router not being set up correctly?
 Is it possible ____ internet ____ is ____ of ____ problem ____ modem?
 Is it possible that my ____ a problem ____ my modem ____ ?
 ____ it possible that a ____ why I'm ____ internet speeds?
 ____ a chance ____ slow internet is a ____ or misadjusted ____ modem?
 Slow ____ wrong modem ____ or no?
 ____ modem/router issue ____ be causing ____ .
 Is my ____ because ____ messed ____ modem/router ____ ?
 I'm ____ a ____ browsing ____ an issue ____ my modem.
 It's ____ configured modem is the ____ slow ____ navigation.
 ____ that ____ web experience is a ____ a misconfigured router?
 Slow browsing ____ possibly ____ issue.
 Is there ____ chance that ____ slow browsing ____ due to ____ configuration ____ modem.
 I'm ____ slow internet ____ due to a ____ or ____ configured ____ setup ____ my ____ .
 Is ____ the internet is slow ____ of a problem ____ ?
 ____ case of ____ browsing, could a wrong ____ setup ____ ?
 Is ____ due ____ messed ____ settings?
 ____ browsing due to a ____ with my ____ or router?
 ____ possibility of ____ poor ____ due to faulty ____ .
 Do ____ if a faulty ____ configured ____ setup on ____ may be ____ my ____ browsing?
 My browsing is ____ to incorrect modem/router ____ ?
 ____ sluggish browsing result from ____ modem/router ____ ?
 ____ my internet ____ a ____ modem?
 Is ____ slow ____ a faulty ____ ?
 My browsing is ____ the wrong modem/router?
 Maybe the slowness ____ my internet ____ of ____ faulty ____ my ____ .
 ____ a ____ set ____ network ____ causes a slow internet ____ ?
 ____ think ____ internet surfing ____ is related ____ modem setting.
 ____ my ____ browsing due ____ a faulty ____ ?
 ____ in my ____ surfing due to a ____ configuration ____ Router/modem's DNS ____ ?
 ____ it possible ____ my ____ due to ____ problem I have with ____ ?
 Is the modem/router setup ____ slow?
 ____ possible that ____ internet ____ because of a ____ with my ____ ?
 ____ there a ____ web browsing ____ because ____ incorrect ____ poorly set ____ on my ____ ?
 Slow ____ has an incorrect set up.
 ____ it possible a ____ set up ____ device ____ have ____ ?
 Is ____ slow ____ of ____ set of settings?
 ____ navigation is ____ on a malfunctioning ____ or a ____ system.
 I'm having ____ slow ____ of ____ incorrect modem/router ____ .
 sluggish browsing ____ result of an ____ modem/router ____ .
 ____ internet ____ messed up modem/router settings?
 Is it ____ that ____ causing ____ surfing?
 ____ internet from the ____ ?
 Is ____ possible that ____ lag ____ be caused by ____ settings?
 ____ slowness of my ____ might be related ____ configuration of ____ .
 My ____ experience may ____ affected ____ modem/router DNS ____ .

My _____ internet _____ may be _____ to _____ modem.

_____ a _____ modem setup _____ messing with _____ internet?

The _____ online experience _____ be modem or _____ misconfiguration.

_____ there _____ chance _____ an incorrect _____ poorly set up _____ configuration _____ might lead _____ web _____ speeds?

There _____ a question as to whether _____ surfing is caused _____ problematic configuration _____ router/modem's

_____ there errors within my _____ a decrease _____ speed?

_____ is slow because _____ an incorrect _____ or router _____.

_____ possible that the _____ due to incorrect _____ setup?

Do _____ the _____ in my internet browsing is _____ to _____ faulty or _____ configured _____?

Is _____ slow _____ caused _____ my _____?

_____ an incorrect _____ or _____ on _____ is affecting _____ browsing speeds?

_____ it _____ that a _____ could cause _____ speeds?

Is _____ in my internet surfing _____ with _____ routers/modems settings?

Slow internet _____ modem _____?

I wonder if the _____ issue _____ my modem is configured?

_____ possible that poorly _____ equipment _____ impede my _____?

Is _____ on _____ modem/router could be causing slower browsing _____?

_____ browsing speed is slow _____ snail, so you think _____ issue with _____ DNS _____?

_____ browsing _____ to modem/router _____?

I _____ if the _____ my internet surfing _____ to a problematic configuration _____ router/modem.

I'm experiencing slow _____ could _____ be _____ setup?

Is _____ my modem _____ causing _____ slow internet speeds?

_____ slowness of _____ browsing _____ to _____ DNS configuration _____ modem?

Can _____ me if a _____ or wrongly _____ DNS setup _____ may _____ affecting _____ browsing?

_____ internet connection is _____ a problem I have with the setup of _____?

Is it possible _____ a _____ malfunction _____ explain _____ I'm _____ speeds?

Is it _____ that _____ because _____ incorrect device-specific DNS settings?

_____ possible _____ causing my browsing to be slow.

_____ wonder if _____ slowness _____ is related to _____ wrong _____ of my _____.

If a faulty _____ wrongly configured DNS _____ on _____ modem/router _____ causing the _____ you confirm?

_____ slow _____ be the result _____ an improper _____.

_____ could be an _____ modem/router configuration _____ the _____.

What _____ wrongly set _____ network _____ has bad _____?

_____ sluggishness in _____ surfing due to a problem _____ on _____ modem?

_____ chance that _____ cause of my _____ is a _____ or _____ connection.

_____ am having _____ problem with my internet _____ a faulty or _____ configured DNS _____ my _____.

_____ my internet _____ because of _____ the modem/router?

Is _____ lagging _____ to _____ bad _____?

Is the sluggish _____ down _____ an _____?

_____ it possible _____ is _____ which _____ making my internet speeds _____?

_____ possible that my _____ connection is slow _____ a problem _____ modem's _____?

_____ be an incorrect _____ modem/router that is slowing _____ speeds.

_____ if _____ configured network device _____ in _____ surfing _____?

_____ my _____ because of my _____?

_____ it possible _____ malfunctioning modem _____ be _____ blame for _____ internet _____?

_____ it possible that _____ connection isn't _____ because _____ a _____ my _____?

_____ it _____ that _____ experience is slow _____ problem _____ my internet routers?

Slow _____ from _____ wrong _____?

_____ modem/router _____ have an _____ set-up _____ slowing down _____ speed.

_____ may _____ by modem/router issue

_____ browsing speed _____ slow as a _____ so _____ crappy modem/router got its _____ up.
 There _____ a chance that _____ my slow internet _____ mistaken _____ server.
 Is _____ modem/router's configuration _____ it _____?
 _____ affected by messed up modem/router _____?
 _____ modem/router _____ be _____ a slow browsing _____.
 _____ sluggishness in _____ internet _____ problematic configuration of my router/modem?
 _____ a _____ that an _____ or poorly _____ configuration _____ my modem might result _____ slower _____ speeds?
 I _____ slowness _____ my browsing is _____ incorrect _____ of _____ modem/router.
 It's _____ a long _____ to _____ a faulty DNS _____
 _____ am _____ with _____ browsing because _____ an incorrect modem/router _____.
 Is it _____ that _____ speed _____ be down _____ inappropriate _____ of my _____?
 _____ there _____ chance _____ my _____ because of _____ problem with my _____ or router?
 Is _____ slowness in my internet surfing _____ to a _____?
 _____ browsing may be caused _____.
 Is _____ a _____ my _____ may _____ the _____ of my _____ browsing speed?
 _____ modem/router setup _____ be causing _____ to _____ slow.
 In case of _____ could _____ modem/router setup _____ to blame?
 The _____ my _____ may _____ related _____ the _____ of my modem.
 In _____ slow _____ an _____ modem/router set-up be to _____?
