

## [Demo] NLP Dataset for Customer Service Automation

<b>Company Type</b>	Online Electronics and Technology Retailers
<b>Inquiry Category</b>	Technical support and troubleshooting assistance
<b>Inquiry Sub-Category</b>	Product Setup and Installation
<b>Description</b>	Customers seek assistance with setting up and installing new electronics or technology devices, including software and hardware, to ensure proper functionality.
<b>Data Size</b>	6,418 paraphrases
<b>Want to buy data?</b>	Please contact <a href="mailto:nlp-data@gross.me">nlp-data@gross.me</a> via your business email address.

**Masked sample paraphrases of one "Online Electronics and Technology Retailer" customer inquiry. (Purchased data will not be masked.)**
