

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Guidance on energy-saving tips
Inquiry Sub-Category	Thermostat programming
Description	Customers wanting assistance with programming their thermostats to optimize energy usage and comfort levels.
Data Size	5,199 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

What ____ do ____ using programmable digital thermostat systems ____ adjust ____ schedules ____ room ____?

Is it possible ____ provide advice on ____ digital ____ to ____ temperatures?

____ do you ____ to use the digital ____ homes to change ____ temperature in ____?

How ____ tell people how to ____ the digital ____ and adjust ____ schedules?

To schedule the ____ I need ____ suggestions ____ programmed thermostat system.

____ you have ____ tips on ____ programming digital ____?

Do you ____ how to ____ the digital thermostat ____ optimal room temperatures ____?

How do you tell ____ to use ____ in ____ adjust the ____ room temperature?

____ do you ____ people ____ to use the ____ to ____ rooms?

____ you know how to ____ digital ____ set ____ create efficient ____?

____ anyone have ____ using a ____ thermostat ____ optimal ____ and schedule?

Do you know how ____ to set ____ temperatures ____ schedule ____?

____ it ____ give any ____ temperatures ____ a digital thermostat system?

Let ____ any suggestions on ____ to ____ thermometers to achieve appropriate schedules ____ with comfortable ____ rooms.

How do you tell people ____ the ____ thermostats ____ change the temperature and schedule ____?

How ____ you tell people ____ to use ____ thermostat ____ adjust ____ schedule ____?

____ do one ____ digital ____ to ____ their room ____?

____ any ideas ____ to ____ a digital thermostat to ____ temperature?

Advice ____ adjusting time ____ the digital thermostat?

Are ____ any ____ on ____ ways to use a ____ thermostat for ____?

How ____ you tell people what to ____ thermostats ____ make ____ adjustments?

____ are ____ ways to use digital thermostat ____ to ____ schedules ____ temperatures?

Do you ____ any recommendations ____ how to ____ a digital ____?

____ get better ____ and ____ thermostat schedules?

____ do you ____ use ____ digital thermostats in ____ homes ____ adjust ____ temperatures?

____ there any advice you can ____ using ____ thermostat ____ optimum ____?

____ need help with getting ____ perfect ____ temperature with ____?

I am ____ for some ____ setting up a programmed thermostat ____ the temperatures ____

Would you ____ to tell ____ to ____ digital ____ to adjust ____ temperatures?

How ____ use a ____ thermostat for ____ scheduling and ____?

Setting up scheduled temperature _____?

Would you _____ able to show _____ how _____ use _____ thermostat for _____ the _____ and _____?

_____ there _____ you can tell me about _____ optimal _____ temperatures?

Advice on how _____ maximize _____ thermostats, adjusting schedules, and maintaining a comfortable _____ is _____.

_____ to change the digital _____ temperature?

_____ to know how _____ digital thermostat for adjusting _____ room _____.

_____ do _____ use the _____ thermostats to adjust _____ schedule _____ room temperature?

_____ you _____ able to _____ me how _____ a digital _____ for _____ room temperature and _____?

I'd like _____ if you _____ any _____ setting _____ a _____ system that _____ schedule the _____.

_____ optimal scheduling _____ control _____ use digital thermostats?

How _____ one _____ system _____ settle their room _____?

_____ you could _____ me _____ on _____ up _____ programmed _____ system for rooms _____ the temperature.

_____ you recommend _____ digital _____ for optimum _____ temperature _____ schedules?

_____ you give us _____ suggestions on how _____ digital thermostat _____?

_____ any advice _____ to _____ a _____ to adjust the room temperature?

_____ like to _____ how _____ a _____ adjusting _____ Room _____ and Daily Schedules.

Would _____ able to _____ me how _____ use _____ Thermostat _____ adjust Room temperatures and _____?

Would you be _____ show _____ to _____ a _____ Thermostat for _____ room _____?

_____ can _____ be used _____ maintain optimum _____ temperatures?

_____ you _____ what _____ do _____ digital _____ to _____ ideal _____ and _____ efficient schedules?

_____ should people do _____ thermostats _____ adjust _____ schedule and _____ temperatures?

What _____ you have to say about _____ systems _____ adjust _____?

_____ you recommend _____ a digital _____ for _____ room _____?

Is _____ to control my _____ routine _____ indoor _____ digital thermostat?

Do _____ have any _____ or recommendations _____ to _____ digital thermometers to _____ appropriate schedules _____?

"If _____ could _____ some suggestions on _____ up a programmed thermostat _____ for _____ temperature. _____

_____ you _____ use _____ digital system to _____ ideal _____ temperature?

_____ any _____ on how to _____ room temperatures using _____?

_____ us _____ suggestions on how to maximize room _____ digital _____?

Is there _____ could _____ the digital thermostat _____ optimal room _____?

_____ do _____ tell people to _____ to _____ their daily schedule and _____?

_____ do you tell _____ to use the _____ their homes to _____ temperature _____?

Do you _____ how to _____ the _____ thermostats _____ optimum _____ create _____ schedules?

Is _____ any _____ on how to effectively _____ thermostats to _____ schedules?

_____ you tell people to use the digital _____ to adjust _____ temperature _____?

Is _____ any _____ you have _____ using a _____ thermostat _____ temperature and _____?

Is there _____ on _____ to _____ systems to maximize comfort and _____?

What _____ ways to use a _____ optimal _____ and daily schedules?

_____ have _____ suggestions _____ digital thermostat for _____ room temperatures?

Do _____ want to get _____ on _____ achieve _____ room temperature with _____?

The _____ thermostats _____ be used _____ adjust _____ daily schedule and _____.

Are _____ advice on _____ get the perfect _____ temperature _____ thermostats?

_____ you have any _____ use the digital _____ for optimal room _____?

_____ do _____ use the _____ thermostats to _____ their schedules?

Do you _____ any suggestions on using _____ to _____?

_____ possible to give tips _____ how _____ daily schedules and _____ with digital _____?

_____ you have any _____ using _____ thermostats to set ideal temperatures _____?

_____ the temperature, _____ could _____ suggestions on _____ up a _____ for rooms.

Is there _____ advice on _____ effectively _____ digital _____ to _____ room _____?

Do _____ how _____ a digital system to settle _____ room _____?
 _____ can you tell _____ how _____ use _____ their schedules and _____ temperatures?
 _____ use _____ adjust daily schedules and room temperatures?
 Do _____ have _____ ideas about the best _____ to _____ digital _____ room _____?
 Should the use of _____ adjust room _____?
 _____ you _____ for _____ the digital thermostat?
 _____ digital thermostat schedules and room _____?
 What _____ to _____ digital thermostat system _____ change _____ schedules _____ room temperatures?
 How _____ I use a _____ thermostat _____ scheduling and _____?
 _____ do you tell _____ digital _____ in their homes to _____ their _____ temperatures?
 How _____ I keep optimal _____ using _____ digital _____?
 _____ have _____ ideas _____ how to use _____ for controlling _____ temperatures?
 I _____ programming smart _____
 _____ tell _____ to _____ the digital thermostat in _____ homes to change _____ room _____ schedule?
 _____ suggestions _____ the best _____ to _____ thermostat for optimal room temperatures?
 _____ to _____ me _____ use a _____ Thermostat to adjust the Room _____ and Daily _____?
 _____ ideas or recommendations on how to _____ the _____ thermometers to _____ schedules _____ a _____.
 _____ do _____ for using a digital _____ optimum _____ temperature?
 Do _____ have any _____ to use a _____ thermostat for optimum _____?
 How do you tell people _____ use _____ their _____ to adjust the _____ their _____?
 Do you _____ any _____ on _____ to _____ room _____ with _____?
 _____ it possible _____ maximizing daily _____ and room temperatures _____ a digital _____?
 If _____ give me _____ suggestions _____ up a programmed thermostat system _____ rooms, _____ schedule _____.
 _____ have any suggestions _____ best way to use a _____ room temperatures and _____?
 _____ do you teach people to use _____ in _____ their schedule and _____ temperature?
 Do _____ any ideas _____ how _____ thermostat to adjust _____ temperatures?
 _____ can _____ maintain optimum _____ digital thermostat systems?
 Do _____ know how _____ use a digital _____ ideal temperatures _____?
 _____ to _____ control my daily routine and maintain _____ a _____ thermostat system?
 _____ it _____ to _____ on how to _____ digital _____ room _____ and schedules?
 _____ give _____ on using digital _____ to _____ room temperatures and _____ schedules?
 _____ of _____ good ways _____ a digital thermostat _____ optimal room _____?
 To _____ temperature, _____ could give _____ suggestions _____ setting _____ programmed thermostat _____ for the rooms.
 _____ input on setting up _____ temperature changes _____ systems.
 How do I use _____ to _____ temperature _____?
 _____ there _____ advice _____ for using a _____ thermostat to _____ room _____?
 Is there any advice on _____ use _____ room temperatures _____?
 To schedule _____ temperature _____ room, you _____ give me some _____ up a _____ thermostat _____.
 How _____ I keep my _____ in the _____ using _____?
 Do _____ for adjusting _____ room _____ with a digital thermostat?
 Did _____ need advice _____ to _____ temperature with digital thermostats?
 How _____ you _____ to _____ the digital thermostats _____ their _____ they can _____ schedules?
 _____ you need assistance with _____ perfect _____ digital thermostats?
 Can _____ tell _____ what _____ with _____ digital _____ to adjust _____ room _____?
 _____ have _____ as to _____ use the digital thermostat for optimal _____?
 _____ advice on how to _____ adjusting schedules _____ maintaining a _____ temperature in every _____.
 Is _____ any _____ you could _____ digital _____ for _____ room temperatures _____ schedules?
 _____ can be _____ to change _____ daily _____ the room _____.
 _____ digital thermostats _____ to set ideal temperatures _____ create _____?
 _____ be _____ to adjust the _____ schedule and _____ room _____.

_____ on how to use _____ digital thermostat for optimal _____?

_____ you _____ digital thermostats in setting optimum temperatures _____ efficient _____?

Do _____ have _____ opinions _____ use of _____ Thermostats in adjusting _____?

_____ you have _____ use digital Thermostats to _____ room temperatures?

_____ you _____ suggestions _____ use a digital thermostat _____ room temperatures?

_____ advice _____ could _____ on how _____ use _____ digital thermostat for _____ room temperatures _____ schedules?

How do _____ people _____ to use _____ thermostats to _____ schedules and _____ room _____?

_____ you _____ any ideas about using digital Thermostats _____?

_____ you _____ any _____ on _____ to use digital thermostats in _____ and _____ efficient _____?

How _____ you encourage people _____ the digital _____ in _____ to adjust _____?

_____ be used to _____ and temperature control?

Do you have _____ a digital thermostat for _____ temperature _____?

_____ you _____ how to _____ to set _____ and create _____ schedules?

Would _____ able to _____ me how to use a _____ to _____ Room _____?

_____ you tell _____ to use _____ digital thermostat _____ adjust _____ daily schedule and perfect _____?

_____ is the _____ way to _____ to change daily _____ and _____ temperatures?

_____ do you _____ a digital _____ adjust _____ and schedules?

_____ schedule the _____ in _____ room _____ could give me some _____ programmed thermostat system.

_____ thermostat systems _____ be _____ maintain _____ temperatures, how _____ I _____ them?

_____ you _____ give me _____ suggestions on setting _____ a programmed thermostat _____ the temperature _____ to operate _____ to achieve _____ schedules alongside comfortable spaces in _____ would _____.

I _____ your help _____ setting _____ that _____ schedule the _____ in some rooms

Are _____ looking _____ advice on _____ room _____ with the _____ thermostats?

_____ do _____ people to _____ digital thermostats in their _____ to adjust _____ temperature _____ the room?

Is there _____ way to schedule _____ different rooms _____ the _____ aprogrammed _____?

_____ the use of _____ thermostat?

_____ it possible _____ give _____ on using a digital thermostat _____ optimal _____?

_____ you _____ any tips for maximizing _____ temperatures _____ a _____?

How can _____ use _____ maintain optimum _____ temperatures?

How _____ you _____ people _____ use _____ digital thermostats in _____ to _____ schedule and perfect _____?

_____ have suggestions on the _____ Thermostats?

How do you tell _____ to _____ to _____ room _____?

To schedule _____ temperature in _____ some suggestions on setting up _____ system _____ it.

Do _____ need _____ on _____ perfect _____ temperature _____ digital thermostats?

_____ improve digital _____ room temperature?

_____ to know _____ to _____ a _____ Thermostat to adjust Room _____ Schedules

_____ you tell _____ set _____ thermostats for optimum _____ temperatures?

How do you _____ how _____ digital _____ to adjust _____ daily schedule _____ perfect _____ temperatures?

_____ you give me _____ room warmth _____ a _____?

_____ you recommend _____ a _____ thermostat system to adjust _____?

Do _____ have _____ on _____ to _____ a _____ for optimal _____ and schedules?

_____ you _____ the digital _____ to adjust their schedules and _____ room _____?

How _____ use _____ digital thermostats to _____ temperatures?

Do you have _____ recommendations _____ the _____ Thermostats?

Is there _____ advice you _____ give for _____ digital _____ and schedules?

Would you be _____ me how to _____ a _____ for adjusting _____ temperatures _____ Daily _____?

_____ there _____ way to use _____ digital thermostat _____ and times?

_____ achieve appropriate schedules with _____ within rooms, share the _____ ideas _____ on how to operate _____.

_____ it possible _____ advice on using a _____ thermostat _____ optimum _____?

Is _____ that you can give _____ using a _____ optimal _____ temperatures?

How can _____ thermostat system _____ adjust daily schedules _____ temperature?

How do you _____ thermostats for optimal _____?

_____ do you tell people _____ the digital _____ to _____ and maximize _____ temperatures?

_____ should you use _____ to settle _____ ideal room _____?

Advice on _____?

To _____ the temperature _____ a _____ you _____ give _____ some _____ setting _____ a programmed thermostat _____

Would you _____ able to teach _____ how _____ use a _____ temperatures _____ daily schedules?

_____ can _____ optimal scheduling and temperature controls.

Do _____ have _____ advice on how _____ digital thermostat for _____ temperature _____?

Is there any help _____ thermostats _____ and creating _____ schedules?

Is _____ any advice _____ to _____ daily _____ room temperatures with _____?

"How _____ people _____ use _____ in their homes _____ change the _____ and perfect room temperatures? _____

_____ do _____ tell people to use digital thermostats _____ their _____ the _____ in _____?

_____ you tell _____ to _____ digital thermostats in their homes _____ adjust the _____ and schedule _____?

Do _____ have _____ suggestions _____ how _____ digital thermostat for _____ and schedules?

_____ can I use _____ thermostat _____ to _____ my _____?

Is _____ possible to effectively _____ my _____ routine _____ ideal _____ using _____ digital _____?

Is it possible _____ offer _____ for Optimizing _____ and room _____ with _____ thermostat _____?

Do _____ have _____ on using a _____ for _____ room _____ schedule?

What is _____ best way to use a _____ schedules?

_____ advice on _____ to _____ a _____ effectively for adjusting room _____?

If _____ me know _____ to use a _____ adjust the _____ temperature.

_____ it possible to _____ how _____ use digital _____ optimum room _____?

_____ to know how _____ use a _____ for _____ the Room temperature _____ Schedule.

How do _____ people _____ their homes to get the perfect room _____?

Can _____ give _____ any _____ to improve room _____ digital thermostat system?

Is _____ any advice _____ give _____ using _____ digital thermostat _____ temperatures?

How _____ you _____ people to use the _____ their homes to _____ schedules _____ their _____?

Do _____ any _____ for optimal room temperatures and schedules?

In _____ be able to _____ manage _____ daily _____ optimal room temperatures at all _____ how can _____ thermostat?

_____ to figure out _____ a digital Thermostat _____ the Room temperatures _____ schedules.

_____ schedule the temperature _____ a room, you could _____ suggestions _____ up a programmed _____.

Is it possible _____ digital thermostats _____ room temperatures _____ schedules?

What are _____ tips _____ digital _____?

_____ you _____ to use a _____ thermostat to adjust _____?

Do _____ any _____ on how _____ digital _____ achieve appropriate schedules with comfortable _____ rooms?

_____ you have any _____ on _____ used _____ adjust room temperatures?

Would _____ like _____ on _____ smart _____?

_____ digital thermostat _____ room temperatures?

I'm _____ to _____ to _____ digital Thermostat to adjust _____ temperatures _____ Daily _____.

_____ you _____ using digital Thermostats to _____ room temperatures?

_____ need _____ to get the perfect _____ temperature _____ a digital _____?

I want to _____ to _____ a _____ to adjust _____ room _____ and _____.

Digital _____ can be used _____ and _____ schedules.

_____ be used to _____ temperature settings and _____ schedules?

_____ looking for advice on _____ the _____ room _____ with _____ digital _____?

The advice _____ time _____ room temperature _____ thermostat?

_____ you _____ room _____ and schedules _____ digital thermostat?

I need _____ know _____ to _____ a _____ Thermostat to _____ Room temperature _____.

_____ it possible _____ offer _____ on using a digital _____ temperatures and _____?

Do you ____ how ____ temperatures and create ____ of digital thermostats?

Need advice ____ perfect ____ temperature with ____ thermostat?

____ would be great if you ____ recommend ____ operate digital ____ schedules alongside comfortable spaces ____ rooms?

Do ____ on how to ____ the ____ room ____ with a ____?

____ thermostats can be ____ optimal scheduling ____ temperature ____.

____ you ____ to teach me how ____ use a ____ for adjusting ____ temperature and ____?

____ you tell people ____ in their ____ to regulate the room ____?

Is there any advice you ____ like to ____ a digital thermostat for ____?

Is ____ any ____ on how to ____ and room ____ digital thermostat ____?

How do you ____ to use the ____ their ____ change ____ schedule and ____ room temperature?

____ to ____ the digital thermostats in ____ homes to adapt ____ schedule in their ____?

How ____ ensure ____ temperatures ____ digital thermostat systems?

Can you ____ me ____ programming ____?

I need ____ suggestions ____ setting ____ that will schedule the temperature ____ some ____

Is ____ any ____ on ____ digital thermostats ____ adjusting ____ and daily schedules?

____ you ____ achieve the perfect room temperature ____ a digital ____?

Do ____ any ____ about ____ to ____ digital Thermostats to ____ room ____?

____ you ____ suggestions on using a ____ thermostat for ____ room ____?

____ in getting advice ____ achieving ____ room temperature with ____ thermostats?

____ could ____ advice ____ how to use digital ____ to ____.

Do ____ have ____ suggestions ____ ways ____ use ____ thermostat?

____ looking for advice ____ achieving a perfect ____ with ____?

____ do you tell people to ____ change ____ schedules?

I'd ____ to ____ use a ____ Thermostat to adjust ____ Daily schedules.

Is there any ____ can give ____ for optimum room ____ and ____?

____ do ____ digital ____ in setting their ____ temperature?

How ____ you ____ digital ____ for ____ room temperature?

____ on how to ____ room ____ with digital ____ systems?

Would you ____ able ____ me how ____ Thermostat to ____ Rooms temperature?

____ you offer ____ advice on using a ____ thermostat ____ temperature ____?

____ possible to use ____ digital ____ optimal scheduling ____ temperature ____.

How do ____ tell people to ____ the digital ____ their ____ schedule and temperature?

Is there ____ offer on ____ a digital ____ optimal ____ temperatures?

____ possible ____ give ____ on using digital thermostats ____ temperature ____ schedule?

____ you ____ how to ____ smart thermostats ____?

How do you ____ people ____ use the ____ thermostats to ____ room temperatures?

____ any ____ programming digital thermostats?

How ____ how ____ the ____ to maximize their room temperature?

____ there ____ information ____ how to ____ room temperatures ____ a ____?

I'd like to ____ to ____ Thermostat to ____ the ____ temperatures.

To ____ the ____ in the ____ I need ____ on setting ____ programmed thermostat ____ rooms.

____ I maintain ____ temperatures ____ digital thermostat systems?

Would ____ to teach ____ use a Digital Thermostat for ____ the ____ temperatures ____ Daily ____?

Is ____ for you ____ give advice ____ using digital ____ adjusting ____?

Do ____ have any ____ about ____ to ____ thermostats ____ set ideal temperatures ____ efficient ____?

____ any ____ you ____ using a digital thermostat for ____ temperature ____ schedule?

____ looking for feedback ____ scheduled temperature changes ____ digital ____.

____ to ____ my ____ ensure optimal room ____ at ____ times, ____ can I use programmed thermostats?

Do ____ have ____ ideas on how ____ operate ____ thermometers to ____ schedules ____ comfortable ____ in ____?

_____ good idea to use a digital thermostat _____ to _____ ?

_____ give _____ how to improve room _____ a _____ thermostat system?

_____ possible to _____ digital thermostats _____ and temperature control?

_____ the _____ give _____ some suggestions on setting up a _____ thermostat system

If _____ could give me _____ on _____ programmed thermostat system _____ rooms, _____ temperature

I'd like _____ how to use _____ digital _____ to adjust _____ .

How _____ a _____ system to _____ their _____ room temperature?

How _____ you _____ thermostats for _____ temperature?

_____ you tell _____ use _____ thermostats _____ adjust room temperatures?

_____ are the best ways _____ a digital _____ temperatures and _____ ?

_____ give me _____ suggestions on setting _____ programmed thermostat system for rooms, _____ the temperature

_____ do _____ people _____ digital thermostat to adjust _____ schedules and _____ temperatures?

For _____ temperature control, _____ can _____ use digital _____ ?

_____ managing daily agendas as well _____ controlling _____ rooms, what _____ the _____ use a _____ Thermostat system?

_____ to _____ to _____ the perfect _____ with digital thermostats?

_____ do _____ to use _____ thermostats _____ their homes _____ they can adjust the _____ temperatures?

_____ you _____ able _____ tell me how _____ a _____ to adjust Room temperatures _____ schedules?

How _____ you tell _____ to _____ homes _____ adjust their room temperature?

Do you know _____ digital _____ in _____ ideal temperatures and creating _____ ?

Do you _____ best ways to use a _____ thermostat _____ optimal _____ temperatures and _____ ?

Is there a way to use _____ thermostat _____ ?

_____ you _____ as _____ how _____ a digital thermostat for _____ room temperatures?

_____ you give _____ suggestions _____ to _____ room _____ with digital _____ systems?

_____ thermostats to regulate room temperatures?

_____ have any suggestions on how to _____ digital _____ optimal _____ ?

_____ on how to operate _____ thermometers to achieve _____ comfortable _____ within rooms _____ that should _____ .

There's _____ about _____ a digital _____ room temperatures and _____ .

_____ on how to _____ a digital thermostat _____ adjusting _____ temperatures?

_____ you _____ ideas on the use of _____ for _____ room _____ ?

_____ it possible to use digital _____ for _____ scheduling _____ ?

_____ or recommendations on operating _____ thermometers for achieving _____ alongside comfortable _____ rooms would be _____ .

Seeking advice on how to _____ by _____ thermostats, adjust _____ and _____ in every _____ .

_____ you _____ suggestions on _____ of _____ Thermostats in _____ temperatures?

Would _____ be able _____ me _____ a digital Thermostat to _____ the _____ ?

How _____ you teach _____ the digital _____ homes _____ adjust their _____ temperatures?

_____ digital thermostats can be _____ the _____ and room _____ .

Do you have any _____ using digital Thermostats _____ ?

Do you have _____ suggestions _____ the _____ thermostat _____ used _____ change _____ temperatures?

_____ are _____ used to adjust _____ and _____ daily schedule?

How do _____ tell _____ use the digital thermostats _____ the _____ ?

_____ have any _____ to _____ a digital thermostat _____ optimum _____ and schedules?

_____ me about programming digital _____ ?

Suggestions on how to operate digital _____ to _____ spaces within _____ something _____ be shared.

Is it possible for _____ on using _____ thermostats for _____ ?

How can _____ digital _____ systems to _____ maintain my _____ ?

If you _____ to achieve _____ spaces within rooms, please share _____ best ideas _____ a digital _____ .

_____ any advice _____ a _____ for optimal room temperature?

_____ you tell _____ to _____ thermostat _____ their homes to adjust the temperatures in _____ ?

How can _____ a _____ thermostat to adjust _____ and _____?

_____ use a _____ thermostat for adjusting room temperatures?

_____ it _____ idea to use a _____ thermostat _____ optimal _____ temperature _____?

How do _____ people _____ use _____ thermostats to _____ their _____ and room temperature?

_____ any _____ the best ways to use _____ thermostat for optimal _____?

_____ you can _____ me _____ using _____ thermostat _____ optimal room _____ and schedules?

_____ it _____ to _____ using _____ thermostats for _____ room temperatures _____ schedules?

How _____ ideal _____ temperatures _____ a digital thermostat _____?

_____ advice _____ how to _____ efficiency _____ digital _____ adjusting _____ and maintaining a _____.

Some suggestions on setting _____ a _____ thermostat _____ rooms _____ temperature _____ be _____.

Advice on _____ adjust time and room _____ a _____?

How _____ you use _____ thermostat _____ optimal room _____?

_____ how _____ maximize efficiency by using digital _____ and maintaining a comfortable _____ every _____

_____ do you tell people _____ maximize room _____ the _____?

How _____ be used _____ temperature control?

_____ you tell people how _____ digital thermostat to _____ temperatures?

Would _____ be able _____ how _____ use a _____ adjust the _____ temperature and schedule?

Do _____ have _____ advice about _____ time and room warmth _____?

_____ you _____ any _____ on the _____ Thermostats in adjusting room _____?

_____ to improve _____ schedules and _____?

_____ do you tell _____ how _____ use _____ adjust _____ schedule and _____ temperature?

_____ there any _____ thermostat for optimal room temperatures?

How about giving _____ on _____ digital thermostats _____ adjust _____ temperatures and _____?

_____ there any advice for _____ optimal room temperature _____ schedules?

Do you _____ any _____ best ways _____ the _____ for optimal _____ and daily schedules?

Should _____ give advice on how _____ thermostats effectively _____ adjust room _____?

_____ tell people to use the digital _____ homes to adjust the _____ the _____?

_____ any advice _____ give _____ thermostat for _____ room temperatures and schedules?

_____ well as _____ levels within rooms, _____ the most effective _____ use a programmed thermostat system?

Do _____ have _____ suggestions _____ how _____ room temperatures with _____?

Would you _____ teach _____ how to _____ digital _____ to adjust _____ room _____?

_____ schedule the temperature, you could _____ suggestions _____ a _____ system for the _____.

_____ wondering how _____ perfect room _____ with digital thermostats?

Is it possible _____ some _____ using a digital thermostat _____ room _____?

_____ have any _____ setting _____ temperatures _____ efficient schedules using _____ thermostats?

_____ suggestions on how to _____ digital thermostat?

What advice do you have _____ a _____ thermostat _____ the _____?

How do you _____ thermostats _____ optimal room _____?

Do _____ any _____ or _____ on how _____ the digital thermometers _____ achieve _____ in _____ comfortable space?

Seeking _____ how _____ maximize efficiency by using _____ adjusting _____ a _____ temperature in _____ room.

_____ tell people how _____ use _____ digital thermostats so _____ can _____ room _____?

Are _____ for _____ on _____ a perfect _____ temperature with _____ digital _____?

_____ schedule _____ in _____ room, you _____ give me _____ on setting _____ programmed thermostat.

_____ is looking for _____ on _____ efficiency by _____ thermostats, adjusting _____ maintaining _____ comfortable temperature.

_____ do _____ tell people to _____ the _____ in _____ to adjust the _____ in _____ room?

_____ anything you _____ tell _____ about _____ digital thermostat systems to _____?

How to adjust _____ warmth with _____?

_____ do you tell _____ to use _____ digital _____ to _____ room _____?

Is _____ any tips _____ how to _____ daily _____ and _____ thermostat systems?

_____ use the digital thermostats _____ their _____ to have perfect room _____?

Is _____ possible _____ give advice on _____ thermostat for _____ room temperatures _____.

How _____ people to _____ digital _____ to adjust the _____ schedule and _____?

_____ possible _____ any tips _____ adjusting room _____ a digital thermostat?

_____ you have _____ ideas on _____ a digital _____ for optimal _____?

Do _____ have _____ ideas on using digital _____ temperature?

_____ can _____ how _____ programming digital thermostats?

_____ have a suggestion _____ how to _____ for adjusting _____ temperatures?

_____ you could give advice on _____ to adjust room _____?

Do you _____ get a perfect _____ temperature with _____ digital _____?

How _____ my digital _____ for optimal _____?

Do you have _____ about _____ to _____ a _____ room temperature _____?

How do _____ to use the digital _____ in _____ homes _____ change _____ schedule _____ the _____?

How do _____ tell _____ use _____ thermostats in their _____ adapt the _____ and _____ their room?

_____ about how to use a _____ thermostat for _____ and schedules?

Do you have _____ ideas _____ how _____ digital _____ adjust _____ temperature?

How _____ tell people how _____ room _____ digital thermostats?

_____ room temperatures with the use _____ digital thermostats?

_____ have any ideas _____ to _____ a _____ thermostat _____ adjust _____ temperatures?

How about giving _____ on _____ to use _____ room temperatures?

Can you _____ advice _____ how _____ the _____ room temperature _____ thermostats?

_____ way to _____ people how to use _____ thermostats _____ room temperatures?

_____ can _____ the _____ to adjust _____ room temperature?

How _____ you tell people how _____ use _____ thermostat to _____ and _____ their _____ temperature?

_____ want _____ know how to use a _____ the _____ temperatures _____ Daily _____.

_____ to change _____ and room _____ with _____ thermostat?

_____ room temps and _____ schedules?

_____ you _____ suggestions _____ to use the digital _____ adjust _____ temperatures?

_____ any _____ for Optimizing daily _____ and room _____ with a _____?

_____ to _____ maximize _____ schedules and _____ temperatures?

_____ achieving _____ within rooms, share _____ best ideas _____ recommendations _____ operating digital thermometers.

_____ on how to _____ efficiency by using digital _____ adjusting _____ comfortable _____ sought.

Do you _____ how to _____ thermostat _____ adjust the room temperature?

_____ a _____ use digital _____ to _____ room temperatures?

_____ smart thermostats?

_____ do _____ tell people to _____ the digital _____ homes to _____ room _____?

Do _____ any _____ on using _____ thermostat _____ optimal room _____?

_____ you encourage _____ use the digital thermostats in _____ change _____ daily _____ and _____ temperatures?

Would you _____ able _____ me _____ to use a digital Thermostat _____ the _____ temperatures _____?

Is there _____ you have on _____ a _____ room temperatures _____ schedules?

_____ possible to offer advice _____ a _____ for _____ room temperatures _____ schedule?

How can _____ thermostat systems _____ me _____ optimum _____?

_____ good _____ use _____ thermostat systems to adjust _____ temperatures?

_____ you _____ people to use the _____ thermostats _____ homes to _____ the temperatures _____ their _____?

How _____ you use digital _____ modify _____?

_____ any advice _____ can give _____ using a digital _____ room _____?

How do you _____ to _____ digital _____ to change _____ daily _____ and _____?

Would _____ able _____ teach _____ how to use _____ Thermostat _____ the Room _____ and Daily _____?

_____ you _____ advice on _____ achieve _____ perfect room _____ with digital _____?

Do you know _____ to use the _____ thermostat _____ and _____ schedules?

_____ your help with _____ use _____ digital _____ to adjust the _____.

What _____ on using _____ digital thermostat _____ room temperatures?

_____ you encourage _____ the _____ thermostat to adjust the _____ and _____ temperatures?

How _____ you tell _____ the _____ in their _____ to set room _____ and _____ schedules?

_____ out how _____ achieve _____ room temperature with digital _____?

_____ you want to achieve appropriate _____ comfortable spaces _____ rooms, _____ best ideas _____ how to _____
Thermometers.

_____ you can _____ me _____ on setting _____ programmed thermostat _____ that will schedule _____ some _____.

Advice _____ time and room temperatures _____ digital _____?

Would _____ be able _____ me how _____ use _____ thermostat to _____ Room temperatures _____ schedules?

Is _____ any advice _____ give _____ using a _____ thermostat for _____ and _____?

_____ of any _____ ways to _____ a digital thermostat _____ room _____?

To schedule the temperature, _____ can give _____ on _____ a programmed thermostat _____.

_____ do _____ people how _____ use _____ digital thermostat to _____ their daily _____ temperature?

Suggestions _____ to _____ thermometers _____ appropriate _____ along with comfortable _____ in rooms?

The _____ thermostat can _____ used _____ daily schedules _____ room _____.

_____ you tell people _____ use _____ digital thermostat in their _____ adjust _____ schedule?

_____ do you tell _____ how _____ temperature with _____ digital _____?

Do _____ have _____ suggestions for _____ thermostats to _____ ideal _____ create efficient _____?

_____ you encourage _____ use _____ digital _____ in their homes _____ room temperatures?

_____ programming smart _____?

Can _____ give _____ on _____ and room temperature with _____ thermostat?

_____ do _____ tell _____ use the digital _____ in _____ home to change their _____ temperatures?

How _____ use _____ system to get _____ ideal room _____?

_____ you _____ people _____ the digital thermostats in _____ homes _____ the temperature and schedule _____ house?

_____ able to teach _____ how _____ a digital _____ for _____ the _____ temperatures?

Setting _____ scheduled _____ changes _____ systems is something _____ I _____ looking _____ input _____.

I _____ know how _____ a digital _____ for _____ Room temperatures.

_____ you have _____ suggestions on _____ a _____ thermostat for optimal _____ temperatures?

_____ there _____ you _____ about _____ thermostat _____ optimal room temperature and schedules?

_____ achieving _____ within rooms, share _____ best ideas _____ on operating digital thermometers?

I'd _____ how to use _____ digital Thermostat _____ Room _____ and Daily _____.

Do you _____ any ideas _____ to use a _____ to _____?

If _____ could _____ me with how _____ use _____ digital _____ to _____ the _____.

How do _____ to use the _____ adjust the room _____?

_____ do you use _____ digital _____ for _____ optimal _____?

Are you wanting advice _____ how _____ achieve _____ temperature _____ thermostats?

Do you suggest _____ to use _____ thermostat _____ adjust _____?

To schedule _____ temperature in _____ you _____ some _____ setting up a _____ thermostat _____.

How do _____ encourage people _____ use the _____ homes _____ change _____ schedules and room _____?

To _____ room you _____ give _____ some suggestions _____ up a programmed thermostat.

Do you have _____ suggestions _____ to _____ digital _____ optimal _____ temperatures and daily _____?

_____ do you tell _____ to _____ digital _____ in _____ to _____ their _____ and temperatures?

_____ do _____ how to use the digital thermostat to _____ temperature?

Are there _____ how _____ maximize _____ schedules and room _____ digital _____?

How about _____ digital _____ room temperatures?

In managing _____ as _____ as _____ levels within _____ the _____ way _____ use a programmable thermostat system?

Can _____ give _____ advice _____ a _____ thermostat for _____ temperatures _____ schedules?

_____ on how to _____ temperatures _____ a digital thermostat system?

Is _____ a way _____ schedule _____ temperature in different _____ the _____ a _____?

Do you _____ about _____ thermostats for setting _____ temperatures _____ efficient _____?
_____ you have ideas _____ use a _____ thermostat _____ optimal room temperatures _____?
What _____ opinions on _____ a _____ thermostat _____ to _____ room _____?
Is it _____ to effectively _____ daily _____ indoor temperatures _____ thermostat systems?
_____ any advice _____ give to use a _____ thermostat _____ room _____ and _____?
_____ about achieving the perfect _____ thermostats?
_____ you _____ suggestions _____ setting up a programmed _____ system for rooms, _____ the temperature? _____
Seeking advice _____ to _____ efficiency by using digital _____ comfortable temperature.
Did you _____ how to use _____ thermostats _____ set _____ efficient _____?
digital thermostat _____ optimal room _____?
Do _____ on getting the perfect _____ temperature with _____?
_____ do _____ people _____ use _____ digital thermostat _____ homes to adapt their _____?
How _____ you _____ optimal room _____ a _____ schedule with a _____?
Is _____ to _____ on how _____ digital thermostats _____ to _____ room _____ and schedules?
Seeking _____ on how _____ efficiency by _____ schedules, and maintaining a _____ temperature in _____
Is _____ advice on using _____ digital _____ for _____ temperatures and _____?
How _____ you use _____ thermostat to change _____ and _____?
Is there _____ can give _____ use of _____ for optimal room temperature and _____?
How can you _____ system to _____ temperature?
Do you know how to _____ digital _____ temperatures _____ creating _____ schedules?
Do _____ for the best ways to _____ digital _____ optimal room _____ and schedules?
_____ you have _____ how _____ a _____ to adjust room temperatures?
