

[Demo] NLP Dataset for Customer Service Automation

Company Type	E-commerce Marketplaces
Inquiry Category	Product availability and stock inquiries
Inquiry Sub-Category	Product Sourcing
Description	Customers ask about alternative sources for products that are currently out of stock. They want to know if the marketplace can source the item from another seller or supplier and if there are any additional costs or conditions associated with this.
Data Size	6,244 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "E-commerce Marketplace" customer inquiry. (Purchased data will not be masked.)
