

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Damaged infrastructure reporting
Inquiry Sub-Category	Outage Reporting
Description	Customers report power outages in their area, providing details such as the location and duration of the outage, enabling prompt response from Electricity Suppliers.
Data Size	5,673 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Where can we _____ information necessary _____ damaged _____ our _____ supply?

Can you _____ us _____ to get the _____ for _____ that affects _____ provision?

_____ can we _____ of _____ authorities about _____ accessibility damages?

_____ you _____ connection issues caused by damage?

_____ us _____ the contact information to _____ damage _____ disrupting _____ electrical supply.

What contact _____ are _____ to report _____ to _____?

Where can _____ contact _____ for _____ electrical _____ issues?

_____ can we find _____ contact _____ we need _____ report damage _____?

Do you _____ where _____ important _____ infrastructure _____ that _____ our electricity provision?

_____ can we get contact information _____ infrastructure _____ affects _____?

Is _____ a place _____ damage that causes disruptions _____ electricity _____?

Are you able to give _____ for reporting _____ issues _____ damage?

Can you tell us _____ reporting _____ that affects electricity provision?

Is _____ possible _____ to _____ data for _____ supply issues?

If something _____ to our power _____ we _____?

How _____ find the _____ information for reporting electrical _____?

Where _____ we _____ to report _____ affecting our _____?

Is _____ a place to _____ to _____ electrical _____?

Where _____ the contact details _____ to _____ electrical supply?

Where do _____ find the _____ contact _____ for _____?

_____ can _____ find people who _____ help _____ report _____ due _____ infrastructure destruction?

_____ where _____ report _____ damage affecting electricity supply?

Did _____ know where to get _____ about busted _____ flow?

_____ the _____ information to _____ electrical infrastructure issues?

I _____ know where to _____ details _____ busted _____ with _____ juice _____.

We need _____ contact details to _____ damage _____ supply.

Tell _____ where _____ report _____ with the _____.

_____ of contacting authorities _____ damages that _____ electric _____.

_____ can we _____ relevant _____ reporting an _____ electricity distribution?

_____ can we _____ we _____ to _____ electrical infrastructure issues?
 How _____ report damaged _____ that affects our _____?
 _____ there a place _____ people to _____ power system?
 _____ we _____ problems _____ power supply?
 Is _____ a place _____ report damage _____ system?
 _____ do _____ the _____ info for _____ damages?
 Inform _____ where _____ impacting _____ electricity supply.
 _____ do _____ the damage _____ electrical supply _____?
 _____ there _____ notify about malfunctioning power _____ structures?
 Who do I _____ up power _____?
 _____ can we _____ contacts _____ we _____ impaired electricity _____?
 _____ I find relevant _____ when I _____ distribution _____?
 Does _____ to _____ damage to our electricity _____ system?
 Does _____ know _____ to find the right _____ disrupted _____?
 How _____ report _____ to the _____?
 _____ there a way for _____ to _____ contact _____ for _____ impairments?
 Do _____ where _____ get _____ information _____ gear messing with our _____?
 We _____ for reporting infrastructure _____ that impacts electricity provision.
 Looking for _____ personnel _____ due to damages.
 _____ we report _____ our power _____.
 _____ should _____ look for _____ contact authorities about electric _____?
 _____ let _____ know where _____ can _____ appropriate contacts _____ report disrupted _____?
 _____ be contacted about _____ effect _____ on electrical service?
 Do _____ have the necessary _____ to report electrical _____ caused _____?
 _____ reporting impaired electricity distribution due _____ infrastructure _____ can _____?
 _____ you have _____ report the damage to our _____?
 Can you give _____ the _____ information for _____ disrupting our _____?
 _____ way _____ you _____ report _____ infrastructure impacting electricity?
 _____ do we look _____ to _____ authorities about damages _____ accessibility?
 _____ can we find out _____ contacts we need _____?
 _____ we _____ damaged infrastructure that affects _____ power _____?
 _____ contact details _____ that affects our electric supply?
 How _____ we contact the authorities _____ damages _____?
 Do you have the information _____ damaged infrastructures _____ are _____ supply?
 _____ tell us _____ we can _____ electrical connection _____?
 _____ where _____ contacts to report _____ that impacts electricity provision?
 Need _____ to report _____ electrical _____?
 _____ a _____ report damaged _____ impacting electricity?
 _____ can _____ find _____ contacts that _____ required when _____ electricity distribution?
 _____ goes wrong _____ our _____ where _____ we get ahold _____ you?
 We _____ know _____ infrastructural _____ impacting electricity supply.
 Contact details _____ needed _____ report _____ electrical supply.
 Can we _____ data _____ impairments _____ the _____ supply?
 We _____ contact information for _____ electrical _____ issues.
 _____ you know the information that _____ need to _____ power _____?
 Can _____ us where we can find _____ that _____ us _____ report _____?
 Where _____ I get the _____ information to _____ busted _____ killing _____ electricity?
 Where do _____ look to _____ ways _____ authorities _____ electric _____?
 _____ know what _____ do about _____ impacting electricity?
 _____ can I find relevant _____ electrical _____ because of _____ structures?

Are we ____ to ____ data for ____ electrical ____?

Contact ____ are needed ____ electrical ____.

____ to get the scoop ____ gear messing with ____ flow?

____ something happens to the power supply, ____ you guys?

____ damage ____ our power supply, how ____ it?

How ____ we ____ damaged ____ that ____ electric supply?

Do you have ____ information that ____ need ____ report ____ our power ____?

Where should we find ____ contact information ____ infrastructure ____ affects ____?

Who should ____ contacted ____ damaged ____ impact ____ electrical service?

____ does we find contact details ____ report ____?

____ we ____ the contact details ____ damaged ____ that ____ electric supply?

Can ____ tell ____ where to drop the information about ____ flow?

____ we report ____ distribution due ____ infrastructure destruction, where ____ contacts?

What is the ____ information ____ impaired ____?

How can ____ get ____ contact ____ infrastructure damage ____ affects ____ provision?

____ should ____ contacted ____ damaged infrastructure ____ service?

____ me where to ____ scoop about busted ____ messing with ____ juice ____?

____ can we report ____ damage ____ our power ____?

____ need to ____ how ____ report infrastructural damage that ____ access ____.

____ help finding contacts ____ damaged ____ that impacts ____ provision.

We need ____ contact information to report infrastructure ____ is ____.

____ us where to ____ appropriate ____ that allow ____ report disrupted ____?

Where ____ find ____ damage that affects our power ____?

Where do ____ get ____ electrical ____ issues?

____ you tell us where ____ get the important ____ for ____ damage ____ electricity provision?

How can we get ____ touch ____ authorities ____ damages ____?

Can ____ please ____ us know ____ disrupting our electrical supply?

____ you ____ where we ____ get a hold of you if something ____?

____ can ____ problem ____ the power supply?

____ do ____ the ____ information to blabber about ____ killing ____ electricity?

Can ____ contact ____ reporting ____ supply issues?

Do ____ have ____ information we need ____ infrastructural damage ____ causes ____ distribution?

Where ____ find ____ details ____ report ____ the electrical equipment?

How can we ____ to report ____ to ____ supply?

Can ____ give us ____ data ____ connection issues?

Finding ____ contacts ____ are harmed jeopardizes ____ power.

Where ____ find ____ contact details necessary ____ to ____ electrical system?

Get contact ____ electrical ____.

____ need ____ locating ____ when I notice an ____ caused ____ faulty structures.

Do ____ the contact ____ us to report ____ disrupting our ____ supply?

____ to ____ if ____ a place to ____ damage ____ the ____ system.

____ please ____ us to the contact information ____ need ____ damages ____ our ____ supply?

Where can I ____ contacts ____ electrical distribution ____ by ____ structures?

____ a ____ for ____ to report any ____ to the ____ distribution ____?

Who ____ provide ____ for ____ facilities impacting ____?

Where can ____ contacts to ____ infrastructure ____ electricity provision?

I wonder ____ there is ____ report damage ____ distribution system.

We ____ wrecked ____ that ____ so 411 us on who ____ call?

____ can ____ find ____ contacts ____ impaired electricity distribution?

I want to know if ____ the ____ distribution system.

I need to _____ report _____ my _____ network.

Where _____ we get _____ to _____ electrical infrastructure _____?

_____ do _____ contact info to _____ from damaged infrastructure?

Is it possible _____ us to access _____ data _____?

_____ where _____ to the grid.

_____ us to the contact details _____ infrastructure _____ the _____ supply.

When reporting impaired _____ because _____ infrastructure destruction, _____ we find _____?

_____ we look _____ find _____ of contacting _____ authorities _____ electric _____ damages?

_____ we _____ about damaged infrastructure impacting _____ supply?

_____ us _____ report damaged infrastructure that _____ electricity provision?

Can you please tell _____ contacts _____ report disrupted electricity _____ infrastructure damages?

_____ a _____ we can _____ a _____ of _____ something happens to our _____?

_____ we _____ contact details to _____ the _____ supply?

_____ us _____ contact _____ required for reporting infrastructure _____ that _____ our _____ supply.

Where _____ find the contact _____ electrical _____ issues?

_____ a _____ us _____ report damaged infrastructure that's impacting _____ power _____?

_____ do we find _____ contact information for _____?

_____ I _____ relevant contacts when _____ electrical _____ affected by faulty _____?

_____ need to _____ the _____ contact information _____ electrical _____ issues.

Can _____ help us _____ a _____ to _____ any _____ electrical structure?

Who _____ regarding damaged infrastructure and how _____ service?

_____ to _____ important contact _____ reporting infrastructure _____ that impacts _____ provision.

Can you let _____ know _____ to find appropriate _____ allow us _____?

_____ want _____ where _____ details about busted gear messing _____ our _____.

Is _____ a _____ to report damages _____ distribution _____?

_____ contact information _____ report damaged _____ affecting our electrical _____?

I _____ to know if there is a _____ to _____ the _____.

How _____ report _____ infrastructure that _____ supply?

_____ reports of _____ failures _____ filed?

_____ do we _____ in _____ with _____ damaged _____ infrastructure?

_____ need _____ contact info _____ you _____ infrastructure _____ that is _____ our _____ supply.

_____ can we _____ infrastructure _____ impacts _____ power supply?

_____ you _____ where we can _____ of _____ if _____ happens _____ power supply?

Do _____ have _____ we _____ to _____ the damage _____ power grid?

_____ us how _____ report _____ that is disrupting our electrical _____?

_____ on who _____ call if _____ get wrecked _____ that _____ our _____.

Where _____ we find information to report _____ supply?

_____ details _____ be used _____ report _____ our power supply.

How _____ we report _____ the _____ supply?

Do you know _____ the _____ information _____ busted _____ messing _____ juice flow?

_____ we find _____ if _____ supply is affected _____ infrastructure?

We _____ that ruin _____ flow, so 411 _____ on _____ should _____ call?

_____ know _____ there's a _____ to _____ damage _____ the electricity distribution _____?

Got contact _____ report damaged _____?

_____ can _____ report _____ affecting our _____?

_____ you give _____ the _____ we need _____ report electrical _____?

Is _____ a _____ to notify about power _____?

_____ it _____ access contact data _____ report _____ supply _____?

Is there an info _____ electric supply?

_____ damages impacting _____ electrical _____ us to the relevant _____ details.

How can we _____ infrastructure _____ the _____?

We _____ stuff that ruin _____ electricity _____ so _____ on who _____.

Where _____ get _____ contact details _____ report electrical _____?

Do you _____ contact _____ for reporting infrastructure _____ that impacts our electricity _____?

_____ need to know how _____ damage that's _____ access to _____.

How can _____ related _____ disruptions _____ reported?

_____ us where to _____ damage _____ affects _____.

_____ can _____ get important contact information _____ reporting _____ electricity provision?

_____ you _____ the _____ information we need to report damaged _____ supply?

Someone _____ about _____ effect damaged _____ on electrical service.

We _____ on damaged _____ impacting _____.

_____ to _____ important contact _____ for reporting _____ that _____ electricity provision?

Do you know _____ about _____ gear messing _____ juice flow?

_____ know where to _____ scoop on busted gear _____ juice _____?

_____ should _____ look _____ ways to _____ authorities about _____ electric _____?

Do you know where _____ get _____ on _____ with _____ juice _____?

Where do I _____ contact info _____ blabber _____ busted _____ killing our _____?

_____ reporting infrastructure damage impacting our _____ is _____.

_____ you know where _____ report any _____ the _____ structure?

_____ you _____ the contact _____ for _____ infrastructure _____ electricity source?

In _____ to _____ power _____ what _____ the corresponding _____?

Where _____ the required contacts to _____ impaired _____?

_____ can _____ find contact information for damaged _____ affects _____?

Can _____ us _____ the contact _____ we need _____ infrastructure damage that _____?

Where can _____ find _____ electrical _____ damaged infrastructure?

_____ do we find contact information to _____?

How do _____ the _____ information to _____ damage?

_____ impaired power _____ what is _____ corresponding information _____?

_____ do _____ get _____ information for the _____ issues?

How _____ we _____ information about _____ related _____?

Where can _____ the _____ for reporting electrical _____ issues?

Is there _____ issues caused by damage?

Can you help _____ how to report any _____ electrical _____?

_____ know where _____ find appropriate contacts that will let _____ report _____?

Contact _____ required _____ reporting _____ issues.

Where should I _____ relevant contacts _____ I _____ impaired?

_____ you _____ the _____ information to _____ infrastructure _____ our _____ source?

Do _____ where to _____ about busted gear messing with _____?

Where _____ find the contact details _____ report _____ to _____ supply?

Where _____ I _____ contacts when _____ an impaired _____?

We need _____ finding out _____ report damage _____ electrical _____.

_____ we find relevant _____ damaged _____ that _____ electricity provision?

_____ to give us _____ to report _____ connection issues _____ by damage?

How do _____ locate contact details _____ electrical _____?

Could _____ let us _____ where _____ contacts _____ will _____ us to report _____?

_____ know where _____ get _____ information about _____ with _____ juice flow?

How _____ get _____ for reporting infrastructure _____ that _____ our electricity _____?

Can you tell _____ find appropriate _____ report _____ caused by _____ damages?

_____ order to _____ disrupted electricity _____ by _____ we _____ contacts.

Is there _____ way _____ to inform _____ malfunctioning _____?

_____ can _____ find relevant contacts when _____ notice an _____ faulty structures?
_____ we _____ the _____ information for reporting _____ that _____ electricity provision?
_____ regarding _____ disruptions be filed?
_____ have relevant _____ that _____ need to report disruptions _____ power _____?
Please direct _____ to the _____ necessary for reporting _____ damages that _____.
Where _____ get the contact _____ infrastructure issues?
_____ can _____ get the relevant contacts to _____ the _____?
_____ be contacted about _____ infrastructure _____ its _____ on electrical _____?
Is _____ a _____ to _____ that is _____ our _____ supply?
Where can I _____ relevant contacts when _____ distribution _____ faulty _____?
_____ I get _____ contact _____ to _____ this busted crap killing _____ stuff?
How do _____ find _____ for electrical _____?
Is _____ a way _____ to _____ power related structures?
Where _____ I get the _____ to blabber about the _____?
Do _____ the _____ need _____ damage to the power supply?
How _____ information _____ fixing messed up _____ stuff?
Where will we _____ report disrupted _____ supply?
I _____ locating relevant _____ when I notice _____ electrical _____ by _____ structures.
_____ need help _____ relevant _____ when _____ notice an impaired _____ faulty structures.
Contact details for electrical supply _____ to _____.
_____ we _____ to report infrastructure damage that's _____?
_____ we _____ the contact _____ electrical supply damage?
We _____ contact _____ to report _____ to _____ electric supply.
Where _____ look for _____ reach _____ electric accessibility damages?
_____ can we find out _____ the broken _____?
Where _____ we get the _____ electrical _____ issues?
_____ you _____ out how _____ to report _____ electrical support structure _____?
Does anyone _____ there is _____ place _____ to the _____ system?
Need _____ info to report _____?
I _____ to _____ how _____ report _____ is disrupting my access _____
_____ I _____ to _____ my access to electricity, who _____ I _____?
We're _____ report _____ electrical _____ from damaged _____.
Are we looking _____ of _____ authorities about _____ that _____?
Can _____ us _____ out where to _____ support structure _____?
_____ Identifying _____ right _____ to address disrupted _____ due to _____.
_____ information to report _____?
_____ need help _____ relevant _____ when _____ electrical distribution.
We need _____ find _____ information _____ infrastructure _____ electrical supply.
Where _____ get the _____ information to blabber _____ busted _____ electricity?
_____ where _____ report damage affecting _____ supply?
_____ that can give _____ contact data for _____ electrical _____?
Do you _____ where _____ get _____ on where _____ is _____ our juice _____?
_____ contact information to report infrastructure _____ disrupting our electrical supply?
_____ to report _____ damaged electrical _____.
_____ do we _____ information _____ broken _____ electricity?
_____ you help _____ discover _____ report _____ damage _____ the electrical support _____?
Do _____ where to _____ details _____ busted gear messing _____ juice _____?
_____ there a way to _____ damaged _____ electricity provision?
What _____ is needed _____ report power _____ is _____?
_____ find relevant contacts when _____ distribution _____ by faulty structures?

____ do we find ____ about ____ affecting ____?
 ____ do we get ____ for reporting electrical ____?
 Where do ____ get ____ busted gear ____ with ____ flow?
 ____ to ____ out where ____ report damaged infrastructure ____ impacts our ____.
 Where ____ we find contact info ____ electrical ____?
 ____ need ____ contact information ____ to report ____ damage ____ disrupting ____ electrical ____.
 ____ know ____ to ____ the scoop on ____ gear ____ juice flow.
 ____ you ____ us find out where ____ any ____ to the ____ structure?
 Did ____ a place ____ report ____ our electricity distribution system?
 ____ something happens ____ supply, where can we get ahold ____?
 ____ do we ____ contact ____ for reporting electrical ____ problems?
 Where do we ____ to find ____ affecting electric accessibility?
 ____ direct ____ the contact details required for ____ impacting ____ supply.
 ____ are ____ able to ____ contact ____ for reporting ____ issues?
 Can ____ to find appropriate ____ that ____ can ____ disrupted electricity?
 ____ find relevant contacts ____ notice the ____ electrical distribution ____ by ____ structures?
 How can ____ the ____ contacts ____ that ____ our power?
 When reporting ____ electricity distribution due ____ can we ____ relevant ____?
 ____ there a way ____ report ____ to our ____ source?
 Let ____ to ____ the scoop on busted gear ____ juice ____.
 Can ____ with the ____ for reporting electrical ____ issues?
 If anything happens ____ our power ____ we ____ hold of ____?
 ____ there ____ to ____ any ____ to ____ electrical system?
 We ____ contact ____ report damaged infrastructure ____ our ____.
 We ____ the contact ____ infrastructure damages ____ impact ____ supply.
 ____ do ____ locate ____ information ____ power ____ related damages?
 Can you ____ us with ____ necessary ____ reporting ____ problems?
 ____ know the ____ that ____ need ____ report infrastructural ____ power disruptions?
 ____ there a place ____ to our ____ system.
 ____ we ____ infrastructure that ____ our power supply?
 ____ is the best place to ____ contact ____ electrical ____?
 Where do I ____ contact information ____ about all ____ busted stuff ____?
 Where ____ we ____ that ____ allow ____ to report disrupted ____ by ____ damage?
 Do you know ____ can ____ a ____ of ____ if ____ supply ____ damaged?
 Can you tell us where ____ electricity?
 ____ do we find ____ when ____ is ____ electricity?
 Please direct us ____ that are necessary for ____ damages ____ our ____?
 If ____ power supply, ____ can ____ get a ____ of you?
 We need ____ get ____ for ____ electrical ____ issues.
 Where can we ____ contacts that ____ impaired electricity ____?
 Where ____ look ____ ways ____ contact ____ about ____ affecting electric ____?
 We ____ out how ____ report ____ damage on ____ support structure.
 Where can we find information about damaged ____?
 ____ we look for information ____ damaged infrastructure causing ____?
 ____ you help us find ____ damage ____ electrical structure?
 ____ do we report affected ____?
 Please direct us ____ contact ____ infrastructure damages impacting ____ electrical ____.
 Are you ____ give ____ information to ____ infrastructure ____ that ____ our ____ supply?
 Do you have ____ that we need ____ disruptions ____ power ____?
 We ____ looking ____ way to report ____ impacts ____ provision.

Where can we _____ contact details _____ an _____ supply _____?

Are _____ looking _____ of contacting authorities _____ electric _____?

Where can _____ details _____ report damage _____ electrical supply?

Who _____ contacted _____ effects on electrical _____ of _____ infrastructure?

_____ we find _____ contact _____ for _____ related damages?

I _____ to know _____ is _____ report _____ the electricity distribution system.

The _____ required _____ reporting _____ infrastructure _____ unknown.

We _____ to report _____ to the _____ where _____ we find _____?

Do you _____ to send information about _____ messing with _____?

We need _____ out where and _____ to report _____ damage _____ electrical _____.

_____ to report _____ power infrastructure _____ unknown.

_____ can _____ necessary contact information for reporting _____ issues?

Where _____ we _____ authorities about electric _____ damages?

_____ to _____ how to _____ damage that _____ access _____ electricity.

Tell us _____ to report _____.

Need _____ information _____ to _____ electrical supplies?

_____ you _____ us _____ out _____ report the damage _____ electrical support _____?

Do _____ information _____ infrastructural damage _____ causes disruptions in the power _____?

_____ there a way _____ us _____ be _____ about malfunctioning _____?

Where _____ the _____ report damage to _____ electrical grid?

How can _____ find _____ the contact _____ power-supply related _____?

_____ you know _____ to get _____ information _____ with our _____ flow?

_____ can _____ locate _____ contact info for _____ related _____?

Where _____ we _____ the _____ contact information for _____ infrastructure _____?

Seeking _____ identifying _____ right personnel _____ address disrupted electricity _____.

Need _____ for _____ damaged electrical _____?

_____ reporting _____ electricity distribution _____ to infrastructure _____ where _____ we _____ contacts.

Where can we find _____ regarding _____ that _____ supply?

Where to _____ report disrupted electrical _____ from damaged _____?

_____ required to report damaged _____.

Where _____ we _____ find ways _____ contact authorities _____ accessibility _____?

_____ an _____ source for _____ affecting the electric supply?

We need contact _____ to _____ infrastructure _____ is _____ our electrical _____.

_____ you help us _____ report any _____ to the electrical _____ structure?

_____ want _____ know where to _____ information _____ reporting _____ affects electricity provision.

_____ required to _____ damaged electrical _____.

_____ need _____ contact details _____ report damage to _____ electrical _____.

Contact details _____ supplies need _____ reported.

Contact _____ to _____ damaged _____ supplies.

How _____ we find _____ required _____ information to report _____?

Can _____ let us know if _____ infrastructure _____ that is _____ supply?

_____ where to find _____ about _____ gear _____ juice flow?

_____ wrecked _____ our electricity flow, so _____ us _____ who to _____.

Where _____ locate contact _____ to _____ disrupted electrical _____?

Where _____ we _____ information on _____ impacting electrical _____?

We _____ be able to _____ electricity _____ by _____ damages.

Where _____ the _____ information to blabber about the _____ that's _____?

Can you _____ us _____ connection _____ caused _____ damage?

_____ you _____ the _____ we need _____ report infrastructural _____ that _____ disruptions?

Do you _____ the _____ that we _____ to report _____ power _____?

How ____ we ____ caused ____ power supply?

How ____ information about ____ electricity ____?

____ you ____ the scoop on ____ to ____ out about ____ gear ____ juice ____?

When ____ electricity distribution due to infrastructure ____ where can ____ get ____ contacts?

____ a ____ let us know about ____ structures?

____ you ____ where to ____ appropriate ____ electricity due to infrastructure damages?

____ for ____ infrastructure damage affecting our power ____ available.

____ we report ____ infrastructure that ____ slowing down our ____?

Are we ____ access ____ for reporting electrical ____?

____ it possible to ____ contact data ____ reporting ____?

____ there a ____ to ____ infrastructure ____ is impacting the power ____?

____ contact information for ____ that impacts electricity provision?

Where is ____ contact details ____ damage to ____ electrical ____?

____ do we ____ the ____ to report electrical ____ infrastructure ____?

How ____ details to report ____ damage?

____ you ____ information we ____ to report damaged infrastructure ____ our ____ supply?

Where ____ the information ____ reporting electrical infrastructure ____?

____ tell us where to find ____ report ____ electricity?

Is ____ to ____ us ____ about malfunctioning power-related ____?

____ tell ____ we can find appropriate ____ disrupted electricity?

____ any ____ the ____ support ____ is ____ we need assistance with.

Can ____ get ____ data for ____ in our ____ supply?

____ contact details ____ report ____ electrical supplies.

____ can we find the ____ information ____ the ____?

Is ____ a ____ to notify ____ power problems?

Do you ____ information we ____ to ____ electrical ____ by damage?

Where ____ we ____ the ____ information for ____ reporting?

Do ____ information we need ____ report ____ our power supply?

How can we get ____ important contact ____ reporting ____ impacts our ____?

Do you know the ____ we ____ report ____ damage in ____?

____ is the ____ information ____ report ____ infrastructure ____?

Is there a ____ access ____ contact ____ for reporting electrical ____?

____ need ____ for reporting electrical ____ issues ____ by ____.

____ can I ____ relevant contacts when ____ notice ____ in ____ distribution ____ by ____?

Can you ____ us know ____ can find ____ to ____ disrupted ____?

____ it ____ to get ____ data ____ any electrical ____?

____ to report ____ electrical ____.

We ____ help finding ____ how to ____ the electrical ____ structure.

____ details can ____ used ____ damage ____ power supply.

____ will we ____ supply ____ damage?

____ place to ____ the electricity distribution system?

Request ____ details to ____ damaged ____?

____ should ____ find information about damaged infrastructure affecting ____?

Is ____ a ____ to be notified ____ power-related ____?

____ need information ____ busted infra ____ electric supply.

____ a person ____ can ____ power-related structures are malfunctioning?

____ can we find appropriate ____ to ____ electricity because ____?

____ to direct ____ to the contact details for ____ damages that ____.

____ there a source ____ can get ____ for ____ electrical issues?

____ you ____ information we need ____ report ____ our power ____?

Do _____ the _____ we need to report infrastructural _____ causing _____ ?

Are _____ able _____ give us _____ info to report _____ damage _____ disrupting _____ electrical _____ ?

_____ we find contact _____ infrastructure damage that _____ supply?

_____ there a _____ that we can _____ malfunctioning _____ ?

Who _____ provide _____ necessary contact _____ energy facilities?

Do you know _____ report _____ the _____ supply.

If something _____ with our _____ supply, _____ can we _____ ?

Where _____ we going _____ look for _____ contact authorities _____ accessibility _____ ?

Where _____ ways _____ contacting authorities about damages to _____ ?

_____ I find _____ on _____ messed up _____ ?

Seeking _____ in _____ personnel _____ address _____ due _____ damages.

_____ there _____ way that we _____ notify _____ problems?

Is there _____ to report _____ the _____ distribution _____ ?

_____ we _____ for information about damaged _____ supply?

_____ we _____ to _____ electrical supply from _____ infrastructure?

Can _____ tell _____ report infrastructure damage _____ our electricity _____ ?

Where _____ we _____ the contact information _____ issues?

_____ in _____ of contact info _____ power stuff?

I want _____ the scoop _____ busted gear _____ with the _____ flow.

Where can _____ details to _____ supply from infrastructure?

_____ should _____ the _____ damaged infrastructure on the _____ service?

How _____ we report _____ infrastructure _____ impacts _____ ?

_____ faulty infrastructures _____ power disruptions _____ ?

Where _____ the contact _____ for reporting _____ problems?

_____ get contact _____ to report disrupted _____ supply _____ infrastructure?

_____ you _____ information for _____ infrastructure damage that affects _____ provision?

_____ I get _____ contact info _____ about _____ crap killing electricity?

_____ contact details to _____ electrical _____ ?

Where _____ we get _____ contact _____ for _____ issues?

_____ have _____ information needed to report infrastructural _____ distribution disruptions?

Where _____ we tell about the damage _____ ?

Contact info _____ report _____ ?

Where _____ we look to _____ ways _____ damages _____ electric accessibility?

Where can _____ find _____ report damage to electrical _____ ?

Is there a _____ can _____ data for reporting _____ ?

_____ can we _____ contact _____ report damaged infrastructure that _____ supply?

_____ you _____ to get _____ about _____ with our juice flow?

_____ find the contact _____ to _____ damage _____ electric grid?

_____ it possible _____ access _____ to _____ any impairments _____ our electrical _____ ?

What is _____ required information to _____ impaired _____ ?

_____ need help _____ how to _____ any _____ to the _____ .

_____ supply infrastructure _____ we need _____ details.

Is there a _____ us _____ get contact _____ any _____ problems?

Where can _____ information _____ damaged _____ impacting _____ supply?

Can you _____ us _____ if _____ damage is disrupting _____ ?

_____ can we report _____ power supply?

_____ you let _____ where _____ so that we can report disrupted _____ ?

When _____ in _____ distribution due _____ infrastructure destruction, where _____ find _____ ?

Can you _____ find _____ how to report damage _____ structure.

How do we _____ out _____ related _____ reported?

____ you ____ us find out ____ ____ ____ damage ____ the electrical structure?
 ____ you please inform ____ where ____ find appropriate contacts to ____ ____ ?
 ____ can ____ find ____ ____ might affect our power supply?
 ____ tell us ____ report damage ____ electricity ____ .
 ____ to ____ a way ____ ____ that affects our electricity provision.
 ____ should be ____ effects of ____ on electrical service?
 I'm ____ sure where we ____ get ____ if something ____ our power ____ .
 We ____ looking for ____ disrupted ____ supply ____ damaged infrastructure.
 When ____ electrical distribution caused ____ can I ____ relevant contacts?
 Contact ____ needed ____ report damaged infrastructure that ____ our power ____ .
 ____ you ____ us ____ find contacts that ____ us ____ report disrupted ____ ?
 ____ we find ____ infrastructure that affects our electric ____ ?
 Can ____ let ____ infrastructure ____ is disrupting ____ electrical supply?
 Is there ____ place to report ____ system?
 ____ report infrastructure damage ____ our electrical supply?
 Where can ____ contact details ____ report ____ supplies from ____ ?
 Where ____ relevant ____ to ____ me see ____ electrical ____ caused by faulty ____ ?
 Need to ____ supplies?
 Please ____ to the ____ details ____ any ____ damages impacting our ____ supply.
 ____ contact ____ for reporting any problems in the ____ supply?
 ____ the contact info ____ to ____ damage ____ disrupting our ____ supply.
 Where ____ the contact ____ damaged ____ affects our electric supply?
 ____ should ____ necessary contact information ____ infrastructure issues?
 ____ are seeking ways ____ about ____ to electric ____ .
 Get ____ information to report ____ .
 When reporting ____ electricity ____ due to ____ can we ____ information?
 ____ should I ____ need to ____ damage to ____ grid?
 ____ we ____ contact details ____ that affects the electric supply?
 ____ look for ways of ____ regarding ____ electric accessibility?
 ____ I ____ need to ____ when I notice an ____ electrical distribution?
 Do you ____ that ____ need to ____ to our power ____ ?
 ____ a place ____ you can ____ damage ____ distribution system?
 Please ____ us ____ the contact ____ to ____ the electrical supply.
 How ____ we ____ in ____ authorities ____ to electric accessibility?
 We need the ____ information for ____ infrastructure damage ____ .
 ____ us how ____ connection ____ caused by damage to the ____ ?
 Where ____ I ____ disrupted electrical ____ from damaged infrastructure?
 To report ____ affecting ____ electrical supply, where ____ we find ____ ?
 Where do we ____ the ____ details ____ report ____ supply ____ ?
 Can you ____ us know if ____ report ____ damage that's ____ ?
 ____ help us find ____ to report ____ damage to the ____ ?
 We don't ____ infrastructure affecting ____ power supply.
 ____ we get contact ____ for electrical ____ ?
 How ____ we report ____ infrastructure ____ impairing ____ power ____ ?
 ____ can ____ find the ____ damaged ____ affects electric supply?
 Let ____ know where ____ the ____ about busted ____ messing ____ our ____ .
 Is it ____ find contact ____ reporting ____ damages?
 Where should we ____ for ____ about ____ infrastructure ____ ?
 ____ source of contact ____ that we ____ to report electrical ____ ?
 ____ can ____ get necessary ____ reporting electrical ____ issues?

Do _____ the information _____ to report the _____ to _____ supply?
 _____ want to find a _____ damaged infrastructure _____ provision.
 Is _____ way _____ us to _____ power problems?
 _____ do _____ authorities _____ damages _____ electric accessibility?
 _____ to _____ damage to the power grid?
 _____ a _____ to _____ to the electric grid?
 Where can I locate _____ contacts _____ I notice _____ caused _____ structures?
 We _____ the _____ for reporting electrical connection _____ to _____.
 Do you know where to _____ gear _____ with _____ juice flow?
 Is there a way for us _____ access _____ data _____ supply?
 Are _____ to _____ us with _____ necessary information for _____ issues?
 _____ can we _____ the _____ report impaired _____ distribution?
 _____ do we _____ contact information _____ electrical issues?
 How _____ damage that is _____ our _____ supply?
 _____ us _____ relevant contact _____ for reporting _____ our electrical supply?
 _____ can we _____ the _____ information _____ damaged infrastructure that _____ electric _____?
 Where _____ the relevant _____ when I _____ the impaired _____ distribution _____ faulty _____?
 _____ find relevant contacts when _____ diminished electrical distribution _____ faulty _____?
 We need _____ to report _____ that _____ affecting our _____.
 Where _____ find relevant _____ when _____ distribution caused by _____ structures?
 _____ there _____ for you _____ report _____ impacting our _____ source?
 _____ do _____ get the necessary information _____ infrastructure _____?
 Can you let _____ know _____ can _____ appropriate _____ allow _____ to report _____ electricity?
 _____ you need contact _____ broken _____?
 _____ need _____ how _____ report _____ that _____ disrupting my access _____ electricity.
 How can _____ get in _____ with the authorities _____ electric _____?
 _____ help locating where _____ to the _____ support structure.
 If there's _____ problem _____ our _____ where can we get _____?
 _____ need _____ get _____ to report impaired electricity distribution _____ destruction.
 _____ need _____ where _____ infrastructural damage impacting _____ supply.
 Where _____ we go _____ infrastructure that _____ electricity _____?
 Inform _____ damage _____ electricity supply.
 _____ find out _____ broken infrastructure affects _____?
 _____ there a way to _____ damaged _____ affecting _____ power _____?
 How do we _____ contact _____ reporting power _____?
 Where _____ find the contact details _____ report _____ the _____?
 Get _____ details for _____ supplies?
 Can _____ please _____ infrastructure _____ is disrupting our _____?
 Is _____ way _____ access contact _____ to report any _____ issues?
 Please give _____ the contact information _____ infrastructure _____ our _____ supply.
 _____ need information about the _____ the electric _____.
 Can _____ the _____ for reporting electrical _____ issues?
 _____ report _____ electrical supplies _____ needed.
 Where _____ the scoop about busted _____ with _____ juice _____?
 Is there _____ way _____ people _____ damage to _____ electrical _____?
 Do you have _____ information we need _____ report _____ impacting _____ power _____?
 _____ find information about damaged _____ that _____ power supply?
 Where _____ to _____ damaged infrastructure _____ electricity provision?
