

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Managing contact lists and phonebook backup
Inquiry Sub-Category	Phonebook synchronization
Description	Assisting customers in syncing their contact lists across multiple devices, ensuring that any changes made to the phonebook on one device are reflected on all other connected devices.
Data Size	5,025 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

If a contact is _____ modified _____ one _____ devices is _____ it _____ automatically _____ online again?
 When _____ connected device comes _____ after _____ is contact _____?
 Does _____ after the device is _____?
 _____ automatic sync when my _____ comes back _____ if a _____ edited or _____?
 _____ my _____ online, can I expect automatic _____ a contact _____ offline?
 Will the device _____ sync after _____ there _____ going _____ to _____ in contact?
 Does _____ device go _____ after it's _____ there are edits _____ to _____?
 If modified/additions happen _____ offline _____ and _____ the _____ connection _____ contacts _____?
 When _____ of _____ devices _____ connection, do _____ to _____ contacts get synchronized?
 When _____ connected device comes back _____ being _____ automatically?
 _____ contact _____ I modify or add it _____ connected?
 When device _____ mean sync _____ you add or change _____?
 Will the changes _____ contact _____ devices once they _____ if _____ of them _____ offline?
 _____ contact update automatically _____ the connected _____ online _____ being offline?
 _____ going on to people _____ contact _____ a _____ time, does _____ go back _____ sync?
 Does _____ device _____ in _____ it's reconnected _____ edits _____ on to _____ in contact?
 Is adding _____ contact automatic _____?
 After _____ do _____ become synched.
 If there _____ to contacts _____ time _____ the _____ go back _____?
 Will _____ added _____ updated contacts _____ when _____ device _____ again?
 Does the _____ go _____ reconnected _____ are edits going on to people _____ contact during _____?
 Does it _____ device is _____ and edits _____ to contacts?
 Will _____ automatically _____ if a contact _____ added _____ while _____ of the connected devices is _____?
 Will it _____ I _____ a contact _____ not _____?
 Can _____ device to _____ back _____ if _____ is edited _____ added offline?
 _____ the contact _____ editing?
 _____ the _____ offline, will the changes in contact sync _____?
 When _____ made _____ the device is offline, _____ device go into _____?

_____ up _____ later _____ I add/modify them while offline?

If there are _____ on _____ people in contact _____ the _____ the _____ is offline, does _____ device _____ ?

Is _____ updates _____ a _____ ?

Does the _____ after _____ reconnected _____ there _____ contacts during _____ periods?

If a _____ while _____ of the connected _____ offline, will it sync _____ online _____ ?

If one of _____ is offline _____ the other _____ the changes _____ between them?

_____ connection restarts after an _____ do modified _____ contacts _____ with connected _____ ?

When the network _____ alterations to contacts _____ ?

If edits go _____ to people _____ contact during the _____ when the device _____ it _____ ?

_____ newly added or updated _____ sync automatically when _____ ?

If modified/additions _____ during the offline state, _____ ?

If _____ happen during _____ network connection, does _____ get synchronized?

_____ one of the _____ offline, will _____ to the _____ between _____ ?

Is _____ sync _____ modified devices _____ a _____ device goes _____ online?

_____ it possible that contacts _____ sync if _____ ?

Will the _____ when the _____ is reconnected after _____ ?

_____ a device _____ back _____ are _____ made automatically _____ ?

Will _____ one _____ the connected devices _____ offline, _____ a _____ is added _____ modified?

_____ contacts sync when _____ returns to _____ ?

When _____ network returns, do _____ contacts _____ automatic _____ ?

_____ changing a contact offline sync _____ ?

If _____ of the other devices _____ changes to a _____ them?

_____ adding a contact _____ offline device synchronized _____ the _____ ?

_____ like to know _____ or editing _____ contact _____ offline device gets _____ internet is _____.

_____ contact _____ automatically when a device _____ online _____ after _____ ?

When a device _____ after _____ and edits are _____ to _____ is it _____ ?

Does the _____ after it's reconnected _____ there _____ to people _____ ?

_____ a device _____ back _____ being offline, _____ the contact _____ ?

_____ one of _____ the _____ reconnected, _____ the change to a contact _____ between them?

_____ it possible _____ modifications/additions _____ contacts _____ sync once _____ ?

_____ are _____ to _____ in _____ being offline, can _____ device go _____ ?

_____ there are edits _____ people in _____ the device _____ offline, _____ go back _____ sync?

Does _____ device _____ into sync _____ it's restored _____ made _____ contacts?

_____ contacts automatically _____ the _____ is back up?

Is it _____ offline _____ contacts will sync _____ connected _____ ?

If _____ of _____ goes _____ the _____ contact sync with them?

When _____ the connected _____ restores its _____ do changes _____ contacts _____ automatically _____ ?

_____ updating a contact _____ an _____ synchronized _____ internet _____ restored?

_____ a contact sync between _____ when one is _____ but _____ other _____ ?

Will the changes to _____ sync _____ once _____ back?

Will the contact _____ auto-sync _____ ?

_____ be _____ when online _____ modified or added _____ mode?

Does _____ after it's _____ if _____ being made to people _____ ?

_____ there _____ an automatic _____ of altered _____ after returning to _____ ?

_____ device sync _____ it is _____ there _____ to contacts?

Is it possible _____ ofc _____ will _____ when the internet _____ ?

Will _____ after _____ reconnection?

Will offline modifications/additions _____ ?

When _____ internet _____ after _____ do newly _____ or _____ contacts sync with connected _____ ?

Is _____ modifications/additions ofc contacts _____ sync automatically _____ connection?

_____ contacts sync _____ has internet again?

Can you _____ or editing _____ contact on an _____ is synchronized?

_____ it _____ automatically if _____ modify _____ add _____ while _____ connected?

If there _____ happening to people _____ during _____ when the _____ offline, _____ the device go _____?

Does _____ synchronized _____ it's reconnected _____ are edits _____ contacts?

_____ the device go _____ into sync after _____ if _____ are _____?

If there are edits _____ to _____ in _____ when the device _____ in use, _____ into _____ after it

If _____ my _____ my _____ have an internet _____ will they sync with other linked _____?

_____ connections, _____ made offline becomesynced?

Will _____ altered contacts _____ returning _____ online state?

_____ after being modified while _____?

Can you _____ if adding or _____ a _____ an offline _____ internet is restored?

If there _____ going on to _____ contact, _____ device go _____ it's reconnected?

Is the _____ after it's _____ and there _____ contacts?

After _____ communications, _____ changes _____ offline _____.

When a connected _____ online after _____ offline, _____ contact be _____?

_____ a _____ device _____ internet _____ the _____ my contacts get synchronized?

_____ the device _____ sync _____ reconnected if there _____ edits happening _____ people in _____?

_____ edits going on to people _____ contact while it is offline, _____ into _____?

Is _____ possible that _____ the _____ of _____ connected device are _____ reconnected again?

_____ an automatic sync of _____ after _____ to _____ online _____?

_____ device _____ back online, _____ or _____ contacts sync?

If there _____ edits going _____ people in contact after _____ device is _____ sync?

_____ changed _____ it _____ with online?

_____ it possible for changes _____ during _____ be automatically uploaded when _____?

Is it possible _____ are synchronized automatically?

_____ modified while offline, _____ sync _____?

Will newly added or _____ contacts _____ internet _____ restored?

_____ the contact _____ automatically _____ a connected _____ back online _____ offline _____?

Is the _____ when _____ device comes _____ online _____ being _____?

When _____ connected device restores _____ are _____ my _____ sync automatically?

If _____ an offline state, do _____ synchronized?

When _____ has internet _____ will newly _____ or _____ contacts _____?

If I _____ add a _____ one _____ devices while _____ will it _____ back to _____?

_____ the _____ in sync _____ it's _____ when _____ are made _____ contacts?

_____ again if I modify a _____ while _____?

_____ the _____ changes _____ Contacts go through automatic _____?

If modifications _____ offline _____ then _____ a network _____ are contacts _____?

_____ the _____ sync _____ it's _____ when _____ made to _____ in _____ being offline?

When _____ does _____ contact _____ resync?

When _____ the devices _____ not _____ changes to _____ contact sync with _____ devices?

_____ I expect _____ if my device _____ back _____ a _____ edited offline?

_____ are _____ on to people _____ contact _____ the _____ will the device _____ into sync?

If _____ during _____ offline state and _____ is _____ do contacts _____ synchronized?

Will my _____ sync _____ again _____ it while _____?

When _____ device _____ Internet _____ will _____ or _____ contacts sync?

Automatic resyncing _____ contact _____ loss?

Does _____ device _____ into sync after _____ restored if _____ are _____ people in _____?

Is synchronization _____ contacts?

Does the device go into _____ reconnected if _____ contact?

When one _____ offline, _____ the _____ to a _____ sync with _____ devices?

Does _____ sync _____ offline _____ edits _____ made to contacts?

Is _____ possible _____ made _____ the disconnection of _____ gets _____ uploaded _____ again?

_____ the _____ change automatically _____ the _____ device comes _____ after being _____?

_____ my _____ is _____ will newly _____ or updated contacts _____?

_____ automatically _____ after it is offline and edits _____ to _____?

When _____ offline, _____ automatically sync changes to contacts?

_____ the network _____ back, _____ contacts _____ through _____ sync?

_____ I add a _____ my _____ it's offline, will they sync _____ back _____?

Will _____ a contact _____ on _____ devices after they _____ done if _____ them _____ offline?

When _____ internet _____ back _____ an _____ period, do _____ contacts sync?

_____ device _____ internet _____ will new _____ sync?

If there _____ edits to _____ the device go _____?

_____ device go _____ after _____ reconnected if _____ are made to _____ in _____ during _____ time?

Is it possible _____ changes _____ the _____ connected _____ are _____ being reconnected _____?

Is _____ offline _____ ofc contacts _____ after reestablishing communication?

_____ is _____ the other _____ will _____ changes to _____ sync between them?

If edits _____ going _____ people _____ contact _____ the _____ offline, _____ it go into _____?

Does _____ device _____ sync _____ it's _____ there _____ edits to contacts?

_____ one device _____ reconnected, will the changes _____ a _____ sync between _____?

When connections are reestablished, _____?

_____ edits updates to _____ contact _____?

After reestablishing connectedness, _____ synchronized?

Can offline _____ synchronized when the _____ is _____?

If modifications _____ state and _____ network connection, _____ contacts get synchronized?

_____ of _____ devices _____ offline, will the changes _____ a contact _____?

Does _____ it is _____ if edits are made to _____?

Does the _____ go _____ is _____ there _____ edits _____ to people in contact during _____ time?

_____ added _____ updated _____ sync with _____ when internet comes _____?

_____ device is _____ can the added/modified _____ sync?

_____ changes/additions _____ contacts be _____?

If modified/ _____ happen during _____ get synchronized?

When connectivity _____ period, _____ modified or newly _____ with connected gadgets?

When a _____ adding or modifying contact _____?

_____ internet restarts after an offline _____ or modified contacts _____ gadgets?

_____ it possible that _____ contacts will sync _____ connectivity?

If _____ add _____ on one _____ my devices _____ will _____ sync back up _____?

_____ devices isn't _____ will the changes _____ contact sync _____ of them?

When _____ the _____ devices _____ connection, _____ any changes to _____ contacts get synchronized _____?

_____ device has _____ again, _____ newly added _____ contacts _____ sync?

_____ a _____ back online, _____ the contact _____ automatically?

Will _____ contacts _____ automatically?

_____ comes _____ online _____ I expect _____ sync _____ contact is edited or _____?

When one _____ offline, _____ to a contact _____ between _____ other?

_____ of _____ offline, _____ the _____ to a contact _____ with _____ rest of _____ devices?

_____ one device _____ offline while _____ will the changes to _____ sync _____?

_____ happen _____ an _____ and then recovers a _____ connection, _____ get synchronized?

Does the _____ into sync _____ is _____ edits _____ on to people in contact?

_____ editing, _____ updates auto-synced?

_____ device restores _____ internet connection, _____ to _____ contacts sync automatically?

If _____ made to _____ between _____ offline, does the _____ sync?

When one _____ is _____ other is _____ the changes _____ contact sync between _____?
_____ device _____ online again, will add _____ contact happen _____?

Can you tell me _____ a contact on _____ offline device _____ once _____ internet _____?
_____ one of _____ offline, will _____ to _____ sync with it?

_____ is an _____ period, do _____ contacts sync _____ gadgets?

_____ the _____ back online, _____ adjustments _____ an offline connection _____ synchronized?

_____ sync _____ occur _____ returning to online state?

If there are edits going _____ to _____ contact _____ time _____ the device _____ not _____ it _____ sync?
_____ device _____ modified contacts sync?

Will automatically _____ contacts happen _____ to an _____ state?

_____ that changes made during _____ connected _____ are _____ uploaded when _____ are reconnected again?

Is _____ sync altered _____ after they return _____ an _____ state?

_____ device sync when it _____ reconnected _____ are _____ to _____?

_____ sync _____ reconnected if edits _____ made to people in contact?

Will contact _____ reconnected?

_____ the device _____ after _____ if _____ edits going _____ to _____ in contact _____ that time?

_____ connections, do changes _____ synced

_____ the _____ automatically sync _____ made to contacts _____ device _____?

If _____ made _____ in between being offline, _____ go back into _____?

_____ there are edits going _____ people _____ contact during _____ it is offline, will _____ device _____?

_____ reestablishing network _____ made _____ become synchronized?

_____ I make _____ to my contacts but _____ have internet, _____ sync _____ linked devices?

_____ edits _____ to people _____ during the time it's offline, does the _____ go _____?

If _____ made to people in contact _____ a time _____ device _____ offline, _____ device _____ sync?

If there are edits happening to _____ during the time _____ reconnected, does _____?

_____ there _____ an _____ state and a _____ network connection, _____ get _____?

_____ ofc contacts synchronized _____?

When _____ device restores _____ connection, do _____ contacts get _____ automatically?

When a _____ its _____ my changes to my contacts _____ sync _____?

After _____ connection, does _____ made _____?

_____ and then recover _____ network connection, do contacts _____ synchronized?

I'd like _____ adding _____ a contact _____ offline device is _____.

_____ device _____ sync after _____ is _____ when edits _____ to contacts?

When _____ the _____ goes offline, can _____ changes _____ with them?

Will _____ changes _____ a contact sync with the _____ of _____ when one _____?

_____ I expect automatic _____ my device comes back online _____ contact _____?

_____ synchronized _____ it's _____ if there are _____ on to people?

When _____ device _____ back _____ contacts autosync?

Can you tell me _____ adding _____ a _____ on an _____ once the internet _____?

When _____ is offline _____ are made _____ contacts, _____ it automatically _____?

Will _____ to _____ contact sync with _____ the _____ they are done _____ is not _____?

_____ the _____ update _____ when _____ connected device _____ back _____?

When _____ is _____ offline _____ do _____ or newly _____ contacts _____ across gadgets?

When _____ device restores _____ internet _____ do my contacts _____?

_____ the _____ ofc contacts _____ automatically?

Can _____ me _____ adding or _____ a _____ offline _____ gets synchronized _____ the internet _____ restored?

_____ adding/editing contacts _____ when the _____ on?

When a _____ is offline for _____ while _____ edits _____ contacts, _____ it _____?

_____ the _____ offline editing?

_____ do the _____ made _____ become synchronized?

When a _____ device restores _____ internet _____ be changed _____?

_____ changes to a _____ devices _____ one is offline _____ the _____ reconnected?

If _____ made _____ people in contact _____ time when _____ device _____ does _____ device go _____ sync?

If there _____ going _____ to people _____ during _____ of _____ the device _____ into sync.

When _____ is _____ an _____ period, do modified or _____ added _____ sync with _____?

_____ of the _____ isn't _____ will the changes to a _____ all _____?

Is _____ possible _____ device to _____ after _____ and edits are made _____.

_____ the _____ restarts _____ offline period, _____ added contacts _____ with connected gadgets?

_____ sync after _____ if there are _____ on to people _____ contact during the time _____ is _____?

Is there _____ automatic _____ on being _____ and _____ changes made _____ the disconnection _____ devices?

_____ a _____ restores _____ internet _____ my _____ to _____ contacts get uploaded automatically?

_____ of them is offline, will _____ changes _____ a _____ between _____?

_____ modifications _____ an offline _____ and then _____ are contacts synchronized?

Does adding _____ contact _____ an _____ resync _____?

Will _____ changes to _____ contact sync _____ them _____ offline?

_____ possible for _____ to a _____ to _____ offline editing?

If _____ of _____ offline _____ other is _____ will the _____ the contact sync between _____?

_____ it possible _____ offline _____ will sync automatically when _____?

_____ internet is back _____ offline period, _____ added contacts _____ across _____ gadgets?

If there _____ offline time, does _____ device _____ into sync?

_____ to _____ and modify _____ while offline auto-sync?

Will _____ sync _____ add a contact while not _____?

_____ internet is _____ following _____ offline period, do modified _____ contacts _____ connected _____?

When one _____ the _____ will _____ changes _____ a _____ with it?

_____ a device is _____ made _____ contacts, does it _____ after?

_____ tell me if adding or _____ a contact _____ up?

_____ contact updates _____ they _____ reconnected?

Is it _____ to _____ to _____ of _____ devices while _____ offline, _____ it _____ back online?

_____ device sync _____ when edits are _____ to contacts?

_____ online can _____ modifications _____ auto-synced?

_____ on _____ people _____ contact _____ the time when the device is _____ the device go _____ sync?

Does _____ go into sync after _____ reconnected if _____ are _____ contact?

When _____ connected device is _____ are _____ to _____ does _____ sync back _____?

If there are _____ going _____ in _____ reconnection does the _____ go into sync.

_____ it possible that _____ auto-synced _____?

_____ offline _____ the _____ is _____ will changes _____ a contact sync between them?

Does _____ sync _____ reconnected if there are edits _____?

Is the _____ after it's reconnected if _____ the _____?

If there are _____ going on _____ contact during _____ period _____ it is _____ device _____ into _____ after _____ reconnected

_____ a connected _____ comes _____ online, _____ contact _____ automatically?

Will the changes to _____ contact sync with other devices _____ done _____ one _____?

_____ a connected _____ restores _____ connection, do my _____ automatically?

Does _____ device go into sync _____ when edits are _____ to _____ being _____?

_____ offline _____ go _____ or additions, will the system _____ are synchronized?

When _____ is internet again, _____ added and _____ sync?

When _____ device comes _____ on after _____ edits are made to _____ sync _____?

If _____ of the devices _____ to _____ sync with the rest?

Will contact updates _____?

_____ sure contacts _____ when offline _____ come back online _____ modifications?

Does ____ device sync after ____ there are ____ to ____?

____ a ____ device comes ____ after ____ offline, is contact ____?

Will ____ changes to ____ contact ____ when one of ____ offline ____ is reconnected?

Will ____ changes ____ a ____ sync with the ____ devices ____ offline?

Will it ____ I ____ or ____ contacts while not ____?

____ device comes back ____ after being ____ the ____ update automatic?

____ you ____ if adding or editing ____ contact ____ offline device is ____?

If ____ are ____ going ____ to people ____ contact ____ time of reconnection, ____ still ____ into sync?

Will the ____ contact ____ on ____ once they connect if they ____?

Is it automatic ____ contacts?

If ____ during ____ offline ____ and then ____ network connection is ____ get ____?

If ____ are edits going ____ to people ____ contact during ____ is ____ device go into ____?

If ____ edits to ____ during ____ time, ____ device go ____ sync?

____ device go into sync ____ reconnected ____ there ____ on to ____ contact?

____ changes to a ____ sync ____ all devices if they're ____ other ____?

____ occur during ____ offline state and ____ network ____ contacts synchronized?

____ one of the connected devices restores ____ internet connection, ____ synchronized?

____ adding/Updating contact cause ____ reconnected?

____ the ____ after ____ offline ____ new or modified ____ with connected gadgets?

____ the device ____ it ____ reconnected ____ edits ____ made to ____ between ____ offline?

____ connected device ____ online after ____ should the ____ updated automatically?

____ adding/editing ____ autosync ____ the device ____ back ____?

____ be possible ____ sync altered ____ after ____ return ____ an ____ state.

____ device ____ it is ____ edits are made to contacts?

____ expect ____ sync ____ my ____ comes back online after ____ or added ____?

When device is online ____ or change a ____ offline?

____ you tell me if ____ editing ____ contact ____ an offline ____ syncs ____ contact?

____ you tell ____ adding or editing a ____ on ____ gets synchronized?

____ possible that ____ made during ____ disconnection ____ devices are ____ uploaded ____ device ____ it is ____ again?

Does ____ sync after it's reconnected ____ are going ____ contact?

Will the changes ____ a contact sync ____ done while ____ not in use?

____ edits going ____ in ____ disconnected time, ____ the device go back into sync?

____ autosync when the ____ is back ____?

____ one ____ the ____ restores its internet connection, ____ changes to ____ contacts ____?

____ adding or ____ contact on ____ device synchronized ____ is restored?

____ it possible for my ____ be ____ automatically when ____ connected ____ internet ____?

____ the contact ____ when ____ connected device ____ back ____ being Offline?

While ____ devices is ____ will ____ changes to ____ with them?

If ____ are edits ____ to ____ when ____ offline does the ____ go into sync?

Does ____ device go ____ sync once it's ____ if there ____?

When ____ of the connected ____ internet ____ my contacts ____?

____ sync with ____ devices if I make ____ to my contacts ____ internet ____?

____ happen during an offline ____ and then recovers ____ contacts ____ synchronized?

____ a contact ____ or ____ expect ____ sync when ____ device comes back online?

Can I be sure ____ my ____ will ____ online if ____ offline?

When the network ____ alterations ____ through automatic ____?

Is ____ device sync ____ reconnected if there ____ to ____?

____ changes to contacts ____ updated ____?

Does ____ autosync when ____ device ____?

Is ____ to modify ____ offline auto-sync?

_____ online can _____ modifications _____?
 _____ possible that adding _____ editing a _____ on _____ offline device gets _____ internet _____ restored?
 _____ contact update automatically when the connected _____ comes _____ offline?
 _____ I _____ when my device comes _____ if I _____ contact offline?
 Will the changes to a _____ sync _____ of the _____ one _____?
 _____ that offline _____ ofc _____ will sync after reestablishing _____?
 When _____ of the _____ offline, _____ the _____ a contact _____ with the _____?
 _____ one _____ devices _____ offline, _____ the _____ to a _____ with the others?
 _____ I _____ a contact _____ my devices _____ offline, will it sync once online?
 Will _____ contact sync with _____ devices when _____ return?
 _____ automatic _____ if _____ is _____ added offline on a connected device?
 _____ going _____ to people _____ contact during _____ offline period, does the device _____ into _____?
 Will the changes _____ contact _____ between devices if _____ them _____?
 _____ the _____ returns, do _____ through automatic syncing?
 _____ of the _____ is offline, will the _____ sync _____ everything?
 Does _____ go into _____ it's _____ there are edits going _____ to _____ contact during the _____?
 When _____ internet is _____ after an offline _____ do modified _____ sync _____?
 _____ there _____ edits going on _____ contact _____ the _____ is _____ does _____ go into sync?
 _____ a _____ is reconnected _____ offline _____ are _____ to _____ is it automatically _____?
 Does _____ up _____ it's reconnected _____ edits _____ made to _____?
 Will _____ upon _____ reconnection?
 _____ a contact _____ following offline _____?
 _____ is restored after an _____ period, do _____ newly _____ sync _____ connected _____?
 When _____ is _____ a _____?
 When a connected _____ restores its _____ does any _____ to _____?
 _____ to know if _____ contact _____ an offline device _____ synchronized.
 Does the _____ it's _____ if there are any _____ to _____?
 If there _____ on to people in contact during _____ is _____ the _____ into sync.
 _____ that offline modifications/additions _____ automatically after reestablishing contact?
 _____ a contact sync if they _____ they are _____?
 Is updating a contact _____?
 _____ a connected _____ offline and _____ made _____ contacts, _____ it _____ automatically after?
 When _____ back _____ and edits _____ made to contacts, _____ it automatically sync?
 Can I _____ if a _____ offline on _____ device?
 _____ the _____ changes _____ to contacts after _____ device is _____?
 Is _____ possible _____ contact _____ an _____ device gets _____ as soon as _____ internet _____?
 _____ one of the _____ goes _____ the changes _____ sync with _____?
 _____ of _____ devices goes _____ the changes _____ a contact sync _____ all _____?
 _____ contact updated _____ connected device _____ back _____ being offline?
 Is there an automatic _____ being reconnected _____ changes made _____ of the device?
 _____ there are edits going on _____ people _____ during _____ it _____ offline does the _____ sync?
 _____ device _____ offline _____ are made to contacts _____ that time, does it _____?
 Will it sync once _____ if _____ contact _____ added _____ modified _____ of the _____ out?
 _____ there are _____ going on _____ time, does the device go _____?
 _____ adding/editing contacts _____ the _____ restarts?
 _____ the _____ auto-synced after _____ editing?
 Is _____ an automatic _____ on _____ reconnected _____ there _____ during _____ disconnection of _____ connected device?
 If there are _____ to _____ during offline _____ device _____ sync?
 When a device _____ after _____ are made to contacts, do _____?
 _____ a device _____ reconnected _____ and _____ are _____ to contacts, does _____ sync _____?

Can ____ tell ____ if adding ____ offline ____ syncs with the one ____ internet?

Is ____ updated automatically ____ a ____ back online ____ offline.

Does the device ____ reconnected, ____ there ____ edits ____ people in ____?

____ of ____ offline, will ____ changes to a ____ sync ____ them.

____ tell ____ if adding or ____ contact ____ the offline device ____ with the ____?

____ the network returns, ____ modifications ____ go ____ sync?

Is it possible ____ during ____ disconnection of ____ devices ____ with ____ again?

____ are ____ to ____ in contact during the ____ that the ____ is offline, ____ the device ____ sync.

Should ____ after ____ reconnected if there ____ edits to contacts?

Does ____ go into sync after it's reconnected if ____?

____ contacts sync ____ when it has ____ again?

Is ____ possible ____ adding ____ offline device ____ be ____ as soon as the internet ____ restored?

When ____ of the devices ____ changes to ____ sync with ____ the ____?

____ of ____ is ____ will the ____ to ____ between the devices?

____ newly added or ____ contacts sync ____ on the ____ again?

____ updating a contact automatically ____?

____ the ____ a ____ if they are done while ____?

Is ____ on being reconnected again ____ are changes made ____?

Can ____ if ____ a ____ on an offline device is ____ when the ____ restored?

If ____ happen ____ offline ____ and ____ recover network connection do ____?

When a ____ internet ____ do changes to ____ contacts ____?

____ there ____ edits to contacts during ____ device go ____ sync?

____ edits are made to ____ being ____ the device ____ into ____?

____ device ____ back online, are there adjustments ____?

When ____ connected ____ back online ____ is the contact automatically ____?

Will it sync up ____ if ____ when offline?

____ it ____ offline modifications/additions ofc contacts ____ sync ____ again?

____ the ____ go into sync ____ it's reconnected ____ is edits ____ people in ____?

Will ____ a contact sync with ____ devices if ____ done ____?

Is ____ in sync after ____ if ____ are edits ____ people ____ contact?

____ connected device comes ____ up ____ offline, ____ contact update automatically?

Is offline changes ____ online?

When ____ connected devices restores its ____ my contacts get ____?

____ go ____ sync when it is reconnected ____ there ____ to ____?

Is ____ being changed while ____?

____ the internet restarts after ____ newly added or ____ contacts ____ across ____?

Will ____ or ____ contacts sync ____ device ____ internet ____ restored?

Is ____ contact ____ auto-synced ____ offline ____?

Will the ____ to ____ contact ____ with all devices ____ done while ____ them ____ offline?

____ a connected device ____ to ____ if ____ altered ____?

____ of them ____ offline and ____ is ____ the ____ contact sync ____ them?

Will ____ to ____ contact sync ____ devices if they ____ the other is ____?

____ go ____ sync after ____ reconnected if ____ edits to Contacts?

____ the sync happen ____ add/edit a ____ disconnected?

Will the ____ sync with ____ when ____ goes offline?

If ____ contact ____ a device ____ offline, will they sync with all ____?

If there ____ offline time, does the ____ still ____ sync?

____ edits ____ made ____ people in contact during ____ time ____ the device go ____.

____ automatic sync of changes made ____ disconnection ____ devices to being ____?

Is ____ an ____ on ____ reconnected again ____ the changes ____ during ____ the devices?

Is it possible to ____ a ____ to ____ of my devices ____ it ____ back ____?

____ the system ____ sure contacts are ____ go ____ modifications or additions?

____ contact updates auto-sync when ____?

Does the ____ go into ____ it's reconnected, ____ going on ____ people ____ contact ____ into ____ after it's reconnected if ____ are ____ on people ____ contact?

When ____ its internet connection, do ____ my contacts ____ sync?

____ changes to ____ sync ____ the ____ is offline and the other reconnected?

Can you ____ contact on an ____ device syncs ____ a ____ on ____ device?

____ device come ____ to ____ it's changed or added?

____ it ____ a contact ____ one of my devices ____ it's ____ then ____ it ____ back ____?

____ are off, will ____ to a contact ____ devices?

When a connected device comes ____ is contact ____?

When ____ is an offline ____ or ____ added contacts ____ with connected ____?

Will ____ changes to a ____ with ____ when one ____ them ____?

Will ____ altered ____ occur after ____ to an online ____?

Can you ____ me ____ or editing ____ the internet is restored?

____ device ____ sync after ____ reconnected if ____ are any ____ contacts?

____ contact ____ a reconnection?

Does ____ contacts autosync ____ device ____ on?

When a ____ device ____ any ____ to ____ contacts get sync?

Does ____ sync after it is ____ there ____ edits ____ to ____ in ____?

____ one of ____ connected devices ____ contact is ____ changed while it's ____?

____ the device go ____ sync ____ it's reconnected ____ to contacts?

____ me ____ or not adding ____ a contact ____ an ____ device is ____?

Will the changes ____ contact ____ they are ____ on?

If there are edits ____ contact, does ____ device ____ it's reconnected?

____ contact ____ if a connected ____ comes ____ online ____ being ____?

____ the internet ____ offline period, do ____ added contacts sync with ____?

____ contact updates sync with each ____ when ____?

____ it possible for ____ device is back online?

Will my ____ my contacts ____ linked ____ if I make changes to them but ____?

____ there ____ edits going on to ____ in contact during ____ the ____ is offline, ____ device ____ into ____?

If I ____ add ____ contact ____ of my devices ____ will ____ back to online?

If there are edits ____ on to ____ in contact ____ time ____ reconnected, ____ go ____ sync?

____ contact ____ following ____ edits?

____ contact ____ sync when they ____?

____ the ____ it's reconnected if edits ____ happening to ____ in ____?

Following ____ contact auto-synced?

Will ____ automatically, if ____ add ____ contact ____ not connected?

Post ____ an ____ will ____ be ____ of altered contacts?

When the ____ comes back, ____ to contacts ____ through ____?

____ synchronized after it's reconnected ____ there are edits ____?

____ the ____ returns, do ____ go ____ sync?

If ____ contacts ____ offline time, does the device ____ to ____?

Will ____ sync ____ alter ____ a contact while ____ connected?

If edits ____ going ____ contact ____ time ____ device is offline, does ____ go into sync?

____ change ____ sync with online?

If modified/additions happen during offline ____ then ____ do ____ synchronized?

When ____ device ____ offline and edits ____ does ____ not ____ sync after?

____ the contact ____ automatically ____ back ____ after being offline?

_____ network returns _____ contacts _____ through automatic sync?

I _____ if _____ or _____ a contact on an _____ syncs up _____ the internet _____.

If _____ on _____ in contact _____ period when _____ device is not on, _____ the _____ go _____ sync?

Can you tell _____ if adding _____ a _____ on an _____ when the _____ is _____?

When _____ internet _____ restored after _____ offline _____ do _____ newly _____ sync _____ connected gadgets?

Hey, if I _____ add _____ contact _____ one _____ my _____ it's offline, will _____ back up _____?

Will _____ sync _____ again _____ I _____ while offline?

_____ when the device _____ reconnected?

If there _____ going on _____ people in contact _____ period _____ is offline, _____ into sync _____ it's

When the _____ following _____ modified _____ newly added contacts sync with _____?

_____ this _____ sync up _____ later if _____ it while _____?

If _____ happen in an _____ and _____ connection, do _____ synchronized?

Is it possible _____ adjustments _____ synchronized _____ is back _____?

After reestablishing _____ become synchronized?

When the _____ comes back, do _____ modifications _____?

When one _____ internet _____ does my contacts get synchronized?

_____ network returns, _____ changes _____ contacts go through _____?

Does _____ device _____ into _____ when it is _____ are _____ to _____?

When _____ internet, will _____ added _____ updated _____ sync?

If _____ happen _____ an _____ do _____ contacts get _____?

Does adding _____ a _____ the device _____ back on?

When _____ restores its internet connection, _____ changes _____ contacts _____?

When the _____ is back _____ period, do _____ or _____ sync?

I'd like _____ know if _____ a contact on _____ syncs _____.

_____ it _____ automatically if _____ modify or _____ acontact while _____?

If one of _____ goes offline, will _____ to _____ contact _____ all _____?
