

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	Electrical troubleshooting and fixes
Inquiry Sub-Category	Electrical Wiring Issues
Description	Inquiries related to faulty or outdated wiring, such as flickering lights, frequently tripped circuit breakers, or burning smells, seeking professional advice for inspection, repair, and replacement.
Data Size	7,499 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)

Experiencing frequent power _____ home _____ to _____ electrical _____?

Do you experience _____ due _____ faulty _____?

_____ it possible _____ there are _____ power disruptions _____ to _____?

_____ wiring may _____ the _____ power disruptions.

_____ with flawed _____ at home _____ repeated _____.

_____ _____ cause a house to lose electricity _____.

House always loses _____ faulty _____

_____ lost electricity _____ malfunctioning _____?

_____ your _____ experiencing frequent _____ failures due _____ faulty _____?

_____ bad wiring _____ reason _____ power _____?

There _____ power _____ unstable wiring.

_____ electric _____ may _____ blame _____ outages in your house.

_____ electric connections _____ to blame _____ the _____ in your _____.

Have _____ experienced frequent _____ losses _____?

Did you know _____ plagued _____ power outages due to _____ connections?

Bad _____ connections can affect _____ in _____.

_____ have _____ frequent power disruptions because _____ wiring.

Do you _____ your _____ is plagued by power shortages _____?

_____ have _____ with your _____ because _____ faulty connections?

Is anyone else _____ to _____ cuts _____ of _____ issues?

_____ you ever had _____ cuts in _____ because _____ wiring?

_____ to faulty electrical connection?

Are you _____ power _____ because _____?

Problems _____ connections _____ frequent power outages _____.

_____ with flawed _____ repeated power _____ at home.

_____ your home prone _____ because _____ faulty electric _____?

Home losing _____ wiring _____?

Do you _____ power disruptions _____ your house _____?

_____ black outs due to _____.

There are frequent _____ cuts _____.

Did you know _____ your _____ is _____ failures _____ to _____ connections?

Are there troubles _____ by _____ problems?

_____ it the _____ issue that _____ constant _____ at _____?

_____ you _____ had _____ power _____ because of _____ electrical _____?

_____ experience _____ there is a fault at _____?

Are _____ with _____ power _____ from _____ connections?

Are _____ electricity _____ caused _____ faulty _____.

_____ you _____ disruptions _____ your electricity due _____ faulty _____?

_____ you _____ electrical disruptions due to _____?

_____ experienced _____ electricity loss _____ malfunctioning _____?

_____ from faulty _____ lines?

Do you _____ outages due to _____?

Do _____ electrical problems?

Some _____ your place?

_____ constant power cuts.

Is _____ wiring that is causing your _____ out?

_____ wiring can _____ power _____.

Are you tired of _____ cuts _____ faulty _____?

Poor electric _____ be to blame _____ outages _____ your _____.

Do you _____ power _____ at _____ flawed _____ links?

_____ connections can _____ power loss.

_____ it because _____ connections that there _____ frequent _____?

_____ loses _____ due _____ faulty wiring.

Are you _____ disruptions _____ bad _____?

_____ links are to _____ frequent _____ in _____ house.

_____ it because of _____ connections _____ there _____ interruptions?

There is _____ because _____ faulty _____.

How _____ you experienced _____ from _____ connections?

faulty home wiring _____ frequent _____ disruptions.

Bad _____ in frequent _____ interruption.

Power loss _____ often?

Do you _____ power _____ faulty _____?

A _____ frequently _____ electricity _____ bad _____.

Do you know if _____ is _____ by _____ failures _____ faulty _____ connections?

The _____ always _____ power _____ the _____ wires.

_____ with bad wiring _____ cuts.

There _____ electrical fault that cause _____ at _____.

_____ loses _____ due _____ wiring.

Is your home _____ due to _____ connections?

The home _____ may _____ disruptions.

_____ know that your _____ by power outages due _____ electric connections?

_____ disruptions due _____ faulty connections?

_____ anyone else _____ frequent power interruptions _____ electrical _____?

There _____ shortages of power _____ electric lines.

_____ you _____ home because of faulty electrical _____?

There are electrical _____ power _____.

Is _____ that you _____ from faulty connections?

Is _____ home prone _____ power _____ due _____ electric _____?

Do you _____ power _____ faulty _____ ?
 Did you _____ frequent _____ problems at _____ electrical connections?
 Do you _____ electrical _____ are causing frequent _____ ?
 _____ wiring _____ power problems _____ house.
 Did you _____ your _____ is _____ plagued by power _____ to faulty _____ ?
 _____ with power _____ due to _____ ?
 _____ power _____ being caused _____ faulty _____.
 _____ the bad wiring _____ continuous _____ failures?
 _____ you _____ frequent _____ from malfunctioning _____ ?
 _____ were issues _____ from _____ circuits.
 _____ wiring is _____ causes _____ power _____.
 _____ losing electricity because _____ ?
 _____ wiring _____ cause _____ home _____ electricity.
 Bad _____ a lot _____ power _____ in your home.
 _____ because of _____ issues?
 Do _____ loss _____ electricity from _____ ?
 There are power _____ electrical failures.
 Bad _____ lead _____ frequent _____ interruption.
 Are _____ of _____ to _____ power _____ due to _____ connections?
 _____ it _____ bad _____ constant power _____ ?
 _____ cables _____ causing _____ keep losing _____.
 _____ electrical problems that cause _____ ?
 _____ cuts have been _____ faulty _____.
 Bad _____ recurrent power _____.
 Are there _____ power issues caused _____ ?
 Did you know _____ plagued by _____ outages due to _____ connections?
 _____ electrical _____ lose _____ at home?
 _____ cause frequent power disruptions.
 Are _____ in your home _____ you _____ lose power?
 Constant _____ due to _____ ?
 _____ help _____ power failures caused by unreliable _____ ?
 _____ failures can occur at _____ to _____.
 Bad electric _____ recurrent power _____ in _____ home.
 _____ cuts _____ be _____ faulty electrical connections.
 House _____ dark _____ lot _____ connections.
 _____ think faulty _____ to _____ for your house _____ frequent _____ failures?
 _____ power _____ at _____ from flawed circuits.
 _____ experiencing _____ electrical issues at home?
 Do you _____ power outages _____ ?
 Are there _____ because _____ are faulty?
 _____ know if _____ residence is _____ by power _____ to _____ electric _____ ?
 _____ wires _____ a _____ lose power?
 Are there _____ disruptions _____ connections?
 _____ you _____ disrupted _____ to _____ connections?
 Is anyone _____ power _____ due _____ electrical issues?
 _____ there troubles at your place _____ ?
 _____ wiring may _____ for frequent power _____.
 _____ electrical faults that _____ power _____ go off _____.
 Is _____ my house due to _____ work?
 Have you had _____ frequent _____ cuts because _____ connections?

There are ____ problems that ____ be ____ power ____.
 ____ electrical ____ a house ____ often?
 Are ____ constant ____ issues in ____?
 ____ are frequent black ____ connections?
 Are ____ failures attributed ____ poor electric ____?
 Bad electric connections are ____ blame ____ in your ____.
 ____ it ____ that frequent blackouts ____ faulty connections?
 Home ____ electricity often, ____?
 Problems ____ the electrical ____ can ____ cuts.
 Poor ____ links contributed to ____ house.
 Are ____ power at home ____ malfunctioning electrical ____?
 ____ power ____ because of ____ lines.
 ____ frequent ____ power ____ because of faulty ____ connections?
 ____ your ____ frequent power failures ____ of faulty ____?
 ____ you ____ loss due ____ malfunctioning circuits?
 Is it ____ electrical ____ frequent ____ failures?
 Do you ____ to ____ wiring?
 ____ experiencing ____ loss ____ faulty connections?
 ____ frequent power issues caused ____ home ____?
 ____ know if ____ facing frequent ____ problems ____ to faulty wiring?
 Do ____ experience ____ failures due ____ issues?
 ____ with home power ____ due ____ unreliable ____ wiring?
 Bad ____ is ____ cuts.
 Are you ____ power loss ____ to ____ connections?
 ____ you ____ issues with your ____ to faulty ____?
 ____ you ____ electricity disruptions ____ of electrical ____ at ____?
 ____ frequently ____ electricity ____ electrical links.
 Do ____ yourself ____ frequent ____ cuts ____ of faulty ____ connections?
 Are ____ facing a lot ____ power failures ____ flawed ____?
 Bad ____ be ____ blame ____ intermittent power ____.
 Power issues ____ faulty ____?
 There ____ cause power ____ at home.
 A ____ the ____ goes dark ____ of ____ up connections.
 Bad ____ is what ____ cause ____.
 ____ house loses electricity ____ there are ____ links.
 Poor ____ links may be ____ of frequent ____ in ____.
 Are ____ losing power ____ because ____ electrical ____?
 Bad connections can ____.
 ____ electrical ____ the house to lose ____.
 ____ there ____ home ____ by unreliable electrical wiring?
 ____ possible that ____ issues ____ by faulty home wires?
 ____ there problems ____ place ____ on electrical ____?
 There are recurring power ____ faulty home ____.
 Are you tired ____ going through ____ due ____ electrical ____?
 ____ you face power ____ bad ____?
 Is it possible ____ home ____ cuts ____ caused ____ connections?
 ____ you noticed ____ is facing ____ power failures?
 Are the ____ you ____ to ____ connections?
 Do you ____ frequent ____ bad ____?
 Bad ____ connections can ____ power losses ____ your ____.

Are _____ power _____ due to _____?

_____ with flawed circuits _____ in _____ at _____.

_____ be _____ problems that are _____ frequent power _____.

Bad _____ power failures.

Home _____ loses electricity _____ wires.

Is _____ by power failures due to _____?

There _____ be _____ power _____ home _____ to _____ electricals.

_____ electric _____ are _____ blame for frequent outages _____.

_____ wiring _____ causes frequent _____.

_____ links _____ have contributed _____ frequent _____ your house.

_____ loss _____ faulty _____ frequent?

_____ frequently lose power at _____ to electrical _____?

_____ bad wiring to blame _____?

_____ of _____ due _____ home wiring?

Problems _____ can _____ power outages _____ your _____.

_____ connections _____ frequent power outages at home.

_____ house goes _____ a lot _____ to _____ up _____.

_____ you know _____ power _____ due to faulty electric connections?

_____ you seeking _____ home _____ due to _____ electrical wiring?

_____ your place are _____ electrical _____.

_____ cuts caused by faulty _____.

_____ power failures at _____ circuits.

Problems _____ of bad _____ connections?

Are there _____ issues _____?

Do you _____ if _____ is prone _____ repetitive power _____ to _____?

Poor _____ are to _____ in the house.

_____ dark _____ lot _____ of messed up _____

Do _____ frequently _____ problems because of _____?

_____ out at _____ due to _____ wires.

_____ are _____ connections _____ persistent home black _____.

_____ experiencing frequent electrical _____ malfunctioning _____?

_____ the shoddy electrical work cause _____ power _____ house?

_____ you seeking help _____ home power failures because _____?

_____ there electrical _____ that _____ you _____ lose power at _____?

Do _____ because of _____ problems at home?

Are _____ regular _____ cuts because _____?

_____ cuts due to fault _____.

Is it _____ to _____ in your _____ due _____ bad _____ connections?

_____ power _____ are _____ by faulty _____.

_____ there a _____ that loses _____ due _____ faulty _____?

Home _____ losing _____ because of _____.

Problems with _____ a _____ of _____ black outs.

_____ at my _____ frequently thanks to shoddy electrical _____.

Is _____ home _____ failures _____ to bad electric _____?

_____ connections are _____ for frequent _____?

_____ because of _____ wiring frequently?

_____ else experiencing _____ electrical problems _____ their _____?

Do _____ experience frequent power _____ electrical connections?

Home _____ unreliable _____ connections?

_____ because of flawed _____ links?

Home _____ due _____ faulty _____ frequently?

There are _____ problems _____ power _____.

_____ you getting _____ electricity _____ faulty connections?

_____ there continuous _____ because of _____?

Home _____ often due _____ faulty _____ connections.

_____ have _____ troubles at _____ blamed on electrical _____.

Are there _____ electrical _____ at _____?

_____ losing _____ due to faulty _____?

_____ are _____ result of _____ outs at home.

Are you faced with _____ at _____ because _____ faulty _____?

Is it _____ faulty connections that _____?

_____ experienced _____ of electricity from _____ circuits?

_____ lot of the _____ house _____ to messed _____ connections.

_____ are often electrical faults _____ power _____ home.

There _____ power _____ because of electrical _____.

_____ at home _____ faulty electricals.

_____ assistance _____ caused _____ unreliable electrical wiring?

Lack _____ due _____ faulty _____?

Continuous _____ are _____ by faulting _____.

_____ disruptions in your _____ due to _____ connections?

Is _____ home _____ without power _____ to _____ electric _____?

_____ you know if _____ house _____ facing _____ power cuts _____ wiring?

_____ my electricity _____ each day?

_____ is often the cause of _____.

Is _____ possible that you _____ frequent power _____ to _____?

Poor _____ can _____ frequent outages.

Do _____ disruptions due _____ the fault _____ home?

_____ frequent _____ electrical issues?

Poor _____ links _____ for frequent _____ in your _____.

Is _____ wire _____ causes _____ failures at home?

_____ loses power _____ wires.

_____ you experience _____ disruptions at _____ to wiring _____?

_____ deal _____ recurrent _____ loss due _____ electric connections?

_____ you _____ if _____ residence _____ plagued by power _____ faulty _____ connections?

faulty _____ to _____ power?

_____ have _____ failures linked to _____ wiring.

Is _____ possible _____ due to faulty home wiring?

Are _____ tired _____ dealing with power cuts _____ electrical _____?

_____ recurrent power failures because of _____ links?

_____ cause _____ outages in your house.

Home losing _____ of faulty _____.

_____ it _____ of faulty connections _____ occur?

Are _____ power cuts at _____ place blamed _____?

_____ is a reason _____ power _____.

There _____ caused by _____ connections

Problems _____ in _____ black outs.

Do you _____ problems _____ by _____ wires?

_____ you facing _____ malfunctioning circuits?

Is it _____ electrical _____ power goes out _____ house frequently?

_____ outages in _____ spot.

_____ wiring is a cause _____ at _____?

Poor electric _____ are the _____ outages in _____.

Bad electrical links _____ house to _____.

_____ you looking for _____ power failures _____ by _____ electrical _____?

_____ you Experiencing frequent power _____ from _____?

_____ there _____ because your connections are _____?

_____ cuts _____ by _____ faulty electricals.

_____ loses electricity due to _____.

Home power _____ electrical connections.

Have you ever _____ power _____ because of faulty _____?

House _____ dark more often _____ messed _____.

Did _____ home due to _____ electrical connections?

_____ know if your _____ is facing _____ due _____ faulty _____?

_____ electrical _____ that are causing _____ power _____.

Is _____ faulty connections _____ are frequent Blackouts?

Poor _____ to _____ frequent _____ failures in your house?

Do _____ regular electricity _____ to _____ connections?

faulty wiring _____ causing _____ to _____.

_____ because of faulty wiring?

_____ know if your _____ persistent black _____ to faulty wiring?

Are you _____ loss _____ connections?

_____ lot of home _____ caused by faulty _____.

_____ it because _____ shoddy electrical work _____ the power _____?

continuous _____ cuts _____ fault _____

Are you tired of _____ to deal _____ electrical connections?

Do _____ power frequently at _____ due to _____?

_____ you _____ losses because of _____ circuits?

_____ shortages of _____ broken electrical lines.

_____ failures due to bad electric connections?

_____ you Experiencing regular outages _____ to _____ issues?

_____ sometimes _____ at home _____ problematic electrical connections?

_____ repeated power failures due to _____ links?

Problems _____ circuits _____ repeated power failures _____.

Do _____ with _____ loss because of _____ electric _____?

Are you tired of _____ deal with _____ electrical connections?

Are there _____ at your place blamed _____?

_____ occasionally experience disruptions in _____ electricity _____ faulty _____?

Problems with _____ connections _____ cause _____ home.

_____ up connections _____ why _____ house _____ a lot.

_____ home wiring _____ power _____.

Did the _____ work _____ the power _____ at _____?

_____ some electrical _____ at your _____?

_____ suffer from _____ power _____ because of faulty _____?

_____ electrical work is to _____ the _____ outages _____ my _____.

_____ power due to _____

_____ you tired _____ getting power _____ due _____ faulty _____?

_____ electric link can _____ frequent _____ house.

Did _____ electricity _____ due to _____ connections?

_____ go _____ due _____ messed _____ connections.

_____ are _____ power due _____ broken electrical lines.

____ you know ____ your ____ is ____ due to faulty wiring?
 ____ it ____ frequent blackouts because of faulty ____?
 ____ you experienced ____ power ____ to ____ circuits?
 ____ place blamed on ____ faults?
 ____ for assistance ____ home power failures caused ____?
 Is ____ plagued ____ failures ____ to ____ electric connections?
 Power ____ at ____ electrical links?
 ____ you losing power at home because ____?
 ____ faulty ____ is recurring?
 ____ you seeing ____ power cuts because ____?
 ____ invariably ____ power due ____ faulty ____.
 Home power ____ are usually ____.
 Are ____ having frequent power ____ because ____?
 Poor electric ____ the ____ of frequent outages in ____.
 Do ____ experience a lot ____ electricity ____ malfunctioning ____?
 ____ links ____ blame for frequent ____ disruptions.
 Do you know ____ your ____ always plagued by ____ outages ____ of ____?
 ____ you ____ power failures because ____ malfunctioning ____?
 Bad ____ cause ____ losing electricity.
 Power disruptions ____ caused ____ faulty ____.
 Is it normal ____ to experience ____ power ____ due ____ links?
 ____ recurring ____ experience ____ loss from faulty ____?
 ____ loses ____ because ____ wires?
 ____ house have power outages due ____?
 ____ there troubles ____ place ____ electrical fault?
 ____ wiring ____ to blame for frequent power ____.
 Do you ____ problems ____ electricity ____ circuits?
 ____ the ____ outages ____ your ____ poor electric links?
 Are ____ recurring ____ caused ____ faulty ____?
 Is ____ for my ____ experience ____ outs because of faulty ____?
 ____ problems that cause ____ failures at home.
 ____ there ____ your ____ due ____ electrical fault?
 Poor electric ____ could ____ blame for ____ house ____.
 ____ home ____ loses ____ of ____ wiring.
 ____ there electrical ____ your ____?
 Bad ____ thought to ____ the ____ frequent power ____.
 Are there ____ place ____ electrical problems?
 ____ losing ____ due ____ wires?
 Bad wiring ____ cause frequent ____.
 Breaked wires can ____ go ____ at ____.
 Poor ____ can ____ for ____ outages in your house.
 Home ____ cuts ____ connections?
 ____ normal for my house ____ recurring ____ problems?
 Is ____ of shoddy ____ work ____ my ____ is ____ power?
 Is anyone else ____ power disruptions ____ electrical ____?
 Is ____ possible ____ there ____ black outs because ____ connections?
 There are regular shortages of ____ lines.
 Is ____ electricity cut caused ____?
 ____ electric connections ____ blame ____ power losses in ____ residence.
 ____ electrical problems ____ lead to ____ power ____.

_____ wiring _____ be _____ with _____ failures.
_____ often loses _____ faulty wiring?
_____ due to flawed _____ links?
House _____ messed up connections
Bad wiring _____ one of _____ reasons _____ power _____.
_____ know _____ your _____ is _____ by power _____ due to _____ electric _____?
_____ are _____ power interruptions _____ bad _____.
Do _____ experience power cuts _____?
_____ frequently _____ because of _____ wiring?
_____ power disruptions _____ to faulty home wiring?
Did you know _____ residence _____ plagued by power _____ due _____ connections?
Is your home _____ power _____ due to _____?
_____ electrical links _____ electricity frequently?
Is _____ power _____ because of _____?
Do _____ power disruptions _____ faulty wiring?
Do you suffer _____ of faulty electrical connections?
Have you _____ power disruptions in _____ because _____ faulty _____?
_____ electric connections may cause _____ loss _____ home.
_____ seeing regular electricity _____ faulty connections?
It _____ be _____ wiring _____ causes _____ power _____.
_____ can cause electricity to _____ disconnected _____.
_____ power issues _____ your _____.
_____ electrical loss from _____ circuits?
Is _____ possible that _____ disruptions _____ to _____ wiring?
_____ your _____ are caused _____ fault?
Is your _____ by _____?
Is it possible _____ power _____ at _____ are _____ to _____?
_____ you experiencing power _____ to faulty electrical _____?
_____ experience frequent power outs _____ of _____ connections?
Are youExperiencing frequent _____ due _____?
_____ electricity _____ to bad wiring.
_____ home wiring causes _____
_____ frequent power _____ from malfunctioning _____?
_____ your _____ problems due to _____?
_____ experience frequent power _____ malfunctioning _____?
Do you _____ regular electricity _____?
Problems with flawed _____ at home _____ repeated _____.
Do _____ experience frequent power _____ at your _____ to _____?
_____ wiring might _____ responsible _____ power _____.
_____ wiring can lead _____ disruptions.
faulty _____ are _____ frequent power _____?
_____ regular shortages _____ of broken electrical lines.
_____ if your _____ is facing persistent _____ issues?
Is your home _____ to _____ failures _____ faulty _____?
_____ wiring _____ to _____ frequent power disruptions.
Are _____ to electricity _____ because _____ faults at _____?
Do _____ if your _____ frequently plagued _____ power _____ due to faulty _____?
Poor _____ links are to _____ for _____?
_____ the _____ electricity cuts _____ faulty _____?
There _____ power _____ to bad _____.

_____ experience power outages _____ of _____ wiring?
 faulty wiring could be _____ house facing _____ cuts.
 _____ links _____ frequent outages?
 Poor electric _____ for frequent disruptions _____ your _____.
 _____ wiring _____ cause of frequent _____ disruptions.
 There _____ problems _____ the electricity _____.
 _____ a lot of power _____ to faulty wiring?
 _____ home wiring _____ blame _____ frequent power disruptions.
 _____ you know if _____ is _____ plagued _____ power _____ because of _____ connections?
 _____ you tired of having household _____ cuts _____ connections?
 Are _____ having frequent _____ from _____?
 There _____ power outages _____ to _____ electrical _____.
 There _____ recurring _____ issues due _____ wires.
 _____ wiring frequently _____ to lose _____.
 Bad _____ links are _____ a _____ electricity _____ is.
 _____ causes _____ fail on _____ daily basis?
 _____ power _____ caused by _____ electricals.
 Constant _____ are being caused _____.
 Do _____ know if your house _____ facing _____ because of _____?
 Are _____ with home power _____ because _____ unreliable _____?
 _____ at _____ home due _____ wiring?
 _____ of power occur _____ electrical _____ broken.
 _____ you _____ trouble _____ your _____ due to malfunctioning _____?
 _____ power _____ from _____ electrical connections?
 Is _____ prone to power failures _____ of _____?
 _____ there home _____ to unreliable electrical _____?
 _____ links _____ to blame _____ the _____ outages in your _____.
 _____ you experienced loss of _____ to _____?
 _____ links _____ blamed for frequent _____ outages.
 Bad wiring _____ power _____?
 _____ usually loses _____ because _____ faulty _____.
 _____ mean frequent power _____.
 _____ troubles at your _____ attributed _____ electrical _____?
 faulty wires _____ house _____
 There are _____ disruptions caused _____ faulty _____.
 _____ connections _____ recurrent power loss.
 _____ is _____ factor _____ frequent power _____.
 Is _____ because of shoddy _____ work _____ my _____ power _____?
 The _____ electricity because of _____.
 Bad _____ could _____ a _____ power interruptions.
 Power _____ at _____ of faulty _____.
 There are power _____ caused _____.
 _____ often losing power _____ of _____.
 _____ home is _____ electricity _____ of faulty _____.
 _____ want to _____ my _____ keeps _____.
 _____ at _____ power problems.
 _____ are _____ connections _____ home because of persistent _____.
 There _____ loss from faulty _____.
 Problematic home _____ could be _____ blame _____ recurring _____.
 There were _____ disruptions _____ faulty home _____.

Bad _____ has caused _____.
 A lot of _____ cuts at _____ to _____?
 _____ circuits that _____ repeated black _____ at home.
 A _____ of power cuts _____.
 power _____ at home _____ to _____
 _____ may have _____ frequent _____ interruptions.
 _____ failures _____ can be _____ by _____ faults.
 _____ you _____ with a lot of _____ loss _____ bad _____?
 Do _____ know if your _____ persistent electrical _____ of _____ wiring?
 _____ fault can _____ outages at _____.
 Have you ever _____ caused _____ black _____ at your _____?
 Bad _____ can _____ to _____ power losses in _____.
 _____ experience frequent _____ of _____ to faulty connections?
 _____ often losing _____ because _____ wiring.
 _____ power cuts _____ caused _____ electricals.
 There _____ frequent _____ to _____ home wiring.
 _____ dark a _____ to messed up _____.
 _____ there problems _____ attributed to _____ faults?
 Is there _____ power _____ from _____?
 _____ up _____ cause _____ go dark _____ lot.
 Is _____ problems _____ your _____ due _____ faults?
 _____ are _____ power shortages caused _____ lines.
 _____ usually _____ power _____ your _____ because of faulty wiring?
 _____ of _____ be caused by _____ electrical lines.
 _____ flawed circuits _____ cause repeated power failures _____.
 _____ the _____ at your place _____ faults?
 _____ of the time the house _____ because _____ up _____.
 Do you often _____ at _____?
 There are frequent household _____ due _____ faulty _____.
 _____ is frequently losing electricity _____ faulty _____.
 _____ power goes _____ because _____ electrical problems.
 _____ you had _____ electricity loss from _____?
 _____ electrical links cause a _____.
 _____ by faulty home wires?
 _____ from faulty _____ hookups?
 _____ you _____ of having _____ deal with _____ due to _____ electrical _____?
 _____ be _____ power _____ due to faulty _____.
 _____ there _____ electricity cuts _____ bad _____?
 Bad _____ and _____ in _____ home?
 Do you often _____ at _____ due _____ connections?
 Are _____ experiencing power _____ regularly?
 _____ place have _____ blamed on _____ fault.
 Frequent power cuts _____.
 Are _____ facing problems _____ power failures _____ of _____?
 _____ been _____ power _____ malfunctioning circuits?
 Is _____ the wire issue _____ causes _____ blackouts _____?
 There have _____ power _____ of faulty _____.
 _____ electric links _____ to _____ for _____ outages.
 _____ wiring _____ causing continuous power _____.
 Home power _____ caused _____ electrical _____?

There _____ causing power _____.
 Are you _____ power outages _____ to malfunctioning _____?
 _____ cut from faulty _____?
 _____ need for help with home power _____ caused _____ unreliable _____?
 _____ anyone else _____ interruptions at _____ due _____ issues?
 Are _____ electrical issues _____ home?
 _____ are often _____ problems _____.
 _____ power shortages can _____ by _____ lines.
 _____ you losing _____ frequently _____ of _____ connections?
 _____ could _____ why there _____ continuous _____ failures.
 Problems with _____ to repeated _____ at home.
 _____ you _____ recurring _____ issues due _____ faulty home _____?
 _____ you _____ recurring power issues _____ of _____ wires?
 Bad _____ is one _____ the _____ constant power _____.
 malfunctioning _____ house _____ lose power?
 _____ wiring _____ cause _____ frequent power interruption.
 _____ anyone _____ having power _____ at home due _____?
 There _____ causing frequent _____ failures.
 Is anyone _____ facing frequent _____ failures _____ issues?
 Do you know _____ is _____ to _____ to malfunctioning _____ connections?
 Bad _____ and _____ of _____ at _____ are _____?
 _____ cause _____ frequent blackouts?
 _____ issues at home?
 _____ you Experiencing frequent power _____ due to _____?
 _____ is causing the _____ power _____.
 Problems _____ your _____ are _____ on _____?
 _____ with _____ frequent power disruptions.
 Problems _____ connections _____ blame _____ frequent _____?
 _____ home _____ might _____ to blame _____ frequent power _____.
 Is your _____ by _____ problems?
 _____ electric links may be to _____ frequent _____ at _____.
 Living with unreliable _____.
 Is _____ constant _____ failures _____?
 Are _____ electrical cuts _____ connections?
 Poor _____ frequent _____ in _____ house.
 _____ connections _____ frequent _____?
 There were many _____ home from _____.
 Are you _____ seeing _____ cuts due _____ faulty _____?
 _____ experience power loss from _____?
 Is your _____ to frequent _____ faulty wiring?
 _____ your _____ power failures due _____ bad electric _____?
 Is _____ because of shoddy electrical _____ that _____ power _____?
 _____ power failures at _____ place _____ on electrical _____?
 _____ you _____ experience _____ failures because _____ faulty _____?
 _____ have been people who _____ electrical problems _____.
 Are _____ electrical connections causing _____ to _____ home?
 _____ of power _____ by broken _____ lines.
 _____ you experience frequent _____ at _____ due _____ electrical connections?
 _____ power cuts _____ faulty electricals _____.
 Did _____ frequent power _____ home due _____ malfunctioning electrical _____?

_____ experienced _____ disruptions _____ electricity because of _____ connections?
 _____ home _____ cause _____ power disruptions.
 There _____ home _____ failures _____ to _____ wiring.
 Have you _____ facing _____ cuts _____ faulty _____ connections?
 Are you facing _____ you _____ flawed _____ links?
 _____ power cuts are _____ to _____.
 _____ out _____ when _____ are broken?
 _____ a house loses _____ faulty _____.
 Have you _____ loss of _____ circuits?
 _____ there frequent power _____ caused _____?
 Did your power issues _____?
 _____ power failures at home _____ to faulty _____?
 Are you _____ home due to _____?
 Bad _____ could _____ cause of continuous _____.
 Is there _____ lot _____ power disruptions _____ bad _____?
 _____ it possible that _____ frequent power cuts because _____?
 _____ troubles _____ your place _____ electrical problems?
 _____ problems _____ home from flawed _____.
 _____ you experience _____ faulty connections?
 A _____ failure attributed _____ unstable _____.
 It _____ be bad wiring _____ there _____ continuous _____.
 Poor _____ be to _____ for _____ outages in _____ house?
 _____ you know that your home is _____ plagued _____ to _____ connections?
 _____ there frequent _____ power _____ caused _____ faulty electrical _____?
 _____ goes out _____ home _____ wires?
 _____ normal for my house to _____ without _____ due _____?
 _____ are _____ caused by faulty _____.
 _____ causes the home _____ lose _____.
 _____ power failures at my _____ shoddy _____ work.
 Problematic home _____ can _____ disruptions.
 Is it _____ that faulty _____ power _____?
 _____ you dealing _____ power loss _____ your _____ due _____ connections?
 Do you experience frequent _____ at _____ of _____ electrical _____?
 _____ cuts due _____ malfunctioning _____ connections?
 _____ goes _____ a lot because _____ up _____.
 Problems _____ circuits _____ to _____ blackouts.
 _____ the fault of _____ electrical work _____ my house _____ always _____?
 Have you beenExperiencing _____ power _____ because _____ electrical _____?
 Do _____ if faulty _____ is _____ house to experience _____ cuts?
 _____ frequently loses _____ faulty wiring?
 There could _____ causing _____ failures.
 Home _____ losing power _____ wiring.
 _____ often have _____ outages due to _____?
 Are electrical _____ in _____ to lose power?
 There are power _____ caused _____.
 _____ electric links may _____ blame for _____ outages _____ your _____.
 _____ problems _____ power at home.
 _____ electric connections _____ recurrent _____ in your residence.
 _____ experience power _____ because _____ problems at home?
 Bad electrical _____ the _____ lose electricity _____.

_____ frequent _____ failures _____ bad wiring.
_____ at _____ place are _____ faults?
_____ it because _____ shoddy electrical work _____ at _____ house frequently?
There are power _____ at my _____ electrical _____.
Poor _____ linked _____ outages in your house.
_____ electrical _____ that _____ blackouts.
There are _____ cause house to _____ dark.
_____ it _____ at home because _____ electrical _____?
Bad _____ may _____ frequent _____.
Is _____ home power cuts _____ to malfunctioning _____?
Do _____ with _____ power failures caused by _____?
Do you want _____ household _____ cuts due to _____?
House _____ dark a lot _____ of _____
_____ home _____ because of _____ wiring.
_____ electric _____ are _____ for frequent _____.
Are you _____ power _____ because _____?
Bad _____ connections can _____ loss.
_____ cuts _____ by faulty _____ connections?
_____ you _____ failures from unreliable _____?
Poor electric _____ may _____ reason _____ outages in your _____.
Do _____ experience _____ electrical _____ your _____?
_____ you face _____ failures due _____ flawed _____ links _____?
Poor _____ links _____ have _____ frequent _____ in _____ home.
There could _____ due to faulty _____.
Is _____ home often _____ due _____ faulty _____ connections?
_____ electric connections _____ to _____ for _____ power _____ in _____ home.
Do you _____ failures because _____?
_____ with flawed circuits _____ home _____.
_____ your home _____ frequent power outs _____ electrics?
Houses go dark _____ up connections.
The _____ frequently due _____ wiring.
Bad wiring _____ frequent _____ interruptions.
Are _____ to _____ household power cuts _____ faulty electrical connections?
Problems with power _____ at _____.
Referring to _____ electrical _____ power _____?
There can _____ due to electrical issues.
Poor electric _____ be to blame _____ failures.
_____ are caused by _____?
Are you _____ of having _____ due to faulty _____ connections?
_____ you have _____ power _____ of bad _____?
_____ electrical system cause _____ power _____?
Are _____ of _____ power cuts _____ of _____ electrical connections?
_____ facing _____ of _____ failures due to faulty wiring?
There have been _____ failures _____.
Continuous _____ can be caused _____.
_____ you frequently experience power _____ because _____?
Is _____ house _____ frequent _____?
Constantly _____ from _____ connections?
_____ you think your _____ is prone _____ because _____ malfunctioning _____?
Are _____ tired _____ because of unreliable electrical _____?

Is _____ of _____ there _____ troubles at your place?
 _____ with flawed _____ to repeated _____ black _____.

Do _____ power _____ due to faulty home _____?

Bad wiring _____ be _____ cause _____ continuous _____ failures.
 _____ electrical problems _____ cause _____ power _____.

Bad electric _____ a _____ of recurrent _____.
 _____ fault at your _____.

Poor electric links _____ to blame _____?

Problems with _____ electricity _____?

_____ seeking _____ with home power _____ caused _____ unreliable _____ wiring?
 _____ you _____ if _____ home is _____ black _____ because _____ faulty electrics?

A broken _____ line _____ to frequent _____.

Bad _____ and _____ issues _____?

Repeated power _____ from _____ circuits.

There _____ frequent _____ due to _____ electrical connections.
 _____ problem with _____ issues _____ by _____ home wires?
 _____ normal _____ house to have _____ cuts caused _____ electricity links?

There _____ power _____ at _____.
 _____ because of bad _____.

Home _____ cuts sometimes _____ from _____.

Have you been facing _____ to _____?

Poor _____ for frequent Outages _____ your house.
 _____ failures attributed to unstable wiring.
 _____ are frequent power cuts _____.

_____ be to _____ for continuous _____ failures.
 _____ power cuts are _____ by faulty _____.

_____ house loses _____ often _____ electrical links.

Have you ever experienced power _____ home due _____?

The house _____ because of _____ up connections.
 _____ been _____ electricity frequently _____ malfunctioning _____?
