

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|--|
| Company Type | Smartphone Manufacturers |
| Inquiry Category | Network coverage and connectivity inquiries |
| Inquiry Sub-Category | Signal strength complaints |
| Description | Customers may raise concerns about weak or fluctuating signal strength, seeking advice on how to improve signal reception or identifying if there is a hardware or software issue affecting their smartphone's antenna or signal output. |
| Data Size | 5,033 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ settings that _____ adjustment for inconsistent connection _____ between _____ networks and _____ services?
Are _____ adjustments _____ need _____ be made _____ a better _____ between _____ and _____?
_____ weak connection _____ wi-fi?
Can _____ change _____ settings on my mobile _____ fix _____ issue _____ wireless _____?
There _____ certain phone settings _____ the connection _____ the _____ and _____ cellular
Can you tell _____ if _____ any specific _____ good _____ cellular and _____?
_____ I change _____ settings on _____ phone _____ poor cell _____ connection _____ my phone and _____?
There are _____ settings that will _____ the connection _____ the _____ cellular _____.
_____ settings be used _____ wi-fi networks and data _____?
_____ phone _____ help _____ between the _____ fi and cellular networks.
Specific _____ to _____ inconsistent connection _____ networks and cellular data _____
_____ settings _____ to _____ connection _____ between wi-fi _____ and data services
Can I change _____ my _____ phone _____ of poor wi-fi _____?
_____ phone _____ are _____ fix wi-fi _____ and _____ services
Should _____ modify _____ if there _____ cell _____ connections?
Specific _____ settings _____ to _____ fix inconsistent connection quality _____ mobile _____ services.
There _____ phone _____ that _____ help _____ improve _____ of _____ connection between cell _____ wireless data networks.
_____ I adjust settings when _____ and _____ connections?
Specific phone settings _____ fix _____ connection _____ between _____ and data _____ a _____.
Can _____ whether there _____ adjustments needed for a _____ connection _____ wi-fi?
Is it _____ to change _____ on my _____ to address _____ wi-fi _____?
Can _____ the settings to fix the _____ wi _____ phones?
_____ there _____ need _____ specific _____ inconsistent connection quality between _____ wi-fi?
_____ change the _____ phone to _____ better _____ phone wi-fi?
Is _____ necessary _____ specific _____ settings to _____ inconsistent _____ between _____ networks and _____ services?
_____ me if there _____ any adjustments _____ good connection between cellular and _____ fi _____?
_____ certain phone settings help to _____ of the connection _____ Cellular?
_____ tell me _____ are _____ adjustments _____ for a good connection between _____ wi-fi?

____ need ____ modify the settings ____ the way my wireless ____ and ____
 ____ know ____ specific ____ needed for ____ good connection between cell ____ wi-fi?
 ____ modify settings to fix ____ with ____ data ____ wi-____
 Can ____ modify the settings ____ the issues ____ data ____ wi ____?
 Is it ____ certain ____ will help improve the ____ wireless ____ and ____?
 ____ know ____ are ____ needed for a better connection ____ cellular ____ wi-fi?
 ____ you help me ____ my ____ and cellular ____ service issues?
 ____ I ____ my ____ networks and mobile data are connected?
 Should ____ spotty ____ and wi-fi connections ____ changed?
 There ____ phone ____ that ____ to ____ adjusted for ____ connection quality ____ wi-fi.
 ____ certain phone ____ will ____ connection between ____ fi and ____ data networks.
 ____ I change ____ phone ____ deal ____ unreliable service across ____?
 When using ____ and ____ data services, do ____ the ____ in ____ phone?
 Are there ____ settings that need ____ be ____ for ____ connection ____ between ____ and ____?
 There are certain phone ____ that ____ between ____ wi fi and ____.
 Is ____ necessary to ____ certain ____ settings ____ wi-fi ____ connection issues?
 ____ phone settings ____ improve the connection ____ wi ____ and cellular ____?
 Can ____ tell ____ whether ____ specific ____ required for a good ____ between ____ wi-fi?
 ____ there certain ____ settings that ____ improve the connection ____ cellular data ____?
 Can you ____ there are ____ adjustments that ____ made for a ____ quality ____ cellular ____ wi-fi?
 Is certain ____ settings needed ____ fix ____ between wi-fi ____ services?
 Do ____ phone ____ that ____ help improve ____ experience ____ using ____ cell phones and a ____?
 ____ you need to ____ keep the ____ connection ____ between cellular ____ wi-fi services.
 ____ I change certain ____ address poor cell phone connection ____?
 ____ alter the ____ my cellular or wi-fi ____ malfunctioning?
 ____ you say ____ there are ____ adjustments necessary ____ a good ____ wi-fi?
 Do ____ phone settings need to fix ____ networks and cellular ____?
 Is ____ phone settings that will ____ between ____ and cellular data?
 There are certain ____ settings that ____ the ____ between ____ wi ____ and cellular ____.
 ____ know if ____ phone ____ will help improve ____ connection ____ the ____ fi ____ cellular data ____?
 Are ____ phone ____ wi-fi ____ cellular connection quality?
 ____ a need ____ specific adjustments for a ____ connection ____ wi-fi?
 ____ if ____ that are required for a good ____ between cell ____ and wi-fi?
 ____ settings ____ reliability of ____ connection between the wireless ____ the cellular.
 There are ____ may help ____ improve the ____ connection between wireless data ____ and cell ____
 Is it possible to ____ settings ____ to modify ____ with mobile phone data ____?
 Is ____ a phone setting that will ____ improve the ____ networks ____?
 Can ____ settings ____ the issue of poor cell phone ____?
 ____ certain phone ____ to ____ wi-fi networks ____ cellular data ____?
 Do ____ if ____ phone settings will ____ improve the connection ____ wi ____?
 ____ tell ____ if there are ____ adjustments required ____ a ____ between cell ____ wi-fi services?
 ____ it possible ____ phone settings ____ cell reception ____ unreliable wi-fi?
 Can ____ modify ____ settings to ____ issues with ____ and ____?
 Are ____ specific phone ____ that are ____ inconsistent ____ between wi-fi networks ____ services?
 ____ poor cell phone ____ connections, ____ change certain settings on my ____?
 Is it ____ change ____ for wi-fi and cellular ____?
 ____ it ____ for ____ adjustments to ____ variations ____ and wi-fi ____?
 ____ you have ____ settings ____ will ____ you ____ on your phone ____ you ____ both cellular ____?
 ____ have settings on your phone ____ the experience ____ both cell ____ and ____ wi-fi ____?
 ____ on my phone ____ the poor ____ phone connection between ____?

Is it a _____ idea _____ settings with _____ connections between wi-fi _____ ?

Specific phone settings _____ be _____ to fix the _____ connection quality _____ wi-fi _____ cellular _____ .

_____ you _____ between _____ do you _____ any _____ settings that improve _____ connection?

Do _____ settings _____ will _____ the experience when _____ both cell _____ wi fi?

_____ specific adjustments _____ for inconsistent _____ between wi-fi and _____ ?

_____ do I fix the _____ settings that _____ wi-fi and _____ ?

_____ phone _____ are needed _____ quality between wi-fi _____ data services?

When using _____ cell data services, _____ to _____ in your phone?

Are _____ to improve the reliability of the _____ between wireless data networks _____ cell _____ ?

Does the _____ quality of _____ cellular _____ warrant _____ on phones?

_____ required to _____ inconsistent connection _____ between _____ and mobile _____ services?

Can you tell _____ if _____ adjustments for a _____ quality between _____ and _____ ?

_____ you _____ settings that _____ the experience _____ cell phone and wi-fi _____ ?

_____ are _____ and wi-fi _____ I alter settings?

_____ change _____ settings on _____ phone to _____ unstable service delivery _____ and mobile _____ ?

_____ you say if _____ specific adjustments that are _____ a _____ between _____ phone and _____ ?

Can you tell _____ to _____ a better connection between _____ and wi-fi services?

Can you _____ me _____ are necessary for _____ between cellular _____ wi _____ ?

Is there _____ specific _____ connection quality between cellular _____ services?

I _____ to _____ for _____ cell _____ and unreliable wi-fi.

_____ there _____ adjustments _____ for a _____ connection between cellular and _____ ?

_____ you _____ are necessary adjustments for a better connection between _____ ?

_____ a _____ idea to adjust phone settings _____ between wi-fi _____ mobile _____ ?

_____ can be used _____ the reliability of _____ connection between wireless data _____ cell phone.

_____ are _____ for a _____ connection between a cell phone _____ .

_____ phone _____ do you _____ to improve _____ connection quality _____ switch _____ wi-fi?

_____ know if _____ phone settings _____ help enhance the _____ wi _____ cellular?

Do you _____ on _____ that give _____ connection when you use _____ cellular and _____ ?

Does the difference in _____ quality _____ and _____ on _____ ?

Are specific phone settings _____ to fix inconsistent connection _____ ?

Do _____ that will improve the _____ when you _____ cell _____ a wi-fi network?

_____ modify _____ settings _____ my mobile _____ fix _____ problem of my wireless _____ ?

Specific phone settings _____ to _____ wi-fi networks _____ data _____ .

Can _____ change the _____ on my _____ the issue _____ poor _____ phone _____ ?

_____ the settings to fix the _____ with _____ and mobile _____ ?

Does anyone _____ for _____ good connection between cellular and wi-fi?

There _____ that _____ to the _____ the phone when experiencing _____ internet and _____ data services.

Can phone _____ be used _____ fix inconsistent connection _____ and _____ ?

Are specific phone _____ needed to _____ between _____ and cellular _____ services?

_____ using _____ and _____ services, _____ the settings of the phone?

Should I change my settings _____ service across _____ mobile networks?

_____ there _____ help increase the connection _____ networks and cellular data?

Is it possible _____ change the settings on _____ to address the _____ of _____ mobile _____ ?

Is certain phone settings _____ to _____ inconsistent _____ quality _____ wi-ifi _____ ?

Is there specific _____ to fix inconsistent _____ between wi-fi networks _____ ?

_____ I _____ settings if my _____ or _____ are _____ ?

_____ phone _____ needed to _____ inconsistent _____ quality between wi-fi _____ services?

_____ necessary to make changes _____ spotty wi-fi _____ cell network _____ ?

Is it possible _____ settings _____ to fix the poor _____ wi-fi and _____ ?

Are _____ fix poor connection quality between _____ networks _____ data services?

_____ adjustments necessary _____ a better connection _____ and wi-fi _____?
 _____ you _____ if _____ are _____ needed _____ connection between cellular and _____ services?
 Can _____ modify _____ to fix _____ with mobile _____ wi _____?
 Can _____ me _____ are specific _____ that _____ to be made _____ a better connection _____ wi- _____?
 I would _____ to know _____ settings for _____ issues _____ wi-fi networks _____ cellular _____ services
 _____ phone settings are needed to fix inconsistent _____ between _____.
 _____ have _____ settings that will _____ the connection quality when you _____ between _____ wi-fi?
 When _____ wi-fi _____ need to _____ made to _____ settings on the device?
 Can _____ say if _____ needed _____ connection between cellular and _____ services?
 _____ you _____ if _____ are needed adjustments _____ a better _____ quality between _____ and _____ services?
 _____ it possible _____ settings on my phone _____ address _____ issue _____ cell _____ wi-fi _____?
 _____ you help me _____ phone's settings _____ wi-fi and _____ issues?
 With _____ wi-fi and mobile data, should specific _____?
 _____ you tell me if _____ changes _____ for _____ cell phone _____ wi-fi?
 Are specific _____ to fix _____ wi-fi _____ data services?
 _____ phone settings needed to _____ inconsistent _____ quality _____ wi-fi _____?
 Should _____ be _____ take account _____ unreliable _____ between mobile _____ wi-fi?
 _____ settings _____ way my wireless _____ and mobile data work?
 _____ phone settings _____ need to be _____ connection quality _____ and wi-fi networks?
 _____ you tell _____ are any _____ needed _____ connection between cellular and wi _____?
 Is _____ connection quality _____ and cellular services warrants _____ phones?
 Do _____ different connection _____ and _____ setting changes to phones?
 Specific phone _____ are _____ correct _____ between _____ networks and data _____.
 _____ the difference in _____ of _____ networks and cellular _____ warrant _____?
 _____ settings be changed if _____ spotty cell and _____?
 Do _____ have _____ settings that _____ on _____ phone when _____ use wi-fi _____ cellular?
 Is it _____ alter _____ for spotty cell _____?
 Are phone _____ fix inconsistent _____ quality between _____ networks _____ data _____.
 Can _____ tell me _____ there _____ adjustments needed for _____ between _____ and _____?
 _____ settings changed _____ there are spotty _____ connections?
 _____ needed to address _____ and wi-fi inconsistencies?
 _____ necessary _____ settings for spotty wireless _____ cell network connections?
 Some phone settings _____ needed _____ wi-fi _____ connections.
 _____ was _____ could help _____ adjust my _____ settings for consistent _____ cellular data services.
 Can you _____ me whether _____ specific _____ for a _____ connection quality _____ cellular _____?
 Do you _____ on your _____ that will _____ better _____ both cell _____ and _____?
 Can _____ modify _____ need to modify to _____ issues with _____ phone _____?
 _____ are _____ you need _____ change to _____ the quality _____ the connection _____ between _____ services.
 Can _____ tell me _____ there _____ specific adjustments _____ good connection _____ cellular _____?
 _____ the _____ to _____ account _____ connections between mobile and wi-fi?
 I _____ how to adjust _____ phone's _____ consistent _____ between cellular _____ networks.
 _____ know _____ to change the _____ spotty wireless _____ cell network connections.
 Do you have _____ your phone _____ experience using _____ cell _____ wi-fi?
 _____ tell me if _____ adjustments _____ for a _____ connection between _____ and wi-fi _____?
 Should _____ settings _____ if _____ are unreliable connections between wi-fi _____?
 The _____ between _____ wi fi and _____ data _____ affected _____ settings.
 There _____ that _____ improve _____ between wi fi and cellular.
 Any changes need to _____ to _____ on the phone _____ variable _____ and cell _____?
 Can _____ tell _____ how _____ adjust my _____ settings _____ consistent connection issues _____ wi-fi _____ data _____?
 Will there be _____ phone settings _____ quality?

____ cell and ____ connections ____ should I change ____ settings?
 ____ the settings on ____ phone to fix ____ cell ____ connection ____ wi-fi?
 ____ phone ____ the connection ____ wi ____ and cellular data networks?
 Do ____ settings on ____ phone that will ____ you ____ better connection while ____ both ____ ?
 Are there ____ adjustments ____ for ____ good ____ a cell ____ wi-fi?
 ____ you tell me ____ there ____ necessary ____ for ____ quality ____ and wi fi?
 ____ certain phone ____ can ____ between the wi fi ____ cellular networks?
 ____ possible ____ modify settings ____ fix issues with ____ data ____ wi fi?
 ____ you ____ me if ____ required ____ a good ____ between ____ phone and ____ ?
 What ____ you ____ will improve connection ____ between cellular ____ ?
 ____ there ____ adjustments for a good connection between cellular ____ wi- ____ ?
 Is it ____ settings for spotty cell ____ connections?
 ____ you ____ me if there are ____ adjustments ____ better connection ____ wi-fi and ____ ?
 ____ you tell me ____ adjustments are ____ for ____ between ____ wi-fi services?
 Can ____ me ____ there are specific adjustments ____ a better connection between ____ ?
 Are ____ any specific ____ needed ____ a good connection between ____ ?
 ____ your phone settings ____ you better connection when ____ and wi-fi?
 ____ specific ____ settings needed ____ fix ____ networks and data ____ ?
 Can you tell ____ whether ____ adjustments ____ good connection ____ phone ____ wi-fi?
 Are ____ settings ____ inconsistent connection ____ between ____ and data ____ ?
 How can ____ the ____ phone settings for ____ reception ____ wi-fi?
 ____ you tell ____ adjustments needed ____ a ____ connection between wi- ____ and cellular?
 ____ alter ____ I ____ a problem with my ____ data connections?
 ____ specific ____ settings ____ to be ____ for inconsistent ____ networks ____ cell phones?
 Should ____ change the settings if my ____ are ____ ?
 ____ tell ____ if ____ are certain adjustments ____ for ____ better ____ quality between ____ wi-fi services?
 Is ____ adjustments needed for ____ connection ____ cellular and ____ ?
 I ____ wondering if you could tell me ____ adjust my ____ consistent ____ cellular ____ .
 Can you tell ____ there ____ specific adjustments ____ connection ____ between cellular ____ wi- fi?
 Do you ____ if ____ phone ____ give ____ better connection ____ you ____ both wi- ____ and ____ ?
 Do ____ need to change ____ settings for spotty ____ ?
 Can I change the ____ on ____ fix the ____ phone connection ____ phone ____ the ____ ?
 Can ____ there are any ____ a ____ between cellular and wi-fi?
 Can I change ____ settings ____ address ____ of poor cell phone ____ between wireless ____ ?
 ____ I adjust ____ if there ____ spotty ____ wi-fi connections?
 ____ settings will ____ improve the ____ of ____ connection ____ data networks and cell ____ .
 ____ you tell ____ are any specific ____ that ____ to ____ a good connection between cell phone ____ ?
 ____ certain phone settings ____ will help ____ the ____ wi fi ____ data ____ ?
 ____ I ____ the ____ my ____ the issues with poor ____ phone ____ connections?
 ____ you ____ there are ____ adjustments needed for ____ cellular and ____ fi?
 Is ____ possible ____ change settings ____ phone to ____ poor ____ between wi-fi ____ mobile ____ network?
 Are there phone settings that ____ help ____ the ____ wi ____ networks?
 How ____ I figure ____ the ____ phone ____ wi-fi ____ poor ____ reception?
 ____ using ____ cell data ____ any ____ to be made ____ the ____ the phones?
 Different ____ settings are ____ fix ____ connection ____ and mobile data ____ .
 ____ there specific adjustments ____ for ____ good ____ cell phone ____ ?
 ____ phone settings ____ to ____ and wi-fi connections.
 Do ____ settings on ____ phone that ____ give ____ a better connection ____ both ____ cellular?
 Can ____ phone ____ improve ____ connection between ____ fi and ____ networks?
 Is ____ to set ____ to fix wi-fi networks ____ services?

____ you tell ____ there are any ____ adjustments ____ for a good ____ cellular ____ ?
 ____ are ____ phone ____ may help ____ the ____ between the ____ cellular data
 ____ my phone ____ to deal with unreliable ____ on ____ networks?
 Should ____ change ____ setting ____ phone to deal ____ unreliable service ____ and wireless ____ ?
 ____ you ____ wi-fi networks and ____ data ____ you ____ specific phone ____ improve connection quality?
 ____ modify settings to ____ issues ____ and mobile phone data?
 Can you tell me if there are ____ to ____ cellular and ____ ?
 Do ____ on ____ phone ____ on cell phones and wi-fi?
 ____ you tell ____ adjust my phone's settings to make sure ____ with ____ cellular and ____
 Can you ____ there ____ necessary ____ made for a better connection between cellular ____ wi-fi?
 ____ you tell me if there ____ necessary ____ better connection ____ and ____ ?
 Am I ____ to modify settings to ____ the ____ with ____ and ____ ?
 ____ have ____ your phone that will ____ the experience ____ phones and wi-fi ____ ?
 ____ you have ____ phone ____ give you ____ connection on your phone ____ cellular ____ wi-fi?
 ____ need to ____ settings ____ my wireless networks ____ data are ____
 ____ settings ____ experience on cell phones and wi-fi?
 Do certain adjustments ____ to be ____ for inconsistent connection ____ ?
 Specific ____ needed to fix inconsistent connection ____ networks and ____
 ____ settings are NEEDED ____ between wi-fi ____ mobile data services.
 ____ settings ____ fix inconsistent connection quality between wi-fi ____ data?
 ____ to ____ changes ____ settings for ____ wireless and ____ network connections?
 Should ____ change ____ on my phone to ____ across mobile and wireless ____ ?
 ____ to ____ specific phone ____ fix inconsistent ____ and mobile ____ services?
 Do ____ phone settings ____ the ____ when using ____ phones ____ wi-fi?
 ____ there ____ adjustments that ____ necessary ____ a good ____ cell phone and ____ ?
 Can you ____ me ____ are ____ adjustments necessary for ____ between cell ____ and ____ services?
 ____ specific phone ____ needed to fix inconsistent ____ quality ____ wi-fi ____ ?
 ____ specific ____ need ____ fix ____ connection quality between ____ and ____ services?
 Can ____ tell ____ if ____ are specific ____ are necessary ____ better ____ between cellular ____ fi?
 How do ____ out the correct ____ settings for ____ poor ____ ?
 Can I change settings ____ my ____ solve ____ cell ____ wi-fi connections?
 ____ tell ____ if ____ specific ____ that ____ necessary for a ____ connection between ____ and wi-fi?
 Can ____ tell ____ there are any specific ____ a ____ between cellular and wi- ____ ?
 Can I ____ settings on my ____ cell phone ____ with ____ ?
 ____ you ____ me ____ specific adjustments are ____ for ____ better connection between ____ ?
 Should I ____ settings ____ my ____ to deal with ____ both ____ wireless networks?
 There are certain phone settings ____ help improve the ____ of ____ connection ____ and a ____ .
 Do the ____ connection ____ of wi-fi ____ cellular ____ warrant ____ phones?
 Are ____ phone ____ for inconsistent ____ wi-fi ____ and data services?
 There ____ phone settings ____ improve the ____ the ____ data networks and cell phones.
 ____ if there are specific ____ a ____ connection between ____ and wi-fi?
 Can ____ tell me ____ there are ____ specific ____ required ____ connection between cellular and ____ ?
 ____ change settings ____ my phone ____ the ____ cell phone wi-fi connections?
 Can ____ if ____ adjustments necessary ____ a better ____ between ____ and wi-fi?
 Are certain ____ inconsistent ____ networks and cellular ____ services?
 ____ improve the ____ between the wi fi and cellular ____ networks.
 Is ____ any ____ settings that ____ improve ____ reliability between ____ networks ____ ?
 Can you ____ if there ____ necessary for a ____ between ____ and ____ ?
 Is it true that ____ specific ____ needed for ____ cellular ____ wi-fi?
 Should I change ____ settings ____ there are spotty ____ ?

I _____ modify settings _____ fix mobile phone _____ issues
 Is it _____ settings _____ be _____ for inconsistent connection _____ wi-fi networks and cellular _____ services?
 _____ for _____ settings to fix inconsistent _____ wi-fi networks and cellular data services?
 Can _____ tell _____ if _____ adjustments _____ make _____ good connection between _____ and wi-fi?
 Specific _____ settings _____ be _____ fix inconsistent connection _____ wi-fi _____ data services.
 I _____ modify settings to fix issues _____ mobile _____ fi, is _____?
 _____ specific _____ settings required _____ inconsistent _____ between wi-fi _____ and _____ data services?
 _____ it _____ for _____ phone _____ to address inconsistencies _____ wi-fi connections?
 _____ you _____ if there are _____ for _____ good connection _____ wi-fi services?
 How to find out the _____ settings _____ and _____ wi-fi?
 Is _____ a need _____ to _____ wi-fi _____ cellular connections?
 There _____ things you _____ change to _____ consistent connection _____ cellular _____.
 Should _____ my _____ on _____ to _____ unstable service delivery on both mobile and _____?
 _____ certain _____ necessary _____ a _____ between cell phone _____ wi-fi?
 Can _____ tell _____ specific _____ required _____ a better wi-fi and cellular _____?
 Can _____ my _____ the _____ cell phone wi-fi connections?
 _____ specific phone settings needed _____ fix _____ quality _____ wi-fi _____ data _____.
 _____ was _____ if _____ could tell me how to adjust _____ phone's _____ for _____ and _____.
 _____ are needed _____ inconsistent connection quality of wi-fi networks _____.
 _____ on my phone to address the issue of poor _____?
 Should I _____ settings if _____ are spotty _____ wi-fi _____?
 _____ certain phone _____ be used _____ the connection between _____ and _____ networks?
 _____ it possible to find _____ correct phone _____ unreliable _____ and _____ cell _____?
 Some _____ can _____ improve the reliability _____ the _____ between wireless _____ cell phones.
 _____ tell me whether _____ are _____ necessary _____ a better _____ between _____ and wi- _____ services?
 _____ you know _____ there _____ necessary adjustments _____ a _____ between _____ wi-fi?
 _____ settings need to be _____ for _____ quality between _____ and _____ services?
 _____ modify the _____ issues _____ fi and mobile phone data?
 _____ I _____ to fix the issues with _____ phone _____ wi-fi?
 _____ I _____ my phone to _____ with unreliable service delivery _____ both mobile _____ networks?
 I _____ to know _____ are _____ adjustments _____ better connection _____ cellular _____ wi-fi.
 _____ I modify the _____ fix issues _____ fi _____ mobile phone _____?
 _____ tell _____ there are _____ adjustments necessary for a _____ and cellular?
 Can I _____ settings _____ fix issues _____ mobile _____ data _____ fi?
 _____ there specific _____ settings required _____ quality between wi-fi networks _____ data _____?
 _____ you have settings _____ your phone _____ you _____ better _____ using both _____ wi-fi?
 _____ you tell _____ are _____ needed for a _____ connection quality _____ and wi-fi?
 Are _____ necessary to fix _____ quality _____ and mobile _____?
 Can you tell _____ if there _____ good connection between _____ cell _____ and wi-fi?
 _____ there _____ cell and _____ I modify settings?
 _____ tell me if _____ are _____ adjustments necessary for _____ good _____ between _____ fi?
 _____ specific phone settings _____ inconsistent _____ quality _____ wi-fi networks _____ services?
 _____ are _____ to correct inconsistent _____ quality _____ wi-fi _____ and cellular _____ services.
 Can _____ if there are certain _____ that are _____ a better connection between _____?
 Are _____ settings that _____ help improve the connection _____ cellular?
 _____ say if _____ are _____ adjustments _____ a _____ connection _____ between _____ and wi- _____?
 Are there _____ that _____ enhance the connection between _____ cellular data?
 _____ you _____ are _____ that _____ to be _____ for a _____ connection between cellular and wi-fi?
 Can you say _____ needed _____ better connection between _____ wi-fi?
 Do _____ know _____ certain phone settings will _____ between wi _____?

_____ you tell me _____ there _____ certain _____ that need to be _____ good connection _____ cellular?
 _____ it appropriate _____ phone settings to be _____ with _____ wi-fi _____ mobile _____?
 _____ the settings on _____ deal _____ cell phone connection between networks?
 Are there _____ phone _____ that _____ help enhance _____ between the wi _____?
 Does the _____ settings need _____ be adjusted for inconsistent _____ and _____?
 _____ modify settings _____ issues _____ phone and wi-fi?
 Can _____ change _____ for _____ cell _____ connections?
 _____ phone settings that will _____ improve _____ between wi _____ and _____ networks?
 Do _____ settings _____ your phone that _____ you _____ reception _____ you _____ cellular and _____ fi?
 Do you _____ that _____ the experience _____ using both _____ and _____ fi?
 Can _____ tell _____ if there are _____ required _____ between cellular and _____?
 Do you _____ adjustments for a good connection _____ wi _____?
 _____ certain phone _____ improve the _____ between _____ cellular data?
 Are _____ phone settings _____ improve the connection between _____ fi and _____?
 _____ changed _____ account unreliable connections between mobile _____ and wi-fi?
 _____ know if certain phone _____ will _____ enhance the connection _____ wi fi _____ networks?
 _____ certain _____ for wi-fi and cellular connection _____.
 If _____ is _____ my cellular or _____ connections _____ change settings?
 _____ there _____ will _____ the connection _____ wireless networks and _____ data?
 Specific phone settings _____ inconsistent _____ quality between _____ networks _____ data _____
 _____ there _____ settings _____ for inconsistent _____ quality between cellular and wi-fi?
 Do _____ have _____ on _____ that improve the _____ cell and _____ fi?
 Can you tell me if _____ a _____ between _____ and wi-fi.
 _____ would _____ know how to adjust _____ settings for consistent issues _____ cellular _____ wi-fi _____.
 Are _____ to _____ inconsistent connection quality _____ and data services.
 Can you tell me if there are _____ for _____ cellular and _____?
 Do _____ have _____ on _____ give _____ better connection on _____ phone while _____ use _____ and wi-fi?
 Should _____ take account _____ unreliable _____ between wi-fi and mobile _____?
 _____ there specific _____ needed _____ fix inconsistent _____ between wi-fi and mobile _____?
 _____ phone settings will improve the connection between wi _____ cellular _____?
 _____ possible _____ change the settings on _____ to fix _____ connection _____ mobile data networks?
 specific _____ settings _____ to _____ inconsistent _____ quality between _____ networks _____ data _____
 Can I fix the _____ of poor cell _____ settings _____ my _____?
 Specific phone settings _____ fix _____ connection quality _____ data services?
 Should _____ my phone _____ to deal _____ unpredictable _____ delivery across _____ networks?
 If _____ cellular data services, do _____ have any phone settings _____ improve _____ connection?
 Can _____ adjust _____ phone's _____ for consistent _____ between cellular and wi _____?
 _____ you tell me _____ specific _____ are _____ a better connection _____ and _____?
 _____ me if there are _____ changes necessary _____ connection _____ cellular and wi- _____?
 _____ tell me if there are any _____ needed _____ a _____ between _____ phone and _____?
 Should I _____ the _____ cell and wi-fi connections?
 Is _____ a need for _____ settings _____ fix _____ wi-fi _____ mobile _____?
 I _____ like _____ know _____ my _____ settings _____ consistent wi-fi and cellular _____.
 Can _____ if there are any changes required _____ good _____ wi-fi?
 _____ you tell _____ if there are _____ that _____ to be _____ for a _____ connection between _____?
 Can I _____ the _____ to _____ issues with mobile _____ wi _____ networks?
 _____ I _____ to _____ changes to my settings _____ and cell _____?
 _____ you _____ me if _____ are _____ adjustments for _____ connection between _____ and _____ services?
 _____ settings _____ to be adjusted for _____ connection _____ between wi-fi _____ data _____.
 _____ are needed to _____ quality between wi-fi and _____ data services

Can you _____ if there are _____ for a _____ cell phone _____?

_____ you _____ me if there are _____ settings _____ wi-fi and _____?

Are phone _____ to _____ networks and _____ services?

Do _____ be specific adjustments made _____ between _____ and wi-fi services?

_____ phone settings that can help _____ the connection between _____ phones.

Do _____ and _____ data require _____ phone _____?

Do you have settings on _____ phones _____ will _____ when _____ a _____?

Are there _____ phone settings _____ will _____ connection between _____?

Should _____ modify _____ spotty _____ and wi-fi _____?

Can you _____ me _____ there are _____ are necessary _____ a better _____ between _____ wi-fi?

Can you tell _____ are _____ needed _____ a good _____ phone and _____.

Do _____ if there are _____ adjustments _____ a better _____ cellular and _____?

_____ certain _____ that will improve the connection _____ the wi _____ and _____?

There are _____ settings that _____ the connection _____ wi _____ and _____ data networks.

Is _____ necessary for certain _____ fix _____ connection _____ wi-fi networks _____ services?

I need to modify settings _____ and mobile _____

Can you _____ there are certain _____ good _____ between cell _____ and _____?

_____ it necessary _____ phone _____ for different network _____ on _____ data?

_____ modify settings to fix issues _____ phone data and _____.

The connection _____ the wi _____ and _____ could _____ improved _____ certain _____.

_____ particular _____ for wi-fi _____ cellular connection quality?

Can you tell _____ there _____ a better _____ between cellular and wi- _____ services?

_____ phone settings that _____ improve the _____ wireless networks _____ cellular _____.

Should _____ my _____ and cellular connections are malfunctioning?

Can you tell _____ are certain _____ needed for _____ better connection _____ cellular _____ wi-fi?

_____ tell me how to _____ settings so _____ I don't _____ issues _____ and cellular _____ services

Can _____ on _____ phone _____ deal with the poor cell _____ wi-fi _____?

With _____ connections between _____ should specific phone _____ adjusted?

Should _____ change _____ settings if _____ cellular _____ wi-fi _____ malfunctioning?

There are _____ adjustments _____ need to _____ a good connection _____ and _____.

There are _____ can _____ improve _____ connection between the cellular _____ fi _____.

There _____ some phone _____ that _____ improve the reliability of _____ connection _____ wireless _____ and _____.

Is _____ the _____ my phone to _____ the poor connection _____ mobile _____ wi-fi networks?

Is _____ for _____ phone settings _____ fix inconsistent wi-fi _____ data _____?

Can you _____ if there _____ specific _____ that need _____ for _____ better connection between _____ wi- _____?

_____ change _____ spotty cell and wi-fi _____.

_____ you _____ me if there _____ adjustments _____ be _____ for a better _____ between _____ and wi- _____?

Do _____ have settings _____ your phone to give _____ use both cellular _____ wi-fi?

_____ specific phone _____ needed _____ wi-fi _____ mobile data _____?

_____ to _____ made _____ inconsistent connection _____ between _____ and wi- fi services?

Can _____ tell me whether _____ are _____ for _____ better connection _____ cellular _____?

I was wondering if _____ could _____ adjust my _____ for _____ between _____ networks and _____.

_____ problem _____ my cellular _____ wi-fi _____ connections, should I _____ the settings?

_____ have phone _____ that will improve the _____ when _____ cell _____ wi- _____?

Is it possible to _____ certain settings _____ to fix the _____ between _____ and _____?

When _____ wi-fi and cell data _____ need to be made _____ phone?

Can you _____ whether there _____ a better _____ quality between _____ and wi- _____?

Am _____ to _____ to fix issues with _____ and _____ data?

_____ are _____ you _____ change in _____ to _____ a consistent _____ between _____ and wi-fi _____.

The _____ connection _____ of _____ networks _____ services _____ warrant _____ modifications _____ phones.

Do _____ and _____ networks _____ phone _____?

If _____ spotty _____ and _____ connections should _____ alter _____?

_____ you tell us _____ are specific _____ connection between cellular and _____ fi?

There are _____ settings _____ can help improve the _____ wi fi _____.

Is specific adjustments _____ inconsistent _____ cellular and wi-fi _____?

Is _____ appropriate _____ phone _____ be adjusted with unreliable _____ and mobile _____?

There _____ some phone _____ help improve _____ connection _____ wi _____ and _____ data _____.

_____ say _____ adjustments are _____ for _____ connection _____ cellular _____ wi-fi services?

_____ me _____ my phone's settings for _____ issues between cellular _____?

_____ to change the _____ my phone _____ the poor connection between _____ and mobile _____?

_____ say _____ there are necessary adjustments _____ connection quality _____ cellular _____ wi- _____?

There are _____ between _____ mobile data so _____ phone _____ be _____?

_____ phone settings are _____ to _____ connection _____ and cellular data services.

Do specific _____ settings _____ be _____ for inconsistent _____ quality between _____ services?

_____ wondering if there _____ need to change due _____ connection _____ between cellular services

_____ there a _____ for _____ phone settings _____ and cellular connection _____?

_____ I _____ ability _____ fix issues _____ wi _____ and mobile phone data?

Can you tell me _____ adjustments _____ a better connection _____ and _____ services?

Can _____ tell me _____ for _____ better connection between _____ fi and cellular?

There _____ phone settings that _____ between wi fi _____ cellular.

_____ I able to _____ settings _____ phones to _____ the _____ of my wireless _____?

Can I _____ settings _____ issues with _____ mobile phones?

_____ I change _____ is a problem with _____ wi-fi _____ connections?

_____ to fix wi-fi networks and data _____?

Can I _____ fix _____ wi- _____ and mobile phone _____?

_____ it possible to change the _____ to _____ the poor _____ between _____ and _____?

I'm wondering if _____ a _____ I _____ to fix _____ with _____ data and wi- _____.

_____ settings _____ enhance _____ connection between _____ fi and cellular _____?

Can _____ me _____ there are specific _____ for a better connection _____ cellular _____?

Do _____ settings help fix _____ connection _____ between _____ and cellular _____?

_____ phone _____ are _____ fix _____ quality between _____ and _____ data services.

_____ settings _____ your phone to improve the _____ when _____ both _____ wi-fi?

Specific _____ needed to _____ inconsistent _____ quality between wi-fi _____ services

_____ phone settings are _____ fix inconsistent _____ between _____ data services.

How can _____ find _____ the _____ settings _____ bad cell reception _____?

There _____ certain _____ settings that _____ improve _____ fi and cellular _____.

_____ I change the settings on _____ phone to _____ connection _____ data networks?

There _____ phone _____ may help improve the connection _____ cellular _____.

Specific _____ be used to _____ inconsistent _____ between wi-fi networks _____ data _____.

There _____ need to _____ to _____ the _____ consistent between _____ cellular

Do _____ a _____ settings that _____ better _____ when _____ use _____ cellular _____ wi- fi?

Specific _____ needed to _____ inconsistent _____ quality _____ wi-fi _____ cellular data.

_____ I change my _____ setting to _____ with unstable _____ delivery _____ wireless _____?

Can you tell me _____ are needed _____ cellular _____ wi- fi services?

_____ you have settings _____ your phone _____ it _____ wi-fi and cellular?

Can you _____ me if _____ changes needed for _____ between _____ and wi-fi _____?

Does the differing _____ quality _____ wi-fi _____ and _____ services warrant _____?

_____ phone settings is needed _____ inconsistent _____ between _____ data services.

There _____ can help _____ the _____ the _____ wireless data networks and cell phone.

_____ connection quality _____ networks and cellular _____ warrant changing the _____?

Can _____ tell _____ for a good _____ between cellular _____ wi-fi services?

_____ you tell me _____ there _____ that need _____ made _____ wi-fi and cellular connection?

_____ using _____ and cell _____ are _____ to the settings on _____ phone?

_____ you _____ me if there are _____ adjustments required _____ a _____ cellular _____ wi-fi _____?

Is there _____ phone settings that will _____ wi _____ and _____?

_____ you tell me if there are certain _____ that are _____ for _____ phone _____?

_____ are certain _____ that _____ help improve the reliability of _____ data networks _____ phone.

_____ there _____ needed to fix _____ between wi-fi _____ mobile data services?

Can _____ say _____ adjustments _____ for a _____ wi-fi and _____ connection?

Can you _____ how to _____ phone's _____ consistent issues _____ cellular and _____?

_____ possible to change the _____ on _____ phone to fix the _____ of _____ and _____?

Is it _____ phone _____ be adjusted _____ unreliable connections _____ mobile data?

Can I modify _____ my phone to fix issues _____?

When _____ switch _____ wi-fi networks _____ cellular data _____ do you have _____ improve _____ connection?

I _____ you could help me adjust _____ phone's settings _____ wi-fi and cellular _____.

_____ you tell me _____ are _____ a better connection between cellular and _____?

_____ you _____ phone settings _____ the experience _____ cell phones _____ wi-fi network?

Can _____ me how to adjust _____ phone's _____ resolve _____ issues between _____ wi-fi services?

Are _____ that need to _____ adjusted for _____ quality between cellular _____?

_____ some _____ that _____ improve the connection between wi _____ and _____.

Is certain _____ needed to _____ cellular _____ wi-fi _____?

_____ specific adjustments that need _____ be made for _____ between _____ wi-fi _____?

Do you _____ settings _____ phone _____ will give _____ using _____ cellular and wi-fi?

Can you _____ are necessary adjustments _____ a _____ connection _____ phone and _____.

_____ there _____ cell _____ wi-fi connections, _____ I change _____?

_____ about _____ phone _____ for poor cell reception and _____ wi-fi.

There _____ certain _____ will help _____ the _____ between _____ wi-fi and _____.

_____ there specific adjustments _____ connection _____ and wi-fi?

Can I _____ settings to _____ issues _____ and _____ fi?

Are _____ help improve _____ connection between _____ networks and _____ data?

Can you tell me how _____ for _____ issues _____ cellular _____ networks?

Certain _____ can help _____ the _____ between _____ and _____ data.

How _____ I _____ out _____ for _____ reception and unreliable wi-fi?

_____ modify _____ to fix _____ with wi-fi _____ phone _____?

_____ there _____ phone settings _____ and _____ quality?

Is it appropriate _____ specific _____ settings _____ be _____ and mobile data?

_____ settings that _____ improve connection reliability between cellular and _____?

I _____ you could help me adjust my _____ settings _____ consistent _____ between wi-fi _____ and _____.

_____ there certain _____ that _____ the reliability of the _____ wireless data networks _____ cell _____?

Can _____ me _____ there _____ necessary adjustments _____ a better _____ between _____ cellular?

Is _____ change the settings _____ my _____ of poor _____ between wi-fi and mobile data _____?

I _____ modify _____ for _____ way my _____ and mobile _____ connected

Should certain _____ settings _____ to address _____ wi-fi connection _____?

_____ was wondering if you could tell _____ to adjust my _____ settings _____ between _____ services.

There _____ phone _____ the connection between the _____ fi and cellular _____.

_____ you tell me _____ are needed _____ a good _____ cell _____ and _____?

Is _____ possible for _____ to modify _____ on my mobile _____ problem _____ wireless networks?

Can _____ settings help improve _____ connection between wireless _____?

Specific phone settings are needed _____ fix _____ connection _____ wi-fi _____

_____ change the settings on _____ to _____ issue _____ poor cell _____ connection to the _____?

Specific phone settings _____ fix _____ networks _____ data services.

_____ phone settings that will _____ between _____ fi and cellular?

Can I _____ on _____ to _____ poor _____ wi-fi connections?

_____ you _____ me if _____ certain _____ required _____ a good _____ between cell _____ wi-fi?

_____ phone settings necessary to fix _____ wi-fi _____ cellular _____?

Can I change _____ settings _____ poor cell phone _____?

_____ it possible _____ settings on my phone _____ the _____ of poor cell _____ connections?

Do _____ have _____ phone that _____ you better cellular _____ fi _____?

_____ there phone settings _____ need _____ for _____ between cellular and wi-fi?

_____ are certain adjustments that must _____ a _____ connection between _____ and _____.

_____ tell me if there _____ any _____ necessary _____ a better _____ between _____ wi- _____?

Is _____ possible _____ certain phone _____ the _____ between _____ wi fi and _____?

There _____ settings that can help _____ connection _____ wireless _____ and _____

_____ me _____ there _____ adjustments necessary for _____ better connection _____ wi-fi and _____?

_____ tell me _____ there _____ any adjustments _____ for a good _____ between _____?

_____ are certain _____ that _____ the reliability _____ connection _____ wireless data networks and cell _____.

_____ know if _____ phone _____ will help _____ the connection _____ wireless networks _____?

_____ have phone settings that will improve _____ on _____ and a _____?

Should _____ be _____ to take account _____ unreliable connections between _____?

I _____ like _____ if _____ are _____ adjustments necessary _____ connection quality between cellular and _____.

_____ I find the correct _____ bad cell _____ unreliable wi-fi?

_____ possible to change _____ settings _____ phone to address the issue _____ between wi-fi _____ mobile _____?

_____ modify settings _____ fix _____ issues with _____ and wi fi

_____ you say _____ specific _____ for _____ better connection between _____ and cellular?

_____ there specific adjustments _____ for _____ connection quality _____ wi- _____?

Should certain phone _____ be _____ to _____ and cellular _____?

_____ you _____ on your phone that will improve _____ both cell _____?

Can I _____ the _____ my _____ the problem of poor _____ connections?

Are there _____ phone settings _____ fix _____ and _____ data _____?

The _____ cell _____ connection between _____ and _____ phone _____ be _____ changing certain settings.

Specific _____ needed _____ connection _____ in wi-fi _____ and cellular data services.

_____ there phone settings that help improve _____ connection between _____?

Is there _____ specific _____ needed for poor connection _____ wi-fi _____?

Specific phone _____ inconsistent wi-fi networks and _____?

_____ if _____ any _____ necessary for a good _____ between _____ and cellular?
