

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Issues with car electrical system
Inquiry Sub-Category	Battery problems
Description	Customers may contact regarding issues like a dead battery, difficulty starting the car, or frequent battery replacements.
Data Size	10,028 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

_____ an issue with the _____ that _____ draining _____ from _____ battery?

I want _____ wire _____ causing a _____ my vehicle's _____ power.

_____ wiring a _____ the battery _____?

_____ it _____ that _____ issues _____ be _____ to drained _____ in the _____?

Can a problem _____ the _____ battery?

_____ wonder _____ it's _____ fault that's _____ my car's _____ supply.

Is the _____ energy _____ in _____ due _____ faulty wiring _____?

_____ problem with _____ wiring that _____ power to go away _____ the _____?

_____ energy _____ be sucked out _____

Is _____ an issue _____ deplete _____?

Problems with _____ deplete _____.

_____ battery _____ could be caused by malfunctioning wiring.

Would _____ be _____ for _____ issues to _____ electricity within _____ batteries?

_____ wiring take the _____?

Is _____ battery's power _____ to _____?

Is _____ power drain down _____ problem?

_____ with _____ cause my car to _____ its battery?

_____ unwarranted energy loss _____ battery _____ from _____ wiring connections?

_____ the power draining from _____ of a _____?

Is _____ an issue _____ might be draining _____ my battery?

_____ possible _____ issues _____ account _____ the drained _____ within the batteries?

_____ could _____ affecting the _____ in the _____

_____ issues _____ be _____ battery?

_____ possible that _____ issue draining the _____ is _____?

Is _____ possible that _____ wirings _____ draining _____ your _____ batteries?

There may _____ issue in the _____ wiring _____ my _____ lose charge.

The _____ loss _____ be _____ by the _____.

Is it _____ that _____ wiring causes _____ battery _____?

Is it _____ that insufficient wiring may _____ batteries _____ too _____?

Can an _____ in _____ be a _____ faulty wiring?

Is _____ the _____ of the power drain _____ the _____?

Problems _____ battery

Maybe wire issue is _____.

Maybe the _____ drain _____ the battery _____ due to _____.

_____ that _____ excessive draining _____ power from your car batteries?

_____ wire _____ may _____ out the _____ energy.

Maybe _____ wiring problem _____ related _____ my _____ losing _____.

_____ it _____ that a _____ with _____ wiring _____ power drainage _____ battery?

Do you _____ wiring _____?

_____ possible _____ electrical _____ is responsible for _____ from the _____.

_____ wiring _____ result in a power _____ for the battery?

_____ my _____ be dry from _____?

_____ it possible _____ malfunctioning wires _____ energy loss _____ vehicle's _____ source?

_____ excessive draining of _____ your _____ because of inadequate _____?

Is the _____ because _____ wiring?

_____ it possible that _____ the electrical _____ is causing _____ battery _____?

wires _____ a battery.

The battery _____ suffer power _____ to _____.

Is _____ dry _____ of bad _____?

Is _____ malfunction to blame for the _____ battery _____?

_____ you _____ any chance of _____ draining my car's _____?

_____ be _____ issues _____ account for drained electricity in _____ batteries.

Is it possible _____ the _____ the battery _____?

Is _____ wiring _____ draining the _____?

Is the _____ drain _____ faulty _____?

Possibly _____ issue _____ out battery _____?

_____ possibly draining _____

I wonder _____ sucking _____ battery life that I have _____.

Is _____ battery _____ draining _____ of _____?

Is _____ a _____ wire _____ are _____ the battery?

The _____ draining _____ life.

_____ the wiring has an effect on _____.

Bad _____ an _____ on _____ energy.

_____ is an _____ with _____ wiring _____ from the _____.

_____ can cause _____ drain.

The battery _____ drained _____ issue.

_____ energy possibly sucked out _____?

Is it _____ the power _____ draining from my _____ the _____?

The wiring _____ the battery _____ a _____.

_____ an issue _____ the wiring _____ power _____ the _____?

Is _____ that wire issues _____ my vehicle's _____ power?

_____ of _____ battery due to faulty wiring connections?

Is the _____ for _____ to improper wiring?

Does the _____ battery?

Could it be _____ wiring taking _____?

_____ problem _____ wiring _____ be to blame for _____ battery _____.

Is an issue in _____ the _____ of my _____?

Can the wires _____ the _____ out of _____?

Is it _____ that faulty _____ is _____ the _____ battery?

_____ could take _____ battery _____.

_____ wires?

The battery _____ by _____ wiring.

I wonder if _____ wires _____ taking _____ battery _____ have left.

_____ a _____ issue _____ battery power _____?

_____ the power _____ due _____ problem?

_____ wires _____ out battery _____.

There is a possibility _____ power _____ in _____ is _____ wiring _____.

Is _____ power _____ out because of _____?

A _____ issue _____ draining _____.

Bad _____ could _____ be _____ energy.

Is it _____ that _____ is _____ the drain _____ my _____?

Can the _____ draining _____ life?

_____ the _____ draining _____ life?

Is _____ possible for _____ wire-related _____ cause _____ power _____?

_____ we _____ a _____ wiring problem?

_____ think _____ energy from my car battery is _____?

faulty _____ battery

_____ wiring affect battery _____?

Is it _____ the _____ is making _____ weak?

_____ might be possible _____ issues _____ for drained _____ in _____ batteries of _____.

_____ possible _____ can cause _____ draining _____ power from your car's _____?

Do _____ think _____ chance _____ faulty _____ draining _____ from my _____?

There is _____ that _____ troubles are _____ a _____ battery power.

Is _____ with wires _____ battery?

_____ wiring _____ draining _____ from _____ battery.

Any _____ that the wiring _____ loss?

_____ possible that _____ wiring issue _____ the _____.

_____ problems _____ draining a _____?

Is the _____ loss due _____?

It _____ possible _____ there is a concern _____ wiring drawing _____.

_____ a negative effect on _____ battery?

_____ a _____ issue _____ out battery _____?

_____ power _____ caused _____ wiring for _____ battery?

Is the battery _____ related _____?

_____ discharge _____ used energy storage source could _____ due _____ faulty _____.

It's _____ issues to account for drained electricity _____.

Do _____ have _____ problem _____ wiring taking _____ battery?

I _____ wires were sucking out the _____.

Could _____ wiring _____ the _____?

Is the _____ drain?

_____ power from _____ may be affected _____ wiring.

The _____ of _____ energy storage _____ caused _____ faulty wires.

Is _____ possible _____ inadequate _____ draining _____ power from your _____?

_____ battery problem _____ to _____ wiring?

_____ that _____ causes power loss for _____ battery?

_____ draining _____ battery possible because of _____?

_____ loss _____ the battery _____ be caused _____ faulty _____.

_____ possible _____ the wiring in the _____ is _____?

_____ believe _____ faulty wiring _____ energy from _____ battery _____ a possibility?

Is the _____ charge _____ faulty _____?

____ is ____ the wiring ____ killing my car's ____ supply.
 ____ possible ____ a problem ____ wiring is responsible ____ battery power.
 Can ____ drain ____ car's battery?
 The ____ battery is ____ the wiring.
 ____ be affecting ____ battery power?
 ____ wiring ____ causing ____ drain?
 ____ the problem with the wires ____ the ____ battery?
 Is ____ of ____ up energy storage source due ____ faulty wires?
 ____ there ____ that's draining the power from ____ battery?
 I want ____ know ____ the ____ is ____ life.
 ____ there ____ with ____ the battery?
 Is the drain ____ battery ____ wiring?
 ____ a faulty wiring ____ battery ____?
 ____ power draining ____ my battery ____ to the ____?
 Issues ____ could be ____ battery.
 ____ could be ____ issue with the ____.
 Is ____ problem with ____ wiring?
 ____ about wires that ____?
 ____ it ____ the ____ is ____ the ____ drain from my ____?
 ____ wonder if ____ is ____ excessive ____ my battery?
 The ____ is being ____ by the wiring ____.
 ____ the battery?
 ____ the power ____ occurring ____ of a ____?
 Was ____ a wiring ____ battery?
 Bad ____ draining ____ energy.
 Is ____ wire related issue the ____ for ____?
 The ____ issue ____ the battery.
 Is excessive ____ of ____ your ____ batteries a result ____?
 The ____ drain ____ by a wiring ____.
 Is ____ with the ____ battery ____ by the wiring?
 Does ____ work ____ my ____ power?
 Is ____ that faulty ____ to drain too much?
 Is my ____ juice ____ bad ____?
 ____ wire ____ cause battery power ____?
 Is ____ possible that ____ wirings cause ____ drain?
 ____ be ____ for ____ to account ____ drained electricity within vehicles' ____.
 ____ a chance ____ improper ____ causing power ____ for ____ battery?
 ____ losing power because of ____ wiring.
 Does ____ wiring ____ drain ____?
 ____ problem ____ wire draining batteries.
 ____ a chance ____ a ____ issue ____ battery ____ drainage.
 ____ drain could ____ caused by ____ wiring ____.
 Is there ____ wires ____ the ____.
 ____ wires be draining the ____ I ____?
 ____ with ____ power from the ____.
 ____ wire issue ____ battery power ____?
 ____ battery is a ____?
 ____ the wiring ____ from ____ battery?
 ____ the ____ draining because ____?
 ____ electrical malfunction be ____ blame ____ draining power ____ the ____?

_____ battery may be _____ because _____ the _____.

Is it _____ is _____ with _____ wiring _____ the batteries?

_____ a possibility of _____ causing the battery power _____.

There _____ a _____ that may _____ dead batteries.

Are you certain _____ the _____ issue is _____?

_____ with wiring connections can lead _____ an _____ the _____.

Is the _____ drain due _____?

Is _____ affected _____ malfunctioning wiring?

The _____ the _____ might _____ affected by _____ wiring.

_____ is a chance that wire _____ a drain on _____.

Could weak wires _____ blame _____ discharge _____ your used-up _____ source?

Is _____ an _____ the _____ that's causing the _____ to _____ charge?

_____ crappy _____ with the _____ life _____ have left?

What _____ diminishing _____?

_____ be a _____ that causes the _____ drain _____ the _____.

_____ wires might _____ out _____ energy.

Does _____ have an effect _____ batteries _____ level?

Why _____ taking power _____ battery?

_____ it _____ that _____ wiring _____ in _____ drain _____ my battery?

_____ battery charge _____ affected by _____.

_____ sucking _____ energy

Is the electrical system _____ could _____?

_____ problem draining the _____?

Are _____ chances of _____ battery _____ to faulty _____?

Maybe _____ wiring _____ is _____ my _____ losing charge.

Will _____ battery _____ dry _____ wiring?

_____ wiring _____ taking power from _____.

_____ the discharge of _____ energy _____ by _____ or faulty wires?

_____ there a _____ problem _____ battery?

The battery _____ be _____ faulty _____.

_____ it possible that insufficient _____ excessive draining _____ power _____ batteries?

Should _____ be _____ battery _____ due to a _____?

_____ bad _____ interfering _____ the battery _____ I _____ left?

_____ it be likely _____ wire issues to _____ electricity _____ the _____?

_____ a problem that the wiring _____ battery?

Do _____ if _____ is a wire _____ draining my _____?

Is it _____ that an _____ malfunction _____ to blame _____?

_____ wiring _____ drain?

_____ wiring _____ and _____ the _____ drain?

_____ possible _____ causes excessive _____ on my battery?

_____ the wiring cause the _____?

There _____ a wiring glitch _____ could _____ batteries.

Can _____ be taking _____ the battery _____ have?

_____ wiring _____ blame for _____ loss?

_____ an issue _____ the wirings _____ battery?

Can _____ wiring _____ energy?

_____ wiring _____ be causing _____ battery _____ lose _____

_____ to know if _____ troubles are _____ battery power.

_____ wiring _____ with _____ charge?

Is there _____ the _____ that _____ power draw from the _____?

_____ power drain _____ battery _____ caused by wiring.

_____ drawing power from _____ battery _____ worry?

The battery drain _____ due _____ a _____ the _____.

_____ there a wire _____ my _____?

Is it _____ that _____ cause _____ car's batteries to _____?

_____ battery _____ have _____ issue _____ it's _____.

_____ the _____ the battery?

Will poor _____ my _____?

_____ you think there is _____ wiring _____ battery energy?

Could faulty _____ be to _____ the discharge _____ used-up energy _____ source?

_____ a problem with _____ out of the battery.

Is a _____ draining _____ btry _____?

_____ is a _____ of _____ battery if _____ wiring _____.

Battery power may _____ draining _____ to _____ wiring.

_____ could be _____ issues _____.

_____ battery _____ be _____ due to _____ issue.

_____ be draining due to _____ problem _____ the electrical _____.

Is _____ about _____ drawing power _____ the battery?

I'm _____ if _____ with the _____ draining _____ my battery.

_____ possible faulty _____ drain _____ battery.

There's _____ that _____ wiring is _____ loss.

_____ could be draining _____

_____ it _____ that the _____ are _____ drain on the _____?

Possible _____ issues _____?

_____ wonder if _____ in the electrical wiring that's _____ to lose _____.

Is there _____ issue _____ the electrical wiring _____ the _____ lose _____?

_____ there _____ that the wires _____ causing power _____?

_____ battery _____ faulty wiring declaration?

_____ a wiring _____ draining the _____?

faulty wiring _____ can cause _____ loss _____.

Wire issues may _____.

Is _____ possible that _____ is causing excessive drain _____?

_____ it _____ a _____ issue _____ causing _____ power drainage?

Is _____ an _____ energy _____ the battery _____ faulty wiring _____?

_____ it possible _____ problem _____ draining batteries?

_____ it _____ faulty wiring is _____ unnecessary drain on _____?

Is it _____ that _____ issue _____ the _____?

There may _____ the _____ may be _____ power off my _____.

There is _____ possibility _____ power drainage _____ by a wire _____.

Is _____ the _____ for the battery power _____?

_____ excess _____ loss from your _____ source caused by _____?

Is the _____ draining _____?

_____ drain _____ be due to _____ wiring _____.

_____ wonder if there _____ a _____ with the _____ that is _____ from _____.

_____ draining because of _____ wiring _____?

Is _____ power draining from my _____ of _____?

_____ with _____ blame for the battery's power loss.

_____ wiring _____ power _____ the battery _____ of concern?

A _____ the _____ be to blame _____ the battery's _____.

Is my _____ by a problem _____ the _____?

____ battery may be ____ due ____ a _____.
 ____ wiring ____ the battery possible?
 faulty ____ connections can ____ an ____ loss ____ battery
 Is an ____ with the ____ of ____ power loss?
 There ____ a ____ draining power ____ battery
 Is a problem ____ the wiring ____ battery is ____?
 ____ the wiring be causing the ____ my ____?
 Is ____ a wire ____ causing ____ battery power drainage?
 Is a wiring ____ blame for ____?
 Will ____ the battery?
 Is ____ wire issues ____ account ____ drained electricity ____ batteries?
 ____ wires ____ possibly be ____ the ____.
 There ____ a ____ a ____ in ____ wiring draining ____ power.
 ____ the ____ wiring issue?
 Wire issues ____ the ____?
 The ____ can ____ due ____ wiring connections.
 Are there ____ power-draining wiring?
 Possibly ____ sucking out ____ energy.
 Is it ____ the ____ is ____?
 Is an ____ malfunction ____ for ____ the ____?
 ____ bad wiring ____ battery?
 I ____ that wiring ____ could be killing my _____.
 Is there ____ wiring that ____ power drainage ____ the battery?
 ____ is a ____ a ____ in ____ wiring ____ draining ____ power.
 ____ possible wiring ____ is what causes ____ in the ____.
 Perhaps a wire ____ battery ____.
 Is ____ battery ____ to ____ wiring?
 Is ____ battery faulty?
 Is ____ wiring is ____ the ____ to drain?
 ____ it possible ____ malfunctioning wiring ____ excessive energy ____ battery source?
 ____ the ____ for ____ battery power?
 Maybe ____ sucking out ____?
 ____ is possible that an ____ malfunction ____ cause ____ battery _____.
 There ____ an issue with _____.
 ____ the ____ messing ____ my battery ____?
 Is it possible ____ crappy wires ____ all the ____ left?
 Is ____ possible that ____ car's batteries ____ drain too much?
 I ____ wondering ____ an ____ with ____ electrical wiring ____ my battery ____ losing _____.
 Bad ____ bad ____ the battery.
 There ____ any issues ____ draining ____?
 ____ wiring ____ drain _____.
 ____ it possible ____ the battery ____?
 ____ possible that ____ is draining the ____ life?
 ____ issues be ____ the ____?
 ____ issue in the electrical ____ be ____ reason for ____ charging?
 ____ wonder ____ faulty wiring is ____ on my _____.
 ____ faulty ____ could cause a _____.
 Do ____ that faulty ____ draining ____ from my car's ____ is ____?
 ____ wiring ____ with battery _____.
 ____ the wiring draining ____?

Is _____ for wire issues to _____ for _____ electricity _____.

wiring _____ battery?

_____ wires _____ battery?

_____ faulty _____ declaration cause _____ battery _____?

_____ for _____ battery _____ be _____ by improper wiring.

Is there _____ wiring that _____ the _____?

There could _____ an electrical malfunction _____ the power _____.

_____ it possible that _____ electrical malfunction is _____ draining _____ the _____.

Is _____ flawed _____ drain?

Should _____ be due to faulty _____?

_____ the wires that _____ the unneeded power _____ the battery.

_____ wiring _____ battery charge?

_____ wires be _____ the _____ life that _____ left?

Is there a problem _____ the _____ power?

There is a _____ that _____ a _____ on the _____.

_____ the wiring is draining _____?

Does the _____ have an effect _____ power _____?

_____ it conceivable that _____ draining battery _____?

Is _____ creates excessive energy _____ your vehicle's battery source?

A _____ with the _____ be _____ blame _____ the draining of _____.

Is it possible that _____ causing excessive _____ on _____?

Is _____ wiring _____ batteries _____?

_____ wiring _____ deplete battery _____.

Does the wiring _____ an effect _____ battery?

Perhaps _____ wire _____ sucking _____ energy.

Was there _____ issue _____ the wirings _____ battery?

Is the _____ power from _____ by inadequate wirings?

_____ it _____ that _____ a problem with _____ that _____ drainage _____ the battery?

I _____ if _____ wires are sucking _____ battery life _____.

Is an _____ to blame for _____ power?

_____ from my _____ may _____ caused by the _____.

Is _____ an _____ the electrical system that _____ to _____?

_____ the power drain _____ because _____ wiring _____?

_____ be draining _____ life

_____ wiring _____ affect the _____ from _____ battery?

Is it possible _____ a _____ connection _____ causing _____ drain.

_____ there an issue with the _____ wiring _____ my _____?

It's possible that _____ is _____ the battery.

Bad _____ cause _____ to drain.

Is the _____ the _____ being _____ faulty wiring?

There is _____ chance that _____ loss is caused _____.

Power _____ for _____ is _____ of improper wiring.

Is the _____ the battery being _____ wiring?

_____ possible that _____ is causing the drain _____ battery?

_____ with _____ wirings _____ the _____ out of the batteries?

_____ issues _____ be _____ batteries.

Is _____ with wires _____ depletes _____ battery?

It _____ be possible that _____ battery life.

_____ the _____ the _____ due to the faulty _____ connections?

_____ the issue _____ the _____ the cause of _____ loss?

Is ____ likely for ____ to account ____ drained ____ in ____ vehicles' ____?

Is ____ power ____ wiring issue?

____ draining ____ because ____ wiring issue?

Is the ____ bad ____?

____ have ____ question about ____ battery.

Is ____ likely ____ faulty ____ causes ____ on my ____?

____ is ____ chance ____ a ____ by faulty wiring.

It's ____ issue ____ battery energy.

____ the ____ the battery?

____ an ____ energy loss in ____ battery ____ to faulty ____?

battery ____ might be ____ faulty ____.

Do ____ is any ____ of ____ wiring draining the energy ____ battery?

Is ____ with the wiring ____ is ____ from the ____?

____ with ____ are ____ the ____.

A power ____ from ____ battery ____ caused ____ the ____ irregular.

The ____ may ____ because of ____ declaration.

Bad ____ cause batteries ____ run ____.

____ likely that ____ wiring is ____ battery?

Is ____ problem with ____ taking ____ battery?

____ battery ____ be coming ____ the faulty wiring.

____ an ____ in the ____ wiring can explain why ____ is ____ charge.

You think the ____ are ____ that ____ battery?

____ there an issue ____ the wiring ____ cause ____ depletion?

Is my battery going ____ be ____ wiring?

Is it ____ that ____ cause your ____ to drain ____?

____ energy loss from ____ vehicle's ____ be ____ of malfunctioning wiring.

Bad ____ for the battery.

Will bad ____ my ____?

Do the ____ cause ____?

____ the ____ problem ____ the battery ____ ride?

____ faulty ____ affect the ____?

There ____ an issue with ____ wirings draining power off ____.

The wiring draw power ____ battery ____ concern.

Is ____ wiring ____ that ____ causing ____ battery ____?

Might an electrical ____ be ____ the draining ____ power ____ battery?

Is ____ a wire issue causing ____ draining?

faulty wiring connections ____ to an unwarranted ____ in ____.

____ the ____ the wiring causing the ____?

____ it ____ improper ____ in power loss for the ____?

____ any ____ with ____ draining battery?

____ there a ____ is causing ____ loss?

Is there a problem ____ connection ____ causes ____?

____ deplete the ____?

____ chance that ____ drained due to ____ wiring?

There is a ____ the ____ sucking ____ out ____ the ____.

Is ____ issue ____ wires ____ battery?

____ wonder ____ are causing ____ drain ____ the battery power.

There ____ issue with ____ that explains ____ my ____ is losing charge.

Is ____ that ____ leads to ____ much ____ my battery?

____ loss ____ due ____ issue?

_____ possible that _____ wiring _____ power loss.
 _____ it _____ that crappy wires _____ out _____ battery _____?
 Does anyone _____ wire draining _____?
 _____ possible _____ the wiring problems _____ the battery?
 _____ the _____ the battery juice _____ my ride?
 The battery power _____ a problem with _____.
 It would _____ possible _____ issues _____ account for _____ drained _____ in _____.
 The battery _____ be _____ the wiring.
 The battery _____ might _____ by a faulty _____.
 The _____ are draining _____.
 _____ wiring _____ draining power _____ the _____.
 _____ the power from _____ the wiring?
 There might _____ an issue with _____ the battery.
 Does the _____ drain power _____?
 Is _____ faulty _____ battery?
 Maybe a _____ problem _____ battery to _____ charge.
 _____ battery might _____ have enough power _____ issue with _____.
 Bad _____ draining _____ energy
 _____ there a _____ causing _____ battery to _____ charge?
 _____ are _____ power _____ the battery.
 _____ there _____ chance of _____ wiring draining energy from _____ car?
 _____ issues _____ drain _____ battery.
 The _____ could be _____ the wiring issue.
 _____ that an electrical _____ could _____ the battery to _____?
 battery _____ might be caused _____.
 _____ have _____ wiring problem that is _____ the power _____.
 Could faulty _____ the _____?
 Is there _____ wiring problem _____ my _____ charge.
 Does faulty _____ on _____ charge?
 Could _____ battery drain?
 _____ there _____ with _____ draining the _____?
 Is _____ an issue _____ depleteing _____?
 Could _____ the electrical _____ cause _____ to lose charge?
 Is _____ my battery _____?
 Bad wiring _____ drain battery _____.
 _____ the wiring could be _____ draining _____ power.
 Is _____ an _____ with _____ electrical wiring that could _____ battery _____ charge?
 _____ may drain _____
 _____ draining due _____ the _____ problem.
 _____ it possible _____ wire troubles _____ drain on _____ battery power?
 Is it possible _____ the _____ making my _____?
 _____ bad _____ taking _____ the battery _____ I have _____?
 Is _____ power _____ the wiring?
 Maybe _____ wiring _____ battery lose charge?
 Problems with _____ draining _____?
 _____ could be _____ issue with _____ draining power from _____ battery.
 Is _____ wire _____ is _____ my btry pwr?
 Maybe _____ is a wiring _____ that is causing _____.
 Is _____ that the wiring is _____ my battery?
 Bad wiring _____ be _____ of _____ power _____.

Is the _____ draining _____?

_____ might _____ a _____ issue draining my _____.

_____ the _____ problem draining _____?

_____ the wiring take _____ battery?

The _____ of battery power could _____ caused _____ problem _____.

The battery _____ not _____ power _____ an issue _____ the _____

Could weak or _____ be to _____ for the _____ your _____ source?

_____ wiring _____ draining battery _____.

Do you _____ the _____ that _____ my battery?

Is _____ battery going _____ because _____?

_____ lead to unwarranted _____ loss in _____ battery.

_____ may be _____ with the wiring, _____ power _____ the _____.

Is _____ faulty _____ is causing excessive _____ on my _____?

_____ faulty _____ draining _____ car's battery is the case?

_____ wiring have _____ impact on the _____ of _____?

_____ possible _____ a _____ wiring causes the _____ to drain?

Is the electrical _____ to _____?

_____ a _____ problem in the _____ could _____ battery power.

_____ it a problem with the _____ that _____?

_____ power _____ out due to a _____ with _____?

_____ issue _____ taking out _____ battery energy.

Are _____ a _____ wirings _____ life out of _____ battery?

_____ be taking _____ from the _____.

Problematic _____ loss from your vehicle's battery _____.

There's _____ chance _____ wire _____ draining _____ battery power.

_____ may draining _____?

Is there _____ issue _____ the _____ wiring _____ causing _____ battery _____ stop _____?

_____ wiring _____ draining power _____ batteries.

_____ bad for batteries?

There _____ be _____ wire-related issue _____ drainage.

_____ drained battery _____ to _____ wiring.

_____ the battery charge

_____ power _____ battery due to a problem _____ wires?

A _____ could be _____ blame for draining _____.

_____ it _____ the _____ to _____ power due _____ improper wiring?

Bad _____ could _____ power.

Could faulty _____ be _____ power from _____?

_____ be trouble with wire _____?

_____ the wires be _____ life _____ from me?

_____ it _____ that the _____ draining battery is _____?

_____ bad _____ all the battery life _____?

Does _____ a _____ in the _____ charge?

Could _____ wiring be _____ battery?

_____ wire _____ battery _____ a _____.

_____ bad _____ take _____ battery life I _____?

_____ wiring _____ reduce _____ energy.

Can improper wiring lead to _____?

It _____ be _____ wire _____ to _____ drained electricity _____ batteries.

Possibly _____ battery.

Can _____ wiring issue _____?

_____ that _____ is causing _____ power _____.

_____ wire issue _____ out _____ energy?

Power loss for _____ is possible _____ wiring.

A problem _____ the _____ be _____ reason _____ battery power.

_____ may have _____ the _____ drain.

Are there _____ possibilities _____ issue causing _____ power _____?

_____ problem _____ deplete battery?

What _____ the wire _____?

I wonder if _____ an _____ with _____ that is draining power _____.

Was _____ charge _____ by _____ wiring?

Is _____ system _____ for battery drain?

Is _____ wiring responsible for _____?

_____ be _____ reason for _____ battery draining?

Is _____ that the problem with _____ causing power _____ the _____?

There could _____ with _____ cause _____ battery to draw _____ power.

_____ issue in _____ electrical _____ be _____ cause _____ my _____ not charging?

Is _____ electrical _____ responsible for _____ the _____ from _____?

_____ dealing _____ a power-draining _____ issue

_____ that the _____ issue is _____ out battery _____.

_____ it _____ the _____ power loss?

_____ is a _____ that the _____ a _____ on my battery _____.

_____ power _____ on the _____ may _____ to a wiring _____.

_____ possible _____ the wiring is causing issues _____?

_____ bad _____ affect my _____?

Wire _____ to _____ the battery.

_____ discharge of your _____ energy storage _____ due _____ weakened wires.

The _____ power _____ be _____ the wiring.

I wonder _____ the _____ sucking out _____ battery _____ got _____.

_____ discharge of your _____ energy storage _____ be caused _____ weak _____.

Is _____ an _____ energy _____ in the battery from _____?

Bad wiring _____ loss.

Is the _____ loss for _____ of improper _____?

_____ due _____ a wiring issue.

Is _____ possibility _____ wires _____ power drainage?

There is a chance _____ will _____ drained _____ to _____.

I'm _____ if _____ wiring _____ killing _____ car's _____ supply.

_____ the chance _____ drained battery due _____?

_____ you think _____ a problem _____ sucking _____ out of _____ battery?

Maybe the wire _____ out _____?

I want to _____ if _____ is _____ my car's _____.

What if _____ is draining _____?

Is the _____ my _____?

Is _____ wiring _____ possible?

_____ is _____ that the battery _____ to faulty wiring.

I _____ due to a wiring problem.

An issue with the _____ blame for _____ power _____.

_____ issue _____ draining power _____ the battery?

_____ about wire _____ the _____?

Maybe _____ battery _____ charge is caused by _____?

The power drain _____ might _____ caused _____ a _____ issue.

The _____ be draining _____.
 _____ the _____ have _____ effect _____ the _____?
 _____ with the wiring that causes _____ power _____?
 _____ is a _____ that the wire _____ the battery _____.
 There is _____ chance _____ are causing a drain _____ vehicle's _____.
 Problems with _____ may _____.
 _____ is a _____ of _____ problem with the _____ battery _____.
 _____ bad wires _____ taking _____ all the battery _____ have _____?
 There could be an _____ with _____ of _____.
 _____ think there is a _____ faulty _____ energy _____ my car's _____?
 _____ wonder if _____ wires _____ sucking out _____ the battery life _____.
 _____ it possible _____ the wires _____ the _____ unnecessary _____?
 There _____ a possibility that _____ wiring is _____ for draining _____.
 _____ wiring result in _____ power _____ the battery?
 Is there a _____ that could be _____ power?
 _____ if there is a _____ to my _____ losing charge.
 _____ the battery energy.
 _____ an _____ with the _____ be _____ blame _____ the battery's _____?
 Any _____ drained _____ of faulty _____?
 _____ problem _____ the _____ that can _____ my car's battery?
 _____ wiring problem _____ contributing _____ the battery losing _____?
 Is _____ that _____ battery?
 The wire _____ the _____.
 _____ the power _____ battery affected by _____?
 Is the _____ battery feasible?
 _____ wiring _____ power from the _____?
 Bad wiring _____ battery _____.
 _____ faulty _____ or _____ wires _____ your _____ energy storage source _____ discharge?
 _____ the _____ wiring taking _____ from _____?
 The _____ be _____ by a _____ with wiring.
 _____ effect on power loss from batteries?
 _____ is _____ issue _____ wirings that could _____ draining _____ my battery.
 _____ faulty and that _____ battery _____?
 _____ the cause of _____ drain?
 _____ problem _____ the wires _____ battery?
 Is _____ that _____ could cause your _____ up energy _____ source to _____?
 _____ it likely _____ to account for _____ within the _____?
 _____ that the _____ are _____ life out _____ the _____?
 _____ possible that the _____ draining _____ battery life?
 _____ would like to know _____ there is _____ to my _____ losing _____.
 _____ it possible for _____ to account for drained _____ of _____?
 How _____ the _____ take power _____?
 _____ that _____ is causing the power _____ my battery?
 _____ issues _____ draining battery
 _____ trouble with wire draining the _____?
 _____ it _____ that _____ malfunction is to _____ draining the _____ power?
 Can _____ problem _____ the wires _____ problem _____ the _____?
 _____ the energy _____ in _____ battery _____ by faulty _____?
 _____ problem with _____ draining battery?
 _____ it be that the _____ takes power _____?

____ you think ____ draining energy ____ car's battery ____ thing?
 ____ there ____ issue with ____ is causing the ____ run out ____ power?
 Are excessive ____ battery due to ____?
 Bad ____ harm ____ battery.
 ____ there a problem ____ wires ____ could cause the battery ____ ____?
 ____ is ____ possibility ____ drained battery.
 Is the unwarranted ____ loss ____ battery ____ wiring?
 ____ you tell me ____ is ____ wire issue ____ my ____?
 ____ is taking ____ from ____ battery
 I am wondering if the ____ causing power ____.
 Power draining ____ battery may ____ result of ____ malfunction.
 A battery drain ____ caused ____.
 Can an electrical ____ battery ____?
 There's ____ the wirings are ____ draining ____ from my ____.
 Can an energy loss in ____ faulty wiring ____?
 Is ____ draining ____ from ____ car's batteries ____ inadequate wiring?
 Bad ____ could ____ battery energy.
 Does ____ a ____ charge?
 Is the ____ due to ____?
 ____ wiring is a ____ of ____.
 Wire issue might ____ sucking ____.
 ____ discharge ____ your vehicle's used-up ____ storage ____ caused ____ weak wires.
 ____ with ____ deplete ____
 ____ is ____ possibility of draining ____.
 Is the ____ affecting ____?
 The power ____ in ____ battery ____ a wiring problem.
 ____ battery draining wire ____?
 ____ have trouble ____ wire draining ____?
 ____ wires be taking ____ the ____ life ____ left?
 Is it ____ that ____ affects ____?
 ____ wonder ____ is a problem with the ____ causes ____ power ____ from the ____.
 ____ battery drain ____ be due ____ problem.
 ____ your ____ power because ____ inadequate wiring?
 ____ battery ____ charge ____ of ____ issue with ____ wiring.
 ____ bad ____ be ____ away ____ the battery ____?
 ____ don't know ____ the wires ____ out my ____.
 Is it possible for ____ to account ____ in ____?
 ____ possible for wire ____ to account ____ drained ____ in ____ batteries.
 Is ____ possible that malfunctioning wiring could ____ from ____?
 Is faulty ____ with ____ battery ____?
 ____ wiring issue ____ battery ____?
 ____ wiring ____ the ____ of ____ power?
 ____ there ____ an issue ____ the wirings ____ off ____ battery?
 Was ____ a problem ____ wirings sucking ____ out of ____?
 Maybe the ____ drain ____ caused ____ the wiring?
 faulty ____ connections ____ in ____ energy loss ____ the battery.
 ____ a ____ problem ____ battery.
 ____ there a ____ with ____ that causes ____ to draw unnecessary ____?
 battery power ____ may ____ caused ____ issue.
 Do you ____ faulty ____ could ____ battery to ____ out?

Is there a wiring problem _____ to lose _____?
