

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|--|
| Company Type | Auto Repair and Maintenance Shops |
| Inquiry Category | Brake pedal feels soft or spongy |
| Inquiry Sub-Category | Brake fluid leakage |
| Description | Customers are concerned about fluid leaks as this can lead to a spongy brake pedal feel. This inquiry typically involves checking for signs of fluid leaks, such as drips or puddles under the vehicle, and identifying the source to determine the necessary repairs. |
| Data Size | 5,019 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)
