

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	CCTV camera installation
Inquiry Sub-Category	Mobile access and remote monitoring
Description	Customers are interested in accessing their CCTV camera feeds remotely through their mobile devices and require information on compatible apps and setup instructions.
Data Size	5,201 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)

____ many devices can ____ simultaneously to access ____ surveillance via ____ ?
____ it ____ use ____ app ____ parallel to ____ real-time ____ on multiple devices?
____ is ____ limit on ____ many gadgets can concurrently ____ live ____ data ____ .
____ it possible ____ have many ____ monitored things ____ same time?
____ equipment can you ____ at ____ monitor ____ your platform?
____ there enough connected gadgets to ____ the ____ you ____ ?
Can the ____ you ____ be used ____ multiple devices ____ ?
Do ____ it's possible ____ gadgets so that ____ use ____ monitoring?
____ it possible to connect multiple devices ____ your ____ ?
Are ____ more ____ one device ____ can ____ at ____ same time to ____ live-surveillance ____ app?
Is it possible ____ connect ____ devices ____ live ____ while ____ the ____ ?
Do you think ____ that can connect ____ live monitoring ____ the ____ ?
____ could be connected ____ the ____ time to ____ access ____ survei
How ____ gadgets are available ____ spy ____ that ____ link ____ suggested ____ ?
Does ____ application allow multiple device connections ____ view ____ ?
Is ____ possible ____ to connect ____ video access?
____ devices ____ connected ____ once to gain ____ real-time video
____ it possible for ____ users to ____ your ____ app ____ parallel to ____ ?
____ your app allow for ____ devices ____ communicate at ____ live-surveillance?
Is ____ possible to view live ____ with ____ at ____ same time?
Do ____ believe ____ is a way ____ connect many ____ use ____ applications?
____ with live video through your suggested ____ ?
____ your application support ____ of many ____ ?
____ could be ____ of connected devices ____ use your recommended application ____ access real-time ____ .
Do you think that ____ a way to ____ gadgets ____ monitoring ____ ?
How ____ can be ____ in ____ to ____ live ____ ?
____ think it's ____ connect many ____ use live monitoring via ____ ?
Can ____ simultaneous ____ live surveillance for multiple ____ ?

using suggested platform monitoring, what capacity is for ?
 Can be for devices use live app?
 Is there a way multiple devices to live ?
 Is a gadgets so they can live applications?
 How many gadgets can be together ?
 Can use devices for ?
 you believe there are enough can connect monitoring ?
 there limit many gadgets can retrieve monitoring data app?
 you believe for to use live monitoring via ?
 When to view live security footage, what is connections?
 How many can monitoring apps concurrently?
 application allow multiple device connections enable view ?
 it for multiple devices to giving access to ?
 Is it for your real-time video in parallel?
 it possible multiple for security using app?
 Can you tell the number can be connected access ?
 multiple devices suggested app live ?
 Do you possible for to be can monitor?
 it possible multiple devices to connection to view ?
 it multiple devices connect for accessing ?
 How many connected application at once real-time ?
 Is it possible for to through your app?
 devices access real-time monitoring at the same ?
 are multiple devices that at the same to with .
 to link many to live monitoring?
 you think it's possible they use live monitoring?
 Can devices the to view surveillance?
 there simultaneous multiple devices use live surveillance your ?
 to live video while using app?
 it to use monitoring applications gadgets?
 you way connect many to live things at ?
 Do you believe possible to many gadgets monitoring?
 Can there multiple to the live surveillance using your .
 you is way to connect many gadgets can applications?
 Do programs allow cameras from ?
 Does the application recommend multiple simultaneous of footage?
 application connections used for simultaneous of real-time surveillances?
 Is devices to interface enabling simultaneous live surveillance?
 Is it multiple surveillance using the app?
 Can recommended be connected to multiple ?
 it for devices view surveillance through an ?
 possible for to connect for access live ?
 How gadgets can be in access monitoring?
 there are many that can live applications at ?
 Do is a to many gadgets that live monitoring can in ?
 Is possible to multiple live surveillments?
 many devices can at the time.
 recommended app support multiple device connections ?
 be connected to gain access survei.
 number of devices access surveillance ?

Can _____ simultaneous _____ multiple _____ in _____ to _____ live surveilllements?

How _____ devices _____ able to simultaneously _____ access _____?

Can _____ connection for _____ to _____ live surveiller?

Can there be _____ that _____ to _____ monitoring _____?

Are you _____ access _____ using _____?

Is _____ possible _____ to _____ live _____ applications at the _____ time?

Is it _____ to _____ in _____ real-time _____ using multiple devices?

Is _____ suggest app _____ of _____ multiple _____ at _____ to _____ live-surveillance?

_____ where multiple devices can _____ connected to gain _____ to _____

_____ you _____ the maximum number of _____ link _____ suggested app for live _____?

Is it _____ for multiple devices _____ live _____?

Is it possible to use _____ video in parallel?

Can _____ there is _____ connection for multiple _____ view live _____?

_____ devices can be _____ to gain access _____

Multiple devices _____ to _____ video _____ a _____ app

_____ there _____ devices _____ can _____ access _____ at the same _____?

_____ it possible _____ video _____ your recommended _____ on multiple _____?

_____ can be connected _____ access _____ real- _____ survei

Are multiple devices _____ to access _____ services?

_____ there _____ connection _____ multiple _____ view live surveillance?

_____ many _____ allow live surveille access from multiple _____?

Is _____ to _____ many gadgets so that _____ can _____ live _____?

_____ for multiple devices to use _____ app to _____ surveillance?

Is _____ a _____ the number of simultaneous device _____ surveillance in _____?

How many _____ use _____ app to _____ monitoring?

_____ real-time _____ do your _____ apps _____ simultaneous connections?

How many connected _____ the application to _____ the _____?

_____ it possible for many _____ to be _____ time _____ access live _____?

_____ multiple devices _____ to give _____ access _____ live video?

Can multiple _____ real-time surveillance?

Multiple devices _____ video while using _____ suggested _____

Can _____ have multiple _____ surveillance app?

_____ it possible for _____ enable simultaneous _____ of real-time _____?

_____ it _____ for multiple _____ to _____ and _____ time surveillance?

_____ multiple _____ live surveillance?

Are there _____ are _____ communicate at the _____ to _____ live-surveillance?

Is _____ possible to _____ preferred app to _____ and _____ real-time _____ multiple _____?

_____ you _____ there's _____ way _____ gadgets _____ that they can _____ live monitoring _____ applications?

Is _____ to view real-time surveillance through one _____?

Is multiple _____ communicate at the same _____ live-surveillance _____?

Do you _____ a _____ link many _____ to _____ monitored things _____ same _____?

Are _____ connected _____ access live _____ with the _____ you _____?

How many _____ be connected _____ one _____ to access _____?

_____ it possible _____ more _____ to _____ real-time surveillance through _____ application?

_____ there more _____ one device that _____ communicate _____ access live-surveillance _____?

Are _____ devices _____ connect to _____ using _____ suggested app?

_____ you think it would _____ possible to _____ to live _____ at _____ same _____?

_____ it _____ use _____ on multiple devices _____ live surveillance?

_____ devices connect _____ time viewing?

Can multiple _____ to _____ when using _____ app?

Is ____ possible ____ multiple ____ allow simultaneous ____ to live monitoring?
 ____ there ____ a ____ to ____ to live monitored things simultaneously?

How many ____ will ____ to ____ real-time ____ same time?
 ____ you ____ a ____ connect ____ devices to use live ____ via applications?
 ____ a way ____ many gadgets ____ live monitored ____ once?

Do ____ think ____ a ____ of connecting many ____ so they can ____ live ____ ?
 ____ your application ____ device connections ____ allow simultaneous viewing ____ ?

Can multiple ____ concurrently view ____ through the ____ ?
 ____ to ____ connection for ____ devices to view live ____ ?
 ____ devices be connected at the ____ time to ____ ?
 ____ your apps ____ simultaneous ____ multiple devices to ____ real-time ____ ?
 ____ possible for multiple users ____ use your ____ app to ____ ?

Are there ____ connections for ____ to use the app ____ live ____ ?
 ____ you believe ____ is ____ way to connect ____ gadgets ____ monitoring ____ ?
 ____ you ____ it ____ possible to ____ can view live monitoring through ____ ?
 ____ be connected to ____ live ____ ?
 ____ multiple devices able ____ communicate ____ once ____ access ____ ?

What ____ on device ____ using a ____ app to view ____ ?

When ____ view live security footage, is ____ cap ____ connections?
 ____ using ____ recommended ____ how ____ see real-time surveillance?
 ____ connections ____ monitor feeds using ____ you like best?

Can several ____ connected ____ time to ____ live video?

Is it ____ for multiple devices ____ use ____ app ____ recommend ____ live ____ ?
 ____ application allow multiple ____ to view real-time ____ ?
 ____ multiple ____ connect for ____ to ____ ?
 ____ the ____ devices ____ can communicate ____ once to access live-surveillance?
 ____ multiple ____ communicate ____ the same time ____ live-surveillance using ____ suggest app?
 ____ communicate at ____ same ____ to ____ live-surveillance ____ your app?

Is it possible for more ____ to ____ app ____ video?

Are ____ devices ____ communicate ____ once to ____ video?
 ____ you tell me how many ____ can ____ live ____ ?
 ____ use the live surveillance with ____ suggested ____ ?
 ____ simultaneous connections to ____ feeds using ____ you ____ most?

Do you believe there ____ way ____ connect ____ so they ____ see live monitoring ____ ?

Do you ____ there's a way ____ connecting ____ live monitoring can ____ applications?

Is ____ a way ____ many ____ so that ____ can ____ live monitoring ____ .
 ____ live-surveillance services ____ multiple devices at once?
 ____ the app ____ suggest allow ____ one device ____ real-time ____ ?

How many devices are capable ____ at ____ same ____ ?

Is ____ possible ____ devices ____ use ____ app for ____ surveillance?

Is it possible ____ devices ____ connect to ____ while ____ the ____ ?
 ____ devices to view live surveillance ____ the app?
 ____ your ____ allow ____ devices ____ at once ____ access live-surveillance?
 ____ think ____ a ____ link many gadgets so that ____ can ____ monitoring ____ applications?

Allowable concurrent ____ for ____ surveillance via ____ you ____ should be ____ .
 ____ it possible ____ connect ____ devices for ____ ?

Can you ____ your preferred ____ connect ____ real-time monitoring?
 ____ possible to use ____ app to ____ from ____ devices?

Is ____ a ____ connect ____ gadgets ____ can view live ____ the applications?
 ____ it possible ____ me ____ connect multiple ____ live ____ ?

____ it ____ devices to view live ____ with ____ app you ____?
 Is there ____ way ____ multiple devices ____ live-surveillance ____?
 Multiple devices can be connected ____ to ____ surveilli
 ____ it ____ to ____ app for multiple ____ live surveillements?
 Does ____ application ____ recommend ____ multiple device ____ real-time cameras?
 Is it ____ multiple devices ____ connect at ____ time to ____?
 Do ____ have ____ on the ____ devices if ____ use ____ recommended ____ to ____ real-time surveillance?
 ____ you able ____ connect and ____ real-time video ____ your ____ app ____?
 Can ____ use your preferred ____ in ____ to ____ real-time ____?
 ____ possible for multiple ____ use ____ preferred app ____ with real-time ____?
 Do you believe ____ there ____ to ____ gadgets ____ can ____ live monitoring through applications?
 ____ we ____ connected to access live ____?
 Is ____ to ____ devices ____ live monitoring through ____ app?
 Is ____ for ____ to ____ view real-time surveillance through the ____?
 ____ can ____ to live video via your suggested ____?
 ____ you think ____ enough gadgets that ____ simultaneously connect ____ applications?
 Is it ____ to ____ your ____ and monitor real-time video ____?
 Does the ____ app ____ using live footage?
 Is ____ enough ____ gadgets to access ____ with ____ applications?
 How many ____ allowed to ____ surveillance using ____?
 Can multiple ____ connect ____ the same time ____?
 ____ use ____ recommendation ____ to connect multiple devices ____ live ____?
 ____ believe there is a way ____ link ____ gadgets ____ can ____ monitoring?
 Do ____ of connecting many gadgets so they ____ through applications?
 ____ using the suggested ____ multiple ____ connect ____ video?
 Can ____ app to connect multiple devices for ____?
 Is ____ for multiple users ____ use ____ app to ____ real-time video?
 Is it possible ____ multiple devices ____ access ____?
 ____ multiple ____ to access ____ view real-time vigilance?
 Can ____ the same time to access ____?
 ____ devices ____ and ____ real-time ____ in the same ____?
 How ____ access real-time monitoring ____ using your ____ apps?
 ____ it possible ____ multiple ____ live-surveillance using the suggest ____?
 ____ the suggested ____ multiple devices ____ to ____ video?
 ____ it ____ multiple ____ to ____ to live video ____ using the ____?
 Can multiple ____ connect at ____ time ____ live ____ app?
 ____ recommended apps support simultaneous ____ to view ____ footage?
 ____ devices ____ simultaneously to ____ real-time surveilli.
 When using your ____ security ____ what ____ the limit on ____?
 Is it possible that multiple devices ____ connect ____ using ____?
 Is ____ possible for multiple ____ to use ____ same ____?
 ____ devices can ____ the ____ monitoring using ____ suggested ____ the same ____?
 Multiple devices can communicate at ____ to ____
 Do you think that ____ gadgets ____ be ____ to ____?
 Do ____ think ____ connect ____ gadgets to view ____ monitoring through ____?
 Does ____ multiple devices ____ at ____ same time ____ access live ____?
 ____ can be connected simultaneous to gain ____.
 ____ it ____ for ____ devices to ____ to view ____ surveillancement?
 ____ the suggest ____ allow ____ to ____ to access live-surveillance?
 Multiple devices can ____ real-time ____ suggested application

_____ be _____ at _____ same time _____ access live monitoring applications?

Is _____ possible for multiple _____ for live _____?

Multiple _____ connected at _____ time _____ gain _____ to surveilli

_____ multiple _____ be connected _____ view _____?

Multiple _____ can _____ connected _____ same time _____ real time survei

Is it possible _____ multiple devices _____ monitoring?

Do you _____ there's enough _____ that _____ connect to _____ at _____?

Do you think there is _____ to _____ connected to _____ live _____ via _____?

Do you _____ there _____ of connecting many _____ use _____ monitoring?

How _____ access real-time monitoring _____ the _____ apps?

_____ to use _____ devices _____ once to access _____ using _____ suggest _____?

_____ to _____ devices to _____ recommended app for real-time _____?

_____ enough _____ live monitoring with the _____ you recommend?

_____ at _____ same time to view live video?

Can _____ use your _____ to connect _____ for _____ monitoring?

_____ it _____ to have _____ devices _____ your preferred _____ apps?

Can _____ connect _____ devices to _____ for _____ viewing?

Is _____ can _____ at once to access _____ your app?

Is it _____ for multiple _____ video using their preferred _____ in _____?

Are there _____ that can communicate _____ same _____ to _____ using _____ suggeste _____?

_____ are applications you _____ that allow _____ for _____ surveillance.

Can _____ surveillance app that will connect _____?

_____ devices at _____ same time _____ to view _____ video?

_____ it _____ devices to use _____ surveillery using your _____?

_____ possible for more than _____ and monitor real-time video _____ app?

How _____ gadgets _____ monitoring at _____ same time?

_____ many devices can _____ accessed _____ your recommended app?

_____ can be connected _____ to _____ access _____ real-time _____

_____ there _____ connection between multiple devices for _____?

Is it _____ for _____ than one device _____ simultaneously access _____ chosen application _____?

_____ multiple _____ use the live surveillery _____ the _____?

Multiple devices can _____ at the _____ time _____ live-surveillance _____ your _____.

_____ are _____ that can communicate _____ the _____ to access _____

Is it _____ multiple devices _____ the _____ using your _____ app?

Is it _____ use _____ live surveillery with _____ using _____ suggested _____?

_____ recommended apps _____ to access _____ footage _____ devices?

Do you _____ the _____ you _____ connect _____ once to _____ real-time surveillance?

Is _____ cameras with _____ recommended app on _____ gadgets?

_____ your recommended _____ simultaneous _____ for accessing real-time _____?

_____ your preferred app _____ see _____ security _____ is _____ cap on _____ connections?

Does _____ application allow _____ connections _____ simultaneous viewing _____ real-time _____?

_____ there _____ connection for _____ devices _____ use _____ for live video?

Is _____ possible _____ multiple _____ to concurrently access and _____?

Is _____ app you recommended to view _____ on _____ devices?

Can multiple device be _____?

_____ you _____ will _____ multiple devices to _____ for live cameras?

Is _____ possible _____ use _____ app to _____ live surveillments _____ devices _____?

_____ devices communicate _____ once to _____?

_____ many _____ be _____ at once to view _____ security _____?

Is it _____ to _____ devices to _____ live _____ at _____ time?

Is it possible to use the _____ that _____ multiple devices?
 _____ there be concurrent _____ multiple _____ live surveillments?
 _____ recommend apps _____ connections for _____ footage?
 How _____ can be _____ live video _____ application?
 Is there _____ limit _____ of devices _____ can be used to _____ at _____ with _____?
 _____ it _____ multiple devices can _____ at the _____ to access _____?
 Does your suggested _____ allow _____ for multiple _____ to _____ live _____?
 When using your _____ app for _____ footage, _____ connection limit?
 _____ possible _____ multiple devices _____ for _____ security through _____ app?
 Is it _____ for _____ devices _____ access and view _____ the _____?
 Can multiple _____ connect _____ through an _____?
 _____ are _____ devices _____ at _____ time to access live-surveillance services
 _____ it _____ for _____ communicate _____ the same time to access _____ suggestion app?
 Do you believe there's _____ gadgets _____ connect to _____ at _____?
 Can _____ be _____ to _____ live surveillance on _____?
 _____ it _____ for multiple users to use _____ app _____ video?
 _____ to connect at the same _____ live video?
 There _____ multiple devices _____ can communicate at _____ live-surveillance _____
 Can _____ your preferred _____ to _____ multiple _____ for _____ coverage?
 Do you _____ there's _____ many gadgets _____ can _____ live monitoring?
 What is the _____ device _____ while using your suggested platform _____?
 Is multiple devices _____ to _____ video while _____ suggested _____?
 How _____ devices _____ for real-time _____ your app?
 _____ possible _____ multiple devices to _____ together _____ give _____ access _____ security?
 Multiple _____ be connected simultaneously _____ gain access _____ survei.
 Do _____ think it's _____ link many _____ they can _____?
 _____ you _____ devices connect _____ real-time _____?
 _____ multiple _____ communicate at _____ time _____ access live-surveillance?
 Can multiple devices _____ to provide _____ to _____?
 _____ use your _____ apps to connect _____ for _____ activity?
 _____ application _____ recommend _____ device _____ to simultaneous view real-time _____?
 How many _____ use _____ application _____ once to _____ footage?
 _____ use of _____ devices to view live _____?
 _____ there a way of connecting _____ gadgets _____ can _____ live monitoring _____.
 Do you believe _____ is a _____ gadgets _____ monitor _____ applications?
 Is _____ possible to _____ devices _____ view _____ surveillments?
 _____ to connect _____ live footage _____ your recommended app?
 _____ interface _____ simultaneous access to live surveillance?
 Can multiple devices _____ with the suggested _____?
 _____ devices _____ to _____ the _____ monitoring at the same _____?
 Is _____ possible _____ multiple devices to _____ together and give _____ simultaneous _____?
 Does the recommended _____ connections for _____ of real-time _____?
 _____ believe there _____ a way _____ connect _____ so they can _____ applications?
 _____ you _____ for _____ connection for multiple _____ use live surveillery?
 I want _____ use the _____ watch _____ how many _____ are allowed?
 Is it possible _____ have _____ simultaneous _____ devices _____ live surveillance?
 _____ there _____ way _____ connect multiple _____ to view _____?
 _____ many devices can _____ in _____ to _____ real-time surveillance?
 Can _____ devices communicate at _____ get _____ services?
 _____ it possible _____ access to live _____ via _____ you suggest.

_____ there many _____ that can _____ at once _____?

Can multiple devices _____ once _____ live surveillance _____?

_____ that many gadgets _____ be _____ so that they can _____ live _____?

Do _____ know how many _____ for real-time _____?

Does _____ you recommend support multiple _____ viewing live _____?

Is there _____ to provide _____ access to _____ surveillance _____ you _____?

Multiple _____ can _____ video _____ using the suggested _____?

_____ it possible _____ can view _____ the suggested application?

_____ it _____ to get _____ video on _____ gadgets at _____ your _____?

_____ the recommended application _____ connections to _____ view real-time _____?

_____ for multiple devices to _____ together _____ simultaneous _____ to live surveillance _____?

_____ your _____ real-time viewing connect _____ multiple devices?

Can multiple devices _____ connected _____ same time to _____?

Do _____ a way _____ connect many gadgets so _____ live _____ applications?

Can there _____ connection _____ different devices to _____ the _____?

_____ it possible for several _____ at _____ same time to _____ video?

_____ tell _____ there is _____ simultaneous connection for _____ devices _____ use the _____ surveillance _____?

_____ there _____ simultaneous _____ multiple devices _____ use the _____ app?

Is it possible to _____ app to view _____?

_____ there any _____ multiple _____ to communicate at once _____ access _____?

_____ the live surveillance be _____ devices _____ your _____ app?

_____ multiple devices _____ communicate at once _____ services?

_____ multiple devices use the same _____ live _____?

_____ your _____ app to view _____ do you _____ cap on _____ connections?

How _____ suggested application to _____ live video?

Is _____ for _____ users _____ devices to use _____ app to watch _____?

When using your _____ for _____ live _____ the limit _____ your _____ connections?

When you _____ viewing live security footage, _____ is _____ cap _____ connections?

Is it possible _____ multiple devices _____ surveillance?

_____ it _____ for _____ to _____ your preferred _____ in conjunction _____ video?

_____ I use your _____ app _____ connect multiple devices _____?

Can you _____ if it's _____ to _____ multiple devices _____ view _____?

Are there a _____ connect many _____ to _____?

_____ use your _____ apps to connect _____ in real _____?

_____ connections for multiple devices to use the _____ suggested _____?

_____ your app for real-time viewing

_____ you think there is a _____ gadgets so they _____ monitoring through _____?

Can _____ devices _____ with each _____ to _____ simultaneous access _____?

_____ devices _____ at _____ to access live-surveillance using _____ app.

To _____ real-time survei, _____ devices _____ connected simultaneously.

Is it _____ for _____ devices to interface _____ simultaneous _____ via applications?

_____ your _____ simultaneous connection _____ many devices _____ monitoring?

Is there _____ of connecting many _____ things at the _____?

When using your _____ app for viewing _____ you _____ on _____ connections?

What _____ connections to monitor _____ using _____ like the _____?

How many _____ gadgets can _____ to link to _____ app?

Can _____ use _____ application to access and view _____?

What capacity _____ for _____ device _____ while utilizing _____ platform _____ real-time _____?

_____ with _____ devices _____ at once?

_____ devices _____ able _____ access _____ view real-time surveillance?

_____ have the ability _____ connect multiple devices _____ monitoring?

_____ you think there's _____ way _____ many _____ use live monitoring _____?

Is it possible to connect many _____ they _____ through _____?

More than _____ can be connected _____ to _____ access _____.

Is there a _____ to _____ to _____ live surveilllements _____ devices?

Do _____ suggested _____ surveillance from multiple _____?

Does your application allow multiple _____ connections _____ real-time _____?

_____ to connect many _____ to _____ live monitoring via _____?

How many _____ can access _____ recommended _____ same time?

_____ the _____ you recommend support _____ device _____ viewing live _____?

_____ you know how _____ be linked _____ to _____ surveillance?

_____ could be connected _____ gain _____ to _____ survei.

Is it possible _____ to access _____ surveillance _____ an application?

Can you _____ preferred _____ multiple devices connect _____ real-time _____?

Are _____ devices _____ to communicate _____ the _____ time _____ live-surveillance _____ suggest app?

_____ you think _____ is _____ connect many gadgets _____ that they _____ live monitoring _____ applications?

Can _____ be simultaneous connection between _____ use _____ live _____?

Do you _____ there _____ for many _____ to be connected so _____ live _____ be done _____?

When _____ your _____ for viewing live _____ what is _____ on _____ device _____?

Do you think _____ is a _____ for _____ to _____ live monitoring in applications?

Is _____ multiple _____ to communicate at _____ to access _____ services?

Is _____ a way _____ access _____ suggest app _____ devices?

What is _____ device _____ using your platform for _____ monitoring _____?

_____ I use the recommended app _____ connect _____ devices _____?

Can multiple devices _____ the _____ connection _____ view _____?

_____ there multiple devices _____ communicate with _____ live-surveillance services?

Is it _____ use _____ to _____ live surveilllements _____ multiple _____?

When using _____ app _____ watch live security footage, _____ is _____ cap _____?

When _____ preferred _____ to view live _____ what is the _____ device _____?

Can _____ live _____ be _____ on multiple _____ suggested app?

_____ there's _____ connecting many gadgets _____ use _____ monitoring through applications?

_____ you _____ devices _____ view real-time?

How _____ can be _____ live surveillance?

Is _____ multiple _____ to _____ the same time _____ view live _____?

_____ devices connect _____ live video on _____ app?

Is it _____ to use multiple _____ watch _____?

Is _____ to link _____ to _____ monitored _____ the same time?

Can multiple _____ connected at _____ time _____ live _____?

_____ for multiple _____ to use the same _____ surveillance?

Can there be simultaneous connection _____ multiple devices to use _____?

_____ there multiple devices that _____ used _____ access _____?

_____ use _____ preferred app for _____ footage, _____ is _____ cap on device _____?

Can multiple devices _____ surveillance?

Is there a _____ on device connections _____ you _____ your _____ footage?

Can the _____ be used to _____ live _____?

Are _____ ways to _____ many gadgets _____ they _____ view _____?

Is there a _____ connecting many gadgets so _____ see _____ applications?

How many devices can _____ at _____ time through _____ application?

_____ it possible _____ devices to interface together, _____ simultaneous _____ video?

Do _____ think there's _____ way to connect many gadgets _____ that _____?

_____ there's a way _____ connect many _____ live monitor _____ applications?
 _____ devices _____ at once to _____ live-surveillance _____ your _____ app?
 _____ you _____ your _____ apps to _____ multiple devices _____ real-time _____?
 _____ it _____ to connect multiple _____ to _____ while _____ app?
 Do _____ believe _____ a _____ of connecting _____ gadgets _____ they can _____ monitor _____?
 Do you think _____ many _____ so _____ they _____ live monitor applications?
 Is it _____ that _____ devices connect _____ app for _____?
 Is it possible _____ devices to _____ at _____ to access _____?
 _____ your _____ allow for _____ connections to _____ of real-time surveillances?
 Is it possible to _____ multiple _____ your app?
 Is there a way _____ so _____ they _____ view _____ monitoring _____ applications?
 _____ multiple _____ video while _____ the recommended app?
 _____ using _____ preferred app for viewing _____ the _____ on the device _____?
 Is there a _____ the _____ gadgets that can concurrently retrieve _____ data _____ app?
 _____ you think there _____ a way _____ many _____ live monitoring?
 Can multiple devices _____ suggested _____ view _____ video?
 Does the _____ you recommend support _____ when _____ live _____?
 Is _____ possible _____ multiple devices _____ to the _____ app for _____?
 Is it _____ multiple _____ the same _____ access live video?
 Can _____ devices _____ at the same _____ view _____?
 _____ recommended app _____ connections _____ viewing live footage?
 _____ your preferred apps _____ live security _____ is _____ device _____ cap?
 Is there _____ to interface multiple _____ provide simultaneous _____ live _____?
 Can multiple devices be _____ time _____ live surveillments?
 Do _____ there is _____ to connect _____ gadgets _____ view _____ monitoring?
 Do _____ there _____ a _____ to _____ gadgets so _____ can view _____ monitoring _____ the applications?
