_____ the reasons _____ play _____ less _____ their settings are _____ a network?

If the _____ remain the same _____ networks, _____ TV programs _____ than _____?

_____ are quieter _____ others even if _____ same programming _____.

Some _____ are quieter _____ others _____ the channels are _____.

_____ you _____ why _____ on different networks are playing _____?

_____ shows on all _____ channels _____ similar, _____ shows quiet?

The _____ parameters _____ across _____ networks, why _____ certain _____ programs have _____?

Some _____ have _____ than others _____ the _____ parameters are kept _____ networks.

Even _____ on various channels, _____ programs _____ volume levels than others.

Why _____ certain _____ show less volume than _____ the parameters _____?

Can you explain _____ with _____ volume _____ channels while on _____ channels?

When the _____ across the _____ do _____ TV programs _____ lower _____ outputs than _____?

_____ why some shows play with reduced volume on _____ don't?

If _____ happens on all _____ are _____ shows _____ than others?

_____ you tell me why _____ shows play _____ reduced volume _____ on _____?

Why _____ some _____ quieter _____ others _____ are _____ the same?

Isn't it _____ are _____ on certain _____?

_____ certain _____ show less volume _____ are given the _____ parameters _____?

_____ parameters _____ the same across _____ why _____ some programs _____ less _____?

Can _____ tell _____ why shows play _____ regardless of _____?

If _____ same _____ on _____ the _____ why are _____ shows quieter _____?

Why _____ shows _____ on certain _____?

Why _____ some _____ quieter _____ others even _____ channels all sound _____ same?

How come some shows _____ quieter than _____ everything _____ same _____ channels?

_____ does shows play with _____ even _____ consistent on a _____?

Some _____ programs _____ less _____ than other _____ of _____ networks are the _____.

How come some _____ have _____ on _____?

Can _____ explain _____ play with _____ volume despite _____ different _____ and channels?

_____ the _____ parameters _____ across the _____ do _____ programs have _____ volume outputs? _____ do _____ with less _____ on _____ networks?

All ____ remain ____ among ____ channels, ____ causes ____ programs to ____ levels than others?
 When ____ settings ____ the same ____ why ____ shows have ____ volume levels?
 Does ____ make ____ that ____ shows have lower ____ channels?
 What are the reasons shows ____ when ____ settings ____ consistent ____ network?
 ____ are ____ others even if ____ shows ____ the channels look and sound ____.
 If ____ same ____ channels, why ____ some shows more ____?
 ____ do some programs ____ lower ____ to others who ____ the ____?
 ____ remain ____ across networks, why ____ certain television ____ have less ____ others?
 ____ program ____ given the ____ throughout the networks, why ____ show ____ volume?
 How ____ the ____ play with reduced ____ networks and ____?
 ____ are ____ so quiet compared ____ even if everything ____ the ____ all ____?
 ____ you know why ____ shows ____ with ____ levels despite ____ settings ____ networks?
 Is ____ that some ____ others even if ____ channels are ____ same?
 ____ does ____ a ____ volume when everything ____ the same?
 Is it ____ on ____ channels play with ____ volume ____ other ____?
 Can ____ us ____ shows ____ volume on different networks?
 ____ shows seem to be quieter than ____ everything is ____ on ____.
 What are the reasons why ____ with less ____ though their ____ network?
 ____ shows ____ different networks have different volume ____ the same ____?
 If ____ on the ____ are the ____ all, why does shows ____ levels?
 ____ shows ____ even though the channels ____ the ____.
 Is there ____ for show ____ to ____ different ____ network ____?
 If the ____ programming ____ channels, why ____ shows quieter ____ others.
 When shows ____ the same ____ why do some ____ volume ____?
 ____ you tell ____ why shows ____ volumes ____ of channel?
 Is it possible ____ play with ____ even if ____ set ____ on ____?
 ____ the ____ parameters ____ being maintained across the networks, why ____ programs ____ outputs than ____?
 ____ television ____ less volume than others ____ the ____ are ____ across the ____.
 What is ____ reason ____ reduced ____ regardless of ____ channel ____ on?
 ____ are ____ shows ____ if ____ same programming is found ____ channels?
 When ____ same ____ are ____ maintained across the networks, ____ programs ____ volume outputs than ____?
 When ____ the ____ on the ____ some TV programs show ____.
 ____ do some ____ with lower sound ____ compared ____ the ____ setup?
 Why do some ____ programs show ____ given ____ parameters?
 ____ you tell me ____ play ____ reduced ____ when they ____ on ____?
 ____ shows ____ quiet ____ to others ____ if ____ the same on all ____.
 ____ shows ____ quieter ____ others ____ the shows ____ all of the channels ____ and ____ the ____.
 Some television programs have lower ____ outputs ____ others ____ continue ____ the ____.
 ____ you explain ____ shows on ____ have reduced ____?
 Can ____ the shows ____ with reduced volume ____ on ____ channels?
 ____ all settings ____ constant among ____ channels, some programs ____.
 ____ some ____ have ____ lower sound level ____ others, ____ of ____ choice?
 Why ____ certain television ____ lower ____ output compared to ____ unchanging ____?
 Can ____ explain why ____ play with reduced ____ on different channels?
 Some shows are ____ than others, but everything ____ same ____ possible?
 When settings remain ____ are there ____ volumes for ____?
 When ____ are the same parameters ____ networks ____ do ____ television ____?
 ____ come ____ shows ____ less ____ different channels?
 If the ____ on ____ the ____ and sound ____ then why ____ some ____ quiet ____ to ____.
 Even though ____ settings remain constant ____ some programs ____ levels ____ programs.

Why _____ a show quiet compared _____ others if _____ thing _____?

_____ the same parameters _____ across the networks, _____ do some television programs produce _____?

How _____ that _____ are _____ than _____ and _____ the same on each channel?

_____ you _____ why the _____ on certain _____ play _____ volume?

_____ same thing _____ on all _____ is some shows _____?

_____ shows _____ be quieter _____ and _____ set the _____ on each of _____ channels.

_____ the _____ parameters are _____ across _____ networks, _____ certain television programs _____ lower volume _____?

_____ the same _____ happens _____ channels, _____ are _____ quieter than others.

Why are _____ being _____ certain _____?

Is it because certain shows _____ consistent settings?

_____ are the reasons _____ with less _____ when _____ same on a network?

Why is _____ more _____ than _____ even _____ channels are the _____?

_____ shows seem _____ than _____ and everything _____ channel is _____ is this _____?

What's _____ quieter on certain networks?

Can _____ explain _____ play with reduced _____ on certain _____ and _____ channels?

_____ play with less _____ their settings _____ the _____ on different _____?

Why _____ some programs _____ sound _____ to _____ regardless of _____ or _____ choice?

_____ shows _____ lower _____ different _____ when everything else does _____ same _____.

Why do some programs _____ sound level compared _____ others with _____?

Can you explain _____ shows on different _____ at _____?

_____ the same _____ being maintained across _____ does certain television programs _____ than others?

_____ it possible _____ shows _____ quieter than others and _____ is _____ same _____?

If the parameters _____ the _____ networks, _____ do certain _____ show _____ others?

When _____ is given _____ parameters across networks, _____ do _____ show _____?

How come _____ volume than other _____?

Some shows are _____ even if _____ are _____ the same.

If _____ set _____ same _____ all _____ are _____ quieter than others.

When the _____ maintained across _____ networks, why _____ certain _____ have _____ outputs?

_____ is _____ with _____ quieter on certain networks?

_____ are some _____ than others even _____ I _____ on different networks?

Why is a show _____ when it _____?

_____ it _____ are quieter _____ certain _____?

When everything is set at the _____ level on different _____?

_____ is one show _____ another _____ thing _____ on all channels?

_____ same programming _____ found _____ why is _____ shows quieter than _____.

_____ reasons _____ less volume when their settings on different networks _____?

Since everything's set the _____ some shows _____ quiet?

_____ you _____ why shows play _____ volume _____ certain channels _____ channels?

_____ is the _____ on all channels, _____ is some shows _____?

Some _____ seem quieter _____ and _____ is _____ the same _____ all _____ channels.

_____ is the reason for _____ networks _____ have different _____?

_____ is the _____ of _____ different _____ settings _____ used the same?

_____ do some programs _____ with a _____ level _____ to _____ under the _____?

_____ everything _____ set the same on _____ why _____ some shows _____ quiet _____ to _____?

What _____ the reasons shows seem _____ play _____ less _____ their _____ consistent on different _____?

_____ some _____ have _____ lower sound level than others, _____ of _____ network _____?

Why _____ certain shows _____ be quieter _____ same _____?

When _____ same parameters _____ across _____ networks, certain television _____ lower volume _____.

_____ the _____ programming is _____ is some shows quiet compared to _____?

When the same _____ being _____ across the _____ why _____ certain _____ have _____ outputs than _____?

When ____ are ____ networks, why do ____ have lower ____ levels?

When the same ____ why ____ certain ____ programs have lower ____ outputs ____ know how certain shows ____ play ____ volume on ____ networks and ____.

When ____ stay ____ networks, why does ____ shows have ____ levels?

When the same parameters ____ across the ____ have lower ____ outputs ____ others? ____ you ____ why ____ play ____ reduced volume ____ even though ____ are ____ different ____?

Some ____ are quieter ____ everything is ____ exactly ____ same on ____? ____ remain constant among various channels, ____ programs ____ lower volume levels ____ everything is set ____ same ____ on ____ networks, ____ are ____ quieter?

Why is ____ shows ____ quiet than others ____ same ____ on ____? ____ parameters ____ being maintained across ____ networks, ____ do ____ have lower volume ____ than others? ____ settings are used the ____ is the volume levels ____ networks?

What are ____ reasons shows seem to play ____ less ____ are ____?

The ____ the same ____ multiple ____ are the reasons ____ the ____ sound ____?

When ____ on different ____ why does certain ____ shows sound ____? ____ the ____ shows on multiple ____ having different ____? ____ do some ____ air with ____ level than others, regardless ____ network ____? ____ channels ____ all ____ the ____ so why is some ____ compared ____?

I ____ like ____ the shows play ____ reduced volume levels ____ while ____ other channels. ____ are ____ than others ____ the same ____ on all channels.

If ____ remain the ____ do ____ television ____ have less ____ others?

When the ____ continue across ____ networks why ____ programs ____ lower ____ others? ____ are some ____ than others despite ____ the ____ different networks?

If ____ parameters ____ why do certain television ____ less volume

Can you explain why the ____ when they're on ____? ____ are quieter ____ even if ____ same thing happens ____ channels.

Why ____ certain ____ less volume than ____ they ____ same parameters across networks? ____ parameters ____ the networks, ____ do ____ television programs ____ lower ____ outputs than others. ____ a reason shows play ____ volume ____ channel? ____ the same parameters ____ being ____ across ____ why do ____ programs ____ lower ____ than others? ____ the same parameters continue ____ networks why do ____ lower volume ____?

Some shows ____ quieter ____ others even ____ shows ____ all the ____ the ____.

Some shows are ____ even if ____ shows on ____ the same. ____ why ____ shows play ____ reduced volume if ____ are ____ correctly?

When ____ on ____ same network, why ____ shows ____ quieter than ____?

What ____ reasons why ____ seem ____ less volume ____ they ____ on ____ networks?

When given the ____ for the networks, ____ volume. ____ parameters ____ networks, why do some ____ show less volume? ____ others, even ____ the shows are ____ same on all the ____?

Can you tell ____ play with reduced volume ____? ____ is ____ shows ____ than ____ despite ____ programming on all ____?

Some ____ less volume ____ if ____ remain the same ____ networks. ____ show ____ than ____ if there is ____ programming on all ____? ____ volume when everyone else does the same thing?

Why ____ shows ____ not ____ on ____ same ____?

When ____ the same ____ do some television programs ____ volume ____ others? ____ are constant ____ networks, why ____ shows have ____? ____ the parameters stay the ____ across ____ why ____ some ____ less ____?

Do ____ know why the shows play ____ reduced ____ on ____? ____ there a reason ____ to be different across ____?

____ tell me ____ shows on ____ channels ____ with ____ volumes?
 If ____ do certain television programs show less volume?
 Is ____ possible ____ certain ____ to play ____ volume ____ different ____ channels?
 When ____ same parameters ____ networks, why do some ____ have ____ others?
 What is it ____ shows ____ others, and everything is ____ on each ____?
 If the ____ on all channels, ____ why is ____ quiet?
 ____ same ____ across networks, why ____ some TV ____ less ____ than others?
 The volume on ____ channels seems ____ others ____ the ____.
 If ____ same on all ____ some ____ more ____ than others?
 ____ there ____ reason ____ shows sound ____ others when ____ is the ____?
 ____ do certain shows have ____ levels than ____ everything is ____?
 When ____ maintained across the networks, why ____ programs ____ lower ____ than others?
 Some shows are ____ others but ____ set the ____ for ____.
 Can you ____ shows ____ with ____ even if it is set ____?
 ____ are ____ on certain networks, ____?
 How ____ that some shows ____ quieter ____ everything ____ the same on ____ channel?
 ____ is the ____ certain shows ____ lower ____ on different ____?
 ____ are ____ than ____ despite my settings ____ for different networks.
 ____ tell ____ shows play with ____ volume on ____ networks?
 ____ programs are ____ across ____ do certain programs show ____ volume?
 Can ____ why ____ with reduced volume ____ different networks ____ channels?
 Some ____ programs ____ less ____ other ____ when they ____ same parameters ____ networks.
 Even ____ channels ____ all ____ the ____ some shows ____ quieter.
 Can ____ me ____ play ____ less volume on certain ____?
 If the same programming is ____ is ____ shows ____ others?
 Can ____ tell me why the ____ on ____ play ____?
 I want ____ know ____ with reduced ____ if ____ are set ____ on ____ channels.
 When ____ the same ____ certain programs ____ volume?
 Why ____ shows ____ others ____ the ____ on different networks?
 Why do certain ____ volume ____ different ____?
 If everything ____ set ____ on ____ why ____ some ____ more quiet ____ others.
 ____ do some television programs ____ volume ____ are the same ____ networks?
 When ____ television program ____ same ____ across ____ why ____ it ____ less volume?
