

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Check engine light is on
Inquiry Sub-Category	Fuel System Issues
Description	Customer inquiries related to the check engine light being on due to fuel system problems, such as a faulty gas cap, oxygen sensor, or fuel injector.
Data Size	5,019 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

____ there any chance ____ filler ____ ____ an illuminated MIL?
 ____ it ____ worn-out or ____ seal ____ my mil ____ light up?
 Can ____ neck seal cause ____?
 Will the illuminated MIL come ____ my ____?
 ____ want ____ know ____ the ____ damaged filler neck ____ cause the light ____ light up.
 A ____ fuel ____ neck seal ____ the ____ light ____ come ____.
 Could the ____ turn on ____ diesel fillers ____ malfunctioned?
 ____ for ____ fuel ____ neck seal to cause an ____ on ____ vehicle?
 In ____ malfunctioning diesel ____ the ____ indicator turn on?
 ____ or worn ____ neck seals ____ my ____ to light up.
 ____ wonder if ____ worn out or damaged ____ can ____ my ____ up?
 I ____ wondering ____ issue with ____ fuel neck seal ____ the ____ of ____.
 Would ____ illuminated ____ fuel tank seal happened?
 The ____ on ____ a faulty filler neck seal.
 Can ____ or loose diesel ____ light to illuminate?
 ____ warning ____ in my ____ come on ____ of a ____ hole ____?
 ____ wonder ____ the worn out or ____ filler ____ up ____ MIL.
 I'm ____ the worn ____ damaged filler neck ____ the ____ to light ____.
 Is there a way ____ neck ____ cause the illuminated ____?
 ____ the worn out ____ neck ____ myMIL ____ light ____ I wonder.
 I ____ a ____ neck seal ____ the ____ warning on my car.
 If ____ fuel ____ is ____ will ____ cause an ____ MIL?
 ____ wonder ____ a damaged filler hole ____ will ____ warning ____.
 Is ____ that an ____ or damaged ____ will ____ MIL to turn ____?
 I ____ if a worn-out or ____ neck ____ cause my ____ light ____.
 ____ it ____ that ____ faulty ____ neck seal could cause ____ illuminated ____ vehicle?
 Can a damaged ____ seal cause ____ a ____?
 Can an issue with ____ fuel neck ____ light to ____?
 I ____ wondering if ____ issue ____ my ____ could ____ the illumination of _____.

_____ there _____ chance _____ light _____ caused _____ a damaged _____ filler neck seal?

I _____ worn out or _____ neck _____ can cause _____ mil _____ light _____.

I _____ the _____ or damaged neck seal _____ light up?

Is there _____ the _____ could _____ on because of _____ fuelfiller neck _____?

Will _____ MIL _____ if the _____ seal is broken?

_____ faulty _____ seal _____ MIL _____ light up in my _____?

_____ malfunction _____ my _____ be lit if there _____ faulty _____ filling _____ gasket?

_____ a _____ neck _____ related to an illuminated _____ indicator?

Is it possible that a _____ gas _____ seal could _____ warning _____?

I wonder _____ worn out or damaged _____ myMil _____ light _____.

Can _____ damaged _____ seal _____ illuminated _____?

_____ neck seal cause _____ to turn _____?

I _____ if _____ or damaged neck seal may _____ my mil _____.

Is _____ that a broken _____ tank _____ cause _____ illuminated _____?

_____ wonder _____ neck seal _____ make the mil _____ on.

_____ a _____ fuelfiller _____ seal _____ the _____ light to _____ off?

_____ MIL indicator _____ turned on if _____ was _____ malfunctioning _____ seal?

_____ a _____ fuel tank _____ in a _____ MIL?

_____ filler neck _____ may lead to _____ illuminated MIL _____.

_____ there _____ chance a damaged fuelfiller neck _____ light _____ come _____?

_____ it _____ for a _____ fuelfiller _____ an illuminated _____ on my vehicle.

_____ light may _____ by _____ with my fuel filler _____ seal.

Is _____ possible _____ the MIL _____ turn on _____ malfunctioning diesel _____?

I _____ wondered _____ worn-out or _____ seal _____ my MIL to light _____.

_____ is a chance _____ a _____ petrolfiller neck _____ to cause _____.

_____ a faulty _____ seal _____ come on?

A _____ tank _____ could cause _____ of the _____.

_____ a _____ filler _____ seal cause a _____ to _____ off?

The MIL _____ might _____ on _____ to _____ fuel _____ neck _____.

_____ neck seal will _____ to an _____ mil indicator?

_____ car's malfunction indicator _____ to _____ malfunctioning fuel _____ pipe gasket?

I _____ if the worn _____ on the neck _____ to _____ up.

_____ possible _____ faulty _____ seal to _____ an _____ mil on my vehicle?

Is _____ possible for _____ flawed _____ seal _____ an illuminated _____?

_____ it _____ for _____ filler _____ to cause an _____ on my vehicle?

_____ a _____ a _____ neck _____ cause an illuminated MIL?

Would _____ broken fuel _____ cause _____ MIL?

_____ if the _____ seal _____ cause _____ MIL to light _____.

I am wondering _____ an _____ neck _____ to my _____ on.

_____ if _____ out or _____ neck seal causes _____ to _____ up.

I wonder if my damaged _____ leads _____ an _____.

Can a faulty _____ neck seal _____ mil _____ light _____ on _____?

It's _____ that the _____ engine _____ be _____ by _____ fuel _____ seal.

_____ a broken gas filler neck seal _____ a _____ my car.

_____ a _____ filler _____ seal the _____ for the _____ light _____ on?

A broken _____ neck seal could _____ the _____ to sound.

_____ a malfunctioning _____ cause the mil to _____?

Is a faulty _____ the mil _____ up?

_____ faulty _____ seal cause _____ to light _____ on my _____?

I am curious _____ fuel _____ seal will _____ the _____ of the _____.

A faulty gas _____ seal could _____ mil _____ to _____.
 Is _____ a flawed _____ seal _____ cause my _____ light up?
 _____ wonder if _____ or damaged _____ can cause my _____ up.
 _____ wonder if _____ neck seal _____ my MIL to light up.
 _____ a _____ seal lead to an _____ MIL light?
 Could the _____ indicator _____ filler neck seal were to _____?
 _____ on because _____ this bad neck?
 _____ a bad or _____ fuel filling _____ an _____ engine _____ on my _____?
 _____ the _____ of the _____ would be _____ by an issue _____ neck seal.
 _____ there _____ chance _____ Filler neck _____ can _____ illuminated MIL?
 Will there _____ my car _____ of a bad _____ seal?
 Is _____ possible that _____ neck seal can cause _____ up?
 A faulty gas _____ could _____ cause a _____ to _____.
 _____ it possible _____ a faulty _____ neck _____ cause an _____ on _____?
 _____ is a chance _____ loose/broken/gasoline/fuel/petrol/diesel filler _____ can cause _____ illuminated _____.
 _____ cause the mil _____ illuminate my vehicle?
 Could _____ turn _____ indicator on?
 _____ an _____ MIL arise _____ my _____ tank _____ breaks?
 Can a _____ seal cause _____ light _____ on my _____?
 Is it _____ a _____ seal could cause an _____ my car?
 I don't _____ if _____ out _____ seal can cause _____ MIL to _____ up.
 _____ the damaged _____ filler _____ seal can cause _____ MIL _____ light up.
 _____ a damaged neck _____ able _____ cause _____ mil?
 _____ there _____ that a _____ fuel _____ neck _____ causes the MIL light _____?
 Is _____ broken _____ cause an _____ mil?
 I was _____ if my damaged _____ could _____ to _____ MIL _____.
 _____ a _____ filler _____ set _____ the _____ light _____ my car?
 Is _____ neck _____ enough to _____ the _____ on?
 _____ possible a faulty _____ cause my _____ to _____ up?
 A faulty fuel _____ pipe gasket _____ cause my car's _____.
 _____ curious _____ an _____ seal _____ cause the illumination _____ the MIL.
 _____ a _____ my loose/broken/gasoline/fuel/petrol/diesel filler _____ seal _____ an _____ MIL.
 _____ a faulty _____ pipe _____ my _____ malfunction indicator to go _____?
 It is _____ a faulty _____ neck _____ illuminated MIL.
 I wonder if _____ or _____ filler _____ seal _____ cause _____ MIL _____ light _____.
 Will _____ neck seal cause the _____ light _____?
 _____ petrol/gasoline/diesel _____ cap cause _____ MIL to illuminate?
 Is it possible that _____ damaged neck seal _____ cause _____?
 Will a _____ fuel _____ pipe gasket _____ gasoline car's _____ light _____?
 _____ the _____ light _____ by a _____ fuel _____ neck _____?
 The _____ come on if _____ fuel _____ neck seal _____ blame.
 _____ hole seal cause my car's warning _____ to _____?
 There _____ the MIL _____ caused by a _____ fuel filler neck _____.
 Could _____ damaged _____ the MIL light to _____ on?
 _____ a _____ fuelfiller _____ seal _____ cause _____ illuminated mil _____ my vehicle.
 _____ an _____ or damaged neck seal that _____ to _____ off?
 Is _____ neck _____ could cause _____ MIL to _____ up on my vehicle?
 _____ if an _____ with the _____ to the _____ of the MIL.
 Can damaged neck seals _____?
 _____ an illuminated MIL come _____ if my _____ tank _____?

It's _____ petrol neck seal _____ cause _____ illuminated MIL.
 _____ possible that _____ worn out or damaged _____ cause my _____ up.
 _____ bad or _____ fuel _____ mechanism _____ an _____ check _____ light?
 _____ there an _____ damaged _____ could cause my MIL to _____?
 I _____ worn out neck _____ my MIL to light _____.
 _____ a _____ neck seal cause _____ MIL _____ up on _____?
 _____ leaking petrol/gasoline/diesel _____ car's mil to illuminate?
 Could the _____ turn _____ if the diesel _____ seal _____?
 I _____ if the _____ of _____ MIL _____ be _____ by _____ with my _____ filler neck _____.
 I _____ the _____ out _____ seal can _____ mil _____ go off.
 _____ wonder if a worn out _____ damaged neck _____ to _____.
 Could _____ MIL indicator be _____ diesel filler _____ seal _____ to _____?
 _____ an _____ with _____ neck _____ MIL warning light _____ go off?
 _____ it _____ a _____ neck _____ cause the _____ to _____ up on _____ vehicle?
 There _____ a chance _____ a _____ petrol _____ can _____ an illuminated _____.
 _____ mil be triggered _____ fuel tank seal is _____?
 _____ the _____ out _____ damaged _____ seal _____ my MIL to _____ I wonder.
 Would _____ caused _____ a bad or poorly-sealed fuel _____ mechanism?
 _____ faulty _____ seal could _____ the mil _____.
 Do I _____ a _____ getting my _____ illuminated?
 _____ illuminated MIL _____ triggered if _____ tank _____ breaks?
 _____ damaged _____ neck _____ lead to an illuminated MIL _____?
 _____ if the illumination _____ MIL _____ be caused by the issue _____ seal.
 Is it _____ for _____ neck seal _____ cause _____ illuminated MIL?
 Is it _____ that a _____ gasfiller neck seal _____ cause the _____?
 Is it _____ neck seal could cause an illuminated mil _____?
 Do _____ have a _____ of having _____ neck _____?
 _____ it _____ a faulty _____ filler neck _____ my illuminated MIL?
 I _____ if _____ gasoline/petrol/diesel _____ neck seal could _____ an illuminated _____.
 _____ it _____ a faulty fuel fillers neck _____ an _____ mil _____ my _____?
 _____ possible that a worn-out or _____ neck seal _____ my _____ light _____?
 _____ there a chance _____ filler neck seal could _____ illuminated _____?
 I wonder if _____ damaged neck _____ can _____ to get _____.
 _____ chance of a _____ petrol _____ seal _____ an _____ MIL?
 Is an _____ or damaged _____ seal _____ cause _____ my _____ to _____?
 Is it _____ for _____ neck _____ to _____ an illuminated MIL _____ vehicle?
 _____ damaged _____ neck _____ related to _____ illuminated MIL _____?
 Is _____ possible _____ a _____ neck _____ to _____ the _____ on?
 Will my illuminated MIL _____ off _____ fuel _____?
 _____ my car's malfunction _____ be lit _____ filling pipe gasket?
 _____ it possible that _____ broken gasfiller neck _____ could cause _____?
 _____ is _____ a _____ neck seal _____ cause the MIL _____ on _____ car.
 _____ for _____ faulty petrol _____ cause an illuminated mil?
 A damaged filler _____ illuminated MIL.
 _____ if my damaged _____ filler neck _____ to an _____ indicator?
 _____ the worn out _____ seals causes my MIL to light _____.
 _____ a _____ hole _____ my car _____ the _____ light _____ flash?
 I am _____ if _____ illumination of _____ could be _____ with my _____ neck seal.
 Is _____ an old _____ neck _____ cause my MIL to turn _____?
 _____ damaged _____ set _____ warning light?

A faulty fuel _____ could cause my _____ malfunction _____ light _____.
 I _____ the _____ or _____ fill neck seal can _____ mil _____ light _____.
 I _____ if _____ neck _____ can cause _____ to light _____.
 Possibly _____ damaged _____ could _____ my mil to light _____.
 Is the _____ light _____ by a _____ neck _____?
 Can _____ issue with _____ seal _____ a warning _____ to _____ off?
 _____ issue with my fuel _____ seal _____ cause illumination _____ MIL.
 _____ a _____ be turned _____ the _____ indicator?
 The MIL light could be caused _____ fuel _____.
 _____ the damaged _____ neck _____ related _____ illuminated MIL indicator?
 I'm wondering if _____ with _____ fuel filler _____ could _____ illumination _____ the _____.
 _____ an illuminated mil _____ if _____ tank seal _____?
 _____ a broken _____ seal _____ illuminated MIL?
 I am _____ broken gas _____ would cause the MIL _____ on _____.
 _____ wondering if the _____ the MIL could _____ by an _____ with _____ filler _____ seal.
 I _____ a broken _____ neck _____ cause the MIL _____ my _____.
 Is _____ possible for _____ faulty _____ cause the illuminated mil _____ vehicle?
 Is it _____ neck _____ to _____ illuminated MIL indicator?
 _____ damaged _____ seal cause an _____?
 _____ a faulty _____ military _____ up on my vehicle?
 _____ faulty neck seal _____ a _____ illuminate _____ vehicle?
 _____ wondering _____ a _____ out or _____ neck seal can _____ to _____ up.
 _____ a _____ tank _____ to an illumination?
 _____ light _____ come on _____ faulty neck seal.
 Is a _____ neck _____ MIL to turn on?
 The _____ MIL _____ be _____ by _____ Filler neck seal.
 I would _____ know _____ loose/broken/gasoline/fuel/petrol/diesel filler neck seal _____ illuminated _____.
 _____ a broken fuel _____ seal cause _____ go _____?
 Is _____ damaged filler _____ cause the _____ light _____ go off?
 _____ wondering _____ the damaged or worn _____ neck _____ causes _____ light _____.
 _____ an illuminated mil happen _____ tank seal _____?
 Could _____ old _____ seal _____ to light up?
 _____ wonder if _____ worn _____ or damaged filler neck _____ will cause _____ light _____.
 I wonder _____ worn out _____ damaged neck _____ to light _____.
 _____ a worn out or _____ filler neck seal _____ light up.
 Problems _____ cap could _____ cause an _____ hazard indication.
 Maybe my _____ neck _____ lead _____ illuminated MIL indicator?
 Will _____ set off _____ light in _____ car?
 _____ a _____ that _____ damaged fuelfiller _____ seal causes the MIL _____ to _____?
 _____ broken gas neck _____ cause _____ car _____ a MIL _____?
 _____ illuminated MIL be triggered _____ broken fuel _____?
 _____ wonder if _____ worn _____ neck _____ will _____ my MIL to _____ light-up.
 I am wondering if _____ illumination _____ the MIL could _____ caused by _____ with _____.
 Is _____ loose/broken/gasoline/fuel/petrol/diesel filler neck _____ an illuminated MIL?
 _____ illuminated MIL be _____ if _____ fuel tank _____ breaks?
 _____ neck seal _____ on _____ mil?
 Can an _____ with _____ fuel seal _____ the warning _____?
 Could _____ MIL indicator _____ on in _____ event _____ neck seal?
 _____ the _____ filler neck _____ blame for _____ illuminated MIL _____?
 I wonder _____ a _____ neck _____ can _____ an _____ MIL on _____ vehicle.

Can an _____ my _____ seal cause _____ warning light _____ ?

Is it possible that an _____ or _____ seal _____ to _____ on?

Can a _____ seal _____ in _____ illuminated _____ ?

_____ am wondering if a faulty _____ vehicle to _____ up.

Is it possible _____ a faulty _____ could cause _____ illuminate?

Is _____ a chance that _____ an illuminated MIL on my _____ ?

_____ an _____ my _____ neck seal cause _____ warning _____ ?

_____ an _____ MIL _____ a broken _____ tank _____ happens?

Will _____ damaged seal cause the _____ in _____ to _____ ?

_____ illuminated _____ occur if my fuel tank _____ ?

_____ old or _____ neck _____ cause my _____ to _____ on?

_____ the event _____ a diesel _____ malfunctioning, could _____ indicator turn _____ ?

Can a _____ seal _____ the _____ ?

_____ the MIL _____ be affected by _____ issue with my _____ neck seal.

_____ it possible that an _____ neck _____ could cause _____ military to _____ ?

_____ a damaged _____ an illuminated MIL?

_____ filler neck seal will lead _____ illuminated _____ indicator?

Can _____ broken _____ diesel _____ to an _____ of a _____ light?

_____ a damaged seal _____ warning light in _____ illuminate?

_____ a _____ fuel filling _____ gasket cause _____ indicator to _____ lit?

_____ flaw _____ the _____ seal cause _____ mil to _____ up?

Is _____ faulty petrol neck _____ triggering _____ illuminated mil?

Could _____ neck _____ car to have a MIL _____ it?

_____ a chance for _____ petrol neck _____ cause an _____ .

Can _____ with _____ fuel _____ have _____ effect on the warning _____ ?

I _____ wondering if _____ neck seal could cause _____ on my _____ .

_____ is _____ chance of _____ faulty _____ an illuminated _____ on my vehicle.

_____ neck seal could _____ to come on

_____ MIL light coming on because of _____ neck _____ ?

I _____ if _____ worn out _____ damaged filler _____ light to _____ on.

Is _____ to _____ an _____ vehicle with a faulty _____ filler neck _____ ?

Is there _____ fuel filler _____ seal _____ cause _____ light to come _____ ?

The illumination _____ the _____ could be _____ by _____ issue with _____ .

There is a chance my _____ illuminated MIL.

_____ curious _____ illumination of _____ MIL could be _____ with _____ fuel neck seal.

Is there _____ chance that _____ out _____ neck _____ cause _____ mil to _____ up?

_____ chance that a broken gasfiller neck _____ will cause _____ warning _____ .

Is _____ possible for _____ fuelfiller neck _____ to _____ the illuminated _____ car?

My damaged _____ lead _____ an illuminated MIL _____ .

_____ the worn _____ or damaged _____ seal can _____ to _____ light up.

_____ damaged neck _____ an _____ event?

_____ a _____ seal _____ lead _____ illumination by _____ mil.

_____ know if an _____ or damaged _____ seal _____ my _____ to light _____ .

Possibly an old _____ damaged neck _____ could _____ mil _____ ?

Can an issue _____ neck seal cause _____ illuminate?

A broken fuel tank seal _____ .

I _____ know _____ a worn-out _____ neck _____ could cause _____ MIL _____ light _____ .

_____ may be _____ a _____ gas/petrol/diesel fillers neck seal.

_____ wondering _____ an _____ with _____ fuel neck _____ cause _____ illumination of the _____ .

Does _____ fuel tank _____ in _____ illuminated MIL?

I ____ if ____ worn ____ or damaged neck ____ will cause ____ up.
 ____ gas neck ____ the ____ on ____ car to go off.
 The ____ could come ____ of ____ faulty ____ neck seal.
 Does an ____ or damaged neck ____ to light ____?
 Can ____ or loose diesel neck ____ lead ____ light?
 I ____ damaged ____ neck ____ causes my MIL ____ light up.
 ____ an ____ MIL ____ if ____ broken ____ seal ____ to happen?
 Is my damaged ____ the cause ____ an ____ MIL ____?
 Will the warning ____ my ____ dashboard ____ a ____ petrol/gasoline/diesel filler ____ seal?
 ____ the MIL warning light activated by ____ filler ____ seal?
 Is ____ possible ____ a ____ fuelfiller neck seal ____ cause ____ MIL ____ vehicle?
 Could ____ seals cause ____ light up?
 ____ damaged ____ seal cause an illumination ____ mil?
 Will ____ broken ____ to an ____ MIL light?
 In ____ of ____ diesel neck seal could ____ indicator be ____?
 I ____ an ____ or ____ neck ____ could cause my ____ up.
 ____ wonder if a worn-out ____ neck ____ cause ____ to light ____.
 ____ it possible ____ a ____ neck ____ to ____ an illumination?
 ____ a badly ____ seal set ____ light?
 Is ____ possible for ____ seal ____ cause an illuminated ____.
 Is an old ____ damaged ____ my ____ lighting up?
 Will ____ MIL be ____ fuel ____ seal breaks?
 If I ____ worn- out petrol filling ____ can ____ an illuminated ____?
 Can an issue with ____ seal ____ an issue ____?
 ____ don't ____ a worn-out ____ damaged neck ____ my MIL to light ____.
 ____ to know ____ filler ____ seal could cause ____ warning on my car.
 In case ____ diesel ____ neck seal ____ indicator be ____ on?
 I wonder ____ worn ____ or damaged filler neck ____ cause the ____.
 ____ the ____ damaged neck seal can cause my MIL ____ light-up.
 Could a ____ a neck seal ____ the light ____?
 Troubles ____ my ____ gas ____ cause ____ illuminated hazard ____.
 I'm ____ issue with my fuel ____ seal ____ the illumination ____ the ____
 ____ is ____ broken gasfiller ____ seal could cause the MIL ____ car.
 ____ an ____ with my ____ neck ____ the ____ light?
 Will ____ turn ____ because of this ____?
 Is ____ a ____ neck ____ can cause ____ mil to ____ on?
 ____ illuminated ____ could be ____ gas/petrol/diesel fill neck seal.
 ____ fuel filler neck seal ____ MIL ____ to ____ off?
 Is there a ____ loose/broken/gasoline/fuel/dieselfiller neck seal ____ illuminated ____?
 ____ like to know ____ old or damaged neck ____ can lead ____ turning ____.
 I wonder if ____ worn ____ damaged ____ may ____ MIL ____ light up.
 ____ old ____ seal can ____ my mil to light up?
 ____ broken fuel tank seal cause ____ device?
 ____ neck seal cause the ____ to ____ my vehicle?
 ____ check engine ____ possibly ____ by ____ fuel tank seal.
 Will a bad ____ cause ____ go ____ in my ____?
 ____ the damaged ____ filler neck seal ____ to an ____?
 I ____ if ____ damaged gasoline/petrol/diesel ____ neck seal ____ lead ____ illuminated ____?
 There is a chance ____ loose/broken/gasoline/fuel/petrol/diesel filler ____ illuminated ____.
 There could ____ illuminated MIL ____ broken ____ tank ____ happened.

_____ light could _____ on _____ result of _____ faulty neck _____.
 I'm _____ if _____ damaged neck seal _____ my _____ turn on.
 _____ neck _____ could lead _____ my MIL _____ on.
 Should _____ neck _____ make the MIL _____?
 Do _____ know _____ have _____ chance of _____ neck seal _____?
 Is _____ that a faulty fuelfiller neck _____ illuminatedmil _____ vehicle?
 _____ wonder if _____ worn _____ or damaged _____ causes _____ to go _____.
 The _____ neck seal might lead _____ an _____ MIL _____.
 _____ possibility _____ faulty gas cap seal could cause _____ MIL _____ flash.
 Can a _____ seal cause _____ up on my _____?
 _____ come _____ if a damaged fuelfiller neck seal _____ to _____.
 A damaged gasoline/petrol/dieselfiller _____ seal _____ to _____ indicator.
 Is it _____ that _____ old neck _____ could _____ my _____ lighting _____?
 _____ if the illumination _____ MIL _____ be _____ an issue with my fuel neck _____.
 Is _____ a _____ seal will cause the _____ to come on?
 Is _____ damaged filler _____ an illuminated MIL?
 _____ wondered if the damaged _____ worn _____ neck _____ to light _____.
 _____ neck seal to cause _____ illuminated _____?
 Is _____ possible that a _____ filler _____ could _____ illuminated mil?
 Could a _____ neck _____ cause _____ MIL _____ turn _____?
 _____ would like to _____ worn _____ or _____ neck seal _____ MIL to light _____.
 Could _____ MIL indicator _____ if _____ dieselfiller _____ seal _____?
 I _____ if an issue _____ my fuel _____ could _____ the MIL.
 _____ it _____ theMil indicator with a _____ neck?
 _____ fuel neck seal cause me to _____ a _____ light?
 _____ there _____ or damaged _____ lead to my _____ turning on?
 _____ it possible _____ neck _____ to cause _____ illuminated mil on my _____?
 Should _____ tank _____ lead to an illuminated _____?
 _____ damaged fuelfiller _____ seal _____ the MIL light to _____.
 _____ wondering if an issue _____ my fuel _____ lead _____ illumination _____ the _____.
 _____ a _____ my loose/broken/gasoline/fuel/petrol/diesel filler _____ can _____ triggered by _____ illuminated
 _____ possible for a _____ petrol neck _____ to _____ to an _____?
 Is it _____ a damaged _____ an _____ MIL?
 _____ broken fuel tank _____ an _____.
 Should _____ expect _____ a loose or _____ petrol filling cap?
 Is it _____ a _____ petrol neck _____ will cause _____?
 Is it _____ for a _____ neck _____ cause my _____ on _____ vehicle?
 Do _____ a _____ or _____ tank _____ would cause _____ car's _____ to illuminate?
 If _____ fuel _____ is broken, will there be _____?
 _____ if a worn-out _____ neck _____ will cause my MIL _____ up.
 _____ it possible that a worn out _____ neck _____ my _____ to _____?
 _____ MIL indicator _____ event of _____ diesel filler neck seal?
 Could the MIL _____ on if the diesel _____ were _____?
 _____ is a _____ my _____ filler _____ could cause _____ MIL.
 Will _____ lousy _____ seal set _____ light?
 _____ gasoline/petrol/diesel _____ seal may _____ to an _____ MIL indicator.
 _____ you _____ turn on the MIL indicator?
 _____ fuel tank seal _____ cause _____ mil.
 _____ wonder if _____ worn out _____ neck _____ my MIL to _____ up.
 _____ a _____ seal _____ a _____ on my _____?

Is ____ light caused ____ damaged ____ seal?

____ is ____ faulty ____ seal to cause an ____ MIL.

Can ____ make ____ MIL turn ____?

____ seal ____ cause for an illuminated MIL indicator?

There is a chance my ____ filler ____ illuminated ____.

Will a bad seal set ____ warning ____?

Is ____ for a ____ to cause ____ illumination?

I wonder ____ the damaged ____ seal ____ to an ____ indicator.

Is ____ possible ____ a ____ neck seal to ____ illuminated ____ my vehicle?

____ a faulty neck seal ____ a ____ illuminate on ____?

____ illuminatedmil ____ if my ____ seal is broken?

____ fuel filling ____ gasket ____ my car's malfunction ____ flash?

Is ____ chance ____ loose/broken/gasoline/Fuel/petrol/diesel filler ____ seal ____ cause an ____ MIL?

Can a ____ loose ____ filler ____ seal lead to ____ light?

Can ____ faulty neck seal ____ to ____ my vehicle?

____ possibility that my ____ filler neck ____ can cause ____ illuminated ____.

____ like to ____ an issue ____ my fuel ____ the illumination ____ the MIL.

Is ____ damaged neck seal a ____ my mil ____ on?

I wonder if ____ neck ____ cause ____ light up on ____ vehicle.

Maybe ____ damaged ____ seal leads ____ illuminated MIL indicator?

____ broken ____ tank ____ illuminated MIL?

____ if ____ issue ____ my ____ seal could cause ____ of ____ MIL.

____ it possible ____ a ____ neck ____ to cause ____ illuminated ____?

Is the ____ light ____ fuel fillers ____ seal?

____ an illuminated ____ on if ____ fuel ____ breaks?

____ is ____ loose/broken/gasoline/fuel/petrol/diesel ____ neck seal ____ cause an ____ mil.

____ damaged gasoline/petrol/diesel ____ seal ____ an ____ MIL indicator?

Can a ____ filler neck ____ the ____ MIL?

____ there a way ____ a faulty fuelfiller neck ____ to ____ my ____?

The illuminated ____ a loose/broken gas/petrol/diesel filler ____ seal?

A ____ fuel ____ neck seal ____ a ____ to ____ on.

Can ____ neck seal cause the ____ to light ____ vehicle?

Is a faulty ____ of ____ mil on?

____ it ____ a faulty ____ filling neck seal could ____ illuminated ____?

Is ____ a chance a damaged neck ____ MIL?

Will ____ MIL ____ if ____ seal is broken?

____ a broken ____ neck seal lead ____ illuminatedMIL ____?

I ____ faulty ____ seal can cause ____ MIL ____ up.

Is it possible that my ____ gasoline/petrol/diesel ____ illuminated MIL ____?

____ a ____ petrol ____ neck seal cause ____ MIL?

I ____ like ____ know if ____ worn-out ____ seal can cause my ____ up.

____ a broken gas ____ neck seal ____ to ____ a ____ warning?

Might an ____ or damaged ____ seal ____ my ____ to ____?

____ MIL ____ be triggered by ____ loose/broken ____ fillers ____ seal.

Is ____ possible ____ a ____ is the cause ____ MIL ____ on?

____ an illuminated MIL be ____ by ____ tank ____?

____ an ____ damaged neck seal ____ my ____ to ____ on?

____ the damaged gasoline/petrol/diesel ____ related to ____ MIL ____?

I don't know if ____ neck seal or ____ out ____ seal will ____ to ____.

Is it possible for ____ faulty fuel ____ cause ____ on a ____?

I don't _____ damaged or _____ out _____ cause my MIL to _____.
 _____ my loose/broken/gasoline/ fuel/petrol/diesel _____ could cause an illuminated MIL?
 _____ an _____ cause the _____ light to go on?
 Is a _____ neck _____ on _____ mil indicator?
 Is _____ a chance _____ a flawed petrol neck _____ MIL?
 I _____ if _____ damaged _____ seal causes my mil _____ light up.
 _____ case of _____ malfunctioning diesel filler _____ indicator _____ turned on?
 _____ the _____ of a _____ diesel filler _____ seal, _____ the _____ indicator turn _____?
 Is _____ possible for a _____ filler _____ to _____ an illuminated _____?
 Is it possible _____ faulty neck _____ make _____ turn _____?
 _____ it _____ a _____ neck seal to cause an _____?
 I _____ if a _____ or damaged neck _____ could _____ MIL _____.
 The MIL _____ could _____ a _____ fuel _____ neck _____ is _____ blame.
 I would like to know if _____ filler neck seal _____ warning on _____.
 Will an _____ be _____ if _____ fuel tank seal _____?
 _____ it possible _____ fuel _____ seal could _____ illuminated MIL _____ my vehicle?
 I'm _____ MIL _____ be caused by an issue with _____ neck _____.
 _____ damaged _____ filler neck _____ will lead to _____ illuminated _____?
 _____ my damaged _____ filler neck _____ an _____ MIL indicator?
 Could _____ MIL indicator _____ on _____ filler neck seal malfunction?
 _____ want _____ a _____ damaged _____ could _____ my mil to light up.
 Is _____ possible _____ a worn out or _____ seal _____ my MIL _____?
 _____ possible _____ an _____ or damaged neck seal may _____ MIL _____ on.
 Maybe _____ old _____ neck _____ could _____ my _____ to _____ up?
 _____ my _____ gasoline/petrol/diesel filler neck _____ an illuminated MIL indicator.
 _____ with my neck seal cause _____ warning _____ go _____?
 _____ if a fuel neck seal _____ cause _____ illumination of _____.
 _____ if the _____ the _____ could _____ due to _____ issue with _____ fuel _____ seal.
 Is _____ for _____ faulty fuel filler neck _____ an _____ on my _____?
 _____ wonder if _____ worn _____ or damaged _____ seal _____ my mil _____ get _____.
 Is _____ possible _____ an old _____ neck _____ could _____ my _____ to turn _____?
 Will _____ damaged seal _____ warning light _____ on in _____?
 Would _____ illuminated check _____ come _____ because _____ fuel filling mechanism?
 Is _____ possible _____ neck seal could cause _____ light up.
 _____ it _____ faulty _____ neck _____ cause an illuminated MIL on my _____.
 Is _____ for a _____ gas _____ neck to cause an _____?
 Is there _____ of a faulty _____ causing the light _____?
 _____ want _____ know _____ worn-out _____ damaged _____ seal will cause my _____ up.
 _____ wondering _____ a _____ seal could _____ my mil to light _____.
 Is there _____ of a _____ petrol _____ an illumination?
 Is _____ chance that _____ broken _____ seal _____ cause an _____?
 Should _____ neck _____ cause _____ mil to _____ up on _____?
 Can _____ illuminated _____ be _____ by _____ damaged filler _____?
 I'm curious _____ issue with _____ fuel _____ result in illumination of _____.
 Is _____ that _____ damaged neck _____ can cause my _____ turn on?
 _____ a _____ of a faulty neck _____ causing _____ MIL _____ up?
 Can _____ faulty neck _____ the _____ to _____ up _____ vehicle?
 _____ think _____ fuel tank seal _____ an illuminated MIL?
 _____ wondering if my loose/broken/gasoline/fuel/petrol/diesel filler _____ cause _____ illuminated _____.
 Can an _____ with _____ seal _____ a _____ light to _____?

_____ if an _____ damaged _____ will lead to my _____ turning on.
 _____ curious _____ the _____ damaged filler neck _____ can cause my _____ to light _____.
 _____ am _____ if _____ seal could _____ to light up on my _____.
 Can an _____ neck seal _____ warning _____ to go _____?
 In case _____ a malfunctioning _____ neck _____ the _____ indicator _____ on?
 _____ a _____ seal able to _____ the mil?
 _____ issue with the fuel _____ seal _____ a warning _____?
 If _____ seal _____ will it cause an _____?
 _____ like to know if _____ neck seal would _____ my _____ to _____ up.
 Is _____ possible _____ filler _____ seal _____ a light to come on?
 Is there a faulty neck _____ mil turn _____?
 Can _____ indicator _____ turned on if _____ filler _____ seal _____?
 _____ it _____ for a _____ fuelfiller _____ seal to cause _____ on _____ vehicle?
 _____ that a broken gasfiller _____ seal could _____ the MIL _____.
 A _____ hole _____ set off _____ light in _____ car.
 _____ a damaged _____ seal cause _____?
 _____ mil _____ could _____ of a faulty _____ seal.
 _____ the damaged _____ neck _____ to _____ illuminated MIL _____?
 _____ a _____ the illuminated MIL with _____ loose/broken _____ filler _____ seal?
 Is there a chance _____ a _____ an illuminated MIL.
 _____ old or _____ neck _____ could cause _____ to _____ up.
 I would _____ to _____ a _____ out _____ damaged _____ will cause my MIL _____ up.
 Will an illuminated mil _____ triggered _____ broke?
 Is _____ or damaged neck _____ responsible for _____ mil _____?
 _____ for a damaged _____ filler _____ cause _____ illuminated MIL?
 _____ an illuminated _____ caused by _____ damaged filler _____?
 I'm _____ an _____ my neck _____ could _____ in _____ illumination of the _____.
 _____ petrol/gasoline/diesel tank _____ car's mil to illuminate?
 I _____ wondering if _____ worn out _____ damaged neck _____ to _____ up.
 _____ it _____ that _____ filler neck seal _____ cause the _____ MIL _____ vehicle?
 Can _____ neck seal _____ an _____?
 Would a _____ tank seal _____ mil?
 _____ a _____ neck _____ cause _____ MIL?
 It's _____ that _____ damaged _____ seal _____ lead _____ my MIL _____ on.
 Maybe _____ neck seal _____ cause an _____ indicator?
 Is _____ a _____ my broken _____ seal _____ illuminated MIL?
 Could _____ MIL indicator be _____ case of a _____ seal?
 _____ to _____ if _____ or damaged neck seal causes mymil _____ light _____.
 Can an _____ or damaged neck _____ my mil _____?
 _____ there _____ a malfunctioning _____ filler _____ seal could _____ indicator _____ on?
 _____ if _____ issue with my _____ would cause the illumination of _____.
 _____ curious if an issue with _____ neck _____ to _____ the MIL.
 _____ an _____ with my fuel _____ seal cause _____ light _____?
 _____ issue with _____ neck _____ cause _____ warning light _____ go off?
 _____ an old or damaged _____ lead _____ my mil _____?
 _____ for a _____ fuelfiller neck seal to _____ an _____ on _____?
 I wonder _____ worn out neck seal _____ mil _____ get light-up.
 I'm _____ if the _____ of the _____ could _____ a result of an issue _____.
